6.22 after the effective date of the state plan amendment as authorized by the commissioner of
6.23 commerce qualify as a partnership policy.

7.1 (c) The individual shall identify the designated assets and the full fair market value
7.2 of those assets and designate them as assets to be protected at the time of initial application
7.3 for medical assistance. The full fair market value of real property or interests in real
7.4 property shall be based on the most recent full assessed value for property tax purposes

7.11 (d) The right to designate assets to be protected is personal to the individual and
7.12 ends when the individual dies, except as otherwise provided in subdivisions 13 and
7.13 15. It does not include the increase in the value of the protected asset and the income,
7.14 dividends, or profits from the asset. It may be exercised by the individual or by anyone
7.15 with the legal authority to do so on the individual's behalf. It shall not be sold, assigned,

7.26 section 256B.15 or 524.3-1202, or otherwise.

7.27 (f) This section applies only to estate recovery under United States Code, title 42,
7.28 section 1396p, subsections (a) and (b), and does not apply to recovery authorized by other
7.29 provisions of federal law, including, but not limited to, recovery from trusts under United

7.33 (g) An individual's protected assets owned by the individual's spouse who applies
7.34 for payment of medical assistance long-term care services shall not be protected assets or
7.35 disregarded for purposes of eligibility of the individual's spouse solely because they were

8.1 (h) Assets designated under this subdivision shall not be subject to penalty under
8.2 section 256B.0595.

8.3 (i) The commissioner shall otherwise determine the individual's eligibility
8.4 for payment of long-term care services according to medical assistance eligibility
8.5 requirements.

8.6 Sec. 9. Minnesota Statutes 2006, section 256B.058, is amended to read:

8.7 **256B.058 TREATMENT OF INCOME OF INSTITUTIONALIZED SPOUSE.**

8.8 Subdivision 1. **Income not available.** The income described in subdivisions 2 and 3
8.9 shall be deducted from an institutionalized spouse's monthly income and is not considered
8.10 available for payment of the monthly costs of an institutionalized ~~person~~ spouse in the
8.11 institution after ~~the person has been~~ determined eligible for medical assistance.

8.12 Subd. 2. **Monthly income allowance for community spouse.** (a) For an
8.13 institutionalized spouse ~~with a spouse residing in the community~~, monthly income may be
8.14 allocated to the community spouse as a monthly income allowance for the community
8.15 spouse. Beginning with the first full calendar month the institutionalized spouse is
8.16 in the institution, the monthly income allowance is not considered available to the
8.17 institutionalized spouse for monthly payment of costs of care in the institution as long as
8.18 the income is made available to the community spouse.

8.19 (b) The monthly income allowance is the amount by which the community spouse's
8.20 monthly maintenance needs allowance under paragraphs (c) and (d) exceeds the amount
8.21 of monthly income otherwise available to the community spouse.

8.22 (c) The community spouse's monthly maintenance needs allowance is the lesser of
8.23 \$1,500 or 122 percent of the monthly federal poverty guideline for a family of two plus
8.24 an excess shelter allowance. The excess shelter allowance is for the amount of shelter
8.25 expenses that exceed 30 percent of 122 percent of the federal poverty guideline line for a
8.26 family of two. Shelter expenses are the community spouse's expenses for rent, mortgage
8.27 payments including principal and interest, taxes, insurance, required maintenance charges
8.28 for a cooperative or condominium that is the community spouse's principal residence,
8.29 and the standard utility allowance under section 5(e) of the federal Food Stamp Act of
8.30 1977. If the community spouse has a required maintenance charge for a cooperative or
8.31 condominium, the standard utility allowance must be reduced by the amount of utility
8.32 expenses included in the required maintenance charge.

8.33 If the community or institutionalized spouse establishes that the community spouse
8.34 needs income greater than the monthly maintenance needs allowance determined in this
8.35 paragraph due to exceptional circumstances resulting in significant financial duress, the

9.1 monthly maintenance needs allowance may be increased to an amount that provides
9.2 needed additional income.

9.3 (d) The percentage of the federal poverty guideline used to determine the monthly
9.4 maintenance needs allowance in paragraph (c) is increased to 133 percent on July 1,
9.5 1991, and to 150 percent on July 1, 1992. Adjustments in the income limits due to annual
9.6 changes in the federal poverty guidelines shall be implemented the first day of July
9.7 following publication of the annual changes. The \$1,500 maximum must be adjusted
9.8 January 1, 1990, and every January 1 after that by the same percentage increase in the
9.9 Consumer Price Index for all urban consumers (all items; United States city average)
9.10 between the two previous Septembers.

9.11 (e) If a court has entered an order against an institutionalized spouse for monthly
9.12 income for support of the community spouse, the community spouse's monthly income
9.13 allowance under this subdivision shall not be less than the amount of the monthly income
9.14 ordered.

9.15 Subd. 3. **Family allowance.** (a) A family allowance determined under paragraph
9.16 (b) is not considered available to the institutionalized spouse for monthly payment of costs
9.17 of care in the institution.

9.18 (b) The family allowance is equal to one-third of the amount by which 122 percent
9.19 of the monthly federal poverty guideline for a family of two exceeds the monthly income
9.20 for that family member.

9.21 (c) For purposes of this subdivision, the term family member only includes a
9.22 minor or dependent child as defined in the Internal Revenue Code, dependent parent, or
9.23 dependent sibling of the institutionalized or community spouse if the sibling resides with
9.24 the community spouse.

9.25 (d) The percentage of the federal poverty guideline used to determine the family
9.26 allowance in paragraph (b) is increased to 133 percent on July 1, 1991, and to 150 percent
9.27 on July 1, 1992. Adjustments in the income limits due to annual changes in the federal
9.28 poverty guidelines shall be implemented the first day of July following publication of
9.29 the annual changes.

9.30 Subd. 4. **Treatment of income.** (a) No income of the community spouse will
9.31 be considered available to an eligible institutionalized spouse, beginning the first full
9.32 calendar month of institutionalization, except as provided in this subdivision.

