ARTICLE 1

FEDERAL CONFORMITY

Section 1. Minnesota Statutes 2018, section 270A.03, subdivision 5, is amended to read:

Subd. 5. Debt; debtor. (a) "Debt" means a legal obligation of a natural person to pay a fixed and certain amount of money, which equals or exceeds $25 and which is due and payable to a claimant agency. The term includes criminal fines imposed under section 609.10 or 609.125, fines imposed for petty misdemeanors as defined in section 609.02, subdivision 4a, and restitution. A debt may arise under a contractual or statutory obligation, a court order, or other legal obligation, but need not have been reduced to judgment.

A debt includes any legal obligation of a current recipient of assistance which is based on overpayment of an assistance grant where that payment is based on a client waiver or an administrative or judicial finding of an intentional program violation; or where the debt is owed to a program wherein the debtor is not a client at the time notification is provided to initiate recovery under this chapter and the debtor is not a current recipient of food support, transitional child care, or transitional medical assistance.

(b) A debt does not include any legal obligation to pay a claimant agency for medical care, including hospitalization if the income of the debtor at the time when the medical care was rendered does not exceed the following amount:

(1) for an unmarried debtor, an income of $12,560 or less;

(2) for a debtor with one dependent, an income of $16,080 or less;

(3) for a debtor with two dependents, an income of $19,020 or less;

(4) for a debtor with three dependents, an income of $21,580 or less;

(5) for a debtor with four dependents, an income of $22,760 or less; and

(6) for a debtor with five or more dependents, an income of $23,730 or less.

For purposes of this paragraph, "debtor" means the individual whose income, together with the income of the individual's spouse, other than a separated spouse, brings the
individual within the income provisions of this paragraph. For purposes of this paragraph, a spouse, other than a separated spouse, shall be considered a dependent.

(c) The commissioner shall annually adjust the income amounts in paragraph (b) by the
percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(H) the word "2014" shall be substituted for the word "1992." For 2016, the commissioner shall then determine the percent change from the 12 months ending on August 31, 2014, to the 12 months ending on August 31, 2015, and in each subsequent year, from the 12 months ending on August 31, 2014, to the 12 months ending on August 31 of the year preceding the taxable year. The determination of the commissioner pursuant to this subdivision shall not be considered a "rule" and shall not be subject to the Administrative Procedure Act contained in chapter 14. The income amount as adjusted must be rounded to the nearest $10 amount. If the amount ends in $5, the amount is rounded up to the nearest $10 amount as provided in section 270C.22. The statutory year is taxable year 2019.

(d) Debt also includes an agreement to pay a MinnesotaCare premium, regardless of the dollar amount of the premium authorized under section 256L.15, subdivision 1a.

EFFECTIVE DATE. This section is effective for adjustments beginning with taxable years beginning after December 31, 2019.

Sec. 2. [270C.22] COST OF LIVING ADJUSTMENT.

Subdivision 1. Adjustment; definition; period; rounding. (a) The commissioner shall annually make a cost of living adjustment to the dollar amounts noted in sections that reference this section. The commissioner shall adjust the amounts based on the index as provided in this section. For purposes of this section, "index" means the Chained Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics. The values of the index used to determine the adjustments under this section are the latest published values when the Bureau of Labor Statistics publishes the initial value of the index for August of the year preceding the year to which the adjustment applies.

(b) For the purposes of this section, "statutory year" means the year preceding the first year for which dollar amounts are to be adjusted for inflation under sections that reference this section. For adjustments under chapter 290A, "statutory year" means the year in which refunds are payable preceding the first year for which amounts in chapter 290A are indexed under this section.
(c) To determine the dollar amounts for taxable year 2020, the commissioner shall determine the percentage change in the index for the 12-month period ending on August 31, 2019, and increase each of the unrounded dollar amounts in the sections referencing this section by that percentage change. For each subsequent taxable year, the commissioner shall increase the dollar amounts by the percentage change in the index from August 31 of the year preceding the statutory year to August 31 of the year preceding the taxable year.

(d) To determine the dollar amounts for refunds payable in 2021 under chapter 290A, the commissioner shall determine the percentage change in the index for the 12-month period ending on August 31, 2020, and increase each of the unrounded dollar amounts in the sections referencing this section by that percentage change. For each subsequent year, the commissioner shall increase the dollar amounts by the percentage change in the index from August 31 of the year preceding the statutory year to August 31 of the year preceding the year in which refunds are payable.

