3.6 **ARTICLE 1**

3.7 **HOMESTEAD CREDIT STATE REFUND**

3.8 **HOMEOWNERS AND RENTERS**

3.9 Section 1. Minnesota Statutes 2006, section 273.1384, subdivision 1, is amended to
3.10 read:

3.11 Subdivision 1. **Residential homestead market value credit.** (a) Each county
3.12 auditor shall determine a homestead credit for each class 1a, 1b, and 2a homestead
3.13 property within the county equal to 0.4 percent of the first \$76,000 of market value
3.14 of the property minus .09 percent of the market value in excess of \$76,000. The credit
3.15 amount may not be less than zero. In the case of an agricultural or resort homestead, only
3.16 the market value of the house, garage, and immediately surrounding one acre of land is
3.17 eligible in determining the property's homestead credit. In the case of a property that
3.18 is classified as part homestead and part nonhomestead, (i) the credit shall apply only
3.19 to the homestead portion of the property, but (ii) if a portion of a property is classified
3.20 as nonhomestead solely because not all the owners occupy the property, not all the
3.21 owners have qualifying relatives occupying the property, or solely because not all the
3.22 spouses of owners occupy the property, the credit amount shall be initially computed as
3.23 if that nonhomestead portion were also in the homestead class and then prorated to the
3.24 owner-occupant's percentage of ownership. For the purpose of this section, when an
3.25 owner-occupant's spouse does not occupy the property, the percentage of ownership for
3.26 the owner-occupant spouse is one-half of the couple's ownership percentage.

3.27 (b) For property taxes payable in 2008 and thereafter, the county auditor shall
3.28 determine the amount of the homestead credit under paragraph (a) and this paragraph.
3.29 The county auditor shall report the amount of the credit to the taxpayer on the property
3.30 tax statement or in another manner, as authorized by the commissioner of revenue. The
3.31 amount of the credit allowed for the property taxes payable year is to be computed as the
3.32 following percentage of the credit amount under paragraph (a):

3.33 (1) for property taxes payable in 2008, 100 percent;

3.34 (2) for property taxes payable in 2009, 60 percent;

3.35 (3) for property taxes payable in 2010, 30 percent; and

3.36 (4) for property taxes payable in 2011 or thereafter, no credit is allowed.

4.1 **EFFECTIVE DATE.** This section is effective beginning for property taxes payable
4.2 in 2008.

4.3 Sec. 2. Minnesota Statutes 2006, section 276.04, subdivision 2, is amended to read:

4.4 Subd. 2. **Contents of tax statements.** (a) The treasurer shall provide for the
4.5 printing of the tax statements. The commissioner of revenue shall prescribe the form
4.6 of the property tax statement and its contents. The statement must contain a tabulated
4.7 statement of the dollar amount due to each taxing authority and the amount of the state
4.8 tax from the parcel of real property for which a particular tax statement is prepared. The
4.9 dollar amounts attributable to the county, the state tax, the voter approved school tax, the
4.10 other local school tax, the township or municipality, and the total of the metropolitan
4.11 special taxing districts as defined in section 275.065, subdivision 3, paragraph (i), must
4.12 be separately stated. The amounts due all other special taxing districts, if any, may be
4.13 aggregated except that any levies made by the regional rail authorities in the county of
4.14 Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A
4.15 shall be listed on a separate line directly under the appropriate county's levy. If the county
4.16 levy under this paragraph includes an amount for a lake improvement district as defined
4.17 under sections 103B.501 to 103B.581, the amount attributable for that purpose must be
4.18 separately stated from the remaining county levy amount. In the case of Ramsey County,
4.19 if the county levy under this paragraph includes an amount for public library service
4.20 under section 134.07, the amount attributable for that purpose may be separated from the
4.21 remaining county levy amount. The amount of the tax on homesteads qualifying under the
4.22 senior citizens' property tax deferral program under chapter 290B is the total amount of
4.23 property tax before subtraction of the deferred property tax amount. The amount of the
4.24 tax on contamination value imposed under sections 270.91 to 270.98, if any, must also
4.25 be separately stated. The dollar amounts, including the dollar amount of any special
4.26 assessments, may be rounded to the nearest even whole dollar. For purposes of this section
4.27 whole odd-numbered dollars may be adjusted to the next higher even-numbered dollar.
4.28 The amount of market value excluded under section 273.11, subdivision 16, if any, must
4.29 also be listed on the tax statement.

4.30 (b) The property tax statements for manufactured homes and sectional structures
4.31 taxed as personal property shall contain the same information that is required on the
4.32 tax statements for real property.

4.33 (c) Real and personal property tax statements must contain the following information
4.34 in the order given in this paragraph. The information must contain the current year tax

5.1 information in the right column with the corresponding information for the previous year
5.2 in a column on the left:

5.3 (1) the property's estimated market value under section 273.11, subdivision 1;

5.4 (2) the property's taxable market value after reductions under section 273.11,
5.5 subdivisions 1a and 16;

5.6 (3) ~~the property's gross tax, calculated by adding the property's total property tax to~~
5.7 ~~the sum of the aids enumerated in clause (4);~~ any items required by the commissioner of
5.8 revenue under section 273.1384, subdivision 1, paragraph (b); and

5.9 (4) ~~a total of the following aids:~~

5.10 (i) ~~education aids payable under chapters 122A, 123A, 123B, 124D, 125A, 126C,~~
5.11 ~~and 127A;~~

5.12 (ii) ~~local government aids for cities, towns, and counties under sections 477A.011 to~~
5.13 ~~477A.04; and~~

5.14 (iii) ~~disparity reduction aid under section 273.1398;~~

5.15 (5) ~~for homestead residential and agricultural properties, the credits under section~~
5.16 ~~273.1384;~~

5.17 (6) ~~any credits received under sections 273.119; 273.123; 273.135; 273.1391;~~
5.18 ~~273.1398, subdivision 4; 469.171; and 473H.10, except that the amount of credit received~~
5.19 ~~under section 273.135 must be separately stated and identified as "taconite tax relief"; and~~

5.20 (7) (4) the net tax payable in the manner required in paragraph (a).

5.21 (d) If the county uses envelopes for mailing property tax statements and if the county
5.22 agrees, a taxing district may include a notice with the property tax statement notifying
5.23 taxpayers when the taxing district will begin its budget deliberations for the current
5.24 year, and encouraging taxpayers to attend the hearings. If the county allows notices to
5.25 be included in the envelope containing the property tax statement, and if more than
5.26 one taxing district relative to a given property decides to include a notice with the tax
5.27 statement, the county treasurer or auditor must coordinate the process and may combine
5.28 the information on a single announcement.

5.29 ~~The commissioner of revenue shall certify to the county auditor the actual or~~
5.30 ~~estimated aids enumerated in paragraph (c), clause (4), that local governments will receive~~
5.31 ~~in the following year. The commissioner must certify this amount by January 1 of each~~
5.32 ~~year.~~

5.33 **EFFECTIVE DATE.** This section is effective for taxes payable in 2008 and
5.34 thereafter.

5.35 Sec. 3. Minnesota Statutes 2006, section 290A.03, subdivision 13, is amended to read:

6.1 Subd. 13. **Property taxes payable.** "Property taxes payable" means the property
6.2 tax exclusive of special assessments, penalties, and interest payable on a claimant's
6.3 homestead after deductions made under sections 273.135, ~~273.1384~~, 273.1391, 273.42,
6.4 subdivision 2, and any other state paid property tax credits in any calendar year, and
6.5 after any refund claimed and allowable under section 290A.04, subdivision 2h, that is
6.6 first payable in the year that the property tax is payable. Beginning for property taxes
6.7 payable in 2008, the amount of the credit under section 273.1384, subdivision 1, must
6.8 not be deducted in computing property taxes payable. In the case of a claimant who
6.9 makes ground lease payments, "property taxes payable" includes the amount of the
6.10 payments directly attributable to the property taxes assessed against the parcel on which
6.11 the house is located. No apportionment or reduction of the "property taxes payable" shall
6.12 be required for the use of a portion of the claimant's homestead for a business purpose if
6.13 the claimant does not deduct any business depreciation expenses for the use of a portion
6.14 of the homestead in the determination of federal adjusted gross income. For homesteads
6.15 which are manufactured homes as defined in section 273.125, subdivision 8, and for
6.16 homesteads which are park trailers taxed as manufactured homes under section 168.012,
6.17 subdivision 9, "property taxes payable" shall also include 19 percent of the gross rent paid
6.18 in the preceding year for the site on which the homestead is located. When a homestead
6.19 is owned by two or more persons as joint tenants or tenants in common, such tenants
6.20 shall determine between them which tenant may claim the property taxes payable on the
6.21 homestead. If they are unable to agree, the matter shall be referred to the commissioner of
6.22 revenue whose decision shall be final. Property taxes are considered payable in the year
6.23 prescribed by law for payment of the taxes.

6.24 In the case of a claim relating to "property taxes payable," the claimant must have
6.25 owned and occupied the homestead on January 2 of the year in which the tax is payable
6.26 and (i) the property must have been classified as homestead property pursuant to section
6.27 273.124, on or before December 15 of the assessment year to which the "property taxes
6.28 payable" relate; or (ii) the claimant must provide documentation from the local assessor
6.29 that application for homestead classification has been made on or before December 15
6.30 of the year in which the "property taxes payable" were payable and that the assessor has
6.31 approved the application.

6.32 **EFFECTIVE DATE.** This section is effective beginning for refund claims based on
6.33 property taxes payable in 2008.

6.34 Sec. 4. Minnesota Statutes 2006, section 290A.04, subdivision 2a, is amended to read:

7.1 Subd. 2a. **Renters.** (a) A claimant whose rent constituting property taxes exceeds
 7.2 the percentage of the household income stated below must pay an amount equal to the
 7.3 percent of income shown for the appropriate household income level along with the
 7.4 percent to be paid by the claimant of the remaining amount of rent constituting property
 7.5 taxes. The state refund equals the amount of rent constituting property taxes that remain,
 7.6 up to the maximum state refund amount shown below.

23.26 excess shall be used to provide property tax levy reduction.

23.27 **EFFECTIVE DATE.** This section is effective for payments in 2008 and thereafter.

23.28 Sec. 10. **UTILITY PROPERTY; TAX BASE ADJUSTMENTS FOR**
23.29 **CALCULATION OF SCHOOL DISTRICT AIDS AND LEVIES.**

23.30 For purposes of calculating school levies and aids for fiscal years 2009, 2010, and
23.31 2011 only, the commissioner of revenue shall compute the adjusted net tax capacity and
23.32 referendum market value as if the tax base changes resulting from the amendments to
23.33 Minnesota Rules, chapter 8100, including the phase-in provisions of Minnesota Rules,
23.34 part 8100.0800, were effective one year earlier.

24.1 **EFFECTIVE DATE.** This section is effective for revenue for fiscal years 2009,
24.2 2010, and 2011.

24.3 Sec. 11. **UTILITY PROPERTY; TAX BASE ADJUSTMENTS FOR**
24.4 **CALCULATION OF COUNTY AND CITY AIDS.**

24.5 For purposes of calculating aid for cities under section 477A.013, and for counties
24.6 under section 477A.0124, for payment in 2008, 2009, and 2010 only, the commissioner
24.7 of revenue shall calculate the adjusted net tax capacity of cities and counties, as defined
24.8 in sections 477A.011 and 477A.0124, as if the tax base changes resulting from the
24.9 amendments to Minnesota Rules, chapter 8100, including the phase-in provisions of
24.10 Minnesota Rules, part 8100.0800, were effective one year earlier.

24.11 **EFFECTIVE DATE.** This section is effective for aids payable in 2008, 2009,
24.12 and 2010.

24.13 Sec. 12. **MAHNOMEN COUNTY; COUNTY PROPERTY TAX**
24.14 **REIMBURSEMENT, CITY AND SCHOOL DISTRICT TAX BASE**
24.15 **ADJUSTMENTS.**

24.16 Subdivision 1. **Aid appropriation.** \$250,000 is appropriated in fiscal year 2009
24.17 from the general fund to the commissioner of revenue to make a payment in calendar year
24.18 2008 to the county of Mahnomen to compensate for the loss of property tax revenue due
24.19 to the pending placement of property, located in the city of Mahnomen, into trust status by
24.20 the United States Department of the Interior, Bureau of Indian Affairs.

24.21 Subd. 2. **School district, county, and city tax base adjustments.** (a) The
24.22 commissioner of revenue must reduce the referendum market value and adjusted net
24.23 tax capacity used to calculate school levies beginning with taxes payable in 2008 and
24.24 subsequent years for Independent School District No. 432, Mahnomen, by the amounts
24.25 attributable to the property that is pending placement into trust status by the United States
24.26 Department of the Interior, Bureau of Indian Affairs. This adjustment shall be made for
24.27 each assessment year that the property remains on the tax rolls.

24.28 (b) The commissioner of revenue must reduce the county and city net tax capacities
24.29 used to calculate aids under sections 477A.011 to 477A.03, beginning with aids payable in
24.30 2008 for the county of Mahnomen and the city of Mahnomen, by the amounts attributable
24.31 to property that is pending placement into trust status by the United States Department of
24.32 the Interior, Bureau of Indian Affairs. This adjustment shall be made for each assessment
24.33 year that the property remains on the tax rolls.

25.1 **EFFECTIVE DATE.** This section is effective for aids and levies payable in 2008
25.2 and thereafter.

25.3 Sec. 13. **STUDY OF CITY LOCAL GOVERNMENT AID PROGRAM.**

25.4 The commissioner of revenue shall work with representatives of all major city
25.5 organizations, representing at least 40 cities on this issue, to study the current local
25.6 government aid formula for cities, along with alternatives proposed by the various
25.7 interest groups, and provide a written report with recommendations to the legislature, in
25.8 compliance with Minnesota Statutes, sections 3.195 and 3.197, by February 1, 2008.
25.9 The study must list the alternatives considered and any recommended changes for
25.10 which consensus has been reached. If there is no consensus on proposed changes, the
25.11 commissioner shall report this. The commissioner shall allocate minimal staff time to the
25.12 study, but must provide staff to organize and chair any meetings of the study group and
25.13 provide modeling assistance for the final proposed changes.

25.14 **EFFECTIVE DATE.** This section is effective the day following final enactment.

25.15 **ARTICLE 3**

25.16 **PROPERTY TAXES**

25.17 Section 1. Minnesota Statutes 2006, section 97A.061, subdivision 2, is amended to
25.18 read:

25.19 Subd. 2. **Allocation.** (a) Except as provided in subdivision 3, the county treasurer
25.20 shall allocate the payment among the county, towns, and school districts on the same basis
25.21 as if the payments were taxes on the land received in the year. Payment of a town's or a
25.22 school district's allocation must be made by the county treasurer to the town or school
25.23 district within 30 days of receipt of the payment to the county. The county's share of the
25.24 payment shall be deposited in the county general revenue fund.

25.25 (b) The county treasurer of a county with a population over 39,000 but less than
25.26 42,000 in the 1950 federal census shall allocate the payment only among the towns and
25.27 school districts on the same basis as if the payments were taxes on the lands received
25.28 in the current year.

25.29 (c) If a town received a payment in calendar year 2006 or thereafter under this
25.30 subdivision, and subsequently incorporated as a city, the city will continue to receive any
25.31 future year's allocations that would have been made to the town had it not incorporated,
25.32 provided the city does not pass ordinances prohibiting hunting.

26.1 **EFFECTIVE DATE.** This section is effective for aid payments made in 2007
26.2 and thereafter.

26.3 Sec. 2. Minnesota Statutes 2006, section 127A.48, subdivision 3, is amended to read:

26.4 Subd. 3. **Agricultural lands.** For purposes of determining the adjusted net tax
26.5 capacity of agricultural lands for the calculation of adjusted net tax capacities, the market
26.6 value of agricultural lands must be the price for which the property would sell in an
26.7 arm's-length transaction. When agricultural land that is enrolled under section 273.111
26.8 is sold, and the purchaser changes its use in a manner that would result in a change of
26.9 classification of the property, the assessment/sales ratio study under this subdivision must
26.10 take into account that changed classification as soon as practicable. A change in status
26.11 from homestead to nonhomestead or from nonhomestead to homestead is not a change in
26.12 classification under this subdivision.

26.13 **EFFECTIVE DATE.** This section is effective for the first study prepared following
26.14 the day following final enactment.

26.15 Sec. 3. Minnesota Statutes 2006, section 272.02, is amended by adding a subdivision
26.16 to read:

26.17 Subd. 85. **Modular homes used as models by dealers.** (a) A modular home
26.18 is exempt if it:

26.19 (1) is owned by a modular home dealer and is located on land owned or leased
26.20 by that dealer;

26.21 (2) is a single-family model home;

26.22 (3) is not available for sale and is used exclusively as a model;

26.23 (4) is not permanently connected to any utilities except electricity; and

26.24 (5) is situated on a temporary foundation.

26.25 (b) The exemption under this subdivision is allowable for up to five assessment
26.26 years after the date it becomes located on the property, provided that the modular home
26.27 continues to meet all of the criteria under this subdivision each year. The owner of a
26.28 modular model home must notify the county assessor within 60 days that it has been
26.29 constructed or located on the property and must again notify the assessor if the modular
26.30 home ceases to meet any of the criteria. If more than one modular home is constructed or
26.31 situated on a property, the owner must notify the assessor within 60 days for each of the
26.32 models placed on the property.

26.33 (c) For purposes of this subdivision, a "modular home" means a building or
26.34 structural unit that has been in whole or substantial part manufactured or constructed at an

27.1 off-site location to be wholly or partially assembled on-site as a single family dwelling.
27.2 Construction of the modular home must comply with applicable standards adopted in
27.3 Minnesota Rules authorized under Minnesota Statutes, chapter 16B. A modular home does
27.4 not include a structure subject to the requirements of the National Manufactured Home
27.5 Construction and Safety Standards Act of 1974 or prefabricated buildings, as defined in
27.6 Minnesota Statutes, section 327.31, subdivision 6.

27.7 **EFFECTIVE DATE.** This section is effective for assessment year 2007 and
27.8 thereafter, for taxes payable in 2008 and thereafter. The five-year assessment time period
27.9 begins with the 2007 assessment for a modular model home currently situated provided
27.10 it meets all of the criteria and the county assessor is notified within 90 days of the day
27.11 following final enactment.

27.12 Sec. 4. Minnesota Statutes 2006, section 272.02, is amended by adding a subdivision
27.13 to read:

27.14 **Subd. 86. Electric generation facility; personal property.** (a) Notwithstanding
27.15 subdivision 9, clause (a), attached machinery and other personal property which is part of
27.16 a simple-cycle combustion-turbine electric generation facility that exceeds 150 megawatts
27.17 of installed capacity and that meets the requirements of this subdivision is exempt. At
27.18 the time of construction, the facility must:

27.19 (1) utilize natural gas as a primary fuel;

27.20 (2) be owned by an electric generation and transmission cooperative;

27.21 (3) be located within one mile of an existing 16-inch natural gas pipeline and a
27.22 69-kilovolt and a 230-kilovolt high-voltage electric transmission line;

27.23 (4) be designed to provide peaking, emergency backup, or contingency services;

27.24 (5) have received a certificate of need under section 216B.243 demonstrating
27.25 demand for its capacity; and

27.26 (6) have received by resolution the approval from the governing bodies of the county
27.27 and the city in which the proposed facility is to be located for the exemption of personal
27.28 property under this subdivision.

27.29 (b) Construction of the facility must be commenced after January 1, 2008, and
27.30 before January 1, 2012. Property eligible for this exemption does not include electric
27.31 transmission lines and interconnections or gas pipelines and interconnections appurtenant
27.32 to the property or the facility.

27.33 **EFFECTIVE DATE.** This section is effective the day following final enactment.

28.1 Sec. 5. Minnesota Statutes 2006, section 272.02, is amended by adding a subdivision
28.2 to read:

28.3 Subd. 87. **Apprenticeship training facilities.** Property used exclusively for a
28.4 state-approved apprenticeship program through the Department of Labor and Industry and
28.5 owned by a 501(c)(3) nonprofit corporation is exempt, provided the program participants
28.6 receive no compensation.

28.7 **EFFECTIVE DATE.** This section is effective for assessment year 2007 and
28.8 thereafter, for taxes payable in 2008 and thereafter.

28.9 Sec. 6. Minnesota Statutes 2006, section 272.115, subdivision 1, is amended to read:

28.10 Subdivision 1. **Requirement.** Except as otherwise provided in subdivision 5,
28.11 whenever any real estate is sold for a consideration in excess of \$1,000, whether by
28.12 warranty deed, quitclaim deed, contract for deed or any other method of sale, the grantor,
28.13 grantee or the legal agent of either shall file a certificate of value with the county auditor
28.14 in the county in which the property is located when the deed or other document is
28.15 presented for recording. Contract for deeds are subject to recording under section 507.235,
28.16 subdivision 1. Value shall, in the case of any deed not a gift, be the amount of the full
28.17 actual consideration thereof, paid or to be paid, including the amount of any lien or liens
28.18 assumed. The items and value of personal property transferred with the real property
28.19 must be listed and deducted from the sale price. The certificate of value shall include the
28.20 classification to which the property belongs for the purpose of determining the fair market
28.21 value of the property, and shall include any proposed change in use of the property known
28.22 to the person filing the certificate that could change the classification of the property. The
28.23 certificate shall include financing terms and conditions of the sale which are necessary
28.24 to determine the actual, present value of the sale price for purposes of the sales ratio
28.25 study. The commissioner of revenue shall promulgate administrative rules specifying the
28.26 financing terms and conditions which must be included on the certificate. Pursuant to the
28.27 authority of the commissioner of revenue in section 270C.306, the certificate of value
28.28 must include the Social Security number or the federal employer identification number
28.29 of the grantors and grantees. The identification numbers of the grantors and grantees are
28.30 private data on individuals or nonpublic data as defined in section 13.02, subdivisions 9
28.31 and 12, but, notwithstanding that section, the private or nonpublic data may be disclosed to
28.32 the commissioner of revenue for purposes of tax administration. The information required
28.33 to be shown on the certificate of value is limited to the information required as of the date
28.34 of the acknowledgment on the deed or other document to be recorded.

29.1 **EFFECTIVE DATE.** This section is effective for the first assessment/sales ratio
 29.2 study prepared following the day following final enactment.

29.3 Sec. 7. Minnesota Statutes 2006, section 273.11, subdivision 1a, is amended to read:

29.4 Subd. 1a. **Limited market value.** In the case of all property classified as
 29.5 agricultural homestead or nonhomestead, residential homestead or nonhomestead, timber,
 29.6 or noncommercial seasonal residential recreational, the assessor shall compare the value
 29.7 with the taxable portion of the value determined in the preceding assessment.

29.8 For assessment years 2004, ~~2005, and 2006~~ through 2008, the amount of the increase
 29.9 shall not exceed the greater of (1) 15 percent of the value in the preceding assessment,
 29.10 or (2) 25 percent of the difference between the current assessment and the preceding
 29.11 assessment.

29.12 For assessment year ~~2007~~ 2009, the amount of the increase shall not exceed the
 29.13 greater of (1) 15 percent of the value in the preceding assessment, or (2) 33 percent of the
 29.14 difference between the current assessment and the preceding assessment.

29.15 For assessment year ~~2008~~ 2010, the amount of the increase shall not exceed the
 29.16 greater of (1) 15 percent of the value in the preceding assessment, or (2) 50 percent of the
 29.17 difference between the current assessment and the preceding assessment.

29.18 This limitation shall not apply to increases in value due to improvements. For
 29.19 purposes of this subdivision, the term "assessment" means the value prior to any exclusion
 29.20 under subdivision 16.

29.21 The provisions of this subdivision shall be in effect through assessment year ~~2008~~
 29.22 2010 as provided in this subdivision.

29.23 For purposes of the assessment/sales ratio study conducted under section 127A.48,
 29.24 and the computation of state aids paid under chapters 122A, 123A, 123B, 124D, 125A,
 29.25 126C, 127A, and 477A, market values and net tax capacities determined under this
 29.26 subdivision and subdivision 16, shall be used.

29.27 **EFFECTIVE DATE.** This section is effective for assessment year 2007 and
 29.28 thereafter, for taxes payable in 2008 and thereafter.

29.29 Sec. 8. Minnesota Statutes 2006, section 273.11, is amended by adding a subdivision to
 29.30 read:

29.31 **Subd. 16a. Valuation exclusion for certain improvements.** (a) Improvements to
 29.32 homestead property made after January 2, 2008, shall be excluded from the value of the
 29.33 property for assessment purposes provided that (1) the house is at least 50 years old at the

30.1 time of the improvement and (2) the assessor's estimated market value of the property on
30.2 January 2 of the current year does not exceed \$400,000.

30.3 (b) The age of a residence is the number of years since the original year of its
30.4 construction. In the case of an owner-occupied duplex or triplex, the improvement is
30.5 eligible regardless of which portion of the property was improved.

30.6 (c) If the property lies in a jurisdiction that is subject to a building permit process, a
30.7 building permit must have been issued prior to commencement of the improvement.
30.8 The improvements for a single project or in any one year must add at least \$15,000
30.9 market value to the property to be eligible for exclusion under this subdivision. Only
30.10 improvements to the structure which is the residence of the qualifying homesteader, or
30.11 construction of or improvements to no more than one two-car garage per residence,
30.12 qualify for the provisions of this subdivision. Whenever a building permit is issued for
30.13 property currently classified as homestead, the issuing jurisdiction shall notify the property
30.14 owner of the possibility of valuation exclusion under this subdivision. The assessor shall
30.15 require an application, including documentation of the age of the house from the owner,
30.16 if unknown by the assessor. The application may be filed subsequent to the date of the
30.17 building permit provided that the application must be filed within two years of the date the
30.18 building permit was issued for the improvement. If the property lies in a jurisdiction that
30.19 is not subject to a building permit process, the application must be filed within two years
30.20 of the date the improvement was made. The assessor may require proof from the taxpayer
30.21 of the date the improvement was made. Applications must be received prior to July 1 of
30.22 any year in order to be effective for taxes payable in the following year.

30.23 (d) In the case of a residence that is relocated, the relocation must be from a location
30.24 within the state and the only improvements eligible for exclusion under this subdivision
30.25 are (1) those for which building permits were issued to the homeowner after the residence
30.26 was relocated to its present site, and (2) those undertaken during or after the year the
30.27 residence is initially occupied by the homeowner, excluding any market value increase
30.28 relating to basic improvements that are necessary to install the residence on its foundation
30.29 and connect it to utilities at its present site.

30.30 (e) No exclusion for an improvement may be granted by a local board of review or
30.31 county board of equalization, and no abatement of the taxes for qualifying improvements
30.32 may be granted by the county board unless (1) a building permit was issued prior to the
30.33 commencement of the improvement if the jurisdiction requires a building permit, and
30.34 (2) an application was completed.

30.35 (f) The assessor shall note the qualifying value of each improvement on the
30.36 property's record, and the sum of those amounts must be subtracted from the value of the

31.1 property in each year for ten years after the improvement has been made. After ten years,
31.2 the amount of the qualifying value shall be added back as follows:

31.3 (1) 50 percent in the two subsequent assessment years if the qualifying value is equal
31.4 to or less than \$20,000 market value; or

31.5 (2) 33-1/3 percent in the three subsequent assessment years if the qualifying value is
31.6 greater than \$20,000 market value.

31.7 (g) If an application is filed after the first assessment date at which an improvement
31.8 could have been subject to the valuation exclusion under this subdivision, the ten-year
31.9 period during which the value is subject to exclusion is reduced by the number of years
31.10 that have elapsed since the property would have qualified initially. The valuation
31.11 exclusion terminates whenever (1) the property is sold, or (2) the property is reclassified to
31.12 a class that does not qualify for treatment under this subdivision. Improvements made by
31.13 an occupant who is the purchaser of the property under a conditional purchase contract
31.14 do not qualify under this subdivision unless the seller of the property is a governmental
31.15 entity. The qualifying value of the property must be computed based upon the increase
31.16 from that structure's market value as of January 2 preceding the acquisition of the property
31.17 by the governmental entity.

31.18 (h) The total qualifying value for a homestead may not exceed \$75,000. The term
31.19 "qualifying value" means the increase in estimated market value resulting from the
31.20 improvement. The maximum qualifying value under this subdivision may result from no
31.21 more than two separate improvements to the homestead.

31.22 (i) If 50 percent or more of the square footage of a structure is voluntarily razed
31.23 or removed, the valuation increase attributable to any subsequent improvements to the
31.24 remaining structure does not qualify for the exclusion under this subdivision. If a structure
31.25 is unintentionally or accidentally destroyed by a natural disaster, the property is eligible
31.26 for an exclusion under this subdivision provided that the structure was not completely
31.27 destroyed. The qualifying value on property destroyed by a natural disaster must be
31.28 computed based upon the increase from that structure's market value as determined on
31.29 January 2 of the year in which the disaster occurred. A property receiving benefits under
31.30 the homestead disaster provisions under section 273.123 is not disqualified from receiving
31.31 an exclusion under this subdivision. If any combination of improvements made to a
31.32 structure after January 2, 2008, increase the size of the structure by 100 percent or more,
31.33 the valuation increase attributable to the portion of the improvement that causes the
31.34 structure's size to exceed 100 percent does not qualify for exclusion under this subdivision.

31.35 **EFFECTIVE DATE.** This section is effective for improvements made after January
31.36 2, 2008.

32.1 Sec. 9. Minnesota Statutes 2006, section 273.111, is amended by adding a subdivision
32.2 to read:

32.3 Subd. 16. **Applications; denied by county.** For applications filed for the 2007 and
32.4 2008 assessment years, all applications for deferment of taxes and assessment under this
32.5 section that have been denied by the county shall be forwarded to the commissioner of
32.6 revenue by the county assessor within 30 days of denial. The assessor shall also provide
32.7 the commissioner with a list of any property owners that requested an application and
32.8 were denied, including names and addresses, and the reason for the denial. For the
32.9 purpose of monitoring compliance with this section, the commissioner shall compile a
32.10 report identifying all denied applications and requests for applications that were denied,
32.11 the reason for the denial, and any commissioner action or recommendation. A report must
32.12 be submitted to the chairs of the house and senate tax committees on or before February
32.13 1, 2008, and February 1, 2009, in compliance with Minnesota Statutes, sections 3.195
32.14 and 3.197.

32.15 **EFFECTIVE DATE.** This section is effective the day following final enactment.

32.16 Sec. 10. Minnesota Statutes 2006, section 273.123, subdivision 7, is amended to read:

32.17 Subd. 7. **Local option; other property.** The owner of homestead property
32.18 not qualifying for an adjustment in valuation pursuant to subdivisions 1 to 5 or of
32.19 nonhomestead property may receive a reduction in the amount of taxes payable on the
32.20 property for the year in which the destruction occurs and in the following year if:

32.21 (a) 50 percent or more of the homestead dwelling or other structure, as established
32.22 by the county assessor, is:

32.23 (1) unintentionally or accidentally destroyed, or

32.24 (2) destroyed by arson or vandalism, by someone other than the owner,

32.25 and the homestead is uninhabitable or the other structure is not usable;

32.26 (b) the owner of the property makes written application to the county assessor as
32.27 soon as practical after the damage has occurred; and

32.28 (c) the owner of the property makes written application to the county board.

32.29 The county board may grant a reduction in the amount of property tax which the
32.30 owner must pay on the qualifying property in the year of destruction and in the following
32.31 year. Any reduction in the amount of tax payable which is authorized by county board
32.32 action shall be calculated based upon the number of months that the home is uninhabitable
32.33 or the other structure is unusable. The amount of net tax due from the taxpayer shall be
32.34 multiplied by a fraction, the numerator of which is the number of months the dwelling

33.1 was occupied by that taxpayer, or the number of months the other structure was used by
33.2 the taxpayer, and the denominator of which is 12. For purposes of this subdivision, if a
33.3 structure is occupied or used for a fraction of a month, it is considered a month. "Net tax"
33.4 is defined as the amount of tax after the subtraction of all of the state paid property tax
33.5 credits. If application is made following payment of all property taxes due for the year of
33.6 destruction, the amount of the reduction granted by the county board shall be refunded to
33.7 the taxpayer by the county treasurer as soon as practical.

33.8 Any reductions or refunds approved by the county board shall not be subject to
33.9 approval by the commissioner of revenue.

33.10 The county board may levy in the following year the amount of tax dollars lost to the
33.11 county government as a result of the reductions granted pursuant to this subdivision.

33.12 **EFFECTIVE DATE.** This section is effective for destruction that occurs in calendar
33.13 year 2006 and thereafter.

33.14 Sec. 11. Minnesota Statutes 2006, section 273.124, subdivision 1, is amended to read:

33.15 Subdivision 1. **General rule.** (a) Residential real estate that is occupied and used
33.16 for the purposes of a homestead by its owner, who must be a Minnesota resident, is
33.17 a residential homestead.

33.18 Agricultural land, as defined in section 273.13, subdivision 23, that is occupied and
33.19 used as a homestead by its owner, who must be a Minnesota resident, is an agricultural
33.20 homestead.

33.21 Dates for establishment of a homestead and homestead treatment provided to
33.22 particular types of property are as provided in this section.

33.23 Property held by a trustee under a trust is eligible for homestead classification if the
33.24 requirements under this chapter are satisfied.

33.25 The assessor shall require proof, as provided in subdivision 13, of the facts upon
33.26 which classification as a homestead may be determined. Notwithstanding any other law,
33.27 the assessor may at any time require a homestead application to be filed in order to verify
33.28 that any property classified as a homestead continues to be eligible for homestead status.
33.29 Notwithstanding any other law to the contrary, the Department of Revenue may, upon
33.30 request from an assessor, verify whether an individual who is requesting or receiving
33.31 homestead classification has filed a Minnesota income tax return as a resident for the most
33.32 recent taxable year for which the information is available.

33.33 When there is a name change or a transfer of homestead property, the assessor may
33.34 reclassify the property in the next assessment unless a homestead application is filed to
33.35 verify that the property continues to qualify for homestead classification.