9.33 (b) In determining the income of an institutionalized spouse or community spouse,
9.34 after the institutionalized spouse has been determined eligible for medical assistance,
9.35 the following rules apply.

10.1 (1) For income that is not from a trust, availability is determined according to items
10.2 (i) to (v), unless the instrument providing the income otherwise specifically provides:

10.3 (i) if payment is made solely in the name of one spouse, the income is considered
10.4 available only to that spouse;

10.5 (ii) if payment is made in the names of both spouses, one-half of the income is
10.6 considered available to each;

10.7 (iii) if payment is made in the names of one or both spouses together with one or
10.8 more other persons, the income is considered available to each spouse according to the
10.9 spouse's interest, or one-half of the joint interest is considered available to each spouse
10.10 if each spouse's interest is not specified;

10.11 (iv) if there is no instrument that establishes ownership, one-half of the income is
10.12 considered available to each spouse; and

10.13 (v) either spouse may rebut the determination of availability of income by showing
10.14 by a preponderance of the evidence that ownership interests are different than provided
10.15 above.

10.16 (2) For income from a trust, income is considered available to each spouse as
10.17 provided in the trust. If the trust does not specify an amount available to either or both
10.18 spouses, availability will be determined according to items (i) to (iii):

10.19 (i) if payment of income is made only to one spouse, the income is considered
10.20 available only to that spouse;

10.21 (ii) if payment of income is made to both spouses, one-half is considered available to
10.22 each; and

10.23 (iii) if payment is made to either or both spouses and one or more other persons,
10.24 the income is considered available to each spouse in proportion to each spouse's interest,
10.25 or if no such interest is specified, one-half of the joint interest is considered available
10.26 to each spouse.

10.27 Sec. 10. Minnesota Statutes 2006, section 256B.059, subdivision 1, is amended to read:

10.28 Subdivision 1. **Definitions.** (a) For purposes of this section and ~~section~~ sections

12.6 When payment becomes due under an annuity that names the department a
 12.7 remainder beneficiary ~~as described in section 256B.056, subdivision 11,~~ the issuer shall
 12.8 request and the department shall, within 45 days after receipt of the request, provide
 12.9 a written statement of the total amount of the medical assistance paid or confirmation
 12.10 that any family member designated as a remainder beneficiary meets requirements for
 12.11 qualification as a beneficiary in the first position. Upon timely receipt of the written
 12.12 statement of the amount of medical assistance paid, the issuer shall pay the department an
 12.13 amount equal to the lesser of the amount due the department under the annuity or the total
 12.14 amount of medical assistance paid on behalf of the individual or the individual's spouse.
 12.15 Any amounts remaining after the issuer's payment to the department shall be payable
 12.16 according to the terms of the annuity or similar financial instrument. The county agency
 12.17 or the department shall provide the issuer with the name, address, and telephone number
 12.18 of a unit within the department the issuer can contact to comply with this section. The
 12.19 requirements of section 72A.201, subdivision 4, clause (3), shall not apply to payments
 12.20 made under this section until the issuer has received final payment information from the
 12.21 department, if the issuer has notified the beneficiary of the requirements of this section at
 12.22 the time it initially requests payment information from the department.

12.23 Sec. 13. Minnesota Statutes 2006, section 256B.0595, subdivision 1, is amended to
 12.24 read:

12.25 Subdivision 1. **Prohibited transfers.** (a) For transfers of assets made on or before
 12.26 August 10, 1993, if ~~a~~ an institutionalized person or the institutionalized person's spouse
 12.27 has given away, sold, or disposed of, for less than fair market value, any asset or interest
 12.28 therein, except assets other than the homestead that are excluded under the supplemental
 12.29 security program, within 30 months before or any time after the date of institutionalization
 12.30 if the person has been determined eligible for medical assistance, or within 30 months
 12.31 before or any time after the date of the first approved application for medical assistance
 12.32 if the person has not yet been determined eligible for medical assistance, the person is
 12.33 ineligible for long-term care services for the period of time determined under subdivision
 12.34 2.

13.1 (b) Effective for transfers made after August 10, 1993, ~~a~~ an institutionalized person,
13.2 ~~a~~ an institutionalized person's spouse, or any person, court, or administrative body with
13.3 legal authority to act in place of, on behalf of, at the direction of, or upon the request of the
13.4 institutionalized person or institutionalized person's spouse, may not give away, sell, or
13.5 dispose of, for less than fair market value, any asset or interest therein, except assets other
13.6 than the homestead that are excluded under the supplemental security income program,
13.7 for the purpose of establishing or maintaining medical assistance eligibility. This applies
13.8 to all transfers, including those made by a community spouse after the month in which
13.9 the institutionalized spouse is determined eligible for medical assistance. For purposes of
13.10 determining eligibility for long-term care services, any transfer of such assets within 36
13.11 months before or any time after an institutionalized person ~~applies for~~ requests medical
13.12 assistance payment of long-term care services, or 36 months before or any time after a
13.13 medical assistance recipient becomes institutionalized, for less than fair market value
13.14 may be considered. Any such transfer is presumed to have been made for the purpose
13.15 of establishing or maintaining medical assistance eligibility and the institutionalized
13.16 person is ineligible for long-term care services for the period of time determined under
13.17 subdivision 2, unless the institutionalized person furnishes convincing evidence to
13.18 establish that the transaction was exclusively for another purpose, or unless the transfer
13.19 is permitted under subdivision 3 or 4. In the case of payments from a trust or portions
13.20 of a trust that are considered transfers of assets under federal law, or in the case of any
13.21 other disposal of assets made on or after February 8, 2006, any transfers made within 60
13.22 months before or any time after an institutionalized person ~~applies for~~ requests medical
13.23 assistance payment of long-term care services and within 60 months before or any time
13.24 after a medical assistance recipient becomes institutionalized, may be considered.

