FEDERAL RESPONSE

Section 1. Minnesota Statutes 2018, section 270A.03, subdivision 5, is amended to read:

Subd. 5. Debt; debtor. (a) "Debt" means a legal obligation of a natural person to pay a fixed and certain amount of money, which equals or exceeds $25 and which is due and payable to a claimant agency. The term includes criminal fines imposed under section 609.10 or 609.125, fines imposed for petty misdemeanors as defined in section 609.02, subdivision 4a, and restitution. A debt may arise under a contractual or statutory obligation, a court order, or other legal obligation, but need not have been reduced to judgment.

A debt includes any legal obligation of a current recipient of assistance which is based on overpayment of an assistance grant where that payment is based on a client waiver or an administrative or judicial finding of an intentional program violation; or where the debt is owed to a program wherein the debtor is not a client at the time notification is provided to initiate recovery under this chapter and the debtor is not a current recipient of food support, transitional child care, or transitional medical assistance.

(b) A debt does not include any legal obligation to pay a claimant agency for medical care, including hospitalization if the income of the debtor at the time when the medical care was rendered does not exceed the following amount:

(1) for an unmarried debtor, an income of $12,560 or less;

(2) for a debtor with one dependent, an income of $16,080 or less;

(3) for a debtor with two dependents, an income of $19,020 or less;

(4) for a debtor with three dependents, an income of $21,580 or less;

(5) for a debtor with four dependents, an income of $22,760 or less; and

(6) for a debtor with five or more dependents, an income of $23,730 or less.

For purposes of this paragraph, "debtor" means the individual whose income, together with the income of the individual's spouse, other than a separated spouse, brings the individual within the income provisions of this paragraph. For purposes of this paragraph, a spouse, other than a separated spouse, shall be considered a dependent.
(c) The commissioner shall adjust the income amounts in paragraph (b) by the percentage
determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, as
amended through December 16, 2016, except that in section 1(f)(3)(B) the word "1992." For 2016, the commissioner shall then determine
the percent change from the 12 months ending on August 31, 2014, to the 12 months ending
on August 31, 2015, and in each subsequent year, from the 12 months ending on August
31, 2014, to the 12 months ending on August 31 of the year preceding the taxable year. The
determination of the commissioner pursuant to this subdivision shall not be considered a
"rule" and shall not be subject to the Administrative Procedure Act contained in chapter 14.
The income amount as adjusted must be rounded to the nearest $10 amount. If the amount
ends in $5, the amount is rounded up to the nearest $10 amount.

(d) Debt also includes an agreement to pay a MinnesotaCare premium, regardless of the
dollar amount of the premium authorized under section 256L.15, subdivision 1a.

**EFFECTIVE DATE.** This section is effective retroactively for taxable years beginning
after December 21, 2017.

Sec. 2. Minnesota Statutes 2018, section 289A.02, subdivision 7, is amended to read:

Subd. 7. **Internal Revenue Code.** Unless specifically defined otherwise, "Internal
Revenue Code" means the Internal Revenue Code of 1986, as amended through December

**EFFECTIVE DATE.** This section is effective the day following final enactment except
the changes incorporated by federal changes are effective retroactively at the same time the
changes became effective for federal purposes.

Sec. 3. Minnesota Statutes 2018, section 289A.08, subdivision 1, is amended to read:

Subdivision 1. **Generally; individuals.** (a) A taxpayer must file a return for each taxable
year the taxpayer is required to file a return under section 6012 of the Internal Revenue
Code or meets the requirements under paragraph (d) to file a return, except that:

(1) an individual who is not a Minnesota resident for any part of the year is not required
to file a Minnesota income tax return if the individual's gross income derived from Minnesota
sources as determined under sections 290.081, paragraph (a), and 290.17, is less than the
filing requirements for a single individual who is a full year resident of Minnesota; and

(2) an individual who is a Minnesota resident is not required to file a Minnesota income
tax return if the individual's gross income derived from Minnesota sources as determined
under section 290.17, less the subtractions allowed under section 290.0132, subdivisions 12 and 15, is less than the filing requirements for a single individual who is a full-year resident of Minnesota.

(b) The decedent's final income tax return, and other income tax returns for prior years where the decedent had gross income in excess of the minimum amount at which an individual is required to file and did not file, must be filed by the decedent's personal representative, if any. If there is no personal representative, the return or returns must be filed by the transferees, as defined in section 270C.58, subdivision 3, who receive property of the decedent.

(c) The term "gross income," as it is used in this section, has the same meaning given it in section 290.01, subdivision 20.

(d) The commissioner of revenue must annually determine the gross income levels at which individuals are required to file a return for each taxable year based on the amounts that may be deducted pursuant to the election under section 290.0803 and the personal and dependent exemptions under section 290.0138, subdivision 1.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2018.

Sec. 4. Minnesota Statutes 2018, section 289A.08, subdivision 7, is amended to read:

Subd. 7. Composite income tax returns for nonresident partners, shareholders, and beneficiaries. (a) The commissioner may allow a partnership with nonresident partners to file a composite return and to pay the tax on behalf of nonresident partners who have no other Minnesota source income. This composite return must include the names, addresses, Social Security numbers, income allocation, and tax liability for the nonresident partners electing to be covered by the composite return.

(b) The computation of a partner's tax liability must be determined by multiplying the income allocated to that partner by the highest rate used to determine the tax liability for individuals under section 290.06, subdivision 2c. Nonbusiness deductions, standard deductions, or personal exemptions are not allowed.

(c) The partnership must submit a request to use this composite return filing method for nonresident partners. The requesting partnership must file a composite return in the form prescribed by the commissioner of revenue. The filing of a composite return is considered a request to use the composite return filing method.
(d) The electing partner must not have any Minnesota source income other than the income from the partnership and other electing partnerships. If it is determined that the electing partner has other Minnesota source income, the inclusion of the income and tax liability for that partner under this provision will not constitute a return to satisfy the requirements of subdivision 1. The tax paid for the individual as part of the composite return is allowed as a payment of the tax by the individual on the date on which the composite return payment was made. If the electing nonresident partner has no other Minnesota source income, filing of the composite return is a return for purposes of subdivision 1.

(e) This subdivision does not negate the requirement that an individual pay estimated tax if the individual's liability would exceed the requirements set forth in section 289A.25. The individual's liability to pay estimated tax is, however, satisfied when the partnership pays composite estimated tax in the manner prescribed in section 289A.25.

(f) If an electing partner's share of the partnership's gross income from Minnesota sources is less than the filing requirements for a nonresident under this subdivision, the tax liability is zero. However, a statement showing the partner's share of gross income must be included as part of the composite return.

(g) The election provided in this subdivision is only available to a partner who has no other Minnesota source income and who is either (1) a full-year nonresident individual or (2) a trust or estate that does not claim a deduction under either section 651 or 661 of the Internal Revenue Code.

(h) A corporation defined in section 290.9725 and its nonresident shareholders may make an election under this paragraph. The provisions covering the partnership apply to the corporation and the provisions applying to the partner apply to the shareholder.

(i) Estates and trusts distributing current income only and the nonresident individual beneficiaries of the estates or trusts may make an election under this paragraph. The provisions covering the partnership apply to the estate or trust. The provisions applying to the partner apply to the beneficiary.

(j) For the purposes of this subdivision, "income" means the partner's share of federal adjusted gross income from the partnership modified by the additions provided in section 290.0131, subdivisions 8 to 10 and 17, and the subtractions provided in: (1) section 290.0132, subdivision 9, to the extent the amount is assignable or allocable to Minnesota under section 290.17; and (2) section 290.0132, subdivision 14. The subtraction allowed under section 290.0132, subdivision 9, is only allowed on the composite tax computation to the extent the electing partner would have been allowed the subtraction.
Sec. 5. Minnesota Statutes 2018, section 289A.12, subdivision 14, is amended to read:

Subd. 14. Reporting exempt interest and exempt-interest dividends. (a) A regulated investment company paying $10 or more in exempt-interest dividends to an individual who is a resident of Minnesota, or any person receiving $10 or more of exempt interest or exempt-interest dividends and paying as nominee to an individual who is a resident of Minnesota, must make a return indicating the amount of the exempt interest or exempt-interest dividends, the name, address, and Social Security number of the recipient, and any other information that the commissioner specifies. The return must be provided to the recipient by February 15 of the year following the year of the payment. The return provided to the recipient must include a clear statement, in the form prescribed by the commissioner, that the exempt interest or exempt-interest dividends must be included in the computation of Minnesota taxable income. By June 1 of each year, the payer must file a copy of the return with the commissioner.

(b) For purposes of this subdivision, the following definitions apply.

(1) "Exempt-interest dividends" mean exempt-interest dividends as defined in section 852(b)(5) of the Internal Revenue Code, but does not include the portion of exempt-interest dividends that are not required to be added to federal taxable income as defined in section 290.0131, subdivision 2, paragraph (b).

(2) "Regulated investment company" means regulated investment company as defined in section 851(a) of the Internal Revenue Code or a fund of the regulated investment company as defined in section 851(g) of the Internal Revenue Code.

(3) "Exempt interest" means income on obligations of any state other than Minnesota, or a political or governmental subdivision, municipality, or governmental agency or instrumentality of any state other than Minnesota, and exempt from federal income taxes under the Internal Revenue Code or any other federal statute.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2018.
Sec. 6. Minnesota Statutes 2018, section 289A.20, is amended by adding a subdivision to read:

Subd. 1a. Tax on deferred foreign income; election to pay in installments. (a) A taxpayer subject to tax under section 290.06, subdivision 1, may elect to pay the net tax liability on the deferred foreign income in installments in the same percentages of the net tax liability for each taxable year as provided in section 965(h)(1) of the Internal Revenue Code. Payment of an installment for a taxable year is due on the due date, determined without regard to any extensions of time for filing the return, for the tax return for that taxable year.

(b) If an acceleration of payment applies for federal income tax purposes under section 965(h)(3) of the Internal Revenue Code, the unpaid portion of the remaining installments due under chapter 290 must be paid on the same date as the federal tax is due. Assessment of deficiencies must be prorated as provided under section 965(h)(4) of the Internal Revenue Code.

(c) For purposes of determining date and time limits under sections 270C.62, 270C.63, 270C.67, and 270C.68, the date on which an installment is due under paragraph (a), including any acceleration under paragraph (b), must be treated as the assessment date, due date, or other date from which the time limit must be determined for that payment.

(d) For purposes of this subdivision, "net tax liability" means the excess of:

(1) the tax liability, determined under chapter 290, for the taxable year in which the deferred foreign income was includable in federal taxable income; over

(2) the tax liability, determined under chapter 290, for that taxable year computed after excluding the deferred foreign income under section 965 of the Internal Revenue Code.

(e) If a taxpayer has not made the first installment payment under paragraph (a), the taxpayer must pay the first installment payment at the same time and due date as the second installment payment. For purposes of paragraph (c), payments under this paragraph are deemed to be due at the same time the second installment is due.

EFFECTIVE DATE. This section is effective retroactively for taxable years beginning after December 31, 2016.

(b) Upon petition by a taxpayer, and when the commissioner determines that it is in the best interest of the state, the commissioner may allow S corporations and partnerships to receive orders of assessment issued under section 270C.33, subdivision 4, on behalf of their owners, and to pay liabilities shown on such orders. In such cases, the owners' liability must be calculated using the method provided in section 289A.08, subdivision 7, paragraph (b).

c) A taxpayer may petition the commissioner for the use of the method described in paragraph (b) after the taxpayer is notified that an audit has been initiated and before an order of assessment has been issued.

d) A determination of the commissioner under paragraph (b) to grant or deny the petition of a taxpayer cannot be appealed to the Tax Court or any other court.

e) The commissioner may audit and adjust the taxpayer's computation of tax under chapter 291. In the case of a return filed pursuant to section 289A.10, the commissioner shall notify the estate no later than nine months after the filing date, as provided by section 289A.38, subdivision 2, whether the return is under examination or the return has been processed as filed.

