 23.15 applying to their taxable net income the following schedule of rates:

- 23.16 (1) on the first ~~\$25,680~~ \$33,220, 5.35 percent;
 23.17 (2) on all over ~~\$25,680~~ \$33,220, but not over ~~\$102,030~~ \$131,970, 7.05 percent;
 23.18 (3) on all over ~~\$102,030~~ \$131,970, but not over \$300,000, 7.85 percent; and
 23.19 (4) on all over \$300,000, nine percent.

23.20 Married individuals filing separate returns, estates, and trusts must compute their
 23.21 income tax by applying the above rates to their taxable income, except that the income
 23.22 brackets will be one-half of the above amounts.

23.23 (b) The income taxes imposed by this chapter upon unmarried individuals must be
 23.24 computed by applying to taxable net income the following schedule of rates:

- 23.25 (1) on the first ~~\$17,570~~ \$22,730, 5.35 percent;
 23.26 (2) on all over ~~\$17,570~~ \$22,730, but not over ~~\$57,710~~ \$74,650, 7.05 percent;
 23.27 (3) on all over ~~\$57,710~~ \$74,650, but not over \$169,700, 7.85 percent; and

 24.3 an amount determined by the commissioner must be computed in accordance with tables
 24.4 prepared and issued by the commissioner of revenue based on income brackets of not
 24.5 more than \$100. The amount of tax for each bracket shall be computed at the rates set
 24.6 forth in this subdivision, provided that the commissioner may disregard a fractional part of
 24.7 a dollar unless it amounts to 50 cents or more, in which case it may be increased to \$1.

24.8 (e) An individual who is not a Minnesota resident for the entire year must compute
 24.9 the individual's Minnesota income tax as provided in this subdivision. After the
 24.10 application of the nonrefundable credits provided in this chapter, the tax liability must
 24.11 then be multiplied by a fraction in which:

24.12 (1) the numerator is the individual's Minnesota source federal adjusted gross income

24.20 (2) the denominator is the individual's federal adjusted gross income as defined in
 24.21 section 62 of the Internal Revenue Code of 1986, increased by the amounts specified in
 24.22 section 290.01, subdivision 19a, clauses (1), (5), (6), (7), (8), (9), (12), ~~and (13), (16), and~~
 24.23 ~~(17)~~ and reduced by the amounts specified in section 290.01, subdivision 19b, clauses (1),

 24.33 rate brackets as they existed for taxable years beginning after December 31, ~~1999~~ 2008,
 24.34 and before January 1, ~~2001~~ 2010. The rate applicable to any rate bracket must not be
 24.35 changed. The dollar amounts setting forth the tax shall be adjusted to reflect the changes

25.1 in the rate brackets. The rate brackets as adjusted must be rounded to the nearest \$10
 25.2 amount. If the rate bracket ends in \$5, it must be rounded up to the nearest \$10 amount.

25.3 (b) The commissioner shall adjust the rate brackets and by the percentage determined
 25.4 pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that:

25.5 (1) in section 1(f)(2)(A) the words "increasing or decreasing" shall be substituted
 25.6 for the word "increasing";

 25.8 "exceeds"; and

25.9 (3) in section 1(f)(3)(B) the word "~~1999~~" "2008" shall be substituted for the word

 25.12 ~~2000~~ 2009, and in each subsequent year, from the 12 months ending on August 31, ~~1999~~
 25.13 2008, to the 12 months ending on August 31 of the year preceding the taxable year. The
 25.14 determination of the commissioner pursuant to this subdivision shall not be considered a
 25.15 "rule" and shall not be subject to the Administrative Procedure Act contained in chapter 14.

25.16 No later than December 15 of each year, the commissioner shall announce the
 25.17 specific percentage that will be used to adjust the tax rate brackets.

25.18 **EFFECTIVE DATE.** This section is effective for taxable years beginning after

 25.29 section is subtracted from regular tax liability.

25.30 (c) For a nonresident or part-year resident, the credit must be allocated based on the

34.32 (b) "Minnesota property" means total Minnesota tangible property as provided in
 34.33 section 290.191, subdivisions 9 to 11, any other tangible property located in Minnesota;
 34.34 ~~but does not include: (1) property located in a job opportunity building zone designated~~

 35.2 property shall not be included in Minnesota property for purposes of this section.
 35.3 Taxpayers who do not utilize tangible property to apportion income shall nevertheless
 35.4 include Minnesota property for purposes of this section. On a return for a short taxable
 35.5 year, the amount of Minnesota property owned, as determined under section 290.191,
 35.6 shall be included in Minnesota property based on a fraction in which the numerator is the
 35.7 number of days in the short taxable year and the denominator is 365.

 35.16 December 31, 2009.

35.17 Sec. 28. Minnesota Statutes 2008, section 290.0922, is amended by adding a
 35.18 subdivision to read:

35.19 **Subd. 5. Inflation adjustment.** The commissioner shall adjust the dollar amounts
 35.20 of both the fee and the property, payrolls, and sales or receipts thresholds in subdivision
 35.21 1 by the percentage determined pursuant to the provisions of section 1(f) of the Internal
 35.22 Revenue Code, except that in section 1(f)(3)(B) the word "2008" must be substituted for
 35.23 the word "1992." For 2010, the commissioner shall then determine the percent change from
 35.24 the 12 months ending on August 31, 2008, to the 12 months ending on August 31, 2009,
 35.25 and in each subsequent year, from the 12 months ending on August 31, 2008, to the 12
 35.26 months ending on August 31 of the year preceding the taxable year. The determination of
 35.27 the commissioner pursuant to this subdivision is not a "rule" subject to the Administrative
 35.28 Procedure Act contained in chapter 14. The fee amounts as adjusted must be rounded to
 35.29 the nearest \$10 and the threshold amounts must be adjusted to the nearest \$10,000. For
 35.30 fee amounts that end in \$5, the amount is rounded up to the nearest \$10 and for threshold
 35.31 amounts that end in \$5,000, the amount is rounded up to the nearest \$10,000.

35.32 **EFFECTIVE DATE.** This section is effective for taxable years beginning after
 35.33 December 31, 2009.

36.1 Sec. 29. Minnesota Statutes 2008, section 290.17, subdivision 2, is amended to read:

36.2 Subd. 2. **Income not derived from conduct of a trade or business.** The income of
36.3 a taxpayer subject to the allocation rules that is not derived from the conduct of a trade or
36.4 business must be assigned in accordance with paragraphs (a) to (f):

36.5 (a)(1) Subject to paragraphs (a)(2) and (a)(3), income from wages as defined in
36.6 section 3401(a) and (f) of the Internal Revenue Code is assigned to this state if, and to the
36.7 extent that, the work of the employee is performed within it; all other income from such
36.8 sources is treated as income from sources without this state.

36.9 Severance pay shall be considered income from labor or personal or professional
36.10 services.

36.11 (2) In the case of an individual who is a nonresident of Minnesota and who is an
36.12 athlete or entertainer, income from compensation for labor or personal services performed
36.13 within this state shall be determined in the following manner:

36.14 (i) The amount of income to be assigned to Minnesota for an individual who is a
36.15 nonresident salaried athletic team employee shall be determined by using a fraction in
36.16 which the denominator contains the total number of days in which the individual is under
36.17 a duty to perform for the employer, and the numerator is the total number of those days
36.18 spent in Minnesota. For purposes of this paragraph, off-season training activities, unless
36.19 conducted at the team's facilities as part of a team imposed program, are not included in
36.20 the total number of duty days. Bonuses earned as a result of play during the regular season
36.21 or for participation in championship, play-off, or all-star games must be allocated under
36.22 the formula. Signing bonuses are not subject to allocation under the formula if they are
36.23 not conditional on playing any games for the team, are payable separately from any other
36.24 compensation, and are nonrefundable; and

36.25 (ii) The amount of income to be assigned to Minnesota for an individual who is a
36.26 nonresident, and who is an athlete or entertainer not listed in clause (i), for that person's
36.27 athletic or entertainment performance in Minnesota shall be determined by assigning to
36.28 this state all income from performances or athletic contests in this state.

36.29 (3) For purposes of this section, amounts received by a nonresident as "retirement
36.30 income" as defined in section (b)(1) of the State Income Taxation of Pension Income
36.31 Act, Public Law 104-95, are not considered income derived from carrying on a trade
36.32 or business or from wages or other compensation for work an employee performed in
36.33 Minnesota, and are not taxable under this chapter.

36.34 (b) Income or gains from tangible property located in this state that is not employed
36.35 in the business of the recipient of the income or gains must be assigned to this state.

37.1 (c) Income or gains from intangible personal property not employed in the business
37.2 of the recipient of the income or gains must be assigned to this state if the recipient of the
37.3 income or gains is a resident of this state or is a resident trust or estate.

37.4 Gain on the sale of a partnership interest is allocable to this state in the ratio of the
37.5 original cost of partnership tangible property in this state to the original cost of partnership
37.6 tangible property everywhere, determined at the time of the sale. If more than 50 percent
37.7 of the value of the partnership's assets consists of intangibles, gain or loss from the sale
37.8 of the partnership interest is allocated to this state in accordance with the sales factor of
37.9 the partnership for its first full tax period immediately preceding the tax period of the
37.10 partnership during which the partnership interest was sold.

37.11 Gain on the sale of an interest in a single member limited liability company that
37.12 is disregarded for federal income tax purposes is allocable to this state as if the single
37.13 member limited liability company did not exist and the assets of the limited liability
37.14 company are personally owned by the sole member.

37.15 Gain on the sale of goodwill or income from a covenant not to compete that is
37.16 connected with a business operating all or partially in Minnesota is allocated to this state
37.17 to the extent that the income from the business in the year preceding the year of sale was
37.18 assignable to Minnesota under subdivision 3.

37.19 When an employer pays an employee for a covenant not to compete, the income
37.20 allocated to this state is in the ratio of the employee's service in Minnesota in the calendar
37.21 year preceding leaving the employment of the employer over the total services performed
37.22 by the employee for the employer in that year.

37.23 (d) Income from winnings on a bet made by an individual while in Minnesota is
37.24 assigned to this state. In this paragraph, "bet" has the meaning given in section 609.75,
37.25 subdivision 2, as limited by section 609.75, subdivision 3, clauses (1), (2), and (3).

37.26 (e) All items of gross income not covered in paragraphs (a) to (d) and not part of the
37.27 taxpayer's income from a trade or business shall be assigned to the taxpayer's domicile.

37.28 (f) For the purposes of this section, working as an employee shall not be considered
37.29 to be conducting a trade or business.

37.30 **EFFECTIVE DATE.** This section is effective the day following final enactment.

37.31 Sec. 30. Minnesota Statutes 2008, section 290.17, subdivision 4, is amended to read:

37.32 Subd. 4. **Unitary business principle.** (a) If a trade or business conducted wholly
37.33 within this state or partly within and partly without this state is part of a unitary business,
37.34 the entire income of the unitary business is subject to apportionment pursuant to section
37.35 290.191. Notwithstanding subdivision 2, paragraph (c), none of the income of a unitary

38.1 business is considered to be derived from any particular source and none may be allocated
38.2 to a particular place except as provided by the applicable apportionment formula. The
38.3 provisions of this subdivision do not apply to business income subject to subdivision 5,
38.4 income of an insurance company, or income of an investment company determined under
38.5 section 290.36.

38.6 (b) The term "unitary business" means business activities or operations which
38.7 result in a flow of value between them. The term may be applied within a single legal
38.8 entity or between multiple entities and without regard to whether each entity is a sole
38.9 proprietorship, a corporation, a partnership or a trust.

38.10 (c) Unity is presumed whenever there is unity of ownership, operation, and use,
38.11 evidenced by centralized management or executive force, centralized purchasing,
38.12 advertising, accounting, or other controlled interaction, but the absence of these
38.13 centralized activities will not necessarily evidence a nonunitary business. Unity is also
38.14 presumed when business activities or operations are of mutual benefit, dependent upon or
38.15 contributory to one another, either individually or as a group.

38.16 (d) Where a business operation conducted in Minnesota is owned by a business
38.17 entity that carries on business activity outside the state different in kind from that
38.18 conducted within this state, and the other business is conducted entirely outside the state, it
38.19 is presumed that the two business operations are unitary in nature, interrelated, connected,
38.20 and interdependent unless it can be shown to the contrary.

38.21 (e) Unity of ownership is not deemed to exist when a corporation is involved unless
38.22 that corporation is a member of a group of two or more business entities and more than 50
38.23 percent of the voting stock of each member of the group is directly or indirectly owned
38.24 by a common owner or by common owners, either corporate or noncorporate, or by one
38.25 or more of the member corporations of the group. For this purpose, the term "voting
38.26 stock" shall include membership interests of mutual insurance holding companies formed
38.27 under section 66A.40.

38.28 (f) The net income and apportionment factors under section 290.191 or 290.20 of
38.29 foreign corporations and other foreign entities which are part of a unitary business shall
38.30 not be included in the net income or the apportionment factors of the unitary business.
38.31 A foreign corporation or other foreign entity which is required to file a return under this
38.32 chapter shall file on a separate return basis. ~~The net income and apportionment factors~~
38.33 ~~under section 290.191 or 290.20 of foreign operating corporations shall not be included in~~
38.34 ~~the net income or the apportionment factors of the unitary business except as provided in~~
38.35 ~~paragraph (g):~~

39.1 ~~(g) The adjusted net income of a foreign operating corporation shall be deemed to~~
39.2 ~~be paid as a dividend on the last day of its taxable year to each shareholder thereof, in~~
39.3 ~~proportion to each shareholder's ownership, with which such corporation is engaged in~~
39.4 ~~a unitary business. Such deemed dividend shall be treated as a dividend under section~~
39.5 ~~290.21, subdivision 4.~~

39.6 ~~Dividends actually paid by a foreign operating corporation to a corporate shareholder~~
39.7 ~~which is a member of the same unitary business as the foreign operating corporation shall~~
39.8 ~~be eliminated from the net income of the unitary business in preparing a combined report~~
39.9 ~~for the unitary business. The adjusted net income of a foreign operating corporation~~
39.10 ~~shall be its net income adjusted as follows:~~

39.11 ~~(1) any taxes paid or accrued to a foreign country, the commonwealth of Puerto~~
39.12 ~~Rico, or a United States possession or political subdivision of any of the foregoing shall~~
39.13 ~~be a deduction; and~~

39.14 ~~(2) the subtraction from federal taxable income for payments received from foreign~~
39.15 ~~corporations or foreign operating corporations under section 290.01, subdivision 19d,~~
39.16 ~~clause (10), shall not be allowed.~~

39.17 ~~If a foreign operating corporation incurs a net loss, neither income nor deduction~~
39.18 ~~from that corporation shall be included in determining the net income of the unitary~~
39.19 ~~business.~~

39.20 ~~(h)~~ (g) For purposes of determining the net income of a unitary business and the
39.21 factors to be used in the apportionment of net income pursuant to section 290.191 or
39.22 290.20, there must be included only the income and apportionment factors of domestic
39.23 corporations or other domestic entities ~~other than foreign operating corporations~~ that are
39.24 determined to be part of the unitary business pursuant to this subdivision, notwithstanding
39.25 that foreign corporations or other foreign entities might be included in the unitary business.

39.26 ~~(i)~~ (h) Deductions for expenses, interest, or taxes otherwise allowable under
39.27 this chapter that are connected with or allocable against dividends, ~~deemed dividends~~
39.28 ~~described in paragraph (g), or royalties, fees, or other like income described in section~~
39.29 ~~290.01, subdivision 19d, clause (10), shall not be disallowed.~~

39.30 ~~(j)~~ (i) Each corporation or other entity, except a sole proprietorship, that is part of
39.31 a unitary business must file combined reports as the commissioner determines. On the
39.32 reports, all intercompany transactions between entities included pursuant to paragraph
39.33 ~~(h)~~ (g) must be eliminated and the entire net income of the unitary business determined in
39.34 accordance with this subdivision is apportioned among the entities by using each entity's
39.35 Minnesota factors for apportionment purposes in the numerators of the apportionment

40.1 formula and the total factors for apportionment purposes of all entities included pursuant
40.2 to paragraph ~~(h)~~ (g) in the denominators of the apportionment formula.

40.3 ~~(k)~~ (j) If a corporation has been divested from a unitary business and is included in a
40.4 combined report for a fractional part of the common accounting period of the combined
40.5 report:

40.6 (1) its income includable in the combined report is its income incurred for that part
40.7 of the year determined by proration or separate accounting; and

40.8 (2) its sales, property, and payroll included in the apportionment formula must
40.9 be prorated or accounted for separately.

40.10 **EFFECTIVE DATE.** This section is effective for taxable years beginning after
40.11 December 31, 2008.

40.12 Sec. 31. Minnesota Statutes 2008, section 290.191, subdivision 2, is amended to read:

40.13 Subd. 2. **Apportionment formula of general application.** ~~(a)~~ Except for those
40.14 trades or businesses required to use a different formula under subdivision 3 or section
40.15 290.36, and for those trades or businesses that receive permission to use some other
40.16 method under section 290.20 or under subdivision 4, a trade or business required to
40.17 apportion its net income must apportion its income to this state on the basis of the
40.18 ~~percentage obtained by taking the sum of:~~

40.19 ~~(1) the percent for the sales factor under paragraph (b) of the percentage which~~
40.20 ~~the sales made within this state in connection with the trade or business during the tax~~
40.21 ~~period are of the total sales wherever made in connection with the trade or business during~~
40.22 ~~the tax period;~~

40.23 ~~(2) the percent for the property factor under paragraph (b) of the percentage which~~
40.24 ~~the total tangible property used by the taxpayer in this state in connection with the trade or~~
40.25 ~~business during the tax period is of the total tangible property, wherever located, used by~~
40.26 ~~the taxpayer in connection with the trade or business during the tax period; and~~

40.27 ~~(3) the percent for the payroll factor under paragraph (b) of the percentage which~~
40.28 ~~the taxpayer's total payrolls paid or incurred in this state or paid in respect to labor~~
40.29 ~~performed in this state in connection with the trade or business during the tax period are~~
40.30 ~~of the taxpayer's total payrolls paid or incurred in connection with the trade or business~~
40.31 ~~during the tax period.~~

46.9 on gifts included in the Minnesota adjusted gross estate.

46.10 (b) The tax determined under this subdivision must not be greater than the sum of
46.11 the following amounts multiplied by a fraction, the numerator of which is the Minnesota

46.14 multiplied by the sum of:

46.15 (i) the taxable estate, as defined under section 2051 of the Internal Revenue Code;

48.24 the gift tax return for federal gift tax purposes for the donor. If any person fails to pay the
48.25 tax due within the time specified under this section, a penalty applies equal to ten percent
48.26 of the amount due and unpaid or \$100, whichever is greater. The unpaid tax and penalty
48.27 bear interest at the rate under section 270C.40 from the due date of the return.

48.28 **Subd. 2. Extensions.** The commissioner may, for good cause, extend the time for

48.33 been due without the extension.

49.1 **Subd. 3. Changes in federal gift tax.** If the amount of a taxpayer's taxable gifts
49.2 for federal gift tax purposes, as reported on the taxpayer's federal gift tax return for any
49.3 calendar year, is changed or corrected by the Internal Revenue Service or other officer
49.4 of the United States or other competent authority, the taxpayer shall report the change or
49.5 correction in federal taxable gifts within 180 days after the final determination of the
49.6 change or correction, and concede the accuracy of the determination or provide a letter
49.7 detailing how the federal determination is incorrect or does not change the Minnesota
49.8 gift tax. Any taxpayer filing an amended federal gift tax return shall also file within
49.9 180 days an amended return under this chapter and shall include any information the
49.10 commissioner requires. The time for filing the report or amended return may be extended
49.11 by the commissioner upon due cause shown. Notwithstanding any limitation of time in
49.12 this chapter, if, upon examination, the commissioner finds that the taxpayer is liable for
49.13 the payment of an additional tax, the commissioner shall, within a reasonable time from
49.14 the receipt of the report or amended return, notify the taxpayer of the amount of additional
49.15 tax, together with interest computed at the rate under section 270C.40 from the date when
49.16 the original tax was due and payable. Within 30 days of the mailing of the notice, the
49.17 taxpayer shall pay the commissioner the amount of the additional tax and interest. If, upon
49.18 examination of the report or amended return and related information, the commissioner
49.19 finds that the taxpayer has overpaid the tax due the state, the commissioner shall refund
49.20 the overpayment to the taxpayer.

49.21 **Subd. 4. Application of federal rules.** In administering the tax under this chapter,
49.22 the commissioner shall apply the provisions of sections 2701 to 2704 of the Internal

53.19 Sec. 6. **[297A.994] COUNTY LOCAL OPTION SALES TAX.**

53.20 Subdivision 1. **Authorization; rates.** Notwithstanding section 297A.99,
 53.21 subdivisions 2, 3, and 5, or 477A.016, or any other law, a county board may, by resolution,
 53.22 impose a general sales tax of one-half of one percent on sales and uses taxable under this
 53.23 chapter. In addition, an excise tax of \$20 per motor vehicle is imposed on motor vehicles,
 53.24 purchased or acquired from any person engaged within the county in the business of selling
 53.25 motor vehicles at retail if a county imposes a local sales and use tax under this section.

53.26 Subd. 2. **Application of election requirement.** (a) Imposition of the tax under this
 53.27 section is not subject to the requirements of section 297A.99, subdivision 3.

53.28 (b) Before imposing the tax under this section, the county must publish a notice of
 53.29 its intention to impose the tax and the date and time of a hearing to obtain public comment
 53.30 on the matter. The notice must be published in the official newspaper of the county, or
 53.31 in a newspaper of general circulation in the county. The notice must be published at
 53.32 least 14 days before the date of the hearing, but not more than 28 days. Following the
 53.33 public hearing the county board may determine to take no further action, or may adopt a
 53.34 resolution imposing the tax.

54.1 (c) A county may impose the tax only upon obtaining the approval of the majority
54.2 of voters voting on the question of imposing the tax, if a petition requesting a vote on
54.3 imposition of the tax is signed by voters equal to the greater of (1) 500, or (2) ten percent
54.4 of the votes cast in the county at the last general election is filed with the county auditor
54.5 within 30 days after the public hearing. The vote on the tax may be held at a general or
54.6 special election. The commissioner of revenue shall prepare a suggested form of the
54.7 question to be presented at the election.

54.8 Subd. 3. **Use of revenues.** Revenues from the tax imposed under this section
54.9 must first be used to fund obligations under section 297A.9945. Remaining revenues
54.10 are deposited in the county general fund.

54.11 Subd. 4. **Administration, collection, and enforcement.** The administration,
54.12 collection, and enforcement of the provisions in section 297A.99, subdivisions 4, and 6 to
54.13 12, apply to a tax imposed under this section.

54.14 Subd. 5. **Termination.** A county may terminate a tax imposed under this section
54.15 upon resolution of the county board and notification to the commissioner of revenue, if
54.16 all obligations under section 297A.9945 have been paid.

54.17 **EFFECTIVE DATE.** This section is effective the day following final enactment.

54.18 Sec. 7. **[297A.9945] EFFECT ON EXISTING LOCAL SALES TAXES;**
54.19 **SATISFACTION OF PREEXISTING OBLIGATIONS.**

54.20 Subdivision 1. **Preemption of preexisting local sales taxes.** (a) Notwithstanding
54.21 section 297A.99 or any other law or local ordinance to the contrary, all general local
54.22 sales and use taxes in a county or a part of a county is preempted on the day that a
54.23 county local sales tax under section 297A.994 takes effect, except the following taxes
54.24 are not preempted:

54.25 (1) a local tax imposed under section 297A.992 or 297A.993;

54.26 (2) a local sales tax authorized by special law in a city of the first class;

54.27 (3) a local sales tax authorized by a special law in a city with a population in 2007 of
54.28 at least 100,000, provided that it complies with paragraph (c); and

54.29 (4) a local sales tax in a county as authorized under Laws 2008, chapter 366, article
54.30 7, section 18.

54.31 (b) A local sales tax that is imposed by a city located in two or more counties is
54.32 preempted if one or more counties in which the city is located impose the county tax. A
54.33 replacement tax must be imposed under subdivision 6 in any portion of the city located in
54.34 a county that has not imposed the tax under section 297A.994.

55.1 (c) If a city with a population in 2007 of at least 100,000 would like to maintain an
55.2 existing local sales tax, the city council must pass a resolution to that effect within two
55.3 months of the enactment of this section. The city council must provide a copy of the
55.4 resolution to the commissioner of revenue and to the county in which the city is located
55.5 within five business days of the passage of the resolution.

55.6 **Subd. 2. County payment to cities; forgone sales tax revenue.** (a) If a local
55.7 sales tax imposed in a city located partially or totally within a county is preempted under
55.8 subdivision 1, the county shall pay a portion of its local sales tax revenues, as provided
55.9 under subdivision 4 or 5, to the city to fund obligations allowed under the law authorizing
55.10 the city tax. The county must make these payments to the city within five business days
55.11 after it receives the revenues from the commissioner.

55.12 (b) If the local sales tax was imposed under a joint powers agreement in cities
55.13 located in more than one county, the share of the obligation to be funded by the county
55.14 must be determined under subdivision 5.

55.15 (c) The requirement to make these payments ceases on the earliest of the following:

55.16 (1) the date on which the city tax was required to expire under the special law
55.17 authorizing it;

55.18 (2) when the city has received sufficient revenues from its tax and from payments
55.19 under this section to pay in full or to defease debt obligations issued by the city under the
55.20 law authorizing the city sales tax and to pay any additional spending obligations allowed
55.21 under the special law and not funded by the issuance of debt obligations; or

55.22 (3) the city becomes a city of the first class and imposes a city sales tax.

55.23 **Subd. 3. Dedication of tax to fund county projects.** If a county imposed local
55.24 sales tax is preempted under subdivision 1, the revenues from the tax imposed under
55.25 section 297A.994 are pledged first to pay and secure the bond obligations secured by and
55.26 to be paid with the revenues from the preempted county sales tax.

55.27 **Subd. 4. Calculation of forgone revenue in cities located entirely within a**
55.28 **county.** For purposes of subdivision 2, the forgone revenue to be paid to the city located
55.29 entirely in a county imposing a tax under section 297A.994 is calculated as follows:

55.30 (1) in the first 12 months after the tax is preempted, the county shall make quarterly
55.31 payments to a city entirely located within the county equal to the amount that the city
55.32 received from the commissioner of revenue from the preempted tax in the corresponding
55.33 quarter in the previous year, multiplied by a percentage equal to the percentage change in
55.34 total state sales tax revenue in the previous quarter compared to the total state sales tax
55.35 revenue for the fifth preceding quarter; and

56.1 (2) in subsequent years, the county shall make quarterly payments to the city equal
56.2 to the payment made in the corresponding quarter in the previous year, multiplied by the
56.3 ratio of the total quarterly remittance to the county in the current year compared to the
56.4 total quarterly remittance to the county in the previous year.

56.5 **Subd. 5. Calculation of forgone revenue in cities located partially within a**
56.6 **county.** (a) For purposes of subdivision 2, the forgone revenue to be paid to the city
56.7 located partially in a county imposing a tax under section 297A.994 is calculated as
56.8 provided in this subdivision.

56.9 (b) The commissioner of revenue shall determine the percentage of the city's local
56.10 sales tax revenue attributable to transactions located in the county. The commissioner
56.11 may consult with the county and the city to determine a reasonable percentage, or the
56.12 commissioner may set the percentage equal to the percentage of the city's market value
56.13 for the most recently available assessment year of class 3 property, except utility real and
56.14 personal property located in the county. The sum of the percentage of a city's local sales
56.15 tax revenue attributable to each county in which the city is located must equal 100 percent.
56.16 The determination of the commissioner is final.

56.17 (c) In the first 12 months after the tax is preempted, the county shall make quarterly
56.18 payments to a city partially located within the county equal to the amount that the city
56.19 received from the commissioner from the preempted tax in the corresponding quarter in
56.20 the previous year, multiplied by (1) a percentage equal to one plus the percentage change
56.21 in total state sales tax revenue in the previous quarter compared to the total state sales tax
56.22 revenue for the fifth preceding quarter, and (2) one plus the percentage calculated in
56.23 paragraph (b).

56.24 (d) In subsequent years, the county shall make quarterly payments to the city equal
56.25 to the payment made in the corresponding quarter in the previous year multiplied by the
56.26 ratio of the total quarterly remittance to the county in the current year compared to the
56.27 total quarterly remittance to the county in the previous year.

56.28 (e) A county's share of a city's obligations from the special law authorizing the city's
56.29 sales tax is equal to the total obligation under the special law multiplied by one plus the
56.30 percentage determined under paragraph (b).

56.31 **Subd. 6. Establishment of special sales tax districts within certain cities.** (a)
56.32 For any city located in two or more counties, if at least one county imposes a county
56.33 sales tax under subdivision 1, and at least one county does not impose a county sales tax,
56.34 a special sales tax district is established in the portion of the city that is not subject to
56.35 a county sales tax.

57.1 (b) The governing body of the city is the governing body of the special taxing district
57.2 and the special taxing district shall impose a replacement local sales tax by resolution
57.3 to take effect upon the preemption of the city's sales tax under subdivision 1. The
57.4 replacement tax must be imposed at the same rate as the city tax it replaces. Revenues
57.5 from the replacement tax are pledged to and may only be used for the purposes permitted
57.6 by law for the city sales tax, which it replaces. The authority to impose this tax expires
57.7 upon the city's receipt of sufficient revenues to pay the obligations to which the city sales
57.8 tax was pledged and other spending permitted by the law authorizing imposition of the
57.9 city sales tax from the sum of the following:

57.10 (1) the city sales tax;

57.11 (2) county payments of forgone sales tax revenues under this section; and

57.12 (3) the special taxing district sales tax.

57.13 **EFFECTIVE DATE.** This section is effective the day following final enactment.

57.14 Sec. 8. Minnesota Statutes 2008, section 477A.0124, is amended by adding a
57.15 subdivision to read:

57.16 Subd. 6. **County program aid.** (a) For calendar year 2010 and thereafter, a county's
57.17 program aid under this section is equal to (1) its county program aid amount certified for
57.18 aids payable in 2009 under this section, minus (2) an amount determined under paragraph
57.19 (b) or (c). A county's program aid shall not be less than zero.

57.20 (b) For a county that does not impose a tax under section 297A.994, the amount
57.21 subtracted under paragraph (a) is equal to 3.58 percent of the county's 2009 levy plus aid
57.22 revenue base. The "2009 levy plus aid revenue base" for a county is equal to the sum of
57.23 the county's certified property tax levy for taxes payable in 2009 plus the amount the
57.24 county was certified to receive in county program aid in 2009 under this section and
57.25 the amount the county was certified to receive in taconite aids in 2009 under sections
57.26 298.28 and 292.282, including any aid that was required to be placed in a special fund for
57.27 expenditure in the next succeeding year.

57.28 (c) For a county that imposes a tax under section 297A.994, the amount subtracted
57.29 under paragraph (a) is equal to (1) 50 percent of its net sales tax revenue for the preceding
57.30 12-month period in excess of the greater of (i) \$70,000, or (ii) \$7 per capita, plus (2) 25
57.31 percent of its net sales tax revenue for the preceding 12-month period in excess of the
57.32 greater of (i) \$170,000, or (ii) \$17 per capita.

57.33 (d) For purposes of this subdivision, "net sales tax revenue for the preceding
57.34 12-month period" means the sales tax revenue for the county for the 12-month period
57.35 ending July 1 of the year in which the aid under this section is certified minus its estimated

58.1 existing obligations under section 297A.9945 for the year in which the aid is paid. For
 58.2 the first two years in which the aid is offset under this paragraph, the commissioner of
 58.3 revenue shall estimate the offset based on available data regarding sales tax collections in
 58.4 the county. Beginning with the third year in which the aid is offset under this paragraph,
 58.5 the offset will be based on actual sales tax collections in the county in the 12-month period
 58.6 ending July 1 of the year in which the aid is certified.

58.7 **EFFECTIVE DATE.** This section is effective for aids payable in calendar year
 58.8 2010 and thereafter.

62.35 \$25,000 for any government entity. Any jurisdiction participating in the comprehensive

63.1 performance measurement program is exempt from levy limits under sections 275.70
 63.2 to 275.74 for taxes payable in 2012 if levy limits are in effect, and is exempt from the
 63.3 truth-in-taxation public hearing requirement under section 275.065, subdivision 6, for
 63.4 taxes payable in 2012, if the hearing requirement is in effect.

63.5 (c) Any county or city that elects to participate in the standard measures program
 63.6 for 2012 or any year thereafter is eligible for per capita reimbursement of \$0.25 per
 63.7 capita in the following year, but not to exceed \$25,000 for any government entity. Any
 63.8 jurisdiction participating in the comprehensive performance measurement program for
 63.9 2012 or any year thereafter is exempt from levy limits under sections 275.70 to 275.74
 63.10 for taxes payable in the following year, if levy limits are in effect, and is exempt from
 63.11 the truth-in-taxation public hearing requirement under section 275.065, subdivision 6, for
 63.12 taxes payable in the following year, if the hearing requirement is in effect.

63.13 Subd. 3. **Certification of participation.** (a) The state auditor shall certify to
 63.14 the commissioner of revenue by August 1 of each year the counties and cities that are
 63.15 participating in the standard measures program and the comprehensive performance
 63.16 measurement program.

63.17 (b) The commissioner of revenue shall make per capita aid payments under this
 63.18 section on the second payment date specified in section 477A.015, in the same year that
 63.19 the measurements were reported.

63.20 (c) The commissioner of revenue shall notify each county and city that is entitled to
 63.21 exemption from levy limits by August 10 of each levy year.

63.22 Subd. 4. **Appropriation.** (a) The amount necessary to fund obligations to counties
 63.23 under subdivision 2 is annually appropriated from the general fund to the commissioner of
 63.24 revenue.

63.25 (b) The amount necessary to fund obligations to cities under subdivision 2 is
 63.26 annually appropriated from the general fund to the commissioner of revenue.

63.27 (c) The sum of \$6,000 in fiscal year 2010 and \$2,000 in each fiscal year thereafter is
 63.28 annually appropriated from the general fund to the state auditor to carry out the auditor's
 63.29 responsibilities under sections 6.90 to 6.91.

63.30 **EFFECTIVE DATE.** This section is effective December 31, 2009.

63.31 Sec. 3. Minnesota Statutes 2008, section 134.34, subdivision 1, is amended to read:

63.32 Subdivision 1. **Local support levels.** (a) A regional library basic system support
 63.33 grant shall be made to any regional public library system where there are at least three
 63.34 participating counties and where each participating city and county is providing for
 63.35 public library service support the lesser of ~~(a)~~ (1) an amount equivalent to .82 percent

64.1 of the average of the adjusted net tax capacity of the taxable property of that city or
64.2 county, as determined by the commissioner of revenue for the second, third, and fourth
64.3 year preceding that calendar year ~~in 1991 and later years~~ or ~~(b) (2)~~ a per capita amount
64.4 calculated under the provisions of this subdivision. The per capita amount is established
64.5 for calendar year 1993 as \$7.62. In succeeding calendar years, the per capita amount shall
64.6 be increased by a percentage equal to one-half of the percentage by which the total state
64.7 adjusted net tax capacity of property as determined by the commissioner of revenue for
64.8 the second year preceding that calendar year increases over that total adjusted net tax
64.9 capacity for the third year preceding that calendar year.

64.10 (b) The minimum level of support specified under this subdivision or subdivision 4
64.11 shall be certified annually to the participating cities and counties by the Department of
64.12 Education. If a city or county chooses to reduce its local support in accordance with
64.13 subdivision 4, paragraph (b) or (c), it shall notify its regional public library system. The
64.14 regional public library system shall notify the Department of Education that a revised
64.15 certification is required. The revised minimum level of support shall be certified to the
64.16 city or county by the Department of Education.

64.17 (c) A city which is a part of a regional public library system shall not be required to
64.18 provide this level of support if the property of that city is already taxable by the county
64.19 for the support of that regional public library system. In no event shall the Department
64.20 of Education require any city or county to provide a higher level of support than the
64.21 level of support specified in this section in order for a system to qualify for a regional
64.22 library basic system support grant. This section shall not be construed to prohibit a city
64.23 or county from providing a higher level of support for public libraries than the level of
64.24 support specified in this section.

64.25 **EFFECTIVE DATE.** This section is effective for calendar years 2009 and
64.26 thereafter, except that the change in paragraph (a) is effective for calendar years 2011
64.27 and thereafter.

64.28 Sec. 4. Minnesota Statutes 2008, section 134.34, subdivision 4, is amended to read:

64.29 Subd. 4. **Limitation.** (a) A regional library basic system support grant shall not be
64.30 made to a regional public library system for a participating city or county which decreases
64.31 the dollar amount provided for support for operating purposes of public library service
64.32 below the amount provided by it for the second or third preceding year, whichever is less.
64.33 For purposes of this subdivision and subdivision 1, any funds provided under section
64.34 473.757, subdivision 2, for extending library hours of operation shall not be considered
64.35 amounts provided by a city or county for support for operating purposes of public library

65.1 service. This subdivision shall not apply to participating cities or counties where the
65.2 adjusted net tax capacity of that city or county has decreased, if the dollar amount of the
65.3 reduction in support is not greater than the dollar amount by which support would be
65.4 decreased if the reduction in support were made in direct proportion to the decrease in
65.5 adjusted net tax capacity.

65.6 (b) In addition, in any calendar year in which a city's or county's aid under sections
65.7 477A.011 to 477A.014, or credits under section 273.1384 are reduced after the city or
65.8 county has certified its levy payable in that year, it may reduce its local support by the
65.9 lesser of (1) ten percent, or (2) a percent equal to the percent the aid or credit reduction is
65.10 of the city or county's revenue base as defined in paragraph (e), based on aids certified for
65.11 the current calendar year. For calendar year 2009 only, the reduction under this paragraph
65.12 shall be based on 2008 aid and credit reductions under the December 2008 unallotment, as
65.13 well as any aid and credit reductions in calendar year 2009. For calendar year 2009 only,
65.14 the commissioner of revenue shall calculate the reductions under this paragraph and certify
65.15 them to the commissioner of education within 15 days of this provision becoming law.

65.16 (c) In addition, in any payable year in which the total amounts certified for city or
65.17 county aids under sections 477A.011 to 477A.014 are less than the total amounts paid
65.18 under those sections in the previous calendar year, a city or county may reduce its local
65.19 support by the lesser of (1) ten percent, or (2) a percentage equal to the ratio of (i) the
65.20 difference between the sum of the aid it was paid under sections 477A.011 to 477A.014
65.21 and the credit reimbursements it received under section 273.1384 in the previous calendar
65.22 year and the aid it is certified to be paid in the current calendar year under sections
65.23 477A.011 to 477A.014 and the credits estimated to be paid under section 273.1384, to (ii)
65.24 its revenue base for the previous year, based on aids actually paid in the previous calendar
65.25 year. The commissioner of revenue shall calculate the percent aid cut for each county and
65.26 city under this paragraph and certify the percentage cuts to the commissioner of education
65.27 by August 1 of the year prior to the year in which the reduced aids and credits are to be
65.28 paid. The percentage of reduction related to reductions to credit reimbursements under
65.29 section 273.1384 shall be based on the best estimation available as of July 30.

65.30 (d) Notwithstanding paragraph (a), (b), or (c), no city or county shall reduce its
65.31 support for public libraries below the minimum level specified in subdivision 1. No county
65.32 may make a reduction under paragraph (b) or (c) in a year in which it is receiving local
65.33 sales tax revenue under section 297A.994.

65.34 (e) For purposes of this subdivision, "revenue base" means the sum of:

66.1 (1) its levy for taxes payable in the current calendar year, including the levy on
 66.2 the fiscal disparities distribution under section 276A.06, subdivision 3, paragraph (a),
 66.3 or 473F.08, subdivision 3, paragraph (a);
 66.4 (2) its aid under sections 477A.011 to 477A.014 in the current calendar year; and
 66.5 (3) its taconite aid in the current calendar year under sections 298.28 and 298.282.
 66.6 (f) The sum of \$21,000 in fiscal year 2010 and each fiscal year thereafter is
 66.7 appropriated from the general fund to the commissioner of education to carry out the
 66.8 additional responsibilities under this section.

66.9 **EFFECTIVE DATE.** This section is effective for support in calendar year 2009 and
 66.10 thereafter for library grants paid in fiscal year 2010 and thereafter, except that the changes
 66.11 in paragraph (a) are effective for support in calendar year 2010 and thereafter.

66.12 **Sec. 5. [256E.40] EQUITABLE FUNDING HEALTH AND HUMAN SERVICES**
 66.13 **REFORM.**

66.14 Subdivision 1. **Reform.** The goals in reforming local funding of the health and
 66.15 human services delivery system is to:

66.16 (1) sustain the funding of county provided services;
 66.17 (2) maintain Minnesota's ability to obtain federal funds to provide these services;
 66.18 (3) equalize and make transparent the demands that providing these services makes
 66.19 on the property tax system; and
 66.20 (4) encouraging local innovation and pilot programs using local revenues without
 66.21 the risk of long-term obligations.

66.22 Subd. 2. **Consolidated program funding.** (a) Each county is required to dedicate a
 66.23 portion of local property tax, determined under this section, to fund the local share of all
 66.24 health and human services programs and services required by state law. The commissioner
 66.25 of revenue shall provide estimates to the commissioner of human services of the expected
 66.26 revenue from this dedication in each county. The commissioner of human services shall
 66.27 devise a mechanism for collecting or allocating the sum of these dedications between
 66.28 programs as necessary to meet federal match requirements. Any contribution in excess
 66.29 of the amount needed to meet federal match requirements shall be spent on the various
 66.30 programs at the discretion of the county.

66.31 (b) In 2012, the required dedication of a county's portion of its local property tax
 66.32 is equal to a uniform percentage of its adjusted net tax capacity for the most recently
 66.33 available year, limited as provided in paragraph (d). The commissioner of revenue shall
 66.34 determine the percentage so that the total amount dedicated in all counties in 2012, after
 66.35 the limits in paragraph (d), is equal to the total estimated amount of local source revenues

67.1 that all counties were required to pay for these programs and services in calendar year
67.2 2011. The commissioner of human services shall provide the commissioner of revenue
67.3 with the information necessary to make this calculation by July 30, 2011.

67.4 (c) In 2013 and future years, the required dedication of a county's portion of its local
67.5 property tax is equal to a percentage of its adjusted net tax capacity adjusted as required in
67.6 paragraph (d). The percentage is the same as the percentage used in the previous year.

67.7 (d) In calendar year 2012, a county's revenue dedication under paragraph (b) cannot
67.8 be greater than the sum of (1) its estimated amount of required local source revenues for
67.9 these programs and services in calendar year 2011, plus (2) one percent of its calendar
67.10 year 2011 property tax levy. In calendar year 2013 and future years, a county's revenue
67.11 dedication under paragraph (c) cannot be greater than the sum of (1) its revenue dedicated
67.12 under this subdivision in the previous year, multiplied by one plus its percentage increase
67.13 in its adjusted net tax capacity for the most recently available year, plus (2) one percent of
67.14 its property tax levy from the previous year.

67.15 Subd. 3. **County discretionary spending.** Nothing in this section shall be construed
67.16 as prohibiting counties from spending local source revenues on health and human services
67.17 in excess of the amount calculated under subdivision 2 but a county may not be required
67.18 to continue spending local source revenue at a higher level than the amount determined in
67.19 subdivision 2.

67.20 **EFFECTIVE DATE.** This section is effective for property tax levies payable in
67.21 2012 and thereafter and program spending beginning January 1, 2012.

67.22 Sec. 6. **[270C.991] PROPERTY TAX SYSTEM BENCHMARKS AND**
67.23 **CRITICAL INDICATORS.**

67.24 Subdivision 1. **Purpose.** State policy makers should be provided with the tools to
67.25 create a more accountable and efficient property tax system. This section provides the
67.26 principles and available tools necessary to work toward achieving that goal.

67.27 Subd. 2. **Property tax principles.** To better evaluate the various property tax
67.28 proposals that come before the legislature, the following basic property tax principles
67.29 should be taken into consideration. The property taxes proposed should be:

67.30 (1) transparent and understandable;

67.31 (2) simple and efficient;

67.32 (3) equitable;

67.33 (4) stable and predictable;

67.34 (5) compliance and accountability;

67.35 (6) competitive, both nationally and globally; and

68.1 (7) responsive to economic conditions.

68.2 Subd. 3. **Major indicators.** There are many different types of indicators available to
68.3 legislators to evaluate tax legislation. Indicators are useful to have available as benchmarks
68.4 when legislators are contemplating changes. Each tool has its own limitation, and no one
68.5 tool is perfect or should be used independently. Some of the tools measure the global
68.6 characteristics of the entire tax system, while others are only a measure of the property tax
68.7 impacts and its administration. The following is a list of the available major indicators:

68.8 (1) property tax principles scale, the components of which are listed in subdivision
68.9 2, as they relate to the various features of the property tax system;

68.10 (2) price of government report, as required under section 16A.102;

68.11 (3) tax incidence report, as required under section 270C.13;

68.12 (4) tax expenditure budget and report, as required under section 270C.11;

68.13 (5) state tax rankings;

68.14 (6) property tax levy plus aid data, and market value and net tax capacity data, by
68.15 taxing district for current and past years;

68.16 (7) effective tax rate (tax as a percent of market value) and the equalized effective
68.17 tax rate (effective tax rate adjusted for assessment differences);

68.18 (8) assessment sales ratio study, as required under section 127A.48;

68.19 (9) "Voss" database, which matches homeowner property taxes and household
68.20 income;

68.21 (10) revenue estimates under section 270C.11, subdivision 5, and state fiscal notes
68.22 under section 477A.03, subdivision 2b; and

68.23 (11) local impact notes, with improved local analysis as described in subdivision 7.

68.24 Subd. 4. **Property tax working group.** (a) A property tax working group is
68.25 established as provided in this subdivision. The goals of the working group are:

68.26 (1) to investigate ways to simplify the property tax system and make advisory
68.27 recommendations on ways to make the system more understandable;

68.28 (2) to reexamine the property tax calendar to determine what changes could be made
68.29 to shorten the two-year cycle from assessment through property tax collection; and

68.30 (3) to determine the cost versus the benefits of the various property tax components,
68.31 including property classifications, credits, aids, exclusions, exemptions, and abatements,
68.32 and to suggest ways to achieve some of the goals in simpler and more cost-efficient ways.

68.33 (b) The 12-member working group shall consist of the following members:

68.34 (1) two state representatives, both appointed by the chair of the house of
68.35 representatives Taxes Committee, one from the majority party and one from the minority
68.36 party;

- 69.1 (2) two senators, both appointed by the chair of the senate Taxes Committee, one
69.2 from the majority party and one from the minority party;
69.3 (3) the commissioner of revenue, or designee;
69.4 (4) one person, appointed by the Association of Minnesota Counties;
69.5 (5) one person, appointed by the League of Minnesota Cities;
69.6 (6) one person, appointed by the Minnesota Association of Townships;
69.7 (7) one person, appointed by the Minnesota Chamber of Commerce;
69.8 (8) one person, appointed by the Minnesota Association of Assessing Officers; and
69.9 (9) two homeowners, one who is under 65 years of age, and one who is 65 years of
69.10 age or older, both appointed by the commissioner of revenue.

69.11 The commissioner of revenue shall chair the initial meeting, and the working
69.12 group shall elect a chair at that initial meeting. The working group will meet at the call
69.13 of the chair. Members of the working group shall serve without compensation. The
69.14 commissioner of revenue must provide administrative support to the working group.
69.15 Chapter 13D does not apply to meetings of the working group. Meetings of the working
69.16 group must be open to the public and the working group must provide notice of a meeting
69.17 to potentially interested persons at least seven days before the meeting. A meeting of the
69.18 council occurs when a quorum is present.

69.19 (c) The working group shall make its advisory recommendations to the chairs of the
69.20 house of representatives and senate Taxes Committees on or before February 1, 2011, at
69.21 which time the working group shall be finished and this subdivision expires. The advisory
69.22 recommendations should be reviewed by the Taxes Committee under subdivision 5.

69.23 Subd. 5. **Taxes Committee review and resolution.** On or before March 1,
69.24 2011, and every two years thereafter, the house of representatives and senate Taxes
69.25 Committees must review the major indicators as contained in subdivision 3, and ascertain
69.26 the accountability and efficiency of the property tax system. The house of representatives
69.27 and senate Taxes Committees shall prepare a resolution on targets and benchmarks for
69.28 use during the current biennium.

