3.10 Section 1. Minnesota Statutes 2008, section 3A.02, subdivision 4, is amended to read:

3.11 Subd. 4. **Deferred annuities augmentation.** (a) The deferred retirement allowance
 3.12 of any former legislator must be augmented as provided herein.

3.13 (b) The required reserves applicable to the deferred retirement allowance,
 3.14 determined as of the date the benefit begins to accrue using an appropriate mortality table
 3.15 and an interest assumption of six percent, must be augmented from the first of the month
 3.16 following the termination of active service, or July 1, 1973, whichever is later, to the first
 3.17 day of the month in which the allowance begins to accrue, at the following annually
 3.18 compounded rate or rates:

3.19 (1) five percent until January 1, 1981;

3.20 (2) three percent from January 1, 1981, or from the first day of the month following
 3.21 the termination of active service, whichever is later, until January 1 of the year in which
 3.22 the former legislator attains age 55 or until January 1, 2012, whichever is earlier; ~~and~~

3.23 (3) five percent from the period end date under clause (2) ~~to~~ until the effective date
 3.24 of retirement or until January 1, 2012, whichever is earlier; and

3.25 (4) two percent after December 31, 2011.

3.26 **EFFECTIVE DATE.** This section is effective the day following final enactment.

3.27 Sec. 2. Minnesota Statutes 2008, section 352.113, subdivision 1, is amended to read:

3.28 Subdivision 1. **Age and service requirements.** (a) An employee covered by the
 3.29 system, who is less than normal retirement age and who becomes totally and permanently
 3.30 disabled after three or more years of allowable service if employed before July 1, 2010, or
 3.31 after five or more years of allowable service if employed after June 30, 2010, is entitled to
 3.32 a disability benefit in an amount provided in subdivision 3.

3.33 (b) If the disabled employee's state service has terminated at any time, the employee
 3.34 must have at least two years of allowable service after last becoming a state employee
 3.35 covered by the system.

4.1 (c) Refunds may be repaid under section 352.23 before the effective accrual date of
4.2 the disability benefit under subdivision 2.

4.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

4.8 five or more years of allowable service if employed after June 30, 2010, or (2) who has
4.9 received credit for at least 30 years allowable service regardless of age, is entitled upon
4.10 application to a retirement annuity.

4.11 **EFFECTIVE DATE.** This section is effective the day following final enactment.

4.12 Sec. 4. Minnesota Statutes 2008, section 352.12, subdivision 2, is amended to read:

4.13 Subd. 2. **Surviving spouse benefit.** (a) If an employee or former employee has
4.14 credit for at least three years allowable service if the employee was employed before July
4.15 1, 2010, or for at least five years of allowable service if the employee was employed
4.16 after June 30, 2010, and dies before an annuity or disability benefit has become payable,
4.17 notwithstanding any designation of beneficiary to the contrary, the surviving spouse of the
4.18 employee may elect to receive, in lieu of the refund with interest under subdivision 1, an
4.19 annuity equal to the joint and 100 percent survivor annuity which the employee or former
4.20 employee could have qualified for on the date of death.

4.21 (b) If the employee was under age 55 and has credit for at least 30 years of allowable
4.22 service on the date of death, the surviving spouse may elect to receive a 100 percent joint
4.23 and survivor annuity based on the age of the employee and surviving spouse on the date
4.24 of death. The annuity is payable using the full early retirement reduction under section
4.25 352.116, subdivision 1, paragraph (a), to age 55 and one-half of the early retirement
4.26 reduction from age 55 to the age payment begins.

4.27 (c) If the employee was under age 55 and has credit for at least three years of
4.28 allowable service credit on the date of death if the employee was employed before July 1,
4.29 2010, or for at least five years of allowable service if the employee was employed after
4.30 June 30, 2010, but did not yet qualify for retirement, the surviving spouse may elect
4.31 to receive a 100 percent joint and survivor annuity based on the age of the employee
4.32 and surviving spouse at the time of death. The annuity is payable using the full early

5.1 retirement reduction under section 352.116, subdivision 1 or 1a, to age 55 and one-half of
5.2 the early retirement reduction from age 55 to the age payment begins.

5.3 (d) The surviving spouse eligible for benefits under paragraph (a) may apply for the
5.4 annuity at any time after the date on which the employee or former employee would
5.5 have attained the required age for retirement based on the allowable service earned.
5.6 The surviving spouse eligible for surviving spouse benefits under paragraph (b) or (c)
5.7 may apply for the annuity at any time after the employee's death. The annuity must be
5.8 computed under sections 352.115, subdivisions 1, 2, and 3, and 352.116, subdivisions 1,
5.9 1a, and 3. Sections 352.22, subdivision 3, and 352.72, subdivision 2, apply to a deferred
5.10 annuity or surviving spouse benefit payable under this subdivision. The annuity must cease
5.11 with the last payment received by the surviving spouse in the lifetime of the surviving
5.12 spouse, or upon expiration of a term certain benefit payment to a surviving spouse under
5.13 subdivision 2a. An amount equal to the excess, if any, of the accumulated contributions
5.14 credited to the account of the deceased employee in excess of the total of the benefits paid
5.15 and payable to the surviving spouse must be paid to the deceased employee's or former
5.16 employee's last designated beneficiary or, if none, as specified under subdivision 1.

5.17 (e) Any employee or former employee may request in writing, with the signed
5.18 consent of the spouse, that this subdivision not apply and that payment be made only to a
5.19 designated beneficiary as otherwise provided by this chapter.

5.20 **EFFECTIVE DATE.** This section is effective the day following final enactment.

5.21 Sec. 5. Minnesota Statutes 2008, section 352.22, subdivision 2, is amended to read:

5.22 Subd. 2. **Amount of refund.** Except as provided in subdivision 3, the refund
5.23 payable to a person who ceased to be a state employee by reason of a termination of state
5.24 service is an amount equal to employee accumulated contributions plus interest at the rate
5.25 of six percent per year compounded daily from the date that the contribution was made
5.26 until June 30, 2011, or until the date on which the refund is paid, whichever is earlier, and
5.27 at the rate of four percent per year compounded daily from the date that the contribution
5.28 was made or from July 1, 2011, whichever is later, until the date on which the refund is
5.29 paid. Included with the refund is any interest paid as part of repayment of a past refund,
5.30 plus interest thereon from the date of repayment.

5.31 **EFFECTIVE DATE.** This section is effective the day following final enactment.

5.32 Sec. 6. Minnesota Statutes 2008, section 352.22, subdivision 3, is amended to read:

6.1 Subd. 3. **Deferred annuity.** (a) An employee who has at least three years of
6.2 allowable service if employed before July 1, 2010, or who has at least five years of
6.3 allowable service if employed after June 30, 2010, when termination occurs may elect
6.4 to leave the accumulated contributions in the fund and thereby be entitled to a deferred
6.5 retirement annuity. The annuity must be computed under the law in effect when state
6.6 service terminated, on the basis of the allowable service credited to the person before
6.7 the termination of service.

6.8 (b) An employee on layoff or on leave of absence without pay, except a leave of
6.9 absence for health reasons, and who does not return to state service must have an annuity,
6.10 deferred annuity, or other benefit to which the employee may become entitled computed
6.11 under the law in effect on the employee's last working day.

6.12 (c) No application for a deferred annuity may be made more than 60 days before
6.13 the time the former employee reaches the required age for entitlement to the payment of
6.14 the annuity. The deferred annuity begins to accrue no earlier than 60 days before the date
6.15 the application is filed in the office of the system, but not (1) before the date on which
6.16 the employee reaches the required age for entitlement to the annuity nor (2) before the
6.17 day following the termination of state service in a position which is not covered by the
6.18 retirement system.

6.19 (d) Application for the accumulated contributions left on deposit with the fund may
6.20 be made at any time following the date of the termination of service.

6.21 **EFFECTIVE DATE.** This section is effective the day following final enactment.

6.22 Sec. 7. Minnesota Statutes 2008, section 352.72, subdivision 1, is amended to read:

6.23 Subdivision 1. **Entitlement to annuity.** (a) Any person who has been an employee
6.24 covered by a retirement system listed in paragraph (b) is entitled when qualified to an
6.25 annuity from each fund if total allowable service in all funds or in any two of these funds
6.26 totals three or more years if employed before July 1, 2010, or totals five or more years
6.27 if employed after June 30, 2010.

6.28 (b) This section applies to the Minnesota State Retirement System, the Public
6.29 Employees Retirement Association including the Public Employees Retirement
6.30 Association police and fire fund, the Teachers Retirement Association, the State Patrol
6.31 Retirement Association, or any other public employee retirement system in the state with
6.32 a similar provision, except as noted in paragraph (c).

6.33 (c) This section does not apply to other funds providing benefits for police officers
6.34 or firefighters.

7.1 (d) No portion of the allowable service upon which the retirement annuity from
 7.2 one fund is based shall be again used in the computation for benefits from another fund.
 7.3 No refund may have been taken from any one of these funds since service entitling the
 7.4 employee to coverage under the system or the employee's membership in any of the
 7.5 associations last terminated. The annuity from each fund must be determined by the
 7.6 appropriate provisions of the law except that the requirement that a person must have at
 7.7 least ~~three~~ a specific number of years of allowable service in the respective system or
 7.8 association does not apply for the purposes of this section if the combined service in two
 7.9 or more of these funds equals ~~three or more years~~ at least the longest period of allowable
 7.10 service of any of the applicable retirement plans.

7.11 **EFFECTIVE DATE.** This section is effective the day following final enactment.

7.12 Sec. 8. Minnesota Statutes 2008, section 352.72, subdivision 2, is amended to read:

7.13 Subd. 2. **Computation of deferred annuity.** (a) The deferred annuity, if any,
 7.14 accruing under subdivision 1, or section 352.22, subdivision 3, must be computed as
 7.15 provided in section 352.22, subdivision 3, on the basis of allowable service before
 7.16 termination of state service and augmented as provided herein. The required reserves
 7.17 applicable to a deferred annuity or to an annuity for which a former employee was eligible
 7.18 but had not applied or to any deferred segment of an annuity must be determined as of
 7.19 the date the benefit begins to accrue and augmented by interest compounded annually
 7.20 from the first day of the month following the month in which the employee ceased to be
 7.21 a state employee, or July 1, 1971, whichever is later, to the first day of the month in
 7.22 which the annuity begins to accrue. The rates of interest used for this purpose must be
 7.23 five percent compounded annually until January 1, 1981, and three percent compounded
 7.24 annually thereafter until January 1 of the year following the year in which the former
 7.25 employee attains age 55 or until January 1, 2012, whichever is earlier, and from ~~that date~~
 7.26 the January 1 next following the attainment of age 55 to the effective date of retirement or
 7.27 until January 1, 2012, whichever is earlier, ~~the rate is~~ five percent compounded annually if
 7.28 the employee became an employee before July 1, 2006, ~~and at~~ 2.5 percent compounded
 7.29 annually until January 1, 2012, if the employee becomes an employee after June 30, 2006,
 7.30 and two percent compounded annually after December 31, 2011, irrespective of when the
 7.31 employee became a state employee. If a person has more than one period of uninterrupted
 7.32 service, the required reserves related to each period must be augmented by interest under
 7.33 this subdivision. The sum of the augmented required reserves so determined is the present
 7.34 value of the annuity. "Uninterrupted service" for the purpose of this subdivision means

9.8 rate of five percent per year compounded annually from January 1, 1978, to January 1,
9.9 1981, ~~and~~ three percent per year compounded annually from January 1, 1981, until the

18.34 (c) ~~The contribution rate increase or decrease must be determined by the executive~~
 18.35 ~~director of the Public Employees Retirement Association, must be reported to the chair~~

19.12 ~~a contribution sufficiency of no more than 0.25 at least one percent of covered payroll. No~~
19.13 ~~contribution rate decrease may be made until at least two years have elapsed since any~~
19.14 ~~adjustment under this subdivision has been fully implemented.~~

19.15 (d) ~~No~~ If the actuarially required contribution exceeds the total support provided

20.8 plan prepared under section 356.215 and the standards for actuarial work promulgated by
20.9 the Legislative Commission on Pensions and Retirement that may result in an increase
20.10 in the actuarially required contribution and must report to the Legislative Commission
20.11 on Pensions and Retirement any recommendation by the board to use the sufficiency
20.12 exceeding one percent of covered payroll to offset the impact of an actuarial assumption
20.13 change recommended by the actuary retained under section 356.214, subdivision 1, and
20.14 reviewed by the actuary retained by the commission under section 356.214, subdivision 4.

20.15 (h) No contribution sufficiency in excess of one percent of covered pay may be
20.16 proposed to be used to increase benefits, and no benefit increase may be proposed that
20.17 would initiate an automatic adjustment to increase contributions under this subdivision.
20.18 Any proposed benefit improvement must include a recommendation, prepared by the
20.19 actuary retained under section 356.214, subdivision 1, and reviewed by the actuary
20.20 retained by the Legislative Commission on Pensions and Retirement as provided under

27.3 (b) Notwithstanding the definition of surviving spouse in section 353.01, subdivision
27.4 20, a former spouse of the member, if any, is entitled to a portion of the death while
27.5 eligible survivor benefit if stipulated under the terms of a marriage dissolution decree
27.6 filed with the association. If there is no surviving spouse or child or children, a former
27.7 spouse may be entitled to a lump-sum refund payment under section 353.32, subdivision
27.8 1, if provided for in a marriage dissolution decree but not a death while eligible survivor
27.9 benefit despite the terms of a marriage dissolution decree filed with the association.

27.10 (c) The benefit may be elected instead of a refund with interest under section 353.32,
27.11 subdivision 1, or surviving spouse benefits otherwise payable under subdivisions 1 and
27.12 2. The benefit must be an annuity equal to the 100 percent joint and survivor annuity
27.13 which the member could have qualified for on the date of death, computed as provided in
27.14 sections 353.651, subdivisions 2 and 3, and 353.30, subdivision 3.

27.15 (d) The surviving spouse may apply for the annuity at any time after the date
27.16 on which the deceased employee would have attained the required age for retirement
27.17 based on the employee's allowable service. Sections 353.34, subdivision 3, and 353.71,
27.18 subdivision 2, apply to a deferred annuity payable under this subdivision.

27.19 (e) No payment accrues beyond the end of the month in which entitlement to
27.20 such annuity has terminated. An amount equal to the excess, if any, of the accumulated
27.21 contributions which were credited to the account of the deceased employee over and
27.22 above the total of the annuities paid and payable to the surviving spouse must be paid to
27.23 the deceased member's last designated beneficiary or, if none, to the legal representative of
27.24 the estate of such deceased member.

27.25 (f) Any member may request in writing, with the signed consent of the spouse, that
27.26 this subdivision not apply and that payment be made only to the designated beneficiary, as
27.27 otherwise provided by this chapter.

27.28 (g) For a member who is employed as a full-time firefighter by the Department of
27.29 Military Affairs of the state of Minnesota, allowable service as a full-time state Military
27.30 Affairs Department firefighter credited by the Minnesota State Retirement System may be
27.31 used in meeting the minimum allowable service requirement of this subdivision.

27.32 **EFFECTIVE DATE.** This section is effective the day following final enactment.

27.33 Sec. 40. Minnesota Statutes 2008, section 353.71, subdivision 1, is amended to read:

27.34 Subdivision 1. **Eligibility.** Any person who has been a member of a defined benefit
27.35 retirement plan administered by the Public Employees Retirement Association, or a

28.1 retirement plan administered by the Minnesota State Retirement System, or the Teachers
 28.2 Retirement Association, or any other public retirement system in the state of Minnesota
 28.3 having a like provision, except a ~~fund~~ retirement plan providing benefits for police officers
 28.4 or firefighters governed by sections 69.77 or 69.771 to 69.776, ~~shall be~~ is entitled, when
 28.5 qualified, to an annuity from each ~~fund~~ retirement plan if the total allowable service in all
 28.6 ~~funds~~ retirement plans or in any two of these ~~funds~~ retirement plans totals ~~three or more~~
 28.7 ~~years~~ the number of years of allowable service required to receive a normal retirement
 28.8 annuity for that retirement plan, provided that no portion of the allowable service upon
 28.9 which the retirement annuity from one ~~fund~~ retirement plan is based is again used in the
 28.10 computation for benefits from another ~~fund~~ retirement plan and provided further that the
 28.11 person has not taken a refund from any one of these ~~funds~~ retirement plans since the
 28.12 person's membership in that association or system last terminated. The annuity from
 28.13 each fund ~~shall~~ must be determined by the appropriate provisions of the law except that
 28.14 the requirement that a person must have at least ~~three years~~ a specific minimum period
 28.15 of allowable service in the respective association or system ~~shall~~ does not apply for the
 28.16 purposes of this section provided if the combined service in two or more of these ~~funds~~
 28.17 retirement plans equals ~~three or more~~ the number of years of allowable service required to
 28.18 receive a normal retirement annuity for that retirement plan.

28.20 Sec. 41. Minnesota Statutes 2008, section 353.71, subdivision 2, is amended to read:

28.21 Subd. 2. **Deferred annuity computation; augmentation.** (a) The deferred annuity
 28.22 accruing under subdivision 1, or under sections 353.34, subdivision 3, and 353.68,
 28.23 subdivision 4, must be computed on the basis of allowable service prior to the termination
 28.24 of public service and augmented as provided in this ~~paragraph~~ subdivision. The required
 28.25 reserves applicable to a deferred annuity, or to any deferred segment of an annuity must
 28.26 be determined as of the first day of the month following the month in which the former
 28.27 member ceased to be a public employee, or July 1, 1971, whichever is later. ~~These~~

28.28 (b) For a person who became a public employee before July 1, 2006, whose period
 28.29 of deferral began after June 30, 1971, and who terminated public employment before
 28.30 January 1, 2012, the required reserves of the deferred annuity must be augmented at
 28.31 the following applicable rate of or rates:

28.32 (1) five percent ~~annually compounded annually~~ annual compound interest until
 28.33 January 1, 1981, ~~and at the rate of;~~

28.34 (2) three percent ~~thereafter~~ annual compound interest after January 1, 1981, or until
 28.35 the earlier of December 31, 2011, or after the date of the termination of public service or

29.1 the termination of membership, whichever is later, until January 1 of the year following
29.2 the year in which the former member attains age 55 and;

29.3 (3) five percent annual compound interest from that date to the effective date of
29.4 retirement, the rate is five percent compounded annually if the employee became an
29.5 employee before July 1, 2006, and at 2.5 percent compounded annually if the employee
29.6 becomes an January 1 of the year following the year in which the former member attains
29.7 age 55, or until December 31, 2011, whichever is earlier; and

29.9 (c) For a person who became a public employee after June 30, 2006, and who
29.10 terminated public employment before January 1, 2012, the required reserves of the
29.11 deferred annuity must be augmented at 2.5 percent annual compound interest from the date
29.12 of termination of public service or termination of membership, whichever is earlier, until
29.13 December 31, 2011, and one percent annual compound interest after December 31, 2011.

29.15 required reserves of the deferred annuity must not be augmented.

29.16 (e) If a person has more than one period of uninterrupted service, the required
29.17 reserves related to each period must be augmented as specified in this paragraph. The sum
29.18 of the augmented required reserves is the present value of the annuity. Uninterrupted
29.19 service for the purpose of this subdivision means periods of covered employment during
29.20 which the employee has not been separated from public service for more than two years.
29.21 If a person repays a refund, the restored service must be considered as continuous with the
29.22 next period of service for which the employee has credit with this association. This section
29.23 must not reduce the annuity otherwise payable under this chapter. This paragraph applies
29.24 to individuals who become deferred annuitants on or after July 1, 1971. For a member
29.25 who became a deferred annuitant before July 1, 1971, the paragraph applies from July 1,
29.26 1971, if the former active member applies for an annuity after July 1, 1973.

29.27 ~~(b)~~ (f) The retirement annuity or disability benefit of, or the survivor benefit payable
29.28 on behalf of, a former member who terminated service before July 1, 1997, or the
29.29 survivor benefit payable on behalf of a basic or police and fire member who was receiving
29.30 disability benefits before July 1, 1997, which is first payable after June 30, 1997, must
29.31 be increased on an actuarial equivalent basis to reflect the change in the postretirement
29.32 interest rate actuarial assumption under section 356.215, subdivision 8, from five percent
29.33 to six percent under a calculation procedure and tables adopted by the board and approved
29.34 by the actuary retained under section 356.214.

30.15 annuity calculated under subdivision 3, reduced so that the reduced annuity is the actuarial
30.16 equivalent of the annuity that would be payable if the employee deferred receipt of the
30.17 annuity from the day the annuity begins to accrue until age 55.

34.3 may be adjusted as follows:

34.4 (1) if, after June 30, 2015, the regular actuarial valuation of the plan under section
34.5 356.215 indicates that there is a contribution sufficiency under subdivision 4a equal to
34.6 or greater than one percent of covered payroll and the sufficiency has existed for at least
34.7 two consecutive years, the employee and employer contribution rates for the plan may
34.8 each be decreased to a level such that the sufficiency equals no more than one percent of
34.9 covered payroll based on the most recent actuarial valuation; or

34.10 (2) if, after June 30, 2015, the regular valuation of the plan under section 356.215
34.11 indicates that there is a deficiency equal to or greater than 0.25 percent of covered payroll
34.12 and the deficiency has existed for at least two consecutive years, the employee and
34.13 employer contribution rates for the applicable plan may each be increased by:

34.14 (i) 0.25 percent if the deficiency is less than 2.00 percent of covered payroll;

34.25 (b) Before any reduction in contributions to eliminate a sufficiency in excess of one
34.26 percent of covered pay may be recommended, the executive director must review any
34.27 need for a change in actuarial assumptions, as recommended by the actuary retained
34.28 under section 356.214 in the most recent experience study of the retirement plan, that
34.29 may result in an increase in the actuarially required contribution and must report to the
34.30 Legislative Commission on Pensions and Retirement any recommendation by the board
34.31 to use the sufficiency exceeding one percent of covered payroll to offset the impact of
34.32 an actuarial assumption change recommended by the actuary retained under section
34.33 356.214, subdivision 1, and reviewed by the actuary retained by the commission under
34.34 section 356.214, subdivision 4.

