Sec. 2. Minnesota Statutes 2008, section 119A.52, is amended to read:

119A.52 DISTRIBUTION OF APPROPRIATION.

(a) The commissioner of education must distribute money appropriated for that purpose to federally designated Head Start programs to expand services and to serve additional low-income children. Migrant and Indian reservation programs must be initially allocated money based on the programs' share of federal funds. The remaining money must be initially allocated to the remaining local agencies based equally on the agencies' share of federal funds and on the proportion of eligible children in the agencies' service area who are not currently being served. A Head Start program must be funded at a per child rate equal to its contracted, federally funded base level at the start of the fiscal year. For all agencies without a federal Early Head Start rate, the state average federal cost per child for Early Head Start applies. In allocating funds under this paragraph, the commissioner of education must assure that each Head Start program in existence in 1993 is allocated no less funding in any fiscal year than was allocated to that program in fiscal year 1993. Before paying money to the programs, the commissioner must notify each program of its initial allocation; and how the money must be used; ~~and the number of low-income children to be served with the allocation based upon the federally funded per child rate.~~ Each program must present a plan under section 119A.535. For any program that cannot utilize its full allocation at the beginning of the fiscal year, the commissioner must reduce the allocation proportionately. Money available after the initial allocations are reduced must be redistributed to eligible programs.

(b) The commissioner must develop procedures to make payments to programs based upon the number of children reported to be enrolled during the required time period of program operations. Enrollment is defined by federal Head Start regulations. The procedures must include a reporting schedule, corrective action plan requirements, and financial consequences to be imposed on programs that do not meet full enrollment after the period of corrective action. Programs reporting chronic underenrollment, as defined by the commissioner, will have their subsequent program year allocation reduced proportionately. Funds made available by prorating payments and allocations to programs with reported underenrollment will be made available to the extent funds exist to fully enrolled Head Start programs through a form and manner prescribed by the department.

(c) Programs with approved innovative initiatives that target services to high-risk populations, including homeless families and families living in homeless shelters and transitional housing, are exempt from the procedures in paragraph (b). This exemption does not apply to entire programs. The exemption applies only to approved innovative initiatives that target services to high-risk populations, including homeless families and

4.1 families living in homeless shelters, transitional housing, and permanent supportive
4.2 housing.

4.3 Sec. 3. Minnesota Statutes 2008, section 124D.13, subdivision 13, is amended to read:

4.4 Subd. 13. **Plan and Program data submission requirements.** ~~(a) An early~~
4.5 ~~childhood family education program must submit a biennial plan addressing the~~
4.6 ~~requirements of subdivision 2 for approval by the commissioner. The plan must also~~
4.7 ~~describe how the program provides parenting education and ensures participation of~~
4.8 ~~families representative of the school district. A school district must submit the plan for~~
4.9 ~~approval by the commissioner in the form and manner prescribed by the commissioner.~~
4.10 ~~One-half of districts, as determined by the commissioner, must first submit a biennial plan~~
4.11 ~~by April 1, 2009, and the remaining districts must first submit a plan by April 1, 2010.~~

4.12 ~~(b)~~ Districts receiving early childhood family education revenue under section
4.13 124D.135 must submit annual program data to the department by July 15 in the form and
4.14 manner prescribed by the commissioner.

4.15 ~~(c) Beginning with levies for fiscal year 2011, a school district must submit its annual~~
4.16 ~~program data to the department before it may certify a levy under section 124D.135.~~
4.17 ~~Districts selected by the commissioner to submit a biennial plan by April 1, 2009, must~~
4.18 ~~also have an approved plan on file with the commissioner before certifying a levy under~~
4.19 ~~section 124D.135 for fiscal year 2011. Beginning with levies for fiscal year 2012, all~~
4.20 ~~districts must submit annual program data and have an approved biennial plan on file with~~
4.21 ~~the commissioner before certifying a levy under section 124D.135.~~

4.22 Sec. 4. Minnesota Statutes 2008, section 124D.135, subdivision 3, is amended to read:

4.23 Subd. 3. **Early childhood family education levy.** (a) By September 30 of each
4.24 year, the commissioner shall establish a tax rate for early childhood family education
4.25 revenue that raises \$22,135,000 in each fiscal year. If the amount of the early childhood
4.26 family education levy would exceed the early childhood family education revenue, the
4.27 early childhood family education levy must equal the early childhood family education
4.28 revenue. ~~Beginning with levies for fiscal year 2011,~~ A district may not certify an early
4.29 childhood family education levy unless it has met the annual program data reporting ~~and~~
4.30 ~~biennial plan~~ requirements under section 124D.13, subdivision 13.

