5.17 Subdivision 1. **Authorization.** A surplus lines licensee may be compensated by
 5.18 an eligible surplus lines insurer and the licensee may compensate a licensed ~~resident~~
 5.19 agent in this state for obtaining surplus lines insurance business. A licensed ~~resident~~
 5.20 agent authorized by the licensee may collect a premium on behalf of the licensee, and as

6.29 under chapter 317A. The plan of operation must provide for the election of a board of
6.30 directors by the members of the association. The board of directors shall elect officers as
6.31 provided for in the plan of operation. The plan of operation shall establish the manner of

7.1 to represent the member in the exercise of association affairs, including service on the
7.2 board of directors.

7.3 (b) The plan of operation shall provide for an independent audit once each year of all

8.16 (2) **Definitions.** For purposes of this subdivision the following terms have the
8.17 meanings given them.

8.18 (a) "Administering a self-insurance or insurance plan" means (i) processing,

8.35 self-insurance or insurance plan may transact this business in this state unless it is licensed
8.36 to do so by the commissioner. An applicant for a license shall state in writing the type of

9.1 activities it seeks authorization to engage in and the type of services it seeks authorization
9.2 to provide. The license may be granted only when the commissioner is satisfied that the
9.3 entity possesses the necessary organization, background, expertise, and financial integrity
9.4 to supply the services sought to be offered. The commissioner may issue a license subject
9.5 to restrictions or limitations upon the authorization, including the type of services which

9.18 services or an entity administering insurance or self-insurance plans, the commissioner
9.19 may accept a surety bond in a form satisfactory to the commissioner in an amount equal to
9.20 120 percent of the total amount of claims handled by the applicant in the prior year. If at
9.21 any time the total amount of claims handled during a year exceeds the amount upon which
9.22 the bond was calculated, the administrator shall immediately notify the commissioner.
9.23 The commissioner may require that the bond be increased accordingly.

9.24 No contract entered into after July 1, 2001, between a licensed vendor of risk
9.25 management services and a group authorized to self-insure for workers' compensation
9.26 liabilities under section 79A.03, subdivision 6, may take effect until it has been filed
9.27 with the commissioner, and either (1) the commissioner has approved it or (2) 60 days
9.28 have elapsed and the commissioner has not disapproved it as misleading or violative of
9.29 public policy.

10.2 of entities administering insurance or self-insurance plans; or

10.4 subdivision.

10.6 insurance plan shall:

10.7 (a) require a patient to pay for care provided by an in-network provider an amount
10.8 that exceeds the fee negotiated between the entity and that provider for the covered service
10.9 provided;

10.10 (b) attempt to recoup from the provider a payment owed to the provider by the
10.11 patient for deductibles, co-pays, coinsurance, or other enrollee cost-sharing required under
10.12 the plan, unless the administrator has confirmed with the provider that the patient has
10.13 paid the cost-sharing amounts in full; or

10.14 (c) limit the time period for a provider to submit a claim, which may not be less
10.15 than 90 days through contract except when otherwise required by state or federal law or
10.16 regulation, unless the health care provider knew or was informed of the correct name and
10.17 address of the responsible health plan company or third-party administrator. For purposes
10.18 of this paragraph, presentation of the health coverage identification card by the patient is
10.19 deemed sufficient notification of the correct information.

10.20 **EFFECTIVE DATE.** Paragraph 6, clause (c) is effective August 1, 2009, and
10.21 applies to patient care provided on or after that date. Paragraph 6, clauses (a) and (b), are
10.22 effective the day following final enactment.

10.23 Sec. 17. Minnesota Statutes 2008, section 60A.235, is amended to read:

10.24 **60A.235 STANDARDS FOR DETERMINING WHETHER CONTRACTS**
10.25 **ARE HEALTH PLAN CONTRACTS OR STOP LOSS CONTRACTS.**

10.26 Subdivision 1. **Findings and purpose.** The purpose of this section is to establish
10.27 a standard for the determination of whether an insurance policy or other evidence or
10.28 coverage should be treated as a policy of accident and sickness insurance or a stop loss
10.29 policy for the purpose of the regulation of the business of insurance. The laws regulating
10.30 the business of insurance in Minnesota impose distinctly different requirements upon
10.31 accident and sickness insurance policies and stop loss policies. In particular, the regulation
10.32 of accident and sickness insurance in Minnesota includes measures designed to reform the
10.33 health insurance market, to minimize or prohibit selective rating or rejection of employee
10.34 groups or individual group members based upon health conditions, and to provide access

11.1 to affordable health insurance coverage regardless of preexisting health conditions. The
 11.2 health care reform provisions enacted in Minnesota will only be effective if they are
 11.3 applied to all insurers and health carriers who in substance, regardless of purported form,
 11.4 engage in the business of issuing health insurance coverage to employees of an employee
 11.5 group. This section applies to insurance companies and health carriers and the policies or
 11.6 other evidence of coverage that they issue. This section does not apply to employers or the
 11.7 benefit plans they establish for their employees.

11.8 Subd. 2. **Definitions.** For purposes of this section, the terms defined in this
 11.9 subdivision have the meanings given.

11.10 (a) "Attachment point" means the claims amount incurred by an insured group
 11.11 beyond which the insurance company or health carrier incurs a liability for payment.

11.12 (b) "Direct coverage" means coverage under which an insurance company or health
 11.13 carrier assumes a direct obligation to an individual, under the policy or evidence of
 11.14 coverage, with respect to health care expenses incurred by the individual or a member
 11.15 of the individual's family.

11.16 (c) "Expected claims" means the amount of claims that, in the absence of a stop loss
 11.17 policy or other insurance or evidence of coverage, are projected to be incurred ~~under~~ by an
 11.18 employer-sponsored plan covering health care expenses.

11.19 (d) "Expected plan claims" means the expected claims less the projected claims in
 11.20 excess of the specific attachment point, adjusted to be consistent with the employer's
 11.21 aggregate contract period.

11.22 (e) "Health plan" means a health plan as defined in section 62A.011 and includes
 11.23 group coverage regardless of the size of the group.

11.24 (f) "Health carrier" means a health carrier as defined in section 62A.011.

11.25 Subd. 3. **Health plan policies issued as stop loss coverage.** (a) An insurance
 11.26 company or health carrier issuing or renewing an insurance policy or other evidence of
 11.27 coverage, that provides coverage to an employer for health care expenses incurred under
 11.28 an employer-sponsored plan provided to the employer's employees, retired employees,
 11.29 or their dependents, shall issue the policy or evidence of coverage as a health plan if the
 11.30 policy or evidence of coverage:

11.31 (1) has a specific attachment point for claims incurred per individual that is lower
 11.32 than ~~\$10,000~~ \$20,000; or

11.33 (2) has an aggregate attachment point, for groups of 50 or fewer, that is lower than
 11.34 the ~~sum~~ greater of:

11.35 (i) ~~140 percent of the first \$50,000 of expected plan claims;~~

11.36 (ii) ~~120 percent of the next \$450,000 of expected plan claims; and~~

12.1 ~~(iii) 110 percent of the remaining expected plan claims;~~

12.2 (i) \$4,000 times the number of group members;

12.3 (ii) 120 percent of expected claims; or

12.4 (iii) \$20,000; or

12.5 (3) has an aggregate attachment point for groups of 51 or more that is lower than
12.6 110 percent of expected claims.

12.7 (b) An insurer shall determine the number of persons in a group, for the purposes
12.8 of this section, on a consistent basis, at least annually. Where the insurance policy or
12.9 evidence of coverage applies to a contract period of more than one year, the dollar
12.10 amounts set forth in paragraph (a), clauses (1) and (2), must be multiplied by the length
12.11 of the contract period expressed in years.

12.12 (c) The commissioner may adjust the constant dollar amounts provided in paragraph
12.13 (a), clauses (1) ~~and~~, (2), and (3), on January 1 of any year, based upon changes in
12.14 the medical component of the Consumer Price Index (CPI). Adjustments must be in
12.15 increments of \$100 and must not be made unless at least that amount of adjustment is
12.16 required. The commissioner shall publish any change in these dollar amounts at least
12.17 ~~three~~ six months before their effective date.

