2.8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

2.9 **ARTICLE 1**

2.10 **DHS LICENSING**

2.11 Section 1. Minnesota Statutes 2009 Supplement, section 245C.27, subdivision 1, is
2.12 amended to read:

2.13 Subdivision 1. **Fair hearing when disqualification is not ~~set aside~~ rescinded.** (a)
2.14 If the commissioner does not ~~set aside~~ rescind a disqualification of an individual under
2.15 section 245C.22 who is disqualified on the basis of a preponderance of evidence that the
2.16 individual committed an act or acts that meet the definition of any of the crimes listed in
2.17 section 245C.15; for a determination under section 626.556 or 626.557 of substantiated
2.18 maltreatment that was serious or recurring under section 245C.15; or for failure to make
2.19 required reports under section 626.556, subdivision 3; or 626.557, subdivision 3, pursuant
2.20 to section 245C.15, subdivision 4, paragraph (b), clause (1), the individual may request
2.21 a fair hearing under section 256.045, unless the disqualification is deemed conclusive
2.22 under section 245C.29.

2.23 (b) The fair hearing is the only administrative appeal of the final agency
2.24 determination for purposes of appeal by the disqualified individual. The disqualified
2.25 individual does not have the right to challenge the accuracy and completeness of data
2.26 under section 13.04.

2.27 (c) Except as provided under paragraph (e), if the individual was disqualified based
2.28 on a conviction of, admission to, or Alford Plea to any crimes listed in section 245C.15,
2.29 subdivisions 1 to 4, or for a disqualification under section 256.98, subdivision 8, the
2.30 reconsideration decision under section 245C.22 is the final agency determination for
2.31 purposes of appeal by the disqualified individual and is not subject to a hearing under
2.32 section 256.045. If the individual was disqualified based on a judicial determination, that
2.33 determination is treated the same as a conviction for purposes of appeal.

2.34 (d) This subdivision does not apply to a public employee's appeal of a disqualification
2.35 under section 245C.28, subdivision 3.

2.36 (e) Notwithstanding paragraph (c), if the commissioner does not set aside a
2.37 disqualification of an individual who was disqualified based on both a preponderance

3.1 of evidence and a conviction or admission, the individual may request a fair hearing
3.2 under section 256.045, unless the disqualifications are deemed conclusive under section
3.3 245C.29. The scope of the hearing conducted under section 256.045 with regard to the
3.4 disqualification based on a conviction or admission shall be limited solely to whether the
3.5 individual poses a risk of harm, according to section 256.045, subdivision 3b. In this case,
3.6 the reconsideration decision under section 245C.22 is not the final agency decision for
3.7 purposes of appeal by the disqualified individual.

3.8 Sec. 2. Minnesota Statutes 2008, section 245C.27, subdivision 2, is amended to read:

3.9 Subd. 2. **Consolidated fair hearing.** (a) If an individual who is disqualified on the
3.10 bases of serious or recurring maltreatment requests a fair hearing on the maltreatment
3.11 determination under section 626.556, subdivision 10i, or 626.557, subdivision 9d, and
3.12 requests a fair hearing under this section on the disqualification, which has not been
3.13 ~~set aside~~ rescinded, the scope of the fair hearing under section 256.045 shall include the
3.14 maltreatment determination and the disqualification.

3.15 (b) A fair hearing is the only administrative appeal of the final agency determination.
3.16 The disqualified individual does not have the right to challenge the accuracy and
3.17 completeness of data under section 13.04.

3.18 (c) This subdivision does not apply to a public employee's appeal of a disqualification
3.19 under section 245C.28, subdivision 3.

3.20 Sec. 3. Minnesota Statutes 2008, section 245C.28, subdivision 3, is amended to read:

3.21 Subd. 3. **Employees of public employer.** (a) If the commissioner does not ~~set~~
3.22 ~~aside~~ rescind the disqualification of an individual who is an employee of an employer, as
3.23 defined in section 179A.03, subdivision 15, the individual may request a contested case
3.24 hearing under chapter 14, unless the disqualification is deemed conclusive under section
3.25 245C.29. The request for a contested case hearing must be made in writing and must be
3.26 postmarked and sent within 30 calendar days after the employee receives notice that the
3.27 disqualification has not been ~~set aside~~ rescinded. If the individual was disqualified based
3.28 on a conviction or admission to any crimes listed in section 245C.15, the scope of the
3.29 contested case hearing shall be limited solely to whether the individual poses a risk of
3.30 harm pursuant to section 245C.22.

3.31 (b) If the commissioner does not ~~set aside~~ rescind a disqualification that is based on
3.32 a maltreatment determination, the scope of the contested case hearing must include the
3.33 maltreatment determination and the disqualification. In such cases, a fair hearing must
3.34 not be conducted under section 256.045.

4.1 (c) If the commissioner does not rescind a disqualification that is based on a
 4.2 preponderance of evidence that the individual committed an act or acts that meet the
 4.3 definition of any of the crimes listed in section 245C.15, the scope of the contested case
 4.4 hearing must include the disqualification decision. In such cases, a fair hearing must
 4.5 not be conducted under section 256.045.

4.6 ~~(c)~~ (d) Rules adopted under this chapter may not preclude an employee in a contested
 4.7 case hearing for a disqualification from submitting evidence concerning information
 4.8 gathered under this chapter.

4.9 ~~(d)~~ (e) When an individual has been disqualified from multiple licensed programs
 4.10 and the disqualifications have not been ~~set aside~~ rescinded under section 245C.22, if at
 4.11 least one of the disqualifications entitles the person to a contested case hearing under this
 4.12 subdivision, the scope of the contested case hearing shall include all disqualifications from
 4.13 licensed programs which were not ~~set aside~~ rescinded.

4.14 ~~(e)~~ (f) In determining whether the disqualification should be set aside, the
 4.15 administrative law judge shall consider all of the characteristics that cause the individual
 4.16 to be disqualified in order to determine whether the individual poses a risk of harm. The
 4.17 administrative law judge's recommendation and the commissioner's order to set aside
 4.18 a disqualification that is the subject of the hearing constitutes a determination that the
 4.19 individual does not pose a risk of harm and that the individual may provide direct contact
 4.20 services in the individual program specified in the set aside.

4.21 Sec. 4. Minnesota Statutes 2009 Supplement, section 256.045, subdivision 3, is
 4.22 amended to read:

4.23 Subd. 3. **State agency hearings.** (a) State agency hearings are available for the
 4.24 following:

4.25 (1) any person applying for, receiving or having received public assistance, medical
 4.26 care, or a program of social services granted by the state agency or a county agency or
 4.27 the federal Food Stamp Act whose application for assistance is denied, not acted upon
 4.28 with reasonable promptness, or whose assistance is suspended, reduced, terminated, or
 4.29 claimed to have been incorrectly paid;

4.30 (2) any patient or relative aggrieved by an order of the commissioner under section
 4.31 252.27;

4.32 (3) a party aggrieved by a ruling of a prepaid health plan;

4.33 (4) except as provided under chapter 245C, any individual or facility determined by
 4.34 a lead agency to have maltreated a vulnerable adult under section 626.557 after they have
 4.35 exercised their right to administrative reconsideration under section 626.557;

- 5.1 (5) any person whose claim for foster care payment according to a placement of the
5.2 child resulting from a child protection assessment under section 626.556 is denied or not
5.3 acted upon with reasonable promptness, regardless of funding source;
- 5.4 (6) any person to whom a right of appeal according to this section is given by other
5.5 provision of law;
- 5.6 (7) an applicant aggrieved by an adverse decision to an application for a hardship
5.7 waiver under section 256B.15;
- 5.8 (8) an applicant aggrieved by an adverse decision to an application or redetermination
5.9 for a Medicare Part D prescription drug subsidy under section 256B.04, subdivision 4a;
- 5.10 (9) except as provided under chapter 245A, an individual or facility determined
5.11 to have maltreated a minor under section 626.556, after the individual or facility has
5.12 exercised the right to administrative reconsideration under section 626.556;
- 5.13 (10) except as provided under chapter 245C, an individual disqualified under
5.14 sections 245C.14 and 245C.15, which has not been ~~set aside~~ rescinded under sections
5.15 245C.22 and 245C.23, on the basis of serious or recurring maltreatment; a preponderance
5.16 of the evidence that the individual has committed an act or acts that meet the definition
5.17 of any of the crimes listed in section 245C.15, subdivisions 1 to 4; or for failing to make
5.18 reports required under section 626.556, subdivision 3, or 626.557, subdivision 3. Hearings
5.19 regarding a maltreatment determination under clause (4) or (9) and a disqualification under
5.20 this clause in which the basis for a disqualification is serious or recurring maltreatment,
5.21 which has not been ~~set aside~~ rescinded under sections 245C.22 and 245C.23, shall be
5.22 consolidated into a single fair hearing. In such cases, the scope of review by the human
5.23 services referee shall include both the maltreatment determination and the disqualification.
5.24 The failure to exercise the right to an administrative reconsideration shall not be a bar to a
5.25 hearing under this section if federal law provides an individual the right to a hearing to
5.26 dispute a finding of maltreatment. Individuals and organizations specified in this section
5.27 may contest the specified action, decision, or final disposition before the state agency by
5.28 submitting a written request for a hearing to the state agency within 30 days after receiving
5.29 written notice of the action, decision, or final disposition, or within 90 days of such written
5.30 notice if the applicant, recipient, patient, or relative shows good cause why the request
5.31 was not submitted within the 30-day time limit; or
- 5.32 (11) any person with an outstanding debt resulting from receipt of public assistance,
5.33 medical care, or the federal Food Stamp Act who is contesting a setoff claim by the
5.34 Department of Human Services or a county agency. The scope of the appeal is the validity
5.35 of the claimant agency's intention to request a setoff of a refund under chapter 270A
5.36 against the debt.

6.1 (b) The hearing for an individual or facility under paragraph (a), clause (4), (9), or
6.2 (10), is the only administrative appeal to the final agency determination specifically,
6.3 including a challenge to the accuracy and completeness of data under section 13.04.
6.4 Hearings requested under paragraph (a), clause (4), apply only to incidents of maltreatment
6.5 that occur on or after October 1, 1995. Hearings requested by nursing assistants in nursing
6.6 homes alleged to have maltreated a resident prior to October 1, 1995, shall be held as a
6.7 contested case proceeding under the provisions of chapter 14. Hearings requested under
6.8 paragraph (a), clause (9), apply only to incidents of maltreatment that occur on or after
6.9 July 1, 1997. A hearing for an individual or facility under paragraph (a), clause (9), is
6.10 only available when there is no juvenile court or adult criminal action pending. If such
6.11 action is filed in either court while an administrative review is pending, the administrative
6.12 review must be suspended until the judicial actions are completed. If the juvenile court
6.13 action or criminal charge is dismissed or the criminal action overturned, the matter may be
6.14 considered in an administrative hearing.

6.15 (c) For purposes of this section, bargaining unit grievance procedures are not an
6.16 administrative appeal.

6.17 (d) The scope of hearings involving claims to foster care payments under paragraph
6.18 (a), clause (5), shall be limited to the issue of whether the county is legally responsible
6.19 for a child's placement under court order or voluntary placement agreement and, if so,
6.20 the correct amount of foster care payment to be made on the child's behalf and shall not
6.21 include review of the propriety of the county's child protection determination or child
6.22 placement decision.

6.23 (e) A vendor of medical care as defined in section 256B.02, subdivision 7, or a
6.24 vendor under contract with a county agency to provide social services is not a party and
6.25 may not request a hearing under this section, except if assisting a recipient as provided in
6.26 subdivision 4.

6.27 (f) An applicant or recipient is not entitled to receive social services beyond the
6.28 services prescribed under chapter 256M or other social services the person is eligible
6.29 for under state law.

6.30 (g) The commissioner may summarily affirm the county or state agency's proposed
6.31 action without a hearing when the sole issue is an automatic change due to a change in
6.32 state or federal law.

6.33 Sec. 5. Minnesota Statutes 2008, section 626.556, subdivision 10i, is amended to read:

6.34 Subd. 10i. **Administrative reconsideration; review panel.** (a) Administrative
6.35 reconsideration is not applicable in family assessments since no determination concerning

7.1 maltreatment is made. For investigations, except as provided under paragraph (e), an
7.2 individual or facility that the commissioner of human services, a local social service
7.3 agency, or the commissioner of education determines has maltreated a child, an interested
7.4 person acting on behalf of the child, regardless of the determination, who contests
7.5 the investigating agency's final determination regarding maltreatment, may request the
7.6 investigating agency to reconsider its final determination regarding maltreatment. The
7.7 request for reconsideration must be submitted in writing to the investigating agency within
7.8 15 calendar days after receipt of notice of the final determination regarding maltreatment
7.9 or, if the request is made by an interested person who is not entitled to notice, within
7.10 15 days after receipt of the notice by the parent or guardian of the child. If mailed, the
7.11 request for reconsideration must be postmarked and sent to the investigating agency
7.12 within 15 calendar days of the individual's or facility's receipt of the final determination. If
7.13 the request for reconsideration is made by personal service, it must be received by the
7.14 investigating agency within 15 calendar days after the individual's or facility's receipt of the
7.15 final determination. Effective January 1, 2002, an individual who was determined to have
7.16 maltreated a child under this section and who was disqualified on the basis of serious or
7.17 recurring maltreatment under sections 245C.14 and 245C.15, may request reconsideration
7.18 of the maltreatment determination and the disqualification. The request for reconsideration
7.19 of the maltreatment determination and the disqualification must be submitted within 30
7.20 calendar days of the individual's receipt of the notice of disqualification under sections
7.21 245C.16 and 245C.17. If mailed, the request for reconsideration of the maltreatment
7.22 determination and the disqualification must be postmarked and sent to the investigating
7.23 agency within 30 calendar days of the individual's receipt of the maltreatment
7.24 determination and notice of disqualification. If the request for reconsideration is made by
7.25 personal service, it must be received by the investigating agency within 30 calendar days
7.26 after the individual's receipt of the notice of disqualification.

7.27 (b) Except as provided under paragraphs (e) and (f), if the investigating agency
7.28 denies the request or fails to act upon the request within 15 working days after receiving
7.29 the request for reconsideration, the person or facility entitled to a fair hearing under section
7.30 256.045 may submit to the commissioner of human services or the commissioner of
7.31 education a written request for a hearing under that section. Section 256.045 also governs
7.32 hearings requested to contest a final determination of the commissioner of education. For
7.33 reports involving maltreatment of a child in a facility, an interested person acting on behalf
7.34 of the child may request a review by the Child Maltreatment Review Panel under section
7.35 256.022 if the investigating agency denies the request or fails to act upon the request or
7.36 if the interested person contests a reconsidered determination. The investigating agency

8.1 shall notify persons who request reconsideration of their rights under this paragraph.
8.2 The request must be submitted in writing to the review panel and a copy sent to the
8.3 investigating agency within 30 calendar days of receipt of notice of a denial of a request
8.4 for reconsideration or of a reconsidered determination. The request must specifically
8.5 identify the aspects of the agency determination with which the person is dissatisfied.

8.6 (c) If, as a result of a reconsideration or review, the investigating agency changes
8.7 the final determination of maltreatment, that agency shall notify the parties specified in
8.8 subdivisions 10b, 10d, and 10f.

8.9 (d) Except as provided under paragraph (f), if an individual or facility contests the
8.10 investigating agency's final determination regarding maltreatment by requesting a fair
8.11 hearing under section 256.045, the commissioner of human services shall assure that the
8.12 hearing is conducted and a decision is reached within 90 days of receipt of the request for
8.13 a hearing. The time for action on the decision may be extended for as many days as the
8.14 hearing is postponed or the record is held open for the benefit of either party.

8.15 (e) ~~Effective January 1, 2002,~~ If an individual was disqualified under sections
8.16 245C.14 and 245C.15, on the basis of a determination of maltreatment, which was
8.17 serious or recurring, and the individual has requested reconsideration of the maltreatment
8.18 determination under paragraph (a) and requested reconsideration of the disqualification
8.19 under sections 245C.21 to 245C.27, reconsideration of the maltreatment determination and
8.20 reconsideration of the disqualification shall be consolidated into a single reconsideration.
8.21 If reconsideration of the maltreatment determination is denied or the disqualification is not
8.22 ~~set aside~~ rescinded under sections 245C.21 to 245C.27, the individual may request a fair
8.23 hearing under section 256.045. If an individual requests a fair hearing on the maltreatment
8.24 determination and the disqualification, the scope of the fair hearing shall include both the
8.25 maltreatment determination and the disqualification.

8.26 (f) ~~Effective January 1, 2002,~~ If a maltreatment determination or a disqualification
8.27 based on serious or recurring maltreatment is the basis for a denial of a license under
8.28 section 245A.05 or a licensing sanction under section 245A.07, the license holder has the
8.29 right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505
8.30 to 1400.8612. As provided for under section 245A.08, subdivision 2a, the scope of the
8.31 contested case hearing shall include the maltreatment determination, disqualification,
8.32 and licensing sanction or denial of a license. In such cases, a fair hearing regarding
8.33 the maltreatment determination and disqualification shall not be conducted under
8.34 section 256.045. Except for family child care and child foster care, reconsideration of a
8.35 maltreatment determination as provided under this subdivision, and reconsideration of a
8.36 disqualification as provided under section 245C.22, shall also not be conducted when:

9.1 (1) a denial of a license under section 245A.05 or a licensing sanction under section
9.2 245A.07, is based on a determination that the license holder is responsible for maltreatment
9.3 or the disqualification of a license holder based on serious or recurring maltreatment;

9.4 (2) the denial of a license or licensing sanction is issued at the same time as the
9.5 maltreatment determination or disqualification; and

9.6 (3) the license holder appeals the maltreatment determination or disqualification, and
9.7 denial of a license or licensing sanction.

9.8 Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment
9.9 determination or disqualification, but does not appeal the denial of a license or a licensing
9.10 sanction, reconsideration of the maltreatment determination shall be conducted under
9.11 sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of the
9.12 disqualification shall be conducted under section 245C.22. In such cases, a fair hearing
9.13 shall also be conducted as provided under sections 245C.27, 626.556, subdivision 10i, and
9.14 626.557, subdivision 9d.

9.15 If the disqualified subject is an individual other than the license holder and upon
9.16 whom a background study must be conducted under chapter 245C, the hearings of all
9.17 parties may be consolidated into a single contested case hearing upon consent of all parties
9.18 and the administrative law judge.

9.19 (g) For purposes of this subdivision, "interested person acting on behalf of the
9.20 child" means a parent or legal guardian; stepparent; grandparent; guardian ad litem; adult
9.21 stepbrother, stepsister, or sibling; or adult aunt or uncle; unless the person has been
9.22 determined to be the perpetrator of the maltreatment.

