1.10 Subd. 2. **Definition.** "Hair braiding" means a natural form of hair manipulation that

1.12 locking, sewing, twisting, weaving, or wrapping human hair, natural fibers, synthetic
1.13 fibers, and hair extensions into a variety of shapes, patterns, and textures predominantly by

1.20 involve the use of penetrating chemical hair treatments, chemical hair coloring agents,
1.21 chemical hair straightening agents, chemical hair joining agents, permanent wave styles,
1.22 or chemical hair bleaching agents applied to growing human hair. For purposes of this
1.23 section, "simple hair braiding devices" means clips, combs, curlers, curling irons, hairpins,

2.1 rollers, scissors, needles, thread, and hair binders including adhesives, if necessary, that
2.2 are required solely for hair braiding.

2.3 Subd. 3. **Requirements.** In order to qualify for registration, any person engaged
2.4 in hair braiding solely for compensation as a profession shall satisfactorily complete
2.5 instruction at either an accredited school or by an individual, except persons licensed as
2.6 cosmetologists approved by the board. Instruction includes coursework covering the
2.7 topics of health, safety, sanitation, and state laws related to cosmetology not to exceed 30
2.8 hours. The coursework is encouraged to be provided in a foreign language format and
2.9 such availability shall be reported to and posted by the Minnesota Board of Barber and
2.10 Cosmetology Examiners.

2.11 Subd. 4. **Curriculum.** An accredited school or an individual approved by the board
2.12 desiring to provide the coursework required under subdivision 3 shall have curriculum in