34.1 (b) For purposes of this section, homestead property shall include property which
34.2 is used for purposes of the homestead but is separated from the homestead by a road,
34.3 street, lot, waterway, or other similar intervening property. The term "used for purposes
34.4 of the homestead" shall include but not be limited to uses for gardens, garages, or other
34.5 outbuildings commonly associated with a homestead, but shall not include vacant land
34.6 held primarily for future development. In order to receive homestead treatment for
34.7 the noncontiguous property, the owner must use the property for the purposes of the
34.8 homestead, and must apply to the assessor, both by the deadlines given in subdivision
34.9 9. After initial qualification for the homestead treatment, additional applications for
34.10 subsequent years are not required.

34.11 (c) Residential real estate that is occupied and used for purposes of a homestead by a
34.12 relative of the owner is a homestead but only to the extent of the homestead treatment
34.13 that would be provided if the related owner occupied the property. For purposes of this
34.14 paragraph and paragraph (g), "relative" means a parent, stepparent, child, stepchild,
34.15 grandparent, grandchild, brother, sister, uncle, aunt, nephew, or niece. This relationship
34.16 may be by blood or marriage. Property that has been classified as seasonal residential
34.17 recreational property at any time during which it has been owned by the current owner or
34.18 spouse of the current owner will not be reclassified as a homestead unless it is occupied as
34.19 a homestead by the owner; this prohibition also applies to property that, in the absence of
34.20 this paragraph, would have been classified as seasonal residential recreational property at
34.21 the time when the residence was constructed. Neither the related occupant nor the owner of
34.22 the property may claim a property tax refund under chapter 290A for a homestead occupied
34.23 by a relative. In the case of a residence located on agricultural land, only the house,
34.24 garage, and immediately surrounding one acre of land shall be classified as a homestead
34.25 under this paragraph, except as provided in paragraph (d). In the case of nonagricultural
34.26 property, this paragraph only applies to applications approved before July 1, 2007.

34.27 (d) Agricultural property that is occupied and used for purposes of a homestead by
34.28 a relative of the owner, is a homestead, only to the extent of the homestead treatment
34.29 that would be provided if the related owner occupied the property, and only if all of the
34.30 following criteria are met:

34.31 (1) the relative who is occupying the agricultural property is a son, daughter,
34.32 grandson, granddaughter, father, or mother of the owner of the agricultural property or a
34.33 son, daughter, grandson, or granddaughter of the spouse of the owner of the agricultural
34.34 property;

34.35 (2) the owner of the agricultural property must be a Minnesota resident;

35.1 (3) the owner of the agricultural property must not receive homestead treatment on
35.2 any other agricultural property in Minnesota; and

35.3 (4) the owner of the agricultural property is limited to only one agricultural
35.4 homestead per family under this paragraph.

35.5 Neither the related occupant nor the owner of the property may claim a property
35.6 tax refund under chapter 290A for a homestead occupied by a relative qualifying under
35.7 this paragraph. For purposes of this paragraph, "agricultural property" means the house,
35.8 garage, other farm buildings and structures, and agricultural land.

35.9 Application must be made to the assessor by the owner of the agricultural property to
35.10 receive homestead benefits under this paragraph. The assessor may require the necessary
35.11 proof that the requirements under this paragraph have been met.

35.12 (e) In the case of property owned by a property owner who is married, the assessor
35.13 must not deny homestead treatment in whole or in part if only one of the spouses occupies
35.14 the property and the other spouse is absent due to: (1) marriage dissolution proceedings,
35.15 (2) legal separation, (3) employment or self-employment in another location, or (4) other
35.16 personal circumstances causing the spouses to live separately, not including an intent to
35.17 obtain two homestead classifications for property tax purposes. To qualify under clause
35.18 (3), the spouse's place of employment or self-employment must be at least 50 miles distant
35.19 from the other spouse's place of employment, and the homesteads must be at least 50 miles
35.20 distant from each other. Homestead treatment, in whole or in part, shall not be denied to
35.21 the owner's spouse who previously occupied the residence with the owner if the absence
35.22 of the owner is due to one of the exceptions provided in this paragraph.

35.23 (f) The assessor must not deny homestead treatment in whole or in part if:

35.24 (1) in the case of a property owner who is not married, the owner is absent due to
35.25 residence in a nursing home, boarding care facility, or an elderly assisted living facility
35.26 property as defined in section 273.13, subdivision 25a, and the property is not otherwise
35.27 occupied; or

35.28 (2) in the case of a property owner who is married, the owner or the owner's spouse
35.29 or both are absent due to residence in a nursing home, boarding care facility, or an elderly
35.30 assisted living facility property as defined in section 273.13, subdivision 25a, and the
35.31 property is not occupied or is occupied only by the owner's spouse.

35.32 (g) If an individual is purchasing property with the intent of claiming it as a
35.33 homestead and is required by the terms of the financing agreement to have a relative
35.34 shown on the deed as a co-owner, the assessor shall allow a full homestead classification.
35.35 This provision only applies to first-time purchasers, whether married or single, or to a
35.36 person who had previously been married and is purchasing as a single individual for the

36.1 first time. The application for homestead benefits must be on a form prescribed by the
36.2 commissioner and must contain the data necessary for the assessor to determine if full
36.3 homestead benefits are warranted.

36.4 (h) If residential or agricultural real estate is occupied and used for purposes of a
36.5 homestead by a child of a deceased owner and the property is subject to jurisdiction of
36.6 probate court, the child shall receive relative homestead classification under paragraph (c)
36.7 or (d) to the same extent they would be entitled to it if the owner was still living, until
36.8 the probate is completed. For purposes of this paragraph, "child" includes a relationship
36.9 by blood or by marriage.

36.10 (i) If a single-family home, duplex, or triplex classified as either residential
36.11 homestead or agricultural homestead is also used to provide licensed child care, the
36.12 portion of the property used for licensed child care must be classified as a part of the
36.13 homestead property.

36.14 **EFFECTIVE DATE.** This section is effective the day following final enactment.

36.15 Sec. 12. Minnesota Statutes 2006, section 273.124, subdivision 14, is amended to read:

36.16 Subd. 14. **Agricultural homesteads; special provisions.** (a) Real estate of less than
36.17 ten acres that is the homestead of its owner must be classified as class 2a under section
36.18 273.13, subdivision 23, paragraph (a), if:

36.19 (1) the parcel on which the house is located is contiguous on at least two sides to (i)
36.20 agricultural land, (ii) land owned or administered by the United States Fish and Wildlife
36.21 Service, or (iii) land administered by the Department of Natural Resources on which in
36.22 lieu taxes are paid under sections 477A.11 to 477A.14;

36.23 (2) its owner also owns a noncontiguous parcel of agricultural land that is at least
36.24 20 acres;

36.25 (3) the noncontiguous land is located not farther than four townships or cities, or a
36.26 combination of townships or cities from the homestead; and

36.27 (4) the agricultural use value of the noncontiguous land and farm buildings is equal
36.28 to at least 50 percent of the market value of the house, garage, and one acre of land.

36.29 Homesteads initially classified as class 2a under the provisions of this paragraph shall
36.30 remain classified as class 2a, irrespective of subsequent changes in the use of adjoining
36.31 properties, as long as the homestead remains under the same ownership, the owner owns a
36.32 noncontiguous parcel of agricultural land that is at least 20 acres, and the agricultural use
36.33 value qualifies under clause (4). Homestead classification under this paragraph is limited
36.34 to property that qualified under this paragraph for the 1998 assessment.

37.1 (b)(i) Agricultural property ~~consisting of at least 40 acres~~ shall be classified as the
37.2 owner's homestead, to the same extent as other agricultural homestead property, if all
37.3 of the following criteria are met:

37.4 (1) the property consists of at least 40 acres including undivided government lots
37.5 and correctional 40's, or at least 20 acres if used exclusively and intensively for raising
37.6 or cultivating agricultural products as defined under section 273.13, subdivision 23,
37.7 paragraph (e);

37.8 ~~(1)~~ (2) the owner, the owner's spouse, the son or daughter of the owner or owner's
37.9 spouse, or the grandson or granddaughter of the owner or the owner's spouse, is actively
37.10 farming the agricultural property, either on the person's own behalf as an individual or
37.11 on behalf of a partnership operating a family farm, family farm corporation, joint family
37.12 farm venture, or limited liability company of which the person is a partner, shareholder, or
37.13 member;

37.14 ~~(2)~~ (3) both the owner of the agricultural property and the person who is actively
37.15 farming the agricultural property under clause ~~(1)~~ (2), are Minnesota residents;

37.16 ~~(3)~~ (4) neither the owner nor the spouse of the owner claims another agricultural
37.17 homestead in Minnesota; and

37.18 ~~(4)~~ (5) the owner ~~nor~~ and the person actively farming the property ~~lives~~
37.19 ~~farther than four townships or cities, or a combination of four townships or cities, from~~
37.20 ~~the agricultural property~~ must live either in the county where the agricultural property is
37.21 located or in a county contiguous to the county where the agricultural property is located,
37.22 except that if the owner or the owner's spouse is required to live in employer-provided
37.23 housing, the owner or owner's spouse, whichever is actively farming the agricultural
37.24 property, may live ~~more than four townships or cities, or combination of four townships~~
37.25 ~~or cities~~ further from the agricultural property than in the county or county contiguous
37.26 to the property.

37.27 The relationship under this paragraph may be either by blood or marriage.

37.28 (ii) Real property held by a trustee under a trust is eligible for agricultural homestead
37.29 classification under this paragraph if the qualifications in clause (i) are met, except that
37.30 "owner" means the grantor of the trust.

37.31 (iii) Property containing the residence of an owner who owns qualified property
37.32 under clause (i) shall be classified as part of the owner's agricultural homestead, if that
37.33 property is also used for noncommercial storage or drying of agricultural crops.

37.34 (c) Noncontiguous land shall be included as part of a homestead under section
37.35 273.13, subdivision 23, paragraph (a), only if the homestead is classified as class 2a
37.36 and the detached land is located in the same ~~township or city, or not farther than four~~

38.1 ~~townships or cities or combination thereof from~~ county or in a county contiguous to the
38.2 homestead. Any taxpayer of these noncontiguous lands must notify the county assessor
38.3 that the noncontiguous land is part of the taxpayer's homestead, and, if the homestead is
38.4 located in another county, the taxpayer must also notify the assessor of the other county.

38.5 (d) Agricultural land used for purposes of a homestead and actively farmed by a
38.6 person holding a vested remainder interest in it must be classified as a homestead under
38.7 section 273.13, subdivision 23, paragraph (a). If agricultural land is classified class 2a,
38.8 any other dwellings on the land used for purposes of a homestead by persons holding
38.9 vested remainder interests who are actively engaged in farming the property, and up to
38.10 one acre of the land surrounding each homestead and reasonably necessary for the use of
38.11 the dwelling as a home, must also be assessed class 2a.

38.12 (e) Agricultural land and buildings that were class 2a homestead property under
38.13 section 273.13, subdivision 23, paragraph (a), for the 1997 assessment shall remain
38.14 classified as agricultural homesteads for subsequent assessments if:

38.15 (1) the property owner abandoned the homestead dwelling located on the agricultural
38.16 homestead as a result of the April 1997 floods;

38.17 (2) the property is located in the county of Polk, Clay, Kittson, Marshall, Norman,
38.18 or Wilkin;

38.19 (3) the agricultural land and buildings remain under the same ownership for the
38.20 current assessment year as existed for the 1997 assessment year and continue to be used
38.21 for agricultural purposes;

38.22 (4) the dwelling occupied by the owner is located in Minnesota and is within 30
38.23 miles of one of the parcels of agricultural land that is owned by the taxpayer; and

38.24 (5) the owner notifies the county assessor that the relocation was due to the 1997
38.25 floods, and the owner furnishes the assessor any information deemed necessary by the
38.26 assessor in verifying the change in dwelling. Further notifications to the assessor are not
38.27 required if the property continues to meet all the requirements in this paragraph and any
38.28 dwellings on the agricultural land remain uninhabited.

38.29 (f) Agricultural land and buildings that were class 2a homestead property under
38.30 section 273.13, subdivision 23, paragraph (a), for the 1998 assessment shall remain
38.31 classified agricultural homesteads for subsequent assessments if:

38.32 (1) the property owner abandoned the homestead dwelling located on the agricultural
38.33 homestead as a result of damage caused by a March 29, 1998, tornado;

38.34 (2) the property is located in the county of Blue Earth, Brown, Cottonwood,
38.35 LeSueur, Nicollet, Nobles, or Rice;

39.1 (3) the agricultural land and buildings remain under the same ownership for the
39.2 current assessment year as existed for the 1998 assessment year;

39.3 (4) the dwelling occupied by the owner is located in this state and is within 50 miles
39.4 of one of the parcels of agricultural land that is owned by the taxpayer; and

39.5 (5) the owner notifies the county assessor that the relocation was due to a March 29,
39.6 1998, tornado, and the owner furnishes the assessor any information deemed necessary by
39.7 the assessor in verifying the change in homestead dwelling. For taxes payable in 1999, the
39.8 owner must notify the assessor by December 1, 1998. Further notifications to the assessor
39.9 are not required if the property continues to meet all the requirements in this paragraph
39.10 and any dwellings on the agricultural land remain uninhabited.

39.11 (g) Agricultural property ~~consisting of at least 40 acres~~ of a family farm corporation,
39.12 joint family farm venture, family farm limited liability company, or partnership operating
39.13 a family farm as described under subdivision 8 shall be classified homestead, to the same
39.14 extent as other agricultural homestead property, if all of the following criteria are met:

39.15 (1) the property consists of at least 40 acres including undivided government lots
39.16 and correctional 40's, or at least 20 acres if used exclusively and intensively for raising
39.17 or cultivating agricultural products as defined under section 273.13, subdivision 23,
39.18 paragraph (e);

39.19 ~~(1)~~ (2) a shareholder, member, or partner of that entity is actively farming the
39.20 agricultural property;

39.21 ~~(2)~~ (3) that shareholder, member, or partner who is actively farming the agricultural
39.22 property is a Minnesota resident;

39.23 ~~(3)~~ (4) neither that shareholder, member, or partner, nor the spouse of that
39.24 shareholder, member, or partner claims another agricultural homestead in Minnesota; and

39.25 ~~(4)~~ (5) that shareholder, member, or partner ~~does not live farther than four townships~~
39.26 ~~or cities, or a combination of four townships or cities, from the agricultural property~~
39.27 lives in the county where the agricultural property is located or in a county contiguous to
39.28 the county where the property is located.

39.29 Homestead treatment applies under this paragraph for property leased to a family
39.30 farm corporation, joint farm venture, limited liability company, or partnership operating a
39.31 family farm if legal title to the property is in the name of an individual who is a member,
39.32 shareholder, or partner in the entity.

39.33 (h) To be eligible for the special agricultural homestead under this subdivision, an
39.34 initial full application must be submitted to the county assessor where the property is
39.35 located. Owners and the persons who are actively farming the property shall be required

40.1 to complete only a one-page abbreviated version of the application in each subsequent
40.2 year provided that none of the following items have changed since the initial application:

40.3 (1) the day-to-day operation, administration, and financial risks remain the same;

40.4 (2) the owners and the persons actively farming the property continue to live within
40.5 ~~the four townships or city criteria~~ the county or a contiguous county and are Minnesota
40.6 residents;

40.7 (3) the same operator of the agricultural property is listed with the Farm Service
40.8 Agency;

40.9 (4) a Schedule F or equivalent income tax form was filed for the most recent year;

40.10 (5) the property's acreage is unchanged; and

40.11 (6) none of the property's acres have been enrolled in a federal or state farm program
40.12 since the initial application.

40.13 The owners and any persons who are actively farming the property must include
40.14 the appropriate Social Security numbers, and sign and date the application. If any of the
40.15 specified information has changed since the full application was filed, the owner must
40.16 notify the assessor, and must complete a new application to determine if the property
40.17 continues to qualify for the special agricultural homestead. The commissioner of revenue
40.18 shall prepare a standard reapplication form for use by the assessors.

40.19 **EFFECTIVE DATE.** The portion of this section relating to the 40 acres requirement
40.20 is effective for assessment year 2007, taxes payable in 2008 and thereafter. The remaining
40.21 portion relating to contiguous counties is effective for assessment year 2008 and thereafter,
40.22 taxes payable in 2009 and thereafter.

40.23 Sec. 13. Minnesota Statutes 2006, section 273.125, subdivision 8, is amended to read:

40.24 Subd. 8. **Manufactured homes; sectional structures.** (a) In this section,
40.25 "manufactured home" means a structure transportable in one or more sections, which is
40.26 built on a permanent chassis, and designed to be used as a dwelling with or without a
40.27 permanent foundation when connected to the required utilities, and contains the plumbing,
40.28 heating, air conditioning, and electrical systems in it. Manufactured home includes any
40.29 accessory structure that is an addition or supplement to the manufactured home and, when
40.30 installed, becomes a part of the manufactured home.

40.31 (b) Except as provided in paragraph (c), a manufactured home that meets each of the
40.32 following criteria must be valued and assessed as an improvement to real property, the
40.33 appropriate real property classification applies, and the valuation is subject to review and
40.34 the taxes payable in the manner provided for real property:

40.35 (1) the owner of the unit holds title to the land on which it is situated;

41.1 (2) the unit is affixed to the land by a permanent foundation or is installed at its
41.2 location in accordance with the Manufactured Home Building Code in sections 327.31
41.3 to 327.34, and rules adopted under those sections, or is affixed to the land like other real
41.4 property in the taxing district; and

41.5 (3) the unit is connected to public utilities, has a well and septic tank system, or is
41.6 serviced by water and sewer facilities comparable to other real property in the taxing
41.7 district.

41.8 (c) A manufactured home that meets each of the following criteria must be assessed
41.9 at the rate provided by the appropriate real property classification but must be treated as
41.10 personal property, and the valuation is subject to review and the taxes payable in the
41.11 manner provided in this section:

41.12 (1) the owner of the unit is a lessee of the land under the terms of a lease, or the unit
41.13 is located in a manufactured home park but is not the homestead of the park owner;

41.14 (2) the unit is affixed to the land by a permanent foundation or is installed at its
41.15 location in accordance with the Manufactured Home Building Code contained in sections
41.16 327.31 to 327.34, and the rules adopted under those sections, or is affixed to the land like
41.17 other real property in the taxing district; and

41.18 (3) the unit is connected to public utilities, has a well and septic tank system, or is
41.19 serviced by water and sewer facilities comparable to other real property in the taxing
41.20 district.

41.21 (d) Sectional structures must be valued and assessed as an improvement to real
41.22 property if the owner of the structure holds title to the land on which it is located or is a
41.23 qualifying lessee of the land under section 273.19. In this paragraph "sectional structure"
41.24 means a building or structural unit that has been in whole or substantial part manufactured
41.25 or constructed at an off-site location to be wholly or partially assembled on-site alone or
41.26 with other units and attached to a permanent foundation.

41.27 (e) The commissioner of revenue may adopt rules under the Administrative
41.28 Procedure Act to establish additional criteria for the classification of manufactured homes
41.29 and sectional structures under this subdivision.

41.30 (f) A storage shed, deck, or similar improvement constructed on property that is
41.31 leased or rented as a site for a manufactured home, sectional structure, park trailer, or
41.32 travel trailer is taxable as provided in this section. In the case of property that is leased or
41.33 rented as a site for a travel trailer, a storage shed, deck, or similar improvement on the
41.34 site that is considered personal property under this paragraph is taxable only if its total
41.35 estimated market value is over ~~\$500~~ \$1,000. The property is taxable as personal property
41.36 to the lessee of the site if it is not owned by the owner of the site. The property is taxable

42.1 as real estate if it is owned by the owner of the site. As a condition of permitting the owner
42.2 of the manufactured home, sectional structure, park trailer, or travel trailer to construct
42.3 improvements on the leased or rented site, the owner of the site must obtain the permanent
42.4 home address of the lessee or user of the site. The site owner must provide the name
42.5 and address to the assessor upon request.

42.6 **EFFECTIVE DATE.** This section is effective for assessment year 2007 and
42.7 thereafter, for taxes payable in 2008 and thereafter.

42.8 Sec. 14. Minnesota Statutes 2006, section 273.128, subdivision 1, is amended to read:

42.9 Subdivision 1. **Requirement Requirements.** ~~Low-income rental property~~ In order
42.10 to be classified as class 4d low-income rental housing under section 273.13, subdivision
42.11 25, is entitled to valuation under this section if the property must meet the requirements of
42.12 subdivision 4, if applicable, and at least ~~75~~ 20 percent of the units in the rental housing
42.13 property must meet any of the following qualifications:

42.14 (1) the units are subject to a housing assistance payments contract under Section 8
42.15 of the United States Housing Act of 1937, as amended;

42.16 (2) the units are rent-restricted and income-restricted units of a qualified low-income
42.17 housing project receiving tax credits under section 42(g) of the Internal Revenue Code of
42.18 1986, as amended;

42.19 (3) the units are financed by the Rural Housing Service of the United States
42.20 Department of Agriculture and receive payments under the rental assistance program
42.21 pursuant to section 521(a) of the Housing Act of 1949, as amended; or

42.22 (4) the units are subject to rent and income restrictions under the terms of financial
42.23 assistance provided to the rental housing property by the federal government or the
42.24 state of Minnesota, or a local unit of government, as evidenced by a document recorded
42.25 against the property.

42.26 The restrictions must require assisted units to be occupied by residents whose
42.27 household income at the time of initial occupancy does not exceed 60 percent of the
42.28 greater of area or state median income, adjusted for family size, as determined by the
42.29 United States Department of Housing and Urban Development. The restriction must also
42.30 require the rents for assisted units to not exceed 30 percent of 60 percent of the greater of
42.31 area or state median income, adjusted for family size, as determined by the United States
42.32 Department of Housing and Urban Development.

42.33 **EFFECTIVE DATE.** This section is effective for property taxes levied in 2007,
42.34 payable in 2008, and thereafter.

43.1 Sec. 15. Minnesota Statutes 2006, section 273.128, is amended by adding a subdivision
43.2 to read:

43.3 Subd. 4. **Participation in crime-free multihousing program.** (a) In addition
43.4 to the requirements in subdivision 1, if the property qualifies under paragraph (b), the
43.5 owners or managers must complete the three phases of the city's or county's crime-free
43.6 multihousing program and the qualifying property must be annually certified by the police
43.7 or sheriff as participating in the program. If a qualifying property is not certified within
43.8 one year after it is first determined to be a qualifying property under paragraph (b), or does
43.9 not annually maintain its certification in the program, the city or county shall notify the
43.10 property owner that the qualifying property must comply with the requirements of this
43.11 subdivision to maintain its classification as class 4d property. If a qualifying property is
43.12 not in compliance within one year after receiving the notice from the city or county, the
43.13 city or county shall issue a second notice and require the owners to enter into a plan to
43.14 achieve compliance within one year. If, upon expiration of the one-year time period,
43.15 the qualifying property has not been certified by the police or sheriff as completing the
43.16 program, the city or county shall notify the commissioner of the Housing Finance Agency
43.17 and the commissioner shall remove the property from the list of class 4d properties
43.18 certified to the county or city assessor under subdivision 3. Once removed from the list,
43.19 the property is not eligible for class 4d classification until it complies with this subdivision
43.20 and its compliance has been certified to the Housing Finance Agency by the city or county.
43.21 Certification to the Housing Finance Agency must be made by May 15 to be effective for
43.22 taxes payable in the following year.

43.23 (b) A property is a qualifying property for purposes of this subdivision's requirements
43.24 if it satisfies each of the following requirements:

43.25 (1) the property is located in a city or county that offers a crime-free multihousing
43.26 program through its city police or county sheriff;

43.27 (2) over the preceding three-year period, the number of police or sheriff calls to
43.28 the property exceeded the city's or county's average number of calls for multiunit rental
43.29 properties for the period by at least 25 percent, adjusted for the number of rental units;

43.30 (3) the police or sheriff department has requested, in writing, the owners or managers
43.31 of the property to enroll in the crime-free multihousing program and the owners or
43.32 managers refused or failed to enroll within 60 days after the request, or failed to complete
43.33 phases one and three within 90 days and all three phases of the program within a one-year
43.34 time period; and

43.35 (4) the governing body of the city or county, by resolution, determines the property
43.36 is a qualifying property under clauses (1) to (3).

44.1 (c) Calls for police or emergency assistance in response to domestic abuse or
 44.2 medical assistance shall not be counted toward the number of calls in paragraph (b),
 44.3 clause (2). For purposes of this subdivision, "domestic abuse" has the meaning given in
 44.4 section 518B.01, subdivision 2.

44.5 (d) Low-income qualifying rental housing property classified as class 4d property
 44.6 for taxes payable in 2007 must meet the requirements of this section by May 15, 2010.

44.7 **EFFECTIVE DATE.** This section is effective for property taxes levied in 2007,
 44.8 payable in 2008, and thereafter.

44.9 Sec. 16. Minnesota Statutes 2006, section 273.13, subdivision 22, is amended to read:

44.10 Subd. 22. **Class 1.** (a) Except as provided in subdivision 23 and in paragraphs (b)
 44.11 and (c), real estate which is residential and used for homestead purposes is class 1a. In the
 44.12 case of a duplex or triplex in which one of the units is used for homestead purposes, the
 44.13 entire property is deemed to be used for homestead purposes. The market value of class 1a
 44.14 property must be determined based upon the value of the house, garage, and land.

44.15 The first \$500,000 of market value of class 1a property has a net class rate of
 44.16 one percent of its market value; and the market value of class 1a property that exceeds
 44.17 \$500,000 has a class rate of 1.25 percent of its market value.

44.18 (b) Class 1b property includes homestead real estate or homestead manufactured
 44.19 homes used for the purposes of a homestead by

44.20 (1) any person who is blind as defined in section 256D.35, or the blind person and
 44.21 the blind person's spouse; or

44.22 (2) ~~any person, hereinafter referred to as "veteran," who:~~

44.23 ~~(i) served in the active military or naval service of the United States; and~~

44.24 ~~(ii) is entitled to compensation under the laws and regulations of the United States~~

44.25 ~~for permanent and total service-connected disability due to the loss, or loss of use, by~~

44.26 ~~reason of amputation, ankylosis, progressive muscular dystrophies, or paralysis, of both~~

44.27 ~~lower extremities, such as to preclude motion without the aid of braces, crutches, canes, or~~

44.28 ~~a wheelchair; and~~

44.29 ~~(iii) has acquired a special housing unit with special fixtures or movable facilities~~

44.30 ~~made necessary by the nature of the veteran's disability, or the surviving spouse of the~~

44.31 ~~deceased veteran for as long as the surviving spouse retains the special housing unit~~

44.32 ~~as a homestead; or~~

44.33 ~~(3) any person who is permanently and totally disabled.~~

45.1 Property is classified and assessed under clause (3) only if the government agency or
45.2 income-providing source certifies, upon the request of the homestead occupant, that the
45.3 homestead occupant satisfies the disability requirements of this paragraph.

45.4 Property is classified and assessed pursuant to clause (1) only if the commissioner of
45.5 revenue certifies to the assessor that the homestead occupant satisfies the requirements of
45.6 this paragraph.

45.7 Permanently and totally disabled for the purpose of this subdivision means a
45.8 condition which is permanent in nature and totally incapacitates the person from working
45.9 at an occupation which brings the person an income. The first ~~\$32,000~~ \$50,000 market
45.10 value of class 1b property has a net class rate of .45 percent of its market value. The
45.11 remaining market value of class 1b property has a class rate using the rates for class 1a or
45.12 class 2a property, whichever is appropriate, of similar market value.

45.13 (c) Class 1c property is commercial use real and personal property that abuts
45.14 ~~a lakeshore line~~ public water as defined in section 103G.005, subdivision 15, and is
45.15 devoted to temporary and seasonal residential occupancy for recreational purposes but
45.16 not devoted to commercial purposes for more than 250 days in the year preceding the
45.17 year of assessment, and that includes a portion used as a homestead by the owner, which
45.18 includes a dwelling occupied as a homestead by a shareholder of a corporation that owns
45.19 the resort, a partner in a partnership that owns the resort, or a member of a limited liability
45.20 company that owns the resort even if the title to the homestead is held by the corporation,
45.21 partnership, or limited liability company. For purposes of this clause, property is devoted
45.22 to a commercial purpose on a specific day if any portion of the property, excluding the
45.23 portion used exclusively as a homestead, is used for residential occupancy and a fee is
45.24 charged for residential occupancy. Class 1c property must contain three or more rental
45.25 units. A "rental unit" is defined as a cabin, condominium, townhouse, sleeping room,
45.26 or individual camping site equipped with water and electrical hookups for recreational
45.27 vehicles. Class 1c property must provide recreational activities such as the rental of ice
45.28 fishing houses, boats and motors, snowmobiles, downhill or cross-country ski equipment;
45.29 provide marina services, launch services, or guide services; or sell bait and fishing tackle.
45.30 Any unit in which the right to use the property is transferred to an individual or entity
45.31 by deeded interest, or the sale of shares or stock, no longer qualifies for class 1c even
45.32 though it may remain available for rent. A camping pad offered for rent by a property
45.33 that otherwise qualifies for class 1c is also class 1c, regardless of the term of the rental
45.34 agreement, as long as the use of the camping pad does not exceed 250 days. The portion of
45.35 the property used as a homestead is class 1a property under paragraph (a). The remainder
45.36 of the property is classified as follows: the first ~~\$500,000~~ \$600,000 of market value is tier

46.1 I, the next \$1,700,000 of market value is tier II, and any remaining market value is tier
46.2 III. The class rates for class 1c are: tier I, ~~0.55~~ 0.50 percent; tier II, 1.0 percent; and tier
46.3 III, 1.25 percent. ~~If a class 1c resort property has any market value in tier III, the entire~~
46.4 ~~property must meet the requirements of subdivision 25, paragraph (d), clause (1), to~~
46.5 ~~qualify for class 1c treatment under this paragraph.~~ Owners of real and personal property
46.6 devoted to temporary and seasonal residential occupancy for recreation purposes in which
46.7 all or a portion of the property was devoted to commercial purposes for not more than 250
46.8 days in the year preceding the year of assessment desiring classification as class 1c, must
46.9 submit a declaration to the assessor designating the cabins or units occupied for 250 days
46.10 or less in the year preceding the year of assessment by January 15 of the assessment year.
46.11 Those cabins or units and a proportionate share of the land on which they are located must
46.12 be designated as class 1c as otherwise provided. The remainder of the cabins or units and
46.13 a proportionate share of the land on which they are located must be designated as class
46.14 3a commercial. The owner of property desiring designation as class 1c property must
46.15 provide guest registers or other records demonstrating that the units for which class 1c
46.16 designation is sought were not occupied for more than 250 days in the year preceding the
46.17 assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar,
46.18 (3) gift shop, (4) conference center or meeting room, and (5) other nonresidential facility
46.19 operated on a commercial basis not directly related to temporary and seasonal residential
46.20 occupancy for recreation purposes does not qualify for class 1c.

46.21 (d) Class 1d property includes structures that meet all of the following criteria:

46.22 (1) the structure is located on property that is classified as agricultural property under
46.23 section 273.13, subdivision 23;

46.24 (2) the structure is occupied exclusively by seasonal farm workers during the time
46.25 when they work on that farm, and the occupants are not charged rent for the privilege of
46.26 occupying the property, provided that use of the structure for storage of farm equipment
46.27 and produce does not disqualify the property from classification under this paragraph;

46.28 (3) the structure meets all applicable health and safety requirements for the
46.29 appropriate season; and

46.30 (4) the structure is not salable as residential property because it does not comply
46.31 with local ordinances relating to location in relation to streets or roads.

46.32 The market value of class 1d property has the same class rates as class 1a property
46.33 under paragraph (a).

46.34 **EFFECTIVE DATE.** The portion of this section increasing the market value of
46.35 the first tier of class 1c resorts and striking the language relating to class 1b veterans'

47.1 homesteads is effective for taxes payable in 2008 and thereafter. The remaining portion of
47.2 this section relating to class 1c resorts is effective for taxes payable in 2009 and thereafter.

47.3 Sec. 17. Minnesota Statutes 2006, section 273.13, subdivision 23, is amended to read:

47.4 Subd. 23. **Class 2.** (a) Class 2a property is agricultural land including any
47.5 improvements that is homesteaded. The market value of the house and garage and
47.6 immediately surrounding one acre of land has the same class rates as class 1a property
47.7 under subdivision 22. The value of the remaining land including improvements up to the
47.8 first tier valuation limit of agricultural homestead property has a net class rate of ~~0.55~~ 0.50
47.9 percent of market value. The remaining property over the first tier has a class rate of one
47.10 percent of market value. For purposes of this subdivision, the "first tier valuation limit of
47.11 agricultural homestead property" and "first tier" means the limit certified under section
47.12 273.11, subdivision 23.

47.13 (b) Class 2b property is (1) unplatted real estate, rural in character ~~and used~~
47.14 ~~exclusively for growing trees for timber, lumber, and wood and wood products;~~ (2)
47.15 ~~real estate,~~ that is not improved with a structure ~~and is used exclusively for growing~~
47.16 ~~trees for timber, lumber, and wood and wood products, if the owner has participated or~~
47.17 ~~is participating in a cost-sharing program for afforestation, reforestation, or timber stand~~
47.18 ~~improvement on that particular property, administered or coordinated by the commissioner~~
47.19 ~~of natural resources;~~ (3), and that consists of at least ten acres, including land used for
47.20 growing trees for timber, lumber, and wood products, but not including land used for
47.21 agricultural purposes, provided that the presence of a structure, other than a minor,
47.22 ancillary nonresidential structure, does not disqualify property from the classification
47.23 under this clause; (2) real estate that is nonhomestead agricultural land; or (4) (3) a landing
47.24 area or public access area of a privately owned public use airport. Class 2b property has a
47.25 net class rate of one percent of market value.