(d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than $100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to $1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

For the purpose of making the adjustment as provided in this subdivision all of the rate brackets provided in subdivision 2c shall be the rate brackets as they existed for taxable years beginning after December 31, 2012, and before January 1, 2014. The rate applicable to any rate bracket must not be changed. The dollar amounts setting forth the tax shall be adjusted to reflect the changes in the rate brackets. No later than December 15 of each year, the commissioner shall announce the specific percentage that will be used to adjust the tax rate brackets.

of the first $18,240 of earned income. The credit is reduced by 10.82 percent of earned
income or adjusted gross income, whichever is greater, in excess of $25,130, but in no case
is the credit less than zero.

(e) For a part-year resident, the credit must be allocated based on the percentage calculated
under section 290.06, subdivision 2c, paragraph (e).

(f) For a person who was a resident for the entire tax year and has earned income not
subject to tax under this chapter, including income excluded under section 290.0132,

Sec. 57. Minnesota Statutes 2018, section 290.17, subdivision 2, is amended to read:

Subd. 2. Income not derived from conduct of a trade or business. The income of a taxpayer subject to the allocation rules that is not derived from the conduct of a trade or business must be assigned in accordance with paragraphs (a) to (f):

(a)(1) Subject to paragraphs (a)(2) and (a)(3), income from wages as defined in section 3401(a) and (f), and (i) of the Internal Revenue Code is assigned to this state if, and to the extent that, the work of the employee is performed within it; all other income from such sources is treated as income from sources without this state.

Severance pay shall be considered income from labor or personal or professional services.

(2) In the case of an individual who is a nonresident of Minnesota and who is an athlete or entertainer, income from compensation for labor or personal services performed within this state shall be determined in the following manner:

(i) the amount of income to be assigned to Minnesota for an individual who is a nonresident salaried athletic team employee shall be determined by using a fraction in which the denominator contains the total number of days in which the individual is under a duty to perform for the employer, and the numerator is the total number of those days spent in Minnesota. For purposes of this paragraph, off-season training activities, unless conducted at the team's facilities as part of a team imposed program, are not included in the total number of duty days. Bonuses earned as a result of play during the regular season or for participation in championship, play-off, or all-star games must be allocated under the formula. Signing bonuses are not subject to allocation under the formula if they are not conditional on playing any games for the team, are payable separately from any other compensation, and are nonrefundable; and

(ii) the amount of income to be assigned to Minnesota for an individual who is a nonresident, and who is an athlete or entertainer not listed in item (i), for that person's athletic or entertainment performance in Minnesota shall be determined by assigning to this state all income from performances or athletic contests in this state.

(3) For purposes of this section, amounts received by a nonresident as "retirement income" as defined in section (b)(1) of the State Income Taxation of Pension Income Act, Public...
Law 104-95, are not considered income derived from carrying on a trade or business or from wages or other compensation for work an employee performed in Minnesota, and are not taxable under this chapter.

(b) Income or gains from tangible property located in this state that is not employed in the business of the recipient of the income or gains must be assigned to this state.

c) Income or gains from intangible personal property not employed in the business of the recipient of the income or gains must be assigned to this state if the recipient of the income or gains is a resident of this state or is a resident trust or estate.

Gain on the sale of a partnership interest is allocable to this state in the ratio of the original cost of partnership tangible property in this state to the original cost of partnership tangible property everywhere, determined at the time of the sale. If more than 50 percent of the value of the partnership's assets consists of intangibles, gain or loss from the sale of the partnership interest is allocated to this state in accordance with the sales factor of the partnership for its first full tax period immediately preceding the tax period of the partnership during which the partnership interest was sold.

Gain on the sale of an interest in a single member limited liability company that is disregarded for federal income tax purposes is allocable to this state as if the single member limited liability company did not exist and the assets of the limited liability company are personally owned by the sole member.

Gain on the sale of goodwill or income from a covenant not to compete that is connected with a business operating all or partially in Minnesota is allocated to this state to the extent that the income from the business in the year preceding the year of sale was allocable to Minnesota under subdivision 3.

When an employer pays an employee for a covenant not to compete, the income allocated to this state is in the ratio of the employee's service in Minnesota in the calendar year preceding leaving the employment of the employer over the total services performed by the employee for the employer in that year.

(d) Income from winnings on a bet made by an individual while in Minnesota is assigned to this state. In this paragraph, "bet" has the meaning given in section 609.75, subdivision 2, as limited by section 609.75, subdivision 3, clauses (1), (2), and (3).

(e) All items of gross income not covered in paragraphs (a) to (d) and not part of the taxpayer's income from a trade or business shall be assigned to the taxpayer's domicile.
(f) For the purposes of this section, working as an employee shall not be considered to be conducting a trade or business.

EFFECTIVE DATE. This section is effective for wages paid after December 31, 2018.

Sec. 58. Minnesota Statutes 2018, section 290.21, is amended by adding a subdivision to read:

exempt from taxation under section 290.05 and further includes, but is not limited to, officers
of corporations who have control, either individually or jointly with another or others, of
the payment of the wages.

(1) "Commissioner" means the commissioner of revenue or any person to whom the commissioner has delegated functions under this chapter.

(2) "Federal gross estate" means the gross estate of a decedent as required to be valued and otherwise determined for federal estate tax purposes under the Internal Revenue Code, increased by the value of any property in which the decedent had a qualifying income interest for life and for which an election was made under section 291.03, subdivision 1d, for Minnesota estate tax purposes, but was not made for federal estate tax purposes.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2018.

Sec. 5. Minnesota Statutes 2018, section 116J.8737, subdivision 5, is amended to read:

Subd. 5. Credit allowed. (a)(A) A qualified investor or qualified fund is eligible for a credit equal to 25 percent of the qualified investment in a qualified small business. Investments made by a pass-through entity qualify for a credit only if the entity is a qualified fund. The commissioner must not allocate more than $15,000,000 $10,000,000 in credits to qualified investors or qualified funds for taxable years beginning after December 31, 2013, and before January 1, 2017, and must not allocate more than $10,000,000 in credits...
to qualified investors or qualified funds for taxable years beginning after December 31, 2016, and before January 1, 2018; and (2) for taxable years beginning after December 31, 2014, and before January 1, 2018, and before January 1, 2021. For each taxable year, 50 percent must be allocated to credits for qualifying investments in qualified greater Minnesota businesses and minority- or women-owned qualified small businesses in Minnesota. Any portion of a taxable year's credits that is reserved for qualifying investments in greater Minnesota businesses and minority- or women-owned qualified small businesses in Minnesota that is not allocated by September 30 of the taxable year is available for allocation to other credit applications beginning on October 1. Any portion of a taxable year's credits that is not allocated by the commissioner does not cancel and may be carried forward to subsequent taxable years until all credits have been allocated.

(b) The commissioner may not allocate more than a total maximum amount in credits for a taxable year to a qualified investor for the investor's cumulative qualified investments as an individual qualified investor and as an investor in a qualified fund; for married couples filing joint returns the maximum is $250,000, and for all other filers the maximum is $125,000. The commissioner may not allocate more than a total of $1,000,000 in credits over all taxable years for qualified investments in any one qualified small business.

(c) The commissioner may not allocate a credit to a qualified investor either as an individual qualified investor or as an investor in a qualified fund if, at the time the investment is proposed:

(1) the investor is an officer or principal of the qualified small business; or

(2) the investor, either individually or in combination with one or more members of the investor's family, owns, controls, or holds the power to vote 20 percent or more of the outstanding securities of the qualified small business.

A member of the family of an individual disqualified by this paragraph is not eligible for a credit under this section. For a married couple filing a joint return, the limitations in this paragraph apply collectively to the investor and spouse. For purposes of determining the ownership interest of an investor under this paragraph, the rules under section 267(c) and 267(e) of the Internal Revenue Code apply.

(d) Applications for tax credits for 2010 must be made available on the department's website by September 1, 2010, and the department must begin accepting applications by September 1, 2010. Applications for subsequent years must be made available by November 1 of the preceding year.
(e) Qualified investors and qualified funds must apply to the commissioner for tax credits. Tax credits must be allocated to qualified investors or qualified funds in the order that the tax credit request applications are filed with the department. The commissioner must approve or reject tax credit request applications within 15 days of receiving the application. The investment specified in the application must be made within 60 days of the allocation of the credits. If the investment is not made within 60 days, the credit allocation is canceled and available for reallocation. A qualified investor or qualified fund that fails to invest as specified in the application, within 60 days of allocation of the credits, must notify the commissioner of the failure to invest within five business days of the expiration of the 60-day investment period.

(f) All tax credit request applications filed with the department on the same day must be treated as having been filed contemporaneously. If two or more qualified investors or qualified funds file tax credit request applications on the same day, and the aggregate amount of credit allocation claims exceeds the aggregate limit of credits under this section or the lesser amount of credits that remain unallocated on that day, then the credits must be allocated among the qualified investors or qualified funds who filed on that day on a pro rata basis with respect to the amounts claimed. The pro rata allocation for any one qualified investor or qualified fund is the product obtained by multiplying a fraction, the numerator of which is the amount of the credit allocation claim filed on behalf of a qualified investor and the denominator of which is the total of all credit allocation claims filed on behalf of all applicants on that day, by the amount of credits that remain unallocated on that day for the taxable year.

(g) A qualified investor or qualified fund, or a qualified small business acting on their behalf, must notify the commissioner when an investment for which credits were allocated has been made, and the taxable year in which the investment was made. A qualified fund must also provide the commissioner with a statement indicating the amount invested by each investor in the qualified fund based on each investor's share of the assets of the qualified fund at the time of the qualified investment. After receiving notification that the investment was made, the commissioner must issue credit certificates for the taxable year in which the investment was made to the qualified investor or, for an investment made by a qualified fund, to each qualified investor who is an investor in the fund. The certificate must state that the credit is subject to revocation if the qualified investor or qualified fund does not hold the investment in the qualified small business for at least three years, consisting of the calendar year in which the investment was made and the two following years. The three-year holding period does not apply if:
(1) the investment by the qualified investor or qualified fund becomes worthless before the end of the three-year period;

(2) 80 percent or more of the assets of the qualified small business is sold before the end of the three-year period;

(3) the qualified small business is sold before the end of the three-year period;

(4) the qualified small business's common stock begins trading on a public exchange before the end of the three-year period; or

(5) the qualified investor dies before the end of the three-year period.

(h) The commissioner must notify the commissioner of revenue of credit certificates issued under this section.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2018.

Sec. 6. Minnesota Statutes 2018, section 116J.8737, subdivision 6, is amended to read:

(c) Reports from qualified investors must certify that the investor remains invested in the qualified small business as required by subdivision 5, paragraph (g).

(d) Reports from qualified funds must certify that the fund remains invested in the qualified small business as required by subdivision 5, paragraph (g).

(e) A qualified small business that ceases all operations and becomes insolvent must file a final annual report in the form required by the commissioner documenting its insolvency. In following years the business is exempt from the annual reporting requirement, the report filing fee, and the fine for failure to file a report.

(f) A qualified small business, qualified investor, or qualified fund that fails to file an annual report by February 1 as required under this subdivision is subject to a $500 fine.

(g) A qualified investor or qualified fund that fails to file an annual report by April 1 may, at the commissioner’s discretion, have any credit allocated and certified to the investor or fund revoked and such credit must be repaid by the investor.

(h) A qualified business that fails to file an annual report by April 1 may, at the commissioner’s discretion, be subject to the credit repayment provisions in subdivision 7.

