3.4 business investment company which meets all of the following criteria:

3.10 Securities Valuation Office of the National Association of Insurance Commissioners.

3.11 (j) "Qualified distribution" means any distribution or payment not made to a
3.12 participating investor or affiliate of a participating investor by a Minnesota business
3.13 investment company in connection with the following:

3.35 conversion into equity or equity participation instruments such as options or warrants.
3.36 Any repayment of a qualified investment prior to one year from the date of issuance shall

4.7 Subd. 2. **Certification.** (a) The department must provide a standardized format for
4.8 applying for the business investment credit under section 297I.23.

4.9 (b) An applicant is required to:

4.10 (1) file an application with the department;

4.11 (2) pay a nonrefundable application fee of \$7,500 at the time of filing the application;

4.12 (3) submit as part of its application an audited balance sheet that contains an
4.13 unqualified opinion of an independent certified public accountant issued not more than 35
4.14 days before the application date that states that the applicant has an equity capitalization
4.15 of \$500,000 or more in the form of unencumbered cash, marketable securities, or other
4.16 liquid assets; and

4.17 (4) have at least two principals or persons, at least one of which is primarily located
4.18 in Minnesota, employed or engaged to manage the funds who each have a minimum of
4.19 five years of money management experience in the venture capital or business industry.

4.20 (c) The department may certify partnerships, corporations, trusts, or limited liability
4.21 companies, organized on a for-profit basis, which submit an application to be designated
4.22 as a Minnesota business investment company if such applicant is located, headquartered,
4.23 and licensed or registered to conduct business in Minnesota, has as its primary business
4.24 activity the investment of cash in qualified businesses, and meets the other criteria set
4.25 forth in this section.

4.26 (d) The department must review the organizational documents of each applicant for
4.27 certification and the business history of each applicant, determine whether the applicant
4.28 has satisfied the requirements of this section, and determine whether the officers and the
4.29 board of directors, general partners, trustees, managers, or members are trustworthy and
4.30 are thoroughly acquainted with the requirements of this section.

4.31 (e) Within 45 days after the receipt of an application, the department must issue the
4.32 certification or refuse the certification and communicate in detail to the applicant the
4.33 grounds for refusal, including suggestions for the removal of such grounds.

4.34 (f) The department must begin accepting applications to become a Minnesota
4.35 business investment company as defined under section 297I.23 by August 1, 2009.

5.1 Subd. 3. **Requirements.** (a) An insurance company or affiliate of an insurance
5.2 company must not, directly or indirectly:

5.3 (1) beneficially own, whether through rights, options, convertible interest, or
5.4 otherwise, 15 percent or more of the voting securities or other voting ownership interest of
5.5 a Minnesota business investment company;

5.6 (2) manage a Minnesota business investment company; or

5.7 (3) control the direction of investments for a Minnesota business investment
5.8 company.

5.9 (b) A Minnesota business investment company may obtain one or more guaranties,
5.10 indemnities, bonds, insurance policies, or other payment undertakings for the benefit
5.11 of its participating investors from any entity, except that in no case can more than one
5.12 participating investor of a Minnesota business investment company on an aggregate basis
5.13 with all affiliates of such participating investor be entitled to provide such guaranties,
5.14 indemnities, bonds, insurance policies, or other payment undertakings in favor of the
5.15 participating investors of a Minnesota business investment company and its affiliates in
5.16 this state.

5.17 (c) This subdivision does not preclude a participating investor, insurance company,
5.18 or other party from exercising its legal rights and remedies, including, without limitation,
5.19 interim management of a Minnesota business investment company, in the event that a
5.20 Minnesota business investment company is in default of its statutory obligations or its
5.21 contractual obligations to such participating investor, insurance company, or other party, or
5.22 from monitoring a Minnesota business investment company to ensure its compliance with
5.23 this section or disallowing any investments that have not been approved by the department.

5.24 (d) The department may contract with an independent third party to review,
5.25 investigate, and certify that the applications comply with the provisions of this section.

5.26 Subd. 4. **Aggregate limitations on investment tax credits; allocation.** (a)
5.27 The aggregate amount of investment tax credits to be allocated to all participating
5.28 investors of Minnesota business investment companies under this section shall not exceed
5.29 \$160,000,000. No Minnesota business investment company, on an aggregate basis with its
5.30 affiliates, may file credit allocation claims that exceed \$160,000,000.

5.31 (b) Credits must be allocated to participating investors in the order that the credit
5.32 allocation claims are filed with the department, provided that all credit allocation
5.33 claims filed with the department on the same day must be treated as having been filed
5.34 contemporaneously. Any credit allocation claims filed with the department prior to the
5.35 initial credit allocation claim filing date will be deemed to have been filed on such initial
5.36 credit allocation claim filing date. The department will set the initial credit allocation

6.1 claim filing date to be not less than 120 days and not greater than 150 days after the
6.2 department begins accepting applications for certification.