12.18 (d) A policy or evidence of coverage issued by an insurance company or health
12.19 carrier that provides direct coverage of health care expenses of an individual including a
12.20 policy or evidence of coverage administered on a group basis is a health plan regardless of
12.21 whether the policy or evidence of coverage is denominated as stop loss coverage.

12.22 Subd. 3a. **Actuarial certification.** An insurer shall file with the commissioner
12.23 annually on or before March 15, an actuarial certification certifying that the insurer is in
12.24 compliance with sections 60A.235 and 60A.236. The certification shall be in a form and
12.25 manner, and shall contain information, specified by the commissioner. A copy of the
12.26 certification shall be retained by the insurer at its principal place of business.

12.27 **Subd. 4. **Compliance.**** (a) An insurance company or health carrier that is required to
12.28 issue a policy or evidence of coverage as a health plan under this section shall, even if the
12.29 policy or evidence of coverage is denominated as stop loss coverage, comply with all the
12.30 laws of this state that apply to the health plan, including, but not limited to, chapters 62A,
12.31 62C, 62D, 62E, 62L, and 62Q.

12.32 (b) With respect to an employer who had been issued a policy or evidence of
12.33 coverage denominated as stop loss coverage before ~~June 2, 1995~~ the effective date of this
12.34 section, compliance with this section is required as of the first renewal date occurring on
12.35 or after ~~June 2, 1995~~ August 1, 2009, and applies to policies issued or renewed on or
12.36 after that date.

13.1 Sec. 18. Minnesota Statutes 2008, section 60A.32, is amended to read:

13.2 **60A.32 RATE FILING FOR CROP HAIL INSURANCE.**

13.3 Subdivision 1. Authority. An insurer issuing policies of insurance against crop
13.4 damage by hail in this state shall file its insurance rates with the commissioner using the
13.5 expedited filing procedure under subdivision 2. The insurance rates must be filed before
13.6 February 1 of the year in which a policy is issued.

13.7 Subd. 2. Compliance certifications. In addition to the proposed rates, an insurer
13.8 shall file with the Department of Commerce on a form prescribed by the commissioner a
13.9 written certification, signed by an officer of the insurer, that the rates comply with section
13.10 70A.04. Rates filed under this procedure are effective upon the date of receipt or on a
13.11 subsequent date requested by the insurer.

13.12 Subd. 3. Fee. In order to be effective, the filing must be accompanied by payment of
13.13 the applicable filing fee.

13.14 Sec. 19. Minnesota Statutes 2008, section 61B.19, subdivision 4, is amended to read:

13.15 Subd. 4. **Limitation of benefits.** The benefits for which the association may become
13.16 liable shall in no event exceed the lesser of:

13.17 (1) the contractual obligations for which the insurer is liable or would have been
13.18 liable if it were not an impaired or insolvent insurer; or

13.19 (2) subject to the limitation in clause (5), with respect to any one life, regardless of
13.20 the number of policies or contracts:

13.21 (i) ~~\$300,000~~ \$500,000 in life insurance death benefits, but not more than ~~\$100,000~~
13.22 \$130,000 in net cash surrender and net cash withdrawal values for life insurance;

13.23 (ii) ~~\$300,000~~ \$500,000 in health insurance benefits, including any net cash surrender
13.24 and net cash withdrawal values;

13.25 (iii) ~~\$100,000~~ \$250,000 in annuity net cash surrender and net cash withdrawal values;

13.26 (iv) ~~\$300,000~~ \$410,000 in present value of annuity benefits for structured settlement
13.27 annuities or for annuities in regard to which periodic annuity benefits, for a period of not
13.28 less than the annuitant's lifetime or for a period certain of not less than ten years, have
13.29 begun to be paid, on or before the date of impairment or insolvency; or

13.30 (3) subject to the limitations in clauses (5) and (6), with respect to each individual
13.31 resident participating in a retirement plan, except a defined benefit plan, established under
13.32 section 401, 403(b), or 457 of the Internal Revenue Code of 1986, as amended through
13.33 December 31, 1992, covered by an unallocated annuity contract, or the beneficiaries
13.34 of each such individual if deceased, in the aggregate, ~~\$100,000~~ \$250,000 in net cash
13.35 surrender and net cash withdrawal values;

14.1 (4) where no coverage limit has been specified for a covered policy or benefit, the
 14.2 coverage limit shall be ~~\$300,000~~ \$500,000 in present value;

14.3 (5) in no event shall the association be liable to expend more than ~~\$300,000~~
 14.4 \$500,000 in the aggregate with respect to any one life under clause (2), items (i), (ii), (iii),
 14.5 (iv), and clause (4), and any one individual under clause (3);

14.6 (6) in no event shall the association be liable to expend more than ~~\$7,500,000~~
 14.7 \$10,000,000 with respect to all unallocated annuities of a retirement plan, except a defined
 14.8 benefit plan, established under section 401, 403(b), or 457 of the Internal Revenue Code
 14.9 of 1986, as amended through December 31, 1992. If total claims from a plan exceed
 14.10 ~~\$7,500,000~~ \$10,000,000, the ~~\$7,500,000~~ \$10,000,000 shall be prorated among the
 14.11 claimants;

14.12 (7) for purposes of applying clause (2)(ii) and clause (5), with respect only to
 14.13 health insurance benefits, the term "any one life" applies to each individual covered by a
 14.14 health insurance policy;

14.15 (8) where covered contractual obligations are equal to or less than the limits stated in
 14.16 this subdivision, the association will pay the difference between the covered contractual
 14.17 obligations and the amount credited by the estate of the insolvent or impaired insurer, if
 14.18 that amount has been determined or, if it has not, the covered contractual limit, subject
 14.19 to the association's right of subrogation;

14.20 (9) where covered contractual obligations exceed the limits stated in this subdivision,
 14.21 the amount payable by the association will be determined as though the covered
 14.22 contractual obligations were equal to those limits. In making the determination, the estate
 14.23 shall be deemed to have credited the covered person the same amount as the estate would
 14.24 credit a covered person with contractual obligations equal to those limits; or

14.25 (10) the following illustrates how the principles stated in clauses (8) and (9) apply.
 14.26 The example illustrated concerns hypothetical claims subject to the limit stated in clause
 14.27 (2)(iii). The principles stated in clauses (8) and (9), and illustrated in this clause, apply
 14.28 to claims subject to any limits stated in this subdivision.

30.3 **Sec. 33. [62A.3165] MEDICARE SUPPLEMENT PLAN WITH HIGH**
30.4 **DEDUCTIBLE COVERAGE.**

30.5 The Medicare supplement plan will pay 100 percent coverage upon payment of the
30.6 annual high deductible. The annual deductible shall consist of out-of-pocket expenses,
30.7 other than premiums, for services covered. This plan must have a level of coverage that
30.8 will provide:

30.9 (1) 100 percent of Medicare Part A hospitalization coinsurance plus coverage for
30.10 365 days after Medicare benefits end;

30.11 (2) coverage for 100 percent of the Medicare Part A inpatient hospital deductible
30.12 amount per benefit period;

30.13 (3) coverage for 100 percent of the coinsurance amount for each day used from the

30.18 (5) coverage for 100 percent, under Medicare Part A or B, of the reasonable cost of

30.21 (6) except for coverage provided in this clause, coverage for 100 percent of the cost
30.22 sharing otherwise applicable under Medicare Part B;

30.23 (7) coverage of 100 percent of the cost sharing for Medicare Part B preventive
30.24 services and diagnostic procedures for cancer screening described in section 62A.30 after

30.29 and medical supplies; and

30.30 (10) the basis for the deductible shall be \$1,860 and shall be adjusted annually from
30.31 2010 by the secretary of the United States Department of Health and Human Services to

30.33 period ending with August of the preceding year, and rounded to the nearest multiple of
30.34 \$10.