(e) Unless otherwise provided, the commissioner shall round the amounts as adjusted to the nearest $10 amount. If an amount ends in $5, the amount is rounded up to the nearest $10 amount.

Subd. 2. Publication. The commissioner shall announce and publish the adjusted dollar amounts required by subdivision 1 on the Department of Revenue's website on or before December 15 of each year.

Subd. 3. Special provision. The determination of the commissioner under this subdivision is not a rule and is not subject to the Administrative Procedure Act under chapter 14, including section 14.386.

EFFECTIVE DATE. This section is effective for adjustments beginning with taxable years beginning after December 31, 2019, calendar years beginning after December 31, 2019, and for refunds based on rent paid in 2019 and property taxes payable in 2020.

Sec. 3. Minnesota Statutes 2018, section 289A.02, subdivision 7, is amended to read:

EFFECTIVE DATE. This section is effective the day following final enactment except the changes incorporated by federal changes are effective retroactively at the same time the changes became effective for federal purposes.
Sec. 4. Minnesota Statutes 2018, section 289A.08, subdivision 1, is amended to read:

Subdivision 1. Generally; individuals. (a) A taxpayer must file a return for each taxable year the taxpayer is required to file a return under section 6012 of the Internal Revenue Code or meets the requirements under paragraph (d) to file a return, except that:

(1) an individual who is not a Minnesota resident for any part of the year is not required to file a Minnesota income tax return if the individual's gross income derived from Minnesota sources as determined under sections 290.081, paragraph (a), and 290.17, is less than the filing requirements for a single individual who is a full year resident of Minnesota; and

(2) an individual who is a Minnesota resident is not required to file a Minnesota income tax return if the individual's gross income derived from Minnesota sources as determined under section 290.17, less the subtractions allowed under section 290.0132, subdivisions 12 and 15, is less than the filing requirements for a single individual who is a full-year resident of Minnesota.

(b) The decedent's final income tax return, and other income tax returns for prior years where the decedent had gross income in excess of the minimum amount at which an individual is required to file and did not file, must be filed by the decedent's personal representative, if any. If there is no personal representative, the return or returns must be filed by the transferees, as defined in section 270C.58, subdivision 3, who receive property of the decedent.

(c) The term "gross income," as it is used in this section, has the same meaning given it in section 290.01, subdivision 20.

(d) The commissioner of revenue must annually determine the gross income levels at which individuals are required to file a return for each taxable year based on the amounts that may be subtracted under section 290.0132, subdivision 19.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2018.

Sec. 5. Minnesota Statutes 2018, section 289A.08, subdivision 7, is amended to read:

Subd. 7. Composite income tax returns for nonresident partners, shareholders, and beneficiaries. (a) The commissioner may allow a partnership with nonresident partners to file a composite return and to pay the tax on behalf of nonresident partners who have no other Minnesota source income. This composite return must include the names, addresses, Social Security numbers, income allocation, and tax liability for the nonresident partners electing to be covered by the composite return.
(b) The computation of a partner's tax liability must be determined by multiplying the income allocated to that partner by the highest rate used to determine the tax liability for individuals under section 290.06, subdivision 2c. Nonbusiness deductions, standard deductions, or personal exemptions are not allowed.

(c) The partnership must submit a request to use this composite return filing method for nonresident partners. The requesting partnership must file a composite return in the form prescribed by the commissioner of revenue. The filing of a composite return is considered a request to use the composite return filing method.

(d) The electing partner must not have any Minnesota source income other than the income from the partnership and other electing partnerships. If it is determined that the electing partner has other Minnesota source income, the inclusion of the income and tax liability for that partner under this provision will not constitute a return to satisfy the requirements of subdivision 1. The tax paid for the individual as part of the composite return is allowed as a payment of the tax by the individual on the date on which the composite return payment was made. If the electing nonresident partner has no other Minnesota source income, filing of the composite return is a return for purposes of subdivision 1.

(e) This subdivision does not negate the requirement that an individual pay estimated tax if the individual's liability would exceed the requirements set forth in section 289A.25. The individual's liability to pay estimated tax is, however, satisfied when the partnership pays composite estimated tax in the manner prescribed in section 289A.25.

(f) If an electing partner's share of the partnership's gross income from Minnesota sources is less than the filing requirements for a nonresident under this subdivision, the tax liability is zero. However, a statement showing the partner's share of gross income must be included as part of the composite return.