6.3 (c) In the event that two or more Minnesota business investment companies file
6.4 credit allocation claims with the department on behalf of their respective participating
6.5 investors on the same day, and the aggregate amount of credit allocation claims exceeds
6.6 the aggregate limit of investment tax credits under this section or the lesser amount of
6.7 credits that remain unallocated on that day, then the credits shall be allocated among the
6.8 participating investors who filed on that day on a pro rata basis with respect to the amounts
6.9 claimed. The pro rata allocation for any one participating investor is the product obtained
6.10 by multiplying a fraction, the numerator of which is the amount of the credit allocation
6.11 claim filed on behalf of a participating investor and the denominator of which is the total
6.12 of all credit allocation claims filed on behalf of all participating investors on that day, by
6.13 the aggregate limit of credits under this section or the lesser amount of credits that remain
6.14 unallocated on that day.

6.15 (d) Within ten business days after the department receives a credit allocation claim
6.16 filed by a Minnesota business investment company on behalf of one or more of its
6.17 participating investors, the department must notify the Minnesota business investment
6.18 company of the amount of credits allocated to each of the participating investors of that
6.19 Minnesota business investment company. In the event a Minnesota business investment
6.20 company does not receive an investment of designated capital from each participating
6.21 investor required to earn the amount of credits allocated to such participating investor
6.22 within ten business days of the Minnesota business investment company's receipt of notice
6.23 of allocation, then it shall notify the department on or before the next business day, and
6.24 the credits allocated to such participating investor of the Minnesota business investment
6.25 company will be forfeited. The department must then reallocate those forfeited credits
6.26 among the participating investors of the other Minnesota business investment companies
6.27 on a pro rata basis with respect to the credit allocation claims filed on behalf of the
6.28 participating investors. The commissioner is authorized, but not required, to levy a fine of
6.29 not more than \$50,000 on any participating investor that does not invest the full amount
6.30 of designated capital required to fund the credits allocated to it by the department in
6.31 accordance with the credit allocation claim filed on its behalf.

6.32 (e) No participating investor, on an aggregate basis with its affiliates, may file an
6.33 allocation claim for more than 25 percent of the maximum amount of investment tax
6.34 credits authorized hereunder, regardless of whether such claim is made in connection with
6.35 one or more Minnesota business investment companies.

7.1 Subd. 5. Requirements for continuance of certification. (a) To maintain its
7.2 certification, a Minnesota business investment company must make qualified investments
7.3 as follows:

7.4 (1) within two years after the allocation date, a Minnesota business investment
7.5 company must invest an amount equal to at least 35 percent of its designated capital in
7.6 qualified investments; and

7.7 (2) within three years after the allocation date, a Minnesota business investment
7.8 company must invest an amount equal to at least 50 percent of its designated capital
7.9 in qualified investments.

7.10 (b) Prior to making a proposed qualified investment in a specific business, a
7.11 Minnesota business investment company must request from the department a written
7.12 determination that the proposed investment will qualify as a qualified investment in
7.13 a qualified business. The department must notify a Minnesota business investment
7.14 company within ten business days from the receipt of a request of its determination and an
7.15 explanation thereof. If the department fails to notify the Minnesota business investment
7.16 company of its determination within the ten-business-day period, the proposed investment
7.17 must be deemed to be a qualified investment in a qualified business. If the department
7.18 determines that the proposed investment does not meet the definition of a qualified
7.19 investment or qualified business, or both, the department may nevertheless consider the
7.20 proposed investment a qualified investment and, if necessary, the business a qualified
7.21 business, if the department determines that the proposed investment will further state
7.22 economic development.

7.23 (c) All designated capital not invested in qualified investments by a Minnesota
7.24 business investment company shall be held or invested in such manner as the Minnesota
7.25 business investment company, in its discretion, deems appropriate. Designated capital
7.26 and proceeds of designated capital returned to a Minnesota business investment company
7.27 after being originally invested in qualified investments may be invested again in qualified
7.28 investments and such investment shall count toward the requirements of paragraph (a)
7.29 of this subdivision with respect to making investments of designated capital in qualified
7.30 investments.

7.31 (d) If, within four years after its allocation date, a Minnesota business investment
7.32 company has not invested at least 60 percent of its designated capital in qualified
7.33 investments, neither the Minnesota business investment company nor its affiliates shall
7.34 be permitted to receive management fees.

7.35 (e) If, within six years after its allocation date, a Minnesota business investment
7.36 company has not invested at least 100 percent of its designated capital in qualified

8.1 investments, neither the Minnesota business investment company nor its affiliates shall
8.2 be permitted to receive management fees.