69.29 Subd. 6. **Department of Revenue; revenue estimates.** As provided under
69.30 section 270C.11, subdivision 5, the Department of Revenue is required to prepare an
69.31 estimate of the effect on the state's tax revenues which result from the passage of a
69.32 legislative bill establishing, extending, or restricting a tax expenditure. Beginning
69.33 with the 2010 legislative session, those revenue estimates must also identify how the
69.34 property tax principles contained in subdivision 2 apply to the proposed tax changes. The
69.35 commissioner of revenue shall develop a scale for measuring the appropriate principles
69.36 for each proposed change. The department shall quantify the effects, if possible, or at a

70.1 minimum, shall identify the relevant factors so that legislators are aware of possible
 70.2 outcomes, including administrative difficulties and cost. The interaction of property tax
 70.3 shifting should be identified and quantified to the degree possible.

70.4 Subd. 7. **Local impact notes.** Local impact notes are statements that provide
 70.5 information about changes in local government responsibility, administration, and cost due
 70.6 to changes in state law. The local impact note process seeks the participation of political
 70.7 subdivisions to gather information as needed by the legislature. The local impact network
 70.8 of political subdivisions shall consist of representation from associations from Minnesota
 70.9 counties, cities, towns, and school districts, and other members as needed. They shall,
 70.10 among other things, work with the legislature and the commissioner of finance to analyze:

70.11 (1) changes in tax revenues for local governments;

70.12 (2) changes in expenditures for local governments, including program and
 70.13 administration costs; and

70.14 (3) incidences of tax shifting, including identifying the target audience (taxpayers
 70.15 who will benefit from the tax shift) and the impact audience (taxpayers who will bear the
 70.16 burden of the tax shift).

70.17 For tax bills the local impact network of political subdivisions shall rate the impact
 70.18 on Minnesota's tax system using the tax principles contained in subdivision 2.

70.19 Some of the cost for preparing this information shall be distributed to the local
 70.20 impact network as provided under section 477A.03, subdivision 2b, paragraph (b).

70.21 Subd. 8. **Appropriation.** The sum of \$30,000 in fiscal year 2010 and \$25,000 in
 70.22 each fiscal year thereafter is appropriated from the general fund to the commissioner of
 70.23 revenue to carry out the commissioner's added responsibilities under subdivision 6.

70.24 **EFFECTIVE DATE.** This section is effective the day following final enactment.

70.25 Sec. 7. Minnesota Statutes 2008, section 273.1384, is amended by adding a subdivision
 70.26 to read:

70.27 Subd. 3a. **Reimbursement reductions.** (a) Each year, each county's reimbursement
 70.28 under this section shall be reduced by a uniform percentage so that the total reduction
 70.29 in reimbursements equals the sum of: (i) the amount appropriated under section 6.91,
 70.30 subdivision 4, paragraph (a); (ii) one-half of the total amount appropriated under section
 70.31 6.91, subdivision 4, paragraph (c); and (iii) one-half of the total amount appropriated
 70.32 under section 270C.991, subdivision 8.

70.33 (b) Each year, each city's reimbursement under this section shall be reduced by a
 70.34 uniform percentage so that the total reduction in reimbursements equals the sum of: (i)
 70.35 the amount appropriated under section 6.91, subdivision 4, paragraph (b); (ii) one-half of

71.1 the total amount appropriated under section 6.91, subdivision 4, paragraph (c); and (iii)
 71.2 one-half of the total amount appropriated under section 270C.991, subdivision 8.

71.3 (c) Each year, each school district's reimbursement under this section shall be
 71.4 reduced by a uniform percentage so that the total reduction in reimbursements equals the
 71.5 amount appropriated under section 134.34, subdivision 4.

71.6 **EFFECTIVE DATE.** This section is effective for aids payable in 2009 and
 71.7 thereafter.

71.8 Sec. 8. **[275.77] TEMPORARY SUSPENSION OF NEW OR INCREASED**
 71.9 **MAINTENANCE OF EFFORT AND MATCHING FUND REQUIREMENTS.**

71.10 Subdivision 1. **Definitions.** For purposes of this section, the following terms have
 71.11 the meanings given them:

71.12 (1) "maintenance of effort" means a requirement imposed on a political subdivision
 71.13 by state law to continue providing funding of a service or program at a given or increasing
 71.14 level based on its funding of the service and program in prior years;

71.15 (2) "matching fund requirement" means a requirement imposed on a political
 71.16 subdivision by state law to fund a portion of a program or service but does not mean
 71.17 required nonstate contributions to state capital funded projects or other nonstate
 71.18 contributions required in order to receive a grant or loan the political subdivision has
 71.19 requested or applied for; and

71.20 (3) "political subdivision" means a county, town, or statutory or home rule charter
 71.21 city.

71.22 Subd. 2. **Temporary suspension.** (a) Notwithstanding any other provision of law
 71.23 to the contrary, any new maintenance of effort or matching fund requirement enacted
 71.24 after January 1, 2009, that will require spending by a political subdivision shall not be
 71.25 effective until January 1, 2012.

71.26 (b) Notwithstanding any other provision of law to the contrary, any changes to
 71.27 existing maintenance of effort or matching fund requirement enacted after January 1,
 71.28 2009, that will require new spending by a political subdivision shall not be effective
 71.29 until January 1, 2012.

71.30 (c) The suspension of changes to existing maintenance of effort and matching fund
 71.31 requirements under paragraph (b) does not apply if the spending is required by federal law
 71.32 and there would be a cost to the state budget without the change.

71.33 **EFFECTIVE DATE.** This section is effective the day following final enactment.

72.1 Sec. 9. **REPEALER.**

72.11 **LOCAL GOVERNMENT FLEXIBILITY AND MANDATE**
72.12 **REDUCTION PROVISIONS**

72.13 Section 1. Minnesota Statutes 2008, section 3.842, subdivision 4a, is amended to read:

72.14 Subd. 4a. **Objections to rules.** (a) For purposes of this subdivision, "committee"
72.15 means the house of representatives policy committee or senate policy committee with
72.16 primary jurisdiction over state governmental operations. The commission, the Legislative
72.17 Commission on Mandate Reform, or a committee may object to a rule as provided in
72.18 this subdivision. If the commission, the Legislative Commission on Mandate Reform,
72.19 or a committee objects to all or some portion of a rule because the commission, the
72.20 Legislative Commission on Mandate Reform, or a committee considers it to be beyond
72.21 the procedural or substantive authority delegated to the agency, including a proposed rule
72.22 submitted under section 14.15, subdivision 4, or 14.26, subdivision 3, paragraph (c), the
72.23 commission, the Legislative Commission on Mandate Reform, or a committee may file
72.24 that objection in the Office of the Secretary of State. The filed objection must contain a
72.25 concise statement of the commission's, the Legislative Commission on Mandate Reform,
72.26 or a committee's reasons for its action. An objection to a proposed rule submitted by the
72.27 commission, the Legislative Commission on Mandate Reform, or a committee under
72.28 section 14.15, subdivision 4, or 14.26, subdivision 3, paragraph (c), may not be filed
72.29 before the rule is adopted.

72.30 (b) The secretary of state shall affix to each objection a certification of the date and
72.31 time of its filing and as soon after the objection is filed as practicable shall transmit a
72.32 certified copy of it to the agency issuing the rule in question and to the revisor of statutes.
72.33 The secretary of state shall also maintain a permanent register open to public inspection of
72.34 all objections by the commission, the Legislative Commission on Mandate Reform, or
72.35 a committee.

73.1 (c) The commission, the Legislative Commission on Mandate Reform, or a
73.2 committee shall publish and index an objection filed under this section in the next issue
73.3 of the State Register. The revisor of statutes shall indicate the existence of the objection
73.4 adjacent to the rule in question when that rule is published in Minnesota Rules.

73.5 (d) Within 14 days after the filing of an objection by the commission, the Legislative
73.6 Commission on Mandate Reform, or a committee to a rule, the issuing agency shall
73.7 respond in writing to the objecting entity. After receipt of the response, the commission,
73.8 the Legislative Commission on Mandate Reform, or a committee may withdraw or modify
73.9 its objection.

73.10 (e) After the filing of an objection by the commission, the Legislative Commission
73.11 on Mandate Reform, or a committee that is not subsequently withdrawn, the burden is
73.12 upon the agency in any proceeding for judicial review or for enforcement of the rule to
73.13 establish that the whole or portion of the rule objected to is valid.

73.14 (f) The failure of the commission, the Legislative Commission on Mandate Reform,
73.15 or a committee to object to a rule is not an implied legislative authorization of its validity.

73.16 (g) In accordance with sections 14.44 and 14.45, the commission, the Legislative
73.17 Commission on Mandate Reform, or a committee may petition for a declaratory judgment
73.18 to determine the validity of a rule objected to by the commission, the Legislative
73.19 Commission on Mandate Reform, or a committee. The action must be started within two
73.20 years after an objection is filed in the Office of the Secretary of State.

73.21 (h) The commission, the Legislative Commission on Mandate Reform, or a
73.22 committee may intervene in litigation arising from agency action. For purposes of this
73.23 paragraph, agency action means the whole or part of a rule, or the failure to issue a rule.

73.24 Sec. 2. Minnesota Statutes 2008, section 3.843, is amended to read:

73.25 **3.843 PUBLIC HEARINGS BY STATE AGENCIES.**

73.26 By a vote of a majority of its members, the commission or the Legislative
73.27 Commission on Mandate Reform may request any agency issuing rules to hold a
73.28 public hearing in respect to recommendations made under section 3.842, including
73.29 recommendations made by the commission or the Legislative Commission on Mandate
73.30 Reform to promote adequate and proper rules by that agency and recommendations
73.31 contained in the commission's biennial report. The agency shall give notice as provided in
73.32 section 14.14, subdivision 1, of a hearing under this section, to be conducted in accordance
73.33 with sections 14.05 to 14.28. The hearing must be held not more than 60 days after receipt
73.34 of the request or within any other longer time period specified by the commission or the
73.35 Legislative Commission on Mandate Reform in the request.

74.1 Sec. 3. **[3.99] LEGISLATIVE COMMISSION ON MANDATE REFORM;**
74.2 **ESTABLISHED.**

74.3 Subdivision 1. **Established.** The Legislative Commission on Mandate Reform is
74.4 established as provided in this section, with the powers and duties given it in sections
74.5 3.842, subdivision 4a; 3.843; and 3.99 to 3.992.

74.6 Subd. 2. **Membership.** The commission consists of four senators appointed by the
74.7 senate Subcommittee on Committees of the Committee on Rules and Administration,
74.8 three senators appointed by the senate minority leader, four state representatives appointed
74.9 by the speaker of the house, and three state representatives appointed by the house
74.10 of representatives minority leader. The appointing authorities must ensure balanced
74.11 geographic representation. Each appointing authority must make appointments as soon as
74.12 possible.

74.13 Subd. 3. **Terms; vacancies.** Members of the commission serve for a two-year term
74.14 beginning upon appointment and expiring upon appointment of a successor after the
74.15 opening of the next regular session of the legislature in the odd-numbered year. A vacancy
74.16 in the membership of the commission must be filled for the unexpired term in a manner
74.17 that will preserve the representation established by this section.

74.18 Subd. 4. **Chair.** The commission must meet as soon as practicable after members
74.19 are appointed in each odd-numbered year to elect its chair and other officers as it may
74.20 determine necessary. A chair serves a two-year term, expiring in the odd-numbered year
74.21 after a successor is elected. The chair must alternate biennially between the senate and the
74.22 house of representatives.

74.23 Subd. 5. **Compensation.** Members may be reimbursed for their reasonable
74.24 expenses as members of the legislature.

74.25 Subd. 6. **Staff.** The Legislative Coordinating Commission must provide
74.26 administrative support to the commission, including secretarial services, record keeping,
74.27 and grants administration.

74.28 Subd. 7. **Meetings; procedures; tie votes.** The first meeting of the biennium must
74.29 be convened by the member designated by the senate majority leader if a senator is to chair
74.30 the commission for the biennium, or by the speaker of the house if a state representative
74.31 is to chair the commission for the biennium. The commission meets at the call of the
74.32 chair. Commission action requires a positive vote of at least four house of representatives
74.33 members and at least four senate members.

74.34 Subd. 8. **Funding.** The Legislative Coordinating Commission shall annually bill the
74.35 commissioner of revenue for costs incurred by the Legislative Coordinating Commission
74.36 in providing administrative support and to make the grants authorized by the Legislative

75.1 Commission on Mandate Reform, in an amount not to exceed \$100,000 per year. The
 75.2 commissioner of revenue shall deduct one-half of the certified costs from payments to
 75.3 counties under section 477A.03, subdivision 2b, and one-half of the certified costs from
 75.4 payments to cities under section 477A.03, subdivision 2a.

75.5 **Sec. 4. [3.991] LEGISLATIVE COMMISSION ON MANDATE REFORM;**
 75.6 **REVIEW AND RECOMMENDATIONS TO LEGISLATURE.**

75.7 The Legislative Commission on Mandate Reform must solicit from local
 75.8 governments information on state laws and rules that local governments consider to be
 75.9 problematic mandates. The commission must review the mandates identified and consider
 75.10 why each mandate was enacted or adopted, whether the reason for it still exists, the costs
 75.11 to local governments to comply with the mandate, and whether repeal or modification
 75.12 of the mandate is appropriate. Before the beginning of each legislative session, the
 75.13 commission must prepare for introduction a bill to repeal or modify those laws or rules the
 75.14 commission determines are unnecessary.

75.15 **Sec. 5. [3.992] LEGISLATIVE COMMISSION ON MANDATE REFORM;**
 75.16 **GRANTS.**

75.17 Upon recommendation of the Legislative Commission on Mandate Reform,
 75.18 the commissioner of revenue may make grants to the League of Minnesota Cities,
 75.19 the Association of Minnesota Counties, Minnesota Association of Townships, other
 75.20 organizations representing local governments, the Board of Regents of the University of
 75.21 Minnesota, the Board of Trustees of Minnesota State Colleges and Universities, or other
 75.22 accredited postsecondary institutions to research and make recommendations on mandate
 75.23 reform. The commissioner must specify the work to be done, the completion date, and
 75.24 the maximum grant amount, and may specify any other conditions the commissioner
 75.25 deems necessary or useful.

75.26 **Sec. 6. [3.993] EXPIRATION.**

75.27 Sections 3.99 to 3.992 expire June 30, 2013.

75.28 **Sec. 7. [14.128] EFFECTIVE DATE FOR RULES REQUIRING LOCAL**
 75.29 **IMPLEMENTATION.**

75.30 Subdivision 1. **Determination.** An agency must determine if a local government
 75.31 will be required to adopt or amend an ordinance or other regulation to comply with a
 75.32 proposed agency rule. An agency must make this determination before the close of the

76.1 hearing record or before the agency submits the record to the administrative law judge if
 76.2 there is no hearing. The administrative law judge must review and approve or disapprove
 76.3 the agency's determination. "Local government" means a town, county, or home rule
 76.4 charter or statutory city.

76.5 Subd. 2. **Effective dates.** If the agency determines that the proposed rule requires
 76.6 adoption or amendment of an ordinance or other regulation, or if the administrative law
 76.7 judge disapproves the agency's determination that the rule does not have this effect, the
 76.8 rule may not become effective until:

76.9 (1) the next July 1 or January 1 after notice of final adoption is published in the
 76.10 State Register; or

76.11 (2) a later date provided by law or specified in the proposed rule.

76.12 Subd. 3. **Exceptions.** Subdivision 2 does not apply:

76.13 (1) to a rule adopted under section 14.388, 14.389, or 14.3895, or under another law
 76.14 specifying that the rulemaking procedures of this chapter do not apply;

76.15 (2) if the administrative law judge approves an agency's determination that the rule
 76.16 has been proposed pursuant to a specific federal statutory or regulatory mandate that
 76.17 requires the rule to take effect before the date specified in subdivision 2; or

76.18 (3) if the governor waives application of subdivision 2.

76.19 Sec. 8. Minnesota Statutes 2008, section 16C.28, subdivision 1a, is amended to read:

76.20 Subd. 1a. **Establishment and purpose.** (a) The state recognizes the importance of
 76.21 the inclusion of a best value contracting system for construction as an alternative to the
 76.22 current low-bid system of procurement. In order to accomplish that goal, state and local
 76.23 governmental entities shall be able to choose the best value system in different phases.

76.24 (b) "Best value" means the procurement method defined in section 16C.02,
 76.25 subdivision 4a.

76.26 (c) The following entities are eligible to participate in phase I:

76.27 (1) state agencies;

76.28 (2) counties;

76.29 (3) cities; and

76.30 (4) school districts with the highest 25 percent enrollment of students in the state.

76.31 Phase I begins on July 1, 2007.

76.32 (d) The following entities are eligible to participate in phase II:

76.33 (1) those entities included in phase I; and

76.34 (2) school districts with the highest 50 percent enrollment of students in the state.

76.35 Phase II begins two years from July 1, 2007.

77.1 (e) The following entities are eligible to participate in phase III:

77.2 (1) all entities included in phases I and II; and

77.3 (2) all other townships, school districts, and political subdivisions in the state.

77.4 Phase III begins three years from July 1, 2007.

77.5 ~~(f) The commissioner or any agency for which competitive bids or proposals are~~
 77.6 ~~required may not use best value contracting as defined in section 16C.02, subdivision 4a,~~
 77.7 ~~for more than one project annually, or 20 percent of its projects, whichever is greater, in~~
 77.8 ~~each of the first three fiscal years in which best value construction contracting is used.~~

77.9 Sec. 9. Minnesota Statutes 2008, section 306.243, is amended by adding a subdivision
 77.10 to read:

77.11 Subd. 6. **Abandonment; end of operation as cemetery.** A county that has accepted
 77.12 responsibility for an abandoned cemetery may prohibit further burials in the abandoned
 77.13 cemetery, and may cease all acceptance of responsibility for new burials.

77.14 Sec. 10. Minnesota Statutes 2008, section 344.18, is amended to read:

77.15 **344.18 COMPENSATION OF VIEWERS.**

77.16 Fence viewers must be paid for their services by the person employing them ~~at the~~
 77.17 ~~rate of \$15 each for each day's employment. \$60 must be deposited with the town or city~~
 77.18 ~~treasurer before the service is performed. Upon completion of the service, any of the \$60~~
 77.19 ~~not spent to compensate the fence viewers must be returned to the depositor. The town~~
 77.20 board may by resolution require the person employing the fence viewers to post a bond or
 77.21 other security acceptable to the board for the total estimated costs before the viewing takes
 77.22 place. The total estimated costs may include the cost of professional and other services,
 77.23 hearing costs, administrative costs, recording costs, and other costs and expenses which
 77.24 the town may incur in connection with the viewing.

77.25 Sec. 11. Minnesota Statutes 2008, section 365.28, is amended to read:

77.26 **365.28 PUBLIC BURIAL GROUND IS TOWN'S AFTER TEN YEARS.**

77.27 A tract of land in a town becomes town property after it has been used as a public
 77.28 burial ground for ten years if the tract is not owned by a cemetery association. The town
 77.29 board shall control the burial ground as it controls other town cemeteries. A town that has
 77.30 assumed ownership of a cemetery may prohibit further burials in it.

77.31 Sec. 12. Minnesota Statutes 2008, section 429.041, subdivision 1, is amended to read:

78.1 Subdivision 1. **Plans and specifications, advertisement for bids.** When the
78.2 council determines to make any improvement, it shall let the contract for all or part of
78.3 the work, or order all or part of the work done by day labor or otherwise as authorized by
78.4 subdivision 2, no later than one year after the adoption of the resolution ordering such
78.5 improvement, unless a different time limit is specifically stated in the resolution ordering
78.6 the improvement. The council shall cause plans and specifications of the improvement
78.7 to be made, or if previously made, to be modified, if necessary, and to be approved and
78.8 filed with the clerk, and if the estimated cost exceeds ~~\$50,000~~ the amount in section
78.9 471.345, subdivision 3, shall advertise for bids for the improvement in the newspaper and
78.10 such other papers and for such length of time as it may deem advisable. If the estimated
78.11 cost exceeds ~~\$100,000~~ twice the amount in section 471.345, subdivision 3, publication
78.12 shall be made no less than three weeks before the last day for submission of bids once
78.13 in the newspaper and at least once in either a newspaper published in a city of the first
78.14 class or a trade paper. To be eligible as such a trade paper, a publication shall have all
78.15 the qualifications of a legal newspaper except that instead of the requirement that it shall
78.16 contain general and local news, such trade paper shall contain building and construction
78.17 news of interest to contractors in this state, among whom it shall have a general circulation.
78.18 The advertisement shall specify the work to be done, shall state the time when the bids
78.19 will be publicly opened for consideration by the council, which shall be not less than ten
78.20 days after the first publication of the advertisement when the estimated cost is less than
78.21 ~~\$100,000~~ twice the amount in section 471.345, subdivision 3, and not less than three
78.22 weeks after such publication in other cases, and shall state that no bids will be considered
78.23 unless sealed and filed with the clerk and accompanied by a cash deposit, cashier's check,
78.24 bid bond, or certified check payable to the clerk, for such percentage of the amount of the
78.25 bid as the council may specify. In providing for the advertisement for bids the council
78.26 may direct that the bids shall be opened publicly by two or more designated officers or
78.27 agents of the municipality and tabulated in advance of the meeting at which they are to
78.28 be considered by the council. Nothing herein shall prevent the council from advertising
78.29 separately for various portions of the work involved in an improvement, or from itself,
78.30 supplying by such means as may be otherwise authorized by law, all or any part of the
78.31 materials, supplies, or equipment to be used in the improvement or from combining two or
78.32 more improvements in a single set of plans and specifications or a single contract.

78.33 Sec. 13. Minnesota Statutes 2008, section 429.041, subdivision 2, is amended to read:

78.34 Subd. 2. **Contracts; day labor.** In contracting for an improvement, the council shall
78.35 require the execution of one or more written contracts and bonds, conditioned as required

79.1 by law. The council shall award the contract to the lowest responsible bidder or it may
79.2 reject all bids. If any bidder to whom a contract is awarded fails to enter promptly into
79.3 a written contract and to furnish the required bond, the defaulting bidder shall forfeit to
79.4 the municipality the amount of the defaulter's cash deposit, cashier's check, bid bond, or
79.5 certified check, and the council may thereupon award the contract to the next lowest
79.6 responsible bidder. When it appears to the council that the cost of the entire work projected
79.7 will be less than ~~\$50,000~~ the amount in section 471.345, subdivision 3, or whenever no
79.8 bid is submitted after proper advertisement or the only bids submitted are higher than
79.9 the engineer's estimate, the council may advertise for new bids or, without advertising
79.10 for bids, directly purchase the materials for the work and do it by the employment of day
79.11 labor or in any other manner the council considers proper. The council may have the
79.12 work supervised by the city engineer or other qualified person but shall have the work
79.13 supervised by a registered engineer if done by day labor and it appears to the council that
79.14 the entire cost of all work and materials for the improvement will be more than ~~\$25,000~~
79.15 the lowest amount in section 471.345, subdivision 4. In case of improper construction
79.16 or unreasonable delay in the prosecution of the work by the contractor, the council may
79.17 order and cause the suspension of the work at any time and relet the contract, or order
79.18 a reconstruction of any portion of the work improperly done, and where the cost of
79.19 completion or reconstruction necessary will be less than ~~\$50,000~~ the amount in section
79.20 471.345, subdivision 3, the council may do it by the employment of day labor.

79.21 Sec. 14. Minnesota Statutes 2008, section 469.015, is amended to read:

79.22 **469.015 LETTING OF CONTRACTS; PERFORMANCE BONDS.**

79.23 Subdivision 1. **Bids; notice.** All construction work, and work of demolition or
79.24 clearing, and every purchase of equipment, supplies, or materials, necessary in carrying
79.25 out the purposes of sections 469.001 to 469.047, that involve expenditure of ~~\$50,000~~ the
79.26 amount in section 471.345, subdivision 3, or more shall be awarded by contract. Before
79.27 receiving bids the authority shall publish, once a week for two consecutive weeks in an
79.28 official newspaper of general circulation in the community a notice that bids will be
79.29 received for that construction work, or that purchase of equipment, supplies, or materials.
79.30 The notice shall state the nature of the work and the terms and conditions upon which the
79.31 contract is to be let, naming a time and place where bids will be received, opened and read
79.32 publicly, which time shall be not less than seven days after the date of the last publication.
79.33 After the bids have been received, opened and read publicly and recorded, the authority
79.34 shall award the contract to the lowest responsible bidder, provided that the authority
79.35 reserves the right to reject any or all bids. Each contract shall be executed in writing, and

80.1 the person to whom the contract is awarded shall give sufficient bond to the authority for its
80.2 faithful performance. If no satisfactory bid is received, the authority may readvertise. The
80.3 authority may establish reasonable qualifications to determine the fitness and responsibility
80.4 of bidders and to require bidders to meet the qualifications before bids are accepted.

80.5 Subd. 1a. **Best value alternative.** As an alternative to the procurement method
80.6 described in subdivision 1, the authority may issue a request for proposals and award the
80.7 contract to the vendor or contractor offering the best value under a request for proposals as
80.8 described in section 16C.28, subdivision 1, paragraph (a), clause (2), and paragraph (c).

80.9 Subd. 2. **Exception; emergency.** If the authority by a vote of four-fifths of its
80.10 members shall declare that an emergency exists requiring the immediate purchase of any
80.11 equipment or material or supplies at a cost in excess of ~~\$50,000~~ the amount in section
80.12 471.345, subdivision 3, but not exceeding ~~\$75,000~~ half again as much as the amount in
80.13 section 471.345, subdivision 3, or making of emergency repairs, it shall not be necessary
80.14 to advertise for bids, but the material, equipment, or supplies may be purchased in the
80.15 open market at the lowest price obtainable, or the emergency repairs may be contracted for
80.16 or performed without securing formal competitive bids. An emergency, for purposes of
80.17 this subdivision, shall be understood to be unforeseen circumstances or conditions which
80.18 result in the placing in jeopardy of human life or property.

80.19 Subd. 3. **Performance and payment bonds.** Performance and payment bonds shall
80.20 be required from contractors for any works of construction as provided in and subject
80.21 to all the provisions of sections 574.26 to 574.31 except for contracts entered into by
80.22 an authority for an expenditure of less than ~~\$50,000~~ the minimum threshold amount in
80.23 section 471.345, subdivision 3.

80.24 Subd. 4. **Exceptions.** (a) An authority need not require competitive bidding in the
80.25 following circumstances:

80.26 (1) in the case of a contract for the acquisition of a low-rent housing project:

80.27 (i) for which financial assistance is provided by the federal government;

80.28 (ii) which does not require any direct loan or grant of money from the municipality
80.29 as a condition of the federal financial assistance; and

80.30 (iii) for which the contract provides for the construction of the project upon land that
80.31 is either owned by the authority for redevelopment purposes or not owned by the authority
80.32 at the time of the contract but the contract provides for the conveyance or lease to the
80.33 authority of the project or improvements upon completion of construction;

80.34 (2) with respect to a structured parking facility:

80.35 (i) constructed in conjunction with, and directly above or below, a development; and

81.1 (ii) financed with the proceeds of tax increment or parking ramp general obligation
81.2 or revenue bonds;

81.3 (3) until August 1, 2009, with respect to a facility built for the purpose of facilitating
81.4 the operation of public transit or encouraging its use:

81.5 (i) constructed in conjunction with, and directly above or below, a development; and

81.6 (ii) financed with the proceeds of parking ramp general obligation or revenue bonds
81.7 or with at least 60 percent of the construction cost being financed with funding provided
81.8 by the federal government; and

81.9 (4) in the case of any building in which at least 75 percent of the usable square
81.10 footage constitutes a housing development project if:

81.11 (i) the project is financed with the proceeds of bonds issued under section 469.034 or
81.12 from nongovernmental sources;

81.13 (ii) the project is either located on land that is owned or is being acquired by the
81.14 authority only for development purposes, or is not owned by the authority at the time the
81.15 contract is entered into but the contract provides for conveyance or lease to the authority
81.16 of the project or improvements upon completion of construction; and

81.17 (iii) the authority finds and determines that elimination of the public bidding
81.18 requirements is necessary in order for the housing development project to be economical
81.19 and feasible.

81.20 (b) An authority need not require a performance bond for the following projects:

81.21 (1) a contract described in paragraph (a), clause (1);

81.22 (2) a construction change order for a housing project in which 30 percent of the
81.23 construction has been completed;

81.24 (3) a construction contract for a single-family housing project in which the authority
81.25 acts as the general construction contractor; or

81.26 (4) a services or materials contract for a housing project.

81.27 For purposes of this paragraph, "services or materials contract" does not include
81.28 construction contracts.

81.29 Subd. 5. **Security in lieu of bond.** The authority may accept a certified check or
81.30 cashier's check in the same amount as required for a bond in lieu of a performance bond
81.31 for contracts entered into by an authority for an expenditure of less than ~~\$50,000~~ the
81.32 minimum threshold amount in section 471.345, subdivision 3. The check must be held by
81.33 the authority for 90 days after the contract has been completed. If no suit is brought within
81.34 the 90 days, the authority must return the amount of the check to the person making it. If a
81.35 suit is brought within the 90-day period, the authority must disburse the amount of the
81.36 check pursuant to the order of the court.

82.1 Sec. 15. Minnesota Statutes 2008, section 641.12, subdivision 1, is amended to read:

82.2 Subdivision 1. **Fee.** A county board may require that each person who is booked for
 82.3 confinement at a county or regional jail, and not released upon completion of the booking
 82.4 process, pay a fee ~~of up to \$10~~ to the sheriff's department of the county in which the jail
 82.5 is located to cover costs incurred by the county in the booking of that person. The fee
 82.6 is payable immediately from any money then possessed by the person being booked, or
 82.7 any money deposited with the sheriff's department on the person's behalf. If the person
 82.8 has no funds at the time of booking or during the period of any incarceration, the sheriff
 82.9 shall notify the district court in the county where the charges related to the booking are
 82.10 pending, and shall request the assessment of the fee. Notwithstanding section 609.10 or
 82.11 609.125, upon notification from the sheriff, the district court must order the fee paid to the
 82.12 sheriff's department as part of any sentence or disposition imposed. If the person is not

83.30 School Districts No. 323, Franconia, and No. 815, Prinsburg, are also special taxing
83.31 districts for purposes of this section.

83.32 (e) At the meeting where a taxing authority, other than a town, adopts its proposed
83.33 tax levy under paragraph (a) or (b), the taxing authority shall announce the time and place
83.34 of its subsequent regularly scheduled meetings at which the budget levy will be discussed
83.35 and at which the public will be allowed to speak. The time and place of those meetings

84.6 Sec. 3. Minnesota Statutes 2008, section 275.065, subdivision 1a, is amended to read:

84.7 Subd. 1a. **Overlapping jurisdictions.** In the case of a taxing authority lying in two
 84.8 or more counties, the home county auditor shall certify the proposed levy and the proposed
 84.9 local tax rate to the other county auditor by ~~October 5~~ September 25, unless the home

 84.11 the home county auditor shall certify the proposed levy and the proposed local tax rate
 84.12 to the other county auditor by ~~October 10~~ September 30. The home county auditor must
 84.13 estimate the levy or rate in preparing the notices required in subdivision 3, if the other
 84.14 county has not certified the appropriate information. If requested by the home county
 84.15 auditor, the other county auditor must furnish an estimate to the home county auditor.

84.16 **EFFECTIVE DATE.** This section is effective for proposed notices prepared in
 84.17 2010 and thereafter, for property taxes payable in 2011 and thereafter.

84.18 Sec. 4. Minnesota Statutes 2008, section 275.065, subdivision 1c, is amended to read:

84.19 Subd. 1c. **Levy; shared, merged, consolidated services.** If two or more taxing
 84.20 authorities are in the process of negotiating an agreement for sharing, merging, or
 84.21 consolidating services between those taxing authorities at the time the proposed levy is to
 84.22 be certified under subdivision 1, each taxing authority involved in the negotiation shall
 84.23 certify its total proposed levy as provided in that subdivision, including a notification to the
 84.24 county auditor of the specific service involved in the agreement which is not yet finalized.
 84.25 The affected taxing authorities may amend their proposed levies under subdivision 1 until
 84.26 ~~October 10~~ September 25 for levy amounts relating only to the specific service involved.

84.27 **EFFECTIVE DATE.** This section is effective for proposed notices prepared in
 84.28 2010 and thereafter, for property taxes payable in 2011 and thereafter.

84.29 Sec. 5. Minnesota Statutes 2008, section 275.065, subdivision 3, is amended to read:

84.30 Subd. 3. **Notice of proposed property taxes.** (a) The county auditor shall prepare
 84.31 and the county treasurer shall deliver after ~~November 10~~ October 15 and on or before
 84.32 ~~November~~ October 24 each year, by first class mail to each taxpayer at the address listed

85.1 on the county's current year's assessment roll, a notice of proposed property taxes. Upon
85.2 written request by the taxpayer, the treasurer may send the notice in electronic form or by
85.3 electronic mail instead of on paper or by ordinary mail.

85.4 (b) The commissioner of revenue shall prescribe the form of the notice.

85.5 (c) The notice must inform taxpayers that it contains the amount of property taxes
85.6 each taxing authority proposes to collect for taxes payable the following year. In the
85.7 case of a town, or in the case of the state general tax, the final tax amount will be its
85.8 proposed tax. ~~In the case of taxing authorities required to hold a public meeting under~~
85.9 ~~subdivision 6, the notice must clearly state that each taxing authority, including regional~~
85.10 ~~library districts established under section 134.201, and including the metropolitan taxing~~
85.11 ~~districts as defined in paragraph (i), but excluding all other special taxing districts and~~
85.12 ~~towns, will hold a public meeting to receive public testimony on the proposed budget and~~
85.13 ~~proposed or final property tax levy, or, in case of a school district, on the current budget~~
85.14 ~~and proposed property tax levy. The notice must clearly state for each city, county, school~~
85.15 ~~district, regional library authority established under section 134.201, and metropolitan~~
85.16 ~~taxing districts as defined in paragraph (i), the time and place of the taxing authorities'~~
85.17 ~~regularly scheduled meetings occurring after October 24, at which the budget and levy~~
85.18 ~~will be discussed. The taxing authorities must provide the county auditor with the~~
85.19 ~~information to be included in the notice on or before the time it certifies its proposed levy~~
85.20 ~~under subdivision 1. The public shall be allowed to speak at that meeting. It must clearly~~
85.21 ~~state the time and place of each taxing authority's meeting; provide a telephone number for~~
85.22 the taxing authority that taxpayers may call if they have questions related to the notice;
85.23 and an address where comments will be received by mail.

85.24 (d) The notice must state for each parcel:

85.25 (1) the market value of the property as determined under section 273.11, and used
85.26 for computing property taxes payable in the following year and for taxes payable in the
85.27 current year as each appears in the records of the county assessor on ~~November~~ September
85.28 1 of the current year; and, in the case of residential property, whether the property is
85.29 classified as homestead or nonhomestead. The notice must clearly inform taxpayers of the
85.30 years to which the market values apply and that the values are final values;

85.31 (2) the items listed below, shown separately by county, city or town, and state general
85.32 tax, net of the residential and agricultural homestead credit under section 273.1384, voter
85.33 approved school levy, other local school levy, and the sum of the special taxing districts,
85.34 and as a total of all taxing authorities:

85.35 (i) the actual tax for taxes payable in the current year; and

85.36 (ii) the proposed tax amount.

86.1 If the county levy under clause (2) includes an amount for a lake improvement
86.2 district as defined under sections 103B.501 to 103B.581, the amount attributable for that
86.3 purpose must be separately stated from the remaining county levy amount.

86.4 In the case of a town or the state general tax, the final tax shall also be its proposed
86.5 tax unless the town changes its levy at a special town meeting under section 365.52. If a
86.6 school district has certified under section 126C.17, subdivision 9, that a referendum will
86.7 be held in the school district at the November general election, the county auditor must
86.8 note next to the school district's proposed amount that a referendum is pending and that, if
86.9 approved by the voters, the tax amount may be higher than shown on the notice. In the
86.10 case of the city of Minneapolis, the levy for Minneapolis Park and Recreation shall be
86.11 listed separately from the remaining amount of the city's levy. In the case of the city of
86.12 St. Paul, the levy for the St. Paul Library Agency must be listed separately from the
86.13 remaining amount of the city's levy. In the case of Ramsey County, any amount levied
86.14 under section 134.07 may be listed separately from the remaining amount of the county's
86.15 levy. In the case of a parcel where tax increment or the fiscal disparities areawide tax
86.16 under chapter 276A or 473F applies, the proposed tax levy on the captured value or the
86.17 proposed tax levy on the tax capacity subject to the areawide tax must each be stated
86.18 separately and not included in the sum of the special taxing districts; and

86.19 (3) the increase or decrease between the total taxes payable in the current year and
86.20 the total proposed taxes, expressed as a percentage.

86.21 For purposes of this section, the amount of the tax on homesteads qualifying under
86.22 the senior citizens' property tax deferral program under chapter 290B is the total amount
86.23 of property tax before subtraction of the deferred property tax amount.

86.24 (e) The notice must clearly state that the proposed or final taxes do not include
86.25 the following:

86.26 (1) special assessments;

86.27 (2) levies approved by the voters after the date the proposed taxes are certified,
86.28 including bond referenda and school district levy referenda;

86.29 (3) a levy limit increase approved by the voters by the first Tuesday after the first
86.30 Monday in November of the levy year as provided under section 275.73;

86.31 (4) amounts necessary to pay cleanup or other costs due to a natural disaster
86.32 occurring after the date the proposed taxes are certified;

86.33 (5) amounts necessary to pay tort judgments against the taxing authority that become
86.34 final after the date the proposed taxes are certified; and

86.35 (6) the contamination tax imposed on properties which received market value
86.36 reductions for contamination.

87.1 (f) Except as provided in subdivision 7, failure of the county auditor to prepare or
87.2 the county treasurer to deliver the notice as required in this section does not invalidate the
87.3 proposed or final tax levy or the taxes payable pursuant to the tax levy.

87.4 (g) If the notice the taxpayer receives under this section lists the property as
87.5 nonhomestead, and satisfactory documentation is provided to the county assessor by the
87.6 applicable deadline, and the property qualifies for the homestead classification in that
87.7 assessment year, the assessor shall reclassify the property to homestead for taxes payable
87.8 in the following year.

87.9 (h) In the case of class 4 residential property used as a residence for lease or rental
87.10 periods of 30 days or more, the taxpayer must either:

87.11 (1) mail or deliver a copy of the notice of proposed property taxes to each tenant,
87.12 renter, or lessee; or

87.13 (2) post a copy of the notice in a conspicuous place on the premises of the property.

87.14 The notice must be mailed or posted by the taxpayer by ~~November~~ October 27 or
87.15 within three days of receipt of the notice, whichever is later. A taxpayer may notify the
87.16 county treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises
87.17 to which the notice must be mailed in order to fulfill the requirements of this paragraph.

87.18 (i) For purposes of this subdivision, ~~subdivisions~~ subdivision 5a and 6,
87.19 "metropolitan special taxing districts" means the following taxing districts in the
87.20 seven-county metropolitan area that levy a property tax for any of the specified purposes
87.21 listed below:

87.22 (1) Metropolitan Council under section 473.132, 473.167, 473.249, 473.325,
87.23 473.446, 473.521, 473.547, or 473.834;

87.24 (2) Metropolitan Airports Commission under section 473.667, 473.671, or 473.672;
87.25 and

87.26 (3) Metropolitan Mosquito Control Commission under section 473.711.

87.27 For purposes of this section, any levies made by the regional rail authorities in the
87.28 county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter
87.29 398A shall be included with the appropriate county's levy ~~and shall be discussed at that~~
87.30 ~~county's public hearing.~~

87.31 (j) The governing body of a county, city, or school district may, with the consent
87.32 of the county board, include supplemental information with the statement of proposed
87.33 property taxes about the impact of state aid increases or decreases on property tax
87.34 increases or decreases and on the level of services provided in the affected jurisdiction.
87.35 This supplemental information may include information for the following year, the current

88.1 year, and for as many consecutive preceding years as deemed appropriate by the governing
88.2 body of the county, city, or school district. It may include only information regarding:

- 88.3 (1) the impact of inflation as measured by the implicit price deflator for state and
88.4 local government purchases;
- 88.5 (2) population growth and decline;
- 88.6 (3) state or federal government action; and
- 88.7 (4) other financial factors that affect the level of property taxation and local services
88.8 that the governing body of the county, city, or school district may deem appropriate to
88.9 include.

88.10 The information may be presented using tables, written narrative, and graphic
88.11 representations and may contain instruction toward further sources of information or
88.12 opportunity for comment.

88.13 **EFFECTIVE DATE.** This section is effective for taxes payable in 2010 and
88.14 thereafter, except that the changes advancing the dates for preparing and mailing the
88.15 notices are effective for proposed notices in 2010, for taxes payable in 2011 and thereafter.

88.16 Sec. 6. Minnesota Statutes 2008, section 275.065, subdivision 6, is amended to read:

88.17 Subd. 6. ~~Public hearing; Adoption of budget and levy. (a) For purposes of this~~
88.18 ~~section, the following terms shall have the meanings given:~~

88.19 (1) ~~"Initial hearing" means the first and primary hearing held to discuss the taxing~~
88.20 ~~authority's proposed budget and proposed property tax levy for taxes payable in the~~
88.21 ~~following year, or, for school districts, the current budget and the proposed property tax~~
88.22 ~~levy for taxes payable in the following year.~~

88.23 (2) ~~"Continuation hearing" means a hearing held to complete the initial hearing, if~~
88.24 ~~the initial hearing is not completed on its scheduled date.~~

88.25 (3) ~~"Subsequent hearing" means the hearing held to adopt the taxing authority's final~~

88.27 ~~budget, for taxes payable in the following year.~~

88.28 (b) ~~Between November 29 and December 20, the governing bodies of a city that has a~~
88.29 ~~population over 500, county, metropolitan special taxing districts as defined in subdivision~~
88.30 ~~3, paragraph (i), and regional library districts shall each hold an initial public hearing~~
88.31 ~~to discuss and seek public comment on its final budget and property tax levy for taxes~~
88.32 ~~payable in the following year, and the governing body of the school district shall hold an~~
88.33 ~~initial public hearing to review its current budget and proposed property tax levy for taxes~~
88.34 ~~payable in the following year. The metropolitan special taxing districts shall be required to~~
88.35 ~~hold only a single joint initial public hearing, the location of which will be determined by~~

89.1 ~~the affected metropolitan agencies. A city, county, metropolitan special taxing district as~~
89.2 ~~defined in subdivision 3, paragraph (i), regional library district established under section~~
89.3 ~~134.201, or school district is not required to hold a public hearing under this subdivision~~
89.4 ~~unless its proposed property tax levy for taxes payable in the following year, as certified~~
89.5 ~~under subdivision 1, has increased over its final property tax levy for taxes payable in the~~
89.6 ~~current year by a percentage that is greater than the percentage increase in the implicit~~
89.7 ~~price deflator for government consumption expenditures and gross investment for state~~
89.8 ~~and local governments prepared by the Bureau of Economic Analysts of the United States~~
89.9 ~~Department of Commerce for the 12-month period ending March 31 of the current year.~~

89.10 ~~(c) The initial hearing must be held after 5:00 p.m. if scheduled on a day other than~~
89.11 ~~Saturday. No initial hearing may be held on a Sunday.~~

89.12 ~~(d) At the initial hearing under this subdivision, the percentage increase in property~~
89.13 ~~taxes proposed by the taxing authority, if any, and the specific purposes for which property~~
89.14 ~~tax revenues are being increased must be discussed. During the discussion, the governing~~
89.15 ~~body shall hear comments regarding a proposed increase and explain the reasons for the~~
89.16 ~~proposed increase. The public shall be allowed to speak and to ask questions. At the public~~
89.17 ~~hearing, the school district must also provide and discuss information on the distribution~~
89.18 ~~of its revenues by revenue source, and the distribution of its spending by program area.~~

89.19 ~~(e) If the initial hearing is not completed on its scheduled date, the taxing authority~~
89.20 ~~must announce, prior to adjournment of the hearing, the date, time, and place for the~~
89.21 ~~continuation of the hearing. The continuation hearing must be held at least five business~~
89.22 ~~days but no more than 14 business days after the initial hearing. A continuation hearing~~
89.23 ~~may not be held later than December 20 except as provided in paragraphs (f) and (g).~~
89.24 ~~A continuation hearing must be held after 5:00 p.m. if scheduled on a day other than~~
89.25 ~~Saturday. No continuation hearing may be held on a Sunday.~~

89.26 ~~(f) The governing body of a county shall hold its initial hearing on the first Thursday~~
89.27 ~~in December each year, and may hold additional initial hearings on other dates before~~
89.28 ~~December 20 if necessary for the convenience of county residents. If the county needs a~~
89.29 ~~continuation of its hearing, the continuation hearing shall be held on the third Tuesday~~
89.30 ~~in December. If the third Tuesday in December falls on December 21, the county's~~
89.31 ~~continuation hearing shall be held on Monday, December 20.~~

89.32 ~~(g) The metropolitan special taxing districts shall hold a joint initial public hearing~~
89.33 ~~on the first Wednesday of December. A continuation hearing, if necessary, shall be held on~~
89.34 ~~the second Wednesday of December even if that second Wednesday is after December 10.~~

90.1 ~~(h) The county auditor shall provide for the coordination of initial and continuation~~
90.2 ~~hearing dates for all school districts and cities within the county to prevent conflicts under~~
90.3 ~~clauses (i) and (j):~~

90.4 ~~(i) By August 10, each school board and the board of the regional library district~~
90.5 ~~shall certify to the county auditors of the counties in which the school district or regional~~
90.6 ~~library district is located the dates on which it elects to hold its initial hearing and any~~
90.7 ~~continuation hearing. If a school board or regional library district does not certify these~~
90.8 ~~dates by August 10, the auditor will assign the initial and continuation hearing dates. The~~
90.9 ~~dates elected or assigned must not conflict with the initial and continuation hearing dates~~
90.10 ~~of the county or the metropolitan special taxing districts:~~

90.11 ~~(j) By August 20, the county auditor shall notify the clerks of the cities within the~~
90.12 ~~county of the dates on which school districts and regional library districts have elected to~~
90.13 ~~hold their initial and continuation hearings. At the time a city certifies its proposed levy~~
90.14 ~~under subdivision 1 it shall certify the dates on which it elects to hold its initial hearing and~~
90.15 ~~any continuation hearing. Until September 15, the first and second Mondays of December~~
90.16 ~~are reserved for the use of the cities. If a city does not certify its hearing dates by~~
90.17 ~~September 15, the auditor shall assign the initial and continuation hearing dates. The dates~~
90.18 ~~elected or assigned for the initial hearing must not conflict with the initial hearing dates~~
90.19 ~~of the county, metropolitan special taxing districts, regional library districts, or school~~
90.20 ~~districts within which the city is located. To the extent possible, the dates of the city's~~
90.21 ~~continuation hearing should not conflict with the continuation hearing dates of the county,~~
90.22 ~~metropolitan special taxing districts, regional library districts, or school districts within~~
90.23 ~~which the city is located. This paragraph does not apply to cities of 500 population or less:~~

90.24 ~~(k) The county initial hearing date and the city, metropolitan special taxing district,~~
90.25 ~~regional library district, and school district initial hearing dates must be designated on~~
90.26 ~~the notices required under subdivision 3. The continuation hearing dates need not be~~
90.27 ~~stated on the notices:~~

90.28 ~~(l) At a subsequent hearing, each county, school district, city over 500 population,~~
90.29 ~~and metropolitan special taxing district may amend its proposed property tax levy~~
90.30 ~~and must adopt a final property tax levy. Each county, city over 500 population, and~~
90.31 ~~metropolitan special taxing district may also amend its proposed budget and must adopt a~~
90.32 ~~final budget at the subsequent hearing. The final property tax levy must be adopted prior~~
90.33 ~~to adopting the final budget. A school district is not required to adopt its final budget at the~~
90.34 ~~subsequent hearing. The subsequent hearing of a taxing authority must be held on a date~~
90.35 ~~subsequent to the date of the taxing authority's initial public hearing. If a continuation~~
90.36 ~~hearing is held, the subsequent hearing must be held either immediately following the~~

91.1 ~~continuation hearing or on a date subsequent to the continuation hearing. The subsequent~~
 91.2 ~~hearing may be held at a regularly scheduled board or council meeting or at a special~~
 91.3 ~~meeting scheduled for the purposes of the subsequent hearing. The subsequent hearing~~
 91.4 ~~of a taxing authority does not have to be coordinated by the county auditor to prevent a~~
 91.5 ~~conflict with an initial hearing, a continuation hearing, or a subsequent hearing of any~~
 91.6 ~~other taxing authority. All subsequent hearings must be held prior to five working days~~
 91.7 ~~after December 20 of the levy year. The date, time, and place of the subsequent hearing~~
 91.8 ~~must be announced at the initial public hearing or at the continuation hearing.~~

91.9 ~~(m)~~ (a) The property tax levy certified under section 275.07 by a city of any
 91.10 population, county, metropolitan special taxing district, regional library district, or school
 91.11 district must not exceed the proposed levy determined under subdivision 1, except by an
 91.12 amount up to the sum of the following amounts:

91.13 (1) the amount of a school district levy whose voters approved a referendum to

 92.2 thereafter.