35.1 (c) A contribution sufficiency in excess of one percent of covered pay must not be
35.2 used to increase benefits, and a benefit increase must not be proposed that would initiate
35.3 an automatic adjustment under this section to increase contributions. A proposed benefit
35.4 improvement must include a recommendation, prepared by the actuary retained under
35.5 section 356.214, subdivision 1, and reviewed by the actuary retained by the Legislative

35.12 under subdivision 4b, as determined by the executive director of the Teachers Retirement
35.13 Association, must be reported to the chair and the executive director of the Legislative
35.14 Commission on Pensions and Retirement on or before the next February 1 and, if the
35.15 Legislative Commission on Pensions and Retirement does not recommend against the rate
35.16 change or does not recommend a modification in the rate change, is effective on the next
35.17 July 1 following the determination by the executive director that a contribution deficiency
35.18 or sufficiency exists based on the most recent actuarial valuation under section 356.215.

36.10 (c) If the designated beneficiary under paragraph (b) is a minor, any interest credited
 36.11 under that paragraph must be credited to the date the beneficiary reaches legal age, or

36.16 Sec. 54. Minnesota Statutes 2009 Supplement, section 354.49, subdivision 2, is

 36.22 ~~with interest at the rate of six percent per annum compounded annually.~~ plus interest
 36.23 compounded annually using the following interest rates:

- 36.24 (1) before July 1, 1957, no interest accrues;
 36.25 (2) July 1, 1957, to June 30, 2011, six percent; and
 36.26 (3) after June 30, 2011, four percent.

36.27 For the purpose of this subdivision, interest must be computed on fiscal year end
 36.28 balances to the first day of the month in which the refund is issued.

36.29 (b) If the person has received permanent disability payments under section 354.48,
 36.30 the refund amount must be reduced by the amount of those payments.

36.32 Sec. 55. Minnesota Statutes 2009 Supplement, section 354.55, subdivision 11, is
 36.33 amended to read:

37.1 Subd. 11. **Deferred annuity; augmentation.** (a) Any person covered under section
37.2 354.44, subdivision 6, who ceases to render teaching service, may leave the person's
37.3 accumulated deductions in the fund for the purpose of receiving a deferred annuity
37.4 at retirement.

37.5 (b) The amount of the deferred retirement annuity is determined by section 354.44,
37.6 subdivision 6, and augmented as provided in this subdivision. The required reserves for
37.7 the annuity which had accrued when the member ceased to render teaching service must
37.8 be augmented, as further specified in this subdivision, by the applicable interest rate
37.9 compounded annually from the first day of the month following the month during which
37.10 the member ceased to render teaching service to the effective date of retirement.

37.11 (c) No augmentation is not creditable if the deferral period is less than three months
37.12 or if deferral commenced before July 1, 1971.

37.13 (d) For persons who became covered employees before July 1, 2006, with a deferral
37.14 period commencing after June 30, 1971, the annuity must be augmented ~~using~~ as follows:

37.15 (1) five percent interest compounded annually until January 1, 1981, and;

37.16 (2) three percent interest compounded annually thereafter from January 1, 1981, until
37.17 January 1 of the year following the year in which the deferred annuitant attains age 55;

37.18 ~~From that date~~ (3) five percent interest compounded annually from the date
37.19 established in clause (2) to the effective date of retirement, the rate is five percent
37.20 ~~compounded annually.~~ or until June 30, 2012, whichever is earlier; and

37.21 (4) two percent interest compounded annually after June 30, 2012.

37.22 (e) For persons who become covered employees after June 30, 2006, the interest
37.23 rate used to augment the deferred annuity is 2.5 percent interest compounded annually
37.24 until June 30, 2012, or until the effective date of retirement, whichever is earlier, and two
37.25 percent interest compounded annually after June 30, 2012.

37.26 (f) If a person has more than one period of uninterrupted service, a separate average
37.27 salary determined under section 354.44, subdivision 6, must be used for each period
37.28 and the required reserves related to each period must be augmented as specified in this
37.29 subdivision. The sum of the augmented required reserves is the present value of the
37.30 annuity. For the purposes of this subdivision, "period of uninterrupted service" means a
37.31 period of covered teaching service during which the member has not been separated from
37.32 active service for more than one fiscal year.

37.33 (g) If a person repays a refund, the service restored by the repayment must be
37.34 considered as continuous with the next period of service for which the person has
37.35 allowable service credit in the Teachers Retirement Association.

38.1 (h) If a person does not render teaching service in any one fiscal year or more
38.2 consecutive fiscal years and then resumes teaching service, the formula percentages used
38.3 from the date of the resumption of teaching service must be those applicable to new
38.4 members.

38.5 (i) The mortality table and interest rate actuarial assumption used to compute the
38.6 annuity must be the applicable mortality table established by the board under section
38.7 354.07, subdivision 1, and the interest rate actuarial assumption under section 356.215 in
38.8 effect when the member retires.

38.9 (j) In no case may the annuity payable under this subdivision be less than the amount
38.10 of annuity payable under section 354.44, subdivision 6.

38.11 (k) The requirements and provisions for retirement before normal retirement age
38.12 contained in section 354.44, subdivision 6, also apply to an employee fulfilling the
38.13 requirements with a combination of service as provided in section 354.60.

38.14 (l) The augmentation provided by this subdivision applies to the benefit provided
38.15 in section 354.46, subdivision 2.

38.16 (m) The augmentation provided by this subdivision does not apply to any period
38.17 in which a person is on an approved leave of absence from an employer unit covered
38.18 by the provisions of this chapter.

38.19 (n) The retirement annuity or disability benefit of, or the survivor benefit payable on
38.20 behalf of, a former teacher who terminated service before July 1, 1997, which is not first
38.21 payable until after June 30, 1997, must be increased on an actuarial equivalent basis to
38.22 reflect the change in the postretirement interest rate actuarial assumption under section
38.23 356.215, subdivision 8, from five percent to six percent under a calculation procedure and

 42.19 assets by the actuarial accrued liability as reported in the most recent actuarial valuation
 42.20 prepared under sections 356.214 and 356.215, determines the postretirement increase
 42.21 as follows:

less than 80 percent	0 percent
at least 80 percent but less than 90 percent	1 percent
at least 90 percent	2 percent

 42.33 subdivision to read:

42.34 **Subd. 7. Calculation of postretirement adjustments.** (a) This subdivision applies
 42.35 if subdivision 6 has expired.

43.1 (b) A percentage adjustment must be computed and paid under this subdivision to
43.2 eligible persons under subdivision 5. This adjustment is determined by reference to the
43.3 Consumer Price Index for urban wage earners and clerical workers all items index as
43.4 reported by the Bureau of Labor Statistics within the United States Department of Labor
43.5 each year as part of the determination of annual cost-of-living adjustments to recipients
43.6 of federal old-age, survivors, and disability insurance. For calculations of cost-of-living
43.7 adjustments under paragraph (c), the term "average third quarter Consumer Price Index
43.8 value" means the sum of the monthly index values as initially reported by the Bureau of
43.9 Labor Statistics for the months of July, August, and September, divided by 3.

43.10 (c) Before January 1 of each year, the executive director must calculate the amount
43.11 of the cost-of-living adjustment by dividing the most recent average third quarter index
43.12 value by the same average third quarter index value from the previous year, subtract one
43.13 from the resulting quotient, and express the result as a percentage amount, which must be
43.14 rounded to the nearest one-tenth of one percent.

43.15 (d) The amount calculated under paragraph (c) is the full cost-of-living adjustment
43.16 to be applied as a permanent increase to the regular payment of each eligible member
43.17 on January 1 of the next calendar year. For any eligible member whose effective date
43.18 of benefit commencement occurred during the calendar year before the cost-of-living
43.19 adjustment is applied, the full increase amount must be prorated on the basis of whole
43.20 calendar quarters in benefit payment status in the calendar year prior to the January 1 on
43.21 which the cost-of-living adjustment is applied, calculated to the third decimal place.

43.22 (e) The adjustment must not be less than zero nor greater than five percent.

43.23 (f) If the funding ratio of the plan as determined in the most recent actuarial
43.24 valuation using the actuarial value of assets is less than 80 percent there will be no
43.25 postretirement adjustment the following January 1.

43.26 **EFFECTIVE DATE.** This section is effective July 1, 2010.

43.27 Sec. 62. Minnesota Statutes 2008, section 354A.31, subdivision 1, is amended to read:

43.28 Subdivision 1. **Age and service requirements.** Any coordinated member or former
43.29 coordinated member of the St. Paul Teachers Retirement Fund Association who has
43.30 ceased to render teaching service for the school district in which the teachers retirement
43.31 fund association exists and who has either attained the age of at least 55 years with not
43.32 less than three years of allowable service credit or received credit for not less than 30
43.33 years of allowable service regardless of age, shall be entitled upon written application to a
43.34 retirement annuity. Any coordinated member or former coordinated member of the Duluth
43.35 Teachers Retirement Fund Association who has ceased to render teaching service for the

44.1 school district in which the teacher retirement fund association exists and who has either
44.2 attained the age of at least 55 years with not less than three years of allowable service
44.3 credit if the member became an employee before July 1, 2010, or not less than five years
44.4 of allowable service credit if the member became an employee after June 30, 2010, or
44.5 received service credit for not less than 30 years of allowable service regardless of age,
44.6 shall be entitled upon written application to a retirement annuity.

44.7 **EFFECTIVE DATE.** This section is effective July 1, 2010.

44.8 Sec. 63. Minnesota Statutes 2008, section 354A.35, subdivision 1, is amended to read:

44.9 Subdivision 1. **Death before retirement; refund.** If a coordinated member
44.10 or former coordinated member dies prior to retirement or prior to the receipt of any
44.11 retirement annuity or other benefit payment which is or may be payable and a surviving
44.12 spouse optional annuity is not payable pursuant to subdivision 2, a refund shall be paid to
44.13 the person's surviving spouse, or if there is none, to the person's designated beneficiary,
44.14 or if there is none, to the legal representative of the person's estate. For a coordinated
44.15 member or former coordinated member of the St. Paul Teachers Retirement Fund
44.16 Association, the refund shall be in an amount equal to the person's accumulated employee
44.17 contributions plus interest at the rate of six percent per annum compounded annually. For
44.18 a coordinated member or former coordinated member of the Duluth Teachers Retirement
44.19 Fund Association, the refund shall be in an amount equal to the person's accumulated
44.20 employee contributions plus interest at the rate of six percent per annum compounded
44.21 annually to July 1, 2010, and four percent per annum compounded annually thereafter.

44.22 **EFFECTIVE DATE.** This section is effective July 1, 2010.

44.23 Sec. 64. Minnesota Statutes 2008, section 354A.37, subdivision 2, is amended to read:

44.24 Subd. 2. **Eligibility for deferred retirement annuity.** (a) Any coordinated member
44.25 who ceases to render teaching services for the school district in which the teachers
44.26 retirement fund association is located, with sufficient allowable service credit to meet
44.27 the minimum service requirements specified in section 354A.31, subdivision 1, shall be
44.28 entitled to a deferred retirement annuity in lieu of a refund pursuant to subdivision 1. The
44.29 deferred retirement annuity shall be computed pursuant to section 354A.31 and shall be
44.30 augmented as provided in this subdivision. The deferred annuity shall commence upon
44.31 application after the person on deferred status attains at least the minimum age specified in
44.32 section 354A.31, subdivision 1.

45.1 (b) The monthly annuity amount that had accrued when the member ceased to
45.2 render teaching service must be augmented from the first day of the month following the
45.3 month during which the member ceased to render teaching service to the effective date
45.4 of retirement. There is no augmentation if this period is less than three months. For a
45.5 member of the St. Paul Teachers Retirement Fund Association, the rate of augmentation
45.6 is three percent compounded annually until January 1 of the year following the year in
45.7 which the former member attains age 55, and five percent compounded annually after that
45.8 date to the effective date of retirement if the employee became an employee before July
45.9 1, 2006, and at 2.5 percent compounded annually if the employee becomes an employee
45.10 after June 30, 2006. For a member of the Duluth Teachers Retirement Fund Association,
45.11 the rate of augmentation is three percent compounded annually until January 1 of the year
45.12 following the year in which the former member attains age 55, five percent compounded
45.13 annually after that date to July 1, 2012, and two percent compounded annually after that
45.14 date to the effective date of retirement if the employee became an employee before
45.15 July 1, 2006, and at 2.5 percent compounded annually to July 1, 2012, and two percent
45.16 compounded annually after that date to the effective date of retirement if the employee
45.17 becomes an employee after June 30, 2006. If a person has more than one period of
45.18 uninterrupted service, a separate average salary determined under section 354A.31 must
45.19 be used for each period, and the monthly annuity amount related to each period must be
45.20 augmented as provided in this subdivision. The sum of the augmented monthly annuity
45.21 amounts determines the total deferred annuity payable. If a person repays a refund, the
45.22 service restored by the repayment must be considered as continuous with the next period
45.23 of service for which the person has credit with the fund. If a person does not render
45.24 teaching services in any one fiscal year or more consecutive fiscal years and then resumes
45.25 teaching service, the formula percentages used from the date of resumption of teaching

51.32 (d) After July 1, 2010, the assumptions set forth in paragraphs (b) and (c) continue to
 51.33 apply, unless a different salary assumption or a different payroll increase assumption:

- 51.34 (1) has been proposed by the governing board of the applicable retirement plan;
- 51.35 (2) is accompanied by the concurring recommendation of the actuary retained under
- 51.36 section 356.214, subdivision 1, if applicable, or by the approved actuary preparing the
- 51.37 most recent actuarial valuation report if section 356.214 does not apply; and
- 51.38 (3) has been approved or deemed approved under subdivision 18.

51.39 **EFFECTIVE DATE.** This section is effective the day following final enactment.

52.1 Sec. 68. Minnesota Statutes 2009 Supplement, section 356.215, subdivision 11,
52.2 is amended to read:

52.3 Subd. 11. **Amortization contributions.** (a) In addition to the exhibit indicating
52.4 the level normal cost, the actuarial valuation of the retirement plan must contain an
52.5 exhibit for financial reporting purposes indicating the additional annual contribution
52.6 sufficient to amortize the unfunded actuarial accrued liability and must contain an exhibit
52.7 for contribution determination purposes indicating the additional contribution sufficient
52.8 to amortize the unfunded actuarial accrued liability. For the retirement plans listed in
52.9 subdivision 8, paragraph (c), the additional contribution must be calculated on a level
52.10 percentage of covered payroll basis by the established date for full funding in effect when
52.11 the valuation is prepared, assuming annual payroll growth at the applicable percentage
52.12 rate set forth in subdivision 8, paragraph (c). For all other retirement plans, the additional
52.13 annual contribution must be calculated on a level annual dollar amount basis.

52.14 (b) For any retirement plan other than the Minneapolis Employees Retirement Fund,
52.15 the general employees retirement plan of the Public Employees Retirement Association,
52.16 the general state employees retirement plan of the Minnesota State Retirement System,
52.17 and the St. Paul Teachers Retirement Fund Association, if there has not been a change in
52.18 the actuarial assumptions used for calculating the actuarial accrued liability of the fund, a
52.19 change in the benefit plan governing annuities and benefits payable from the fund, a
52.20 change in the actuarial cost method used in calculating the actuarial accrued liability of all
52.21 or a portion of the fund, or a combination of the three, which change or changes by itself
52.22 or by themselves without inclusion of any other items of increase or decrease produce a
52.23 net increase in the unfunded actuarial accrued liability of the fund, the established date for
52.24 full funding is the first actuarial valuation date occurring after June 1, 2020.

52.25 (c) For any retirement plan other than the Minneapolis Employees Retirement
52.26 Fund and the general employees retirement plan of the Public Employees Retirement
52.27 Association, if there has been a change in any or all of the actuarial assumptions used
52.28 for calculating the actuarial accrued liability of the fund, a change in the benefit plan
52.29 governing annuities and benefits payable from the fund, a change in the actuarial cost
52.30 method used in calculating the actuarial accrued liability of all or a portion of the fund,
52.31 or a combination of the three, and the change or changes, by itself or by themselves and
52.32 without inclusion of any other items of increase or decrease, produce a net increase in the
52.33 unfunded actuarial accrued liability in the fund, the established date for full funding must
52.34 be determined using the following procedure:

53.1 (i) the unfunded actuarial accrued liability of the fund must be determined in
53.2 accordance with the plan provisions governing annuities and retirement benefits and the
53.3 actuarial assumptions in effect before an applicable change;

53.4 (ii) the level annual dollar contribution or level percentage, whichever is applicable,
53.5 needed to amortize the unfunded actuarial accrued liability amount determined under item
53.6 (i) by the established date for full funding in effect before the change must be calculated
53.7 using the interest assumption specified in subdivision 8 in effect before the change;

53.8 (iii) the unfunded actuarial accrued liability of the fund must be determined in
53.9 accordance with any new plan provisions governing annuities and benefits payable from
53.10 the fund and any new actuarial assumptions and the remaining plan provisions governing
53.11 annuities and benefits payable from the fund and actuarial assumptions in effect before
53.12 the change;

53.13 (iv) the level annual dollar contribution or level percentage, whichever is applicable,

54.32 provisions of paragraph (c).

54.33 (b) A person may receive, upon retirement, a retirement annuity from each
54.34 enumerated retirement plan in which the person has at least one-half year of allowable
54.35 service, and augmentation of a deferred annuity calculated at the appropriate rate under

55.1 the laws governing each public pension plan or fund named in subdivision 3, based on
55.2 the date of the person's initial entry into public employment from the date the person
55.3 terminated all public service if:

55.5 ~~receive an annuity~~ in any two or more of the enumerated plans;

55.6 (2) the person has sufficient allowable service in total that equals or exceeds the
55.7 applicable service credit vesting requirement of the retirement plan with the longest
55.8 applicable service credit vesting requirement; and

55.9 ~~(2)~~ (3) the person has not begun to receive an annuity from any enumerated plan or
55.10 the person has made application for benefits from each applicable plan and the effective
55.11 dates of the retirement annuity with each plan under which the person chooses to receive
55.12 an annuity are within a one-year period.

55.13 (c) The retirement annuity from each plan must be based upon the allowable service,

55.20 (2) the "average salary" on which the annuity from each covered plan in which
55.21 the employee has credit in a formula plan must be based on the employee's highest five
55.22 successive years of covered salary during the entire service in covered plans;

55.23 (3) the accrual rates to be used by each plan must be those percentages prescribed by
55.24 each plan's formula as continued for the respective years of allowable service from one

73.29 Retirement System shall administer the plan.

73.30 (b) The purpose of the plan is to provide a means for a public employee to contribute
73.31 a portion of the employee's compensation to a tax-deferred investment account. The plan
73.32 is an eligible tax-deferred compensation plan under section 457(b) of the Internal Revenue

76.1 Sec. 9. **[352B.013] AUTHORIZED LEAVE OF ABSENCE SERVICE CREDIT**

76.27 payment amount is equal to the employee and employer contribution rates specified in
76.28 section 352B.02 on the day prior to the termination date, multiplied by the employee's

77.4 EFFECTIVE DATE. This section is effective July 1, 2010.

77.5 Sec. 11. Minnesota Statutes 2008, section 353.27, subdivision 7a, is amended to read:

77.6 Subd. 7a. **Deductions or contributions transmitted by error.** (a) If employee

 77.9 chapter 352D, 353D, 354B, or 354D, the executive director shall transfer the erroneous
 77.10 employee deductions and employer contributions to the appropriate retirement fund or

 77.12 subdivisions 7 and 12 do not apply. The transfer to the applicable defined contribution
 77.13 plan account must include interest at the rate of 0.71 percent per month, compounded
 77.14 annually, from the first day of the month following the month in which coverage should
 77.15 have commenced in the defined contribution plan until the end of the month in which
 77.16 the transfer occurs.

77.17 ~~(b) For purposes of this subdivision, a Minnesota public pension plan means a~~
 77.18 ~~plan specified in section 356.30, subdivision 3, or the plans governed by chapters 353D~~

 77.22 Revenue Code, as amended, must not be made by the executive director of the association.
 77.23 Within 30 days after being notified by the Public Employees Retirement Association of
 77.24 an unmade potential transfer under this paragraph, the employer of the affected person
 77.25 must transmit an amount representing the applicable salary deductions and employer
 77.26 contributions, without interest, to the retirement fund of the appropriate Minnesota public
 77.27 pension plan, or to the applicable individual account if the proper coverage is by a defined
 77.28 contribution plan. The association must provide the employing unit a credit for the amount
 77.29 of the erroneous salary deductions and employer contributions against future contributions
 77.30 from the employer. If the employing unit receives a credit under this paragraph, the
 77.31 employing unit is responsible for refunding to the applicable employee any amount that
 77.32 had been erroneously deducted from the person's salary.

77.33 (c) If erroneous employee deductions and employer contributions reflect a plan
 77.34 coverage error involving any Public Employees Retirement Association plan specified in
 77.35 section 356.99 and any other plan specified in that section, section 356.99 applies.

78.1 **EFFECTIVE DATE.** This section is effective July 1, 2010.

78.2 Sec. 12. Minnesota Statutes 2008, section 353.37, subdivision 3a, is amended to read:

78.4 the annual retirement annuity after suspension or the amount of the retirement annuity
78.5 reduction must be handled or disposed of as provided in section 356.47.

78.6 (b) If a reemployed annuitant whose annuity is suspended is having insurance
78.7 premium amounts withheld under section 356.87, subdivision 2, insurance premium
78.8 amounts must continue to be withheld and transferred from the suspended portion of the
78.9 annuity. The balance of the annual retirement annuity after cessation, after deduction of
78.10 the insurance premium amounts, must be treated as specified in paragraph (a).

78.11 **EFFECTIVE DATE.** This section is effective January 1, 2010.

