34.34 is amended to read:

35.1 Subd. 11. **Licensing orders; grounds; reapplication.** (a) The commissioner may

35.27 (8) engaged in any fraudulent, deceptive, or dishonest act or practice; or

35.28 (9) performed work in connection with the permit, license, registration, or
35.29 certificate or conducted the person's affairs in a manner that demonstrates incompetence,
35.30 untrustworthiness, or financial irresponsibility.

35.31 (c) If the commissioner revokes or denies a person's permit, license, registration,
35.32 or certificate under paragraph (b), the person is prohibited from reapplying for the same
35.33 type of permit, license, registration, or certificate for at least two years after the effective
35.34 date of the revocation or denial. The commissioner may, as a condition of reapplication,
35.35 require the person to obtain a bond or comply with additional reasonable conditions the

36.6 Sec. 45. Minnesota Statutes 2007 Supplement, section 326B.082, subdivision 12,
36.7 is amended to read:

36.8 Subd. 12. **Issuance of licensing orders; hearings related to licensing orders.**

36.9 (a) If the commissioner determines that a permit, license, registration, or certificate
36.10 should be conditioned, limited, suspended, revoked, or denied under subdivision 11,
36.11 or that the permit holder, licensee, registrant, or certificate holder should be censured
36.12 under subdivision 11, then the commissioner shall issue to the person an order denying,
36.13 conditioning, limiting, suspending, or revoking the person's permit, license, registration,
36.14 or certificate, or censuring the permit holder, licensee, registrant, or certificate holder.

36.15 (b) Any order issued under paragraph (a) may include an assessment of monetary
36.16 penalties and may require the person to cease and desist from committing the violation
36.17 or committing the act, conduct, or practice set out in subdivision 11, paragraph (b). The
36.18 monetary penalty may be up to \$10,000 for each violation or act, conduct, or practice
36.19 committed by the person. The procedures in section 326B.083 must be followed when
36.20 issuing orders under paragraph (a).

36.21 (c) The permit holder, licensee, registrant, certificate holder, or applicant to whom
36.22 the commissioner issues an order under paragraph (a) shall have 30 days after service of
36.23 the order to request a hearing. The request for hearing must be in writing and must be
36.24 served on or faxed to the commissioner at the address or fax number specified in the order
36.25 by the 30th day after service of the order. If the person does not request a hearing or if
36.26 the person's written request for hearing is not served on or faxed to the commissioner
36.27 by the 30th day after service of the order, the order shall become a final order of the
36.28 commissioner and will not be subject to review by any court or agency. The date on which
36.29 a request for hearing is served by mail shall be the postmark date on the envelope in which
36.30 the request for hearing is mailed. If the person submits to the commissioner a timely
36.31 request for hearing, the order is stayed unless the commissioner summarily suspends the
36.32 license, registration, certificate, or permit under subdivision 13, and a contested case
36.33 hearing shall be held in accordance with chapter 14.

36.34 ~~(d) Paragraph (c) does not apply to summary suspension under subdivision 13.~~

37.1 Sec. 46. Minnesota Statutes 2007 Supplement, section 326B.082, subdivision 13,
37.2 is amended to read:

37.3 Subd. 13. **Summary suspension.** In any case where the commissioner has
37.4 issued an order to revoke, ~~or suspend,~~ or deny a license, registration, certificate, or
37.5 permit under ~~subdivision~~ subdivisions 11, paragraph (b), and 12, the commissioner may
37.6 summarily suspend the person's permit, license, registration, or certificate before the
37.7 order becomes final. The commissioner shall issue a summary suspension order when
37.8 the safety of life or property is threatened or to prevent the commission of fraudulent,
37.9 deceptive, untrustworthy, or dishonest acts against the public. The summary suspension
37.10 shall not affect the deadline for submitting a request for hearing under subdivision 12.
37.11 If the commissioner summarily suspends a person's permit, license, registration, or
37.12 certificate, a timely request for hearing submitted under subdivision 12 shall also be
37.13 considered a timely request for hearing on continuation of the summary suspension. If the
37.14 commissioner summarily suspends a person's permit, license, registration, or certificate
37.15 under this subdivision and the person submits a timely request for a hearing, then a
37.16 hearing on continuation of the summary suspension must be held within ten days after the
37.17 commissioner receives the request for hearing unless the parties agree to a later date.