31.1 Sec. 34. Minnesota Statutes 2008, section 62L.02, subdivision 26, is amended to read:

31.2 Subd. 26. **Small employer.** (a) "Small employer" means, with respect to a calendar
31.3 year and a plan year, a person, firm, corporation, partnership, association, or other entity
31.4 actively engaged in business in Minnesota, including a political subdivision of the state,
31.5 that employed an average of no fewer than two nor more than 50 current employees on
31.6 business days during the preceding calendar year and that employs at least two current
31.7 employees on the first day of the plan year. If an employer has only one eligible employee
31.8 who has not waived coverage, the sale of a health plan to or for that eligible employee
31.9 is not a sale to a small employer and is not subject to this chapter and may be treated as
31.10 the sale of an individual health plan. A small employer plan may be offered through a
31.11 domiciled association to self-employed individuals and small employers who are members
31.12 of the association, even if the self-employed individual or small employer has fewer than
31.13 two current employees. Entities that are treated as a single employer under subsection (b),
31.14 (c), (m), or (o) of section 414 of the federal Internal Revenue Code are considered a single
31.15 employer for purposes of determining the number of current employees. Small employer
31.16 status must be determined on an annual basis as of the renewal date of the health benefit
31.17 plan. The provisions of this chapter continue to apply to an employer who no longer meets
31.18 the requirements of this definition until the annual renewal date of the employer's health
31.19 benefit plan. If an employer was not in existence throughout the preceding calendar year,
31.20 the determination of whether the employer is a small employer is based upon the average
31.21 number of current employees that it is reasonably expected that the employer will employ
31.22 on business days in the current calendar year. For purposes of this definition, the term
31.23 employer includes any predecessor of the employer. An employer that has more than 50
31.24 current employees but has 50 or fewer employees, as "employee" is defined under United
31.25 States Code, title 29, section 1002(6), is a small employer under this subdivision.

31.26 (b) Where an association, as defined in section 62L.045, comprised of employers
31.27 contracts with a health carrier to provide coverage to its members who are small employers,
31.28 the association and health benefit plans it provides to small employers, are subject to
31.29 section 62L.045, with respect to small employers in the association, even though the
31.30 association also provides coverage to its members that do not qualify as small employers.

31.31 (c) If an employer has employees covered under a trust specified in a collective
31.32 bargaining agreement under the federal Labor-Management Relations Act of 1947,
31.33 United States Code, title 29, section 141, et seq., as amended, or employees whose health
31.34 coverage is determined by a collective bargaining agreement and, as a result of the
31.35 collective bargaining agreement, is purchased separately from the health plan provided
31.36 to other employees, those employees are excluded in determining whether the employer

32.1 qualifies as a small employer. Those employees are considered to be a separate small
32.2 employer if they constitute a group that would qualify as a small employer in the absence
32.3 of the employees who are not subject to the collective bargaining agreement.

32.4 Sec. 35. Minnesota Statutes 2008, section 62M.05, subdivision 3a, is amended to read:

32.5 Subd. 3a. **Standard review determination.** (a) Notwithstanding subdivision 3b, an
32.6 initial determination on all requests for utilization review must be communicated to the
32.7 provider and enrollee in accordance with this subdivision within ten business days of the
32.8 request, provided that all information reasonably necessary to make a determination on the
32.9 request has been made available to the utilization review organization.

32.10 (b) When an initial determination is made to certify, notification must be provided
32.11 promptly by telephone to the provider. The utilization review organization shall send
32.12 written notification to the provider or shall maintain an audit trail of the determination
32.13 and telephone notification. For purposes of this subdivision, "audit trail" includes
32.14 documentation of the telephone notification, including the date; the name of the person
32.15 spoken to; the enrollee; the service, procedure, or admission certified; and the date of
32.16 the service, procedure, or admission. If the utilization review organization indicates
32.17 certification by use of a number, the number must be called the "certification number."
32.18 For purposes of this subdivision, notification may also be made by facsimile to a verified
32.19 number or by electronic mail to a secure electronic mailbox. These electronic forms of
32.20 notification satisfy the "audit trail" requirement of this paragraph.

32.21 (c) When an initial determination is made not to certify, notification must be
32.22 provided by telephone, by facsimile to a verified number, or by electronic mail to a
32.23 secure electronic mailbox within one working day after making the determination to
32.24 the attending health care professional and hospital ~~and a written~~ as applicable. Written
32.25 notification must also be sent to the hospital; as applicable and attending health care
32.26 professional, and enrollee if notification occurred by telephone. For purposes of this
32.27 subdivision, notification may be made by facsimile to a verified number or by electronic
32.28 mail to a secure electronic mailbox. Written notification must be sent to the enrollee and
32.29 may be sent by United States mail, facsimile to a verified number, or by electronic mail to
32.30 a secure mailbox. The written notification must include the principal reason or reasons
32.31 for the determination and the process for initiating an appeal of the determination. Upon
32.32 request, the utilization review organization shall provide the provider or enrollee with the
32.33 criteria used to determine the necessity, appropriateness, and efficacy of the health care
32.34 service and identify the database, professional treatment parameter, or other basis for the
32.35 criteria. Reasons for a determination not to certify may include, among other things,

33.1 the lack of adequate information to certify after a reasonable attempt has been made to
 33.2 contact the provider or enrollee.

33.3 (d) When an initial determination is made not to certify, the written notification must
 33.4 inform the enrollee and the attending health care professional of the right to submit an
 33.5 appeal to the internal appeal process described in section 62M.06 and the procedure
 33.6 for initiating the internal appeal.

33.7 **Sec. 36. [62Q.7375] HEALTH CARE CLEARINGHOUSES.**

33.8 **Subdivision 1. Definition.** For the purposes of this section, "health care
 33.9 clearinghouse" or "clearinghouse" means a public or private entity, including a billing
 33.10 service, repricing company, community health management information system or
 33.11 community health information system, and "value-added" networks and switches, that
 33.12 does either of the following functions:

33.13 (1) processes or facilitates the processing of health information received from
 33.14 another entity in a nonstandard format or containing nonstandard data content into
 33.15 standard data elements or a standard transaction; or

33.16 (2) receives a standard transaction from another entity and processes or facilitates
 33.17 the processing of health information into nonstandard format or nonstandard data content
 33.18 for the receiving entity.

33.19 **Subd. 2. Claims submission deadlines and careful handling.** (a) A health plan or
 33.20 third-party administrator must not have or enforce a deadline for submission of claims
 33.21 that is shorter than the period provided in section 60A.23, subdivision 8, paragraph (6),
 33.22 clause (c).

33.23 (b) A claim submitted to a health plan or third-party administrator through a health
 33.24 care clearinghouse or clearinghouse within the time permitted under paragraph (a) must be
 33.25 treated as timely by the health plan or third-party administrator. This paragraph does not
 33.26 apply if the provider submitted the claim to a clearinghouse that does not have the ability
 33.27 or authority to transmit the claim to the relevant health plan company.

33.28 **EFFECTIVE DATE.** This section is effective August 1, 2009, and applies to claims
 33.29 transmitted to a clearinghouse on or after that date.

33.30 Sec. 37. Minnesota Statutes 2008, section 65A.27, subdivision 1, is amended to read:

33.31 Subdivision 1. **Scope.** For purposes of sections 65A.27 to ~~65A.30~~ 65A.302, the
 33.32 following terms have the meanings given.

33.33 Sec. 38. Minnesota Statutes 2008, section 65B.133, subdivision 2, is amended to read:

34.1 Subd. 2. **Disclosure to applicants.** Before accepting the initial premium payment,
34.2 an insurer or its agent shall provide a surcharge disclosure statement to any person who
34.3 applies for a policy which is effective on or after January 1, 1983. If the insurer provides
34.4 the surcharge disclosure statement on the insurer's website, the insurer or agent may notify
34.5 the applicant orally or in writing of its availability for review on the insurer's website
34.6 prior to accepting the initial payment, in lieu of providing a disclosure statement to the
34.7 applicant in writing, if the insurer so notifies the applicant of the availability of a written
34.8 version of this statement upon the applicant's request. The insurer shall provide the
34.9 surcharge disclosure statement in writing if requested by the applicant. An oral notice
34.10 shall be presumed delivered if the agent or insurer makes a contemporaneous notation in
34.11 the applicant's record of the notice having been delivered or if the insurer or agent retains
34.12 an audio recording of the notification provided to the applicant.