78.12 Sec. 13. Minnesota Statutes 2008, section 354.42, subdivision 7, is amended to read:

78.13 Subd. 7. **Erroneous salary deductions or direct payments.** (a) Any deductions
78.14 taken from the salary of an employee for the retirement fund in ~~error~~ excess of amounts
78.15 required must be refunded to the employee upon the discovery of the error and after the
78.16 verification of the error by the employing unit making the deduction. The corresponding
78.17 excess employer contribution and excess additional employer contribution amounts
78.18 attributable to the erroneous salary deduction must be refunded to the employing unit.

78.19 (b) If salary deductions and employer contributions were erroneously transmitted
78.20 to the retirement fund and should have been transmitted to ~~another Minnesota public~~

78.24 ~~Minnesota public pension plan means a plan specified in section 356.30, subdivision 3,~~
78.25 ~~or the plan governed by chapter 354B.~~ person under the applicable plan. The transfer to
78.26 the applicable defined contribution plan account must include interest at the rate of 0.71
78.27 percent per month, compounded annually, from the first day of the month following the
78.28 month in which coverage should have commenced in the defined contribution plan until
78.29 the end of the month in which the transfer occurs.

78.30 (c) A potential transfer under paragraph (b) that would cause the plan to fail to
78.31 be a qualified plan under section 401(a) of the Internal Revenue Code, as amended,
78.32 must not be made by the executive director. Within 30 days after being notified by the
78.33 Teachers Retirement Association of an unmade potential transfer under this paragraph,
78.34 the employer of the affected person must transmit an amount representing the applicable

79.1 salary deductions and employer contributions, without interest, to the ~~retirement fund of~~
79.2 ~~the appropriate Minnesota public pension plan fund~~ account of the applicable person under
79.3 the appropriate plan. The retirement association must provide a credit for the amount of
79.4 the erroneous salary deductions and employer contributions against future contributions
79.5 from the employer.

79.6 (d) If a salary warrant or check from which a deduction for the retirement fund was
79.7 taken has been canceled or the amount of the warrant or if a check has been returned to
79.8 the funds of the employing unit making the payment, a refund of the amount deducted,
79.9 or any portion of it that is required to adjust the salary deductions, must be made to the
79.10 employing unit.

79.11 (e) Erroneous direct payments of member-paid contributions or erroneous salary
79.12 deductions that were not refunded during the regular payroll cycle processing must be
79.13 refunded to the member, plus interest computed using the rate and method specified in
79.14 section 354.49, subdivision 2.

79.15 (f) Any refund under this subdivision that would cause the plan to fail to be a
79.16 qualified plan under section 401(a) of the Internal Revenue Code, as amended, may not
79.17 be refunded and instead must be credited against future contributions payable by the
79.18 employer. The employer is responsible for refunding to the applicable employee any
79.19 amount that was erroneously deducted from the salary of the employee, with interest as
79.20 specified in paragraph (e).

79.21 (g) If erroneous employee deductions and employer contributions are caused by an
79.22 error in plan coverage involving the plan and any other plan specified in section 356.99,
79.23 that section applies.

79.24 **EFFECTIVE DATE.** This section is effective July 1, 2010.

83.11 fiscal years prior to the current fiscal year in which the error was determined by the chief
83.12 administrative officer. If the reporting error began within two fiscal years prior to the
83.13 current fiscal year, the pension plan coverage for that past service must be corrected as
83.14 provided in subdivision 5.

83.15 Subd. 5. **Past service transfer procedure.** (a) For cases under subdivision 4
83.16 requiring correction of prior service coverage, on behalf of the applicable member the
83.17 chief administrative officer of the covered pension plan fund that has received erroneous
83.18 employee deductions and employer contributions must transfer to the appropriate covered
83.19 retirement plan fund an amount which is the lesser of all contributions made by or on
83.20 behalf of the member for the period of erroneous membership, or the specific amount
83.21 requested by the chief administrative officer of the other covered pension plan which
83.22 represents the employee deductions and employer contributions that would have been
83.23 made had the member been properly reported.

83.24 (b) If excess employee deductions remain in the member's account after the transfer
83.25 of funds, the remaining erroneous amount must be refunded to the person with interest
83.26 at the rate provided under the general refund law of the applicable covered pension
83.27 plan. The chief administrative officer must also return any remaining excess employer
83.28 contributions by providing to the employer a credit against future contributions payable by
83.29 that employer.

83.30 (c) If the contributions transferred to the correct covered pension plan fund are less
83.31 than the amounts required for the period being corrected, the chief administrative officer
83.32 of the correct covered pension plan fund must collect the remaining employee deductions
83.33 and employer contributions from the employer under laws for recovering deficient
83.34 contributions applicable to the correct covered pension plan, except that no interest is
83.35 chargeable if the additional amounts due under this paragraph are received by the chief
83.36 administrative officer within 30 days of notifying the employer of the amount due.

84.1 (d) A potential transfer under this section that would cause a plan to fail to be a
84.2 qualified plan under section 401(a) of the Internal Revenue Code, as amended, must not be
84.3 made. Within 30 days after being notified by a chief administrative officer of an unmade
84.4 potential transfer under this section, the employer of the member must transmit an amount
84.5 representing the applicable salary deductions and employer contributions, without interest,
84.6 to the fund of the appropriate covered pension plan. The chief administrative officer of the
84.7 covered pension plan which erroneously provided coverage must provide to the employer
84.8 a credit for the amount of the erroneous salary deductions and employer contributions
84.9 against future contributions from that employer.

84.10 (e) Upon transfer of the required assets, or payment from the employer under
84.11 paragraph (d), whichever is applicable, allowable service and salary credit for the period
84.12 being transferred is forfeited in the erroneous plan and is granted in the correct plan.

84.13 **EFFECTIVE DATE.** This section is effective July 1, 2010.

84.14 Sec. 18. Minnesota Statutes 2008, section 490.123, is amended by adding a subdivision
84.15 to read:

84.16 Subd. 4. **Correction of contribution errors.** (a) If erroneous employee deductions
84.17 and employer contributions are caused by an error in plan coverage involving the judges
84.18 retirement plan and any other plan specified in section 356.99, that section applies.

84.19 (b) The provisions of section 352.04, subdivisions 8 and 9, apply to the judges'
84.20 retirement plan, except that if employee deductions or contributions are erroneously
84.21 transmitted to the judges' retirement fund for service rendered after the service credit limit
84.22 under section 490.121, subdivision 22, has been attained, consistent with section 352D.04,
84.23 subdivision 2, no employer contributions may be transferred.

84.24 **EFFECTIVE DATE.** This section is effective July 1, 2010.

103.5 is effective for persons first appointed after June 30, 2010.

103.6 Sec. 4. Minnesota Statutes 2008, section 353.01, subdivision 2d, is amended to read:

103.7 Subd. 2d. **Optional membership.** (a) Membership in the association is optional
103.8 by action of the individual employee for the following public employees who meet the
103.9 conditions set forth in subdivision 2a:

103.10 (1) members of the coordinated plan who are also employees of labor organizations
103.11 as defined in section 353.017, subdivision 1, for their employment by the labor
103.12 organization only, if they elect to have membership under section 353.017, subdivision 2;

103.13 (2) persons who are elected or persons who are appointed to elected positions other
103.14 than local governing body elected positions who elect to participate by filing a written
103.15 election for membership;

103.16 (3) members of the association who are appointed by the governor to be a state
103.17 department head and who elect not to be covered by the general state employees retirement
103.18 plan of the Minnesota State Retirement System under section 352.021;

103.19 (4) city managers as defined in section 353.028, subdivision 1, who do not elect to be
103.20 excluded from membership in the association under section 353.028, subdivision 2; and

103.21 (5) employees of the Port Authority of the city of St. Paul on January 1, 2003,
103.22 who were at least age 45 on that date, and who elected to participate by filing a written
103.23 election for membership.

103.24 (b) Membership in the association is optional by action of the governmental
103.25 subdivision for the employees of the following governmental subdivisions under the
103.26 conditions specified:

103.27 (1) the Minnesota Association of Townships if the board of that association, at its
103.28 option, certifies to the executive director that its employees who meet the conditions set
103.29 forth in subdivision 2a are to be included for purposes of retirement coverage, in which
103.30 case the status of the association as a participating employer is permanent;

103.31 (2) a county historical society if the county in which the historical society is located,
103.32 at its option, certifies to the executive director that the employees of the historical society
103.33 who meet the conditions set forth in subdivision 2a are to be considered county employees
103.34 for purposes of retirement coverage under this chapter. The status as a county employee
103.35 must be accorded to all similarly situated county historical society employees and, once

104.1 established, must continue as long as a person is an employee of the county historical
104.2 society; and

104.3 (3) Hennepin Healthcare System, Inc., a public corporation, with respect to
104.4 employees other than paramedics, emergency medical technicians, and protection officers,
104.5 if the corporate board establishes alternative retirement plans for certain classes of
104.6 employees of the corporation and certifies to the association the applicable employees to
104.7 be excluded from future retirement coverage.

104.8 (c) For employees who are covered by paragraph (a), clause (1), (2), or (3), or
104.9 covered by paragraph (b), clause (1) or (2), if the necessary membership election is
104.10 not made, the employee is excluded from retirement coverage under this chapter. For
104.11 employees who are covered by paragraph (a), clause (4), if the necessary election is not
104.12 made, the employee must become a member and have retirement coverage under the
104.13 applicable provisions of this chapter. For employees specified in paragraph (b), clause
104.14 (3), membership continues until the exclusion option is exercised for the designated class
104.15 of employee.

104.16 (d) The option to become a member, once exercised under this subdivision, may not
104.17 be withdrawn until the termination of public service as defined under subdivision 11a.

104.18 **EFFECTIVE DATE.** This section is effective July 1, 2010.

104.19 Sec. 5. Minnesota Statutes 2009 Supplement, section 353.01, subdivision 16, is
104.20 amended to read:

104.21 Subd. 16. **Allowable service; limits and computation.** (a) "Allowable service"
104.22 means:

104.23 (1) service during years of actual membership in the course of which employee
104.24 deductions were withheld from salary and contributions were made at the applicable rates
104.25 under section 353.27, 353.65, or 353E.03;

104.26 (2) periods of service covered by payments in lieu of salary deductions under
104.27 sections 353.27, subdivision 12, and 353.35;

104.28 (3) service in years during which the public employee was not a member but for
104.29 which the member later elected, while a member, to obtain credit by making payments to
104.30 the fund as permitted by any law then in effect;

104.31 (4) a period of authorized leave of absence with pay from which deductions for
104.32 employee contributions are made, deposited, and credited to the fund;

104.33 (5) a period of authorized personal, parental, or medical leave of absence without
104.34 pay, including a leave of absence covered under the federal Family Medical Leave Act,
104.35 that does not exceed one year, and for which a member obtained service credit for each

105.1 month in the leave period by payment under section 353.0161 to the fund made in place of
105.2 salary deductions. An employee must return to public service and render a minimum of
105.3 three months of allowable service in order to be eligible to make payment under section
105.4 353.0161 for a subsequent authorized leave of absence without pay. Upon payment, the
105.5 employee must be granted allowable service credit for the purchased period;

105.6 (6) a periodic, repetitive leave that is offered to all employees of a governmental
105.7 subdivision. The leave program may not exceed 208 hours per annual normal work cycle
105.8 as certified to the association by the employer. A participating member obtains service
105.9 credit by making employee contributions in an amount or amounts based on the member's
105.10 average salary, excluding overtime pay, that would have been paid if the leave had not
105.11 been taken. The employer shall pay the employer and additional employer contributions
105.12 on behalf of the participating member. The employee and the employer are responsible
105.13 to pay interest on their respective shares at the rate of 8.5 percent a year, compounded
105.14 annually, from the end of the normal cycle until full payment is made. An employer shall
105.15 also make the employer and additional employer contributions, plus 8.5 percent interest,
105.16 compounded annually, on behalf of an employee who makes employee contributions but
105.17 terminates public service. The employee contributions must be made within one year
105.18 after the end of the annual normal working cycle or within 30 days after termination of
105.19 public service, whichever is sooner. The executive director shall prescribe the manner and
105.20 forms to be used by a governmental subdivision in administering a periodic, repetitive
105.21 leave. Upon payment, the member must be granted allowable service credit for the
105.22 purchased period;

105.23 (7) an authorized temporary or seasonal layoff under subdivision 12, limited to three
105.24 months allowable service per authorized temporary or seasonal layoff in one calendar year.
105.25 An employee who has received the maximum service credit allowed for an authorized
105.26 temporary or seasonal layoff must return to public service and must obtain a minimum of
105.27 three months of allowable service subsequent to the layoff in order to receive allowable
105.28 service for a subsequent authorized temporary or seasonal layoff;

105.29 (8) a period during which a member is absent from employment by a governmental
105.30 subdivision by reason of service in the uniformed services, as defined in United States
105.31 Code, title 38, section 4303(13), if the member returns to public service with the same
105.32 governmental subdivision upon discharge from service in the uniformed service within the
105.33 time frames required under United States Code, title 38, section 4312(e), provided that
105.34 the member did not separate from uniformed service with a dishonorable or bad conduct
105.35 discharge or under other than honorable conditions. The service ~~is~~ must be credited if the
105.36 member pays into the fund equivalent employee contributions based upon the contribution

106.1 rate or rates in effect at the time that the uniformed service was performed multiplied
106.2 by the full and fractional years being purchased and applied to the annual salary rate.
106.3 The annual salary rate is the average annual salary, excluding overtime pay, during the
106.4 purchase period that the member would have received if the member had continued to
106.5 be employed in covered employment rather than to provide uniformed service, or, if
106.6 the determination of that rate is not reasonably certain, the annual salary rate is the
106.7 member's average salary rate, excluding overtime pay, during the 12-month period of
106.8 covered employment rendered immediately preceding the period of the uniformed service.
106.9 Payment of the member equivalent contributions must be made during a period that begins
106.10 with the date on which the individual returns to public employment and that is three times
106.11 the length of the military leave period, or within five years of the date of discharge from
106.12 the military service, whichever is less. If the determined payment period is less than
106.13 one year, the contributions required under this clause to receive service credit may be
106.14 made within one year of the discharge date. Payment may not be accepted following 30
106.15 days after termination of public service under subdivision 11a. If the member equivalent
106.16 contributions provided for in this clause are not paid in full, the member's allowable
106.17 service credit must be prorated by multiplying the full and fractional number of years of
106.18 uniformed service eligible for purchase by the ratio obtained by dividing the total member
106.19 contributions received by the total member contributions otherwise required under this
106.20 clause. The equivalent employer contribution, and, if applicable, the equivalent additional
106.21 employer contribution must be paid by the governmental subdivision employing the
106.22 member if the member makes the equivalent employee contributions. The employer
106.23 payments must be made from funds available to the employing unit, using the employer
106.24 and additional employer contribution rate or rates in effect at the time that the uniformed
106.25 service was performed, applied to the same annual salary rate or rates used to compute the
106.26 equivalent member contribution. The governmental subdivision involved may appropriate
106.27 money for those payments. The amount of service credit obtainable under this section may
106.28 not exceed five years unless a longer purchase period is required under United States Code,
106.29 title 38, section 4312. The employing unit shall pay interest on all equivalent member and
106.30 employer contribution amounts payable under this clause. Interest must be computed at a
106.31 rate of 8.5 percent compounded annually from the end of each fiscal year of the leave or the
106.32 break in service to the end of the month in which the payment is received. Upon payment,
106.33 the employee must be granted allowable service credit for the purchased period; or
106.34 (9) a period specified under subdivision 40.
106.35 (b) For calculating benefits under sections 353.30, 353.31, 353.32, and 353.33 for
106.36 state officers and employees displaced by the Community Corrections Act, chapter 401,

107.1 and transferred into county service under section 401.04, "allowable service" means the
107.2 combined years of allowable service as defined in paragraph (a), clauses (1) to (6), and
107.3 section 352.01, subdivision 11.

107.4 (c) For a public employee who has prior service covered by a local police or
107.5 firefighters relief association that has consolidated with the Public Employees Retirement
107.6 Association or to which section 353.665 applies, and who has elected the type of benefit
107.7 coverage provided by the public employees police and fire fund either under section
107.8 353A.08 following the consolidation or under section 353.665, subdivision 4, "applicable
107.9 service" is a period of service credited by the local police or firefighters relief association
107.10 as of the effective date of the consolidation based on law and on bylaw provisions
107.11 governing the relief association on the date of the initiation of the consolidation procedure.

107.12 (d) No member may receive more than 12 months of allowable service credit in a
107.13 year either for vesting purposes or for benefit calculation purposes.

107.15 **EFFECTIVE DATE.** This section is effective the day following final enactment.

107.16 Sec. 6. Minnesota Statutes 2008, section 353.0161, subdivision 2, is amended to read:

107.17 Subd. 2. **Purchase procedure.** (a) An employee covered by a plan specified in
107.18 subdivision 1 may purchase credit for allowable service in that plan for a period specified
107.19 in subdivision 1 if the employee makes a payment as specified in paragraph (b) or (c),
107.20 whichever applies. The employing unit, at its option, may pay the employer portion of the
107.21 amount specified in paragraph (b) on behalf of its employees.

107.22 (b) If payment is received by the executive director within one year from the date the
107.23 member returned to work following the authorized leave, or within 30 days after the date
107.24 of termination of public service if the member did not return to work, the payment amount
107.25 is equal to the employee and employer contribution rates specified in law for the applicable
107.26 plan at the end of the leave period, or at termination of public service, whichever is earlier,
107.27 multiplied by the employee's average monthly salary, excluding overtime, upon which
107.28 deductions were paid during the six months, or portion thereof, before the commencement
107.29 of the leave of absence and by the number of months of the leave of absence for which
107.30 the employee wants allowable service credit. Payments made under this paragraph must
107.31 include compound interest at a monthly rate of 0.71 percent from the last day of the leave
107.32 period until the last day of the month in which payment is received.

107.33 (c) If payment is received by the executive director after one year, the payment
107.34 amount is the amount determined under section 356.551. Payment under this paragraph

108.1 must be made before the date the person terminates public service under section 353.01,
108.2 subdivision 11a.

108.7 section.

108.8 (b) The applicable period is a period during which the member is receiving a reduced
108.9 salary from the employer while the member is:

108.10 (1) receiving temporary workers' compensation payments related to the member's
108.11 service to the public employer;

108.12 (2) on an authorized medical leave of absence; or

108.15 (c) The differential salary amount is the difference between the average monthly
108.16 salary received by the member during the period of reduced salary under this section and
108.17 the average monthly salary of the member, excluding overtime, on which contributions
108.18 to the applicable plan were made during the period of the last six months of covered
108.19 employment occurring immediately before the period of reduced salary, applied to the
108.20 member's normal employment period, measured in hours or otherwise, as applicable.

108.21 (d) To receive eligible salary credit, the member shall pay an amount equal to:

108.22 (1) the applicable employee contribution rate under section 353.27, subdivision
108.23 2; 353.65, subdivision 2; or 353E.03, subdivision 1, as applicable, multiplied by the
108.24 differential salary amount;

108.25 (2) plus an employer equivalent payment equal to the applicable employer
108.26 contribution rate in section 353.27, subdivision 3; 353.65, subdivision 3; or 353E.03,

108.32 official records, may pay the employer equivalent contributions and, as applicable, the
108.33 equivalent employer additional contributions on behalf of the member.

108.34 (f) Payment under this section must include interest on the contribution amount
108.35 or amounts, whichever applies, at an 8.5 percent annual rate, prorated for applicable

109.9 payments or for those business years in which the governmental subdivision offers or
109.10 mandates a budget or salary savings program, as certified to the executive director by a
109.11 resolution of the governing body of the governmental subdivision. For an authorized
109.12 medical leave of absence, the period for which allowable salary credit may be purchased
109.13 may not exceed 12 consecutive months of authorized medical leave.

109.14 (h) To purchase salary credit for a subsequent period of temporary workers'
109.15 compensation benefits or subsequent authorized medical leave of absence, the member
109.16 must return to public service and render a minimum of three months of allowable service.

109.17 **EFFECTIVE DATE.** This section is effective July 1, 2010. Purchase of reduced

 111.19 by the association within 14 calendar days after each pay date. If the payment is less than
 111.20 the amount required, the employer must pay the shortage amount to the association and

114.25 deducted, or any portion of it that is required to adjust the deductions, must be made
114.26 to the department or institution.

120.25 interest must be computed using the applicable preretirement interest rate assumption
120.26 under section 356.215, subdivision 8, expressed as a monthly rate, from the date of the
120.27 actuarial valuation from which the actuarial accrued liability data was used to determine

127.11 relief association, and the chief administrative officer of the entity associated with the
127.12 relief association, following approval of the request by the governing body of the entity

127.16 relief association, the cost analysis of the prospective retirement coverage must be
127.17 requested by the chief administrative officer of the entity operating the fire department.
127.18 The request must be made in writing and must be made on a form prescribed by the
127.19 executive director.

127.20 (c) The cost analysis of the prospective retirement coverage by the statewide
127.21 retirement plan must be based on the service pension amount under section 353G.11

128.19 or independent nonprofit firefighting corporation associated with the fire department
128.20 shall either approve or disapprove the retirement coverage change within 90 days. If
128.21 the retirement coverage change is not acted upon within 90 days, it is deemed to be

128.27 amended to read:

128.28 Subdivision 1. **Special fund disestablishment.** ~~(a)~~ On the date immediately prior
128.29 to the effective date of the coverage change, the special fund of the applicable volunteer
128.30 firefighters' relief association, if one exists, ceases to exist as a pension fund of the
128.31 association and legal title to the assets of the special fund transfers to the State Board of
128.32 Investment, with the beneficial title to the assets of the special fund remaining in the
128.33 applicable volunteer firefighters.

128.34 ~~(b) If the market value of the special fund of the volunteer firefighters' relief~~
128.35 ~~association for which retirement coverage changed under this chapter declines in the~~

129.1 ~~interval between the date of the most recent financial report or statement, and the special~~
129.2 ~~fund disestablishment date, the applicable municipality shall transfer an additional amount~~
129.3 ~~to the State Board of Investment equal to that decline. If more than one municipality is~~
129.4 ~~responsible for the direct management of the fire department, the municipalities shall~~
129.5 ~~allocate the additional transfer amount among the various applicable municipalities~~
129.6 ~~one-half in proportion to the population of each municipality and one-half in proportion~~
129.7 ~~to the market value of each municipality.~~

129.8 **EFFECTIVE DATE.** This section is effective retroactively from January 1, 2010.

