1.1 A bill for an act  
1.2 relating to elections; providing for a presidential primary; proposing coding for  
1.3 new law in Minnesota Statutes, chapter 207A.

1.4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.5 Section 1. **[207A.015] PRESIDENTIAL PRIMARY.**

1.6 A presidential primary must be held on the first Tuesday in February of each year in  
1.7 which a president and vice president of the United States are to be nominated and elected,  
1.8 at which the voters of this state may express their preference among the candidates of the  
1.9 major political party of their choice, for that party's nomination to be president of the  
1.10 United States or may vote for uncommitted delegates to the national party convention. For  
1.11 the purposes of this chapter, "political party" or "party" means a major political party as  
1.12 defined in section 200.02, subdivision 7.

1.13 Sec. 2. **[207A.025] CANDIDATES ON BALLOT.**

1.14 Subdivision 1. **Required listing.** The following individuals must be listed as  
1.15 candidates on the appropriate major political party presidential ballot with a separate  
1.16 ballot for each major political party:

1.17 (1) any individual who files an affidavit of candidacy under section 204B.06 and  
1.18 submits the appropriate filing fee or petition in place of filing fee under section 204B.11;  
1.19 and

1.20 (2) any individual nominated as a candidate for the presidential nomination of a  
1.21 political party by a petition submitted not later than ten weeks before the primary and  
1.22 bearing the names of 1,000 eligible voters from each congressional district.

2.1 In addition, each major political party's ballot must contain a place for a voter to  
2.2 indicate a preference for having delegates to the party's national convention remain  
2.3 uncommitted, and a blank line printed below the other choices on the ballot so that a voter  
2.4 may write in the name of a person who is not listed on the ballot.

2.5 The candidates must be listed on the appropriate major political party ballot in  
2.6 the order that the affidavits of candidacy or nominating petitions for the candidates are  
2.7 filed with the secretary of state.

2.8 Subd. 2. **Time for filing; fee.** The period for filing an affidavit of candidacy for the  
2.9 presidential primary must begin 16 weeks before the primary and end 14 weeks before the  
2.10 primary. The filing fee is \$500. The period for signing nominating petitions must begin 16  
2.11 weeks before the primary and end ten weeks before the primary.

2.12 Subd. 3. **Announcing candidates.** Candidates who have filed an affidavit of  
2.13 candidacy under subdivision 1, clause (1), for each political party on the presidential  
2.14 primary ballot must be announced by the secretary of state the day after filings close for  
2.15 the purpose of giving voters sufficient time to nominate other candidates by petition.

2.16 Subd. 4. **Announcement.** The determination of which candidates must be listed  
2.17 on the presidential primary ballot must be made by the secretary of state not later than  
2.18 eight weeks before the presidential primary. The secretary of state shall certify to the  
2.19 county auditor of each county the names of all candidates in the presidential primary  
2.20 at least seven weeks before the primary.

2.21 Subd. 5. **Notification.** Not later than three days after the last day for filing a  
2.22 nominating petition under subdivision 1, clause (2), the secretary of state shall notify  
2.23 each individual whose name is to be listed on the presidential primary ballot that the  
2.24 individual's name will be listed unless the individual submits an affidavit stating that the  
2.25 individual is not a candidate for the presidential nomination, does not intend to become a  
2.26 candidate, and would not accept the nomination. The affidavit must be submitted to and  
2.27 received by the secretary of state no later than eight weeks before the presidential primary.

2.28 **Sec. 3. [207A.035] PRESIDENTIAL PRIMARY; HOW CONDUCTED.**

2.29 Subdivision 1. **General rule.** Except as otherwise provided in this chapter, the  
2.30 presidential primary must be conducted, and the results canvassed and returned in the  
2.31 manner provided by law for the state primary. If a municipality which uses an electronic  
2.32 voting system determines that the use of the voting system would not be practical in the  
2.33 presidential primary, the municipality may use paper ballots for the presidential primary.

2.34 Subd. 2. **Voter certification; ballot.** An individual seeking to vote at the  
2.35 presidential primary shall request the ballot of the party for whose candidates the

3.1 individual wishes to vote. The polling place roster for the presidential primary must list the  
3.2 names of the political parties appearing on the ballot at the presidential primary. Before  
3.3 receiving a ballot, a voter shall sign the polling place roster and shall indicate the name of  
3.4 the political party whose ballot the voter requested. On completing the voting process, the  
3.5 voter must be issued a certificate indicating that the person voted and for which party.

3.6       Sec. 4. **[207A.045] AUDITOR FURNISHED INFORMATION BY SECRETARY**  
3.7 **OF STATE; BALLOT PREPARATION.**

3.8       Subdivision 1. **Notice of filing period.** Twenty weeks before a presidential primary  
3.9 is to be held, the secretary of state shall provide notice to the county auditor of each  
3.10 county of the date of the presidential primary. Within ten days after notification by the  
3.11 secretary of state, each county auditor shall provide notice of the date of the presidential  
3.12 primary to each municipal clerk in the county.

3.13       Subd. 2. **Notice of primary.** At least 15 days before the date of the presidential  
3.14 primary, each municipal clerk shall post a public notice stating the date of the presidential  
3.15 primary, the location of each polling place in the municipality, and the hours during which  
3.16 the polling places in the municipality will be open. The county auditor shall post a similar  
3.17 notice in the auditor's office with information for any polling places in unorganized  
3.18 territory in the county. The governing body of a municipality or county may publish the  
3.19 notice in addition to posting it. Failure to give notice does not invalidate the election.