47.26 (c) Agricultural land as used in this section means contiguous acreage of ten acres or
47.27 more, used during the preceding year for agricultural purposes. "Agricultural purposes" as
47.28 used in this section means the raising or cultivation of agricultural products. "Agricultural
47.29 purposes" also includes enrollment in the Reinvest in Minnesota program under sections
47.30 103F.501 to 103F.535 or the federal Conservation Reserve Program as contained in Public
47.31 Law 99-198 if the property was classified as agricultural (i) under this subdivision for
47.32 the assessment year 2002 or (ii) in the year prior to its enrollment. Contiguous acreage
47.33 on the same parcel, or contiguous acreage on an immediately adjacent parcel under the
47.34 same ownership, may also qualify as agricultural land, but only if it is pasture, timber,
47.35 waste, unusable wild land, or land included in state or federal farm programs. Agricultural

48.1 classification for property shall be determined excluding the house, garage, and
48.2 immediately surrounding one acre of land, and shall not be based upon the market value of
48.3 any residential structures on the parcel or contiguous parcels under the same ownership.

48.4 (d) Real estate, excluding the house, garage, and immediately surrounding one acre
48.5 of land, of less than ten acres which is exclusively and intensively used for raising or
48.6 cultivating agricultural products, shall be considered as agricultural land.

48.7 Land shall be classified as agricultural even if all or a portion of the agricultural use
48.8 of that property is the leasing to, or use by another person for agricultural purposes.

48.9 Classification under this subdivision is not determinative for qualifying under
48.10 section 273.111.

48.11 The property classification under this section supersedes, for property tax purposes
48.12 only, any locally administered agricultural policies or land use restrictions that define
48.13 minimum or maximum farm acreage.

48.14 (e) The term "agricultural products" as used in this subdivision includes production
48.15 for sale of:

48.16 (1) livestock, dairy animals, dairy products, poultry and poultry products, fur-bearing
48.17 animals, horticultural and nursery stock, fruit of all kinds, vegetables, forage, grains,
48.18 bees, and apiary products by the owner;

48.19 (2) fish bred for sale and consumption if the fish breeding occurs on land zoned
48.20 for agricultural use;

48.21 (3) the commercial boarding of horses if the boarding is done in conjunction with
48.22 raising or cultivating agricultural products as defined in clause (1);

48.23 (4) property which is owned and operated by nonprofit organizations used for
48.24 equestrian activities, excluding racing;

48.25 (5) game birds and waterfowl bred and raised for use on a shooting preserve licensed
48.26 under section 97A.115;

48.27 (6) insects primarily bred to be used as food for animals;

48.28 (7) trees, grown for sale as a crop, and not sold for timber, lumber, wood, or wood
48.29 products; and

48.30 (8) maple syrup taken from trees grown by a person licensed by the Minnesota
48.31 Department of Agriculture under chapter 28A as a food processor.

48.32 (f) If a parcel used for agricultural purposes is also used for commercial or industrial
48.33 purposes, including but not limited to:

48.34 (1) wholesale and retail sales;

48.35 (2) processing of raw agricultural products or other goods;

48.36 (3) warehousing or storage of processed goods; and

49.1 (4) office facilities for the support of the activities enumerated in clauses (1), (2),
49.2 and (3),

49.3 the assessor shall classify the part of the parcel used for agricultural purposes as class
49.4 1b, 2a, or 2b, whichever is appropriate, and the remainder in the class appropriate to its
49.5 use. The grading, sorting, and packaging of raw agricultural products for first sale is
49.6 considered an agricultural purpose. A greenhouse or other building where horticultural
49.7 or nursery products are grown that is also used for the conduct of retail sales must be
49.8 classified as agricultural if it is primarily used for the growing of horticultural or nursery
49.9 products from seed, cuttings, or roots and occasionally as a showroom for the retail sale of
49.10 those products. Use of a greenhouse or building only for the display of already grown
49.11 horticultural or nursery products does not qualify as an agricultural purpose.

49.12 The assessor shall determine and list separately on the records the market value of
49.13 the homestead dwelling and the one acre of land on which that dwelling is located. If any
49.14 farm buildings or structures are located on this homesteaded acre of land, their market
49.15 value shall not be included in this separate determination.

49.16 (g) To qualify for classification under paragraph (b), clause ~~(4)~~(3), a privately
49.17 owned public use airport must be licensed as a public airport under section 360.018. For
49.18 purposes of paragraph (b), clause ~~(4)~~(3), "landing area" means that part of a privately
49.19 owned public use airport properly cleared, regularly maintained, and made available to the
49.20 public for use by aircraft and includes runways, taxiways, aprons, and sites upon which
49.21 are situated landing or navigational aids. A landing area also includes land underlying
49.22 both the primary surface and the approach surfaces that comply with all of the following:

49.23 (i) the land is properly cleared and regularly maintained for the primary purposes of
49.24 the landing, taking off, and taxiing of aircraft; but that portion of the land that contains
49.25 facilities for servicing, repair, or maintenance of aircraft is not included as a landing area;

49.26 (ii) the land is part of the airport property; and

49.27 (iii) the land is not used for commercial or residential purposes.

49.28 The land contained in a landing area under paragraph (b), clause ~~(4)~~(3), must be described
49.29 and certified by the commissioner of transportation. The certification is effective until
49.30 it is modified, or until the airport or landing area no longer meets the requirements of
49.31 paragraph (b), clause ~~(4)~~(3). For purposes of paragraph (b), clause ~~(4)~~(3), "public access
49.32 area" means property used as an aircraft parking ramp, apron, or storage hangar, or an
49.33 arrival and departure building in connection with the airport.

49.34 **EFFECTIVE DATE.** This section is effective for assessment year 2007 and
49.35 thereafter, for taxes payable in 2008 and thereafter.

50.1 Sec. 18. Minnesota Statutes 2006, section 273.13, subdivision 24, is amended to read:

50.2 Subd. 24. **Class 3.** (a) Commercial and industrial property and utility real and
50.3 personal property is class 3a.

50.4 (1) Except as otherwise provided, each parcel of commercial, industrial, or utility
50.5 real property has a class rate of 1.5 percent of the first tier of market value, and 2.0 percent
50.6 of the remaining market value. In the case of contiguous parcels of property owned by the
50.7 same person or entity, only the value equal to the first-tier value of the contiguous parcels
50.8 qualifies for the reduced class rate, except that contiguous parcels owned by the same
50.9 person or entity shall be eligible for the first-tier value class rate on each separate business
50.10 operated by the owner of the property, provided the business is housed in a separate
50.11 structure. For the purposes of this subdivision, the first tier means the first \$150,000 of
50.12 market value. Real property owned in fee by a utility for transmission line right-of-way
50.13 shall be classified at the class rate for the higher tier.

50.14 For purposes of this subdivision, parcels are considered to be contiguous even if
50.15 they are separated from each other by a road, street, waterway, or other similar intervening
50.16 type of property. Connections between parcels that consist of power lines or pipelines do
50.17 not cause the parcels to be contiguous. Property owners who have contiguous parcels of
50.18 property that constitute separate businesses that may qualify for the first-tier class rate shall
50.19 notify the assessor by July 1, for treatment beginning in the following taxes payable year.

50.20 (2) ~~All Personal property that is: (i) part of an electric generation, transmission, or~~
50.21 ~~distribution system; or (ii), including tools, implements, and machinery, has a class rate~~
50.22 of 3.0 percent.

50.23 (3) Personal property that is either: (i) part of a pipeline system transporting
50.24 or distributing water, gas, crude oil, or petroleum products; and (iii) not described in
50.25 clause (3), and all, including tools, implements, and machinery, or (ii) part of an electric
50.26 transmission or distribution system, including tools, implements, and machinery, has a
50.27 class rate of 2.25 percent.

50.28 (4) Railroad operating property has a class rate as provided under clause (1) for
50.29 the first tier of market value and the remaining market value. In the case of multiple
50.30 parcels in one county that are owned by one person or entity, only one first tier amount
50.31 is eligible for the reduced rate.

50.32 (3) ~~The entire market value of personal property that is: (i) tools, implements, and~~
50.33 ~~machinery of an electric generation, transmission, or distribution system; (ii) tools,~~
50.34 ~~implements, and machinery of a pipeline system transporting or distributing water, gas,~~
50.35 ~~crude oil, or petroleum products; or (iii) the~~ (5) Personal property consisting of mains
50.36 and pipes used in the distribution of steam or hot or chilled water for heating or cooling

51.1 buildings, has a class rate as provided under clause (1) for the remaining market value
51.2 in excess of the first tier.

51.3 (b) Employment property defined in section 469.166, during the period provided
51.4 in section 469.170, shall constitute class 3b. The class rates for class 3b property are
51.5 determined under paragraph (a).

51.6 **EFFECTIVE DATE.** This section is effective for taxes levied in 2007, payable
51.7 in 2008, and thereafter.

51.8 Sec. 19. Minnesota Statutes 2006, section 273.13, subdivision 25, is amended to read:

51.9 Subd. 25. **Class 4.** (a) Class 4a is residential real estate containing four or more
51.10 units and used or held for use by the owner or by the tenants or lessees of the owner
51.11 as a residence for rental periods of 30 days or more, excluding property qualifying for
51.12 class 4d. Class 4a also includes hospitals licensed under sections 144.50 to 144.56, other
51.13 than hospitals exempt under section 272.02, and contiguous property used for hospital
51.14 purposes, without regard to whether the property has been platted or subdivided. The
51.15 market value of class 4a property has a class rate of 1.25 percent.

51.16 (b) Class 4b ~~includes:~~

51.17 ~~(1) residential real estate containing less than four units that does not qualify as class~~
51.18 ~~4bb, other than seasonal residential recreational property;~~

51.19 ~~(2) manufactured homes not classified under any other provision;~~

51.20 ~~(3) a dwelling, garage, and surrounding one acre of property on a nonhomestead~~
51.21 ~~farm classified under subdivision 23, paragraph (b) containing two or three units; and~~

51.22 ~~(4) is unimproved property that is classified residential as determined under~~
51.23 ~~subdivision 33.~~

51.24 The market value of class 4b property has a class rate of 1.25 percent.

51.25 (c) Class 4bb includes:

51.26 (1) nonhomestead residential real estate containing ~~one unit~~ fewer than four units,
51.27 other than seasonal residential recreational property; ~~and~~

51.28 (2) a ~~single family~~ dwelling, garage, and surrounding one acre of property on a
51.29 nonhomestead farm classified under subdivision 23, paragraph (b), containing fewer
51.30 than four units; and

51.31 (3) manufactured homes not classified under any other provision.

51.32 Class 4bb property has the same class rates as class 1a property under subdivision 22.

51.33 Property that has been classified as seasonal residential recreational property at
51.34 any time during which it has been owned by the current owner or spouse of the current
51.35 owner does not qualify for class 4bb.

52.1 (d) Class 4c property includes:

52.2 (1) except as provided in subdivision 22, paragraph (c), or subdivision 23, paragraph
52.3 (b), clause (1), real and personal property devoted to temporary and seasonal residential
52.4 occupancy for recreation purposes, including real and personal property devoted to
52.5 temporary and seasonal residential occupancy for recreation purposes and not devoted to
52.6 commercial purposes for more than 250 days in the year preceding the year of assessment.
52.7 For purposes of this clause, property is devoted to a commercial purpose on a specific
52.8 day if any portion of the property is used for residential occupancy, and a fee is charged
52.9 for residential occupancy. Class 4c property must contain three or more rental units. A
52.10 "rental unit" is defined as a cabin, condominium, townhouse, sleeping room, or individual
52.11 camping site equipped with water and electrical hookups for recreational vehicles. Class
52.12 4c property must provide recreational activities such as renting ice fishing houses, boats
52.13 and motors, snowmobiles, downhill or cross-country ski equipment; provide marina
52.14 services, launch services, or guide services; or sell bait and fishing tackle. A camping
52.15 pad offered for rent by a property that otherwise qualifies for class 4c is also class 4c
52.16 regardless of the term of the rental agreement, as long as the use of the camping pad
52.17 does not exceed 250 days. In order for a property to be classified as class 4c, seasonal
52.18 residential recreational for commercial purposes, at least 40 percent of the annual gross
52.19 lodging receipts related to the property must be from business conducted during 90
52.20 consecutive days and either (i) at least 60 percent of all paid bookings by lodging guests
52.21 during the year must be for periods of at least two consecutive nights; or (ii) at least 20
52.22 percent of the annual gross receipts must be from charges for rental of fish houses, boats
52.23 and motors, snowmobiles, downhill or cross-country ski equipment, or charges for marina
52.24 services, launch services, and guide services, or the sale of bait and fishing tackle. For
52.25 purposes of this determination, a paid booking of five or more nights shall be counted as
52.26 two bookings. Class 4c also includes commercial use real property used exclusively

 53.27 equal to the property's previous year's property taxes and the property is allowed to be
 53.28 used for public and community meetings or events for no charge, as appropriate to the
 53.29 size of the facility.

53.30 For purposes of this clause,

53.31 (A) "charitable contributions and donations" has the same meaning as lawful

 54.15 revenue-producing activity;

54.16 The organization shall maintain records of its charitable contributions and donations

 54.33 Airports Commission, or group thereof; and

54.34 (ii) the land lease, or any ordinance or signed agreement restricting the use of the
 54.35 leased premise, prohibits commercial activity performed at the hangar.

55.1 If a hangar classified under this clause is sold after June 30, 2000, a bill of sale must
55.2 be filed by the new owner with the assessor of the county where the property is located
55.3 within 60 days of the sale;

55.4 (8) a privately owned noncommercial aircraft storage hangar not exempt under
55.5 section 272.01, subdivision 2, and the land on which it is located, provided that:

55.6 (i) the land abuts a public airport; and

55.7 (ii) the owner of the aircraft storage hangar provides the assessor with a signed

55.17 than seven days in the calendar year preceding the year of the assessment; and

55.18 (iv) the owner is the operator of the property.

55.19 The market value subject to the 4c classification under this clause is limited to five rental
55.20 units. Any rental units on the property in excess of five, must be valued and assessed as
55.21 class 3a. The portion of the property used for purposes of a homestead by the owner must
55.22 be classified as class 1a property under subdivision 22.

55.23 Class 4c property has a class rate of 1.5 percent of market value, except that (i) each
55.24 parcel of seasonal residential recreational property not used for commercial purposes has

55.33 (e) Class 4d property is qualifying low-income rental housing certified to the assessor
55.34 by the Housing Finance Agency under section 273.128, subdivision 3. If only a portion
55.35 of the units in the building qualify as low-income rental housing units as certified under
55.36 section 273.128, subdivision 3, only the proportion of qualifying units to the total number

56.1 of units in the building qualify for class 4d. The remaining portion of the building shall be
56.2 classified by the assessor based upon its use. Class 4d also includes the same proportion of
56.3 land as the qualifying low-income rental housing units are to the total units in the building.
56.4 For all properties qualifying as class 4d, the market value determined by the assessor must
56.5 be based on the normal approach to value using normal unrestricted rents.

56.6 Class 4d property has a class rate of 0.75 percent.

56.7 **EFFECTIVE DATE.** The portion of this section relating to class 4c resorts in
56.8 paragraph (d), clause (1), is effective for assessment year 2008 and thereafter, for taxes
56.9 payable in 2009 and thereafter. The portion of this section relating to nonprofit community
56.10 service oriented organizations is effective for assessment year 2007 and thereafter, for
56.11 taxes payable in 2008 and thereafter, except that the application date in paragraph (d),
56.12 clause (3), item (ii), for the 2007 assessment is extended to September 1, 2007.

56.13 Sec. 20. Minnesota Statutes 2006, section 273.13, subdivision 33, is amended to read:

56.14 Subd. 33. **Classification of unimproved property.** (a) All real property that is not
56.15 improved with a structure must be classified according to its current use.

56.16 (b) Except as provided in subdivision 23, paragraph (b), clause (1), real property that
56.17 is not improved with a structure and for which there is no identifiable current use must be
56.18 classified according to its highest and best use permitted under the local zoning ordinance.
56.19 If the ordinance permits more than one use, the land must be classified according to the
56.20 highest and best use permitted under the ordinance. If no such ordinance exists, the
56.21 assessor shall consider the most likely potential use of the unimproved land based upon
56.22 the use made of surrounding land or land in proximity to the unimproved land.

56.23 **EFFECTIVE DATE.** This section is effective for assessment year 2007 and
56.24 thereafter, for taxes payable in 2008 and thereafter.

56.25 Sec. 21. Minnesota Statutes 2006, section 273.13, is amended by adding a subdivision
56.26 to read:

56.27 Subd. 34. **Homestead of disabled veteran.** (a) All or a portion of the market value
56.28 of property qualifying for homestead classification under subdivision 22 or 23 is excluded
56.29 in determining the property's taxable market value if it serves as the homestead of a
56.30 military veteran, as defined in section 197.447, who has a service-connected disability of
56.31 50 percent or more. To qualify for exclusion under this subdivision, the veteran must have
56.32 been honorably discharged from the United States armed forces, as indicated by United
56.33 States Government Form DD214 or other official military discharge papers, and must be

57.1 certified by the United States Veterans Administration as having a service-connected
57.2 disability.

57.3 (b)(1) For a disability rating of at least 50 percent but less than 70 percent, \$100,000
57.4 of market value is excluded;

57.5 (2) for a disability rating of 70 percent or more, \$150,000 of market value is
57.6 excluded, except as provided in clause (3); and

57.7 (3) for a total (100 percent) and permanent disability, \$300,000 of market value is
57.8 excluded.

57.9 (c) If a disabled veteran qualifying for a valuation exclusion under paragraph (b),
57.10 clause (3), predeceases the veteran's spouse, and if upon the death of the veteran the
57.11 spouse holds the legal or beneficial title to the homestead and permanently resides there,
57.12 the exclusion shall carry over to the benefit of the veteran's spouse until such time as the
57.13 spouse sells, transfers, or otherwise disposes of the property.

57.14 (d) In the case of an agricultural homestead, only the portion of the property
57.15 consisting of the house and garage and immediately surrounding one acre of land qualifies
57.16 for the valuation exclusion under this subdivision.

57.17 (e) A property qualifying for a valuation exclusion under this subdivision is not
57.18 eligible for the credit under section 273.1384, subdivision 1.

57.19 (f) To qualify for a valuation exclusion under this subdivision a property owner must
57.20 apply to the assessor by July 1 of each assessment year, except that an annual reapplication
57.21 is not required once a property has been accepted for a valuation exclusion under paragraph
57.22 (b), clause (3), and the property continues to qualify until there is a change in ownership.

57.23 **EFFECTIVE DATE.** This section is effective for assessment year 2007 and
57.24 thereafter, for taxes payable in 2008 and thereafter.

57.25 Sec. 22. Minnesota Statutes 2006, section 275.065, is amended by adding a subdivision
57.26 to read:

57.27 Subd. 3b. **Supplemental notice of proposed levy increases.** (a) If a city that has
57.28 a population of more than 2,500 or a county proposes a levy increase greater than the
57.29 threshold increase calculated under paragraph (b), it shall prepare and deliver by first class
57.30 mail a supplemental proposed property tax notice to each property taxpayer in the taxing
57.31 jurisdiction, as described in this subdivision.

57.32 (b) The threshold increase in the proposed property tax levy is equal to the levy in
57.33 the previous year, multiplied by the sum of (1) one percent, (2) the percentage growth,
57.34 if any, in the population in the taxing jurisdiction for the most recent available year, (3)
57.35 the percentage increase in the total market value in the taxing jurisdiction due to new

58.1 construction of commercial and industrial property, and (4) the percentage increase in the
58.2 implicit price deflator for government consumption expenditures and gross investment for
58.3 state and local governments as prepared by the United States Department of Commerce
58.4 for the most recent 12-month period ending March of the levy year.

58.5 (c) The supplemental proposed notice must show the taxing jurisdiction's (1) levy for
58.6 the previous year, (2) its threshold levy increase indicating that this increase is calculated
58.7 to reflect reasonable growth adjusting for population increases, increased demand from
58.8 new business, and inflation, (3) the proposed property tax increase, and (4) the amount the
58.9 proposed increase exceeds the threshold increase. The notice must contain a description of
58.10 why the jurisdiction needs to raise property taxes above the threshold amount and how the
58.11 taxing jurisdiction plans to spend the additional revenue.

58.12 **EFFECTIVE DATE.** This section is effective for taxes levied in calendar year
58.13 2007 and thereafter.

58.14 Sec. 23. Minnesota Statutes 2006, section 275.065, is amended by adding a subdivision
58.15 to read:

58.16 Subd. 6c. **Joint public hearing; nonmetropolitan county, cities, and school**
58.17 **districts.** (a) Notwithstanding any other provision of law, the county board may hold a
58.18 joint hearing with the governing bodies of all taxing authorities located wholly or partially
58.19 within the county that are required to hold a public hearing under this section, excluding
58.20 special taxing districts. The primary purpose of the joint hearing is for taxpayer efficiency
58.21 by allowing taxpayers to come to a single public hearing to discuss the budgets and
58.22 proposed property tax levies of most taxing authorities that impact the taxes on their
58.23 property.

58.24 (b) This subdivision applies only to counties located outside the metropolitan area
58.25 as defined under section 473.121, subdivision 2. If a city or school district is located
58.26 partially within the metropolitan area, that taxing jurisdiction may participate in its
58.27 nonmetropolitan county's joint hearing, if it so chooses.

58.28 (c) Upon the adoption of a resolution by the county board to hold a joint public
58.29 hearing, the county shall notify each city with a population over 500 and each school
58.30 district located wholly or partially within the county of its intention to hold the joint
58.31 hearing and ask each of the taxing authorities if it would like to participate. Participation
58.32 is voluntary, and participation in the joint hearing is in lieu of the requirement for the
58.33 governing body to hold a separate public hearing under subdivision 6. If a participating
58.34 city or school district is located in more than one county, the hearing under this subdivision
58.35 is in lieu of the requirement to hold a separate public hearing if 75 percent or more

59.1 of that city or school district's previous year's net tax capacity is in the county where
59.2 the hearing is held.

59.3 (d) The initial joint hearing must be held on the first Thursday in December. The
59.4 county may hold an additional joint hearing on another date before December 20 if the
59.5 majority of the participating taxing authorities want an additional hearing.

59.6 The county board shall obtain a meeting space to hold the joint hearing, preferably
59.7 at a public building such as the courthouse, school, or community center. The location
59.8 shall be as centrally located within the county as possible. The meeting shall generally be
59.9 structured in the following general manner:

59.10 (1) 30 to 60 minutes must be devoted to discussion of the county's budget and levy;

59.11 (2) 30 to 60 minutes must be devoted to discussion of the city's budget and levy,
59.12 with each city's discussion held in a separate room, preferably in the same building;

59.13 (3) 30 to 60 minutes must be devoted to discussion of the school district's levy,
59.14 with each school district's discussion held in a separate room, preferably in the same
59.15 building; and

59.16 (4) during the last 30 minutes the governing bodies must reassemble in a joint
59.17 meeting to entertain any follow-up questions that have arisen from the separate discussions.

59.18 The county shall attempt to keep the total public hearing to within three hours.

59.19 (e) In lieu of the public advertisement requirement in subdivision 5a, the county shall
59.20 have a single advertisement listing the county, each city with a population of over 500, and
59.21 each school district participating in the joint public hearing listing. Any taxing authority
59.22 participating under this subdivision is exempt from the separate public advertisement
59.23 requirement under subdivision 5a. The cost of the joint hearing advertisement shall be
59.24 apportioned in the same manner provided in subdivision 4. The notice must be published
59.25 not less than two business days nor more than six business days before the hearing. The
59.26 newspaper selected must be one of general interest and readership in the county, and not
59.27 one of limited subject matter. The advertisement must appear in a newspaper that is
59.28 published at least once per week. The advertisement must be in the following form:

59.29 "NOTICE OF JOINT PUBLIC HEARING

59.30 PROPOSED TOTAL PROPERTY TAXES

59.31 FOR PARTICIPATING TAXING AUTHORITIES

59.32 The property tax amounts below compare that portion of the current budget levied in
59.33 property taxes in the county, cities, and school districts for (year) with the property
59.34 taxes the county, cities, and school districts propose to collect in (year) for those taxing
59.35 authorities participating in the joint public hearing.

60.6 ATTEND THE JOINT PUBLIC HEARING

60.7 All residents are invited to attend the joint public hearing of the county/cities/school
60.8 districts to express your opinions on the proposed amount of (year) property taxes. The
60.9 hearing will be held on:

60.10 (Month/Day/Year/Time)

60.11 (Location/Address)

60.12 If the discussion cannot be completed, and another hearing is scheduled, a time and place
60.13 for that hearing will be announced at this hearing. You are also invited to send your
60.14 written comments to the county auditor. If the comments relate to the city or school
60.15 district's levy, please identify that on the envelope so the county auditor can direct the
60.16 correspondence to the right jurisdiction."

60.17 The formal adoption of the taxing authority's levy must not be made at the joint
60.18 public hearing held under this subdivision. The formal adoption must be made at one of
60.19 the regularly scheduled meetings of the taxing authority's governing body. However, the
60.20 property tax levy amount that is subsequently adopted cannot exceed the amount shown to
60.21 taxpayers at the joint public hearing.

60.22 **EFFECTIVE DATE.** This section is effective for hearings held in 2007 and
60.23 thereafter.

60.24 Sec. 24. Minnesota Statutes 2006, section 278.05, subdivision 6, is amended to read:

60.25 Subd. 6. **Dismissal of petition; exclusion of certain evidence.** (a) In cases where
60.26 the petitioner contests the valuation of income-producing property, information, including
60.27 income and expense figures in the form of (1) year-end financial statements for the
60.28 year prior to the assessment date, (2) year-end financial statements for the year of the
60.29 assessment date, and (3) rent rolls on the assessment date including tenant name, lease start
60.30 and end dates, option terms, base rent, square footage leased and vacant space, verified net
60.31 rentable areas in the form of net rentable square footage of the building or buildings, and
60.32 anticipated income and expenses in the form of proposed budgets for the year subsequent
60.33 to the year of the assessment date, ~~for income-producing property~~ must be provided to
60.34 the county assessor no later than 60 days after the applicable filing deadline contained
60.35 in section 278.01, subdivision 1 or 4. Failure to provide the information required in this

61.1 paragraph shall result in the dismissal of the petition, unless (1) the failure to provide it was
61.2 due to the unavailability of the evidence at the time that the information was due, or (2)
61.3 the petitioner was not aware of or informed of the requirement to provide the information.

61.4 If the petitioner proves that the requirements under clause (2) are met, the petitioner has
61.5 an additional 30 days to provide the information from the time the petitioner became
61.6 aware of or was informed of the requirement to provide the information, otherwise the
61.7 petition shall be dismissed.

61.8 (b) Provided that the information as contained in paragraph (a) is timely submitted to
61.9 the county assessor, the county assessor shall furnish the petitioner at least five days before
61.10 the hearing under this chapter with the property's appraisal, if any, which will be presented
61.11 to the court at the hearing. The petitioner shall furnish to the county assessor at least five
61.12 days before the hearing under this chapter with the property's appraisal, if any, which
61.13 will be presented to the court at the hearing. An appraisal of the petitioner's property
61.14 done by or for the county shall not be admissible as evidence if the county assessor does
61.15 not comply with the provisions in this paragraph. The petition shall be dismissed if the
61.16 petitioner does not comply with the provisions in this paragraph.

61.17 **EFFECTIVE DATE.** This section is effective for petitions filed on or after July
61.18 1, 2007.

61.19 Sec. 25. Minnesota Statutes 2006, section 279.01, is amended by adding a subdivision
61.20 to read:

61.21 **Subd. 5. Homestead property; monthly payment option.** (a) In the case of class
61.22 1, 1c, or 2a homestead property as defined in section 273.13, a homeowner may apply
61.23 to make payments in eight equal monthly installments on the 15th day of each month
61.24 from May through December. A homeowner desiring to utilize this option must apply
61.25 to the county by April 15 of the year that the taxes are payable, following procedures
61.26 established by the county.

61.27 (b) Each county must establish procedures allowing homeowners the option of
61.28 paying the current year's property taxes on a monthly basis. The procedures must address
61.29 how homeowners apply to participate in the program, how taxpayers can make payments,
61.30 including the possibility of automatic bank withdrawals, how and whether the taxpayer is
61.31 notified of each payment due date, whether to require annual applications, how to modify
61.32 the property tax settlement process, and any other procedures the county board deems
61.33 necessary to implement this subdivision. The proposed procedures must be submitted to
61.34 the commissioner of revenue by November 1, 2007. The commissioner must review the

62.1 procedures and approve them or notify the county of changes that must be made to the
 62.2 proposed procedures by January 1, 2008.

62.3 (c) The application procedure must be included in the property tax statement mailing.

62.4 (d) Penalties on unpaid taxes on property under the monthly payment program
 62.5 must be computed by equating the number of days that any of the monthly payments are
 62.6 overdue to the penalty for the corresponding number of days after May 15 that a payment
 62.7 is overdue under subdivision 1.

62.8 **EFFECTIVE DATE.** This section is effective for taxes payable in 2008 and
 62.9 thereafter.

62.10 Sec. 26. Minnesota Statutes 2006, section 279.37, subdivision 1a, is amended to read:

63.2 that such payment shall not affect the lien of any unpaid taxes or tax judgment.

63.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

63.4 Sec. 28. Minnesota Statutes 2006, section 289A.08, subdivision 13, is amended to read:

64.8 least one of the ~~qualifying~~ homeowners for at least 15 years prior to the year the initial
64.9 application is filed;

64.10 (4) there are no state or federal tax liens or judgment liens on the homesteaded
64.11 property;

64.12 (5) there are no mortgages or other liens on the property that secure future advances,
64.13 except for those subject to credit limits that result in compliance with clause (6); and

64.14 (6) the total unpaid balances of debts secured by mortgages and other liens on the
64.15 property, including unpaid and delinquent special assessments and interest and any
64.16 delinquent property taxes, penalties, and interest, but not including property taxes payable
64.17 during the year, does not exceed 75 percent of the assessor's estimated market value for
64.18 the year.

64.19 **EFFECTIVE DATE.** This section is effective for applications filed on or after

64.25 property used for purposes of a homestead as defined in section 273.13, subdivisions
64.26 22 and 23, but not to exceed one acre. The homestead may be part of a multidwelling
64.27 building and the land on which it is built. Property is not qualifying homestead property if
64.28 a person or entity other than the applicant or the applicant's spouse holds an interest in the
64.29 property as the vendor under a contract for deed or as a remainderperson.

64.30 **EFFECTIVE DATE.** This section is effective for applications submitted on or
64.31 after January 1, 2007.

64.32 Sec. 32. Minnesota Statutes 2006, section 290B.04, subdivision 3, is amended to read:

65.1 Subd. 3. **Excess-income certification by taxpayer.** A taxpayer whose initial
65.2 application has been approved under subdivision 2 shall notify the commissioner of
65.3 revenue in writing by July 1 if the taxpayer's household income for the preceding calendar
65.4 year exceeded ~~\$60,000~~ \$75,000. The certification must state the homeowner's total
65.5 household income for the previous calendar year. No property taxes may be deferred
65.6 under this chapter in any year following the year in which a program participant filed or
65.7 should have filed an excess-income certification under this subdivision showing income in
65.8 excess of the maximum allowed, unless the participant has filed a resumption of eligibility
65.9 certification as described in subdivision 4.

65.10 **EFFECTIVE DATE.** This section is effective for applications filed on or after
65.11 July 1, 2007.

65.12 Sec. 33. Minnesota Statutes 2006, section 290B.04, subdivision 4, is amended to read:

65.13 Subd. 4. **Resumption of eligibility certification by taxpayer.** A taxpayer who has
65.14 previously filed an excess-income certification under subdivision 3 may resume program
65.15 participation if the taxpayer's household income for a subsequent year is ~~\$60,000~~ \$75,000
65.16 or less. If the taxpayer chooses to resume program participation, the taxpayer must notify
65.17 the commissioner of revenue in writing by July 1 of the year following a calendar year in
65.18 which the taxpayer's household income is ~~\$60,000~~ \$75,000 or less. The certification must
65.19 state the taxpayer's total household income for the previous calendar year. Once a taxpayer
65.20 resumes participation in the program under this subdivision, participation will continue
65.21 until the taxpayer files a subsequent excess-income certification under subdivision 3 or
65.22 until participation is terminated under section 290B.08, subdivision 1.

65.23 **EFFECTIVE DATE.** This section is effective for applications filed on or after
65.24 July 1, 2007.

65.25 Sec. 34. Minnesota Statutes 2006, section 290B.05, subdivision 1, is amended to read:

65.26 Subdivision 1. **Determination by commissioner.** The commissioner shall
65.27 determine each qualifying homeowner's "annual maximum property tax amount"
65.28 following approval of the homeowner's initial application and following the receipt of a
65.29 resumption of eligibility certification. The "annual maximum property tax amount" equals
65.30 three percent of the homeowner's total household income for the year preceding either the
65.31 initial application or the resumption of eligibility certification, whichever is applicable.
65.32 Following approval of the initial application, the commissioner shall determine the
65.33 qualifying homeowner's "maximum allowable deferral." No tax may be deferred relative

66.1 to the appropriate assessment year for any homeowner whose total household income
66.2 for the previous year exceeds ~~\$60,000~~ \$75,000. No tax shall be deferred in any year in
66.3 which the homeowner does not meet the program qualifications in section 290B.03. The
66.4 maximum allowable total deferral is equal to 75 percent of the assessor's estimated market
66.5 value for the year, less the balance of any mortgage loans and other amounts secured by
66.6 liens against the property at the time of application, including any unpaid and delinquent
66.7 special assessments and interest and any delinquent property taxes, penalties, and interest,
66.8 but not including property taxes payable during the year.

66.9 **EFFECTIVE DATE.** This section is effective for applications received on or after
66.10 July 1, 2007.