34.13 Sec. 39. Minnesota Statutes 2008, section 65B.133, subdivision 3, is amended to read:

34.14 Subd. 3. **Disclosure to policyholders.** An insurer or its agent shall mail or deliver
34.15 a surcharge disclosure statement or written notice of the statement's availability on the
34.16 insurer's website to the named insured either before or with the first notice to renew a
34.17 policy on or after January 1, 1983. If a surcharge disclosure statement or written website
34.18 notice has been provided pursuant to subdivision 2, no surcharge disclosure statement is
34.19 required to be mailed or delivered to the same named insured pursuant to subdivision 3.

34.20 Sec. 40. Minnesota Statutes 2008, section 65B.133, subdivision 4, is amended to read:

34.21 Subd. 4. **Notification of change.** No insurer may change its surcharge plan unless
34.22 a surcharge disclosure statement or written website notice is mailed or delivered to the
34.23 named insured before the change is made. A surcharge disclosure statement disclosing a
34.24 change applicable on the renewal of a policy, may be mailed with an offer to renew the
34.25 policy. Surcharges cannot be applied to accidents or traffic violations that occurred prior
34.26 to a change in a surcharge plan except to the extent provided under the prior plan.

34.27 Sec. 41. Minnesota Statutes 2008, section 67A.191, subdivision 2, is amended to read:

34.28 Subd. 2. **Homeowner's risks.** A township mutual fire insurance company may issue
34.29 policies known as "homeowner's insurance" as defined in section 65A.27, subdivision
34.30 4, only in combination with a policy issued by an insurer authorized to sell property
34.31 and casualty insurance in this state. All portions of the combination policy providing
34.32 homeowner's insurance, including those issued by a township mutual insurance company,

35.2 Subd. 15. **Practices not held to be discrimination or rebates.** Nothing in
 35.3 subdivision 8, 9, or 10, or in section 72A.12, subdivisions 3 and 4, shall be construed as
 35.4 including within the definition of discrimination or rebates any of the following practices:

35.5 (1) in the case of any contract of life insurance or annuity, paying bonuses to
 35.6 policyholders or otherwise abating their premiums in whole or in part out of surplus
 35.7 accumulated from nonparticipating insurance, provided that any bonuses or abatement
 35.8 of premiums shall be fair and equitable to policyholders and for the best interests of the
 35.9 company and its policyholders;

35.10 (2) in the case of life insurance policies issued on the industrial debit plan, making
 35.11 allowance, to policyholders who have continuously for a specified period made premium
 35.12 payments directly to an office of the insurer, in an amount which fairly represents the
 35.13 saving in collection expense;

35.14 (3) readjustment of the rate of premium for a group insurance policy based on the
 35.15 loss or expense experienced thereunder, at the end of the first or any subsequent policy
 35.16 year of insurance thereunder, which may be made retroactive only for such policy year;

 35.20 ~~or before August 1 of each year file with the commissioner summary data regarding the~~
 35.21 ~~financial reimbursement offered to providers so designated; and~~

35.27 ~~(b) the name, address, and nature of any separate organization which administers the~~
 35.28 ~~arrangement on the behalf of the insurers; and~~

35.29 ~~(c) the names and addresses of all providers designated by the insurer under this~~
 35.30 ~~clause and the terms of the agreements with designated health care providers.~~

35.31 ~~The commissioner shall maintain a record of arrangements proposed under this~~
 35.32 ~~clause, including a record of any complaints submitted relative to the arrangements.~~

 35.34 to individuals for taking part in preventive health care services, medical management
 35.35 incentive programs, or activities designed to improve the health of the individual.

36.1 If the commissioner requests copies of contracts with a provider under ~~this~~ clause (4)
 36.2 and the provider requests a determination, all information contained in the contracts that
 36.3 the commissioner determines may place the provider or health care plan at a competitive
 36.4 disadvantage is nonpublic data.

 36.8 for the two policy periods preceding the current one for which the insurer has provided
 36.9 coverage, within 30 days of a request for the information by the policyholder. Whenever
 36.10 reporting loss experience data, actual claims paid on behalf of the insured must be reported
 36.11 separately from claims incurred but not paid, pooling charges for catastrophic claim
 36.12 protection, and any other administrative fees or charges that may be charged as an incurred
 36.13 claim expense. Claims experience data must be provided to the insured in accordance with
 36.14 state and federal requirements regarding the confidentiality of medical data. The insurer
 36.15 shall not be responsible for providing information without cost more often than once in
 36.16 a 12-month period. The insurer is not required to provide the information if the policy
 36.17 covers the employee of more than one employer and the information is not maintained
 36.18 separately for each employer and not all employers request the data.

36.19 An insurer, health maintenance organization, or a third-party administrator may not
 36.20 request more than three years of loss or claims experience as a condition of submitting an
 36.21 application or providing coverage.

36.22 This subdivision only applies to group life policies and group health policies.

36.23 **EFFECTIVE DATE.** This section is effective for policy renewal proposals
 36.24 delivered on or after August 1, 2010.

36.25 Sec. 44. **[72A.204] PROHIBITED USES OF SENIOR-SPECIFIC**
 36.26 **CERTIFICATIONS AND PROFESSIONAL DESIGNATIONS.**

36.27 Subdivision 1. Purpose and scope. The purpose of this section is to set forth
 36.28 standards to protect consumers from misleading and fraudulent marketing practices with
 36.29 respect to the use of senior-specific certifications and professional designations in:

36.30 (1) the solicitation, sale, or purchase of a life insurance or annuity product; or

36.31 (2) the provision of advice in connection with the solicitation, sale, or purchase of a
 36.32 life insurance or annuity product.

37.1 Subd. 2. **Insurance producer.** For purposes of this section, "insurance producer"
37.2 means a person required to be licensed under the laws of this state to sell, solicit, or
37.3 negotiate insurance, including annuities.

37.4 Subd. 3. **Prohibited uses of senior-specific certifications and professional**
37.5 **designations.** (a) It is an unfair and deceptive act or practice in the business of insurance
37.6 for an insurance producer to use a senior-specific certification or professional designation
37.7 that indicates or implies in such a way as to mislead a client or prospective client that the
37.8 insurance producer has special certification or training in advising or servicing seniors in
37.9 connection with the solicitation, sale, or purchase of a life insurance or annuity product or
37.10 in the provision of advice as to the value of or the advisability of purchasing or selling a
37.11 life insurance or annuity product, either directly or indirectly, including the provision of
37.12 advice through publications or writings or by issuing or promulgating analyses or reports
37.13 related to a life insurance or annuity product.

37.14 (b) The prohibited use of senior-specific certifications or professional designations
37.15 includes, but is not limited to, the following:

37.16 (1) use of a certification or professional designation by an insurance producer who
37.17 has not actually earned or is otherwise ineligible to use such certification or designation;

37.18 (2) use of a nonexistent or self-conferred certification or professional designation;

37.19 (3) use of a certification or professional designation that indicates or implies a level
37.20 of occupational qualifications obtained through education, training, or experience that the
37.21 insurance producer using the certification or designation does not have; and

37.22 (4) use of a certification or professional designation that was obtained from a
37.23 certifying or designating organization that:

37.24 (i) is primarily engaged in the business of instruction in sales or marketing;

37.25 (ii) does not have reasonable standards or procedures for ensuring the competency of
37.26 its certifiants or designees;

37.27 (iii) does not have reasonable standards or procedures for monitoring and
37.28 disciplining its certifiants or designees for improper or unethical conduct; or

37.29 (iv) does not have reasonable continuing education requirements for its certifiants
37.30 or designees in order to maintain the certificate or designation.

37.31 (c) There is a rebuttable presumption that a certifying or designating organization is
37.32 not disqualified solely for the purposes of paragraph (b), clause (4), when the certification
37.33 or designation issued from the organization does not primarily apply to sales or marketing
37.34 and when the organization or the certification or designation in question has been
37.35 accredited by:

37.36 (1) the American National Standards Institute (ANSI);

38.1 (2) the National Commission for Certifying Agencies; or

38.2 (3) any organization that is on the United States Department of Education list
 38.3 entitled "Accrediting Agencies Recognized for Title IV Purposes."

