The bill was read for the first time and referred to the Committee on Taxes

A bill for an act

relating to taxation; income and corporate franchise; conforming to the federal treatment of section 179 allowances; amending Minnesota Statutes 2008, sections 289A.08, subdivision 7; 290.01, subdivisions 19, 19a, 19c, 31; 290.06, subdivision 2c; 290.091, subdivision 2.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2008, section 289A.08, subdivision 7, is amended to read:

Subd. 7. **Composite income tax returns for nonresident partners, shareholders, and beneficiaries.** (a) The commissioner may allow a partnership with nonresident partners to file a composite return and to pay the tax on behalf of nonresident partners who have no other Minnesota source income. This composite return must include the names, addresses, Social Security numbers, income allocation, and tax liability for the nonresident partners electing to be covered by the composite return.

(b) The computation of a partner's tax liability must be determined by multiplying the income allocated to that partner by the highest rate used to determine the tax liability for individuals under section 290.06, subdivision 2c. Nonbusiness deductions, standard deductions, or personal exemptions are not allowed.

(c) The partnership must submit a request to use this composite return filing method for nonresident partners. The requesting partnership must file a composite return in the form prescribed by the commissioner of revenue. The filing of a composite return is considered a request to use the composite return filing method.

(d) The electing partner must not have any Minnesota source income other than the income from the partnership and other electing partnerships. If it is determined that the electing partner has other Minnesota source income, the inclusion of the income and tax liability for that partner under this provision will not constitute a return to satisfy the requirements of subdivision 1. The tax paid for the individual as part of the composite return is allowed as a payment of the tax by the individual on the date on which the composite return payment was made. If the electing nonresident partner has no other Minnesota source income, filing of the composite return is a return for purposes of subdivision 1.

(e) This subdivision does not negate the requirement that an individual pay estimated tax if the individual's liability would exceed the requirements set forth in section 289A.25. A composite estimate may, however, be filed in a manner similar to and containing the information required under paragraph (a).

(f) If an electing partner's share of the partnership's gross income from Minnesota sources is less than the filing requirements for a nonresident under this subdivision, the tax liability is zero. However, a statement showing the partner's share of gross income must be included as part of the composite return.

(g) The election provided in this subdivision is only available to a partner who has no other Minnesota source income and who is either (1) a full-year nonresident individual or (2) a trust or estate that does not claim a deduction under either section 651 or 661 of the Internal Revenue Code.

(h) A corporation defined in section 290.9725 and its nonresident shareholders may make an election under this paragraph. The provisions covering the partnership apply to the corporation and the provisions applying to the partner apply to the shareholder.

(i) Estates and trusts distributing current income only and the nonresident individual beneficiaries of the estates or trusts may make an election under this paragraph. The provisions covering the partnership apply to the estate or trust. The provisions applying to the partner apply to the beneficiary.

(j) For the purposes of this subdivision, "income" means the partner's share of federal adjusted gross income from the partnership modified by the additions provided in section 290.01, subdivision 19a, clauses (6) to ~~(10)~~ (9), and the subtractions provided in: (i) section 290.01, subdivision 19b, clause (9), to the extent the amount is assignable or allocable to Minnesota under section 290.17; and (ii) section 290.01, subdivision 19b, clause (14). The subtraction allowed under section 290.01, subdivision 19b, clause (9), is only allowed on the composite tax computation to the extent the electing partner would have been allowed the subtraction.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2008.

Sec. 2. Minnesota Statutes 2008, section 290.01, subdivision 19, is amended to read:

Subd. 19. **Net income.** The term "net income" means the federal taxable income, as defined in section 63 of the Internal Revenue Code of 1986, as amended through the date named in this subdivision, incorporating the federal effective dates of changes to the Internal Revenue Code and any elections made by the taxpayer in accordance with the Internal Revenue Code in determining federal taxable income for federal income tax purposes, and with the modifications provided in subdivisions 19a to 19f.

In the case of a regulated investment company or a fund thereof, as defined in section 851(a) or 851(g) of the Internal Revenue Code, federal taxable income means investment company taxable income as defined in section 852(b)(2) of the Internal Revenue Code, except that:

(1) the exclusion of net capital gain provided in section 852(b)(2)(A) of the Internal Revenue Code does not apply;

(2) the deduction for dividends paid under section 852(b)(2)(D) of the Internal Revenue Code must be applied by allowing a deduction for capital gain dividends and exempt-interest dividends as defined in sections 852(b)(3)(C) and 852(b)(5) of the Internal Revenue Code; and

(3) the deduction for dividends paid must also be applied in the amount of any undistributed capital gains which the regulated investment company elects to have treated as provided in section 852(b)(3)(D) of the Internal Revenue Code.

The net income of a real estate investment trust as defined and limited by section 856(a), (b), and (c) of the Internal Revenue Code means the real estate investment trust taxable income as defined in section 857(b)(2) of the Internal Revenue Code.

The net income of a designated settlement fund as defined in section 468B(d) of the Internal Revenue Code means the gross income as defined in section 468B(b) of the Internal Revenue Code.

The Internal Revenue Code of 1986, as amended through February 13, 2008, and as amended by Public Law 110-343, Division C, title VII, section 711(a), shall be in effect for taxable years beginning after December 31, 1996.

Except as otherwise provided, references to the Internal Revenue Code in subdivisions 19 to 19f mean the code in effect for purposes of determining net income for the applicable year.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2008.

Subd. 31. **Internal Revenue Code.** Unless specifically defined otherwise, "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through February 13, 2008, and as amended by Public Law 110-343, Division C, title VII, section 711(a).

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2008.

Sec. 6. Minnesota Statutes 2008, section 290.06, subdivision 2c, is amended to read:

Subd. 2c. **Schedules of rates for individuals, estates, and trusts.** (a) The income taxes imposed by this chapter upon married individuals filing joint returns and surviving spouses as defined in section 2(a) of the Internal Revenue Code must be computed by applying to their taxable net income the following schedule of rates:

(1) On the first $25,680, 5.35 percent;

(2) On all over $25,680, but not over $102,030, 7.05 percent;

(3) On all over $102,030, 7.85 percent.

Married individuals filing separate returns, estates, and trusts must compute their income tax by applying the above rates to their taxable income, except that the income brackets will be one-half of the above amounts.

(b) The income taxes imposed by this chapter upon unmarried individuals must be computed by applying to taxable net income the following schedule of rates:

(1) On the first $17,570, 5.35 percent;

(2) On all over $17,570, but not over $57,710, 7.05 percent;

(3) On all over $57,710, 7.85 percent.

(2) On all over $21,630, but not over $86,910, 7.05 percent;

(3) On all over $86,910, 7.85 percent.

(d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than $100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to $1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

(1) the numerator is the individual's Minnesota source federal adjusted gross income as defined in section 62 of the Internal Revenue Code and increased by the additions required under section 290.01, subdivision 19a, clauses (1), (5), (6), (7), (8), ~~(9), (12)~~ <u>(11)</u>, and ~~(13)~~ <u>(12)</u> and reduced by the Minnesota assignable portion of the subtraction for United States government interest under section 290.01, subdivision 19b, clause (1), and the subtractions under section 290.01, subdivision 19b, clauses (9), (10), (14), (15), and (16), after applying the allocation and assignability provisions of section 290.081, clause (a), or 290.17; and