92.3 Sec. 7. Minnesota Statutes 2008, section 275.07, subdivision 1, is amended to read:

92.4 Subdivision 1. **Certification of levy.** (a) Except as provided under paragraph (b),
 92.5 the taxes voted by cities, counties, school districts, and special districts shall be certified
 92.6 by the proper authorities to the county auditor on or before five working days after

 92.8 the county auditor by September ~~15~~ 5 each year. If the town board modifies the levy at
 92.9 a special town meeting after September ~~15~~ 5, the town board must recertify its levy to

 92.14 103B.251 shall be separately certified by the county to the county auditor on or before
 92.15 five working days after December ~~20~~ 10 in each year. The taxes certified shall not be
 92.16 reduced by the county auditor by the aid received under section 273.1398, subdivision

 92.18 it for the preceding year.

92.19 (ii) For purposes of the proposed property tax notice under section 275.065 and
 92.20 the property tax statement under section 276.04, for the first year in which the county
 92.21 implements the provisions of this paragraph, the county auditor shall reduce the county's
 92.22 levy for the preceding year to reflect any amount levied for water management purposes
 92.23 under clause (i) included in the county's levy.

92.24 **EFFECTIVE DATE.** This section is effective for property taxes payable in 2011
 92.25 and thereafter.

92.26 Sec. 8. Minnesota Statutes 2008, section 275.07, subdivision 4, is amended to read:

92.27 Subd. 4. **Report to commissioner.** (a) On or before ~~October 8~~ September 20 of
 92.28 each year, the county auditor shall report to the commissioner of revenue the proposed
 92.29 levy certified by local units of government under section 275.065, subdivision 1. If
 92.30 any taxing authorities have notified the county auditor that they are in the process of
 92.31 negotiating an agreement for sharing, merging, or consolidating services but that when
 92.32 the proposed levy was certified under section 275.065, subdivision 1c, the agreement was
 92.33 not yet finalized, the county auditor shall supply that information to the commissioner

93.1 when filing the report under this section and shall recertify the affected levies as soon as
 93.2 practical after ~~October 10~~ September 25.

93.3 (b) On or before January ~~15~~ 5 of each year, the county auditor shall report to the
 93.4 commissioner of revenue the final levy certified by local units of government under
 93.5 subdivision 1.

93.10 Subd. 5. **Determination of county tax rate.** The eligible county's proposed and
 93.11 final tax rates shall be determined by dividing the certified levy by the total taxable net tax
 93.12 capacity, without regard to any abatements granted under this section. ~~The county board~~
 93.13 ~~shall make available the estimated amount of the abatement at the public hearing under~~
 93.14 ~~section 275.065, subdivision 6.~~

93.15 **EFFECTIVE DATE.** This section is effective for taxes payable in 2010 and
 93.16 thereafter.

93.17 Sec. 10. Minnesota Statutes 2008, section 383A.75, subdivision 3, is amended to read:

93.18 Subd. 3. **Duties.** The committee is authorized to and shall meet from time to time
 93.19 to make appropriate recommendations for the efficient and effective use of property tax
 93.20 dollars raised by the jurisdictions for programs, buildings, and operations. In addition,
 93.21 the committee shall:

93.22 (1) identify trends and factors likely to be driving budget outcomes over the next
 93.23 five years with recommendations for how the jurisdictions should manage those trends
 93.24 and factors to increase efficiency and effectiveness;

93.25 (2) agree, by October 1 of each year, on the appropriate level of overall property tax
 93.26 levy for the three jurisdictions and publicly report such to the governing bodies of each
 93.27 jurisdiction for ratification or modification by resolution; and

93.28 ~~(3) plan for the joint truth-in-taxation hearings under section 275.065, subdivision~~
 93.29 ~~8; and~~

93.30 ~~(4)~~ (3) identify, by December 31 of each year, areas of the budget to be targeted in
 93.31 the coming year for joint review to improve services or achieve efficiencies.

94.1 In carrying out its duties, the committee shall consult with public employees of
 94.2 each jurisdiction and with other stakeholders of the city, county, and school district, as
 94.3 appropriate.

94.4 **EFFECTIVE DATE.** This section is effective for taxes payable in 2010 and
 94.5 thereafter.

94.6 Sec. 11. Minnesota Statutes 2008, section 446A.086, subdivision 8, is amended to read:

94.7 Subd. 8. **Tax levy for repayment.** (a) With the approval of the authority, a
 94.8 governmental unit may levy in the year the state makes a payment under this section an
 94.9 amount up to the amount necessary to provide funds for the repayment of the amount paid
 94.10 by the state plus interest through the date of estimated repayment by the governmental
 94.11 unit. The proceeds of this levy may be used only for this purpose unless they exceed the
 94.12 amount actually due. Any excess must be used to repay other state payments made under
 94.13 this section or must be deposited in the debt redemption fund of the governmental unit.
 94.14 The amount of aids to be reduced to repay the state are decreased by the amount levied.

94.15 (b) If the state is not repaid in full for a payment made under this section by
 94.16 November 30 of the calendar year following the year in which the state makes the
 94.17 payment, the authority shall require the governmental unit to certify a property tax levy in
 94.18 an amount up to the amount necessary to provide funds for repayment of the amount paid
 94.19 by the state plus interest through the date of estimated repayment by the governmental unit.
 94.20 To prevent undue hardship, the authority may allow the governmental unit to certify the
 94.21 levy over a five-year period. The proceeds of the levy may be used only for this purpose
 94.22 unless they are in excess of the amount actually due, in which case the excess must be used
 94.23 to repay other state payments made under this section or must be deposited in the debt
 94.24 redemption fund of the governmental unit. If the authority orders the governmental unit to
 94.25 levy, the amount of aids reduced to repay the state are decreased by the amount levied.

94.26 ~~(c) A levy under this subdivision is an increase in the levy limits of the governmental~~
 94.27 ~~unit for purposes of section 275.065, subdivision 6, and must be explained as a specific~~
 94.28 ~~increase at the meeting required under that provision.~~

94.29 **EFFECTIVE DATE.** This section is effective for taxes payable in 2010 and
 94.30 thereafter.

94.31 Sec. 12. Minnesota Statutes 2008, section 465.719, subdivision 9, is amended to read:

94.32 Subd. 9. **Application of other laws.** A corporation created by a political subdivision
 94.33 under this section must comply with every law that applies to the political subdivision,

95.1 as if the corporation is a part of the political subdivision, unless the resolution ratifying
 95.2 creation of the corporation specifically exempts the corporation from part or all of a law.
 95.3 If the resolution exempts the corporation from part or all of a law, the resolution must
 95.4 make a detailed and specific finding as to why the corporation cannot fulfill its purpose if
 95.5 the corporation is subject to that law. A corporation may not be exempted from chapter
 95.6 13D, the Minnesota Open Meeting Law, sections 138.163 to 138.25, governing records
 95.7 management, or chapter 13, the Minnesota Government Data Practices Act. Any affected
 95.8 or interested person may bring an action in district court to void the resolution on the
 95.9 grounds that the findings are not sufficiently detailed and specific, or that the corporation
 95.10 can fulfill its purpose if it is subject to the law from which the resolution exempts the
 95.11 corporation. Laws that apply to a political subdivision that also apply to a corporation
 95.12 created by a political subdivision under this subdivision include, but are not limited to:

- 95.13 (1) chapter 13D, the Minnesota Open Meeting Law;
- 95.14 (2) chapter 13, the Minnesota Government Data Practices Act;
- 95.15 (3) section 471.345, the Uniform Municipal Contracting Law;
- 95.16 (4) sections 43A.17, limiting the compensation of employees based on the governor's
 95.17 salary; 471.991 to 471.999, providing for equitable pay; and 465.72 and 465.722,
 95.18 governing severance pay;
- 95.19 ~~(5) section 275.065, providing for truth-in-taxation hearings. If any tax revenues of~~
 95.20 ~~the political subdivision will be appropriated to the corporation, the corporation's annual~~
 95.21 ~~operating and capital budgets must be included in the truth-in-taxation hearing of the~~
 95.22 ~~political subdivision that created the corporation;~~
- 95.23 ~~(6)~~ (5) if the corporation issues debt, its debt is included in the political subdivision's
 95.24 debt limit if it would be included if issued by the political subdivision, and issuance of the
 95.25 debt is subject to the election and other requirements of chapter 475 and section 471.69;
- 95.26 ~~(7)~~ (6) section 471.895, prohibiting acceptance of gifts from interested parties, and
 95.27 sections 471.87 to 471.89, relating to interests in contracts;
- 95.28 ~~(8)~~ (7) chapter 466, relating to municipal tort liability;
- 95.29 ~~(9)~~ (8) chapter 118A, requiring deposit insurance or bond or pledged collateral for
 95.30 deposits;
- 95.31 ~~(10)~~ (9) chapter 118A, restricting investments;
- 95.32 ~~(11)~~ (10) section 471.346, requiring ownership of vehicles to be identified;
- 95.33 ~~(12)~~ (11) sections 471.38 to 471.41, requiring claims to be in writing, itemized, and
 95.34 approved by the governing board before payment can be made; and
- 95.35 ~~(13)~~ (12) the corporation cannot make advances of pay, make or guarantee loans to
 95.36 employees, or provide in-kind benefits unless authorized by law.

96.1 **EFFECTIVE DATE.** This section is effective for taxes payable in 2010 and
96.2 thereafter.

96.3 Sec. 13. Minnesota Statutes 2008, section 473.13, subdivision 1, is amended to read:

96.4 Subdivision 1. **Budget.** (a) On or before December ~~20~~ 10 of each year, the council;
96.5 ~~after the public hearing required in section 275.065~~; shall adopt a final budget covering its
96.6 anticipated receipts and disbursements for the ensuing year and shall decide upon the total
96.7 amount necessary to be raised from ad valorem tax levies to meet its budget. The budget
96.8 shall state in detail the expenditures for each program to be undertaken, including the
96.9 expenses for salaries, consultant services, overhead, travel, printing, and other items. The
96.10 budget shall state in detail the capital expenditures of the council for the budget year, based
96.11 on a five-year capital program adopted by the council and transmitted to the legislature.
96.12 After adoption of the budget and no later than five working days after December 20, the
96.13 council shall certify to the auditor of each metropolitan county the share of the tax to be
96.14 levied within that county, which must be an amount bearing the same proportion to the
96.15 total levy agreed on by the council as the net tax capacity of the county bears to the net tax
96.16 capacity of the metropolitan area. The maximum amount of any levy made for the purpose
96.17 of this chapter may not exceed the limits set by the statute authorizing the levy.

96.18 (b) Each even-numbered year the council shall prepare for its transit programs a
96.19 financial plan for the succeeding three calendar years, in half-year segments. The financial
96.20 plan must contain schedules of user charges and any changes in user charges planned or
96.21 anticipated by the council during the period of the plan. The financial plan must contain a
96.22 proposed request for state financial assistance for the succeeding biennium.

96.23 (c) In addition, the budget must show for each year:

96.24 (1) the estimated operating revenues from all sources including funds on hand at the
96.25 beginning of the year, and estimated expenditures for costs of operation, administration,
96.26 maintenance, and debt service;

96.27 (2) capital improvement funds estimated to be on hand at the beginning of the year
96.28 and estimated to be received during the year from all sources and estimated cost of capital
96.29 improvements to be paid out or expended during the year, all in such detail and form as
96.30 the council may prescribe; and

96.31 (3) the estimated source and use of pass-through funds.

96.32 **EFFECTIVE DATE.** This section is effective for taxes payable in 2010 and
96.33 thereafter, except that the date change in certifying the budget is effective for taxes
96.34 payable in 2011 and thereafter.

97.1 Sec. 14. **REPEALER.**

97.2 Minnesota Statutes 2008, section 275.065, subdivisions 5a, 6b, 6c, 8, 9, and 10, are
97.3 repealed.

97.4 **EFFECTIVE DATE.** This section is effective for taxes payable in 2010 and
97.5 thereafter.

97.6 **ARTICLE 6**
97.7 **PROPERTY TAX**

97.8 Section 1. Minnesota Statutes 2008, section 40A.09, is amended to read:

97.9 **40A.09 AGRICULTURAL PRESERVE; ELIGIBILITY.**

97.10 Subdivision 1. **Basic requirements.** An owner or owners of land that has been
97.11 designated for exclusive long-term agricultural use under a plan submitted to or approved
97.12 by the commissioner is eligible to apply for the creation of an agricultural preserve.
97.13 Eligibility continues unless the commissioner determines that the plan and official
97.14 controls do not address the elements contained in this chapter or unless the county fails to
97.15 implement the plan and official controls as required by this chapter.

97.16 Subd. 2. **Termination of eligibility.** (a) A parcel of property enrolled under this
97.17 section whose owner is subject to a final enforcement action for a violation of chapter 18B,
97.18 18C, 103E, 103F, 103G, or 103H, or any rule adopted under these chapters including but
97.19 not limited to the agricultural shoreland use standards in Minnesota Rules, chapter 6120,
97.20 occurring on the parcel, shall be removed from the program.

97.21 (b) For the purposes of this subdivision, "final enforcement action" means any
97.22 administrative, civil, or criminal penalty other than an initial verbal or written warning.
97.23 An enforcement action is not final until any time period for corrective action has expired,
97.24 and until the completion or expiration of any applicable review or appeal procedure or
97.25 period provided by law.

97.26 (c) When a final enforcement action is taken based on a violation occurring on a
97.27 parcel enrolled under sections 40A.09 to 40A.12, the law enforcement officer or other
97.28 person enforcing the law or rule must notify the county assessor. The county assessor
97.29 must then notify the property owner that the parcel is being removed from the program.
97.30 Any parcel for which the assessor has been notified prior to March 1 of any year shall
97.31 be removed from the program for taxes payable in the following year. The assessor shall
97.32 calculate (i) the amount of any credit received under section 273.119 for the current year,
97.33 and (ii) the difference between the actual tax on the parcel for the current year and the
97.34 tax that would apply if the value was not restricted under this section, and multiply the

98.1 result by the number of years that the parcel has been under its current ownership or
98.2 five, whichever is less. The resulting amount plus any special assessments that have
98.3 been deferred under this section shall be extended against the property on the tax list for
98.4 the current year, provided that no interest or penalties shall be levied on the additional
98.5 taxes if timely paid.

98.6 (d) Termination of eligibility under this subdivision shall not affect the covenant
98.7 required under section 40A.10. A parcel of property terminated under this subdivision may
98.8 not be reenrolled for a period of three years, unless it has been sold or transferred so that it
98.9 is no longer under the same ownership, in full or in part, as when the parcel was terminated.

98.10 **EFFECTIVE DATE.** This section is effective for taxes payable in 2011 and
98.11 thereafter.

98.12 Sec. 2. Minnesota Statutes 2008, section 272.02, subdivision 7, is amended to read:

98.13 Subd. 7. **Institutions of public charity.** (a) Institutions of purely public charity that
98.14 are exempt from federal income taxation under section 501(c)(3) of the Internal Revenue
98.15 Code are exempt; if they meet the requirements of this subdivision. In determining
98.16 whether real property is exempt under this subdivision, the following factors must be
98.17 considered:

98.18 (1) whether the stated purpose of the undertaking is to be helpful to others without
98.19 immediate expectation of material reward;

98.20 (2) whether the institution of public charity is supported by material donations, gifts,
98.21 or government grants for services to the public in whole or in part;

98.22 (3) whether a material number of the recipients of the charity receive benefits or
98.23 services at reduced or no cost, or whether the organization provides services to the public
98.24 that alleviate burdens or responsibilities that would otherwise be borne by the government;

98.25 (4) whether the income received, including material gifts and donations, produces a
98.26 profit to the charitable institution that is distributed to private interests;

98.27 (5) whether the beneficiaries of the charity are restricted or unrestricted, and, if
98.28 restricted, whether the class of persons to whom the charity is made available is one
98.29 having a reasonable relationship to the charitable objectives; and

98.30 (6) whether dividends, in form or substance, or assets upon dissolution, are available
98.31 to private interests.

98.32 A charitable organization must satisfy the factors in clauses (1) to (6) for its property
98.33 to be exempt under this subdivision, unless there is a reasonable justification for failing to
98.34 meet the factors in clause (2), (3), or (5). If there is reasonable justification for failing to
98.35 meet the factors in clause (2), (3), or (5), an organization is a purely public charity under

99.1 this subdivision without meeting those factors. After an exemption is properly granted
99.2 under this subdivision, it will remain in effect unless there is a material change in facts.

99.3 (b) For purposes of this subdivision, a grant is a written instrument or electronic
99.4 document defining a legal relationship between a granting agency and a grantee when
99.5 the principal purpose of the relationship is to transfer cash or something of value to the
99.6 grantee to support a public purpose authorized by law in a general manner instead of
99.7 acquiring by professional or technical contract, purchase, lease, or barter property or
99.8 services for the direct benefit or use of the granting agency.

99.9 (c) In determining whether rental housing property qualifies for exemption under
99.10 this subdivision, the following are not gifts or donations to the owner of the rental housing:

99.11 (1) rent assistance provided by the government to or on behalf of tenants; and
99.12 (2) financing assistance or tax credits provided by the government to the owner on
99.13 condition that specific units or a specific quantity of units be set aside for persons or
99.14 families with certain income characteristics.

99.15 **EFFECTIVE DATE.** This section is effective for taxes payable in 2010 and
99.16 thereafter.

99.17 Sec. 3. Minnesota Statutes 2008, section 272.02, is amended by adding a subdivision
99.18 to read:

99.19 Subd. 90. **Nursing homes.** A nursing home licensed under section 144A.02 or a
99.20 boarding care home certified as a nursing facility under title 19 of the Social Security
99.21 Act that is exempt from federal income taxation pursuant to section 501(c)(3) of the
99.22 Internal Revenue Code is exempt from property taxation if the nursing home or boarding
99.23 care home either:

99.24 (1) is certified to participate in the medical assistance program under title 19 of
99.25 the Social Security Act; or

99.26 (2) certifies to the commissioner of revenue that it does not discharge residents
99.27 due to the inability to pay.

99.28 **EFFECTIVE DATE.** This section is effective for taxes payable in 2010 and
99.29 thereafter.

99.30 Sec. 4. Minnesota Statutes 2008, section 272.02, is amended by adding a subdivision
99.31 to read:

99.32 Subd. 91. **Railroad wye connections.** Any real or personal property of a railroad
99.33 wye connection, including the track, ties, ballast, switch gear, and related improvements,

100.1 is exempt if it meets all of the following: (1) is publicly owned; (2) is funded, in whole or
100.2 in part, by state grants; (3) is located within the metropolitan area as defined in section
100.3 473.121, subdivision 2; (4) includes a single track segment that is no longer than 2,500 feet
100.4 in length; (5) connects intersecting rail lines; and (6) is constructed after January 1, 2009.

100.5 **EFFECTIVE DATE.** This section is effective for assessment year 2009 and
100.6 thereafter, for taxes payable in 2010 and thereafter.

100.7 Sec. 5. Minnesota Statutes 2008, section 272.02, is amended by adding a subdivision
100.8 to read:

100.9 Subd. 92. **Electric generation facility; personal property.** (a) Notwithstanding
100.10 subdivision 9, clause (a), attached machinery and other personal property that is part of
100.11 an electric generation facility that exceeds 150 megawatts of installed capacity, does
100.12 not exceed 780 megawatts of summer capacity, and that meets the requirements of this
100.13 subdivision, is exempt. At the start of construction, the facility must:

100.14 (1) be designed to utilize natural gas as a primary fuel;

100.15 (2) be owned by an entity other than a public utility as defined in section 216B.02,
100.16 subdivision 4;

100.17 (3) be located within five miles of two or more interstate natural gas pipelines;

100.18 (4) be located within one mile of an existing electrical transmission substation with
100.19 operating alternating current voltages of 115 kV, 345 kV, and 500 kV;

100.20 (5) be designed to provide electrical capacity, energy, and ancillary services;

100.21 (6) have satisfied all of the requirements under section 216B.243;

100.22 (7) have executed an interconnection agreement with the Midwest Independent

100.23 System Operator that does not require the acquisition of more than one mile of new

100.24 electric transmission right-of-way within the county where the facility is located, and does

100.25 not provide for any other new routes or corridors for future electric transmission lines in
100.26 the county where the facility is located;

100.27 (8) be located in a county with an essential services and transmission services
100.28 ordinance;

100.29 (9) have signed a development agreement with the county board in the county in

100.30 which the facility is located. The development agreement must be adopted by a two-thirds
100.31 vote of the county board, and must contain provisions ensuring that:

100.32 (i) the facility is designed to use effluent from a wastewater treatment facility as its
100.33 preferred water source and will not seek an exemption from legislative approval under
100.34 section 103G.265, subdivision 3, paragraph (b);

101.1 (ii) all processed wastewater discharge will be colocated with the outfall of a
 101.2 wastewater treatment facility; and

101.3 (iii) penalties will be paid to the county for harm to any aquifer or surface water as a
 101.4 result of construction or operation and maintenance of the facility; and

101.5 (10) have signed a development agreement with the township board in the township
 101.6 in which the facility is located containing provisions ensuring that noise and visual
 101.7 impacts of the facility are fully mitigated. The development agreement must be adopted
 101.8 by a two-thirds vote of the township board.

101.9 (b) Construction of the facility must begin after March 1, 2010, and before March 1,
 101.10 2014. Property eligible for this exemption does not include electric transmission lines and
 101.11 interconnections or gas pipelines and interconnections appurtenant to the facility.

101.12 (c) The exemption granted under this subdivision is void if the Public Utilities
 101.13 Commission issues a route permit for an electric transmission line connected to the
 101.14 electric substation nearest the exempt facility on a route where no electric transmission
 101.15 line currently exists.

101.16 **EFFECTIVE DATE.** This section is effective the day following final enactment.

101.17 Sec. 6. **[272.0275] PERSONAL PROPERTY USED TO GENERATE**
 101.18 **ELECTRICITY; EXEMPTION.**

101.19 Subdivision 1. **New plant construction after January 1, 2010.** For a new
 101.20 generating plant built and placed in service after January 1, 2010, its personal property
 101.21 used to generate electric power is exempt if an exemption of generation personal property
 101.22 form, with an attached siting agreement, is filed with the Department of Revenue. The
 101.23 form must be signed by the utility, and the county and the city or town where the facility is
 101.24 proposed to be located.

101.25 Subd. 2. **Definition; applicability.** For purposes of this section, "personal property"
 101.26 means tools, implements, and machinery of the generating plant. The exemption under this
 101.27 section does not apply to transformers, transmission lines, distribution lines, or any other
 101.28 tools, implements, and machinery that are part of an electric substation, wherever located.

101.29 **EFFECTIVE DATE.** This section is effective the day following final enactment.

101.30 Sec. 7. Minnesota Statutes 2008, section 272.029, subdivision 6, is amended to read:

101.31 **Subd. 6. **Distribution of revenues.**** Revenues from the taxes imposed under
 101.32 subdivision 5 must be part of the settlement between the county treasurer and the county
 101.33 auditor under section 276.09. The revenue must be distributed by the county auditor or the

102.1 county treasurer to local taxing jurisdictions in which the wind energy conversion system
 102.2 is located as follows: beginning with distributions in ~~2006~~ 2010, 80 percent to counties;
 102.3 and 20 percent to cities and townships; and for distributions occurring in 2006 to 2009, 80
 102.4 percent to counties; 14 percent to cities and townships; and six percent to school districts;
 102.5 ~~and for distributions occurring in 2004 and 2005 in the same proportion that each of the~~
 102.6 ~~local taxing jurisdiction's current year's net tax capacity based tax rate is to the current~~
 102.7 ~~year's total local net tax capacity based rate.~~

102.8 **EFFECTIVE DATE.** This section is effective the day following final enactment.

102.9 Sec. 8. Minnesota Statutes 2008, section 273.111, is amended by adding a subdivision
 102.10 to read:

102.11 **Subd. 9a. Cross-compliance with agricultural chemical and water laws.**

102.12 (a) A parcel of property enrolled under this section whose owner is subject to a final
 102.13 enforcement action for a violation of chapter 18B, 18C, 103E, 103F, 103G, or 103H,
 102.14 or any rule adopted under these chapters including but not limited to the agricultural
 102.15 shoreland use standards in Minnesota Rules, chapter 6120, occurring on the parcel, shall
 102.16 be removed from the program.

102.17 (b) For the purposes of this subdivision, "final enforcement action" means any
 102.18 administrative, civil, or criminal penalty other than an initial verbal or written warning.
 102.19 An enforcement action is not final until any time period for corrective action has expired,
 102.20 and until the completion or expiration of any applicable review or appeal procedure or
 102.21 period provided by law.

102.22 (c) When a final enforcement action is taken based on a violation occurring on a
 102.23 parcel enrolled under this section, the law enforcement officer or other person enforcing
 102.24 the law or rule must notify the county assessor. The county assessor must then notify
 102.25 the property owner that the parcel is being removed from the program. Any parcel for
 102.26 which the assessor has been notified prior to March 1 of any year shall be removed from
 102.27 the program for taxes payable in the following year. All deferred taxes on the parcel
 102.28 during the current owner's time of ownership, but not to exceed five years, plus any
 102.29 special assessments that have been deferred, shall be extended against the property on the
 102.30 tax list for the current year, provided that no interest or penalties shall be levied on the
 102.31 additional taxes if timely paid.

102.32 (d) A parcel of property terminated under this subdivision may not be reenrolled for
 102.33 a period of three years, unless it has been sold or transferred so that it is no longer under
 102.34 the same ownership, in full or in part, as when the parcel was terminated.

103.1 **EFFECTIVE DATE.** This section is effective for taxes payable in 2011 and
103.2 thereafter.

103.3 **Sec. 9. [273.115] PRESERVATION OF RIPARIAN BUFFERS.**

103.4 Subdivision 1. **Definitions.** (a) For the purposes of this section, the following
103.5 definitions apply.

103.6 (b) "Riparian buffer" means a strip or area of deep-rooted, original native perennial
103.7 vegetation or vegetation restored with plants or seeds that originate from sources as close
103.8 to the site as possible, including trees, adjacent to public waters that extends a minimum
103.9 of 50 and a maximum of 100 feet landward from the ordinary high water level.

103.10 (c) "Public waters" has the same meaning as defined under section 103G.005,
103.11 subdivision 15, excluding "wetlands," as defined under section 103G.005, subdivision 19,
103.12 and "public waters wetlands," as defined under section 103G.005, subdivision 15a.

103.13 (d) "Ordinary high water level" means the boundary of public waters, and shall be an
103.14 elevation delineating the highest water level which has been maintained for a sufficient
103.15 period of time to leave evidence upon the landscape, commonly that point where the
103.16 natural vegetation changes from predominantly aquatic to predominantly terrestrial. For
103.17 watercourses, the ordinary high water level is the elevation of the top of the bank of
103.18 the channel. For reservoirs and flowages, the ordinary high water level is the operating
103.19 elevation of the normal summer pool.

103.20 (e) "Buffer maintenance" means:

103.21 (1) inspecting the buffer periodically and identifying, repairing, and reseeding any
103.22 eroded or damaged areas;

103.23 (2) preventing or addressing any soil compaction from vehicles, livestock, and
103.24 impervious surfaces that could inhibit infiltration or disrupt water flow patterns;

103.25 (3) controlling weeds and managing any grazing livestock so as to minimize the
103.26 removal or alteration of the perennial plant community; and

103.27 (4) refraining from applying fertilizers, pesticides, or animal wastes to the buffer
103.28 area, except to establish native vegetation.

103.29 Subd. 2. **Requirements.** (a) Land constituting a riparian buffer that is classified as
103.30 class 2a under section 273.13, subdivision 23, or that is adjacent to land classified as class
103.31 2a, is entitled to valuation and tax deferment under this section if a covenant has been filed
103.32 with the county assessor and recorded in the county where the property is located.

103.33 (b) The covenant must state that the buffer will be maintained in a natural state and
103.34 that annual buffer maintenance will be performed. The landowner must file an affidavit
103.35 with the county assessor at least once every three years stating that the buffer has been

104.1 maintained according to the definition in subdivision 1. If a landowner fails to meet
104.2 this requirement, the assessor must issue a written warning. If an affidavit is not filed
104.3 within 90 days of the written warning, the land shall be removed from the program. All
104.4 deferred taxes on the property during the current owner's time of ownership shall be
104.5 extended against the property on the tax list for the current year, provided that no interest
104.6 or penalties shall be levied on the additional taxes if timely paid.

104.7 (c) Land qualifying under this subdivision shall be liable only for the taxes
104.8 determined based on the valuation prescribed in subdivision 3. All special assessments
104.9 levied against the land after the property has been enrolled in the program shall be deferred
104.10 until the property is withdrawn or becomes ineligible to continue in the program.

104.11 (d) Real estate may not be enrolled for valuation and deferment under this section
104.12 and section 273.111, 273.112, 273.114, or 273.117 concurrently. Land enrolled under
104.13 section 273.111 that is withdrawn for enrollment under this subdivision shall not be
104.14 required to pay additional taxes under section 273.111, subdivision 3a or 9.

104.15 Subd. 3. **Determination of value.** (a) Land for which an irrevocable covenant has
104.16 been recorded must be valued at 25 percent of the average value per acre of class 2b
104.17 rural vacant land in the surrounding area.

104.18 (b) Land for which a revocable covenant has been recorded must be valued at 75
104.19 percent of the average value per acre of class 2b rural vacant land in the surrounding
104.20 area, provided that the covenant does not allow for its termination until at least 20 years
104.21 from the date that it was originally recorded.

104.22 (c) For the purposes of this subdivision, surrounding area means the city or township
104.23 where the property is located, provided that there are at least ten other parcels containing
104.24 class 2b land in the city or township; otherwise, "surrounding area" means the city or
104.25 township where the property is located and all adjoining cities and townships within the
104.26 same county.

104.27 Subd. 4. **Separate determination of market value and tax.** The assessor shall
104.28 make a separate determination of the market value of the real estate based on its highest
104.29 and best use. The tax based upon that value and the appropriate local tax rate applicable to
104.30 the property in the taxing district shall be recorded on the property assessment records.

104.31 Subd. 5. **Application and covenant agreement.** (a) Application for deferment of
104.32 taxes and assessments under this subdivision shall be filed by May 1 of the year prior to
104.33 the year in which the taxes are payable. Any application filed under this subdivision and
104.34 granted shall continue in effect for subsequent years until the termination of the covenant
104.35 agreement under paragraph (b). The application must be filed with the county assessor on

105.1 a form prescribed by the commissioner of revenue. The assessor may require proof by
105.2 affidavit or otherwise that the property qualifies under subdivision 1.

105.3 (b) The owner of the property must sign a covenant agreement that is filed with the
105.4 county assessor and recorded in the county where the property is located. The covenant
105.5 agreement must include all of the following:

105.6 (1) legal description of the area to which the covenant applies;

105.7 (2) name and address of the owner;

105.8 (3) a statement that the land described in the covenant must be kept in a natural state,
105.9 and that annual buffer maintenance will be performed, for the duration of the covenant;

105.10 (4) in the case of a revocable covenant under subdivision 3, paragraph (b), a
105.11 statement that the landowner may terminate the covenant agreement by notifying the
105.12 county assessor in writing four years in advance of the date of proposed termination,
105.13 provided that the notice of intent to terminate may not be given at any time before the land
105.14 has been subject to the covenant for a period of 16 years;

105.15 (5) a statement that the covenant is binding on the owner or the owner's successor or
105.16 assigns and runs with the land; and

105.17 (6) a witnessed signature of the owner, agreeing by covenant, to maintain the land as
105.18 described in subdivision 2.

105.19 (c) Once a revocable covenant has been terminated, the property covered by
105.20 the covenant can never be re-enrolled under this subdivision unless it has been sold or
105.21 otherwise transferred to a different owner.

105.22 Subd. 6. **Additional taxes.** Upon termination of a covenant agreement in
105.23 subdivision 5, paragraph (b), clause (4), the land to which the covenant applied shall
105.24 be subject to additional taxes in the amount equal to the difference between the taxes
105.25 determined in accordance with subdivision 3 and the amount determined under subdivision
105.26 4, provided that the amount determined under subdivision 4 shall not be greater than it
105.27 would have been had the actual bona fide sale price of the real property at an arm's-length
105.28 transaction been used in lieu of the market value determined under subdivision 4. The
105.29 additional taxes shall be extended against the property on the tax list for the current year,
105.30 provided that no interest or penalties shall be levied on the additional taxes if timely paid
105.31 and that the additional taxes shall only be levied with respect to the last seven years that
105.32 the property has been valued and assessed under this section.

105.33 Subd. 7. **Cross-compliance with agricultural chemical and water laws.** (a) A
105.34 parcel of property enrolled under this section whose owner or tenant is subject to a final
105.35 enforcement action for a violation of chapter 18B, 18C, 103E, 103F, 103G, or 103H,
105.36 or any rule adopted under these chapters including but not limited to the agricultural

106.1 shoreland use standards in Minnesota Rules, chapter 6120, occurring on the parcel, shall
106.2 be removed from the program.

106.3 (b) For the purposes of this subdivision, "final enforcement action" means any
106.4 administrative, civil, or criminal penalty or action other than an initial verbal or written
106.5 warning. An enforcement action is not final until any time period for corrective action
106.6 has expired, and until the completion or expiration of any applicable review or appeal
106.7 procedure or period provided by law.

106.8 (c) When a final enforcement action is taken based on a violation occurring on a
106.9 parcel enrolled under this section, the law enforcement officer or other person enforcing
106.10 the law or rule must notify the county assessor. The county assessor must then notify
106.11 the property owner that the parcel is being removed from the program. Any parcel for
106.12 which the assessor has been notified prior to March 1 of any year shall be removed from
106.13 the program for taxes payable in the following year, and subject to additional taxes as
106.14 provided in subdivision 6.

106.15 (d) Termination of eligibility under this subdivision shall not affect the covenant
106.16 required under subdivision 5. A parcel of property terminated under this subdivision may
106.17 not be reenrolled for a period of three years, unless it has been sold or transferred so that it
106.18 is no longer under the same ownership, in full or in part, as when the parcel was terminated.

106.19 Subd. 8. **Lien.** Any additional taxes imposed under subdivision 6 or 7 shall be a lien
106.20 upon the property assessed to the same extent and for the same duration as other taxes
106.21 imposed on the property in this state. The tax shall be annually extended by the county
106.22 auditor and, if and when payable, shall be collected and distributed in the manner provided
106.23 by law for the collection and distribution of other property taxes.

106.24 **EFFECTIVE DATE.** This section is effective for assessment year 2011 and
106.25 thereafter, for taxes payable in 2012 and thereafter.

106.26 Sec. 10. Minnesota Statutes 2008, section 273.1231, subdivision 1, is amended to read:

106.27 Subdivision 1. **Applicability.** For purposes of sections 273.1231 to ~~273.1235~~
106.28 273.1236, the following words, terms, and phrases have the meanings given them in this
106.29 section unless the language or context clearly indicates that a different meaning is intended.

106.30 **EFFECTIVE DATE.** This section is effective for assessment year 2009 and
106.31 thereafter.

106.32 Sec. 11. Minnesota Statutes 2008, section 273.1232, subdivision 1, is amended to read:

107.1 Subdivision 1. **Reassessments required.** For the purposes of sections 273.1231 to
107.2 ~~273.1235~~ 273.1236, the county assessor must reassess all damaged property in a disaster
107.3 or emergency area, except that the commissioner of revenue shall reassess all property
107.4 for which an application is submitted to the commissioner under section 273.1233 or
107.5 273.1235. As soon as practical, the assessor or commissioner of revenue must report
107.6 the reassessed value to the county auditor.

107.7 **EFFECTIVE DATE.** This section is effective for assessment year 2009 and
107.8 thereafter.

107.9 Sec. 12. **[273.1236] DISASTER-DAMAGED HOMES; PARTIAL VALUATION**
107.10 **EXCLUSION.**

107.11 (a) A homestead property that (1) sustained physical damage from a disaster or
107.12 emergency resulting in a reassessed market value that is at least \$15,000 less than the
107.13 market value of the property established for the January 2 assessment in the year in which
107.14 the damage occurred, (2) has been substantially restored or rebuilt by the end of the
107.15 year following the year in which the damage occurred, (3) has a gross living area after
107.16 reconstruction that does not exceed 130 percent of the gross living area prior to the disaster
107.17 or emergency, and (4) has an estimated market value for the assessment year following the
107.18 year in which the restoration or reconstruction was substantially completed that exceeds
107.19 its estimated market value established for the January 2 assessment in the year in which
107.20 the damage occurred by at least \$25,000 due to the restoration or reconstruction, is eligible
107.21 for a valuation exclusion under this section for the two assessment years immediately
107.22 following the year in which the restoration or reconstruction was completed.

107.23 (b) The assessor shall determine the difference between the estimated market value
107.24 established for the January 2 assessment in the year in which the damage occurred and the
107.25 estimated market value established for the January 2 assessment in the year following the
107.26 completion of the restoration or reconstruction.

107.27 (c) In the first assessment year following the restoration or reconstruction, all of the
107.28 difference identified under paragraph (b) shall be excluded in determining taxable market
107.29 value. In the second assessment year following the restoration or reconstruction, half of
107.30 the difference identified under paragraph (b) shall be excluded in determining taxable
107.31 market value.

107.32 (d) For the purposes of this section, "gross living area" includes only above-grade
107.33 living area, and does not include any finished basement living area.

107.34 (e) Application for the valuation exclusion under this section must be filed by
107.35 January 2 of the year following the year in which the restoration or reconstruction was

108.1 substantially completed. The application must be filed with the assessor of the county in
108.2 which the property is located on the form prescribed by the commissioner of revenue.

108.3 **EFFECTIVE DATE.** This section is effective for assessment year 2009 and
108.4 thereafter. The application deadline in paragraph (e) is extended to June 30, 2009, for
108.5 restoration or reconstruction substantially completed in 2008.

108.6 Sec. 13. Minnesota Statutes 2008, section 273.124, subdivision 1, is amended to read:

108.7 Subdivision 1. **General rule.** (a) Residential real estate that is occupied and used
108.8 for the purposes of a homestead by its owner, who must be a Minnesota resident, is
108.9 a residential homestead.

108.10 Agricultural land, as defined in section 273.13, subdivision 23, that is occupied and
108.11 used as a homestead by its owner, who must be a Minnesota resident, is an agricultural
108.12 homestead.

108.13 Dates for establishment of a homestead and homestead treatment provided to
108.14 particular types of property are as provided in this section.

108.15 Property held by a trustee under a trust is eligible for homestead classification if the
108.16 requirements under this chapter are satisfied.

108.17 The assessor shall require proof, as provided in subdivision 13, of the facts upon
108.18 which classification as a homestead may be determined. Notwithstanding any other law,
108.19 the assessor may at any time require a homestead application to be filed in order to verify
108.20 that any property classified as a homestead continues to be eligible for homestead status.
108.21 Notwithstanding any other law to the contrary, the Department of Revenue may, upon
108.22 request from an assessor, verify whether an individual who is requesting or receiving
108.23 homestead classification has filed a Minnesota income tax return as a resident for the most
108.24 recent taxable year for which the information is available.

108.25 When there is a name change or a transfer of homestead property, the assessor may
108.26 reclassify the property in the next assessment unless a homestead application is filed to
108.27 verify that the property continues to qualify for homestead classification.

108.28 (b) For purposes of this section, homestead property shall include property which
108.29 is used for purposes of the homestead but is separated from the homestead by a road,
108.30 street, lot, waterway, or other similar intervening property. The term "used for purposes
108.31 of the homestead" shall include but not be limited to uses for gardens, garages, or other
108.32 outbuildings commonly associated with a homestead, but shall not include vacant land
108.33 held primarily for future development. In order to receive homestead treatment for
108.34 the noncontiguous property, the owner must use the property for the purposes of the
108.35 homestead, and must apply to the assessor, both by the deadlines given in subdivision

109.1 9. After initial qualification for the homestead treatment, additional applications for
109.2 subsequent years are not required.

109.3 (c) Residential real estate that is occupied and used for purposes of a homestead by a
109.4 relative of the owner is a homestead but only to the extent of the homestead treatment
109.5 that would be provided if the related owner occupied the property. For purposes of this
109.6 paragraph and paragraph (g), "relative" means a parent, stepparent, child, stepchild,
109.7 grandparent, grandchild, brother, sister, uncle, aunt, nephew, or niece. This relationship
109.8 may be by blood or marriage. Property that has been classified as seasonal residential
109.9 recreational property at any time during which it has been owned by the current owner or
109.10 spouse of the current owner will not be reclassified as a homestead unless it is occupied as
109.11 a homestead by the owner; this prohibition also applies to property that, in the absence of
109.12 this paragraph, would have been classified as seasonal residential recreational property at
109.13 the time when the residence was constructed. Neither the related occupant nor the owner
109.14 of the property may claim a property tax refund under chapter 290A for a homestead
109.15 occupied by a relative. In the case of a residence located on agricultural land, only the
109.16 house, garage, and immediately surrounding one acre of land shall be classified as a
109.17 homestead under this paragraph, except as provided in paragraph (d). In the case of
109.18 nonagricultural property, this paragraph only applies to applications approved before
109.19 December 16, 2009.

109.20 (d) Agricultural property that is occupied and used for purposes of a homestead by
109.21 a relative of the owner, is a homestead, only to the extent of the homestead treatment
109.22 that would be provided if the related owner occupied the property, and only if all of the
109.23 following criteria are met:

109.24 (1) the relative who is occupying the agricultural property is a son, daughter, brother,
109.25 sister, grandson, granddaughter, father, or mother of the owner of the agricultural property
109.26 or a son, daughter, brother, sister, grandson, or granddaughter of the spouse of the owner
109.27 of the agricultural property;

109.28 (2) the owner of the agricultural property must be a Minnesota resident;

109.29 (3) the owner of the agricultural property must not receive homestead treatment on
109.30 any other agricultural property in Minnesota; and

109.31 (4) the owner of the agricultural property is limited to only one agricultural
109.32 homestead per family under this paragraph.

109.33 Neither the related occupant nor the owner of the property may claim a property
109.34 tax refund under chapter 290A for a homestead occupied by a relative qualifying under
109.35 this paragraph. For purposes of this paragraph, "agricultural property" means the house,
109.36 garage, other farm buildings and structures, and agricultural land.

110.1 Application must be made to the assessor by the owner of the agricultural property to
110.2 receive homestead benefits under this paragraph. The assessor may require the necessary
110.3 proof that the requirements under this paragraph have been met.

110.4 (e) In the case of property owned by a property owner who is married, the assessor
110.5 must not deny homestead treatment in whole or in part if only one of the spouses occupies
110.6 the property and the other spouse is absent due to: (1) marriage dissolution proceedings,
110.7 (2) legal separation, (3) employment or self-employment in another location, or (4) other
110.8 personal circumstances causing the spouses to live separately, not including an intent to
110.9 obtain two homestead classifications for property tax purposes. To qualify under clause
110.10 (3), the spouse's place of employment or self-employment must be at least 50 miles distant
110.11 from the other spouse's place of employment, and the homesteads must be at least 50 miles
110.12 distant from each other. Homestead treatment, in whole or in part, shall not be denied to
110.13 the owner's spouse who previously occupied the residence with the owner if the absence
110.14 of the owner is due to one of the exceptions provided in this paragraph.

110.15 (f) The assessor must not deny homestead treatment in whole or in part if:

110.16 (1) in the case of a property owner who is not married, the owner is absent due to
110.17 residence in a nursing home, boarding care facility, or an elderly assisted living facility
110.18 property as defined in section 273.13, subdivision 25a, and the property is not otherwise
110.19 occupied; or

110.20 (2) in the case of a property owner who is married, the owner or the owner's spouse
110.21 or both are absent due to residence in a nursing home, boarding care facility, or an elderly
110.22 assisted living facility property as defined in section 273.13, subdivision 25a, and the
110.23 property is not occupied or is occupied only by the owner's spouse.

110.24 (g) If an individual is purchasing property with the intent of claiming it as a
110.25 homestead and is required by the terms of the financing agreement to have a relative
110.26 shown on the deed as a co-owner, the assessor shall allow a full homestead classification.
110.27 This provision only applies to first-time purchasers, whether married or single, or to a
110.28 person who had previously been married and is purchasing as a single individual for the
110.29 first time. The application for homestead benefits must be on a form prescribed by the
110.30 commissioner and must contain the data necessary for the assessor to determine if full
110.31 homestead benefits are warranted.

110.32 (h) If residential or agricultural real estate is occupied and used for purposes of a
110.33 homestead by a child of a deceased owner and the property is subject to jurisdiction of
110.34 probate court, the child shall receive relative homestead classification under paragraph (c)
110.35 or (d) to the same extent they would be entitled to it if the owner was still living, until

111.1 the probate is completed. For purposes of this paragraph, "child" includes a relationship
111.2 by blood or by marriage.

111.3 (i) If a single-family home, duplex, or triplex classified as either residential
111.4 homestead or agricultural homestead is also used to provide licensed child care, the
111.5 portion of the property used for licensed child care must be classified as a part of the
111.6 homestead property.

111.10 units and used or held for use by the owner or by the tenants or lessees of the owner
111.11 as a residence for rental periods of 30 days or more, excluding property qualifying for
111.12 class 4d. Class 4a also includes hospitals licensed under sections 144.50 to 144.56, other
111.13 than hospitals exempt under section 272.02, and contiguous property used for hospital
111.14 purposes, without regard to whether the property has been platted or subdivided. The
111.15 market value of class 4a property has a class rate of 1.25 percent.

111.16 (b) Class 4b includes:

111.17 (1) residential real estate containing less than four units that does not qualify as class
111.18 4bb, other than seasonal residential recreational property;

111.19 (2) manufactured homes not classified under any other provision;

111.20 (3) a dwelling, garage, and surrounding one acre of property on a nonhomestead
111.21 farm classified under subdivision 23, paragraph (b) containing two or three units; and

111.22 (4) unimproved property that is classified residential as determined under subdivision
111.23 33.

111.24 The market value of class 4b property has a class rate of 1.25 percent.

111.25 (c) Class 4bb includes:

111.26 (1) nonhomestead residential real estate containing one unit, other than seasonal
111.27 residential recreational property; and

111.28 (2) a single family dwelling, garage, and surrounding one acre of property on a
111.29 nonhomestead farm classified under subdivision 23, paragraph (b).

111.30 Class 4bb property has the same class rates as class 1a property under subdivision 22.

111.31 Property that has been classified as seasonal residential recreational property at
111.32 any time during which it has been owned by the current owner or spouse of the current
111.33 owner does not qualify for class 4bb.

