SESSION

HOUSE FILE No. 209

January 22, 2009

Authored by Slawik

The bill was read for the first time and referred to the Committee on Finance

1.1 A bill for an act
1.2 relating to early childhood education; requiring a unique identification number to
1.3 be assigned to all Minnesota children upon enrollment; proposing coding for new
1.4 law in Minnesota Statutes, chapter 119B.

1.5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.6 Section 1. **[119B.233] EARLY CHILDHOOD EDUCATION; STUDENT**
1.7 **IDENTIFICATION NUMBERS.**

1.8 Subdivision 1. **Student identification number; assignment.** A student
1.9 identification number, as defined by the commissioner of education, shall be assigned to
1.10 each child upon enrollment in an early childhood education or child care program under
1.11 chapter 119A, 119B, or 124D. The commissioners of education and human services shall
1.12 work together in order to assign these identification numbers within the specified time.

1.13 Subd. 2. **Data collection.** The commissioner of education shall collect from
1.14 early childhood education and child care programs data including, but not limited to,
1.15 demographic, socioeconomic, participation, and assessment information related to
1.16 program participants.

1.17 Subd. 3. **Parental request for delay.** A parent or guardian shall receive information
1.18 about the intended use of the numbers and any data collected in connection with the
1.19 number by the commissioner of education, the person or agencies who will have access
1.20 to the numbers and data, and the right of a parent or guardian to delay the assignment of
1.21 an individual identification number to the child until the child enrolls in kindergarten. A
1.22 request to delay assignment of a student identification number must be made in writing and
1.23 signed by the child's parent or guardian. The request must be filed with the commissioner
1.24 of education. The commissioner shall prescribe a form for this purpose.

2.1 Subd. 4. **Data use.** Data collected and stored using the student identification
2.2 number, including the number itself, are private data on individuals, as defined by section
2.3 13.02, subdivision 12. Individual data must be reported to the commissioner of education
2.4 by early childhood education and child care programs once a child has enrolled. An early
2.5 childhood education or child care program serving children from birth to kindergarten
2.6 enrollment must provide individual and summary data to the commissioner of education
2.7 on an annual basis for the purposes of developing early childhood educational programs
2.8 to meet the individual needs of children and assessing program quality. Private early
2.9 childhood education and child care programs must provide individual and summary data
2.10 to the commissioner of education upon request. The commissioner of human services and
2.11 any early childhood education or child care program required to collect data under this
2.12 section may share the data with the commissioner of education for the purposes described
2.13 in this subdivision. No data on an individual shall be disclosed to the commissioner of
2.14 education without the consent of that individual's parent or guardian.

2.15 **EFFECTIVE DATE.** This section is effective August 1, 2009.
