7.25 a completed, signed application form provided by the board. The examination may be  
7.26 taken prior to completing degree requirements;

7.27 (3) has submitted a completed, signed application form provided by the board,  
7.28 including the applicable application fee specified in section 148E.180. For applications

7.30 by the board;

7.31 (4) has submitted the criminal background check fee and a form provided by the  
7.32 board authorizing a criminal background check according to subdivision 8;

7.33 (5) has paid the applicable license fee specified in section 148E.180; and

7.34 (6) has not engaged in conduct that was or would be in violation of the standards  
7.35 of practice specified in sections 148E.195 to 148E.240. If the applicant has engaged in

8.1 conduct that was or would be in violation of the standards of practice, the board may take  
8.2 action according to sections 148E.255 to 148E.270.

8.3 (b) An application that is not completed and signed, or that is not accompanied by the  
8.4 correct fee, must be returned to the applicant, along with any fee submitted, and is void.

8.5 (c) A licensee granted a license by the board according to paragraph (a) must meet  
8.6 the supervised practice requirements specified in sections 148E.100 to 148E.125. If a  
8.7 licensee does not meet the supervised practice requirements, the board may take action  
8.8 according to sections 148E.255 to 148E.270.

8.9 (d) By submitting an application for licensure, an applicant authorizes the board to  
8.10 investigate any information provided or requested in the application. The board may  
8.11 request that the applicant provide additional information, verification, or documentation.

8.12 (e) Within one year of the time the board receives an application for licensure, the  
8.13 applicant must meet all the requirements specified in paragraph (a) and must provide all of  
8.14 the information requested by the board according to paragraph (d). If within one year the  
8.15 applicant does not meet all the requirements, or does not provide all of the information  
8.16 requested, the applicant is considered ineligible and the application for licensure must  
8.17 be closed.

8.18 (f) Except as provided in paragraph (g), an applicant may not take more than three  
8.19 times the bachelors or equivalent examination administered by the Association of Social

8.21 receive a passing score on the bachelors or equivalent examination administered by the  
8.22 Association of Social Work Boards or a similar examination body designated by the board  
8.23 in no more than 18 months after the date the applicant first failed the examination.

8.24 (g) Notwithstanding paragraph (f), the board may allow an applicant to take, for a  
8.25 fourth or subsequent time, the bachelors or equivalent examination administered by the  
8.26 Association of Social Work Boards or a similar examination body designated by the  
8.27 board if the applicant:

8.28 (1) meets all requirements specified in paragraphs (a) to (e) other than passing the  
8.29 bachelors or equivalent examination administered by the Association of Social Work  
8.30 Boards or a similar examination body designated by the board;

8.31 (2) provides to the board a description of the efforts the applicant has made to  
8.32 improve the applicant's score and demonstrates to the board's satisfaction that the efforts  
8.33 are likely to improve the score; and

8.35 workers attesting to the applicant's ability to practice social work competently and  
8.36 ethically according to professional social work knowledge, skills, and values.

9.1 (h) An individual must not practice social work until the individual passes the  
9.2 examination and receives a social work license under this section or section 148E.060. If  
9.3 the board has reason to believe that an applicant may be practicing social work without a  
9.4 license, and the applicant has failed the bachelors or equivalent examination administered  
9.5 by the Association of Social Work Boards or a similar examination body designated by  
9.6 the board, the board may notify the applicant's employer that the applicant is not licensed  
9.7 as a social worker.

9.9 **social worker.** (a) Except as provided in paragraph (i), to be licensed as a licensed  
9.10 graduate social worker, an applicant for licensure by examination must provide evidence

9.13 the Council on Social Work Education, the Canadian Association of Schools of Social  
9.14 Work, or a similar accreditation body designated by the board, or a doctorate in social  
9.15 work from an accredited university;

9.16 (2) has passed the masters or equivalent examination administered by the Association  
9.17 of Social Work Boards or a similar examination body designated by the board. Unless an  
9.18 applicant applies for licensure by endorsement according to section 148E.055, subdivision  
9.19 7, an examination is not valid if it was taken and passed eight or more years prior to  
9.20 submitting a completed, signed application form provided by the board. The examination  
9.21 may be taken prior to completing degree requirements;

9.22 (3) has submitted a completed, signed application form provided by the board,  
9.23 including the applicable application fee specified in section 148E.180. For applications  
9.24 submitted electronically, a "signed application" means providing an attestation as specified  
9.25 by the board;

9.26 (4) has submitted the criminal background check fee and a form provided by the  
9.27 board authorizing a criminal background check according to subdivision 8;

9.28 (5) has paid the applicable license fee specified in section 148E.180; and

9.29 (6) has not engaged in conduct that was or would be in violation of the standards  
9.30 of practice specified in sections 148E.195 to 148E.240. If the applicant has engaged in  
9.31 conduct that was or would be in violation of the standards of practice, the board may take  
9.32 action according to sections 148E.255 to 148E.270.

9.33 (b) An application which is not completed and signed, or which is not accompanied  
9.34 by the correct fee, must be returned to the applicant, along with any fee submitted, and is  
9.35 void.

10.1 (c) A licensee granted a license by the board according to paragraph (a) must meet  
10.2 the supervised practice requirements specified in sections 148E.100 to 148E.125. If a  
10.3 licensee does not meet the supervised practice requirements, the board may take action  
10.4 according to sections 148E.255 to 148E.270.

10.5 (d) By submitting an application for licensure, an applicant authorizes the board to  
10.6 investigate any information provided or requested in the application. The board may  
10.7 request that the applicant provide additional information, verification, or documentation.

10.8 (e) Within one year of the time the board receives an application for licensure, the  
10.9 applicant must meet all the requirements specified in paragraph (a) and must provide all of  
10.10 the information requested by the board according to paragraph (d). If within one year the  
10.11 applicant does not meet all the requirements, or does not provide all of the information  
10.12 requested, the applicant is considered ineligible and the application for licensure must  
10.13 be closed.

10.14 (f) Except as provided in paragraph (g), an applicant may not take more than three  
10.15 times the masters or equivalent examination administered by the Association of Social  
10.16 Work Boards or a similar examination body designated by the board. An applicant must  
10.17 receive a passing score on the masters or equivalent examination administered by the  
10.18 Association of Social Work Boards or a similar examination body designated by the board  
10.19 in no more than 18 months after the date the applicant first failed the examination.

11.18 submitting a completed, signed application form provided by the board;

11.19 (4) has submitted a completed, signed application form provided by the board,  
11.20 including the applicable application fee specified in section 148E.180. For applications

11.26 (7) has not engaged in conduct that was or would be in violation of the standards  
11.27 of practice specified in sections 148E.195 to 148E.240. If the applicant has engaged in

11.29 action according to sections 148E.255 to 148E.270.

11.30 (b) An application which is not completed and signed, or which is not accompanied

11.36 according to sections 148E.255 to 148E.270.

12.1 (d) By submitting an application for licensure, an applicant authorizes the board to  
12.2 investigate any information provided or requested in the application. The board may

12.6 the information requested by the board according to paragraph (d). If within one year the

12.12 Association of Social Work Boards or a similar examination body designated by the  
12.13 board. An applicant must receive a passing score on the masters or equivalent examination  
12.14 administered by the Association of Social Work Boards or a similar examination body  
12.15 designated by the board in no more than 18 months after the first time the applicant failed  
12.16 the examination.

12.17 (g) Notwithstanding paragraph (f), the board may allow an applicant to take, for a  
12.18 fourth or subsequent time, the advanced generalist or equivalent examination administered  
12.19 by the Association of Social Work Boards or a similar examination body designated by  
12.20 the board if the applicant:

12.30 (h) An individual must not practice social work until the individual passes the  
12.31 examination and receives a social work license under this section or section 148E.060. If  
12.32 the board has reason to believe that an applicant may be practicing social work without a  
12.33 license, except as provided in section 148E.065, and the applicant has failed the advanced  
12.34 generalist or equivalent examination administered by the Association of Social Work  
12.35 Boards or a similar examination body designated by the board, the board may notify the

13.8 work from an accredited university;

13.9            (2) has completed 360 clock hours (one semester credit hour = 15 clock hours) in  
13.10 the following clinical knowledge areas:

14.13 action according to sections 148E.255 to 148E.270.

14.14 (b) An application which is not completed and signed, or which is not accompanied  
14.15 by the correct fee, must be returned to the applicant, along with any fee submitted, and is

19.23 another jurisdiction, and receives a temporary license according to subdivision 3, the  
19.24 requirements specified in paragraph (a) do not apply. However, if an applicant with a  
19.25 temporary license chooses to practice social work under supervision, the supervision  
19.26 applies to the requirements specified in sections 148E.100 to 148E.125.

19.27           Subd. 9. **Prohibition on practice.** An applicant for a temporary license must not  
19.28 practice social work in Minnesota, except as provided in section 148E.065, until the  
19.29 applicant has been granted a temporary license.