4.31 (b) Notwithstanding paragraph (a), for fiscal year 2009 only, the commissioner shall
4.32 establish a tax rate for early education revenue that raises \$13,565,000.

4.33 Sec. 5. **[124D.142] QUALITY RATING AND IMPROVEMENT SYSTEM.**

(a) There is established a voluntary quality rating and improvement system to ensure that Minnesota's children have access to high-quality early learning and care programs in a range of settings so that children are fully ready for kindergarten by 2020. Creation of a standards-based voluntary quality rating and improvement system includes:

(1) establishing an early care and education framework that improves quality opportunities in order to improve the educational outcomes of children so that children are ready for school. The framework shall be based on the Minnesota quality rating system rating tool and a common set of child outcome standards and informed by evaluation results;

(2) using the framework as a tool to increase the number of publicly funded and regulated early learning and care services in both public and private market programs that are high quality. If a program or provider chooses to participate, the program or provider will be rated and may receive public supports associated with the rating. The state shall develop a plan to link future early learning and care state funding to the framework in a manner that complies with federal requirements; and

(3) using the framework to track progress toward statewide access to high-quality early learning and care programs, progress toward the number of low-income children whose parents can access quality programs, and progress toward increasing the number of children who are fully prepared to enter kindergarten.

(b) Prior to the creation of a voluntary statewide quality rating and improvement system in paragraph (a), the state shall employ the Minnesota quality rating system rating tool in use in fiscal year 2008 with its modification as a result of the evaluation results of the pilot project.

(c) The Departments of Education and Human Services must report to the legislative committees with jurisdiction over the early childhood education and child care programs by January 15, 2010, with how they will realign their existing state and federal administrative resources to implement the voluntary quality rating and improvement system. Any remaining design work required of the Departments of Education and Human Services should be completed within existing department resources currently allocated for early care and education activities. Additional implementation resources will be determined after both departments present early care and education administrative realignment plans to the legislature.

EFFECTIVE DATE. This section is effective July 1, 2009.

25.3 conditions exist:

25.4 (1) the child attends child care with the SRSA provider a minimum of 25 hours per
25.5 week, on average;

25.6 (2) the family has a child who has not yet entered kindergarten; and

25.7 (3) the family maintains eligibility under chapter 119B except section 119B.035.

25.8 (c) ~~For the 12 months~~ After initial eligibility has been determined, a decrease in the
25.9 family's authorized activities to an average of less than 35 hours per week does not result
25.10 in ineligibility for the SRSA rate. A family must continue to maintain eligibility under this
25.11 chapter and be in an authorized activity.

25.12 (d) A family that moves between counties but continues to use the same SRSA
25.13 provider shall continue to receive SRSA funding for the increased payments.

25.14 Sec. 11. Minnesota Statutes 2008, section 119B.231, subdivision 4, is amended to read:

25.15 Subd. 4. **Requirements of providers.** An SRSA must include assessment,
25.16 evaluation, and reporting requirements that promote the goals of improved school
25.17 readiness and movement toward appropriate child development milestones. A provider
25.18 who enters into an SRSA shall comply with all SRSA requirements, including the
25.19 assessment, evaluation, and reporting requirements in the SRSA. Providers who have been
25.20 selected previously for SRSAs must begin the process to obtain a rating using Parent
25.21 Aware according to timelines established by the commissioner. If the initial Parent Aware
25.22 rating is less than three stars, the provider must submit a plan to improve the rating. If
25.23 a 3 or 4 star rating is not obtained within established timelines, the commissioner may
25.24 consider continuation of the agreement, depending upon the progress made and other
25.25 factors. Providers who apply and are selected for a new SRSA agreement on or after July
25.26 1, 2009, must have a level 3 or 4 star rating under the voluntary Parent Aware quality
25.27 rating system at the time the SRSA agreement is signed.