9.23 Sec. 6. Minnesota Statutes 2008, section 626.557, subdivision 9d, is amended to read:

9.24 Subd. 9d. **Administrative reconsideration; review panel.** (a) Except as provided
9.25 under paragraph (e), any individual or facility which a lead agency determines has
9.26 maltreated a vulnerable adult, or the vulnerable adult or an interested person acting on
9.27 behalf of the vulnerable adult, regardless of the lead agency's determination, who contests
9.28 the lead agency's final disposition of an allegation of maltreatment, may request the
9.29 lead agency to reconsider its final disposition. The request for reconsideration must be
9.30 submitted in writing to the lead agency within 15 calendar days after receipt of notice of
9.31 final disposition or, if the request is made by an interested person who is not entitled to
9.32 notice, within 15 days after receipt of the notice by the vulnerable adult or the vulnerable
9.33 adult's legal guardian. If mailed, the request for reconsideration must be postmarked and
9.34 sent to the lead agency within 15 calendar days of the individual's or facility's receipt of
9.35 the final disposition. If the request for reconsideration is made by personal service, it must

10.1 be received by the lead agency within 15 calendar days of the individual's or facility's
10.2 receipt of the final disposition. An individual who was determined to have maltreated a
10.3 vulnerable adult under this section and who was disqualified on the basis of serious or
10.4 recurring maltreatment under sections 245C.14 and 245C.15, may request reconsideration
10.5 of the maltreatment determination and the disqualification. The request for reconsideration
10.6 of the maltreatment determination and the disqualification must be submitted in writing
10.7 within 30 calendar days of the individual's receipt of the notice of disqualification
10.8 under sections 245C.16 and 245C.17. If mailed, the request for reconsideration of
10.9 the maltreatment determination and the disqualification must be postmarked and sent
10.10 to the lead agency within 30 calendar days of the individual's receipt of the notice of
10.11 disqualification. If the request for reconsideration is made by personal service, it must be
10.12 received by the lead agency within 30 calendar days after the individual's receipt of the
10.13 notice of disqualification.

10.14 (b) Except as provided under paragraphs (e) and (f), if the lead agency denies the
10.15 request or fails to act upon the request within 15 working days after receiving the request
10.16 for reconsideration, the person or facility entitled to a fair hearing under section 256.045,
10.17 may submit to the commissioner of human services a written request for a hearing
10.18 under that statute. The vulnerable adult, or an interested person acting on behalf of the
10.19 vulnerable adult, may request a review by the Vulnerable Adult Maltreatment Review
10.20 Panel under section 256.021 if the lead agency denies the request or fails to act upon the
10.21 request, or if the vulnerable adult or interested person contests a reconsidered disposition.
10.22 The lead agency shall notify persons who request reconsideration of their rights under this
10.23 paragraph. The request must be submitted in writing to the review panel and a copy sent
10.24 to the lead agency within 30 calendar days of receipt of notice of a denial of a request for
10.25 reconsideration or of a reconsidered disposition. The request must specifically identify the
10.26 aspects of the agency determination with which the person is dissatisfied.

10.27 (c) If, as a result of a reconsideration or review, the lead agency changes the final
10.28 disposition, it shall notify the parties specified in subdivision 9c, paragraph (d).

10.29 (d) For purposes of this subdivision, "interested person acting on behalf of the
10.30 vulnerable adult" means a person designated in writing by the vulnerable adult to act
10.31 on behalf of the vulnerable adult, or a legal guardian or conservator or other legal
10.32 representative, a proxy or health care agent appointed under chapter 145B or 145C,
10.33 or an individual who is related to the vulnerable adult, as defined in section 245A.02,
10.34 subdivision 13.

10.35 (e) If an individual was disqualified under sections 245C.14 and 245C.15, on
10.36 the basis of a determination of maltreatment, which was serious or recurring, and

11.1 the individual has requested reconsideration of the maltreatment determination under
11.2 paragraph (a) and reconsideration of the disqualification under sections 245C.21 to
11.3 245C.27, reconsideration of the maltreatment determination and requested reconsideration
11.4 of the disqualification shall be consolidated into a single reconsideration. If reconsideration
11.5 of the maltreatment determination is denied or if the disqualification is not ~~set aside~~
11.6 rescinded under sections 245C.21 to 245C.27, the individual may request a fair hearing
11.7 under section 256.045. If an individual requests a fair hearing on the maltreatment
11.8 determination and the disqualification, the scope of the fair hearing shall include both the
11.9 maltreatment determination and the disqualification.

11.10 (f) If a maltreatment determination or a disqualification based on serious or recurring
11.11 maltreatment is the basis for a denial of a license under section 245A.05 or a licensing
11.12 sanction under section 245A.07, the license holder has the right to a contested case hearing
11.13 under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. As provided
11.14 for under section 245A.08, the scope of the contested case hearing must include the
11.15 maltreatment determination, disqualification, and licensing sanction or denial of a license.
11.16 In such cases, a fair hearing must not be conducted under section 256.045. Except for
11.17 family child care and child foster care, reconsideration of a maltreatment determination
11.18 under this subdivision, and reconsideration of a disqualification under section 245C.22,
11.19 must not be conducted when:

11.20 (1) a denial of a license under section 245A.05, or a licensing sanction under section
11.21 245A.07, is based on a determination that the license holder is responsible for maltreatment
11.22 or the disqualification of a license holder based on serious or recurring maltreatment;

11.23 (2) the denial of a license or licensing sanction is issued at the same time as the
11.24 maltreatment determination or disqualification; and

11.25 (3) the license holder appeals the maltreatment determination or disqualification, and
11.26 denial of a license or licensing sanction.

11.27 Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment
11.28 determination or disqualification, but does not appeal the denial of a license or a licensing
11.29 sanction, reconsideration of the maltreatment determination shall be conducted under
11.30 sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of the
11.31 disqualification shall be conducted under section 245C.22. In such cases, a fair hearing
11.32 shall also be conducted as provided under sections 245C.27, 626.556, subdivision 10i, and
11.33 626.557, subdivision 9d.

11.34 If the disqualified subject is an individual other than the license holder and upon
11.35 whom a background study must be conducted under chapter 245C, the hearings of all

12.1 parties may be consolidated into a single contested case hearing upon consent of all parties
12.2 and the administrative law judge.

12.3 (g) Until August 1, 2002, an individual or facility that was determined by the
12.4 commissioner of human services or the commissioner of health to be responsible for
12.5 neglect under section 626.5572, subdivision 17, after October 1, 1995, and before August
12.6 1, 2001, that believes that the finding of neglect does not meet an amended definition of
12.7 neglect may request a reconsideration of the determination of neglect. The commissioner
12.8 of human services or the commissioner of health shall mail a notice to the last known
12.9 address of individuals who are eligible to seek this reconsideration. The request for
12.10 reconsideration must state how the established findings no longer meet the elements of
12.11 the definition of neglect. The commissioner shall review the request for reconsideration
12.12 and make a determination within 15 calendar days. The commissioner's decision on this
12.13 reconsideration is the final agency action.

12.14 (1) For purposes of compliance with the data destruction schedule under subdivision
12.15 12b, paragraph (d), when a finding of substantiated maltreatment has been changed as
12.16 a result of a reconsideration under this paragraph, the date of the original finding of a
12.17 substantiated maltreatment must be used to calculate the destruction date.

12.18 (2) For purposes of any background studies under chapter 245C, when a
12.19 determination of substantiated maltreatment has been changed as a result of a
12.20 reconsideration under this paragraph, any prior disqualification of the individual under
12.21 chapter 245C that was based on this determination of maltreatment shall be rescinded,
12.22 and for future background studies under chapter 245C the commissioner must not use the
12.23 previous determination of substantiated maltreatment as a basis for disqualification or as a
12.24 basis for referring the individual's maltreatment history to a health-related licensing board
12.25 under section 245C.31.

14.7 legislature's original appropriation for that work, if any, and the actual reported cost of the
14.8 completed work by the Department of Human Services. The commissioner shall make
14.9 recommendations to the legislature about which studies, reports, and program evaluations
14.10 required by law are duplicative, unnecessary, or obsolete. The commissioner shall repeat

14.12 Sec. 3. Minnesota Statutes 2008, section 256.9657, subdivision 3, is amended to read:

14.13 **Subd. 3. Surcharge on HMOs and community integrated service networks.** (a)
14.14 Effective October 1, 1992, each health maintenance organization with a certificate of
14.15 authority issued by the commissioner of health under chapter 62D and each community
14.16 integrated service network licensed by the commissioner under chapter 62N shall pay to
14.17 the commissioner of human services a surcharge equal to six-tenths of one percent of the
14.18 total premium revenues of the health maintenance organization or community integrated
14.19 service network as reported to the commissioner of health according to the schedule in
14.20 subdivision 4.

14.21 (b) Effective June 1, 2010: (1) the surcharge under paragraph (a) is increased to 2.5
14.22 percent; and (2) each county-based purchasing plan authorized under section 256B.692
14.23 shall pay to the commissioner a surcharge equal to 2.5 percent of the total premium
14.24 revenues of the plan, as reported to the commissioner of health, according to the payment
14.25 schedule in subdivision 4.

14.26 (c) For purposes of this subdivision, total premium revenue means:

14.27 (1) premium revenue recognized on a prepaid basis from individuals and groups
14.28 for provision of a specified range of health services over a defined period of time which
14.29 is normally one month, excluding premiums paid to a health maintenance organization
14.30 or community integrated service network from the Federal Employees Health Benefit
14.31 Program;

14.32 (2) premiums from Medicare wrap-around subscribers for health benefits which
14.33 supplement Medicare coverage;

14.34 (3) Medicare revenue, as a result of an arrangement between a health maintenance
14.35 organization or a community integrated service network and the Centers for Medicare

15.1 and Medicaid Services of the federal Department of Health and Human Services, for
15.2 services to a Medicare beneficiary, excluding Medicare revenue that states are prohibited
15.3 from taxing under sections 1854, 1860D-12, and 1876 of title XVIII of the federal Social
15.4 Security Act, codified as United States Code, title 42, sections 1395mm, 1395w-112, and
15.5 1395w-24, respectively, as they may be amended from time to time; and

15.6 (4) medical assistance revenue, as a result of an arrangement between a health
15.7 maintenance organization or community integrated service network and a Medicaid state
15.8 agency, for services to a medical assistance beneficiary.

15.9 If advance payments are made under clause (1) or (2) to the health maintenance
15.10 organization or community integrated service network for more than one reporting period,
15.11 the portion of the payment that has not yet been earned must be treated as a liability.

15.12 ~~(c)~~ (d) When a health maintenance organization or community integrated service
15.13 network merges or consolidates with or is acquired by another health maintenance
15.14 organization or community integrated service network, the surviving corporation or the
15.15 new corporation shall be responsible for the annual surcharge originally imposed on
15.16 each of the entities or corporations subject to the merger, consolidation, or acquisition,
15.17 regardless of whether one of the entities or corporations does not retain a certificate of
15.18 authority under chapter 62D or a license under chapter 62N.

15.19 ~~(d)~~ (e) Effective July 1 of each year, the surviving corporation's or the new
15.20 corporation's surcharge shall be based on the revenues earned in the second previous
15.21 calendar year by all of the entities or corporations subject to the merger, consolidation,
15.22 or acquisition regardless of whether one of the entities or corporations does not retain a
15.23 certificate of authority under chapter 62D or a license under chapter 62N until the total
15.24 premium revenues of the surviving corporation include the total premium revenues of all
15.25 the merged entities as reported to the commissioner of health.

15.26 ~~(e)~~ (f) When a health maintenance organization or community integrated service
15.27 network, which is subject to liability for the surcharge under this chapter, transfers,
15.28 assigns, sells, leases, or disposes of all or substantially all of its property or assets, liability
15.29 for the surcharge imposed by this chapter is imposed on the transferee, assignee, or buyer
15.30 of the health maintenance organization or community integrated service network.

15.31 ~~(f)~~ (g) In the event a health maintenance organization or community integrated
15.32 service network converts its licensure to a different type of entity subject to liability
15.33 for the surcharge under this chapter, but survives in the same or substantially similar
15.34 form, the surviving entity remains liable for the surcharge regardless of whether one of
15.35 the entities or corporations does not retain a certificate of authority under chapter 62D
15.36 or a license under chapter 62N.

16.1 ~~(g)~~ (h) The surcharge assessed to a health maintenance organization or community
16.2 integrated service network ends when the entity ceases providing services for premiums
16.3 and the cessation is not connected with a merger, consolidation, acquisition, or conversion.

16.4 **EFFECTIVE DATE.** This section is effective June 1, 2010.

16.5 Sec. 4. Minnesota Statutes 2009 Supplement, section 256.969, subdivision 3a, is
16.6 amended to read:

16.7 Subd. 3a. **Payments.** (a) Acute care hospital billings under the medical
16.8 assistance program must not be submitted until the recipient is discharged. However,
16.9 the commissioner shall establish monthly interim payments for inpatient hospitals that
16.10 have individual patient lengths of stay over 30 days regardless of diagnostic category.
16.11 Except as provided in section 256.9693, medical assistance reimbursement for treatment
16.12 of mental illness shall be reimbursed based on diagnostic classifications. Individual
16.13 hospital payments established under this section and sections 256.9685, 256.9686, and
16.14 256.9695, in addition to third party and recipient liability, for discharges occurring during
16.15 the rate year shall not exceed, in aggregate, the charges for the medical assistance covered
16.16 inpatient services paid for the same period of time to the hospital. This payment limitation
16.17 shall be calculated separately for medical assistance and general assistance medical
16.18 care services. The limitation on general assistance medical care shall be effective for
16.19 admissions occurring on or after July 1, 1991. Services that have rates established under
16.20 subdivision 11 or 12, must be limited separately from other services. After consulting with
16.21 the affected hospitals, the commissioner may consider related hospitals one entity and
16.22 may merge the payment rates while maintaining separate provider numbers. The operating
16.23 and property base rates per admission or per day shall be derived from the best Medicare
16.24 and claims data available when rates are established. The commissioner shall determine
16.25 the best Medicare and claims data, taking into consideration variables of recency of the
16.26 data, audit disposition, settlement status, and the ability to set rates in a timely manner.
16.27 The commissioner shall notify hospitals of payment rates by December 1 of the year
16.28 preceding the rate year. The rate setting data must reflect the admissions data used to
16.29 establish relative values. Base year changes from 1981 to the base year established for the
16.30 rate year beginning January 1, 1991, and for subsequent rate years, shall not be limited
16.31 to the limits ending June 30, 1987, on the maximum rate of increase under subdivision
16.32 1. The commissioner may adjust base year cost, relative value, and case mix index data
16.33 to exclude the costs of services that have been discontinued by the October 1 of the year
16.34 preceding the rate year or that are paid separately from inpatient services. Inpatient stays
16.35 that encompass portions of two or more rate years shall have payments established based

17.1 on payment rates in effect at the time of admission unless the date of admission preceded
17.2 the rate year in effect by six months or more. In this case, operating payment rates for
17.3 services rendered during the rate year in effect and established based on the date of
17.4 admission shall be adjusted to the rate year in effect by the hospital cost index.

17.5 (b) For fee-for-service admissions occurring on or after July 1, 2002, the total
17.6 payment, before third-party liability and spenddown, made to hospitals for inpatient
17.7 services is reduced by .5 percent from the current statutory rates.

17.8 (c) In addition to the reduction in paragraph (b), the total payment for fee-for-service
17.9 admissions occurring on or after July 1, 2003, made to hospitals for inpatient services
17.10 before third-party liability and spenddown, is reduced five percent from the current
17.11 statutory rates. Mental health services within diagnosis related groups 424 to 432, and
17.12 facilities defined under subdivision 16 are excluded from this paragraph.

17.13 (d) In addition to the reduction in paragraphs (b) and (c), the total payment for
17.14 fee-for-service admissions occurring on or after August 1, 2005, made to hospitals for
17.15 inpatient services before third-party liability and spenddown, is reduced 6.0 percent
17.16 from the current statutory rates. Mental health services within diagnosis related groups
17.17 424 to 432 and facilities defined under subdivision 16 are excluded from this paragraph.
17.18 Notwithstanding section 256.9686, subdivision 7, for purposes of this paragraph, medical
17.19 assistance does not include general assistance medical care. Payments made to managed
17.20 care plans shall be reduced for services provided on or after January 1, 2006, to reflect
17.21 this reduction.

17.22 (e) In addition to the reductions in paragraphs (b), (c), and (d), the total payment for
17.23 fee-for-service admissions occurring on or after July 1, 2008, through June 30, 2009, made
17.24 to hospitals for inpatient services before third-party liability and spenddown, is reduced
17.25 3.46 percent from the current statutory rates. Mental health services with diagnosis related
17.26 groups 424 to 432 and facilities defined under subdivision 16 are excluded from this
17.27 paragraph. Payments made to managed care plans shall be reduced for services provided
17.28 on or after January 1, 2009, through June 30, 2009, to reflect this reduction.

17.29 (f) In addition to the reductions in paragraphs (b), (c), and (d), the total payment for
17.30 fee-for-service admissions occurring on or after July 1, 2009, through June 30, 2010, made
17.31 to hospitals for inpatient services before third-party liability and spenddown, is reduced
17.32 1.9 percent from the current statutory rates. Mental health services with diagnosis related
17.33 groups 424 to 432 and facilities defined under subdivision 16 are excluded from this
17.34 paragraph. Payments made to managed care plans shall be reduced for services provided
17.35 on or after July 1, 2009, through June 30, 2010, to reflect this reduction.

18.1 (g) In addition to the reductions in paragraphs (b), (c), and (d), the total payment
18.2 for fee-for-service admissions occurring on or after July 1, 2010, made to hospitals for
18.3 inpatient services before third-party liability and spenddown, is reduced 1.79 percent
18.4 from the current statutory rates. Mental health services with diagnosis related groups
18.5 424 to 432 and facilities defined under subdivision 16 are excluded from this paragraph.
18.6 Payments made to managed care plans shall be reduced for services provided on or after
18.7 July 1, 2010, to reflect this reduction.

18.8 (h) In addition to the reductions in paragraphs (b), (c), (d), (f), and (g), the total
18.9 payment for fee-for-service admissions occurring on or after July 1, 2009, made to
18.10 hospitals for inpatient services before third-party liability and spenddown, is reduced
18.11 one percent from the current statutory rates. Facilities defined under subdivision 16 are
18.12 excluded from this paragraph. Payments made to managed care plans shall be reduced for
18.13 services provided on or after October 1, 2009, to reflect this reduction.

18.14 (i) In addition to the reductions in paragraphs (b), (c), (d), (g), and (h), the total
18.15 payment for fee-for-service admissions occurring on or after July 1, 2011, made to

23.6 the fixed dispensing fee; or the usual and customary price charged to the public. The
23.7 amount of payment basis must be reduced to reflect all discount amounts applied to the
23.8 charge by any provider/insurer agreement or contract for submitted charges to medical
23.9 assistance programs. The net submitted charge may not be greater than the patient liability
23.10 for the service. The pharmacy dispensing fee shall be \$3.65, except that the dispensing fee
23.11 for intravenous solutions which must be compounded by the pharmacist shall be \$8 per
23.12 bag, \$14 per bag for cancer chemotherapy products, and \$30 per bag for total parenteral
23.13 nutritional products dispensed in one liter quantities, or \$44 per bag for total parenteral
23.14 nutritional products dispensed in quantities greater than one liter. Actual acquisition cost
23.15 includes quantity and other special discounts except time and cash discounts. Effective
23.16 ~~July 1, 2009~~ July 1, 2010, the actual acquisition cost of a drug shall be estimated by the
23.17 commissioner, at average wholesale price minus ~~15~~ 12.5 percent or wholesale acquisition
23.18 cost plus 5.0 percent, whichever is lower. The actual acquisition cost of antihemophilic
23.19 factor drugs shall be estimated at the average wholesale price minus ~~30~~ 28.12 percent or
23.20 wholesale acquisition cost minus 13.76 percent, whichever is lower. Average wholesale
23.21 price is defined as the price for a drug product listed as the average wholesale price in the
23.22 commissioner's primary reference source. Wholesale acquisition cost is defined as the
23.23 manufacturer's list price for a drug or biological to wholesalers or direct purchasers in the
23.24 United States, not including prompt pay or other discounts, rebates, or reductions in price,
23.25 for the most recent month for which information is available, as reported in wholesale price
23.26 guides or other publications of drug or biological pricing data. The maximum allowable
23.27 cost of a multisource drug may be set by the commissioner and it shall be comparable to,
23.28 but no higher than, the maximum amount paid by other third-party payors in this state who
23.29 have maximum allowable cost programs. Establishment of the amount of payment for
23.30 drugs shall not be subject to the requirements of the Administrative Procedure Act.