129.9 Sec. 4. Minnesota Statutes 2009 Supplement, section 353G.08, is amended to read:

129.10 **353G.08 RETIREMENT PLAN FUNDING; DISBURSEMENTS.**

129.11 **Subdivision 1. Annual funding requirements.** (a) Annually, the executive director
129.12 shall determine the funding requirements of each account in the voluntary statewide
129.13 lump-sum volunteer firefighter retirement plan on or before August 1. The funding
129.14 requirements as directed under this section, must be determined using a mathematical
129.15 procedure developed and certified as accurate by an approved actuary retained by the
129.16 Public Employees Retirement Association and based on present value factors using a six
129.17 percent interest rate, without any decrement assumptions. The funding requirements
129.18 must be certified to the entity or entities associated with the fire department whose active
129.19 firefighters are covered by the retirement plan.

129.20 (b) The overall funding balance of each account for the current calendar year must
129.21 be determined in the following manner:

129.22 (1) The total accrued liability for all active and deferred members of the account as
129.23 of December 31 of the current year must be calculated based on the good time service
129.24 credit of active and deferred members as of that date.

129.25 (2) The total present assets of the account projected to December 31 of the current
129.26 year, including receipts by and disbursements from the account anticipated to occur on or
129.27 before December 31, must be calculated. To the extent possible, the market value of assets
129.28 must be utilized in making this calculation.

129.29 (3) The amount of the total present assets calculated under clause (2) must be
129.30 subtracted from the amount of the total accrued liability calculated under clause (1). If the
129.31 amount of total present assets exceeds the amount of the total accrued liability, then the
129.32 account is considered to have a surplus over full funding. If the amount of the total present
129.33 assets is less than the amount of the total accrued liability, then the account is considered

130.1 to have a deficit from full funding. If the amount of total present assets is equal to the
130.2 amount of the total accrued liability, then the special fund is considered to be fully funded.

130.3 (c) The financial requirements of each account for the following calendar year must
130.4 be determined in the following manner:

130.5 (1) The total accrued liability for all active and deferred members of the account
130.6 as of December 31 of the calendar year next following the current calendar year must be
130.7 calculated based on the good time service used in the calculation under paragraph (b),
130.8 clause (1), increased by one year.

130.9 (2) The increase in the total accrued liability of the account for the following calendar
130.10 year over the total accrued liability of the account for the current year must be calculated.

130.11 (3) The amount of anticipated future administrative expenses of the account must be
130.12 calculated by multiplying the dollar amount of the administrative expenses for the most
130.13 recent prior calendar year by the factor of 1.035.

130.14 (4) If the account is fully funded, the financial requirement of the account for the
130.15 following calendar year is the total of the amounts calculated under clauses (2) and (3).

130.16 (5) If the account has a deficit from full funding, the financial requirement of the
130.17 account for the following calendar year is the total of the amounts calculated under clauses
130.18 (2) and (3) plus an amount equal to one-tenth of the amount of the deficit from full
130.19 funding of the account.

130.20 (6) If the account has a surplus over full funding, the financial requirement of
130.21 the account for the following calendar year is the financial requirement of the account
130.22 calculated as though the account was fully funded under clause (4) and, if the account has
130.23 also had a surplus over full funding during the prior two years, additionally reduced by an
130.24 amount equal to one-tenth of the amount of the surplus over full funding of the account.

130.25 (d) The required contribution of the entity or entities associated with the fire
130.26 department whose active firefighters are covered by the retirement plan is the annual
130.27 financial requirements of the account of the retirement plan under paragraph (c) reduced
130.28 by the amount of any fire state aid payable under sections 69.011 to 69.051 reasonably
130.29 anticipated to be received by the retirement plan attributable to the entity or entities during
130.30 the following calendar year, and an amount of interest on the assets projected to be
130.31 received during the following calendar year calculated at the rate of six percent per annum.
130.32 The required contribution must be allocated between the entities if more than one entity
130.33 is involved. A reasonable amount of anticipated fire state aid is an amount that does not
130.34 exceed the fire state aid actually received in the prior year multiplied by the factor 1.035.

130.35 (e) The required contribution calculated in paragraph (d) must be paid to the
130.36 retirement plan on or before December 31 of the year for which it was calculated. If

131.1 the contribution is not received by the retirement plan by December 31, it is payable
 131.2 with interest at an annual compound rate of six percent from the date due until the date
 131.3 payment is received by the retirement plan. If the entity does not pay the full amount of
 131.4 the required contribution, the executive director shall collect the unpaid amount under
 131.5 section 353.28, subdivision 6.

131.6 Subd. 2. **Cash flow funding requirement.** If the executive director determines that
 131.7 an account in the voluntary statewide lump-sum volunteer firefighter retirement plan has
 131.8 insufficient assets to meet the service pensions determined payable from the account,
 131.9 the executive director shall certify the amount of the potential service pension shortfall
 131.10 to the municipality or municipalities and the municipality or municipalities shall make
 131.11 an additional employer contribution to the account within ten days of the certification.
 131.12 If more than one municipality is associated with the account, unless the municipalities
 131.13 agree to a different allocation, the municipalities shall allocate the additional employer
 131.14 contribution one-half in proportion to the population of each municipality and one-half in
 131.15 proportion to the market value of the property of each municipality.

131.16 Subd. 3. **Authorized account disbursements.** (†) The assets of the retirement
 131.17 fund may only be disbursed for:

- 131.18 (1) the administrative expenses of the retirement plan;

160.16 353E.03 were erroneously transmitted to the association, but should have been transmitted
160.17 to another Minnesota public pension plan, the executive director shall transfer the
160.18 erroneous employee deductions and employer contributions to the appropriate retirement
160.19 fund or individual account, as applicable, without interest. The time limitations specified
160.20 in subdivisions 7 and 12 do not apply.

160.21 (b) For purposes of this subdivision, a Minnesota public pension plan means a

160.25 the plan to fail to be a qualified plan under section 401(a) of the federal Internal Revenue
160.26 Code, as amended, must not be made by the executive director of the association. Within
160.27 30 days after being notified by the Public Employees Retirement Association of an
160.28 unmade potential transfer under this paragraph, the employer of the affected person
160.29 must transmit an amount representing the applicable salary deductions and employer

160.34 from the employer. If the employing unit receives a credit under this paragraph, the

161.8 provided for a former member under subdivision 7, paragraph (e), clause (2), item (i),
161.9 and must subtract that amount from the total annuity or benefit overpayment, and the
161.10 remaining balance of the overpaid annuity or benefit, if any, must be recovered.

161.11 (b) If the invalid employee deductions plus interest exceed the amount of the
161.12 overpaid benefits, the balance must be refunded to the person to whom the benefit or
161.13 annuity is being paid.

161.14 (c) Any invalid employer contributions reported on the invalid salary must be
161.15 credited to the employer as provided in subdivision 7, paragraph (e).

161.16 (d) If a member or former member, who is receiving a retirement annuity or

161.18 the overpayment is completed and a joint and survivor optional annuity is payable, the
161.19 remaining balance of the overpaid annuity or benefit must continue to be recovered from
161.20 the payment to the optional annuity beneficiary.

161.21 (e) If the association finds that a refund has been overpaid to a former member,
161.22 beneficiary or other person, the amount of the overpayment must be recovered for the
161.23 benefit of the respective retirement fund or account.

161.24 (f) The board of trustees shall adopt policies directing the period of time and manner
161.25 for the collection of any overpaid retirement or optional annuity, and survivor or disability
161.26 benefit, or a refund that the executive director determines must be recovered as provided
161.27 under this section.

161.28 Subd. 7c. **Limitation on additional plan coverage.** No deductions for any plan
161.29 under this chapter or chapter 353E may be taken from the salary of a person who is
161.30 employed by a governmental subdivision under section 353.01, subdivision 6, and who is
161.31 receiving disability benefit payments from any plan under this chapter or chapter 353E
161.32 unless the person waives the right to further disability benefit payments.

161.33 Subd. 8. **District court reporters; salary deductions.** Deductions from the salary
161.34 of a district court reporter in a judicial district consisting of two or more counties ~~shall~~

162.8 The employer contribution as provided in subdivision 3, and the additional employer
162.9 contribution as provided in subdivision 3a, with respect to such service ~~shall~~ must be
162.10 paid by the governmental subdivision. This subdivision ~~shall have~~ has both retroactive
162.11 and prospective application as to all such members; and every employing governmental
162.12 subdivision is deemed liable, retroactively and prospectively, for all employer and
162.13 additional employer contributions for every such member of the general employees
162.14 retirement plan in its employ. Delinquencies under this section ~~shall be~~ are governed
162.15 in all respects by section 353.28.

162.16 Subd. 10. **Employer exclusion reports.** The head of a department shall annually
162.17 furnish the executive director with an exclusion report listing only those employees in
162.18 potentially ~~PERA-eligible~~ PERA general employees retirement plan-eligible positions

162.20 and who worked during the school year for school employees and calendar year for
162.21 nonschool employees. The department head must certify the accuracy and completeness
162.22 of the exclusion report to the association. The executive director shall prescribe the
162.23 manner and forms, including standardized exclusion codes, to be used by a governmental
162.24 subdivision in preparing and filing exclusion reports. The executive director shall also
162.25 check the exclusion report to ascertain whether any omissions have been made by a
162.26 department head in the reporting of new public employees for membership. The executive
162.27 director may delegate an association employee under section 353.03, subdivision 3a,
162.28 paragraph (b), clause (5), to conduct a field audit to review the payroll records of a
162.29 governmental subdivision.

162.30 Subd. 11. **Employers; required to furnish requested information.** (a) All
162.31 governmental subdivisions shall furnish promptly such other information relative to the
162.32 employment status of all employees or former employees, including, but not limited to,
162.33 payroll abstracts pertaining to all past and present employees, as may be requested by the
162.34 executive director, including schedules of salaries applicable to various categories of
162.35 employment.

163.1 (b) In the event payroll abstract records have been lost or destroyed, for whatever
163.2 reason or in whatever manner, so that such schedules of salaries cannot be furnished
163.3 therefrom, the employing governmental subdivision, in lieu thereof, shall furnish to the
163.4 association an estimate of the earnings of any employee or former employee for any
163.5 period as may be requested by the executive director. If the association is provided a
163.6 schedule of estimated earnings, the executive director is authorized to use the same as a
163.7 basis for making whatever computations might be necessary for determining obligations
163.8 of the employee and employer to the general employees retirement fund plan, the public
163.9 employees police and fire retirement plan, or the local government correctional employees
163.10 retirement plan. If estimates are not furnished by the employer at the request of the
163.11 executive director, the executive director may estimate the obligations of the employee
163.12 and employer to the general employees retirement fund, the public employees police and
163.13 fire retirement plan, or the local government correctional employees retirement plan based
163.14 upon those records that are in its possession.

163.15 Subd. 12. **Omitted salary deductions; obligations.** (a) In the case of omission
163.16 of required deductions for the general employees retirement plan, the public employees

163.19 upon discovery, report the employee for membership and deduct the employee deductions

163.21 following the discovery of the omission. Payment for the omitted obligations may only be
163.22 made in accordance with reporting procedures and methods established by the executive
163.23 director.

163.24 (b) When the entire omission period of an employee does not exceed 60 days, the
163.25 governmental subdivision may report and submit payment of the omitted employee
163.26 deductions and the omitted employer contributions through the reporting processes under
163.27 subdivision 4.

163.28 (c) When the omission period of an employee exceeds 60 days, the governmental
163.29 subdivision shall furnish to the association sufficient data and documentation upon which
163.30 the obligation for omitted employee and employer contributions can be calculated.

164.6 deductions due under paragraph (c) which are not paid by the employee constitute a
164.7 liability of the employer that failed to deduct the omitted deductions from the employee's
164.8 salary. The employer shall make payment with interest at an annual rate of 8.5 percent
164.9 compounded annually. Omitted employee deductions are no longer due if an employee
164.10 terminates public service before making payment of omitted employee deductions to
164.11 the association, but the employer remains liable to pay omitted employer contributions
164.12 plus interest at an annual rate of 8.5 percent compounded annually from the date the
164.13 contributions were first payable.

164.14 (e) The association may not commence action for the recovery of omitted employee
164.15 deductions and employer contributions after the expiration of three calendar years after
164.16 the calendar year in which the contributions and deductions were omitted. Except as
164.17 provided under paragraph (b), no payment may be made or accepted unless the association
164.18 has already commenced action for recovery of omitted deductions. An action for recovery
164.19 commences on the date of the mailing of any written correspondence from the association
164.20 requesting information from the governmental subdivision upon which to determine
164.21 whether or not omitted deductions occurred.

164.22 Subd. 12a. **Terminated employees: omitted deductions.** A terminated employee

164.24 Retirement Association, the public employees police and fire retirement plan, or the local
164.25 government correctional employees retirement plan and who has a period of employment
164.26 in which previously omitted employer contributions were made under subdivision 12
164.27 but for whom no, or only partial, omitted employee contributions have been made, or
164.28 a member who had prior coverage in the association for which previously omitted
164.29 employer contributions were made under subdivision 12 but who terminated service
164.30 before required omitted employee deductions could be withheld from salary, may pay the
164.31 omitted employee deductions for the period on which omitted employer contributions
164.32 were previously paid plus interest at an annual rate of 8.5 percent compounded annually.
164.33 A terminated employee may pay the omitted employee deductions plus interest within six
164.34 months of an initial notification from the association of eligibility to pay those omitted
164.35 deductions. If a terminated employee is reemployed in a position covered under a public
164.36 pension fund under section 356.30, subdivision 3, and elects to pay omitted employee

165.1 deductions, payment must be made no later than six months after a subsequent termination
165.2 of public service.

165.22 employer and its employees are subject to the requirements of subdivision 12, effective
165.23 retroactively to the date that the executive director of the association determines that
165.24 the entity first met the definition of a governmental subdivision, if that date predates
165.25 the notice of eligibility.

165.26 (b) If the retroactive time period under paragraph (a) exceeds three years, an
165.27 employee is authorized to purchase service credit in the applicable Public Employees
165.28 Retirement Association plan for the portion of the period in excess of three years, by
165.29 making payment under section 356.551. Notwithstanding any provision of section

165.31 service credit purchase amount may be made anytime before the termination of public
165.32 service.

165.33 (c) This subdivision does not apply if the applicable employment under paragraph
165.34 (a) included coverage by any public or private defined benefit or defined contribution

171.20 (c) The employer regular contribution to the MERF division account with respect
171.21 to an active MERF division member is 9.75 percent of the total salary of the member as
171.22 defined in section 353.01, subdivision 10.

171.23 (d) The employer additional contribution to the MERF division account with respect
171.24 to an active member of the MERF division is 2.68 percent of the total salary of the member

172.1 Association in the most recent actuarial valuation of the MERF division and based on a
172.2 June 30, 2031, amortization date, after subtracting the contributions under paragraphs

172.10 Fund by the approved consulting actuary retained by the Minneapolis Employees
172.11 Retirement Fund board.

172.12 (f) Notwithstanding any provision of paragraph (c), (d), or (e) to the contrary, as of
172.13 August 1 annually, if the amount of the retirement annuities and benefits paid from the
172.14 MERF division account during the preceding fiscal year, multiplied by the factor of 1.035,
172.15 exceeds the market value of the assets of the MERF division account on the preceding
172.16 June 30, plus state aid of \$9,000,000 or \$24,000,000, whichever applies, plus the amounts
172.17 payable under paragraphs (b), (c), (d), and (e) during the preceding fiscal year, multiplied
172.18 by the factor of 1.035, the balance calculated is a special additional employer contribution.
172.19 The special additional employer contribution under this paragraph is payable in addition
172.20 to any employer contribution required under paragraphs (c), (d), and (e), and is payable on
172.21 or before the following June 30. The special additional employer contribution under this
172.22 paragraph must be allocated as specified in paragraph (g).

172.23 (g) The employer supplemental contribution under paragraph (e) or the special
172.24 additional employer contribution under paragraph (f) must be allocated between the city
172.25 of Minneapolis, Special School District No. 1, Minneapolis, any Minneapolis-owned
172.26 public utility, improvement, or municipal activity, the Minnesota State Colleges and
172.27 Universities system, Hennepin County, the Metropolitan Council, and the Metropolitan
172.28 Airports Commission in proportion to their share of the actuarial accrued liability of the
172.29 former Minneapolis Employees Retirement Fund as of July 1, 2009, as calculated by the
172.30 approved actuary retained under section 356.214 as part of the actuarial valuation prepared
172.31 as of July 1, 2009, under section 356.215 and the Standards for Actuarial Work adopted by
172.32 the Legislative Commission on Pensions and Retirement.

172.34 provided in section 353.28.

172.35 (i) Contributions under this subdivision are subject to the provisions of section

173.1 Subd. 7a. **Minneapolis Municipal Retirement Association dues.** If authorized
173.2 by an annuitant or retirement benefit recipient in writing on a form prescribed by the
173.3 executive director of the Public Employees Retirement Association, the executive director
173.4 shall deduct the dues for the Minneapolis Municipal Retirement Association from the
173.5 person's annuity or retirement benefit. This dues deduction authority expires upon the
173.6 eventual full consolidation of the MERF account under subdivision 8.

173.7 Subd. 8. **Eventual full consolidation.** (a) Once the fiscal year end market value
173.8 of assets of the MERF division account equals or exceeds 80 percent of the actuarial

173.10 the Public Employees Retirement Association under section 356.215 and the Standards
173.11 for Actuarial Work adopted by the Legislative Commission on Pensions and Retirement,
173.12 the MERF division must be merged with the general employees retirement plan of the
173.13 Public Employees Retirement Association and the MERF division account ceases as a
173.14 separate account within the general employees retirement fund of the Public Employees
173.15 Retirement Association.

173.16 (b) If the market value of the MERF division account is less than 100 percent of the
173.17 actuarial accrued liability of the MERF division under paragraph (a), the total employer
173.18 contribution of employing units referenced in subdivision 7, paragraph (e), for the period
173.19 after the full consolidation and June 30, 2031, to amortize on a level annual dollar payment
173.20 the remaining unfunded actuarial accrued liability of the former MERF division account
173.21 on the full consolidation date by June 30, 2031, shall be calculated by the consulting
173.22 actuary retained under section 356.214 using the applicable postretirement interest rate
173.23 actuarial assumption for the general employees retirement plan under section 356.215.
173.24 The actuarial accrued liability of the MERF division must be calculated using the healthy
173.25 retired life mortality assumption applicable to the general employees retirement plan.

173.26 (c) The merger shall occur as of the first day of the first month after the date on
173.27 which the triggering actuarial valuation report is filed with the executive director of the
173.28 Legislative Commission on Pensions and Retirement.

173.29 (d) The executive director of the Public Employees Retirement Association shall
173.30 prepare proposed legislation fully implementing the merger and updating the applicable

173.36 Retirement Association and the governing board of an employing unit formerly with

174.1 retirement coverage provided for its employees by the former Minneapolis Employees
 174.2 Retirement Fund, an employing unit may transfer sufficient assets to the general
 174.3 employees retirement fund to cover the anticipated actuarial accrued liability for its
 174.4 current or former employees that is in excess of MERF division account assets attributable
 174.5 to those employees, have those employees be considered full members of the general
 174.6 employees retirement plan, and be relieved of any further contribution obligation to the
 174.7 general employees retirement plan for those employees under this section. Any agreement
 174.8 under this subdivision and any actuarial valuation report related to a merger under this
 174.9 subdivision must be submitted to the executive director of the Legislative Commission on

178.25 (c) Before July 2, 2010, the actuarial valuation must use the applicable following
 178.26 payroll growth assumption for calculating the amortization requirement for the unfunded
 178.27 actuarial accrued liability where the amortization retirement is calculated as a level
 178.28 percentage of an increasing payroll:

178.29	plan	payroll growth assumption
178.30	general state employees retirement plan	4.50%
178.31	correctional state employees retirement plan	4.50
178.32	State Patrol retirement plan	4.50

179.3 (1) has been proposed by the governing board of the applicable retirement plan;

179.4 (2) is accompanied by the concurring recommendation of the actuary retained under
179.5 section 356.214, subdivision 1, if applicable, or by the approved actuary preparing the
179.6 most recent actuarial valuation report if section 356.214 does not apply; and

179.7 (3) has been approved or deemed approved under subdivision 18.

179.8 Sec. 20. Minnesota Statutes 2009 Supplement, section 356.215, subdivision 11,
179.9 is amended to read:

179.10 Subd. 11. **Amortization contributions.** (a) In addition to the exhibit indicating
179.11 the level normal cost, the actuarial valuation of the retirement plan must contain an
179.12 exhibit for financial reporting purposes indicating the additional annual contribution
179.13 sufficient to amortize the unfunded actuarial accrued liability and must contain an exhibit
179.14 for contribution determination purposes indicating the additional contribution sufficient
179.15 to amortize the unfunded actuarial accrued liability. For the retirement plans listed in
179.16 subdivision 8, paragraph (c), but excluding the MERF division of the Public Employees
179.17 Retirement Association, the additional contribution must be calculated on a level
179.18 percentage of covered payroll basis by the established date for full funding in effect when
179.19 the valuation is prepared, assuming annual payroll growth at the applicable percentage
179.20 rate set forth in subdivision 8, paragraph (c). For all other retirement plans and for the
179.21 MERF division of the Public Employees Retirement Association, the additional annual
179.22 contribution must be calculated on a level annual dollar amount basis.

179.28 governing annuities and benefits payable from the fund, a change in the actuarial cost
179.29 method used in calculating the actuarial accrued liability of all or a portion of the fund, or
179.30 a combination of the three, which change or changes by itself or by themselves without
179.31 inclusion of any other items of increase or decrease produce a net increase in the unfunded
179.32 actuarial accrued liability of the fund, the established date for full funding is the first
179.33 actuarial valuation date occurring after June 1, 2020.