Sec. 9. Minnesota Statutes 2018, section 290.0671, subdivision 1, is amended to read:

Subdivision 1. Credit allowed. (a) An individual who is a resident of Minnesota is allowed a credit against the tax imposed by this chapter equal to a percentage of earned income. To receive a credit, a taxpayer must be eligible for a credit under section 32 of the Internal Revenue Code, except that:

(1) a taxpayer with no qualifying children who has attained the age of 21, but not attained age 65 before the close of the taxable year and is otherwise eligible for a credit under section 32 of the Internal Revenue Code may also receive a credit; and

(2) a taxpayer who is otherwise eligible for a credit under section 32 of the Internal Revenue Code remains eligible for the credit even if the taxpayer's earned income or adjusted gross income exceeds the income limitation under section 32 of the Internal Revenue Code.

(b) For individuals with no qualifying children, the credit equals 2.10 percent of the first $6,180 of earned income. The credit is reduced by 2.01 percent of earned income or adjusted gross income, whichever is greater, in excess of $8,130, but in no case is the credit less than zero.

(g) For a part-year resident, the credit must be allocated based on the percentage calculated under section 290.06, subdivision 2c, paragraph (e).

(h) For a person who was a resident for the entire tax year and has earned income not subject to tax under this chapter, including income excluded under section 290.0132, subdivision 10, the credit must be allocated based on the ratio of federal adjusted gross income reduced by the earned income not subject to tax under this chapter over federal adjusted gross income. For purposes of this paragraph, the following clauses are not considered "earned income not subject to tax under this chapter":

For 2014, the commissioner shall then determine the percent change from the 12 months ending on August 31, 2008, to the 12 months ending on August 31, 2013, and in each subsequent year, from the 12 months ending on August 31, 2008, to the 12 months ending on August 31 of the year preceding the taxable year. The earned income thresholds as adjusted for inflation must be rounded to the nearest $10. If the amount ends in $5, the amount is rounded up to the nearest $10. The determination of the commissioner under this subdivision is not a rule under the Administrative Procedure Act.

(j) The commissioner shall construct tables showing the amount of the credit at various income levels and make them available to taxpayers. The tables shall follow the schedule contained in this subdivision, except that the commissioner may graduate the transition between income brackets.
EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2018.

(d) For married couples filing a joint return, the maximum credit is phased out as follows:
(1) for married couples with adjusted gross income in excess of $75,000, but not more than $100,000, the maximum credit is reduced by one percent of adjusted gross income in excess of $75,000 until the maximum credit amount equals $250; and

(2) for married couples with adjusted gross income in excess of $100,000, but not more than $135,000, the maximum credit is $250; and

(3) for married couples with adjusted gross income in excess of $135,000, the maximum credit is $250, reduced by one percent of adjusted gross income in excess of $135,000.

(e) The income thresholds in paragraphs (c) and (d) used to calculate the maximum credit must be adjusted for inflation. The commissioner shall adjust the income thresholds by the percentage determined under the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B) the word "2016" is substituted for the word "1992."

For 2018, the commissioner shall then determine the percent change from the 12 months ending on August 31, 2016, to the 12 months ending on August 31, 2017, and in each subsequent year, from the 12 months ending on August 31, 2016, to the 12 months ending on August 31 of the year preceding the taxable year. The income thresholds as adjusted for inflation must be rounded to the nearest $10 amount. If the amount ends in $5, the amount is rounded up to the nearest $10 amount. The determination of the commissioner under this subdivision is not subject to chapter 14, including section 14.386.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2019.

EFFECTIVE DATE. This section is effective for reports first due for sales and purchases made after June 30, 2019.
Sec. 3. Minnesota Statutes 2018, section 297A.66, is amended to read:

297A.66 JURISDICTION TO REQUIRE COLLECTION AND REMITTANCE OF TAX BY RETAILER.

Subdivision 1. Definitions. (a) To the extent allowed by the United States Constitution and the laws of the United States, the terms "retailer maintaining a place of business in this state," and "marketplace provider maintaining a place of business in this state," or a similar term, mean a retailer or marketplace provider:

(1) having or maintaining within this state, directly or by a subsidiary or an affiliate, an office, place of distribution, sales, storage, or sample room or place, warehouse, or other place of business, including the employment of a resident of this state who works from a home office in this state; or

(2) having a representative, including, but not limited to, an affiliate, agent, salesperson, canvasser, marketplace provider, solicitor, or other third party operating in this state under the authority of the retailer or marketplace provider, or its subsidiary, for any purpose, including the repairing, selling, delivering, installing, facilitating sales, processing sales, or soliciting of orders for the retailer's or a retailer's goods or services, or the leasing of tangible personal property located in this state, whether the place of business or agent, representative, affiliate, salesperson, canvasser, or solicitor is located in the state permanently or temporarily, or whether or not the retailer or marketplace provider, subsidiary, or affiliate is authorized to do business in this state. A retailer is represented by a marketplace provider in this state if the retailer makes sales in this state facilitated by a marketplace provider that maintains a place of business in this state.

(b) "Destination of a sale" means the location to which the retailer makes delivery of the property sold, or causes the property to be delivered, to the purchaser of the property, or to the agent or designee of the purchaser. The delivery may be made by any means, including the United States Postal Service or a for-hire carrier.

(c) To the extent allowed by the United States Constitution and the laws of the United States, the terms "retailer not maintaining a place of business in this state," and "marketplace provider not maintaining a place of business in this state," or similar terms mean a retailer or marketplace provider making or facilitating retail sales from outside this state to a destination within this state and not maintaining a place of business in this state as provided in paragraph (a) that engages in the regular or systematic soliciting of sales from potential customers in this state by:
(1) distribution, by mail or otherwise, of catalogs, periodicals, advertising flyers, or other
written solicitations of business to customers in this state;
(2) advertisements on billboards or other outdoor advertising in this state;
(3) advertisements in newspapers published in this state;
(4) advertisements in trade journals or other periodicals the circulation of which is
primarily within this state;
(5) advertisements in a Minnesota edition of a national or regional publication or a
limited regional edition in which this state is included as part of a broader regional or national
publication that are not placed in other geographically defined editions of the same issue
of the same publication;
(6) advertisements in regional or national publications in an edition that is not by its
contents geographically targeted to Minnesota but is sold over the counter in Minnesota or
by subscription to Minnesota residents;
(7) advertisements broadcast on a radio or television station located in Minnesota; or
(8) any other solicitation by telephone, computer database, cable, optic, microwave, or
any other communication system, including but not limited to a website accessible from
within Minnesota.

The location of independent vendors that provide products or services to a retailer or
marketplace provider in connection with a retailer or marketplace provider's solicitation of
customers within this state, including such products and services as creation of copy, printing,
distribution, and recording is not considered in determining whether the retailer or
marketplace provider is required to collect tax. Paragraph (b) must be construed without
regard to the state from which distribution of the materials originated or in which they were
prepared.

"Regular or systematic soliciting of sales from potential customers in this state"
means the retailer not maintaining a place of business in this state or marketplace provider
not maintaining a place of business in this state is engaged in any of the solicitations listed
in paragraph (b), and:
(1) makes or facilitates 100 or more retail sales from outside this state to destinations in
this state during the prior 12-month period; or
(2) makes or facilitates retail sales totaling more than $100,000 from outside this state
to destinations in this state during the prior 12-month period.
(d) "Marketplace provider" means any person who facilitates a retail sale by a retailer by:

(1) listing or advertising for sale by the retailer in any forum, tangible personal property, services, or digital goods that are subject to tax under this chapter; and

(2) either directly or indirectly through agreements or arrangements with third parties collecting payment from the customer and transmitting that payment to the retailer regardless of whether the marketplace provider receives compensation or other consideration in exchange for its services.

(d) "Total taxable retail sales" means the gross receipts from the sale of all tangible goods, services, and digital goods subject to sales and use tax under this chapter.

e) "Destination of a sale" means the location to which the retailer makes delivery of the property sold, or causes the property to be delivered, to the purchaser of the property, or to the agent or designee of the purchaser. The delivery may be made by any means, including the United States Postal Service or a for-hire carrier.

Subd. 2. Retailer maintaining place of business in this state. Collection and remittance requirements for retailers and marketplace providers. (a) Except as provided in paragraph (b), a retailer maintaining a place of business in this state and a retailer not maintaining a place of business in this state who makes retail sales in Minnesota or to a destination in Minnesota shall collect sales and use taxes and remit them to the commissioner under section 297A.77 for all retail sales other than those facilitated by a marketplace provider maintaining a place of business in this state or a marketplace provider not maintaining a place of business in this state that is required to collect and remit sales and use taxes under paragraph (b).

(b) A retailer with total taxable retail sales to customers in this state of less than $10,000 in the 12-month period ending on the last day of the most recently completed calendar quarter is not required to collect and remit sales tax if it is determined to be a retailer maintaining a place of business in the state solely because it made sales through one or more marketplace providers. The provisions of this paragraph do not apply to a retailer that is or was registered to collect sales and use tax in this state. Except as provided in paragraph (d), a marketplace provider maintaining a place of business in this state and a marketplace provider not maintaining a place of business in this state who facilitates retail sales in Minnesota or to a destination in Minnesota shall collect sales and use taxes and remit them to the commissioner under section 297A.77 unless:
(1) the retailer provides a copy of the retailer's registration to collect sales and use taxes in this state to the marketplace provider before the marketplace provider facilitates a sale on behalf of the retailer; or

(2) upon inquiry by the marketplace provider or its agent, the commissioner discloses that the retailer is registered to collect sales and use taxes in this state.

(c) Nothing in paragraph (b) shall be construed to interfere with the ability of a marketplace provider and a retailer to enter into an agreement regarding fulfillment of the requirements of this chapter.

(d) A retailer not maintaining a place of business in this state and a marketplace provider not maintaining a place of business in this state shall:

(1) begin collecting and remitting sales and use taxes to the commissioner on the first day of a calendar month occurring no later than 60 days after the retailer or marketplace provider engages in regular or systematic soliciting of sales from potential customers in this state; and

(2) continue to collect and remit sales and use taxes to the commissioner until at least the last day of the 12th calendar month following the calendar month in which the retailer or marketplace provider began collecting and remitting sales and use taxes under clause (1).

(e) A retailer not maintaining a place of business in this state and a marketplace provider not maintaining a place of business in this state may cease collecting and remitting sales and use taxes to the commissioner after the period in paragraph (d), clause (2), if the retailer or marketplace provider no longer engages in regular or systematic soliciting of sales from potential customers in this state.

(f) A retailer or marketplace provider may cease collecting and remitting sales and use taxes under paragraph (e) only after notifying the commissioner that the retailer or marketplace provider is no longer engaged in the regular or systematic soliciting of sales from potential customers in this state. The commissioner shall prescribe the content, format, and manner of the notification pursuant to section 270C.30. If a retailer or marketplace provider subsequently engages in regular or systematic soliciting of sales from potential customers in this state, the retailer shall again comply with the requirements of paragraph (d).

Subd. 3. Retailer not maintaining place of business in this state Marketplace provider liability. (a) To the extent allowed by the United States Constitution and in accordance with
the terms and conditions of federal remote seller law, a retailer making retail sales from outside this state to a destination within this state and not maintaining a place of business in this state shall collect sales and use taxes and remit them to the commissioner under section 297A.77.

(b) To the extent allowed by the United States Constitution and the laws of the United States, a retailer making retail sales from outside this state to a destination within this state and not maintaining a place of business in this state shall collect sales and use taxes and remit them to the commissioner under section 297A.77, if the retailer engages in the regular or systematic soliciting of sales from potential customers in this state by:

(1) distribution, by mail or otherwise, of catalogs, periodicals, advertising flyers, or other written solicitations of business to customers in this state;

(2) display of advertisements on billboards or other outdoor advertising in this state;

(3) advertisements in newspapers published in this state;

(4) advertisements in trade journals or other periodicals the circulation of which is primarily within this state;

(5) advertisements in a Minnesota edition of a national or regional publication or a limited regional edition in which this state is included as part of a broader regional or national publication which are not placed in other geographically defined editions of the same issue of the same publication;

(6) advertisements in regional or national publications in an edition which is not by its contents geographically targeted to Minnesota but which is sold over the counter in Minnesota or by subscription to Minnesota residents;

(7) advertisements broadcast on a radio or television station located in Minnesota; or

(8) any other solicitation by telegraphy, telephone, computer database, cable, optic, microwave, or other communication system.