19.30           Subd. 10. **Representation of professional status.** In making representations of  
19.31 professional status to the public, a licensee with a temporary license must state that the  
19.32 licensee has a temporary license.

19.33           Subd. 11. **Standards of practice.** A licensee with a temporary license must conduct  
19.34 all professional activities as a social worker according to the requirements of sections  
19.35 148E.195 to 148E.240.

20.1            Subd. 12. **Ineligibility.** An applicant who is currently practicing social work in  
20.2 Minnesota in a setting that is not exempt under section 148E.065 at the time of application  
20.3 is ineligible for a temporary license.

20.4            Subd. 13. **Revocation of temporary license.** The board may immediately revoke  
20.5 the temporary license of any licensee who violates any requirements of this section. The  
20.6 revocation must be made for cause, without notice or opportunity to be heard. A licensee  
20.7 whose temporary license is revoked must immediately return the temporary license to  
20.8 the board.

20.9            **Sec. 13. [148E.065] EXEMPTIONS.**

20.10           Subdivision 1. **Other professionals.** Nothing in this chapter may be construed  
20.11 to prevent members of other professions or occupations from performing functions  
20.12 for which they are qualified or licensed. This exception includes but is not limited to:  
20.13 licensed physicians, registered nurses, licensed practical nurses, licensed psychologists,  
20.14 psychological practitioners, probation officers, members of the clergy and Christian  
20.15 Science practitioners, attorneys, marriage and family therapists, alcohol and drug  
20.16 counselors, professional counselors, school counselors, and registered occupational  
20.17 therapists or certified occupational therapist assistants. These persons must not, however,  
20.18 hold themselves out to the public by any title or description stating or implying that they  
20.19 are engaged in the practice of social work, or that they are licensed to engage in the  
20.20 practice of social work. Persons engaged in the practice of social work are not exempt  
20.21 from the board's jurisdiction solely by the use of one of the titles in this subdivision.

20.22           Subd. 2. **Students.** An internship, externship, or any other social work experience  
20.23 that is required for the completion of an accredited program of social work does not  
20.24 constitute the practice of social work under this chapter.

20.25           Subd. 3. **Geographic waiver.** A geographic waiver may be granted by the board on  
20.26 a case-by-case basis to agencies with special regional hiring problems. The waiver is for  
20.27 the purpose of permitting agencies to hire individuals who do not meet the qualifications  
20.28 of section 148E.055 or 148E.060 to practice social work.

20.29           Subd. 4. **City, county, and state agency social workers.** The licensure of city,  
20.30 county, and state agency social workers is voluntary. City, county, and state agencies  
20.31 employing social workers are not required to employ licensed social workers.

20.32           Subd. 5. **Tribes and private nonprofit agencies; voluntary licensure.** The  
20.33 licensure of social workers who are employed by federally recognized tribes, or by private  
20.34 nonprofit agencies whose primary service focus addresses ethnic minority populations,

21.1 and who are themselves members of ethnic minority populations within those agencies, is  
21.2 voluntary.

21.3 Sec. 14. **[148E.070] LICENSE RENEWALS.**

21.4 **Subdivision 1. License renewal term.** (a) If a license is renewed, the license must  
21.5 be renewed for a two-year renewal term. The renewal term is the period from the effective  
21.6 date of an initial or renewed license to the expiration date of the license.

21.7 (b) The effective date of a renewed license is the day following the expiration date  
21.8 of the expired license.

21.9 (c) The expiration date of a renewed license is the last day of the licensee's birth  
21.10 month in the second calendar year following the effective date of the renewed license.

21.11 **Subd. 2. Mailing license renewal notices.** The board must mail a notice for license  
21.12 renewal to a licensee at least 45 days before the expiration date of the license. Mailing the  
21.13 notice by United States mail to the licensee's last known mailing address constitutes valid  
21.14 mailing. Failure to receive the renewal notice does not relieve a licensee of the obligation  
21.15 to renew a license and to pay the renewal fee.

21.16 **Subd. 3. Submitting license renewal applications.** (a) In order to renew a license,  
21.17 a licensee must submit:

21.18 (1) a completed, signed application for license renewal; and

21.19 (2) the applicable renewal fee specified in section 148E.180.

21.20 The completed, signed application and renewal fee must be received by the board prior to  
21.21 midnight of the day of the license expiration date. For renewals submitted electronically, a  
21.22 "signed application" means providing an attestation as specified by the board.

21.23 (b) An application which is not completed and signed, or which is not accompanied  
21.24 by the correct fee, must be returned to the applicant, along with any fee submitted, and is  
21.25 void.

21.26 (c) The completed, signed application must include documentation that the licensee  
21.27 has met the continuing education requirements specified in sections 148E.130 to 148E.170  
21.28 and, if applicable, the supervised practice requirements specified in sections 148E.100 to  
21.29 148E.125.

21.30 (d) By submitting a renewal application, an applicant authorizes the board to:

21.31 (1) investigate any information provided or requested in the application. The  
21.32 board may request that the applicant provide additional information, verification, or  
21.33 documentation;

21.34 (2) conduct an audit to determine if the applicant has met the continuing education  
21.35 requirements specified in sections 148E.130 to 148E.170; and

22.1 (3) if applicable, conduct an audit to determine whether the applicant has met the  
22.2 supervision requirements specified in sections 148E.100 to 148E.125.

22.3 (e) If a licensee's application for license renewal meets the requirements specified in  
22.4 paragraph (a), the licensee may continue to practice after the license expiration date until  
22.5 the board approves or denies the application.

22.6 Subd. 4. **Renewal late fee.** An application that is received after the license  
22.7 expiration date must be accompanied by the renewal late fee specified in section 148E.180  
22.8 in addition to the applicable renewal fee. The application, renewal fee, and renewal late  
22.9 fee must be received by the board within 60 days of the license expiration date, or the  
22.10 license automatically expires.

22.11 Subd. 5. **Expired license.** (a) If an application does not meet the requirements  
22.12 specified in subdivisions 3 and 4, the license automatically expires. A licensee whose  
22.13 license has expired may reactivate a license by meeting the requirements in section  
22.14 148E.080 or be relicensed by meeting the requirements specified in section 148E.055.

22.15 (b) The board may take action according to sections 148E.255 to 148E.270 based on  
22.16 a licensee's conduct before the expiration of the license.

22.17 (c) An expired license may be reactivated within one year of the expiration date  
22.18 specified in section 148E.080. After one year of the expiration date, an individual may  
22.19 apply for a new license according to section 148E.055.

22.20 **Sec. 15. [148E.075] INACTIVE LICENSES.**

22.21 Subdivision 1. **Inactive status.** (a) A licensee qualifies for inactive status under  
22.22 either of the circumstances described in paragraph (b) or (c).

22.23 (b) A licensee qualifies for inactive status when the licensee is granted temporary  
22.24 leave from active practice. A licensee qualifies for temporary leave from active practice if  
22.25 the licensee demonstrates to the satisfaction of the board that the licensee is not engaged  
22.26 in the practice of social work in any setting, including settings in which social workers  
22.27 are exempt from licensure according to section 148E.065. A licensee who is granted  
22.28 temporary leave from active practice may reactivate the license according to section  
22.29 148E.080.

22.30 (c) A licensee qualifies for inactive status when a licensee is granted an emeritus  
22.31 license. A licensee qualifies for an emeritus license if the licensee demonstrates to the  
22.32 satisfaction of the board that:

22.33 (1) the licensee is retired from social work practice; and

22.34 (2) the licensee is not engaged in the practice of social work in any setting, including  
22.35 settings in which social workers are exempt from licensure according to section 148E.065.

23.1 A licensee who possesses an emeritus license may reactivate the license according to  
23.2 section 148E.080.

23.3 Subd. 2. **Application.** A licensee may apply for inactive status:

23.4 (1) at any time by submitting an application for a temporary leave from active  
23.5 practice or for an emeritus license; or

23.6 (2) as an alternative to applying for the renewal of a license by so recording on  
23.7 the application for license renewal and submitting the completed, signed application to  
23.8 the board.

23.9 An application that is not completed or signed, or that is not accompanied by the  
23.10 correct fee, must be returned to the applicant, along with any fee submitted, and is void.  
23.11 For applications submitted electronically, a "signed application" means providing an  
23.12 attestation as specified by the board.

23.13 Subd. 3. **Fee.** (a) Regardless of when the application for inactive status is submitted,  
23.14 the temporary leave or emeritus license fee specified in section 148E.180, whichever is  
23.15 applicable, must accompany the application. A licensee who is approved for inactive  
23.16 status before the license expiration date is not entitled to receive a refund for any portion  
23.17 of the license or renewal fee.

23.18 (b) If an application for temporary leave is received after the license expiration date,  
23.19 the licensee must pay a renewal late fee as specified in section 148E.180 in addition to  
23.20 the temporary leave fee.