13.25 (c) This section applies to transfers, for less than fair market value, of income
13.26 or assets, including assets that are considered income in the month received, such as
13.27 inheritances, court settlements, and retroactive benefit payments or income to which the
13.28 institutionalized person or the institutionalized person's spouse is entitled but does not
13.29 receive due to action by the institutionalized person, the institutionalized person's spouse,
13.30 or any person, court, or administrative body with legal authority to act in place of, on
13.31 behalf of, at the direction of, or upon the request of the institutionalized person or the
13.32 institutionalized person's spouse.

13.33 (d) This section applies to payments for care or personal services provided by a
13.34 relative, unless the compensation was stipulated in a notarized, written agreement which
13.35 was in existence when the service was performed, the care or services directly benefited
13.36 the person, and the payments made represented reasonable compensation for the care

14.1 or services provided. A notarized written agreement is not required if payment for the
 14.2 services was made within 60 days after the service was provided.

14.3 (e) This section applies to the portion of any asset or interest that ~~a~~ an institutionalized
 14.4 person, ~~a~~ an institutionalized person's spouse, or any person, court, or administrative body
 14.5 with legal authority to act in place of, on behalf of, at the direction of, or upon the request
 14.6 of the institutionalized person or the institutionalized person's spouse, transfers to any
 14.7 annuity that exceeds the value of the benefit likely to be returned to the institutionalized
 14.8 person or institutionalized person's spouse while alive, based on estimated life expectancy
 14.9 using the life expectancy tables employed by the supplemental security income program
 14.10 to determine the value of an agreement for services for life. The commissioner may adopt
 14.11 rules reducing life expectancies based on the need for long-term care. This section applies
 14.12 to an annuity described in this paragraph purchased on or after March 1, 2002, that:

14.13 (1) is not purchased from an insurance company or financial institution that is
 14.14 subject to licensing or regulation by the Minnesota Department of Commerce or a similar
 14.15 regulatory agency of another state;

14.16 (2) does not pay out principal and interest in equal monthly installments; or

14.17 (3) does not begin payment at the earliest possible date after annuitization.

14.18 (f) Effective for transactions, including the purchase of an annuity, occurring on
 14.19 or after February 8, 2006, ~~the purchase of an annuity~~ by or on behalf of an ~~individual~~
 14.20 institutionalized person who has applied for or is receiving long-term care services or the
 14.21 ~~individual's~~ institutionalized person's spouse shall be treated as the disposal of an asset for
 14.22 less than fair market value unless the department is named ~~as the~~ a preferred remainder
 14.23 beneficiary ~~in first position for an amount equal to at least the total amount of medical~~
 14.24 ~~assistance paid on behalf of the individual or the individual's spouse; or the department~~
 14.25 ~~is named as the remainder beneficiary in second position for an amount equal to at least~~
 14.26 ~~the total amount of medical assistance paid on behalf of the individual or the individual's~~
 14.27 ~~spouse after the individual's community spouse or minor or disabled child and is named as~~
 14.28 ~~the remainder beneficiary in the first position if the community spouse or a representative~~
 14.29 ~~of the minor or disabled child disposes of the remainder for less than fair market value~~ as
 14.30 described in section 256B.056, subdivision 11. Any subsequent change to the designation
 14.31 of the department as a preferred remainder beneficiary shall result in the annuity being
 14.32 treated as a disposal of assets for less than fair market value. The amount of such transfer
 14.33 shall be the maximum amount the ~~individual~~ institutionalized person or the ~~individual's~~
 14.34 institutionalized person's spouse could receive from the annuity or similar financial
 14.35 instrument. Any change in the amount of the income or principal being withdrawn
 14.36 from the annuity or other similar financial instrument at the time of the most recent

15.1 disclosure shall be deemed to be a transfer of assets for less than fair market value unless
 15.2 the ~~individual~~ institutionalized person or the ~~individual's~~ institutionalized person's spouse
 15.3 demonstrates that the transaction was for fair market value. In the event a distribution
 15.4 of income or principal has been improperly distributed or disbursed from an annuity or
 15.5 other retirement planning instrument of an institutionalized person or the institutionalized
 15.6 person's spouse, a cause of action exists against the individual receiving the improper
 15.7 distribution for the cost of medical assistance services provided or the amount of the
 15.8 improper distribution, whichever is less. The action may be brought by the state or the
 15.9 local agency responsible for providing medical assistance under chapter 256B.

15.10 (g) Effective for transactions, including the purchase of an annuity, occurring on
 15.11 or after February 8, 2006, ~~the purchase of an annuity~~ by or on behalf of an ~~individual~~
 15.12 institutionalized person applying for or receiving long-term care services shall be treated
 15.13 as a disposal of assets for less than fair market value unless it is:

15.14 (i) an annuity described in subsection (b) or (q) of section 408 of the Internal
 15.15 Revenue Code of 1986; or

15.16 (ii) purchased with proceeds from:

15.17 (A) an account or trust described in subsection (a), (c), or (p) of section 408 of the
 15.18 Internal Revenue Code;

15.19 (B) a simplified employee pension within the meaning of section 408(k) of the
 15.20 Internal Revenue Code; or

15.21 (C) a Roth IRA described in section 408A of the Internal Revenue Code; or

15.22 (iii) an annuity that is irrevocable and nonassignable; is actuarially sound as
 15.23 determined in accordance with actuarial publications of the Office of the Chief Actuary of
 15.24 the Social Security Administration; and provides for payments in equal amounts during
 15.25 the term of the annuity, with no deferral and no balloon payments made.

15.26 (h) For purposes of this section, long-term care services include services in a nursing
 15.27 facility, services that are eligible for payment according to section 256B.0625, subdivision
 15.28 2, because they are provided in a swing bed, intermediate care facility for persons with
 15.29 developmental disabilities, and home and community-based services provided pursuant
 15.30 to sections 256B.0915, 256B.092, and 256B.49. For purposes of this subdivision and
 15.31 subdivisions 2, 3, and 4, "institutionalized person" includes a person who is an inpatient
 15.32 in a nursing facility or in a swing bed, or intermediate care facility for persons with
 15.33 developmental disabilities or who is receiving home and community-based services under
 15.34 sections 256B.0915, 256B.092, and 256B.49.