66.11 Sec. 35. Minnesota Statutes 2006, section 290B.07, is amended to read:

66.12 **290B.07 LIEN; DEFERRED PORTION.**

66.13 (a) Payment by the state to the county treasurer of property taxes, penalties, interest,
66.14 or special assessments and interest deferred under this chapter is deemed a loan from the
66.15 state to the program participant. The commissioner must ~~compute the interest as provided~~
66.16 ~~in section 270C.40, subdivision 5, but not to exceed five percent, and~~ maintain records of
66.17 the total deferred amount and interest for each participant. Interest shall accrue beginning
66.18 September 1 of the payable year for which the taxes are deferred, provided that no interest
66.19 shall be charged on (1) deferred property tax amounts on applications filed on or after
66.20 July 1, 2007, or (2) deferred property taxes beginning with taxes payable in 2008 on
66.21 applications filed prior to July 1, 2007. Any deferral made under this chapter shall not
66.22 be construed as delinquent property taxes.

66.23 The lien created under section 272.31 continues to secure payment by the taxpayer,
66.24 or by the taxpayer's successors or assigns, of the amount deferred, including interest, with
66.25 respect to all years for which amounts are deferred. The lien for deferred taxes and interest
66.26 has the same priority as any other lien under section 272.31, except that liens, including
66.27 mortgages, recorded or filed prior to the recording or filing of the notice under section
66.28 290B.04, subdivision 2, have priority over the lien for deferred taxes and interest. A
66.29 seller's interest in a contract for deed, in which a qualifying homeowner is the purchaser
66.30 or an assignee of the purchaser, has priority over deferred taxes and interest on deferred
66.31 taxes, regardless of whether the contract for deed is recorded or filed. The lien for deferred
66.32 taxes and interest for future years has the same priority as the lien for deferred taxes and
66.33 interest for the first year, which is always higher in priority than any mortgages or other
66.34 liens filed, recorded, or created after the notice recorded or filed under section 290B.04,

67.1 subdivision 2. The county treasurer or auditor shall maintain records of the deferred
67.2 portion and shall list the amount of deferred taxes for the year and the cumulative deferral
67.3 and interest for all previous years as a lien against the property. In any certification of
67.4 unpaid taxes for a tax parcel, the county auditor shall clearly distinguish between taxes
67.5 payable in the current year, deferred taxes and interest, and delinquent taxes. Payment
67.6 of the deferred portion becomes due and owing at the time specified in section 290B.08.
67.7 Upon receipt of the payment, the commissioner shall issue a receipt for it to the person
67.8 making the payment upon request and shall notify the auditor of the county in which the
67.9 parcel is located, within ten days, identifying the parcel to which the payment applies.
67.10 Upon receipt by the commissioner of revenue of collected funds in the amount of the
67.11 deferral, the state's loan to the program participant is deemed paid in full.

67.12 (b) If property for which taxes have been deferred under this chapter forfeits
67.13 under chapter 281 for nonpayment of a nondeferred property tax amount, or because
67.14 of nonpayment of amounts previously deferred following a termination under section
67.15 290B.08, the lien for the taxes deferred under this chapter, plus interest and costs, shall be
67.16 canceled by the county auditor as provided in section 282.07. However, notwithstanding
67.17 any other law to the contrary, any proceeds from a subsequent sale of the property under
67.18 chapter 282 or another law, must be used to first reimburse the county's forfeited tax sale
67.19 fund for any direct costs of selling the property or any costs directly related to preparing
67.20 the property for sale, and then to reimburse the state for the amount of the canceled lien.
67.21 Within 90 days of the receipt of any sale proceed to which the state is entitled under these
67.22 provisions, the county auditor must pay those funds to the commissioner of revenue by
67.23 warrant for deposit in the general fund. No other deposit, use, distribution, or release of
67.24 gross sale proceeds or receipts may be made by the county until payments sufficient
67.25 to fully reimburse the state for the canceled lien amount have been transmitted to the
67.26 commissioner.

67.27 **EFFECTIVE DATE.** This section is effective July 1, 2007.

67.28 Sec. 36. Minnesota Statutes 2006, section 290C.07, is amended to read:

67.29 **290C.07 CALCULATION OF INCENTIVE PAYMENT.**

67.30 An approved claimant under the sustainable forest incentive program is eligible to
67.31 receive an annual payment. The payment shall equal the greater of:

67.32 (1) the difference between the property tax that would be paid on the land using the
67.33 previous year's statewide average total township tax rate and the class rate for class 2b
67.34 timberland under section 273.13, subdivision 23, paragraph (b), if the land were valued

68.1 at (i) the average statewide timberland market value per acre calculated under section
68.2 290C.06, and (ii) the average statewide timberland current use value per acre calculated
68.3 under section 290C.02, subdivision 5;

68.4 (2) two-thirds of the property tax amount determined by using the previous year's
68.5 statewide average total township tax rate, the estimated market value per acre as calculated
68.6 in section 290C.06, and the class rate for 2b timberland under section 273.13, subdivision
68.7 23, paragraph (b); or

68.8 (3) ~~\$1.50~~ \$5 per acre for each acre enrolled in the sustainable forest incentive
68.9 program.

68.10 **EFFECTIVE DATE.** This section is effective for payments made in 2008 and
68.11 thereafter.

68.12 Sec. 37. **[290D.01] CITATION.**

68.13 This program shall be named the "seasonal recreational property tax deferral
68.14 program."

68.15 **EFFECTIVE DATE.** This section is effective July 1, 2007.

68.16 Sec. 38. **[290D.02] TERMS.**

68.17 Subdivision 1. **Terms.** For purposes of sections 290D.01 to 290D.08, the terms
68.18 defined in this section have the meanings given them.

69.1 Subd. 6. **Special assessments.** "Special assessments" means any assessment, fee, or
69.2 other charge that may be made by law, and that appears on the property tax statement for

69.5 **EFFECTIVE DATE.** This section is effective for applications filed July 1, 2008,
69.6 and thereafter.

69.7 **Sec. 39. [290D.03] QUALIFICATIONS FOR DEFERRAL.**

69.8 In order for an eligible property to qualify for treatment under this program:

69.9 (1) the eligible property must have been owned solely by the primary property owner,
69.10 or jointly with others, for at least 15 years prior to the year the initial application is filed;

69.11 (2) there must be no state or federal tax liens or judgment liens on the eligible
69.12 property;

69.13 (3) there must be no mortgages or other liens on the eligible property that secure
69.14 future advances, except for those subject to credit limits that result in compliance with
69.15 clause (4); and

69.16 (4) the total unpaid balances of debts secured by mortgages and other liens on the
69.17 eligible property, including unpaid and delinquent special assessments and interest and
69.18 any delinquent property taxes, penalties, and interest, but not including property taxes
69.19 payable during the year, must not exceed 60 percent of the assessor's estimated market
69.20 value for the current assessment year.

69.21 **EFFECTIVE DATE.** This section is effective for applications filed July 1, 2008,
69.22 and thereafter.

69.23 **Sec. 40. [290D.04] APPLICATION FOR DEFERRAL.**

69.24 Subdivision 1. **Initial application.** (a) A primary owner of a property meeting
69.25 the qualifications under section 290D.03 may apply to the commissioner for deferral
69.26 of taxes on the eligible property. Applications are due on or before July 1 for deferral
69.27 of any taxes payable in the following year. The application, which must be prescribed
69.28 by the commissioner, shall include the following items and any other information the
69.29 commissioner deems necessary:

69.30 (1) the name, address, and Social Security number of the primary property owner
69.31 and secondary property owners, if any;

69.32 (2) a copy of the property tax statement for the current taxes payable year for the
69.33 eligible property;

70.1 (3) the initial year of ownership of the primary property owner and any second
70.2 property owners of the eligible property;

70.3 (4) information on any mortgage loans or other amounts secured by mortgages or
70.4 other liens against the eligible property, for which purpose the commissioner may require
70.5 the applicant to provide a copy of the mortgage note, the mortgage, or a statement of the
70.6 balance owing on the mortgage loan provided by the mortgage holder. The commissioner
70.7 may require the appropriate documents in connection with obtaining and confirming
70.8 information on unpaid amounts secured by other liens; and

70.9 (5) the signatures of the primary property owner and all other owners, if any, stating
70.10 that each owner agrees to enroll the eligible property in the program to defer property
70.11 taxes under this chapter.

70.12 The application must state that program participation is voluntary. The application
70.13 must also state that program participation includes authorization for the annual deferred
70.14 amount. The deferred property tax calculated by the county and the cumulative deferred
70.15 property tax amount is public data.

70.16 (b) As part of the initial application process, if the property is abstract property, the
70.17 commissioner may require the applicant to obtain at the applicant's cost a report prepared
70.18 by a licensed abstracter showing the last deed and any unsatisfied mortgages, liens,
70.19 judgments, and state and federal tax lien notices which were recorded on or after the date
70.20 of that last deed with respect to the eligible property or to the applicant.

70.21 The certificate or report need not include references to any documents filed or
70.22 recorded more than 40 years prior to the date of the certification or report. The certification
70.23 or report must be as of a date not more than 30 days prior to submission of the application
70.24 under this section.

70.25 The commissioner may also require the county recorder or county registrar of the
70.26 county where the eligible property is located to provide copies of recorded documents
70.27 related to the applicant of the eligible property, for which the recorder or registrar shall
70.28 not charge a fee. The commissioner may use any information available to determine or
70.29 verify eligibility under this section.

70.30 Subd. 2. **Approval; recording.** The commissioner shall approve all initial
70.31 applications that qualify under this chapter and shall notify the primary property owner on
70.32 or before December 1. The commissioner may investigate the facts or require confirmation
70.33 in regard to an application. The commissioner shall record or file a notice of qualification
70.34 for deferral, including the names of the primary and any secondary property owners and a
70.35 legal description of the eligible property, in the office of the county recorder, or registrar of
70.36 titles, whichever is applicable, in the county where the eligible property is located. The

71.1 notice must state that it serves as a notice of lien and that it includes deferrals under this
71.2 section for future years. The primary property owner shall pay the recording or filing fees
71.3 for the notice, which, notwithstanding section 357.18, shall be paid by that owner at the
71.4 time of satisfaction of the lien.

71.5 Subd. 3. **Penalty for failure; investigations.** (a) The commissioner shall assess
71.6 a penalty equal to 20 percent of the property taxes improperly deferred in the case of a
71.7 false application. The commissioner shall assess a penalty equal to 50 percent of the
71.8 property taxes improperly deferred if the taxpayer knowingly filed a false application. The
71.9 commissioner shall assess penalties under this section through the issuance of an order
71.10 under the provisions of chapter 270C. Persons affected by a commissioner's order issued
71.11 under this section may appeal as provided in chapter 270C.

71.12 (b) The commissioner may conduct investigations related to initial applications
71.13 required under this chapter within the period ending 3-1/2 years from the due date of
71.14 the application.

71.15 Subd. 4. **Annual certification to commissioner.** Annually on or before July 1,
71.16 the primary property owner must certify to the commissioner that the person continues
71.17 to qualify as a primary property owner. If the primary owner has died or has transferred
71.18 the property in the preceding year, a certification may be filed by the primary owner's
71.19 spouse, or by one of the secondary owners, provided that the person is currently an
71.20 owner of the property. In this case, the primary owner's spouse or the secondary owner
71.21 shall be considered the primary owner from that point forward. If neither the primary
71.22 owner, the primary owner's spouse, or a secondary owner is eligible to file the required
71.23 annual certification for the property, the property's participation in the program shall be
71.24 terminated, and the procedures in section 290D.07 apply.

71.25 Subd. 5. **Annual notice to primary property owner.** Annually, on or before
71.26 September 1, the commissioner shall notify each primary property owner, in writing, of
71.27 the total cumulative deferred taxes and accrued interest on the qualifying property as of
71.28 that date.

71.29 **EFFECTIVE DATE.** This section is effective for applications filed July 1, 2008,
71.30 and thereafter.

71.31 Sec. 41. **[290D.05] DEFERRED PROPERTY TAX AMOUNT.**

71.32 Subdivision 1. **Calculation of deferred property tax amount.** Each year after
71.33 the county auditor has determined the final property tax rates under section 275.08, the
71.34 "deferred property tax amount" must be calculated on each eligible property. The deferred
71.35 property tax amount is equal to 50 percent of the amount of the difference between (1) the

72.1 total amount of property taxes and special assessments levied upon the eligible property
72.2 for the current year by all taxing jurisdictions and (2) the eligible property's base property
72.3 tax amount. Any tax attributable to new improvements made to the eligible property after
72.4 the initial application has been approved under section 290D.04, subdivision 2, must be
72.5 excluded in determining the deferred property tax amount. The eligible property's total
72.6 current year's tax less the deferred property tax amount for the current year must be listed
72.7 on the property tax statement and is the amount due to the county under chapter 276.
72.8 Reference that the property is enrolled in the seasonal recreational property tax deferral
72.9 program under this chapter and a state lien has been recorded must be clearly printed on
72.10 the statement.

72.11 Subd. 2. **Certification to commissioner.** The county auditor shall annually, on or
72.12 before April 15, certify to the commissioner the property tax deferral amounts determined
72.13 under this section for each eligible property in the county. The commissioner shall
72.14 prescribe the information that is necessary to identify the eligible properties.

72.15 Subd. 3. **Limitation on total amount of deferred taxes.** The total amount of
72.16 deferred taxes and interest on a property, when added to (1) the balance owed on any
72.17 mortgages on the property at the time of initial application; (2) other amounts secured by
72.18 liens on the property at the time of the initial application; and (3) any unpaid and delinquent
72.19 special assessments and interest and any delinquent property taxes, penalties, and interest,
72.20 but not including property taxes payable during the year, must not exceed 60 percent of
72.21 the assessor's estimated market value of the property for the current assessment year.

72.22 **EFFECTIVE DATE.** This section is effective for applications filed July 1, 2008,
72.23 and thereafter.

72.24 Sec. 42. **[290D.06] LIEN; DEFERRED PORTION.**

72.25 (a) Payment by the state to the county treasurer of property taxes, penalties, interest,
72.26 or special assessments and interest, deferred under this chapter is deemed a loan from the
72.27 state to the program participant. The commissioner shall compute the interest as provided
72.28 in section 270C.40, subdivision 5, but not to exceed two percent over the maximum
72.29 interest rate provided in section 290B.07, paragraph (a), and maintain records of the total
72.30 deferred amount and interest for each participant. Interest accrues beginning September 1
72.31 of the payable year for which the taxes are deferred. Any deferral made under this chapter
72.32 must not be construed as delinquent property taxes.

72.33 The lien created under section 272.31 continues to secure payment by the taxpayer,
72.34 or by the taxpayer's successors or assigns, of the amount deferred, including interest, with
72.35 respect to all years for which amounts are deferred. The lien for deferred taxes and interest

73.1 has the same priority as any other lien under section 272.31, except that liens, including
73.2 mortgages, recorded or filed prior to the recording or filing of the notice under section
73.3 290D.04, subdivision 2, have priority over the lien for deferred taxes and interest. A
73.4 seller's interest in a contract for deed, in which a qualifying owner is the purchaser or an
73.5 assignee of the purchaser, has priority over deferred taxes and interest on deferred taxes,
73.6 regardless of whether the contract for deed is recorded or filed. The lien for deferred taxes
73.7 and interest for future years has the same priority as the lien for deferred taxes and interest
73.8 for the first year, which is always higher in priority than any mortgages or other liens filed,
73.9 recorded, or created after the notice recorded or filed under section 290D.04, subdivision
73.10 2. The county treasurer or auditor shall maintain records of the deferred portion and shall
73.11 list the amount of deferred taxes for the year and the cumulative deferral and interest for
73.12 all previous years as a lien against the eligible property. In any certification of unpaid
73.13 taxes for a tax parcel, the county auditor shall clearly distinguish between taxes payable in
73.14 the current year, deferred taxes and interest, and delinquent taxes. Payment of the deferred
73.15 portion becomes due and owing at the time specified in section 290D.07. Upon receipt of
73.16 the payment, the commissioner shall issue a receipt to the person making the payment
73.17 upon request and shall notify the auditor of the county in which the parcel is located,
73.18 within ten days, identifying the parcel to which the payment applies. Upon receipt by the
73.19 commissioner of collected funds in the amount of the deferral, the state's loan to the
73.20 program participant is deemed paid in full.

73.21 (b) If eligible property for which taxes have been deferred under this chapter forfeits
73.22 under chapter 281 for nonpayment of a nondeferred property tax amount, or because
73.23 of nonpayment of amounts previously deferred following a termination under section
73.24 290D.07, the lien for the taxes deferred under this chapter, plus interest and costs, shall be
73.25 canceled by the county auditor as provided in section 282.07. However, notwithstanding
73.26 any other law to the contrary, any proceeds from a subsequent sale of the eligible property
73.27 under chapter 282 or another law, must be used to first reimburse the county's forfeited
73.28 tax sale fund for any direct costs of selling the eligible property or any costs directly
73.29 related to preparing the eligible property for sale, and then to reimburse the state for
73.30 the amount of the canceled lien. Within 90 days of the receipt of any sale proceeds to
73.31 which the state is entitled under these provisions, the county auditor must pay those funds
73.32 to the commissioner by warrant for deposit in the general fund. No other deposit, use,
73.33 distribution, or release of gross sale proceeds or receipts may be made by the county until
73.34 payments sufficient to fully reimburse the state for the canceled lien amount have been
73.35 transmitted to the commissioner.

74.1 **EFFECTIVE DATE.** This section is effective for applications filed July 1, 2008,
74.2 and thereafter.

74.3 Sec. 43. **[290D.07] TERMINATION OF DEFERRAL; PAYMENT OF**
74.4 **DEFERRED TAXES.**

74.5 **Subdivision 1. Termination.** (a) The deferral of taxes granted under this chapter
74.6 terminates when one of the following occurs:

74.7 (1) the eligible property is sold or transferred to someone other than the primary
74.8 owner's spouse or a secondary owner;

74.9 (2) the death of the primary owner, or in the case of a married couple, after the
74.10 death of both spouses, provided that there is not a secondary owner eligible to become
74.11 the primary owner;

74.12 (3) the primary property owner notifies the commissioner, in writing, that all owners,
74.13 including any secondary property owners, desire to discontinue the deferral; or

74.14 (4) the eligible property no longer qualifies under section 290D.03.

74.15 (b) An eligible property is not terminated from the program because no deferred
74.16 property tax amount is determined for any given year after the eligible property's initial
74.17 enrollment into the program.

74.18 (c) An eligible property is not terminated from the program if the eligible property
74.19 subsequently becomes the homestead of one or more of the property owners and the
74.20 property and the owners qualify for, and are immediately enrolled in, the senior deferral
74.21 program under chapter 290B.

74.22 **Subd. 2. Payment upon termination.** Upon the termination of the deferral under
74.23 subdivision 1, the amount of deferred taxes, penalties, interest, and special assessments
74.24 and interest, plus the recording or filing fees under this subdivision and section 290D.04,
74.25 subdivision 2, becomes due and payable to the commissioner within 90 days of termination
74.26 of the deferral for terminations under subdivision 1, paragraph (a), clauses (1) and (2),
74.27 and within one year of termination of the deferral for terminations under subdivision 1,
74.28 paragraph (a), clauses (3) and (4). No additional interest is due on the deferral if timely
74.29 paid. On receipt of payment, the commissioner shall, within ten days, notify the auditor
74.30 of the county in which the parcel is located, identifying the parcel to which the payment
74.31 applies and shall remit the recording or filing fees under this subdivision and section
74.32 290D.04, subdivision 2, to the auditor. A notice of termination of deferral, containing the
74.33 legal description and the recording or filing data for the notice of qualification for deferral
74.34 under section 290D.04, subdivision 2, shall be prepared and recorded or filed by the
74.35 county auditor in the same office in which the notice of qualification for deferral under

75.1 section 290D.04, subdivision 2, was recorded or filed, and the county auditor shall mail a
75.2 copy of the notice of termination to the property owner. The property owner shall pay the
75.3 recording or filing fees. Upon recording or filing of the notice of termination of deferral,
75.4 the notice of qualification for deferral under section 290D.04, subdivision 2, and the lien
75.5 created by it are discharged. If the deferral is not timely paid, the penalty, interest, lien,
75.6 forfeiture, and other rules for the collection of ad valorem property taxes apply.

75.7 **EFFECTIVE DATE.** This section is effective for applications filed July 1, 2008,
75.8 and thereafter.

75.9 Sec. 44. **[290D.08] STATE REIMBURSEMENT.**

75.10 Subdivision 1. **Determination; payment.** The county auditor shall determine the
75.11 total current year's deferred amount of property tax under this chapter in the county, and
75.12 submit those amounts as part of the abstracts of tax lists submitted by the county auditors
75.13 under section 275.29. The commissioner may make changes in the abstracts of tax lists as
75.14 deemed necessary. The commissioner, after such review, shall pay the deferred amount of
75.15 property tax to each county treasurer on or before August 31.

75.16 The county treasurer shall distribute as part of the October settlement the funds
75.17 received as if they had been collected as part of the property tax.

75.18 Subd. 2. **Appropriation.** An amount sufficient to pay the total amount of property
75.19 tax determined under subdivision 1, plus any amounts paid under section 290D.04,
75.20 subdivision 4, is annually appropriated from the general fund to the commissioner.

75.21 **EFFECTIVE DATE.** This section is effective for applications filed July 1, 2008,
75.22 and thereafter.

75.23 Sec. 45. Minnesota Statutes 2006, section 298.75, is amended by adding a subdivision
75.24 to read:

75.25 Subd. 11. **Tax may be imposed; Otter Tail County.** (a) If Otter Tail County
75.26 does not impose a tax under this section and approves imposition of the tax under this
75.27 subdivision, the town of Scambler in Otter Tail County may impose the aggregate
75.28 materials tax under this section.

75.29 (b) For purposes of exercising the powers contained in this section, the "town" is
75.30 deemed to be the "county."

75.31 (c) All provisions in this section apply to the town of Scambler, except that in lieu of
75.32 the tax proceeds under subdivision 7, all proceeds of the tax must be retained by the town.

76.1 (d) If Otter Tail County imposes an aggregate materials tax under this section, the
 76.2 tax imposed by the town of Scambler under this subdivision is repealed on the effective
 76.3 date of the Otter Tail County tax.

76.4 **EFFECTIVE DATE.** This section is effective the day after the governing body
 76.5 of the town of Scambler and its chief clerical officer comply with section 645.021,
 76.6 subdivisions 2 and 3.

76.7 Sec. 46. Minnesota Statutes 2006, section 435.193, is amended to read:

76.8 **435.193 HARDSHIP ASSESSMENT DEFERRAL FOR SENIORS OR,**
 76.9 **DISABLED, OR MILITARY PERSONS.**

76.10 (a) Notwithstanding the provisions of any law to the contrary, any county, statutory
 76.11 or home rule charter city, or town, making a special assessment may, at its discretion, defer
 76.12 the payment of that assessment for any homestead property:

76.13 (1) owned by a person 65 years of age or older or retired by virtue of a permanent
 76.14 and total disability for whom it would be a hardship to make the payments; or

76.15 (2) owned by a person who is a member of the Minnesota National Guard or other
 76.16 military reserves who is ordered into active military service, as defined in section 190.05,
 76.17 subdivision 5b or 5c, as stated in the person's military orders, for whom it would be a
 76.18 hardship to make the payments.

76.19 (b) Any county, statutory or home rule charter city, or town electing to defer
 76.20 special assessments shall adopt an ordinance or resolution establishing standards and
 76.21 guidelines for determining the existence of a hardship and for determining the existence of
 76.22 a disability, but nothing herein shall be construed to prohibit the determination of hardship
 76.23 on the basis of exceptional and unusual circumstances not covered by the standards and
 76.24 guidelines where the determination is made in a nondiscriminatory manner and does not
 76.25 give the applicant an unreasonable preference or advantage over other applicants.

76.26 **EFFECTIVE DATE.** This section is effective the day following final enactment,
 76.27 and applies to any special assessment for which payment is due on or after that date.

76.28 Sec. 47. Minnesota Statutes 2006, section 469.1813, subdivision 1a, is amended to

79.19 make a report to the chairs of the house of representatives and senate tax committees
79.20 consisting of the findings of the study and any recommendations resulting from the study.

79.21 The study must consider to what extent the program is meeting the following goals,
79.22 and what changes could be made to the program in the furtherance of meeting those goals:

79.23 (1) reducing the extent to which the property tax encourages development patterns
79.24 that do not make cost-effective use of public infrastructure or impose other high public
79.25 costs;

79.26 (2) ensuring that the benefits of economic growth of the region are shared throughout
79.27 the region, especially for growth that results from state and/or regional decisions;

79.28 (3) improving the ability of each jurisdiction within the region to deliver services at
79.29 a level commensurate with its tax effort;

80.15 (iii) more prominent and direct references to the programs on the property tax
80.16 statement;

80.17 (iv) notification on the property tax statement envelopes or folders;

80.31 taxpayer participation in the local government budget process, including but not limited to
80.32 the truth-in-taxation process. The report must be delivered by January 15, 2008, to the
80.33 legislature as provided for in Minnesota Statutes, section 3.195. The report must also be

81.1 provided to the chairs of the senate and house of representatives committees and divisions
81.2 with jurisdiction over property taxes.

81.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

81.8 Lake County Board may suspend the apportionment of the balance of net proceeds from
81.9 tax-forfeited lands within the affected political subdivision under Minnesota Statutes,
81.10 section 282.08, clause (4), item (iii), and retain the net proceeds. The authority under this
81.11 paragraph is available until Lake County suspends the apportionment of net proceeds
81.12 subject to item (iii) in the amount of \$2,200,000 plus any interest costs incurred by the
81.13 county to purchase land described in this section. The money received by Lake County is

81.29 additions, by providing the association a copy of the adopted resolution to join. If the
81.30 joint powers agreement does not provide for adding members, a city or town that joins
81.31 after the initial agreement is effective, may join prior to July 1 of the levy year, for taxes
81.32 payable in the following year.

82.1 (b) A city or town may withdraw from the association as otherwise provided in the

90.31 Subd. 4. **Unitary business principle.** (a) If a trade or business conducted wholly
90.32 within this state or partly within and partly without this state is part of a unitary business,
90.33 the entire income of the unitary business is subject to apportionment pursuant to section
90.34 290.191. Notwithstanding subdivision 2, paragraph (c), none of the income of a unitary
90.35 business is considered to be derived from any particular source and none may be allocated

91.1 to a particular place except as provided by the applicable apportionment formula. The
91.2 provisions of this subdivision do not apply to business income subject to subdivision 5,
91.3 income of an insurance company, or income of an investment company determined under
91.4 section 290.36.

91.5 (b) The term "unitary business" means business activities or operations which
91.6 result in a flow of value between them. The term may be applied within a single legal
91.7 entity or between multiple entities and without regard to whether each entity is a sole
91.8 proprietorship, a corporation, a partnership or a trust.

91.9 (c) Unity is presumed whenever there is unity of ownership, operation, and use,
91.10 evidenced by centralized management or executive force, centralized purchasing,
91.11 advertising, accounting, or other controlled interaction, but the absence of these
91.12 centralized activities will not necessarily evidence a nonunitary business. Unity is also
91.13 presumed when business activities or operations are of mutual benefit, dependent upon or
91.14 contributory to one another, either individually or as a group.

91.15 (d) Where a business operation conducted in Minnesota is owned by a business
91.16 entity that carries on business activity outside the state different in kind from that
91.17 conducted within this state, and the other business is conducted entirely outside the state, it
91.18 is presumed that the two business operations are unitary in nature, interrelated, connected,
91.19 and interdependent unless it can be shown to the contrary.

91.20 (e) Unity of ownership is not deemed to exist when a corporation is involved unless
91.21 that corporation is a member of a group of two or more business entities and more than 50
91.22 percent of the voting stock of each member of the group is directly or indirectly owned
91.23 by a common owner or by common owners, either corporate or noncorporate, or by one
91.24 or more of the member corporations of the group. For this purpose, the term "voting
91.25 stock" shall include membership interests of mutual insurance holding companies formed
91.26 under section 66A.40.

91.27 (f) The net income and apportionment factors under section 290.191 or 290.20 of
91.28 foreign corporations and other foreign entities which are part of a unitary business shall
91.29 not be included in the net income or the apportionment factors of the unitary business.
91.30 A foreign corporation or other foreign entity which is required to file a return under this
91.31 chapter shall file on a separate return basis. ~~The net income and apportionment factors~~
91.32 ~~under section 290.191 or 290.20 of foreign operating corporations shall not be included in~~
91.33 ~~the net income or the apportionment factors of the unitary business except as provided in~~
91.34 ~~paragraph (g).~~

91.35 ~~(g) The adjusted net income of a foreign operating corporation shall be deemed to~~
91.36 ~~be paid as a dividend on the last day of its taxable year to each shareholder thereof, in~~

92.1 ~~proportion to each shareholder's ownership, with which such corporation is engaged in~~
92.2 ~~a unitary business. Such deemed dividend shall be treated as a dividend under section~~
92.3 ~~290.21, subdivision 4.~~

92.4 ~~Dividends actually paid by a foreign operating corporation to a corporate shareholder~~
92.5 ~~which is a member of the same unitary business as the foreign operating corporation shall~~
92.6 ~~be eliminated from the net income of the unitary business in preparing a combined report~~
92.7 ~~for the unitary business. The adjusted net income of a foreign operating corporation~~
92.8 ~~shall be its net income adjusted as follows:~~

92.9 ~~(1) any taxes paid or accrued to a foreign country, the commonwealth of Puerto~~
92.10 ~~Rico, or a United States possession or political subdivision of any of the foregoing shall~~
92.11 ~~be a deduction; and~~

92.12 ~~(2) the subtraction from federal taxable income for payments received from foreign~~
92.13 ~~corporations or foreign operating corporations under section 290.01, subdivision 19d,~~
92.14 ~~clause (10), shall not be allowed.~~

92.15 ~~If a foreign operating corporation incurs a net loss, neither income nor deduction~~
92.16 ~~from that corporation shall be included in determining the net income of the unitary~~
92.17 ~~business.~~

92.18 ~~(h)~~ (g) For purposes of determining the net income of a unitary business and the
92.19 factors to be used in the apportionment of net income pursuant to section 290.191 or
92.20 290.20, there must be included only the income and apportionment factors of domestic
92.21 corporations or other domestic entities ~~other than foreign operating corporations~~ that are
92.22 determined to be part of the unitary business pursuant to this subdivision, notwithstanding
92.23 that foreign corporations or other foreign entities might be included in the unitary business,
92.24 except as provided in subdivision 4a. For a controlled foreign corporation, as defined in
92.25 section 957 of the Internal Revenue Code, that is a domestic corporation for the taxable
92.26 year under section 290.01, subdivision 5, its income and apportionment factors for the
92.27 taxable year must be multiplied by a fraction not to exceed one, the numerator of which is
92.28 the subpart F income of the corporation, as defined in section 952 of the Internal Revenue
92.29 Code, for the taxable year and the denominator of which is the earnings and profits of the
92.30 corporation, as defined in section 964 of the Internal Revenue Code, for the taxable year.

92.31 ~~(i) Deductions for expenses, interest, or taxes otherwise allowable under this chapter~~
92.32 ~~that are connected with or allocable against dividends, deemed dividends described~~
92.33 ~~in paragraph (g), or royalties, fees, or other like income described in section 290.01,~~
92.34 ~~subdivision 19d, clause (10), shall not be disallowed.~~

92.35 ~~(j)~~ (h) Each corporation or other entity, except a sole proprietorship, that is part of
92.36 a unitary business must file combined reports as the commissioner determines. On the

93.1 reports, all intercompany transactions between entities included pursuant to paragraph
93.2 ~~(h)~~ (g) must be eliminated and the entire net income of the unitary business determined in
93.3 accordance with this subdivision is apportioned among the entities by using each entity's
93.4 Minnesota factors for apportionment purposes in the numerators of the apportionment
93.5 formula and the total factors for apportionment purposes of all entities included pursuant
93.6 to paragraph ~~(h)~~ (g) in the denominators of the apportionment formula.

93.7 ~~(k)~~ (i) If a corporation has been divested from a unitary business and is included in a
93.8 combined report for a fractional part of the common accounting period of the combined
93.9 report:

93.10 (1) its income includable in the combined report is its income incurred for that part
93.11 of the year determined by proration or separate accounting; and

93.12 (2) its sales, property, and payroll included in the apportionment formula must
93.13 be prorated or accounted for separately.

93.14 **EFFECTIVE DATE.** This section is effective for taxable years beginning after
93.15 December 31, 2006.

93.16 Sec. 7. Minnesota Statutes 2006, section 290.17, is amended by adding a subdivision
93.17 to read:

93.18 **Subd. 4a. Election to include foreign corporations.** (a) Notwithstanding the
93.19 provisions of subdivision 4, paragraph (f), a unitary business may elect to include all
93.20 foreign corporations and other foreign entities that are part of the unitary business in
93.21 the net income and the apportionment factors of the unitary business under the terms
93.22 provided in this subdivision. An election under this subdivision requires all of the income
93.23 and factors of a controlled foreign corporation, treated as a domestic corporation under
93.24 section 290.01, subdivision 5, clause (6), to be included in the combined report. Each
93.25 member of the unitary business must make the election under this subdivision for the
93.26 election to be effective.

93.27 (b) An election or a revocation made under this subdivision must be made in the form
93.28 and manner provided by the commissioner and include any information, consents, or other
93.29 agreements that the commissioner prescribes. The election must be made by the due date
93.30 of the return for the taxable year and applies for that taxable year and the succeeding four
93.31 taxable years or until it is revoked as provided in this paragraph, whichever occurs later.
93.32 Revocation of an election under this subdivision is effective beginning with the first taxable
93.33 year that begins two years after the date the revocation is filed with the commissioner. If a
93.34 taxpayer revokes an election, a subsequent election under this subdivision may not take
93.35 effect until the third taxable year after the revocation became effective.

94.1 (c) For each taxable year in which an election is effective under this subdivision,
 94.2 the net income and apportionment factors of the unitary business must include the net
 94.3 income and apportionment factors of all foreign corporations and other foreign entities
 94.4 that are part of the unitary business.

94.5 (d) The commissioner may waive any of the time requirements under paragraph (b)
 94.6 to the extent necessary to reflect the amount of income fairly attributable to this state.