23.21 Subd. 4. **Time limits for temporary leaves.** A licensee may maintain an inactive  
23.22 license on temporary leave for no more than five consecutive years. If a licensee does  
23.23 not apply for reactivation within 60 days following the end of the consecutive five-year  
23.24 period, the license automatically expires.

23.25 Subd. 5. **Time limits for emeritus license.** A licensee with an emeritus license may  
23.26 not apply for reactivation according to section 148E.080 after five years following the  
23.27 granting of the emeritus license. However, after five years following the granting of the  
23.28 emeritus license, an individual may apply for new licensure according to section 148E.055.

23.29 Subd. 6. **Prohibition on practice.** (a) Except as provided in paragraph (b), a  
23.30 licensee whose license is inactive must not practice, attempt to practice, offer to practice,  
23.31 or advertise or hold out as authorized to practice social work.

23.32 (b) The board may grant a variance to the requirements of paragraph (a) if a licensee  
23.33 on inactive status provides emergency social work services. A variance is granted only  
23.34 if the board provides the variance in writing to the licensee. The board may impose  
23.35 conditions or restrictions on the variance.

24.1 Subd. 7. **Representations of professional status.** In making representations of  
24.2 professional status to the public, a licensee whose license is inactive must state that the  
24.3 license is inactive and that the licensee cannot practice social work.

24.4 Subd. 8. **Disciplinary or other action.** The board may resolve any pending  
24.5 complaints against a licensee before approving an application for inactive status. The  
24.6 board may take action according to sections 148E.255 to 148E.270 against a licensee  
24.7 whose license is inactive based on conduct occurring before the license is inactive or  
24.8 conduct occurring while the license is inactive.

24.9 **Sec. 16. [148E.080] REACTIVATIONS.**

24.10 Subdivision 1. **Mailing notices to licensees on temporary leave.** The board must  
24.11 mail a notice for reactivation to a licensee on temporary leave at least 45 days before the  
24.12 expiration date of the license according to section 148E.075, subdivision 4. Mailing the  
24.13 notice by United States mail to the licensee's last known mailing address constitutes  
24.14 valid mailing. Failure to receive the reactivation notice does not relieve a licensee of the  
24.15 obligation to comply with the provisions of this section to reactivate a license.

24.16 Subd. 2. **Reactivation from a temporary leave or emeritus status.** To reactivate a  
24.17 license from a temporary leave or emeritus status, a licensee must do the following within  
24.18 the time period specified in section 148E.075, subdivisions 4 and 5:

24.19 (1) complete an application form specified by the board;

24.20 (2) document compliance with the continuing education requirements specified in  
24.21 subdivision 4;

24.22 (3) submit a supervision plan, if required;

24.23 (4) pay the reactivation of an inactive licensee fee specified in section 148E.180; and

24.24 (5) pay the wall certificate fee according to section 148E.095, subdivision 1,  
24.25 paragraph (b) or (c), if the licensee needs a duplicate license.

24.26 Subd. 3. **Reactivation of an expired license.** To reactivate an expired license, a  
24.27 licensee must do the following within one year of the expiration date:

24.28 (1) complete an application form specified by the board;

24.29 (2) document compliance with the continuing education requirements that were  
24.30 in effect at the time the license expired;

24.31 (3) document compliance with the supervision requirements, if applicable, that were  
24.32 in effect at the time the license expired; and

24.33 (4) pay the reactivation of an expired license fee specified in section 148E.180.

24.34 Subd. 4. **Continuing education requirements.** (a) A licensee who is on temporary  
24.35 leave or who has an emeritus license must obtain the continuing education hours that

25.1 would be required if the license was active. At the time of reactivation, the licensee must  
25.2 document compliance with the continuing education requirements specified in sections  
25.3 148E.130 to 148E.170.

25.4 (b) A licensee applying for reactivation according to subdivision 2 or 3 may apply  
25.5 for a variance to the continuing education requirements according to sections 148E.130 to  
25.6 148E.170.

25.7 Subd. 5. **Reactivation of a voluntarily terminated license.** To reactivate a  
25.8 voluntarily terminated license, a licensee must do the following within one year of the  
25.9 date the voluntary termination takes effect:

25.10 (1) complete an application form specified by the board;

25.11 (2) document compliance with the continuing education requirements that were in  
25.12 effect at the time the license was voluntarily terminated;

25.13 (3) document compliance with the supervision requirements, if applicable, that were  
25.14 in effect at the time the license was voluntarily terminated; and

25.15 (4) pay the reactivation of an expired or voluntarily terminated license fee specified  
25.16 in section 148E.180.

25.17 **Sec. 17. [148E.085] VOLUNTARY TERMINATIONS.**

25.18 Subdivision 1. **Requests for voluntary termination.** (a) A licensee may request  
25.19 voluntary termination of a license if the licensee demonstrates to the satisfaction of the  
25.20 board that the licensee is not engaged in the practice of social work in any setting except  
25.21 settings in which social workers are exempt from licensure according to section 148E.065.

25.22 (b) A licensee may apply for voluntary termination:

25.23 (1) at any time by submitting an application; or

25.24 (2) as an alternative to applying for the renewal of a license by so recording on  
25.25 the application for license renewal and submitting the completed, signed application to  
25.26 the board.

25.27 For applications submitted electronically, a "signed application" means providing an  
25.28 attestation as specified by the board. An application that is not completed and signed must  
25.29 be returned to the applicant and is void.

25.30 (c) The board may resolve any pending complaints against a licensee before  
25.31 approving a request for voluntary termination.

25.32 Subd. 2. **Application for new licensure.** A licensee who has voluntarily terminated  
25.33 a license may not reactivate the license after one year following the date the voluntary  
25.34 termination takes effect. However, a licensee who has voluntarily terminated a license  
25.35 may apply for a new license according to section 148E.055.

26.1            Subd. 3. **Prohibition on practice.** A licensee who has voluntarily terminated a  
26.2 license must not practice, attempt to practice, offer to practice, or advertise or hold out as  
26.3 authorized to practice social work, except when the individual is exempt from licensure  
26.4 according to section 148E.065.

26.5            Subd. 4. **Disciplinary or other action.** The board may take action according to  
26.6 sections 148E.255 to 148E.270 against a licensee whose license has been terminated  
26.7 based on conduct occurring before the license is terminated or for practicing social  
26.8 work without a license.

26.9            **Sec. 18. [148E.090] NAME; CHANGE OF NAME OR ADDRESS.**

26.10           Subdivision 1. **Name.** A licensee must use the licensee's legal name or a professional  
26.11 name. If the licensee uses a professional name, the licensee must inform the board in  
26.12 writing of both the licensee's professional name and legal name and must comply with  
26.13 the requirements of this section.

26.14           Subd. 2. **Legal name change.** Within 30 days after changing the licensee's legal  
26.15 name, a licensee must:

- 26.16            (1) request a new license wall certificate;  
26.17            (2) provide legal verification of the name change; and  
26.18            (3) pay the license wall certificate fee specified in section 148E.180.

26.19           Subd. 3. **Professional name change.** Within 30 days after changing the licensee's  
26.20 professional name, a licensee must:

- 26.21            (1) request a new license wall certificate;  
26.22            (2) provide a notarized statement attesting to the name change; and  
26.23            (3) pay the license wall certificate fee specified in section 148E.180.

26.24           Subd. 4. **Address or telephone change.** When a licensee changes a mailing  
26.25 address, home address, work address, e-mail address, or daytime public telephone number,  
26.26 the licensee must notify the board of the change electronically or in writing no more  
26.27 than 30 days after the date of the change.

26.28           **Sec. 19. [148E.095] LICENSE CERTIFICATE OR CARD.**

26.29           Subdivision 1. **License wall certificate.** (a) The board must issue a new license  
26.30 wall certificate when the board issues a new license. No fee in addition to the applicable  
26.31 license fee specified in section 148E.180 is required.

26.32            (b) The board must replace a license wall certificate when:

- 26.33            (1) a licensee submits an affidavit to the board that the original license wall

- 27.8 (2) the licensee submits the license wall certificate fee specified in section 148E.180.
- 27.9 Subd. 2. **License card.** (a) The board must issue a new license card when the
- 27.10 board issues a new license. No fee in addition to the applicable license fee specified
- 27.11 in section 148E.180 is required.

- 27.13 (1) an affidavit to the board that the original license card was lost, stolen, or
- 27.14 destroyed; and
- 27.15 (2) the license card fee specified in section 148E.180.
- 27.16 (c) The board must issue a revised license card when the licensee submits a written
- 27.17 request for a new license wall certificate because of a new professional or legal name
- 27.18 according to section 148E.090, subdivision 2 or 3. No fee in addition to the one specified

27.23 from the board as a licensed social worker, the licensed social worker must obtain at least

27.24 100 hours of supervision according to the requirements of this section.

27.25 Subd. 2. **Practice requirements.** The supervision required by subdivision 1 must be

48.13 services from the social worker.