111.34 (d) Class 4c property includes:

112.1 (1) except as provided in subdivision 22, paragraph (c), or subdivision 23, paragraph
112.2 (b), clause (1), real and personal property devoted to temporary and seasonal residential
112.3 occupancy for recreation purposes, including real and personal property devoted to
112.4 temporary and seasonal residential occupancy for recreation purposes and not devoted to
112.5 commercial purposes for more than 250 days in the year preceding the year of assessment.
112.6 For purposes of this clause, property is devoted to a commercial purpose on a specific
112.7 day if any portion of the property is used for residential occupancy, and a fee is charged
112.8 for residential occupancy. Class 4c property must contain three or more rental units. A
112.9 "rental unit" is defined as a cabin, condominium, townhouse, sleeping room, or individual

112.11 Except for property described in item (iii), class 4c property must provide recreational
112.12 activities such as renting ice fishing houses, boats and motors, snowmobiles, downhill or
112.13 cross-country ski equipment; provide marina services, launch services, or guide services;

112.15 qualifies for class 4c is also class 4c regardless of the term of the rental agreement, as
112.16 long as the use of the camping pad does not exceed 250 days. In order for a property to
112.17 be classified as class 4c, seasonal residential recreational for commercial purposes under
112.18 this clause, at least 40 percent of the annual gross lodging receipts related to the property
112.19 must be from business conducted during 90 consecutive days and either (i) at least 60

112.25 or less, is devoted to temporary residential occupancy, is located in a township or a city
112.26 that has a population of 2,500 or less, and is located outside the metropolitan area as
112.27 defined under section 473.121, subdivision 2. For purposes of this determination, a paid
112.28 booking of five or more nights shall be counted as two bookings. Class 4c also includes
112.29 commercial use real property used exclusively for recreational purposes in conjunction
112.30 with class 4c property devoted to temporary and seasonal residential occupancy for
112.31 recreational purposes, up to a total of two acres, provided the property is not devoted
112.32 to commercial recreational use for more than 250 days in the year preceding the year
112.33 of assessment and is located within two miles of the class 4c property with which it is
112.34 used. Owners of real and personal property devoted to temporary and seasonal residential
112.35 occupancy for recreation purposes and all or a portion of which was devoted to commercial
112.36 purposes for not more than 250 days in the year preceding the year of assessment desiring

113.1 classification as class 4c, must submit a declaration to the assessor designating the cabins
113.2 or units occupied for 250 days or less in the year preceding the year of assessment by
113.3 January 15 of the assessment year. Those cabins or units and a proportionate share of the
113.4 land on which they are located must be designated class 4c as otherwise provided. The
113.5 remainder of the cabins or units and a proportionate share of the land on which they are
113.6 located will be designated as class 3a. The owner of property desiring designation as class
113.7 4c property must provide guest registers or other records demonstrating that the units for
113.8 which class 4c designation is sought were not occupied for more than 250 days in the
113.9 year preceding the assessment if so requested. The portion of a property operated as a
113.10 (1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5) other
113.11 nonresidential facility operated on a commercial basis not directly related to temporary
113.12 and seasonal residential occupancy for recreation purposes does not qualify for class 4c;
113.13 (2) qualified property used as a golf course if:
113.14 (i) it is open to the public on a daily fee basis. It may charge membership fees or
113.15 dues, but a membership fee may not be required in order to use the property for golfing,
113.16 and its green fees for golfing must be comparable to green fees typically charged by
113.17 municipal courses; and
113.18 (ii) it meets the requirements of section 273.112, subdivision 3, paragraph (d).
113.19 A structure used as a clubhouse, restaurant, or place of refreshment in conjunction
113.20 with the golf course is classified as class 3a property;
113.21 (3) real property up to a maximum of three acres of land owned and used by a
113.22 nonprofit community service oriented organization and that is not used for residential
113.23 purposes on either a temporary or permanent basis, qualifies for class 4c provided that
113.24 it meets either of the following:

113.26 in the calendar year preceding the year of assessment; or
113.27 (ii) the organization makes annual charitable contributions and donations at least
113.28 equal to the property's previous year's property taxes and the property is allowed to be
113.29 used for public and community meetings or events for no charge, as appropriate to the
113.30 size of the facility.
113.31 For purposes of this clause,
113.32 (A) "charitable contributions and donations" has the same meaning as lawful
113.33 gambling purposes under section 349.12, subdivision 25, excluding those purposes
113.34 relating to the payment of taxes, assessments, fees, auditing costs, and utility payments;
113.35 (B) "property taxes" excludes the state general tax;

114.1 (C) a "nonprofit community service oriented organization" means any corporation,

114.3 charitable, religious, fraternal, civic, or educational purposes, and which is exempt
114.4 from federal income taxation pursuant to section 501(c)(3), (10), or (19) of the Internal
114.5 Revenue Code; and

114.6 (D) "revenue-producing activities" shall include but not be limited to property or that

114.12 Any portion of the property qualifying under item (i) which is used for revenue-producing
114.13 activities for more than six days in the calendar year preceding the year of assessment
114.14 shall be assessed as class 3a. The use of the property for social events open exclusively
114.15 to members and their guests for periods of less than 24 hours, when an admission is
114.16 not charged nor any revenues are received by the organization shall not be considered a
114.17 revenue-producing activity.

114.18 The organization shall maintain records of its charitable contributions and donations
114.19 and of public meetings and events held on the property and make them available upon
114.20 request any time to the assessor to ensure eligibility. An organization meeting the
114.21 requirement under item (ii) must file an application by May 1 with the assessor for
114.22 eligibility for the current year's assessment. The commissioner shall prescribe a uniform
114.23 application form and instructions;

114.32 (7) a leased or privately owned noncommercial aircraft storage hangar not exempt
114.33 under section 272.01, subdivision 2, and the land on which it is located, provided that:

114.34 (i) the land is on an airport owned or operated by a city, town, county, Metropolitan
114.35 Airports Commission, or group thereof; and

115.1 (ii) the land lease, or any ordinance or signed agreement restricting the use of the
115.2 leased premise, prohibits commercial activity performed at the hangar.

115.3 If a hangar classified under this clause is sold after June 30, 2000, a bill of sale must
115.4 be filed by the new owner with the assessor of the county where the property is located
115.5 within 60 days of the sale;

115.6 (8) a privately owned noncommercial aircraft storage hangar not exempt under
115.7 section 272.01, subdivision 2, and the land on which it is located, provided that:

115.17 in the basic room rate;

115.18 (iii) meals are not provided to the general public except for special events on fewer

115.20 (iv) the owner is the operator of the property.

115.21 The market value subject to the 4c classification under this clause is limited to five rental
115.22 units. Any rental units on the property in excess of five, must be valued and assessed as
115.23 class 3a. The portion of the property used for purposes of a homestead by the owner must
115.24 be classified as class 1a property under subdivision 22; and

115.25 (10) real property up to a maximum of three acres and operated as a restaurant

115.34 classification under this clause must submit an annual declaration to the assessor by
115.35 February 1 of the current assessment year, based on the property's relevant information for
115.36 the preceding assessment year.

116.1 Class 4c property has a class rate of 1.5 percent of market value, except that (i) each
116.2 parcel of seasonal residential recreational property not used for commercial purposes has
116.3 the same class rates as class 4bb property, (ii) manufactured home parks assessed under
116.4 clause (5) have the same class rate as class 4b property, (iii) commercial-use seasonal
116.5 residential recreational property has a class rate of one percent for the first \$500,000 of
116.6 market value, and 1.25 percent for the remaining market value, (iv) the market value of
116.7 property described in clause (4) has a class rate of one percent, (v) the market value of
116.8 property described in clauses (2), (6), and (10) has a class rate of 1.25 percent, and (vi)

116.13 of the units in the building qualify as low-income rental housing units as certified under
116.14 section 273.128, subdivision 3, only the proportion of qualifying units to the total number
116.15 of units in the building qualify for class 4d. The remaining portion of the building shall be
116.16 classified by the assessor based upon its use. Class 4d also includes the same proportion of
116.17 land as the qualifying low-income rental housing units are to the total units in the building.
116.18 For all properties qualifying as class 4d, the market value determined by the assessor must
116.19 be based on the normal approach to value using normal unrestricted rents.

116.20 Class 4d property has a class rate of 0.75 percent.

116.21 **EFFECTIVE DATE.** This section is effective for assessment year 2009, taxes
116.22 payable in 2010, and thereafter. For assessment year 2009 only, the January 15 application
116.23 date under paragraph (d), clause (1), shall be extended to July 1, 2009, for property

116.27 of property owned by a veteran or by the veteran and the veteran's spouse qualifying
116.28 for homestead classification under subdivision 22 or 23 is excluded in determining the
116.29 property's taxable market value if it serves as the homestead of a military veteran, as
116.30 defined in section 197.447, who has a service-connected disability of 70 percent or more.
116.31 To qualify for exclusion under this subdivision, the veteran must have been honorably
116.32 discharged from the United States armed forces, as indicated by United States Government
116.33 Form DD214 or other official military discharge papers, and must be certified by the
116.34 United States Veterans Administration as having a service-connected disability.

117.1 (b)(1) For a disability rating of 70 percent or more, \$150,000 of market value is

117.3 (2) for a total (100 percent) and permanent disability, \$300,000 of market value is
117.4 excluded.

117.5 (c) If a disabled veteran qualifying for a valuation exclusion under paragraph (b),
117.6 clause (2), predeceases the veteran's spouse, and if upon the death of the veteran the
117.7 spouse holds the legal or beneficial title to the homestead and permanently resides there,
117.8 the exclusion shall carry over to the benefit of the veteran's spouse for ~~one~~ five additional
117.9 ~~assessment year or~~ years or until such time as the spouse sells, transfers, or otherwise
117.10 disposes of the property or remarries, whichever comes first.

117.11 (d) In the case of an agricultural homestead, only the portion of the property
117.12 consisting of the house and garage and immediately surrounding one acre of land qualifies
117.13 for the valuation exclusion under this subdivision.

117.14 (e) A property qualifying for a valuation exclusion under this subdivision is not
117.15 eligible for the credit under section 273.1384, subdivision 1, or classification under
117.16 subdivision 22, paragraph (b).

117.17 (f) To qualify for a valuation exclusion under this subdivision a property owner must
117.18 apply to the assessor by July 1 of each assessment year, except that an annual reapplication
117.19 is not required once a property has been accepted for a valuation exclusion under paragraph
117.20 (b), clause (2), and the property continues to qualify until there is a change in ownership.

117.21 **EFFECTIVE DATE.** This section is effective for taxes payable in 2010 and
117.22 thereafter.

117.23 Sec. 16. Minnesota Statutes 2008, section 273.1393, is amended to read:

117.24 **273.1393 COMPUTATION OF NET PROPERTY TAXES.**

117.25 Notwithstanding any other provisions to the contrary, "net" property taxes are
117.26 determined by subtracting the credits in the order listed from the gross tax:

117.27 (1) disaster credit as provided in sections 273.1231 to 273.1235;

117.28 (2) powerline credit as provided in section 273.42;

117.29 (3) agricultural preserves credit as provided in section 473H.10;

117.30 (4) enterprise zone credit as provided in section 469.171;

117.31 (5) disparity reduction credit;

117.32 (6) conservation tax credit as provided in section 273.119;

117.33 (7) homestead and agricultural credits as provided in section 273.1384;

117.34 (8) taconite homestead credit as provided in section 273.135; and

118.1 (9) supplemental homestead credit as provided in section 273.1391; ~~and~~

 118.3 The combination of all property tax credits must not exceed the gross tax amount.

118.4 **EFFECTIVE DATE.** This section is effective for property taxes payable in 2010
 118.5 and thereafter.

118.6 Sec. 17. Minnesota Statutes 2008, section 275.025, subdivision 1, is amended to read:

118.7 Subdivision 1. **Levy amount.** (a) The state general levy is levied against
 118.8 commercial-industrial property and seasonal residential recreational property, as defined
 118.9 in this section. The state general levy base amount is \$592,000,000 for taxes payable in
 118.10 2002. For taxes payable in subsequent years, the levy base amount is increased each year
 118.11 by multiplying the levy base amount for the prior year by the sum of one plus the rate of
 118.12 increase, if any, in the implicit price deflator for government consumption expenditures
 118.13 and gross investment for state and local governments prepared by the Bureau of Economic
 118.14 Analysts of the United States Department of Commerce for the 12-month period ending
 118.15 March 31 of the year prior to the year the taxes are payable. The tax under this section is
 118.16 not treated as a local tax rate under section 469.177 and is not the levy of a governmental
 118.17 unit under chapters 276A and 473F.

118.18 (b) The commissioner shall increase or decrease the preliminary or final rate for a
 118.19 year as necessary to account for errors and tax base changes that affected a preliminary or
 118.20 final rate for either of the two preceding years. Adjustments are allowed to the extent that
 118.21 the necessary information is available to the commissioner at the time the rates for a year
 118.22 must be certified, and for the following reasons:

- 118.23 (1) an erroneous report of taxable value by a local official;
 118.24 (2) an erroneous calculation by the commissioner; and
 118.25 (3) an increase or decrease in taxable value for commercial-industrial or seasonal
 118.26 residential recreational property reported on the abstracts of tax lists submitted under
 118.27 section 275.29 that was not reported on the abstracts of assessment submitted under
 118.28 section 270C.89 for the same year.

118.29 The commissioner may, but need not, make adjustments if the total difference in the tax
 118.30 levied for the year would be less than \$100,000.

118.31 (c) In setting the rate, for taxes payable in 2010 only, the commissioner shall exclude
 118.32 the tax capacity of property described in section 473.625 from the tax base. The amount
 118.33 levied against property described in section 473.625 for taxes payable in 2010 shall be

119.1 permanently added to the 2010 base amount before inflating to the 2011 levy amount
119.2 under paragraph (a).

119.3 **EFFECTIVE DATE.** This section is effective beginning for taxes payable in 2010.

119.4 Sec. 18. Minnesota Statutes 2008, section 275.025, subdivision 2, is amended to read:

119.5 Subd. 2. **Commercial-industrial tax capacity.** For the purposes of this section,
119.6 "commercial-industrial tax capacity" means the tax capacity of all taxable property
119.7 classified as class 3 or class 5(1) under section 273.13, except for electric generation
119.8 attached machinery under class 3 ~~and property described in section 473.625.~~ County
119.9 commercial-industrial tax capacity amounts are not adjusted for the captured net tax
119.10 capacity of a tax increment financing district under section 469.177, subdivision 2, the
119.11 net tax capacity of transmission lines deducted from a local government's total net tax
119.12 capacity under section 273.425, or fiscal disparities contribution and distribution net
119.13 tax capacities under chapter 276A or 473F.

119.14 **EFFECTIVE DATE.** This section is effective beginning for taxes payable in 2010.

119.15 Sec. 19. Minnesota Statutes 2008, section 276.04, subdivision 2, is amended to read:

119.16 Subd. 2. **Contents of tax statements.** (a) The treasurer shall provide for the
119.17 printing of the tax statements. The commissioner of revenue shall prescribe the form of
119.18 the property tax statement and its contents. The tax statement must not state or imply
119.19 that property tax credits are paid by the state of Minnesota. The statement must contain
119.20 a tabulated statement of the dollar amount due to each taxing authority and the amount
119.21 of the state tax from the parcel of real property for which a particular tax statement is
119.22 prepared. The dollar amounts attributable to the county, the state tax, the voter approved
119.23 school tax, the other local school tax, the township or municipality, and the total of
119.24 the metropolitan special taxing districts as defined in section 275.065, subdivision 3,
119.25 paragraph (i), must be separately stated. The amounts due all other special taxing districts,
119.26 if any, may be aggregated except that any levies made by the regional rail authorities in the
119.27 county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter
119.28 398A shall be listed on a separate line directly under the appropriate county's levy. If the
119.29 county levy under this paragraph includes an amount for a lake improvement district as
119.30 defined under sections 103B.501 to 103B.581, the amount attributable for that purpose
119.31 must be separately stated from the remaining county levy amount. In the case of Ramsey
119.32 County, if the county levy under this paragraph includes an amount for public library
119.33 service under section 134.07, the amount attributable for that purpose may be separated

120.1 from the remaining county levy amount. The amount of the tax on homesteads qualifying
120.2 under the senior citizens' property tax deferral program under chapter 290B is the total
120.3 amount of property tax before subtraction of the deferred property tax amount. The
120.4 amount of the tax on contamination value imposed under sections 270.91 to 270.98, if any,
120.5 must also be separately stated. The dollar amounts, including the dollar amount of any
120.6 special assessments, may be rounded to the nearest even whole dollar. For purposes of this
120.7 section whole odd-numbered dollars may be adjusted to the next higher even-numbered
120.8 dollar. The amount of market value excluded under section 273.11, subdivision 16, if any,
120.9 must also be listed on the tax statement.

120.10 (b) The property tax statements for manufactured homes and sectional structures
120.11 taxed as personal property shall contain the same information that is required on the
120.12 tax statements for real property.

120.13 (c) Real and personal property tax statements must contain the following information
120.14 in the order given in this paragraph. The information must contain the current year tax
120.15 information in the right column with the corresponding information for the previous year
120.16 in a column on the left:

120.17 (1) the property's estimated market value under section 273.11, subdivision 1;

120.18 (2) the property's taxable market value after reductions under section 273.11,
120.19 subdivisions 1a and 16;

120.20 (3) the property's gross tax, before credits;

120.21 (4) for homestead residential and agricultural properties, the credits under section
120.22 273.1384;

120.23 (5) any credits received under sections 273.119; 273.1234 or 273.1235; 273.135;
120.24 273.1391; 273.1398, subdivision 4; 469.171; and 473H.10, except that the amount of
120.25 credit received under section 273.135 must be separately stated and identified as "taconite
120.26 tax relief"; and

120.27 (6) the net tax payable in the manner required in paragraph (a).

120.28 (d) If the county uses envelopes for mailing property tax statements and if the county
120.29 agrees, a taxing district may include a notice with the property tax statement notifying
120.30 taxpayers when the taxing district will begin its budget deliberations for the current
120.31 year, and encouraging taxpayers to attend the hearings. If the county allows notices to
120.32 be included in the envelope containing the property tax statement, and if more than
120.33 one taxing district relative to a given property decides to include a notice with the tax
120.34 statement, the county treasurer or auditor must coordinate the process and may combine
120.35 the information on a single announcement.

121.1 **EFFECTIVE DATE.** This section is effective for taxes payable in 2011 and
 121.2 thereafter.

121.3 Sec. 20. Minnesota Statutes 2008, section 279.10, is amended to read:

127.14 Subdivision 1. Definitions. (a) For the purposes of this section, the following terms
127.15 have the meanings given them.

127.16 (b) "Class of property" mean classes 1 through 5 under section 273.13, but without
127.17 regard to subclasses, and tax exempt property may be treated as an additional class, if the
127.18 city elects to subject tax exempt property to the fee.

127.19 (c) "Governing body" means the city council of a municipality.

127.20 (d) "Improvements" means construction, reconstruction, and facility upgrades
127.21 involving: right-of-way acquisition; paving; curbs and gutters; bridges and culverts and

127.23 subgrade corrections; street lighting; traffic signals; signage; sidewalks; pavement
127.24 markings; boulevard and easement restoration; impact mitigation; connection and
127.25 reconnection of utilities; turn lanes; medians; street and alley returns; retaining walls;
127.26 fences; lane additions; and fixed transit infrastructure, trails, or pathways. "Fixed transit
127.27 infrastructure" does not include commuter rail rolling stock, light rail vehicles, or
127.28 transit way buses; capital costs for park-and-ride facilities; feasibility studies, planning,

127.30 or operating assistance for transit ways.

127.32 sidewalk maintenance, signal maintenance, street light maintenance, and signage.

127.33 (f) "Municipal street" means a street, alley, or public way in which the municipality
127.34 is the road authority with powers conferred by section 429.021.

127.35 (g) "Municipality" means a home rule charter or statutory city.

128.1 (g) "Street improvement district" means a geographic area designated by a
128.2 municipality within which street improvements and maintenance may be undertaken and

128.4 Subd. 2. **Authorization.** A municipality may establish by ordinance municipal
128.5 street improvement districts and may defray all or part of the total costs of municipal street
128.6 improvements and maintenance by apportioning street improvement fees to all of the
128.7 parcels located in the district. In establishing the boundaries of the district, the city may
128.8 not exclude from the district or imposition of the fee any class or parcel of property that is
128.9 served by the municipal street on an equal basis with other classes or parcels of property
128.10 included in the district, except this limitation does not apply to tax exempt property.

128.11 Subd. 3. **Uniformity.** (a) The total costs of municipal street improvements and
128.12 maintenance must be apportioned to all parcels or tracts of land located in the established
128.13 street improvement district on a uniform basis within each class of property.

128.14 (b) The method of apportioning costs must not apportion costs to any class of
128.15 property at a ratio of more than 2 to 1, relative to the rate for the property in any other
128.16 class. The limit under this paragraph does not apply to any fees that the municipality
128.17 elects to impose on tax exempt property.

128.18 Subd. 4. **Adoption of plan.** (a) Before establishing a municipal street improvement
128.19 district or authorizing a street improvement fee, a municipality must propose and adopt
128.20 a street improvement plan that:

128.21 (1) identifies and estimates the costs of proposed improvements and maintenance
128.22 for the life of the district;

128.23 (2) identifies the location of the municipal street improvement district, which must
128.24 be limited to parcels that are served by the improvements to be constructed or maintained
128.25 by the street improvement district; and

128.26 (3) specifies the manner in which costs will be apportioned among the parcels in
128.27 the district under subdivision 3.

128.28 (b) Notice of a public hearing on the proposed plan must be given by mail to all
128.29 affected landowners at least ten days before the hearing and posted for at least ten days
128.30 before the hearing. The notice must include a description of the manner in which the fees
128.31 would be imposed and illustrative examples of the amount of fees for average parcels for
128.32 each class of property in the district. At the public hearing, the governing body must
128.33 present the plan and all affected landowners in attendance must have the opportunity to
128.34 comment before the governing body considers adoption of the plan.

128.35 Subd. 5. **Use of fees.** Revenues collected from property in a district from the
128.36 fee authorized in this section must be placed in a separate account and be used only

129.1 for projects located within that same district and identified in the municipal street
129.2 improvement district plan.

129.3 Subd. 6. **Collection; up to ten years.** (a) The ordinance adopted under this section
129.4 must provide for the billing and payment of the fee on a monthly, quarterly, or other basis
129.5 as directed by the governing body. The governing body may collect municipal street
129.6 improvement fees within a street improvement district for up to a maximum of ten years,
129.7 which is the maximum duration of the district.

129.8 (b) Fees that, as of October 15 of each calendar year, have remained unpaid for at
129.9 least 30 days may be certified to the county auditor for collection as property taxes payable
129.10 in the following calendar year on the affected property.

129.11 Subd. 7. **Notice; hearings.** (a) A municipality may impose a municipal street
129.12 improvement fee provided in this section by ordinance. The ordinance must not be voted
129.13 on or adopted until after a public hearing has been held on the question. The effective date
129.14 of an ordinance must be at least 45 days after it is adopted.

129.15 (b) Within five days after adoption of the ordinance, a summary of the ordinance
129.16 must be mailed to the owner of each parcel included in the street improvement district.
129.17 The mailing must include:

129.18 (1) a notice that owners subject to a fee under the ordinance have a right to petition
129.19 for a referendum vote on the ordinance by filing the required number of objections with
129.20 the city clerk before the effective date of the ordinance and that a copy of the ordinance is
129.21 on file with the city clerk for public inspection; and

129.22 (2) the estimated amount of the fee that would be imposed on the owner's parcel in
129.23 the first year the fee is imposed, and an estimate of the maximum annual amount of the fee
129.24 that may be imposed on the owner's parcel during the duration of the project.

129.25 Subd. 8. **Reverse referendum.** (a) If owners of 35 percent or more of the net tax
129.26 capacity in the district subject to the fees under the ordinance file an objection to the
129.27 ordinance with the city clerk before the effective date of the ordinance, the ordinance does
129.28 not become effective unless it is approved as provided in paragraph (b).

129.29 (b) If an ordinance does not become effective as a result of the filing of objections
129.30 under paragraph (a), the city may submit the ordinance to the property owners in the
129.31 street improvement district that would be subject to the fee imposed by the ordinance for
129.32 approval. The election must be conducted by mail. Notice of the election and the mail
129.33 procedure must be given at least six weeks prior to the election. No earlier than 20 days or
129.34 later than 14 days before the date set for the election, the city clerk shall mail ballots by
129.35 nonforwardable mail to the owners, as recorded on the property tax records, of each parcel
129.36 of property subject to the fee under the ordinance. Each parcel of property is entitled to

130.1 one vote. Ballots may be returned to the city clerk by mail or in person by the date set for
130.2 the election. If a majority of the owners voting in the election approve the ordinance, it
130.3 becomes effective 30 days after the date of the election.

130.4 Subd. 9. **Not exclusive means of financing improvements.** The use of the
130.5 municipal street improvement fee by a municipality does not restrict the municipality from
130.6 imposing other measures to pay the costs of local street improvements or maintenance,
130.7 except that a municipality must not impose special assessments for projects funded with
130.8 street improvement fees.

130.9 **EFFECTIVE DATE.** This section is effective July 1, 2009.

130.10 Sec. 31. Minnesota Statutes 2008, section 473H.04, is amended by adding a
130.11 subdivision to read:

130.12 Subd. 2a. **Termination of eligibility.** (a) A parcel of property enrolled under this
130.13 section whose owner is subject to a final enforcement action for a violation of chapter 18B,
130.14 18C, 103E, 103F, 103G, or 103H, or any rule adopted under these chapters including but
130.15 not limited to the agricultural shoreland use standards in Minnesota Rules, chapter 6120,
130.16 occurring on the parcel, shall be removed from the program.

130.17 (b) For the purposes of this subdivision, "final enforcement action" means any
130.18 administrative, civil, or criminal penalty other than an initial verbal or written warning.
130.19 An enforcement action is not final until any time period for corrective action has expired,
130.20 and until the completion or expiration of any applicable review or appeal procedure or
130.21 period provided by law.

130.22 (c) When a final enforcement action is taken based on a violation occurring on a
130.23 parcel enrolled under this chapter, the law enforcement officer or other person enforcing
130.24 the law or rule must notify the county assessor. The county assessor must then notify
130.25 the property owner that the parcel is being removed from the program. Any parcel for
130.26 which the assessor has been notified prior to March 1 of any year shall be removed from
130.27 the program for taxes payable in the following year. The assessor shall calculate (i) the
130.28 amount of any credit received under section 473H.05 for the current year, and (ii) the
130.29 difference between the actual tax on the parcel for the current year and the tax that would
130.30 apply if the value was not restricted under this section, and multiply the result by the
130.31 number of years that the parcel has been under its current ownership or five, whichever is
130.32 less. The resulting amount plus any special assessments that have been deferred under this
130.33 section shall be extended against the parcel on the tax list for the current year, provided
130.34 that no interest or penalties shall be levied on the additional taxes if timely paid.

131.1 (d) Termination of eligibility under this subdivision shall not affect the covenant
 131.2 required under section 473H.05. A parcel of property terminated under this subdivision
 131.3 may not be reenrolled for a period of three years, unless it has been sold or transferred
 131.4 so that it is no longer under the same ownership, in full or in part, as when the parcel
 131.5 was terminated.

131.6 **EFFECTIVE DATE.** This section is effective for taxes payable in 2011 and
 131.7 thereafter.

131.8 Sec. 32. Minnesota Statutes 2008, section 473H.05, subdivision 1, is amended to read:

131.9 Subdivision 1. **Before ~~March~~ June 1 for next year's taxes.** An owner or owners
 131.10 of certified long-term agricultural land may apply to the authority with jurisdiction over
 131.11 the land on forms provided by the commissioner of agriculture for the creation of an
 131.12 agricultural preserve at any time. Land for which application is received prior to ~~March~~
 131.13 June 1 of any year shall be assessed pursuant to section 473H.10 for taxes payable in the
 131.14 following year. Land for which application is received on or after ~~March~~ June 1 of any
 131.15 year shall be assessed pursuant to section 473H.10 in the following year. The application
 131.16 shall be executed and acknowledged in the manner required by law to execute and
 131.17 acknowledge a deed and shall contain at least the following information and such other
 131.18 information as the commissioner deems necessary:

131.19 (a) Legal description of the area proposed to be designated and parcel identification
 131.20 numbers if so designated by the county auditor and the certificate of title number if the
 131.21 land is registered;

131.22 (b) Name and address of owner;

131.23 (c) An affidavit by the authority evidencing that the land is certified long-term
 131.24 agricultural land at the date of application;

131.25 (d) A statement by the owner covenanting that the land shall be kept in agricultural
 131.26 use, and shall be used in accordance with the provisions of sections 473H.02 to 473H.17
 131.27 which exist on the date of application and providing that the restrictive covenant shall be
 131.28 binding on the owner or the owner's successor or assignee, and shall run with the land.

131.29 **EFFECTIVE DATE.** This section is effective the day following final enactment,
 131.30 except that in 2009 the application date in this section shall be extended to August 1.

131.31 Sec. 33. Laws 2001, First Special Session chapter 5, article 3, section 8, the effective
 131.32 date, as amended by Laws 2005, chapter 151, article 3, section 19, and Laws 2006, chapter
 131.33 259, article 4, section 20, is amended to read:

132.1 **EFFECTIVE DATE.** This section is effective for taxes levied in 2002, payable in
 132.2 2003, through taxes levied in ~~2011~~ 2014, payable in ~~2012~~ 2015. This limitation applies
 132.3 only to the establishment of a new emergency special service district.

 132.11 thereafter, on land platted after May 18, 2008.

132.12 Sec. 36. **PURPOSE; COMMISSIONER OF REVENUE GUIDANCE.**

132.13 The purpose of section 2 is not to contract or expand the definition of "institutions
 132.14 of purely public charity" but to provide clear standards that can be applied uniformly to
 132.15 determine eligibility for exemption from property taxation. To carry out this purpose and
 132.16 to promote uniformity in application of the provisions of section 2, the commissioner of
 132.17 revenue shall prepare a bulletin providing guidance to assessors as to the commissioner's
 132.18 interpretation of section 2. The bulletin may include a discussion of court decisions that
 132.19 provide background to and context for the provisions in section 2, as the commissioner
 132.20 deems appropriate. This guidance must include examples of facts or circumstances that
 132.21 satisfy the requirement of "a reasonable justification for failing to meet the factors in clause
 132.22 (2), (3), or (5)" under section 2, paragraph (a). Assessors shall give due consideration to
 132.23 the bulletin in assessing property requesting an exemption as an institution of purely public
 132.24 charity. The commissioner shall distribute the bulletin to all assessors by July 1, 2010.

132.25 **EFFECTIVE DATE.** This section is effective the day following final enactment.

132.26 Sec. 37. **REPORT BY ADMINISTRATIVE AUDITOR.**

 132.30 calculations on current year tax rates rather than previous year tax rates, and report
 132.31 the results of the study to the chairs and ranking minority members of the house of

133.1 representatives and senate tax committees by February 1, 2011. The report should include
133.2 any recommendations for amendments to Minnesota Statutes, chapter 473F, that would be
133.3 necessary to implement the change.

133.17 ARTICLE 7

133.18 AIDS AND CREDITS

133.19 Section 1. Minnesota Statutes 2008, section 273.1384, subdivision 1, is amended to
133.20 read:

133.21 Subdivision 1. **Residential homestead market value credit.** Each county auditor
133.22 shall determine a homestead credit for each class 1a, 1b, and 2a homestead property
133.23 within the county equal to 0.4 percent of the first ~~\$76,000~~ \$75,000 of market value of
133.24 the property minus ~~0.1~~ 0.1 percent of the market value in excess of ~~\$76,000~~ \$75,000.

133.25 The credit amount may not be less than zero. In the case of an agricultural or resort
133.26 homestead, only the market value of the house, garage, and immediately surrounding one
133.27 acre of land is eligible in determining the property's homestead credit. In the case of a
133.28 property that is classified as part homestead and part nonhomestead, (i) the credit shall
133.29 apply only to the homestead portion of the property, but (ii) if a portion of a property is
133.30 classified as nonhomestead solely because not all the owners occupy the property, not all
133.31 the owners have qualifying relatives occupying the property, or solely because not all the

134.1 spouses of owners occupy the property, the credit amount shall be initially computed as
 134.2 if that nonhomestead portion were also in the homestead class and then prorated to the
 134.3 owner-occupant's percentage of ownership. For the purpose of this section, when an
 134.4 owner-occupant's spouse does not occupy the property, the percentage of ownership for
 134.5 the owner-occupant spouse is one-half of the couple's ownership percentage.

134.6 **EFFECTIVE DATE.** This section is effective for taxes payable in 2010 and
 134.7 thereafter.

134.8 Sec. 2. Minnesota Statutes 2008, section 273.1384, subdivision 4, is amended to read:

134.9 Subd. 4. **Payment.** (a) The commissioner of revenue shall reimburse each local
 134.10 taxing jurisdiction, other than school districts, for the tax reductions granted under this
 134.11 section in two equal installments on October 31 and December 26 of the taxes payable
 134.12 year for which the reductions are granted, including in each payment the prior year
 134.13 adjustments certified on the abstracts for that taxes payable year. The reimbursements
 134.14 related to tax increments shall be issued in one installment each year on December 26.

134.15 (b) The commissioner of revenue shall certify the total of the tax reductions
 134.16 granted under this section for each taxes payable year within each school district to the
 134.17 commissioner of the Department of Education and the commissioner of education shall
 134.18 pay the reimbursement amounts to each school district as provided in section 273.1392.

134.19 (c) The market value credit reimbursements payable in 2011 and 2012 for each city
 134.20 under this section are reduced by the dollar amount of the 2010 reduction in market value
 134.21 credit reimbursements under section 477A.013, subdivision 11. The payable market value
 134.22 credit reimbursement for a city is not reduced less than zero under this paragraph.

134.23 **EFFECTIVE DATE.** This section is effective for credits payable in calendar year
 134.24 2011 and thereafter.

134.25 Sec. 3. Minnesota Statutes 2008, section 290A.04, subdivision 2, is amended to read:

 134.27 of the percentage of the household income stated below shall pay an amount equal to
 134.28 the percent of income shown for the appropriate household income level along with the
 134.29 percent to be paid by the claimant of the remaining amount of property taxes payable.

145.12 Subd. 7. **Commissioner.** "Commissioner" means the commissioner of revenue.

145.13 **Sec. 3. [290D.03] QUALIFICATIONS FOR DEFERRAL.**

145.14 In order for an eligible property to qualify for treatment under this program:

145.15 (1) the eligible property must have been owned solely by the primary property owner,
145.16 or jointly with others, for at least 15 years prior to the year the initial application is filed;

145.17 (2) there must be no state or federal tax liens or judgment liens on the eligible
145.18 property;

145.19 (3) there must be no mortgages or other liens on the eligible property that secure
145.20 future advances, except for those subject to credit limits that result in compliance with
145.21 clause (4); and

145.22 (4) the total unpaid balances of debts secured by mortgages and other liens on the
145.23 eligible property, including unpaid and delinquent special assessments and interest and
145.24 any delinquent property taxes, penalties, and interest, but not including property taxes
145.25 payable during the year, must not exceed 60 percent of the assessor's estimated market
145.26 value for the current assessment year.

145.27 **Sec. 4. [290D.04] APPLICATION FOR DEFERRAL.**

145.28 Subdivision 1. **Initial application.** (a) A primary owner of a property meeting
145.29 the qualifications under section 290D.03 may apply to the commissioner for deferral
145.30 of taxes on the eligible property. Applications are due on or before July 1 for deferral
145.31 of any taxes payable in the following year. The application, which must be prescribed
145.32 by the commissioner, shall include the following items and any other information the
145.33 commissioner deems necessary:

146.1 (1) the name, address, and Social Security number of the primary property owner
146.2 and secondary property owners, if any;

146.3 (2) a copy of the property tax statement for the current taxes payable year for the
146.4 eligible property;

146.5 (3) the initial year of ownership of the primary property owner and any second
146.6 property owners of the eligible property;

146.7 (4) information on any mortgage loans or other amounts secured by mortgages or
146.8 other liens against the eligible property, for which purpose the commissioner may require
146.9 the applicant to provide a copy of the mortgage note, the mortgage, or a statement of the
146.10 balance owed on the mortgage loan provided by the mortgage holder. The commissioner
146.11 may require the appropriate documents in connection with obtaining and confirming
146.12 information on unpaid amounts secured by other liens; and

146.13 (5) the signatures of the primary property owner and all other owners, if any, stating
146.14 that each owner agrees to enroll the eligible property in the program to defer property
146.15 taxes under this chapter.

146.16 The application must state that program participation is voluntary. The application
146.17 must also state that program participation includes authorization for the annual deferred
146.18 amount. The deferred property tax calculated by the county and the cumulative deferred
146.19 property tax amount is public data.

146.20 (b) As part of the initial application process, if the property is abstract property, the
146.21 commissioner may require the applicant to obtain at the applicant's cost a report prepared
146.22 by a licensed abstracter showing the last deed and any unsatisfied mortgages, liens,
146.23 judgments, and state and federal tax lien notices which were recorded on or after the date
146.24 of that last deed with respect to the eligible property or to the applicant.

146.25 The certificate or report need not include references to any documents filed or
146.26 recorded more than 40 years prior to the date of the certification or report. The certification
146.27 or report must be as of a date not more than 30 days prior to submission of the application
146.28 under this section.

146.29 The commissioner may also require the county recorder or county registrar of the
146.30 county where the eligible property is located to provide copies of recorded documents
146.31 related to the applicant of the eligible property, for which the recorder or registrar shall
146.32 not charge a fee. The commissioner may use any information available to determine or
146.33 verify eligibility under this section.

146.34 Subd. 2. **Approval; recording.** The commissioner shall approve all initial
146.35 applications that qualify under this chapter and shall notify the primary property owner on
146.36 or before December 1. The commissioner may investigate the facts or require confirmation

147.1 in regard to an application. The commissioner shall record or file a notice of qualification
147.2 for deferral, including the names of the primary and any secondary property owners and a
147.3 legal description of the eligible property, in the Office of the County Recorder, or registrar
147.4 of titles, whichever is applicable, in the county where the eligible property is located. The
147.5 notice must state that it serves as a notice of lien and that it includes deferrals under this
147.6 section for future years. The primary property owner shall pay the recording or filing fees
147.7 for the notice, which, notwithstanding section 357.18, shall be paid by that owner at the
147.8 time of satisfaction of the lien.

147.9 Subd. 3. **Penalty for failure; investigations.** (a) The commissioner shall assess
147.10 a penalty equal to 20 percent of the property taxes improperly deferred in the case of a
147.11 false application. The commissioner shall assess a penalty equal to 50 percent of the
147.12 property taxes improperly deferred if the taxpayer knowingly filed a false application. The
147.13 commissioner shall assess penalties under this section through the issuance of an order
147.14 under the provisions of chapter 270C. Persons affected by a commissioner's order issued
147.15 under this section may appeal as provided in chapter 270C.

147.16 (b) The commissioner may conduct investigations related to initial applications
147.17 required under this chapter within the period ending 3-1/2 years from the due date of
147.18 the application.

147.19 Subd. 4. **Annual certification to commissioner.** Annually, on or before July 1,
147.20 the primary property owner must certify to the commissioner that the person continues
147.21 to qualify as a primary property owner. If the primary owner has died or has transferred
147.22 the property in the preceding year, a certification may be filed by the primary owner's
147.23 spouse, or by one of the secondary owners, provided that the person is currently an
147.24 owner of the property. In this case, the primary owner's spouse or the secondary owner
147.25 shall be considered the primary owner from that point forward. If neither the primary
147.26 owner, the primary owner's spouse, or a secondary owner is eligible to file the required
147.27 annual certification for the property, the property's participation in the program shall be
147.28 terminated, and the procedures in section 290D.08 apply.

147.29 Subd. 5. **Annual notice to primary property owner.** Annually, on or before
147.30 September 1, the commissioner shall notify each primary property owner, in writing, of
147.31 the total cumulative deferred taxes and accrued interest on the qualifying property as of
147.32 that date.

147.33 Sec. 5. **[290D.05] DEFERRED PROPERTY TAX AMOUNT.**

147.34 Subdivision 1. **Calculation of deferred property tax amount.** Each year after
147.35 the county auditor has determined the final property tax rates under section 275.08, the

148.1 "deferred property tax amount" must be calculated on each eligible property. The deferred
148.2 property tax amount is equal to 50 percent of the amount of the difference between (1) the
148.3 total amount of property taxes and special assessments levied upon the eligible property
148.4 for the current year by all taxing jurisdictions and (2) the eligible property's base property
148.5 tax amount. Any tax attributable to new improvements made to the eligible property after
148.6 the initial application has been approved under section 290D.04, subdivision 2, must be
148.7 excluded in determining the deferred property tax amount. The eligible property's total
148.8 current year's tax less the deferred property tax amount for the current year must be listed
148.9 on the property tax statement and is the amount due to the county under chapter 276.
148.10 Reference that the property is enrolled in the seasonal recreational property tax deferral
148.11 program under this chapter and a state lien has been recorded must be clearly printed on
148.12 the statement.

148.13 Subd. 2. **Certification to commissioner.** The county auditor shall annually, on or
148.14 before April 15, certify to the commissioner the property tax deferral amounts determined
148.15 under this section for each eligible property in the county. The commissioner shall
148.16 prescribe the information that is necessary to identify the eligible properties.

148.17 Subd. 3. **Limitation on total amount of deferred taxes.** The total amount of
148.18 deferred taxes and interest on a property, when added to (1) the balance owed on any
148.19 mortgages on the property at the time of initial application; (2) other amounts secured by
148.20 liens on the property at the time of the initial application; and (3) any unpaid and delinquent
148.21 special assessments and interest and any delinquent property taxes, penalties, and interest,
148.22 but not including property taxes payable during the year, must not exceed 60 percent of
148.23 the assessor's estimated market value of the property for the current assessment year.

148.24 **Sec. 6. [290D.06] LIEN; DEFERRED PORTION.**

148.25 (a) Payment by the state to the county treasurer of property taxes, penalties, interest,
148.26 or special assessments and interest, deferred under this chapter is deemed a loan from the
148.27 state to the program participant. The commissioner shall compute the interest as provided
148.28 in section 270C.40, subdivision 5, but not to exceed two percent over the maximum
148.29 interest rate provided in section 290B.07, paragraph (a), and maintain records of the total
148.30 deferred amount and interest for each participant. Interest accrues beginning September 1
148.31 of the payable year for which the taxes are deferred. Any deferral made under this chapter
148.32 must not be construed as delinquent property taxes.

148.33 The lien created under section 272.31 continues to secure payment by the taxpayer,
148.34 or by the taxpayer's successors or assigns, of the amount deferred, including interest, with
148.35 respect to all years for which amounts are deferred. The lien for deferred taxes and interest

149.1 has the same priority as any other lien under section 272.31, except that liens, including
149.2 mortgages, recorded or filed prior to the recording or filing of the notice under section
149.3 290D.04, subdivision 2, have priority over the lien for deferred taxes and interest. A
149.4 seller's interest in a contract for deed, in which a qualifying owner is the purchaser or an
149.5 assignee of the purchaser, has priority over deferred taxes and interest on deferred taxes,
149.6 regardless of whether the contract for deed is recorded or filed. The lien for deferred taxes
149.7 and interest for future years has the same priority as the lien for deferred taxes and interest
149.8 for the first year, which is always higher in priority than any mortgages or other liens filed,
149.9 recorded, or created after the notice recorded or filed under section 290D.04, subdivision
149.10 2. The county treasurer or auditor shall maintain records of the deferred portion and shall
149.11 list the amount of deferred taxes for the year and the cumulative deferral and interest for
149.12 all previous years as a lien against the eligible property. In any certification of unpaid
149.13 taxes for a tax parcel, the county auditor shall clearly distinguish between taxes payable in
149.14 the current year, deferred taxes and interest, and delinquent taxes. Payment of the deferred
149.15 portion becomes due and owed at the time specified in section 290D.07. Upon receipt of
149.16 the payment, the commissioner shall issue a receipt to the person making the payment
149.17 upon request and shall notify the auditor of the county in which the parcel is located,
149.18 within ten days, identifying the parcel to which the payment applies. Upon receipt by the
149.19 commissioner of collected funds in the amount of the deferral, the state's loan to the
149.20 program participant is deemed paid in full.

149.21 (b) If eligible property for which taxes have been deferred under this chapter forfeits
149.22 under chapter 281 for nonpayment of a nondeferred property tax amount, or because
149.23 of nonpayment of amounts previously deferred following a termination under section
149.24 290D.07, the lien for the taxes deferred under this chapter, plus interest and costs, shall be
149.25 canceled by the county auditor as provided in section 282.07. However, notwithstanding
149.26 any other law to the contrary, any proceeds from a subsequent sale of the eligible property
149.27 under chapter 282 or another law, must be used to first reimburse the county's forfeited
149.28 tax sale fund for any direct costs of selling the eligible property or any costs directly
149.29 related to preparing the eligible property for sale, and then to reimburse the state for
149.30 the amount of the canceled lien. Within 90 days of the receipt of any sale proceeds to
149.31 which the state is entitled under these provisions, the county auditor must pay those funds
149.32 to the commissioner by warrant for deposit in the general fund. No other deposit, use,
149.33 distribution, or release of gross sale proceeds or receipts may be made by the county until
149.34 payments sufficient to fully reimburse the state for the canceled lien amount have been
149.35 transmitted to the commissioner.

150.1 Sec. 7. **[290D.07] TERMINATION OF DEFERRAL; PAYMENT OF DEFERRED**
150.2 **TAXES.**

150.3 Subdivision 1. **Termination.** (a) The deferral of taxes granted under this chapter
150.4 terminates when one of the following occurs:

150.5 (1) the eligible property is sold or transferred to someone other than the primary
150.6 owner's spouse or a secondary owner;

150.7 (2) the death of the primary owner, or in the case of a married couple, after the
150.8 death of both spouses, provided that there is not a secondary owner eligible to become
150.9 the primary owner;

150.10 (3) the primary property owner notifies the commissioner, in writing, that all owners,
150.11 including any secondary property owners, desire to discontinue the deferral; or

150.12 (4) the eligible property no longer qualifies under section 290D.03.

150.13 (b) An eligible property is not terminated from the program because no deferred
150.14 property tax amount is determined for any given year after the eligible property's initial
150.15 enrollment into the program.

150.16 (c) An eligible property is not terminated from the program if the eligible property
150.17 subsequently becomes the homestead of one or more of the property owners and the
150.18 property and the owners qualify for, and are immediately enrolled in, the senior deferral
150.19 program under chapter 290B.

150.20 Subd. 2. **Payment upon termination.** Upon the termination of the deferral under
150.21 subdivision 1, the amount of deferred taxes, penalties, interest, and special assessments
150.22 and interest, plus the recording or filing fees under this subdivision and section 290D.04,
150.23 subdivision 2, becomes due and payable to the commissioner within 90 days of termination
150.24 of the deferral for terminations under subdivision 1, paragraph (a), clauses (1) and (2),
150.25 and within one year of termination of the deferral for terminations under subdivision 1,
150.26 paragraph (a), clauses (3) and (4). No additional interest is due on the deferral if timely
150.27 paid. On receipt of payment, the commissioner shall, within ten days, notify the auditor
150.28 of the county in which the parcel is located, identifying the parcel to which the payment
150.29 applies and shall remit the recording or filing fees under this subdivision and section
150.30 290D.04, subdivision 2, to the auditor. A notice of termination of deferral, containing the
150.31 legal description and the recording or filing data for the notice of qualification for deferral
150.32 under section 290D.04, subdivision 2, shall be prepared and recorded or filed by the
150.33 county auditor in the same office in which the notice of qualification for deferral under
150.34 section 290D.04, subdivision 2, was recorded or filed, and the county auditor shall mail a
150.35 copy of the notice of termination to the property owner. The property owner shall pay the
150.36 recording or filing fees. Upon recording or filing of the notice of termination of deferral,

151.1 the notice of qualification for deferral under section 290D.04, subdivision 2, and the lien
151.2 created by it are discharged. If the deferral is not timely paid, the penalty, interest, lien,
151.3 forfeiture, and other rules for the collection of ad valorem property taxes apply.

151.4 Sec. 8. **[290D.08] STATE REIMBURSEMENT.**

151.5 Subdivision 1. **Determination; payment.** The county auditor shall determine the
151.6 total current year's deferred amount of property tax under this chapter in the county, and
151.7 submit those amounts as part of the abstracts of tax lists submitted by the county auditors
151.8 under section 275.29. The commissioner may make changes in the abstracts of tax lists as
151.9 deemed necessary. The commissioner, after such review, shall pay the deferred amount of
151.10 property tax to each county treasurer on or before August 31.

151.11 The county treasurer shall distribute as part of the October settlement the funds
151.12 received as if they had been collected as part of the property tax.

151.13 Subd. 2. **Appropriation.** An amount sufficient to pay the total amount of property
151.14 tax determined under subdivision 1, plus any other amounts paid under this chapter, is
151.15 annually appropriated from the general fund to the commissioner.