179.34 (c) For any retirement plan other than ~~the Minneapolis Employees Retirement~~
179.35 ~~Fund and the general employees retirement plan of the Public Employees Retirement~~

180.1 Association, if there has been a change in any or all of the actuarial assumptions used
180.2 for calculating the actuarial accrued liability of the fund, a change in the benefit plan

180.4 method used in calculating the actuarial accrued liability of all or a portion of the fund,

180.6 without inclusion of any other items of increase or decrease, produce a net increase in the
180.7 unfunded actuarial accrued liability in the fund, the established date for full funding must
180.8 be determined using the following procedure:

180.9 (i) the unfunded actuarial accrued liability of the fund must be determined in
180.10 accordance with the plan provisions governing annuities and retirement benefits and the

180.13 needed to amortize the unfunded actuarial accrued liability amount determined under item
180.14 (i) by the established date for full funding in effect before the change must be calculated
180.15 using the interest assumption specified in subdivision 8 in effect before the change;

180.16 (iii) the unfunded actuarial accrued liability of the fund must be determined in
180.17 accordance with any new plan provisions governing annuities and benefits payable from
180.18 the fund and any new actuarial assumptions and the remaining plan provisions governing
180.19 annuities and benefits payable from the fund and actuarial assumptions in effect before
180.20 the change;

180.21 (iv) the level annual dollar contribution or level percentage, whichever is applicable,
180.22 needed to amortize the difference between the unfunded actuarial accrued liability amount
180.23 calculated under item (i) and the unfunded actuarial accrued liability amount calculated
180.24 under item (iii) over a period of 30 years from the end of the plan year in which the
180.25 applicable change is effective must be calculated using the applicable interest assumption

180.27 (v) the level annual dollar or level percentage amortization contribution under item
180.28 (iv) must be added to the level annual dollar amortization contribution or level percentage

180.31 in item (iii) is amortized by the total level annual dollar or level percentage amortization
180.32 contribution computed under item (v) must be calculated using the interest assumption
180.33 specified in subdivision 8 in effect after any applicable change, rounded to the nearest
180.34 integral number of years, but not to exceed 30 years from the end of the plan year in
180.35 which the determination of the established date for full funding using the procedure set
180.36 forth in this clause is made and not to be less than the period of years beginning in the

181.1 plan year in which the determination of the established date for full funding using the
181.2 procedure set forth in this clause is made and ending by the date for full funding in effect
181.3 before the change; and

181.4 (vii) the period determined under item (vi) must be added to the date as of which
181.5 the actuarial valuation was prepared and the date obtained is the new established date
181.6 for full funding.

181.22 requirements of this chapter, the annual actuarial valuation ~~shall~~ must contain an exhibit
181.23 indicating the funded ratio and the deficiency or sufficiency in annual contributions when
181.24 comparing liabilities to the market value of the assets of the fund as of the close of the
181.25 most recent fiscal year.

181.26 (k) For the retirement plans for which the annual actuarial valuation indicates an
181.27 excess of valuation assets over the actuarial accrued liability, the valuation assets in
181.28 excess of the actuarial accrued liability must be recognized as a reduction in the current
181.29 contribution requirements by an amount equal to the amortization of the excess expressed
181.30 as a level percentage of pay over a 30-year period beginning anew with each annual

222.1 coverage provided by or the service pensions or retirement benefits payable from the
 222.2 special fund of the relief association which are effective without municipal ratification so
 222.3 long as this does not cause the amount of the resulting increase in the accrued liability
 222.4 of the special fund of the relief association to exceed 90 percent of the amount of the

 222.25 the articles of incorporation or bylaws of a relief association which increases or otherwise
 222.26 affects the retirement coverage provided by or the service pensions or retirement benefits
 222.27 payable from the special fund of any relief association to which this section applies is not
 222.28 effective until it is ratified by the governing body of the municipality in which the relief

 222.30 funding ~~pursuant to~~ under subdivision 4, and if the municipality is not required to provide
 222.31 financial support to the special fund of the relief association ~~pursuant to~~ under this section,
 222.32 the relief association may adopt or amend its articles of incorporation or bylaws which
 222.33 increase or otherwise affect the retirement coverage provided by or the service pensions
 222.34 or retirement benefits payable from the special fund of the relief association which are
 222.35 effective without municipal ratification so long as this does not cause the amount of the

223.1 resulting increase in the accrued liability of the special fund of the relief association to
223.2 exceed 90 percent of the amount of the surplus over full funding reported in the prior year
223.3 and this does not result in the financial requirements of the special fund of the relief

223.5 relief association as determined by the board of trustees following the preparation of an
223.6 updated actuarial valuation including the proposed change or an estimate of the expected
223.7 actuarial impact of the proposed change prepared by the actuary of the relief association.
223.8 If a relief association adopts or amends its articles of incorporation or bylaws without
223.9 municipal ratification pursuant to this subdivision, and, subsequent to the amendment or
223.10 adoption, the financial requirements of the special fund of the relief association ~~pursuant~~
223.11 ~~to~~ under this section are such so as to require financial support from the municipality, the
223.12 provision which was implemented without municipal ratification is no longer effective
223.13 without municipal ratification and any service pensions or retirement benefits payable after
223.14 that date may be paid only in accordance with the articles of incorporation or bylaws as
223.15 amended or adopted with municipal ratification.

223.16 **EFFECTIVE DATE.** This section is effective the day following final enactment.

223.17 Sec. 3. Minnesota Statutes 2008, section 356A.06, subdivision 8, is amended to read:

223.18 Subd. 8. **Minimum liquidity requirements.** A covered pension plan described by
223.19 subdivision 6, ~~paragraph (a)~~ or 7, in order to pay benefits as they come due, shall invest
223.20 a portion of its assets in authorized short-term debt obligations that can be immediately
223.21 liquidated without accrual of a substantial determinable penalty or loss and that have an
223.22 average maturity of no more than 90 days. The chief administrative officer of the plan
223.23 shall determine the minimum liquidity requirement of the plan and shall retain appropriate
223.24 documentation of that determination for three years from the date of determination.

223.25 **EFFECTIVE DATE.** This section is effective the day following final enactment.

223.26 Sec. 4. Minnesota Statutes 2009 Supplement, section 424A.01, subdivision 1, is
223.27 amended to read:

223.28 Subdivision 1. **Minors.** ~~(a) No volunteer firefighters' relief association associated~~
223.29 ~~with a municipality or an independent nonprofit firefighting corporation may include as a~~
223.30 ~~relief association member a minor serving as a firefighter, except for members of a youth,~~
223.31 ~~civic, or educational organization or program who participate with uninterrupted adult~~
223.32 ~~supervision, as allowed by federal law and by section 181A.04. Such organizations or~~

224.1 ~~programs include, but are not limited to, Boy Scout Explorer programs or firefighting~~
224.2 ~~degree programs.~~

224.3 ~~(b)~~ No volunteer firefighters' relief association associated with a municipality or an
224.4 independent nonprofit firefighting corporation may include as a relief association member
224.5 a minor serving as a volunteer firefighter.

224.6 **EFFECTIVE DATE.** This section is effective the day following final enactment.

224.7 Sec. 5. Minnesota Statutes 2009 Supplement, section 424A.01, subdivision 6, is
224.8 amended to read:

224.9 Subd. 6. **Return to active firefighting after break in service.** (a) The requirements
224.10 of this section apply to all breaks in service, except breaks in service mandated by federal
224.11 or state law.

224.12 (b)(1) If a former active firefighter who has ceased to perform or supervise fire
224.13 suppression and fire prevention duties for at least 60 days resumes performing active
224.14 firefighting with the fire department associated with the relief association, if the bylaws of
224.15 the relief association so permit, the person firefighter may again become an active member
224.16 of the relief association. A firefighter who returns to active service and membership is
224.17 subject to the service pension calculation requirements under this section.

224.18 (2) A firefighter who has been granted an approved leave of absence not exceeding
224.19 one year by the fire department or by the relief association is exempt from the minimum
224.20 period of resumption service requirement of this section.

224.21 (3) A person who has a break in service not exceeding one year but has not been
224.22 granted an approved leave of absence and who has not received a service pension or
224.23 disability benefit may be made exempt from the minimum period of resumption service
224.24 requirement of this section by the relief association bylaws.

224.25 (4) If the bylaws so provide, a firefighter who returns to active relief association
224.26 membership under this paragraph may continue to collect a monthly service pension,
224.27 notwithstanding the service pension eligibility requirements under chapter 424A.

224.28 ~~(b)~~ (c) If a former firefighter who has received a service pension or disability benefit
224.29 returns to active relief association membership under paragraph (a) (b), the firefighter may
224.30 qualify for the receipt of a service pension from the relief association for the resumption
224.31 service period if the firefighter meets a minimum period of resumption service specified in
224.32 the relief association bylaws the service requirements of section 424A.016, subdivision 3,
224.33 or 424A.02, subdivision 2.

224.34 (d) If a former firefighter who has not received a service pension or disability benefit
224.35 returns to active relief association membership under paragraph (b), the firefighter may

225.1 qualify for the receipt of a service pension from the relief association for the resumption
225.2 service period if the firefighter meets the minimum period of resumption service specified
225.3 in the relief association bylaws and the service requirements of section 424A.016,
225.4 subdivision 3, or 424A.02, subdivision 2.

225.5 ~~(e)~~ (e) A firefighter who returns to active lump-sum relief association membership
225.6 and who qualifies for a service pension under paragraph ~~(b)~~ (c) or (d) must have, upon
225.7 a subsequent cessation of duties, any service pension for the resumption service period
225.8 calculated as a separate benefit. If a lump-sum service pension had been paid to the
225.9 firefighter upon the firefighter's previous cessation of duties, a second lump-sum service
225.10 pension for the resumption service period must be calculated to apply the service pension
225.11 amount in effect on the date of the firefighter's termination of the resumption service for all
225.12 years of the resumption service. No firefighter may be paid a service pension twice for the
225.13 same period of service. If a lump-sum service pension had not been paid to the firefighter
225.14 upon the firefighter's previous cessation of duties and the firefighter meets the minimum
225.15 service requirement of section 424A.016, subdivision 3, or 424A.02, subdivision 2, a
225.16 service pension must be calculated to apply the service pension amount in effect on the
225.17 date of the firefighter's termination of the resumption service for all years of service credit.

225.18 ~~(d)~~ (f) A firefighter who had not been paid a lump-sum service pension returns
225.19 to active relief association membership under paragraph ~~(a)~~ (b), who does not qualify
225.20 for a service pension under paragraph ~~(b)~~ (d), but who does meet the minimum service
225.21 requirement of section 424A.016, subdivision 3, or 424A.02, subdivision 2, based on the
225.22 firefighter's previous years of active service, must have, upon a subsequent cessation of
225.23 duties, a service pension calculated for the previous years of service based on the service
225.24 pension amount in effect on the date of the firefighter's termination of the resumption
225.25 service, or, if the bylaws so provide, based on the service pension amount in effect on the
225.26 date of the firefighter's previous cessation of duties.

225.27 ~~(e)~~ (g) If a firefighter receiving a monthly benefit service pension returns to active
225.28 monthly benefit relief association membership under paragraph ~~(a)~~ (b), and if the relief
225.29 association bylaws do not allow for the firefighter to continue collecting a monthly service
225.30 pension, any monthly benefit service pension payable to the firefighter is suspended as
225.31 of the first day of the month next following the date on which the firefighter returns to
225.32 active membership. If the firefighter was receiving a monthly benefit service pension,
225.33 and qualifies for a service pension under paragraph ~~(b)~~ (c), the firefighter is entitled to
225.34 an additional monthly benefit service pension upon a subsequent cessation of duties
225.35 calculated based on the resumption service credit and the service pension accrual amount
225.36 in effect on the date of the termination of the resumption service. ~~The~~ A suspended initial

226.1 service pension resumes as of the first of the month next following the termination of the
 226.2 resumption service. If the firefighter was not receiving a monthly benefit service pension
 226.3 and meets the minimum service requirement of section 424A.02, subdivision 2, a service
 226.4 pension must be calculated to apply the service pension amount in effect on the date of the
 226.5 firefighter's termination of the resumption service for all years of service credit.

226.6 ~~(f)~~ (h) A firefighter who was not receiving a monthly benefit service pension returns
 226.7 to active relief association membership under paragraph ~~(a)~~ (b), who does not qualify
 226.8 for a service pension under paragraph ~~(b)~~ (d), but who does meet the minimum service
 226.9 requirement of section 424A.02, subdivision 2, based on the firefighter's previous years
 226.10 of active service, must have, upon a subsequent cessation of duties, a service pension
 226.11 calculated for the previous years of service based on the service pension amount in effect
 226.12 on the date of the firefighter's termination of the resumption service, or, if the bylaws so
 226.13 provide, based on the service pension amount in effect on the date of the firefighter's
 226.14 previous cessation of duties.

226.15 **EFFECTIVE DATE.** This section is effective the day following final enactment.

226.16 Sec. 6. Minnesota Statutes 2009 Supplement, section 424A.015, is amended by adding
 226.17 a subdivision to read:

226.18 Subd. 5. **Minnesota deferred compensation plan transfers.** A relief association
 226.19 may directly transfer on an institution-to-institution basis the eligible member's
 226.20 lump-sum pension amount to the requesting member's account in the Minnesota deferred
 226.21 compensation plan, if:

226.22 (1) the governing articles of incorporation or bylaws so provide;

226.23 (2) the volunteer firefighter participates in the Minnesota deferred compensation
 226.24 plan at the time of retirement; and

226.25 (3) the applicable retiring firefighter requests in writing that the relief association
 226.26 do so.

226.27 **EFFECTIVE DATE.** This section is effective the day following final enactment.

226.28 Sec. 7. Minnesota Statutes 2009 Supplement, section 424A.016, subdivision 4, is
 226.29 amended to read:

226.30 Subd. 4. **Individual accounts.** (a) An individual account must be established for
 226.31 each firefighter who is a member of the relief association.

226.32 (b) To each individual active member account must be credited an equal share of:

226.33 (1) any amounts of fire state aid received by the relief association;

227.1 (2) any amounts of municipal contributions to the relief association raised from
227.2 levies on real estate or from other available municipal revenue sources exclusive of fire
227.3 state aid; and

227.4 (3) any amounts equal to the share of the assets of the special fund to the credit of:

227.5 (i) any former member who terminated active service with the fire department to
227.6 which the relief association is associated before meeting the minimum service requirement
227.7 provided for in subdivision 2, paragraph (b), and has not returned to active service with
227.8 the fire department for a period no shorter than five years; or

227.9 (ii) any retired member who retired before obtaining a full nonforfeitable interest in
227.10 the amounts credited to the individual member account under subdivision 2, paragraph
227.11 (b), and any applicable provision of the bylaws of the relief association. In addition, any
227.12 investment return on the assets of the special fund must be credited in proportion to the
227.13 share of the assets of the special fund to the credit of each individual active member
227.14 account. Administrative expenses of the relief association payable from the special
227.15 fund may be deducted from individual accounts in a manner specified in the bylaws of
227.16 the relief association.

227.17 (c) If the bylaws so permit and as the bylaws define, the relief association may credit
227.18 any investment return on the assets of the special fund to the accounts of inactive members.

227.19 (d) Amounts to be credited to individual accounts must be allocated uniformly for
227.20 all years of active service and allocations must be made for all years of service, except for
227.21 caps on service credit if so provided in the bylaws of the relief association. The allocation
227.22 method may utilize monthly proration for fractional years of service, as the bylaws or
227.23 articles of incorporation of the relief association so provide. The bylaws or articles of
227.24 incorporation may define a "month," but the definition must require a calendar month to
227.25 have at least 16 days of active service. If the bylaws or articles of incorporation do not
227.26 define a "month," a "month" is a completed calendar month of active service measured
227.27 from the member's date of entry to the same date in the subsequent month.

227.28 ~~(d)~~ (e) At the time of retirement under subdivision 2 and any applicable provision
227.29 of the bylaws of the relief association, a retiring member is entitled to that portion of the
227.30 assets of the special fund to the credit of the member in the individual member account
227.31 which is nonforfeitable under subdivision 3 and any applicable provision of the bylaws of
227.32 the relief association based on the number of years of service to the credit of the retiring
227.33 member.

227.34 ~~(e)~~ (f) Annually, the secretary of the relief association shall certify the individual
227.35 account allocations to the state auditor at the same time that the annual financial statement

228.1 or financial report and audit of the relief association, whichever applies, is due under
228.2 section 69.051.

228.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

228.4 Sec. 8. Minnesota Statutes 2009 Supplement, section 424A.016, subdivision 7, is
228.5 amended to read:

228.6 Subd. 7. **Limitation on ancillary benefits.** (a) A defined contribution relief
228.7 association may only pay an ancillary benefit which would constitute an authorized
228.8 disbursement as specified in section 424A.05. The ancillary benefit for active members
228.9 must equal the vested ~~or~~ and nonvested amount of the individual account of the member.

228.10 (b) For deferred members, the ancillary benefit must equal the vested amount of
228.11 the individual account of the member. For the recipient of installment payments of a
228.12 service pension, the ancillary benefit must equal the remaining balance in the individual
228.13 account of the recipient.

228.14 (c)(1) If a survivor or death benefit is payable under the articles of incorporation or
228.15 bylaws, the benefit must be paid:

228.16 (i) as a survivor benefit to the surviving spouse of the deceased firefighter;

228.17 (ii) as a survivor benefit to the surviving children of the deceased firefighter if no
228.18 surviving spouse;

228.19 (iii) as a survivor benefit to a designated beneficiary of the deceased firefighter if no
228.20 surviving spouse or surviving children; or

228.21 (iv) as a death benefit to the estate of the deceased active or deferred firefighter if no
228.22 surviving spouse, no surviving children, and no beneficiary designated.

228.23 (2) If there are no surviving children, the surviving spouse may waive, in writing,
228.24 wholly or partially, the spouse's entitlement to a survivor benefit.

228.25 (d) For purposes of this section, for a defined contribution volunteer fire relief
228.26 association, a trust created under chapter 501B may be a designated beneficiary. If a trust
228.27 payable to the surviving children organized under chapter 501B has been established as
228.28 authorized by this section and there is no surviving spouse, the survivor benefit may be
228.29 paid to the trust, notwithstanding the requirements of this section.

228.30 **EFFECTIVE DATE.** This section is effective the day following final enactment.

228.31 Sec. 9. Minnesota Statutes 2009 Supplement, section 424A.02, subdivision 9, is
228.32 amended to read:

229.1 Subd. 9. **Limitation on ancillary benefits.** A defined benefit relief association,
229.2 including any volunteer firefighters relief association governed by section 69.77 or any
229.3 volunteer firefighters division of a relief association governed by chapter 424, may only
229.4 pay ancillary benefits which would constitute an authorized disbursement as specified in
229.5 section 424A.05 subject to the following requirements or limitations:

229.6 (1) with respect to a defined benefit relief association in which governing bylaws
229.7 provide for a lump-sum service pension to a retiring member, no ancillary benefit may
229.8 be paid to any former member or paid to any person on behalf of any former member
229.9 after the former member (i) terminates active service with the fire department and active
229.10 membership in the relief association; and (ii) commences receipt of a service pension as
229.11 authorized under this section; and

229.12 (2) with respect to any defined benefit relief association, no ancillary benefit paid or
229.13 payable to any member, to any former member, or to any person on behalf of any member
229.14 or former member, may exceed in amount the total earned service pension of the member
229.15 or former member. The total earned service pension must be calculated by multiplying
229.16 the service pension amount specified in the bylaws of the relief association at the time of
229.17 death or disability, whichever applies, by the years of service credited to the member or
229.18 former member. The years of service must be determined as of (i) the date the member or
229.19 former member became entitled to the ancillary benefit; or (ii) the date the member or
229.20 former member died entitling a survivor or the estate of the member or former member to
229.21 an ancillary benefit. The ancillary benefit must be calculated without regard to whether the
229.22 member had attained the minimum amount of service and membership credit specified in
229.23 the governing bylaws. For active members, the amount of a permanent disability benefit
229.24 or a survivor benefit must be equal to the member's total earned service pension except
229.25 that the bylaws of a defined benefit relief association may provide for the payment of a
229.26 survivor benefit in an amount not to exceed five times the yearly service pension amount
229.27 specified in the bylaws on behalf of any member who dies before having performed five
229.28 years of active service in the fire department with which the relief association is affiliated.

229.29 (3)(i) If a lump sum survivor or death benefit is payable under the articles of
229.30 incorporation or bylaws, the benefit must be paid:

229.31 (A) as a survivor benefit to the surviving spouse of the deceased firefighter;

229.32 (B) as a survivor benefit to the surviving children of the deceased firefighter if
229.33 no surviving spouse;

229.34 (C) as a survivor benefit to a designated beneficiary of the deceased firefighter if no
229.35 surviving spouse or surviving children; or

230.1 (D) as a death benefit to the estate of the deceased active or deferred firefighter if no
230.2 surviving children and no beneficiary designated.

230.3 (ii) If there are no surviving children, the surviving spouse may waive, in writing,
230.4 wholly or partially, the spouse's entitlement to a survivor benefit.

230.5 (4)(i) If a monthly benefit survivor or death benefit is payable under the articles of
230.6 incorporation or bylaws, the benefit must be paid:

230.7 (A) as a survivor benefit to the surviving spouse of the deceased firefighter;

230.8 (B) as a survivor benefit to the surviving children of the deceased firefighter if
230.9 no surviving spouse;

230.10 (C) as a survivor benefit to a designated beneficiary of the deceased firefighter if no
230.11 surviving spouse or surviving children; or

230.12 (D) as a death benefit to the estate of the deceased active or deferred firefighter if no
230.13 surviving spouse, no surviving children, and no beneficiary designated.

230.14 (ii) If there are no surviving children, the surviving spouse may waive, in writing,
230.15 wholly or partially, the spouse's entitlement to a survivor benefit.

230.16 (iii) For purposes of this clause, if the relief association bylaws authorize a monthly
230.17 survivor benefit payable to a designated beneficiary, the relief association bylaws may
230.18 limit the total survivor benefit amount payable.