15.35 (i) This section applies to funds used to purchase a promissory note, loan, or
 15.36 mortgage unless the note, loan, or mortgage:

16.1 (1) has a repayment term that is actuarially sound;

16.2 (2) provides for payments to be made in equal amounts during the term of the loan,
16.3 with no deferral and no balloon payments made; and

16.4 (3) prohibits the cancellation of the balance upon the death of the lender.

16.5 In the case of a promissory note, loan, or mortgage that does not meet an exception
16.6 in clauses (1) to (3), the value of such note, loan, or mortgage shall be the outstanding
16.7 balance due as of the date of the ~~individual's application~~ institutionalized person's request
16.8 for medical assistance payment of long-term care services.

16.9 (j) This section applies to the purchase of a life estate interest in another ~~individual's~~
16.10 person's home unless the purchaser resides in the home for a period of at least one year
16.11 after the date of purchase.

16.12 Sec. 14. Minnesota Statutes 2006, section 256B.0595, subdivision 2, is amended to
16.13 read:

16.14 Subd. 2. **Period of ineligibility.** (a) For any uncompensated transfer occurring on or
16.15 before August 10, 1993, the number of months of ineligibility for long-term care services
16.16 shall be the lesser of 30 months, or the uncompensated transfer amount divided by the
16.17 average medical assistance rate for nursing facility services in the state in effect on the
16.18 date of application. The amount used to calculate the average medical assistance payment
16.19 rate shall be adjusted each July 1 to reflect payment rates for the previous calendar year.
16.20 The period of ineligibility begins with the month in which the assets were transferred.
16.21 If the transfer was not reported to the local agency at the time of application, and the
16.22 applicant received long-term care services during what would have been the period of
16.23 ineligibility if the transfer had been reported, a cause of action exists against the transferee
16.24 for the cost of long-term care services provided during the period of ineligibility, or for the
16.25 uncompensated amount of the transfer, whichever is less. The action may be brought by
16.26 the state or the local agency responsible for providing medical assistance under chapter
16.27 256G. The uncompensated transfer amount is the fair market value of the asset at the time
16.28 it was given away, sold, or disposed of, less the amount of compensation received.

16.29 (b) For uncompensated transfers made after August 10, 1993, the number of months
16.30 of ineligibility for long-term care services shall be the total uncompensated value of the
16.31 resources transferred divided by the average medical assistance rate for nursing facility
16.32 services in the state in effect on the date of application. The amount used to calculate the
16.33 average medical assistance payment rate shall be adjusted each July 1 to reflect payment
16.34 rates for the previous calendar year. The period of ineligibility begins with the first day
16.35 of the month after the month in which the assets were transferred except that if one or

17.1 more uncompensated transfers are made during a period of ineligibility, the total assets
 17.2 transferred during the ineligibility period shall be combined and a penalty period calculated
 17.3 to begin on the first day of the month after the month in which the first uncompensated
 17.4 transfer was made. If the transfer was reported to the local agency after the date that
 17.5 advance notice of a period of ineligibility that affects the next month could be provided to
 17.6 the recipient and the recipient received medical assistance services or the transfer was not
 17.7 reported to the local agency, and the applicant or recipient received medical assistance
 17.8 services during what would have been the period of ineligibility if the transfer had been
 17.9 reported, a cause of action exists against the transferee for the cost of medical assistance
 17.10 services provided during the period of ineligibility, or for the uncompensated amount of
 17.11 the transfer, whichever is less. The action may be brought by the state or the local agency
 17.12 responsible for providing medical assistance under chapter 256G. The uncompensated
 17.13 transfer amount is the fair market value of the asset at the time it was given away, sold, or
 17.14 disposed of, less the amount of compensation received. Effective for transfers made on or
 17.15 after March 1, 1996, involving persons who apply for medical assistance on or after April
 17.16 13, 1996, no cause of action exists for a transfer unless:

17.17 (1) the transferee knew or should have known that the transfer was being made by a
 17.18 person who was a resident of a long-term care facility or was receiving that level of care in
 17.19 the community at the time of the transfer;

17.20 (2) the transferee knew or should have known that the transfer was being made to
 17.21 assist the person to qualify for or retain medical assistance eligibility; or

17.22 (3) the transferee actively solicited the transfer with intent to assist the person to
 17.23 qualify for or retain eligibility for medical assistance.

17.24 (c) For uncompensated transfers made on or after February 8, 2006, the period
 17.25 of ineligibility:

17.26 (1) for uncompensated transfers by or on behalf of individuals receiving medical
 17.27 assistance payment of long-term care services, begins on the first day of the month
 17.28 in which following advance notice can be given following of the penalty period, but no
 17.29 later than the first day of the month in which assets have been transferred for less than
 17.30 fair market value, that follows three full calendar months from the date of the report
 17.31 or discovery of the transfer; or

17.32 (2) for uncompensated transfers by individuals requesting medical assistance
 17.33 payment of long-term care services, begins the date on which the individual is eligible
 17.34 for medical assistance under the Medicaid state plan and would otherwise be receiving
 17.35 long-term care services based on an approved application for such care but for the
 17.36 application of the penalty period, whichever is later, and which does not occur

18.1 (3) cannot begin during any other period of ineligibility.

18.2 (d) If a calculation of a penalty period results in a partial month, payments for
18.3 long-term care services shall be reduced in an amount equal to the fraction.

18.4 (e) In the case of multiple fractional transfers of assets in more than one month for
18.5 less than fair market value on or after February 8, 2006, the period of ineligibility is
18.6 calculated by treating the total, cumulative, uncompensated value of all assets transferred
18.7 during all months on or after February 8, 2006, as one transfer.