38.4 (d) In determining whether a combination of words or an acronym standing for a
 38.5 combination of words constitutes a certification or professional designation indicating or
 38.6 implying that a person has special certification or training in advising or servicing seniors,
 38.7 factors to be considered must include:

38.8 (1) use of one or more words such as "senior," "retirement," "elder," or like words
 38.9 combined with one or more words such as "certified," "registered," "chartered," "adviser,"
 38.10 "specialist," "consultant," "planner," or like words, in the name of the certification or
 38.11 professional designation; and

38.12 (2) the manner in which those words are combined.

38.13 (e) For purposes of this section, a job title within an organization that is licensed or
 38.14 registered by a state or federal financial services regulatory agency is not a certification or
 38.15 professional designation, unless it is used in a manner that would confuse or mislead a
 38.16 reasonable consumer, when the job title:

38.17 (1) indicates seniority or standing within the organization; or

38.18 (2) specifies an individual's area of specialization within the organization.

38.19 (f) For purposes of paragraph (e), "financial services regulatory agency" includes,
 38.20 but is not limited to, an agency that regulates insurers, insurance producers, broker-dealers,
 38.21 investment advisers, or investment companies as defined under the Investment Company
 38.22 Act of 1940.

38.23 Sec. 45. Minnesota Statutes 2008, section 79A.04, subdivision 1, is amended to read:

38.24 Subdivision 1. **Annual securing of liability.** Each year every private self-insuring
 38.25 employer shall secure incurred liabilities for the payment of compensation and the
 38.26 performance of its obligations and the obligations of all self-insuring employers imposed
 38.27 under chapter 176 by renewing the prior year's security deposit or by making a new
 38.28 deposit of security. If a new deposit is made, it must be posted ~~within 60 days of the filing~~
 38.29 ~~of the self-insured employer's annual report with the commissioner, but in no event later~~
 38.30 ~~than July 1~~ in the following manner: within 60 days of the filing of the annual report, the
 38.31 security posting for all prior years plus one-third of the posting for the current year; by
 38.32 July 31, one-third of the posting for the current year; by October 31, the final one-third of
 38.33 the posting for the current year.

39.1 Sec. 46. Minnesota Statutes 2008, section 79A.04, is amended by adding a subdivision
39.2 to read:

39.3 Subd. 2a. **Exceptions.** Notwithstanding the requirements of subdivisions 1
39.4 and 2, the commissioner may, until the next annual securing of liability, adjust this
39.5 required security deposit for the portion attributable to the current year only, if, in the
39.6 commissioner's judgment, the self-insurer will be able to meet its obligations under this
39.7 chapter until the next annual securing of liability.

39.8 Sec. 47. Minnesota Statutes 2008, section 79A.06, is amended by adding a subdivision
39.9 to read:

39.10 Subd. 7. **Insolvency of a self-insurance group insurer.** In the event of the
39.11 insolvency of the insurer of a self-insurance group issued a policy under section 79A.06,
39.12 subdivision 5, including a policy covering only a portion of the period of self-insurance,
39.13 eligibility for chapter 60C coverage under the policy shall be determined by applying the
39.14 requirements of section 60C.09, subdivision 2, clause (3), to each self-insurance group
39.15 member, rather than to the net worth of the self-insurance group entity or the aggregate net
39.16 worth of all members of the self-insurance group entity.

39.17 Sec. 48. Minnesota Statutes 2008, section 79A.24, subdivision 1, is amended to read:

39.18 Subdivision 1. **Annual securing of liability.** Each year every commercial
39.19 self-insurance group shall secure its estimated future liability for the payment of
39.20 compensation and the performance of the obligations of its membership imposed under
39.21 chapter 176. A new deposit must be posted ~~within 30 days of the filing of the commercial~~
39.22 ~~self-insurance group's annual actuarial report with the commissioner~~ in the following
39.23 manner: within 30 days of the filing of the annual report, the security posting for all prior
39.24 years plus one-third of the posting for the current year; by July 31, one-third of the posting
39.25 for the current year; by October 31, the final one-third of the posting for the current year.

39.26 Sec. 49. Minnesota Statutes 2008, section 79A.24, is amended by adding a subdivision
39.27 to read:

39.28 Subd. 2a. **Exceptions.** Notwithstanding the requirements of subdivisions 1
39.29 and 2, the commissioner may, until the next annual securing of liability, adjust this
39.30 required security deposit for the portion attributable to the current year only, if, in the
39.31 commissioner's judgment, the self-insurer will be able to meet its obligations under this

40.1 Sec. 50. [80A.91] AGENT ERRORS AND OMISSIONS INSURANCE; CHOICE
40.2 OF SOURCE.

40.3 A broker-dealer shall not require an agent to maintain insurance coverage for the
40.4 agent's errors and omissions from a specific insurance company. This section does not
40.5 apply if the agent is an employee or an agent exclusively for that broker-dealer, or if the
40.6 broker-dealer or affiliated insurance company contributes to the premiums for the errors
40.7 and omissions coverage.

40.8 Sec. 51. Minnesota Statutes 2008, section 82.31, subdivision 4, is amended to read:

40.9 Subd. 4. **Corporate and partnership licenses.** (a) A corporation applying for
40.10 a license shall have at least one officer individually licensed to act as broker for the
40.11 corporation. The corporation broker's license shall extend no authority to act as broker
40.12 to any person other than the corporate entity. Each officer who intends to act as a broker
40.13 shall obtain a license.

40.14 (b) A partnership applying for a license shall have at least one partner individually
40.15 licensed to act as broker for the partnership. Each partner who intends to act as a broker
40.16 shall obtain a license.

40.17 (c) Applications for a license made by a corporation shall be verified by the president
40.18 and one other officer. Applications made by a partnership shall be verified by at least
40.19 two partners.

40.20 (d) Any partner or officer who ceases to act as broker for a partnership or corporation
40.21 shall notify the commissioner upon said termination. The individual licenses of all
40.22 salespersons acting on behalf of a corporation or partnership, are automatically ineffective
40.23 upon the revocation or suspension of the license of the partnership or corporation.
40.24 The commissioner may suspend or revoke the license of an officer or partner without
40.25 suspending or revoking the license of the corporation or partnership.

40.26 (e) The application of all officers of a corporation or partners in a partnership who
40.27 intend to act as a broker on behalf of a corporation or partnership shall accompany the
40.28 initial license application of the corporation or partnership. Officers or partners intending
40.29 to act as brokers subsequent to the licensing of the corporation or partnership shall procure
40.30 an individual real estate broker's license prior to acting in the capacity of a broker. No
40.31 corporate officer, or partner, who maintains a salesperson's license may exercise any
40.32 authority over any trust account administered by the broker nor may they be vested with
40.33 any supervisory authority over the broker.

40.34 (f) The corporation or partnership applicant shall make available upon request, such
40.35 records and data required by the commissioner for enforcement of this chapter.

41.1 (g) The commissioner may require further information, as the commissioner deems
41.2 appropriate, to administer the provisions and further the purposes of this chapter.

41.3 Sec. 52. **[82B.071] RECORDS.**

41.4 Subdivision 1. Examination of records. The commissioner may make examinations
41.5 within or without this state of each real estate appraiser's records at such reasonable time
41.6 and in such scope as is necessary to enforce the provisions of this chapter.

41.7 Subd. 2. Retention. Licensees shall keep a separate work file for each appraisal
41.8 assignment, which is to include copies of all contracts engaging his or her services for
41.9 the real estate appraisal, appraisal reports, and all data, information, and documentation
41.10 assembled and formulated by the appraiser to support the appraiser's opinions and
41.11 conclusions and to show compliance with USPAP, for a period of five years after
41.12 preparation, or at least two years after final disposition of any judicial proceedings in
41.13 which the appraiser provided testimony or was the subject of litigation related to the
41.14 assignment, whichever period expires last. Appropriate work file access and retrieval
41.15 arrangements must be made between any trainee and supervising appraiser if only one
41.16 party maintains custody of the work file.

41.17 Sec. 53. Minnesota Statutes 2008, section 82B.08, is amended by adding a subdivision
41.18 to read:

41.26 and certified general real property appraiser who intends to act in the capacity of a
41.27 supervisory appraiser must identify the name and address of the trainee real property
41.28 appraiser or appraisers they intend to supervise. A certified residential real property
41.29 appraiser and certified general real property appraiser licensed and acting in the capacity
41.30 of a supervisory appraiser prior to the effective date of this provision must, at the time of
41.31 license renewal, identify the name and address of any trainee real property appraiser or
41.32 appraisers under their supervision.