23.31 (b) An additional dispensing fee of \$.30 may be added to the dispensing fee paid

24.5 manufacturer's unopened package. The commissioner may permit the drug clozapine to be
24.6 dispensed in a quantity that is less than a 30-day supply.

24.7 (c) Whenever a generically equivalent product is available, payment shall be on the
24.8 basis of the actual acquisition cost of the generic drug, or on the maximum allowable cost
24.9 established by the commissioner.

24.10 (d) The basis for determining the amount of payment for drugs administered in an
24.11 outpatient setting shall be the lower of the usual and customary cost submitted by the
24.12 provider or the amount established for Medicare by the United States Department of
24.13 Health and Human Services pursuant to title XVIII, section 1847a of the federal Social
24.14 Security Act.

24.26 commissioner shall consult with the formulary committee to develop a list of specialty
24.27 pharmacy products subject to this paragraph. In consulting with the formulary committee
24.28 in developing this list, the commissioner shall take into consideration the population
24.29 served by specialty pharmacy products, the current delivery system and standard of care in
24.30 the state, and access to care issues. The commissioner shall have the discretion to adjust
24.31 the reimbursement rate to prevent access to care issues.

25.10 provided by an enrolled health care provider during the course of providing a direct,
25.11 person-to-person covered health care service to an enrolled recipient with limited English
25.12 proficiency or who has a hearing loss and uses interpreting services. Coverage for oral

25.34 charges or 70 percent of the statewide average for a facility payment rate made to a

26.1 hospital for an uncomplicated vaginal birth as determined using the most recent calendar
26.2 year for which complete claims data is available. If a recipient is transported from a birth
26.3 center to a hospital prior to the delivery, the payment for facility services to the birth center

28.20 (3) for dental service providers, at least ten percent of the provider's patients are
28.21 covered by medical assistance, general assistance medical care, and MinnesotaCare as
28.22 their primary source of coverage, or the provider accepts new medical assistance and
28.23 MinnesotaCare patients who are children with special health care needs. For purposes

 29.4 providers in the program or programs under their jurisdiction those providers who do
 29.5 not participate in the medical assistance program. The commissioner of management
 29.6 and budget shall implement this section through contracts with participating health and

 29.11 ~~provide services to any patient enrolled in general assistance medical care regardless of~~
 29.12 ~~the availability or the amount of payment.~~

29.13 ~~(e)~~ (d) For purposes of paragraphs (a) and (b), participation in the general assistance
 29.14 medical care program applies only to pharmacy providers dispensing prescription drugs
 29.15 according to section 256D.03, subdivision 3.

29.16 **EFFECTIVE DATE.** The amendment striking the existing paragraph (d) is effective
 29.17 30 days after federal approval of the amendments in this article to Minnesota Statutes,
 29.18 sections 256B.055, subdivision 15, and 256B.056, subdivision 4, or January 1, 2011,
 29.19 whichever is later. The amendment to the new paragraph (d) is effective June 1, 2010.

 29.27 unable to access outpatient therapy;

29.28 (2) prescribed, ordered, or referred by a physician and documented in a plan of care
 29.29 and reviewed, according to Minnesota Rules, part 9505.0390;

29.30 (3) assessed by an appropriate therapist; and

30.2 assistant may not both bill for services provided to a recipient on the same day.

30.3 Sec. 21. **[256B.0755] PAYMENT REFORM DEMONSTRATION PROJECT FOR**
30.4 **SPECIAL PATIENT POPULATIONS.**

30.5 Subdivision 1. **Demonstration project.** (a) The commissioner of human services,
30.6 in consultation with the commissioner of health, shall establish a payment reform
30.7 demonstration project implementing an alternative payment system for health care
30.8 providers serving an identified group of patients who are enrolled in a state health
30.9 care program, and are either high utilizers of high-cost health care services or have
30.10 characteristics that put them at high risk of becoming high utilizers. The purpose of the
30.11 demonstration project is to implement and evaluate methods of reducing hospitalizations,
30.12 emergency room use, high-cost medications and specialty services, admissions to nursing
30.13 facilities, or use of long-term home and community-based services, in order to reduce the
30.14 total cost of care and services for the patients.

30.15 (b) The commissioner shall give the highest priority to projects that will serve
30.16 patients who have chronic medical conditions or complex medical needs that are
30.17 complicated by a physical disability, serious mental illness, or serious socioeconomic
30.18 factors such as poverty, homelessness, or language or cultural barriers. The commissioner
30.19 shall also give the highest priority to providers or groups of providers who have the
30.20 highest concentrations of patients with these characteristics.

30.21 (c) The commissioner must implement this payment reform demonstration project
30.22 in a manner consistent with the payment reform initiative provided in sections 62U.02
30.23 to 62U.04.

30.24 (d) For purposes of this section, "state health care program" means the medical
30.25 assistance, MinnesotaCare, and general assistance medical care programs.

30.26 Subd. 2. **Participation.** (a) The commissioner shall request eligible providers or
30.27 groups of providers to submit a proposal to participate in the demonstration project by
30.28 September 1, 2010. The providers who are interested in participating shall negotiate with
30.29 the commissioner to determine:

30.30 (1) the identified group of patients who are to be enrolled in the program;

30.31 (2) the services that are to be included in the total cost of care calculation;

30.32 (3) the methodology for calculating the total cost of care, which may take into
30.33 consideration the impact on costs to other state or local government programs including,
30.34 but not limited to, social services and income maintenance programs;

30.35 (4) the time period to be covered under the bid;

31.1 (5) the implementation of a risk adjustment mechanism to adjust for factors that are
31.2 beyond the control of the provider including nonclinical factors that will affect the cost
31.3 or outcomes of treatment;

31.4 (6) the payment reforms and payment methods to be used under the project, which
31.5 may include but are not limited to adjustments in fee-for-service payments, payment of
31.6 care coordination fees, payments for start-up and implementation costs to be recovered or
31.7 repaid later in the project, payments adjusted based on a provider's proportion of patients
31.8 who are enrolled in state health care programs; payments adjusted for the clinical or
31.9 socioeconomic complexity of the patients served, payment incentives tied to use of
31.10 inpatient and emergency room services, and periodic settle-up adjustments;

31.11 (7) methods of sharing financial risk and benefit between the commissioner and
31.12 the provider or groups of providers, which may include but are not limited to stop-loss
31.13 arrangements to cover high-cost outlier cases or costs that are beyond the control of the
31.14 provider, and risk-sharing and benefit-sharing corridors; and

31.15 (8) performance and outcome benchmarks to be used to measure performance,
31.16 achievement of cost-savings targets, and quality of care provided.

31.17 (b) A provider or group of providers may submit a proposal for a demonstration
31.18 project in partnership with a health maintenance organization or county-based purchasing
31.19 plan for the purposes of sharing risk, claims processing, or administration of the project,
31.20 or to extend participation in the project to persons who are enrolled in prepaid health
31.21 care programs.

31.22 Subd. 3. **Total cost of care agreement.** Based on negotiations, the commissioner
31.23 must enter into an agreement with interested and eligible providers or groups of providers
31.24 to implement projects that are designed to reduce the total cost of care for the identified
31.25 patients. To the extent possible, the projects shall begin implementation on January 1,
31.26 2011, or upon federal approval, whichever is later.

31.27 Subd. 4. **Eligibility.** To be eligible to participate, providers or groups of providers
31.28 must meet certification standards for health care homes established by the Department of
31.29 Health and the Department of Human Services under section 256B.0751.

31.30 Subd. 5. **Alternative payments.** The commissioner shall seek all federal waivers
31.31 and approvals necessary to implement this section and to obtain federal matching funds. To
31.32 the extent authorized by federal law, the commissioner may waive existing fee-for-service
31.33 payment rates, provider contract or performance requirements, consumer incentive
31.34 policies, or other requirements in statute or rule in order to allow the providers or groups
31.35 of providers to utilize alternative payment and financing methods that will appropriately
31.36 fund necessary and cost-effective primary care and care coordination services; establish

32.1 appropriate incentives for prevention, health promotion, and care coordination; and
32.2 mitigate financial harm to participating providers caused by the successful reduction in
32.3 preventable hospitalization, emergency room use, and other costly services.

32.4 Subd. 6. **Cost neutrality.** The total cost, including administrative costs, of this
32.5 demonstration project must not exceed the costs that would otherwise be incurred by
32.6 the state had services to the state health care program enrollees participating in the
32.7 demonstration project been provided, as applicable for the enrollee, under fee-for-service
32.8 or through managed care or county-based purchasing plans.

32.9 **Sec. 22. [256B.0757] INTENSIVE CARE MANAGEMENT PROGRAM.**

32.10 Subdivision 1. **Report.** The commissioner shall review medical assistance
32.11 enrollment and by July 1, 2011, present a report to the legislature that describes the
32.12 common characteristics and costs of those enrollees age 18 and over whose annual medical
32.13 costs are greater than 95 percent of all other enrollees, using deidentified data.

32.14 Subd. 2. **Intensive care management system established.** The commissioner shall
32.15 implement, by January 1, 2012, or upon federal approval, whichever is later, a program
32.16 to provide intensive care management to medical assistance enrollees age 18 and over
32.17 currently served under fee-for-service, managed care, or county-based purchasing, whose
32.18 annual medical care costs are in the top five percent of all medical assistance enrollees.
32.19 The intensive care management program must reduce these enrollees' medical assistance
32.20 costs by at least 20 percent on average, improve quality of care through care coordination,
32.21 and provide financial incentives for providers to deliver care efficiently. The commissioner
32.22 may require medical assistance enrollees meeting the criteria specified in this subdivision
32.23 to participate in the intensive care management program, and may reassign enrollees
32.24 from existing managed care and county-based purchasing plans to those plans that are
32.25 participating in the demonstration program. The commissioner shall seek all federal
32.26 approvals and waivers necessary to implement the intensive care management program.

32.27 Subd. 3. **Request for proposals.** The commissioner of human services shall
32.28 request proposals by September 1, 2011, or upon federal approval, whichever is later,
32.29 from health care providers, managed care plans, and county-based purchasing plans to
32.30 provide intensive care management services under the requirements of subdivision 1.
32.31 Proposals submitted must:

32.32 (1) designate the medical assistance population and geographic area of the state
32.33 to be served;

32.34 (2) describe in detail the proposed intensive care management program;

33.1 (3) provide estimates of cost savings to the state and the evidence supporting these
33.2 estimates;

33.3 (4) describe the extent to which the intensive care management program is consistent
33.4 with and builds upon current state health care home, care coordination, and payment
33.5 reform initiatives; and

33.6 (5) meet quality assurance, data reporting, and other criteria specified by the
33.7 commissioner in the request for proposals.

47.26 co-payments in sections 256L.03, subdivision 5, and 256L.035, and shall pay co-payments
47.27 to the managed care plan or to its participating providers. The enrollee is also responsible
47.28 for payment of inpatient hospital charges which exceed the MinnesotaCare benefit limit,
47.29 unless supplemental hospital coverage has been purchased under subdivision 3c.

47.30 **EFFECTIVE DATE.** This section is effective January 1, 2011, or upon federal
47.31 approval, whichever is later.

47.32 Sec. 46. Minnesota Statutes 2008, section 256L.12, subdivision 9, is amended to read:

48.1 Subd. 9. **Rate setting; performance withholds.** (a) Rates will be prospective,
48.2 per capita, where possible. The commissioner may allow health plans to arrange for
48.3 inpatient hospital services on a risk or nonrisk basis. The commissioner shall consult with
48.4 an independent actuary to determine appropriate rates.

48.5 (b) For services rendered on or after January 1, 2003, to December 31, 2003, the
48.6 commissioner shall withhold .5 percent of managed care plan payments under this section
48.7 pending completion of performance targets. The withheld funds must be returned no
48.8 sooner than July 1 and no later than July 31 of the following year if performance targets
48.9 in the contract are achieved. A managed care plan may include as admitted assets under
48.10 section 62D.044 any amount withheld under this paragraph that is reasonably expected
48.11 to be returned.

48.12 (c) For services rendered on or after January 1, 2004, the commissioner shall
48.13 withhold five percent of managed care plan payments under this section pending
48.14 completion of performance targets. Each performance target must be quantifiable,
48.15 objective, measurable, and reasonably attainable, except in the case of a performance target
48.16 based on a federal or state law or rule. Criteria for assessment of each performance target
48.17 must be outlined in writing prior to the contract effective date. The managed care plan
48.18 must demonstrate, to the commissioner's satisfaction, that the data submitted regarding
48.19 attainment of the performance target is accurate. The commissioner shall periodically
48.20 change the administrative measures used as performance targets in order to improve plan
48.21 performance across a broader range of administrative services. The performance targets
48.22 must include measurement of plan efforts to contain spending on health care services and
48.23 administrative activities. The commissioner may adopt plan-specific performance targets
48.24 that take into account factors affecting only one plan, such as characteristics of the plan's
48.25 enrollee population. The withheld funds must be returned no sooner than July 1 and no
48.26 later than July 31 of the following calendar year if performance targets in the contract are
48.27 achieved. ~~A managed care plan or a county-based purchasing plan under section 256B.692~~
48.28 ~~may include as admitted assets under section 62D.044 any amount withheld under this~~
48.29 ~~paragraph that is reasonably expected to be returned.~~

48.30 (d) For services rendered on or after January 1, 2011, the commissioner shall
48.31 withhold an additional three percent of managed care plan payments under this section.
48.32 The withheld funds must be returned no sooner than July 1, and no later than July 31 of
48.33 the following calendar year. The return of the withhold under this paragraph is not subject
48.34 to the requirements of paragraph (b) or (c).

49.1 (e) A managed care plan or a county-based purchasing plan under section 256B.692

49.5 Subdivision 1. **Medical assistance coverage.** The commissioner of human services
49.6 shall establish a demonstration project to provide additional medical assistance coverage
49.7 for a maximum of 200 American Indian children in Minneapolis, St. Paul, and Duluth
49.8 who are burdened by health disparities associated with the cumulative health impact
49.9 of toxic environmental exposures. Under this demonstration project, the additional
49.10 medical assistance coverage for this population must include, but is not limited to, home
49.11 environmental assessments for triggers of asthma, in-home asthma education on the proper
49.12 medical management of asthma by a certified asthma educator or public health nurse with
49.13 asthma management training limited to two visits per child. Coverage also includes the

49.16 forced air gas furnaces, and dehumidifiers with medical tubing to connect the appliance to
49.17 a floor drain, if the listed item is medically ~~necessary~~ useful to reduce asthma symptoms.
49.18 Provision of these items of durable medical equipment must be preceded by a home
49.19 environmental assessment for triggers of asthma and in-home asthma education on the
49.20 proper medical management of asthma by a Certified Asthma Educator or public health
49.21 nurse with asthma management training.

49.23 Subd. 5. **Expiration.** This section, with the exception of subdivision 4, expires
49.24 ~~December 31, 2010~~ June 30, 2011. Subdivision 4 expires December 31, 2011.

49.25 Sec. 49. Laws 2010, chapter 200, article 1, section 12, subdivision 6, is amended to
49.26 read:

49.27 Subd. 6. **Coordinated care delivery systems.** (a) Effective June 1, 2010, the
49.28 commissioner shall contract with hospitals or groups of hospitals that qualify under
49.29 paragraph (b) and agree to deliver services according to this subdivision. Contracting
49.30 hospitals shall develop and implement a coordinated care delivery system to provide health
49.31 care services to individuals who are eligible for general assistance medical care under this
49.32 section and who either choose to receive services through the coordinated care delivery
49.33 system or who are enrolled by the commissioner under paragraph (c). A contracting

50.1 hospital may negotiate a limit to the number of general assistance medical care enrollees it
50.2 serves, but must comply with the emergency care requirements of United States Code, title
50.3 42, 1395dd (EMTALA). The health care services provided by the system must include:
50.4 (1) the services described in subdivision 4 with the exception of outpatient prescription
50.5 drug coverage but shall include drugs administered in a clinic or other outpatient setting;
50.6 or (2) a set of comprehensive and medically necessary health services that the recipients
50.7 might reasonably require to be maintained in good health and that has been approved by
50.8 the commissioner, including at a minimum, but not limited to, emergency care, medical
50.9 transportation services, inpatient hospital and physician care, outpatient health services,
50.10 preventive health services, mental health services, and prescription drugs administered
50.11 in a clinic or other outpatient setting. Outpatient prescription drug coverage is covered
50.12 on a fee-for-service basis in accordance with section 256D.03, subdivision 3, and funded
50.13 under subdivision 9. A hospital establishing a coordinated care delivery system under this
50.14 subdivision must ensure that the requirements of this subdivision are met.

50.15 (b) A hospital or group of hospitals may contract with the commissioner to develop
50.16 and implement a coordinated care delivery system as follows:

50.17 (1) effective June 1, 2010, a hospital qualifies under this subdivision if: (i) during
50.18 calendar year 2008, it received fee-for-service payments for services to general assistance
50.19 medical care recipients (A) equal to or greater than \$1,500,000, or (B) equal to or greater
50.20 than 1.3 percent of net patient revenue; or (ii) a contract with the hospital is necessary to
50.21 provide geographic access or to ensure that at least 80 percent of enrollees have access to
50.22 a coordinated care delivery system; and

50.23 (2) effective December 1, 2010, a Minnesota hospital not qualified under clause
50.24 (1) may contract with the commissioner under this subdivision if it agrees to satisfy the
50.25 requirements of this subdivision.

50.26 ~~Participation by hospitals shall become effective quarterly on June 1, September 1,~~
50.27 ~~December 1, or March 1. Hospital participation is effective for a period of 12 months and~~
50.28 ~~may be renewed for successive 12-month periods.~~

50.29 Coordinated care delivery system contracts are in effect from June 1, 2010, to
50.30 December 31, 2010, or upon the effective date of the expansion of medical assistance
50.31 coverage to include adults without children, whichever is later.

50.32 (c) Applicants and recipients may enroll in any available coordinated care delivery
50.33 system statewide. If more than one coordinated care delivery system is available, the
50.34 applicant or recipient shall be allowed to choose among the systems that provide services
50.35 within 25 miles of the individual's community of residence. The commissioner may assign
50.36 an applicant or recipient to a coordinated care delivery system that provides services

51.1 within 25 miles of the individual's community of residence, if no choice is made by the
51.2 applicant or recipient. The commissioner shall consider a recipient's zip code, city of
51.3 residence, county of residence, or distance from a participating coordinated care delivery
51.4 system when determining default assignment. An applicant or recipient may decline
51.5 enrollment in a coordinated care delivery system. Upon enrollment into a coordinated care
51.6 delivery system, the recipient must agree to receive all nonemergency services through the
51.7 coordinated care delivery system. Enrollment in a coordinated care delivery system is
51.8 for six months and may be renewed for additional six-month periods, except that initial
51.9 enrollment is for six months or until the end of a recipient's period of general assistance
51.10 medical care eligibility, whichever occurs first. A recipient who continues to meet the
51.11 eligibility requirements of this section is not eligible to enroll in MinnesotaCare during
51.12 a period of enrollment in a coordinated care delivery system. From June 1, 2010, to
51.13 November 30, 2010, applicants and recipients not enrolled in a coordinated care delivery
51.14 system may seek services from a hospital eligible for reimbursement under the temporary
51.15 uncompensated care pool established under subdivision 8. After November 30, 2010,
51.16 services are available only through a coordinated care delivery system.