(g) The election provided in this subdivision is only available to a partner who has no other Minnesota source income and who is either (1) a full-year nonresident individual or (2) a trust or estate that does not claim a deduction under either section 651 or 661 of the Internal Revenue Code.

(h) A corporation defined in section 290.9725 and its nonresident shareholders may make an election under this paragraph. The provisions covering the partnership apply to the corporation and the provisions applying to the partner apply to the shareholder.

(i) Estates and trusts distributing current income only and the nonresident individual beneficiaries of the estates or trusts may make an election under this paragraph. The
provisions covering the partnership apply to the estate or trust. The provisions applying to
the partner apply to the beneficiary.

(j) For the purposes of this subdivision, "income" means the partner's share of federal
adjusted gross income from the partnership modified by the additions provided in section
290.0131, subdivisions 8 to 10 and 16, and the subtractions provided in: (1) section
290.0132, subdivision 9, to the extent the amount is assignable or allocable to Minnesota
under section 290.17; and (2) section 290.0132, subdivision 14. The subtraction allowed
under section 290.0132, subdivision 9, is only allowed on the composite tax computation
to the extent the electing partner would have been allowed the subtraction.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December
31, 2018.

Sec. 6. Minnesota Statutes 2018, section 289A.12, subdivision 14, is amended to read:

Subd. 14. Reporting exempt interest and exempt-interest dividends. (a) A regulated
investment company paying $10 or more in exempt-interest dividends to an individual who
is a resident of Minnesota, or any person receiving $10 or more of exempt interest or
exempt-interest dividends and paying as nominee to an individual who is a resident of
Minnesota, must make a return indicating the amount of the exempt interest or
exempt-interest dividends, the name, address, and Social Security number of the recipient,
and any other information that the commissioner specifies. The return must be provided to
the recipient by February 15 of the year following the year of the payment. The return
provided to the recipient must include a clear statement, in the form prescribed by the
commissioner, that the exempt interest or exempt-interest dividends must be included in
the computation of Minnesota taxable income. By June 1 of each year, the payer must file
a copy of the return with the commissioner.

(b) For purposes of this subdivision, the following definitions apply.

(1) "Exempt-interest dividends" mean exempt-interest dividends as defined in section
852(b)(5) of the Internal Revenue Code, but does not include the portion of exempt-interest
dividends that are not required to be added to federal taxable adjusted gross income under
section 290.0131, subdivision 2, paragraph (b).

(2) "Regulated investment company" means regulated investment company as defined
in section 851(a) of the Internal Revenue Code or a fund of the regulated investment company
as defined in section 851(g) of the Internal Revenue Code.
(3) "Exempt interest" means income on obligations of any state other than Minnesota, or a political or governmental subdivision, municipality, or governmental agency or instrumentality of any state other than Minnesota, and exempt from federal income taxes under the Internal Revenue Code or any other federal statute.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2018.

Sec. 7. Minnesota Statutes 2018, section 289A.20, is amended by adding a subdivision to read:

Subd. 1a. Tax on deferred foreign income; election to pay in installments. (a) A taxpayer subject to tax under section 290.06, subdivision 1, may elect to pay the net tax liability on the deferred foreign income in installments in the same percentages of the net tax liability for each taxable year as provided in section 965(h)(1) of the Internal Revenue Code. Payment of an installment for a taxable year is due on the due date, determined without regard to any extensions of time for filing the return, for the tax return for that taxable year.

(b) If an acceleration of payment applies for federal income tax purposes under section 965(h)(3) of the Internal Revenue Code, the unpaid portion of the remaining installments due under chapter 290 must be paid on the same date as the federal tax is due. Assessment of deficiencies must be prorated as provided under section 965(h)(4) of the Internal Revenue Code.

(c) For purposes of determining date and time limits under sections 270C.62, 270C.63, 270C.67, and 270C.68, the date on which an installment is due under paragraph (a), including any acceleration under paragraph (b), must be treated as the assessment date, due date, or other date from which the time limit must be determined for that payment.

(d) For purposes of this subdivision, "net tax liability" means the excess of:

(1) the tax liability, determined under chapter 290, for the taxable year in which the deferred foreign income was includable in federal taxable income; over

(2) the tax liability, determined under chapter 290, for that taxable year computed after excluding the deferred foreign income under section 965 of the Internal Revenue Code.