151.16 Sec. 9. **EFFECTIVE DATE.**

151.17 Sections 1 to 8 are effective for applications filed July 1, 2009, and thereafter.

153.25 of the Internal Revenue Code of 1986, except that in section 1(f)(3)(B) the word "2010"
153.26 is substituted for the word "1992." For 2012, the commissioner shall then determine the
153.27 percentage change from the 12 months ending on August 31, 2010, to the 12 months
153.28 ending on August 31, 2011, and in each subsequent year, from the 12 months ending on
153.29 August 31, 2010, to the 12 months ending on August 31 of the year preceding the calendar

153.31 in 0.5 cent, the amount is rounded up to the nearest cent.

153.32 (c) The determination of the commissioner under this subdivision is not a "rule" and
153.33 is not subject to the Administrative Procedure Act in chapter 14.

153.34 **EFFECTIVE DATE.** This section is effective beginning for calendar year 2012.

154.1 Sec. 7. Minnesota Statutes 2008, section 297G.03, subdivision 1, is amended to read:

154.2 Subdivision 1. **General rate; distilled spirits and wine.** The following excise tax is

	Standard	Metric
154.5

163.32 Sec. 8. Minnesota Statutes 2008, section 297A.61, subdivision 4, is amended to read:

163.33 Subd. 4. **Retail sale.** (a) A "retail sale" means any sale, lease, or rental for any
163.34 purpose, other than resale, sublease, or subrent of items by the purchaser in the normal
163.35 course of business as defined in subdivision 21.

164.1 (b) A sale of property used by the owner only by leasing it to others or by holding it
164.2 in an effort to lease it, and put to no use by the owner other than resale after the lease or
164.3 effort to lease, is a sale of property for resale.

164.4 (c) A sale of master computer software that is purchased and used to make copies for
164.5 sale or lease is a sale of property for resale.

164.6 (d) A sale of building materials, supplies, and equipment to owners, contractors,
164.7 subcontractors, or builders for the erection of buildings or the alteration, repair, or
164.8 improvement of real property is a retail sale in whatever quantity sold, whether the sale is
164.9 for purposes of resale in the form of real property or otherwise.

164.10 (e) A sale of carpeting, linoleum, or similar floor covering to a person who provides
164.11 for installation of the floor covering is a retail sale and not a sale for resale since a sale
164.12 of floor covering which includes installation is a contract for the improvement of real
164.13 property.

164.14 (f) A sale of shrubbery, plants, sod, trees, and similar items to a person who provides
164.15 for installation of the items is a retail sale and not a sale for resale since a sale of
164.16 shrubbery, plants, sod, trees, and similar items that includes installation is a contract for
164.17 the improvement of real property.

164.18 (g) A sale of tangible personal property, specified digital products, or other digital
164.19 products that is awarded as prizes is a retail sale and is not considered a sale of property
164.20 for resale.

164.21 (h) A sale of tangible personal property, specified digital products, or other digital
164.22 products utilized or employed in the furnishing or providing of services under subdivision
164.23 3, paragraph (g), clause (1), including, but not limited to, property given as promotional
164.24 items, is a retail sale and is not considered a sale of property for resale.

164.25 (i) A sale of tangible personal property, specified digital products, or other digital
164.26 products used in conducting lawful gambling under chapter 349 or the State Lottery under
164.27 chapter 349A, including, but not limited to, property given as promotional items, is a retail
164.28 sale and is not considered a sale of property for resale.

164.29 (j) A sale of machines, equipment, or devices that are used to furnish, provide, or
164.30 dispense goods or services, including, but not limited to, coin-operated devices, is a retail
164.31 sale and is not considered a sale of property for resale.

164.32 (k) In the case of a lease, a retail sale occurs (1) when an obligation to make a lease
164.33 payment becomes due under the terms of the agreement or the trade practices of the
164.34 lessor or (2) in the case of a lease of a motor vehicle, as defined in section 297B.01,
164.35 subdivision 11, but excluding vehicles with a manufacturer's gross vehicle weight rating

165.1 greater than 10,000 pounds and rentals of vehicles for not more than 28 days, at the time
165.2 the lease is executed.

165.3 (l) In the case of a conditional sales contract, a retail sale occurs upon the transfer of
165.4 title or possession of the tangible personal property.

165.5 (m) A sale of a bundled transaction in which one or more of the products included
165.6 in the bundle is a taxable product is a retail sale, except that if one of the products
165.7 is a telecommunication service, ancillary service, Internet access, or audio or video
165.8 programming service, and the seller has maintained books and records identifying through
165.9 reasonable and verifiable standards the portions of the price that are attributable to the
165.10 distinct and separately identifiable products, then the products are not considered part of a
165.11 bundled transaction. For purposes of this paragraph:

165.12 (1) the books and records maintained by the seller must be maintained in the regular
165.13 course of business, and do not include books and records created and maintained by the
165.14 seller primarily for tax purposes;

165.15 (2) books and records maintained in the regular course of business include, but are
165.16 not limited to, financial statements, general ledgers, invoicing and billing systems and
165.17 reports, and reports for regulatory tariffs and other regulatory matters; and

165.18 (3) books and records are maintained primarily for tax purposes when the books
165.19 and records identify taxable and nontaxable portions of the price, but the seller maintains
165.20 other books and records that identify different prices attributable to the distinct products
165.21 included in the same bundled transaction.

165.22 (n) A sale of specified digital products or other digital products to an end user with
165.23 or without rights of permanent use and regardless of whether rights of use are conditioned
165.24 upon continued payment by the purchaser. When a digital code has been purchased that
165.25 relates to specified digital products or other digital products, the subsequent receipt of or
165.26 access to the related specified digital products or other digital products is not a retail sale.

165.27 **EFFECTIVE DATE.** This section is effective for sales and purchases made after

165.29 Sec. 9. Minnesota Statutes 2008, section 297A.61, subdivision 5, is amended to read:

165.30 Subd. 5. **Storage.** "Storage" includes keeping or retaining tangible personal
165.31 property, specified digital products, or other digital products in Minnesota for any purpose
165.32 except sale in the regular course of business.

165.33 **EFFECTIVE DATE.** This section is effective for sales and purchases made after

166.1 Sec. 10. Minnesota Statutes 2008, section 297A.61, subdivision 6, is amended to read:

166.2 Subd. 6. **Use.** (a) "Use" includes the exercise of a right or power incident to the
166.3 ownership of any interest in tangible personal property, specified digital products, other
166.4 digital products, or services, purchased from a retailer, other than the sale of that property
166.5 in the regular course of business.

166.6 (b) Use includes the consumption of printed materials in the creation of nontaxable
166.7 advertising that is distributed, either directly or indirectly, within Minnesota.

166.8 **EFFECTIVE DATE.** This section is effective for sales and purchases made after
166.9 June 30, 2009.

166.10 Sec. 11. Minnesota Statutes 2008, section 297A.61, subdivision 10, is amended to read:

166.11 Subd. 10. **Tangible personal property.** (a) "Tangible personal property" means
166.12 personal property that can be seen, weighed, measured, felt, or touched, or that is in any
166.13 other manner perceptible to the senses. "Tangible personal property" includes, but is not
166.14 limited to, electricity, water, gas, steam, and prewritten computer software.

166.15 (b) Tangible personal property does not include:

166.16 (1) large ponderous machinery and equipment used in a business or production
166.17 activity which at common law would be considered to be real property;

166.18 (2) property which is subject to an ad valorem property tax;

166.19 (3) property described in section 272.02, subdivision 9, clauses (a) to (d); and

166.20 (4) property described in section 272.03, subdivision 2, clauses (3) and (5); and

166.21 (5) specified digital products, or other digital products transferred electronically,

166.22 except prewritten computer software delivered electronically is tangible personal property.

166.23 **EFFECTIVE DATE.** This section is effective for sales and purchases made after
166.24 June 30, 2009.

166.25 Sec. 12. Minnesota Statutes 2008, section 297A.61, subdivision 14a, is amended to
166.26 read:

166.27 Subd. 14a. **Lease or rental.** (a) "Lease or rental" means any transfer of possession
166.28 or control of tangible personal property, specified digital products, or other digital
166.29 products for a fixed or indeterminate term for consideration. A lease or rental may include
166.30 future options to purchase or extend.

166.31 (b) Lease or rental does not include:

167.1 (1) a transfer of possession or control of property under a security agreement or
167.2 deferred payment plan that requires the transfer of title upon completion of the required
167.3 payments;

167.4 (2) a transfer of possession or control of property under an agreement that requires
167.5 the transfer of title upon completion of required payments and payment of an option price
167.6 does not exceed the greater of \$100 or one percent of the total required payments; or

167.7 (3) providing tangible personal property along with an operator for a fixed or
167.8 indeterminate period of time. A condition of this exclusion is that the operator is necessary
167.9 for the equipment to perform as designed. For the purpose of this subdivision, an operator
167.10 must do more than maintain, inspect, or set up the tangible personal property.

167.11 (c) Lease or rental does include agreements covering motor vehicles and trailers
167.12 where the amount of consideration may be increased or decreased by reference to the
167.13 amount realized upon sale or disposition of the property as defined in United States Code,
167.14 title 26, section 7701(h)(1).

167.15 (d) This definition must be used for sales and use tax purposes regardless if a
167.16 transaction is characterized as a lease or rental under generally accepted accounting
167.17 principles, the Internal Revenue Code, chapter 336, or other provisions of federal, state, or
167.18 local law.

167.19 **EFFECTIVE DATE.** This section is effective for sales and purchases made after
167.20 June 30, 2009.

167.22 read:

167.23 Subd. 17a. **Delivered electronically.** "Delivered electronically" means delivered
167.24 to the purchaser by means other than tangible storage media; and unless the context
167.25 indicates otherwise, applies to the delivery of computer software. Computer software is
167.26 not considered "delivered electronically" to a purchaser simply because the purchaser
167.27 has access to the product.

167.28 **EFFECTIVE DATE.** This section is effective for sales and purchases made after
167.29 June 30, 2009.

167.30 Sec. 14. Minnesota Statutes 2008, section 297A.61, subdivision 21, is amended to read:

167.31 Subd. 21. **Normal course of business.** "Normal course of business" means
167.32 activities that demonstrate a commercial continuity or consistency of making sales or

168.1 performing services for the purposes of attaining profit or producing income. Factors that
168.2 indicate that a person is acting in the normal course of business include:

- 168.3 (1) systematic solicitation of sales through advertising media;
- 168.4 (2) entering into contracts to perform services or provide tangible personal property,
168.5 specified digital products, or other digital products;
- 168.6 (3) maintaining a place of business; or
- 168.7 (4) use of exemption certificates to purchase items exempt from the sales tax.

168.8 **EFFECTIVE DATE.** This section is effective for sales and purchases made after
168.9 June 30, 2009.

168.10 Sec. 15. Minnesota Statutes 2008, section 297A.61, subdivision 38, is amended to read:

168.11 Subd. 38. **Bundled transaction.** (a) "Bundled transaction" means the retail sale
168.12 of two or more products when the products are otherwise distinct and identifiable, and
168.13 the products are sold for one nonitemized price. As used in this subdivision, "product"
168.14 includes tangible personal property, services, intangibles, and digital goods, including
168.15 specified digital products, or other digital products, but does not include real property or
168.16 services to real property. A bundled transaction does not include the sale of any products
168.17 in which the sales price varies, or is negotiable, based on the selection by the purchaser of
168.18 the products included in the transaction.

168.19 (b) For purposes of this subdivision, "distinct and identifiable" products does not
168.20 include:

168.21 (1) packaging and other materials, such as containers, boxes, sacks, bags, and
168.22 bottles, wrapping, labels, tags, and instruction guides, that accompany the retail sale of the
168.23 products and are incidental or immaterial to the retail sale. Examples of packaging that are
168.24 incidental or immaterial include grocery sacks, shoe boxes, dry cleaning garment bags,
168.25 and express delivery envelopes and boxes;

168.26 (2) a promotional product provided free of charge with the required purchase of
168.27 another product. A promotional product is provided free of charge if the sales price of
168.28 another product, which is required to be purchased in order to receive the promotional
168.29 product, does not vary depending on the inclusion of the promotional product; and

168.30 (3) items included in the definition of sales price.

168.31 (c) For purposes of this subdivision, the term "one nonitemized price" does not
168.32 include a price that is separately identified by product on binding sales or other supporting
168.33 sales-related documentation made available to the customer in paper or electronic form
168.34 including but not limited to an invoice, bill of sale, receipt, contract, service agreement,
168.35 lease agreement, periodic notice of rates and services, rate card, or price list.

169.1 (d) A transaction that otherwise meets the definition of a bundled transaction is
169.2 not a bundled transaction if it is:

169.3 (1) the retail sale of tangible personal property and a service and the tangible
169.4 personal property is essential to the use of the service, and is provided exclusively in
169.5 connection with the service, and the true object of the transaction is the service;

169.6 (2) the retail sale of services if one service is provided that is essential to the use or
169.7 receipt of a second service and the first service is provided exclusively in connection with
169.8 the second service and the true object of the transaction is the second service;

169.9 (3) a transaction that includes taxable products and nontaxable products and the
169.10 purchase price or sales price of the taxable products is de minimis; or

169.11 (4) the retail sale of exempt tangible personal property and taxable tangible personal
169.12 property if:

169.13 (i) the transaction includes food and food ingredients, drugs, durable medical
169.14 equipment, mobility enhancing equipment, over-the-counter drugs, prosthetic devices,
169.15 or medical supplies; and

169.16 (ii) the seller's purchase price or sales price of the taxable tangible personal property
169.17 is 50 percent or less of the total purchase price or sales price of the bundled tangible
169.18 personal property. Sellers must not use a combination of the purchase price and sales
169.19 price of the tangible personal property when making the 50 percent determination for
169.20 a transaction.

169.21 (e) For purposes of this subdivision, "purchase price" means the measure subject to
169.22 use tax on purchases made by the seller, and "de minimis" means that the seller's purchase
169.23 price or sales price of the taxable products is ten percent or less of the total purchase
169.24 price or sales price of the bundled products. Sellers shall use either the purchase price
169.25 or the sales price of the products to determine if the taxable products are de minimis.
169.26 Sellers must not use a combination of the purchase price and sales price of the products
169.27 to determine if the taxable products are de minimis. Sellers shall use the full term of a
169.28 service contract to determine if the taxable products are de minimis.

169.29 **EFFECTIVE DATE.** This section is effective for sales and purchases made after
169.30 June 30, 2009.

169.31 Sec. 16. Minnesota Statutes 2008, section 297A.61, is amended by adding a
169.32 subdivision to read:

169.33 **Subd. 47. Digital audio visual work.** "Digital audio visual work" means a series
169.34 of related images, together with accompanying sounds, if any, which, when shown in
169.35 succession, impart an impression of motion, that are transferred electronically. Digital

170.1 audio visual works include such items as motion pictures, movies, musical videos, news
170.2 and entertainment programs, and live events. Digital audio visual works do not include
170.3 video greeting cards sent by electronic mail. Unless the context provides otherwise, digital
170.4 audio visual works include the digital code or a subscription to or access to a digital code
170.5 for receiving, accessing, or otherwise obtaining digital audio visual works.

170.6 **EFFECTIVE DATE.** This section is effective for sales and purchases made after
170.7 June 30, 2009.

170.8 Sec. 17. Minnesota Statutes 2008, section 297A.61, is amended by adding a
170.9 subdivision to read:

170.10 Subd. 48. **Digital audio work.** "Digital audio work" means a work that results
170.11 from the fixation of a series of musical, spoken, or other sounds, that are transferred
170.12 electronically. Digital audio works include such items as songs, music, readings of books
170.13 or other written materials, speeches, ring tones, or other sound recordings which may be
170.14 either prerecorded or live. Digital audio works do not include audio greeting cards sent
170.15 by electronic mail. Unless the context provides otherwise, digital audio works include
170.16 the digital code or a subscription to or access to a digital code for receiving, accessing,
170.17 or otherwise obtaining digital audio works. For purposes of this subdivision, "ring tone"
170.18 means a digitized sound file that is downloaded onto a device and that may be used to alert
170.19 the customer with respect to a communication. A ring tone does not include ring back tones
170.20 or other digital audio files that are not stored on the customer's communication device.

170.21 **EFFECTIVE DATE.** This section is effective for sales and purchases made after
170.22 June 30, 2009.

170.23 Sec. 18. Minnesota Statutes 2008, section 297A.61, is amended by adding a
170.24 subdivision to read:

170.25 Subd. 49. **Digital book.** "Digital book" means a work that is a literary work, other
170.26 than digital audio visual works or digital audio works, expressed in words, numbers, or
170.27 numerical symbols or indicia so long as the product is generally recognized in the ordinary
170.28 and usual sense as a book and is transferred electronically. It includes works of fiction,
170.29 nonfiction, and short stories. It does not include periodicals, magazines, newspapers, or
170.30 other news and information products, chat rooms, or weblogs. Unless the context provides
170.31 otherwise, digital books include the digital code or a subscription to or access to a digital
170.32 code for receiving, accessing, or otherwise obtaining digital books.

171.1 **EFFECTIVE DATE.** This section is effective for sales and purchases made after

171.4 subdivision to read:

171.5 Subd. 50. **Digital code.** "Digital code" means a code which provides a purchaser
171.6 with a right to obtain one or more of the specified digital products or other digital products.
171.7 A digital code may be transferred electronically such as through electronic e-mail, or
171.8 it may be transferred on a tangible medium, such as a plastic card, a piece of paper or
171.9 invoice, or imprinted on another product. A digital code is not a code that represents
171.10 stored monetary value that is deducted from a total as it is used by the purchaser and it is
171.11 not a code that represents a redeemable card, gift card, or gift certificate that entitles the
171.12 holder to select a specified digital product or other digital product of an indicated cash
171.13 value. The end user of the digital code is any purchaser except one who receives the
171.14 contractual right to redistribute the specified digital product or other digital product which
171.15 is the subject of the transaction.

171.28 by the purchaser by means other than tangible storage media and, unless the context
171.29 indicated otherwise, applies to the delivery of specified digital products and other digital
171.30 products. For purposes of this subdivision, it is not necessary that a copy of the product
171.31 be physically transferred to the purchaser. A product shall be considered to have been
171.32 transferred electronically to a purchaser if the purchaser has access to the product.

172.1 **EFFECTIVE DATE.** This section is effective for sales and purchases made after
172.2 June 30, 2009.

172.28 digital products, other digital products, or taxable services at the rate of tax imposed under

173.3 (c) No tax is imposed under paragraph (a) if the purchase meets the requirements for
173.4 exemption under section 297A.67, subdivision 21.

173.5 (d) When a transaction otherwise meets the definition of a bundled transaction, but
173.6 is not a bundled transaction under section 297A.61, subdivision 38, paragraph (d), and

174.3 (4) does not charge usage rates that decline on a per unit basis, whether specified
174.4 based on distance or time.

174.5 **EFFECTIVE DATE.** This section is effective July 1, 2009, and applies to
174.6 registrations made or renewed on or after that date.

174.7 Sec. 26. Minnesota Statutes 2008, section 297A.66, subdivision 1, is amended to read:

174.8 Subdivision 1. **Definitions.** (a) To the extent allowed by the United States
174.9 Constitution and the laws of the United States, "retailer maintaining a place of business in
174.10 this state," or a similar term, means a retailer:

174.11 (1) having or maintaining within this state, directly or by a subsidiary or an affiliate,
174.12 an office, place of distribution, sales or sample room or place, warehouse, or other place
174.13 of business; or

174.14 (2) having a representative, including, but not limited to, an affiliate, agent,
174.15 salesperson, canvasser, or solicitor operating in this state under the authority of the retailer
174.16 or its subsidiary, for any purpose, including the repairing, selling, delivering, installing, or
174.17 soliciting of orders for the retailer's goods or services, or the leasing of tangible personal
174.18 property, specified digital products, or other digital products, located in this state, whether
174.19 the place of business or agent, representative, affiliate, salesperson, canvasser, or solicitor
174.20 is located in the state permanently or temporarily, or whether or not the retailer, subsidiary,
174.21 or affiliate is authorized to do business in this state.

174.22 (b) "Destination of a sale" means the location to which the retailer makes delivery of
174.23 the property sold, or causes the property to be delivered, to the purchaser of the property,
174.24 or to the agent or designee of the purchaser. The delivery may be made by any means,
174.25 including the United States Postal Service or a for-hire carrier.

174.26 **EFFECTIVE DATE.** This section is effective for sales and purchases made after
174.27 June 30, 2009.

174.28 Sec. 27. Minnesota Statutes 2008, section 297A.66, is amended by adding a
174.29 subdivision to read:

174.30 Subd. 4a. **Solicitor.** (a) "Solicitor," for purposes of subdivision 1, paragraph (a),
174.31 means a person, whether an independent contractor or other representative, who directly
174.32 or indirectly solicits business for the retailer.

175.1 (b) A retailer is presumed to have a solicitor in this state if it enters into an agreement
175.2 with a resident under which the resident, for a commission or other consideration, directly
175.3 or indirectly refers potential customers, whether by a link on an Internet Web site, or
175.4 otherwise, to the seller. This paragraph only applies if the total gross receipts from
175.5 sales to customers located in the state who were referred to the retailer by all residents
175.6 with this type of agreement with the retailer is at least \$10,000 in the 12-month period
175.7 ending on the last day of the most recent calendar quarter before the calendar quarter in
175.8 which the sale is made.

175.9 (c) The presumption under paragraph (b) may be rebutted by proof that the resident
175.10 with whom the seller has an agreement did not engage in any solicitation in the state
175.11 on behalf of the retailer that would satisfy the nexus requirement of the United States
175.12 Constitution during the 12-month period in question. Nothing in this section shall be
175.13 construed to narrow the scope of the terms affiliate, agent, salesperson, canvasser, or other
175.14 representative for purposes of subdivision 1, paragraph (a).

175.15 (d) For purposes of this paragraph, "resident" includes an individual who is a
175.16 resident of this state, as defined in section 290.01, or a business that owns tangible
175.17 personal property located in this state or has one or more employees providing services
175.18 for it in this state.

175.20 June 30, 2009.

175.22 Subd. 15. **Residential heating fuels.** Residential heating fuels are exempt as
175.23 follows:

175.24 (1) all fuel oil, coal, wood, steam, hot water, propane gas, and L.P. gas sold to
175.25 residential customers for residential use;

175.26 (2) for the period encompassing the billing months of November, December,
175.27 January, February, March, and April, the first 850 hundred cubic feet per dwelling unit of
175.28 natural gas sold for residential use to customers who are metered and billed as residential
175.29 users and who use natural gas for their primary source of residential heat; and

175.30 (3) for the period encompassing the billing months of November, December,
175.31 January, February, March, and April, the first 5,750 kilowatt-hours per dwelling unit of
175.32 electricity sold for residential use to customers who are metered and billed as residential
175.33 users and who use electricity for their primary source of residential heat.

176.1 **EFFECTIVE DATE.** This section is effective for sales and purchases made after

 176.5 in the normal course of business of selling that kind of property or service are exempt.
 176.6 The storage, use, or consumption of property or services acquired as a result of such a
 176.7 sale is exempt. This exemption does not apply to sales of tangible personal property,
 176.8 specified digital products, or other digital products, primarily used in a trade or business,
 176.9 a snowmobile or all-terrain vehicle licensed under chapter 84, or to watercraft licensed
 176.10 under chapter 86B.

176.11 **EFFECTIVE DATE.** This section is effective for sales and purchases made after
 176.12 June 30, 2009.

176.13 Sec. 30. Minnesota Statutes 2008, section 297A.815, subdivision 3, is amended to read:

176.14 Subd. 3. **Motor vehicle lease sales tax revenue.** (a) For purposes of this
 176.15 subdivision, "~~net revenue~~ revenues" means an amount equal to:

176.16 ~~(1) the revenues, including interest and penalties, collected under this section, during~~
 176.17 ~~the fiscal year; less,~~

176.18 ~~(2) the estimated reduction in individual income tax receipts and the estimated~~
 176.19 ~~amount of refunds paid out under section 290.06, subdivision 34, for the fiscal year.~~

176.20 ~~(b) On or before June 30 of each fiscal year, the commissioner of revenue shall~~
 176.21 ~~estimate the amount of the revenues and subtraction under paragraph (a) for the current~~
 176.22 ~~fiscal year.~~

176.23 ~~(c) On or after July 1 of the subsequent fiscal year, the commissioner of finance shall~~
 176.24 ~~transfer the net revenue as estimated in paragraph (b) from the general fund, as follows:~~

176.25 (b) The commissioner of revenue shall estimate the revenues for each fiscal year and
 176.26 transfer one-quarter of the estimated amount from the general fund on January 1, April 1,
 176.27 July 1, and October 1, allocated as follows:

176.28 (1) 50 percent to the greater Minnesota transit account; and

176.29 (2) 50 percent to the county state-aid highway fund. Notwithstanding any other law
 176.30 to the contrary, the commissioner of transportation shall allocate the funds transferred
 176.31 under this clause to the counties in the metropolitan area, as defined in section 473.121,
 176.32 subdivision 4, excluding the counties of Hennepin and Ramsey, so that each county shall
 176.33 receive of such amount the percentage that its population, as defined in section 477A.011,

177.1 subdivision 3, estimated or established by July 15 of the year prior to the current calendar
177.2 year, bears to the total population of the counties receiving funds under this clause.

177.3 (d) For fiscal years 2010 and 2011, the ~~amount under paragraph (a), clause (1),~~

177.8 Subd. 3. **Commissioner's discretion.** (a) The commissioner may decline to issue a
177.9 permit to a retailer not maintaining a place of business in this state, or may cancel a permit
177.10 previously issued to the retailer, if the commissioner believes that the tax can be collected
177.11 more effectively from the persons using the property in this state. A refusal to issue or
177.12 cancellation of a permit on such grounds does not affect the retailer's right to make retail
177.13 sales from outside this state to destinations within this state.

177.14 (b) If the commissioner considers it necessary for the efficient administration of the
177.15 tax to regard a salesperson, representative, trucker, peddler, or canvasser as the agent of
177.16 the dealer, distributor, supervisor, employer, or other person under whom that person
177.17 operates or from whom the person obtains the tangible personal property, specified digital
177.18 products, or other digital products, sold, whether making sales personally or in behalf of
177.19 that dealer, distributor, supervisor, employer, or other person, the commissioner may
177.20 regard the salesperson, representative, trucker, peddler, or canvasser as such agent, and
177.21 may regard the dealer, distributor, supervisor, employer, or other person as a retailer for
177.22 the purposes of collecting the tax.

177.23 **EFFECTIVE DATE.** This section is effective for sales and purchases made after

177.27 (a) Except as provided in this section, the commissioner shall deposit the revenues,

177.33 the construction and operation of an agricultural resource project; and

178.1 (2) the purchase was made on or after the date on which a conditional commitment
178.2 was made for a loan guaranty for the project under section 41A.04, subdivision 3.

178.3 The commissioner of finance shall certify to the commissioner the date on which the
178.4 project received the conditional commitment. The amount deposited in the loan guaranty
178.5 account must be reduced by any refunds and by the costs incurred by the Department of
178.6 Revenue to administer and enforce the assessment and collection of the taxes.

178.7 (c) The commissioner shall deposit the revenues, including interest and penalties,
178.8 derived from the taxes imposed on sales and purchases included in section 297A.61,
178.9 subdivision 3, paragraph (g), clauses (1) and (4), in the state treasury, and credit them
178.10 as follows:

178.16 collected under section 297A.64, subdivision 5, in the state treasury and credit them to the
178.17 general fund. By July 15 of each year the commissioner shall transfer to the highway user
178.18 tax distribution fund an amount equal to the excess fees collected under section 297A.64,
178.19 subdivision 5, for the previous calendar year.

178.20 (e) For fiscal year 2001, 97 percent; for fiscal years 2002 and 2003, 87 percent; and
178.21 for fiscal year 2004 and thereafter, 72.43 percent of the revenues, including interest and

178.23 the commissioner in the state treasury as follows:

178.24 (1) 50 percent of the receipts must be deposited in the heritage enhancement account

178.36 Conservatory, and the Duluth Zoo.

179.1 (f) The revenue dedicated under paragraph (e) may not be used as a substitute
179.2 for traditional sources of funding for the purposes specified, but the dedicated revenue
179.3 shall supplement traditional sources of funding for those purposes. Land acquired with
179.4 money deposited in the game and fish fund under paragraph (e) must be open to public
179.5 hunting and fishing during the open season, except that in aquatic management areas or

195.35 to the municipality in calendar years 2008 to 2010; and

196.20 (f) The authority to transfer increments under this section expires on December
 196.21 31, 2010.

196.22 **EFFECTIVE DATE.** This section is effective the day following final enactment
 196.23 and applies to increments from any district, regardless of when the request for certification
 196.24 was made.

196.26 Subd. 6. **Action required.** (a) If, after four years from the date of certification of
 196.27 the original net tax capacity of the tax increment financing district pursuant to section
 196.28 469.177, no demolition, rehabilitation, or renovation of property or other site preparation,
 196.29 including qualified improvement of a street adjacent to a parcel but not installation
 196.30 of utility service including sewer or water systems, has been commenced on a parcel
 196.31 located within a tax increment financing district by the authority or by the owner of the
 196.32 parcel in accordance with the tax increment financing plan, no additional tax increment
 196.33 may be taken from that parcel, and the original net tax capacity of that parcel shall be
 196.34 excluded from the original net tax capacity of the tax increment financing district. If the
 196.35 authority or the owner of the parcel subsequently commences demolition, rehabilitation,

197.1 or renovation or other site preparation on that parcel including qualified improvement of
197.2 a street adjacent to that parcel, in accordance with the tax increment financing plan, the
197.3 authority shall certify to the county auditor that the activity has commenced, and the
197.4 county auditor shall certify the net tax capacity thereof as most recently certified by the
197.5 commissioner of revenue and add it to the original net tax capacity of the tax increment
197.6 financing district. The county auditor must enforce the provisions of this subdivision. The
197.7 authority must submit to the county auditor evidence that the required activity has taken
197.8 place for each parcel in the district. The evidence for a parcel must be submitted by
197.9 February 1 of the fifth year following the year in which the parcel was certified as included
197.10 in the district. For purposes of this subdivision, qualified improvements of a street are
197.11 limited to (1) construction or opening of a new street, (2) relocation of a street, and (3)
197.12 substantial reconstruction or rebuilding of an existing street.

197.13 (b) For districts which were certified on or after January 1, 2005, and before July 1,
197.14 2010, the four-year period under paragraph (a) is increased to six years.

197.15 **EFFECTIVE DATE.** This section is effective for districts certified on or after
197.16 January 1, 2005.

197.17 Sec. 7. Minnesota Statutes 2008, section 469.1763, subdivision 2, is amended to read:

197.18 Subd. 2. **Expenditures outside district.** (a) For each tax increment financing
197.19 district, an amount equal to at least 75 percent of the total revenue derived from tax
197.20 increments paid by properties in the district must be expended on activities in the district
197.21 or to pay bonds, to the extent that the proceeds of the bonds were used to finance activities
197.22 in the district or to pay, or secure payment of, debt service on credit enhanced bonds.
197.23 For districts, other than redevelopment districts for which the request for certification
197.24 was made after June 30, 1995, the in-district percentage for purposes of the preceding
197.25 sentence is 80 percent. Not more than 25 percent of the total revenue derived from tax
197.26 increments paid by properties in the district may be expended, through a development fund
197.27 or otherwise, on activities outside of the district but within the defined geographic area of
197.28 the project except to pay, or secure payment of, debt service on credit enhanced bonds.
197.29 For districts, other than redevelopment districts for which the request for certification was
197.30 made after June 30, 1995, the pooling percentage for purposes of the preceding sentence is
197.31 20 percent. The revenue derived from tax increments for the district that are expended on
197.32 costs under section 469.176, subdivision 4h, paragraph (b), may be deducted first before
197.33 calculating the percentages that must be expended within and without the district.

197.35 subdivision 11, is an activity in the district.

198.1 (c) All administrative expenses are for activities outside of the district, except that
 198.2 if the only expenses for activities outside of the district under this subdivision are for
 198.3 the purposes described in paragraph (d), administrative expenses will be considered as
 198.4 expenditures for activities in the district.

198.5 (d) The authority may elect, in the tax increment financing plan for the district,
 198.6 to increase by up to ten percentage points the permitted amount of expenditures for
 198.7 activities located outside the geographic area of the district under paragraph (a). As
 198.8 permitted by section 469.176, subdivision 4k, the expenditures, including the permitted
 198.9 expenditures under paragraph (a), need not be made within the geographic area of the
 198.10 project. Expenditures that meet the requirements of this paragraph are legally permitted
 198.11 expenditures of the district, notwithstanding section 469.176, subdivisions 4b, 4c, and 4j.
 198.12 To qualify for the increase under this paragraph, the expenditures must:

198.13 (1)(i) be used exclusively to assist housing that meets the requirement for a qualified
 198.14 low-income building, as that term is used in section 42 of the Internal Revenue Code;

198.15 ~~(2)(ii)~~ (ii) not exceed the qualified basis of the housing, as defined under section 42(c)
 198.16 of the Internal Revenue Code, less the amount of any credit allowed under section 42 of
 198.17 the Internal Revenue Code; and

198.18 ~~(3)(iii)~~ (iii) be used to:

198.19 ~~(i)~~ (A) acquire and prepare the site of the housing;

198.20 ~~(ii)~~ (B) acquire, construct, or rehabilitate the housing; or

198.21 ~~(iii)~~ (C) make public improvements directly related to the housing; or

198.22 (2) be used to develop housing that does not exceed 150 percent of the average
 198.23 market value of single-family homes in that municipality and to pay the cost of site
 198.24 acquisition, relocation, demolition of existing structures, site preparation, and pollution
 198.25 abatement on one or more parcels, if the parcel:

198.26 (i) contains a residence containing one to four family dwelling units that has been
 198.27 vacant for three or more months;

198.28 (ii) contains a residence containing one to four family dwelling units that is
 198.29 structurally substandard, as defined in section 469.174, subdivision 10;

198.30 (iii) is in foreclosure as defined in section 325N.10, subdivision 7, but without regard
 198.31 to whether the residence is the owner's principal residence; or

198.32 (iv) is a vacant site, if the authority uses the parcel in connection with the
 198.33 development or redevelopment of a parcel qualifying under items (i) to (iii).

198.34 (e) For a district created within a biotechnology and health sciences industry zone
 198.35 as defined in section 469.330, subdivision 6, or for an existing district located within
 198.36 such a zone, tax increment derived from such a district may be expended outside of the

199.1 district but within the zone only for expenditures required for the construction of public
199.2 infrastructure necessary to support the activities of the zone, land acquisition, and other
199.3 redevelopment costs as defined in section 469.176, subdivision 4j. These expenditures are
199.4 considered as expenditures for activities within the district.

199.5 (f) The authority under paragraph (d), clause (2), expires on December 31, 2015.
199.6 Increments may continue to be expended under this authority after that date, if they are
199.7 used to pay bonds or binding contracts that would qualify under subdivision 3, paragraph
199.8 (a), if December 31, 2015 is considered to be the last date of the five-year period after
199.9 certification under that provision.

199.10 **EFFECTIVE DATE.** This section is effective for any district that is subject to the
199.11 provisions of section 469.1763, regardless of when the request for certification of the
199.12 district was made.

199.13 Sec. 8. Minnesota Statutes 2008, section 469.1763, subdivision 3, is amended to read:

199.14 Subd. 3. **Five-year rule.** (a) Revenues derived from tax increments are considered
199.15 to have been expended on an activity within the district under subdivision 2 only if one

199.18 actually paid to a third party with respect to the activity;

199.20 sold to a third party before or within five years after certification, the revenues are spent
199.21 to repay the bonds, and the proceeds of the bonds either are, on the date of issuance,
199.22 reasonably expected to be spent before the end of the later of (i) the five-year period, or
199.23 (ii) a reasonable temporary period within the meaning of the use of that term under section
199.24 148(c)(1) of the Internal Revenue Code, or are deposited in a reasonably required reserve
199.25 or replacement fund;

199.26 (3) binding contracts with a third party are entered into for performance of the
199.27 activity before or within five years after certification of the district and the revenues are
199.28 spent under the contractual obligation;

199.29 (4) costs with respect to the activity are paid before or within five years after
199.30 certification of the district and the revenues are spent to reimburse a party for payment
199.31 of the costs, including interest on unreimbursed costs; or

199.32 (5) expenditures are made for housing purposes as permitted by subdivision 2,
199.33 paragraphs (b) and (d), or for public infrastructure purposes within a zone as permitted
199.34 by subdivision 2, paragraph (e).

200.1 (b) For purposes of this subdivision, bonds include subsequent refunding bonds if
200.2 the original refunded bonds meet the requirements of paragraph (a), clause (2).

200.4 2010, the five-year period under paragraph (a) is increased to eight years. For districts
200.5 qualifying under this paragraph, application of subdivision 4 begins in the ninth year

209.17 the Iron Range Resources and Rehabilitation Board in a separate taconite economic
209.18 development fund for each taconite and direct reduced ore producer. Money from the
209.19 fund for each producer shall be released by the commissioner after review by a joint
209.20 committee consisting of an equal number of representatives of the salaried employees and
209.21 the nonsalaried production and maintenance employees of that producer. The District 11
209.22 director of the United States Steelworkers of America, on advice of each local employee
209.23 president, shall select the employee members. In nonorganized operations, the employee
209.24 committee shall be elected by the nonsalaried production and maintenance employees.
209.25 The review must be completed no later than six months after the producer presents a
209.26 proposal for expenditure of the funds to the committee. The funds held pursuant to this
209.27 section may be released only for workforce development and associated public facility
209.28 improvement, or for acquisition of plant and stationary mining equipment and facilities
209.29 for the producer or for research and development in Minnesota on new mining, or
209.30 taconite, iron, or steel production technology, but only if the producer provides a matching
209.31 expenditure to be used for the same purpose of at least 50 percent of the distribution
209.32 based on 14.7 cents per ton beginning with distributions in 2002. Effective for proposals
209.33 for expenditures of money from the fund beginning May 26, 2007, the commissioner
209.34 may not release the funds before the next scheduled meeting of the board. If the board

210.1 rejects a proposed expenditure, the funds must be deposited in the Taconite Environmental

210.3 been released from the fund prior to May 26, 2007 to procure haulage trucks, mobile
210.4 equipment, or mining shovels, and the producer removes the piece of equipment from the
210.5 taconite tax relief area defined in section 273.134 within ten years from the date of receipt
210.6 of the money from the fund, a portion of the money granted from the fund must be repaid
210.7 to the taconite economic development fund. The portion of the money to be repaid is 100
210.8 percent of the grant if the equipment is removed from the taconite tax relief area within 12
210.9 months after receipt of the money from the fund, declining by ten percent for each of the
210.10 subsequent nine years during which the equipment remains within the taconite tax relief
210.11 area. If a taconite production facility is sold after operations at the facility had ceased, any
210.12 money remaining in the fund for the former producer may be released to the purchaser of
210.13 the facility on the terms otherwise applicable to the former producer under this section. If
210.14 a producer fails to provide matching funds for a proposed expenditure within six months
210.15 after the commissioner approves release of the funds, the funds are available for release to
210.16 another producer in proportion to the distribution provided and under the conditions of
210.17 this section. Any portion of the fund which is not released by the commissioner within
210.18 one year of its deposit in the fund shall be divided between the taconite environmental
210.19 protection fund created in section 298.223 and the Douglas J. Johnson economic protection
210.20 trust fund created in section 298.292 for placement in their respective special accounts.
210.21 Two-thirds of the unreleased funds shall be distributed to the taconite environmental
210.22 protection fund and one-third to the Douglas J. Johnson economic protection trust fund.

210.23 (b) Notwithstanding the requirements of paragraph (a), setting the amount of
210.24 distributions and the review process, an amount equal to ten cents per taxable ton of
210.25 production in 2007, for distribution in 2008 only, that would otherwise be distributed
210.26 under paragraph (a), may be used for a loan for the cost of ~~construction of~~ providing for
210.27 a biomass energy facility. This amount must be deducted from the distribution under
210.28 paragraph (a) for which a matching expenditure by the producer is not required. The
210.29 granting of the loan is subject to approval by the Iron Range Resources and Rehabilitation
210.30 Board; interest must be payable on the loan at the rate prescribed in section 298.2213,
210.31 subdivision 3. Repayments of the loan and interest must be deposited in the northeast
210.32 Minnesota economic development fund established in section 298.2213. If a loan is not
210.33 made under this paragraph by July 1, ~~2009~~ 2010, the amount that had been made available
210.34 for the loan under this paragraph must be transferred to the northeast Minnesota economic
210.35 development fund. Money distributed in 2008 to the fund established under this section

211.1 that exceeds ten cents per ton is available to qualifying producers under paragraph (a)
 211.2 on a pro rata basis.

211.3 ~~If 2008 H.F. No. 1812 is enacted and includes a provision that amends this section~~
 211.4 ~~in a manner that is different from the amendment in this section, the amendment in this~~
 211.5 ~~section supersedes the amendment in 2008 H.F. No. 1812, notwithstanding section 645.26.~~

211.6 **EFFECTIVE DATE.** This section is effective the day following final enactment.

211.7 Sec. 6. Minnesota Statutes 2008, section 298.24, subdivision 1, is amended to read:

211.8 Subdivision 1. **Imposed; calculation.** (a) For concentrate produced in 2001, 2002,
 211.9 and 2003, there is imposed upon taconite and iron sulphides, and upon the mining and
 211.10 quarrying thereof, and upon the production of iron ore concentrate therefrom, and upon
 211.11 the concentrate so produced, a tax of \$2.103 per gross ton of merchantable iron ore
 211.12 concentrate produced therefrom. For concentrates produced in ~~2005~~ 2009, the tax rate is
 211.13 the same rate imposed for concentrates produced in ~~2004~~ 2008. For concentrates produced
 211.14 in 2009 and subsequent years, the tax is also imposed upon other iron-bearing material.

211.15 (b) For concentrates produced in ~~2006~~ 2010 and subsequent years, the tax rate shall
 211.16 be equal to the preceding year's tax rate plus an amount equal to the preceding year's tax
 211.17 rate multiplied by the percentage increase in the implicit price deflator from the fourth
 211.18 quarter of the second preceding year to the fourth quarter of the preceding year. "Implicit
 211.19 price deflator" means the implicit price deflator for the gross domestic product prepared by
 211.20 the Bureau of Economic Analysis of the United States Department of Commerce.

211.21 (c) An additional tax is imposed equal to three cents per gross ton of merchantable
 211.22 iron ore concentrate for each one percent that the iron content of the product exceeds 72
 211.23 percent, when dried at 212 degrees Fahrenheit.

211.24 (d) The tax on taconite and iron sulphides shall be imposed on the average of the
 211.25 production for the current year and the previous two years. The rate of the tax imposed
 211.26 will be the current year's tax rate. This clause shall not apply in the case of the closing
 211.27 of a taconite facility if the property taxes on the facility would be higher if this clause
 211.28 and section 298.25 were not applicable. The tax on other iron-bearing material shall be
 211.29 imposed on the current year production.

211.30 (e) If the tax or any part of the tax imposed by this subdivision is held to be
 211.31 unconstitutional, a tax of \$2.103 per gross ton of merchantable iron ore concentrate
 211.32 produced shall be imposed.

211.33 (f) Consistent with the intent of this subdivision to impose a tax based upon the
 211.34 weight of merchantable iron ore concentrate, the commissioner of revenue may indirectly
 211.35 determine the weight of merchantable iron ore concentrate included in fluxed pellets by

212.1 subtracting the weight of the limestone, dolomite, or olivine derivatives or other basic
212.2 flux additives included in the pellets from the weight of the pellets. For purposes of this
212.3 paragraph, "fluxed pellets" are pellets produced in a process in which limestone, dolomite,
212.4 olivine, or other basic flux additives are combined with merchantable iron ore concentrate.
212.5 No subtraction from the weight of the pellets shall be allowed for binders, mineral and
212.6 chemical additives other than basic flux additives, or moisture.

212.7 (g)(1) Notwithstanding any other provision of this subdivision, for the first two years
212.8 of a plant's commercial production of direct reduced ore from ore mined in this state, no
212.9 tax is imposed under this section. As used in this paragraph, "commercial production" is
212.10 production of more than 50,000 tons of direct reduced ore in the current year or in any
212.11 prior year, "noncommercial production" is production of 50,000 tons or less of direct
212.12 reduced ore in any year, and "direct reduced ore" is ore that results in a product that has an
212.13 iron content of at least 75 percent. For the third year of a plant's commercial production of
212.14 direct reduced ore, the rate to be applied to direct reduced ore is 25 percent of the rate
212.15 otherwise determined under this subdivision. For the fourth commercial production year,
212.16 the rate is 50 percent of the rate otherwise determined under this subdivision; for the fifth
212.17 commercial production year, the rate is 75 percent of the rate otherwise determined under
212.18 this subdivision; and for all subsequent commercial production years, the full rate is
212.19 imposed.

212.20 (2) Subject to clause (1), production of direct reduced ore in this state is subject to
212.21 the tax imposed by this section, but if that production is not produced by a producer of
212.22 taconite, iron sulfides, or other iron-bearing material, the production of taconite, iron
212.23 sulfides, or other iron-bearing material, that is consumed in the production of direct
212.24 reduced iron in this state is not subject to the tax imposed by this section on taconite,
212.25 iron sulfides, or other iron-bearing material.

212.26 (3) Notwithstanding any other provision of this subdivision, no tax is imposed
212.27 on direct reduced ore under this section during the facility's noncommercial production
212.28 of direct reduced ore. The taconite or iron sulphides consumed in the noncommercial
212.29 production of direct reduced ore is subject to the tax imposed by this section on taconite
212.30 and iron sulphides. Three-year average production of direct reduced ore does not
212.31 include production of direct reduced ore in any noncommercial year. Three-year average
212.32 production for a direct reduced ore facility that has noncommercial production is the
212.33 average of the commercial production of direct reduced ore for the current year and the
212.34 previous two commercial years.

212.35 (4) This paragraph applies only to plants for which all environmental permits have
212.36 been obtained and construction has begun before July 1, 2008.

213.1 **EFFECTIVE DATE.** This section is effective the day following final enactment.

213.2 Sec. 7. Minnesota Statutes 2008, section 298.28, subdivision 2, is amended to read:

213.3 Subd. 2. **City or town where quarried or produced.** (a) ~~4.5~~ 6.5 cents per gross
213.4 ton of merchantable iron ore concentrate, hereinafter referred to as "taxable ton," must be
213.5 allocated to the city or town in the county in which the lands from which taconite was
213.6 mined or quarried were located or within which the concentrate was produced. If the
213.7 mining, quarrying, and concentration, or different steps in either thereof are carried on in
213.8 more than one taxing district, the commissioner shall apportion equitably the proceeds
213.9 of the part of the tax going to cities and towns among such subdivisions upon the basis
213.10 of attributing ~~40~~ 50 percent of the proceeds of the tax to the operation of mining or
213.11 quarrying the taconite, and the remainder to the concentrating plant and to the processes of
213.12 concentration, and with respect to each thereof giving due consideration to the relative
213.13 extent of such operations performed in each such taxing district. The commissioner's
213.14 order making such apportionment shall be subject to review by the Tax Court at the
213.15 instance of any of the interested taxing districts, in the same manner as other orders of
213.16 the commissioner.

213.17 (b) Four cents per taxable ton shall be allocated to cities and organized townships
213.18 affected by mining because their boundaries are within three miles of a taconite mine pit
213.19 that has been actively mined in at least one of the prior three years. If a city or town is
213.20 located near more than one mine meeting these criteria, the city or town is eligible to
213.21 receive aid calculated from only the mine producing the largest taxable tonnage. When
213.22 more than one municipality qualifies for aid based on one company's production, the aid
213.23 must be apportioned among the municipalities in proportion to their populations. Of the
213.24 amounts distributed under this paragraph to each municipality, one-half must be used for
213.25 infrastructure improvement projects, and one-half must be used for projects in which two
213.26 or more municipalities cooperate. Each municipality that receives a distribution under this
213.27 paragraph must report annually to the Iron Range Resources and Rehabilitation Board and
213.28 the commissioner of Iron Range resources and rehabilitation on the projects involving
213.29 cooperation with other municipalities.