94.7 (e) Notwithstanding the requirements of paragraph (b), an election under this
 94.8 subdivision is revoked for the current taxable year if one of the following occurs:

94.9 (1) 50 percent or more of the voting stock of the electing corporation is acquired by
 94.10 a nonaffiliated corporation, which has not made an election under this subdivision; or

94.11 (2) if the corporation is completely liquidated during the taxable year, its election
 94.12 does not carry over to the corporation receiving its assets; or

94.13 (3) the corporation acquires 50 percent or more of the stock of a nonaffiliated
 94.14 corporation (or corporations), which has not made an election under this subdivision and
 94.15 which has Minnesota taxable net income for the previous taxable year that equals or
 94.16 exceeds 20 percent of the Minnesota taxable net income of the unitary business, and each
 94.17 member of the unitary business elects, in a form prescribed by the commissioner, to
 94.18 revoke its election under this subdivision.

94.19 (f) If a corporation with an election in effect for the taxable year acquires 50 percent
 94.20 or more of the stock of a nonaffiliated corporation, which has not made an election under
 94.21 this subdivision, and the unitary business does not revoke the election under paragraph (e),
 94.22 clause (3), or does not qualify to revoke the election under paragraph (e), clause (3), the
 94.23 acquired corporation is deemed to have made an election under this subdivision for the
 94.24 term of the election of the unitary business.

94.25 **EFFECTIVE DATE.** This section is effective for taxable years beginning after
 94.26 December 31, 2006.

94.27 Sec. 8. Minnesota Statutes 2006, section 290.191, subdivision 2, is amended to read:

94.28 **Subd. 2. Apportionment formula of general application.** (a) Except for those
 94.29 trades or businesses required to use a different formula under subdivision 3 or section
 94.30 290.36, and for those trades or businesses that receive permission to use some other
 94.31 method under section 290.20 ~~or under subdivision 4~~, a trade or business required to
 94.32 apportion its net income must apportion its income to this state on the basis of the
 94.33 percentage ~~obtained by taking the sum of:~~

94.34 ~~(1) the percent for the sales factor under paragraph (b) of the percentage which~~
 94.35 ~~the sales made within this state in connection with the trade or business during the tax~~

95.1 period are of the total sales wherever made in connection with the trade or business during
 95.2 the tax period;

95.3 ~~(2) the percent for the property factor under paragraph (b) of the percentage which~~
 95.4 ~~the total tangible property used by the taxpayer in this state in connection with the trade or~~
 95.5 ~~business during the tax period is of the total tangible property, wherever located, used by~~
 95.6 ~~the taxpayer in connection with the trade or business during the tax period; and~~

95.7 ~~(3) the percent for the payroll factor under paragraph (b) of the percentage which~~
 95.8 ~~the taxpayer's total payrolls paid or incurred in this state or paid in respect to labor~~
 95.9 ~~performed in this state in connection with the trade or business during the tax period are~~
 95.10 ~~of the taxpayer's total payrolls paid or incurred in connection with the trade or business~~
 95.11 ~~during the tax period.~~

95.12 ~~(b) For purposes of paragraph (a) and subdivision 3, the following percentages apply~~
 95.13 ~~for the taxable years specified:~~

95.27 **EFFECTIVE DATE.** This section is effective for taxable years beginning after
 95.28 December 31, 2007, provided that for purposes of taxable years beginning during calendar
 95.29 year 2007 for Minnesota Statutes, section 290.191, subdivisions 2 and 3, the sales factor
 95.30 percent is 82 and property and payroll factor percents are each nine.

95.31 Sec. 9. Minnesota Statutes 2006, section 290.191, subdivision 3, is amended to read:

95.32 Subd. 3. **Apportionment formula for financial institutions.** Except for an
 95.33 investment company required to apportion its income under section 290.36, a financial
 95.34 institution that is required to apportion its net income must apportion its net income to this
 95.35 state on the basis of the percentage ~~obtained by taking the sum of:~~

95.36 ~~(1) the percent for the sales factor under subdivision 2, paragraph (b), of the~~
 95.37 ~~percentage which the receipts from within this state in connection with the trade or~~

96.1 business during the tax period are of the total receipts in connection with the trade or
 96.2 business during the tax period, from wherever derived;

96.3 ~~(2) the percent for the property factor under subdivision 2, paragraph (b), of the~~
 96.4 ~~percentage which the sum of the total tangible property used by the taxpayer in this~~
 96.5 ~~state and the intangible property owned by the taxpayer and attributed to this state in~~
 96.6 ~~connection with the trade or business during the tax period is of the sum of the total~~
 96.7 ~~tangible property, wherever located, used by the taxpayer and the intangible property~~
 96.8 ~~owned by the taxpayer and attributed to all states in connection with the trade or business~~
 96.9 ~~during the tax period; and~~

96.10 ~~(3) the percent for the payroll factor under subdivision 2, paragraph (b), of the~~
 96.11 ~~percentage which the taxpayer's total payrolls paid or incurred in this state or paid in~~
 96.12 ~~respect to labor performed in this state in connection with the trade or business during~~
 96.13 ~~the tax period are of the taxpayer's total payrolls paid or incurred in connection with~~
 96.14 ~~the trade or business during the tax period.~~

96.15 **EFFECTIVE DATE.** This section is effective for taxable years beginning after
 96.16 December 31, 2007, provided that for purposes of taxable years beginning during calendar
 96.17 year 2007 for Minnesota Statutes, section 290.191, subdivisions 2 and 3, the sales factor
 96.18 percent is 82 and property and payroll factor percents are each nine.

96.19 Sec. 10. Minnesota Statutes 2006, section 290.191, subdivision 5, is amended to read:

96.20 Subd. 5. **Determination of sales factor.** For purposes of this section, the following
 96.21 rules apply in determining the sales factor.

96.22 (a) The sales factor includes all sales, gross earnings, or receipts received in the
 96.23 ordinary course of the business, except that the following types of income are not included
 96.24 in the sales factor:

96.25 (1) interest;

96.26 (2) dividends;

96.27 (3) sales of capital assets as defined in section 1221 of the Internal Revenue Code;

96.28 (4) sales of property used in the trade or business, except sales of leased property of
 96.29 a type which is regularly sold as well as leased; or

96.30 (5) sales of debt instruments as defined in section 1275(a)(1) of the Internal Revenue
 96.31 Code or sales of stock; ~~and~~

96.32 ~~(6) royalties, fees, or other like income of a type which qualify for a subtraction from~~
 96.33 ~~federal taxable income under section 290.01, subdivision 19d(10).~~

96.34 (b) Sales of tangible personal property are made within this state if the property is
 96.35 received by a purchaser at a point within this state, and the taxpayer is taxable in this state,

97.1 regardless of the f.o.b. point, other conditions of the sale, or the ultimate destination
97.2 of the property.

97.3 (c) Tangible personal property delivered to a common or contract carrier or foreign
97.4 vessel for delivery to a purchaser in another state or nation is a sale in that state or nation,
97.5 regardless of f.o.b. point or other conditions of the sale.

97.6 (d) Notwithstanding paragraphs (b) and (c), when intoxicating liquor, wine,
97.7 fermented malt beverages, cigarettes, or tobacco products are sold to a purchaser who is
97.8 licensed by a state or political subdivision to resell this property only within the state of
97.9 ultimate destination, the sale is made in that state.

97.10 (e) Sales made by or through a corporation that is qualified as a domestic
97.11 international sales corporation under section 992 of the Internal Revenue Code are not
97.12 considered to have been made within this state.

97.13 (f) Sales, rents, royalties, and other income in connection with real property is
97.14 attributed to the state in which the property is located.

97.15 (g) Receipts from the lease or rental of tangible personal property, including finance
97.16 leases and true leases, must be attributed to this state if the property is located in this
97.17 state and to other states if the property is not located in this state. Receipts from the
97.18 lease or rental of moving property including, but not limited to, motor vehicles, rolling
97.19 stock, aircraft, vessels, or mobile equipment are included in the numerator of the receipts
97.20 factor to the extent that the property is used in this state. The extent of the use of moving
97.21 property is determined as follows:

97.22 (1) A motor vehicle is used wholly in the state in which it is registered.

97.23 (2) The extent that rolling stock is used in this state is determined by multiplying
97.24 the receipts from the lease or rental of the rolling stock by a fraction, the numerator of
97.25 which is the miles traveled within this state by the leased or rented rolling stock and the
97.26 denominator of which is the total miles traveled by the leased or rented rolling stock.

97.27 (3) The extent that an aircraft is used in this state is determined by multiplying the
97.28 receipts from the lease or rental of the aircraft by a fraction, the numerator of which is
97.29 the number of landings of the aircraft in this state and the denominator of which is the
97.30 total number of landings of the aircraft.

97.31 (4) The extent that a vessel, mobile equipment, or other mobile property is used in
97.32 the state is determined by multiplying the receipts from the lease or rental of the property
97.33 by a fraction, the numerator of which is the number of days during the taxable year the
97.34 property was in this state and the denominator of which is the total days in the taxable year.

97.35 (h) Royalties and other income not described in paragraph (a), clause (6), received
97.36 for the use of or for the privilege of using intangible property, including patents,

98.1 know-how, formulas, designs, processes, patterns, copyrights, trade names, service names,
98.2 franchises, licenses, contracts, customer lists, or similar items, must be attributed to the
98.3 state in which the property is used by the purchaser. If the property is used in more
98.4 than one state, the royalties or other income must be apportioned to this state pro rata
98.5 according to the portion of use in this state. If the portion of use in this state cannot be
98.6 determined, the royalties or other income must be excluded from both the numerator
98.7 and the denominator. Intangible property is used in this state if the purchaser uses the
98.8 intangible property or the rights therein in the regular course of its business operations in
98.9 this state, regardless of the location of the purchaser's customers.

98.10 (i) Sales of intangible property are made within the state in which the property is
98.11 used by the purchaser. If the property is used in more than one state, the sales must be
98.12 apportioned to this state pro rata according to the portion of use in this state. If the
98.13 portion of use in this state cannot be determined, the sale must be excluded from both the
98.14 numerator and the denominator of the sales factor. Intangible property is used in this
98.15 state if the purchaser used the intangible property in the regular course of its business
98.16 operations in this state.

98.17 (j) Receipts from the performance of services must be attributed to the state where
98.18 the services are received. For the purposes of this section, receipts from the performance
98.19 of services provided to a corporation, partnership, or trust may only be attributed to a state
98.20 where it has a fixed place of doing business. If the state where the services are received is
98.21 not readily determinable or is a state where the corporation, partnership, or trust receiving
98.22 the service does not have a fixed place of doing business, the services shall be deemed
98.23 to be received at the location of the office of the customer from which the services were
98.24 ordered in the regular course of the customer's trade or business. If the ordering office
98.25 cannot be determined, the services shall be deemed to be received at the office of the
98.26 customer to which the services are billed. For purposes of this subdivision and subdivision
98.27 6, paragraph (l), receipts from the performance of services provided by corporations
98.28 or trusts, providing management, distribution, or administrative services to any fund
98.29 regulated under the Investment Company Act of 1940, are attributed to the states where
98.30 each fund's shareholders reside as determined by the mailing address furnished by the
98.31 client, based on the average number of outstanding shares owned by the shareholders at
98.32 the end of each month compared to the total number of outstanding shares. For purposes
98.33 of this section, when a fund shareholder of record is an insurance company holding the
98.34 shares as depositor for policyholders, the corporation can elect to treat the policyholders
98.35 of the insurance company as the fund shareholders. This election applies to all fund

99.1 shareholders that are insurance companies and is irrevocable for, and applicable for, five
99.2 successive income years.

99.3 **EFFECTIVE DATE.** This section is effective for taxable years beginning after
99.4 December 31, 2006, except the amendments to paragraph (j) are effective for taxable
99.5 years beginning after December 31, 2007.

99.6 Sec. 11. Minnesota Statutes 2006, section 290.21, subdivision 4, is amended to read:

99.7 Subd. 4. **Dividends received from another corporation.** (a)(1) Eighty percent
99.8 of dividends received by a corporation during the taxable year from another corporation,
99.9 in which the recipient owns 20 percent or more of the stock, by vote and value, not
99.10 including stock described in section 1504(a)(4) of the Internal Revenue Code when the
99.11 corporate stock with respect to which dividends are paid does not constitute the stock in
99.12 trade of the taxpayer or would not be included in the inventory of the taxpayer, or does not
99.13 constitute property held by the taxpayer primarily for sale to customers in the ordinary
99.14 course of the taxpayer's trade or business, or when the trade or business of the taxpayer
99.15 does not consist principally of the holding of the stocks and the collection of the income
99.16 and gains therefrom; and

99.17 (2)(i) the remaining 20 percent of dividends if the dividends received are the stock in
99.18 an affiliated company transferred in an overall plan of reorganization and the dividend
99.19 is eliminated in consolidation under Treasury Department Regulation 1.1502-14(a), as
99.20 amended through December 31, 1989;

99.21 (ii) the remaining 20 percent of dividends if the dividends are received from a
99.22 corporation which is subject to tax under section 290.36 and which is a member of an
99.23 affiliated group of corporations as defined by the Internal Revenue Code and the dividend
99.24 is eliminated in consolidation under Treasury Department Regulation 1.1502-14(a), as
99.25 amended through December 31, 1989, or is deducted under an election under section
99.26 243(b) of the Internal Revenue Code; or

99.27 (iii) the remaining 20 percent of the dividends if the dividends are received from a
99.28 property and casualty insurer as defined under section 60A.60, subdivision 8, which is a
99.29 member of an affiliated group of corporations as defined by the Internal Revenue Code
99.30 and either: (A) the dividend is eliminated in consolidation under Treasury Regulation
99.31 1.1502-14(a), as amended through December 31, 1989; or (B) the dividend is deducted
99.32 under an election under section 243(b) of the Internal Revenue Code.

99.33 (b) Seventy percent of dividends received by a corporation during the taxable year
99.34 from another corporation in which the recipient owns less than 20 percent of the stock,
99.35 by vote or value, not including stock described in section 1504(a)(4) of the Internal

100.1 Revenue Code when the corporate stock with respect to which dividends are paid does not
100.2 constitute the stock in trade of the taxpayer, or does not constitute property held by the
100.3 taxpayer primarily for sale to customers in the ordinary course of the taxpayer's trade or
100.4 business, or when the trade or business of the taxpayer does not consist principally of the
100.5 holding of the stocks and the collection of income and gain therefrom.

100.6 (c) The dividend deduction provided in this subdivision shall be allowed only with
100.7 respect to dividends that are included in a corporation's Minnesota taxable net income
100.8 for the taxable year.

100.9 The dividend deduction provided in this subdivision does not apply to a dividend
100.10 from a corporation which, for the taxable year of the corporation in which the distribution
100.11 is made or for the next preceding taxable year of the corporation, is a corporation exempt
100.12 from tax under section 501 of the Internal Revenue Code.

100.13 The dividend deduction provided in this subdivision applies to the amount of
100.14 regulated investment company dividends only to the extent determined under section
100.15 854(b) of the Internal Revenue Code.

100.16 The dividend deduction provided in this subdivision shall not be allowed with
100.17 respect to any dividend for which a deduction is not allowed under the provisions of
100.18 section 246(c) of the Internal Revenue Code.

100.19 (d) If dividends received by a corporation that does not have nexus with Minnesota
100.20 under the provisions of Public Law 86-272 are included as income on the return of an
100.21 affiliated corporation permitted or required to file a combined report under section 290.34,
100.22 subdivision 2, then for purposes of this subdivision the determination as to whether the
100.23 trade or business of the corporation consists principally of the holding of stocks and the
100.24 collection of income and gains therefrom shall be made with reference to the trade or
100.25 business of the affiliated corporation having a nexus with Minnesota.

106.5 to another person for human organ transplantation. For purposes of this clause, "organ"
106.6 means all or part of an individual's liver, pancreas, kidney, intestine, lung, or bone marrow;
106.7 "human organ transplantation" means the medical procedure by which transfer of a human

106.9 expenses" means unreimbursed expenses for both the individual and the qualified donor
106.10 for (i) travel, (ii) lodging, and (iii) lost wages net of sick pay, except that such expenses
106.11 may be subtracted under this clause only once; and "qualified donor" means the individual

- 107.20 (4) On all over \$400,000, 9 percent.

107.21 Married individuals filing separate returns, estates, and trusts must compute their
107.22 income tax by applying the above rates to their taxable income, except that the income
107.23 brackets will be one-half of the above amounts.

107.24 (b) The income taxes imposed by this chapter upon unmarried individuals must be
107.25 computed by applying to taxable net income the following schedule of rates:

109.1 in the rate brackets. The rate brackets as adjusted must be rounded to the nearest \$10
109.2 amount. If the rate bracket ends in \$5, it must be rounded up to the nearest \$10 amount.

109.3 (b) The commissioner shall adjust the rate brackets and by the percentage determined
109.4 pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in
109.5 section 1(f)(3)(B) the word "~~1999~~" "2006" shall be substituted for the word "1992." For
109.6 ~~2001~~ 2008, the commissioner shall then determine the percent change from the 12 months
109.7 ending on August 31, ~~1999~~ 2006, to the 12 months ending on August 31, ~~2000~~ 2007, and
109.8 in each subsequent year, from the 12 months ending on August 31, ~~1999~~ 2006, to the 12
109.9 months ending on August 31 of the year preceding the taxable year. The determination of
109.10 the commissioner pursuant to this subdivision shall not be considered a "rule" and shall
109.11 not be subject to the Administrative Procedure Act contained in chapter 14.

109.12 No later than December 15 of each year, the commissioner shall announce the
109.13 specific percentage that will be used to adjust the tax rate brackets.

109.14 **EFFECTIVE DATE.** This section is effective for taxable years beginning after
109.15 December 31, 2006.

109.16 Sec. 8. Minnesota Statutes 2006, section 290.06, is amended by adding a subdivision
109.17 to read:

109.18 **Subd. 34. Dairy investment credit.** (a) A dairy investment credit is allowed against
109.19 the tax due under this chapter equal to ten percent of the amount paid or incurred by the
109.20 taxpayer, on the first \$500,000 of qualifying expenditures made in the qualifying period by
109.21 a person who raises dairy animals in this state.

109.22 (b) For purposes of this subdivision, "qualifying expenditures" means the amount
109.23 spent for:

109.24 (1) the acquisition, construction, or improvement of buildings or facilities, if related
109.25 to dairy animals;

109.26 (2) the development of pasture owned or rented by the taxpayer for the use of dairy
109.27 animals; or

109.28 (3) the acquisition of equipment for dairy animal housing, for confinement, for
109.29 animal feeding, for production and delivery of milk and other dairy products, and for
109.30 waste management, including the following, if related to dairy animals in this state:

109.31 (i) freestall barns;

109.32 (ii) fences;

109.33 (iii) watering facilities;

109.34 (iv) feed storage and handling equipment;

109.35 (v) milking parlors;

- 110.1 (vi) robotic equipment;
110.2 (vii) scales;
110.3 (viii) milk storage and cooling facilities;
110.4 (ix) bulk tanks;
110.5 (x) manure pumping and storage facilities;
110.6 (xi) digesters;
110.7 (xii) equipment used to produce energy; and
110.8 (xiii) on-farm processing and refrigerated trucks for delivery of milk and other
110.9 dairy products.

110.10 Qualifying expenditures, other than expenditures for development of pasture, only
110.11 include amounts that are capitalized and deducted under either section 167 or 179 of the
110.12 Internal Revenue Code in computing federal taxable income. Qualifying expenditures
110.13 for development of pasture must not include land acquisition and are limited to soil
110.14 preparation expenses, seed costs, planting costs, and weed control, which are allowed once
110.15 for each acre owned or rented by the taxpayer for the use of dairy animals and developed
110.16 into pasture during the qualifying period.

110.17 (c) The credit is limited to the liability for tax, as computed under this chapter for the
110.18 taxable year. If the amount of the credit determined under this section for any taxable year
110.19 exceeds this limitation, the excess is a dairy investment credit carryover to each of the 15
110.20 succeeding taxable years. The entire amount of the excess unused credit for the taxable
110.21 year is carried first to the earliest of the taxable years to which the credit may be carried
110.22 and then to each successive year to which the credit may be carried. The amount of the
110.23 unused credit which may be added under this paragraph shall not exceed the taxpayer's
110.24 liability for tax less the dairy investment credit for the taxable year.

110.25 (d) The qualifying period is that time after December 31, 2006, and before January
110.26 1, 2013.

110.27 (e) The \$50,000 maximum credit applies at the entity level for partnerships, S
110.28 corporations, trusts, and estates as well as at the individual level. In the case of married
110.29 individuals, the credit is limited to \$50,000 for a married couple.

110.30 **EFFECTIVE DATE.** This section is effective for taxable years beginning after
110.31 December 31, 2006.

110.32 Sec. 9. Minnesota Statutes 2006, section 290.067, subdivision 1, is amended to read:

110.33 Subdivision 1. **Amount of credit.** (a) A taxpayer may take as a credit against the
110.34 tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to the

111.1 dependent care credit for which the taxpayer is eligible pursuant to the provisions of
111.2 section 21 of the Internal Revenue Code subject to the limitations provided in subdivision
111.3 2 except that in determining whether the child qualified as a dependent, income received
111.4 as a Minnesota family investment program grant or allowance to or on behalf of the child
111.5 must not be taken into account in determining whether the child received more than half
111.6 of the child's support from the taxpayer, and the provisions of section 32(b)(1)(D) of
111.7 the Internal Revenue Code do not apply.

111.8 (b) If a child who has not attained the age of ~~six~~ 13 years at the close of the taxable
111.9 year is cared for at a licensed family day care home operated by the child's parent, the
111.10 taxpayer is deemed to have paid employment-related expenses. If the child is 16 months
111.11 old or younger at the close of the taxable year, the amount of expenses deemed to have
111.12 been paid equals the maximum limit for one qualified individual under section 21(c) and
111.13 (d) of the Internal Revenue Code. If the child is older than 16 months of age but has not
111.14 attained the age of ~~six~~ 13 years at the close of the taxable year, the amount of expenses
111.15 deemed to have been paid equals the amount the licensee would charge for the care of a
111.16 child of the same age for the same number of hours of care.

111.17 (c) If a married couple:

111.18 (1) has a child who has not attained the age of one year at the close of the taxable
111.19 year;

111.20 (2) files a joint tax return for the taxable year; and

111.21 (3) does not participate in a dependent care assistance program as defined in section
111.22 129 of the Internal Revenue Code, in lieu of the actual employment related expenses paid
111.23 for that child under paragraph (a) or the deemed amount under paragraph (b), the lesser of
111.24 (i) the combined earned income of the couple or (ii) the amount of the maximum limit for
111.25 one qualified individual under section 21(c) and (d) of the Internal Revenue Code will
111.26 be deemed to be the employment related expense paid for that child. The earned income
111.27 limitation of section 21(d) of the Internal Revenue Code shall not apply to this deemed
111.28 amount. These deemed amounts apply regardless of whether any employment-related
111.29 expenses have been paid.

111.30 (d) If the taxpayer is not required and does not file a federal individual income tax
111.31 return for the tax year, no credit is allowed for any amount paid to any person unless:

111.32 (1) the name, address, and taxpayer identification number of the person are included
111.33 on the return claiming the credit; or

111.34 (2) if the person is an organization described in section 501(c)(3) of the Internal
111.35 Revenue Code and exempt from tax under section 501(a) of the Internal Revenue Code,
111.36 the name and address of the person are included on the return claiming the credit.

112.1 In the case of a failure to provide the information required under the preceding sentence,
112.2 the preceding sentence does not apply if it is shown that the taxpayer exercised due
112.3 diligence in attempting to provide the information required.

112.4 In the case of a nonresident, part-year resident, or a person who has earned income
112.5 not subject to tax under this chapter including earned income excluded pursuant to section
112.6 290.01, subdivision 19b, clause (10) or (16), the credit determined under section 21 of the
112.7 Internal Revenue Code must be allocated based on the ratio by which the earned income
112.8 of the claimant and the claimant's spouse from Minnesota sources bears to the total earned
112.9 income of the claimant and the claimant's spouse.

112.10 For residents of Minnesota, the subtractions for military pay under section 290.01,
112.11 subdivision 19b, clauses (11) and (12), are not considered "earned income not subject to
112.12 tax under this chapter."

112.13 For residents of Minnesota, the exclusion of combat pay under section 112 of the
112.14 Internal Revenue Code is not considered "earned income not subject to tax under this
112.15 chapter."

112.16 **EFFECTIVE DATE.** This section is effective for taxable years beginning after
112.17 December 31, 2006.

112.18 Sec. 10. Minnesota Statutes 2006, section 290.0677, subdivision 1, is amended to read:

112.19 Subdivision 1. **Credit allowed.** (a) An individual is allowed a credit against the tax
112.20 due under this chapter equal to \$59 for each month or portion thereof that the individual
112.21 was in active military service in a designated area after September 11, 2001, and before
112.22 January 1, 2007, while a Minnesota domiciliary.

112.23 (b) An individual is allowed a credit against the tax due under this chapter equal to
112.24 \$120 for each month or portion thereof that the individual was in active military service in
112.25 a designated area after December 31, 2006, while a Minnesota domiciliary.

112.26 (c) For active service performed after September 11, 2001, and before December 31,
112.27 2006, the individual may claim the credit in the taxable year beginning after December 31,
112.28 2005, and before January 1, 2007.

112.29 (e) (d) For active service performed after December 31, 2006, the individual may
112.30 claim the credit for the taxable year in which the active service was performed.

112.31 (d) (e) ~~If a Minnesota domiciliary is killed while performing active military service~~
112.32 ~~in a designated area, the individual's surviving spouse or dependent child may take the~~
112.33 ~~credit in the taxable year of the death. If a Minnesota domiciliary was killed while~~
112.34 ~~performing active military service in a designated area between September 11, 2001, and~~
112.35 ~~December 31, 2006, the individual's surviving spouse or dependent child may claim this~~

113.1 ~~credit in the taxable year beginning after December 31, 2005, and before January 1, 2007~~
113.2 ~~an individual entitled to the credit died prior to January 1, 2006, the individual's estate or~~
113.3 ~~heirs at law, if the individual's probate estate has closed or the estate was not probated,~~
113.4 ~~may claim the credit.~~

113.5 **EFFECTIVE DATE.** This section is effective for taxable years beginning after
113.6 December 31, 2006, except that paragraph (e) is effective retroactively for tax years
113.7 beginning after December 31, 2005.

113.8 Sec. 11. **[290.0678] CREDIT FOR HISTORIC STRUCTURE**
113.9 **REHABILITATION.**

113.10 Subdivision 1. **Definitions.** (a) For purposes of this section the following terms
113.11 have the meanings given.

113.12 (b) "Certified historic structure" has the meaning given in section 47(c)(3)(A) of the
113.13 Internal Revenue Code.

113.14 Subd. 2. **Credit allowed; certified historic structure.** A taxpayer who claims a
113.15 credit under section 47(a)(2) of the Internal Revenue Code for the taxable year is allowed
113.16 a credit against the tax due under this chapter for rehabilitation of a certified historic
113.17 structure that is located in Minnesota. The credit is equal to 100 percent of the credit
113.18 allowed for rehabilitation of a certified historic structure under section 47(a)(2) of the
113.19 Internal Revenue Code, but is limited to credits generated by rehabilitation of certified
113.20 historic structures that are placed in service during the taxable year.

113.21 Subd. 3. **Partnerships; multiple owners.** Credits granted to a partnership, a
113.22 limited liability company taxed as a partnership, or multiple owners of property shall be
113.23 passed through to the partners, members, or owners, respectively, pro rata to each partner,
113.24 member, or owner based on their share of the entity's assets.

113.25 Subd. 4. **Credit refundable.** If the amount of credit that the taxpayer is eligible to
113.26 receive under this section exceeds the liability for tax under this chapter, the commissioner
113.27 shall refund the excess to the claimant.

113.28 Subd. 5. **Appropriation.** An amount sufficient to pay the refunds authorized under
113.29 this section is appropriated to the commissioner of revenue from the general fund.

113.30 Subd. 6. **Manner of claiming.** The commissioner shall prescribe the manner in
113.31 which the credit may be issued or claimed. This may include allowing the credit only as
113.32 a separately processed claim for refund.

113.33 Subd. 7. **Report; determination of economic impact.** The Minnesota Historical
113.34 Society shall annually determine the economic impact to the state from the rehabilitation
113.35 of property for which credits are provided under this section and provide a written report

114.1 on the impact to the committees on taxes of the senate and house of representatives, in
114.2 compliance with sections 3.195 and 3.197.

114.3 **EFFECTIVE DATE.** This section is effective for taxable years beginning after
114.4 December 31, 2006.

114.5 Sec. 12. Minnesota Statutes 2006, section 290.091, subdivision 3, is amended to read:

114.6 Subd. 3. **Exemption amount.** (a) For purposes of computing the alternative
114.7 minimum tax, the exemption amount is:

114.8 ~~(1) for taxable years beginning before January 1, 2006, the exemption determined~~
114.9 ~~under section 55(d) of the Internal Revenue Code, as amended through December 31,~~
114.10 ~~1992; and~~

114.11 ~~(2),~~ for taxable years beginning after December 31, 2005, \$60,000 for married
114.12 couples filing joint returns, \$30,000 for married individuals filing separate returns, estates,
114.13 and trusts, and \$45,000 for unmarried individuals.

114.14 (b) The exemption amount determined under this subdivision is subject to the phase
114.15 out under section 55(d)(3) of the Internal Revenue Code, except that alternative minimum
114.16 taxable income as determined under this section must be substituted in the computation
114.17 of the phase out, and the income threshold used in the phaseout must be adjusted for
114.18 inflation as provided in paragraph (c).

114.19 (c) For taxable years beginning after December 31, 2006, the exemption amount
114.20 under paragraph (a), clause (2), and the income threshold for the phaseout under paragraph
114.21 (b) must be adjusted for inflation. The commissioner shall make the inflation adjustments
114.22 in accordance with section 1(f) of the Internal Revenue Code except that for the purposes
114.23 of this subdivision the percentage increase must be determined from the year starting
114.24 September 1, 2005, and ending August 31, 2006, as the base year for adjusting for inflation
114.25 for the tax year beginning after December 31, 2006. The commissioner shall adjust the
114.26 exemption amount and phaseout threshold by the percentage determined pursuant to the
114.27 provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B)
114.28 the word "2005" shall be substituted for the word "1992." For 2007, the commissioner
114.29 shall then determine the percentage change from the 12 months ending on August 31,
114.30 2005, to the 12 months ending on August 31, 2006, and in each subsequent year, from the
114.31 12 months ending on August 31, 2005, to the 12 months ending on August 31 of the year
114.32 preceding the taxable year. The exemption amount and phaseout threshold as adjusted
114.33 must be rounded to the nearest \$10. If the amount ends in \$5, it must be rounded up to the
114.34 nearest \$10 amount. The determination of the commissioner under this subdivision is not
114.35 a rule under the Administrative Procedure Act.

115.1 **EFFECTIVE DATE.** This section is effective for taxable years beginning after
115.2 December 31, 2006.

115.3 Sec. 13. Minnesota Statutes 2006, section 290.17, subdivision 2, is amended to read:

115.4 Subd. 2. **Income not derived from conduct of a trade or business.** The income of
115.5 a taxpayer subject to the allocation rules that is not derived from the conduct of a trade or
115.6 business must be assigned in accordance with paragraphs (a) to (f):

115.7 (a)(1) Subject to paragraphs (a)(2); and (a)(3), ~~and (a)(4)~~; income from wages as
115.8 defined in section 3401(a) and (f) of the Internal Revenue Code is assigned to this state if,
115.9 and to the extent that, the work of the employee is performed within it; all other income
115.10 from such sources is treated as income from sources without this state.

115.11 Severance pay shall be considered income from labor or personal or professional
115.12 services.

115.13 (2) In the case of an individual who is a nonresident of Minnesota and who is an
115.14 athlete or entertainer, income from compensation for labor or personal services performed
115.15 within this state shall be determined in the following manner:

115.16 (i) The amount of income to be assigned to Minnesota for an individual who is a
115.17 nonresident salaried athletic team employee shall be determined by using a fraction in
115.18 which the denominator contains the total number of days in which the individual is under
115.19 a duty to perform for the employer, and the numerator is the total number of those days
115.20 spent in Minnesota. For purposes of this paragraph, off-season training activities, unless
115.21 conducted at the team's facilities as part of a team imposed program, are not included in
115.22 the total number of duty days. Bonuses earned as a result of play during the regular season
115.23 or for participation in championship, play-off, or all-star games must be allocated under
115.24 the formula. Signing bonuses are not subject to allocation under the formula if they are
115.25 not conditional on playing any games for the team, are payable separately from any other
115.26 compensation, and are nonrefundable; and

115.27 (ii) The amount of income to be assigned to Minnesota for an individual who is a
115.28 nonresident, and who is an athlete or entertainer not listed in clause (i), for that person's
115.29 athletic or entertainment performance in Minnesota shall be determined by assigning to
115.30 this state all income from performances or athletic contests in this state.

115.31 (3) For purposes of this section, amounts received by a nonresident as "retirement
115.32 income" as defined in section (b)(1) of the State Income Taxation of Pension Income
115.33 Act, Public Law 104-95, are not considered income derived from carrying on a trade
115.34 or business or from wages or other compensation for work an employee performed in
115.35 Minnesota, and are not taxable under this chapter.

116.1 ~~(4) Wages, otherwise assigned to this state under clause (1) and not qualifying under~~
116.2 ~~clause (3), are not taxable under this chapter if the following conditions are met:~~

116.3 ~~(i) the recipient was not a resident of this state for any part of the taxable year in~~
116.4 ~~which the wages were received; and~~

116.5 ~~(ii) the wages are for work performed while the recipient was a resident of this state.~~

116.6 (b) Income or gains from tangible property located in this state that is not employed
116.7 in the business of the recipient of the income or gains must be assigned to this state.

116.8 (c) Income or gains from intangible personal property not employed in the business
116.9 of the recipient of the income or gains must be assigned to this state if the recipient of the
116.10 income or gains is a resident of this state or is a resident trust or estate.