48.14 Subd. 3. **Misuse of professional relationship.** A social worker must not use the  
48.15 professional relationship with a client, student, supervisee, or intern to further the social  
48.16 worker's personal, emotional, financial, sexual, religious, political, or business benefit or  
48.17 interests.

48.18 Subd. 4. **Improper termination.** A social worker must not terminate a professional  
48.19 relationship for the purpose of beginning a personal, sexual, or business relationship  
48.20 with a client.

48.21 Subd. 5. **Personal relationship with a client.** (a) Except as provided in paragraph  
48.22 (b), a social worker must not engage in a personal relationship with a client that creates a  
48.23 risk of client harm or of impairing a social worker's objectivity or professional judgment.

48.24 (b) Notwithstanding paragraph (a), if a social worker is unable to avoid a personal  
48.25 relationship with a client, the social worker must take appropriate precautions, such as  
48.26 consultation or supervision, to address the potential for risk of client harm or of impairing  
48.27 a social worker's objectivity or professional judgment.

48.28 Subd. 6. **Personal relationship with a former client.** A social worker may  
48.29 engage in a personal relationship with a former client after appropriate termination of the  
48.30 professional relationship, except:

48.31 (1) as prohibited by subdivision 8; or

48.32 (2) if a reasonable and prudent social worker would conclude after appropriate  
48.33 assessment that (i) the former client is emotionally dependent on the social worker or  
48.34 continues to relate to the social worker as a client, or (ii) the social worker is emotionally  
48.35 dependent on the client or continues to relate to the former client as a social worker.

49.1 Subd. 7. **Sexual conduct with a client.** A social worker must not engage in or

49.6 under any circumstances for a period of two years following the termination of the  
49.7 professional relationship. After two years following the termination of the professional  
49.8 relationship, a social worker who has engaged in diagnosing, counseling, or treating a  
49.9 client with mental, emotional, or behavioral disorder must not engage in or suggest sexual  
49.10 conduct with the former client under any circumstances unless:

49.11 (1) the social worker did not intentionally or unintentionally coerce, exploit, deceive,  
49.12 or manipulate the former client at any time;

49.13 (2) the social worker did not represent to the former client that sexual conduct with  
49.14 the social worker is consistent with or part of the client's treatment;

49.15 (3) the social worker's sexual conduct was not detrimental to the former client at  
49.16 any time;

49.17 (4) the former client is not emotionally dependent on the social worker and does  
49.18 not continue to relate to the social worker as a client; and

49.19 (5) the social worker is not emotionally dependent on the client and does not  
49.20 continue to relate to the former client as a social worker.

49.21 (b) If there is an alleged violation of paragraph (a), the social worker assumes the  
49.22 full burden of demonstrating to the board that the social worker did not intentionally or  
49.23 unintentionally coerce, exploit, deceive, or manipulate the client, and the social worker's  
49.24 sexual conduct was not detrimental to the client at any time. Upon request, a social worker  
49.25 must provide information to the board addressing:

49.26 (1) the amount of time that has passed since termination of services;

49.27 (2) the duration, intensity, and nature of services;

49.28 (3) the circumstances of termination of services;

49.29 (4) the former client's emotional, mental, and behavioral history;

49.30 (5) the former client's current emotional, mental, and behavioral status;

49.31 (6) the likelihood of adverse impact on the former client; and

49.32 (7) the existence of actions, conduct, or statements made by the social worker during  
49.33 the course of services suggesting or inviting the possibility of a sexual relationship with  
49.34 the client following termination of services.

49.35 (c) A social worker who has provided social work services other than those  
49.36 described in paragraph (a) to a client must not engage in or suggest sexual conduct

50.1 with the former client if a reasonable and prudent social worker would conclude after  
50.2 appropriate assessment that engaging in such behavior with the former client would create  
50.3 an unacceptable risk of harm to the former client.

50.4 Subd. 9. **Sexual conduct with student, supervisee, or intern.** (a) A social worker  
50.5 must not engage in or suggest sexual conduct with a student while the social worker has  
50.6 authority over any part of the student's academic program.

50.7 (b) A social worker supervising an intern must not engage in or suggest sexual  
50.8 conduct with the intern during the course of the internship.

50.9 (c) A social worker practicing social work as a supervisor must not engage in or  
50.10 suggest sexual conduct with a supervisee during the period of supervision.

50.11 Subd. 10. **Sexual harassment.** A social worker must not engage in any physical,  
50.12 oral, written, or electronic behavior that a client, former client, student, supervisee, or  
50.13 intern may reasonably interpret as sexually harassing or sexually demeaning.

50.14 Subd. 11. **Business relationship with client.** A social worker must not purchase  
50.15 goods or services from a client or otherwise engage in a business relationship with a  
50.16 client except when:

50.17 (1) a social worker purchases goods or services from the client and a reasonable and  
50.18 prudent social worker would determine that it is not practical or reasonable to obtain the  
50.19 goods or services from another provider; and

50.20 (2) engaging in the business relationship will not be detrimental to the client or the  
50.21 professional relationship.

50.22 Subd. 12. **Business relationship with former client.** A social worker may purchase  
50.23 goods or services from a former client or otherwise engage in a business relationship with  
50.24 a former client after appropriate termination of the professional relationship unless a  
50.25 reasonable and prudent social worker would conclude after appropriate assessment that:

50.26 (1) the former client is emotionally dependent on the social worker and purchasing  
50.27 goods or services from the former client or otherwise engaging in a business relationship  
50.28 with the former client would be detrimental to the former client; or

50.29 (2) the social worker is emotionally dependent on the former client and purchasing  
50.30 goods or services from the former client or otherwise engaging in a business relationship  
50.31 with the former client would be detrimental to the former client.

50.32 Subd. 13. **Previous sexual, personal, or business relationship.** (a) A social worker  
50.33 must not engage in a social worker/client relationship with an individual with whom the  
50.34 social worker had a previous sexual relationship.

50.35 (b) A social worker must not engage in a social worker/client relationship with an  
50.36 individual with whom the social worker had a previous personal or business relationship if

51.1 a reasonable and prudent social worker would conclude after appropriate assessment that  
51.2 the social worker/client relationship would create an unacceptable risk of client harm or  
51.3 that the social worker's objectivity or professional judgment may be impaired.

51.4 Subd. 14. **Giving alcohol or other drugs to client.** (a) Unless authorized by law, a  
51.5 social worker must not offer medication or controlled substances to a client.

51.6 (b) A social worker must not accept medication or controlled substances from a  
51.7 client except that if authorized by law, a social worker may accept medication or controlled  
51.8 substances from a client for purposes of disposal or to monitor use.

51.9 (c) A social worker must not offer alcoholic beverages to a client except when  
51.10 the offer is authorized or prescribed by a physician or is offered according to a client's  
51.11 care plan.

51.12 (d) A social worker must not accept alcoholic beverages from a client.

51.13 Subd. 15. **Relationship with client's family or household member.** Subdivisions  
51.14 1 to 14 apply to a social worker's relationship with a client's family or household member  
51.15 when a reasonable and prudent social worker would conclude after appropriate assessment  
51.16 that a relationship with a family or household member would create an unacceptable  
51.17 risk of harm to the client.

51.18 **Sec. 46. [148E.225] TREATMENT AND INTERVENTION SERVICES.**

51.19 Subdivision 1. **Assessment or diagnosis.** A social worker must base treatment and  
51.20 intervention services on an assessment or diagnosis. A social worker must evaluate, on an  
51.21 ongoing basis, the appropriateness of the assessment or diagnosis.

51.22 Subd. 2. **Assessment or diagnostic instruments.** A social worker must not use  
51.23 an assessment or diagnostic instrument without adequate training. A social worker  
51.24 must follow standards and accepted procedures for using an assessment or diagnostic  
51.25 instrument. A social worker must inform a client of the purpose before administering the  
51.26 instrument and must make the results available to the client.

51.27 Subd. 3. **Plan for services.** A social worker must develop a plan for services that  
51.28 includes goals based on the assessment or diagnosis. A social worker must evaluate, on an  
51.29 ongoing basis, the appropriateness of the plan and the client's progress toward the goals.

51.30 Subd. 4. **Records.** (a) A social worker must make and maintain current and  
51.31 accurate records, appropriate to the circumstances, of all services provided to a client. At  
51.32 a minimum, the records must contain documentation of:

51.33 (1) the assessment or diagnosis;

51.34 (2) the content of the service plan;

51.35 (3) progress with the plan and any revisions of assessment, diagnosis, or plan;

- 52.1 (4) any fees charged and payments made;
- 52.2 (5) copies of all client-written authorizations for release of information; and
- 52.3 (6) other information necessary to provide appropriate services.

52.4 (b) These records must be maintained by the social worker for at least seven years  
52.5 after the last date of service to the client. Social workers who are employed by an agency  
52.6 or other entity are not required to:

- 52.7 (1) maintain personal or separate records; or
- 52.8 (2) personally retain records at the conclusion of their employment.

