 2.27 groups, or individuals likely to have high costs of health coverage.

 3.3 governing structure may charge all members a fee for administrative purposes.

3.4 Subd. 4. **Enrollment.** Pools must have an annual open enrollment period of not less
 3.5 than 15 days, during which all individuals or groups that qualify for membership may enter

3.12 Subd. 5. **Members.** The governing structure of the pool shall set a minimum time
 3.13 period for membership, which must be no less than five years. Members must stay in the
 3.14 purchasing pool for the entire minimum period to avoid paying a penalty. Penalties for

3.16 Subd. 6. **Employer-based purchasing pools.** Employer-based purchasing
 3.17 pools must, with respect to small employers as defined in section 62L.02, meet all the
 3.18 requirements of chapter 62L. The experience of the pool must be pooled and the rates
 3.19 blended across all groups. Pools may decide to create tiers within the pool, based on
 3.20 experience of group members. These tiers must be designed within the requirements
 3.21 of section 62L.08. The governing structure may establish criteria limiting movement
 3.22 between tiers. ~~Tiers must be phased out within two years of the pool's creation.~~

3.23 Subd. 7. **Individual members.** Purchasing pools that contain individual members
 3.24 must meet all of the underwriting and rate restrictions found in the individual health
 3.25 plan market.

3.26 Subd. 8. **Reports.** Prior to the initial effective date of coverage, and annually on
 3.27 July 1 thereafter, each pool shall file a report with the ~~information clearinghouse and~~
 3.28 ~~the~~ commissioner of commerce. ~~The information clearinghouse must use the report to~~

4.4 Subd. 9. **Enforcement.** Purchasing pools must register prior to offering coverage,
4.5 and annually on July 1 thereafter, with the commissioner of commerce on a form
4.6 prescribed by the commissioner. The commissioner of commerce shall enforce this
4.7 section and all other state laws with respect to purchasing pools, and has for that purpose
4.8 all general rulemaking and enforcement powers otherwise available to the commissioner
4.9 of commerce. The commissioner may charge an annual registration fee sufficient to meet
4.10 the costs of the commissioner's duties under this section.

4.11 Subd. 10. **No effect on certain arrangements.** Nothing in this section precludes
4.12 groups of employers, including businesses of one, from forming a multiple employer
4.13 welfare arrangement under chapter 62H or a purchasing alliance under chapter 62T, or
4.14 precludes such groups from using a combination of chapters 62H and 62T for joint pooling