This paragraph must be construed without regard to the state from which distribution of the materials originated or in which they were prepared.

(c) The location within or without this state of independent vendors that provide products or services to the retailer in connection with its solicitation of customers within this state, including such products and services as creation of copy, printing, distribution, and recording, is not considered in determining whether the retailer is required to collect tax.
(d) A retailer not maintaining a place of business in this state is presumed, subject to rebuttal, to be engaged in regular solicitation within this state if it engages in any of the activities in paragraph (b) and:

(1) makes 100 or more retail sales from outside this state to destinations in this state during a period of 12 consecutive months; or

(2) makes ten or more retail sales totaling more than $100,000 from outside this state to destinations in this state during a period of 12 consecutive months.

(a) A marketplace provider is subject to audit on the retail sales it facilitates if it is required to collect sales and use taxes and remit them to the commissioner under subdivision 2, paragraphs (b) and (c).

(b) A marketplace provider is not liable for failing to file, collect, and remit sales and use taxes to the commissioner if the marketplace provider demonstrates that the error was due to incorrect or insufficient information given to the marketplace provider by the retailer. This paragraph does not apply if the marketplace provider and the marketplace retailer are related as defined in subdivision 4, paragraph (b).

Subd. 4. Affiliated entities. (a) An entity is an "affiliate" of the retailer for purposes of subdivision 1, paragraph (a), if the entity:

(1) uses its facilities or employees in this state to advertise, promote, or facilitate the establishment or maintenance of a market for sales of items by the retailer to purchasers in this state or for the provision of services to the retailer's purchasers in this state, such as accepting returns of purchases for the retailer, providing assistance in resolving customer complaints of the retailer, or providing other services;

(2) has the same or a similar business name to the retailer and sells, from a location or locations in this state, tangible personal property, digital goods, or services, taxable under this chapter, that are similar to that sold by the retailer;

(3) maintains an office, distribution facility, salesroom, warehouse, storage place, or other similar place of business in this state to facilitate the delivery of tangible personal property, digital goods, or services sold by the retailer to its customers in this state;

(4) maintains a place of business in this state and uses trademarks, service marks, or trade names in this state that are the same or substantially similar to those used by the retailer, and that use is done with the express or implied consent of the holder of the marks or names;
(5) delivers, installs, or assembles tangible personal property in this state, or performs maintenance or repair services on tangible personal property in this state, for tangible personal property sold by the retailer;

(6) facilitates the delivery of tangible personal property to customers of the retailer by allowing the customers to pick up tangible personal property sold by the retailer at a place of business the entity maintains in this state; or

(7) shares management, business systems, business practices, or employees with the retailer, or engages in intercompany transactions with the retailer related to the activities that establish or maintain the market in this state of the retailer.

(b) Two entities are related parties under this section if one of the entities meets at least one of the following tests with respect to the other entity:

(1) one or both entities is a corporation, and one entity and any party related to that entity in a manner that would require an attribution of stock from the corporation to the party or from the party to the corporation under the attribution rules of section 318 of the Internal Revenue Code owns directly, indirectly, beneficially, or constructively at least 50 percent of the value of the corporation's outstanding stock;

(2) one or both entities is a partnership, estate, or trust and any partner or beneficiary, and the partnership, estate, or trust and its partners or beneficiaries own directly, indirectly, beneficially, or constructively, in the aggregate, at least 50 percent of the profits, capital, stock, or value of the other entity or both entities;

(3) an individual stockholder and the members of the stockholder's family (as defined in section 318 of the Internal Revenue Code) owns directly, indirectly, beneficially, or constructively, in the aggregate, at least 50 percent of the value of both entities' outstanding stock;

(4) the entities are related within the meaning of subsections (b) and (c) of section 267 or 707(b)(1) of the Internal Revenue Code; or

(5) the entities have one or more ownership relationships and the relationships were designed with a principal purpose of avoiding the application of this section.

(c) An entity is an affiliate under the provisions of this subdivision if the requirements of paragraphs (a) and (b) are met during any part of the 12-month period ending on the first day of the month before the month in which the sale was made.
Subd. 4a. **Solicitor.** (a) "Solicitor," for purposes of subdivision 1, paragraph (a), means a person, whether an independent contractor or other representative, who directly or indirectly solicits business for the retailer.

(b) A retailer is presumed to have a solicitor in this state if it enters into an agreement with a resident under which the resident, for a commission or other substantially similar consideration, directly or indirectly refers potential customers, whether by a link on an Internet website, or otherwise, to the seller. This paragraph only applies if the total gross receipts are at least $10,000 in the 12-month period ending on the last day of the most recent calendar quarter before the calendar quarter in which the sale is made. For purposes of this paragraph, gross receipts means receipts from sales to customers located in the state who were referred to the retailer by all residents with this type of agreement with the retailer.

(c) The presumption under paragraph (b) may be rebutted by proof that the resident with whom the seller has an agreement did not engage in any solicitation in the state on behalf of the retailer that would satisfy the nexus requirement of the United States Constitution during the 12-month period in question. Nothing in this section shall be construed to narrow the scope of the terms affiliate, agent, salesperson, canvasser, or other representative for purposes of subdivision 1, paragraph (a).

(d) For purposes of this subdivision, "resident" includes an individual who is a resident of this state, as defined in section 290.01, or a business that owns tangible personal property located in this state or has one or more employees providing services for the business in this state.

e) This subdivision does not apply to chapter 290 and does not expand or contract the jurisdiction to tax a trade or business under chapter 290.

Subd. 4b. **Collection and remittance requirements for marketplace providers and marketplace retailers.** (a) A marketplace provider shall collect sales and use taxes and remit them to the commissioner under section 297A.77 for all facilitated sales for a retailer, and is subject to audit on the retail sales it facilitates unless either:

1. the retailer provides a copy of the retailer's registration to collect sales and use tax in this state to the marketplace provider before the marketplace provider facilitates a sale; or

2. upon inquiry by the marketplace provider or its agent, the commissioner discloses that the retailer is registered to collect sales and use taxes in this state.
(b) Nothing in this subdivision shall be construed to interfere with the ability of a
marketplace provider and a retailer to enter into an agreement regarding fulfillment of the
requirements of this chapter.

c) A marketplace provider is not liable under this subdivision for failure to file and
collect and remit sales and use taxes if the marketplace provider demonstrates that the error
was due to incorrect or insufficient information given to the marketplace provider by the
retailer. This paragraph does not apply if the marketplace provider and the marketplace
retailer are related as defined in subdivision 4, paragraph (b).

Subd. 5. Withdrawal from streamlined sales and use tax agreement. If the state has
withdrawn its membership or been expelled from the streamlined sales and use tax agreement,
it shall not use a seller's registration with the central registration system and the collection
of sales and use taxes in the state as a factor in determining whether the seller has nexus
with that state for any tax at any time.

Subd. 6. Lodging services. An accommodations intermediary shall collect sales tax and
remit it to the commissioner under section 297A.77 for services provided in connection
with or for lodging located in this state.

EFFECTIVE DATE. This section is effective for sales and purchases made after
September 30, 2019.

Sec. 4. Minnesota Statutes 2018, section 297A.68, subdivision 42, is amended to read:

Subd. 42. Qualified data centers. (a) Purchases of enterprise information technology
equipment and computer software are exempt from tax as follows:

(1) purchases of enterprise information technology equipment and computer software,
and replacements or upgrades to the equipment, for use in a qualified data center, or a
qualified refurbished data center, are exempt;

(2) purchases of prewritten computer software, and replacements or upgrades to the
software, for use by or in a qualified data center or a qualified refurbished data center are
exempt as follows:

(i) for purchases prior to July 1, 2019, software that is loaded at the data center and either
operates, maintains, or monitors the enterprise information technology equipment exempt
under clause (1), or manages, manipulates, analyzes, collects, stores, processes, distributes,
or allows access to large amounts of data, or any other similar functions related to the data,
at the qualified data center or qualified refurbished data center, is exempt. This exemption
does not apply to software that is distributed to users outside of the facility;
(ii) for purchases after June 30, 2019, all software that is loaded at the data center is exempt, including software that is distributed to users outside of the facility, but the refund provided in paragraph (c) is limited to 50 percent of the tax paid on the software; and

(iii) purchases of software exempt under this clause include licenses to use the software and maintenance agreements for the software, except that computer software maintenance agreements are exempt for purchases made after June 30, 2013; and

(3) the tax on purchases exempt under this paragraph must be imposed and collected as if the rate under section 297A.62, subdivision 1, applied, and then refunded after June 30, 2013, in the manner provided under clause (2), item (ii), and in section 297A.75. This exemption includes enterprise information technology equipment and computer software purchased to replace or upgrade enterprise information technology equipment and computer software in a qualified data center, or a qualified refurbished data center.

(b) Electricity used or consumed in the operation of a qualified data center or qualified refurbished data center is exempt.

(c) For purposes of this subdivision, "qualified data center" means a facility in Minnesota:

(1) that is comprised of one or more buildings that consist in the aggregate of at least 25,000 square feet, and that are located on a single parcel or on contiguous parcels, where the total cost of construction or refurbishment, investment in enterprise information technology equipment, and computer software is at least $30,000,000 within a 48-month period. The 48-month period begins no sooner than July 1, 2012, except that costs for computer software maintenance agreements purchased before July 1, 2013, are not included in determining if the $30,000,000 threshold has been met;

(2) that is constructed or substantially refurbished after June 30, 2012, where "substantially refurbished" means that at least 25,000 square feet have been rebuilt or modified, including:

(i) installation of enterprise information technology equipment; environmental control, computer software, and energy efficiency improvements; and

(ii) building improvements; and

(3) that is used to house enterprise information technology equipment, where the facility has the following characteristics:

(i) uninterruptible power supplies, generator backup power, or both;

(ii) sophisticated fire suppression and prevention systems; and
(iii) enhanced security. A facility will be considered to have enhanced security if it has restricted access to the facility to selected personnel; permanent security guards; video camera surveillance; an electronic system requiring pass codes, keycards, or biometric scans, such as hand scans and retinal or fingerprint recognition; or similar security features.

In determining whether the facility has the required square footage, the square footage of the following spaces shall be included if the spaces support the operation of enterprise information technology equipment: office space, meeting space, and mechanical and other support facilities. For purposes of meeting investment and square footage criteria in this subdivision paragraph, "computer software" includes, but is not limited to, software utilized or loaded at a qualified data center or qualified refurbished data center, including maintenance, licensing, means both software that is exempt under paragraph (a), clause (2), and software customization.

(d) For purposes of this subdivision, a "qualified refurbished data center" means an existing facility that qualifies as a data center under paragraph (c), clauses (2) and (3), but that is comprised of one or more buildings that consist in the aggregate of at least 25,000 square feet, and that are located on a single parcel or contiguous parcels, where the total cost of construction or refurbishment, investment in enterprise information technology equipment, and computer software is at least $50,000,000 within a 24-month period.

(e) For purposes of this subdivision, "enterprise information technology equipment" means computers and equipment supporting computing, networking, or data storage, including servers and routers. It includes, but is not limited to: cooling systems, cooling towers, and other temperature control infrastructure; power infrastructure for transformation, distribution, or management of electricity used for the maintenance and operation of a qualified data center or qualified refurbished data center, including but not limited to exterior dedicated business-owned substations, backup power generation systems, battery systems, and related infrastructure; and racking systems, cabling, and trays, which are necessary for the maintenance and operation of the qualified data center or qualified refurbished data center.