(e) If a taxpayer has not made the first installment payment under paragraph (a), the taxpayer must pay the first installment payment at the same time and due date as the second installment payment. For purposes of paragraph (c), payments under this paragraph are deemed to be due at the same time the second installment is due.
EFFECTIVE DATE. This section is effective retroactively at the same time as the changes in Public Law 115-97 relating to deferred foreign income were effective for federal purposes.

Sec. 8. Minnesota Statutes 2018, section 289A.35, is amended to read:

289A.35 ASSESSMENTS ON RETURNS.

(a) The commissioner may audit and adjust the taxpayer's computation of federal adjusted gross income, federal taxable income, items of federal tax preferences, or federal credit amounts to make them conform with the provisions of chapter 290 or section 298.01. If a return has been filed, the commissioner shall enter the liability reported on the return and may make any audit or investigation that is considered necessary.

(b) Upon petition by a taxpayer, and when the commissioner determines that it is in the best interest of the state, the commissioner may allow S corporations and partnerships to receive orders of assessment issued under section 270C.33, subdivision 4, on behalf of their owners, and to pay liabilities shown on such orders. In such cases, the owners' liability must be calculated using the method provided in section 289A.08, subdivision 7, paragraph (b).

(c) A taxpayer may petition the commissioner for the use of the method described in paragraph (b) after the taxpayer is notified that an audit has been initiated and before an order of assessment has been issued.

(d) A determination of the commissioner under paragraph (b) to grant or deny the petition of a taxpayer cannot be appealed to the Tax Court or any other court.

(e) The commissioner may audit and adjust the taxpayer's computation of tax under chapter 291. In the case of a return filed pursuant to section 289A.10, the commissioner shall notify the estate no later than nine months after the filing date, as provided by section 289A.38, subdivision 2, whether the return is under examination or the return has been processed as filed.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2018.

Sec. 9. Minnesota Statutes 2018, section 290.01, is amended by adding a subdivision to read:

(1) the exclusion of net capital gain provided in section 852(b)(2)(A) of the Internal Revenue Code does not apply;

(2) the deduction for dividends paid under section 852(b)(2)(D) of the Internal Revenue Code must be applied by allowing a deduction for capital gain dividends and exempt-interest dividends as defined in sections 852(b)(3)(C) and 852(b)(5) of the Internal Revenue Code; and

(a)(1) Subject to paragraphs (a)(2) and (a)(3), income from wages as defined in section 3401(a), (f), and (i) of the Internal Revenue Code is assigned to this state if, and to the extent that, the work of the employee is performed within it; all other income from such sources is treated as income from sources without this state.

Severance pay shall be considered income from labor or personal or professional services.

(2) In the case of an individual who is a nonresident of Minnesota and who is an athlete or entertainer, income from compensation for labor or personal services performed within this state shall be determined in the following manner:

(i) the amount of income to be assigned to Minnesota for an individual who is a nonresident salaried athletic team employee shall be determined by using a fraction in which the denominator contains the total number of days in which the individual is under a duty to perform for the employer, and the numerator is the total number of those days spent in Minnesota. For purposes of this paragraph, off-season training activities, unless conducted at the team's facilities as part of a team imposed program, are not included in the total number of duty days. Bonuses earned as a result of play during the regular season or for participation in interstate tournaments shall be considered income received during the regular season.
in championship, play-off, or all-star games must be allocated under the formula. Signing
bonuses are not subject to allocation under the formula if they are not conditional on playing
any games for the team, are payable separately from any other compensation, and are
nonrefundable; and

(ii) the amount of income to be assigned to Minnesota for an individual who is a
nonresident, and who is an athlete or entertainer not listed in item (i), for that person's athletic

original cost of partnership tangible property in this state to the original cost of partnership
tangible property everywhere, determined at the time of the sale. If more than 50 percent
of the value of the partnership's assets consists of intangibles, gain or loss from the sale of
the partnership interest is allocated to this state in accordance with the sales factor of the
partnership for its first full tax period immediately preceding the tax period of the partnership
during which the partnership interest was sold.

Gain on the sale of an interest in a single member limited liability company that is
disregarded for federal income tax purposes is allocable to this state as if the single member
limited liability company did not exist and the assets of the limited liability company are
personally owned by the sole member.

Gain on the sale of goodwill or income from a covenant not to compete that is connected
with a business operating all or partially in Minnesota is allocated to this state to the extent
that the income from the business in the year preceding the year of sale was allocable to
Minnesota under subdivision 3.
When an employer pays an employee for a covenant not to compete, the income allocated to this state is in the ratio of the employee's service in Minnesota in the calendar year preceding leaving the employment of the employer over the total services performed by the employee for the employer in that year.