52.9 Subd. 5. **Termination of services.** A social worker must terminate a professional  
52.10 relationship with a client when the social worker reasonably determines that the client  
52.11 is not likely to benefit from continued services or the services are no longer needed,  
52.12 unless the social worker is required by law to provide services. A social worker who  
52.13 anticipates terminating services must give reasonable notice to the client in a manner that  
52.14 is appropriate to the needs of the client. The social worker must provide appropriate  
52.15 referrals as needed or upon request of the client.

52.16 **Sec. 47. ~~[148E.230]~~ CONFIDENTIALITY AND RECORDS.**

52.17 Subdivision 1. **Informed consent.** (a) A social worker must obtain valid, informed  
52.18 consent, appropriate to the circumstances, before providing services to clients. When  
52.19 obtaining informed consent, the social worker must determine whether the client has the  
52.20 capacity to provide informed consent. If the client does not have the capacity to provide  
52.21 consent, the social worker must obtain consent for the services from the client's legal  
52.22 representative. The social worker must not provide services, unless authorized or required  
52.23 by law, if the client or the client's legal representative does not consent to the services.

52.24 (b) If a social worker determines that a client does not have the capacity to provide  
52.25 consent, and the client does not have a legal representative, the social worker:

52.26 (1) must, except as provided in clause (2), secure a legal representative for a client  
52.27 before providing services; or

52.28 (2) may, notwithstanding clause (1), provide services, except when prohibited by  
52.29 other applicable law, that are necessary to ensure the client's safety or to preserve the  
52.30 client's property or financial resources.

52.31 (c) A social worker must use clear and understandable language, including using an  
52.32 interpreter proficient in the client's primary language as necessary, to inform clients of  
52.33 the plan of services, risks related to the plan, limits to services, relevant costs, terms of  
52.34 payment, reasonable alternatives, the client's right to refuse or withdraw consent, and the  
52.35 time frame covered by the consent.

53.1            Subd. 2. **Mandatory reporting and disclosure of client information.** At the  
53.2 beginning of a professional relationship and during the professional relationship as  
53.3 necessary and appropriate, a social worker must inform the client of those circumstances  
53.4 under which the social worker may be required to disclose client information specified in  
53.5 subdivision 3, paragraph (a), without the client's consent.

53.6            Subd. 3. **Confidentiality of client information.** (a) A social worker must ensure the  
53.7 confidentiality of all client information obtained in the course of the social worker/client  
53.8 relationship and all client information otherwise obtained by the social worker that is  
53.9 relevant to the social worker/client relationship. Except as provided in this section,  
53.10 client information may be disclosed or released only with the client's or the client's legal  
53.11 representative's valid informed consent, appropriate to the circumstances, except when  
53.12 otherwise required by law. A social worker must seek consent to disclose or release  
53.13 client information only when such disclosure or release is necessary to provide social  
53.14 work services.

53.15            (b) A social worker must continue to maintain confidentiality of the client  
53.16 information specified in paragraph (a) upon termination of the professional relationship  
53.17 including upon the death of the client, except as provided under this section or other  
53.18 applicable law.

53.19            (c) A social worker must limit access to the client information specified in paragraph  
53.20 (a) in a social worker's agency to appropriate agency staff whose duties require access.

53.21            Subd. 4. **Release of client information with written informed consent.** (a) Except  
53.22 as provided in subdivision 5, client information specified in subdivision 3, paragraph (a),  
53.23 may be released only with the client's or the client's legal representative's written informed  
53.24 consent. The written informed consent must:

53.25            (1) explain to whom the client's records may be released;

53.26            (2) explain the purpose for the release; and

53.27            (3) state an expiration date for the authorized release of the records.

53.28            (b) A social worker may provide client information specified in subdivision 3,  
53.29 paragraph (a), to a third party for the purpose of payment for services rendered only  
53.30 with the client's written informed consent.

53.31            (c) Except as provided in subdivision 5, a social worker may disclose client  
53.32 information specified in subdivision 3, paragraph (a), only with the client's or the client's  
53.33 legal representative's written informed consent. When it is not practical to obtain written  
53.34 informed consent before providing necessary services, a social worker may disclose  
53.35 or release client information with the client's or the client's legal representative's oral  
53.36 informed consent.

54.1 (d) Unless otherwise authorized by law, a social worker must obtain a client's written  
54.2 informed consent before taking a photograph of the client or making an audio or video  
54.3 recording of the client, or allowing a third party to do the same. The written informed  
54.4 consent must explain:

54.5 (1) the purpose of the photograph or the recording and how the photograph or  
54.6 recording will be used, how it will be stored, and when it will be destroyed; and

54.7 (2) how the client may have access to the photograph or recording.

54.8 Subd. 5. **Release of client information without written informed consent.** (a) A  
54.9 social worker may disclose client information specified in subdivision 3, paragraph (a),  
54.10 without the written consent of the client or the client's legal representative only under the  
54.11 following circumstances or under the circumstances described in paragraph (b):

54.12 (1) when mandated or authorized by federal or state law, including the mandatory  
54.13 reporting requirements under the duty to warn, maltreatment of minors, and vulnerable  
54.14 adult laws specified in section 148E.240, subdivisions 6 to 8;

54.15 (2) when the board issues a subpoena to the social worker; or

54.16 (3) when a court of competent jurisdiction orders release of the client records  
54.17 or information.

54.18 (b) When providing services authorized or required by law to a client who does  
54.19 not have the capacity to provide consent and who does not have a legal representative,  
54.20 a social worker must disclose or release client records or information as necessary to  
54.21 provide services to ensure the client's safety or to preserve the client's property or financial  
54.22 resources.

54.23 Subd. 6. **Release of client records or information.** When releasing client records  
54.24 or information under this section, a social worker must release current, accurate, and  
54.25 complete records or information.

54.26 **Sec. 48. [148E.235] FEES AND BILLING PRACTICES.**

54.27 Subdivision 1. **Fees and payments.** (a) A social worker must ensure that a client or  
54.28 a client's legal representative is informed of all fees at the initial session or meeting with  
54.29 the client, and that payment for services is arranged with the client or the client's legal  
54.30 representative at the beginning of the professional relationship. Upon request from a client  
54.31 or a client's legal representative, a social worker must provide in a timely manner a written  
54.32 payment plan or a written explanation of the charges for any services rendered.

54.33 (b) When providing services authorized or required by law to a client who does not  
54.34 have the capacity to provide consent and who does not have a legal representative, a social  
54.35 worker may submit reasonable bills to an appropriate payer for services provided.

55.1            Subd. 2. **Billing for services not provided.** A social worker must not bill for  
55.2 services that have not been provided except that, with prior notice to the client, a social  
55.3 worker may bill for failed appointments or for cancellations without sufficient notice. A  
55.4 social worker may bill only for provided services which are necessary and appropriate.  
55.5 Financial responsibility for failed appointment billings resides solely with the client and  
55.6 such costs may not be billed to public or private payers.

55.7            Subd. 3. **No payment for referrals.** A social worker must not accept or give a  
55.8 commission, rebate, or other form of remuneration solely or primarily to profit from the  
55.9 referral of a client.

55.10           Subd. 4. **Fees and billing practices.** A social worker must not engage in improper  
55.11 or fraudulent billing practices, including, but not limited to, violations of the federal  
55.12 Medicare and Medicaid laws or state medical assistance laws.

55.13            Sec. 49. **[148E.240] REPORTING REQUIREMENTS.**

55.14            Subdivision 1. **Failure to self-report adverse actions.** The board has grounds to  
55.15 take action under sections 148E.255 to 148E.270 when a social worker fails to report to  
55.16 the board within 90 days:

55.17            (1) having been disciplined, sanctioned, or found to have violated a state, territorial,  
55.18 provincial, or foreign licensing agency's laws or rules;

55.19            (2) having been convicted of committing a felony, gross misdemeanor, or  
55.20 misdemeanor reasonably related to the practice of social work;

55.21            (3) having had a finding or verdict of guilt, whether or not the adjudication of guilt  
55.22 is withheld or not entered, of committing a felony, gross misdemeanor, or misdemeanor  
55.23 reasonably related to the practice of social work;

55.24            (4) having admitted to committing, or entering a no contest plea to committing, a

55.26 work; or

55.27            (5) having been denied licensure by a state, territorial, provincial, or foreign  
55.28 licensing agency.

55.29            Subd. 2. **Failure to submit application information.** The board has grounds to  
55.30 take action under sections 148E.255 to 148E.270 when an applicant or licensee fails to  
55.31 submit with an application the following information:

55.32            (1) the dates and dispositions of any malpractice settlements or awards made relating  
55.33 to the social work services provided by the applicant or licensee; or

55.34            (2) the dates and dispositions of any civil litigations or arbitrations relating to the  
55.35 social work services provided by the applicant or licensee.