(f) A qualified data center or qualified refurbished data center may claim the following:

(1) the exemptions in this subdivision provided under paragraphs (a), clause (1), and (b), for purchases made either within 20 years of the date of its first purchase qualifying for the exemption under paragraph (a), or by June 30, 2042, whichever is earlier;

(2) where the first purchase qualifying for the exemptions under paragraph (a) was made between July 1, 2012, and June 30, 2014, the exemption provided under paragraph (a),

Article 3 Sec. 4. 80
clause (2), item (i), for those purchases of software made within a period starting on the
date of the first purchase qualifying for the exemption under paragraph (a) and ending with
the last purchase made prior to July 1, 2019;

(3) where the first purchase qualifying for the exemptions under paragraph (a) was made
after June 30, 2019, the exemption provided under paragraph (a), clause (2), item (ii), for
purchases of software made within five years of the date of its first purchase qualifying for
the exemption under paragraph (a), or by June 30, 2042, whichever is earlier;

(4) where the first purchase qualifying for the exemptions under paragraph (a) was made
between July 1, 2014, and June 30, 2019, the exemption provided under paragraph (a),
clause (2), item (i), for purchases of software made prior to July 1, 2019, and the exemption
provided under paragraph (a), clause (2), item (ii), for purchases of software made after
June 30, 2019, for purchases made within five years of the first purchase qualifying for the
exemptions under paragraph (a); and

(5) notwithstanding clauses (2) to (4), and paragraph (a), clause (2), a qualified data
center or qualified refurbished data center may claim the exemption for purchases of software
under paragraph (a), clause (2), during only one exemption period, as described in either
clause (2), (3), or (4), per data center location. If the commissioner of employment and
economic development subsequently certifies the data center as newly meeting the
requirements under paragraph (c) or (d) at the same data center location, a data center that
previously qualified for the exemption on purchases of software under paragraph (a), clause
(2), as either a qualified data center or a qualified refurbished data center for the relevant
period described in clause (2), (3), or (4), is not eligible for the exemption on purchases of
software under the subsequent certification.

(g) The purpose of this exemption is to create jobs in the construction and data center
industries.

(h) This subdivision is effective for sales and purchases made before July 1, 2042, as
limited by paragraph (f).

(i) The commissioner of employment and economic development must certify to the
commissioner of revenue, in a format approved by the commissioner of revenue, when a
qualified data center has met the requirements under paragraph (c) or a qualified refurbished
data center has met the requirements under paragraph (d). The certification must provide
the following information regarding each qualified data center or qualified refurbished data
center:

(1) the total square footage amount;
(2) the total amount of construction or refurbishment costs and the total amount of qualifying investments in enterprise information technology equipment and computer software; and
(3) the beginning and ending of the applicable period under either paragraph (c) or (d) in which the qualifying expenditures and purchases under clause (2) were made, but in no case shall the period begin before July 1, 2012;
(j) Any refund for sales tax paid on qualifying purchases under this subdivision must not be issued unless the commissioner of revenue has received the certification required under paragraph (i) either from the commissioner of employment and economic development or the qualified data center or qualified refurbished data center claiming the refund; and
(k) The commissioner of employment and economic development must annually notify the commissioner of revenue of the qualified data centers that are projected to meet the requirements under paragraph (c) and the qualified refurbished data centers that are projected to meet the requirements under paragraph (d) in each of the next four years. The notification must provide the information required under paragraph (i), clauses (1) to (3), for each qualified data center or qualified refurbished data center.

**EFFECTIVE DATE.** This section is effective for sales and purchases made after June 30, 2019; except that paragraph (a), clause (2), item (i), and those portions of paragraph (f) relating to the exemption provided under paragraph (a), clause (2), item (i), are effective retroactively to the first purchase qualifying for the exemptions under paragraph (a) made after June 30, 2012, for sales and purchases of software made prior to July 1, 2019.

Sec. 5. Minnesota Statutes 2018, section 297A.71, is amended by adding a subdivision to read:

ARTICLE 4
PROPERTY TAXES

Section 1. Minnesota Statutes 2018, section 272.115, subdivision 1, is amended to read:

Subdivision 1. Requirement. Except as otherwise provided in subdivision 5, 6, or 7, whenever any real estate is sold for a consideration in excess of $1,000, whether by warranty deed, quitclaim deed, contract for deed or any other method of sale, the grantor, grantee or the legal agent of either shall file a certificate of value with the county auditor in the county in which the property is located when the deed or other document is presented for recording. Contract for deeds are subject to recording under section 507.235, subdivision 1. Value shall, in the case of any deed not a gift, be the amount of the full actual consideration thereof, paid or to be paid, including the amount of any lien or liens assumed. The items and value of personal property transferred with the real property must be listed and deducted from the sale price. The certificate of value shall include the classification to which the property belongs for the purpose of determining the fair market value of the property, and shall include any proposed change in use of the property known to the person filing the certificate that could change the classification of the property. The certificate shall include financing terms and conditions of the sale which are necessary to determine the actual, present value of the sale price for purposes of the sales ratio study. If the property is being acquired as part of a like-kind exchange under section 1031 of the Internal Revenue Code of 1986, as amended through December 31, 2006, that must be indicated on the certificate. The commissioner of revenue shall promulgate administrative rules specifying the financing terms and conditions which must be included on the certificate. The certificate of value must include the Social Security number or the federal employer identification number of the grantors and grantees. However, a married person who is not an owner of record and who is signing a conveyance instrument along with the person's spouse solely to release and convey their marital interest, if any, in the real property being conveyed is not a grantor for the purpose of the preceding sentence. A statement in the deed that is substantially in the following form is sufficient to allow the county auditor to accept a certificate for filing without the Social Security number of the named spouse: "(Name) claims no ownership interest in the real property being conveyed and is executing this instrument solely to release and convey a marital interest, if any, in that real property." The identification numbers of the grantors and grantees are private data on individuals or nonpublic data as defined in section 13.02, subdivisions 9 and 12, but, notwithstanding that section, the private or nonpublic data may be disclosed to the commissioner of revenue for purposes of tax administration. The information required to be shown on the certificate of value is limited
to the information required as of the date of the acknowledgment on the deed or other
document to be recorded.

**EFFECTIVE DATE.** This section is effective for certificates of value filed after
December 31, 2019.

Sec. 2. Minnesota Statutes 2018, section 273.124, subdivision 13, is amended to read:

Subd. 13. **Homestead application.** (a) A person who meets the homestead requirements
under subdivision 1 must file a homestead application with the county assessor to initially
obtain homestead classification.

(b) The commissioner shall prescribe the content, format, and manner of the homestead
application required to be filed under this chapter pursuant to section 270C.30. The
application must clearly inform the taxpayer that this application must be signed by all
owners who occupy the property or by the qualifying relative and returned to the county
assessor in order for the property to receive homestead treatment.

(c) Every property owner applying for homestead classification must furnish to the
county assessor the Social Security number or individual tax identification number of each
occupant who is listed as an owner of the property on the deed of record, the name and
address of each owner who does not occupy the property, and the name and Social Security
number or individual tax identification number of each owner's spouse. The application
must be signed by each owner who occupies the property and by each owner's spouse who
occupies the property, or, in the case of property that qualifies as a homestead under
subdivision 1, paragraph (c), by the qualifying relative.

If a property owner occupies a homestead, the property owner's spouse may not claim
another property as a homestead unless the property owner and the property owner's spouse
file with the assessor an affidavit or other proof required by the assessor stating that the
property qualifies as a homestead under subdivision 1, paragraph (c).

Owners or spouses occupying residences owned by their spouses and previously occupied
with the other spouse, either of whom fail to include the other spouse's name and Social
Security number or individual tax identification number on the homestead application or
provide the affidavits or other proof requested, will be deemed to have elected to receive
only partial homestead treatment of their residence. The remainder of the residence will be
classified as nonhomestead residential. When an owner or spouse's name and Social Security
number or individual tax identification number appear on homestead applications for two
separate residences and only one application is signed, the owner or spouse will be deemed to have elected to homestead the residence for which the application was signed.

(d) If residential real estate is occupied and used for purposes of a homestead by a relative of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for the property to receive homestead status, a homestead application must be filed with the assessor. The Social Security number or individual tax identification number of each relative occupying the property and the name and Social Security number or individual tax identification number of the spouse of a relative occupying the property shall be required on the homestead application filed under this subdivision. If a different relative of the owner subsequently occupies the property, the owner of the property must notify the assessor within 30 days of the change in occupancy. The Social Security number or individual tax identification number of a relative occupying the property or the spouse of a relative occupying the property is private data on individuals as defined by section 13.02, subdivision 12, but may be disclosed to the commissioner of revenue, or, for the purposes of proceeding under the Revenue Recapture Act to recover personal property taxes owing, to the county treasurer.

(e) The homestead application shall also notify the property owners that if the property is granted homestead status for any assessment year, that same property shall remain classified as homestead until the property is sold or transferred to another person, or the owners, the spouse of the owner, or the relatives no longer use the property as their homestead. Upon the sale or transfer of the homestead property, a certificate of value must be timely filed with the county auditor as provided under section 272.115. Failure to notify the assessor within 30 days that the property has been sold, transferred, or that the owner, the spouse of the owner, or the relative is no longer occupying the property as a homestead, shall result in the penalty provided under this subdivision and the property will lose its current homestead status.

(f) If a homestead application has not been filed with the county by December 15, the assessor shall classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner may be entitled to receive the homestead classification by proper application under section 375.192.

**EFFECTIVE DATE.** This section is effective for applications for homestead filed in 2019 and thereafter.
Sec. 3. Minnesota Statutes 2018, section 273.124, subdivision 13c, is amended to read:

Subd. 13c. Property lists. In addition to lists of homestead properties, the commissioner may ask the counties to furnish lists of all properties and the record owners. The Social Security numbers, individual tax identification numbers, and federal identification numbers that are maintained by a county or city assessor for property tax administration purposes, and that may appear on the lists retain their classification as private or nonpublic data; but may be viewed, accessed, and used by the county auditor or treasurer of the same county for the limited purpose of assisting the commissioner in the preparation of microdata samples under section 270C.12. The commissioner shall use the information provided on the lists as appropriate under the law, including for the detection of improper claims by owners, or relatives of owners, under chapter 290A.

EFFECTIVE DATE. This section is effective for homestead data provided to the commissioner of revenue in 2020 and thereafter.

Sec. 4. Minnesota Statutes 2018, section 273.124, subdivision 13d, is amended to read:

Subd. 13d. Homestead data. On or before April 30 each year beginning in 2007, each county must provide the commissioner with the following data for each parcel of homestead property by electronic means as defined in section 289A.02, subdivision 8:

1) the property identification number assigned to the parcel for purposes of taxes payable in the current year;

2) the name and Social Security number or individual tax identification number of each occupant of homestead property who is the property owner or qualifying relative of a property owner, and the spouse of the property owner who occupies homestead property or spouse of a qualifying relative of a property owner who occupies homestead property;

3) the classification of the property under section 273.13 for taxes payable in the current year and in the prior year;

4) an indication of whether the property was classified as a homestead for taxes payable in the current year because of occupancy by a relative of the owner or by a spouse of a relative;

5) the property taxes payable as defined in section 290A.03, subdivision 13, for the current year and the prior year;

6) the market value of improvements to the property first assessed for tax purposes for taxes payable in the current year;
(7) the assessor’s estimated market value assigned to the property for taxes payable in the current year and the prior year;

(8) the taxable market value assigned to the property for taxes payable in the current year and the prior year;

(9) whether there are delinquent property taxes owing on the homestead;

(10) the unique taxing district in which the property is located; and

(11) such other information as the commissioner decides is necessary.

The commissioner shall use the information provided on the lists as appropriate under the law, including for the detection of improper claims by owners, or relatives of owners, under chapter 290A.

**EFFECTIVE DATE.** This section is effective for homestead data provided to the commissioner of revenue in 2020 and thereafter.