230.19 (5) For purposes of this section, for a monthly benefit volunteer fire relief association
230.20 or for a combination lump-sum and monthly benefit volunteer fire relief association where
230.21 a monthly benefit service pension has been elected by or a monthly benefit is payable with
230.22 respect to a firefighter, a designated beneficiary must be a natural person. For purposes
230.23 of this section, for a lump-sum volunteer fire relief association or for a combination
230.24 lump-sum and monthly benefit volunteer fire relief association where a lump-sum service
230.25 pension has been elected by or a lump-sum benefit is payable with respect to a firefighter,
230.26 a trust created under chapter 501B may be a designated beneficiary. If a trust is payable to
230.27 the surviving children organized under chapter 501B as authorized by this section and
230.28 there is no surviving spouse, the survivor benefit may be paid to the trust, notwithstanding
230.29 a requirement of this section to the contrary.

230.30 **EFFECTIVE DATE.** This section is effective the day following final enactment.

230.31 Sec. 10. Minnesota Statutes 2009 Supplement, section 424A.02, subdivision 10,
230.32 is amended to read:

230.33 Subd. 10. **Local approval of bylaw amendments; filing requirements.** (a) Each
230.34 defined benefit relief association to which this section applies must file a revised copy
230.35 of its governing bylaws with the state auditor upon the adoption of any amendment to

231.1 its governing bylaws by the relief association or upon the approval of any amendment
231.2 to its governing bylaws granted by the governing body of each municipality served by
231.3 the fire department to which the relief association is directly associated. Failure of the
231.4 relief association to file a copy of the bylaws or any bylaw amendments with the state
231.5 auditor disqualifies the municipality from the distribution of any future fire state aid until
231.6 this filing requirement has been completed.

231.7 (b) If the special fund of the relief association does not have a surplus over full
231.8 funding under section 69.772, subdivision 3, clause (2), subclause (e), or 69.773,
231.9 subdivision 4, and if the municipality is required to provide financial support to the special
231.10 fund of the relief association under section 69.772 or 69.773, no bylaw amendment which
231.11 would affect the amount of, the manner of payment of, or the conditions for qualification
231.12 for service pensions or ancillary benefits or disbursements other than administrative
231.13 expenses authorized under section 69.80 payable from the special fund of the relief
231.14 association is effective until it has been ratified ~~by the governing body or bodies of the~~
231.15 ~~appropriate municipalities~~ as required under section 69.772, subdivision 6, or 69.773,
231.16 subdivision 6. If the special fund of the relief association has a surplus over full funding
231.17 under section 69.772, subdivision 3, or 69.773, subdivision 4, and if the municipality is
231.18 not required to provide financial support to the special fund under this section, the relief
231.19 association may adopt or amend without municipal ratification its articles of incorporation
231.20 or bylaws which increase or otherwise affect the service pensions or ancillary benefits
231.21 payable from the special fund so long as the changes do not cause the amount of the
231.22 resulting increase in the accrued liability of the special fund to exceed 90 percent of the
231.23 amount of the surplus over full funding reported in the prior year and the changes do not
231.24 result in the financial requirements of the special fund exceeding the expected amount
231.25 of the subsequent calendar year's fire state aid to be received by the relief association if
231.26 authorized under section 69.772, subdivision 6, or 69.773, subdivision 6.

231.27 (c) If the relief association pays only a lump-sum pension, the financial requirements
231.28 are to be determined by the board of trustees following the preparation of an estimate
231.29 of the expected increase in the accrued liability and annual accruing liability of the
231.30 relief association attributable to the change. If the relief association pays a monthly
231.31 benefit service pension, the financial requirements are to be determined by the board of
231.32 trustees following either an updated actuarial valuation including the proposed change
231.33 or an estimate of the expected actuarial impact of the proposed change prepared by the
231.34 actuary of the relief association. If a relief association adopts or amends its articles
231.35 of incorporation or bylaws without municipal ratification under this subdivision, and,
231.36 subsequent to the amendment or adoption, the financial requirements of the special fund

232.1 under this section are such so as to require financial support from the municipality, the
 232.2 provision which was implemented without municipal ratification is no longer effective
 232.3 without municipal ratification, and any service pensions or ancillary benefits payable after
 232.4 that date must be paid only in accordance with the articles of incorporation or bylaws as
 232.5 amended or adopted with municipal ratification.

232.6 **EFFECTIVE DATE.** This section is effective the day following final enactment.

232.7 Sec. 11. Minnesota Statutes 2009 Supplement, section 424A.05, subdivision 3, is
 232.8 amended to read:

232.9 Subd. 3. **Authorized disbursements from the special fund.** (a) Disbursements
 232.10 from the special fund may not be made for any purpose other than one of the following:

232.11 (1) for the payment of service pensions to retired members of the relief association if
 232.12 authorized and paid under law and the bylaws governing the relief association;

232.13 (2) for the purchase of an annuity for the applicable person under section 424A.015,
 232.14 subdivision 3, for the transfer of service pension or benefit amounts to the applicable
 232.15 person's individual retirement account under section 424A.015, subdivision 4, or to the
 232.16 applicable person's account in the Minnesota deferred compensation plan under section
 232.17 424A.015, subdivision 5;

232.18 ~~(2)~~ (3) for the payment of temporary or permanent disability benefits to disabled
 232.19 members of the relief association if authorized and paid under law and specified in amount
 232.20 in the bylaws governing the relief association;

232.21 ~~(3)~~ (4) for the payment of survivor benefits ~~to surviving spouses and surviving~~
 232.22 ~~children, or if none, to designated beneficiaries, of deceased members of the relief~~
 232.23 ~~association, and if no survivors and if no designated beneficiary, or~~ for the payment of a
 232.24 death benefit to the estate of the deceased active or deferred firefighter, if authorized ~~by~~
 232.25 and paid under law and specified in amount in the bylaws governing the relief association;

232.26 ~~(4)~~ (5) for the payment of the fees, dues and assessments to the Minnesota State
 232.27 Fire Department Association and to the Minnesota Area Relief Association Coalition in
 232.28 order to entitle relief association members to membership in and the benefits of these
 232.29 associations or organizations;

232.30 ~~(5)~~ (6) for the payment of insurance premiums to the state Volunteer Firefighters
 232.31 Benefit Association, or an insurance company licensed by the state of Minnesota offering

Subd. 2a. **Metropolitan Airports Commission.** The Metropolitan Airports Commission shall apply for all police state aid that it is eligible to receive on behalf of employees covered under chapter 422A.

352.91 COVERED CORRECTIONAL SERVICE.

Subd. 5. **Correction of errors.** (a) If it is determined that an employee should have been covered by the correctional retirement plan but was placed in the general employees retirement plan or Teachers Retirement Association in error, the commissioner of corrections or the commissioner of human services must report the error to the executive director of the Minnesota State Retirement System. The service must be properly credited under the correctional employees retirement plan for a period of not to exceed five years before the date on which the commissioner of corrections or human services notifies the executive director of the Minnesota State Retirement System in writing or five years from the date on which an employee requests, in writing, the applicable department to determine if the person has appropriate retirement plan coverage, whichever is earlier. If the error covers more than a five-year period, the service before the five-year period must remain under the plan originally credited the service. The employee shall pay the difference between the employee contributions actually paid during the five-year period and what should have been paid under the correctional employees retirement plan. The department making the error shall pay to the correctional employees retirement plan an amount equal to the difference in the present value of accrued retirement benefits caused by the change in coverage after subtracting the amount paid by the employee. Calculation of this amount must be made by the executive director of the Minnesota State Retirement System using the applicable preretirement interest rate specified in section 356.215, subdivision 8, and the mortality table adopted for the Minnesota State Retirement System. The calculation must assume continuous future service in the correctional employees retirement plan until the employee would reach the age eligible for normal retirement. The calculation must also assume a future salary history that includes annual salary increases at the salary increase rate or rates specified in section 356.215, subdivision 8.

(b) If an employee was covered under the correctional employees retirement plan, but it is determined that the person should have been covered under the general employees retirement plan, the error must be corrected if written notification is provided to the employee and the executive director of the Minnesota State Retirement System within three years of the date on which the coverage was improperly started. The difference in employee and employer contributions actually paid to the correctional employees retirement plan in excess of the amount that should have been paid to the general employees retirement plan must be refunded to the employee and the employer paying the additional contributions.

(a) If the board of trustees of the Public Employees Retirement Association, upon the recommendation of the executive director, determines that a governmental subdivision has certified a public employee for membership in the public employees police and fire retirement plan when the public employee was not eligible for that retirement plan coverage, the public employee must be covered by the correct retirement plan for subsequent service, the public employee retains the coverage for the period of the misclassification, and the governmental subdivision shall pay in a lump sum the difference in the actuarial present value of the retirement annuities to which the public employee would have been entitled if the public employee was properly classified. The governmental subdivision payment is payable within 30 days of the board's determination. If unpaid, it must be collected under section 353.28. The lump-sum payment must be deposited in the public employees retirement fund.

(b) If the executive director of the Public Employees Retirement Association determines that a governmental subdivision has failed to certify a person for retirement plan membership and coverage under this chapter, in addition to the procedures under section 353.27, subdivision 4, 9, 10, 11, 12, 12a, or 12b, the director shall charge a fine of \$25 for each membership certification failure.

The participating elected local government official shall supply sufficient written documentation that the transfer amounts are eligible for tax-free rollover treatment. An authorized tax-free rollover, plus any other purchase amount payments under this section, including subdivision 6, may not exceed the limitation in subdivision 2, paragraph (a). Notwithstanding any provision of state law or rule to the contrary, to the extent permitted under federal law, the employee purchase amount may be transferred from the state deferred compensation plan before the employee terminates public employment.

In subsequent years, the payment must be made on December 1 to those persons receiving an annuity or benefit on the preceding November 30. The payment provided for in this section must be paid automatically unless the intended recipient files a written notice with the retirement fund requesting that it not be paid.

Subd. 3. **State appropriation.** Payments under this section are the responsibility of the Minneapolis Employees Retirement Fund. A separate state aid is provided toward the level dollar amortized cost of the payments. The power to manage and invest the assets of the funds must be exercised by the retirement board solely through professional investment or property management firms that are independent of the retirement fund. No financial or property assets of the funds may be managed, serviced, or invested internally or in-house at the retirement fund, except that any investment held by a fund on February 1, 1993, that is not readily tradable on an established securities exchange may continue to be managed directly by the retirement board until the investment is converted to cash. The retirement board's functions under this section consist primarily of establishing and effectuating investment policy and structure, managing the investment process, monitoring and measuring the performance of the external independent professional investment or property management firms, retaining or terminating agreements with these firms, apportioning the assets of the funds to be managed among these firms, and making financial decisions on issues if approvals have been specifically reserved by and to the board.

Subd. 2a. **Fiduciary duty.** (a) In the discharge of their respective duties, the members of the board, the executive director, the board staff, and any person charged with the responsibility of servicing assets of the funds pursuant to the standards set forth in this chapter shall act in good faith and shall exercise that degree of judgment and care, under circumstances then prevailing, which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived therefrom. In addition, the members of the board and the chief administrative officer shall act in a manner consistent with chapter 356A.

(b) Individuals authorized by the board to manage or invest the assets of the funds must act in a manner consistent with chapter 356A. In addition, these individuals must act in good faith and exercise that degree of judgment, skill, diligence, and care, under the circumstances then prevailing, that persons of prudence, discretion, and intelligence acting in a like capacity and familiar with the activity would exercise.

Subd. 2b. **Conflicts of interest.** No member of the board may participate in the deliberations or the voting on any matter before the board which will or is likely to result in direct, measurable personal gain to the member.

Subd. 2c. **Minneapolis Employees Retirement Fund investment authority.** (a) For investments made on or after July 1, 1991, the board shall invest funds only in investments authorized by section 356A.06, subdivision 7.

(b) However, in addition to real estate investments authorized under paragraph (a), the board may also make loans to purchasers of Minnesota situs nonfarm residential real estate that is owned by the Minneapolis Employees Retirement Fund. The loans must be secured by mortgages or deeds of trust.

If a suit is brought by the state or a political subdivision under this subdivision, no separate suit regarding the same claims on behalf of taxpayers of the state or a political subdivision or of

APPENDIX

Repealed Minnesota Statutes: H3281-3

beneficiaries may be allowed, and any suit then pending on behalf of taxpayers of the state or a political subdivision or of beneficiaries must be dismissed unless the court determines that its dismissal would prejudice or limit the rights or claims of the taxpayers or beneficiaries. Nothing in this subdivision precludes suits by both the state and an affected political subdivision or suits by the retirement board on behalf of one or more of the funds.

Subd. 2f. **Attorney fees.** The court shall award reasonable attorney fees and costs of litigation, in addition to damages and other relief, in a suit where a breach of fiduciary duty is found under subdivision 2a or chapter 356A.

Subd. 5. **Payments; revolving fund.** All payments from the funds created by this chapter shall be signed by the treasurer, executive director, or other person appointed by the retirement board, and no payment shall be made except by order of the board duly entered in the record of its proceedings, except that the board may create a revolving fund in an amount as may be necessary to be used for the purpose of withdrawals from the fund of excess contributions; refunds to employees upon their separation from the service and for other purposes as may be determined by the board. The revolving fund shall be periodically reimbursed as set forth herein. It shall be subject to withdrawal upon check signed by the executive director, or other person appointed by the board.

Subd. 6. **Special funds.** The board may, in carrying out the provisions of this chapter, establish special funds supplementing individual contributions by the employees and to receive, invest, and disburse for such purpose all moneys in the form of donations, gifts, legacies, bequests, or otherwise which may be contributed by private individuals or corporations or organizations for the benefit of the city employees generally, or any special employee or class of employees of the city.

Subd. 8. **Health insurance.** The retirement board may authorize the executive director or the executive director's designee to:

- (1) offer the beneficiaries of the fund the option of having their health insurance premiums deducted automatically from their monthly benefit amounts and paid to a designated insurer; and
- (2) provide beneficiaries information about available group health insurance plan options.

Beneficiaries who elect to avail themselves of this service are ultimately responsible for the timely payment of premiums and the payment of premiums in the proper amount.

422A.06 RETIREMENT FUND.

Subdivision 1. **Creation; divisions of fund.** For the purposes of this chapter, there is established the Minneapolis Employees Retirement Fund. That retirement fund is subdivided into (1) a deposit accumulation fund, (2) a survivor benefit fund, (3) a disability benefit fund, and (4) a retirement benefit fund. The expense of the administration of the retirement fund must be paid from the deposit accumulation fund, less the amount as the retirement board may charge against income of the retirement benefit fund from investments as the cost of handling the investments of the retirement benefit fund.

Subd. 2. **Actuarial valuation required.** (a) As of July 1 of each year, an actuarial valuation of the retirement fund shall be prepared by the actuary retained by the joint retirement systems under section 356.214 and filed in conformance with the provisions and requirements of sections 356.215 to 356.23. Experience studies shall be prepared at those times required by statute, required by the standards for actuarial work adopted by the Legislative Commission on Pensions and Retirement or ordered by the board.

(b) The board may contract for the services of an approved actuary and fix the reasonable compensation for those services. Any approved actuary retained by the board shall function as the actuarial advisor to the board and may perform actuarial valuations and experience studies to supplement those performed by the actuary retained by the joint retirement systems under section 356.214. Any supplemental actuarial valuations or experience studies must be filed with the executive director of the Legislative Commission on Pensions and Retirement.

Subd. 3. **Deposit accumulation fund.** (a) The deposit accumulation fund consists of the assets held in the fund, including amounts contributed by or for employees, amounts contributed by the city, amounts contributed by municipal activities supported in whole or in part by revenues other than taxes and amounts contributed by any public corporation, amounts paid by the state, and by income from investments.

(b) There must be paid from the fund the amounts required to be transferred to the retirement benefit fund, or the disability benefit fund, refunds of contributions, including the death-while-active refund specified in section 422A.22, subdivision 4, postretirement increases in retirement allowances granted under Laws 1965, chapter 688, or Laws 1969, chapter 859, and expenses of the administration of the retirement fund which were not charged by the retirement

board against the income of the retirement benefit fund from investments as the cost of handling the investments of the retirement benefit fund.

(c) To the extent that the deposit accumulation fund has insufficient assets to transfer the total value of the required reserves for retirement annuities to either the disability benefit fund under subdivisions 5 and 7 or the retirement benefit fund under subdivisions 5 and 8 as required, the deposit accumulation fund has a transfer amount payable on which an interest charge accrues. The executive director must determine the interest charge for the period that the transfer amount payable remains unpaid at an annual rate equal to five percent plus the percentage increase in the amount of the annual Consumer Price Index for urban wage earners and clerical workers as calculated by the Bureau of Labor Statistics of the United States Department of Labor from the previous June 30. The interest charge must be reflected in the books of the Minneapolis Employees Retirement Fund and assessed against the deposit accumulation fund based on the average quarterly transfer amount payable balance outstanding. Any revenue received by the deposit accumulation fund subsequent to unpaid transfers must be transferred from the deposit accumulation fund to the disability benefit fund or to the retirement fund, whichever applies, and must first be applied to any remaining interest charge and then must be applied to the principal amount of transfer amount payable outstanding.

Subd. 5. Transfer of reserves to retirement benefit fund; adjustments of annuities and benefits. (a) Assets equal to the required reserves for retirement annuities as determined in accordance with the appropriate mortality table adopted by the board of trustees based on the experience of the fund as recommended by the actuary retained under section 356.214 and using the postretirement interest assumption specified in section 356.215, subdivision 8, must be transferred to the disability benefit fund as provided in subdivision 7, or the retirement benefit fund, except for any amounts payable from the survivor benefit fund, as of date of retirement.

(b) To the extent that the deposit accumulation fund has insufficient assets to cover a full required transfer amount, the applicable fund must be credited with an interest-bearing transfer amount payable.

(c) Annuity payments must be adjusted in accordance with this chapter, except that no minimum retirement payments described in this chapter must include any amounts payable from the survivors' benefit fund or disability benefit fund and supplemented benefits specifically financed by statute.

(d) Increases in annuity payments under this section shall be made automatically unless written notice on a form prescribed by the board is filed with the retirement board requesting that the increase not be made.

(e) Any additional annuity which began to accrue on July 1, 1973, or which began to accrue on January 1, 1974, under Laws 1973, chapter 770, section 1, must be considered as part of the base amount to be used in determining any postretirement adjustments payable under the provisions of subdivision 8.

Subd. 6. Survivor's benefit fund. The survivor's benefit fund consists of the amount held for survivor benefits, increased by contributions for survivor benefits made by and for employees, including contributions made by the employer, by any municipal activity supported in whole or in part by revenue other than taxes or by any public corporation. A proportionate share of income from investments must be allocated to this fund. Survivor benefits specified in section 422A.23 must be paid from this fund.

Subd. 7. Disability benefit fund. (a) A disability benefit fund is established, containing the required reserves for disability allowances under this chapter. A proportionate share of income from investments must be allocated to this fund and any interest charge under subdivision 3, paragraph (c), must be credited to the fund. The disability allowances payable under this chapter must be paid from this fund.

(b) In the event of the termination of any disability allowance for any reason other than the death of the recipient, the balance of the required reserves for the disability allowance as of the date of the termination must be transferred from the disability benefit fund to the deposit accumulation fund.

(c) At the end of each fiscal year, as part of the annual actuarial valuation, a determination must be made of the required reserves for all disability allowances being paid from the disability benefit fund. Any excess of assets over actuarial required reserves in the disability benefit fund must be transferred to the deposit accumulation fund. Unless subdivision 3, paragraph (c), applies, any excess of actuarial reserves over assets in the disability benefit fund must be funded by a transfer of the appropriate amount of assets from the deposit accumulation fund.

Subd. 8. Retirement benefit fund. (a) The retirement benefit fund consists of amounts held for payment of retirement allowances for members retired under this chapter, including any transfer amount payable under subdivision 3, paragraph (c).

APPENDIX

Repealed Minnesota Statutes: H3281-3

(b) Unless subdivision 3, paragraph (c), applies, assets equal to the required reserves for retirement allowances under this chapter determined in accordance with the appropriate mortality table adopted by the board of trustees based on the experience of the fund as recommended by the actuary retained under section 356.214 must be transferred from the deposit accumulation fund to the retirement benefit fund as of the last business day of the month in which the retirement allowance begins. The income from investments of these assets must be allocated to this fund and any interest charge under subdivision 3, paragraph (c), must be credited to the fund. There must be paid from this fund the retirement annuities authorized by law. A required reserve calculation for the retirement benefit fund must be made by the actuary retained under section 356.214 and must be certified to the retirement board by the actuary retained under section 356.214.

(c) There is established a deferred yield adjustment account which must be increased by the sale or disposition of any debt securities at less than book value and must be decreased by the sale or disposition of debt securities at more than book value. At the end of each fiscal year, a portion of the balance of this account must be offset against the investment income for that year. The annual portion of the balance to be offset must be proportional to the reciprocal of the average remaining life of the bonds sold, unless the amounts are offset by gains on the future sales of these securities. The amount of this account must be included in the recognized value of assets other than corporate stocks and all other equity investments. In any fiscal year in which the gains on the sales of debt securities exceed the discounts realized on the sales of such securities, the excess must be used to reduce the balance of the account. If the realized capital gains are sufficient to reduce the balance of the account to zero, any excess gains must be available for the calculation of postretirement adjustments.

(d)(1) Annually, following June 30, the board shall use the procedures in clauses (2), (3), and (4), to determine whether a postretirement adjustment is payable and to determine the amount of any postretirement adjustment.

(2) If the Consumer Price Index for urban wage earners and clerical workers all items index published by the Bureau of Labor Statistics of the United States Department of Labor increases from June 30 of the preceding year to June 30 of the current year, the board shall certify the percentage increase. The amount certified must not exceed 3.5 percent.