51.17 (d) A hospital must provide access to cost-effective outpatient services available
51.18 in its service area. The hospital may contract and coordinate with providers and clinics
51.19 for the delivery of services and shall contract with federally qualified health centers and
51.20 essential community providers as defined under section 62Q.19, subdivision 1, paragraph
51.21 (a), clauses (1) and (2), to the extent practicable. If a provider or clinic contracts with a
51.22 hospital to provide services through the coordinated care delivery system, the provider
51.23 may not refuse to provide services to any recipient enrolled in the system, and payment for
51.24 services shall be negotiated with the hospital and paid by the hospital from the system's
51.25 allocation under subdivision 7.

51.26 (e) A coordinated care delivery system must:

51.27 (1) provide the covered services required under paragraph (a) to recipients enrolled
51.28 in the coordinated care delivery system, and comply with the requirements of subdivision
51.29 4, paragraphs (b) to (g);

51.30 (2) establish a process to monitor enrollment and ensure the quality of care provided;
51.31 and

51.32 (3) in cooperation with counties, coordinate the delivery of health care services with
51.33 existing homeless prevention, supportive housing, and rent subsidy programs and funding
51.34 administered by the Minnesota Housing Finance Agency under chapter 462A; and

52.1 (4) adopt innovative and cost-effective methods of care delivery and coordination,
52.2 which may include the use of allied health professionals, telemedicine, patient educators,
52.3 care coordinators, and community health workers.

52.4 (f) The hospital may require a recipient to designate a primary care provider or
52.5 a primary care clinic. The hospital may limit the delivery of services to a network of
52.6 providers who have contracted with the hospital to deliver services in accordance with
52.7 this subdivision, and require a recipient to seek services only within this network. The
52.8 hospital may also require a referral to a provider before the service is eligible for payment.
52.9 A coordinated care delivery system is not required to provide payment to a provider who
52.10 is not employed by or under contract with the system for services provided to a recipient
52.11 enrolled in the system, except in cases of an emergency. For purposes of this section,
52.12 emergency services are defined in accordance with Code of Federal Regulations, title
52.13 42, section 438.114 (a).

52.14 (g) A recipient enrolled in a coordinated care delivery system has the right to appeal
52.15 to the commissioner according to section 256.045.

52.16 (h) The state shall not be liable for the payment of any cost or obligation incurred
52.17 by the coordinated care delivery system.

52.18 (i) The hospital must provide the commissioner with data necessary for assessing
52.19 enrollment, quality of care, cost, and utilization of services. Each hospital must provide,
52.20 on a quarterly basis on a form prescribed by the commissioner for each recipient served by
52.21 the coordinated care delivery system, the services provided, the cost of services provided,
52.22 and the actual payment amount for the services provided and any other information the
52.23 commissioner deems necessary to claim federal Medicaid match. The commissioner must
52.24 provide this data to the legislature on a quarterly basis.

52.25 (j) Effective June 1, 2010, the provisions of section 256.9695, subdivision 2,
52.26 paragraph (b), do not apply to general assistance medical care provided under this section.

52.27 (k) If a recipient is transferred from a hospital that is not participating in a
52.28 coordinated care delivery system to a hospital participating in a coordinated care delivery
52.29 system, in order to receive a higher level of care, the transferring hospital remains eligible
52.30 to receive any available funding through the temporary uncompensated care pool for the
52.31 care initially provided at that hospital. The hospital participating in the coordinated care
52.32 delivery system shall be responsible only for care provided at that hospital, and is not
52.33 financially liable for the initial care provided by the transferring hospital.

52.34 Sec. 50. Laws 2010, chapter 200, article 1, section 12, subdivision 7, is amended to
52.35 read:

53.1 Subd. 7. **Payments; rate setting for the hospital coordinated care delivery**
 53.2 **system.** (a) Effective for general assistance medical care services, with the exception
 53.3 of outpatient prescription drug coverage, provided on or after June 1, 2010, through a
 53.4 coordinated care delivery system, the commissioner shall allocate the annual appropriation
 53.5 for the coordinated care delivery system to hospitals participating under subdivision
 53.6 6 in quarterly payments, beginning on the first scheduled warrant on or after June 1,
 53.7 2010. The payment shall be allocated among all hospitals qualified to participate on the
 53.8 allocation date. Each hospital or group of hospitals shall receive a pro rata share of the
 53.9 allocation based on the hospital's or group of hospitals' calendar year 2008 payments for
 53.10 general assistance medical care services, adjusted for any limits on the number of general
 53.11 assistance medical care enrollees accepted by a hospital, provided that, for the purposes of
 53.12 this allocation, payments to Hennepin County Medical Center, Regions Hospital, Saint
 53.13 Mary's Medical Center, and University of Minnesota Medical Center, Fairview, shall be
 53.14 weighted at 110 percent of the actual amount. The commissioner may prospectively
 53.15 reallocate payments to participating hospitals on a biannual basis to ensure that final
 53.16 allocations reflect actual coordinated care delivery system enrollment. The 2008 base year
 53.17 shall be updated by one calendar year each June 1, beginning June 1, 2011.

53.18 (b) Beginning June 1, 2010, and every quarter beginning in June thereafter, the
 53.19 commissioner shall make one-third of the quarterly payment in June and the remaining
 53.20 two-thirds of the quarterly payment in July to each participating hospital or group of
 53.21 hospitals.

53.22 ~~(b)~~ (c) In order to be reimbursed under this section, nonhospital providers of health
 53.23 care services shall contract with one or more hospitals described in paragraph (a) to
 53.24 provide services to general assistance medical care recipients through the coordinated care
 53.25 delivery system established by the hospital. The hospital shall reimburse bills submitted
 53.26 by nonhospital providers participating under this paragraph at a rate negotiated between
 53.27 the hospital and the nonhospital provider.

53.28 ~~(c)~~ (d) The commissioner shall apply for federal matching funds under section
 53.29 256B.199, paragraphs (a) to (d), for expenditures under this subdivision.

53.30 ~~(d)~~ (e) Outpatient prescription drug coverage is provided in accordance with section
 53.31 256D.03, subdivision 3, and paid on a fee-for-service basis under subdivision 9.

53.32 Sec. 51. Laws 2010, chapter 200, article 1, section 12, subdivision 8, is amended to
 53.33 read:

53.34 Subd. 8. **Temporary uncompensated care pool.** (a) The commissioner shall
 53.35 establish a temporary uncompensated care pool, effective June 1, 2010. Payments from

54.1 the pool must be distributed, within the limits of the available appropriation, to hospitals
54.2 that are not part of a coordinated care delivery system established under subdivision
54.3 6. Payments from the pool must also be distributed, within the limits of the available
54.4 appropriation, to ambulance services licensed under chapter 144E that respond to a request
54.5 for an emergency ambulance call or interfacility transfer for a general assistance medical
54.6 care enrollee, if the call or transfer originates from a location more than 25 miles from the
54.7 health care facility that receives the enrollee.

54.8 (b) Hospitals seeking reimbursement from this pool must submit an invoice to
54.9 the commissioner in a form prescribed by the commissioner for payment for services
54.10 provided to an applicant or recipient not enrolled in a coordinated care delivery system. A
54.11 payment amount, as calculated under current law, must be determined, but not paid, for
54.12 each admission of or service provided to a general assistance medical care recipient on
54.13 or after June 1, 2010, to ~~November 30~~ December 31, 2010, or until medical assistance
54.14 coverage is expanded to include adults without children, whichever is later.

54.15 (c) The aggregated payment amounts for each hospital must be calculated as a
54.16 percentage of the total calculated amount for all hospitals.

54.17 (d) Distributions from the uncompensated care pool for each hospital must be
54.18 determined by multiplying the factor in paragraph (c) by the amount of money in the
54.19 uncompensated care pool that is available for the six-month period.

54.20 (e) The commissioner shall apply for federal matching funds under section
54.21 256B.199, paragraphs (a) to (d), for expenditures under this subdivision.

54.22 (f) Outpatient prescription drugs are not eligible for payment under this subdivision.

57.23 and all remaining unspent appropriations for the program established by Laws 2010,
57.24 chapter 200, are transferred to the health care access fund. Paragraph (c) is effective
57.25 30 days after federal approval of the amendments in this article to Minnesota Statutes,
57.26 sections 256B.055, subdivision 15, and 256B.056, subdivision 4, or January 1, 2011,
57.27 whichever is later.

57.28 **ARTICLE 3**

57.29 **CONTINUING CARE**

57.30 Section 1. Minnesota Statutes 2009 Supplement, section 252.27, subdivision 2a,
57.31 is amended to read:

58.1 Subd. 2a. **Contribution amount.** (a) The natural or adoptive parents of a minor
58.2 child, including a child determined eligible for medical assistance without consideration of
58.3 parental income, must contribute to the cost of services used by making monthly payments
58.4 on a sliding scale based on income, unless the child is married or has been married,
58.5 parental rights have been terminated, or the child's adoption is subsidized according to
58.6 section 259.67 or through title IV-E of the Social Security Act. The parental contribution
58.7 is a partial or full payment for medical services provided for diagnostic, therapeutic,
58.8 curing, treating, mitigating, rehabilitation, maintenance, and personal care services as
58.9 defined in United States Code, title 26, section 213, needed by the child with a chronic
58.10 illness or disability.

58.11 (b) For households with adjusted gross income equal to or greater than 100 percent
58.12 of federal poverty guidelines, the parental contribution shall be computed by applying the
58.13 following schedule of rates to the adjusted gross income of the natural or adoptive parents:

58.14 (1) if the adjusted gross income is equal to or greater than 100 percent of federal
58.15 poverty guidelines and less than 175 percent of federal poverty guidelines, the parental
58.16 contribution is \$4 per month;

58.17 (2) if the adjusted gross income is equal to or greater than 175 percent of federal
58.18 poverty guidelines and less than or equal to 545 percent of federal poverty guidelines,
58.19 the parental contribution shall be determined using a sliding fee scale established by the
58.20 commissioner of human services which begins at one percent of adjusted gross income
58.21 at 175 percent of federal poverty guidelines and increases to 7.5 percent of adjusted
58.22 gross income for those with adjusted gross income up to 545 percent of federal poverty
58.23 guidelines; and

58.24 (3) if the adjusted gross income is greater than 545 percent of federal poverty
58.25 guidelines ~~and less than 675 percent of federal poverty guidelines~~, the parental
58.26 contribution shall be ~~7.5~~ 12.5 percent of adjusted gross income;

58.27 ~~(4) if the adjusted gross income is equal to or greater than 675 percent of federal~~
58.28 ~~poverty guidelines and less than 975 percent of federal poverty guidelines, the parental~~
58.29 ~~contribution shall be determined using a sliding fee scale established by the commissioner~~
58.30 ~~of human services which begins at 7.5 percent of adjusted gross income at 675 percent of~~
58.31 ~~federal poverty guidelines and increases to ten percent of adjusted gross income for those~~
58.32 ~~with adjusted gross income up to 975 percent of federal poverty guidelines; and~~

58.33 ~~(5) if the adjusted gross income is equal to or greater than 975 percent of federal~~
58.34 ~~poverty guidelines, the parental contribution shall be 12.5 percent of adjusted gross~~
58.35 ~~income.~~

59.1 If the child lives with the parent, the annual adjusted gross income is reduced by
59.2 \$2,400 prior to calculating the parental contribution. If the child resides in an institution
59.3 specified in section 256B.35, the parent is responsible for the personal needs allowance
59.4 specified under that section in addition to the parental contribution determined under this
59.5 section. The parental contribution is reduced by any amount required to be paid directly to
59.6 the child pursuant to a court order, but only if actually paid.

59.7 (c) The household size to be used in determining the amount of contribution under
59.8 paragraph (b) includes natural and adoptive parents and their dependents, including the
59.9 child receiving services. Adjustments in the contribution amount due to annual changes
59.10 in the federal poverty guidelines shall be implemented on the first day of July following
59.11 publication of the changes.

59.12 (d) For purposes of paragraph (b), "income" means the adjusted gross income of the
59.13 natural or adoptive parents determined according to the previous year's federal tax form,
59.14 except, effective retroactive to July 1, 2003, taxable capital gains to the extent the funds
59.15 have been used to purchase a home shall not be counted as income.

59.16 (e) The contribution shall be explained in writing to the parents at the time eligibility
59.17 for services is being determined. The contribution shall be made on a monthly basis
59.18 effective with the first month in which the child receives services. Annually upon
59.19 redetermination or at termination of eligibility, if the contribution exceeded the cost of
59.20 services provided, the local agency or the state shall reimburse that excess amount to
59.21 the parents, either by direct reimbursement if the parent is no longer required to pay a
59.22 contribution, or by a reduction in or waiver of parental fees until the excess amount is
59.23 exhausted. All reimbursements must include a notice that the amount reimbursed may be
59.24 taxable income if the parent paid for the parent's fees through an employer's health care
59.25 flexible spending account under the Internal Revenue Code, section 125, and that the
59.26 parent is responsible for paying the taxes owed on the amount reimbursed.

59.27 (f) The monthly contribution amount must be reviewed at least every 12 months;
59.28 when there is a change in household size; and when there is a loss of or gain in income
59.29 from one month to another in excess of ten percent. The local agency shall mail a written
59.30 notice 30 days in advance of the effective date of a change in the contribution amount.
59.31 A decrease in the contribution amount is effective in the month that the parent verifies a
59.32 reduction in income or change in household size.

59.33 (g) Parents of a minor child who do not live with each other shall each pay the
59.34 contribution required under paragraph (a). An amount equal to the annual court-ordered
59.35 child support payment actually paid on behalf of the child receiving services shall be

60.1 deducted from the adjusted gross income of the parent making the payment prior to
60.2 calculating the parental contribution under paragraph (b).

60.3 (h) The contribution under paragraph (b) shall be increased by an additional five
60.4 percent if the local agency determines that insurance coverage is available but not
60.5 obtained for the child. For purposes of this section, "available" means the insurance is a
60.6 benefit of employment for a family member at an annual cost of no more than five percent
60.7 of the family's annual income. For purposes of this section, "insurance" means health
60.8 and accident insurance coverage, enrollment in a nonprofit health service plan, health
60.9 maintenance organization, self-insured plan, or preferred provider organization.

60.10 Parents who have more than one child receiving services shall not be required
60.11 to pay more than the amount for the child with the highest expenditures. There shall
60.12 be no resource contribution from the parents. The parent shall not be required to pay
60.13 a contribution in excess of the cost of the services provided to the child, not counting
60.14 payments made to school districts for education-related services. Notice of an increase in
60.15 fee payment must be given at least 30 days before the increased fee is due.

60.16 (i) The contribution under paragraph (b) shall be reduced by \$300 per fiscal year if,
60.17 in the 12 months prior to July 1:

60.18 (1) the parent applied for insurance for the child;

60.19 (2) the insurer denied insurance;

60.20 (3) the parents submitted a complaint or appeal, in writing to the insurer, submitted
60.21 a complaint or appeal, in writing, to the commissioner of health or the commissioner of
60.22 commerce, or litigated the complaint or appeal; and

60.23 (4) as a result of the dispute, the insurer reversed its decision and granted insurance.

60.24 For purposes of this section, "insurance" has the meaning given in paragraph (h).

60.25 A parent who has requested a reduction in the contribution amount under this
60.26 paragraph shall submit proof in the form and manner prescribed by the commissioner or
60.27 county agency, including, but not limited to, the insurer's denial of insurance, the written
60.28 letter or complaint of the parents, court documents, and the written response of the insurer
60.29 approving insurance. The determinations of the commissioner or county agency under this
60.30 paragraph are not rules subject to chapter 14.

60.31 Sec. 2. Minnesota Statutes 2008, section 256B.057, subdivision 9, is amended to read:

60.32 Subd. 9. **Employed persons with disabilities.** (a) Medical assistance may be paid
60.33 for a person who is employed and who:

60.34 (1) but for excess earnings or assets, meets the definition of disabled under the
60.35 supplemental security income program;

- 61.1 (2) is at least 16 but less than 65 years of age;
- 61.2 (3) meets the asset limits in paragraph (c); and
- 61.3 (4) ~~effective November 1, 2003~~, pays a premium and other obligations under
- 61.4 paragraph (e).

61.5 Any spousal income or assets shall be disregarded for purposes of eligibility and premium

61.6 determinations.

61.7 (b) After the month of enrollment, a person enrolled in medical assistance under

61.8 this subdivision who:

61.9 (1) is temporarily unable to work and without receipt of earned income due to a

61.10 medical condition, as verified by a physician, may retain eligibility for up to four calendar

61.11 months; or

61.12 (2) effective January 1, 2004, loses employment for reasons not attributable to the

61.13 enrollee, may retain eligibility for up to four consecutive months after the month of job

61.14 loss. To receive a four-month extension, enrollees must verify the medical condition or

61.15 provide notification of job loss. All other eligibility requirements must be met and the

61.16 enrollee must pay all calculated premium costs for continued eligibility.

61.17 (c) For purposes of determining eligibility under this subdivision, a person's assets

61.18 must not exceed \$20,000, excluding:

61.19 (1) all assets excluded under section 256B.056;

61.20 (2) retirement accounts, including individual accounts, 401(k) plans, 403(b) plans,

61.21 Keogh plans, and pension plans; and

61.22 (3) medical expense accounts set up through the person's employer.

61.23 (d)(1) Effective January 1, 2004, for purposes of eligibility, there will be a \$65

61.24 earned income disregard. To be eligible, a person applying for medical assistance under

61.25 this subdivision must have earned income above the disregard level.

61.26 (2) Effective January 1, 2004, to be considered earned income, Medicare, Social

61.27 Security, and applicable state and federal income taxes must be withheld. To be eligible,

61.28 a person must document earned income tax withholding.

61.29 (e)(1) A person whose earned and unearned income is equal to or greater than 100

61.30 percent of federal poverty guidelines for the applicable family size must pay a premium

61.31 to be eligible for medical assistance under this subdivision. The premium shall be based

61.32 on the person's gross earned and unearned income and the applicable family size using a

61.33 sliding fee scale established by the commissioner, which begins at one percent of income

61.34 at 100 percent of the federal poverty guidelines and increases to 7.5 percent of income

61.35 for those with incomes at or above 300 percent of the federal poverty guidelines. Annual

62.1 adjustments in the premium schedule based upon changes in the federal poverty guidelines
62.2 shall be effective for premiums due in July of each year.

62.3 (2) Effective January 1, 2004, all enrollees must pay a premium to be eligible for
62.4 medical assistance under this subdivision. An enrollee shall pay the greater of a ~~\$35~~ \$50
62.5 premium or the premium calculated in clause (1).

62.6 (3) Effective November 1, 2003, all enrollees who receive unearned income must
62.7 pay ~~one-half of one~~ 2.5 percent of unearned income in addition to the premium amount.

62.8 (4) Effective November 1, 2003, for enrollees whose income does not exceed 200
62.9 percent of the federal poverty guidelines and who are also enrolled in Medicare, the
62.10 commissioner must reimburse the enrollee for Medicare Part B premiums under section
62.11 256B.0625, subdivision 15, paragraph (a).

62.12 (5) Increases in benefits under title II of the Social Security Act shall not be counted
62.13 as income for purposes of this subdivision until July 1 of each year.