18.8 Sec. 15. Minnesota Statutes 2006, section 256B.0595, subdivision 3, is amended to
18.9 read:

18.10 Subd. 3. **Homestead exception to transfer prohibition.** (a) An institutionalized
18.11 person is not ineligible for long-term care services due to a transfer of assets for less than
18.12 fair market value if the asset transferred was a homestead and:

18.13 (1) title to the homestead was transferred to the individual's:

18.14 (i) spouse;

18.15 (ii) child who is under age 21;

18.16 (iii) blind or permanently and totally disabled child as defined in the supplemental
18.17 security income program;

18.18 (iv) sibling who has equity interest in the home and who was residing in the home
18.19 for a period of at least one year immediately before the date of the individual's admission
18.20 to the facility; or

18.21 (v) son or daughter who was residing in the individual's home for a period of at least
18.22 two years immediately before the date ~~of the individual's admission to the facility~~ the
18.23 individual became an institutionalized person, and who provided care to the individual
18.24 that, as certified by the individual's attending physician, permitted the individual to
18.25 reside at home rather than receive care in an institution or facility, or from home and
18.26 community-based services under sections 256B.0915, 256B.092, and 256B.49;

18.27 (2) a satisfactory showing is made that the individual intended to dispose of the
18.28 homestead at fair market value or for other valuable consideration; or

18.29 (3) the local agency grants a waiver of a penalty resulting from a transfer for less
18.30 than fair market value because denial of eligibility would cause undue hardship for the
18.31 individual, based on imminent threat to the individual's health and well-being. Whenever
18.32 an applicant or recipient is denied eligibility because of a transfer for less than fair market
18.33 value, the local agency shall notify the applicant or recipient that the applicant or recipient
18.34 may request a waiver of the penalty if the denial of eligibility will cause undue hardship.
18.35 With the written consent of the individual or the personal representative of the individual,

19.1 a long-term care facility in which an individual is residing may file an undue hardship
19.2 waiver request, on behalf of the individual who is denied eligibility for long-term care
19.3 services on or after July 1, 2006, due to a period of ineligibility resulting from a transfer on
19.4 or after February 8, 2006. In evaluating a waiver, the local agency shall take into account
19.5 whether the individual was the victim of financial exploitation, whether the individual has
19.6 made reasonable efforts to recover the transferred property or resource, and other factors
19.7 relevant to a determination of hardship. If the local agency does not approve a hardship
19.8 waiver, the local agency shall issue a written notice to the individual stating the reasons
19.9 for the denial and the process for appealing the local agency's decision.

19.10 (b) When a waiver is granted under paragraph (a), clause (3), a cause of action exists
19.11 against the person to whom the homestead was transferred for that portion of long-term
19.12 care services granted within:

19.13 (1) 30 months of a transfer made on or before August 10, 1993;

19.14 (2) 60 months if the homestead was transferred after August 10, 1993, to a trust or
19.15 portion of a trust that is considered a transfer of assets under federal law;

19.16 (3) 36 months if transferred in any other manner after August 10, 1993, but prior
19.17 to February 8, 2006; or

19.18 (4) 60 months if the homestead was transferred on or after February 8, 2006,
19.19 or the amount of the uncompensated transfer, whichever is less, together with the
19.20 costs incurred due to the action. The action shall be brought by the state unless the
19.21 state delegates this responsibility to the local agency responsible for providing medical
19.22 assistance under chapter 256G.

19.23 Sec. 16. Minnesota Statutes 2006, section 256B.0595, subdivision 4, is amended to
19.24 read:

19.25 Subd. 4. **Other exceptions to transfer prohibition.** An institutionalized person
19.26 who has made, or whose spouse has made a transfer prohibited by subdivision 1, is not
19.27 ineligible for long-term care services if one of the following conditions applies:

19.28 (1) the assets were transferred to the individual's spouse or to another for the sole
19.29 benefit of the spouse; or

19.30 (2) the institutionalized spouse, prior to being institutionalized, transferred assets
19.31 to a spouse, provided that the spouse to whom the assets were transferred does not then
19.32 transfer those assets to another person for less than fair market value. (At the time when
19.33 one spouse is institutionalized, assets must be allocated between the spouses as provided
19.34 under section 256B.059); or

20.1 (3) the assets were transferred to the individual's child who is blind or permanently
20.2 and totally disabled as determined in the supplemental security income program; or

20.3 (4) a satisfactory showing is made that the individual intended to dispose of the
20.4 assets either at fair market value or for other valuable consideration; or

20.5 (5) the local agency determines that denial of eligibility for long-term care services
20.6 would work an undue hardship and grants a waiver of a penalty resulting from a transfer
20.7 for less than fair market value based on an imminent threat to the individual's health
20.8 and well-being. Whenever an applicant or recipient is denied eligibility because of a
20.9 transfer for less than fair market value, the local agency shall notify the applicant or
20.10 recipient that the applicant or recipient may request a waiver of the penalty if the denial of
20.11 eligibility will cause undue hardship. With the written consent of the individual or the
20.12 personal representative of the individual, a long-term care facility in which an individual
20.13 is residing may file an undue hardship waiver request, on behalf of the individual who
20.14 is denied eligibility for long-term care services on or after July 1, 2006, due to a period
20.15 of ineligibility resulting from a transfer on or after February 8, 2006. In evaluating a
20.16 waiver, the local agency shall take into account whether the individual was the victim of
20.17 financial exploitation, whether the individual has made reasonable efforts to recover the
20.18 transferred property or resource, whether the individual has taken any action to prevent
20.19 the designation of the department as a remainder beneficiary on an annuity as described
20.20 in section 256B.056, subdivision 11, and other factors relevant to a determination of
20.21 hardship. The local agency shall make a determination within 30 days of the receipt of all
20.22 necessary information needed to make such a determination. If the local agency does not
20.23 approve a hardship waiver, the local agency shall issue a written notice to the individual
20.24 stating the reasons for the denial and the process for appealing the local agency's decision.
20.25 When a waiver is granted, a cause of action exists against the person to whom the assets
20.26 were transferred for that portion of long-term care services granted within:

20.27 (i) 30 months of a transfer made on or before August 10, 1993;

20.28 (ii) 60 months of a transfer if the assets were transferred after August 30, 1993, to a
20.29 trust or portion of a trust that is considered a transfer of assets under federal law;