37.18 Sec. 47. Minnesota Statutes 2007 Supplement, section 326B.083, subdivision 3,
37.19 is amended to read:

37.20 Subd. 3. **Penalty.** (a) If an administrative order includes a penalty assessment, then
37.21 the penalty is due and payable on the date the administrative order becomes final unless
37.22 some or all of the penalty is forgivable. If a licensing order includes a penalty assessment,
37.23 then the penalty is due and payable on the date the licensing order becomes final.

37.24 (b) This paragraph applies if an administrative order includes a penalty assessment
37.25 and all or a portion of the penalty is forgivable.

37.26 (1) If any portion of the penalty is not forgivable, that portion of the penalty is due
37.27 and payable ten days after the date the administrative order becomes final.

37.28 (2) The commissioner shall forgive the forgivable portion of the penalty if the
37.29 commissioner determines that the violation has been corrected within the time set by
37.30 the order or the person to whom the order was issued has developed a correction plan
37.31 acceptable to the commissioner within the time set by the order.

37.32 (3) If the commissioner determines that the person to whom the order was issued has
37.33 failed to correct the violation within the time set by the order or has failed to develop a
37.34 correction plan acceptable to the commissioner within the time set by the order, then the
37.35 forgivable portion of the penalty is due and payable ~~ten~~ 20 days after the commissioner

38.1 serves notice of the determination on the person or on the date the administrative order
38.2 becomes final, whichever is later.

38.3 (c) This paragraph applies if an administrative order or a licensing order includes a
38.4 penalty assessment and if the person subject to the order has requested a hearing. The
38.5 administrative law judge may not recommend a change in the amount of the penalty if
38.6 the penalty was assessed in accordance with a plan prepared under section 326B.082,
38.7 subdivision 14. If the commissioner has not prepared a plan under section 326B.082,
38.8 subdivision 14, then the administrative law judge may not recommend a change in the
38.9 amount of the penalty unless the administrative law judge determines that, based on the
38.10 factors in section 14.045, subdivision 3, the amount of the penalty is unreasonable.

38.11 (d) The assessment of a penalty does not preclude the use of other enforcement
38.12 provisions, under which penalties are not assessed, in connection with the violation for
38.13 which the penalty was assessed.

38.14 Sec. 48. Minnesota Statutes 2007 Supplement, section 326B.42, is amended by adding

38.28 compensation from the fund for a final judgment based on a cause of action that arose
38.29 before the commissioner's receipt of the licensee's fee required by subdivision 3. The
38.30 commissioner shall only pay compensation from the fund for a final judgment that is
38.31 based on a contract directly between the licensee and the homeowner or lessee that was
38.32 entered into prior to the cause of action and that requires licensure as a residential building
38.33 contractor or residential remodeler.

39.20 for less than one year prior to purchase by the owner;

39.21 (5) that the residential real estate is located in Minnesota;

39.22 (6) that the owner or the lessee is not the spouse of the licensee or the personal

39.34 obtained as a result of the loss. Any amount paid in satisfaction of the final judgment shall
39.35 be applied to the owner's or lessee's actual and direct out-of-pocket loss. An owner or
39.36 lessee may serve a verified application regardless of whether the final judgment has been

40.1 discharged by a bankruptcy court. A judgment issued by a court is final if all proceedings
40.2 on the judgment have either been pursued and concluded or been forgone, including all
40.3 reviews and appeals. For purposes of this section, owners who are joint tenants or tenants

44.4 administer the code. A municipality may designate no more than one building official
44.5 responsible for code administration defined by each certification category established in
44.6 rule. Two or more municipalities may combine in the designation of a building official
44.7 for the purpose of administering the provisions of the code within their communities.
44.8 In those municipalities for which no building officials have been designated, the state
44.9 building official may use whichever state employees are necessary to perform the duties of
44.10 the building official until the municipality makes a temporary or permanent designation.
44.11 All costs incurred by virtue of these services rendered by state employees must be borne
44.12 by the involved municipality and receipts arising from these services must be paid to
44.13 the commissioner.