62.14 (f) A person's eligibility and premium shall be determined by the local county
62.15 agency. Premiums must be paid to the commissioner. All premiums are dedicated to
62.16 the commissioner.

62.17 (g) Any required premium shall be determined at application and redetermined at
62.18 the enrollee's six-month income review or when a change in income or household size is
62.19 reported. Enrollees must report any change in income or household size within ten days
62.20 of when the change occurs. A decreased premium resulting from a reported change in
62.21 income or household size shall be effective the first day of the next available billing month
62.22 after the change is reported. Except for changes occurring from annual cost-of-living
62.23 increases, a change resulting in an increased premium shall not affect the premium amount
62.24 until the next six-month review.

62.25 (h) Premium payment is due upon notification from the commissioner of the
62.26 premium amount required. Premiums may be paid in installments at the discretion of
62.27 the commissioner.

62.28 (i) Nonpayment of the premium shall result in denial or termination of medical
62.29 assistance unless the person demonstrates good cause for nonpayment. Good cause exists
62.30 if the requirements specified in Minnesota Rules, part 9506.0040, subpart 7, items B to
62.31 D, are met. Except when an installment agreement is accepted by the commissioner,
62.32 all persons disenrolled for nonpayment of a premium must pay any past due premiums
62.33 as well as current premiums due prior to being reenrolled. Nonpayment shall include
62.34 payment with a returned, refused, or dishonored instrument. The commissioner may
62.35 require a guaranteed form of payment as the only means to replace a returned, refused,
62.36 or dishonored instrument.

63.1 (j) The commissioner shall notify enrollees annually beginning at least 24 months
 63.2 before the person's 65th birthday of the medical assistance eligibility rules affecting
 63.3 income, assets, and treatment of a spouse's income and assets that will be applied upon
 63.4 reaching age 65.

63.5 **EFFECTIVE DATE.** This section is effective January 1, 2011.

63.6 Sec. 3. Minnesota Statutes 2009 Supplement, section 256B.0915, subdivision 3a,
 63.7 is amended to read:

63.8 Subd. 3a. **Elderly waiver cost limits.** (a) The monthly limit for the cost of
 63.9 waived services to an individual elderly waiver client except for individuals described
 63.10 in paragraph (b) shall be the weighted average monthly nursing facility rate of the case
 63.11 mix resident class to which the elderly waiver client would be assigned under Minnesota
 63.12 Rules, parts 9549.0050 to 9549.0059, less the recipient's maintenance needs allowance
 63.13 as described in subdivision 1d, paragraph (a), until the first day of the state fiscal year in
 63.14 which the resident assessment system as described in section 256B.438 for nursing home
 63.15 rate determination is implemented. Effective on the first day of the state fiscal year in
 63.16 which the resident assessment system as described in section 256B.438 for nursing home
 63.17 rate determination is implemented and the first day of each subsequent state fiscal year, the
 63.18 monthly limit for the cost of waived services to an individual elderly waiver client shall
 63.19 be the rate of the case mix resident class to which the waiver client would be assigned
 63.20 under Minnesota Rules, parts 9549.0050 to 9549.0059, in effect on the last day of the
 63.21 previous state fiscal year, adjusted by ~~the greater of any legislatively adopted home and~~
 63.22 ~~community-based services percentage rate increase or the average statewide percentage~~
 63.23 ~~increase in nursing facility payment rates~~ adjustment.

63.24 (b) The monthly limit for the cost of waived services to an individual elderly
 63.25 waiver client assigned to a case mix classification A under paragraph (a) with (1) no
 63.26 dependencies in activities of daily living, (2) only one dependency in bathing, dressing,
 63.27 grooming, or walking, or (3) a dependency score of less than three if eating is the only
 63.28 dependency, shall be the lower of the case mix classification amount for case mix A as
 63.29 determined under paragraph (a) or the case mix classification amount for case mix A
 63.30 effective on October 1, 2008, per month for all new participants enrolled in the program
 63.31 on or after July 1, 2009. This monthly limit shall be applied to all other participants who
 63.32 meet this criteria at reassessment.

63.33 (c) If extended medical supplies and equipment or environmental modifications are
 63.34 or will be purchased for an elderly waiver client, the costs may be prorated for up to
 63.35 12 consecutive months beginning with the month of purchase. If the monthly cost of a

64.1 recipient's waived services exceeds the monthly limit established in paragraph (a) or
 64.2 (b), the annual cost of all waived services shall be determined. In this event, the annual
 64.3 cost of all waived services shall not exceed 12 times the monthly limit of waived
 64.4 services as described in paragraph (a) or (b).

64.5 Sec. 4. Minnesota Statutes 2008, section 256B.0915, subdivision 3b, is amended to
 64.6 read:

64.7 Subd. 3b. **Cost limits for elderly waiver applicants who reside in a nursing**
 64.8 **facility.** (a) For a person who is a nursing facility resident at the time of requesting a
 64.9 determination of eligibility for elderly waived services, a monthly conversion limit for
 64.10 the cost of elderly waived services may be requested. The monthly conversion limit for
 64.11 the cost of elderly waiver services shall be the resident class assigned under Minnesota
 64.12 Rules, parts 9549.0050 to 9549.0059, for that resident in the nursing facility where
 64.13 the resident currently resides until July 1 of the state fiscal year in which the resident
 64.14 assessment system as described in section 256B.438 for nursing home rate determination
 64.15 is implemented. Effective on July 1 of the state fiscal year in which the resident
 64.16 assessment system as described in section 256B.438 for nursing home rate determination
 64.17 is implemented, the monthly conversion limit for the cost of elderly waiver services shall
 64.18 be the per diem nursing facility rate as determined by the resident assessment system as
 64.19 described in section 256B.438 for ~~that resident~~ residents in the nursing facility where the
 64.20 resident currently resides, but in effect on June 30, 2010, and adjusted annually by any
 64.21 legislatively adopted percentage change in the elderly waiver services rates. That per
 64.22 diem shall be multiplied by 365 and, divided by 12, less and reduced by the recipient's
 64.23 maintenance needs allowance as described in subdivision 1d. The initially approved
 64.24 conversion rate ~~may~~ must be adjusted by ~~the greater of~~ any subsequent legislatively
 64.25 adopted home and community-based services percentage rate ~~increase or the average~~
 64.26 ~~statewide percentage increase in nursing facility payment rates~~ adjustment. The limit
 64.27 under this subdivision only applies to persons discharged from a nursing facility after a
 64.28 minimum 30-day stay and found eligible for waived services on or after July 1, 1997.
 64.29 For conversions from the nursing home to the elderly waiver with consumer directed
 64.30 community support services, the conversion rate limit is equal to the nursing facility rate
 64.31 reduced by a percentage equal to the percentage difference between the consumer directed
 64.32 services budget limit that would be assigned according to the federally approved waiver
 64.33 plan and the corresponding community case mix cap, but not to exceed 50 percent.

64.34 (b) The following costs must be included in determining the total monthly costs
 64.35 for the waiver client:

65.1 (1) cost of all waived services, including ~~extended medical~~ specialized supplies
65.2 and equipment and environmental ~~modifications and~~ accessibility adaptations; and

65.3 (2) cost of skilled nursing, home health aide, and personal care services reimbursable
65.4 by medical assistance.

65.5 Sec. 5. Minnesota Statutes 2009 Supplement, section 256B.69, subdivision 23, is
65.6 amended to read:

65.7 Subd. 23. **Alternative services; elderly and disabled persons.** (a) The
65.8 commissioner may implement demonstration projects to create alternative integrated
65.9 delivery systems for acute and long-term care services to elderly persons and persons
65.10 with disabilities as defined in section 256B.77, subdivision 7a, that provide increased
65.11 coordination, improve access to quality services, and mitigate future cost increases.
65.12 The commissioner may seek federal authority to combine Medicare and Medicaid
65.13 capitation payments for the purpose of such demonstrations and may contract with
65.14 Medicare-approved special needs plans to provide Medicaid services. Medicare funds and
65.15 services shall be administered according to the terms and conditions of the federal contract
65.16 and demonstration provisions. For the purpose of administering medical assistance funds,
65.17 demonstrations under this subdivision are subject to subdivisions 1 to 22. The provisions
65.18 of Minnesota Rules, parts 9500.1450 to 9500.1464, apply to these demonstrations,
65.19 with the exceptions of parts 9500.1452, subpart 2, item B; and 9500.1457, subpart 1,
65.20 items B and C, which do not apply to persons enrolling in demonstrations under this
65.21 section. An initial open enrollment period may be provided. Persons who disenroll from
65.22 demonstrations under this subdivision remain subject to Minnesota Rules, parts 9500.1450
65.23 to 9500.1464. When a person is enrolled in a health plan under these demonstrations and
65.24 the health plan's participation is subsequently terminated for any reason, the person shall
65.25 be provided an opportunity to select a new health plan and shall have the right to change
65.26 health plans within the first 60 days of enrollment in the second health plan. Persons
65.27 required to participate in health plans under this section who fail to make a choice of
65.28 health plan shall not be randomly assigned to health plans under these demonstrations.
65.29 Notwithstanding section 256L.12, subdivision 5, and Minnesota Rules, part 9505.5220,
65.30 subpart 1, item A, if adopted, for the purpose of demonstrations under this subdivision,
65.31 the commissioner may contract with managed care organizations, including counties, to
65.32 serve only elderly persons eligible for medical assistance, elderly and disabled persons, or
65.33 disabled persons only. For persons with a primary diagnosis of developmental disability,
65.34 serious and persistent mental illness, or serious emotional disturbance, the commissioner
65.35 must ensure that the county authority has approved the demonstration and contracting

66.1 design. Enrollment in these projects for persons with disabilities shall be voluntary. The
66.2 commissioner shall not implement any demonstration project under this subdivision for
66.3 persons with a primary diagnosis of developmental disabilities, serious and persistent
66.4 mental illness, or serious emotional disturbance, without approval of the county board of
66.5 the county in which the demonstration is being implemented.

66.6 (b) Notwithstanding chapter 245B, sections 252.40 to 252.46, 256B.092, 256B.501
66.7 to 256B.5015, and Minnesota Rules, parts 9525.0004 to 9525.0036, 9525.1200 to
66.8 9525.1330, 9525.1580, and 9525.1800 to 9525.1930, the commissioner may implement
66.9 under this section projects for persons with developmental disabilities. The commissioner
66.10 may capitate payments for ICF/MR services, waived services for developmental
66.11 disabilities, including case management services, day training and habilitation and
66.12 alternative active treatment services, and other services as approved by the state and by the
66.13 federal government. Case management and active treatment must be individualized and
66.14 developed in accordance with a person-centered plan. Costs under these projects may not
66.15 exceed costs that would have been incurred under fee-for-service. Beginning July 1, 2003,
66.16 and until four years after the pilot project implementation date, subcontractor participation
66.17 in the long-term care developmental disability pilot is limited to a nonprofit long-term
66.18 care system providing ICF/MR services, home and community-based waiver services,
66.19 and in-home services to no more than 120 consumers with developmental disabilities in
66.20 Carver, Hennepin, and Scott Counties. The commissioner shall report to the legislature
66.21 prior to expansion of the developmental disability pilot project. This paragraph expires
66.22 four years after the implementation date of the pilot project.

66.23 (c) Before implementation of a demonstration project for disabled persons, the
66.24 commissioner must provide information to appropriate committees of the house of
66.25 representatives and senate and must involve representatives of affected disability groups
66.26 in the design of the demonstration projects.

66.27 (d) A nursing facility reimbursed under the alternative reimbursement methodology
66.28 in section 256B.434 may, in collaboration with a hospital, clinic, or other health care entity
66.29 provide services under paragraph (a). The commissioner shall amend the state plan and
66.30 seek any federal waivers necessary to implement this paragraph.

66.31 (e) The commissioner, in consultation with the commissioners of commerce and
66.32 health, may approve and implement programs for all-inclusive care for the elderly (PACE)
66.33 according to federal laws and regulations governing that program and state laws or rules
66.34 applicable to participating providers. ~~The process for approval of these programs shall
66.35 begin only after the commissioner receives grant money in an amount sufficient to cover
66.36 the state share of the administrative and actuarial costs to implement the programs during~~

67.1 ~~state fiscal years 2006 and 2007. Grant amounts for this purpose shall be deposited in an~~
67.2 ~~account in the special revenue fund and are appropriated to the commissioner to be used~~
67.3 ~~solely for the purpose of PACE administrative and actuarial costs.~~ A PACE provider is
67.4 not required to be licensed or certified as a health plan company as defined in section
67.5 62Q.01, subdivision 4. Persons age 55 and older who have been screened by the county
67.6 and found to be eligible for services under the elderly waiver or community alternatives
67.7 for disabled individuals or who are already eligible for Medicaid but meet level of
67.8 care criteria for receipt of waiver services may choose to enroll in the PACE program.
67.9 Medicare and Medicaid services will be provided according to this subdivision and
67.10 federal Medicare and Medicaid requirements governing PACE providers and programs.
67.11 PACE enrollees will receive Medicaid home and community-based services through the
67.12 PACE provider as an alternative to services for which they would otherwise be eligible
67.13 through home and community-based waiver programs and Medicaid State Plan Services.
67.14 The commissioner shall establish Medicaid rates for PACE providers that do not exceed
67.15 costs that would have been incurred under fee-for-service or other relevant managed care
67.16 programs operated by the state.

67.17 (f) The commissioner shall seek federal approval to expand the Minnesota disability
67.18 health options (MnDHO) program established under this subdivision in stages, first to
67.19 regional population centers outside the seven-county metro area and then to all areas of
67.20 the state. Until July 1, 2009, expansion for MnDHO projects that include home and
67.21 community-based services is limited to the two projects and service areas in effect on
67.22 March 1, 2006. Enrollment in integrated MnDHO programs that include home and
67.23 community-based services shall remain voluntary. Costs for home and community-based
67.24 services included under MnDHO must not exceed costs that would have been incurred
67.25 under the fee-for-service program. Notwithstanding whether expansion occurs under
67.26 this paragraph, in determining MnDHO payment rates and risk adjustment methods for
67.27 contract years starting in 2012, the commissioner must consider the methods used to
67.28 determine county allocations for home and community-based program participants. If
67.29 necessary to reduce MnDHO rates to comply with the provision regarding MnDHO costs
67.30 for home and community-based services, the commissioner shall achieve the reduction by
67.31 maintaining the base rate for contract years 2010 and 2011 for services provided under the
67.32 community alternatives for disabled individuals waiver at the same level as for contract
67.33 year 2009. The commissioner may apply other reductions to MnDHO rates to implement
67.34 decreases in provider payment rates required by state law. In developing program
67.35 specifications for expansion of integrated programs, the commissioner shall involve and
67.36 consult the state-level stakeholder group established in subdivision 28, paragraph (d),

68.1 including consultation on whether and how to include home and community-based waiver
68.2 programs. Plans for further expansion of MnDHO projects shall be presented to the chairs
68.3 of the house of representatives and senate committees with jurisdiction over health and
68.4 human services policy and finance by February 1, 2007.

68.5 (g) Notwithstanding section 256B.0261, health plans providing services under this
68.6 section are responsible for home care targeted case management and relocation targeted
68.7 case management. Services must be provided according to the terms of the waivers and
68.8 contracts approved by the federal government.

68.9 **Sec. 6. [256.4825] REPORT REGARDING PROGRAMS AND SERVICES FOR**
68.10 **PEOPLE WITH DISABILITIES.**

68.11 The Minnesota State Council on Disability, the Minnesota Consortium for Citizens
68.12 with Disabilities, and the Arc of Minnesota may submit an annual report by January 15 of
68.13 each year, beginning in 2012, to the chairs and ranking minority members of the legislative
68.14 committees with jurisdiction over programs serving people with disabilities as provided in
68.15 this section. The report must describe the existing state policies and goals for programs
68.16 serving people with disabilities including, but not limited to, programs for employment,
68.17 transportation, housing, education, quality assurance, consumer direction, physical and
68.18 programmatic access, and health. The report must provide data and measurements to
68.19 assess the extent to which the policies and goals are being met. The commissioner of
68.20 human services and the commissioners of other state agencies administering programs for
68.21 people with disabilities shall cooperate with the Minnesota State Council on Disability,
68.22 the Minnesota Consortium for Citizens with Disabilities, and the Arc of Minnesota and
68.23 provide those organizations with existing published information and reports that will assist
68.24 in the preparation of the report.

68.25 **Sec. 7. CASE MANAGEMENT REFORM.**

68.26 (a) By February 1, 2011, the commissioner of human services shall provide specific
68.27 recommendations and language for proposed legislation to:

68.28 (1) define the administrative and the service functions of case management and make
68.29 changes to improve the funding for administrative functions;

68.30 (2) standardize and simplify processes, standards, and timelines for administrative
68.31 functions of case management within the Department of Human Services, Disability
68.32 Services Division, including eligibility determinations, resource allocation, management
68.33 of dollars, provision for assignment of one case manager at a time per person, waiting lists,

69.1 quality assurance, host county concurrence requirements, county of financial responsibility
69.2 provisions, and waiver compliance; and

69.3 (3) increase opportunities for consumer choice of case management functions
69.4 involving service coordination.

69.5 (b) In developing these recommendations, the commissioner shall consider the
69.6 recommendations of the 2007 Redesigning Case Management Services for Persons
69.7 with Disabilities report and consult with existing stakeholder groups, which include
69.8 representatives of counties, disability and senior advocacy groups, service providers, and
69.9 representatives of agencies which provide contracted case management.

69.10 **EFFECTIVE DATE.** This section is effective the day following final enactment.

69.11 **Sec. 8. COMMISSIONER TO SEEK FEDERAL MATCH.**

69.12 (a) The commissioner of human services shall seek federal financial participation
69.13 for eligible activity related to fiscal years 2010 and 2011 grants to Advocating Change
69.14 Together to establish a statewide self-advocacy network for persons with developmental
69.15 disabilities and for eligible activities under any future grants to the organization.

69.16 (b) The commissioner shall report to the chairs of the senate Health and Human
69.17 Services Budget Division and the house of representatives Health Care and Human
69.18 Services Finance Division by December 15, 2010, with the results of the application for
69.19 federal matching funds.

69.20 **ARTICLE 4**

69.21 **CHILDREN AND FAMILY SERVICES**

69.22 Section 1. Minnesota Statutes 2008, section 119B.025, subdivision 1, is amended to
69.23 read:

69.24 Subdivision 1. **Factors which must be verified.** (a) The county shall verify the
69.25 following at all initial child care applications using the universal application:

- 69.26 (1) identity of adults;
- 69.27 (2) presence of the minor child in the home, if questionable;
- 69.28 (3) relationship of minor child to the parent, stepparent, legal guardian, eligible
69.29 relative caretaker, or the spouses of any of the foregoing;
- 69.30 (4) age;
- 69.31 (5) immigration status, if related to eligibility;
- 69.32 (6) Social Security number, if given;
- 69.33 (7) income;

70.1 (8) spousal support and child support payments made to persons outside the
70.2 household;

70.3 (9) residence; and

70.4 (10) inconsistent information, if related to eligibility.