20.30 (iii) 36 months of a transfer if transferred in any other manner after August 10, 1993,
20.31 but prior to February 8, 2006; or

20.32 (iv) 60 months of any transfer made on or after February 8, 2006,

20.33 or the amount of the uncompensated transfer, whichever is less, together with the
20.34 costs incurred due to the action. The action shall be brought by the state unless the
20.35 state delegates this responsibility to the local agency responsible for providing medical
20.36 assistance under this chapter; or

21.1 (6) for transfers occurring after August 10, 1993, the assets were transferred by
 21.2 the person or person's spouse: (i) into a trust established for the sole benefit of a son or
 21.3 daughter of any age who is blind or disabled as defined by the Supplemental Security
 21.4 Income program; or (ii) into a trust established for the sole benefit of an individual who is
 21.5 under 65 years of age who is disabled as defined by the Supplemental Security Income
 21.6 program.

21.7 "For the sole benefit of" has the meaning found in section 256B.059, subdivision 1.

21.8 Sec. 17. Minnesota Statutes 2006, section 256B.0625, subdivision 5a, is amended to

22.9 Sec. 19. Minnesota Statutes 2006, section 256B.0625, is amended by adding a
22.10 subdivision to read:

22.11 Subd. 49. **Lead risk assessment services.** (a) Effective July 1, 2007, or six months
22.12 after federal approval, whichever is later, medical assistance covers lead risk assessment
22.13 provided by a lead risk assessor, who is licensed by the commissioner of health as defined
22.14 in section 144.9505 and employed by an assessing agency as defined in section 144.9501.
22.15 Medical assistance covers one lead risk assessment per case to enrolled individuals under
22.16 age 21 who have a venous blood lead level of 15 micrograms per deciliter or higher.
22.17 Medical assistance coverage of lead risk assessments is not included in the capitated
22.18 services for children enrolled in health plans through the prepaid medical assistance
22.19 program and the MinnesotaCare program.

22.20 (b) A medical assistance covered lead risk assessment is defined as a onetime,
22.21 on-site investigation of the child's home or primary residence to determine the existence of
22.22 lead. Medical assistance reimbursement covers the lead risk assessor's time to complete
22.23 the following activities: gathering samples, interviewing family members, gathering data
22.24 including meter readings, and providing a report with the results of the investigation and
22.25 options for reducing lead-based paint hazards. Medical assistance coverage of lead risk
22.26 assessment does not include testing of environmental substances such as water, paint,
22.27 soil, or any laboratory services.

22.28 (c) Payment for lead risk assessment must be cost-based and must meet the criteria
22.29 for federal financial participation under the Medicaid program. The rate must be based on
22.30 allowable expenditures from cost information gathered. Pursuant to section 144.9507,
22.31 subdivision 5, federal medical assistance funds may not replace existing funding for
22.32 lead-related activities. The nonfederal share of costs for services provided under this
22.33 subdivision must be from state or local funds and is the responsibility of the agency
22.34 providing the risk assessment. Eligible expenditures for the nonfederal share of costs may

23.1 not be made from federal funds or funds used to match other federal funds. Any federal
23.2 disallowances are the responsibility of the agency providing risk assessment services.

23.4 Subd. 6. **Service delivery.** (a) Each demonstration provider shall be responsible for
23.5 the health care coordination for eligible individuals. Demonstration providers:

23.7 including but not limited to the full range of services listed in sections 256B.02,
23.8 subdivision 8, and 256B.0625 in order to ensure appropriate health care is delivered
23.9 to enrollees; notwithstanding section 256B.0621, demonstration providers that provide
23.10 nursing home and community-based services under this section will provide relocation
23.11 service coordination to enrolled persons age 65 and over;

23.12 (2) shall accept the prospective, per capita payment from the commissioner in return
23.13 for the provision of comprehensive and coordinated health care services for eligible
23.14 individuals enrolled in the program;

23.15 (3) may contract with other health care and social service practitioners to provide
23.16 services to enrollees; and

23.17 (4) shall institute recipient grievance procedures according to the method established
23.18 by the project, utilizing applicable requirements of chapter 62D. Disputes not resolved
23.19 through this process shall be appealable to the commissioner as provided in subdivision 11.

23.20 (b) Demonstration providers must comply with the standards for claims settlement
23.21 under section 72A.201, subdivisions 4, 5, 7, and 8, when contracting with other health
23.22 care and social service practitioners to provide services to enrollees. A demonstration
23.23 provider must pay a clean claim, as defined in Code of Federal Regulations, title 42,
23.24 section 447.45(b), within 30 business days of the date of acceptance of the claim.

23.25 Sec. 21. Minnesota Statutes 2006, section 256B.69, subdivision 23, is amended to read:

23.26 Subd. 23. **Alternative services; elderly and disabled persons.** (a) The
23.27 commissioner may implement demonstration projects to create alternative integrated
23.28 delivery systems for acute and long-term care services to elderly persons and persons
23.29 with disabilities as defined in section 256B.77, subdivision 7a, that provide increased
23.30 coordination, improve access to quality services, and mitigate future cost increases.
23.31 The commissioner may seek federal authority to combine Medicare and Medicaid
23.32 capitation payments for the purpose of such demonstrations and may contract with
23.33 Medicare-approved special needs plans to provide Medicaid services. Medicare funds and
23.34 services shall be administered according to the terms and conditions of the federal contract