213.30 **EFFECTIVE DATE.** This section is effective for production in 2009, for
213.31 distributions in 2010, and thereafter.

213.32 Sec. 8. Minnesota Statutes 2008, section 298.28, subdivision 4, is amended to read:

214.1 Subd. 4. **School districts.** (a) 23.15 cents per taxable ton, plus the increase provided
214.2 in paragraph (d) must be allocated to qualifying school districts to be distributed, based
214.3 upon the certification of the commissioner of revenue, under paragraphs (b), (c), and (f).

214.4 (b)(i) 3.43 cents per taxable ton must be distributed to the school districts in which
214.5 the lands from which taconite was mined or quarried were located or within which the
214.6 concentrate was produced. The distribution must be based on the apportionment formula
214.7 prescribed in subdivision 2.

214.8 (ii) Four cents per taxable ton from each taconite facility must be distributed to
214.9 each affected school district for deposit in a fund dedicated to building maintenance
214.10 and repairs, as follows:

214.11 (1) proceeds from Keewatin Taconite or its successor are distributed to Independent
214.12 School Districts Nos. 316, Coleraine, and 319, Nashwauk-Keewatin, or their successor
214.13 districts;

214.14 (2) proceeds from the Hibbing Taconite Company or its successor are distributed to
214.15 Independent School Districts Nos. 695, Chisholm, and 701, Hibbing, or their successor
214.16 districts;

214.17 (3) proceeds from the Mittal Steel Company and Minntac or their successors are
214.18 distributed to Independent School Districts Nos. 712, Mountain Iron-Buhl, 706, Virginia,
214.19 2711, Mesabi East, and 2154, Eveleth-Gilbert, or their successor districts;

214.20 (4) proceeds from the Northshore Mining Company or its successor are distributed
214.21 to Independent School Districts Nos. 2142, St. Louis County, and 381, Lake Superior,
214.22 or their successor districts; and

214.23 (5) proceeds from United Taconite or its successor are distributed to Independent
214.24 School Districts Nos. 2142, St. Louis County, and 2154, Eveleth-Gilbert, or their
214.25 successor districts.

214.26 Revenues that are required to be distributed to more than one district shall be
214.27 apportioned according to the number of pupil units identified in section 126C.05,
214.28 subdivision 1, enrolled in the second previous year.

214.29 (c)(i) 15.72 cents per taxable ton, less any amount distributed under paragraph (e),
214.30 shall be distributed to a group of school districts comprised of those school districts which
214.31 qualify as a tax relief area under section 273.134, paragraph (b), or in which there is a
214.32 qualifying municipality as defined by section 273.134, paragraph (a), in direct proportion
214.33 to school district indexes as follows: for each school district, its pupil units determined
214.34 under section 126C.05 for the prior school year shall be multiplied by the ratio of the
214.35 average adjusted net tax capacity per pupil unit for school districts receiving aid under
214.36 this clause as calculated pursuant to chapters 122A, 126C, and 127A for the school year

215.1 ending prior to distribution to the adjusted net tax capacity per pupil unit of the district.

215.2 Each district shall receive that portion of the distribution which its index bears to the sum
215.3 of the indices for all school districts that receive the distributions.

215.4 (ii) Notwithstanding clause (i), each school district that receives a distribution
215.5 under sections 298.018; 298.23 to 298.28, exclusive of any amount received under this
215.6 clause; 298.34 to 298.39; 298.391 to 298.396; 298.405; or any law imposing a tax on
215.7 severed mineral values after reduction for any portion distributed to cities and towns under
215.8 section 126C.48, subdivision 8, paragraph (5), that is less than the amount of its levy
215.9 reduction under section 126C.48, subdivision 8, for the second year prior to the year of the
215.10 distribution shall receive a distribution equal to the difference; the amount necessary to
215.11 make this payment shall be derived from proportionate reductions in the initial distribution
215.12 to other school districts under clause (i).

215.13 (d) Any school district described in paragraph (c) where a levy increase pursuant to
215.14 section 126C.17, subdivision 9, was authorized by referendum for taxes payable in 2001,
215.15 shall receive a distribution of 21.3 cents per ton. Each district shall receive \$175 times the
215.16 pupil units identified in section 126C.05, subdivision 1, enrolled in the second previous
215.17 year or the 1983-1984 school year, whichever is greater, less the product of 1.8 percent
215.18 times the district's taxable net tax capacity in the second previous year.

215.19 If the total amount provided by paragraph (d) is insufficient to make the payments
215.20 herein required then the entitlement of \$175 per pupil unit shall be reduced uniformly
215.21 so as not to exceed the funds available. Any amounts received by a qualifying school
215.22 district in any fiscal year pursuant to paragraph (d) shall not be applied to reduce general
215.23 education aid which the district receives pursuant to section 126C.13 or the permissible
215.24 levies of the district. Any amount remaining after the payments provided in this paragraph
215.25 shall be paid to the commissioner of Iron Range resources and rehabilitation who shall
215.26 deposit the same in the taconite environmental protection fund and the Douglas J. Johnson
215.27 economic protection trust fund as provided in subdivision 11.

215.28 Each district receiving money according to this paragraph shall reserve the lesser of
215.29 the amount received under this paragraph or \$25 times the number of pupil units served
215.30 in the district. It may use the money for early childhood programs or for outcome-based
215.31 learning programs that enhance the academic quality of the district's curriculum. The
215.32 outcome-based learning programs must be approved by the commissioner of education.

215.33 (e) There shall be distributed to any school district the amount which the school
215.34 district was entitled to receive under section 298.32 in 1975.

215.35 (f) Four cents per taxable ton must be distributed to qualifying school districts
215.36 according to the distribution specified in paragraph (b), clause (ii), and apportioned based

216.1 on the apportionment formula prescribed in subdivision 2. Two cents per taxable ton must
 216.2 be distributed according to the distribution specified in paragraph (c). These amounts are
 216.3 not subject to sections 126C.21, subdivision 4, and 126C.48, subdivision 8.

216.4 **EFFECTIVE DATE.** This section is effective for production in 2009, for
 216.5 distributions in 2010, and thereafter.

216.6 Sec. 9. Minnesota Statutes 2008, section 298.28, is amended by adding a subdivision
 216.7 to read:

216.8 **Subd. 9e. Taconite environmental fund; additional distribution.** Beginning
 216.9 with distributions in 2010, an amount equal to the total taconite railroad distribution
 216.10 paid in 2009 to counties, cities, and towns under section 298.28, subdivision 11, less
 216.11 the equivalent of 2.0 cents per gross ton that is distributed to the cities and towns under
 216.12 section 298.28, subdivision 2, for the current distribution year. The amount of difference
 216.13 must annually be paid to the taconite environmental fund for use under section 298.223, as
 216.14 provided under that subdivision.

216.15 **EFFECTIVE DATE.** This section is effective for production in 2009, for
 216.16 distributions in 2010, and thereafter.

216.17 Sec. 10. Minnesota Statutes 2008, section 298.28, subdivision 11, is amended to read:

216.18 **Subd. 11. Remainder.** (a) The proceeds of the tax imposed by section 298.24 which
 216.19 remain after the distributions and payments in subdivisions 2 to 10a, as certified by the
 216.20 commissioner of revenue, and paragraphs (b), (c), (d), and (e) have been made, together
 216.21 with interest earned on all money distributed under this section prior to distribution, shall
 216.22 be divided between the taconite environmental protection fund created in section 298.223
 216.23 and the Douglas J. Johnson economic protection trust fund created in section 298.292 as
 216.24 follows: Two-thirds to the taconite environmental protection fund and one-third to the
 216.25 Douglas J. Johnson economic protection trust fund. The proceeds shall be placed in
 216.26 the respective special accounts.

216.27 (b) ~~There shall be distributed to each city, town, and county the amount that it~~
 216.28 ~~received under section 294.26 in calendar year 1977; provided, however, that the amount~~
 216.29 ~~distributed in 1981 to the unorganized territory number 2 of Lake County and the town~~
 216.30 ~~of Beaver Bay based on the between-terminal trackage of Eric Mining Company will be~~
 216.31 ~~distributed in 1982 and subsequent years to the unorganized territory number 2 of Lake~~
 216.32 ~~County and the towns of Beaver Bay and Stony River based on the miles of track of Eric~~
 216.33 ~~Mining Company in each taxing district.~~

217.1 ~~(e)~~ There shall be distributed to the Iron Range Resources and Rehabilitation Board
 217.2 the amounts it received in 1977 under section 298.22. The amount distributed under
 217.3 this paragraph shall be expended within or for the benefit of the taconite assistance area
 217.4 defined in section 273.1341.

217.5 ~~(d)~~ (c) There shall be distributed to each school district 62 percent of the amount
 217.6 that it received under section 294.26 in calendar year 1977.

217.7 ~~(e)~~ (d) In 2003 only, \$100,000 must be distributed to a township located in a taconite
 217.8 tax relief area as defined in section 273.134, paragraph (a), that received \$119,259 of
 217.9 homestead and agricultural credit aid and \$182,014 in local government aid in 2001.

217.10 **EFFECTIVE DATE.** This section is effective for production in 2009, for
 217.11 distributions in 2010, and thereafter.

217.12 **ARTICLE 13**
 217.13 **MISCELLANEOUS**

217.14 Section 1. **[17.1195] BOVINE TUBERCULOSIS TESTING GRANTS.**

217.15 Subdivision 1. Definitions. (a) For purposes of this section, the following terms
 217.16 have the meanings given.

217.17 (b) "Commissioner" means the commissioner of agriculture.

217.18 (c) "Corporate owner of cattle" means an owner of cattle subject to tax under section
 217.19 290.06, subdivision 1, and also a shareholder of an S corporation under section 290.9725.

217.20 Subd. 2. Bovine tuberculosis testing grants. (a) The commissioner is authorized to
 217.21 make grants to owners of cattle in Minnesota to offset a portion of the cost of tuberculosis
 217.22 testing performed on the cattle. For corporate owners of cattle, the grant equals 25 percent
 217.23 of the tuberculosis testing expenses incurred during the calendar year. For all other
 217.24 owners, the grant equals 50 percent of tuberculosis testing expenses incurred during the
 217.25 calendar year.

217.26 (b) The commissioner may specify a time and manner for cattle owners to apply
 217.27 for grants under this section, and may request supporting documentation of actual testing
 217.28 expenses. Applications received by January 31 relating to testing expenses incurred in
 217.29 the previous calendar year are eligible for grants. The commissioner must issue grants by
 217.30 March 1.

217.31 (c) If applications for grants exceed the amount available for the fiscal year, the
 217.32 commissioner must proportionally adjust all grant amounts so that the amount awarded for
 217.33 the year does not exceed the amount available.

217.34 **EFFECTIVE DATE.** This section is effective the day following final enactment.

218.1 Sec. 2. [17.1197] BOVINE TUBERCULOSIS GRANTS; SPLIT STATE STATUS.

218.8 modified accredited zone established as part of Minnesota's split state status as approved
218.9 by the United States Department of Agriculture and effective October 10, 2008.

218.10 (e) "Animals" means cattle, bison, and goats.

218.11 Subd. 2. Bovine tuberculosis split state grants. (a) The commissioner is
218.12 authorized to make annual grants to owners to offset a portion of the cost of tuberculosis
218.13 testing performed on animals. The annual grant amount for each owner equals \$25 per
218.14 animal multiplied by the largest number of animals tested as part of any whole-herd test
218.15 of the owner's animals occurring during the years 2006 through 2008 as reported by the
218.16 Board of Animal Health.

218.17 (b) The commissioner may specify a time and manner for owners to apply for grants
218.18 under this section, and may request supporting documentation of actual testing expenses.

218.19 (c) If applications for grants exceed the amount available for the fiscal year, the
218.20 commissioner must proportionally adjust all grant amounts so that the amount awarded for

218.23 and before July 15, beginning in 2010, until terminated under this paragraph. The
218.24 commissioner's authority to make grants under this subdivision terminates in the year
218.25 following the calendar year in which the Board of Animal Health certifies that the state is
218.26 free of bovine tuberculosis.

218.27 **EFFECTIVE DATE.** This section is effective the day following final enactment.

218.28 Sec. 3. Minnesota Statutes 2008, section 270C.12, is amended by adding a subdivision
218.29 to read:

218.30 Subd. 5. Duration. Notwithstanding the provisions of any statutes to the contrary,
218.31 including section 15.059, the coordinating committee as established by this section to

228.26 to 275.74 in the preceding levy year;
- 228.27 (9) to pay an abatement under section 469.1815;
- 228.28 (10) to pay any costs attributable to increases in the employer contribution rates
228.29 under chapter 353, or locally administered pension plans, that are effective after June
228.30 30, 2001;
- 228.31 (11) to pay the operating or maintenance costs of a county jail as authorized in
228.32 section 641.01 or 641.262, or of a correctional facility as defined in section 241.021,
228.33 subdivision 1, paragraph (f), to the extent that the county can demonstrate to the
228.34 commissioner of revenue that the amount has been included in the county budget as
228.35 a direct result of a rule, minimum requirement, minimum standard, or directive of the
228.36 Department of Corrections, or to pay the operating or maintenance costs of a regional jail

229.1 as authorized in section 641.262. For purposes of this clause, a district court order is
229.2 not a rule, minimum requirement, minimum standard, or directive of the Department of
229.3 Corrections. If the county utilizes this special levy, except to pay operating or maintenance
229.4 costs of a new regional jail facility under sections 641.262 to 641.264 which will not
229.5 replace an existing jail facility, any amount levied by the county in the previous levy year
229.6 for the purposes specified under this clause and included in the county's previous year's
229.7 levy limitation computed under section 275.71, shall be deducted from the levy limit
229.8 base under section 275.71, subdivision 2, when determining the county's current year
229.9 levy limitation. The county shall provide the necessary information to the commissioner
229.10 of revenue for making this determination;

229.11 (12) to pay for operation of a lake improvement district, as authorized under section
229.12 103B.555. If the county utilizes this special levy, any amount levied by the county in the
229.13 previous levy year for the purposes specified under this clause and included in the county's
229.14 previous year's levy limitation computed under section 275.71 shall be deducted from
229.15 the levy limit base under section 275.71, subdivision 2, when determining the county's
229.16 current year levy limitation. The county shall provide the necessary information to the
229.17 commissioner of revenue for making this determination;

229.18 (13) to repay a state or federal loan used to fund the direct or indirect required
229.19 spending by the local government due to a state or federal transportation project or other
229.20 state or federal capital project. This authority may only be used if the project is not a
229.21 local government initiative;

229.22 (14) to pay for court administration costs as required under section 273.1398,
229.23 subdivision 4b, less the (i) county's share of transferred fines and fees collected by the
229.24 district courts in the county for calendar year 2001 and (ii) the aid amount certified to be
229.25 paid to the county in 2004 under section 273.1398, subdivision 4c; however, for taxes
229.26 levied to pay for these costs in the year in which the court financing is transferred to the
229.27 state, the amount under this clause is limited to the amount of aid the county is certified to
229.28 receive under section 273.1398, subdivision 4a;

229.29 (15) to fund a police or firefighters relief association as required under section 69.77
229.30 to the extent that the required amount exceeds the amount levied for this purpose in 2001;

229.31 (16) for purposes of a storm sewer improvement district under section 444.20;

229.32 (17) to pay for the maintenance and support of a city or county society for the
229.33 prevention of cruelty to animals under section 343.11, but not to exceed in any year
229.34 \$4,800 or the sum of \$1 per capita based on the county's or city's population as of the most
229.35 recent federal census, whichever is greater. If the city or county uses this special levy, any
229.36 amount levied by the city or county in the previous levy year for the purposes specified

230.1 in this clause and included in the city's or county's previous year's levy limit computed
230.2 under section 275.71, must be deducted from the levy limit base under section 275.71,
230.3 subdivision 2, in determining the city's or county's current year levy limit;

230.4 (18) for counties, to pay for the increase in their share of health and human service
230.5 costs caused by reductions in federal health and human services grants effective after
230.6 September 30, 2007;

230.7 (19) for a city, for the costs reasonably and necessarily incurred for securing,
230.8 maintaining, or demolishing foreclosed or abandoned residential properties, as allowed by
230.9 the commissioner of revenue under section 275.74, subdivision 2. A city must have either
230.10 (i) a foreclosure rate of at least 1.4 percent in 2007, or (ii) a foreclosure rate in 2007 in
230.11 the city or in a zip code area of the city that is at least 50 percent higher than the average
230.12 foreclosure rate in the metropolitan area, as defined in section 473.121, subdivision 2,
230.13 to use this special levy. For purposes of this paragraph, "foreclosure rate" means the
230.14 number of foreclosures, as indicated by sheriff sales records, divided by the number of
230.15 households in the city in 2007;

230.16 (20) for a city, for the unreimbursed costs of redeployed traffic control agents and
230.17 lost traffic citation revenue due to the collapse of the Interstate 35W bridge, as certified
230.18 to the Federal Highway Administration;

230.19 (21) to pay costs attributable to wages and benefits for sheriff, police, and fire
230.20 personnel. If a local governmental unit did not use this special levy in the previous year its
230.21 levy limit base under section 275.71 shall be reduced by the amount equal to the amount it
230.22 levied for the purposes specified in this clause in the previous year; ~~and~~

230.23 (22) an amount equal to any reductions in the certified aids or credits payable
230.24 under sections 477A.011 to 477A.014, and section 273.1384, due to unallotment under
230.25 section 16A.152 in any year, reductions in aids under chapter 477A, that are enacted by
230.26 the legislature in the year in which the aid is paid, and reductions to credits under section
230.27 273.1384 enacted by the legislature in any year. The amount of the levy allowed under
230.28 this clause is equal to the amount unallotted or reduced in the calendar year in which the
230.29 tax is levied unless the ~~unallotment~~ amount is not known by September 1 of the levy year,
230.30 and the local government has not adjusted its levy under section 275.065, subdivision 6,
230.31 or section 275.07, subdivision 6, in which case the unallotment amount may be levied in
230.32 the following year;

230.33 (23) to pay for the difference between one-half of the costs of confining sex offenders
230.34 undergoing the civil commitment process and any state payments for this purpose pursuant
230.35 to section 253B.185, subdivision 5; and

231.1 (24) for a county to pay the costs of the first year of maintaining and operating a new
 231.2 facility or new expansion, either of which contains courts, corrections, dispatch, criminal
 231.3 investigation labs, or other public safety facilities and for which all or a portion of the
 231.4 funding for the site acquisition, building design, site preparation, construction, and related
 231.5 equipment was issued or authorized prior to the imposition of levy limits in 2008. The
 231.6 levy limit base shall then be increased by an amount equal to the new facility's first full
 231.7 year's operating costs as described in this clause.

231.8 **EFFECTIVE DATE.** This section is effective for levies certified in calendar year
 231.9 2009 and thereafter, payable in 2010 and thereafter.

231.10 Sec. 8. Minnesota Statutes 2008, section 275.71, subdivision 4, is amended to read:

231.11 Subd. 4. **Adjusted levy limit base.** For taxes levied in ~~2008 through 2009~~ 2010,
 231.12 the adjusted levy limit base is equal to the levy limit base computed under subdivision 2
 231.13 or section 275.72, multiplied by:

231.14 (1) one plus the lesser of 3.9 percent or the percentage growth in the implicit price
 231.15 deflator, but not less than two percent;

231.16 (2) one plus a percentage equal to 50 percent of the percentage increase in the number
 231.17 of households, if any, for the most recent 12-month period for which data is available; and

231.18 (3) one plus a percentage equal to 50 percent of the percentage increase in the
 231.19 taxable market value of the jurisdiction due to new construction of class 3 property, as
 231.20 defined in section 273.13, subdivision 4, except for state-assessed utility and railroad
 231.21 property, for the most recent year for which data is available.

231.22 **EFFECTIVE DATE.** This section is effective the day following final enactment.

231.23 Sec. 9. Minnesota Statutes 2008, section 287.08, is amended to read:

231.24 **287.08 TAX, HOW PAYABLE; RECEIPTS.**

231.25 (a) The tax imposed by sections 287.01 to 287.12 must be paid to the treasurer of
 231.26 any county in this state in which the real property or some part is located at or before
 231.27 the time of filing the mortgage for record. The treasurer shall endorse receipt on the
 231.28 mortgage and the receipt is conclusive proof that the tax has been paid in the amount
 231.29 stated and authorizes any county recorder or registrar of titles to record the mortgage. Its
 231.30 form, in substance, shall be "registration tax hereon of dollars paid." If the
 231.31 mortgage is exempt from taxation the endorsement shall, in substance, be "exempt from
 231.32 registration tax." In either case the receipt must be signed by the treasurer. In case the
 231.33 treasurer is unable to determine whether a claim of exemption should be allowed, the tax

232.1 must be paid as in the case of a taxable mortgage. For documents submitted electronically,
232.2 the endorsements and tax amount shall be affixed electronically and no signature by the
232.3 treasurer will be required. The actual payment method must be arranged in advance
232.4 between the submitter and the receiving county.

232.5 (b) The county treasurer may refund in whole or in part any mortgage registry tax
232.6 overpayment if a written application by the taxpayer is submitted to the county treasurer
232.7 within 3-1/2 years from the date of the overpayment. If the county has not issued a denial
232.8 of the application, the taxpayer may bring an action in Tax Court in the county in which
232.9 the tax was paid at any time after the expiration of six months from the time that the
232.10 application was submitted. A denial of refund may be appealed within 60 days from
232.11 the date of the denial by bringing an action in Tax Court in the county in which the tax
232.12 was paid. The action is commenced by the serving of a petition for relief on the county
232.13 treasurer, and by filing a copy with the court. The county attorney shall defend the action.
232.14 The county treasurer shall notify the treasurer of each county that has or would receive a
232.15 portion of the tax as paid.

232.16 (c) If the county treasurer determines a refund should be paid, or if a refund is
232.17 ordered by the court, the county treasurer of each county that actually received a portion
232.18 of the tax shall immediately pay a proportionate share of three percent of the refund
232.19 using any available county funds. The county treasurer of each county that received, or
232.20 would have received, a portion of the tax shall also pay their county's proportionate share
232.21 of the remaining 97 percent of the court-ordered refund on or before the 20th day of the
232.22 following month using solely the mortgage registry tax funds that would be paid to the
232.23 commissioner of revenue on that date under section 287.12. If the funds on hand under
232.24 this procedure are insufficient to fully fund 97 percent of the court-ordered refund, the
232.25 county treasurer of the county in which the action was brought shall file a claim with the
232.26 commissioner of revenue under section 16A.48 for the remaining portion of 97 percent of
232.27 the refund, and shall pay over the remaining portion upon receipt of a warrant from the
232.28 state issued pursuant to the claim.

232.29 (d) When any mortgage covers real property located in more than one county in this
232.30 state the total tax must be paid to the treasurer of the county where the mortgage is first
232.31 presented for recording, and the payment must be receipted as provided in paragraph (a).
232.32 ~~If the principal debt or obligation secured by such a multiple county mortgage exceeds~~
232.33 ~~\$1,000,000, the nonstate portion of the tax must be divided and paid over by the county~~
232.34 ~~treasurer receiving it, on or before the 20th day of each month after receipt, to the county~~
232.35 ~~or counties entitled in the ratio that the market value of the real property covered by the~~
232.36 ~~mortgage in each county bears to the market value of all the real property in this state~~

233.1 ~~described in the mortgage. In making the division and payment the county treasurer shall~~
 233.2 ~~send a statement giving the description of the real property described in the mortgage and~~
 233.3 ~~the market value of the part located in each county. For this purpose, the treasurer of any~~
 233.4 ~~county may require the treasurer of any other county to certify to the former the market~~
 233.5 ~~valuation of any tract of real property in any mortgage.~~

233.6 (e) The mortgagor must pay the tax imposed by sections 287.01 to 287.12. The
 233.7 mortgagee may undertake to collect and remit the tax on behalf of the mortgagor. If the
 233.8 mortgagee collects money from the mortgagor to remit the tax on behalf of the mortgagor,
 233.9 the mortgagee has a fiduciary duty to remit the tax on behalf of the mortgagor as to the
 233.10 amount of the tax collected for that purpose and the mortgagor is relieved of any further
 233.11 obligation to pay the tax as to the amount collected by the mortgagee for this purpose.

233.12 **EFFECTIVE DATE.** This section is effective the day following final enactment.

233.13 Sec. 10. Minnesota Statutes 2008, section 475.51, subdivision 4, is amended to read:

233.14 Subd. 4. **Net debt.** "Net debt" means the amount remaining after deducting from its
 233.15 gross debt the amount of current revenues which are applicable within the current fiscal
 233.16 year to the payment of any debt and the aggregate of the principal of the following:

233.17 (1) Obligations issued for improvements which are payable wholly or partly from the
 233.18 proceeds of special assessments levied upon property specially benefited thereby, including
 233.19 those which are general obligations of the municipality issuing them, if the municipality is
 233.20 entitled to reimbursement in whole or in part from the proceeds of the special assessments.

233.21 (2) Warrants or orders having no definite or fixed maturity.

233.22 (3) Obligations payable wholly from the income from revenue producing
 233.23 conveniences.

 233.25 fund.

233.26 (5) Obligations issued for the acquisition, and betterment of public waterworks
 233.27 systems, and public lighting, heating or power systems, and of any combination thereof or
 233.28 for any other public convenience from which a revenue is or may be derived.

233.29 (6) Debt service loans and capital loans made to a school district under the provisions
 233.30 of sections 126C.68 and 126C.69.

233.31 (7) Amount of all money and the face value of all securities held as a debt service
 233.32 fund for the extinguishment of obligations other than those deductible under this
 233.33 subdivision.

233.34 (8) Obligations to repay loans made under section 216C.37.

234.1 (9) Obligations to repay loans made from money received from litigation or
 234.2 settlement of alleged violations of federal petroleum pricing regulations.

234.3 (10) Obligations issued to pay pension fund ~~or other postemployment benefit~~
 234.4 liabilities under section 475.52, subdivision 6, or any charter authority.

234.5 (11) Obligations issued to pay judgments against the municipality under section
 234.6 475.52, subdivision 6, or any charter authority.

234.7 (12) All other obligations which under the provisions of law authorizing their
 234.8 issuance are not to be included in computing the net debt of the municipality.

234.9 **EFFECTIVE DATE.** This section is effective for obligations sold after August
 234.10 1, 2009.

234.11 Sec. 11. Minnesota Statutes 2008, section 475.52, subdivision 6, is amended to read:

 234.13 judgments against it; for refunding outstanding bonds; for funding floating indebtedness;
 234.14 ~~for funding actuarial liabilities to pay postemployment benefits to employees or officers~~
 234.15 ~~after their termination of service;~~ or for funding all or part of the municipality's current
 234.16 and future unfunded liability for a pension or retirement fund or plan referred to in
 234.17 section 356.20, subdivision 2, as those liabilities are most recently computed pursuant
 234.18 to sections 356.215 and 356.216. The board of trustees or directors of a pension fund or
 234.19 relief association referred to in section 69.77 or chapter 422A must consent and must
 234.20 be a party to any contract made under this section with respect to the fund held by it
 234.21 for the benefit of and in trust for its members. ~~For purposes of this section, the term~~
 234.22 ~~"postemployment benefits" means benefits giving rise to a liability under Statement No.~~
 234.23 ~~45 of the Governmental Accounting Standards Board.~~

234.24 **EFFECTIVE DATE.** This section is effective for obligations sold after August
 234.25 1, 2009.

234.26 Sec. 12. Minnesota Statutes 2008, section 475.58, subdivision 1, is amended to read:

234.27 Subdivision 1. **Approval by electors; exceptions.** Obligations authorized by law or
 234.28 charter may be issued by any municipality upon obtaining the approval of a majority of
 234.29 the electors voting on the question of issuing the obligations, but an election shall not be
 234.30 required to authorize obligations issued:

234.31 (1) to pay any unpaid judgment against the municipality;

234.32 (2) for refunding obligations;

- 235.1 (3) for an improvement or improvement program, which obligation is payable wholly
235.2 or partly from the proceeds of special assessments levied upon property specially benefited
235.3 by the improvement or by an improvement within the improvement program, or from tax
235.4 increments, as defined in section 469.174, subdivision 25, including obligations which are
235.5 the general obligations of the municipality, if the municipality is entitled to reimbursement
235.6 in whole or in part from the proceeds of such special assessments or tax increments and
235.7 not less than 20 percent of the cost of the improvement or the improvement program is to

235.20 subdivision 4g, paragraph (b).

235.21 **EFFECTIVE DATE.** This section is effective for obligations sold after August
235.22 1, 2009.

235.23 Sec. 13. **[475.755] EMERGENCY DEBT CERTIFICATES.**

235.24 (a) If at any time during a fiscal year the receipts of a local government are
235.25 reasonably expected to be reduced below the amount provided in the local government's
235.26 budget when the final property tax levy to be collected during the fiscal year was certified
235.27 and the receipts are insufficient to meet the expenses incurred or to be incurred during the
235.28 fiscal year, the governing body of the local government may authorize and sell certificates
235.29 of indebtedness to mature within two years or less from the end of the fiscal year in which
235.30 the certificates are issued. The maximum principal amount of the certificates that it may

235.33 body determines by resolution.

235.34 (b) The governing body of the local government shall levy taxes for the payment of
235.35 principal and interest on the certificates in accordance with section 475.61.

236.1 (c) The certificates are not to be included in the net debt of the issuing local
236.2 government.

236.3 (d) To the extent that a local government issues certificates under this section to fund
236.4 an unallotment or other reduction in its state aid, the local government may not use a
236.5 special levy for the aid reduction under section 275.70, subdivision 5, clause (22), or a
236.6 similar or successor provision. This provision does not affect the status of the levy under
236.7 section 475.61 to pay the certificates as a levy that is not subject to levy limits.

236.8 (e) For purposes of this section, the following terms have the meanings given:

236.9 (1) "Local government" means a statutory or home rule charter city, a town, or
236.10 a county.

236.11 (2) "Receipts" includes the following amounts scheduled to be received by the
236.12 local government for the fiscal year from:

236.13 (i) taxes;

236.19 In fiscal year 2010, the commissioner of finance shall transfer \$250,000,000 to the
236.20 budget reserve account in the general fund. The commissioner shall make this transfer
236.21 from general fund revenues resulting from legislation enacted in the 2009 legislative
236.22 session. The amount necessary for this purpose is appropriated from the general fund.

236.23 Sec. 15. **APPROPRIATIONS.**

236.24 Subdivision 1. **Bovine tuberculosis testing grants.** \$360,000 in fiscal year
236.25 2010 and \$360,000 in fiscal year 2011 are appropriated from the general fund to the
236.26 commissioner of agriculture to make bovine tuberculosis testing grants as provided in
236.27 Minnesota Statutes, section 17.1195. Of this amount, the commissioner may use up to five
236.28 percent for administrative expenses related to the grant program.

236.29 Subd. 2. **Bovine tuberculosis; split state status grants.** \$400,000 in fiscal year
236.30 2010 and \$400,000 in fiscal year 2011 are appropriated from the general fund to the
236.31 commissioner of agriculture to make bovine tuberculosis split state status grants as
236.32 provided in Minnesota Statutes, section 17.1197. Of this amount, the commissioner may
236.33 use up to five percent for administrative expenses related to the grant program.

237.1 Subd. 3. **Basic sliding fee child care.** \$5,000,000 in fiscal year 2010 and \$5,000,000

237.4 appropriation is added to base level funding and is in addition to any other appropriation
237.5 for the same purpose. Notwithstanding any other law to the contrary, this appropriation
237.6 may only be used to fund child care assistance.

245.4835 COUNTY MAINTENANCE OF EFFORT.

Subdivision 1. **Required expenditures.** Counties must maintain a level of expenditures for mental health services under sections 245.461 to 245.484 and 245.487 to 245.4889 so that each year's county expenditures are at least equal to that county's average expenditures for those services for calendar years 2004 and 2005. The commissioner will adjust each county's base level for minimum expenditures in each year by the amount of any increase or decrease in that county's state grants or other noncounty revenues for mental health services under sections 245.461 to 245.484 and 245.487 to 245.4889.

Subd. 2. **Failure to maintain expenditures.** If a county does not comply with subdivision 1, the commissioner shall require the county to develop a corrective action plan according to a format and timeline established by the commissioner. If the commissioner determines that a county has not developed an acceptable corrective action plan within the required timeline, or that the county is not in compliance with an approved corrective action plan, the protections provided to that county under section 245.485 do not apply.

245.4932 REVENUE ENHANCEMENT; AUTHORITY AND RESPONSIBILITIES.

Subdivision 1. **Collaborative responsibilities.** The children's mental health collaborative shall have the following authority and responsibilities regarding federal revenue enhancement:

- (1) the collaborative must establish an integrated fund;
- (2) the collaborative shall designate a lead county or other qualified entity as the fiscal agency for reporting, claiming, and receiving payments;
- (3) the collaborative or lead county may enter into subcontracts with other counties, school districts, special education cooperatives, municipalities, and other public and nonprofit entities for purposes of identifying and claiming eligible expenditures to enhance federal reimbursement;
- (4) the collaborative shall use any enhanced revenue attributable to the activities of the collaborative, including administrative and service revenue, solely to provide mental health services or to expand the operational target population. The lead county or other qualified entity may not use enhanced federal revenue for any other purpose;
- (5) the members of the collaborative must continue the base level of expenditures, as defined in section 245.492, subdivision 2, for services for children with emotional or behavioral disturbances and their families from any state, county, federal, or other public or private funding source which, in the absence of the new federal reimbursement earned under sections 245.491 to 245.495, would have been available for those services. The base year for purposes of this subdivision shall be the accounting period closest to state fiscal year 1993;
- (6) the collaborative or lead county must develop and maintain an accounting and financial management system adequate to support all claims for federal reimbursement, including a clear audit trail and any provisions specified in the contract with the commissioner of human services;
- (7) the collaborative or its members may elect to pay the nonfederal share of the medical assistance costs for services designated by the collaborative; and
- (8) the lead county or other qualified entity may not use federal funds or local funds designated as matching for other federal funds to provide the nonfederal share of medical assistance.

246.54 LIABILITY OF COUNTY; REIMBURSEMENT.

Subdivision 1. **County portion for cost of care.** (a) Except for chemical dependency services provided under sections 254B.01 to 254B.09, the client's county shall pay to the state of Minnesota a portion of the cost of care provided in a regional treatment center or a state nursing facility to a client legally settled in that county. A county's payment shall be made from the county's own sources of revenue and payments shall equal a percentage of the cost of care, as determined by the commissioner, for each day, or the portion thereof, that the client spends at a regional treatment center or a state nursing facility according to the following schedule:

- (1) zero percent for the first 30 days;
- (2) 20 percent for days 31 to 60; and
- (3) 50 percent for any days over 60.

(b) The increase in the county portion for cost of care under paragraph (a), clause (3), shall be imposed when the treatment facility has determined that it is clinically appropriate for the client to be discharged.

(c) If payments received by the state under sections 246.50 to 246.53 exceed 80 percent of the cost of care for days 31 to 60, or 50 percent for days over 60, the county shall be responsible

APPENDIX

for paying the state only the remaining amount. The county shall not be entitled to reimbursement from the client, the client's estate, or from the client's relatives, except as provided in section 246.53.

Subd. 2. **Exceptions.** (a) Subdivision 1 does not apply to services provided at the Minnesota Security Hospital, the Minnesota sex offender program, or the Minnesota extended treatment options program. For services at these facilities, a county's payment shall be made from the county's own sources of revenue and payments shall be paid as follows: payments to the state from the county shall equal ten percent of the cost of care, as determined by the commissioner, for each day, or the portion thereof, that the client spends at the facility. If payments received by the state under sections 246.50 to 246.53 exceed 90 percent of the cost of care, the county shall be responsible for paying the state only the remaining amount. The county shall not be entitled to reimbursement from the client, the client's estate, or from the client's relatives, except as provided in section 246.53.

(b) Regardless of the facility to which the client is committed, subdivision 1 does not apply to the following individuals:

(1) clients who are committed as mentally ill and dangerous under section 253B.02, subdivision 17;

(2) clients who are committed as sexual psychopathic personalities under section 253B.02, subdivision 18b; and

(3) clients who are committed as sexually dangerous persons under section 253B.02, subdivision 18c.

For each of the individuals in clauses (1) to (3), the payment by the county to the state shall equal ten percent of the cost of care for each day as determined by the commissioner.

252.275 SEMI-INDEPENDENT LIVING SERVICES FOR PERSONS WITH DEVELOPMENTAL DISABILITIES.

Subd. 3. **Reimbursement.** Counties shall be reimbursed for all expenditures made pursuant to subdivision 1 at a rate of 70 percent, up to the allocation determined pursuant to subdivisions 4 and 4b. However, the commissioner shall not reimburse costs of services for any person if the costs exceed the state share of the average medical assistance costs for services provided by intermediate care facilities for a person with a developmental disability for the same fiscal year, and shall not reimburse costs of a onetime living allowance for any person if the costs exceed \$1,500 in a state fiscal year. The commissioner may make payments to each county in quarterly installments. The commissioner may certify an advance of up to 25 percent of the allocation. Subsequent payments shall be made on a reimbursement basis for reported expenditures and may be adjusted for anticipated spending patterns.

253B.045 TEMPORARY CONFINEMENT.

Subd. 2. **Facilities.** Each county or a group of counties shall maintain or provide by contract a facility for confinement of persons held temporarily for observation, evaluation, diagnosis, treatment, and care. When the temporary confinement is provided at a regional treatment center, the commissioner shall charge the county of financial responsibility for the costs of confinement of persons hospitalized under section 253B.05, subdivisions 1 and 2, and section 253B.07, subdivision 2b, except that the commissioner shall bill the responsible health plan first. If the person has health plan coverage, but the hospitalization does not meet the criteria in subdivision 6 or section 62M.07, 62Q.53, or 62Q.535, the county is responsible. When a person is temporarily confined in a Department of Corrections facility solely under subdivision 1a, and not based on any separate correctional authority:

(1) the commissioner of corrections may charge the county of financial responsibility for the costs of confinement; and

(2) the Department of Human Services shall use existing appropriations to fund all remaining nonconfinement costs. The funds received by the commissioner for the confinement and nonconfinement costs are appropriated to the department for these purposes.

"County of financial responsibility" means the county in which the person resides at the time of confinement or, if the person has no residence in this state, the county which initiated the confinement. The charge for confinement in a facility operated by the commissioner of human services shall be based on the commissioner's determination of the cost of care pursuant to section 246.50, subdivision 5. When there is a dispute as to which county is the county of financial responsibility, the county charged for the costs of confinement shall pay for them pending final determination of the dispute over financial

responsibility. Disputes about the county of financial responsibility shall be submitted to the commissioner to be settled in the manner prescribed in section 256G.09.

Subdivision 1. **Eligibility.** (a) Persons eligible for benefits under Code of Federal Regulations, title 25, part 20, persons eligible for medical assistance benefits under sections 256B.055, 256B.056, and 256B.057, subdivisions 1, 2, 5, and 6, or who meet the income standards of section 256B.056, subdivision 4, and persons eligible for general assistance medical care under section 256D.03, subdivision 3, are entitled to chemical dependency fund services. State money appropriated for this paragraph must be placed in a separate account established for this purpose.

Persons with dependent children who are determined to be in need of chemical dependency treatment pursuant to an assessment under section 626.556, subdivision 10, or a case plan under section 260C.201, subdivision 6, or 260C.212, shall be assisted by the local agency to access needed treatment services. Treatment services must be appropriate for the individual or family, which may include long-term care treatment or treatment in a facility that allows the dependent children to stay in the treatment facility. The county shall pay for out-of-home placement costs, if applicable.

(b) A person not entitled to services under paragraph (a), but with family income that is less than 215 percent of the federal poverty guidelines for the applicable family size, shall be eligible to receive chemical dependency fund services within the limit of funds appropriated for this group for the fiscal year. If notified by the state agency of limited funds, a county must give preferential treatment to persons with dependent children who are in need of chemical dependency treatment pursuant to an assessment under section 626.556, subdivision 10, or a case plan under section 260C.201, subdivision 6, or 260C.212. A county may spend money from its own sources to serve persons under this paragraph. State money appropriated for this paragraph must be placed in a separate account established for this purpose.

(c) Persons whose income is between 215 percent and 412 percent of the federal poverty guidelines for the applicable family size shall be eligible for chemical dependency services on a sliding fee basis, within the limit of funds appropriated for this group for the fiscal year. Persons eligible under this paragraph must contribute to the cost of services according to the sliding fee scale established under subdivision 3. A county may spend money from its own sources to provide services to persons under this paragraph. State money appropriated for this paragraph must be placed in a separate account established for this purpose.

256.82 PAYMENTS BY STATE.

Subd. 2. **Foster care maintenance payments.** Beginning January 1, 1986, for the purpose of foster care maintenance payments under title IV-E of the Social Security Act, United States Code, title 42, sections 670 to 676, the county paying the maintenance costs must be reimbursed for the costs from the federal money available for the purpose. Beginning July 1, 1997, for the purposes of determining a child's eligibility under title IV-E of the Social Security Act, the placing agency shall use AFDC requirements in effect on July 16, 1996.

256.976 FOSTER GRANDPARENTS PROGRAM.

Subdivision 1. **Program established.** There is established a foster grandparents program which will engage the services of low-income persons aged 60 or over to provide supportive person to person assistance in health, education, welfare, and related fields to persons receiving care in resident group homes for dependent and neglected persons, day care centers or other public or private nonprofit institutions or agencies providing care for neglected and disadvantaged persons who lack close personal relationships.

Subd. 2. **Compensation.** Persons employed as foster grandparents shall be compensated for no more than 20 hours per week and at an hourly rate not to exceed the federal minimum wage by more than 20 percent. In addition to such compensation foster grandparents shall be eligible for protective clothing, including replacement of glasses; transportation assistance, not to exceed mileage payments for 20 miles per day or chartered transportation service, for travel between residence and place of employment; workers' compensation; annual physical examinations; food services during employment, generally provided by the employing agency or institution; and such other assistance as the Minnesota Board on Aging may prescribe. No person employed as a foster grandparent shall be terminated because of redefinition of income standards, or a change of income, marital status, or number of dependents.

APPENDIX

Repealed Minnesota Statutes: H2323-1

Subd. 3. **Grants-in-aid.** The Minnesota Board on Aging, hereinafter called the board, may make grants-in-aid for the employment of foster grandparents to qualified resident group homes for dependent and neglected persons, day care centers and other public or nonprofit private institutions and agencies providing care for neglected and disadvantaged persons who lack close personal relationships. Agencies and institutions seeking aid shall apply on a form prescribed by the board. Priority shall be given to agencies and institutions providing care for retarded children. Grants shall not be made to local public or nonprofit agencies until 40 percent of the recognized need for foster grandparents within state institutions has been met. Grants shall be for a period of 12 months or less, and grants to local public and nonprofit agencies or institutions shall be based on 90 percent state, and ten percent local sharing of program expenditures authorized by the board. Grants shall not be used to match other state funds nor shall any person paid from grant funds be used to replace any staff member of the grantee. Grants may be used to match federal funds. Each grantee shall file a semiannual report with the board at the time and containing such information as the board shall prescribe.

Subd. 4. **Rulemaking authority.** The board is authorized, subject to the provisions of chapter 14, to make rules necessary to the operation of the foster grandparent program and to employ assistance in performing its administrative duties. In adopting rules the board shall give consideration to applicable federal guidelines.

256B.05 ADMINISTRATION BY COUNTY AGENCIES.

Subdivision 1. **Administration of medical assistance.** The county agencies shall administer medical assistance in their respective counties under the supervision of the state agency and the commissioner of human services as specified in section 256.01, and shall make such reports, prepare such statistics, and keep such records and accounts in relation to medical assistance as the state agency may require under section 256.01, subdivision 2, paragraph (17).

256B.0625 COVERED SERVICES.

Subd. 20. **Mental health case management.** (a) To the extent authorized by rule of the state agency, medical assistance covers case management services to persons with serious and persistent mental illness and children with severe emotional disturbance. Services provided under this section must meet the relevant standards in sections 245.461 to 245.4887, the Comprehensive Adult and Children's Mental Health Acts, Minnesota Rules, parts 9520.0900 to 9520.0926, and 9505.0322, excluding subpart 10.

(b) Entities meeting program standards set out in rules governing family community support services as defined in section 245.4871, subdivision 17, are eligible for medical assistance reimbursement for case management services for children with severe emotional disturbance when these services meet the program standards in Minnesota Rules, parts 9520.0900 to 9520.0926 and 9505.0322, excluding subparts 6 and 10.

(c) Medical assistance and MinnesotaCare payment for mental health case management shall be made on a monthly basis. In order to receive payment for an eligible child, the provider must document at least a face-to-face contact with the child, the child's parents, or the child's legal representative. To receive payment for an eligible adult, the provider must document:

- (1) at least a face-to-face contact with the adult or the adult's legal representative; or
- (2) at least a telephone contact with the adult or the adult's legal representative and document a face-to-face contact with the adult or the adult's legal representative within the preceding two months.

(d) Payment for mental health case management provided by county or state staff shall be based on the monthly rate methodology under section 256B.094, subdivision 6, paragraph (b), with separate rates calculated for child welfare and mental health, and within mental health, separate rates for children and adults.

(e) Payment for mental health case management provided by Indian health services or by agencies operated by Indian tribes may be made according to this section or other relevant federally approved rate setting methodology.

(f) Payment for mental health case management provided by vendors who contract with a county or Indian tribe shall be based on a monthly rate negotiated by the host county or tribe. The negotiated rate must not exceed the rate charged by the vendor for the same service to other payers. If the service is provided by a team of contracted vendors, the county or tribe may negotiate a team rate with a vendor who is a member of the team. The team shall determine how to distribute the rate among its members. No reimbursement received by contracted vendors shall

APPENDIX

Repealed Minnesota Statutes: H2323-1

be returned to the county or tribe, except to reimburse the county or tribe for advance funding provided by the county or tribe to the vendor.

(g) If the service is provided by a team which includes contracted vendors, tribal staff, and county or state staff, the costs for county or state staff participation in the team shall be included in the rate for county-provided services. In this case, the contracted vendor, the tribal agency, and the county may each receive separate payment for services provided by each entity in the same month. In order to prevent duplication of services, each entity must document, in the recipient's file, the need for team case management and a description of the roles of the team members.

(h) Notwithstanding section 256B.19, subdivision 1, the nonfederal share of costs for mental health case management shall be provided by the recipient's county of responsibility, as defined in sections 256G.01 to 256G.12, from sources other than federal funds or funds used to match other federal funds. If the service is provided by a tribal agency, the nonfederal share, if any, shall be provided by the recipient's tribe. When this service is paid by the state without a federal share through fee-for-service, 50 percent of the cost shall be provided by the recipient's county of responsibility.

(i) Notwithstanding any administrative rule to the contrary, prepaid medical assistance, general assistance medical care, and MinnesotaCare include mental health case management. When the service is provided through prepaid capitation, the nonfederal share is paid by the state and the county pays no share.

(j) The commissioner may suspend, reduce, or terminate the reimbursement to a provider that does not meet the reporting or other requirements of this section. The county of responsibility, as defined in sections 256G.01 to 256G.12, or, if applicable, the tribal agency, is responsible for any federal disallowances. The county or tribe may share this responsibility with its contracted vendors.

(k) The commissioner shall set aside a portion of the federal funds earned for county expenditures under this section to repay the special revenue maximization account under section 256.01, subdivision 2, clause (15). The repayment is limited to:

- (1) the costs of developing and implementing this section; and
- (2) programming the information systems.

(l) Payments to counties and tribal agencies for case management expenditures under this section shall only be made from federal earnings from services provided under this section. When this service is paid by the state without a federal share through fee-for-service, 50 percent of the cost shall be provided by the state. Payments to county-contracted vendors shall include the federal earnings, the state share, and the county share.

(m) Case management services under this subdivision do not include therapy, treatment, legal, or outreach services.

(n) If the recipient is a resident of a nursing facility, intermediate care facility, or hospital, and the recipient's institutional care is paid by medical assistance, payment for case management services under this subdivision is limited to the lesser of:

- (1) the last 180 days of the recipient's residency in that facility and may not exceed more than six months in a calendar year; or
- (2) the limits and conditions which apply to federal Medicaid funding for this service.

(o) Payment for case management services under this subdivision shall not duplicate payments made under other program authorities for the same purpose.

Subd. 20a. **Case management; developmental disabilities.** To the extent defined in the state Medicaid plan, case management service activities for persons with developmental disabilities as defined in section 256B.092, and rules promulgated thereunder, are covered services under medical assistance.