(d) Income from winnings on a bet made by an individual while in Minnesota is assigned to this state. In this paragraph, "bet" has the meaning given in section 609.75, subdivision 2, as limited by section 609.75, subdivision 3, clauses (1), (2), and (3).

Sec. 5. Minnesota Statutes 2018, section 116J.8737, subdivision 5, is amended to read:

Subd. 5. Credit allowed. (a)(1) A qualified investor or qualified fund is eligible for a credit equal to 25 percent of the qualified investment in a qualified small business. Investments made by a pass-through entity qualify for a credit only if the entity is a qualified fund. The commissioner must not allocate more than $15,000,000 in credits to qualified investors or qualified funds for taxable years beginning after December 31, 2013, and before January 1, 2017, and must not allocate more than $10,000,000 in credits to qualified investors or qualified funds for taxable years beginning after December 31, 2016, and before January 1, 2018; and (2) for taxable years beginning after December 31, 2014, and before January 1, 2018, and before January 1, 2021. For each taxable year, 50 percent must be allocated to credits for qualifying investments in qualified greater Minnesota businesses and minority- or women-owned qualified small businesses in Minnesota. Any portion of a taxable year's credits that is reserved for qualifying investments in greater Minnesota businesses and minority- or women-owned qualified small businesses in Minnesota that is not allocated by September 30 of the taxable year is available for allocation to other credit applications beginning on October 1. Any portion of a taxable year's credits that is not allocated by the commissioner does not cancel and may be carried forward to subsequent taxable years until all credits have been allocated.

(b) The commissioner may not allocate more than a total maximum amount in credits for a taxable year to a qualified investor for the investor's cumulative qualified investments as an individual qualified investor and as an investor in a qualified fund; for married couples filing joint returns the maximum is $250,000, and for all other filers the maximum is $125,000. The commissioner may not allocate more than a total of $1,000,000 in credits over all taxable years for qualified investments in any one qualified small business.

(c) The commissioner may not allocate a credit to a qualified investor either as an individual qualified investor or as an investor in a qualified fund if, at the time the investment is proposed:

(1) the investor is an officer or principal of the qualified small business; or

(2) the investor, either individually or in combination with one or more members of the investor's family, owns, controls, or holds the power to vote 20 percent or more of the outstanding securities of the qualified small business.

A member of the family of an individual disqualified by this paragraph is not eligible for a credit under this section. For a married couple filing a joint return, the limitations in this paragraph apply collectively to the investor and spouse. For purposes of determining the
ownership interest of an investor under this paragraph, the rules under section 267(c) and 
267(e) of the Internal Revenue Code apply.

(d) Applications for tax credits for 2010 must be made available on the department's 
website by September 1, 2010, and the department must begin accepting applications by 
September 1, 2010. Applications for subsequent years must be made available by November 
1 of the preceding year.

(e) Qualified investors and qualified funds must apply to the commissioner for tax credits. 
Tax credits must be allocated to qualified investors or qualified funds in the order that the 
tax credit request applications are filed with the department. The commissioner must approve 
or reject tax credit request applications within 15 days of receiving the application. The 
investment specified in the application must be made within 60 days of the allocation of 
the credits. If the investment is not made within 60 days, the credit allocation is canceled 
and available for reallocation. A qualified investor or qualified fund that fails to invest as 
specified in the application, within 60 days of allocation of the credits, must notify the 
commissioner of the failure to invest within five business days of the expiration of the 
60-day investment period.

(f) All tax credit request applications filed with the department on the same day must 
be treated as having been filed contemporaneously. If two or more qualified investors or 
qualified funds file tax credit request applications on the same day, and the aggregate amount 
of credit allocation claims exceeds the aggregate limit of credits under this section or the 
lesser amount of credits that remain unallocated on that day, then the credits must be allocated 
among the qualified investors or qualified funds who filed on that day on a pro rata basis 
with respect to the amounts claimed. The pro rata allocation for any one qualified investor 
or qualified fund is the product obtained by multiplying a fraction, the numerator of which 
is the amount of the credit allocation claim filed on behalf of a qualified investor and the 
denominator of which is the total of all credit allocation claims filed on behalf of all 
applicants on that day, by the amount of credits that remain unallocated on that day for the 
taxable year.