24.1 and demonstration provisions. For the purpose of administering medical assistance funds,
24.2 demonstrations under this subdivision are subject to subdivisions 1 to 22. The provisions
24.3 of Minnesota Rules, parts 9500.1450 to 9500.1464, apply to these demonstrations,
24.4 with the exceptions of parts 9500.1452, subpart 2, item B; and 9500.1457, subpart 1,
24.5 items B and C, which do not apply to persons enrolling in demonstrations under this
24.6 section. An initial open enrollment period may be provided. Persons who disenroll from
24.7 demonstrations under this subdivision remain subject to Minnesota Rules, parts 9500.1450
24.8 to 9500.1464. When a person is enrolled in a health plan under these demonstrations and
24.9 the health plan's participation is subsequently terminated for any reason, the person shall
24.10 be provided an opportunity to select a new health plan and shall have the right to change
24.11 health plans within the first 60 days of enrollment in the second health plan. Persons
24.12 required to participate in health plans under this section who fail to make a choice of
24.13 health plan shall not be randomly assigned to health plans under these demonstrations.
24.14 Notwithstanding section 256L.12, subdivision 5, and Minnesota Rules, part 9505.5220,
24.15 subpart 1, item A, if adopted, for the purpose of demonstrations under this subdivision,
24.16 the commissioner may contract with managed care organizations, including counties, to
24.17 serve only elderly persons eligible for medical assistance, elderly and disabled persons, or
24.18 disabled persons only. For persons with a primary diagnosis of developmental disability,
24.19 serious and persistent mental illness, or serious emotional disturbance, the commissioner
24.20 must ensure that the county authority has approved the demonstration and contracting
24.21 design. Enrollment in these projects for persons with disabilities shall be voluntary. The
24.22 commissioner shall not implement any demonstration project under this subdivision for
24.23 persons with a primary diagnosis of developmental disabilities, serious and persistent
24.24 mental illness, or serious emotional disturbance, without approval of the county board of
24.25 the county in which the demonstration is being implemented.

24.26 (b) Notwithstanding chapter 245B, sections 252.40 to 252.46, 256B.092, 256B.501
24.27 to 256B.5015, and Minnesota Rules, parts 9525.0004 to 9525.0036, 9525.1200 to
24.28 9525.1330, 9525.1580, and 9525.1800 to 9525.1930, the commissioner may implement
24.29 under this section projects for persons with developmental disabilities. The commissioner
24.30 may capitate payments for ICF/MR services, waived services for developmental
24.31 disabilities, including case management services, day training and habilitation and
24.32 alternative active treatment services, and other services as approved by the state and by
24.33 the federal government. Case management and active treatment must be individualized
24.34 and developed in accordance with a person-centered plan. Costs under these projects may
24.35 not exceed costs that would have been incurred under fee-for-service. Beginning July 1,
24.36 2003, and until ~~two~~ four years after the pilot project implementation date, subcontractor

25.1 participation in the long-term care developmental disability pilot is limited to a nonprofit
25.2 long-term care system providing ICF/MR services, home and community-based waiver
25.3 services, and in-home services to no more than 120 consumers with developmental
25.4 disabilities in Carver, Hennepin, and Scott Counties. The commissioner shall report to the
25.5 legislature prior to expansion of the developmental disability pilot project. This paragraph
25.6 expires ~~two~~ four years after the implementation date of the pilot project.

25.7 (c) Before implementation of a demonstration project for disabled persons, the
25.8 commissioner must provide information to appropriate committees of the house of
25.9 representatives and senate and must involve representatives of affected disability groups
25.10 in the design of the demonstration projects.

25.11 (d) A nursing facility reimbursed under the alternative reimbursement methodology
25.12 in section 256B.434 may, in collaboration with a hospital, clinic, or other health care entity
25.13 provide services under paragraph (a). The commissioner shall amend the state plan and
25.14 seek any federal waivers necessary to implement this paragraph.

25.15 (e) The commissioner, in consultation with the commissioners of commerce and
25.16 health, may approve and implement programs for all-inclusive care for the elderly (PACE)
25.17 according to federal laws and regulations governing that program and state laws or rules
25.18 applicable to participating providers. The process for approval of these programs shall
25.19 begin only after the commissioner receives grant money in an amount sufficient to cover
25.20 the state share of the administrative and actuarial costs to implement the programs during
25.21 state fiscal years 2006 and 2007. Grant amounts for this purpose shall be deposited in an
25.22 account in the special revenue fund and are appropriated to the commissioner to be used
25.23 solely for the purpose of PACE administrative and actuarial costs. A PACE provider is
25.24 not required to be licensed or certified as a health plan company as defined in section
25.25 62Q.01, subdivision 4. Persons age 55 and older who have been screened by the county
25.26 and found to be eligible for services under the elderly waiver or community alternatives
25.27 for disabled individuals or who are already eligible for Medicaid but meet level of
25.28 care criteria for receipt of waiver services may choose to enroll in the PACE program.
25.29 Medicare and Medicaid services will be provided according to this subdivision and
25.30 federal Medicare and Medicaid requirements governing PACE providers and programs.
25.31 PACE enrollees will receive Medicaid home and community-based services through the
25.32 PACE provider as an alternative to services for which they would otherwise be eligible
25.33 through home and community-based waiver programs and Medicaid State Plan Services.
25.34 The commissioner shall establish Medicaid rates for PACE providers that do not exceed
25.35 costs that would have been incurred under fee-for-service or other relevant managed care
25.36 programs operated by the state.

26.1 (f) The commissioner shall seek federal approval to expand the Minnesota disability
 26.2 health options (MnDHO) program established under this subdivision in stages, first to
 26.3 regional population centers outside the seven-county metro area and then to all areas
 26.4 of the state. Until January 1, 2008, expansion for MnDHO projects that include home
 26.5 and community-based services is limited to the two projects and service areas in effect
 26.6 on March 1, 2006. Enrollment in integrated MnDHO programs that include home and
 26.7 community-based services shall remain voluntary. Costs for home and community-based
 26.8 services included under MnDHO must not exceed costs that would have been incurred
 26.9 under the fee-for-service program. In developing program specifications for expansion of
 26.10 integrated programs, the commissioner shall involve and consult the state-level stakeholder
 26.11 group established in subdivision 28, paragraph (d), including consultation on whether and
 26.12 how to include home and community-based waiver programs. Plans for further expansion
 26.13 of MnDHO projects shall be presented to the chairs of the house and senate committees
 26.14 with jurisdiction over health and human services policy and finance by February 1, 2007.