256B.0945 SERVICES FOR CHILDREN WITH SEVERE EMOTIONAL DISTURBANCE.

Subdivision 1. **Residential services; provider qualifications.** Counties must arrange to provide residential services for children with severe emotional disturbance according to sections 245.4882, 245.4885, and this section. Services must be provided by a facility that is licensed according to section 245.4882 and administrative rules promulgated thereunder, and under contract with the county.

Subd. 2. **Covered services.** All services must be included in a child's individualized treatment or multiagency plan of care as defined in chapter 245.

For facilities that are not institutions for mental diseases according to federal statute and regulation, medical assistance covers mental health-related services that are required to be

Repealed Minnesota Statutes: H2323-1

provided by a residential facility under section 245.4882 and administrative rules promulgated thereunder, except for room and board.

Subd. 3. **Centralized disbursement of medical assistance payments.** Notwithstanding section 256B.041, county payments for the cost of residential services provided under this section shall not be made to the commissioner of finance.

Subd. 4. **Payment rates.** (a) Notwithstanding sections 256B.19 and 256B.041, payments to counties for residential services provided by a residential facility shall only be made of federal earnings for services provided under this section, and the nonfederal share of costs for services provided under this section shall be paid by the county from sources other than federal funds or funds used to match other federal funds. Payment to counties for services provided according to this section shall be a proportion of the per day contract rate that relates to rehabilitative mental health services and shall not include payment for costs or services that are billed to the IV-E program as room and board.

(b) Per diem rates paid to providers under this section by prepaid plans shall be the proportion of the per-day contract rate that relates to rehabilitative mental health services and shall not include payment for group foster care costs or services that are billed to the county of financial responsibility.

(c) The commissioner shall set aside a portion not to exceed five percent of the federal funds earned for county expenditures under this section to cover the state costs of administering this section. Any unexpended funds from the set-aside shall be distributed to the counties in proportion to their earnings under this section.

256B.19 DIVISION OF COST.

Subdivision 1. **Division of cost.** The state and county share of medical assistance costs not paid by federal funds shall be as follows:

(1) beginning January 1, 1992, 50 percent state funds and 50 percent county funds for the cost of placement of severely emotionally disturbed children in regional treatment centers;

(2) beginning January 1, 2003, 80 percent state funds and 20 percent county funds for the costs of nursing facility placements of persons with disabilities under the age of 65 that have exceeded 90 days. This clause shall be subject to chapter 256G and shall not apply to placements in facilities not certified to participate in medical assistance;

(3) beginning July 1, 2004, 90 percent state funds and ten percent county funds for the costs of placements that have exceeded 90 days in intermediate care facilities for persons with developmental disabilities that have seven or more beds. This provision includes pass-through payments made under section 256B.5015; and

(4) beginning July 1, 2004, when state funds are used to pay for a nursing facility placement due to the facility's status as an institution for mental diseases (IMD), the county shall pay 20 percent of the nonfederal share of costs that have exceeded 90 days. This clause is subject to chapter 256G.

For counties that participate in a Medicaid demonstration project under sections 256B.69 and 256B.71, the division of the nonfederal share of medical assistance expenses for payments made to prepaid health plans or for payments made to health maintenance organizations in the form of prepaid capitation payments, this division of medical assistance expenses shall be 95 percent by the state and five percent by the county of financial responsibility.

In counties where prepaid health plans are under contract to the commissioner to provide services to medical assistance recipients, the cost of court ordered treatment ordered without consulting the prepaid health plan that does not include diagnostic evaluation, recommendation, and referral for treatment by the prepaid health plan is the responsibility of the county of financial responsibility.

256D.03 RESPONSIBILITY TO PROVIDE GENERAL ASSISTANCE.

Subdivision 1. **County administration.** Every county agency shall provide general assistance to persons residing within its jurisdiction who meet the need requirements of sections 256D.01 to 256D.21. General assistance shall be administered by the county agencies according to law and rules promulgated by the commissioner pursuant to sections 14.001 to 14.69.

Subd. 2. **Assistance standards.** State aid shall be paid for all general assistance and grants up to the standards of section 256D.01, subdivision 1a, and according to procedures established by the commissioner, except as provided for under section 256.017.

Subd. 2a. **County agency options.** Any county agency may, from its own resources, make payments of general assistance: (a) at a standard higher than that established by the commissioner

APPENDIX

Repealed Minnesota Statutes: H2323-1

without reference to the standards of section 256D.01, subdivision 1; or (b) to persons not meeting the eligibility standards set forth in section 256D.05, subdivision 1, but for whom the aid would further the purposes established in the general assistance program according to rules adopted by the commissioner according to the Administrative Procedure Act. The Minnesota Department of Human Services may maintain client records and issue these payments, providing the cost of benefits is paid by the counties to the Department of Human Services according to section 256.01.

Subd. 3. **General assistance medical care; eligibility.** (a) General assistance medical care may be paid for any person who is not eligible for medical assistance under chapter 256B, including eligibility for medical assistance based on a spenddown of excess income according to section 256B.056, subdivision 5, or MinnesotaCare as defined in paragraph (b), except as provided in paragraph (c), and:

(1) who is receiving assistance under section 256D.05, except for families with children who are eligible under Minnesota family investment program (MFIP), or who is having a payment made on the person's behalf under sections 256I.01 to 256I.06; or

(2) who is a resident of Minnesota; and

(i) who has gross countable income not in excess of 75 percent of the federal poverty guidelines for the family size, using a six-month budget period and whose equity in assets is not in excess of \$1,000 per assistance unit. General assistance medical care is not available for applicants or enrollees who are otherwise eligible for medical assistance but fail to verify their assets. Enrollees who become eligible for medical assistance shall be terminated and transferred to medical assistance. Exempt assets, the reduction of excess assets, and the waiver of excess assets must conform to the medical assistance program in section 256B.056, subdivisions 3 and 3d, with the following exception: the maximum amount of undistributed funds in a trust that could be distributed to or on behalf of the beneficiary by the trustee, assuming the full exercise of the trustee's discretion under the terms of the trust, must be applied toward the asset maximum;

(ii) who has gross countable income above 75 percent of the federal poverty guidelines but not in excess of 175 percent of the federal poverty guidelines for the family size, using a six-month budget period, whose equity in assets is not in excess of the limits in section 256B.056, subdivision 3c, and who applies during an inpatient hospitalization; or

(iii) the commissioner shall adjust the income standards under this section each July 1 by the annual update of the federal poverty guidelines following publication by the United States Department of Health and Human Services.

(b) Effective for applications and renewals processed on or after September 1, 2006, general assistance medical care may not be paid for applicants or recipients who are adults with dependent children under 21 whose gross family income is equal to or less than 275 percent of the federal poverty guidelines who are not described in paragraph (e).

(c) Effective for applications and renewals processed on or after September 1, 2006, general assistance medical care may be paid for applicants and recipients who meet all eligibility requirements of paragraph (a), clause (2), item (i), for a temporary period beginning the date of application. Immediately following approval of general assistance medical care, enrollees shall be enrolled in MinnesotaCare under section 256L.04, subdivision 7, with covered services as provided in section 256L.03 for the rest of the six-month general assistance medical care eligibility period, until their six-month renewal.

(d) To be eligible for general assistance medical care following enrollment in MinnesotaCare as required by paragraph (c), an individual must complete a new application.

(e) Applicants and recipients eligible under paragraph (a), clause (1), are exempt from the MinnesotaCare enrollment requirements in this subdivision if they:

(1) have applied for and are awaiting a determination of blindness or disability by the state medical review team or a determination of eligibility for Supplemental Security Income or Social Security Disability Insurance by the Social Security Administration;

(2) fail to meet the requirements of section 256L.09, subdivision 2;

(3) are homeless as defined by United States Code, title 42, section 11301, et seq.;

(4) are classified as end-stage renal disease beneficiaries in the Medicare program;

(5) are enrolled in private health care coverage as defined in section 256B.02, subdivision 9;

(6) are eligible under paragraph (j);

(7) receive treatment funded pursuant to section 254B.02; or

(8) reside in the Minnesota sex offender program defined in chapter 246B.

(f) For applications received on or after October 1, 2003, eligibility may begin no earlier than the date of application. For individuals eligible under paragraph (a), clause (2), item (i), a redetermination of eligibility must occur every 12 months. Individuals are eligible under

APPENDIX

Repealed Minnesota Statutes: H2323-1

paragraph (a), clause (2), item (ii), only during inpatient hospitalization but may reapply if there is a subsequent period of inpatient hospitalization.

(g) Beginning September 1, 2006, Minnesota health care program applications and renewals completed by recipients and applicants who are persons described in paragraph (c) and submitted to the county agency shall be determined for MinnesotaCare eligibility by the county agency. If all other eligibility requirements of this subdivision are met, eligibility for general assistance medical care shall be available in any month during which MinnesotaCare enrollment is pending. Upon notification of eligibility for MinnesotaCare, notice of termination for eligibility for general assistance medical care shall be sent to an applicant or recipient. If all other eligibility requirements of this subdivision are met, eligibility for general assistance medical care shall be available until enrollment in MinnesotaCare subject to the provisions of paragraphs (c), (e), and (f).

(h) The date of an initial Minnesota health care program application necessary to begin a determination of eligibility shall be the date the applicant has provided a name, address, and Social Security number, signed and dated, to the county agency or the Department of Human Services. If the applicant is unable to provide a name, address, Social Security number, and signature when health care is delivered due to a medical condition or disability, a health care provider may act on an applicant's behalf to establish the date of an initial Minnesota health care program application by providing the county agency or Department of Human Services with provider identification and a temporary unique identifier for the applicant. The applicant must complete the remainder of the application and provide necessary verification before eligibility can be determined. The county agency must assist the applicant in obtaining verification if necessary.

(i) County agencies are authorized to use all automated databases containing information regarding recipients' or applicants' income in order to determine eligibility for general assistance medical care or MinnesotaCare. Such use shall be considered sufficient in order to determine eligibility and premium payments by the county agency.

(j) General assistance medical care is not available for a person in a correctional facility unless the person is detained by law for less than one year in a county correctional or detention facility as a person accused or convicted of a crime, or admitted as an inpatient to a hospital on a criminal hold order, and the person is a recipient of general assistance medical care at the time the person is detained by law or admitted on a criminal hold order and as long as the person continues to meet other eligibility requirements of this subdivision.

(k) General assistance medical care is not available for applicants or recipients who do not cooperate with the county agency to meet the requirements of medical assistance.

(l) In determining the amount of assets of an individual eligible under paragraph (a), clause (2), item (i), there shall be included any asset or interest in an asset, including an asset excluded under paragraph (a), that was given away, sold, or disposed of for less than fair market value within the 60 months preceding application for general assistance medical care or during the period of eligibility. Any transfer described in this paragraph shall be presumed to have been for the purpose of establishing eligibility for general assistance medical care, unless the individual furnishes convincing evidence to establish that the transaction was exclusively for another purpose. For purposes of this paragraph, the value of the asset or interest shall be the fair market value at the time it was given away, sold, or disposed of, less the amount of compensation received. For any uncompensated transfer, the number of months of ineligibility, including partial months, shall be calculated by dividing the uncompensated transfer amount by the average monthly per person payment made by the medical assistance program to skilled nursing facilities for the previous calendar year. The individual shall remain ineligible until this fixed period has expired. The period of ineligibility may exceed 30 months, and a reapplication for benefits after 30 months from the date of the transfer shall not result in eligibility unless and until the period of ineligibility has expired. The period of ineligibility begins in the month the transfer was reported to the county agency, or if the transfer was not reported, the month in which the county agency discovered the transfer, whichever comes first. For applicants, the period of ineligibility begins on the date of the first approved application.

(m) When determining eligibility for any state benefits under this subdivision, the income and resources of all noncitizens shall be deemed to include their sponsor's income and resources as defined in the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, title IV, Public Law 104-193, sections 421 and 422, and subsequently set out in federal rules.

(n) Undocumented noncitizens and nonimmigrants are ineligible for general assistance medical care. For purposes of this subdivision, a nonimmigrant is an individual in one or more of the classes listed in United States Code, title 8, section 1101(a)(15), and an undocumented noncitizen is an individual who resides in the United States without the approval or acquiescence of the United States Citizenship and Immigration Services.

APPENDIX

Repealed Minnesota Statutes: H2323-1

(o) Notwithstanding any other provision of law, a noncitizen who is ineligible for medical assistance due to the deeming of a sponsor's income and resources, is ineligible for general assistance medical care.

(p) Effective July 1, 2003, general assistance medical care emergency services end.

Subd. 3a. **Claims; assignment of benefits.** Claims must be filed pursuant to section 256D.16. General assistance medical care applicants and recipients must apply or agree to apply third party health and accident benefits to the costs of medical care. They must cooperate with the state in establishing paternity and obtaining third party payments. By accepting general assistance, a person assigns to the Department of Human Services all rights to medical support or payments for medical expenses from another person or entity on their own or their dependent's behalf and agrees to cooperate with the state in establishing paternity and obtaining third party payments. The application shall contain a statement explaining the assignment. Any rights or amounts assigned shall be applied against the cost of medical care paid for under this chapter. An assignment is effective on the date general assistance medical care eligibility takes effect.

Subd. 3b. **Cooperation.** (a) General assistance or general assistance medical care applicants and recipients must cooperate with the state and local agency to identify potentially liable third-party payors and assist the state in obtaining third-party payments. Cooperation includes identifying any third party who may be liable for care and services provided under this chapter to the applicant, recipient, or any other family member for whom application is made and providing relevant information to assist the state in pursuing a potentially liable third party. General assistance medical care applicants and recipients must cooperate by providing information about any group health plan in which they may be eligible to enroll. They must cooperate with the state and local agency in determining if the plan is cost-effective. For purposes of this subdivision, coverage provided by the Minnesota Comprehensive Health Association under chapter 62E shall not be considered group health plan coverage or cost-effective by the state and local agency. If the plan is determined cost-effective and the premium will be paid by the state or local agency or is available at no cost to the person, they must enroll or remain enrolled in the group health plan. Cost-effective insurance premiums approved for payment by the state agency and paid by the local agency are eligible for reimbursement according to subdivision 6.

(b) Effective for all premiums due on or after June 30, 1997, general assistance medical care does not cover premiums that a recipient is required to pay under a qualified or Medicare supplement plan issued by the Minnesota Comprehensive Health Association. General assistance medical care shall continue to cover premiums for recipients who are covered under a plan issued by the Minnesota Comprehensive Health Association on June 30, 1997, for a period of six months following receipt of the notice of termination or until December 31, 1997, whichever is later.

Subd. 4. **General assistance medical care; services.** (a)(i) For a person who is eligible under subdivision 3, paragraph (a), clause (2), item (i), general assistance medical care covers, except as provided in paragraph (c):

- (15) mental health services covered under chapter 256B;
- (16) prescribed medications for persons who have been diagnosed as mentally ill as necessary to prevent more restrictive institutionalization;
- (17) medical supplies and equipment, and Medicare premiums, coinsurance and deductible payments;
- (18) medical equipment not specifically listed in this paragraph when the use of the equipment will prevent the need for costlier services that are reimbursable under this subdivision;

(19) services performed by a certified pediatric nurse practitioner, a certified family nurse practitioner, a certified adult nurse practitioner, a certified obstetric/gynecological nurse practitioner, a certified neonatal nurse practitioner, or a certified geriatric nurse practitioner in independent practice, if (1) the service is otherwise covered under this chapter as a physician service, (2) the service provided on an inpatient basis is not included as part of the cost for inpatient services included in the operating payment rate, and (3) the service is within the scope of practice of the nurse practitioner's license as a registered nurse, as defined in section 148.171;

(20) services of a certified public health nurse or a registered nurse practicing in a public health nursing clinic that is a department of, or that operates under the direct authority of, a unit of government, if the service is within the scope of practice of the public health nurse's license as a registered nurse, as defined in section 148.171;

(21) telemedicine consultations, to the extent they are covered under section 256B.0625, subdivision 3b;

(22) care coordination and patient education services provided by a community health worker according to section 256B.0625, subdivision 49; and

(23) regardless of the number of employees that an enrolled health care provider may have, sign language interpreter services when provided by an enrolled health care provider during the course of providing a direct, person-to-person covered health care service to an enrolled recipient who has a hearing loss and uses interpreting services.

(ii) Effective October 1, 2003, for a person who is eligible under subdivision 3, paragraph (a), clause (2), item (ii), general assistance medical care coverage is limited to inpatient hospital services, including physician services provided during the inpatient hospital stay. A \$1,000 deductible is required for each inpatient hospitalization.

(b) Effective August 1, 2005, sex reassignment surgery is not covered under this subdivision.

(c) In order to contain costs, the commissioner of human services shall select vendors of medical care who can provide the most economical care consistent with high medical standards and shall where possible contract with organizations on a prepaid capitation basis to provide these services. The commissioner shall consider proposals by counties and vendors for prepaid health plans, competitive bidding programs, block grants, or other vendor payment mechanisms designed to provide services in an economical manner or to control utilization, with safeguards to ensure that necessary services are provided. Before implementing prepaid programs in counties with a county operated or affiliated public teaching hospital or a hospital or clinic operated by the University of Minnesota, the commissioner shall consider the risks the prepaid program creates for the hospital and allow the county or hospital the opportunity to participate in the program in a manner that reflects the risk of adverse selection and the nature of the patients served by the hospital, provided the terms of participation in the program are competitive with the terms of other participants considering the nature of the population served. Payment for services provided pursuant to this subdivision shall be as provided to medical assistance vendors of these services under sections 256B.02, subdivision 8, and 256B.0625. For payments made during fiscal year 1990 and later years, the commissioner shall consult with an independent actuary in establishing prepayment rates, but shall retain final control over the rate methodology.

(d) Effective January 1, 2008, drug coverage under general assistance medical care is limited to prescription drugs that:

(i) are covered under the medical assistance program as described in section 256B.0625, subdivisions 13 and 13d; and

(ii) are provided by manufacturers that have fully executed general assistance medical care rebate agreements with the commissioner and comply with the agreements. Prescription drug coverage under general assistance medical care must conform to coverage under the medical assistance program according to section 256B.0625, subdivisions 13 to 13g.

(e) Recipients eligible under subdivision 3, paragraph (a), shall pay the following co-payments for services provided on or after October 1, 2003, and before January 1, 2009:

(1) \$25 for eyeglasses;

(2) \$25 for nonemergency visits to a hospital-based emergency room;

(3) \$3 per brand-name drug prescription and \$1 per generic drug prescription, subject to a \$12 per month maximum for prescription drug co-payments. No co-payments shall apply to antipsychotic drugs when used for the treatment of mental illness; and

(4) 50 percent coinsurance on restorative dental services.

(f) Recipients eligible under subdivision 3, paragraph (a), shall include the following co-payments for services provided on or after January 1, 2009:

APPENDIX

Repealed Minnesota Statutes: H2323-1

(2) \$3 per brand-name drug prescription and \$1 per generic drug prescription, subject to a \$7 per month maximum for prescription drug co-payments. No co-payments shall apply to antipsychotic drugs when used for the treatment of mental illness.

(g) MS 2007 Supp [Expired]

(h) Effective January 1, 2009, co-payments shall be limited to one per day per provider for nonemergency visits to a hospital-based emergency room. Recipients of general assistance medical care are responsible for all co-payments in this subdivision. The general assistance medical care reimbursement to the provider shall be reduced by the amount of the co-payment, except that reimbursement for prescription drugs shall not be reduced once a recipient has reached the \$7 per month maximum for prescription drug co-payments. The provider collects the co-payment from the recipient. Providers may not deny services to recipients who are unable to pay the co-payment.

(i) General assistance medical care reimbursement to fee-for-service providers and payments to managed care plans shall not be increased as a result of the removal of the co-payments effective January 1, 2009.

(j) Any county may, from its own resources, provide medical payments for which state payments are not made.

(k) Chemical dependency services that are reimbursed under chapter 254B must not be reimbursed under general assistance medical care.

(l) The maximum payment for new vendors enrolled in the general assistance medical care program after the base year shall be determined from the average usual and customary charge of the same vendor type enrolled in the base year.

(m) The conditions of payment for services under this subdivision are the same as the conditions specified in rules adopted under chapter 256B governing the medical assistance program, unless otherwise provided by statute or rule.

(n) Inpatient and outpatient payments shall be reduced by five percent, effective July 1, 2003. This reduction is in addition to the five percent reduction effective July 1, 2003, and incorporated by reference in paragraph (l).

(o) Payments for all other health services except inpatient, outpatient, and pharmacy services shall be reduced by five percent, effective July 1, 2003.

(p) Payments to managed care plans shall be reduced by five percent for services provided on or after October 1, 2003.

(q) A hospital receiving a reduced payment as a result of this section may apply the unpaid balance toward satisfaction of the hospital's bad debts.

(r) Fee-for-service payments for nonpreventive visits shall be reduced by \$3 for services provided on or after January 1, 2006. For purposes of this subdivision, a visit means an episode of service which is required because of a recipient's symptoms, diagnosis, or established illness, and which is delivered in an ambulatory setting by a physician or physician ancillary, chiropractor, podiatrist, advance practice nurse, audiologist, optician, or optometrist.

(s) Payments to managed care plans shall not be increased as a result of the removal of the \$3 nonpreventive visit co-payment effective January 1, 2006.

(t) Payments for mental health services added as covered benefits after December 31, 2007, are not subject to the reductions in paragraphs (l), (n), (o), and (p).

Subd. 5. Certain county agencies to pay state for county share. The county agencies that contract with the commissioner of human services for state administration of general assistance medical care payments shall make payment to the state for the county share of those payments in the manner described for medical assistance advances in section 256B.041, subdivision 5.

Subd. 6. Division of costs. The state share of county agency expenditures for general assistance medical care shall be 100 percent. Payments made under this subdivision shall be made according to sections 256B.041, subdivision 5 and 256B.19, subdivision 1. In counties where a pilot or demonstration project is operated for general assistance medical care services, the state may pay 100 percent of the costs of administering the pilot or demonstration project.

Notwithstanding any provision to the contrary, beginning July 1, 1991, the state shall pay 100 percent of the costs for centralized claims processing by the Department of Administration relative to claims beginning January 1, 1991, and submitted on behalf of general assistance medical care recipients by vendors in the general assistance medical care program.

Beginning July 1, 1991, the state shall reimburse counties up to the limit of state appropriations for general assistance medical care common carrier transportation and related travel expenses provided for medical purposes after December 31, 1990. For purposes of this subdivision, transportation shall have the meaning given it in Code of Federal Regulations, title 42, section 440.170(a), as amended through October 1, 1987, and travel expenses shall have

APPENDIX

Repealed Minnesota Statutes: H2323-1

the meaning given in Code of Federal Regulations, title 42, section 440.170(a)(3), as amended through October 1, 1987.

The county shall ensure that only the least costly most appropriate transportation and travel expenses are used. The state may enter into volume purchase contracts, or use a competitive bidding process, whenever feasible, to minimize the costs of transportation services. If the state has entered into a volume purchase contract or used the competitive bidding procedures of chapter 16C to arrange for transportation services, the county may be required to use such arrangements to be eligible for state reimbursement for general assistance medical care common carrier transportation and related travel expenses provided for medical purposes.

In counties where prepaid health plans are under contract to the commissioner to provide services to general assistance medical care recipients, the cost of court ordered treatment that does not include diagnostic evaluation, recommendation, or referral for treatment by the prepaid health plan is the responsibility of the county of financial responsibility.

Subd. 7. Duties of the commissioner. The commissioner shall promulgate rules as necessary to establish:

(a) standards of eligibility, utilization of services, and payment levels;

(b) standards for quality assurance, surveillance, and utilization review procedures that conform to those established for the medical assistance program pursuant to chapter 256B, including general criteria and procedures for the identification and prompt investigation of suspected fraud, theft, abuse, presentment of false or duplicate claims, presentment of claims for services not medically necessary, or false statements or representations of material facts by a vendor or recipient of general assistance medical care, and for the imposition of sanctions against such vendor or recipient of medical care. The rules relating to sanctions shall be consistent with the provisions of section 256B.064, subdivisions 1a and 2; and

(c) administrative and fiscal procedures for payment of the state share of the medical costs incurred by the counties under section 256D.02, subdivision 4a. Rules promulgated pursuant to this clause may include: (1) procedures by which state liability for the costs of medical care incurred pursuant to section 256D.02, subdivision 4a may be deducted from county liability to the state under any other public assistance program authorized by law; (2) procedures for processing claims of counties for reimbursement by the state for expenditures for medical care made by the counties pursuant to section 256D.02, subdivision 4a; and (3) procedures by which the county agencies may contract with the commissioner of human services for state administration of general assistance medical care payments.

Subd. 8. Private insurance policies. (a) Private accident and health care coverage for medical services is primary coverage and must be exhausted before general assistance medical care is paid. When a person who is otherwise eligible for general assistance medical care has private accident or health care coverage, including a prepaid health plan, the private health care benefits available to the person must be used first and to the fullest extent. General assistance medical care payment will not be made when either covered charges are paid in full by a third party or the provider has an agreement to accept payment for less than charges as payment in full. Payment for patients that are simultaneously covered by general assistance medical care and a liable third party other than Medicare will be determined as the lesser of clauses (1) to (3):

(1) the patient liability according to the provider/insurer agreement;

(2) covered charges minus the third party payment amount; or

(3) the general assistance medical care rate minus the third party payment amount.

A negative difference will not be implemented.

(b) When a parent or a person with an obligation of support has enrolled in a prepaid health care plan under section 518A.41, subdivision 1, the commissioner of human services shall limit the recipient of general assistance medical care to the benefits payable under that prepaid health care plan to the extent that services available under general assistance medical care are also available under the prepaid health care plan.

(c) Upon furnishing general assistance medical care or general assistance to any person having private accident or health care coverage, or having a cause of action arising out of an occurrence that necessitated the payment of assistance, the state agency shall be subrogated, to the extent of the cost of medical care, subsistence, or other payments furnished, to any rights the person may have under the terms of the coverage or under the cause of action. For purposes of this subdivision, "state agency" includes prepaid health plans under contract with the commissioner according to subdivision 4, paragraph (c), and sections 256B.69 and 256L.12; children's mental health collaboratives under section 245.493; demonstration projects for persons with disabilities under section 256B.77; nursing homes under the alternative payment demonstration project under section 256B.434; and county-based purchasing entities under section 256B.692.

APPENDIX

Repealed Minnesota Statutes: H2323-1

This right of subrogation includes all portions of the cause of action, notwithstanding any settlement allocation or apportionment that purports to dispose of portions of the cause of action not subject to subrogation.

(d) To recover under this section, the attorney general may institute or join a civil action to enforce the subrogation rights the commissioner established under this section.

Any prepaid health plan providing services under subdivision 4, paragraph (c), and sections 256B.69 and 256L.12; children's mental health collaboratives under section 245.493; demonstration projects for persons with disabilities under section 256B.77; nursing homes under the alternative payment demonstration project under section 256B.434; or the county-based purchasing entity providing services under section 256B.692 may retain legal representation to enforce the subrogation rights created under this section or, if no action has been brought, may initiate and prosecute an independent action on their behalf against a person, firm, or corporation that may be liable to the person to whom the care or payment was furnished.

(e) The state agency must be given notice of monetary claims against a person, firm, or corporation that may be liable in damages, or otherwise obligated to pay part or all of the costs related to an injury when the state agency has paid or become liable for the cost of care or payments related to the injury. Notice must be given as follows:

(i) Applicants for general assistance or general assistance medical care shall notify the state or county agency of any possible claims when they submit the application. Recipients of general assistance or general assistance medical care shall notify the state or county agency of any possible claims when those claims arise.

(ii) A person providing medical care services to a recipient of general assistance medical care shall notify the state agency when the person has reason to believe that a third party may be liable for payment of the cost of medical care.

(iii) A person who is party to a claim upon which the state agency may be entitled to subrogation under this section shall notify the state agency of its potential subrogation claim before filing a claim, commencing an action, or negotiating a settlement. A person who is a party to a claim includes the plaintiff, the defendants, and any other party to the cause of action.

Notice given to the county agency is not sufficient to meet the requirements of paragraphs (b) and (c).

(f) Upon any judgment, award, or settlement of a cause of action, or any part of it, upon which the state agency has a subrogation right, including compensation for liquidated, unliquidated, or other damages, reasonable costs of collection, including attorney fees, must be deducted first. The full amount of general assistance or general assistance medical care paid to or on behalf of the person as a result of the injury must be deducted next and paid to the state agency. The rest must be paid to the public assistance recipient or other plaintiff. The plaintiff, however, must receive at least one-third of the net recovery after attorney fees and collection costs.

Subd. 9. Payment for ambulance services. Effective for services rendered on or after July 1, 1999, general assistance medical care payments for ambulance services shall be increased by five percent.

256D.053 MINNESOTA FOOD ASSISTANCE PROGRAM.

Subd. 3. Program administration. (a) The rules for the Minnesota food assistance program shall follow exactly the regulations for the federal Food Stamp Program, except for the provisions pertaining to immigration status under section 402 or 403 of Public Law 104-193.

(b) The county agency shall use the income, budgeting, and benefit allotment regulations of the federal Food Stamp Program to calculate an eligible recipient's monthly Minnesota food assistance program benefit. Until September 30, 1998, eligible recipients under this subdivision shall receive the average per person food stamp issuance in Minnesota in the fiscal year ending June 30, 1997. Beginning October 1, 1998, eligible recipients shall receive the same level of benefits as those provided by the federal Food Stamp Program to similarly situated citizen recipients. The monthly Minnesota food assistance program benefits shall not exceed an amount equal to the amount of federal Food Stamp Program benefits the household would receive if all members of the household were eligible for the federal Food Stamp Program.

(c) Minnesota food assistance program benefits must be disregarded as income in all programs that do not count food stamps as income.

(d) The county agency must redetermine a Minnesota food assistance program recipient's eligibility for the federal Food Stamp Program when the agency receives information that the recipient's legal immigration status has changed in such a way that would make the recipient potentially eligible for the federal Food Stamp Program.

APPENDIX

(e) Until October 1, 1998, the commissioner may provide benefits under this section in cash.

256E.12 GRANTS FOR PERSONS WITH SERIOUS AND PERSISTENT MENTAL ILLNESS.

Subd. 3. **Allocation of grants.** The commissioner shall allocate grants under this section to finance up to 90 percent of each county's costs for services to persons with serious and persistent mental illness. The commissioner shall promulgate permanent rules to govern grant applications, approval of applications, allocation of grants, and maintenance of financial statements by grant recipients. The commissioner shall specify requirements for reports, including quarterly fiscal reports, according to section 256.01, subdivision 2, paragraph (17). The commissioner shall require collection of data and periodic reports as the commissioner deems necessary to demonstrate the effectiveness of the services in helping persons with serious and persistent mental illness remain and function in their own communities.

256F.10 CHILD WELFARE TARGETED CASE MANAGEMENT.

Subd. 7. **Expansion of services and base level of expenditures.** (a) Counties and tribal social services must continue the base level of expenditures for preventive child welfare services from either or both of any state, county, or federal funding source, which, in the absence of federal funds earned under this section, would have been available for these services. The commissioner shall review the county or tribal social services expenditures annually using reports required under sections 245.482 and 256.01, subdivision 2, paragraph (17), to ensure that the base level of expenditures for preventive child welfare services is continued from sources other than the federal funds earned under this section.

(b) The commissioner may reduce, suspend, or eliminate either or both of a county's or tribal social services' obligations to continue the base level of expenditures and to expand child welfare preventive services if the commissioner determines that one or more of the following conditions apply to that county or reservation:

- (1) imposition of levy limits that significantly reduce available social service funds;
- (2) reduction in the net tax capacity of the taxable property within a county or reservation that significantly reduces available social service funds;
- (3) reduction in the number of children under age 19 in the county or reservation by 25 percent when compared with the number in the base year using the most recent data provided by the State Demographer's Office; or
- (4) termination of the federal revenue earned under this section.

(c) The commissioner may suspend for one year either or both of a county's or tribal social services' obligations to continue the base level of expenditures and to expand child welfare preventive services if the commissioner determines that in the previous year one or more of the following conditions applied to that county or reservation:

- (1) the total number of children in placement under sections 260C.212 and 393.07, subdivisions 1 and 2, has been reduced by 50 percent from the total number in the base year; or
- (2) the average number of children in placement under sections 260C.212 and 393.07, subdivisions 1 and 2, on the last day of each month is equal to or less than one child per 1,000 children in the county or reservation.

(d) For the purposes of this section, child welfare preventive services are those services directed toward a specific child or family that further the goals of Minnesota Statutes 2002, section 256F.01, and include assessments, family preservation services, service coordination, community-based treatment, crisis nursery services when the parents retain custody and there is no voluntary placement agreement with a child-placing agency, respite care except when it is provided under a medical assistance waiver, home-based services, and other related services. For the purposes of this section, child welfare preventive services shall not include shelter care placements under the authority of the court or public agency to address an emergency, residential services except for respite care, child care for the purposes of employment and training, adult services, services other than child welfare targeted case management when they are provided under medical assistance, placement services, or activities not directed toward a specific child or family. Respite care must be planned, routine care to support the continuing residence of the child with its family or long-term primary caretaker and must not be provided to address an emergency.

(e) For the counties and tribal social services beginning to claim federal reimbursement for services under this section and section 256B.094, the base year is the calendar year ending at least two calendar quarters before the first calendar quarter in which the provider begins claiming

APPENDIX

reimbursement. For the purposes of this section, the base level of expenditures is the level of county or tribal social services expenditures in the base year for eligible child welfare preventive services described in this subdivision.

256F.13 FAMILY SERVICES COLLABORATIVE.

Subdivision 1. **Federal revenue enhancement.** (a) The commissioner of human services may enter into an agreement with one or more family services collaboratives to enhance federal reimbursement under title IV-E of the Social Security Act and federal administrative reimbursement under title XIX of the Social Security Act. The commissioner may contract with the Department of Education for purposes of transferring the federal reimbursement to the commissioner of education to be distributed to the collaboratives according to clause (2). The commissioner shall have the following authority and responsibilities regarding family services collaboratives:

(1) the commissioner shall submit amendments to state plans and seek waivers as necessary to implement the provisions of this section;

(2) the commissioner shall pay the federal reimbursement earned under this subdivision to each collaborative based on their earnings. Payments to collaboratives for expenditures under this subdivision will only be made of federal earnings from services provided by the collaborative;

(3) the commissioner shall review expenditures of family services collaboratives using reports specified in the agreement with the collaborative to ensure that the base level of expenditures is continued and new federal reimbursement is used to expand education, social, health, or health-related services to young children and their families;

(4) the commissioner may reduce, suspend, or eliminate a family services collaborative's obligations to continue the base level of expenditures or expansion of services if the commissioner determines that one or more of the following conditions apply:

(i) imposition of levy limits that significantly reduce available funds for social, health, or health-related services to families and children;

(ii) reduction in the net tax capacity of the taxable property eligible to be taxed by the lead county or subcontractor that significantly reduces available funds for education, social, health, or health-related services to families and children;

(iii) reduction in the number of children under age 19 in the county, collaborative service delivery area, subcontractor's district, or catchment area when compared to the number in the base year using the most recent data provided by the State Demographer's Office; or

(iv) termination of the federal revenue earned under the family services collaborative agreement;

(5) the commissioner shall not use the federal reimbursement earned under this subdivision in determining the allocation or distribution of other funds to counties or collaboratives;

(6) the commissioner may suspend, reduce, or terminate the federal reimbursement to a provider that does not meet the reporting or other requirements of this subdivision;

(7) the commissioner shall recover from the family services collaborative any federal fiscal disallowances or sanctions for audit exceptions directly attributable to the family services collaborative's actions in the integrated fund, or the proportional share if federal fiscal disallowances or sanctions are based on a statewide random sample; and

(8) the commissioner shall establish criteria for the family services collaborative for the accounting and financial management system that will support claims for federal reimbursement.

(b) The family services collaborative shall have the following authority and responsibilities regarding federal revenue enhancement:

(1) the family services collaborative shall be the party with which the commissioner contracts. A lead county shall be designated as the fiscal agency for reporting, claiming, and receiving payments;

(2) the family services collaboratives may enter into subcontracts with other counties, school districts, special education cooperatives, municipalities, and other public and nonprofit entities for purposes of identifying and claiming eligible expenditures to enhance federal reimbursement, or to expand education, social, health, or health-related services to families and children;

(3) the family services collaborative must continue the base level of expenditures for education, social, health, or health-related services to families and children from any state, county, federal, or other public or private funding source which, in the absence of the new federal reimbursement earned under this subdivision, would have been available for those services, except as provided in paragraph (a), clause (4). The base year for purposes of this subdivision

APPENDIX

Repealed Minnesota Statutes: H2323-1

shall be the four-quarter calendar year ending at least two calendar quarters before the first calendar quarter in which the new federal reimbursement is earned;

(4) the family services collaborative must use all new federal reimbursement resulting from federal revenue enhancement to expand expenditures for education, social, health, or health-related services to families and children beyond the base level, except as provided in paragraph (a), clause (4);

(5) the family services collaborative must ensure that expenditures submitted for federal reimbursement are not made from federal funds or funds used to match other federal funds. Notwithstanding section 256B.19, subdivision 1, for the purposes of family services collaborative expenditures under agreement with the department, the nonfederal share of costs shall be provided by the family services collaborative from sources other than federal funds or funds used to match other federal funds;

(6) the family services collaborative must develop and maintain an accounting and financial management system adequate to support all claims for federal reimbursement, including a clear audit trail and any provisions specified in the agreement; and

(7) the family services collaborative shall submit an annual report to the commissioner as specified in the agreement.

256I.04 ELIGIBILITY FOR GROUP RESIDENTIAL HOUSING PAYMENT.

Subdivision 1. **Individual eligibility requirements.** An individual is eligible for and entitled to a group residential housing payment to be made on the individual's behalf if the county agency has approved the individual's residence in a group residential housing setting and the individual meets the requirements in paragraph (a) or (b).

(a) The individual is aged, blind, or is over 18 years of age and disabled as determined under the criteria used by the title II program of the Social Security Act, and meets the resource restrictions and standards of the supplemental security income program, and the individual's countable income after deducting the (1) exclusions and disregards of the SSI program, (2) the medical assistance personal needs allowance under section 256B.35, and (3) an amount equal to the income actually made available to a community spouse by an elderly waiver recipient under the provisions of sections 256B.0575, paragraph (a), clause (4), and 256B.058, subdivision 2, is less than the monthly rate specified in the county agency's agreement with the provider of group residential housing in which the individual resides.

(b) The individual meets a category of eligibility under section 256D.05, subdivision 1, paragraph (a), and the individual's resources are less than the standards specified by section 256D.08, and the individual's countable income as determined under sections 256D.01 to 256D.21, less the medical assistance personal needs allowance under section 256B.35 is less than the monthly rate specified in the county agency's agreement with the provider of group residential housing in which the individual resides.

Subd. 1a. **County approval.** A county agency may not approve a group residential housing payment for an individual in any setting with a rate in excess of the MSA equivalent rate for more than 30 days in a calendar year unless the county agency has developed or approved a plan for the individual which specifies that:

(1) the individual has an illness or incapacity which prevents the person from living independently in the community; and

(2) the individual's illness or incapacity requires the services which are available in the group residence.

The plan must be signed or countersigned by any of the following employees of the county of financial responsibility: the director of human services or a designee of the director; a social worker; or a case aide.

Subd. 1b. **Optional state supplements to SSI.** Group residential housing payments made on behalf of persons eligible under subdivision 1, paragraph (a), are optional state supplements to the SSI program.

Subd. 1c. **Interim assistance.** Group residential housing payments made on behalf of persons eligible under subdivision 1, paragraph (b), are considered interim assistance payments to applicants for the federal SSI program.

Subd. 2. **Date of eligibility.** An individual who has met the eligibility requirements of subdivision 1, shall have a group residential housing payment made on the individual's behalf from the first day of the month in which a signed application form is received by a county agency, or the first day of the month in which all eligibility factors have been met, whichever is later.

Subd. 2a. **License required.** A county agency may not enter into an agreement with an establishment to provide group residential housing unless:

APPENDIX

Repealed Minnesota Statutes: H2323-1

(1) the establishment is licensed by the Department of Health as a hotel and restaurant; a board and lodging establishment; a residential care home; a boarding care home before March 1, 1985; or a supervised living facility, and the service provider for residents of the facility is licensed under chapter 245A. However, an establishment licensed by the Department of Health to provide lodging need not also be licensed to provide board if meals are being supplied to residents under a contract with a food vendor who is licensed by the Department of Health;

(2) the residence is licensed by the commissioner of human services under Minnesota Rules, parts 9555.5050 to 9555.6265, or certified by a county human services agency prior to July 1, 1992, using the standards under Minnesota Rules, parts 9555.5050 to 9555.6265;

(3) the establishment is registered under chapter 144D and provides three meals a day, or is an establishment voluntarily registered under section 144D.025 as a supportive housing establishment; or

(4) an establishment voluntarily registered under section 144D.025, other than a supportive housing establishment under clause (3), is not eligible to provide group residential housing.

The requirements under clauses (1), (2), (3), and (4) do not apply to establishments exempt from state licensure because they are located on Indian reservations and subject to tribal health and safety requirements.

Subd. 2b. Group residential housing agreements. Agreements between county agencies and providers of group residential housing must be in writing and must specify the name and address under which the establishment subject to the agreement does business and under which the establishment, or service provider, if different from the group residential housing establishment, is licensed by the Department of Health or the Department of Human Services; the specific license or registration from the Department of Health or the Department of Human Services held by the provider and the number of beds subject to that license; the address of the location or locations at which group residential housing is provided under this agreement; the per diem and monthly rates that are to be paid from group residential housing funds for each eligible resident at each location; the number of beds at each location which are subject to the group residential housing agreement; whether the license holder is a not-for-profit corporation under section 501(c)(3) of the Internal Revenue Code; and a statement that the agreement is subject to the provisions of sections 256I.01 to 256I.06 and subject to any changes to those sections. Group residential housing agreements may be terminated with or without cause by either the county or the provider with two calendar months prior notice.

Subd. 2c. Crisis shelters. Secure crisis shelters for battered women and their children designated by the Minnesota Department of Corrections are not group residences under this chapter.

Subd. 3. Moratorium on the development of group residential housing beds. (a) County agencies shall not enter into agreements for new group residential housing beds with total rates in excess of the MSA equivalent rate except:

(1) for group residential housing establishments licensed under Minnesota Rules, parts 9525.0215 to 9525.0355, provided the facility is needed to meet the census reduction targets for persons with developmental disabilities at regional treatment centers;

(2) to ensure compliance with the federal Omnibus Budget Reconciliation Act alternative disposition plan requirements for inappropriately placed persons with developmental disabilities or mental illness;

(3) up to 80 beds in a single, specialized facility located in Hennepin County that will provide housing for chronic inebriates who are repetitive users of detoxification centers and are refused placement in emergency shelters because of their state of intoxication, and planning for the specialized facility must have been initiated before July 1, 1991, in anticipation of receiving a grant from the Housing Finance Agency under section 462A.05, subdivision 20a, paragraph (b);

(4) notwithstanding the provisions of subdivision 2a, for up to 190 supportive housing units in Anoka, Dakota, Hennepin, or Ramsey County for homeless adults with a mental illness, a history of substance abuse, or human immunodeficiency virus or acquired immunodeficiency syndrome. For purposes of this section, "homeless adult" means a person who is living on the street or in a shelter or discharged from a regional treatment center, community hospital, or residential treatment program and has no appropriate housing available and lacks the resources and support necessary to access appropriate housing. At least 70 percent of the supportive housing units must serve homeless adults with mental illness, substance abuse problems, or human immunodeficiency virus or acquired immunodeficiency syndrome who are about to be or, within the previous six months, has been discharged from a regional treatment center, or a state-contracted psychiatric bed in a community hospital, or a residential mental health or chemical dependency treatment program. If a person meets the requirements of subdivision 1, paragraph (a), and receives a federal or state housing subsidy, the group residential housing

rate for that person is limited to the supplementary rate under section 256I.05, subdivision 1a, and is determined by subtracting the amount of the person's countable income that exceeds the MSA equivalent rate from the group residential housing supplementary rate. A resident in a demonstration project site who no longer participates in the demonstration program shall retain eligibility for a group residential housing payment in an amount determined under section 256I.06, subdivision 8, using the MSA equivalent rate. Service funding under section 256I.05, subdivision 1a, will end June 30, 1997, if federal matching funds are available and the services can be provided through a managed care entity. If federal matching funds are not available, then service funding will continue under section 256I.05, subdivision 1a;

(5) for group residential housing beds in settings meeting the requirements of subdivision 2a, clauses (1) and (3), which are used exclusively for recipients receiving home and community-based waiver services under sections 256B.0915, 256B.092, subdivision 5, 256B.093, and 256B.49, and who resided in a nursing facility for the six months immediately prior to the month of entry into the group residential housing setting. The group residential housing rate for these beds must be set so that the monthly group residential housing payment for an individual occupying the bed when combined with the nonfederal share of services delivered under the waiver for that person does not exceed the nonfederal share of the monthly medical assistance payment made for the person to the nursing facility in which the person resided prior to entry into the group residential housing establishment. The rate may not exceed the MSA equivalent rate plus \$426.37 for any case;

(6) for an additional two beds, resulting in a total of 32 beds, for a facility located in Hennepin County providing services for recovering and chemically dependent men that has had a group residential housing contract with the county and has been licensed as a board and lodge facility with special services since 1980;

(7) for a group residential housing provider located in Stearns County that operates a 40-bed facility, that received financing through the Minnesota Housing Finance Agency Ending Long-Term Homelessness Initiative and serves chemically dependent clientele, providing 24-hour-a-day supervision;

(8) for a new 65-bed facility in Crow Wing County that will serve chemically dependent persons, operated by a group residential housing provider that currently operates a 304-bed facility in Minneapolis, and a 44-bed facility in Duluth;

(9) for a group residential housing provider that operates two ten-bed facilities, one located in Hennepin County and one located in Ramsey County, that provide community support and 24-hour-a-day supervision to serve the mental health needs of individuals who have chronically lived unsheltered; and

(10) for a group residential facility in Hennepin County with a capacity of up to 48 beds that has been licensed since 1978 as a board and lodging facility and that until August 1, 2007, operated as a licensed chemical dependency treatment program.

(b) A county agency may enter into a group residential housing agreement for beds with rates in excess of the MSA equivalent rate in addition to those currently covered under a group residential housing agreement if the additional beds are only a replacement of beds with rates in excess of the MSA equivalent rate which have been made available due to closure of a setting, a change of licensure or certification which removes the beds from group residential housing payment, or as a result of the downsizing of a group residential housing setting. The transfer of available beds from one county to another can only occur by the agreement of both counties.

Subd. 4. Rental assistance. For participants in the Minnesota supportive housing demonstration program under subdivision 3, paragraph (a), clause (5), notwithstanding the provisions of section 256I.06, subdivision 8, the amount of the group residential housing payment for room and board must be calculated by subtracting 30 percent of the recipient's adjusted income as defined by the United States Department of Housing and Urban Development for the Section 8 program from the fair market rent established for the recipient's living unit by the federal Department of Housing and Urban Development. This payment shall be regarded as a state housing subsidy for the purposes of subdivision 3. Notwithstanding the provisions of section 256I.06, subdivision 6, the recipient's countable income will only be adjusted when a change of greater than \$100 in a month occurs or upon annual redetermination of eligibility, whichever is sooner. The commissioner is directed to study the feasibility of developing a rental assistance program to serve persons traditionally served in group residential housing settings and report to the legislature by February 15, 1999.

256I.08 COUNTY SHARE FOR CERTAIN NURSING FACILITY STAYS.

APPENDIX

Repealed Minnesota Statutes: H2323-1

Beginning July 1, 2004, if group residential housing is used to pay for a nursing facility placement due to the facility's status as an Institution for Mental Diseases, the county is liable for 20 percent of the nonfederal share of costs for persons under the age of 65 that have exceeded 90 days.

256J.09 APPLYING FOR ASSISTANCE.

Subdivision 1. **Where to apply.** To apply for assistance a person must submit a signed application to the county agency in the county where that person lives.

Subd. 2. **County agency responsibility to provide information.** When a person inquires about assistance, a county agency must:

(1) explain the eligibility requirements of, and how to apply for any assistance for which the person may be eligible; and

(2) offer the person brochures developed or approved by the commissioner that describe how to apply for assistance.