(3) In addition to any percentage increase certified under paragraph (b), the board shall use the following procedures to determine if a postretirement adjustment is payable under this paragraph:

(i) the board shall determine the market value of the fund on June 30 of that year;

(ii) the amount of reserves required as of the current June 30 for the annuity or benefit payable to an annuitant and benefit recipient must be determined by the actuary retained under section 356.214. An annuitant or benefit recipient who has been receiving an annuity or benefit for at least 12 full months as of the current June 30 is eligible to receive a full postretirement adjustment. An annuitant or benefit recipient who has been receiving an annuity or benefit for at least one full month, but less than 12 full months as of the current June 30, is eligible to receive a partial postretirement adjustment. The amount of the reserves for those annuitants and benefit recipients who are eligible to receive a full postretirement benefit adjustment is known as "eligible reserves." The amount of the reserves for those annuitants and benefit recipients who are not eligible to receive a postretirement adjustment is known as "noneligible reserves." For an annuitant or benefit recipient who is eligible to receive a partial postretirement adjustment, additional "eligible reserves" is an amount that bears the same ratio to the total reserves required for the annuitant or benefit recipient as the number of full months of annuity or benefit receipt as of the current June 30 bears to 12 full months. The remainder of the annuitant's or benefit recipient's reserves are "noneligible reserves";

(iii) the board shall determine the percentage increase certified under clause (2) multiplied by the eligible required reserves, as adjusted for mortality gains and losses, determined under item (ii);

(iv) the board shall add the amount of reserves required for the annuities or benefits payable to annuitants and benefit recipients of the participating public pension plans or funds as of the current June 30 to the amount determined under item (iii);

(v) the board shall subtract the amount determined under item (iv) from the market value of the fund determined under item (i);

(vi) the board shall adjust the amount determined under item (v) by the cumulative current balance determined under item (viii) and any negative balance carried forward under item (ix);

(vii) a positive amount resulting from the calculations in items (i) to (vi) is the excess market value. A negative amount is the negative balance;

APPENDIX

Repealed Minnesota Statutes: H3281-3

(viii) the board shall allocate one-fifth of the excess market value or one-fifth of the negative balance to each of five consecutive years, beginning with the fiscal year ending the current June 30; and

(ix) to calculate the postretirement adjustment under this paragraph based on investment performance for a fiscal year, the board shall add together all excess market value allocated to that year and subtract from the sum all negative balances allocated to that year. If this calculation results in a negative number, the entire negative balance must be carried forward and allocated to the next year. If the resulting amount is positive, a postretirement adjustment is payable under this paragraph. The board shall express a positive amount as a percentage of the total eligible required reserves certified to the board under item (ii).

(4) The board shall determine the amount of any postretirement adjustment which is payable using the following procedure:

(i) the total "eligible" required reserves as of the first of January next following the end of the fiscal year for the annuitants and benefit recipients eligible to receive a full or partial postretirement adjustment as determined by item (ii) must be certified to the board by the actuary retained under section 356.214. The total "eligible" required reserves must be determined by the actuary retained under section 356.214 on the assumption that all annuitants and benefit recipients eligible to receive a full or partial postretirement adjustment will be alive on the January 1 in question; and

(ii) the board shall add the percentage certified under clause (2) to any positive percentage calculated under clause (3). The board shall not subtract from the percentage certified under paragraph (b) any negative amount calculated under clause (3). The sum of these percentages must be carried to five decimal places and must be certified as the full postretirement adjustment percentage.

(e) The board shall determine the amount of the postretirement adjustment payable to each eligible annuitant and benefit recipient. The dollar amount of the postretirement adjustment must be calculated by applying the certified postretirement adjustment percentage to the amount of the monthly annuity or benefit payable to each eligible annuitant or benefit recipient eligible for a full adjustment.

The dollar amount of the partial postretirement adjustment payable to each annuitant or benefit recipient eligible for a partial adjustment must be calculated by first determining a partial percentage amount that bears the same ratio to the certified full adjustment percentage amount as the number of full months of annuity or benefit receipt as of the current June 30 bears to 12 full months. The partial percentage amount determined must then be applied to the amount of the monthly annuity or benefit payable to each annuitant or benefit recipient eligible to receive a partial postretirement adjustment. The postretirement adjustments are payable on January 1 following the calculations required under this section and must thereafter be included in the monthly annuity or benefit paid to the recipient. Any adjustments under this section must be paid automatically unless the intended recipient files a written notice with the applicable participating public pension fund or plan requesting that the adjustment not be paid.

(f) As of June 30 annually, the actuary retained under section 356.214 shall calculate the amount of required reserves representing any mortality gains and any mortality losses incurred during the fiscal year and report the results of those calculations to the plan. The actuary shall report separately the amount of the reserves for annuitants and benefit recipients who are eligible for a postretirement benefit adjustment and the amount of reserves for annuitants and benefit recipients who are not eligible for a postretirement benefit adjustment. If the net amount of required reserves represents a mortality gain, the board shall sell sufficient securities or transfer sufficient available cash to equal the amount. If the amount of required reserves represents a mortality loss, the plan shall transfer an amount equal to the amount of the net mortality loss. The amount of the transfers must be determined before any postretirement benefit adjustments have been made. All transfers resulting from mortality adjustments must be completed annually by December 31 for the preceding June 30. Interest is payable on any transfers after December 31 based upon the preretirement interest assumption for the participating plan or fund as specified in section 356.215, subdivision 8, stated as a monthly rate. Book values of the assets of the fund must be determined only after all adjustments for mortality gains and losses for the fiscal year have been made.

(g) All money necessary to meet the requirements of the certification of withdrawals and all money necessary to pay postretirement adjustments under this section are hereby and from time to time appropriated from the postretirement investment fund to the board.

(h) Annually, following the calculation of any postretirement adjustment payable from the retirement benefit fund, the board of trustees shall submit a report to the executive director of the Legislative Commission on Pensions and Retirement and to the commissioner of management and

APPENDIX

budget indicating the amount of any postretirement adjustment and the underlying calculations on which that postretirement adjustment amount is based, including the amount of dividends, the amount of interest, and the amount of net realized capital gains or losses utilized in the calculations.

(i) With respect to a former contributing member who began receiving a retirement annuity or disability benefit under section 422A.151, paragraph (a), clause (2), after June 30, 1997, or with respect to a survivor of a former contributing member who began receiving a survivor benefit under section 422A.151, paragraph (a), clause (2), after June 30, 1997, the reserves attributable to the one percent lower amount of the cost-of-living adjustment payable to those annuity or benefit recipients annually must be transferred back to the deposit accumulation fund to the credit of the Metropolitan Airports Commission. The calculation of this annual reduced cost-of-living adjustment reserve transfer must be reviewed by the actuary retained under section 356.214.

422A.08 FINANCING OF CITY'S CONTRIBUTION.

Subdivision 1. **Financing.** All income, interest and dividends derived from deposits and investments authorized by this chapter shall be placed to the credit of the retirement fund.

Subd. 5. **Service credit purchase.** Any contributor who prior to entering the service of the city was an employee of a public corporation, is authorized, using the procedure in section 356.551, to purchase allowable service credit in the retirement fund for employment by the public corporation in the same manner as though the service had been rendered to the city, providing that the individual has not received service credit and is not eligible to receive service credit for this period under any other plan or fund listed in section 356.30, subdivision 3. Before receiving credit for service rendered to a public corporation as herein set forth, the contributing employee shall make application therefor in writing to the retirement board, and shall contribute to the retirement fund the amount specified in section 356.551.

422A.09 CLASSIFICATION OF EMPLOYEES.

Subdivision 1. **Two classes.** Employees of the city shall be divided into a contributing class and an exempt class.

Subd. 2. **Contributing class.** (a) The contributing class shall consist of all employees not included in the exempt class, who become prospective beneficiaries of the fund created by this chapter.

(b) A member of the contributing class who is granted a leave of absence without pay by the member's employer to serve as an employee or agent of a labor union representing members of the contributing class may continue as a member of the contributing class during the period of such leave of absence by depositing each month with the fund the amount of the contribution of the employee as required by this chapter which amount shall be the normal employee contribution.

(c) The contributions referred to in this subdivision shall be based on the salary for the position or its equivalent held by the member immediately prior to such leave of absence subject to any adjustment thereof during the period of such leave.

Subd. 3. **Exempt class.** The exempt class shall consist of:

(1) Employees who are members of any other organization or association of the city on behalf of which a tax is levied by the city for the purpose of paying retirement allowances to disabled or superannuated employees.

(2) Persons filling elective position; provided that any elective officer holding an elective city office, except a judge of municipal court, shall, upon written application to the retirement board, be entitled to become a member of the contributing class of the fund, and after becoming a contributor to the fund be entitled to all benefits conferred upon employees of the contributing class except retirement on a service allowance, which shall be granted only upon completion of ten or more years of service and attaining at least age 60.

All retirement allowances shall be computed and determined as provided herein, except that in determining the number of years of service, credit shall be given for time served as an elective officer or employee, or member of an executive board or commission or any combination thereof. Persons who have served in elective positions which qualified them for membership in the fund prior to July 1, 1967, and who immediately thereafter hold elective office, first being appointed to that elective office in Hennepin County, may retain or resume membership in the fund as an elective officer of the county. The county shall collect and pay to the retirement fund the employee contribution as required under section 422A.10. The employer contribution on behalf of the elected officer must be paid by the county. Before receiving a retirement allowance, or any other benefit, any person who claims credit for service under this section shall contribute to

the fund an amount equal to the amount of contributions to the fund which the person would have made had the person been a contributor to the fund since the date the person first became eligible for membership in the fund, under section 422A.10, plus six percent compound interest.

(3) Persons serving without pay.

(4) Persons employed on a temporary basis, as doorkeepers, ticket takers, and attendants at the municipal auditorium, park recreation facilities, or like activities, employed less than 1000 hours, or its equivalent if employed on any other basis than an hourly basis, in any calendar year from January 1 to December 31, inclusive, provided that employees who were contributing members of the fund on July 1, 1959 shall not be affected by the exclusions in this section.

(5) A person who is exempted from the contributing class by Minnesota Statutes 1974, section 422A.09, subdivision 3, clauses (4) and (5), but who is employed by and paid, in whole or in part, by the city or any of its boards, departments, or commissions, operated as a department of the city government or independently, if financed in whole or in part by city funds, including any person employed by a public corporation, and including any person employed by Special School District No. 1, each of whom is not a member of any other retirement system, who later becomes a contributing member of the fund may elect to qualify at that time for credit by paying into the fund an amount equal to the amount of contributions to the fund which the person would have made had the person been a contributor to the fund since the date the person first qualified as an exempt member of the contributing class, under section 422A.10, plus six percent compound interest.

Subd. 4. **City coordinator; assistant city coordinator.** The exempt class shall also consist of persons filling the positions of Minneapolis city coordinator and assistant city coordinator, provided that any such person shall, upon written application to the retirement board, be entitled to become a member of the contributing class of the fund, and after becoming a contributor to the fund be entitled to all benefits conferred upon employees of the contributing class. If a person filling the position of city coordinator or assistant city coordinator does not elect to become a member of the contributing class, the city of Minneapolis may pay to such person, in addition to the salary allowed under any limitations imposed upon salaries by any law, an amount equal to what would be the employer's contribution for normal costs to the retirement fund if the employee was a member of the contributing class, provided that such employee agrees that the additional salary shall be deposited by the city in a deferred compensation program.

422A.10 SALARY DEDUCTIONS.

Subdivision 1. **Member contribution; deductions.** (a) There must be deducted and withheld from the basic salary, pay or compensation of each employee in the contributing class an amount equal to 9-1/4 percent of such salary, pay or compensation, except as hereinafter provided.

(b) The retirement board may increase the percentage rate of contribution to the retirement fund of any employee or employees for the purpose of establishing and maintaining on an actuarial basis a plan of insurance, survivors' benefits, or other type of benefit or benefits, the cost of which must be paid out of such extra percentage so authorized and deducted from the employee's compensation, except as hereinafter provided. Any plan or plans so established and placed in operation may be amended from time to time, or may be abandoned, but if abandoned, any surplus remaining from the operation of a plan must be the property of the fund, and must be credited to the reserve for loss in investment account.

Subd. 2. **Mandatory member contributions.** Every employee to whom this chapter applies is deemed to consent and agree to the deductions made and provided for herein, and payment with such reductions, for service, are a full and complete discharge and acquittance of all claims and demands for all services rendered by such person during the period covered by such payment; except the person's claim to the benefits to which the person may be entitled under the provisions of this chapter.

Subd. 3. **Option to increase contributions.** Subject to such terms and conditions and to such rules and regulations as the retirement board may adopt, any contributor from time to time may increase or decrease the contributor's rate of contribution to the retirement fund, but in no event shall the contribution be less than the minimum contribution specified in the provisions of this chapter.

422A.101 PREPARATION OF FINANCIAL REQUIREMENTS OF FUND; EMPLOYER CONTRIBUTIONS.

Subdivision 1. **Financial requirements of fund.** Prior to July 31 annually, the retirement board, in consultation with the actuary retained under section 356.214, shall prepare an itemized statement of the financial requirements of the fund for the succeeding fiscal year. A copy of the

APPENDIX

Repealed Minnesota Statutes: H3281-3

statement shall be submitted to the city council, the board of estimate and taxation of the city, the managing board or chief administrative officer of each city owned public utility, improvement project or municipal activity supported in whole or in part by revenues other than real estate taxes, public corporation, or unit of metropolitan government employing members of the fund, the board of Special School District No. 1, and the state commissioner of management and budget prior to July 31 annually. The statement shall be itemized and shall include the following:

(1) an estimate of the administrative expenses of the fund for the following year, including the amount necessary to amortize through June 30, 2020, the annual costs that are determined by the retirement board to be related to investment activities of the deposit accumulation fund other than actual investment transaction amounts;

(2) an estimate of the normal cost of the fund expressed as a dollar amount, which shall be determined by applying the normal cost of the fund as reported in the most recent actuarial valuation prepared by the actuary retained under section 356.214 and expressed as a percentage of covered payroll to the estimated total covered payroll of all employees covered by the fund for the following year;

(3) an estimate of the contribution required to amortize on a level annual dollar basis the unfunded actuarial accrued liability of the fund by June 30, 2020, using an interest rate of six percent compounded annually as reported in the most recent actuarial valuation, prepared by the actuary retained under section 356.214 expressed as a dollar amount. In determining the amount of the unfunded actuarial accrued liability of the fund, all assets other than the assets of the retirement benefit fund shall be valued as current assets as defined under section 356.215, subdivision 1, clause (6), and the assets of the retirement benefit fund shall be valued equal to the actuarially determined required reserves for benefits payable from that fund;

(4) the amount of any deficiency in the actual amount of any employer contribution provided for in this section when compared to the required contribution amount certified for the previous year, plus interest on the amount at the rate of six percent per annum.

Subd. 1a. City contributions. (a) Prior to August 31 of each year, the retirement board shall prepare an itemized statement of the financial requirements of the fund payable by the city for the succeeding fiscal year, and a copy of the statement shall be submitted to the board of estimate and taxation and to the city council by September 15. The financial requirements of the fund payable by the city shall be calculated as follows:

(1) a regular employer contribution of an amount equal to the percentage rounded to the nearest two decimal places of the salaries and wages of all employees covered by the retirement fund which equals the difference between the level normal cost plus administrative cost as reported in the annual actuarial valuation prepared by the actuary retained under section 356.214 and the employee contributions provided for in section 422A.10 less any amounts contributed toward the payment of the balance of the normal cost not paid by employee contributions by any city owned public utility, improvement project, other municipal activities supported in whole or in part by revenues other than real estate taxes, any public corporation, any employing unit of metropolitan government, or by Special School District No. 1 pursuant to subdivision 2;

(2) an additional employer contribution of an amount equal to the percent specified in section 353.27, subdivision 3a, clause (a), multiplied by the salaries and wages of all employees covered by the retirement fund less any amounts contributed toward amortization of the unfunded actuarial accrued liability by June 30, 2020, attributable to their respective covered employees by any city owned public utility, improvement project, other municipal activities supported in whole or in part by revenues other than real estate taxes, any public corporation, any employing unit of metropolitan government, or by Special School District No. 1 pursuant to subdivision 2; and

(3) a proportional share of an additional employer amortization contribution of an amount equal to \$3,900,000 annually until June 30, 2020, based upon the share of the fund's unfunded actuarial accrued liability attributed to the city as disclosed in the annual actuarial valuation prepared by the actuary retained under section 356.214.

(b) The city council shall, in addition to other taxes levied by the city, annually levy a tax equal to the amount of the financial requirements of the fund which are payable by the city. The tax, when levied, shall be extended upon the county lists and shall be collected and enforced in the same manner as other taxes levied by the city. If the city does not levy a tax sufficient to meet the requirements of this subdivision, the retirement board shall submit the tax levy statement directly to the county auditor, who shall levy the tax. The tax, when levied, shall be extended upon the county lists and shall be collected and paid into the city treasury to the credit of the retirement fund. Any amount to the credit of the retirement fund shall constitute a special fund and shall be used only for the payment of obligations authorized pursuant to this chapter.

Subd. 2. Contributions by or for city-owned public utilities, improvements, or municipal activities. (a) Contributions by or for any city-owned public utility, improvement

APPENDIX

Repealed Minnesota Statutes: H3281-3

project, and other municipal activities supported in whole or in part by revenues other than real estate taxes, any public corporation, any employing unit of metropolitan government, Special School District No. 1, or Hennepin County, on account of any employee covered by the fund, shall be calculated as follows:

(1) a regular employer contribution of an amount equal to the percentage rounded to the nearest two decimal places of the salaries and wages of all employees of the employing unit covered by the retirement fund which equals the difference between the level normal cost plus administrative cost reported in the annual actuarial valuation prepared by the actuary retained under section 356.214 and the employee contributions provided for in section 422A.10;

(2) an additional employer contribution of an amount equal to the percent specified in section 353.27, subdivision 3a, clause (a), multiplied by the salaries and wages of all employees of the employing unit covered by the retirement fund;

(3) a proportional share of an additional employer amortization contribution of an amount equal to \$3,900,000 annually until June 30, 2020, based upon the share of the fund's unfunded actuarial accrued liability attributed to the employer as disclosed in the annual actuarial valuation prepared by the actuary retained under section 356.214.

(b) The city council or any board or commission may, by proper action, provide for the inclusion of the cost of the retirement contributions for employees of any city-owned public utility or for persons employed in any improvement project or other municipal activity supported in whole or in part by revenues other than taxes who are covered by the retirement fund in the cost of operating the utility, improvement project, or municipal activity. The cost of retirement contributions for these employees shall be determined by the retirement board and the respective governing bodies having jurisdiction over the financing of these operating costs.

(c) The cost of the employer contributions on behalf of employees of Special School District No. 1 who are covered by the retirement fund shall be the obligation of the school district. Contributions by the school district to the retirement fund or any other public pension or retirement fund of which its employees are members must be remitted to the fund each month. An amount due and not transmitted begins to accrue interest at the rate of six percent compounded annually 15 days after the date due. The retirement board shall prepare an itemized statement of the financial requirements of the fund payable by the school district, which shall be submitted prior to September 15. Contributions by the school district shall be made at times designated by the retirement board. The school district may levy for its contribution to the retirement fund only to the extent permitted pursuant to section 126C.41, subdivision 3.

(d) The cost of the employer contributions on behalf of elective officers or other employees of Hennepin County who are covered by the retirement fund pursuant to section 422A.09, subdivision 3, clause (2), or 422A.22, subdivision 2, or Laws 1973, chapter 380, section 3, Laws 1975, chapter 402, section 2, or any other applicable law shall be the obligation of Hennepin County. The retirement board shall prepare an itemized statement of the financial requirements of the fund payable by Hennepin County, which shall be submitted prior to September 15. Contributions by Hennepin County shall be made at times designated by the retirement board. Hennepin County may levy for its contribution to the retirement fund.

Subd. 2a. **Contributions by Metropolitan Airports Commission and Metropolitan Council.** The Metropolitan Airports Commission and the Metropolitan Council shall pay to the Minneapolis Employees Retirement Fund annually in installments as specified in subdivision 3 the share of the additional support rate required for full amortization of the unfunded actuarial accrued liabilities by June 30, 2020, that is attributable to employees of the airports commission or former Metropolitan Waste Control Commission who are members of the fund. The amount of the payment shall be determined as if the airport commission and Metropolitan Council's employer contributions determined under subdivision 2 had also included a proportionate share of a \$1,000,000 annual employer amortization contribution. The amount of this \$1,000,000 annual employer amortization contribution that would have been allocated to the commission or council would have been based on the share of the fund's unfunded actuarial accrued liability attributed to the commission or council compared to the total unfunded actuarial accrued liability attributed to all employers under subdivisions 1a and 2. The determinations required under this subdivision must be based on the most recent actuarial valuation prepared by the actuary retained under section 356.214.

422A.11 MILITARY SERVICE.

Subdivision 1. **Service credit.** Any employee who engages in or has engaged in active service in time of war or other emergency declared by proper authority, in any of the military or naval forces of the state or of the United States, and returns to the employment of the city within 90

APPENDIX

Repealed Minnesota Statutes: H3281-3

days following release from military or naval service, shall receive credit for the period of military service as provided in this section as though actually employed by the city, provided the employee was a member of the contributing class of the retirement fund at the time of entrance into military service, or was a member of the exempt class at the time of entrance into military service prior to December 31, 1945, or qualifies as a member of the exempt class as specified in section 422A.09, subdivision 3, clause (5), notwithstanding the provisions of the Veterans Preference Act or any other law, rule or bylaw providing for credit for military service for pension purposes. Employees on leave of absence or layoff at time of entrance into military service as herein provided shall be considered employees for the purpose of this chapter. Credit shall be granted for military service rendered, provided that credit for military service shall not exceed six calendar years.

Subd. 2. **Credit after refund.** Any employee who was a member of the contributing class of the fund at the time of entrance into military service and who resigned from the service of the city and received a refund of the employee's personal contribution to the fund and who is reemployed by the city and again becomes a contributing member of the fund shall receive credit for military service as provided by this section upon repaying to the fund the amount of the refund plus interest thereon at six percent compounded annually until fully paid and the further payment to the fund without interest of the amount the contribution would have totaled had the employee continued as a contributing member of the fund during the period of military service. No contribution shall be made by the city to the credit of an employee's account for the period of such military service.