8.3 (f) A Minnesota business investment company may not invest more than 15 percent
8.4 of its designated capital in any one qualified business without the specific approval
8.5 of the department.

8.6 (g) For purposes of calculating the above investment percentage thresholds of
8.7 paragraph (a) of this subdivision, the cumulative amount of all qualified investments made
8.8 by a Minnesota business investment company from the allocation date must be considered.

8.9 **Subd. 6. Minnesota business investment company reporting requirements.**

8.10 (a) Each Minnesota business investment company must report the following to the
8.11 department:

8.12 (1) as soon as practicable after the receipt of designated capital:

8.13 (i) the name of each participating investor from which the designated capital was
8.14 received, including such participating investor's insurance tax identification number;

8.15 (ii) the amount of each participating investor's investment of designated capital; and

8.16 (iii) the date on which the designated capital was received;

8.17 (2) on an annual basis, on or before January 31 of each year:

8.18 (i) the amount of the Minnesota business investment company's remaining
8.19 uninvested designated capital at the end of the immediately preceding taxable year;

8.20 (ii) whether or not the Minnesota business investment company has invested more
8.21 than 15 percent of its total designated capital in any one business;

8.22 (iii) all qualified investments that the Minnesota business investment company has
8.23 made in the previous taxable year, including the number of employees of each qualified
8.24 business in which it has made investments at the time of such investment, and as of
8.25 December 1 of the preceding taxable year; and

8.26 (iv) for any qualified business where the Minnesota business investment company
8.27 no longer has an investment, the Minnesota business investment company must provide
8.28 employment figures for that company as of the last day before the investment was
8.29 terminated;

8.30 (3) other information that the department may reasonably request that will help the
8.31 department ascertain the impact of the Minnesota business investment company program
8.32 both directly and indirectly on the economy of the state of Minnesota including, but
8.33 not limited to, the number of jobs created by qualified businesses that have received
8.34 qualified investments;

9.1 (4) within 90 days of the close of its fiscal year, annual audited financial statements
9.2 of the Minnesota business investment company, which must include the opinion of an
9.3 independent certified public accountant; and

9.4 (5) an "agreed upon procedures report" or equivalent regarding the operations of the
9.5 Minnesota business investment company.

9.6 (b) A Minnesota business investment company must pay to the department an
9.7 annual, nonrefundable certification fee of \$5,000 on or before April 1, or \$10,000 if later.
9.8 No annual certification fee is required if the payment date for such fee is within six months
9.9 of the date a Minnesota business investment company is first certified by the department.

9.10 (c) Upon satisfying the requirements of subdivision 5, paragraph (a), clause (2), a
9.11 Minnesota business investment company shall provide the notice to the department and
9.12 the department shall, within 60 days of receipt of such notice, either confirm that the
9.13 Minnesota business investment company has satisfied the requirements of subdivision
9.14 5, paragraph (a), clause (2), as of such date or provide notice of noncompliance and
9.15 an explanation of any existing deficiencies. If the department does not provide such
9.16 notification within 60 days, the Minnesota business investment company shall be deemed
9.17 to have met the requirements of subdivision 5, paragraph (a), clause (2).

9.18 Subd. 7. **Distributions.** A Minnesota business investment company may make
9.19 qualified distributions at any time. In order for a Minnesota business investment
9.20 company to make a distribution other than a qualified distribution to its equity holders,
9.21 the cumulative amount of all qualified investments of the Minnesota business investment
9.22 company must equal or exceed 100 percent of its designated capital.

9.23 Subd. 8. **Decertification.** (a) The department shall conduct an annual review of
9.24 each Minnesota business investment company to determine if a Minnesota business
9.25 investment company is abiding by the requirements of certification and to ensure that no
9.26 investment has been made in violation of this section. The cost of the annual review
9.27 must be paid by each Minnesota business investment company according to a reasonable
9.28 fee schedule adopted by the department.

9.29 (b) Any material violation of this section, including any material misrepresentation
9.30 made to the department in connection with the application process, may be grounds for
9.31 decertification of a Minnesota business investment company and the disallowance of
9.32 credits under section 297I.23, provided that in all instances the department shall provide
9.33 notice to the Minnesota business investment company of the grounds of such proposed
9.34 decertification and the opportunity to cure such violation before any such decertification
9.35 shall become effective.

10.1 (c) Once a Minnesota business investment company has invested an amount
10.2 cumulatively equal to 100 percent of its designated capital in qualified investments,
10.3 provided that the Minnesota business investment company has met all other requirements
10.4 under this section as of such date, the Minnesota business investment company shall
10.5 no longer be subject to regulation by the department or the reporting requirements
10.6 under subdivision 6. Upon receiving certification by a Minnesota business investment
10.7 company that it has invested an amount equal to 100 percent of its designated capital, the
10.8 department must notify a Minnesota business investment company within 60 days that it
10.9 has or has not met the requirements, with a reason for the determination if it has not. If the
10.10 department does not provide notification of deregulation within 60 days, the Minnesota
10.11 business investment company shall be deemed to have met the requirements and shall be
10.12 deemed to no longer be subject to regulation by the department.