116.11 Gain on the sale of a partnership interest is allocable to this state in the ratio of the
116.12 original cost of partnership tangible property in this state to the original cost of partnership
116.13 tangible property everywhere, determined at the time of the sale. If more than 50 percent
116.14 of the value of the partnership's assets consists of intangibles, gain or loss from the sale
116.15 of the partnership interest is allocated to this state in accordance with the sales factor of
116.16 the partnership for its first full tax period immediately preceding the tax period of the
116.17 partnership during which the partnership interest was sold.

116.18 Gain on the sale of goodwill or income from a covenant not to compete that is
116.19 connected with a business operating all or partially in Minnesota is allocated to this state
116.20 to the extent that the income from the business in the year preceding the year of sale was
116.21 assignable to Minnesota under subdivision 3.

116.22 When an employer pays an employee for a covenant not to compete, the income
116.23 allocated to this state is in the ratio of the employee's service in Minnesota in the calendar
116.24 year preceding leaving the employment of the employer over the total services performed
116.25 by the employee for the employer in that year.

116.26 (d) Income from winnings on a bet made by an individual while in Minnesota is
116.27 assigned to this state. In this paragraph, "bet" has the meaning given in section 609.75,
116.28 subdivision 2, as limited by section 609.75, subdivision 3, clauses (1), (2), and (3).

116.29 (e) All items of gross income not covered in paragraphs (a) to (d) and not part of the
116.30 taxpayer's income from a trade or business shall be assigned to the taxpayer's domicile.

116.31 (f) For the purposes of this section, working as an employee shall not be considered
116.32 to be conducting a trade or business.

116.33 **EFFECTIVE DATE.** This section is effective for taxable years beginning after
116.34 December 31, 2006.

117.1 Sec. 14. Minnesota Statutes 2006, section 290.92, is amended by adding a subdivision
117.2 to read:

117.3 Subd. 31. **Payments to persons who are not employees.** (a) For purposes of this
117.4 subdivision, "contractor" means a person carrying on a trade or business described in
117.5 industry code numbers 23 through 238990 of the North American Industry Classification
117.6 System.

117.7 (b) A contractor who makes payments to an individual, other than an employee, for
117.8 work must deduct and withhold two percent of the payment as Minnesota withholding
117.9 tax when the amount the contractor paid to that individual during the calendar year
117.10 exceeds \$600.

117.11 (c) A payment subject to withholding under this subdivision must be treated as if
117.12 the payment were a wage paid by an employer to an employee. The requirements in the
117.13 definitions of "employee" and "employer" in subdivision 1 relating to geographic location
117.14 apply in determining whether withholding tax applies under this subdivision, but without
117.15 regard to whether the contractor or the individual otherwise satisfy the definition of an
117.16 employer or an employee. Each recipient of a payment subject to withholding under this
117.17 subdivision must furnish the contractor with a statement of the recipient's name, address,
117.18 and Social Security account number.

117.19 (d) By February 1 of each year the commissioner must report to the committees of
117.20 the house and senate with jurisdiction over taxes, in compliance with Minnesota Statutes,
117.21 sections 3.195 and 3.197, on withholding payments received under this section. The report
117.22 must include information on the number and amount of payments received, and on the
117.23 types of contractors making payments, grouped by specialty skills definitions provided in
117.24 the North American Industry Classification System.

117.25 **EFFECTIVE DATE.** This section is effective for payments made after July 31,
117.26 2007.

117.27 Sec. 15. Minnesota Statutes 2006, section 290A.03, subdivision 15, as amended by
117.28 Laws 2007, chapter 1, section 4, is amended to read:

117.29 Subd. 15. **Internal Revenue Code.** ~~For taxable years beginning before January 1,~~
117.30 ~~2006, and after December 31, 2006, "Internal Revenue Code" means the Internal Revenue~~
117.31 ~~Code of 1986, as amended through May 18, 2006; and for taxable years beginning after~~
117.32 ~~December 31, 2005, and before January 1, 2007, "Internal Revenue Code" means the~~
117.33 ~~Internal Revenue Code of 1986, as amended through December 31, 2006.~~

118.1 **EFFECTIVE DATE.** This section is effective for property tax refunds based on
118.2 property taxes payable on or after December 31, 2006, and rent paid on or after December
118.3 31, 2005.

118.4 **ARTICLE 6**
118.5 **SALES AND USE TAXES**

118.6 Section 1. Minnesota Statutes 2006, section 37.13, is amended by adding a subdivision
118.7 to read:

118.8 Subd. 3. **Capital improvements.** The society shall spend the amount of sales

146.30 code applicable to new buildings or could be modified to satisfy the building code at
146.31 a cost of less than 15 percent of the cost of constructing a new structure of the same
146.32 square footage and type on the site. The municipality may find that a building is not
146.33 disqualified as structurally substandard under the preceding sentence on the basis of
146.34 reasonably available evidence, such as the size, type, and age of the building, the average
146.35 cost of plumbing, electrical, or structural repairs, or other similar reliable evidence. The

147.1 municipality may not make such a determination without an interior inspection of the
147.2 property, but need not have an independent, expert appraisal prepared of the cost of repair
147.3 and rehabilitation of the building. An interior inspection of the property is not required,
147.4 if the municipality finds that (1) the municipality or authority is unable to gain access to
147.5 the property after using its best efforts to obtain permission from the party that owns or
147.6 controls the property; and (2) the evidence otherwise supports a reasonable conclusion that
147.7 the building is structurally substandard. Items of evidence that support such a conclusion
147.8 include recent fire or police inspections, on-site property tax appraisals or housing
147.9 inspections, exterior evidence of deterioration, or other similar reliable evidence. Written
147.10 documentation of the findings and reasons why an interior inspection was not conducted
147.11 must be made and retained under section 469.175, subdivision 3, clause (1). Failure of a
147.12 building to be disqualified under the provisions of this paragraph is a necessary, but not a
147.13 sufficient, condition to determining that the building is substandard.

147.14 (d) A parcel is deemed to be occupied by a structurally substandard building
147.15 for purposes of the finding under paragraph (a) or by the improvements described in
147.16 paragraph (e) if all of the following conditions are met:

147.17 (1) the parcel was occupied by a substandard building or met the requirements
147.18 of paragraph (e), as the case may be, within three years of the filing of the request for
147.19 certification of the parcel as part of the district with the county auditor;

147.20 (2) the substandard building ~~was~~ or the improvements described in paragraph (e)
147.21 were demolished or removed by the authority or the demolition or removal was financed
147.22 by the authority or was done by a developer under a development agreement with the
147.23 authority;

147.24 (3) the authority found by resolution before the demolition or removal that the
147.25 parcel was occupied by a structurally substandard building or met the requirements of
147.26 paragraph (e) and that after demolition and clearance the authority intended to include
147.27 the parcel within a district; and

147.28 (4) upon filing the request for certification of the tax capacity of the parcel as part
147.29 of a district, the authority notifies the county auditor that the original tax capacity of the
147.30 parcel must be adjusted as provided by section 469.177, subdivision 1, paragraph (f).

147.31 (e) For purposes of this subdivision, a parcel is not occupied by buildings, streets,
147.32 utilities, paved or gravel parking lots, or other similar structures unless 15 percent of the
147.33 area of the parcel contains buildings, streets, utilities, paved or gravel parking lots, or
147.34 other similar structures.

148.1 (f) For districts consisting of two or more noncontiguous areas, each area must
148.2 qualify as a redevelopment district under paragraph (a) to be included in the district, and
148.3 the entire area of the district must satisfy paragraph (a).

148.4 **EFFECTIVE DATE.** This section is effective for requests for certification made
148.5 after June 30, 2007.

148.6 Sec. 7. Minnesota Statutes 2006, section 469.174, subdivision 10a, is amended to read:

148.7 Subd. 10a. **Renewal and renovation district.** (a) "Renewal and renovation district"
148.8 means a type of tax increment financing district consisting of a project, or portions of a
148.9 project, within which the authority finds by resolution that:

148.10 (1)(i) parcels consisting of 70 percent of the area of the district are occupied by
148.11 buildings, streets, utilities, paved or gravel parking lots, or other similar structures; (ii)
148.12 20 percent of the buildings are structurally substandard; and (iii) 30 percent of the other
148.13 buildings require substantial renovation or clearance to remove existing conditions such
148.14 as: inadequate street layout, incompatible uses or land use relationships, overcrowding of
148.15 buildings on the land, excessive dwelling unit density, obsolete buildings not suitable for
148.16 improvement or conversion, or other identified hazards to the health, safety, and general
148.17 well-being of the community; and

148.18 (2) the conditions described in clause (1) are reasonably distributed throughout the
148.19 geographic area of the district.

148.20 (b) For purposes of determining whether a building is structurally substandard,
148.21 whether parcels are occupied by buildings, streets, utilities, paved or gravel parking lots,
148.22 or other similar structures, or whether noncontiguous areas qualify, the provisions of
148.23 subdivision 10, paragraphs ~~(c), (e), and (b)~~ through (f) apply.

148.24 **EFFECTIVE DATE.** This section is effective for requests for certification made
148.25 after June 30, 2007.

148.26 Sec. 8. Minnesota Statutes 2006, section 469.174, subdivision 27, is amended to read:

148.27 Subd. 27. **Small city.** "Small city" means any home rule charter or statutory city
148.28 that has a population of 5,000 or less and that is located ten miles or more from a home
148.29 rule charter or statutory city, located in this state, with a population of 10,000 or more. For
148.30 purposes of this definition, the distance between cities is measured by drawing a straight
148.31 line from the nearest boundaries of the two cities. In calculating the distance between
148.32 cities, the city may use any boundaries of the city with a population of 10,000 or more

149.1 that were in effect during the ten-year period ending on the last day of the calendar year
149.2 previous to the year in which the request for certification is made.

149.3 **EFFECTIVE DATE.** This section is effective for requests for certification made
149.4 after the day following final enactment.

149.5 Sec. 9. Minnesota Statutes 2006, section 469.175, subdivision 1, is amended to read:

149.6 Subdivision 1. **Tax increment financing plan.** (a) A tax increment financing plan
149.7 shall contain:

149.8 (1) a statement of objectives of an authority for the improvement of a project;

149.9 (2) a statement as to the development program for the project, including the property
149.10 within the project, if any, that the authority intends to acquire, identified by parcel number,
149.11 identifiable property name, block, or other appropriate means indicating the area in which
149.12 the authority intends to acquire properties;

149.13 (3) a list of any development activities that the plan proposes to take place within
149.14 the project, for which contracts have been entered into at the time of the preparation of
149.15 the plan, including the names of the parties to the contract, the activity governed by the
149.16 contract, the cost stated in the contract, and the expected date of completion of that activity;

149.17 (4) identification or description of the type of any other specific development
149.18 reasonably expected to take place within the project, and the date when the development is
149.19 likely to occur;

149.20 (5) estimates of the following:

149.21 (i) cost of the project, including administrative expenses, except that if part of the
149.22 cost of the project is paid or financed with increment from the tax increment financing
149.23 district, the tax increment financing plan for the district must contain an estimate of the
149.24 amount of the cost of the project, including administrative expenses, that will be paid or
149.25 financed with tax increments from the district;

149.26 (ii) amount of bonded indebtedness to be incurred;

149.27 (iii) sources of revenue to finance or otherwise pay public costs;

149.28 (iv) the most recent net tax capacity of taxable real property within the tax increment
149.29 financing district and within any subdistrict;

149.30 (v) the estimated captured net tax capacity of the tax increment financing district
149.31 at completion; and

149.32 (vi) the duration of the tax increment financing district's and any subdistrict's
149.33 existence;

149.34 (6) statements of the authority's alternate estimates of the impact of tax increment
149.35 financing on the net tax capacities of all taxing jurisdictions in which the tax increment

150.1 financing district is located in whole or in part. For purposes of one statement, the
150.2 authority shall assume that the estimated captured net tax capacity would be available to
150.3 the taxing jurisdictions without creation of the district, and for purposes of the second
150.4 statement, the authority shall assume that none of the estimated captured net tax capacity
150.5 would be available to the taxing jurisdictions without creation of the district or subdistrict;

150.6 (7) identification and description of studies and analyses used to make the
150.7 determination set forth in subdivision 3, clause (2); and

150.8 (8) identification of all parcels to be included in the district or any subdistrict.

150.9 (b) The authority may specify in the tax increment financing plan the first year in
150.10 which it elects to receive increment, up to four years following the year of approval of the
150.11 district. This paragraph does not apply to an economic development district.

150.12 **EFFECTIVE DATE.** This section is effective for districts for which the request for
150.13 certification is made after June 30, 2007.

150.14 Sec. 10. Minnesota Statutes 2006, section 469.175, subdivision 3, is amended to read:

150.15 Subd. 3. **Municipality approval.** (a) A county auditor shall not certify the original
150.16 net tax capacity of a tax increment financing district until the tax increment financing plan
150.17 proposed for that district has been approved by the municipality in which the district
150.18 is located. If an authority that proposes to establish a tax increment financing district
150.19 and the municipality are not the same, the authority shall apply to the municipality in
150.20 which the district is proposed to be located and shall obtain the approval of its tax
150.21 increment financing plan by the municipality before the authority may use tax increment
150.22 financing. The municipality shall approve the tax increment financing plan only after a
150.23 public hearing thereon after published notice in a newspaper of general circulation in the
150.24 municipality at least once not less than ten days nor more than 30 days prior to the date
150.25 of the hearing. The published notice must include a map of the area of the district from
150.26 which increments may be collected and, if the project area includes additional area, a map
150.27 of the project area in which the increments may be expended. The hearing may be held
150.28 before or after the approval or creation of the project or it may be held in conjunction with
150.29 a hearing to approve the project.

150.30 (b) Before or at the time of approval of the tax increment financing plan, the
150.31 municipality shall make the following findings, and shall set forth in writing the reasons
150.32 and supporting facts for each determination:

150.33 (1) that the proposed tax increment financing district is a redevelopment district, a
150.34 renewal or renovation district, a housing district, a soils condition district, or an economic
150.35 development district; if the proposed district is a redevelopment district or a renewal or

151.1 renovation district, the reasons and supporting facts for the determination that the district
151.2 meets the criteria of section 469.174, subdivision 10, paragraph (a), clauses (1) and (2), or
151.3 subdivision 10a, must be documented in writing and retained and made available to the
151.4 public by the authority until the district has been terminated;

151.5 (2) that, in the opinion of the municipality:

151.6 (i) the proposed development or redevelopment would not reasonably be expected to
151.7 occur solely through private investment within the reasonably foreseeable future; and

151.8 (ii) the increased market value of the site that could reasonably be expected to
151.9 occur without the use of tax increment financing would be less than the increase in the
151.10 market value estimated to result from the proposed development after subtracting the
151.11 present value of the projected tax increments for the maximum duration of the district
151.12 permitted by the plan. The requirements of this item do not apply if the district is a
151.13 ~~qualified~~ housing district;

151.14 (3) that the tax increment financing plan conforms to the general plan for the
151.15 development or redevelopment of the municipality as a whole;

151.16 (4) that the tax increment financing plan will afford maximum opportunity,
151.17 consistent with the sound needs of the municipality as a whole, for the development or
151.18 redevelopment of the project by private enterprise;

151.19 (5) that the municipality elects the method of tax increment computation set forth in
151.20 section 469.177, subdivision 3, paragraph (b), if applicable.

151.21 (c) When the municipality and the authority are not the same, the municipality shall
151.22 approve or disapprove the tax increment financing plan within 60 days of submission by
151.23 the authority. When the municipality and the authority are not the same, the municipality
151.24 may not amend or modify a tax increment financing plan except as proposed by the
151.25 authority pursuant to subdivision 4. Once approved, the determination of the authority
151.26 to undertake the project through the use of tax increment financing and the resolution of
151.27 the governing body shall be conclusive of the findings therein and of the public need for
151.28 the financing.

151.29 (d) For a district that is subject to the requirements of paragraph (b), clause (2),
151.30 item (ii), the municipality's statement of reasons and supporting facts must include all of
151.31 the following:

151.32 (1) an estimate of the amount by which the market value of the site will increase
151.33 without the use of tax increment financing;

151.34 (2) an estimate of the increase in the market value that will result from the
151.35 development or redevelopment to be assisted with tax increment financing; and

152.1 (3) the present value of the projected tax increments for the maximum duration of
152.2 the district permitted by the tax increment financing plan.

152.3 (e) For purposes of this subdivision, "site" means the parcels on which the
152.4 development or redevelopment to be assisted with tax increment financing will be located.

152.5 **EFFECTIVE DATE.** This section is effective the day following final enactment
152.6 and applies to all districts, regardless of when the request for certification was made.

152.7 Sec. 11. Minnesota Statutes 2006, section 469.176, subdivision 1, is amended to read:

152.8 Subdivision 1. **Duration of tax increment financing districts.** (a) Subject to the
152.9 limitations contained in subdivisions 1a to 1f, any tax increment financing district as to
152.10 which bonds are outstanding, payment for which the tax increment and other revenues
152.11 have been pledged, shall remain in existence at least as long as the bonds continue to be
152.12 outstanding. The municipality may, at the time of approval of the initial tax increment
152.13 financing plan, provide for one or both of the following:

152.14 (1) a shorter maximum duration limit than specified in subdivisions 1a to 1f;

152.15 (2) an election as provided under section 469.175, subdivision 1, paragraph (b).

152.16 The specified limit applies in place of the otherwise applicable limit, unless the authority
152.17 modifies the plan following the procedures under section 469.175, subdivision 4,
152.18 paragraph (b).

152.19 (b) The tax increment pledged to the payment of the bonds and interest thereon may
152.20 be discharged and the tax increment financing district may be terminated if sufficient funds
152.21 have been irrevocably deposited in the debt service fund or other escrow account held in
152.22 trust for all outstanding bonds to provide for the payment of the bonds at maturity or date
152.23 of redemption and interest thereon to the maturity or redemption date.

152.24 (c) For bonds issued pursuant to section 469.178, subdivisions 2 and 3, the full
152.25 faith and credit and any taxing powers of the municipality or authority are pledged to the
152.26 payment of the bonds until the principal of and interest on the bonds has been paid in full.

152.27 **EFFECTIVE DATE.** This section is effective for districts for which the request for
152.28 certification is made after June 30, 2007.

152.29 Sec. 12. Minnesota Statutes 2006, section 469.176, subdivision 2, is amended to read:

152.30 Subd. 2. **Excess increments.** (a) The authority shall annually determine the amount
152.31 of excess increments for a district, if any. This determination must be based on the tax
152.32 increment financing plan in effect on December 31 of the year and the increments and

153.1 other revenues received as of December 31 of the year. The authority must spend or return
153.2 the excess increments under paragraph (c) within nine months after the end of the year.

153.3 (b) For purposes of this subdivision, "excess increments" equals the excess of:

153.4 (1) total increments collected from the district since its certification, reduced by any
153.5 excess increments paid under paragraph (c), clause (4), for a prior year, over

153.6 (2) the total costs authorized by the tax increment financing plan to be paid with
153.7 increments from the district, reduced, but not below zero, by the sum of:

153.8 (i) the amounts of those authorized costs that have been paid from sources other than
153.9 tax increments from the district;

153.10 (ii) revenues, other than tax increments from the district, that are dedicated for or
153.11 otherwise required to be used to pay those authorized costs and that the authority has
153.12 received and that are not included in item (i);

153.13 (iii) the amount of principal and interest obligations due on outstanding bonds after
153.14 December 31 of the year and not prepaid under paragraph (c) in a prior year; and

153.15 (iv) increased by the sum of the transfers of increments made under section 469.1763,
153.16 subdivision 6, to reduce deficits in other districts made by December 31 of the year.

153.17 (c) The authority shall use excess increment only to do one or more of the following:

153.18 (1) prepay any outstanding bonds;

153.19 (2) discharge the pledge of tax increment for any outstanding bonds;

153.20 (3) pay into an escrow account dedicated to the payment of any outstanding bonds; or

153.21 (4) return the excess amount to the county auditor who shall distribute the excess
153.22 amount to the city or town, county, and school district in which the tax increment financing
153.23 district is located in direct proportion to their respective local tax rates.

153.24 (d) For purposes of a district for which the request for certification was made prior to
153.25 August 1, 1979, excess increments equal the amount of increments on hand on December
153.26 31, less the principal and interest obligations due on outstanding bonds or advances,
153.27 qualifying under subdivision 1c, clauses (1), (2), (4), and (5), after December 31 of the
153.28 year and not prepaid under paragraph (c).

153.29 (e) The county auditor must report to the commissioner of education the amount of
153.30 any excess tax increment distributed to a school district within 30 days of the distribution.

153.31 (f) For purposes of this subdivision, "outstanding bonds" means bonds which are
153.32 secured by increments from the district.

153.33 (g) The state auditor may exempt an authority from reporting the amounts calculated
153.34 under this subdivision for a calendar year, if the authority certifies to the auditor in
153.35 its report that the total amount authorized by the tax increment plan to be paid with

154.1 increments from the district exceeds the sum of the total increments collected for the
154.2 district for all years by 20 percent.

154.3 **EFFECTIVE DATE.** This section is effective the day following final enactment and
154.4 applies to all districts regardless of when the request for certification was made, including
154.5 districts for which the request for certification was made on or before August 1, 1979.

154.6 Sec. 13. Minnesota Statutes 2006, section 469.176, subdivision 4l, is amended to read:

154.7 Subd. 4l. **Prohibited facilities.** (a) No tax increment from any district may be
154.8 used for:

154.9 (1) a commons area used as a public park; or

154.10 (2) a facility used for social, recreational, or conference purposes.

154.11 (b) This subdivision does not apply to a privately owned facility for conference
154.12 purposes or a parking structure, whether it is public or privately owned or whether it is
154.13 ancillary to a use listed in paragraph (a).

154.14 **EFFECTIVE DATE.** This section confirms the original intent of the legislature
154.15 in enacting Minnesota Statutes, section 469.176, subdivision 4l, and is effective the day
154.16 following final enactment and applies to any expenditure subject to Minnesota Statutes,
154.17 section 469.176, subdivision 4l.

154.18 Sec. 14. Minnesota Statutes 2006, section 469.176, subdivision 7, is amended to read:

154.19 Subd. 7. **Parcels not includable in districts.** (a) The authority may request
154.20 inclusion in a tax increment financing district and the county auditor may certify the
154.21 original tax capacity of a parcel or a part of a parcel that qualified under the provisions of
154.22 section 273.111 or 273.112 or chapter 473H for taxes payable in any of the five calendar
154.23 years before the filing of the request for certification only for:

154.24 (1) a district in which 85 percent or more of the planned buildings and facilities
154.25 (determined on the basis of square footage) are a qualified manufacturing facility or a
154.26 qualified distribution facility or a combination of both; or

154.27 (2) a ~~qualified~~ housing district.

154.28 (b)(1) A distribution facility means buildings and other improvements to real
154.29 property that are used to conduct activities in at least each of the following categories:

154.30 (i) to store or warehouse tangible personal property;

154.31 (ii) to take orders for shipment, mailing, or delivery;

154.32 (iii) to prepare personal property for shipment, mailing, or delivery; and

154.33 (iv) to ship, mail, or deliver property.

155.1 (2) A manufacturing facility includes space used for manufacturing or producing
155.2 tangible personal property, including processing resulting in the change in condition of the
155.3 property, and space necessary for and related to the manufacturing activities.

155.4 (3) To be a qualified facility, the owner or operator of a manufacturing or distribution
155.5 facility must agree to pay and pay 90 percent or more of the employees of the facility at
155.6 a rate equal to or greater than 160 percent of the federal minimum wage for individuals
155.7 over the age of 20.

155.8 **EFFECTIVE DATE.** This section is effective the day following final enactment
155.9 and applies to all districts regardless of when the request for certification was made.

155.10 Sec. 15. Minnesota Statutes 2006, section 469.1761, subdivision 1, is amended to read:

155.11 Subdivision 1. **Requirement imposed.** (a) In order for a tax increment financing
155.12 district to qualify as a housing district:

155.13 (1) the income limitations provided in this section must be satisfied; and

155.14 (2) no more than 20 percent of the square footage of buildings that receive assistance
155.15 from tax increments may consist of commercial, retail, or other nonresidential uses.

155.16 (b) The requirements imposed by this section apply to property receiving assistance
155.17 financed with tax increments, including interest reduction, land transfers at less than the
155.18 authority's cost of acquisition, utility service or connections, roads, parking facilities, or
155.19 other subsidies. The provisions of this section do not apply to districts located in a targeted
155.20 area as defined in section 462C.02, subdivision 9, clause (e).

155.21 (c) For purposes of the requirements of paragraph (a), the authority may elect to treat
155.22 an addition to an existing structure as a separate building if:

155.23 (1) construction of the addition begins more than three years after construction of
155.24 the existing structure was completed; and

155.25 (2) for an addition that does not meet the requirements of paragraph (a), clause (2), if
155.26 it is treated as a separate building, the addition was not contemplated by the tax increment
155.27 financing plan which includes the existing structure.

155.28 **EFFECTIVE DATE.** This section is effective for expenditures of tax increment
155.29 authorized and made after the day following final enactment, regardless of when the
155.30 request for certification of the district was made.

155.31 Sec. 16. Minnesota Statutes 2006, section 469.1763, subdivision 2, is amended to read:

155.32 Subd. 2. **Expenditures outside district.** (a) For each tax increment financing
155.33 district, an amount equal to at least 75 percent of the total revenue derived from tax

156.1 increments paid by properties in the district must be expended on activities in the district
156.2 or to pay bonds, to the extent that the proceeds of the bonds were used to finance activities
156.3 in the district or to pay, or secure payment of, debt service on credit enhanced bonds.
156.4 For districts, other than redevelopment districts for which the request for certification
156.5 was made after June 30, 1995, the in-district percentage for purposes of the preceding
156.6 sentence is 80 percent. Not more than 25 percent of the total revenue derived from tax
156.7 increments paid by properties in the district may be expended, through a development fund
156.8 or otherwise, on activities outside of the district but within the defined geographic area of
156.9 the project except to pay, or secure payment of, debt service on credit enhanced bonds.
156.10 For districts, other than redevelopment districts for which the request for certification was
156.11 made after June 30, 1995, the pooling percentage for purposes of the preceding sentence is
156.12 20 percent. The revenue derived from tax increments for the district that are expended on
156.13 costs under section 469.176, subdivision 4h, paragraph (b), may be deducted first before
156.14 calculating the percentages that must be expended within and without the district.

156.15 (b) In the case of a housing district, a housing project, as defined in section 469.174,
156.16 subdivision 11, is an activity in the district.

156.17 (c) All administrative expenses are for activities outside of the district, except that
156.18 if the only expenses for activities outside of the district under this subdivision are for
156.19 the purposes described in paragraph (d), administrative expenses will be considered as
156.20 expenditures for activities in the district.

156.21 (d) The authority may elect, in the tax increment financing plan for the district,
156.22 to increase by up to ten percentage points the permitted amount of expenditures for
156.23 activities located outside the geographic area of the district under paragraph (a). As
156.24 permitted by section 469.176, subdivision 4k, the expenditures, including the permitted
156.25 expenditures under paragraph (a), need not be made within the geographic area of the
156.26 project. Expenditures that meet the requirements of this paragraph are legally permitted
156.27 expenditures of the district, notwithstanding section 469.176, subdivisions 4b, 4c, and 4j.
156.28 To qualify for the increase under this paragraph, the expenditures must:

156.29 (1) be used exclusively to assist housing that meets the requirement for a qualified
156.30 low-income building, as that term is used in section 42 of the Internal Revenue Code;

156.31 (2) not exceed the qualified basis of the housing, as defined under section 42(c) of
156.32 the Internal Revenue Code, less the amount of any credit allowed under section 42 of
156.33 the Internal Revenue Code; and

156.34 (3) be used to:

156.35 (i) acquire and prepare the site of the housing;

156.36 (ii) acquire, construct, or rehabilitate the housing; or

157.1 (iii) make public improvements directly related to the housing.

157.2 (e) For a district created within a biotechnology and health sciences industry zone
157.3 as defined in section 469.330, subdivision 6, or for an existing district located within
157.4 such a zone, tax increment derived from such a district may be expended outside of the
157.5 district but within the zone only for expenditures required for the construction of public
157.6 infrastructure necessary to support the activities of the zone, land acquisition, and other
157.7 redevelopment costs as defined in section 469.176, subdivision 4j. ~~Public infrastructure~~
157.8 These expenditures are considered as expenditures for activities within the district.

157.9 **EFFECTIVE DATE.** This section is effective for all districts located in bioscience
157.10 zones, regardless of when the request for certification was made.

157.11 Sec. 17. Minnesota Statutes 2006, section 469.177, subdivision 1, is amended to read:

157.12 Subdivision 1. **Original net tax capacity.** (a) Upon or after adoption of a tax
157.13 increment financing plan, the auditor of any county in which the district is situated shall,
157.14 upon request of the authority, certify the original net tax capacity of the tax increment
157.15 financing district and that portion of the district overlying any subdistrict as described in
157.16 the tax increment financing plan and shall certify in each year thereafter the amount by
157.17 which the original net tax capacity has increased or decreased as a result of a change in tax
157.18 exempt status of property within the district and any subdistrict, reduction or enlargement
157.19 of the district or changes pursuant to subdivision 4. The auditor shall certify the amount
157.20 within 30 days after receipt of the request and sufficient information to identify the parcels
157.21 included in the district. The certification relates to the taxes payable year as provided in
157.22 subdivision 6.

157.23 (b) If the classification under section 273.13 of property located in a district changes
157.24 to a classification that has a different assessment ratio, the original net tax capacity of that
157.25 property must be redetermined at the time when its use is changed as if the property had
157.26 originally been classified in the same class in which it is classified after its use is changed.

157.27 (c) The amount to be added to the original net tax capacity of the district as a result
157.28 of previously tax exempt real property within the district becoming taxable equals the net
157.29 tax capacity of the real property as most recently assessed pursuant to section 273.18 or, if
157.30 that assessment was made more than one year prior to the date of title transfer rendering
157.31 the property taxable, the net tax capacity assessed by the assessor at the time of the
157.32 transfer. If improvements are made to tax exempt property after the municipality approves
157.33 the district and before the parcel becomes taxable, the assessor shall, at the request of
157.34 the authority, separately assess the estimated market value of the improvements. If the
157.35 property becomes taxable, the county auditor shall add to original net tax capacity, the net

158.1 tax capacity of the parcel, excluding the separately assessed improvements. If substantial
158.2 taxable improvements were made to a parcel after certification of the district and if the
158.3 property later becomes tax exempt, in whole or part, as a result of the authority acquiring
158.4 the property through foreclosure or exercise of remedies under a lease or other revenue
158.5 agreement or as a result of tax forfeiture, the amount to be added to the original net tax
158.6 capacity of the district as a result of the property again becoming taxable is the amount
158.7 of the parcel's value that was included in original net tax capacity when the parcel was
158.8 first certified. The amount to be added to the original net tax capacity of the district as a
158.9 result of enlargements equals the net tax capacity of the added real property as most
158.10 recently certified by the commissioner of revenue as of the date of modification of the tax
158.11 increment financing plan pursuant to section 469.175, subdivision 4.

158.12 (d) If the net tax capacity of a property increases because the property no longer
158.13 qualifies under the Minnesota Agricultural Property Tax Law, section 273.111; the
158.14 Minnesota Open Space Property Tax Law, section 273.112; or the Metropolitan
158.15 Agricultural Preserves Act, chapter 473H, or because platted, unimproved property is
158.16 improved or market value is increased after approval of the plat under section 273.11,
158.17 subdivision 14, 14a, or 14b, the increase in net tax capacity must be added to the original
158.18 net tax capacity.

158.19 (e) The amount to be subtracted from the original net tax capacity of the district
158.20 as a result of previously taxable real property within the district becoming tax exempt,
158.21 or a reduction in the geographic area of the district, shall be the amount of original net
158.22 tax capacity initially attributed to the property becoming tax exempt or being removed
158.23 from the district. If the net tax capacity of property located within the tax increment
158.24 financing district is reduced by reason of a court-ordered abatement, stipulation agreement,
158.25 voluntary abatement made by the assessor or auditor or by order of the commissioner of
158.26 revenue, the reduction shall be applied to the original net tax capacity of the district when
158.27 the property upon which the abatement is made has not been improved since the date of
158.28 certification of the district and to the captured net tax capacity of the district in each year
158.29 thereafter when the abatement relates to improvements made after the date of certification.
158.30 The county auditor may specify reasonable form and content of the request for certification
158.31 of the authority and any modification thereof pursuant to section 469.175, subdivision 4.

158.32 (f) If a parcel of property contained a substandard building or improvements
158.33 described in section 469.174, subdivision 10, paragraph (e), that ~~was~~ were demolished
158.34 or removed and if the authority elects to treat the parcel as occupied by a substandard
158.35 building under section 469.174, subdivision 10, paragraph (b), or by improvements under
158.36 section 469.174, subdivision 10, paragraph (e), the auditor shall certify the original net

159.1 tax capacity of the parcel using the greater of (1) the current net tax capacity of the
159.2 parcel, or (2) the estimated market value of the parcel for the year in which the building
159.3 ~~was~~ or other improvements were demolished or removed, but applying the class rates
159.4 for the current year.

159.5 (g) For a redevelopment district qualifying under section 469.174, subdivision 10,
159.6 paragraph (a), clause (4), as a qualified disaster area, the auditor shall certify the value of
159.7 the land as the original tax capacity for any parcel in the district that contains a building
159.8 that suffered substantial damage as a result of the disaster or emergency.

159.9 **EFFECTIVE DATE.** This section is effective for requests for certification made
159.10 after June 30, 2007.

