1.4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.5 Section 1. Minnesota Statutes 2008, section 256B.441, is amended by adding a
1.6 subdivision to read:

1.7 Subd. 59. **Critical access nursing facilities.** (a) The commissioner, in consultation
1.8 with the commissioner of health, shall designate qualifying nursing facilities as critical
1.9 access nursing facilities.

1.10 (b) A nursing facility may apply to be designated a critical access nursing facility
1.11 if it meets the following criteria:

1.12 (1) it is located more than 20 miles, defined as official mileage as reported by the
1.13 Minnesota Department of Transportation, from the nearest licensed and certified nursing
1.14 facility or hospital with swing beds;

1.15 (2) it is located in a county that would be in the lowest quartile of counties measured
1.16 in terms of the number of licensed and certified nursing facility beds per 1,000 residents
1.17 age 65 or older, if the nursing facility were to close; and

1.18 (3) it agrees to permanently delicense all beds in layaway status under section
1.19 144A.071, subdivision 4b, at the time of designation.

1.20 (c) The operating payment rates for a nursing facility designated as a critical access
1.21 nursing facility shall be the greater of:

1.22 (1) rates determined by the commissioner under this section, beginning October
1.23 1, 2009, without application of the phase-in period in subdivision 55. For purposes of

2.1 determining the operating payment rate limits in subdivision 50, the facility shall be
2.2 included in peer group 1; or

2.3 (2) operating payment rates determined by the commissioner for the rate year
2.4 beginning October 1, 2009, that are equal for a RUGs rate level with a weight of 1.00 to
2.5 the peer group 1 median operating payment rate for that RUGs level. The percentage
2.6 of operating payment rate to be case-mix adjusted shall be equal to the percentage of
2.7 allowable costs that are case-mix adjusted in the facility's most recent available and
2.8 audited annual statistical and cost report.

2.9 This paragraph applies only if it results in a rate increase.

2.10 (d) The commissioner shall request applications from eligible nursing facilities for
2.11 critical access nursing facility status designation within 60 days of enactment of this
2.12 subdivision and may request additional applications at any time.

2.13 (e) The commissioner of health shall give priority to a critical access nursing facility
2.14 for approval of nursing home moratorium exception proposals under section 144A.073.