44.14 Subd. 2. **Qualifications.** A building official, to be eligible for designation, must
44.15 be certified and have the experience in design, construction, and supervision which
44.16 the commissioner deems necessary and must be generally informed on the quality and
44.17 strength of building materials, accepted building construction requirements, and the nature
44.18 of equipment and needs conducive to the safety, comfort, and convenience of building
44.19 occupants. No person may be designated as a building official for a municipality unless
44.20 the commissioner determines that the official is qualified as provided in subdivision 3.

44.21 Subd. 3. **Certification.** The commissioner shall by rule establish certification
44.22 criteria as proof of qualification pursuant to subdivision 2. The commissioner may:

44.23 (1) develop and administer written and practical examinations to determine if a
44.24 person is qualified pursuant to subdivision 2 to be a building official;

44.25 (2) accept documentation of successful completion of testing programs developed
44.26 and administered by nationally recognized testing agencies, as proof of qualification
44.27 pursuant to subdivision 2; or

44.28 (3) determine qualifications by satisfactory completion of clause (2) and a mandatory
44.29 training program developed or approved by the commissioner.

44.30 Upon a determination of qualification under clause (1), (2), or (3), the commissioner
44.31 shall issue a certificate to the building official stating that the official is certified. Each
44.32 person applying for examination and certification pursuant to this section shall pay a
44.33 nonrefundable fee of \$70. The commissioner or a designee may establish categories of
44.34 certification that will recognize the varying complexities of code enforcement in the
44.35 municipalities within the state. The commissioner shall provide educational programs
44.36 designed to train and assist building officials in carrying out their responsibilities.

45.1 Subd. 4. **Duties.** Building officials shall, in the municipality for which they
45.2 are designated, be responsible for all aspects of code administration for which they
45.3 are certified, including the issuance of all building permits and the inspection of all
45.4 manufactured home installations. The commissioner may direct a municipality with
45.5 a building official to perform services for another municipality, and in that event the
45.6 municipality being served shall pay the municipality rendering the services the reasonable
45.7 costs of the services. The costs may be subject to approval by the commissioner.

45.8 ~~Subd. 5. **Oversight committee.** (a) The commissioner shall establish a Code~~
45.9 ~~Administration Oversight Committee that will, at the commissioner's request, recommend~~
45.10 ~~to the commissioner appropriate action pursuant to section 326B.82, in response to~~
45.11 ~~information received or obtained by the commissioner that supports a finding that: (1)~~
45.12 ~~an individual has engaged in, or is about to engage in, the unauthorized performance of~~
45.13 ~~the duties of a certified building official or the unauthorized use of the certified building~~
45.14 ~~official title; or (2) a certified building official has violated a statute, rule, stipulation,~~
45.15 ~~agreement, settlement, compliance agreement, cease and desist agreement, or order that~~
45.16 ~~the commissioner has adopted, issued, or has the authority to enforce and that is related to~~
45.17 ~~the duties of a certified building official.~~

45.18 ~~(b) The committee shall consist of six members. One member shall be the~~
45.19 ~~commissioner's designee and five members shall be certified building officials who are~~
45.20 ~~appointed by the commissioner. At least two of the appointed certified building officials~~
45.21 ~~must be from nonmetropolitan counties. For the committee members who are not state~~
45.22 ~~officials or employees, their compensation and removal from the oversight committee is~~
45.23 ~~governed by section 15.059. The commissioner's designee shall serve as the chair of~~
45.24 ~~the oversight committee and shall not vote. The terms of the appointed members of the~~
45.25 ~~oversight committee shall be four years. The terms of three of the appointed members~~
45.26 ~~shall be coterminous with the governor and the terms of the remaining two appointed~~
45.27 ~~members shall end on the first Monday in January one year after the terms of the other~~
45.28 ~~appointed members expire. An appointed member may be reappointed. The committee is~~
45.29 ~~not subject to the expiration provisions of section 15.059, subdivision 5.~~