159.11 Sec. 18. Minnesota Statutes 2006, section 469.178, subdivision 7, is amended to read:

159.12 Subd. 7. **Interfund loans.** The authority or municipality may advance or loan
159.13 money to finance expenditures under section 469.176, subdivision 4, from its general
159.14 fund or any other fund under which it has legal authority to do so. The loan or advance
159.15 must be authorized, by resolution of the governing body or of the authority, whichever
159.16 has jurisdiction over the fund from which the advance or loan is made, before money
159.17 is transferred, advanced, or spent, whichever is earliest. The resolution may generally
159.18 grant to the authority the power to make interfund loans under one or more tax increment
159.19 financing plans or for one or more districts. The terms and conditions for repayment of the
159.20 loan must be provided in writing and include, at a minimum, the principal amount, the
159.21 interest rate, and maximum term. The maximum rate of interest permitted to be charged
159.22 is limited to the greater of the rates specified under section 270C.40 or 549.09 as of the
159.23 date the loan or advance is made, unless the written agreement states that the maximum
159.24 interest rate will fluctuate as the interest rates specified under section 270C.40 or 549.09
159.25 are from time to time adjusted.

159.26 **EFFECTIVE DATE.** This section is effective the day following final enactment
159.27 and applies to all districts subject to Minnesota Statutes, section 469.178, subdivision 7,
159.28 regardless of when the request for certification was made.

159.29 Sec. 19. Minnesota Statutes 2006, section 469.1791, subdivision 3, is amended to read:

159.30 Subd. 3. **Preconditions to establish district.** (a) A city may establish a special
159.31 taxing district within a tax increment financing district under this section only if the
159.32 conditions under paragraphs (b) and (c) are met or if the city elects to exercise the
159.33 authority under paragraph (d).

160.1 (b) The city has determined that:

160.2 (1) total tax increments from the district, including unspent increments from
160.3 previous years and increments transferred under paragraph (c), will be insufficient to pay
160.4 the amounts due in a year on preexisting obligations; and

160.5 (2) this insufficiency of increments resulted from the reduction in property tax class
160.6 rates enacted in the 1997 and 1998 legislative sessions.

160.7 (c) The city has agreed to transfer any available increments from other tax increment
160.8 financing districts in the city to pay the preexisting obligations of the district under section
160.9 469.1763, subdivision 6. This requirement does not apply to any available increments of a
160.10 ~~qualified~~ housing district.

160.11 (d) If a tax increment financing district does not qualify under paragraphs (b) and
160.12 (c), the governing body may elect to establish a special taxing district under this section.
160.13 If the city elects to exercise this authority, increments from the tax increment financing
160.14 district and the proceeds of the tax imposed under this section may only be used to pay
160.15 preexisting obligations and reasonable administrative expenses of the authority for the tax
160.16 increment financing district. The tax increment financing district must be decertified when
160.17 all preexisting obligations have been paid.

160.18 **EFFECTIVE DATE.** This section is effective the day following final enactment
160.19 and applies to districts regardless of when the request for certification was made.

160.20 Sec. 20. Minnesota Statutes 2006, section 469.310, is amended by adding a subdivision
160.21 to read:

160.22 Subd. 11a. **Qualified farm.** "Qualified farm" means a person actively engaged in
160.23 farming, that invests in an agricultural processing facility on the farm, and that:

160.24 (1) increases employment on the farm by a minimum of 25 percent of full-time
160.25 employment in the first full year of operation. The employment does not include family
160.26 members, as defined in section 267(c)(4) of the Internal Revenue Code of 1986, as
160.27 amended;

160.28 (2) makes an investment equal to at least ten percent of the previous year's gross
160.29 revenue in the agricultural processing facility;

160.30 (3) is located outside the metropolitan area, as defined in section 473.121,
160.31 subdivision 2; and

160.32 (4) enters into a binding written agreement with the commissioner that:

160.33 (i) pledges the agricultural processing facility will meet the requirements of clauses
160.34 (1) and (2); and

161.1 (ii) provides the repayment of all tax benefits enumerated under section 469.315
161.2 to the business under the procedures in section 469.319, if the requirements of clauses
161.3 (1) and (2) are not met for the taxable year or for taxes payable during the year in which
161.4 the requirements are not met; and
161.5 (iii) contains any other terms the commissioner deems appropriate.

161.6 **EFFECTIVE DATE.** This section is effective the day following final enactment.

161.7 Sec. 21. Minnesota Statutes 2006, section 469.312, is amended by adding a subdivision
161.8 to read:

161.9 **Subd. 6. Restrictions on relocations.** (a) If a business relocates or intends to
161.10 relocate under a proposed project more than 25 full-time equivalent jobs from a location
161.11 in Minnesota into a job opportunity building zone, the business must notify the local
161.12 government unit, the commissioner of employment and economic development, and the
161.13 city and the county governments from which the jobs are being or would be relocated.
161.14 A city or county that objects to the relocation of jobs must file a copy of the resolution
161.15 with the commissioner of employment and economic development and the local unit
161.16 of government.

161.17 (b) If the governing body of the city or county from which the jobs are being
161.18 relocated adopts a qualified resolution objecting to the relocation within 60 days after its
161.19 receipt of the notice, the following rules apply until the requirements of paragraph (c) are
161.20 satisfied:

161.21 (1) if the business has not entered into a business subsidy agreement, the local unit
161.22 of government may not enter into a business subsidy agreement with the business; or

161.23 (2) if the local unit of government has entered into a business subsidy agreement
161.24 with the business, the business ceases to be a qualified business, effective for the current
161.25 taxable year, the current assessment year, and for taxable purchases made after the first
161.26 day of the month beginning after the filing of the objecting resolution.

161.27 (c) To be a qualified resolution for purposes of this subdivision, the resolution must
161.28 identify one or more sites in the city or county that could serve as an appropriate site for
161.29 the facility proposed by the business. To satisfy this requirement a site must:

161.30 (1) be of adequate size;

161.31 (2) have appropriate transportation access, given the nature of the business;

161.32 (3) be served by adequate public infrastructure and public utilities or the
161.33 governmental unit will provide reasonably necessary public infrastructure and public
161.34 utilities for the project in a timely manner; and

162.1 (4) be under the ownership or control of either the governmental unit or the business
162.2 or be available for sale.

162.3 (d) When each city and county that objected to the relocation rescinds its objection
162.4 by resolution, the provisions of paragraph (b) no longer apply to the business.

162.5 **EFFECTIVE DATE.** This section is effective the day following final enactment
162.6 and applies to business subsidy agreements entered into after that date.

162.7 Sec. 22. Minnesota Statutes 2006, section 469.312, is amended by adding a subdivision

162.10 this subdivision, sections 469.310 to 469.320 apply to family agricultural revitalization
162.11 zones designated under section 469.314, subdivision 1, paragraph (d).

162.12 (b) Only the portion of a qualified farm that consists of the agricultural processing
162.13 facility qualifies for the tax incentives under section 469.315. In no case may the
162.14 maximum amount of income that is exempt from the individual income tax under section
162.15 469.316 or from the corporate franchise tax under section 469.317, exceed the total
162.16 income of the qualified farm multiplied by a fraction, the numerator of which is the total
162.17 income for the taxable year minus the income of the qualified farm for the last full year of
162.18 operation prior to the designation and the denominator of which is the total income for the
162.19 taxable year. In no case may the fraction be greater than one or less than zero.

162.20 (c) A qualified farm is deemed to be a qualified business for purposes of the tax
162.21 incentives under section 469.315.

162.22 (d) Only purchases of materials for use directly in the construction and operation
162.23 of the agricultural processing facility qualify for the sales tax exemption under section
162.24 297A.68, subdivision 37, and purchases of vehicles used exclusively in connection with
162.25 operation of the agricultural processing facility qualify for the motor vehicle sales tax
162.26 exemption under section 297B.03.

162.27 (e) Payroll attributed to payment of family members, as defined in section 267(c)(4)
162.28 of the Internal Revenue Code, does not qualify for the jobs credit under section 469.318.

162.29 **EFFECTIVE DATE.** This section is effective the day following final enactment.

162.30 Sec. 23. Minnesota Statutes 2006, section 469.314, subdivision 1, is amended to read:

162.31 Subdivision 1. **Commissioner to designate.** (a) The commissioner, in consultation
162.32 with the commissioner of revenue, shall designate not more than ten job opportunity
162.33 building zones. In making the designations, the commissioner shall consider need and

163.1 likelihood of success to yield the most economic development and revitalization of
163.2 economically distressed rural areas of Minnesota.

163.3 (b) In addition to the designations under paragraph (a), the commissioner may, in
163.4 consultation with the commissioners of agriculture and revenue, designate up to five
163.5 agricultural processing facility zones.

163.6 (c) The commissioner may, upon designation of a zone, modify the development
163.7 plan, including the boundaries of the zone or subzones, if in the commissioner's opinion
163.8 a modified plan would better meet the objectives of the job opportunity building zone
163.9 program. The commissioner shall notify the applicant of the modification and provide a
163.10 statement of the reasons for the modifications.

163.11 (d) Upon application by a qualified farm, the commissioner may transfer the
163.12 designation of one or more parcels in a job opportunity building zone to the site of the
163.13 qualified farm. Such a site is designated a farm agricultural revitalization zone. The
163.14 authority to transfer designation of parcels applies only to parcels on which no qualified
163.15 business is located when the transfer is made. At least 30 days prior to executing the
163.16 transfer of the designation, the commissioner must notify the zone administrator and the
163.17 local government in which the parcel proposed to be transferred is located for advice and
163.18 comment. Before transferring the designation of a parcel to the site of a qualified farm,
163.19 the commissioner shall consult with the commissioner of revenue and shall consider the
163.20 need for tax incentives to make the project feasible and the likelihood of success of the
163.21 project. A transferred parcel is subject to the duration limit that applies to the original
163.22 zone. The transferred parcel is not subject to reporting by the local government under
163.23 section 469.320.

163.24 **EFFECTIVE DATE.** This section is effective the day following final enactment.

163.25 Sec. 24. Minnesota Statutes 2006, section 469.3201, is amended to read:

163.26 **469.3201 ~~JOBZ EXPENDITURE LIMITATIONS; AUDITS STATE~~**
163.27 **AUDITOR; AUDITS OF JOB OPPORTUNITY BUILDING ZONES AND**
163.28 **BUSINESS SUBSIDY AGREEMENTS.**

163.29 The Tax Increment Financing, Investment and Finance Division of the Office of the
163.30 State Auditor must annually audit the creation and operation of all job opportunity building
163.31 zones and business subsidy agreements entered into under Minnesota Statutes, sections
163.32 469.310 to 469.320. To the extent necessary to perform this audit, the state auditor may
163.33 request from the commissioner of revenue tax return information of taxpayers who are
163.34 eligible to receive tax benefits authorized under section 469.315. To the extent necessary

164.1 to perform this audit, the state auditor may request from the commissioner of employment
164.2 and economic development wage detail report information required under section 268.044
164.3 of taxpayers eligible to receive tax benefits authorized under section 469.315.

164.4 **EFFECTIVE DATE.** This section is effective the day following final enactment.

175.36 severed mineral values after reduction for any portion distributed to cities and towns under

176.1 section 126C.48, subdivision 8, paragraph (5), that is less than the amount of its levy
176.2 reduction under section 126C.48, subdivision 8, for the second year prior to the year of the
176.3 distribution shall receive a distribution equal to the difference; the amount necessary to
176.4 make this payment shall be derived from proportionate reductions in the initial distribution

176.6 (d) Any school district described in paragraph (c) where a levy increase pursuant to
176.7 section 126C.17, subdivision 9, was authorized by referendum for taxes payable in 2001,

176.11 times the district's taxable net tax capacity in the second previous year.

176.12 If the total amount provided by paragraph (d) is insufficient to make the payments
176.13 herein required then the entitlement of \$175 per pupil unit shall be reduced uniformly
176.14 so as not to exceed the funds available. Any amounts received by a qualifying school
176.15 district in any fiscal year pursuant to paragraph (d) shall not be applied to reduce general
176.16 education aid which the district receives pursuant to section 126C.13 or the permissible
176.17 levies of the district. Any amount remaining after the payments provided in this paragraph
176.18 shall be paid to the commissioner of Iron Range resources and rehabilitation who shall
176.19 deposit the same in the taconite environmental protection fund and the Douglas J. Johnson
176.20 economic protection trust fund as provided in subdivision 11.

176.21 Each district receiving money according to this paragraph shall reserve the lesser of
176.22 the amount received under this paragraph or \$25 times the number of pupil units served
176.23 in the district. It may use the money for early childhood programs or for outcome-based
176.24 learning programs that enhance the academic quality of the district's curriculum. The
176.25 outcome-based learning programs must be approved by the commissioner of education.

176.26 (e) There shall be distributed to any school district the amount which the school
176.27 district was entitled to receive under section 298.32 in 1975.

176.28 (f) Effective for the distribution in 2003 only, five percent of the distributions to
176.29 school districts under paragraphs (b), (c), and (e); subdivision 6, paragraph (c); subdivision
176.30 11; and section 298.225, shall be distributed to the general fund. The remainder less any
176.31 portion distributed to cities and towns under section 126C.48, subdivision 8, paragraph
176.32 (5), shall be distributed to the Douglas J. Johnson economic protection trust fund created
176.33 in section 298.292. Fifty percent of the amount distributed to the Douglas J. Johnson
176.34 economic protection trust fund shall be made available for expenditure under section
176.35 298.293 as governed by section 298.296. Effective in 2003 only, 100 percent of the

177.12 The Iron Range Higher Education committee under section 298.2214 must approve all

199.15 (i) the amount of the increase, if any, in taxable income that results from a difference
199.16 between the proper tax treatment of an item to which this section applies and the taxpayer's
199.17 treatment of that item as shown on the taxpayer's tax return; and

199.23 be allowed for that year, must be treated as an increase in taxable income.

199.24 (c) This subdivision applies to any item that is attributable to:

199.25 (1) any listed transaction under section 289A.121; and

199.26 (2) any reportable transaction, other than a listed transaction, if a significant purpose
199.27 of that transaction is the avoidance or evasion of federal income tax liability.

199.28 (d) Paragraph (a) applies by substituting "30 percent" for "20 percent" with respect

199.31 of the Internal Revenue Code are not met.

199.32 (e)(1) No penalty applies under this subdivision with respect to any portion of a
199.33 reportable transaction understatement if the taxpayer shows that there was reasonable

200.9 (3) For purposes of clause (1)(iii), a taxpayer is treated as having a reasonable belief
200.10 with respect to the tax treatment of an item only if the belief:

200.11 (i) is based on the facts and law that exist when the return of tax which includes the
200.12 tax treatment is filed; and

200.13 (ii) relates solely to the taxpayer's chances of success on the merits of the treatment
200.14 and does not take into account the possibility that a return will not be audited, the
200.15 treatment will not be raised on audit, or the treatment will be resolved through settlement
200.16 if it is raised.

200.17 (4) An opinion of a tax advisor may not be relied upon to establish the reasonable
200.18 belief of a taxpayer if:

200.19 (i) the tax advisor:

200.20 (A) is a material advisor, as defined in section 289A.121, and participates in the
200.21 organization, management, promotion, or sale of the transaction or is related (within the
200.22 meaning of section 267(b) or 707(b)(1) of the Internal Revenue Code) to any person
200.23 who so participates;

200.24 (B) is compensated directly or indirectly by a material advisor with respect to the
200.25 transaction;

200.27 or part of the intended tax benefits from the transaction being sustained; or

200.28 (D) has a disqualifying financial interest with respect to the transaction, as
200.29 determined under United States Treasury regulations prescribed to implement the
200.30 provisions of section 6664(d)(3)(B)(ii)(IV) of the Internal Revenue Code; or

200.31 (ii) the opinion:

200.32 (A) is based on unreasonable factual or legal assumptions, including assumptions
200.33 as to future events;

200.34 (B) unreasonably relies on representations, statements, findings, or agreements of
200.35 the taxpayer or any other person;

200.36 (C) does not identify and consider all relevant facts; or

201.1 (D) fails to meet any other requirement as the Secretary of the Treasury may
201.2 prescribe under federal law.

201.4 under subdivision 4.

201.22 subdivision exceeds the taxpayer's tax liability under this chapter, the commissioner of
201.23 revenue shall refund the excess to the taxpayer.

201.24 (c) The amount necessary to pay claims for the refund provided in this subdivision is
201.25 appropriated from the general fund to the commissioner of revenue.

203.19 note upon which the person obtaining the credit or instrument is primarily or secondarily

204.29 claim relating to an overpayment of taxes under chapter 297A must be filed within 3-1/2
204.30 years from the date ~~prescribed for filing the return, plus any extensions granted for filing~~

212.1 (3) any taxes legally imposed directly on the consumer that are separately stated on

212.5 and the consideration is directly related to a price reduction or discount on the sale;

212.6 (2) the seller has an obligation to pass the price reduction or discount through to
212.7 the purchaser;

212.8 (3) the amount of the consideration attributable to the sale is fixed and determinable

212.18 available to any customer does not constitute membership in such a group; or

212.19 (iii) the price reduction or discount is identified as a third-party price reduction or
212.20 discount on the invoice received by the purchaser or on a coupon, certificate, or other
212.21 documentation presented by the purchaser.

214.14 Sec. 10. Minnesota Statutes 2006, section 297A.61, is amended by adding a
214.15 subdivision to read:

214.16 **Subd. 38. Bundled transaction.** (a) "Bundled transaction" means the retail sale
214.17 of two or more products when the products are otherwise distinct and identifiable, and
214.18 the products are sold for one nonitemized price. As used in this subdivision, "product"
214.19 includes tangible personal property, services, intangibles, and digital goods, but does not
214.20 include real property or services to real property. A bundled transaction does not include
214.21 the sale of any products in which the sales price varies, or is negotiable, based on the
214.22 selection by the purchaser of the products included in the transaction.

214.23 (b) For purposes of this subdivision, "distinct and identifiable" products does not
214.24 include:

214.25 (1) packaging and other materials, such as containers, boxes, sacks, bags, and
214.26 bottles, wrapping, labels, tags, and instruction guides, that accompany the retail sale of the
214.27 products and are incidental or immaterial to the retail sale. Examples of packaging that are
214.28 incidental or immaterial include grocery sacks, shoe boxes, dry cleaning garment bags,
214.29 and express delivery envelopes and boxes;

214.30 (2) a promotional product provided free of charge with the required purchase of
214.31 another product. A promotional product is provided free of charge if the sales price of
214.32 another product, which is required to be purchased in order to receive the promotional
214.33 product, does not vary depending on the inclusion of the promotional product; and

214.34 (3) items included in the definition of sales price.

215.1 (c) For purposes of this subdivision, the term "one nonitemized price" does not
215.2 include a price that is separately identified by product on binding sales or other supporting
215.3 sales-related documentation made available to the customer in paper or electronic form
215.4 including, but not limited to an invoice, bill of sale, receipt, contract, service agreement,
215.5 lease agreement, periodic notice of rates and services, rate card, or price list.

215.6 (d) A transaction that otherwise meets the definition of a bundled transaction is
215.7 not a bundled transaction if it is:

215.8 (1) the retail sale of tangible personal property and a service and the tangible
215.9 personal property is essential to the use of the service, and is provided exclusively in
215.10 connection with the service, and the true object of the transaction is the service;

215.11 (2) the retail sale of services if one service is provided that is essential to the use or
215.12 receipt of a second service and the first service is provided exclusively in connection with
215.13 the second service and the true object of the transaction is the second service;

215.14 (3) a transaction that includes taxable products and nontaxable products and the
215.15 purchase price or sales price of the taxable products is de minimis; or

215.16 (4) the retail sale of exempt tangible personal property and taxable tangible personal
215.17 property if:

215.18 (i) the transaction includes food and food ingredients, drugs, durable medical
215.19 equipment, mobility enhancing equipment, over-the-counter drugs, prosthetic devices,
215.20 or medical supplies; and

215.21 (ii) the seller's purchase price or sales price of the taxable tangible personal property
215.22 is 50 percent or less of the total purchase price or sales price of the bundled tangible
215.23 personal property. Sellers must not use a combination of the purchase price and sales
215.24 price of the tangible personal property when making the 50 percent determination for
215.25 a transaction.

215.26 (e) For purposes of this subdivision, "purchase price" means the measure subject to
215.27 use tax on purchases made by the seller, and "de minimis" means that the seller's purchase
215.28 price or sales price of the taxable products is ten percent or less of the total purchase
215.29 price or sales price of the bundled products. Sellers shall use either the purchase price
215.30 or the sales price of the products to determine if the taxable products are de minimis.
215.31 Sellers must not use a combination of the purchase price and sales price of the products
215.32 to determine if the taxable products are de minimis. Sellers shall use the full term of a
215.33 service contract to determine if the taxable products are de minimis.

218.7 this state, a use tax is imposed on a person in Minnesota. The tax is imposed on the
218.8 purchase price of retail sales of the tangible personal property or taxable services at the
218.9 rate of tax imposed under section 297A.62. A person that purchases property from a
218.10 Minnesota retailer and returns the tangible personal property to a point within Minnesota,
218.11 except in the course of interstate commerce, after it was delivered outside of Minnesota,
218.12 is subject to the use tax.

218.13 (b) No tax is imposed under paragraph (a) if the tax imposed by section 297A.62
218.14 was paid on the sales price of the tangible personal property or taxable services.

218.29 (1) all gross receipts are subject to the tax; and

218.30 (2) all retail sales for delivery in Minnesota are for storage, use, or other consumption
218.31 in Minnesota.

218.32 (b) The burden of proving that a sale is not a taxable retail sale is on the seller.

218.33 ~~However, the seller may take from the purchaser at the time of the sale a fully completed~~

219.1 ~~exemption certificate which conclusively relieves the seller from collecting and remitting~~
 219.2 ~~the tax. This~~ However, a seller is relieved of liability if:

219.3 (1) the seller obtains a fully completed exemption certificate or all the relevant
 219.4 information required by section 297A.72, subdivision 2, at the time of the sale or within
 219.5 90 days after the date of the sale; or

219.6 (2) if the seller has not obtained a fully completed exemption certificate or all the

 219.8 in clause (1), within 120 days after a request for substantiation by the commissioner,
 219.9 the seller either:

219.10 (i) obtains in good faith a fully completed exemption certificate or all the relevant
 219.11 information required by section 297A.72, subdivision 2, from the purchaser; or

219.12 (ii) proves by other means that the transaction was not subject to tax.

219.13 (c) Notwithstanding paragraph (b), relief from liability does not apply to a seller who:

219.14 (1) fraudulently fails to collect the tax; or

219.15 (2) solicits purchasers to participate in the unlawful claim of an exemption. If a
 219.16 seller claiming that certain sales are exempt is not in possession of the required exemption
 219.17 certificates within 60 days after receiving written notice from the commissioner that the
 219.18 certificates are required, deductions claimed by the seller that required delivery of the
 219.19 certificates must be disallowed. If the certificates are delivered to the commissioner within
 219.20 the 60-day period, the commissioner may verify the reason or basis for the exemption
 219.21 claimed in the certificates before allowing any deductions. A deduction must not be
 219.22 granted on the basis of certificates delivered to the commissioner after the 60-day period.

219.23 ~~(e)~~ (d) A purchaser of tangible personal property or any items listed in section
 219.24 297A.63 that are shipped or brought to Minnesota by the purchaser has the burden

 219.34 radiotelephone service and prepaid calling service, is sourced to the customer's place of
 219.35 primary use as required by the Mobile Telecommunications Sourcing Act.

220.1 (b) A sale of postpaid calling service is sourced to the origination point of the
220.2 telecommunications signal as first identified by either:

220.5 used to transport such signals is not that of the seller.

220.6 (c) A sale of prepaid calling service or prepaid wireless calling service is sourced in
220.7 accordance with section 297A.668, subdivision 2. However, in the case of a sale of ~~mobile~~

220.19 points located in different jurisdictions and which segment of channel are separately
220.20 charged is sourced 50 percent in each level of jurisdiction in which the customer channel
220.21 termination points are located; and

220.22 (4) service for segments of a channel located in more than one jurisdiction or
220.23 levels of jurisdiction and which segments are not separately billed is sourced in each
220.24 jurisdiction based on the percentage determined by dividing the number of customer

220.26 termination points.

241.11 benefits under the provisions of this section, or is real estate which is farmed with the
241.12 real estate which qualifies under this clause and is within four townships or cities or
241.13 combination thereof from the qualifying real estate; or

241.18 partnership, or corporation which also owns the nursery or greenhouse operations on
241.19 the parcel or parcels.

241.20 (b) Valuation of real estate under this section is limited to parcels the ownership of
241.21 which is in noncorporate entities except for:

241.26 ~~and who continue to otherwise qualify under subdivisions 3 and 6 for a period of at least~~
241.27 ~~three years following the effective date of Laws 1983, chapter 222, section 8, will not be~~
241.28 ~~required to make payment of the previously deferred taxes, notwithstanding the provisions~~
241.29 ~~of subdivision 9. Special assessments are payable at the end of the three-year period~~
241.30 ~~or at time of sale, whichever comes first.~~

241.31 (c) Land that previously qualified for tax deferral under this section and no longer
241.32 qualifies because it is not primarily used for agricultural purposes but would otherwise
241.33 qualify under subdivisions 3 and 6 for a period of at least three years will not be required
241.34 to make payment of the previously deferred taxes, notwithstanding the provisions of
241.35 subdivision 9. Sale of the land prior to the expiration of the three-year period requires

242.4 sale during the third year the land no longer qualifies requires payment of the current
242.5 year's deferred taxes. Deferred taxes shall be paid even if the land qualifies pursuant to
242.6 subdivision 11a. When such property is sold or no longer qualifies under this paragraph, or

242.8 plus interest are payable in equal installments spread over the time remaining until the last
242.9 maturity date of the bonds issued to finance the improvement for which the assessments
242.10 were levied. If the bonds have matured, the deferred special assessments plus interest
242.11 are payable within 90 days. The provisions of section 429.061, subdivision 2, apply
242.12 to the collection of these installments. Penalties are not imposed on any such special
242.13 assessments if timely paid.

242.31 equalization under section 274.01 or the review process established under section 274.13,
242.32 subdivision 1c. Upon written request by the owner of the property, the assessor may send
242.33 the notice in electronic form or by electronic mail instead of on paper or by ordinary mail.

243.1 It shall contain: (1) the market value for the current and prior assessment, (2) the limited
243.2 market value under section 273.11, subdivision 1a, for the current and prior assessment,

243.17 does not have the necessary funds, issue a certification to the commissioner of finance
243.18 of the amount necessary to provide such notices. The commissioner of finance shall
243.19 issue a warrant for such amount and shall deduct such amount from any state payment
243.20 to such county or municipality. The necessary funds to make such payments are hereby
243.21 appropriated. Failure to receive the notice shall in no way affect the validity of the
243.22 assessment, the resulting tax, the procedures of any board of review or equalization, or
243.23 the enforcement of delinquent taxes by statutory means.

243.24 **EFFECTIVE DATE.** This section is effective for notices required in 2008 and

243.28 all homestead property located within a disaster or emergency area which is physically

243.30 following year to reflect the loss in market value caused by the damage as follows: Subtract
243.31 the market value of the property as reassessed from the market value of the property as
243.32 assessed under section 273.01 for January 1 of the year in which the disaster or emergency
243.33 occurred; multiply the remainder by a fraction, the numerator of which is the number of
243.34 full months remaining in the year on the date the disaster or emergency occurred, and the
243.35 denominator of which is 12; subtract the product of the calculation from the market value

244.1 of the property as assessed for ~~January 1~~ of the year in which the disaster or emergency
 244.2 occurred; the remainder is the estimated market value to be used for taxes payable the
 244.3 following year. The assessor shall report to the county auditor the net tax capacity based
 244.4 on the assessment of ~~January 1~~ of for the year in which the disaster or emergency occurred
 244.5 and the net tax capacity based on the reassessment made pursuant to this subdivision.

244.6 **EFFECTIVE DATE.** This section is effective the day following final enactment.

244.7 Sec. 30. Minnesota Statutes 2006, section 273.123, subdivision 3, is amended to read:

244.8 Subd. 3. **Computation of local tax rates.** ~~When computing~~ Local tax rates; must

 244.11 disaster or emergency occurred, and as returned by the local, county, and state boards of
 244.12 review and equalization and the commissioner of revenue.

244.13 **EFFECTIVE DATE.** This section is effective the day following final enactment.

244.14 Sec. 31. Minnesota Statutes 2006, section 273.124, subdivision 13, is amended to read:

244.15 Subd. 13. **Homestead application.** (a) A person who meets the homestead
 244.16 requirements under subdivision 1 must file a homestead application with the county
 244.17 assessor to initially obtain homestead classification.

244.18 (b) ~~On or before January 2, 1993, each county assessor shall mail a homestead~~
 244.19 ~~application to the owner of each parcel of property within the county which was~~
 244.20 ~~classified as homestead for the 1992 assessment year.~~ The format and contents of a
 244.21 uniform homestead application shall be prescribed by the commissioner of revenue. ~~The~~
 244.22 ~~commissioner shall consult with the chairs of the house and senate tax committees on the~~
 244.23 ~~contents of the homestead application form.~~ The application must clearly inform the
 244.24 taxpayer that this application must be signed by all owners who occupy the property or
 244.25 by the qualifying relative and returned to the county assessor in order for the property to
 244.26 ~~continue receiving~~ receive homestead treatment. ~~The envelope containing the homestead~~
 244.27 ~~application shall clearly identify its contents and alert the taxpayer of its necessary~~
 244.28 ~~immediate response.~~

244.29 (c) Every property owner applying for homestead classification must furnish to the
 244.30 county assessor the Social Security number of each occupant who is listed as an owner
 244.31 of the property on the deed of record, the name and address of each owner who does not
 244.32 occupy the property, and the name and Social Security number of each owner's spouse who
 244.33 occupies the property. The application must be signed by each owner who occupies the

245.1 property and by each owner's spouse who occupies the property, or, in the case of property
245.2 that qualifies as a homestead under subdivision 1, paragraph (c), by the qualifying relative.

245.3 If a property owner occupies a homestead, the property owner's spouse may not
245.4 claim another property as a homestead unless the property owner and the property owner's
245.5 spouse file with the assessor an affidavit or other proof required by the assessor stating that
245.6 the property qualifies as a homestead under subdivision 1, paragraph (e).

245.7 Owners or spouses occupying residences owned by their spouses and previously
245.8 occupied with the other spouse, either of whom fail to include the other spouse's name
245.9 and Social Security number on the homestead application or provide the affidavits or
245.10 other proof requested, will be deemed to have elected to receive only partial homestead
245.11 treatment of their residence. The remainder of the residence will be classified as
245.12 nonhomestead residential. When an owner or spouse's name and Social Security number
245.13 appear on homestead applications for two separate residences and only one application is
245.14 signed, the owner or spouse will be deemed to have elected to homestead the residence for
245.15 which the application was signed.

245.16 The Social Security numbers or affidavits or other proofs of the property owners
245.17 and spouses are private data on individuals as defined by section 13.02, subdivision 12,
245.18 but, notwithstanding that section, the private data may be disclosed to the commissioner
245.19 of revenue, or, for purposes of proceeding under the Revenue Recapture Act to recover
245.20 personal property taxes owing, to the county treasurer.

245.21 (d) If residential real estate is occupied and used for purposes of a homestead by a
245.22 relative of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in
245.23 order for the property to receive homestead status, a homestead application must be filed
245.24 with the assessor. The Social Security number of each relative and spouse of a relative
245.25 occupying the property ~~and the Social Security number of each owner who is related to an~~
245.26 ~~occupant of the property~~ shall be required on the homestead application filed under this
245.27 subdivision. If a different relative of the owner subsequently occupies the property, the
245.28 owner of the property must notify the assessor within 30 days of the change in occupancy.
245.29 The Social Security number of a relative or relative's spouse occupying the property
245.30 is private data on individuals as defined by section 13.02, subdivision 12, but may be
245.31 disclosed to the commissioner of revenue, or, for the purposes of proceeding under the
245.32 Revenue Recapture Act to recover personal property taxes owing, to the county treasurer.

245.33 (e) The homestead application shall also notify the property owners that the
245.34 application filed under this section will not be mailed annually and that if the property
245.35 is granted homestead status for ~~the 1993 assessment, or any assessment year thereafter,~~
245.36 that same property shall remain classified as homestead until the property is sold or

246.1 transferred to another person, or the owners, the spouse of the owner, or the relatives no
246.2 longer use the property as their homestead. Upon the sale or transfer of the homestead
246.3 property, a certificate of value must be timely filed with the county auditor as provided
246.4 under section 272.115. Failure to notify the assessor within 30 days that the property has
246.5 been sold, transferred, or that the owner, the spouse of the owner, or the relative is no
246.6 longer occupying the property as a homestead, shall result in the penalty provided under
246.7 this subdivision and the property will lose its current homestead status.

246.8 (f) If the homestead application is not returned within 30 days, the county will send a
246.9 second application to the present owners of record. The notice of proposed property taxes
246.10 prepared under section 275.065, subdivision 3, shall reflect the property's classification.
246.11 ~~Beginning with assessment year 1993 for all properties,~~ If a homestead application has
246.12 not been filed with the county by December 15, the assessor shall classify the property
246.13 as nonhomestead for the current assessment year for taxes payable in the following year,
246.14 provided that the owner may be entitled to receive the homestead classification by proper
246.15 application under section 375.192.

246.16 (g) At the request of the commissioner, each county must give the commissioner a
246.17 list that includes the name and Social Security number of each occupant of homestead
246.18 property who is the property owner and the property owner's spouse occupying the
246.19 property, or, qualifying relative of a property owner, applying for homestead classification
246.20 under this subdivision or a spouse of a qualifying relative. The commissioner shall use the
246.21 information provided on the lists as appropriate under the law, including for the detection
246.22 of improper claims by owners, or relatives of owners, under chapter 290A.

246.23 (h) If the commissioner finds that a property owner may be claiming a fraudulent
246.24 homestead, the commissioner shall notify the appropriate counties. Within 90 days of
246.25 the notification, the county assessor shall investigate to determine if the homestead
246.26 classification was properly claimed. If the property owner does not qualify, the county
246.27 assessor shall notify the county auditor who will determine the amount of homestead
246.28 benefits that had been improperly allowed. For the purpose of this section, "homestead
246.29 benefits" means the tax reduction resulting from the classification as a homestead under
246.30 section 273.13, the taconite homestead credit under section 273.135, the residential
246.31 homestead and agricultural homestead credits under section 273.1384, and the
246.32 supplemental homestead credit under section 273.1391.