56.1            Subd. 3. **Reporting other licensed health professionals.** An applicant or licensee  
56.2 must report to the appropriate health-related licensing board conduct by a licensed health  
56.3 professional which would constitute grounds for disciplinary action under the statutes  
56.4 and rules enforced by that board.

56.5            Subd. 4. **Reporting unlicensed practice.** An applicant or licensee must report  
56.6 to the board conduct by an unlicensed person which constitutes the practice of social  
56.7 work, as defined in section 148E.010, except when the unlicensed person is exempt from  
56.8 licensure according to section 148E.065.

56.9            Subd. 5. **Failure to report other applicants or licensees; unlicensed practice.**  
56.10 The board has grounds to take action under sections 148E.255 to 148E.270 when an  
56.11 applicant or licensee fails to report to the board conduct:

56.12            (1) by another licensee or applicant which the applicant or licensee has reason to  
56.13 believe may reasonably constitute grounds for disciplinary action under this section; or

56.14            (2) by an unlicensed person that constitutes the practice of social work when a  
56.15 license is required to practice social work.

56.16            Subd. 6. **Duty to warn.** A licensee must comply with the duty to warn established  
56.17 by section 148.975.

56.18            Subd. 7. **Reporting maltreatment of minors.** An applicant or licensee must  
56.19 comply with the reporting of maltreatment of minors established by section 626.556.

56.20            Subd. 8. **Reporting maltreatment of vulnerable adults.** An applicant or licensee  
56.21 must comply with the reporting of maltreatment of vulnerable adults established by  
56.22 section 626.557.

56.23            Subd. 9. **Subpoenas.** The board may issue subpoenas according to section  
56.24 148E.245 and chapter 214 for the production of any reports required by this section or  
56.25 any related documents.

56.26            **Sec. 50. [148E.245] INVESTIGATIVE POWERS AND PROCEDURES.**

56.27            Subdivision 1. **Subpoenas.** (a) The board may issue subpoenas and compel the

56.29 documents, and other evidentiary material as part of its investigation of an applicant or  
56.30 licensee under this section or chapter 214.

56.31            (b) If any person fails or refuses to appear or testify regarding any matter about which  
56.32 the person may be lawfully questioned, or fails or refuses to produce any papers, books,  
56.33 records, documents, or other evidentiary materials in the matter to be heard, after having  
56.34 been required by order of the board or by a subpoena of the board to do so, the board may  
56.35 institute a proceeding in any district court to enforce the board's order or subpoena.

57.1 (c) The board or a designated member of the board acting on behalf of the board  
57.2 may issue subpoenas or administer oaths to witnesses or take affirmations. Depositions  
57.3 may be taken within or out of the state in the manner provided by law for the taking of  
57.4 depositions in civil actions.

57.5 (d) A subpoena or other process or paper may be served upon any person named  
57.6 therein, by mail or by any officer authorized to serve subpoenas or other process or paper  
57.7 in civil actions, with the same fees and mileage and in the same manner as prescribed by  
57.8 law for service of process issued out of the district court of this state.

57.9 (e) Fees, mileage, and other costs must be paid as the board directs.

57.10 Subd. 2. **Classification of data.** (a) Any records obtained as part of an investigation  
57.11 must be treated as investigative data under section 13.41 and be classified as confidential  
57.12 data.

57.13 (b) Notwithstanding paragraph (a), client records must be treated as private data  
57.14 under chapter 13. Client records must be protected as private data in the records of the  
57.15 board and in administrative or judicial proceedings unless the client authorizes the board  
57.16 in writing to make public the identity of the client or a portion or all of the client's records.

57.17 Subd. 3. **Mental or physical examination; chemical dependency evaluation.** (a)  
57.18 If the board (1) has probable cause to believe that an applicant or licensee has violated  
57.19 a statute or rule enforced by the board, or an order issued by the board and (2) believes  
57.20 the applicant may have a health-related condition relevant to the violation, the board may  
57.21 issue an order directing the applicant or licensee to submit to one or more of the following:  
57.22 a mental examination, a physical examination, or a chemical dependency evaluation.

57.23 (b) An examination or evaluation order issued by the board must include:

57.24 (1) factual specifications on which the order is based;

57.28 (4) the means by which the examination or evaluation will be paid for.

57.29 (c) Every applicant or licensee must submit to a mental examination, a physical  
57.30 examination, or a chemical dependency evaluation when ordered to do so in writing  
57.31 by the board.

57.32 (d) By submitting to a mental examination, a physical examination, or a chemical  
57.33 dependency evaluation, an applicant or licensee waives all objections to the admissibility  
57.34 of the examiner or evaluator's testimony or reports on the grounds that the testimony or  
57.35 reports constitute a privileged communication.

58.1 Subd. 4. **Failure to submit to an examination.** (a) If an applicant or licensee fails  
58.2 to submit to an examination or evaluation ordered by the board according to subdivision 3,  
58.3 unless the failure was due to circumstances beyond the control of the applicant or licensee,  
58.4 the failure is an admission that the applicant or licensee violated a statute or rule enforced  
58.5 by the board as specified in the examination or evaluation order issued by the board.  
58.6 The failure may result in an application being denied or other adversarial, corrective, or  
58.7 disciplinary action being taken by the board without a contested case hearing.

58.8 (b) If an applicant or licensee requests a contested case hearing after the board  
58.9 denies an application or takes other disciplinary or adversarial action, the only issues  
58.10 which may be determined at the hearing are:

58.11 (1) whether the board had probable cause to issue the examination or evaluation  
58.12 order; and

58.13 (2) whether the failure to submit to the examination or evaluation was due to  
58.14 circumstances beyond the control of the applicant or licensee.

58.15 (c) Neither the record of a proceeding under this subdivision nor an order issued  
58.16 by the board may be admissible, subject to subpoena, or be used against the applicant or  
58.17 licensee in a proceeding in which the board is not a party or decision maker.

58.18 (d) Information obtained under this subdivision must be treated as private data under  
58.19 chapter 13. An order issued by the board as the result of an applicant's or licensee's failure  
58.20 to submit to an examination or evaluation must be treated as public data under chapter 13.

58.21 Subd. 5. **Access to data and records.** (a) In addition to ordering a physical or  
58.22 mental examination or chemical dependency evaluation, and notwithstanding section  
58.23 13.384, 144.651, 595.02, or any other statute limiting access to health records, the board  
58.24 or a designated member of the board acting on behalf of the board may subpoena physical,  
58.25 mental, and chemical dependency health records relating to an applicant or licensee  
58.26 without the applicant's or licensee's consent if:

58.27 (1) the board has probable cause to believe that the applicant or licensee has violated  
58.28 chapter 214, a statute or rule enforced by the board, or an order issued by the board; and

58.29 (2) the board has reason to believe that the records are relevant and necessary to the  
58.30 investigation.

58.31 (b) An applicant, licensee, insurance company, government agency, health care  
58.32 facility, or provider as defined in section 144.335, subdivision 1, paragraph (b), must  
58.33 comply with any subpoena of the board under this subdivision and is not liable in  
58.34 any action for damages for releasing information subpoenaed by the board under this  
58.35 subdivision unless the information provided is false and the person or entity providing the  
58.36 information knew or had reason to know that the information was false.

59.1 (c) Information on individuals obtained under this subdivision must be treated as  
59.2 investigative data under section 13.41 and be classified as confidential data.

59.3 (d) If an applicant, licensee, person, or entity does not comply with any subpoena of  
59.4 the board under this subdivision, the board may institute a proceeding in any district court  
59.5 to enforce the board's subpoena.

59.6 Subd. 6. **Evidence of past sexual conduct.** If, in a proceeding for taking action  
59.7 against an applicant or licensee under this section, the charges involve sexual contact with  
59.8 a client or former client, the board or administrative law judge must not consider evidence  
59.9 of the client's or former client's previous sexual conduct. Reference to the client's or  
59.10 former client's previous sexual conduct must not be made during the proceedings or in the  
59.11 findings, except by motion of the complainant, unless the evidence would be admissible  
59.12 under the applicable provisions of section 609.347, subdivision 3.

59.13 Subd. 7. **Investigations involving vulnerable adults or children in need of**  
59.14 **protection.** (a) Except as provided in paragraph (b), if the board receives a complaint  
59.15 about a social worker regarding the social worker's involvement in a case of vulnerable  
59.16 adults or children in need of protection, the county or other appropriate public authority  
59.17 may request that the board suspend its investigation, and the board must comply until such  
59.18 time as the court issues its findings on the case.

59.19 (b) Notwithstanding paragraph (a), the board may continue with an investigation if  
59.20 the board determines that doing so is in the best interests of the vulnerable adult or child  
59.21 and is consistent with the board's obligation to protect the public. If the board chooses to  
59.22 continue an investigation, the board must notify the county or other appropriate public  
59.23 authority in writing and state its reasons for doing so.