45.30 ~~(c) If the commissioner determines that an individual has engaged in the~~
45.31 ~~unauthorized performance of the duties of a certified building official or the unauthorized~~
45.32 ~~use of the certified building official title, or that a certified building official has violated a~~
45.33 ~~statute, rule, stipulation, agreement, settlement, compliance agreement, cease and desist~~
45.34 ~~agreement, or order that the commissioner has adopted, issued, or is authorized to enforce~~
45.35 ~~that is related to the duties of a certified building official, the commissioner may take~~

46.1 ~~administrative actions against the individual pursuant to section 326B.082, subdivisions~~
46.2 ~~7 and 11.~~

46.3 Subd. 5b. **Grounds.** In addition to the grounds set forth in section 326B.082,
46.4 subdivision 11, the commissioner may deny, suspend, limit, place conditions on, or
46.5 revoke a certificate, or may censure an applicant or individual holding a certificate, if the
46.6 applicant or individual:

46.7 (1) violates a provision of sections 16B.59 to 16B.75 or a rule adopted under those
46.8 sections; or

46.9 (2) engages in fraud, deceit, or misrepresentation while performing the duties of a
46.10 certified building official.

46.11 Nothing in this subdivision limits or otherwise affects the authority of a municipality
46.12 to dismiss or suspend a building official at its discretion, except as otherwise provided
46.13 for by law.

46.14 Subd. 5c. **Action against unlicensed persons.** The commissioner may take any
46.15 administrative action provided under section 326B.082, against an individual required
46.16 to be certified under subdivision 3, based upon conduct that would provide grounds for
46.17 action against a certificate holder under this section.

46.18 Subd. 6. **Vacancies.** In the event that a designated building official position is
46.19 vacant within a municipality, that municipality shall designate a certified building official
46.20 to fill the vacancy as soon as possible. The commissioner must be notified of any vacancy
46.21 or designation in writing within 15 days. If the municipality fails to designate a certified
46.22 building official within 15 days of the occurrence of the vacancy, the state building official
46.23 may provide state employees to serve that function as provided in subdivision 1 until the
46.24 municipality makes a temporary or permanent designation. Municipalities must not issue
46.25 permits without a designated certified building official.

46.26 Subd. 7. **Continuing education.** Subject to sections 16B.59 to 16B.75, the
46.27 commissioner may by rule establish or approve continuing education programs for
46.28 certified building officials dealing with matters of building code administration, inspection,
46.29 and enforcement.

46.30 Each person certified as a building official for the state must satisfactorily complete
46.31 applicable educational programs established or approved by the commissioner to retain
46.32 certification.

46.33 Subd. 8. **Renewal.** (a) Subject to sections 16B.59 to 16B.76, the commissioner of
46.34 labor and industry may by rule adopt standards dealing with renewal requirements.

46.35 (b) If the commissioner has not issued a notice of denial of application for a
46.36 certificate holder and if the certificate holder has properly and timely filed a fully completed

47.1 renewal application, then the certificate holder may continue to engage in building official
 47.2 activities whether or not the renewed certificate has been received. Applications must be
 47.3 made on a form approved by the commissioner. Each application for renewal must be
 47.4 fully completed, and be accompanied by proof of the satisfactory completion of minimum
 47.5 continuing education requirements and the certification renewal fee established by the
 47.6 commissioner. Applications are timely if received prior to the expiration of the most
 47.7 recently issued certificate. An application for renewal that does not contain all of the
 47.8 information requested is an incomplete application and will not be accepted.

47.9 Subd. 9. **Expiration.** All certificates expire at 11:59:59 p.m. central time on the
 47.10 date of expiration if not properly renewed in accordance with subdivision 8, paragraph (b).

47.11 Subd. 10. **Failure to renew.** An individual who has failed to make a timely
 47.12 application for renewal of a certificate is not certified and must not serve as the designated
 47.13 building official for any municipality until a renewed certificate has been issued by the
 47.14 commissioner.