Sec. 5. Minnesota Statutes 2018, section 273.124, subdivision 14, is amended to read:

Subd. 14. Agricultural homesteads; special provisions. (a) Real estate of less than ten acres that is the homestead of its owner must be classified as class 2a under section 273.13, subdivision 23, paragraph (a), if:

(1) the parcel on which the house is located is contiguous on at least two sides to (i) agricultural land, (ii) land owned or administered by the United States Fish and Wildlife Service, or (iii) land administered by the Department of Natural Resources on which in lieu taxes are paid under sections 477A.11 to 477A.14;

(2) its owner also owns a noncontiguous parcel of agricultural land that is at least 20 acres;

(3) the noncontiguous land is located not farther than four townships or cities, or a combination of townships or cities from the homestead; and

(4) the agricultural use value of the noncontiguous land and farm buildings is equal to at least 50 percent of the market value of the house, garage, and one acre of land.

Homesteads initially classified as class 2a under the provisions of this paragraph shall remain classified as class 2a, irrespective of subsequent changes in the use of adjoining properties, as long as the homestead remains under the same ownership, the owner owns a noncontiguous parcel of agricultural land that is at least 20 acres, and the agricultural use
value qualifies under clause (4). Homestead classification under this paragraph is limited

to property that qualified under this paragraph for the 1998 assessment.

(b)(i) Agricultural property shall be classified as the owner's homestead, to the same

extent as other agricultural homestead property, if all of the following criteria are met:

(1) the agricultural property consists of at least 40 acres including undivided government

lots and correctional 40's;

(2) the owner, the owner's spouse, or a grandchild, child, sibling, or parent of the owner

or of the owner's spouse, is actively farming the agricultural property, either on the person's

own behalf as an individual or on behalf of a partnership operating a family farm, family

farm corporation, joint family farm venture, or limited liability company of which the person

is a partner, shareholder, or member;

(3) both the owner of the agricultural property and the person who is actively farming

the agricultural property under clause (2), are Minnesota residents;

(4) neither the owner nor the spouse of the owner claims another agricultural homestead

in Minnesota; and

(5) neither the owner nor the person actively farming the agricultural property lives

farther than four townships or cities, or a combination of four townships or cities, from the

agricultural property, except that if the owner or the owner's spouse is required to live in

employer-provided housing, the owner or owner's spouse, whichever is actively farming

the agricultural property, may live more than four townships or cities, or combination of

four townships or cities from the agricultural property.

The relationship under this paragraph may be either by blood or marriage.

(ii) Agricultural property held by a trustee under a trust is eligible for agricultural

homestead classification under this paragraph if the qualifications in clause (i) are met,

except that "owner" means the grantor of the trust.

(iii) Property containing the residence of an owner who owns qualified property under

clause (i) shall be classified as part of the owner's agricultural homestead, if that property

is also used for noncommercial storage or drying of agricultural crops.

(iv) As used in this paragraph, "agricultural property" means class 2a property and any

class 2b property that is contiguous to and under the same ownership as the class 2a property.

(c) Noncontiguous land shall be included as part of a homestead under section 273.13,

subdivision 23, paragraph (a), only if the homestead is classified as class 2a and the detached
land is located in the same township or city, or not farther than four townships or cities or
combination thereof from the homestead. Any taxpayer of these noncontiguous lands must
notify the county assessor that the noncontiguous land is part of the taxpayer's homestead,
and, if the homestead is located in another county, the taxpayer must also notify the assessor
of the other county.

(d) Agricultural land used for purposes of a homestead and actively farmed by a person
holding a vested remainder interest in it must be classified as a homestead under section
273.13, subdivision 23, paragraph (a). If agricultural land is classified class 2a, any other
dwellings on the land used for purposes of a homestead by persons holding vested remainder
interests who are actively engaged in farming the property, and up to one acre of the land
surrounding each homestead and reasonably necessary for the use of the dwelling as a home,
must also be assessed class 2a.

(e) Agricultural land and buildings that were class 2a homestead property under section
273.13, subdivision 23, paragraph (a), for the 1997 assessment shall remain classified as
agricultural homesteads for subsequent assessments if:

1) the property owner abandoned the homestead dwelling located on the agricultural
homestead as a result of the April 1997 floods;

2) the property is located in the county of Polk, Clay, Kittson, Marshall, Norman, or
Wilkin;

3) the agricultural land and buildings remain under the same ownership for the current
assessment year as existed for the 1997 assessment year and continue to be used for
agricultural purposes;

4) the dwelling occupied by the owner is located in Minnesota and is within 30 miles
of one of the parcels of agricultural land that is owned by the taxpayer; and

5) the owner notifies the county assessor that the relocation was due to the 1997 floods,
and the owner furnishes the assessor any information deemed necessary by the assessor in
verifying the change in dwelling. Further notifications to the assessor are not required if the
property continues to meet all the requirements in this paragraph and any dwellings on the
agricultural land remain uninhabited.

(f) Agricultural land and buildings that were class 2a homestead property under section
273.13, subdivision 23, paragraph (a), for the 1998 assessment shall remain classified
agricultural homesteads for subsequent assessments if:
the property owner abandoned the homestead dwelling located on the agricultural
homestead as a result of damage caused by a March 29, 1998, tornado;

(2) the property is located in the county of Blue Earth, Brown, Cottonwood, LeSueur,
Nicollet, Nobles, or Rice;

(3) the agricultural land and buildings remain under the same ownership for the current
assessment year as existed for the 1998 assessment year;

(4) the dwelling occupied by the owner is located in this state and is within 50 miles of
one of the parcels of agricultural land that is owned by the taxpayer; and

(5) the owner notifies the county assessor that the relocation was due to a March 29,
1998, tornado, and the owner furnishes the assessor any information deemed necessary by
the assessor in verifying the change in homestead dwelling. For taxes payable in 1999, the
owner must notify the assessor by December 1, 1998. Further notifications to the assessor
are not required if the property continues to meet all the requirements in this paragraph and
any dwellings on the agricultural land remain uninhabited.

(g) Agricultural property of a family farm corporation, joint family farm venture, family
farm limited liability company, or partnership operating a family farm as described under
subdivision 8 shall be classified homestead, to the same extent as other agricultural homestead
property, if all of the following criteria are met:

(1) the property consists of at least 40 acres including undivided government lots and
correctional 40's;

(2) a shareholder, member, or partner of that entity is actively farming the agricultural
property;

(3) that shareholder, member, or partner who is actively farming the agricultural property
is a Minnesota resident;

(4) neither that shareholder, member, or partner, nor the spouse of that shareholder,
member, or partner claims another agricultural homestead in Minnesota; and

(5) that shareholder, member, or partner does not live farther than four townships or
cities, or a combination of four townships or cities, from the agricultural property.

Homestead treatment applies under this paragraph for property leased to a family farm
corporation, joint farm venture, limited liability company, or partnership operating a family
farm if legal title to the property is in the name of an individual who is a member, shareholder,
or partner in the entity.
To be eligible for the special agricultural homestead under this subdivision, an initial application must be submitted to the county assessor where the property is located. Owners and the persons who are actively farming the property shall be required to complete only a one-page abbreviated version of the application in each subsequent year provided that none of the following items have changed since the initial application:

1. the day-to-day operation, administration, and financial risks remain the same;
2. the owners and the persons actively farming the property continue to live within the four townships or city criteria and are Minnesota residents;
3. the same operator of the agricultural property is listed with the Farm Service Agency;
4. a Schedule F or equivalent income tax form was filed for the most recent year;
5. the property's acreage is unchanged; and
6. none of the property's acres have been enrolled in a federal or state farm program since the initial application.

The owners and any persons who are actively farming the property must include the appropriate Social Security numbers or individual tax identification numbers, and sign and date the application. If any of the specified information has changed since the full application was filed, the owner must notify the assessor, and must complete a new application to determine if the property continues to qualify for the special agricultural homestead. The commissioner of revenue shall prepare a standard reapplication form for use by the assessors.

Agricultural land and buildings that were class 2a homestead property under section 273.13, subdivision 23, paragraph (a), for the 2007 assessment shall remain classified agricultural homesteads for subsequent assessments if:

1. the property owner abandoned the homestead dwelling located on the agricultural homestead as a result of damage caused by the August 2007 floods;
2. the property is located in the county of Dodge, Fillmore, Houston, Olmsted, Steele, Wabasha, or Winona;
3. the agricultural land and buildings remain under the same ownership for the current assessment year as existed for the 2007 assessment year;
4. the dwelling occupied by the owner is located in this state and is within 50 miles of one of the parcels of agricultural land that is owned by the taxpayer; and
5. the owner notifies the county assessor that the relocation was due to the August 2007 floods, and the owner furnishes the assessor any information deemed necessary by the
assessor in verifying the change in homestead dwelling. For taxes payable in 2009, the
owner must notify the assessor by December 1, 2008. Further notifications to the assessor
are not required if the property continues to meet all the requirements in this paragraph and
any dwellings on the agricultural land remain uninhabited.

(j) Agricultural land and buildings that were class 2a homestead property under section
273.13, subdivision 23, paragraph (a), for the 2008 assessment shall remain classified as
agricultural homesteads for subsequent assessments if:

(1) the property owner abandoned the homestead dwelling located on the agricultural
homestead as a result of the March 2009 floods;

(2) the property is located in the county of Marshall;

(3) the agricultural land and buildings remain under the same ownership for the current
assessment year as existed for the 2008 assessment year and continue to be used for
agricultural purposes;

(4) the dwelling occupied by the owner is located in Minnesota and is within 50 miles
of one of the parcels of agricultural land that is owned by the taxpayer; and

(5) the owner notifies the county assessor that the relocation was due to the 2009 floods,
and the owner furnishes the assessor any information deemed necessary by the assessor in
verifying the change in dwelling. Further notifications to the assessor are not required if the
property continues to meet all the requirements in this paragraph and any dwellings on the
agricultural land remain uninhabited.

97.2 schedule F.
97.3 EFFECTIVE DATE. This section is effective for applications for homestead filed in
97.4 2019 and thereafter.
97.5 Sec. 7. Minnesota Statutes 2018, section 273.13, subdivision 35, is amended to read:
97.6 Subd. 35. Homestead market value exclusion. (a) Prior to determining a property's
97.7 net tax capacity under this section, property classified as class 1a or 1b under subdivision
97.8 22, and the portion of property classified as class 2a under subdivision 23 consisting of the
97.9 house, garage, and surrounding one acre of land, shall be eligible for a market value exclusion
97.10 as determined under paragraph (b).
97.11 (b) For a homestead valued at $76,000 or less, the exclusion is 40 percent of market
97.12 value. For a homestead valued between $76,000 and $413,800, the exclusion is $30,400
97.13 minus nine percent of the valuation over $76,000. For a homestead valued at $413,800 or
97.14 more, there is no valuation exclusion. The valuation exclusion shall be rounded to the nearest
97.15 whole dollar, and may not be less than zero.
97.16 (c) Any valuation exclusions or adjustments under section 273.11 shall be applied prior
97.17 to determining the amount of the valuation exclusion under this subdivision.
97.18 (d) In the case of a property that is classified as part homestead and part nonhomestead,
97.19 (i) the exclusion shall apply only to the homestead portion of the property, but (ii) if a portion
97.20 of a property is classified as nonhomestead solely because not all the owners occupy the
97.21 property, not all the owners have qualifying relatives occupying the property, or solely
97.22 because not all the spouses of owners occupy the property, the exclusion amount shall be
97.23 initially computed as if that nonhomestead portion were also in the homestead class and
97.24 then prorated to the owner-occupant's percentage of ownership homestead. For the purpose
97.25 of this section, when an owner-occupant's spouse does not occupy the property, the
97.26 percentage of ownership homestead for the owner-occupant spouse is one-half of the couple's
97.27 ownership percentage.
97.28 EFFECTIVE DATE. This section is effective for taxes payable in 2020 and thereafter.
97.29 Sec. 8. Minnesota Statutes 2018, section 273.1315, subdivision 2, is amended to read:
97.30 Subd. 2. Class 1b homestead declaration 2009 and thereafter. (a) Any property owner
97.31 seeking classification and assessment of the owner's homestead as class 1b property pursuant
97.32 to section 273.13, subdivision 22, paragraph (b), after October 1, 2008, shall file with the
county assessor a class 1b homestead declaration, on a form prescribed by the commissioner of revenue. The declaration must contain the following information:

(1) the information necessary to verify that, on or before June 30 of the filing year, the property owner or the owner's spouse satisfies the requirements of section 273.13, subdivision 22, paragraph (b), for class 1b classification; and

(2) any additional information prescribed by the commissioner.