41.33 Sec. 54. **[82B.093] TRAINEE REAL PROPERTY APPRAISER.**

42.1 (a) A trainee real property appraiser shall be subject to direct supervision by a
42.2 certified residential real property appraiser or certified general real property appraiser in
42.3 good standing.

42.4 (b) A trainee real property appraiser is permitted to have more than one supervising
42.5 appraiser.

42.6 (c) The scope of practice for the trainee real property appraiser classification is the
42.7 appraisal of those properties which the supervising appraiser is permitted by his or her
42.8 current credential and that the supervising appraiser is qualified and competent to appraise.

42.9 (d) A trainee real property appraiser must have a supervisor signature on each
42.10 appraisal that he or she signs, or must be named in the appraisal as providing significant
42.11 real property appraisal assistance to receive credit for experience hours on his or her
42.12 experience log.

42.13 (e) The trainee real property appraiser must maintain copies of appraisal reports he
42.14 or she signed or copies of appraisal reports where he or she was named as providing
42.15 significant real property appraisal assistance.

42.17 appraisal reports he or she signed.

42.18 (g) Separate appraisal logs must be maintained for each supervising appraiser.

42.19 **Sec. 55. [82B.094] SUPERVISION OF TRAINEE REAL PROPERTY**
42.20 **APPRAISERS.**

42.21 (a) A certified residential real property appraiser or a certified general real property
42.22 appraiser, in good standing, may engage a trainee real property appraiser to assist in the
42.23 performance of real estate appraisals, provided that the certified residential real property
42.24 appraiser or a certified general real property appraiser:

42.25 (1) has not been the subject of any license or certificate suspension or revocation or
42.26 has not been prohibited from supervising activities in this state or any other state within
42.27 the previous two years;

42.28 (2) has no more than three trainee real property appraisers working under supervision
42.29 at any one time;

42.32 and properly reported, application of appraisal principles and methodologies has been
42.33 properly applied, that the analysis is sound and adequately reported, and that any analyses,
42.34 opinions, or conclusions are adequately developed and reported so that the appraisal
42.35 report is not misleading;

43.1 (4) discusses with the trainee real property appraiser any necessary and appropriate
43.2 changes that are made to a report, involving any trainee appraiser, before it is transmitted
43.3 to the client. Changes not discussed with the trainee real property appraiser that are made
43.4 by the supervising appraiser must be provided in writing to the trainee real property
43.5 appraiser upon completion of the appraisal report;

43.6 (5) accompanies the trainee real property appraiser on the inspections of the subject
43.7 properties and drive-by inspections of the comparable sales on all appraisal assignments
43.8 for which the trainee will perform work until the trainee appraiser is determined to be
43.9 competent, in accordance with the competency rule of USPAP for the property type;

43.10 (6) accepts full responsibility for the appraisal report by signing and certifying
43.11 that the report complies with USPAP; and

43.12 (7) reviews and signs the trainee real property appraiser's appraisal report or reports
43.13 or if the trainee appraiser is not signing the report, states in the appraisal the name of the
43.14 trainee and scope of the trainee's significant contribution to the report.

43.15 (b) The supervising appraiser must review and sign the applicable experience log
43.16 required to be kept by the trainee real property appraiser.

43.17 (c) The supervising appraiser must notify the commissioner within ten days when
43.18 the supervision of a trainee real property appraiser has terminated or when the trainee
43.19 appraiser is no longer under the supervision of the supervising appraiser.

43.20 (d) The supervising appraiser must maintain a separate work file for each appraisal
43.21 assignment.

43.22 (e) The supervising appraiser must verify that any trainee real property appraiser that
43.23 is subject to supervision is properly licensed and in good standing with the commissioner.

43.24 Sec. 56. Minnesota Statutes 2008, section 82B.20, subdivision 2, is amended to read:

43.25 Subd. 2. **Conduct prohibited.** No person may:

43.26 (1) obtain or try to obtain a license under this chapter by knowingly making a
43.27 false statement, submitting false information, refusing to provide complete information
43.28 in response to a question in an application for license, or through any form of fraud or
43.29 misrepresentation;

43.30 (2) fail to meet the minimum qualifications established by this chapter;

43.31 (3) be convicted, including a conviction based upon a plea of guilty or nolo

43.33 duties of a person developing real estate appraisals and communicating real estate
43.34 appraisals to others;

- 44.1 (4) engage in an act or omission involving dishonesty, fraud, or misrepresentation
44.2 with the intent to substantially benefit the license holder or another person or with the
44.3 intent to substantially injure another person;
- 44.4 (5) engage in a violation of any of the standards for the development or
44.5 communication of real estate appraisals as provided in this chapter;
- 44.6 (6) fail or refuse without good cause to exercise reasonable diligence in developing
44.7 an appraisal, preparing an appraisal report, or communicating an appraisal;
- 44.8 (7) engage in negligence or incompetence in developing an appraisal, in preparing
44.9 an appraisal report, or in communicating an appraisal;
- 44.10 (8) willfully disregard or violate any of the provisions of this chapter or the rules of
44.11 the commissioner for the administration and enforcement of the provisions of this chapter;
- 44.12 (9) accept an appraisal assignment when the employment itself is contingent upon
44.13 the appraiser reporting a predetermined estimate, analysis, or opinion, or where the fee
44.14 to be paid is contingent upon the opinion, conclusion, or valuation reached, or upon the
44.15 consequences resulting from the appraisal assignment;

44.22 to transactions among persons licensed under this chapter if the transactions involve
44.23 appraisals for which the license is required;

44.25 as a real estate appraiser on the appraiser's behalf;

44.35 regulated by the commissioner may improperly influence or attempt to improperly
44.36 influence the development, reporting, result, or review of a real estate appraisal. Prohibited

45.1 acts include blacklisting, boycotting, intimidation, coercion, and any other means that
 45.2 impairs or may impair the independent judgment of the appraiser, including but not
 45.3 limited to the withholding or threatened withholding of payment for an appraisal fee, or
 45.4 the conditioning of the payment of any appraisal fee upon the opinion, conclusion, or
 45.5 valuation to be reached, or a request that the appraiser report a predetermined opinion,
 45.6 conclusion, or valuation, or the desired valuation of any person, or withholding or
 45.7 threatening to withhold future work in order to obtain a desired value on a current or
 45.8 proposed appraisal assignment.

45.9 Sec. 57. Minnesota Statutes 2008, section 319B.02, is amended by adding a
 45.10 subdivision to read:

45.11 Subd. 21a. **Surviving spouse.** "Surviving spouse" means a surviving spouse of a
 45.12 deceased professional as an individual, as the personal representative of the estate of the
 45.13 decedent, as the trustee of an inter vivos or testamentary trust created by the decedent, or
 45.14 as the sole heir or beneficiary of an estate or trust of which the personal representative or
 45.15 trustee is a bank or other institution that has trust powers.

45.16 **EFFECTIVE DATE.** This section is effective the day following final enactment
 45.17 and applies to surviving spouses of professionals who die on or after that date.

45.18 Sec. 58. Minnesota Statutes 2008, section 319B.07, subdivision 1, is amended to read:

45.19 Subdivision 1. **Ownership of interests restricted.** Ownership interests in a
 45.20 professional firm may not be owned or held, either directly or indirectly, except by any of
 45.21 the following:

45.22 (1) professionals who, with respect to at least one category of the pertinent
 45.23 professional services, are licensed and not disqualified;

45.24 (2) general partnerships, other than limited liability partnerships, authorized to
 45.25 furnish at least one category of the professional firm's pertinent professional services;

45.26 (3) other professional firms authorized to furnish at least one category of the
 45.27 professional firm's pertinent professional services;

45.28 (4) a voting trust established with respect to some or all of the ownership interests
 45.29 in the professional firm, if (i) the professional firm's generally applicable governing law
 45.30 permits the establishment of voting trusts, and (ii) all the voting trustees and all the holders
 45.31 of beneficial interests in the trust are professionals licensed to furnish at least one category
 45.32 of the pertinent professional services; ~~and~~

45.33 (5) an employee stock ownership plan as defined in section 4975(e)(7) of the
 45.34 Internal Revenue Code of 1986, as amended, if (i) all the voting trustees of the plan are

46.1 professionals licensed to furnish at least one category of the pertinent professional services,
46.2 and (ii) the ownership interests are not directly issued to anyone other than professionals
46.3 licensed to furnish at least one category of the pertinent professional services; and

46.4 (6) sole ownership by a surviving spouse of a deceased professional who was the
46.5 sole owner of the professional firm at the time of the professional's death, but only during
46.6 the period of time ending one year after the death of the professional.