59.24 Subd. 8. **Notification of complainant.** (a) In no more than 14 calendar days after  
59.25 receiving a complaint regarding a licensee, the board must notify the complainant that the  
59.26 board has received the complaint.

59.27 (b) The board must periodically notify the complainant of the status of the complaint.

59.28 Subd. 9. **Notification of licensee.** (a) Except as provided in paragraph (b), in no  
59.29 more than 60 calendar days after receiving a complaint regarding a licensee, the board must  
59.30 notify the licensee that the board has received the complaint and inform the licensee of:

59.31 (1) the substance of the complaint;

59.32 (2) the sections of the law that allegedly have been violated; and

59.33 (3) whether an investigation is being conducted.

59.34 (b) Paragraph (a) does not apply if:

59.35 (1) the board determines that such notice would compromise the board's investigation  
59.36 according to section 214.10; or

60.1 (2) the board determines that such notice cannot reasonably be accomplished within  
60.2 this time.

60.3 (c) The board must periodically notify the licensee of the status of the complaint.

60.4 Subd. 10. **Resolution of complaints.** In no more than one year after receiving a  
60.5 complaint regarding a licensee, the board must resolve or dismiss the complaint unless  
60.6 the board determines that resolving or dismissing the complaint cannot reasonably be  
60.7 accomplished within this time.

60.8 Sec. 51. **[148E.250] OBLIGATION TO COOPERATE.**

60.9 Subdivision 1. **Obligation to cooperate.** An applicant or licensee who is the subject  
60.10 of an investigation, or who is questioned by or on behalf of the board in connection with  
60.11 an investigation, must cooperate fully with the investigation. Cooperation includes, but is  
60.12 not limited to:

60.13 (1) responding fully and promptly to any question relating to the investigation;

60.14 (2) as reasonably requested by the board, providing copies of client and other records  
60.15 in the applicant's or licensee's possession relating to the investigation;

60.16 (3) executing release of records as reasonably requested by the board; and

60.17 (4) appearing at conferences, hearings, or meetings scheduled by the board, as  
60.18 required in sections 148E.255 to 148E.270 and chapter 214.

60.19 Subd. 2. **Investigation.** A social worker must not knowingly withhold relevant  
60.20 information, give false or misleading information, or do anything to obstruct an  
60.21 investigation of the social worker or another social worker by the board or by another state  
60.22 or federal regulatory or law enforcement authority.

60.23 Subd. 3. **Payment for copies.** The board must pay for copies requested by the board.

60.24 Subd. 4. **Access to client records.** Notwithstanding any law to the contrary, an  
60.25 applicant or licensee must allow the board access to any records of a client provided  
60.26 services by the applicant or licensee under investigation. If the client has not signed a  
60.27 consent permitting access to the client's records, the applicant or licensee must delete any  
60.28 data in the records that identifies the client before providing the records to the board.

60.29 Subd. 5. **Classification of data.** Any records obtained according to this subdivision  
60.30 must be treated as investigative data according to section 13.41 and be classified as  
60.31 confidential data.

60.32 Sec. 52. **[148E.255] TYPES OF ACTIONS.**

60.33 Subdivision 1. **Actions.** The board may take disciplinary action according to  
60.34 section 148E.260, adversarial but nondisciplinary action according to section 148E.265,

61.1 or voluntary action according to section 148E.270. Any action taken under sections  
61.2 148E.260 to 148E.270 is public data.

61.3 Subd. 2. **Disciplinary action.** For purposes of section 148E.260, "disciplinary  
61.4 action" means an action taken by the board against an applicant or licensee that addresses  
61.5 a complaint alleging a violation of a statute or rule the board is empowered to enforce.

61.6 Subd. 3. **Adversarial but nondisciplinary action.** For purposes of section  
61.7 148E.265, "adversarial but nondisciplinary action" means a nondisciplinary action taken  
61.8 by the board that addresses a complaint alleging a violation of a statute or rule the board  
61.9 is empowered to enforce.

61.10 Subd. 4. **Voluntary action.** For purposes of section 148E.270, "voluntary action"  
61.11 means a nondisciplinary action agreed to by the board or a designated board member and  
61.12 an applicant or licensee that, through educational or other corrective means, addresses a  
61.13 complaint alleging a violation of a statute or rule that the board is empowered to enforce.

61.14 **Sec. 53. [148E.260] DISCIPLINARY ACTIONS.**

61.15 Subdivision 1. **General disciplinary actions.** (a) When the board has grounds for  
61.16 disciplinary actions under this chapter, the board may take one or more of the following  
61.17 disciplinary actions:

61.18 (1) deny an application;

61.19 (2) permanently revoke a license to practice social work;

61.20 (3) indefinitely or temporarily suspend a license to practice social work;

61.21 (4) impose restrictions on a licensee's scope of practice;

61.22 (5) impose conditions required for the licensee to maintain licensure, including,  
61.23 but not limited to, additional education, supervision, and requiring the passing of an  
61.24 examination provided for in section 148E.055;

61.25 (6) reprimand a licensee;

61.26 (7) impose a civil penalty of up to \$10,000 for each violation in order to discourage  
61.27 future violations or to deprive the licensee of any economic advantage gained by reason  
61.28 of the violation; or

61.29 (8) impose a fee to reimburse the board for all or part of the cost of the proceedings  
61.30 resulting in disciplinary action, including, but not limited to, the amount paid by the board  
61.31 for services received from or expenses incurred by the Office of Administrative Hearings,  
61.32 the Office of the Attorney General, court reporters, witnesses, board members, board staff,  
61.33 or the amount paid by the board for reproducing records.

62.1 (b) Disciplinary action taken by the board under this subdivision is in effect pending  
62.2 determination of an appeal unless the court, upon petition and for good cause shown,  
62.3 decides otherwise.

62.4 Subd. 2. **Reprimands.** (a) In addition to the board's authority to issue a reprimand  
62.5 according to subdivision 1, a designated board member reviewing a complaint as provided  
62.6 for in chapter 214 may issue a reprimand to a licensee. The designated board member  
62.7 must notify the licensee that the reprimand will become final disciplinary action unless the  
62.8 licensee requests a hearing by the board within 14 calendar days.

62.9 (b) If the licensee requests a hearing within 14 calendar days, the board must  
62.10 schedule a hearing unless the designated board member withdraws the reprimand.

62.11 (c) The hearing must be scheduled within 14 working days of the time the licensee  
62.12 submits a request for the hearing.

62.13 (d) The designated board member who issued the reprimand may participate in the  
62.14 hearing but must not deliberate or vote on the decision by the board.

62.15 (e) The only evidence permitted at the hearing is affidavits or other documents  
62.16 except for testimony by the licensee or other witnesses whose testimony the board chair  
62.17 has authorized for good cause.

62.18 (f) If testimony is authorized, the testimony is subject to cross-examination.

62.19 (g) After the hearing, the board must affirm or dismiss the reprimand.

62.20 Subd. 3. **Temporary suspensions.** (a) In addition to any other remedy provided  
62.21 by statute, the board or a designated board member may, without a hearing, temporarily  
62.22 suspend a license to practice social work if the board or the designated board member  
62.23 finds that:

62.24 (1) the licensee has violated a statute or rule enforced by the board, any other federal  
62.25 or state law or rule related to the practice of social work, or an order, stipulation, or  
62.26 agreement agreed to or issued by the board; and

62.27 (2) continued practice by the licensee would create a serious risk of harm to others.

62.28 (b) The suspension is in effect upon service of a written order on the licensee  
62.29 specifying the statute, rule, order, stipulation, or agreement violated. Service of the order  
62.30 is effective if the order is served on the licensee or the licensee's attorney personally or  
62.31 by first class mail to the most recent address provided to the board for the licensee or the  
62.32 licensee's attorney.

62.33 (c) The temporary suspension remains in effect until after the board issues an order  
62.34 according to paragraph (e), or if there is a contested case hearing, after the board issues a  
62.35 written final order according to paragraph (g).

63.1 (d) If the licensee requests in writing within five calendar days of service of the  
63.2 order that the board hold a hearing, the board must hold a hearing on the sole issue of  
63.3 whether to continue, modify, or lift the suspension. The board must hold the hearing  
63.4 within ten working days of receipt of the licensee's written request. Evidence presented  
63.5 by the board or licensee must be in affidavit form only, except that the licensee or the  
63.6 licensee's attorney may present oral argument.

63.7 (e) Within five working days after the hearing, the board must issue its order. If  
63.8 the licensee contests the order, the board must schedule a contested case hearing under  
63.9 chapter 14. The contested case hearing must be scheduled to occur within 45 calendar  
63.10 days after issuance of the order.

63.11 (f) The administrative law judge must issue a report within 30 calendar days after  
63.12 the contested case hearing is concluded.

63.13 (g) The board must issue a final order within 30 calendar days after the board  
63.14 receives the administrative law judge's report.

