1.18 except as required by titles XVIII and XIX of the Social Security Act and by Code of  
1.19 Federal Regulations, title 42, section 483.20;

1.20 (4) require an individual to use the individual's Social Security number to access an

1.23 (5) print a number that the person or entity knows to be an individual's Social  
1.24 Security number on any materials that are mailed to the individual, unless state or federal  
1.25 law requires the Social Security number to be on the document to be mailed. If, in

2.1 connection with a transaction involving or otherwise relating to an individual, a person  
2.2 or entity receives a number from a third party, that person or entity is under no duty to  
2.3 inquire or otherwise determine whether the number is or includes that individual's Social  
2.4 Security number and may print that number on materials mailed to the individual, unless

2.6 includes the individual's Social Security number;

2.7 (6) assign or use a number as the primary account identifier that is identical to or  
2.8 incorporates an individual's complete Social Security number, except in conjunction with