(b) The declaration must be filed on or before October 1 to be effective for property taxes payable during the succeeding calendar year. The Social Security numbers, individual tax identification numbers, and income and medical information received from the property owner pursuant to this subdivision are private data on individuals as defined in section 13.02. If approved by the assessor, the declaration remains in effect until the property no longer qualifies under section 273.13, subdivision 22, paragraph (b). Failure to notify the assessor within 30 days that the property no longer qualifies under that paragraph because of a sale, change in occupancy, or change in the status or condition of an occupant shall result in the penalty provided in section 273.124, subdivision 13b, computed on the basis of the class 1b benefits for the property, and the property shall lose its current class 1b classification.

EFFECTIVE DATE. This section is effective for applications for homestead filed in 2019 and thereafter.

Sec. 9. Minnesota Statutes 2018, section 273.1384, subdivision 2, is amended to read:

Subd. 2. Agricultural homestead market value credit. Property classified as agricultural homestead under section 273.13, subdivision 23, paragraph (a), is eligible for an agricultural credit. The credit is computed using the property's agricultural credit market value, defined for this purpose as the property's market value excluding the market value of the house, garage, and immediately surrounding one acre of land. The credit is equal to 0.3 percent of the first $115,000 of the property's agricultural credit market value plus 0.1 percent of the property's agricultural credit market value in excess of $115,000, subject to a maximum credit of $490 for a full agricultural homestead. In the case of property that is classified as part homestead and part nonhomestead solely because not all the owners occupy or farm the property, not all the owners have qualifying relatives occupying or farming the property, or solely because not all the spouses of owners occupy the property, the credit is computed on the amount of agricultural credit market value corresponding to the percentage of homestead. the percentage of homestead is equal to 100 divided by the number of owners.
of the property, or, in the case of a trust, the number of grantors of the trust that owns the
property, and the maximum credit equals $490 multiplied by the percentage of homestead.

EFFECTIVE DATE. This section is effective for taxes payable in 2020 and thereafter.

Sec. 10. [273.1388] RIPARIAN BUFFER CREDIT.

Subdivision 1. Definitions. (a) For purposes of this section, the following terms have
the meanings given them.

(b) "Alternative riparian water quality practice" or "alternative practice" means a water
quality practice or combination of structural, vegetative, and management practices, based
on the Natural Resources Conservation Service Field Office Technical Guide, common
alternative practices adopted and published by the board, other practices approved by the
board, or practices based on local conditions approved by the local soil and water
conservation district that are consistent with the Field Office Technical Guide, that provide
water quality protection comparable to the buffer protection for the water body that the
property abuts. Included in these practices are retention ponds and alternative measures that
prevent overland flow to the water resource.

(c) "Board" means the Board of Water and Soil Resources.

(d) "Riparian buffer" or "buffer" means a buffer required under section 103F.48,

Subdivision 3.

Subd. 2. Eligibility requirements. Land may be eligible for the riparian buffer credit
if all of the following conditions are met, as determined by the county auditor:

(1) the land is classified as 2a under section 273.13, subdivision 23;

(2) a buffer or alternative riparian water quality practice is required to be maintained on
the property according to section 103F.48;

(3) there are no delinquent property taxes on the land;

(4) the land has not been compensated for damages under chapter 103E for purposes of
installing a buffer; and

(5) the soil and water conservation district has not found the landowner noncompliant
with the requirements of section 103F.48.

Subd. 3. Application. In order to initially qualify for a credit under this section, an owner
of agricultural land must file an application with the county auditor on or before December
31, 2019, on a form prescribed by the commissioner of revenue. The application must
specifically identify the land meeting the requirements of this section. Once an application has been made for land to receive a credit under this section, no further applications for the land to receive the credit are required, provided that the owner must notify the auditor if there has been any change in the status of the land relative to the eligibility requirements under subdivision 2 or if there is a change to the ownership of the land.

Subd. 4. Coordination with administrative entities. (a) By February 1, 2020, the county auditor must notify the local soil and water conservation district of the parcels within the district's jurisdiction for which an application for the credit under this section has been received. By March 1, 2020, the soil and water conservation district must verify compliance with section 103F.48 on the parcels which the credit is being claimed and certify the information to the county auditor.

(b) By March 1, 2020, and March 1 of each year thereafter, the soil and water conservation district must notify the county auditor of any noncompliant parcels under section 103F.48, subdivision 7.

Subd. 5. Amount of credit. Land meeting the requirements of this section is eligible for a credit at the rate of $50 per acre.

Subd. 6. Credit reimbursements. The county auditor shall determine the tax reductions allowed under this section within the county for each taxes payable year and shall certify that amount to the commissioner of revenue as a part of the abstracts of tax lists submitted by the county auditors under section 275.29. Any prior year adjustments shall also be certified on the abstracts of tax lists. The commissioner of revenue shall review the certifications for accuracy, and may make such changes as are deemed necessary or return the certification to the county auditor for correction. The credit under this section must be used to proportionately reduce the net tax capacity-based property tax payable to each local taxing jurisdiction as provided in section 273.1393.

Subd. 7. Payment. (a) The commissioner of revenue shall reimburse each local taxing jurisdiction, other than school districts, for the tax reductions granted under this section, in two equal installments on October 31 and December 26 of the taxes payable year for which the reductions are granted, including in each payment the prior year adjustments certified on the abstracts for that taxes payable year. The reimbursements related to tax increments shall be issued in one installment each year on December 26.

(b) The commissioner of revenue shall certify the total of the tax reductions granted under this section for each taxes payable year within each school district to the commissioner.
of education, and the commissioner of education shall pay the reimbursement amounts to each school district as provided in section 273.1392.

Subd. 8. Appropriation. An amount sufficient to make the payments required by this section to taxing jurisdictions other than school districts is annually appropriated from the general fund to the commissioner of revenue. An amount sufficient to make the payments required by this section for school districts is annually appropriated from the general fund to the commissioner of education.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2020.

Sec. 11. Minnesota Statutes 2018, section 273.1392, is amended to read:

The amounts so certified shall be paid according to section 127A.45, subdivisions 9, 10, and 13.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2020.

Sec. 12. Minnesota Statutes 2018, section 273.1393, is amended to read:

**273.1393 COMPUTATION OF NET PROPERTY TAXES.**

Notwithstanding any other provisions to the contrary, "net" property taxes are determined by subtracting the credits in the order listed from the gross tax:

1. disaster credit as provided in sections 273.1231 to 273.1235;
2. powerline credit as provided in section 273.42;
3. agricultural preserves credit as provided in section 473H.10;

EFFECTIVE DATE. This section is effective beginning with taxes payable in 2020.

Sec. 13. Minnesota Statutes 2018, section 275.065, subdivision 3, is amended to read:

Subd. 3. Notice of proposed property taxes. (a) The county auditor shall prepare and
the county treasurer shall deliver after November 10 and on or before November 24 each
year, by first class mail to each taxpayer at the address listed on the county's current year's
assessment roll, a notice of proposed property taxes. Upon written request by the taxpayer,
the treasurer may send the notice in electronic form or by electronic mail instead of on paper
or by ordinary mail.

(b) The commissioner of revenue shall prescribe the form of the notice.

(c) The notice must inform taxpayers that it contains the amount of property taxes each
taxing authority proposes to collect for taxes payable the following year. In the case of a
town, or in the case of the state general tax, the final tax amount will be its proposed tax.

The notice must clearly state for each city that has a population over 500, county, school
district, regional library authority established under section 134.201, and metropolitan taxing
districts as defined in paragraph (i), the time and place of a meeting for each taxing authority
in which the budget and levy will be discussed and public input allowed, prior to the final
budget and levy determination. The taxing authorities must provide the county auditor with
the information to be included in the notice on or before the time it certifies its proposed
levy under subdivision 1. The public must be allowed to speak at that meeting, which must
occur after November 24 and must not be held before 6:00 p.m. It must provide a telephone
number for the taxing authority that taxpayers may call if they have questions related to the
notice and an address where comments will be received by mail, except that no notice
required under this section shall be interpreted as requiring the printing of a personal
television number or address as the contact information for a taxing authority. If a taxing
authority does not maintain public offices where telephone calls can be received by the
authority, the authority may inform the county of the lack of a public telephone number and
the county shall not list a telephone number for that taxing authority.

(d) The notice must state for each parcel:

(1) the market value of the property as determined under section 273.11, and used for
computing property taxes payable in the following year and for taxes payable in the current
year as each appears in the records of the county assessor on November 1 of the current
year; and, in the case of residential property, whether the property is classified as homestead
or nonhomestead. The notice must clearly inform taxpayers of the years to which the market
values apply and that the values are final values;

(2) the items listed below, shown separately by county, city or town, and state general
tax, agricultural homestead credit under section 273.1384, school building bond agricultural
credit under section 273.1387, riparian buffer credit under section 273.1388, voter approved
school levy, other local school levy, and the sum of the special taxing districts, and as a
total of all taxing authorities:

(i) the actual tax for taxes payable in the current year; and

(ii) the proposed tax amount.

If the county levy under clause (2) includes an amount for a lake improvement district
as defined under sections 103B.501 to 103B.581, the amount attributable for that purpose
must be separately stated from the remaining county levy amount.

In the case of a town or the state general tax, the final tax shall also be its proposed tax
unless the town changes its levy at a special town meeting under section 365.52. If a school
district has certified under section 126C.17, subdivision 9, that a referendum will be held
in the school district at the November general election, the county auditor must note next
to the school district's proposed amount that a referendum is pending and that, if approved
by the voters, the tax amount may be higher than shown on the notice. In the case of the
city of Minneapolis, the levy for Minneapolis Park and Recreation shall be listed separately
from the remaining amount of the city's levy. In the case of the city of St. Paul, the levy for
the St. Paul Library Agency must be listed separately from the remaining amount of the
city's levy. In the case of Ramsey County, any amount levied under section 134.07 may be
listed separately from the remaining amount of the county's levy. In the case of a parcel
where tax increment or the fiscal disparities areawide tax under chapter 276A or 473F
applies, the proposed tax levy on the captured value or the proposed tax levy on the tax
capacity subject to the areawide tax must each be stated separately and not included in the
sum of the special taxing districts; and

Article 4 Sec. 13. 103
the increase or decrease between the total taxes payable in the current year and the total proposed taxes, expressed as a percentage.

For purposes of this section, the amount of the tax on homesteads qualifying under the senior citizens' property tax deferral program under chapter 290B is the total amount of property tax before subtraction of the deferred property tax amount.

(e) The notice must clearly state that the proposed or final taxes do not include the following:

1. special assessments;
2. levies approved by the voters after the date the proposed taxes are certified, including bond referenda and school district levy referenda;
3. a levy limit increase approved by the voters by the first Tuesday after the first Monday in November of the levy year as provided under section 275.73;
4. amounts necessary to pay cleanup or other costs due to a natural disaster occurring after the date the proposed taxes are certified;
5. amounts necessary to pay tort judgments against the taxing authority that become final after the date the proposed taxes are certified; and
6. the contamination tax imposed on properties which received market value reductions for contamination.

(f) Except as provided in subdivision 7, failure of the county auditor to prepare or the county treasurer to deliver the notice as required in this section does not invalidate the proposed or final tax levy or the taxes payable pursuant to the tax levy.

(g) If the notice the taxpayer receives under this section lists the property as nonhomestead, and satisfactory documentation is provided to the county assessor by the applicable deadline, and the property qualifies for the homestead classification in that assessment year, the assessor shall reclassify the property to homestead for taxes payable in the following year.