70.5 (b) If a family did not use the universal application or child care addendum to apply
70.6 for child care assistance, the family must complete the universal application or child care
70.7 addendum at its next eligibility redetermination and the county must verify the factors
70.8 listed in paragraph (a) as part of that redetermination. Once a family has completed a
70.9 universal application or child care addendum, the county shall use the redetermination
70.10 form described in paragraph (c) for that family's subsequent redeterminations. Eligibility
70.11 must be redetermined at least every six months. For a family where at least one parent is
70.12 under the age of 21, does not have a high school or general equivalency diploma, and is a
70.13 student in a school district or another similar program that provides or arranges for child
70.14 care, as well as parenting, social services, career and employment supports, and academic
70.15 support to achieve high school graduation, the redetermination of eligibility shall be
70.16 deferred beyond six months, but not to exceed 12 months, to the end of the student's
70.17 school year. If a family reports a change in an eligibility factor before the family's next
70.18 regularly scheduled redetermination, the county must recalculate eligibility without
70.19 requiring verification of any eligibility factor that did not change.

70.20 (c) The commissioner shall develop a redetermination form to redetermine eligibility
70.21 and a change report form to report changes that minimize paperwork for the county and
70.22 the participant.

70.23 (d) Families have the primary responsibility to verify information. A county must
70.24 consider the family's circumstances and ability to produce verification when initiating a
70.25 request for verification. If a family is unable to verify an eligibility factor, the county
70.26 must request written consent from the family to obtain verification from other sources. A
70.27 county may not request a specific form of verification if another is more readily available.
70.28 When verification of an eligibility factor other than income is not available despite the
70.29 efforts of the county and the family, the county must accept a signed statement from the
70.30 family attesting to the correctness of the information if one is provided. The county must
70.31 deny or end assistance to families who refuse or deliberately fail to verify information.

70.32 **EFFECTIVE DATE.** This section is effective October 15, 2010.

70.33 Sec. 2. Minnesota Statutes 2008, section 119B.09, subdivision 4, is amended to read:

70.34 Subd. 4. **Eligibility; annual income; calculation.** Annual income of the applicant
70.35 family is the current monthly income of the family multiplied by 12 or the income for

71.1 the 12-month period immediately preceding the date of application, or income calculated
 71.2 by the method which provides the most accurate assessment of income available to the
 71.3 family. Self-employment income must be calculated based on gross receipts less operating
 71.4 expenses. Income must be recalculated when the family's income changes, but no less
 71.5 often than every six months. For a family where at least one parent is under the age
 71.6 of 21, does not have a high school or general equivalency diploma, and is a student in
 71.7 a school district or another similar program that provides or arranges for child care,
 71.8 as well as parenting, social services, career and employment supports, and academic
 71.9 support to achieve high school graduation, income must be recalculated when the family's
 71.10 income changes, but otherwise shall be deferred beyond six months, but not to exceed 12
 71.11 months, to the end of the student's school year. Income must be verified with documentary
 71.12 evidence. If the applicant does not have sufficient evidence of income, verification must
 71.13 be obtained from the source of the income.

71.14 **EFFECTIVE DATE.** This section is effective October 15, 2010.

71.15 Sec. 3. Minnesota Statutes 2008, section 119B.11, subdivision 1, is amended to read:

71.16 Subdivision 1. **County contributions required.** (a) In addition to payments from
 71.17 basic sliding fee child care program participants, each county shall contribute from county
 71.18 tax or other sources a ~~fixed local match~~ maintenance of effort equal to its calendar year
 71.19 1996 required county contribution reduced by the administrative funding loss that would
 71.20 have occurred in state fiscal year 1996 under section 119B.15, except the maintenance of
 71.21 effort for a county must be equal to at least 1.1 percent of the county's basic sliding fee
 71.22 direct services allocation for the previous calendar year and no greater than six percent
 71.23 of the county's basic sliding fee direct services allocation for the previous calendar year.
 71.24 The commissioner shall recover funds from the county as necessary to bring county
 71.25 expenditures into compliance with this subdivision. The commissioner may accept county
 71.26 contributions, including contributions above the ~~fixed local match~~ county maintenance of
 71.27 effort, in order to make state payments.

71.28 (b) The commissioner may accept payments from counties to:

71.29 (1) fulfill the county contribution as required under subdivision 1;

71.30 (2) pay for services authorized under this chapter beyond those paid for with federal
 71.31 or state funds or with the required county contributions; or

71.32 (3) pay for child care services in addition to those authorized under this chapter, as
 71.33 authorized under other federal, state, or local statutes or regulations.

71.34 (c) The county payments must be deposited in an account in the special revenue
 71.35 fund. Money in this account is appropriated to the commissioner for child care assistance

72.1 under this chapter and other applicable statutes and regulations and is in addition to other
72.2 state and federal appropriations.

72.3 **EFFECTIVE DATE.** This section is effective January 1, 2011.

72.4 Sec. 4. Minnesota Statutes 2008, section 256D.0515, is amended to read:

72.5 **256D.0515 ASSET LIMITATIONS FOR FOOD STAMP HOUSEHOLDS.**

72.6 All food stamp households must be determined eligible for the benefit discussed
72.7 under section 256.029. Food stamp households must demonstrate that:

72.8 ~~(1) their gross income meets the federal Food Stamp requirements under United~~
72.9 ~~States Code, title 7, section 2014(c); and is equal to or less than 165 percent of the federal~~
72.10 ~~poverty guidelines for the same family size.~~

72.11 ~~(2) they have financial resources, excluding vehicles, of less than \$7,000.~~

72.12 Sec. 5. Minnesota Statutes 2008, section 256J.20, subdivision 3, is amended to read:

72.13 Subd. 3. **Other property limitations.** To be eligible for MFIP, the equity value of
72.14 all nonexcluded real and personal property of the assistance unit must not exceed \$2,000
72.15 for applicants and \$5,000 for ongoing participants. The value of assets in clauses (1) to
72.16 (19) must be excluded when determining the equity value of real and personal property:

72.17 (1) a licensed vehicle up to a loan value of less than or equal to ~~\$15,000~~ \$7,500. ~~If the~~
72.18 ~~assistance unit owns more than one licensed vehicle, the county agency shall determine the~~
72.19 ~~loan value of all additional vehicles and exclude the combined loan value of less than or~~
72.20 ~~equal to \$7,500.~~ The county agency shall apply any excess loan value as if it were equity
72.21 value to the asset limit described in this section; If the assistance unit owns more than
72.22 one licensed vehicle, the county agency shall determine the vehicle with the highest loan
72.23 value and count only the loan value over \$7,500, excluding: (i) the value of one vehicle
72.24 per physically disabled person when the vehicle is needed to transport the disabled unit
72.25 member; this exclusion does not apply to mentally disabled people; (ii) the value of special
72.26 equipment for a disabled member of the assistance unit; and (iii) any vehicle used for
72.27 long-distance travel, other than daily commuting, for the employment of a unit member.

72.28 The county agency shall count the loan value of all other vehicles and apply this
72.29 amount as if it were equity value to the asset limit described in this section. To establish the
72.30 loan value of vehicles, a county agency must use the N.A.D.A. Official Used Car Guide,
72.31 Midwest Edition, for newer model cars. When a vehicle is not listed in the guidebook,
72.32 or when the applicant or participant disputes the loan value listed in the guidebook as
72.33 unreasonable given the condition of the particular vehicle, the county agency may require

- 73.1 the applicant or participant document the loan value by securing a written statement from
73.2 a motor vehicle dealer licensed under section 168.27, stating the amount that the dealer
73.3 would pay to purchase the vehicle. The county agency shall reimburse the applicant or
73.4 participant for the cost of a written statement that documents a lower loan value;
- 73.5 (2) the value of life insurance policies for members of the assistance unit;
- 73.6 (3) one burial plot per member of an assistance unit;
- 73.7 (4) the value of personal property needed to produce earned income, including
73.8 tools, implements, farm animals, inventory, business loans, business checking and
73.9 savings accounts used at least annually and used exclusively for the operation of a
73.10 self-employment business, and any motor vehicles if at least 50 percent of the vehicle's use
73.11 is to produce income and if the vehicles are essential for the self-employment business;
- 73.12 (5) the value of personal property not otherwise specified which is commonly
73.13 used by household members in day-to-day living such as clothing, necessary household
73.14 furniture, equipment, and other basic maintenance items essential for daily living;
- 73.15 (6) the value of real and personal property owned by a recipient of Supplemental
73.16 Security Income or Minnesota supplemental aid;
- 73.17 (7) the value of corrective payments, but only for the month in which the payment
73.18 is received and for the following month;
- 73.19 (8) a mobile home or other vehicle used by an applicant or participant as the
73.20 applicant's or participant's home;
- 73.21 (9) money in a separate escrow account that is needed to pay real estate taxes or
73.22 insurance and that is used for this purpose;
- 73.23 (10) money held in escrow to cover employee FICA, employee tax withholding,
73.24 sales tax withholding, employee worker compensation, business insurance, property rental,
73.25 property taxes, and other costs that are paid at least annually, but less often than monthly;
- 73.26 (11) monthly assistance payments for the current month's or short-term emergency
73.27 needs under section 256J.626, subdivision 2;
- 73.28 (12) the value of school loans, grants, or scholarships for the period they are
73.29 intended to cover;
- 73.30 (13) payments listed in section 256J.21, subdivision 2, clause (9), which are held
73.31 in escrow for a period not to exceed three months to replace or repair personal or real
73.32 property;
- 73.33 (14) income received in a budget month through the end of the payment month;
- 73.34 (15) savings from earned income of a minor child or a minor parent that are set aside
73.35 in a separate account designated specifically for future education or employment costs;

74.1 (16) the federal earned income credit, Minnesota working family credit, state and
 74.2 federal income tax refunds, state homeowners and renters credits under chapter 290A,
 74.3 property tax rebates and other federal or state tax rebates in the month received and the
 74.4 following month;

74.5 (17) payments excluded under federal law as long as those payments are held in a
 74.6 separate account from any nonexcluded funds;

74.7 (18) the assets of children ineligible to receive MFIP benefits because foster care or
 74.8 adoption assistance payments are made on their behalf; and

74.9 (19) the assets of persons whose income is excluded under section 256J.21,
 74.10 subdivision 2, clause (43).

74.11 **EFFECTIVE DATE.** This section is effective October 1, 2010.

74.12 Sec. 6. Minnesota Statutes 2008, section 256J.24, subdivision 10, is amended to read:

74.13 Subd. 10. **MFIP exit level.** The commissioner shall adjust the MFIP earned income
 74.14 disregard to ensure that most participants do not lose eligibility for MFIP until their
 74.15 income reaches at least ~~115~~ 110 percent of the federal poverty guidelines in effect ~~in~~
 74.16 ~~October of each fiscal year~~ at the time of the adjustment. The adjustment to the disregard
 74.17 shall be based on a household size of three, and the resulting earned income disregard
 74.18 percentage must be applied to all household sizes. The adjustment under this subdivision
 74.19 must be implemented ~~at the same time as the October food stamp or~~ whenever there is a
 74.20 food support ~~cost-of-living~~ adjustment is reflected in the food portion of MFIP transitional
 74.21 standard as required under subdivision 5a.

74.22 **EFFECTIVE DATE.** This section is effective October 1, 2010.

74.23 Sec. 7. Minnesota Statutes 2008, section 256J.37, subdivision 3a, is amended to read:

74.24 Subd. 3a. **Rental subsidies; unearned income.** (a) ~~Effective July 1, 2003,~~ The
 74.25 county agency shall count ~~\$50~~ \$100 of the value of public and assisted rental subsidies
 74.26 provided through the Department of Housing and Urban Development (HUD) as unearned
 74.27 income to the cash portion of the MFIP grant. The full amount of the subsidy must be
 74.28 counted as unearned income when the subsidy is less than ~~\$50~~ \$100. The income from
 74.29 this subsidy shall be budgeted according to section 256J.34.

74.30 (b) The provisions of this subdivision shall not apply to an MFIP assistance unit
 74.31 which includes a participant who is:

74.32 (1) age 60 or older;

75.1 (2) a caregiver who is suffering from an illness, injury, or incapacity that has been
 75.2 certified by a qualified professional when the illness, injury, or incapacity is expected
 75.3 to continue for more than 30 days and prevents the person from obtaining or retaining
 75.4 employment; or

75.5 (3) a caregiver whose presence in the home is required due to the illness or
 75.6 incapacity of another member in the assistance unit, a relative in the household, or a foster
 75.7 child in the household when the illness or incapacity and the need for the participant's
 75.8 presence in the home has been certified by a qualified professional and is expected to
 75.9 continue for more than 30 days.

75.10 (c) The provisions of this subdivision shall not apply to an MFIP assistance unit
 75.11 where the parental caregiver is an SSI recipient.

75.12 (d) Prior to implementing this provision, the commissioner must identify the MFIP
 75.13 participants subject to this provision and provide written notice to these participants at
 75.14 least 30 days before the first grant reduction. The notice must inform the participant of the
 75.15 basis for the potential grant reduction, the exceptions to the provision, if any, and inform
 75.16 the participant of the steps necessary to claim an exception. A person who is found not to
 75.17 meet one of the exceptions to the provision must be notified and informed of the right to a
 75.18 fair hearing under section 256J.40. The notice must also inform the participant that the
 75.19 participant may be eligible for a rent reduction resulting from a reduction in the MFIP
 75.20 grant and encourage the participant to contact the local housing authority.

75.21 **EFFECTIVE DATE.** This section is effective October 1, 2010.

75.22 Sec. 8. Minnesota Statutes 2009 Supplement, section 256J.425, subdivision 3, is
 75.23 amended to read:

75.24 Subd. 3. **Hard-to-employ participants.** (a) An assistance unit subject to the time
 75.25 limit in section 256J.42, subdivision 1, is eligible to receive months of assistance under
 75.26 a hardship extension if the participant who reached the time limit belongs to any of the
 75.27 following groups:

75.28 (1) a person who is diagnosed by a licensed physician, psychological practitioner, or
 75.29 other qualified professional, as developmentally disabled or mentally ill, and the condition
 75.30 severely limits the person's ability to obtain or maintain suitable employment;

75.31 (2) a person who:

75.32 (i) has been assessed by a vocational specialist or the county agency to be
 75.33 unemployable for purposes of this subdivision; or

75.34 (ii) has an IQ below 80 who has been assessed by a vocational specialist or a county
 75.35 agency to be employable, but the condition severely limits the person's ability to obtain or

76.1 maintain suitable employment. The determination of IQ level must be made by a qualified
76.2 professional. In the case of a non-English-speaking person: (A) the determination must
76.3 be made by a qualified professional with experience conducting culturally appropriate
76.4 assessments, whenever possible; (B) the county may accept reports that identify an
76.5 IQ range as opposed to a specific score; (C) these reports must include a statement of
76.6 confidence in the results;

76.7 (3) a person who is determined by a qualified professional to be learning disabled,
76.8 and the condition severely limits the person's ability to obtain or maintain suitable
76.9 employment. For purposes of the initial approval of a learning disability extension, the
76.10 determination must have been made or confirmed within the previous 12 months. In the
76.11 case of a non-English-speaking person: (i) the determination must be made by a qualified
76.12 professional with experience conducting culturally appropriate assessments, whenever
76.13 possible; and (ii) these reports must include a statement of confidence in the results. If a
76.14 rehabilitation plan for a participant extended as learning disabled is developed or approved
76.15 by the county agency, the plan must be incorporated into the employment plan. However,
76.16 a rehabilitation plan does not replace the requirement to develop and comply with an
76.17 employment plan under section 256J.521; or

76.18 (4) a person who has been granted a family violence waiver, and who is complying
76.19 with an employment plan under section 256J.521, subdivision 3.

76.20 (b) For purposes of this ~~section~~ chapter, "severely limits the person's ability to obtain
76.21 or maintain suitable employment" means:

76.22 (1) that a qualified professional has determined that the person's condition prevents
76.23 the person from working 20 or more hours per week; or

76.24 (2) for a person who meets the requirements of paragraph (a), clause (2), item (ii), or
76.25 clause (3), a qualified professional has determined the person's condition:

76.26 (i) significantly restricts the range of employment that the person is able to perform;

76.27 or

76.28 (ii) significantly interferes with the person's ability to obtain or maintain suitable
76.29 employment for 20 or more hours per week.

76.30 **Sec. 9. QUALITY RATING SYSTEM TRAINING, COACHING,**
76.31 **CONSULTATION, AND SUPPORTS.**

76.33 development funds used for grants under Minnesota Statutes, section 119B.21, in fiscal
76.34 year 2011 for the purpose of providing statewide child care provider training, coaching,
76.35 consultation, and supports to prepare for the voluntary Minnesota quality rating system.

77.1 This is a onetime appropriation. In addition, to the extent that private funds are made
77.2 available, the commissioner shall designate those funds for this purpose.

77.3 Sec. 10. **CHILD CARE ASSISTANCE REDETERMINATION OF ELIGIBILITY**
77.4 **AND INFORMATION VERIFICATION.**

77.5 The commissioner of human services shall use existing resources to implement
77.6 the changes in this act related to child care assistance redetermination of eligibility and
77.7 information verification under Minnesota Statutes, sections 119B.025, subdivision 1, and
77.8 119B.09, subdivision 4.

82.29 and assessments. The commissioner may require each group purchaser to submit any
82.30 other data, including data in unaggregated form, for the purposes of developing spending

107.27 exchange service provider to continue to deliver health information exchange services.

107.28 Reasonable notice in writing shall be given to the health information exchange
107.29 service provider of the intent to levy the penalty and the reasons for them. A health

108.1 who appear to be involved in the suspected violation, to arrange a voluntary conference
108.2 with the alleged violators or their authorized representatives. The purpose of the
108.3 conference is to attempt to learn the facts about the suspected violation and if it appears
108.4 that a violation has occurred or is threatened, to find a way to correct or prevent it. The
108.5 conference is not governed by any formal procedural requirements and may be conducted
108.6 as the commissioner considers appropriate.

108.7 (c) The commissioner may issue an order directing a health information exchange
108.8 service provider or a representative of a health information exchange service provider to
108.9 cease and desist from engaging in any act or practice in violation of this section and
108.10 section 62J.4981.

108.11 (d) Within 20 days after service of the order to cease and desist, a health information

108.14 provisions of sections 14.57 to 14.69.

108.15 (e) In the event of noncompliance with a cease and desist order issued under this

120.4 consider the prevalence of the health conditions, the cost of treating the health conditions,
120.5 and the potential for innovations to reduce cost and improve quality.

120.6 (b) The commissioner shall convene one or more work groups to assist in

254B.02 CHEMICAL DEPENDENCY ALLOCATION PROCESS.

Subd. 2. **County adjustment; maximum allocation.** The commissioner shall determine the state money used by each county in fiscal year 1986, using all state data sources. If available records do not provide specific chemical dependency expenditures for every county, the commissioner shall determine the amount of state money using estimates based on available data. In state fiscal year 1988, a county must not be allocated more than 150 percent of the state money spent by or on behalf of the county in fiscal year 1986 for chemical dependency treatment services eligible for payment under section 254B.05 but not including expenditures made for persons eligible for placement under section 254B.09, subdivision 6. The allocation maximums must be increased by 25 percent each year. After fiscal year 1992, there must be no allocation maximum. The commissioner shall reallocate the excess over the maximum to counties allocated less than the fiscal year 1986 state money, using the following process:

(a) The allocation is divided by 1986 state expenditures to determine percentage of prior expenditure, and counties are ranked by percentage of prior expenditure less expenditures for persons eligible for placement under section 254B.09, subdivision 6.

(b) The allocation of the lowest ranked county is raised to the same percentage of prior expenditure as the second lowest ranked county. The allocation of these two counties is then raised to the percentage of prior expenditures of the third lowest ranked county.

(c) The operations under paragraph (b) are repeated with each county by ranking until the money in excess of the allocation maximum has been allocated.

