Sec. 6. Minnesota Statutes 2007 Supplement, section 119B.13, subdivision 1, is amended to read:

Subdivision 1. **Subsidy restrictions.** (a) Beginning July 1, 2006, the maximum rate paid for child care assistance in any county or multicounty region under the child care fund shall be the rate for like-care arrangements in the county effective January 1, 2006, increased by six percent.

(b) Rate changes shall be implemented for services provided in September 2006 unless a participant eligibility redetermination or a new provider agreement is completed between July 1, 2006, and August 31, 2006.

As necessary, appropriate notice of adverse action must be made according to Minnesota Rules, part 3400.0185, subparts 3 and 4.

New cases approved on or after July 1, 2006, shall have the maximum rates under paragraph (a), implemented immediately.

(c) Every year, the commissioner shall survey rates charged by child care providers in Minnesota to determine the 75th percentile for like-care arrangements in counties. When the commissioner determines that, using the commissioner's established protocol, the number of providers responding to the survey is too small to determine the 75th percentile rate for like-care arrangements in a county or multicounty region, the commissioner may establish the 75th percentile maximum rate based on like-care arrangements in a county, region, or category that the commissioner deems to be similar.

(d) A rate which includes a special needs rate paid under subdivision 3 or under a school readiness service agreement paid under section 119B.231, may be in excess of the maximum rate allowed under this subdivision.

(e) The department shall monitor the effect of this paragraph on provider rates. The county shall pay the provider's full charges for every child in care up to the maximum established. The commissioner shall determine the maximum rate for each type of care on an hourly, full-day, and weekly basis, including special needs and disability care.

(f) When the provider charge is greater than the maximum provider rate allowed, the parent is responsible for payment of the difference in the rates in addition to any family co-payment fee.

(g) All maximum provider rates changes shall be implemented on the Monday following the effective date of the maximum provider rate.

Sec. 7. Minnesota Statutes 2007 Supplement, section 119B.13, subdivision 7, is amended to read:

Subd. 7. **Absent days.** (a) Child care providers may not be reimbursed for more than 25 full-day absent days per child, excluding holidays, in a fiscal year, or for more than ten consecutive full-day absent days, unless the child has a documented medical condition that causes more frequent absences. Absences due to a documented medical condition of a parent or sibling who lives in the same residence as the child receiving child care assistance do not count against the 25-day absent day limit in a fiscal year. Documentation of medical conditions must be on the forms and submitted according to the timelines established by the commissioner. A public health nurse or school nurse may verify the illness in lieu of a medical practitioner. If a provider sends a child home early due to a medical reason, including, but not limited to, fever or contagious illness, the child care center director or lead teacher may verify the illness in lieu of a medical practitioner. If a child attends for part of the time authorized to be in care in a day, but is absent for part of the time authorized to be in care in that same day, the absent time will be reimbursed but the time will not count toward the ten consecutive or 25 cumulative absent day limits. Children in families where at least one parent is under the age of 21, does not have a high school or general equivalency diploma, and is a student in a school district or another similar program that provides or arranges for child care, as well as parenting, social services, career and employment supports, and academic support to achieve high school graduation, may be exempt from the absent day limits upon request of the program and approval of the county. If a child attends part of an authorized day, payment to the provider must be for the full amount of care authorized for that day. Child care providers may only be reimbursed for absent days if the provider has a written policy for child absences and charges all other families in care for similar absences.

(b) Child care providers must be reimbursed for up to ten federal or state holidays or designated holidays per year when the provider charges all families for these days and the holiday or designated holiday falls on a day when the child is authorized to be in attendance. Parents may substitute other cultural or religious holidays for the ten recognized state and federal holidays. Holidays do not count toward the ten consecutive or 25 cumulative absent day limits.

(c) A family or child care provider may not be assessed an overpayment for an absent day payment unless (1) there was an error in the amount of care authorized for the family, (2) all of the allowed full-day absent payments for the child have been paid, or (3) the family or provider did not timely report a change as required under law.