(h) In the case of class 4 residential property used as a residence for lease or rental periods of 30 days or more, the taxpayer must either:

1. mail or deliver a copy of the notice of proposed property taxes to each tenant, renter, or lessee; or
2. post a copy of the notice in a conspicuous place on the premises of the property.
The notice must be mailed or posted by the taxpayer by November 27 or within three
days of receipt of the notice, whichever is later. A taxpayer may notify the county treasurer
of the address of the taxpayer, agent, caretaker, or manager of the premises to which the
notice must be mailed in order to fulfill the requirements of this paragraph.

(i) For purposes of this subdivision and subdivision 6, "metropolitan special taxing
districts" means the following taxing districts in the seven-county metropolitan area that
levy a property tax for any of the specified purposes listed below:

(1) Metropolitan Council under section 473.132, 473.167, 473.249, 473.325, 473.446,
    473.521, 473.547, or 473.834;

(2) Metropolitan Airports Commission under section 473.667, 473.671, or 473.672; and

(3) Metropolitan Mosquito Control Commission under section 473.711.

For purposes of this section, any levies made by the regional rail authorities in the county
of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A
shall be included with the appropriate county's levy.

(j) The governing body of a county, city, or school district may, with the consent of the
county board, include supplemental information with the statement of proposed property
taxes about the impact of state aid increases or decreases on property tax increases or
decreases and on the level of services provided in the affected jurisdiction. This supplemental
information may include information for the following year, the current year, and for as
many consecutive preceding years as deemed appropriate by the governing body of the
county, city, or school district. It may include only information regarding:

(1) the impact of inflation as measured by the implicit price deflator for state and local
government purchases;

(2) population growth and decline;

(3) state or federal government action; and

(4) other financial factors that affect the level of property taxation and local services
that the governing body of the county, city, or school district may deem appropriate to
include.

The information may be presented using tables, written narrative, and graphic
representations and may contain instruction toward further sources of information or
opportunity for comment.

EFFECTIVE DATE. This section is effective beginning with taxes payable in 2021.
Sec. 14. Minnesota Statutes 2018, section 276.04, subdivision 2, is amended to read:

Subd. 2. Contents of tax statements. (a) The treasurer shall provide for the printing of the tax statements. The commissioner of revenue shall prescribe the form of the property tax statement and its contents. The tax statement must not state or imply that property tax credits are paid by the state of Minnesota. The statement must contain a tabulated statement of the dollar amount due to each taxing authority and the amount of the state tax from the parcel of real property for which a particular tax statement is prepared. The dollar amounts attributable to the county, the state tax, the voter approved school tax, the other local school tax, the township or municipality, and the total of the metropolitan special taxing districts as defined in section 275.065, subdivision 3, paragraph (i), must be separately stated. The amounts due all other special taxing districts, if any, may be aggregated except that any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be listed on a separate line directly under the appropriate county's levy. If the county levy under this paragraph includes an amount for a lake improvement district as defined under sections 103B.501 to 103B.581, the amount attributable for that purpose must be separately stated from the remaining county levy amount. In the case of Ramsey County, if the county levy under this paragraph includes an amount for public library service under section 134.07, the amount attributable for that purpose may be separated from the remaining county levy amount. The amount of the tax on homesteads qualifying under the senior citizens' property tax deferral program under chapter 290B is the total amount of property tax before subtraction of the deferred property tax amount. The amount of the tax on contamination value imposed under sections 270.91 to 270.98, if any, must also be separately stated. The dollar amounts, including the dollar amount of any special assessments, may be rounded to the nearest even whole dollar. For purposes of this section whole odd-numbered dollars may be adjusted to the next higher even-numbered dollar. The amount of market value excluded under section 273.11, subdivision 16, if any, must also be listed on the tax statement.

(b) The property tax statements for manufactured homes and sectional structures taxed as personal property shall contain the same information that is required on the tax statements for real property.

(c) Real and personal property tax statements must contain the following information in the order given in this paragraph. The information must contain the current year tax information in the right column with the corresponding information for the previous year in a column on the left:

(1) the property's estimated market value under section 273.11, subdivision 1;
(2) the property's homestead market value exclusion under section 273.13, subdivision 35;

(3) the property's taxable market value under section 272.03, subdivision 15;

(4) the property's gross tax, before credits;

(5) for agricultural properties, the credits under sections 273.1384, 273.1387, and 273.1388;

(6) any credits received under sections 273.119; 273.1234 or 273.1235; 273.135; 273.1391; 273.1398, subdivision 4; 469.171; and 473H.10, except that the amount of credit received under section 273.135 must be separately stated and identified as "taconite tax relief"; and

(7) the net tax payable in the manner required in paragraph (a).

(d) If the county uses envelopes for mailing property tax statements and if the county agrees, a taxing district may include a notice with the property tax statement notifying taxpayers when the taxing district will begin its budget deliberations for the current year, and encouraging taxpayers to attend the hearings. If the county allows notices to be included in the envelope containing the property tax statement, and if more than one taxing district relative to a given property decides to include a notice with the tax statement, the county treasurer or auditor must coordinate the process and may combine the information on a single announcement.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2020.

Sec. 15. Minnesota Statutes 2018, section 287.21, subdivision 1, is amended to read:

Subdivision 1. Determination of tax. (a) A tax is imposed on each deed or instrument by which any real property in this state is granted, assigned, transferred, or otherwise conveyed. The tax applies against the net consideration. For purposes of the tax, the conversion of a corporation to a limited liability company, a limited liability company to a corporation, a partnership to a limited partnership, a limited partnership to another limited partnership or other entity, or a similar conversion of one entity to another does not grant, assign, transfer, or convey real property.

(b) The tax is determined in the following manner: (1) when transfers are made by instruments pursuant to (i) consolidations or mergers, or (ii) designated transfers, the tax is $1.65; (2) when there is no consideration or when the consideration, exclusive of the value of any lien or encumbrance remaining thereon at the time of sale, is $500 or less,
the tax is $1.65; or (3) when the consideration, exclusive of the value of any lien or
encumbrance remaining at the time of sale, exceeds $5.00–$3,000, the tax is .0033 of the net
consideration.

(c) If, within six months from the date of a designated transfer, an ownership interest in
the grantee entity is transferred by an initial owner to any person or entity with the result
that the designated transfer would not have been a designated transfer if made to the grantee
entity with its subsequent ownership, then a tax is imposed at .0033 of the net consideration
for the designated transfer. If the subsequent transfer of ownership interests was reasonably
expected at the time of the designated transfer, the applicable penalty under section 287.31,
subdivision 1, must be paid. The deed tax imposed under this paragraph is due within 30
days of the subsequent transfer that caused the tax to be imposed under this paragraph.
Involuntary transfers of ownership shall not be considered transfers of ownership under this
paragraph. The commissioner may adopt rules defining the types of transfers to be considered
involuntary.

(d) The tax is due at the time a taxable deed or instrument is presented for recording,
except as provided in paragraph (c). The commissioner may require the tax to be documented
in a manner prescribed by the commissioner, and may require that the documentation be
attached to and recorded as part of the deed or instrument. The county recorder or registrar
of titles shall accept the attachment for recording as part of the deed or instrument and may
not require, as a condition of recording a deed or instrument, evidence that a transfer is a
designated transfer in addition to that required by the commissioner. Such an attachment
shall not, however, provide actual or constructive notice of the information contained therein
for purposes of determining any interest in the real property. The commissioner shall
prescribe the manner in which the tax due under paragraph (c) is to be paid and may require
grantees of designated transfers to file with the commissioner subsequent statements verifying
that the tax provided under paragraph (c) does not apply.

**EFFECTIVE DATE.** This section is effective for deeds recorded after December 31,
2019.

Sec. 16. Minnesota Statutes 2018, section 290B.03, subdivision 1, is amended to read:

Subdivision 1. **Program qualifications.** The qualifications for the senior citizens'
property tax deferral program are as follows:

(1) the property must be owned and occupied as a homestead by a person 65 years of
age or older. In the case of a married couple, at least one of the spouses must be at least 65
years old at the time the first property tax deferral is granted, regardless of whether the
property is titled in the name of one spouse or both spouses, or titled in another way that permits the property to have homestead status, and the other spouse must be at least 62 years of age;

   (2) the total household income of the qualifying homeowners, as defined in section 290A.03, subdivision 5, for the calendar year preceding the year of the initial application may not exceed $60,000;

   (3) the homestead must have been owned and occupied as the homestead of at least one of the qualifying homeowners for at least fifteen years prior to the year the initial application is filed;

   (4) there are no state or federal tax liens or judgment liens on the homesteaded property;

   (5) there are no mortgages or other liens on the property that secure future advances, except for those subject to credit limits that result in compliance with clause (6); and

   (6) the total unpaid balances of debts secured by mortgages and other liens on the property, including unpaid and delinquent special assessments and interest and any delinquent property taxes, penalties, and interest, but not including property taxes payable during the year or debts secured by a residential PACE lien, as defined in section 216C.435, subdivision 10d, does not exceed 75 percent of the assessor's estimated market value for the year.

EFFECTIVE DATE. This section is effective for applications for deferral of taxes payable in 2020 and thereafter.

Sec. 17. Minnesota Statutes 2018, section 290B.04, subdivision 1, is amended to read:

Subdivision 1. Initial application. (a) A taxpayer meeting the program qualifications under section 290B.03 may apply to the commissioner of revenue for the deferral of taxes. Applications are due on or before July 1 for deferral of any of the following year's property taxes. A taxpayer may apply in the year in which the taxpayer becomes 65 years old, provided that no deferral of property taxes will be made until the calendar year after the taxpayer becomes 65 years old. The application, which shall be prescribed by the commissioner of revenue, shall include the following items and any other information which the commissioner deems necessary:

   (1) the name, address, and Social Security number of the owner or owners;

   (2) a copy of the property tax statement for the current payable year for the homesteaded property;

REVENUE STABILITY

Subdivision 1. Levy amount. The state general levy is levied against commercial-industrial property and seasonal residential recreational property, as defined in this section. The state general levy base amount for commercial-industrial property is $784,590,000 for taxes payable in 2018 and thereafter, 2019. The state general levy base amount for seasonal-recreational property is $44,190,000 for taxes payable in 2018 and thereafter, 2019. For taxes payable in subsequent years, the levy base amount for commercial-industrial property and seasonal-recreational property is increased each year by multiplying the levy base amount for the prior year by the sum of one plus the rate of increase, if any, in the implicit price deflator for government consumption expenditures and gross investment for state and local governments prepared by the Bureau of Economic Analysts of the United States Department of Commerce for the 12-month period ending March 31 of the year prior to the year the taxes are payable. The tax under this section is not treated as a local tax rate under section 469.177 and is not the levy of a governmental unit under chapters 276A and 473F.
The commissioner shall increase or decrease the preliminary or final rate for a year as necessary to account for errors and tax base changes that affected a preliminary or final rate for either of the two preceding years. Adjustments are allowed to the extent that the necessary information is available to the commissioner at the time the rates for a year must be certified, and for the following reasons:

(1) an erroneous report of taxable value by a local official;
(2) an erroneous calculation by the commissioner; and
(3) an increase or decrease in taxable value for commercial-industrial or seasonal residential recreational property reported on the abstracts of tax lists submitted under section 275.29 that was not reported on the abstracts of assessment submitted under section 270C.89 for the same year.

The commissioner may, but need not, make adjustments if the total difference in the tax levied for the year would be less than $100,000.

EFFECTIVE DATE. This section is effective for taxes payable in 2020 and thereafter.

(2) the lesser of:

(i) the value of qualified small business property under section 291.03, subdivision 9, and the value of qualified farm property under section 291.03, subdivision 10; or

rounding the result to the nearest mill. The adjustment factor equals the in-lieu sales tax rate that applies to the following calendar year divided by the in-lieu sales tax rate for the current calendar year.