Subd. 3. **Reserve account.** The commissioner shall allocate money from the reserve account to counties that, during the current fiscal year, have met or exceeded the base level of expenditures for eligible chemical dependency services from local money. The commissioner shall establish the base level for fiscal year 1988 as the amount of local money used for eligible services in calendar year 1986. In later years, the base level must be increased in the same proportion as state appropriations to implement Laws 1986, chapter 394, sections 8 to 20, are increased. The base level must be decreased if the fund balance from which allocations are made under section 254B.02, subdivision 1, is decreased in later years. The local match rate for the reserve account is the same rate as applied to the initial allocation. Reserve account payments must not be included when calculating the county adjustments made according to subdivision 2. For counties providing medical assistance or general assistance medical care through managed care plans on January 1, 1996, the base year is fiscal year 1995. For counties beginning provision of managed care after January 1, 1996, the base year is the most recent fiscal year before enrollment in managed care begins. For counties providing managed care, the base level will be increased or decreased in proportion to changes in the fund balance from which allocations are made under subdivision 2, but will be additionally increased or decreased in proportion to the change in county adjusted population made in subdivision 1, paragraphs (b) and (c). Effective July 1, 2001, at the end of each biennium, any funds deposited in the reserve account funds in excess of those needed to meet obligations incurred under this section and sections 254B.06 and 254B.09 shall cancel to the general fund.

Subd. 4. **Allocation spending limits.** Money allocated according to subdivision 1 and section 254B.09, subdivision 4, is available for payments for up to two years. The commissioner shall deduct payments from the most recent year allocation in which money is available. Allocations under this section that are not used within two years must be reallocated to the reserve account for payments under subdivision 3. Allocations under section 254B.09, subdivision 4, that are not used within two years must be reallocated for payments under section 254B.09, subdivision 5.

254B.09 INDIAN RESERVATION ALLOCATION OF CHEMICAL DEPENDENCY FUND.

Subd. 4. **Tribal allocation.** Eighty-five percent of the American Indian chemical dependency tribal account must be allocated to the federally recognized American Indian tribal governing bodies that have entered into an agreement under subdivision 2 as follows: \$10,000 must be allocated to each governing body and the remainder must be allocated in direct proportion to the population of the reservation according to the most recently available estimates from the federal Bureau of Indian Affairs. When a tribal governing body has not entered into an agreement with the commissioner under subdivision 2, the county may use funds allocated to the reservation to pay for chemical dependency services for a current resident of the county and of the reservation.

APPENDIX

Repealed Minnesota Statutes: H2614-1

Subd. 5. **Tribal reserve account.** The commissioner shall reserve 15 percent of the American Indian chemical dependency tribal account. The reserve must be allocated to those tribal units that have used all money allocated under subdivision 4 according to agreements made under subdivision 2 and to counties submitting invoices for American Indians under subdivision 1 when all money allocated under subdivision 4 has been used. An American Indian tribal governing body or a county submitting invoices under subdivision 1 may receive not more than 30 percent of the reserve account in a year. The commissioner may refuse to make reserve payments for persons not eligible under section 254B.04, subdivision 1, if the tribal governing body responsible for treatment placement has exhausted its allocation. Money must be allocated as invoices are received.

Subd. 7. **Nonreservation Indian account.** The nonreservation American Indian chemical dependency allocation must be held in reserve by the commissioner in an account for treatment of Indians not residing on lands of a reservation receiving money under subdivision 4. This money must be used to pay for services certified by county invoice to have been provided to an American Indian eligible recipient. Money allocated under this subdivision may be used for payments on behalf of American Indian county residents only if, in addition to other placement standards, the county certifies that the placement was appropriate to the cultural orientation of the client. Any funds for treatment of nonreservation Indians remaining at the end of a fiscal year shall be reallocated under section 254B.02.

256D.03 RESPONSIBILITY TO PROVIDE GENERAL ASSISTANCE.

Subd. 3. **General assistance medical care; eligibility.** (a) General assistance medical care may be paid for any person who is not eligible for medical assistance under chapter 256B, including eligibility for medical assistance based on a spenddown of excess income according to section 256B.056, subdivision 5, or MinnesotaCare for applicants and recipients defined in paragraph (c), except as provided in paragraph (d), and:

(1) who is receiving assistance under section 256D.05, except for families with children who are eligible under Minnesota family investment program (MFIP), or who is having a payment made on the person's behalf under sections 256I.01 to 256I.06; or

(2) who is a resident of Minnesota; and

(i) who has gross countable income not in excess of 75 percent of the federal poverty guidelines for the family size, using a six-month budget period and whose equity in assets is not in excess of \$1,000 per assistance unit. General assistance medical care is not available for applicants or enrollees who are otherwise eligible for medical assistance but fail to verify their assets. Enrollees who become eligible for medical assistance shall be terminated and transferred to medical assistance. Exempt assets, the reduction of excess assets, and the waiver of excess assets must conform to the medical assistance program in section 256B.056, subdivisions 3 and 3d, with the following exception: the maximum amount of undistributed funds in a trust that could be distributed to or on behalf of the beneficiary by the trustee, assuming the full exercise of the trustee's discretion under the terms of the trust, must be applied toward the asset maximum; or

(ii) who has gross countable income above 75 percent of the federal poverty guidelines but not in excess of 175 percent of the federal poverty guidelines for the family size, using a six-month budget period, whose equity in assets is not in excess of the limits in section 256B.056, subdivision 3c, and who applies during an inpatient hospitalization.

(b) The commissioner shall adjust the income standards under this section each July 1 by the annual update of the federal poverty guidelines following publication by the United States Department of Health and Human Services.

(c) Effective for applications and renewals processed on or after September 1, 2006, general assistance medical care may not be paid for applicants or recipients who are adults with dependent children under 21 whose gross family income is equal to or less than 275 percent of the federal poverty guidelines who are not described in paragraph (f).

(d) Effective for applications and renewals processed on or after September 1, 2006, general assistance medical care may be paid for applicants and recipients who meet all eligibility requirements of paragraph (a), clause (2), item (i), for a temporary period beginning the date of application. Immediately following approval of general assistance medical care, enrollees shall be enrolled in MinnesotaCare under section 256L.04, subdivision 7, with covered services as provided in section 256L.03 for the rest of the six-month general assistance medical care eligibility period, until their six-month renewal.

(e) To be eligible for general assistance medical care following enrollment in MinnesotaCare as required by paragraph (d), an individual must complete a new application.

APPENDIX

Repealed Minnesota Statutes: H2614-1

(f) Applicants and recipients eligible under paragraph (a), clause (2), item (i), are exempt from the MinnesotaCare enrollment requirements in this subdivision if they:

(1) have applied for and are awaiting a determination of blindness or disability by the state medical review team or a determination of eligibility for Supplemental Security Income or Social Security Disability Insurance by the Social Security Administration;

(2) fail to meet the requirements of section 256L.09, subdivision 2;

(3) are homeless as defined by United States Code, title 42, section 11301, et seq.;

(4) are classified as end-stage renal disease beneficiaries in the Medicare program;

(5) are enrolled in private health care coverage as defined in section 256B.02, subdivision 9;

(6) are eligible under paragraph (k);

(7) receive treatment funded pursuant to section 254B.02; or

(8) reside in the Minnesota sex offender program defined in chapter 246B.

(g) For applications received on or after October 1, 2003, eligibility may begin no earlier than the date of application. For individuals eligible under paragraph (a), clause (2), item (i), a redetermination of eligibility must occur every 12 months. Individuals are eligible under paragraph (a), clause (2), item (ii), only during inpatient hospitalization but may reapply if there is a subsequent period of inpatient hospitalization.

(h) Beginning September 1, 2006, Minnesota health care program applications and renewals completed by recipients and applicants who are persons described in paragraph (d) and submitted to the county agency shall be determined for MinnesotaCare eligibility by the county agency. If all other eligibility requirements of this subdivision are met, eligibility for general assistance medical care shall be available in any month during which MinnesotaCare enrollment is pending. Upon notification of eligibility for MinnesotaCare, notice of termination for eligibility for general assistance medical care shall be sent to an applicant or recipient. If all other eligibility requirements of this subdivision are met, eligibility for general assistance medical care shall be available until enrollment in MinnesotaCare subject to the provisions of paragraphs (d), (f), and (g).

(i) The date of an initial Minnesota health care program application necessary to begin a determination of eligibility shall be the date the applicant has provided a name, address, and Social Security number, signed and dated, to the county agency or the Department of Human Services. If the applicant is unable to provide a name, address, Social Security number, and signature when health care is delivered due to a medical condition or disability, a health care provider may act on an applicant's behalf to establish the date of an initial Minnesota health care program application by providing the county agency or Department of Human Services with provider identification and a temporary unique identifier for the applicant. The applicant must complete the remainder of the application and provide necessary verification before eligibility can be determined. The applicant must complete the application within the time periods required under the medical assistance program as specified in Minnesota Rules, parts 9505.0015, subpart 5, and 9505.0090, subpart 2. The county agency must assist the applicant in obtaining verification if necessary.

(j) County agencies are authorized to use all automated databases containing information regarding recipients' or applicants' income in order to determine eligibility for general assistance medical care or MinnesotaCare. Such use shall be considered sufficient in order to determine eligibility and premium payments by the county agency.

(k) General assistance medical care is not available for a person in a correctional facility unless the person is detained by law for less than one year in a county correctional or detention facility as a person accused or convicted of a crime, or admitted as an inpatient to a hospital on a criminal hold order, and the person is a recipient of general assistance medical care at the time the person is detained by law or admitted on a criminal hold order and as long as the person continues to meet other eligibility requirements of this subdivision.

(l) General assistance medical care is not available for applicants or recipients who do not cooperate with the county agency to meet the requirements of medical assistance.

(m) In determining the amount of assets of an individual eligible under paragraph (a), clause (2), item (i), there shall be included any asset or interest in an asset, including an asset excluded under paragraph (a), that was given away, sold, or disposed of for less than fair market value within the 60 months preceding application for general assistance medical care or during the period of eligibility. Any transfer described in this paragraph shall be presumed to have been for the purpose of establishing eligibility for general assistance medical care, unless the individual furnishes convincing evidence to establish that the transaction was exclusively for another purpose. For purposes of this paragraph, the value of the asset or interest shall be the fair market value at the time it was given away, sold, or disposed of, less the amount of compensation received. For any uncompensated transfer, the number of months of ineligibility, including partial

APPENDIX

Repealed Minnesota Statutes: H2614-1

months, shall be calculated by dividing the uncompensated transfer amount by the average monthly per person payment made by the medical assistance program to skilled nursing facilities for the previous calendar year. The individual shall remain ineligible until this fixed period has expired. The period of ineligibility may exceed 30 months, and a reapplication for benefits after 30 months from the date of the transfer shall not result in eligibility unless and until the period of ineligibility has expired. The period of ineligibility begins in the month the transfer was reported to the county agency, or if the transfer was not reported, the month in which the county agency discovered the transfer, whichever comes first. For applicants, the period of ineligibility begins on the date of the first approved application.

(n) When determining eligibility for any state benefits under this subdivision, the income and resources of all noncitizens shall be deemed to include their sponsor's income and resources as defined in the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, title IV, Public Law 104-193, sections 421 and 422, and subsequently set out in federal rules.

(o) Undocumented noncitizens and nonimmigrants are ineligible for general assistance medical care. For purposes of this subdivision, a nonimmigrant is an individual in one or more of the classes listed in United States Code, title 8, section 1101, subsection (a), paragraph (15), and an undocumented noncitizen is an individual who resides in the United States without the approval or acquiescence of the United States Citizenship and Immigration Services.

(p) Notwithstanding any other provision of law, a noncitizen who is ineligible for medical assistance due to the deeming of a sponsor's income and resources, is ineligible for general assistance medical care.

(q) Effective July 1, 2003, general assistance medical care emergency services end.

Subd. 3a. **Claims; assignment of benefits.** Claims must be filed pursuant to section 256D.16. General assistance medical care applicants and recipients must apply or agree to apply third party health and accident benefits to the costs of medical care. They must cooperate with the state in establishing paternity and obtaining third party payments. By accepting general assistance, a person assigns to the Department of Human Services all rights to medical support or payments for medical expenses from another person or entity on their own or their dependent's behalf and agrees to cooperate with the state in establishing paternity and obtaining third party payments. The application shall contain a statement explaining the assignment. Any rights or amounts assigned shall be applied against the cost of medical care paid for under this chapter. An assignment is effective on the date general assistance medical care eligibility takes effect.

Subd. 3b. **Cooperation.** (a) General assistance or general assistance medical care applicants and recipients must cooperate with the state and local agency to identify potentially liable third-party payors and assist the state in obtaining third-party payments. Cooperation includes identifying any third party who may be liable for care and services provided under this chapter to the applicant, recipient, or any other family member for whom application is made and providing relevant information to assist the state in pursuing a potentially liable third party. General assistance medical care applicants and recipients must cooperate by providing information about any group health plan in which they may be eligible to enroll. They must cooperate with the state and local agency in determining if the plan is cost-effective. For purposes of this subdivision, coverage provided by the Minnesota Comprehensive Health Association under chapter 62E shall not be considered group health plan coverage or cost-effective by the state and local agency. If the plan is determined cost-effective and the premium will be paid by the state or local agency or is available at no cost to the person, they must enroll or remain enrolled in the group health plan. Cost-effective insurance premiums approved for payment by the state agency and paid by the local agency are eligible for reimbursement according to subdivision 6.

(b) Effective for all premiums due on or after June 30, 1997, general assistance medical care does not cover premiums that a recipient is required to pay under a qualified or Medicare supplement plan issued by the Minnesota Comprehensive Health Association. General assistance medical care shall continue to cover premiums for recipients who are covered under a plan issued by the Minnesota Comprehensive Health Association on June 30, 1997, for a period of six months following receipt of the notice of termination or until December 31, 1997, whichever is later.

Subd. 5. **Certain county agencies to pay state for county share.** The county agencies that contract with the commissioner of human services for state administration of general assistance medical care payments shall make payment to the state for the county share of those payments in the manner described for medical assistance advances in section 256B.041, subdivision 5.

Subd. 6. **Division of costs.** The state share of county agency expenditures for general assistance medical care shall be 100 percent. Payments made under this subdivision shall be made according to sections 256B.041, subdivision 5 and 256B.19, subdivision 1. In counties where a

APPENDIX

Repealed Minnesota Statutes: H2614-1

pilot or demonstration project is operated for general assistance medical care services, the state may pay 100 percent of the costs of administering the pilot or demonstration project.

Notwithstanding any provision to the contrary, beginning July 1, 1991, the state shall pay 100 percent of the costs for centralized claims processing by the Department of Administration relative to claims beginning January 1, 1991, and submitted on behalf of general assistance medical care recipients by vendors in the general assistance medical care program.

Beginning July 1, 1991, the state shall reimburse counties up to the limit of state appropriations for general assistance medical care common carrier transportation and related travel expenses provided for medical purposes after December 31, 1990. For purposes of this subdivision, transportation shall have the meaning given it in Code of Federal Regulations, title 42, section 440.170(a), as amended through October 1, 1987, and travel expenses shall have the meaning given in Code of Federal Regulations, title 42, section 440.170(a)(3), as amended through October 1, 1987.

The county shall ensure that only the least costly most appropriate transportation and travel expenses are used. The state may enter into volume purchase contracts, or use a competitive bidding process, whenever feasible, to minimize the costs of transportation services. If the state has entered into a volume purchase contract or used the competitive bidding procedures of chapter 16C to arrange for transportation services, the county may be required to use such arrangements to be eligible for state reimbursement for general assistance medical care common carrier transportation and related travel expenses provided for medical purposes.

In counties where prepaid health plans are under contract to the commissioner to provide services to general assistance medical care recipients, the cost of court ordered treatment that does not include diagnostic evaluation, recommendation, or referral for treatment by the prepaid health plan is the responsibility of the county of financial responsibility.

Subd. 7. Duties of the commissioner. The commissioner shall promulgate rules as necessary to establish:

(a) standards of eligibility, utilization of services, and payment levels;

(b) standards for quality assurance, surveillance, and utilization review procedures that conform to those established for the medical assistance program pursuant to chapter 256B, including general criteria and procedures for the identification and prompt investigation of suspected fraud, theft, abuse, presentment of false or duplicate claims, presentment of claims for services not medically necessary, or false statements or representations of material facts by a vendor or recipient of general assistance medical care, and for the imposition of sanctions against such vendor or recipient of medical care. The rules relating to sanctions shall be consistent with the provisions of section 256B.064, subdivisions 1a and 2; and

(c) administrative and fiscal procedures for payment of the state share of the medical costs incurred by the counties under section 256D.02, subdivision 4a. Rules promulgated pursuant to this clause may include: (1) procedures by which state liability for the costs of medical care incurred pursuant to section 256D.02, subdivision 4a may be deducted from county liability to the state under any other public assistance program authorized by law; (2) procedures for processing claims of counties for reimbursement by the state for expenditures for medical care made by the counties pursuant to section 256D.02, subdivision 4a; and (3) procedures by which the county agencies may contract with the commissioner of human services for state administration of general assistance medical care payments.

Subd. 8. Private insurance policies. (a) Private accident and health care coverage for medical services is primary coverage and must be exhausted before general assistance medical care is paid. When a person who is otherwise eligible for general assistance medical care has private accident or health care coverage, including a prepaid health plan, the private health care benefits available to the person must be used first and to the fullest extent. General assistance medical care payment will not be made when either covered charges are paid in full by a third party or the provider has an agreement to accept payment for less than charges as payment in full. Payment for patients that are simultaneously covered by general assistance medical care and a liable third party other than Medicare will be determined as the lesser of clauses (1) to (3):

(1) the patient liability according to the provider/insurer agreement;

(2) covered charges minus the third party payment amount; or

(3) the general assistance medical care rate minus the third party payment amount.

A negative difference will not be implemented.

(b) When a parent or a person with an obligation of support has enrolled in a prepaid health care plan under section 518A.41, subdivision 1, the commissioner of human services shall limit the recipient of general assistance medical care to the benefits payable under that prepaid health care plan to the extent that services available under general assistance medical care are also available under the prepaid health care plan.

APPENDIX

Repealed Minnesota Statutes: H2614-1

(c) Upon furnishing general assistance medical care or general assistance to any person having private accident or health care coverage, or having a cause of action arising out of an occurrence that necessitated the payment of assistance, the state agency shall be subrogated, to the extent of the cost of medical care, subsistence, or other payments furnished, to any rights the person may have under the terms of the coverage or under the cause of action. For purposes of this subdivision, "state agency" includes prepaid health plans under contract with the commissioner according to subdivision 4, paragraph (c), and sections 256B.69 and 256L.12; children's mental health collaboratives under section 245.493; demonstration projects for persons with disabilities under section 256B.77; nursing homes under the alternative payment demonstration project under section 256B.434; and county-based purchasing entities under section 256B.692.

This right of subrogation includes all portions of the cause of action, notwithstanding any settlement allocation or apportionment that purports to dispose of portions of the cause of action not subject to subrogation.

(d) To recover under this section, the attorney general may institute or join a civil action to enforce the subrogation rights the commissioner established under this section.

Any prepaid health plan providing services under subdivision 4, paragraph (c), and sections 256B.69 and 256L.12; children's mental health collaboratives under section 245.493; demonstration projects for persons with disabilities under section 256B.77; nursing homes under the alternative payment demonstration project under section 256B.434; or the county-based purchasing entity providing services under section 256B.692 may retain legal representation to enforce the subrogation rights created under this section or, if no action has been brought, may initiate and prosecute an independent action on their behalf against a person, firm, or corporation that may be liable to the person to whom the care or payment was furnished.