46.7 **EFFECTIVE DATE.** This section is effective the day following final enactment
46.8 and applies to surviving spouses of professionals who die on or after that date.

46.9 Sec. 59. Minnesota Statutes 2008, section 319B.08, is amended to read:

46.10 **319B.08 EFFECT OF DEATH OR DISQUALIFICATION OF OWNER.**

46.11 Subdivision 1. **Acquisition of interests or automatic loss of professional**
46.12 **firm status.** (a) If an owner dies or becomes disqualified to practice all the pertinent
46.13 professional services, then either:

46.14 (1) within 90 days after the death or the beginning of the disqualification, all of
46.15 that owner's ownership interest must be acquired by the professional firm, by persons
46.16 permitted by section 319B.07 to own the ownership interest, or by some combination; or

46.17 (2) at the end of the 90-day period, the firm's election under section 319B.03,
46.18 subdivision 2, or 319B.04, subdivision 2, is automatically rescinded, the firm loses
46.19 its status as a professional firm, and the authority created by that election and status
46.20 terminates.

46.21 An acquisition satisfies clause (1) if all right and title to the deceased or disqualified
46.22 owner's interest are acquired before the end of the 90-day period, even if some or all of
46.23 the consideration is paid after the end of the 90-day period. However, payment cannot be
46.24 secured in any way that violates sections 319B.01 to 319B.12.

46.25 (b) If automatic rescission does occur under paragraph (a), the firm must immediately
46.26 and accordingly update its organizational document, certificate of authority, or statement
46.27 of foreign qualification. Even without that updating, however, the rescission, loss of
46.28 status, and termination of authority provided by paragraph (a) occur automatically at the
46.29 end of the 90-day period.

46.30 Subd. 2. **Terms of acquisition.** (a) If:

46.31 (1) an owner dies or becomes disqualified to practice all the pertinent professional
46.32 services;

46.33 (2) the professional firm has in effect a mechanism, valid according to the
46.34 professional firm's generally applicable governing law, to effect a purchase of the deceased

47.1 or disqualified owner's ownership interest so as to satisfy subdivision 1, paragraph (a),
47.2 clause (1); and

47.3 (3) the professional firm does not agree with the disqualified owner or the
47.4 representative of the deceased owner to set aside the mechanism,
47.5 then that mechanism applies.

47.6 (b) If:

47.7 (1) an owner dies or becomes disqualified to practice all the pertinent professional
47.8 services;

47.9 (2) the professional firm has in effect no mechanism as described in paragraph (a), or
47.10 has agreed as mentioned in paragraph (a), clause (3), to set aside that mechanism; and

47.11 (3) consistent with its generally applicable governing law, the professional firm
47.12 agrees with the disqualified owner or the representative of the deceased owner, before
47.13 the end of the 90-day period, to an arrangement to effect a purchase of the deceased
47.14 or disqualified owner's ownership interest so as to satisfy subdivision 1, paragraph (a),
47.15 clause (1),

47.16 then that arrangement applies.

47.17 (c) If:

47.18 (1) an owner of a Minnesota professional firm dies or becomes disqualified to
47.19 practice all the pertinent professional services;

47.20 (2) the Minnesota professional firm does not have in effect a mechanism as described
47.21 in paragraph (a);

47.22 (3) the Minnesota professional firm does not make an arrangement as described in
47.23 paragraph (b); and

47.24 (4) no provision or tenet of the Minnesota professional firm's generally applicable
47.25 governing law and no provision of any document or agreement authorized by the
47.26 Minnesota professional firm's generally applicable governing law expressly precludes an
47.27 acquisition under this paragraph,

47.28 then the firm may acquire the deceased or disqualified owner's ownership interest as
47.29 stated in this paragraph. To act under this paragraph, the Minnesota professional firm
47.30 must within 90 days after the death or beginning of the disqualification tender to the
47.31 representative of the deceased owner's estate or to the disqualified owner the fair value
47.32 of the owner's ownership interest, as determined by the Minnesota professional firm's
47.33 governance authority. That price must be at least the book value, as determined in
47.34 accordance with the Minnesota professional firm's regular method of accounting, as of the
47.35 end of the month immediately preceding the death or loss of license. The tender must be

48.1 unconditional and may not attempt to have the recipient waive any rights provided in this
48.2 section. If the Minnesota professional firm tenders a price under this paragraph within
48.3 the 90-day period, the deceased or disqualified owner's ownership interest immediately
48.4 transfers to the Minnesota professional firm regardless of any dispute as to the fairness
48.5 of the price. A disqualified owner or representative of the deceased owner's estate who
48.6 disputes the fairness of the tendered price may take the tendered price and bring suit
48.7 in district court seeking additional payment. The suit must be commenced within one
48.8 year after the payment is tendered. A Minnesota professional firm may agree with a
48.9 disqualified owner or the representative of a deceased owner's estate to delay all or part
48.10 of the payment due under this paragraph, but all right and title to the owner's ownership
48.11 interests must be acquired before the end of the 90-day period and payment may not be
48.12 secured in any way that violates sections 319B.01 to 319B.12.

48.13 **Subd. 3. Expiration of firm-issued option on death or disqualification of holder.**
48.14 If the holder of an option issued under section 319B.07, subdivision 3, paragraph (a),
48.15 clause (1), dies or becomes disqualified, the option automatically expires.

48.16 Subd. 4. One-year period for surviving spouse of sole owner. For purposes
48.17 of this section, each mention of "90 days," "90-day period," or similar term shall be
48.18 interpreted as one year after the death of a professional who was the sole owner of the
48.19 professional firm if the surviving spouse of the deceased professional owns and controls
48.20 the firm after the death.

48.21 **EFFECTIVE DATE.** This section is effective the day following final enactment
48.22 and applies to surviving spouses of professionals who die on or after that date.

48.23 Sec. 60. Minnesota Statutes 2008, section 319B.09, subdivision 1, is amended to read:

48.24 Subdivision 1. **Governance authority.** (a) Except as stated in paragraph (b), a
48.25 professional firm's governance authority must rest with:

48.26 (1) one or more professionals, each of whom is licensed to furnish at least one
48.27 category of the pertinent professional services; or

48.28 (2) a surviving spouse of a deceased professional who was the sole owner of the
48.29 professional firm, while the surviving spouse owns and controls the firm, but only during
48.30 the period of time ending one year after the death of the professional.

48.31 (b) In a Minnesota professional firm organized under chapter 317A and in a foreign
48.32 professional firm organized under the nonprofit corporation statute of another state, at least
48.33 one individual possessing governance authority must be a professional licensed to furnish
48.34 at least one category of the pertinent professional services.

49.1 (c) Individuals who possess governance authority within a professional firm may
49.2 delegate administrative and operational matters to others. No decision entailing the
49.3 exercise of professional judgment may be delegated or assigned to anyone who is not a
49.4 professional licensed to practice the professional services involved in the decision.

49.5 (d) An individual whose license to practice any pertinent professional services is
49.6 revoked or suspended may not, during the time the revocation or suspension is in effect,
49.7 possess or exercise governance authority, hold a position with governance authority,
49.8 or take part in any decision or other action constituting an exercise of governance
49.9 authority. Nothing in this chapter prevents a board from further terminating, restricting,
49.10 limiting, qualifying, or imposing conditions on an individual's governance role as board
49.11 disciplinary action.

49.12 (e) A professional firm owned and controlled by a surviving spouse must comply
49.13 with all requirements of this chapter, except those clearly inapplicable to a firm owned
49.14 and governed by a surviving spouse who is not a professional of the same type as the
49.15 surviving spouse's decedent.

49.16 **EFFECTIVE DATE.** This section is effective the day following final enactment
49.17 and applies to surviving spouses of professionals who die on or after that date.