246.33 The county auditor shall send a notice to the person who owned the affected property
246.34 at the time the homestead application related to the improper homestead was filed,
246.35 demanding reimbursement of the homestead benefits plus a penalty equal to 100 percent
246.36 of the homestead benefits. The person notified may appeal the county's determination

247.1 by serving copies of a petition for review with county officials as provided in section
247.2 278.01 and filing proof of service as provided in section 278.01 with the Minnesota Tax
247.3 Court within 60 days of the date of the notice from the county. Procedurally, the appeal
247.4 is governed by the provisions in chapter 271 which apply to the appeal of a property tax
247.5 assessment or levy, but without requiring any prepayment of the amount in controversy. If
247.6 the amount of homestead benefits and penalty is not paid within 60 days, and if no appeal
247.7 has been filed, the county auditor shall certify the amount of taxes and penalty to the county
247.8 treasurer. The county treasurer will add interest to the unpaid homestead benefits and
247.9 penalty amounts at the rate provided in section 279.03 for real property taxes becoming
247.10 delinquent in the calendar year during which the amount remains unpaid. Interest may be
247.11 assessed for the period beginning 60 days after demand for payment was made.

247.12 If the person notified is the current owner of the property, the treasurer may add the
247.13 total amount of homestead benefits, penalty, interest, and costs to the ad valorem taxes
247.14 otherwise payable on the property by including the amounts on the property tax statements
247.15 under section 276.04, subdivision 3. The amounts added under this paragraph to the ad
247.16 valorem taxes shall include interest accrued through December 31 of the year preceding
247.17 the taxes payable year for which the amounts are first added. These amounts, when added
247.18 to the property tax statement, become subject to all the laws for the enforcement of real or
247.19 personal property taxes for that year, and for any subsequent year.

247.20 If the person notified is not the current owner of the property, the treasurer may
247.21 collect the amounts due under the Revenue Recapture Act in chapter 270A, or use any of
247.22 the powers granted in sections 277.20 and 277.21 without exclusion, to enforce payment
247.23 of the homestead benefits, penalty, interest, and costs, as if those amounts were delinquent
247.24 tax obligations of the person who owned the property at the time the application related
247.25 to the improperly allowed homestead was filed. The treasurer may relieve a prior owner
247.26 of personal liability for the homestead benefits, penalty, interest, and costs, and instead
247.27 extend those amounts on the tax lists against the property as provided in this paragraph
247.28 to the extent that the current owner agrees in writing. On all demands, billings, property
247.29 tax statements, and related correspondence, the county must list and state separately the
247.30 amounts of homestead benefits, penalty, interest and costs being demanded, billed or
247.31 assessed.

247.32 (i) Any amount of homestead benefits recovered by the county from the property
247.33 owner shall be distributed to the county, city or town, and school district where the
247.34 property is located in the same proportion that each taxing district's levy was to the total
247.35 of the three taxing districts' levy for the current year. Any amount recovered attributable
247.36 to taconite homestead credit shall be transmitted to the St. Louis County auditor to be

248.1 deposited in the taconite property tax relief account. Any amount recovered that is
248.2 attributable to supplemental homestead credit is to be transmitted to the commissioner of
248.3 revenue for deposit in the general fund of the state treasury. The total amount of penalty
248.4 collected must be deposited in the county general fund.

248.5 (j) If a property owner has applied for more than one homestead and the county
248.6 assessors cannot determine which property should be classified as homestead, the county
248.7 assessors will refer the information to the commissioner. The commissioner shall make
248.8 the determination and notify the counties within 60 days.

248.9 (k) In addition to lists of homestead properties, the commissioner may ask the
248.10 counties to furnish lists of all properties and the record owners. The Social Security
248.11 numbers and federal identification numbers that are maintained by a county or city
248.12 assessor for property tax administration purposes, and that may appear on the lists retain
248.13 their classification as private or nonpublic data; but may be viewed, accessed, and used by
248.14 the county auditor or treasurer of the same county for the limited purpose of assisting the
248.15 commissioner in the preparation of microdata samples under section 270C.12.

248.16 (l) On or before April 30 each year beginning in 2007, each county must provide the
248.17 commissioner with the following data for each parcel of homestead property by electronic
248.18 means as defined in section 289A.02, subdivision 8:

248.19 (i) the property identification number assigned to the parcel for purposes of taxes
248.20 payable in the current year;

248.21 (ii) the name and Social Security number of each occupant of homestead property
248.22 who is the property owner and, property owner's spouse, as shown on the tax rolls for the
248.23 current and the prior assessment year qualifying relative of a property owner, or spouse
248.24 of a qualifying relative;

248.25 (iii) the classification of the property under section 273.13 for taxes payable in the
248.26 current year and in the prior year;

248.27 (iv) an indication of whether the property was classified as a homestead for taxes
248.28 payable in the current year ~~or for taxes payable in the prior year~~ because of occupancy by
248.29 a relative of the owner or by a spouse of a relative;

248.30 (v) the property taxes payable as defined in section 290A.03, subdivision 13, for the
248.31 current year and the prior year;

248.32 (vi) the market value of improvements to the property first assessed for tax purposes
248.33 for taxes payable in the current year;

248.34 (vii) the assessor's estimated market value assigned to the property for taxes payable
248.35 in the current year and the prior year;

249.1 (viii) the taxable market value assigned to the property for taxes payable in the
249.2 current year and the prior year;

249.3 (ix) whether there are delinquent property taxes owing on the homestead;

249.4 (x) the unique taxing district in which the property is located; and

249.5 (xi) such other information as the commissioner decides is necessary.

249.6 The commissioner shall use the information provided on the lists as appropriate
249.7 under the law, including for the detection of improper claims by owners, or relatives
249.8 of owners, under chapter 290A.

249.9 **EFFECTIVE DATE.** This section is effective the day following final enactment.

249.10 Sec. 32. Minnesota Statutes 2006, section 273.124, subdivision 21, is amended to read:

249.12 is eligible for classification as homestead property if:

249.13 (1) the grantor or surviving spouse of the grantor of the trust occupies and uses the
249.14 property as a homestead;

249.15 (2) a relative or surviving relative of the grantor who meets the requirements of
249.16 subdivision 1, paragraph (c), in the case of residential real estate; or subdivision 1,

249.28 occupy the property as that person's homestead and who continues to use the property as
249.29 a homestead or a person who received the homestead classification for taxes payable in
249.30 2005 under clause (3) who does not qualify under clause (3) for taxes payable in 2006
249.31 or thereafter but who continues to qualify under clause (3) as it existed for taxes payable
249.32 in 2005.

249.34 establishing a testamentary, inter Vivos, revocable or irrevocable trust by written
249.35 instrument or through the exercise of a power of appointment.

250.1 **EFFECTIVE DATE.** This section is effective the day following final enactment.

250.2 Sec. 33. Minnesota Statutes 2006, section 273.1398, subdivision 4, is amended to read:

250.3 Subd. 4. **Disparity reduction credit.** (a) Beginning with taxes payable in 1989,
250.4 class 4a, class 3a, and class 3b property qualifies for a disparity reduction credit if: (1)

250.6 to section 469.168, subdivision 4; (2) the property is located in a city with a population

250.12 property to 2.3 percent of the property's market value and (ii) the tax on class 3a and class
250.13 3b property to 2.3 percent of market value.

250.14 (c) The county auditor shall annually certify the costs of the credits to the
250.15 Department of Revenue. The department shall reimburse local governments for the
250.16 property taxes foregone as the result of the credits in proportion to their total levies.

250.17 **EFFECTIVE DATE.** This section is effective retroactively for taxes payable in
250.18 2001 and thereafter.

250.19 Sec. 34. Minnesota Statutes 2006, section 273.33, subdivision 2, is amended to read:

250.20 Subd. 2. **Listing and assessment by commissioner.** The personal property,
250.21 consisting of the pipeline system of mains, pipes, and equipment attached thereto, of
250.22 pipeline companies and others engaged in the operations or business of transporting
250.23 natural gas, gasoline, crude oil, or other petroleum products by pipelines, shall be listed
250.24 with and assessed by the commissioner of revenue and the values provided to the city
250.25 or county assessor by order. This subdivision shall not apply to the assessment of
250.26 the products transported through the pipelines nor to the lines of local commercial gas
250.27 companies engaged primarily in the business of distributing gas to consumers at retail nor
250.28 to pipelines used by the owner thereof to supply natural gas or other petroleum products
250.29 exclusively for such owner's own consumption and not for resale to others. If more than
250.30 85 percent of the natural gas or other petroleum products actually transported over the
250.31 pipeline is used for the owner's own consumption and not for resale to others, then this
250.32 subdivision shall not apply; provided, however, that in that event, the pipeline shall be
250.33 assessed in proportion to the percentage of gas actually transported over such pipeline that
250.34 is not used for the owner's own consumption. On or before June 30, the commissioner

251.1 shall certify to the auditor of each county, the amount of such personal property assessment
251.2 against each company in each district in which such property is located.

251.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

251.4 Sec. 35. Minnesota Statutes 2006, section 273.37, subdivision 2, is amended to read:

251.5 Subd. 2. **Listing and assessment by commissioner.** Transmission lines of less
251.6 than 69 kv, transmission lines of 69 kv and above located in an unorganized township,
251.7 and distribution lines, and equipment attached thereto, having a fixed situs outside the
251.8 corporate limits of cities except distribution lines taxed as provided in sections 273.40
251.9 and 273.41, shall be listed with and assessed by the commissioner of revenue in the
251.10 county where situated and the values provided to the city or county assessor by order.

251.11 The commissioner shall assess such property at the percentage of market value fixed by
251.12 law; and, on or before June 30, shall certify to the auditor of each county in which such
251.13 property is located the amount of the assessment made against each company and person
251.14 owning such property.

251.15 **EFFECTIVE DATE.** This section is effective the day following final enactment.

251.16 Sec. 36. Minnesota Statutes 2006, section 273.371, subdivision 1, is amended to read:

251.17 Subdivision 1. **Report required.** Every electric light, power, gas, water, express,
251.18 stage, and transportation company and pipeline doing business in Minnesota shall
251.19 annually file with the commissioner on or before March 31 a report under oath setting
251.20 forth the information prescribed by the commissioner to enable the commissioner to make
251.21 valuations, recommended valuations, and equalization required under sections 273.33,
251.22 273.35, 273.36, ~~and 273.37,~~ and 273.3711. If all the required information is not available
251.23 on March 31, the company or pipeline shall file the information that is available on or
251.24 before March 31, and the balance of the information as soon as it becomes available.

251.25 **EFFECTIVE DATE.** This section is effective the day following final enactment.

251.26 Sec. 37. **[273.3711] RECOMMENDED AND ORDERED VALUES.**

251.27 For purposes of sections 273.33, 273.35, 273.36, 273.37, 273.371, and 273.372,
251.28 all values not required to be listed and assessed by the commissioner of revenue are
251.29 recommended values.

251.30 **EFFECTIVE DATE.** This section is effective the day following final enactment.

252.1 Sec. 38. Minnesota Statutes 2006, section 274.01, subdivision 1, is amended to read:

252.2 Subdivision 1. **Ordinary board; meetings, deadlines, grievances.** (a) The town
252.3 board of a town, or the council or other governing body of a city, is the board of appeal
252.4 and equalization except (1) in cities whose charters provide for a board of equalization or
252.5 (2) in any city or town that has transferred its local board of review power and duties to
252.6 the county board as provided in subdivision 3. The county assessor shall fix a day and
252.7 time when the board or the board of equalization shall meet in the assessment districts
252.8 of the county. Notwithstanding any law or city charter to the contrary, a city board of
252.9 equalization shall be referred to as a board of appeal and equalization. On or before
252.10 February 15 of each year the assessor shall give written notice of the time to the city or
252.11 town clerk. Notwithstanding the provisions of any charter to the contrary, the meetings
252.12 must be held between April 1 and May 31 each year. The clerk shall give published and
252.13 posted notice of the meeting at least ten days before the date of the meeting.

252.14 The board shall meet at the office of the clerk to review the assessment and
252.15 classification of property in the town or city. No changes in valuation or classification
252.16 which are intended to correct errors in judgment by the county assessor may be made by
252.17 the county assessor after the board has adjourned in those cities or towns that hold a
252.18 local board of review; however, corrections of errors that are merely clerical in nature or
252.19 changes that extend homestead treatment to property are permitted after adjournment until
252.20 the tax extension date for that assessment year. The changes must be fully documented and
252.21 maintained in the assessor's office and must be available for review by any person. A copy
252.22 of the changes made during this period in those cities or towns that hold a local board of
252.23 review must be sent to the county board no later than December 31 of the assessment year.

252.24 (b) The board shall determine whether the taxable property in the town or city has
252.25 been properly placed on the list and properly valued by the assessor. If real or personal
252.26 property has been omitted, the board shall place it on the list with its market value, and
252.27 correct the assessment so that each tract or lot of real property, and each article, parcel,
252.28 or class of personal property, is entered on the assessment list at its market value. No
252.29 assessment of the property of any person may be raised unless the person has been
252.30 duly notified of the intent of the board to do so. On application of any person feeling
252.31 aggrieved, the board shall review the assessment or classification, or both, and correct
252.32 it as appears just. The board may not make an individual market value adjustment or
252.33 classification change that would benefit the property if the owner or other person having
252.34 control over the property has refused the assessor access to inspect the property and the
252.35 interior of any buildings or structures as provided in section 273.20. A board member
252.36 shall not participate in any actions of the board which result in market value adjustments

253.1 or classification changes to property owned by the board member, the spouse, parent,
253.2 stepparent, child, stepchild, grandparent, grandchild, brother, sister, uncle, aunt, nephew,
253.3 or niece of a board member, or property in which a board member has a financial interest.
253.4 The relationship may be by blood or marriage.

253.5 (c) A local board may reduce assessments upon petition of the taxpayer but the total
253.6 reductions must not reduce the aggregate assessment made by the county assessor by more
253.7 than one percent. If the total reductions would lower the aggregate assessments made by
253.8 the county assessor by more than one percent, none of the adjustments may be made. The
253.9 assessor shall correct any clerical errors or double assessments discovered by the board
253.10 without regard to the one percent limitation.

253.11 (d) A local board does not have authority to grant an exemption or to order property
253.12 removed from the tax rolls.

253.13 (e) A majority of the members may act at the meeting, and adjourn from day to day
253.14 until they finish hearing the cases presented. The assessor shall attend, with the assessment
253.15 books and papers, and take part in the proceedings, but must not vote. The county assessor,
253.16 or an assistant delegated by the county assessor shall attend the meetings. The board shall
253.17 list separately, on a form appended to the assessment book, all omitted property added
253.18 to the list by the board and all items of property increased or decreased, with the market
253.19 value of each item of property, added or changed by the board, placed opposite the item.
253.20 The county assessor shall enter all changes made by the board in the assessment book.

253.21 (f) Except as provided in subdivision 3, if a person fails to appear in person, by
253.22 counsel, or by written communication before the board after being duly notified of the
253.23 board's intent to raise the assessment of the property, or if a person feeling aggrieved by an
253.24 assessment or classification fails to apply for a review of the assessment or classification,
253.25 the person may not appear before the county board of appeal and equalization for a review
253.26 of the assessment or classification. This paragraph does not apply if an assessment was
253.27 made after the local board meeting, as provided in section 273.01, or if the person can
253.28 establish not having received notice of market value at least five days before the local
253.29 board meeting.

253.30 (g) The local board must complete its work and adjourn within 20 days from the
253.31 time of convening stated in the notice of the clerk, unless a longer period is approved by
253.32 the commissioner of revenue. No action taken after that date is valid. All complaints
253.33 about an assessment or classification made after the meeting of the board must be heard
253.34 and determined by the county board of equalization. A nonresident may, at any time,
253.35 before the meeting of the board file written objections to an assessment or classification

254.1 with the county assessor. The objections must be presented to the board at its meeting by
254.2 the county assessor for its consideration.

254.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

254.4 Sec. 39. Minnesota Statutes 2006, section 274.13, subdivision 1, is amended to read:

254.5 Subdivision 1. **Members; meetings; rules for equalizing assessments.** The county
254.6 commissioners, or a majority of them, with the county auditor, or, if the auditor cannot be
254.7 present, the deputy county auditor, or, if there is no deputy, the court administrator of the
254.8 district court, shall form a board for the equalization of the assessment of the property
254.9 of the county, including the property of all cities whose charters provide for a board of
254.10 equalization. This board shall be referred to as the county board of appeal and equalization.
254.11 The board shall meet annually, on the date specified in section 274.14, at the office of the
254.12 auditor. Each member shall take an oath to fairly and impartially perform duties as a
254.13 member. Members shall not participate in any actions of the board which result in market
254.14 value adjustments or classification changes to property owned by the board member, the
254.15 spouse, parent, stepparent, child, stepchild, grandparent, grandchild, brother, sister, uncle,
254.16 aunt, nephew, or niece of a board member, or property in which a board member has a
254.17 financial interest. The relationship may be by blood or marriage. The board shall examine
254.18 and compare the returns of the assessment of property of the towns or districts, and
254.19 equalize them so that each tract or lot of real property and each article or class of personal
254.20 property is entered on the assessment list at its market value, subject to the following rules:

254.21 (1) The board shall raise the valuation of each tract or lot of real property which
254.22 in its opinion is returned below its market value to the sum believed to be its market
254.23 value. The board must first give notice of intention to raise the valuation to the person in
254.24 whose name it is assessed, if the person is a resident of the county. The notice must fix
254.25 a time and place for a hearing.

254.26 (2) The board shall reduce the valuation of each tract or lot which in its opinion is
254.27 returned above its market value to the sum believed to be its market value.

254.28 (3) The board shall raise the valuation of each class of personal property which
254.29 in its opinion is returned below its market value to the sum believed to be its market
254.30 value. It shall raise the aggregate value of the personal property of individuals, firms, or
254.31 corporations, when it believes that the aggregate valuation, as returned, is less than the
254.32 market value of the taxable personal property possessed by the individuals, firms, or
254.33 corporations, to the sum it believes to be the market value. The board must first give notice
254.34 to the persons of intention to do so. The notice must set a time and place for a hearing.

255.1 (4) The board shall reduce the valuation of each class of personal property that
255.2 is returned above its market value to the sum it believes to be its market value. Upon
255.3 complaint of a party aggrieved, the board shall reduce the aggregate valuation of the
255.4 individual's personal property, or of any class of personal property for which the individual
255.5 is assessed, which in its opinion has been assessed at too large a sum, to the sum it believes
255.6 was the market value of the individual's personal property of that class.

255.7 (5) The board must not reduce the aggregate value of all the property of its county, as
255.8 submitted to the county board of equalization, with the additions made by the auditor under
255.9 this chapter, by more than one percent of its whole valuation. The board may raise the
255.10 aggregate valuation of real property, and of each class of personal property, of the county,
255.11 or of any town or district of the county, when it believes it is below the market value of the
255.12 property, or class of property, to the aggregate amount it believes to be its market value.

255.13 (6) The board shall change the classification of any property which in its opinion
255.14 is not properly classified.

255.15 (7) The board does not have the authority to grant an exemption or to order property
255.16 removed from the tax rolls.

255.17 **EFFECTIVE DATE.** This section is effective the day following final enactment.

255.18 Sec. 40. **[274.135] COUNTY BOARDS; APPEALS AND EQUALIZATION**
255.19 **COURSE AND MEETING REQUIREMENTS.**

255.20 **Subdivision 1. Handbook for county boards.** By no later than January 1, 2009, the
255.21 **commissioner of revenue must develop a handbook detailing procedures, responsibilities,**
255.22 **and requirements for county boards of appeal and equalization. The handbook must**
255.23 **include, but need not be limited to, the role of the county board in the assessment process,**
255.24 **the legal and policy reasons for fair and impartial appeal and equalization hearings, county**
255.25 **board meeting procedures that foster fair and impartial assessment reviews and other best**
255.26 **practices recommendations, quorum requirements for county boards, and explanations**
255.27 **of alternate methods of appeal.**

255.28 **Subd. 2. Appeals and equalization course.** Beginning in 2009, and each year
255.29 **thereafter, there must be at least one member at each meeting of a county board of appeal**
255.30 **and equalization who has attended an appeals and equalization course developed or**
255.31 **approved by the commissioner within the last four years, as certified by the commissioner.**
255.32 **The course may be offered in conjunction with a meeting of the Minnesota Association**
255.33 **of Assessment Officers. The course content must include, but need not be limited to, a**
255.34 **review of the handbook developed by the commissioner under subdivision 1.**

256.1 Subd. 3. **Proof of compliance; transfer of duties.** (a) Any county that
256.2 conducts county boards of appeal and equalization meetings must provide proof to the
256.3 commissioner by December 1, 2009, and each year thereafter, that it is in compliance
256.4 with the requirements of subdivision 2. Beginning in 2009, this notice must also verify
256.5 that there was a quorum of voting members at each meeting of the board of appeal and
256.6 equalization in the current year. A county that does not comply with these requirements
256.7 is deemed to have transferred its board of appeal and equalization powers to the special
256.8 board of equalization appointed pursuant to section 274.13, subdivision 2, beginning
256.9 with the following year's assessment and continuing unless the powers are reinstated
256.10 under paragraph (c). A county that does not comply with the requirements of subdivision
256.11 2 and has not appointed a special board of equalization shall appoint a special board of
256.12 equalization before the following year's assessment.

256.13 (b) The county shall notify the taxpayers when the board of appeal and equalization
256.14 for a county has been transferred to the special board of equalization under this subdivision
256.15 and, prior to the meeting time of the special board of equalization, the county shall make
256.16 available to those taxpayers a procedure for a review of the assessments, including, but
256.17 not limited to, open book meetings. This alternate review process must take place in
256.18 April and May.

256.19 (c) A county board whose powers are transferred to the special board of equalization
256.20 under this subdivision may be reinstated by resolution of the county board and upon proof
256.21 of compliance with the requirements of subdivision 2. The resolution and proofs must be
256.22 provided to the commissioner by December 1 in order to be effective for the following
256.23 year's assessment.

256.24 **EFFECTIVE DATE.** This section is effective the day following final enactment.

256.25 Sec. 41. Minnesota Statutes 2006, section 275.065, subdivision 3, is amended to read:

256.26 Subd. 3. **Notice of proposed property taxes.** (a) The county auditor shall prepare
256.27 and the county treasurer shall deliver after November 10 and on or before November 24
256.28 each year, by first class mail to each taxpayer at the address listed on the county's current
256.29 year's assessment roll, a notice of proposed property taxes. Upon written request by
256.30 the taxpayer, the treasurer may send the notice in electronic form or by electronic mail
256.31 instead of on paper or by ordinary mail.

256.32 (b) The commissioner of revenue shall prescribe the form of the notice.

256.33 (c) The notice must inform taxpayers that it contains the amount of property taxes
256.34 each taxing authority proposes to collect for taxes payable the following year. In the case
256.35 of a town, or in the case of the state general tax, the final tax amount will be its proposed

257.1 tax. In the case of taxing authorities required to hold a public meeting under subdivision 6,
257.2 the notice must clearly state that each taxing authority, including regional library districts
257.3 established under section 134.201, and including the metropolitan taxing districts as
257.4 defined in paragraph (i), but excluding all other special taxing districts and towns, will
257.5 hold a public meeting to receive public testimony on the proposed budget and proposed or
257.6 final property tax levy, or, in case of a school district, on the current budget and proposed
257.7 property tax levy. It must clearly state the time and place of each taxing authority's
257.8 meeting, a telephone number for the taxing authority that taxpayers may call if they have
257.9 questions related to the notice, and an address where comments will be received by mail.

257.10 (d) The notice must state for each parcel:

257.11 (1) the market value of the property as determined under section 273.11, and used
257.12 for computing property taxes payable in the following year and for taxes payable in the
257.13 current year as each appears in the records of the county assessor on November 1 of the
257.14 current year; and, in the case of residential property, whether the property is classified as
257.15 homestead or nonhomestead. The notice must clearly inform taxpayers of the years to
257.16 which the market values apply and that the values are final values;

257.17 (2) the items listed below, shown separately by county, city or town, and state general
257.18 tax, net of the residential and agricultural homestead credit under section 273.1384, voter
257.19 approved school levy, other local school levy, and the sum of the special taxing districts,
257.20 and as a total of all taxing authorities:

257.21 (i) the actual tax for taxes payable in the current year; and

257.22 (ii) the proposed tax amount.

257.23 If the county levy under clause (2) includes an amount for a lake improvement
257.24 district as defined under sections 103B.501 to 103B.581, the amount attributable for that
257.25 purpose must be separately stated from the remaining county levy amount.

257.26 In the case of a town or the state general tax, the final tax shall also be its proposed
257.27 tax unless the town changes its levy at a special town meeting under section 365.52. If a
257.28 school district has certified under section 126C.17, subdivision 9, that a referendum will
257.29 be held in the school district at the November general election, the county auditor must
257.30 note next to the school district's proposed amount that a referendum is pending and that,
257.31 if approved by the voters, the tax amount may be higher than shown on the notice. In
257.32 the case of the city of Minneapolis, the levy for the Minneapolis Library Board and the
257.33 levy for Minneapolis Park and Recreation shall be listed separately from the remaining
257.34 amount of the city's levy. In the case of the city of St. Paul, the levy for the St. Paul
257.35 Library Agency must be listed separately from the remaining amount of the city's levy.
257.36 In the case of Ramsey County, any amount levied under section 134.07 may be listed

258.1 separately from the remaining amount of the county's levy. In the case of a parcel where
258.2 tax increment or the fiscal disparities areawide tax under chapter 276A or 473F applies,
258.3 the proposed tax levy on the captured value or the proposed tax levy on the tax capacity
258.4 subject to the areawide tax must each be stated separately and not included in the sum of
258.5 the special taxing districts; and

258.6 (3) the increase or decrease between the total taxes payable in the current year and
258.7 the total proposed taxes, expressed as a percentage.

258.8 For purposes of this section, the amount of the tax on homesteads qualifying under
258.9 the senior citizens' property tax deferral program under chapter 290B is the total amount
258.10 of property tax before subtraction of the deferred property tax amount.

258.11 (e) The notice must clearly state that the proposed or final taxes do not include
258.12 the following:

258.13 (1) special assessments;

258.14 (2) levies approved by the voters after the date the proposed taxes are certified,
258.15 including bond referenda and school district levy referenda;

258.16 (3) a levy limit increase approved by the voters by the first Tuesday after the first
258.17 Monday in November of the levy year as provided under section 275.73;

258.18 (4) amounts necessary to pay cleanup or other costs due to a natural disaster
258.19 occurring after the date the proposed taxes are certified;

258.20 (5) amounts necessary to pay tort judgments against the taxing authority that become
258.21 final after the date the proposed taxes are certified; and

258.22 (6) the contamination tax imposed on properties which received market value
258.23 reductions for contamination.

258.24 (f) Except as provided in subdivision 7, failure of the county auditor to prepare or
258.25 the county treasurer to deliver the notice as required in this section does not invalidate the
258.26 proposed or final tax levy or the taxes payable pursuant to the tax levy.

258.27 (g) If the notice the taxpayer receives under this section lists the property as
258.28 nonhomestead, and satisfactory documentation is provided to the county assessor by the
258.29 applicable deadline, and the property qualifies for the homestead classification in that
258.30 assessment year, the assessor shall reclassify the property to homestead for taxes payable
258.31 in the following year.

258.32 (h) In the case of class 4 residential property used as a residence for lease or rental
258.33 periods of 30 days or more, the taxpayer must either:

258.34 (1) mail or deliver a copy of the notice of proposed property taxes to each tenant,
258.35 renter, or lessee; or

258.36 (2) post a copy of the notice in a conspicuous place on the premises of the property.

259.1 The notice must be mailed or posted by the taxpayer by November 27 or within
259.2 three days of receipt of the notice, whichever is later. A taxpayer may notify the county
259.3 treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to
259.4 which the notice must be mailed in order to fulfill the requirements of this paragraph.

259.5 (i) For purposes of this subdivision, subdivisions 5a and 6, "metropolitan special
259.6 taxing districts" means the following taxing districts in the seven-county metropolitan area
259.7 that levy a property tax for any of the specified purposes listed below:

259.8 (1) Metropolitan Council under section 473.132, 473.167, 473.249, 473.325,
259.9 473.446, 473.521, 473.547, or 473.834;

259.10 (2) Metropolitan Airports Commission under section 473.667, 473.671, or 473.672;
259.11 and

259.12 (3) Metropolitan Mosquito Control Commission under section 473.711.

259.13 For purposes of this section, any levies made by the regional rail authorities in the
259.14 county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter
259.15 398A shall be included with the appropriate county's levy and shall be discussed at that
259.16 county's public hearing.

259.17 (j) The governing body of a county, city, or school district may, with the consent
259.18 of the county board, include supplemental information with the statement of proposed
259.19 property taxes about the impact of state aid increases or decreases on property tax

278.32 **EFFECTIVE DATE.** This section is effective the day following final enactment.

278.33 Sec. 4. Minnesota Statutes 2006, section 16D.04, subdivision 1, is amended to read:

278.34 Subdivision 1. **Duties.** The commissioner shall provide services to the state and ~~its~~
278.35 referring agencies to collect debts owed the state referred for collection under this chapter.

279.1 The commissioner is not a collection agency as defined by section 332.31, subdivision 3,
279.2 and is not licensed, bonded, or regulated by the commissioner of commerce under sections
279.3 332.31 to 332.35 or 332.38 to 332.45. The commissioner is subject to section 332.37,
279.4 except clause (9), (10), (12), or (19). Debts referred to the commissioner for collection
279.5 under section 256.9792 may in turn be referred by the commissioner to the enterprise.
279.6 An audited financial statement may not be required as a condition of debt placement with
279.7 a private agency if the private agency: (1) has errors and omissions coverage under a
279.8 professional liability policy in an amount of at least \$1,000,000; or (2) has a fidelity bond
279.9 to cover actions of its employees, in an amount of at least \$100,000. In cases of debts
279.10 referred under section 256.9792, the provisions of this chapter and section 256.9792 apply
279.11 to the extent they are not in conflict. If they are in conflict, the provisions of section
279.12 256.9792 control. For purposes of this chapter, the referring agency for such debts remains
279.13 the Department of Human Services.

279.14 **EFFECTIVE DATE.** This section is effective the day following final enactment.

279.15 Sec. 5. Minnesota Statutes 2006, section 16D.04, subdivision 2, is amended to read:

279.16 Subd. 2. **Agency participation.** (a) A referring agency ~~may, at its option, must~~
279.17 refer, by electronic means, debts to the commissioner for collection. ~~The ultimate~~
279.18 Responsibility for the debt, including the reporting of the debt to the commissioner of
279.19 finance and the decision with regard to the continuing collection and uncollectibility of the
279.20 debt, remains with the referring agency.

279.21 (b) Before a debt becomes 121 days past due, a referring agency may refer the
279.22 debt to the commissioner for collection at any time after a debt becomes delinquent and
279.23 uncontested and the debtor has no further administrative appeal of the amount of the
279.24 debt. When a debt owed to a ~~state~~ referring agency becomes 121 days past due, the ~~state~~
279.25 referring agency must refer the debt to the commissioner for collection. This requirement
279.26 does not apply if there is a dispute over the amount or validity of the debt, if the debt is the
279.27 subject of legal action or administrative proceedings, or the agency determines that the
279.28 debtor is adhering to acceptable payment arrangements. The commissioner, ~~in consultation~~
279.29 ~~with the commissioner of finance,~~ may provide that certain types of debt need not be
279.30 referred to the commissioner for collection under this paragraph. Methods and procedures
279.31 for referral must follow internal guidelines prepared by the commissioner ~~of finance.~~

279.32 (c) If the referring agency is a court, the court must furnish a debtor's Social Security
279.33 number to the commissioner when the court refers the debt.

280.1 **EFFECTIVE DATE.** This section is effective for debts referred on or after January
280.2 1, 2008.

280.3 Sec. 6. Minnesota Statutes 2006, section 16D.11, subdivision 2, is amended to read:

280.4 Subd. 2. **Computation.** At the time a debt is referred, the amount of collection
280.5 costs is equal to ~~15~~ 17 percent of the debt, ~~or 25 percent of the debt remaining unpaid if~~
280.6 ~~the commissioner or private collection agency has to take enforced collection action~~
280.7 ~~by serving a summons and complaint on or entering judgment against the debtor, or by~~
280.8 ~~utilizing any of the remedies authorized under section 16D.08, subdivision 2, except for~~
280.9 ~~the remedies in sections 270C.32 and 270C.65 or when referred by the commissioner for~~
280.10 ~~additional collection activity by a private collection agency.~~ If, after referral of a debt to
280.11 a private collection agency, the debtor requests cancellation of collection costs under
280.12 subdivision 3, the debt must be returned to the commissioner for resolution of the request.

280.13 **EFFECTIVE DATE.** This section is effective for debts referred on or after January
280.14 1, 2008.

280.15 Sec. 7. Minnesota Statutes 2006, section 16D.11, subdivision 7, is amended to read:

280.16 Subd. 7. **Adjustment of rate.** By June 1 of each year, the commissioner ~~of finance~~
280.17 shall determine the rate of collection costs for debts referred to the enterprise during
280.18 the next fiscal year. The rate is a percentage of the debts in an amount that most nearly
280.19 equals the costs of the enterprise necessary to process and collect referred debts under this
280.20 chapter. In no event ~~shall the rate of collection costs when a debt is first referred exceed~~
280.21 ~~three-fifths of the maximum collection costs, and in no event shall the rate of the maximum~~
280.22 collection costs exceed 25 percent of the debt. Determination of the rate of collection costs
280.23 under this section is not subject to the fee setting requirements of section 16A.1285.

280.24 **EFFECTIVE DATE.** This section is effective January 1, 2008.

280.25 Sec. 8. **[84.635] MINNESOTA LAND CONSERVATION INCENTIVES ACT.**