(e) The state agency must be given notice of monetary claims against a person, firm, or corporation that may be liable in damages, or otherwise obligated to pay part or all of the costs related to an injury when the state agency has paid or become liable for the cost of care or payments related to the injury. Notice must be given as follows:

(i) Applicants for general assistance or general assistance medical care shall notify the state or county agency of any possible claims when they submit the application. Recipients of general assistance or general assistance medical care shall notify the state or county agency of any possible claims when those claims arise.

(ii) A person providing medical care services to a recipient of general assistance medical care shall notify the state agency when the person has reason to believe that a third party may be liable for payment of the cost of medical care.

(iii) A person who is party to a claim upon which the state agency may be entitled to subrogation under this section shall notify the state agency of its potential subrogation claim before filing a claim, commencing an action, or negotiating a settlement. A person who is a party to a claim includes the plaintiff, the defendants, and any other party to the cause of action.

Notice given to the county agency is not sufficient to meet the requirements of paragraphs (b) and (c).

(f) Upon any judgment, award, or settlement of a cause of action, or any part of it, upon which the state agency has a subrogation right, including compensation for liquidated, unliquidated, or other damages, reasonable costs of collection, including attorney fees, must be deducted first. The full amount of general assistance or general assistance medical care paid to or on behalf of the person as a result of the injury must be deducted next and paid to the state agency. The rest must be paid to the public assistance recipient or other plaintiff. The plaintiff, however, must receive at least one-third of the net recovery after attorney fees and collection costs.

Sec. 26. STATE-COUNTY CHEMICAL HEALTH CARE HOME PILOT PROJECT.

Subd. 3. **Report.** The Department of Human Services shall evaluate the efficacy and feasibility of the pilot projects and report the results of that evaluation to the legislative committees having jurisdiction over chemical health by June 30, 2011. Laws 2010, chapter 200, article 1, section 12 Subdivisions 1, 2, 3, 4, 5, 6, 7, 8, 9,

Sec. 12. [256D.031] GENERAL ASSISTANCE MEDICAL CARE.

Subdivision 1. **Eligibility.** (a) Except as provided under subdivision 2, general assistance medical care may be paid for any individual who is not eligible for medical assistance under chapter 256B, including eligibility for medical assistance based on a spenddown of excess income according to section 256B.056, subdivision 5, and who:

(1) is receiving assistance under section 256D.05, except for families with children who are eligible under the Minnesota family investment program (MFIP), or who is having a payment made on the person's behalf under sections 256I.01 to 256I.06; or

(2) is a resident of Minnesota and has gross countable income not in excess of 75 percent of federal poverty guidelines for the family size, using a six-month budget period, and whose equity in assets is not in excess of \$1,000 per assistance unit.

Exempt assets, the reduction of excess assets, and the waiver of excess assets must conform to the medical assistance program in section 256B.056, subdivisions 3 and 3d, except that the maximum amount of undistributed funds in a trust that could be distributed to or on behalf of the beneficiary by the trustee, assuming the full exercise of the trustee's discretion under the terms of the trust, must be applied toward the asset maximum.

(b) The commissioner shall adjust the income standards under this section each July 1 by the annual update of the federal poverty guidelines following publication by the United States Department of Health and Human Services.

Subd. 2. **Ineligible groups.** (a) General assistance medical care may not be paid for an applicant or a recipient who:

(1) is otherwise eligible for medical assistance but fails to verify the applicant's or recipient's assets;

(2) is an adult in a family with children as defined in section 256L.01, subdivision 3a;

(3) is enrolled in private health coverage as defined in section 256B.02, subdivision 9;

(4) is in a correctional facility, including an individual in a county correctional or detention facility as an individual accused or convicted of a crime, or admitted as an inpatient to a hospital on a criminal hold order;

(5) resides in the Minnesota sex offender program defined in chapter 246B;

(6) does not cooperate with the county agency to meet the requirements of medical assistance; or

(7) does not cooperate with a county or state agency or the state medical review team in determining a disability or for determining eligibility for Supplemental Security Income or Social Security Disability Insurance by the Social Security Administration.

(b) Undocumented noncitizens and nonimmigrants are ineligible for general assistance medical care. For purposes of this subdivision, a nonimmigrant is an individual in one or more of the classes listed in United States Code, title 8, section 1101, subsection (a), paragraph (15), and an undocumented noncitizen is an individual who resides in the United States without approval or acquiescence of the United States Citizenship and Immigration Services.

(c) Notwithstanding any other provision of law, a noncitizen who is ineligible for medical assistance due to the deeming of a sponsor's income and resources is ineligible for general assistance medical care.

(d) General assistance medical care recipients who become eligible for medical assistance shall be terminated from general assistance medical care and transferred to medical assistance.

Subd. 3. **Eligibility and enrollment procedures.** (a) Eligibility for general assistance medical care shall begin no earlier than the date of application. The date of application shall be the date the applicant has provided a name, address, and Social Security number, signed and dated, to the county agency or the Department of Human Services. If the applicant is unable to provide a name, address, Social Security number, and signature when health care is delivered due to a medical condition or disability, a health care provider may act on an applicant's behalf to establish the date of an application by providing the county agency or Department of Human

Services with provider identification and a temporary unique identifier for the applicant. The applicant must complete the remainder of the application and provide necessary verification before eligibility can be determined. The applicant must complete the application within the time periods required under the medical assistance program as specified in Minnesota Rules, parts 9505.0015, subpart 5; and 9505.0090, subpart 2. The county agency must assist the applicant in obtaining verification if necessary.

(b) County agencies are authorized to use all automated databases containing information regarding recipients' or applicants' income in order to determine eligibility for general assistance medical care or MinnesotaCare. Such use shall be considered sufficient in order to determine eligibility and premium payments by the county agency.

(c) In determining the amount of assets of an individual eligible under subdivision 1, paragraph (a), clause (2), there shall be included any asset or interest in an asset, including an asset excluded under subdivision 1, paragraph (a), that was given away, sold, or disposed of for less than fair market value within the 60 months preceding application for general assistance medical care or during the period of eligibility. Any transfer described in this paragraph shall be presumed to have been for the purpose of establishing eligibility for general assistance medical care, unless the individual furnishes convincing evidence to establish that the transaction was exclusively for another purpose. For purposes of this paragraph, the value of the asset or interest shall be the fair market value at the time it was given away, sold, or disposed of, less the amount of compensation received. For any uncompensated transfer, the number of months of ineligibility, including partial months, shall be calculated by dividing the uncompensated transfer amount by the average monthly per person payment made by the medical assistance program to skilled nursing facilities for the previous calendar year. The individual shall remain ineligible until this fixed period has expired. The period of ineligibility may exceed 30 months, and a reapplication for benefits after 30 months from the date of the transfer shall not result in eligibility unless and until the period of ineligibility has expired. The period of ineligibility begins in the month the transfer was reported to the county agency, or if the transfer was not reported, the month in which the county agency discovered the transfer, whichever comes first. For applicants, the period of ineligibility begins on the date of the first approved application.

(d) When determining eligibility for any state benefits under this subdivision, the income and resources of all noncitizens shall be deemed to include the noncitizen's sponsor's income and resources as defined in the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, title IV, Public Law 104-193, sections 421 and 422, and subsequently set out in federal rules.

(e) Applicants and recipients are eligible for general assistance medical care for a six-month eligibility period, unless a change that affects eligibility is reported. Eligibility may be renewed for additional six-month periods. During each six-month eligibility period, recipients who continue to meet the eligibility requirements of this section are not eligible for MinnesotaCare.

inpatient services included in the operating payment rate, and (3) the service is within the scope of practice of the nurse practitioner's license as a registered nurse, as defined in section 148.171;

(17) services of a certified public health nurse or a registered nurse practicing in a public health nursing clinic that is a department of, or that operates under the direct authority of, a unit of government, if the service is within the scope of practice of the public health nurse's license as a registered nurse, as defined in section 148.171;

(18) telemedicine consultations, to the extent they are covered under section 256B.0625, subdivision 3b;

(19) care coordination and patient education services provided by a community health worker according to section 256B.0625, subdivision 49; and

(20) regardless of the number of employees that an enrolled health care provider may have, sign language interpreter services when provided by an enrolled health care provider during the course of providing a direct, person-to-person covered health care service to an enrolled recipient who has a hearing loss and uses interpreting services.

(b) Sex reassignment surgery is not covered under this section.

(c) Outpatient prescription drug coverage is covered in accordance with section 256D.03, subdivision 3.

(d) The following co-payments shall apply for services provided:

(1) \$25 for nonemergency visits to a hospital-based emergency room; and

(2) \$3 per brand-name drug prescription, and \$1 per generic drug prescription, subject to a \$7 per month maximum for prescription drug co-payments. No co-payments shall apply to antipsychotic drugs when used for the treatment of mental illness.

(e) Co-payments shall be limited to one per day per provider for nonemergency visits to a hospital-based emergency room. Recipients of general assistance medical care are responsible for all co-payments in this subdivision. Reimbursement for prescription drugs shall be reduced by the amount of the co-payment until the recipient has reached the \$7 per month maximum for prescription drug co-payments. The provider shall collect the co-payment from the recipient. Providers may not deny services to recipients who are unable to pay the co-payment.

(f) Chemical dependency services that are reimbursed under chapter 254B shall not be reimbursed under general assistance medical care.

(g) Inpatient hospital services that are provided in community behavioral health hospitals operated by state-operated services shall not be reimbursed under general assistance medical care.

Subd. 5. Payment rates and contract modification; April 1, 2010, to May 31, 2010. (a) For the period April 1, 2010, to May 31, 2010, general assistance medical care shall be paid on a fee-for-service basis. Fee-for-service payment rates for services other than outpatient prescription drugs shall be set at 37 percent of the payment rate in effect on March 31, 2010.

(b) Outpatient prescription drugs covered under section 256D.03, subdivision 3, provided on or after April 1, 2010, to May 31, 2010, shall be paid on a fee-for-service basis according to section 256B.0625, subdivisions 13 to 13g.

Subd. 6. Coordinated care delivery systems. (a) Effective June 1, 2010, the commissioner shall contract with hospitals or groups of hospitals that qualify under paragraph (b) and agree to deliver services according to this subdivision. Contracting hospitals shall develop and implement a coordinated care delivery system to provide health care services to individuals who are eligible for general assistance medical care under this section and who either choose to receive services through the coordinated care delivery system or who are enrolled by the commissioner under paragraph (c). The health care services provided by the system must include: (1) the services described in subdivision 4 with the exception of outpatient prescription drug coverage but shall include drugs administered in a clinic or other outpatient setting; or (2) a set of comprehensive and medically necessary health services that the recipients might reasonably require to be maintained in good health and that has been approved by the commissioner, including at a minimum, but not limited to, emergency care, medical transportation services, inpatient hospital and physician care, outpatient health services, preventive health services, mental health services, and prescription drugs administered in a clinic or other outpatient setting. Outpatient prescription drug coverage is covered on a fee-for-service basis in accordance with section 256D.03, subdivision 3, and funded under subdivision 9. A hospital establishing a coordinated care delivery system under this subdivision must ensure that the requirements of this subdivision are met.

(b) A hospital or group of hospitals may contract with the commissioner to develop and implement a coordinated care delivery system as follows:

(1) effective June 1, 2010, a hospital qualifies under this subdivision if: (i) during calendar year 2008, it received fee-for-service payments for services to general assistance medical care recipients (A) equal to or greater than \$1,500,000, or (B) equal to or greater than 1.3 percent of net

APPENDIX

Repealed Minnesota Session Laws: H2614-1

patient revenue; or (ii) a contract with the hospital is necessary to provide geographic access or to ensure that at least 80 percent of enrollees have access to a coordinated care delivery system; and

(2) effective December 1, 2010, a Minnesota hospital not qualified under clause (1) may contract with the commissioner under this subdivision if it agrees to satisfy the requirements of this subdivision.

Participation by hospitals shall become effective quarterly on June 1, September 1, December 1, or March 1. Hospital participation is effective for a period of 12 months and may be renewed for successive 12-month periods.

(c) Applicants and recipients may enroll in any available coordinated care delivery system statewide. If more than one coordinated care delivery system is available, the applicant or recipient shall be allowed to choose among the systems. The commissioner may assign an applicant or recipient to a coordinated care delivery system if no choice is made by the applicant or recipient. The commissioner shall consider a recipient's zip code, city of residence, county of residence, or distance from a participating coordinated care delivery system when determining default assignment. An applicant or recipient may decline enrollment in a coordinated care delivery system. Upon enrollment into a coordinated care delivery system, the recipient must agree to receive all nonemergency services through the coordinated care delivery system. Enrollment in a coordinated care delivery system is for six months and may be renewed for additional six-month periods, except that initial enrollment is for six months or until the end of a recipient's period of general assistance medical care eligibility, whichever occurs first. A recipient who continues to meet the eligibility requirements of this section is not eligible to enroll in MinnesotaCare during a period of enrollment in a coordinated care delivery system. From June 1, 2010, to November 30, 2010, applicants and recipients not enrolled in a coordinated care delivery system may seek services from a hospital eligible for reimbursement under the temporary uncompensated care pool established under subdivision 8. After November 30, 2010, services are available only through a coordinated care delivery system.

(d) The hospital may contract and coordinate with providers and clinics for the delivery of services and shall contract with essential community providers as defined under section 62Q.19, subdivision 1, paragraph (a), clauses (1) and (2), to the extent practicable. If a provider or clinic contracts with a hospital to provide services through the coordinated care delivery system, the provider may not refuse to provide services to any recipient enrolled in the system, and payment for services shall be negotiated with the hospital and paid by the hospital from the system's allocation under subdivision 7.

(e) A coordinated care delivery system must:

(1) provide the covered services required under paragraph (a) to recipients enrolled in the coordinated care delivery system, and comply with the requirements of subdivision 4, paragraphs (b) to (g);

(2) establish a process to monitor enrollment and ensure the quality of care provided; and

(3) in cooperation with counties, coordinate the delivery of health care services with existing homeless prevention, supportive housing, and rent subsidy programs and funding administered by the Minnesota Housing Finance Agency under chapter 462A; and

(4) adopt innovative and cost-effective methods of care delivery and coordination, which may include the use of allied health professionals, telemedicine, patient educators, care coordinators, and community health workers.

(f) The hospital may require a recipient to designate a primary care provider or a primary care clinic. The hospital may limit the delivery of services to a network of providers who have contracted with the hospital to deliver services in accordance with this subdivision, and require a recipient to seek services only within this network. The hospital may also require a referral to a provider before the service is eligible for payment. A coordinated care delivery system is not required to provide payment to a provider who is not employed by or under contract with the system for services provided to a recipient enrolled in the system, except in cases of an emergency. For purposes of this section, emergency services are defined in accordance with Code of Federal Regulations, title 42, section 438.114 (a).

(g) A recipient enrolled in a coordinated care delivery system has the right to appeal to the commissioner according to section 256.045.

(h) The state shall not be liable for the payment of any cost or obligation incurred by the coordinated care delivery system.

(i) The hospital must provide the commissioner with data necessary for assessing enrollment, quality of care, cost, and utilization of services. Each hospital must provide, on a quarterly basis on a form prescribed by the commissioner for each recipient served by the coordinated care delivery system, the services provided, the cost of services provided, and the actual payment amount for the services provided and any other information the commissioner

APPENDIX

Repealed Minnesota Session Laws: H2614-1

deems necessary to claim federal Medicaid match. The commissioner must provide this data to the legislature on a quarterly basis.

(j) Effective June 1, 2010, the provisions of section 256.9695, subdivision 2, paragraph (b), do not apply to general assistance medical care provided under this section.

Subd. 7. Payments; rate setting for the hospital coordinated care delivery system.

(a) Effective for general assistance medical care services, with the exception of outpatient prescription drug coverage, provided on or after June 1, 2010, through a coordinated care delivery system, the commissioner shall allocate the annual appropriation for the coordinated care delivery system to hospitals participating under subdivision 6 in quarterly payments, beginning on the first scheduled warrant on or after June 1, 2010. The payment shall be allocated among all hospitals qualified to participate on the allocation date. Each hospital or group of hospitals shall receive a pro rata share of the allocation based on the hospital's or group of hospitals' calendar year 2008 payments for general assistance medical care services, provided that, for the purposes of this allocation, payments to Hennepin County Medical Center, Regions Hospital, Saint Mary's Medical Center, and University of Minnesota Medical Center, Fairview, shall be weighted at 110 percent of the actual amount. The commissioner may prospectively reallocate payments to participating hospitals on a biannual basis to ensure that final allocations reflect actual coordinated care delivery system enrollment. The 2008 base year shall be updated by one calendar year each June 1, beginning June 1, 2011.

(b) In order to be reimbursed under this section, nonhospital providers of health care services shall contract with one or more hospitals described in paragraph (a) to provide services to general assistance medical care recipients through the coordinated care delivery system established by the hospital. The hospital shall reimburse bills submitted by nonhospital providers participating under this paragraph at a rate negotiated between the hospital and the nonhospital provider.

(c) The commissioner shall apply for federal matching funds under section 256B.199, paragraphs (a) to (d), for expenditures under this subdivision.

(d) Outpatient prescription drug coverage is provided in accordance with section 256D.03, subdivision 3, and paid on a fee-for-service basis under subdivision 9.

Subd. 8. Temporary uncompensated care pool. (a) The commissioner shall establish a temporary uncompensated care pool, effective June 1, 2010. Payments from the pool must be distributed, within the limits of the available appropriation, to hospitals that are not part of a coordinated care delivery system established under subdivision 6.

(b) Hospitals seeking reimbursement from this pool must submit an invoice to the commissioner in a form prescribed by the commissioner for payment for services provided to an applicant or recipient not enrolled in a coordinated care delivery system. A payment amount, as calculated under current law, must be determined, but not paid, for each admission of or service provided to a general assistance medical care recipient on or after June 1, 2010, to November 30, 2010.

(c) The aggregated payment amounts for each hospital must be calculated as a percentage of the total calculated amount for all hospitals.

(d) Distributions from the uncompensated care pool for each hospital must be determined by multiplying the factor in paragraph (c) by the amount of money in the uncompensated care pool that is available for the six-month period.

(e) The commissioner shall apply for federal matching funds under section 256B.199, paragraphs (a) to (d), for expenditures under this subdivision.

(f) Outpatient prescription drugs are not eligible for payment under this subdivision.

Subd. 9. Prescription drug pool. (a) The commissioner shall establish an outpatient prescription drug pool, effective June 1, 2010. Money in the pool must be used to reimburse pharmacies and other pharmacy service providers as defined in Minnesota Rules, part 9505.0340, for the covered outpatient prescription drugs dispensed to recipients. Payment for drugs shall be on a fee-for-service basis according to the rates established in section 256B.0625, subdivision 13e. Outpatient prescription drug coverage is subject to the availability of funds in the pool. If the commissioner forecasts that expenditures under this subdivision will exceed the appropriation for this purpose, the commissioner may bring recommendations to the Legislative Advisory Commission on methods to resolve the shortfall.

(b) Effective June 1, 2010, coordinated care delivery systems established under subdivision 6 shall pay to the commissioner, on a quarterly basis, an assessment equal to 20 percent of payments for the prescribed drugs for recipients of services through that coordinated care delivery system, as calculated by the commissioner based on the most recent available data.