26.15 (g) Notwithstanding section ~~256B.0261~~ 256B.0621, health plans providing services
 26.16 under this section are responsible for home care targeted case management and relocation
 26.17 targeted case management. Services must be provided according to the terms of the
 26.18 waivers and contracts approved by the federal government.

26.19 Sec. 22. Minnesota Statutes 2006, section 256B.69, subdivision 27, is amended to read:

26.20 Subd. 27. **Information for persons with limited English-language proficiency.**
 26.21 Managed care contracts entered into under this section and sections 256D.03, subdivision
 26.22 4, paragraph (c), and 256L.12 must require demonstration providers to ~~inform enrollees~~
 26.23 ~~that upon request the enrollee can obtain a certificate of coverage in the following~~
 26.24 ~~languages: Spanish, Hmong, Laotian, Russian, Somali, Vietnamese, or Cambodian.~~
 26.25 ~~Upon request, the demonstration provider must provide the enrollee with a certificate of~~
 26.26 ~~coverage in the specified language of preference~~ provide language assistance to enrollees
 26.27 that ensures meaningful access to its programs and services according to Title VI of the
 26.28 Civil Rights Act and federal regulations adopted under that law or any guidance from the
 26.29 United States Department of Health and Human Services.

27.8 guidelines for the family size, using a six-month budget period and whose equity in assets
27.9 is not in excess of \$1,000 per assistance unit. General assistance medical care is not
27.10 available for applicants or enrollees who are otherwise eligible for medical assistance but
27.11 fail to verify their assets. Enrollees who become eligible for medical assistance shall be
27.12 terminated and transferred to medical assistance. Exempt assets, the reduction of excess
27.13 assets, and the waiver of excess assets must conform to the medical assistance program in
27.14 section 256B.056, subdivision 3, with the following exception: the maximum amount of
27.15 undistributed funds in a trust that could be distributed to or on behalf of the beneficiary by

27.24 1 by the annual update of the federal poverty guidelines following publication by the
27.25 United States Department of Health and Human Services.

27.26 (b) Effective for applications and renewals processed on or after September 1, 2006,

27.31 general assistance medical care may be paid for applicants and recipients who meet all
27.32 eligibility requirements of paragraph (a), clause (2), item (i), for a temporary period
27.33 beginning the date of application. Immediately following approval of general assistance

27.35 subdivision 7, with covered services as provided in section 256L.03 for the rest of the
27.36 six-month eligibility period, until their six-month renewal.

 28.2 MinnesotaCare as required by paragraph (c), an individual must complete a new

 28.27 eligibility for general assistance medical care shall be available in any month during which
 28.28 MinnesotaCare enrollment is pending. Upon notification of eligibility for MinnesotaCare,
 28.29 notice of termination for eligibility for general assistance medical care shall be sent to
 28.30 an applicant or recipient. If all other eligibility requirements of this subdivision are

28.33 (h) The date of an initial Minnesota health care program application necessary to
 28.34 begin a determination of eligibility shall be the date the applicant has provided a name,
 28.35 address, and Social Security number, signed and dated, to the county agency or the
 28.36 Department of Human Services. If the applicant is unable to provide a name, address,

29.1 Social Security number, and signature when health care is delivered due to a medical
29.2 condition or disability, a health care provider may act on an applicant's behalf to establish
29.3 the date of an initial Minnesota health care program application by providing the county
29.4 agency or Department of Human Services with provider identification and a temporary
29.5 unique identifier for the applicant. The applicant must complete the remainder of the
29.6 application and provide necessary verification before eligibility can be determined. The
29.7 county agency must assist the applicant in obtaining verification if necessary.

29.8 (i) County agencies are authorized to use all automated databases containing
29.9 information regarding recipients' or applicants' income in order to determine eligibility for
29.10 general assistance medical care or MinnesotaCare. Such use shall be considered sufficient
29.11 in order to determine eligibility and premium payments by the county agency.

29.12 (j) General assistance medical care is not available for a person in a correctional
29.13 facility unless the person is detained by law for less than one year in a county correctional
29.14 or detention facility as a person accused or convicted of a crime, or admitted as an
29.15 inpatient to a hospital on a criminal hold order, and the person is a recipient of general
29.16 assistance medical care at the time the person is detained by law or admitted on a criminal
29.17 hold order and as long as the person continues to meet other eligibility requirements
29.18 of this subdivision.

29.19 (k) General assistance medical care is not available for applicants or recipients who
29.20 do not cooperate with the county agency to meet the requirements of medical assistance.

29.21 (l) In determining the amount of assets of an individual eligible under paragraph
29.22 (a), clause (2), item (i), there shall be included any asset or interest in an asset, including
29.23 an asset excluded under paragraph (a), that was given away, sold, or disposed of for
29.24 less than fair market value within the 60 months preceding application for general
29.25 assistance medical care or during the period of eligibility. Any transfer described in this
29.26 paragraph shall be presumed to have been for the purpose of establishing eligibility for
29.27 general assistance medical care, unless the individual furnishes convincing evidence to
29.28 establish that the transaction was exclusively for another purpose. For purposes of this
29.29 paragraph, the value of the asset or interest shall be the fair market value at the time it
29.30 was given away, sold, or disposed of, less the amount of compensation received. For any
29.31 uncompensated transfer, the number of months of ineligibility, including partial months,
29.32 shall be calculated by dividing the uncompensated transfer amount by the average monthly
29.33 per person payment made by the medical assistance program to skilled nursing facilities
29.34 for the previous calendar year. The individual shall remain ineligible until this fixed period
29.35 has expired. The period of ineligibility may exceed 30 months, and a reapplication for
29.36 benefits after 30 months from the date of the transfer shall not result in eligibility unless

30.1 and until the period of ineligibility has expired. The period of ineligibility begins in the
 30.2 month the transfer was reported to the county agency, or if the transfer was not reported,
 30.3 the month in which the county agency discovered the transfer, whichever comes first. For
 30.4 applicants, the period of ineligibility begins on the date of the first approved application.

 30.6 the income and resources of all noncitizens shall be deemed to include their sponsor's