63.15 **Sec. 54. ~~[148E.265]~~ ADVERSARIAL BUT NONDISCIPLINARY ACTIONS.**

63.16 Subdivision 1. **Automatic suspensions.** (a) A license to practice social work is  
63.17 automatically suspended if:

63.18 (1) a guardian of a licensee is appointed by order of a court according to sections  
63.19 524.5-101 and 524.5.102; or

63.20 (2) the licensee is committed by order of a court according to chapter 253B.

63.21 (b) A license remains suspended until:

63.22 (1) the licensee is restored to capacity by a court; and

63.23 (2) upon petition by the licensee and after a hearing or an agreement with the  
63.24 licensee, the board terminates the suspension.

63.25 (c) If the board terminates the suspension, it may do so with or without conditions  
63.26 or restrictions, including, but not limited to, participation in the health professional  
63.27 services program.

63.28 Subd. 2. **Cease and desist orders.** (a) The board or a designated board member  
63.29 may issue a cease and desist order to stop a person from engaging in unauthorized practice  
63.30 or from violating or threatening to violate a statute or rule enforced by the board or an  
63.31 order, stipulation, or agreement agreed to or issued by the board.

63.32 (b) The cease and desist order must state the reason for its issuance and give notice  
63.33 of the person's right to request a hearing under sections 14.57 to 14.62. If the person fails  
63.34 to request a hearing in writing postmarked within 15 calendar days after service of the

64.1 cease and desist order, the order is the final order of the board and is not reviewable by  
64.2 a court or agency.

64.3 (c) If the board receives a written request for a hearing postmarked within 15  
64.4 calendar days after service of the cease and desist order, the board must schedule a hearing  
64.5 within 30 calendar days of receiving the request.

64.6 (d) The administrative law judge must issue a report within 30 calendar days after  
64.7 the contested case hearing is concluded.

64.8 (e) Within 30 calendar days after the board receives the administrative law judge's  
64.9 report, the board must issue a final order modifying, vacating, or making permanent  
64.10 the cease and desist order. The final order remains in effect until modified or vacated  
64.11 by the board.

64.12 (f) If a person does not comply with a cease and desist order, the board may institute  
64.13 a proceeding in any district court to obtain injunctive relief or other appropriate relief,  
64.14 including but not limited to, a civil penalty payable to the board of up to \$10,000 for  
64.15 each violation.

64.16 (g) A cease and desist order issued according to this subdivision does not relieve a  
64.17 person from criminal prosecution by a competent authority or from disciplinary action  
64.18 by the board.

64.19 Subd. 3. **Injunctive relief.** (a) In addition to any other remedy provided by law, the  
64.20 board may bring an action in district court for injunctive relief to restrain any unauthorized  
64.21 practice or violation or threatened violation of any statute or rule, stipulation, or agreement  
64.22 agreed to or enforced by the board or an order issued by the board.

64.23 (b) A temporary restraining order may be granted in the proceeding if continued  
64.24 activity by a person would create an imminent risk of harm to others.

64.25 (c) Injunctive relief granted according to this subdivision does not relieve a person  
64.26 from criminal prosecution by a competent authority or from disciplinary action by the  
64.27 board.

64.28 (d) In bringing an action for injunctive relief, the board need not show irreparable  
64.29 harm.

64.30 **Sec. 55. [148E.270] VOLUNTARY ACTIONS.**

64.31 Subdivision 1. **Agreements for corrective action.** (a) The board or a designated  
64.32 board member may enter into an agreement for corrective action with an applicant or  
64.33 licensee when the board or a designated board member determines that a complaint  
64.34 alleging a violation of a statute or rule enforced by the board or an order issued by the

65.1 board may best be resolved through an agreement for corrective action when disciplinary  
65.2 action is not required to protect the public.

65.3 (b) An agreement for corrective action must:

65.4 (1) be in writing;

65.5 (2) specify the facts upon which the agreement is based;

65.6 (3) clearly indicate the corrective action agreed upon; and

65.7 (4) provide that the complaint that resulted in the agreement must be dismissed by the  
65.8 board or the designated board member upon successful completion of the corrective action.

65.9 (c) The board or designated board member may determine successful completion  
65.10 when the applicant or licensee submits a request for dismissal that documents the  
65.11 applicant's or licensee's successful completion of the corrective action. The burden of  
65.12 proof is on the applicant or licensee to prove successful completion.

65.13 (d) An agreement for corrective action is not disciplinary action but must be treated  
65.14 as public data under chapter 13.

65.15 (e) The board may impose a fee to reimburse the board for all or part of the costs  
65.16 of the proceedings resulting in a corrective action, including, but not limited to, the  
65.17 amount paid by the board for services received from or expenses incurred by the Office  
65.18 of the Attorney General, board members, board staff, or the amount paid by the board  
65.19 for reproducing records.

65.20 (f) The board or designated board member must not enter into an agreement for  
65.21 corrective action when the complaint alleged sexual conduct with a client unless there is  
65.22 insufficient evidence to justify disciplinary action but there is a basis for corrective action.

65.23 **Subd. 2. Stipulations to cease practicing social work.** (a) The board or a  
65.24 designated board member may enter into a stipulation to cease practicing social work with  
65.25 a licensee if the board or designated board member determines that the licensee is unable  
65.26 to practice social work competently or safely or that the social worker's continued practice  
65.27 creates an unacceptable risk of safety to clients, potential clients, or the public.

65.28 (b) A stipulation to cease practicing social work must:

65.29 (1) be in writing;

65.30 (2) specify the facts upon which the stipulation is based;

65.31 (3) clearly indicate that the licensee must not practice social work and must not hold  
65.32 out to the public that the social worker is licensed; and

65.33 (4) specify the term of the stipulation or when and under what circumstances the  
65.34 licensee may petition the board for termination of the stipulation.

65.35 (c) A stipulation to cease practicing social work is not disciplinary action but must  
65.36 be treated as public data under chapter 13.

66.1 (d) Nothing in this subdivision prevents the board or designated board member  
66.2 from taking any other disciplinary or adversarial action authorized by sections 148E.255  
66.3 to 148E.265 in lieu of or in addition to entering into a stipulation to cease practicing  
66.4 social work.

66.5 Sec. 56. **[148E.275] UNAUTHORIZED PRACTICE.**

66.6 No individual may:

66.7 (1) engage in the practice of social work without a social work license under  
66.8 sections 148E.055 and 148E.060, except when the individual is exempt from licensure  
66.9 according to section 148E.065;

66.10 (2) provide social work services to a client who resides in this state when the  
66.11 individual providing the services is not licensed as a social worker according to sections  
66.12 148E.055 to 148E.060, except when the individual is exempt from licensure according to  
66.13 section 148E.065.

66.14 Sec. 57. **[148E.280] USE OF TITLES.**

66.15 No individual may be presented to the public by any title incorporating the words  
66.16 "social work" or "social worker" or in the titles in section 148E.195, unless that individual  
66.17 holds a license under sections 148E.055 and 148E.060, or practices in a setting exempt  
66.18 from licensure under section 148E.065.

66.19 Sec. 58. **[148E.285] REPORTING REQUIREMENTS.**

66.20 Subdivision 1. **Institutions.** A state agency, political subdivision, agency of a local  
66.21 unit of government, private agency, hospital, clinic, prepaid medical plan, or other health  
66.22 care institution or organization must report to the board:

66.23 (1) any adversarial action, disciplinary action, or other sanction for conduct that  
66.24 might constitute grounds for action under section 148E.190;

66.25 (2) the resignation of any applicant or licensee prior to the conclusion of any  
66.26 proceeding for adversarial action, disciplinary action, or other sanction for conduct that  
66.27 might constitute grounds for action under section 148E.190; or

66.28 (3) the resignation of any applicant or licensee prior to the commencement of a  
66.29 proceeding for adversarial action, disciplinary action, or other sanction for conduct that  
66.30 might constitute grounds for action under section 148E.190, but after the applicant or  
66.31 licensee had knowledge that a proceeding was contemplated or in preparation.

66.32 Subd. 2. **Professional societies and associations.** A state or local professional  
66.33 society or association whose members consist primarily of licensed social workers must

67.1 report to the board any adversarial action, disciplinary action, or other sanction taken  
67.2 against a member.

67.3 Subd. 3. **Immunity.** An individual, professional society or association, state agency,  
67.4 political subdivision, agency of a local unit of government, private agency, hospital,  
67.5 clinic, prepaid medical plan, other health care institution or organization or other entity is  
67.6 immune from civil liability or criminal prosecution for submitting in good faith a report  
67.7 under subdivision 1 or 2 or for otherwise reporting, providing information, or testifying  
67.8 about violations or alleged violations of this chapter.

67.9 **Sec. 59. [148E.290] PENALTIES.**

67.10 An individual or other entity that violates section 148E.275, 148E.280, or 148E.285  
67.11 is guilty of a misdemeanor.

67.12 **Sec. 60. REPEALER.**

67.13 Minnesota Statutes 2006, sections 148D.001; 148D.010; 148D.015; 148D.020;