10.13 (d) The department must send written notice of any decertification proceedings to
10.14 the commissioner of revenue and to the address of each participating investor whose
10.15 tax credit may be subject to recapture or forfeiture, using the address shown on the last
10.16 filing submitted to the department.

10.17 Subd. 9. **Registration requirements.** All investments by participating investors
10.18 for which tax credits are awarded under this section must be registered or specifically
10.19 exempt from registration.

10.20 Subd. 10. **Reports to governor and legislature.** The department must make
10.21 an annual report to the governor and the chairs and ranking minority members of the
10.22 committees having jurisdiction over taxes and economic development. The report must
10.23 include:

10.24 (1) the number of Minnesota business investment companies holding designated
10.25 capital;

10.26 (2) the amount of designated capital invested in each Minnesota business investment
10.27 company;

10.28 (3) the cumulative amount that each Minnesota business investment company has
10.29 invested as of January 1, 2010, and the cumulative total each year thereafter;

10.30 (4) the cumulative amount of follow-on capital that the investments of each
10.31 Minnesota business investment company have created in terms of capital invested in
10.32 qualified businesses at the same time or subsequent to investments made by a Minnesota
10.33 business investment company in such businesses by sources other than Minnesota
10.34 business investment companies;

10.35 (5) the total amount of investment tax credits applied under this section for each year;

11.1 (6) the performance of each Minnesota business investment company with regard to
 11.2 the requirements for continued certification;

11.3 (7) the classification of the companies in which each Minnesota business investment
 11.4 company has invested according to industrial sector and size of company;

11.5 (8) the gross number of jobs created by investments made by each Minnesota
 11.6 business investment company and the number of jobs retained;

11.7 (9) the location of the companies in which each Minnesota business investment
 11.8 company has invested;

11.9 (10) those Minnesota business investment companies that have been decertified,
 11.10 including the reasons for decertification; and

11.11 (11) other related information as necessary to evaluate the effect of this section on
 11.12 economic development.

11.13 **EFFECTIVE DATE.** This section is effective the day following final enactment.

11.14 **Sec. 2. [297L.23] MINNESOTA BUSINESS INVESTMENT COMPANY CREDIT.**

11.15 (a) A participating investor as defined under section 116J.665, subdivision 1, shall
 11.16 earn a credit against the tax imposed in this chapter equal to 80 percent of the participating
 11.17 investor's investment of designated capital in a Minnesota business investment company.
 11.18 Beginning January 1, 2013, a participating investor may claim the credit as follows:

11.19 (1) in tax year 2013, an amount equal to 20 percent of the participating investor's
 11.20 investment of designated capital;

11.21 (2) in tax year 2014, an amount equal to 20 percent of the participating investor's
 11.22 investment of designated capital;

11.23 (3) in tax year 2015, an amount equal to 20 percent of the participating investor's
 11.24 investment of designated capital; and

11.25 (4) in tax year 2016, an amount equal to 20 percent of the participating investor's
 11.26 investment of designated capital.

11.27 (b) The credit for any taxable year must not exceed the liability for tax under
 11.28 this chapter for such year. If the amount of the credit determined under this section for
 11.29 any taxable year exceeds the liability for tax under this chapter, the excess shall be an
 11.30 investment tax credit carryover to future taxable years without limitation. Credits may be
 11.31 used in connection with both final payments and prepayments of a participating investor's
 11.32 state premium tax liability.

11.33 (c) A participating investor claiming a credit under this section is not required to pay
 11.34 any additional retaliatory tax levied as a result of claiming the credit.

12.1 (d) A participating investor is not required to reduce the amount of tax pursuant to
12.2 the state premium tax liability included by the participating investor in connection with
12.3 ratemaking for any insurance contract written in this state because of a reduction in the
12.4 participating investor's tax liability based on the tax credit allowed under this section.

12.5 (e) If the taxes paid by a participating investor with respect to its state premium
12.6 tax liability constitute a credit against any other tax that is imposed by this state, the
12.7 participating investor's credit against the other tax shall not be reduced by virtue of the
12.8 reduction in the participating investor's tax liability based on the tax credit allowed
12.9 under this section.

12.10 (f) Final decertification of Minnesota business investment company under section
12.11 116J.665 may result in the disallowance and the recapture of the credit allowed under this
12.12 section. The amount to be disallowed and recaptured must be assessed as follows:

12.13 (1) decertification of a Minnesota business investment company within two years of