3.20       Subd. 3. **Ballot preparation.** The secretary of state shall prepare paper ballots,  
3.21 absentee ballot envelopes, ballot return envelopes, election return envelopes, and summary  
3.22 statements for use in the presidential primary. The ballots must be printed on white paper  
3.23 with a separate ballot for the names of the candidates of each political party.

3.24       Sec. 5. **[207A.055] SELECTION OF DELEGATES; NATIONAL CONVENTION**  
3.25 **BALLOTING.**

3.26       Subdivision 1. **Apportionment of votes.** The delegates to the national convention  
3.27 of each political party appearing on the presidential primary ballot who are chosen on the  
3.28 basis of their support for particular presidential candidates must be apportioned among the  
3.29 various candidates of that party receiving votes in the presidential primary in proportion to  
3.30 their respective vote totals.

3.31       The secretary of state shall certify to the state chair of each political party appearing  
3.32 on the presidential primary ballot the number of delegates to which each presidential  
3.33 candidate is entitled.

4.1            Subd. 2. **Chosen delegates.** Delegates to the national convention of each political  
4.2 party appearing on the presidential primary ballot must be chosen by the state convention  
4.3 or congressional district convention of that party, except as otherwise provided in this  
4.4 subdivision. The secretary of each party's state convention or congressional district  
4.5 convention shall promptly notify the secretary of state of the names of the delegates to the  
4.6 national convention chosen as supporters of each presidential candidate.

4.7            Subd. 3. **Delegate votes.** At the national convention, delegates chosen because of  
4.8 their support for a presidential candidate shall vote for that candidate on the first ballot,  
4.9 unless they have been released from that obligation by the candidate. This subdivision  
4.10 does not apply to delegates to the extent that it is inconsistent with the rules of the national  
4.11 party or state party.

4.12            **Sec. 6. [207A.065] USE OF VOTING MACHINES.**

4.13            The county auditor of each county in which electronic voting systems are used  
4.14 shall provide all ballots, ballot labels, ballot cards, and other necessary printed forms and  
4.15 supplies needed to place the ballots required by this chapter on the voting systems which  
4.16 otherwise are provided by the state when paper ballots are used. The total cost of printing  
4.17 and providing the forms must be paid by the state.

4.18            **Sec. 7. [207A.075] INFORMATION ON PARTY CHOICE.**

4.19            Notwithstanding section 204C.18, subdivision 1, or other law to the contrary, a  
4.20 person entitled to inspect the duplicate registration file or receive a copy of a current  
4.21 precinct list under section 201.091 must also be informed of the party choice of any voter  
4.22 who voted in the most recent presidential primary under this chapter.

4.23            **Sec. 8. [207A.085] RULEMAKING AUTHORITY.**

4.24            The secretary of state shall adopt rules to implement the provisions of this chapter  
4.25 as follows:

4.26            (1) to implement section 207A.075;

4.27            (2) to determine a method for verifying the signatures on nominating petitions and  
4.28 petitions in place of filing fees for the presidential primary;

4.29            (3) to determine the format of the presidential primary ballots; and

4.30            (4) to determine the manner of paying or reimbursing the costs to the counties of  
4.31 conducting the presidential primary.

4.32            **Sec. 9. [207A.095] REIMBURSEMENT OF ELECTION EXPENSES.**

5.1           Subdivision 1. **Duties of secretary of state.** The secretary of state shall reimburse  
5.2 the counties and municipalities for expenses incurred in the administration of the  
5.3 presidential primary from the funds appropriated by the legislature for this purpose, as  
5.4 provided in this section. Up to \$7,500 of the appropriation for reimbursement of election  
5.5 expenses may be retained by the secretary of state to administer the reimbursement  
5.6 program.

5.7           Subd. 2. **Reimbursable expenses.** The following expenses are eligible for  
5.8 reimbursement: salaries of election judges; postage for absentee ballots; preparation  
5.9 of polling places; preparation of electronic voting systems, in an amount not to exceed  
5.10 \$50 per precinct; compensation of county canvassing board members; publication of the  
5.11 sample ballot; and compensation for temporary staff or overtime payments.

5.12           Subd. 3. **Certification of costs.** The county auditor shall certify to the secretary  
5.13 of state the costs incurred by the county for the presidential primary. The municipal  
5.14 clerk shall certify to the secretary of state the costs incurred by the municipality for the  
5.15 presidential primary. If the total amount certified by all units for temporary staff and  
5.16 overtime payments exceeds \$480,000, the secretary of state shall reduce those amounts  
5.17 so that they do not exceed \$480,000. The secretary of state shall provide each county  
5.18 and municipality with the appropriate forms for this certification. The secretary of  
5.19 state may require that the county auditor or municipal clerk provide documentation of  
5.20 actual expenditures made for the presidential primary. The certification of costs must be  
5.21 submitted to the secretary of state no later than 60 days after the presidential primary.  
5.22 No reimbursement of expenses must be made unless the certification of costs has been  
5.23 submitted as provided in this subdivision.

5.24           Subd. 4. **Apportionment of reimbursements.** If the total amount of requests for  
5.25 reimbursement of expenses exceeds the total amount appropriated to the secretary of state  
5.26 for this purpose, the secretary of state shall proportionately reduce the reimbursements so  
5.27 that they do not exceed the amount appropriated.

5.28           Sec. 10. **[207A.105] CAUCUSES.**

5.29           In years in which a presidential primary is held, precinct caucuses and conventions  
5.30 must be held in accordance with chapter 202A, except that:

5.31           (1) precinct caucuses must be held on the night of the presidential primary unless a  
5.32 party's governing party chooses a later date; and

5.33           (2) a caucus participant must show evidence of having voted at the presidential  
5.34 primary using the ballot of the party holding the caucus unless the caucus convener makes  
5.35 an exception for a participant for good cause shown.