49.18 Sec. 61. Minnesota Statutes 2008, section 325E.27, is amended to read:

49.19 **325E.27 USE OF PRERECORDED OR SYNTHESIZED VOICE MESSAGES.**

49.20 A caller shall not use or connect to a telephone line an automatic dialing-announcing
49.21 device unless: (1) the subscriber has knowingly or voluntarily requested, consented
49.22 to, permitted, or authorized receipt of the message; or (2) the message is immediately
49.23 preceded by a live operator who obtains the subscriber's consent before the message is
49.24 delivered. This section and section 325E.30 do not apply to (1) messages from school
49.25 districts to students, parents, or employees, (2) messages to subscribers with whom the
49.26 caller has a current business or personal relationship, or (3) messages advising employees
49.27 of work schedules. This section does not apply to messages from a nonprofit tax-exempt
49.28 charitable organization sent solely for the purpose of soliciting voluntary donations of
49.29 clothing to benefit disabled United States military veterans and containing no request for
49.30 monetary donations or other solicitations of any kind.

49.31 Sec. 62. **[325E.3161] TELEPHONE SOLICITATIONS; EXPIRATION**
49.32 **PROVISION.**

49.33 Sections 325E.311 to 325E.316 expire December 31, 2012.

50.1 Sec. 63. Minnesota Statutes 2008, section 332A.02, subdivision 13, as amended by
50.2 Laws 2009, chapter 37, article 4, section 12, is amended to read:

50.3 Subd. 13. **Debt settlement services provider.** "Debt settlement services provider"
50.4 has the meaning given in section 332B.02, subdivision ~~11~~ 13.

50.5 Sec. 64. Minnesota Statutes 2008, section 332A.14, as amended by Laws 2009, chapter
50.6 37, article 4, section 17, is amended to read:

50.7 **332A.14 PROHIBITIONS.**

50.8 No debt management services provider shall:

50.9 (1) purchase from a creditor any obligation of a debtor;

50.10 (2) use, threaten to use, seek to have used, or seek to have threatened the use of any
50.11 legal process, including but not limited to garnishment and repossession of personal
50.12 property, against any debtor while the debt management services agreement between the
50.13 registrant and the debtor remains executory;

53.16 unless the person first has:

53.17 (1) informed the debtor, in writing, that debt settlement is not appropriate for all

54.3 (b) A debt settlement services provider has a defense against a claim that no

54.13 or nonparticipation of all the creditors listed for inclusion in the debt settlement services
54.14 agreement or debt settlement services plan. If not all creditors listed in the debt settlement
54.15 services agreement are reasonably likely to participate in the debt settlement services plan,

54.23 provided, both orally and in writing, on a single sheet of paper, separate from any other
54.24 document or writing, the following verbatim notice:

54.25 **CAUTION**

54.26 We CANNOT GUARANTEE that you will successfully reduce or eliminate your
54.27 debt.

- 54.30 • YOUR WAGES OR BANK ACCOUNT MAY STILL BE GARNISHED.
- 54.31 • YOU MAY STILL BE CONTACTED BY CREDITORS.
- 54.32 • YOU MAY STILL BE SUED BY CREDITORS for the money you owe.
- 54.33 • FEES, INTEREST, AND OTHER CHARGES WILL CONTINUE TO MOUNT
- 54.34 UP DURING THE (INSERT NUMBER) MONTHS THIS PLAN IS IN EFFECT.

54.35 Even if we do settle your debt, YOU MAY STILL HAVE TO PAY TAXES on
54.36 the amount forgiven.

55.1 Your credit rating may be adversely affected.

55.2 (c) The heading, "CAUTION," must be in bold, underlined, 28-point type, and the
55.3 remaining text must be in 14-point type, with a double space between each statement.

55.4 (d) The disclosures and notices required under this subdivision must be provided
55.5 in the debtor's primary language if the debt settlement services provider advertises in
55.6 that language.

55.7 Subd. 5. **Required terms.** (a) Each debt settlement services agreement must contain
55.8 on the front page of the agreement, segregated by bold lines from all other information
55.9 on the page and disclosed prominently and clearly in bold print, the total amount and an
55.10 itemization of fees, including any origination fees, monthly fees, and settlement fees
55.11 reasonably anticipated to be paid by the debtor over the term of the agreement.

55.12 (b) Each debt settlement services agreement must also contain the following:

55.14 the contract as set forth in section 332B.07;

55.15 (2) a detailed description of all services to be performed by the debt settlement
55.16 services provider for the debtor;

55.17 (3) the debt settlement services provider's refund policy;

55.19 not be a post office box, and the name and address of its agent in this state authorized to
55.20 receive service of process; and

55.21 (5) the name of each creditor the debtor has listed and the aggregate debt owed to
55.22 each creditor that will be the subject of settlement.

55.26 **agreements.** (a) Separate and additional debt settlement services agreements that comply
55.27 with this chapter may be entered into by the debt settlement services provider and the
55.28 debtor, provided that no additional origination fee may be charged by the debt settlement
55.29 services provider.

55.30 (b) Any modification of an existing debt settlement services agreement, including
55.31 any increase in the number or amount of debts included in the debt settlement services
55.32 agreement, must be in writing and signed by both parties. No fee may be charged to
55.33 modify an existing agreement.

55.34 Subd. 8. **Funds held in trust.** Debtor funds may be held in trust for the purpose
55.35 of writing exchange checks for no longer than 42 days. If the registrant holds debtor
55.36 funds, the registrant must maintain a separate trust account, except that the registrant may

56.1 commingle debtor funds with the registrant's own funds, in the form of an imprest fund,
 56.2 to the extent necessary to ensure maintenance of a minimum balance, if the financial
 56.3 institution at which the trust account is held requires a minimum balance to avoid the
 56.4 assessment of fees or penalties for failure to maintain a minimum balance.

56.5 Sec. 70. Laws 2009, chapter 37, article 4, section 26, subdivision 2, is amended to read:

56.6 Subd. 2. **Fees as a percentage of debt.** (a) The total amount of the fees claimed,
 56.7 demanded, charged, collected, or received under this subdivision shall be calculated as
 56.8 15 percent of the aggregate debt. A debt settlement services provider that calculates
 56.9 fees as a percentage of debt may:

 56.18 demanded and collected no earlier than upon delivery to the debt settlement services
 56.19 provider by a creditor of a bona fide written settlement offer consistent with the terms of
 56.20 the debt settlement services agreement. A settlement fee may be assessed for each debt
 56.21 settled, but the sum total of the origination fee, the monthly fee, and the settlement fee
 56.22 may not exceed 15 percent of the aggregate debt.

56.23 (b) ~~When a settlement offer is obtained by a debt settlement services provider from a~~
 56.24 ~~creditor, the collection of any monthly fees shall cease beginning the month following~~
 56.25 ~~the month in which the settlement offer was obtained by the debt settlement services~~
 56.26 ~~provider~~ The collection of monthly fees shall cease under this subdivision when the total

56.29 (c) In no event may more than 40 percent of the total amount of fees allowable be
 56.30 claimed, demanded, charged, collected, or received by a debt settlement services provider
 56.31 any earlier than upon delivery to the debt settlement services provider by a creditor of
 56.32 a bona fide written settlement offer consistent with the terms of the debt settlement
 56.33 services agreement.

Any person may request in writing that the commissioner add or remove coverage from the current list at the next publication of the list. The dollar amounts stated in subdivision 4 are based upon the value of the index for the fourth quarter of 1992, which is the reference base index for purposes of this subdivision. The dollar amounts in subdivision 4 shall change on October 1 of each year after 1993 based upon the percentage difference between the index for the fourth quarter of the preceding year and the reference base index, calculated to the nearest whole percentage point. The commissioner shall announce and publish, on or before April 30 of each year, the changes in the dollar amounts required by this subdivision to take effect on October 1 of that year. The commissioner shall use the most recent revision of the relevant gross domestic product implicit price deflators available as of April 1. If the United States Department of Commerce changes the base year for the gross domestic product implicit price deflator, the commissioner shall make the calculations necessary to convert from the old to the new base year. Changes must be in increments of \$10,000. No adjustment may be made until the change in the index results in at least a \$10,000 increase.