Subd. 3. **Calculation of credit.** The retirement board shall determine and compute the amount of the contributions which said employee would have made to such fund if employment had not been interrupted by military service. The amount so determined and computed shall constitute an obligation of and be paid by the city or public corporation, and shall be credited to the contribution account of such employee. In determining the amount of contributions that the employee would have made if the employee had not entered military service, consideration shall be given to the employment service of employees who did not enter military service with like classification, seniority rights, length of service, and other factors determining probable time of employment.

Subd. 4. **Separation from service.** In the event that such employee becomes separated from the service, except by retirement or death, prior to the expiration of five years subsequent to the date on which the employee was reinstated as an employee, such contribution may not be withdrawn by said employee, but shall be canceled and credited to the reserve for annuities account of this fund. If an employee returns to the service after being separated as provided herein, credit shall be granted upon payment of the separation refund required by section 422A.22. In determining the five year period, there shall be included only time of actual employment.

422A.12 CREDITS; INDIVIDUAL RECORD.

Subdivision 1. **Salary deductions.** The city comptroller or other person having supervision of the payment of salaries to employees shall cause the deductions to be withheld from all specific appropriations for the particular salaries or compensation from which the deductions are made and from all allotments out of lump-sum appropriations for payments of such salaries or compensation for each fiscal year; and a record of these sums shall be entered to the credit of the various employees from whose salaries deductions have been made.

Subd. 2. **Credits.** At the close of each fiscal year there shall be credited within the deposit accumulation fund to accounts representing contributions by the municipality and to accounts representing the accumulated amount of each contributing employee in proportion to the average quarterly balance in each such account during said fiscal year the amount of income from investments earned on the accumulated funds in possession of the board, after having deducted from the total of such income (1) the amounts otherwise required as interest for various allowances or purposes specified in this chapter and (2) an amount to be set aside to liquidate actual or to amortize prospective losses on investments in the accumulation account. The net balance of the investment earnings to be so distributed shall be distributed at the greatest multiple of one-tenth of one percent up to and including a maximum of the interest assumption rate provided for in section 422A.06, subdivision 5 of all such accounts. Any undistributed excess earnings or losses determined to be earnings or losses attributable to the employers' contributions shall be distributed or charged to the employers' reserve accounts in proportion to the employers' average quarterly balances. Any undistributed excess earnings or losses determined to be earnings or losses attributable to the employees' contributions shall be distributed or charged to the employers' reserve accounts in proportion to the number of covered employees employed by each employer. If income from investments is insufficient to enable the crediting of the maximum

Repealed Minnesota Statutes: H3281-3

interest amount to the employee and employer accounts, the maximum interest will first be credited to the employee accounts. If income is insufficient to cover the amounts credited to the employee accounts, the insufficiency attributable to each employer group of employees' accounts will be made up by a charge against the reserve account of that employer. The amount that shall be set aside annually to liquidate losses on investments shall be such amount as the board may deem necessary for such purpose but not in excess of one mill on the dollar of the gross amount received as income on the cash and investments in the fund.

422A.13 RETIREMENT ALLOWANCES; WHEN PAID.

Subdivision 1. **Allowance.** Any person who shall have been employed by the city and who shall have fulfilled the conditions in this chapter specified shall be entitled to receive a retirement allowance, as set forth in this chapter.

Subd. 2. **Retirement age.** Subject to the limitations in this chapter, an employee in the contributing class who was employed by the city for ten or more years and attains the established age for retirement, or was employed by the city for 30 or more years, as determined by the retirement board, may retire.

422A.14 APPLICATION; APPROVAL.

Subdivision 1. **Application for allowance.** No disability benefit or retirement allowance shall be granted to any employee who may become eligible for retirement as provided in this chapter until the employee, or one authorized to act in the employee's behalf, shall have filed with the retirement board, in such form as may be prescribed by the board, an application for such allowance. No installment of any such allowance shall be paid for any period prior to the effective date of retirement or the date of application, whichever occurs later.

422A.15 SERVICE ALLOWANCE; CONTRIBUTING EMPLOYEES.

Subdivision 1. **Formula pension and annuity.** (a) Except as otherwise provided in subdivision 3, each contributing member who, at the time of retirement, fulfills the conditions necessary to enable the member to retire is entitled to receive a "formula pension and annuity" equal to two percent for each year of allowable service for the first ten years and thereafter 2.5 percent per year of allowable service of the average salary, multiplied by the years of service credited by the retirement fund. The formula pension and annuity must be computed on the single life plan but subject to the option selections provided for in section 422A.17.

(b) In order to be entitled to the formula pension and annuity herein provided for, the retiring employee at the time of cessation of employment and of actual retirement must have attained the age of 60 years or have been employed by the city not less than 30 years, or meet the qualifications provided for in section 422A.16, and in addition thereto have contributed to the retirement fund at the percentage rate prescribed by the retirement law applicable when the salary, wages or compensation was paid on all salaries, wages, or compensation received from the city or from an applicable employing unit. The years of service to be applied in the formula pension and annuity must be found and determined by the retirement board, except that no credit may be allowed for any year in which a back charge is owing at time of retirement and the earnings from any year in which a back charge is owing may not be used in determining the average salary.

Subd. 2. **Withdrawal of voluntary contributions.** Voluntary additions to the employee's deposits made by the employee under section 422A.10 may be withdrawn by the retiring employee or, with the approval of the retirement board, applied to the purchase of an additional annuity computed and determined under a procedure specified by the actuary retained under section 356.214 utilizing the appropriate mortality table established by the board of trustees based on the experience of the fund as recommended by the actuary retained under section 356.214 and using the applicable postretirement interest rate assumption specified in section 356.215, subdivision 8.

Subd. 3. **Optional defined contribution annuity.** (a) In lieu of the formula pension and annuity, a person who was a contributing member on April 28, 1973, who is eligible to retire and who ceases to be employed and who qualifies for retirement shall have the option of electing to receive a retirement allowance known as "the \$2 bill and annuity."

(b) If a member of the contributing class makes the election provided for in this section, the member shall receive a minimum pension of \$2 per month for each year of service. The pension shall be the actuarial equivalent of the accumulated amounts of the annual installments as may be fixed and designated by law throughout the period of service of the retiring employee, not to exceed 25 years, accumulated to the date of retirement at six percent compound interest, and such extra credit to be provided by the city as will produce the minimum pension of \$2 per month

APPENDIX

Repealed Minnesota Statutes: H3281-3

for each year of service. The pension shall be in addition to the annuity. The annuity shall be in the actuarial equivalent of the net accumulated contributions to the credit of the retiring employee, calculated at the date of retirement. For the purposes of this chapter, the "service allowance" for members of the contributing class shall consist of an "annuity" and a "pension."

(c) The pension provided for herein shall be the actuarial equivalent of the accumulated annual installments of \$2 per month for each year of service. The sum of \$2 shall be computed as a single life annuity and subject to the option selections provided for in section 422A.17. The pension and annuity provided for in this subdivision shall be first paid from the contributing member's own contributions and normal earned credits, plus interest, until those credits are exhausted.

(d) The retirement allowance provided under this subdivision or any optional annuity form of the retirement allowance shall be computed and determined under a procedure specified by the actuary retained under section 356.214 utilizing the appropriate mortality table established by the board of trustees based on the experience of the fund as recommended by the actuary retained under section 356.214 and using the applicable postretirement interest rate assumption specified in section 356.215, subdivision 8.

Subd. 4. **Service.** Except as otherwise provided in this chapter, the service of each contributing member shall be calculated from the date of original appointment. Said service shall include periods of service at different times and service for one or more departments, branches or independent boards of the city. In computing length of service of contributing employees for the purpose of this chapter, periods of separations from the service shall not be included, provided, that any contributing employee who heretofore or hereafter shall serve as a duly elected member of the Minnesota state legislature and who at the time of entrance into the service herein outlined was a contributing member of the retirement fund, shall receive credit for the time spent in such service as though actually employed by such city. In order to receive credit as herein outlined, such employee shall contribute to the retirement fund the amount that would have been contributed by the employee if actually employed by the city. The amount of salary, wages or compensation received by the employee immediately prior to entering the service herein set forth, shall be the dollar amount used in determining the contributions to be made to the retirement fund, and also the amount to be used in determining the arithmetical average annual compensation otherwise provided for in this chapter.

Subd. 5. **Payment.** All retirement allowances as herein provided shall be paid in monthly installments and checks shall be issued and mailed to the last known address of each beneficiary by the first business day of the month succeeding the month in which the allowance is authorized. Where a beneficiary is under legal guardianship, monthly installments may be paid to the guardian.

422A.151 ALTERNATIVE CALCULATION OF ANNUITY.

(a) In the case of a contributing member of the Minneapolis Employees Retirement Fund who is employed as a licensed peace officer or firefighter with the Metropolitan Airports Commission and who retires, becomes disabled within the meaning of section 422A.18, or dies, the retirement, disability, or survivor allowance is equal to the higher of the following:

(1) the retirement, disability, or survivor allowance calculated for the person under the applicable provisions of the Minneapolis Employees Retirement Fund; or

(2) the retirement, disability, or survivor benefit that the person would be entitled to upon meeting the applicable age and allowable service requirements of section 353.651, 353.656, or 353.657 if all employment as a licensed peace officer or firefighter with the Metropolitan Airports Commission had been allowable service under the Public Employees Retirement Association police and fire fund, instead of being covered by the Minneapolis Employees Retirement Fund. In computing the alternative benefit under section 353.651, 353.656, or 353.657, the applicable definitions and related provisions of chapter 353 must be used.

A firefighter or licensed peace officer terminating employment by the Metropolitan Airports Commission after June 30, 1997, or the survivor of a deceased firefighter or licensed peace officer terminating employment by the Metropolitan Airports Commission after June 30, 1997, under section 353.651, 353.656, or 353.657, shall receive a one percent lower cost-of-living adjustment than otherwise payable under section 422A.06, subdivision 5. If the cost-of-living adjustment payable under section 422A.06, subdivision 5, is less than one percent, the firefighter or licensed peace officer who retired after June 30, 1997, must not have a reduction in the previously received annuity or benefit amount, but future cost-of-living adjustments must be modified equal to the percentage the benefit would have been reduced below the person's current annuity or benefit amount to reflect the one percent lower cost-of-living adjustment under section 422A.06, subdivision 5.

APPENDIX

Repealed Minnesota Statutes: H3281-3

(b) If a contributing member under paragraph (a) has periods of coverage by the Minneapolis Employees Retirement Fund that include service other than employment as a licensed peace officer or firefighter as well as employment as a licensed peace officer or firefighter, the calculation of the benefit under paragraph (a), clause (2), may only utilize service as a licensed peace officer or firefighter employed by the Metropolitan Airports Commission.

422A.155 DETERMINATION OF SERVICE CREDIT.

(a) Notwithstanding the provisions of section 422A.15, subdivision 1, no employee of the contributing class of the Minneapolis Employees Retirement Fund shall be entitled to receive a year of service credit during the employee's final year of service unless the employee is employed and has received compensation from the city of Minneapolis or other applicable employing unit during each of the calendar months making up the year for which the employee would usually be employed. Any employee of the contributing class who is employed and receives compensation in fewer than the usual number of calendar months during the final year of service shall receive credit for that portion of a year that the employee's completed months of employment and receipt of compensation bears to the usual number of months which the employee would usually be employed.

(b) [Expired]

422A.156 LIMITATION ON CERTAIN BENEFIT PAYMENTS.

From and after February 8, 1980, nothing contained in section 422A.09, subdivision 3, clause (2) shall be construed as allowing payment of a retirement allowance or other retirement benefits other than a disability allowance pursuant to section 422A.18 if otherwise eligible to any former, present or future elective officer of the city of Minneapolis who has not attained the age of at least 60 years unless the elective officer has received credit for at least 30 years of services and retires pursuant to section 422A.15, subdivision 1.

422A.16 RETIREMENT ALLOWANCE; DEFERRED COMPENSATION.

Subdivision 1. **Contribution.** Any member of the contributing class who becomes permanently separated from the service of the city after three or more years of service to the city may, by an instrument in writing filed with the retirement board within 30 days after such separation becomes permanent, elect to allow the member's contributions to the fund to the date of separation to remain on deposit in the fund.

Subd. 2. **Deferred defined contribution annuity.** (a) A person who is a member of the contributing class on April 28, 1973, and who makes the election provided for in this subdivision and in subdivision 1, may, upon attaining the age of 55 years, but before attaining the age of 65 years, or someone acting in the member's behalf, may make application to receive the retirement allowance provided for in section 422A.15, subdivision 3, or an optional retirement allowance in the manner provided for by section 422A.17. (b) The retirement allowance provided under this subdivision or any optional annuity form of the retirement allowance shall be computed and determined under a procedure specified by the actuary retained under section 356.214 utilizing the appropriate mortality table established by the board of trustees based on the experience of the fund as recommended by the actuary retained under section 356.214 and using the applicable postretirement interest rate assumption specified in section 356.215, subdivision 8.

Subd. 3. **Payments to beneficiaries.** (a) If such contributing member dies without having made the election provided for herein, the net accumulated amount of deductions from the member's salary, pay or compensation plus interest to the member's credit on date of death must be paid to such person, or persons, as the member shall have nominated by written designation filed with the retirement board, in such form as the retirement board shall require. The provisions of subdivisions 3, 4, 5 and 6 shall also apply to any member qualifying for benefits under this subdivision.

Subd. 8. **Service in more than one fund.** Any person who was a member of the Minneapolis Employees Retirement Fund and also a member of a plan administered by the director of the Minnesota State Retirement System having a like provision or a member of the Public Employees Retirement Association or the Teachers Retirement Association, or any other public employee retirement system in the state of Minnesota having a like provision but excluding all other funds providing benefits for police officers or firefighters shall be entitled when qualified to an annuity from each fund if the person's total allowable service in any two or more of these funds totals ten or more years, provided that no portion of the allowable service upon which the retirement annuity from one fund is based is again used in the computation for benefits from another fund and provided further that any refundment received from the Minneapolis Employees Retirement Fund has been repaid to that fund. The annuity from each fund shall be determined by the appropriate provisions of that fund except the provision requiring at least ten years allowable service in the respective system or association shall not apply for the purposes of this section provided the combined service in two or more of these funds equal ten or more years.

(c) In adopting optional annuity forms, the board of trustees shall obtain the written recommendation of the actuary retained under section 356.214. The recommendations shall be a part of the permanent records of the board of trustees.

Such payment shall be retroactive to date of application and shall continue throughout the full period of the disability subject to the same optional selections as are provided for service allowances; provided that when a disability beneficiary shall have attained the minimum age for retirement on a service allowance the disability allowance shall be discontinued only as provided by the terms of the option selected. (c) Any contributing employee who elects to transfer to another fund or association as provided in paragraph (b), clause (2), must make such election within one year from the date of separation from the city service covered by this fund. The amount must not include any contributions made by the employee or on the employee's behalf, or any interest or investment earnings on those contributions, which were allocated to the survivor benefit fund under section 422A.06, subdivision 6.

(b) If the employee fails to make a designation, or if the beneficiary or beneficiaries designated by the employee predeceases the employee, the deceased employee's estate is entitled to the benefit specified in paragraph (a).

(c) A benefit payable under this subdivision is in addition to any applicable survivor benefit under section 422A.23.

Subd. 6. Refund; Minneapolis Employees Retirement Fund. A person who has received a refund from the Minneapolis Employees Retirement Fund, and who is a member of a public retirement system included in section 422A.16, subdivision 8, may repay such refund with interest at a compound annual rate of 8.5 percent to the Minneapolis Employees Retirement Fund. If a refund is repaid to the fund and if more than one refund has been received from the fund, all refunds must be repaid. Repayment must be made as provided in this chapter.

422A.23 SURVIVOR BENEFITS.

Subdivision 1. Payment of city installment accumulated amount. (a) If an active or deferred member dies with ten or more years of service credit, except as noted in paragraph (d), the individual specified in paragraph (b) is eligible to receive the benefit specified in paragraph (c).

(b) An individual eligible for the benefit specified in paragraph (c) is a beneficiary designated by the member on a form specified by the executive director. If the member failed to designate a beneficiary, or if the beneficiary or beneficiaries designated by the employee predecease the employee, the benefit in paragraph (c) is payable to the deceased employee's estate.

(c) The benefit is a lump-sum payment of the present value of the city's or other contributing employer's annual installments of \$60 to the credit of the member.

(d) No benefit is payable under this subdivision if a monthly survivor benefit is paid on behalf of the deceased employee under another subdivision of this section.

Subd. 2. Short-service survivor benefit. (a) If an active member dies prior to termination of service with at least 18 months but less than 20 years of service credit, the surviving spouse or surviving child or children is eligible to receive the survivor benefit specified in paragraph (b) or (c), as applicable. Payment of a benefit for any surviving child under the age of 18 years shall be made to the surviving parent, or if there be none, to the legal guardian of the surviving child.

(b) If the surviving spouse or surviving child benefit commenced before July 1, 1983, the surviving spouse benefit is increased from \$500 per month to \$750 per month and the surviving child benefit is \$225 per month, beginning with the first monthly payment payable after May 28, 1998. The sum of surviving spouse and surviving child benefits payable under this paragraph shall not exceed \$900 per month. The increased cost resulting from the benefit increases under this paragraph must be allocated to each employing unit listed in section 422A.101, subdivisions 1a, 2, and 2a, on the basis of the additional accrued liability resulting from increased benefits paid to the survivors of employees from that unit.

(c) If the surviving spouse or surviving child benefit commences after June 30, 1983, the surviving spouse benefit is 30 percent of the member's average salary in effect over the last six months of allowable service preceding the month in which death occurs. The surviving child benefit is ten percent of the member's average salary in effect over the last six months of allowable service preceding the month in which death occurs. The sum of surviving spouse and surviving child benefits payable under this paragraph shall not exceed 50 percent of the member's average salary in effect over the last six months of allowable service.

(d) Any surviving child benefit or surviving spouse benefit computed under paragraph (c) and in effect for the month immediately prior to May 28, 1998, is increased by 15 percent as of the first payment on or after May 28, 1998.

(e) Surviving child benefits under this subdivision terminate when the child no longer meets the definition of surviving child.

Subd. 5. Administration. Benefits provided in this section following the death of an active employee or deferred member, as applicable, commence on the first day of the month following the month in which the active employee or deferred member dies and shall end with the last day of the month preceding the month in which eligibility ceases. Information deemed necessary by the executive director to determine eligibility for the benefits provided by this section must be submitted. Failure to furnish any required information shall be sufficient grounds

for denial or discontinuance of benefits. A determination made by the executive director may be appealed to the retirement board, whose determination is final. If the surviving spouse of the deceased active employee or deferred member becomes entitled to a retirement allowance by reason of membership in this fund, the surviving spouse is authorized to receive the retirement allowance in addition to all applicable surviving spouse benefits to which the surviving spouse is entitled as specified in this section and section 422A.22, subdivision 4, if applicable. The cost of all benefits provided in this section is an obligation of the members and of the city, any of its boards, departments, commissions or public corporations or other applicable employing units.

Subd. 6. Survivor benefit employee contribution. The retirement board shall create a reserve account for survivor's benefits from which shall be paid on an actuarial basis all survivor benefits due and payable. At the end of each fiscal year, as part of the annual actuarial valuation of the fund prepared by the actuary retained under section 356.214, a determination of the normal cost of the benefits payable from the survivor's benefit account shall be made and the board shall reduce or increase the employee contribution rate if and when it is determined based on the annual actuarial valuation that the member contribution rate is in excess of or is less than the amount necessary to pay for 50 percent of the calculated normal cost of the survivor benefits provided in this section.

Subd. 7. Long-service active and deferred member survivor coverage. (a) If the active or deferred member dies with 20 or more years of service credit, a beneficiary as defined in paragraph (b) is eligible to receive the benefit specified in paragraph (c).

(b) The beneficiary eligible for a benefit under paragraph (c) is the surviving spouse of the deceased employee. If there is no surviving spouse, the beneficiary may be a dependent surviving child of the member or dependent parent designated by the employee on a form prescribed by the executive director.

(c) The benefit payable to the beneficiary designated in paragraph (b) is a monthly allowance for life. The monthly allowance is the actuarial equivalent of a single life service allowance specified in section 422A.15, subdivision 1, which would have been payable to the employee on the date of death, notwithstanding the age requirement stated in section 422A.15, subdivision 1. For purposes of this section, the amount of any excess contributions or voluntary additions by the member shall not be included in the calculations in determining the monthly allowance.

(d) For benefits payable under this subdivision following the death of a deferred member, the benefit must be calculated as of the date of termination from service and increased by five percent per year until January 1, 1981, and by three percent per year thereafter, compounded annually.

Subd. 8. Surviving child; dependent definition. For purposes of subdivision 2, a surviving child is an unmarried child of the deceased member under the age of 18, or under the age of 22 if a full-time student at an accredited school, college, or university. For purposes of subdivision 7, a dependent surviving child or dependent parent must meet the definition of dependent, as defined in section 422A.01, subdivision 12, at the time of the active or deferred member's death.

Subd. 9. Lump-sum death benefit. If no monthly survivor benefit is payable under subdivision 2 or 7, there shall be paid from the survivor benefit account to a beneficiary designated by the employee on a form prescribed by the executive director a lump-sum death benefit of \$750 if death occurs prior to the end of the employee's tenth year of service credit or of \$1,500 if the employee had ten or more years of service credit. Any benefit under this subdivision may be paid in addition to a benefit payable under subdivision 1.

Subd. 10. Benefit increases. Annuities payable under this section must be adjusted at the same time and rate as retirement annuities in the retirement benefit fund.

Subd. 11. Effect of spouse remarriage. A monthly survivor benefit must not be discontinued or terminated due to a surviving spouse's remarriage.

Subd. 12. Determination of annuity. The survivor annuities payable under this section must be computed and determined under a procedure specified by the actuary retained under section 356.214 utilizing the appropriate mortality table based on the experience of the fund as recommended by that actuary and approved by the Legislative Commission on Pensions and Retirement and using the applicable postretirement interest rate assumption specified in section 356.215, subdivision 8.