Subd. 3. **Submitting the application form.** (a) A county agency must offer, in person or by mail, the application forms prescribed by the commissioner as soon as a person makes a written or oral inquiry. At that time, the county agency must:

(1) inform the person that assistance begins with the date the signed application is received by the county agency or the date all eligibility criteria are met, whichever is later;

(2) inform the person that any delay in submitting the application will reduce the amount of assistance paid for the month of application;

(3) inform a person that the person may submit the application before an interview;

(4) explain the information that will be verified during the application process by the county agency as provided in section 256J.32;

(5) inform a person about the county agency's average application processing time and explain how the application will be processed under subdivision 5;

(6) explain how to contact the county agency if a person's application information changes and how to withdraw the application;

(7) inform a person that the next step in the application process is an interview and what a person must do if the application is approved including, but not limited to, attending orientation under section 256J.45 and complying with employment and training services requirements in sections 256J.515 to 256J.57;

(8) explain the child care and transportation services that are available under paragraph (c) to enable caregivers to attend the interview, screening, and orientation; and

(9) identify any language barriers and arrange for translation assistance during appointments, including, but not limited to, screening under subdivision 3a, orientation under section 256J.45, and assessment under section 256J.521.

(b) Upon receipt of a signed application, the county agency must stamp the date of receipt on the face of the application. The county agency must process the application within the time period required under subdivision 5. An applicant may withdraw the application at any time by giving written or oral notice to the county agency. The county agency must issue a written notice confirming the withdrawal. The notice must inform the applicant of the county agency's understanding that the applicant has withdrawn the application and no longer wants to pursue it. When, within ten days of the date of the agency's notice, an applicant informs a county agency, in writing, that the applicant does not wish to withdraw the application, the county agency must reinstate the application and finish processing the application.

(c) Upon a participant's request, the county agency must arrange for transportation and child care or reimburse the participant for transportation and child care expenses necessary to enable participants to attend the screening under subdivision 3a and orientation under section 256J.45.

256L.15 PREMIUMS.

Subd. 4. **Exception for transitioned adults.** County agencies shall pay premiums for single adults and households with no children formerly enrolled in general assistance medical care and enrolled in MinnesotaCare according to section 256D.03, subdivision 3, until six-month renewal. The county agency has the option of continuing to pay premiums for these enrollees.

Subd. 83. **International economic development zone property.** (a) Improvements to real property, and personal property, classified under section 273.13, subdivision 24, and

APPENDIX

Repealed Minnesota Statutes: H2323-1

located within the international economic development zone designated under section 469.322, are exempt from ad valorem taxes levied under chapter 275, if the improvements are:

- (1) part of a regional distribution center as defined in section 469.321; or
- (2) occupied by a qualified business as defined in section 469.321, that uses the improvements primarily in freight forwarding operations.

(b) The exemption applies to each assessment year that begins during the duration of the international economic development zone. To be exempt under paragraph (a), clause (2), the property must be occupied by July 1 of the assessment year by a qualified business that has signed the business subsidy agreement by July 1 of the assessment year.

273.113 TAX CREDIT FOR PROPERTY IN PROPOSED BOVINE TUBERCULOSIS MODIFIED ACCREDITED ZONE.

Subdivision 1. **Definition.** For the purposes of this section, the following terms have the meanings given to them:

- (1) "proposed bovine tuberculosis modified accredited zone" means the modified accredited zone proposed by the Board of Animal Health under section 35.244; and
- (2) "located within" means that the herd is kept in the area for at least a part of calendar year 2007.

Subd. 2. **Eligibility; amount of credit.** Agricultural land classified under section 273.13, subdivision 23, located within a proposed bovine tuberculosis modified accredited zone is eligible for a property tax credit equal to the property tax on the parcel where the herd had been located, excluding any tax attributable to residential structures. To begin to qualify for the tax credit, the owner shall file an application with the county by December 1 of the levy year. The credit must be given for each subsequent taxes payable year until the credit terminates under subdivision 4. The assessor shall indicate the amount of the property tax reduction on the property tax statement of each taxpayer receiving a credit under this section. The credit paid pursuant to this section shall be deducted from the tax due on the property as provided in section 273.1393.

Subd. 3. **Reimbursement for lost revenue.** The county auditor shall certify to the commissioner of revenue, as part of the abstracts of tax lists required to be filed with the commissioner under section 275.29, the amount of tax lost to the county from the property tax credit under subdivision 2. Any prior year adjustments must also be certified in the abstracts of tax lists. The commissioner of revenue shall review the certifications to determine their accuracy. The commissioner may make the changes in the certification that are considered necessary or return a certification to the county auditor for corrections. The commissioner shall reimburse each taxing district for the taxes lost. The payments must be made at the time provided in section 473H.10 for payment to taxing jurisdictions in the same proportion that the ad valorem tax is distributed. The amount necessary to make the reimbursements under this section is annually appropriated from the general fund to the commissioner of revenue.

Subd. 4. **Termination of credit.** The credits provided under this section cease to be available beginning with taxes payable in the year following the date when the Board of Animal Health has certified that the state is free of bovine tuberculosis.

(f) For purposes of this subdivision, the population of a city is the most recent population as determined by the state demographer under section 4A.02.

(g) The commissioner of revenue shall annually prescribe the specific form and format of the advertisements required under this subdivision, including such details as font size and style, and spacing for the required items. The commissioner may prescribe alternate and additional language for the advertisement for a taxing authority or for groups of taxing authorities. At least two weeks before November 29 each year, the commissioner shall provide a copy of the prescribed advertisements to the chairs of the committees of the house of representatives and the senate with jurisdiction over taxes.

Subd. 6b. Joint public hearings. Notwithstanding any other provision of law, any city with a population of 10,000 and over, may conduct a more comprehensive public hearing than is contained in subdivision 6 by including a board member from the county, a board member from the school district located within the city's boundary, and a representative of the metropolitan council, if the city is in the metropolitan area, as defined in section 473.121, subdivision 2, at the city's public hearing. All provisions regarding the public hearings under subdivision 6 are applicable to the joint public hearings under this subdivision.

Upon the adoption of a resolution by the governing body of the city to hold a joint hearing, the city shall notify the county, the school district, and the Metropolitan Council if the city is in the metropolitan area, of the decision to hold a joint public hearing and request a board member from each of those taxing authorities, and the member or the designee of the Metropolitan Council if applicable, to be at the joint hearing. If the city is located in more than one county, the city may choose to request a county board member from each county or only from the county containing the majority of the city's market value. If more than one school district is partially or totally located within the city, the city may choose to request a school district board member from each school district, or a board member only from the school district containing the majority of the city's market value. If, as a result of requests under this subdivision, there are not sufficient board members in the county or the school district to attend the joint hearing, the county or school district may send a nonelected person working for its taxing authority to speak on the authority's behalf. The city may also invite each state senator and representative who represents the city, or a portion of the city, to come to the joint hearing.

The primary purpose of the joint hearing is to discuss the city's budget and property tax levy. The county and school district officials, and Metropolitan Council representative, if the city is in the metropolitan area, should be prepared to answer questions relevant to its budget and levy and the effect that its levy has on the property owners in the city.

If a city conducts a hearing under this subdivision, this hearing is in lieu of the initial hearing required under subdivision 6. However, the city is still required to adopt its proposed property tax levy at a subsequent hearing as provided under subdivision 6. The hearings under this subdivision do not relieve a county, school district, or the Metropolitan Council of the requirement to hold its individual hearing under subdivision 6.

APPENDIX

Repealed Minnesota Statutes: H2323-1

Subd. 6c. Joint public hearing; nonmetropolitan county, cities, and school districts.

(a) Notwithstanding any other provision of law, the county board may hold a joint hearing with the governing bodies of all taxing authorities located wholly or partially within the county that are required to hold a public hearing under this section, excluding special taxing districts. The primary purpose of the joint hearing is for taxpayer efficiency by allowing taxpayers to come to a single public hearing to discuss the budgets and proposed property tax levies of most taxing authorities that impact the taxes on their property.

(b) This subdivision applies only to counties located outside the metropolitan area as defined under section 473.121, subdivision 2. If a city or school district is located partially within the metropolitan area, that taxing jurisdiction may participate in its nonmetropolitan county's joint hearing, if it so chooses.

(c) Upon the adoption of a resolution by the county board to hold a joint public hearing, the county shall notify each city with a population over 500 and each school district located wholly or partially within the county of its intention to hold the joint hearing and ask each of the taxing authorities if it would like to participate. Participation is voluntary, and participation in the joint hearing is in lieu of the requirement for the governing body to hold a separate public hearing under subdivision 6. If a participating city or school district is located in more than one county, the hearing under this subdivision is in lieu of the requirement to hold a separate public hearing if 75 percent or more of that city or school district's previous year's net tax capacity is in the county where the hearing is held.

(d) The initial joint hearing must be held on the first Thursday in December. The county may hold an additional joint hearing on another date before December 20 if the majority of the participating taxing authorities want an additional hearing.

The county board shall obtain a meeting space to hold the joint hearing, preferably at a public building such as the courthouse, school, or community center. The location shall be as centrally located within the county as possible. The meeting shall generally be structured in the following general manner:

- (1) 30 to 60 minutes must be devoted to discussion of the county's budget and levy;
- (2) 30 to 60 minutes must be devoted to discussion of the city's budget and levy, with each city's discussion held in a separate room, preferably in the same building;
- (3) 30 to 60 minutes must be devoted to discussion of the school district's levy, with each school district's discussion held in a separate room, preferably in the same building; and
- (4) during the last 30 minutes the governing bodies must reassemble in a joint meeting to entertain any follow-up questions that have arisen from the separate discussions.

The county shall attempt to keep the total public hearing to within three hours.

(e) In lieu of the public advertisement requirement in subdivision 5a, the county shall have a single advertisement listing the county, each city with a population of over 500, and each school district participating in the joint public hearing listing. Any taxing authority participating under this subdivision is exempt from the separate public advertisement requirement under subdivision 5a. The cost of the joint hearing advertisement shall be apportioned in the same manner provided in subdivision 4. The notice must be published not less than two business days nor more than six business days before the hearing. The newspaper selected must be one of general interest and readership in the county, and not one of limited subject matter. 289A.50 CLAIMS FOR REFUNDS.

Subd. 10. **Limitation on refund.** If an addition to federal taxable income under section 290.01, subdivision 19a, clause (1), is judicially determined to discriminate against interstate commerce, the legislature intends that the discrimination be remedied by adding interest on obligations of Minnesota governmental units and Indian tribes to federal taxable income. This subdivision applies beginning with the taxable years that begin during the calendar year in which the court's decision is final. Other remedies apply for previous taxable years.

290.01 DEFINITIONS.

APPENDIX

Repealed Minnesota Statutes: H2323-1

(b) For the first taxable year when the facility has been in operation for at least three consecutive months, the credit is equal to \$5,000 multiplied by the number of persons employed by the corporation on a full-time basis at the facility on the last day of the taxable year, not to exceed the number of persons employed by the corporation on a full-time basis at the facility on the date 90 days before the last day of the taxable year. For each of the succeeding four taxable years, the credit is equal to \$5,000 multiplied by the number of persons employed by the corporation on a full-time basis at the facility on the last day of the taxable year, not to exceed the number of persons employed by the corporation on a full-time basis at the facility on the date 90 days before the last day of the taxable year.

(c) For the first taxable year in which the credit is allowed for the facility, the credit must not exceed 80 percent of the wages paid to or incurred for persons employed by the taxpayer at the facility during the taxable year. For the succeeding four taxable years, the credit must not exceed 20 percent of the wages paid to or incurred for persons employed by the taxpayer at the facility during the taxable year. For purposes of this section, "wages" has the meaning given under section 3121(b) of the Internal Revenue Code, except the limitation to the contribution and benefit base does not apply.

(d) If the credit provided under this subdivision exceeds the tax liability of the corporation for the taxable year, the excess amount of the credit may be carried over to each of the 20 taxable years succeeding the taxable year. The entire amount of the credit must be carried to the earliest taxable year to which the amount may be carried. The unused portion of the credit must be carried to the following taxable year. No credit may be carried to a taxable year more than 20 years after the taxable year in which the credit was earned.

(e) If an unused portion of the credit remains at the end of the carryover period under paragraph (d), the commissioner shall refund the unused portion to the taxpayer. The provisions of this paragraph do not apply if the corporation that earned the credit under this subdivision or a successor in interest to the corporation filed for bankruptcy protection.

Subd. 28. Credit for transit passes. A taxpayer may take a credit against the tax due under this chapter equal to 30 percent of the expense incurred by the taxpayer to provide transit passes, for use in Minnesota, to employees of the taxpayer. As used in this subdivision, "transit pass" has the meaning given in section 132(f)(5)(A) of the Internal Revenue Code. If the taxpayer purchases the transit passes from the transit system operator, and resells them to the employees, the credit is based on the amount of the difference between the price paid for the passes by the employer and the amount charged to employees.

Subd. 30. Biotechnology and health science industry zone job credit. A taxpayer that is a qualified business, as defined in section 469.330, subdivision 11, is allowed a credit as determined under section 469.338 against the franchise tax imposed under section 290.06, subdivision 1, or the alternative minimum tax imposed under section 290.0921.

Subd. 31. Biotechnology and health science industry zone research and development credit. A taxpayer that is a qualified business, as defined in section 469.330, subdivision 11, is allowed a credit as determined under section 469.339 against the franchise tax imposed under section 290.06, subdivision 1, or the alternative minimum tax imposed under section 290.0921.

(b) If the amount of credit which the taxpayer is eligible to receive under this subdivision exceeds the taxpayer's tax liability under this chapter, the commissioner of revenue shall refund the excess to the taxpayer.

(c) The amount necessary to pay claims for the refund provided in this subdivision is appropriated from the general fund to the commissioner of revenue.

(d) Expenses incurred in a calendar year in which tuberculosis testing of cattle in Minnesota is not federally required are not allowed in claiming the credit under paragraph (a).

APPENDIX

Repealed Minnesota Statutes: H2323-1

For married couples filing joint returns, surviving spouses, single filers, and head of household filers, the credit amount is \$25. For married individuals filing separate returns, the credit amount is \$12.50. To qualify, the individual's taxable net income for the taxable year must not exceed the maximum amount for the individual's filing status, adjusted as provided in subdivision 2d, that is taxable at the lowest rate under subdivision 2c. For individuals with taxable net income that exceeds the amount of income taxable for the individual's filing status at the lowest rate under subdivision 2c, adjusted as provided in subdivision 2d, the credit amount is zero. For a nonresident or part-year resident, the credit must be allocated based on the percentage calculated under subdivision 2c, paragraph (e).

(b) If the amount of the credit which the individual is eligible to receive under this subdivision exceeds the individual's liability for tax under this chapter, the commissioner of revenue shall refund the excess.

(c) The amount necessary to pay claims for the refund provided in this section is appropriated from the general fund to the commissioner.

290.067 DEPENDENT CARE CREDIT.

Subdivision 1. **Amount of credit.** (a) A taxpayer may take as a credit against the tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to the dependent care credit for which the taxpayer is eligible pursuant to the provisions of section 21 of the Internal Revenue Code subject to the limitations provided in subdivision 2 except that in determining whether the child qualified as a dependent, income received as a Minnesota family investment program grant or allowance to or on behalf of the child must not be taken into account in determining whether the child received more than half of the child's support from the taxpayer, and the provisions of section 32(b)(1)(D) of the Internal Revenue Code do not apply.

(b) If a child who has not attained the age of six years at the close of the taxable year is cared for at a licensed family day care home operated by the child's parent, the taxpayer is deemed to have paid employment-related expenses. If the child is 16 months old or younger at the close of the taxable year, the amount of expenses deemed to have been paid equals the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code. If the child is older than 16 months of age but has not attained the age of six years at the close of the taxable year, the amount of expenses deemed to have been paid equals the amount the licensee would charge for the care of a child of the same age for the same number of hours of care.

(c) If a married couple:

- (1) has a child who has not attained the age of one year at the close of the taxable year;
- (2) files a joint tax return for the taxable year; and

(3) does not participate in a dependent care assistance program as defined in section 129 of the Internal Revenue Code, in lieu of the actual employment related expenses paid for that child under paragraph (a) or the deemed amount under paragraph (b), the lesser of (i) the combined earned income of the couple or (ii) the amount of the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code will be deemed to be the employment related expense paid for that child. The earned income limitation of section 21(d) of the Internal Revenue Code shall not apply to this deemed amount. These deemed amounts apply regardless of whether any employment-related expenses have been paid.

(d) If the taxpayer is not required and does not file a federal individual income tax return for the tax year, no credit is allowed for any amount paid to any person unless:

(1) the name, address, and taxpayer identification number of the person are included on the return claiming the credit; or

(2) if the person is an organization described in section 501(c)(3) of the Internal Revenue Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name and address of the person are included on the return claiming the credit.

In the case of a failure to provide the information required under the preceding sentence, the preceding sentence does not apply if it is shown that the taxpayer exercised due diligence in attempting to provide the information required.

In the case of a nonresident, part-year resident, or a person who has earned income not subject to tax under this chapter including earned income excluded pursuant to section 290.01, subdivision 19b, clause (10) or (16), the credit determined under section 21 of the Internal Revenue Code must be allocated based on the ratio by which the earned income of the claimant and the claimant's spouse from Minnesota sources bears to the total earned income of the claimant and the claimant's spouse.

APPENDIX

Repealed Minnesota Statutes: H2323-1

For residents of Minnesota, the subtractions for military pay under section 290.01, subdivision 19b, clauses (11) and (12), are not considered "earned income not subject to tax under this chapter."

For residents of Minnesota, the exclusion of combat pay under section 112 of the Internal Revenue Code is not considered "earned income not subject to tax under this chapter."

Subd. 2. Limitations. The credit for expenses incurred for the care of each dependent shall not exceed \$720 in any taxable year, and the total credit for all dependents of a claimant shall not exceed \$1,440 in a taxable year. The maximum total credit shall be reduced according to the amount of the income of the claimant and a spouse, if any, as follows:

income up to \$18,040, \$720 maximum for one dependent, \$1,440 for all dependents;
income over \$18,040, the maximum credit for one dependent shall be reduced by \$18 for every \$350 of additional income, \$36 for all dependents.

The commissioner shall construct and make available to taxpayers tables showing the amount of the credit at various levels of income and expenses. The tables shall follow the schedule contained in this subdivision, except that the commissioner may graduate the transitions between expenses and income brackets.

Subd. 2a. Income. (a) For purposes of this section, "income" means the sum of the following:

- (1) federal adjusted gross income as defined in section 62 of the Internal Revenue Code;
- and

 - (iv) cash public assistance and relief;
 - (v) any pension or annuity (including railroad retirement benefits, all payments received under the federal Social Security Act, supplemental security income, and veterans benefits), which was not exclusively funded by the claimant or spouse, or which was funded exclusively by the claimant or spouse and which funding payments were excluded from federal adjusted gross income in the years when the payments were made;

 - (xi) contributions made by the claimant to an individual retirement account, including a qualified voluntary employee contribution; simplified employee pension plan; self-employed retirement plan; cash or deferred arrangement plan under section 401(k) of the Internal Revenue Code; or deferred compensation plan under section 457 of the Internal Revenue Code;
 - (xii) nontaxable scholarship or fellowship grants;
 - (xiii) the amount of deduction allowed under section 199 of the Internal Revenue Code; and
 - (xiv) the amount of deduction allowed under section 220 or 223 of the Internal Revenue Code.

In the case of an individual who files an income tax return on a fiscal year basis, the term "federal adjusted gross income" means federal adjusted gross income reflected in the fiscal year ending in the next calendar year. Federal adjusted gross income may not be reduced by the amount of a net operating loss carryback or carryforward or a capital loss carryback or carryforward allowed for the year.

- (b) "Income" does not include:
 - (1) amounts excluded pursuant to the Internal Revenue Code, sections 101(a) and 102;

(6) restitution payments received by eligible individuals and excludable interest as defined in section 803 of the Economic Growth and Tax Relief Reconciliation Act of 2001, Public Law 107-16.

Subd. 2b. **Inflation adjustment.** The commissioner shall adjust the dollar amount of the income threshold at which the maximum credit begins to be reduced under subdivision 2 by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B) the word "1999" shall be substituted for the word "1992." For 2001, the commissioner shall then determine the percent change from the 12 months ending on August 31, 1999, to the 12 months ending on August 31, 2000, and in each subsequent year, from the 12 months ending on August 31, 1999, to the 12 months ending on August 31 of the year preceding the taxable year. The determination of the commissioner pursuant to this subdivision must not be considered a "rule" and is not subject to the Administrative Procedure Act contained in chapter 14. The threshold amount as adjusted must be rounded to the nearest \$10 amount. If the amount ends in \$5, the amount is rounded up to the nearest \$10 amount.

Subd. 3. **Credit to be refundable.** If the amount of credit which a claimant would be eligible to receive pursuant to this subdivision exceeds the claimant's tax liability under chapter 290, the excess amount of the credit shall be refunded to the claimant by the commissioner of revenue.

Subd. 4. **Right to file claim.** The right to file a claim under this section shall be personal to the claimant and shall not survive death, but such right may be exercised on behalf of a claimant by the claimant's legal guardian or attorney-in-fact. When a claimant dies after having filed a timely claim the amount thereof shall be disbursed to another member of the household as determined by the commissioner of revenue. If the claimant was the only member of a household, the claim may be paid to the claimant's personal representative, but if neither is appointed and qualified within two years of the filing of the claim, the amount of the claim shall escheat to the state.

Subdivision 1. **Definitions.** (a) For purposes of this section, the following terms have the meanings given.

(b) "Long-term care insurance" means a policy that:

Subd. 2. **Credit.** A taxpayer is allowed a credit against the tax imposed by this chapter for long-term care insurance policy premiums paid during the tax year. The credit for each policy equals 25 percent of premiums paid to the extent not deducted in determining federal taxable income. A taxpayer may claim a credit for only one policy for each qualified beneficiary. A maximum of \$100 applies to each qualified beneficiary. The maximum total credit allowed per year is \$200 for married couples filing joint returns and \$100 for all other filers. For a nonresident or part-year resident, the credit determined under this section must be allocated based on the percentage calculated under section 290.06, subdivision 2c, paragraph (e).

For purposes of this section, "qualifying child" has the meaning given in section 32(c)(3) of the Internal Revenue Code.

Subd. 2. Limitations. (a) For claimants with income not greater than \$33,500, the maximum credit allowed for a family is \$1,000 multiplied by the number of qualifying children in kindergarten through grade 12 in the family. The maximum credit for families with one qualifying child in kindergarten through grade 12 is reduced by \$1 for each \$4 of household income over \$33,500, and the maximum credit for families with two or more qualifying children in kindergarten through grade 12 is reduced by \$2 for each \$4 of household income over \$33,500, but in no case is the credit less than zero.

For purposes of this section "income" has the meaning given in section 290.067, subdivision 2a. In the case of a married claimant, a credit is not allowed unless a joint income tax return is filed.

(b) For a nonresident or part-year resident, the credit determined under subdivision 1 and the maximum credit amount in paragraph (a) must be allocated using the percentage calculated in section 290.06, subdivision 2c, paragraph (e).

Subd. 3. Reduction by alternative minimum tax liability. The amount of the credit allowed must be reduced by the amount of the taxpayer's liability under section 290.091, determined before the credit allowed by this section is subtracted from regular tax liability.

Subd. 4. Credit to be refundable. If the amount of credit that the claimant is eligible to receive under this section exceeds the claimant's tax liability under this chapter, the commissioner shall refund the excess to the claimant.

Subd. 5. Appropriation. An amount sufficient to pay the refunds required by this section is appropriated to the commissioner from the general fund.

(f) "Assignee" means a financial institution or qualifying organization that is entitled to receive payment of a refund assigned under this section.

Subd. 2. **Conditions for assignment.** A qualifying taxpayer may assign all or part of an anticipated refund for the current and future taxable years to a financial institution or a qualifying organization. A financial institution or qualifying organization accepting assignment must pay the amount secured by the assignment to a third-party vendor. The commissioner of education shall, upon request from a third-party vendor, certify that the vendor's products and services qualify for the education credit. A denial of a certification is subject to the contested case procedure under chapter 14. A financial institution or qualifying organization that accepts assignments under this section must verify as part of the assignment documentation that the product or service to be provided by the third-party vendor has been certified by the commissioner of education as qualifying for the education credit. The amount assigned for the current and future taxable years may not exceed the maximum allowable education credit for the current taxable year. Both the taxpayer and spouse must consent to the assignment of a refund from a joint return.

Subd. 3. **Consent for disclosure.** When the taxpayer applies to the financial institution or the qualifying organization for a loan to be secured by the assignment under subdivision 2, the taxpayer must sign a written consent on a form prescribed by the commissioner. The consent must authorize the commissioner to disclose to the financial institution or qualifying organization the total amount of state taxes owed or revenue recapture claims filed under chapter 270A against the taxpayer, and the total amount of outstanding assignments made by the taxpayer under this section. For a refund from a joint return, the consent must also authorize the disclosure of taxes, revenue recapture claims, and assignments relating to the taxpayer's spouse, and must be signed by the spouse. The financial institution or qualifying organization may request that the taxpayer provide a copy of the taxpayer's previous year's income tax return, if any, and may assist the taxpayer in requesting a copy of the previous year's return from the commissioner.

Subd. 4. **Consumer disclosure.** (a) A third-party vendor that receives payment of the amount secured by an assignment must comply with the requirements of this subdivision.

(b) The third-party vendor must disclose to the taxpayer, in plain language:

(1) the cost of each product or service for which the third-party vendor separately charges the taxpayer;

(2) any fees charged to the taxpayer for tax preparation services; and

(3) for qualifying low-income taxpayers, information on the availability of free tax preparation services.

(c) The third-party vendor must provide to the taxpayer executed copies of any documents signed by the taxpayer.

Subd. 5. **Filing of assignment.** The commissioner shall prescribe the form of and manner for filing an assignment of a refund under this section.

Subd. 6. **Effect of assignment.** The taxpayer may not revoke an assignment after it has been filed. The assignee must notify the commissioner if the loan secured by the assignment has been paid in full, in which case the assignment is canceled. An assignment is in effect until the amount assigned is refunded in full to the assignee, or until the assignee cancels the assignment.

Subd. 7. **Payment of refund.** When a refund assigned under this section is issued by the commissioner, the proceeds of the refund, as defined in subdivision 1, paragraph (c), must be distributed in the following order:

(1) to satisfy any delinquent tax obligations of the taxpayer which are owed to the commissioner;

(2) to claimant agencies to satisfy any revenue recapture claims filed against the taxpayer, in the order of priority of the claims set forth in section 270A.10;

(3) to assignees to satisfy assignments under this section, based on the order in time in which the commissioner received the assignments; and

(4) to the taxpayer.

Subd. 8. **Legal action.** If there is a dispute between the taxpayer and the assignee after the commissioner has remitted the taxpayer's refund to the assignee, the taxpayer's only remedy is to bring an action against the assignee in court to recover the refund. The action must be brought within two years after the commissioner remits the refund to the assignee. The commissioner may not be a party to the proceeding.

Subd. 9. **Assignments private data.** Information regarding assignments under this section is classified as private data on individuals.

(a) "Adjusted gross income" means federal adjusted gross income as used in section 22(d) of the Internal Revenue Code for the taxable year, plus a lump-sum distribution as defined in section 402(e)(3) of the Internal Revenue Code, and less any pension, annuity, or disability benefits included in federal gross income but not subject to state taxation other than the subtraction allowed under section 290.01, subdivision 19b, clause (4).

(b) "Disability income" means disability income as defined in section 22(c)(2)(B)(iii) of the Internal Revenue Code.

(c) "Nontaxable retirement and disability benefits" means the amount of pension, annuity, or disability benefits that would be included in the reduction under section 22(c)(3) of the Internal Revenue Code and pension, annuity, or disability benefits included in federal gross income but not subject to state taxation.

(d) "Qualified individual" means a qualified individual as defined in section 22(b) of the Internal Revenue Code.

Subd. 2. **Subtraction.** (a) A qualified individual is allowed a subtraction from federal taxable income of the individual's subtraction base amount. The excess of the subtraction base amount over the taxable net income computed without regard to the subtraction for the elderly or disabled under section 290.01, subdivision 19b, clause (4), may be used to reduce the amount of a lump sum distribution subject to tax under section 290.032.

(b)(1) The initial subtraction base amount equals

(i) \$12,000 for a married taxpayer filing a joint return if a spouse is a qualified individual,

(ii) \$9,600 for a single taxpayer, and

(iii) \$6,000 for a married taxpayer filing a separate federal return.

(2) The qualified individual's initial subtraction base amount, then, must be reduced by the sum of nontaxable retirement and disability benefits and one-half of the amount of adjusted gross income in excess of the following thresholds:

(i) \$18,000 for a married taxpayer filing a joint return if both spouses are qualified individuals,

(ii) \$14,500 for a single taxpayer or for a married couple filing a joint return if only one spouse is a qualified individual, and

(iii) \$9,000 for a married taxpayer filing a separate federal return.

(3) In the case of a qualified individual who is under the age of 65, the maximum amount of the subtraction base may not exceed the taxpayer's disability income.

(4) The resulting amount is the subtraction base amount.

Subd. 3. **Restrictions; married couples.** Except in the case of a husband and wife who live apart at all times during the taxable year, if the taxpayer is married at the close of the taxable year, the subtraction under subdivision 2 is allowable only if the taxpayers file joint federal and state income tax returns for the taxable year.

290.0921 CORPORATE ALTERNATIVE MINIMUM TAX AFTER 1989.

Subd. 7. **Foreign operating companies.** The income and deductions related to foreign operating companies, as defined in section 290.01, subdivision 6b, that are used to calculate Minnesota alternative minimum taxable income, are limited to the amounts included for purposes of calculating taxable income under section 290.01, subdivision 29.

290.191 APPORTIONMENT OF NET INCOME.

Subd. 4. **Apportionment formula for certain mail order businesses.** If the business of a corporation, partnership, or proprietorship consists exclusively of the selling of tangible personal property and services at retail, as defined in section 297A.61, subdivision 4, paragraph (a), in response to orders received by United States mail, telephone, facsimile, or other electronic media, and 99 percent of the taxpayer's property and payroll is within Minnesota, then the taxpayer may apportion net income to Minnesota based solely upon the percentage that the sales made within this state in connection with its trade or business during the tax period are of the total sales wherever made in connection with the trade or business during the tax period. Property and payroll factors are disregarded. In determining eligibility for this subdivision:

(1) the sale not in the ordinary course of business of tangible or intangible assets used in conducting business activities must be disregarded; and

APPENDIX

Repealed Minnesota Statutes: H2323-1

(2) property and payroll at a distribution center outside of Minnesota are disregarded if the sole activity at the distribution center is the filling of orders, and no solicitation of orders occurs at the distribution center.

290.491 TAX ON GAIN; DISCHARGE IN BANKRUPTCY.

(a) Any tax due under this chapter on a gain realized on a forced sale pursuant to foreclosure of a mortgage or other security interest in agricultural production property, other real property, or equipment, used in a farm business that was owned and operated by the taxpayer shall be a dischargeable debt in a bankruptcy proceeding under United States Code, title 11, section 727.

(b) Income realized on a sale or exchange of agricultural production property, other real property, or equipment, used in a farm business that was owned and operated by the taxpayer shall be exempt from taxation under this chapter, if the taxpayer was insolvent at the time of the sale and the proceeds of the sale were used solely to discharge indebtedness secured by a mortgage, lien, or other security interest on the property sold. For purposes of this section, "insolvent" means insolvent as defined in section 108(d)(3) of the Internal Revenue Code. This paragraph applies only to the extent that the gain is includable in federal taxable income or in the computation of the alternative minimum taxable income under section 290.091 for purposes of the alternative minimum tax. The amount of the exemption is limited to the excess of the taxpayer's (1) liabilities over (2) the total assets and any exclusion claimed under section 108 of the Internal Revenue Code determined immediately before application of this paragraph.

(c) For purposes of this section, any tax due under this chapter specifically includes, but is not limited to, tax imposed under sections 290.02 and 290.03 on income derived from a sale or exchange, whether constituting gain, discharge of indebtedness or recapture of depreciation deductions, or the alternative minimum tax imposed under section 290.091.

(b) Purchase and use of construction materials and supplies used or consumed in, and equipment incorporated into, the construction of improvements to real property in a biotechnology and health sciences industry zone are exempt if the improvements after completion of construction are to be used in the conduct of a qualified business, as defined in section 469.330. This exemption applies regardless of whether the purchases are made by the business or a contractor.

(c) The exemptions under this subdivision apply to a local sales and use tax regardless of whether the local sales tax is imposed on the sales taxable as defined under this chapter.

(d)(1) The tax on sales of goods or services exempted under this subdivision are imposed and collected as if the applicable rate under section 297A.62 applied. Upon application by the purchaser, on forms prescribed by the commissioner, a refund equal to the tax paid must be paid to the purchaser. The application must include sufficient information to permit the commissioner to verify the sales tax paid and the eligibility of the claimant to receive the credit. No more than two applications for refunds may be filed under this subdivision in a calendar year. The provisions of section 289A.40 apply to the refunds payable under this subdivision.

(2) The amount required to make the refunds is annually appropriated to the commissioner of revenue.

(3) The aggregate amount refunded to a qualified business must not exceed the amount allocated to the qualified business under section 469.335.

(e) This subdivision applies only to sales made during the duration of the designation of the zone.

Subd. 41. **International economic development zones.** (a) Purchases of tangible personal property or taxable services by a qualified business, as defined in section 469.321, are exempt if the property or services are primarily used or consumed in the international economic development zone designated under section 469.322. This exemption applies regardless of whether the purchases are made by the business or a contractor.

(c) The exemptions under this subdivision apply to a local sales and use tax, regardless of whether the local tax is imposed on sales taxable under this chapter or in another law, ordinance, or charter provision.

(d) The exemptions in this section apply to sales and purchases made after the date of final zone designation under section 469.322, paragraph (c), and before the expiration of the zone under section 469.322, paragraph (d).

(e) For purchases made for improvements to real property to be occupied by a business that has not signed a business subsidy agreement at the time of the purchase, the tax must be imposed and collected as if the rate under section 297A.62, subdivision 1, applied, and then refunded in the manner provided in section 297A.75. The taxpayer must attach to the claim for refund information sufficient for the commissioner to be able to determine that the improvements are being occupied by a business that has signed a business subsidy agreement.

469.316 INDIVIDUAL INCOME TAX EXEMPTION.

Subdivision 1. **Application.** An individual, estate, or trust operating a trade or business in a job opportunity building zone, and an individual, estate, or trust making a qualifying investment in a qualified business operating in a job opportunity building zone qualifies for the exemptions from taxes imposed under chapter 290, as provided in this section. The exemptions provided under this section apply only to the extent that the income otherwise would be taxable under chapter 290. Subtractions under this section from federal taxable income, alternative minimum taxable income, or any other base subject to tax are limited to the amount that otherwise would be included in the tax base absent the exemption under this section. This section applies only to taxable years beginning during the duration of the job opportunity building zone.

Subd. 2. **Rents.** An individual, estate, or trust is exempt from the taxes imposed under chapter 290 on net rents derived from real or tangible personal property used by a qualified business and located in a zone for a taxable year in which the zone was designated a job opportunity building zone. If tangible personal property was used both within and outside of the zone by the qualified business, the exemption amount for the net rental income must be multiplied by a fraction, the numerator of which is the number of days the property was used in the zone and the denominator of which is the total days the property is rented by the qualified business.

Subd. 3. **Business income.** An individual, estate, or trust is exempt from the taxes imposed under chapter 290 on net income from the operation of a qualified business in a job opportunity building zone. If the trade or business is carried on within and without the zone and the individual is not a resident of Minnesota, or the taxpayer is an estate or trust, the exemption must be apportioned based on the zone percentage and the relocation payroll percentage for the taxable year. If the trade or business is carried on within and without the zone and the individual is a resident of Minnesota, the exemption must be apportioned based on the zone percentage and the relocation payroll percentage for the taxable year, except the ratios under section 469.310, subdivision 7, clause (1), items (i) and (ii), must use the denominators of the property and payroll factors determined under section 290.191. No subtraction is allowed under this section in excess of 20 percent of the sum of the job opportunity building zone payroll and the adjusted basis of the property at the time that the property is first used in the job opportunity building zone by the business.

Subd. 4. **Capital gains.** (a) An individual, estate, or trust is exempt from the taxes imposed under chapter 290 on:

(1) net gain derived on a sale or exchange of real property located in the zone and used by a qualified business. If the property was held by the individual, estate, or trust during a period when the zone was not designated, the gain must be prorated based on the percentage of time, measured in calendar days, that the real property was held by the individual, estate, or trust during the period the zone designation was in effect to the total period of time the real property was held by the individual;

(2) net gain derived on a sale or exchange of tangible personal property used by a qualified business in the zone. If the property was held by the individual, estate, or trust during a period

APPENDIX

Repealed Minnesota Statutes: H2323-1

when the zone was not designated, the gain must be prorated based on the percentage of time, measured in calendar days, that the property was held by the individual, estate, or trust during the period the zone designation was in effect to the total period of time the property was held by the individual. If the tangible personal property was used outside of the zone during the period of the zone's designation, the exemption must be multiplied by a fraction, the numerator of which is the number of days the property was used in the zone during the time of the designation and the denominator of which is the total days the property was held during the time of the designation; and

(3) net gain derived on a sale of an ownership interest in a qualified business operating in the job opportunity building zone, meeting the requirements of paragraph (b). The exemption on the gain must be multiplied by the zone percentage of the business for the taxable year prior to the sale.

(b) A qualified business meets the requirements of paragraph (a), clause (3), if it is a corporation, an S corporation, or a partnership, and for the taxable year its job opportunity building zone percentage exceeds 25 percent. For purposes of paragraph (a), clause (3), the zone percentage must be calculated by modifying the ratios under section 469.310, subdivision 7, clause (1), items (i) and (ii), to use the denominators of the property and payroll factors determined under section 290.191. Upon the request of an individual, estate, or trust holding an ownership interest in the entity, the entity must certify to the owner, in writing, the job opportunity building zone percentage needed to determine the exemption.

469.317 CORPORATE FRANCHISE TAX EXEMPTION.

(a) A qualified business is exempt from taxation under section 290.02, the alternative minimum tax under section 290.0921, and the minimum fee under section 290.0922, on the portion of its income attributable to operations within the zone. This exemption is determined as follows:

(1) for purposes of the tax imposed under section 290.02, by multiplying its taxable net income by its zone percentage and by its relocation payroll percentage and subtracting the result in determining taxable income;

(2) for purposes of the alternative minimum tax under section 290.0921, by multiplying its alternative minimum taxable income by its zone percentage and by its relocation payroll percentage and reducing alternative minimum taxable income by this amount; and

(3) for purposes of the minimum fee under section 290.0922, by excluding property and payroll in the zone from the computations of the fee or by exempting the entity under section 290.0922, subdivision 2, clause (7).

(b) No subtraction is allowed under this section in excess of 20 percent of the sum of the corporation's job opportunity building zone payroll and the adjusted basis of the property at the time that the property is first used in the job opportunity building zone by the corporation.

(c) This section applies only to taxable years beginning during the duration of the job opportunity building zone.

(ii) the ratio of the taxpayer's international economic development zone payroll factor under subdivision 9 over the payroll factor numerator determined under section 290.191; and

(2) the denominator of the fraction is two.

When calculating the zone percentage for a business that is part of a unitary business as defined under section 290.17, subdivision 4, the denominator of the payroll and property factors is the Minnesota payroll and property of the unitary business as reported on the combined report under section 290.17, subdivision 4, paragraph (j).

- (2) estimate the amount of time needed to achieve profitability; and
- (3) analyze the length of time incentives will be necessary to the economic viability of the regional distribution center.

If the governing body of the foreign trade authority determines that the models do not establish the economic feasibility of the project, the regional distribution center does not meet the development requirements of this section and section 469.322.

Subd. 3. **Port authority powers.** The governing body of the foreign trade zone authority may establish a port authority that has the same powers as a port authority established under section 469.049. Any amount repaid to the state must be deposited in the general fund. Any amount repaid to the county for the property tax exemption must be distributed to the local governments with authority to levy taxes in the zone in the same manner provided for distribution of payment of delinquent property taxes. Any repayment of local sales or use taxes must be repaid to the jurisdiction imposing the local sales or use tax.

Subd. 3. **Repayment procedures.** (a) For the repayment of taxes imposed under chapter 290 or 297A or local taxes collected pursuant to section 297A.99, a person must file an amended return with the commissioner of revenue and pay any taxes required to be repaid within 30 days after ceasing to be a qualified business. The amount required to be repaid is determined by calculating the tax for the period for which repayment is required without regard to the tax reductions and credits allowed under section 469.324.

(b) For the repayment of property taxes, the county auditor shall prepare a tax statement for the person, applying the applicable tax extension rates for each payable year and provide a

copy to the business. The person must pay the taxes to the county treasurer within 30 days after receipt of the tax statement. The taxpayer may appeal the valuation and determination of the property tax to the tax court within 30 days after receipt of the tax statement.

(c) The provisions of chapters 270C and 289A relating to the commissioner of revenue's authority to audit, assess, and collect the tax and to hear appeals are applicable to the repayment required under paragraphs (a) and (b). The commissioner may impose civil penalties as provided in chapter 289A, and the additional tax and penalties are subject to interest at the rate provided in section 270C.40, from 30 days after ceasing to do business in the zone until the date the tax is paid.

(d) If a property tax is not repaid under paragraph (c), the county treasurer shall add the amount required to be repaid to the property taxes assessed against the property for payment in the year following the year in which the treasurer discovers that the person ceased to operate in the international economic development zone.

(e) For determining the tax required to be repaid, a tax reduction is deemed to have been received on the date that the tax would have been due if the person had not been entitled to the tax reduction.

(f) The commissioner of revenue may assess the repayment of taxes under paragraph (d) at any time within two years after the person ceases to be a qualified business, or within any period of limitations for the assessment of tax under section 289A.38, whichever is later.

Subd. 4. Waiver authority. The commissioner of revenue may waive all or part of a repayment, if, in consultation with the foreign trade zone authority and appropriate officials from the state and local government units, including the commissioner of employment and economic development, determines that requiring repayment of the tax is not in the best interest of the state or local government and the business ceased operating as a result of circumstances beyond its control, including, but not limited to:

- (1) a natural disaster;
- (2) unforeseen industry trends; or
- (3) loss of a major supplier or customer.

Planning, may designate biotechnology and health sciences industry zones. Priority must be given to applicants with a development plan that links a higher education/research institution with a biotechnology and health sciences industry facility.

(b) The commissioner may consult with the applicant prior to the designation of the zone. The commissioner may modify the development plan, including the boundaries of the zone or subzones, if in the commissioner's opinion a modified plan would better meet the objectives of the biotechnology and health sciences industry zone program. The commissioner shall notify the applicant of the modifications and provide a statement of the reasons for the modifications.

Subd. 2. Need indicators. (a) In evaluating applications to determine the need for designation of a biotechnology and health sciences industry zone, the commissioner shall consider the following factors as indicators of need:

(1) the extent to which land in proximity to a significant scientific research institution could be developed as a higher and better use for biotechnology and health sciences industry facilities;

(2) the amount of property in or near the zone that is deteriorated or underutilized; and

(3) the extent to which property in the area would remain underdeveloped or nonperforming due to physical characteristics.

(b) The commissioner may require applicants to provide data to demonstrate how the area meets one or more of the indicators of need.

Subd. 3. Success indicators. In determining the likelihood of success of a proposed zone, the commissioner shall consider:

(1) applicants that show a viable link between a higher education/research institution, the biotechnology and/or medical devices business sectors, and one or more units of local government with a development plan;

(2) the extent to which the area has substantial real property with adequate infrastructure and energy to support new or expanded development;

(8) how the regulatory burden will be eased for biotechnology and health sciences industry facilities located in the proposed zone;

(9) proposals to establish and link job creation and job training in the biotechnology and health sciences industry with research/educational institutions; and

(10) the extent to which the development is directed at encouraging, and that designation of the zone is likely to result in, the creation of high-paying jobs.

Subd. 4. Designation schedule. (a) The schedule in paragraphs (b) to (e) applies to the designation of the first biotechnology and health sciences industry zone.

(b) The commissioner shall publish the form for applications and any procedural, form, or content requirements for applications by no later than August 1, 2003. The commissioner may publish these requirements on the Internet, in the State Register, or by any other means the commissioner determines appropriate to disseminate the information to potential applicants for designation.

(e) The designation of the zones takes effect January 1, 2004.

(f) Additional zones may be designated in later years, only after the commissioner of employment and economic development has established criteria for expanding the number of zones. The criteria must limit designating a new zone to a community that has adequate resources and infrastructure to support bioindustry, including postsecondary institutions, strong health care systems, and existing bioscience companies. It must also require that a new zone be located on a transportation corridor.

469.335 APPLICATION FOR TAX BENEFITS.

(a) To claim a tax credit or exemption against a state tax under section 469.336, a business must apply to the commissioner for a tax credit certificate. As a condition of its application,

APPENDIX

the business must agree to furnish information to the commissioner that is sufficient to verify the eligibility for any credits or exemptions claimed. The total amount of the state tax credits and exemptions allowed for the specified period may not exceed the amount of the tax credit certificates provided by the commissioner to the business. The commissioner must verify to the commissioner of revenue the amount of tax exemptions or credits for which each business is eligible.

(1) received tax reductions authorized by section 469.336; and

(2)(i) did not meet the goals specified in an agreement entered into with the applicant that states any obligation the qualified business must fulfill in order to be eligible for tax benefits. (a) For the repayment of taxes imposed under chapter 290 or 297A or local taxes collected pursuant to section 297A.99, a business must file an amended return with the commissioner of revenue and pay any taxes required to be repaid within 30 days after ceasing to do business in the zone. The amount required to be repaid is determined by calculating the tax for the period or periods for which repayment is required without regard to the exemptions and credits allowed under section 469.336.

(b) For the repayment of property taxes, the county auditor shall prepare a tax statement for the business, applying the applicable tax extension rates for each payable year and provide a copy to the business. The business must pay the taxes to the county treasurer within 30 days after receipt of the tax statement. The taxpayer may appeal the valuation and determination of the property tax to the Tax Court within 30 days after receipt of the tax statement.

(c) The provisions of chapters 270C and 289A relating to the commissioner's authority to audit, assess, and collect the tax and to hear appeals are applicable to the repayment required under paragraph (a). The commissioner may impose civil penalties as provided in chapter 289A, and the additional tax and penalties are subject to interest at the rate provided in section 270C.40, from 30 days after ceasing to do business in the biotechnology and health sciences industry zone until the date the tax is paid.

(d) If a property tax is not repaid under paragraph (b), the county treasurer shall add the amount required to be repaid to the property taxes assessed against the property for payment in the year following the year in which the treasurer discovers that the business ceased to operate in the biotechnology and health sciences industry zone.

(e) For determining the tax required to be repaid, a tax reduction is deemed to have been received on the date that the tax would have been due if the taxpayer had not been entitled to the exemption, or on the date a refund was issued for a refundable credit.

(f) The commissioner may assess the repayment of taxes under paragraph (c) any time within two years after the business ceases to operate in the biotechnology and health sciences industry zone, or within any period of limitations for the assessment of tax under section 289A.38, whichever period is later.

- (2) unforeseen industry trends; or
- (3) loss of a major supplier or customer.

(b) A county's tax-base equalization aid factor is equal to the amount by which (i) \$185 times the county's population, exceeds (ii) 9.45 percent of the county's net tax capacity.

(c) In the case of a county with a population less than 10,000, the factor determined in paragraph (b) shall be multiplied by a factor of three.

(d) In the case of a county with a population greater than or equal to 10,000, but less than 12,500, the factor determined in paragraph (b) shall be multiplied by a factor of two.

(e) In the case of a county with a population greater than 500,000, the factor determined in paragraph (b) shall be multiplied by a factor of 0.25.

(f) Before the money appropriated to county base equalization aid is apportioned among the counties as provided in paragraph (a), an amount up to \$73,259 is allocated annually to Anoka County and up to \$59,664 is annually allocated to Washington County for the county to pay postretirement costs of health insurance premiums for court employees. The allocation under this paragraph is in addition to the allocations under paragraphs (a) to (e).