(g) A qualified investor or qualified fund, or a qualified small business acting on their 
behalf, must notify the commissioner when an investment for which credits were allocated 
has been made, and the taxable year in which the investment was made. A qualified fund 
must also provide the commissioner with a statement indicating the amount invested by 
each investor in the qualified fund based on each investor's share of the assets of the qualified 
fund at the time of the qualified investment. After receiving notification that the investment 
was made, the commissioner must issue credit certificates for the taxable year in which the
investment was made to the qualified investor or, for an investment made by a qualified
fund, to each qualified investor who is an investor in the fund. The certificate must state
that the credit is subject to revocation if the qualified investor or qualified fund does not
hold the investment in the qualified small business for at least three years, consisting of the
calendar year in which the investment was made and the two following years. The three-year
holding period does not apply if:

(1) the investment by the qualified investor or qualified fund becomes worthless before
the end of the three-year period;

(2) 80 percent or more of the assets of the qualified small business is sold before the end
of the three-year period;

(3) the qualified small business is sold before the end of the three-year period;

(4) the qualified small business's common stock begins trading on a public exchange
before the end of the three-year period; or

(5) the qualified investor dies before the end of the three-year period.

(h) The commissioner must notify the commissioner of revenue of credit certificates
issued under this section.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December
31, 2018.

(c) "Preferential rate income" means the lesser of:

(1) a taxpayer's adjusted net capital gain, as defined in section 1(h)(3) of the Internal Revenue Code, but excluding a capital gain resulting from the sale of property classified as 2a property under section 273.13, subdivision 23; or

(a) For an individual who is not a resident for the entire taxable year, the tax under subdivision 2 is imposed in an amount equal to: (1) the amount calculated under subdivision 2 for the full year and for all preferential rate income; multiplied by (2) the Minnesota percentage determined under paragraph (b).

(b) "Minnesota percentage" equals:
(1) the sum of the following amounts for the taxable year:

(i) net capital gain from the sale of real property located in Minnesota and tangible personal property with a situs in Minnesota on the date of the sale; plus

(ii) adjusted net capital gain, other than gain included under item (i), received during a period when the taxpayer was domiciled in Minnesota; divided by

(2) the total amount of preferential rate income for the taxable year.

Subd. 4. Credits for taxes paid to another state. For purposes of computing the credit for taxes paid to another state under section 290.06, subdivision 22, if the net long-term capital gain qualified for an exclusion, deduction, or exemption, in whole or part, from taxation under the other state's tax, the tax under this section used to calculate the credit must be reduced by three percent of the dollar amount of the exclusion, deduction, or exemption amount that applies under the other state's tax.

EFFECTIVE DATE. This section is effective for preferential rate income recognized in taxable years beginning after December 31, 2018.

(1) On the first $35,480 $40,240, 5.35 percent;

(2) On all over $35,480 $40,240, but not over $140,960 $150,900, 7.05 percent;

(3) On all over $140,960 $150,900, but not over $250,000 $273,150, 7.85 percent;

(4) On all over $250,000 $273,150, 9.85 percent.

Married individuals filing separate returns, estates, and trusts must compute their income tax by applying the above rates to their taxable income, except that the income brackets will be one-half of the above amounts after the adjustment required in subdivision 2d.

(b) The income taxes imposed by this chapter upon unmarried individuals must be computed by applying to taxable net income the following schedule of rates:

(1) On the first $24,270 $27,520, 5.35 percent;

(2) On all over $24,270 $27,520, but not over $79,730 $84,990, 7.05 percent;
(3) On all over $79,730 $84,990, but not over $150,000 $163,890, 7.85 percent;

d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than $100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to $1.

e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

(1) the numerator is the individual's Minnesota source federal adjusted gross income as defined in section 62 of the Internal Revenue Code and increased by the additions required under section 290.0131, subdivisions 2 and 6 to 10, and 16, and reduced by the Minnesota assignable portion of the subtraction for United States government interest under section 290.0132, subdivision 2, and the subtractions under section 290.0132, subdivisions 9, 10, 14, 15, 17, and 18, and 27, after applying the allocation and assignability provisions of section 290.081, clause (a), or 290.17; and

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2018.

Sec. 18. Minnesota Statutes 2018, section 290.0671, subdivision 1, is amended to read:

Subdivision 1. Credit allowed. (a) An individual who is a resident of Minnesota is allowed a credit against the tax imposed by this chapter equal to a percentage of earned income. To receive a credit, a taxpayer must be eligible for a credit under section 32 of the Internal Revenue Code, except that:

(1) a taxpayer with no qualifying children who has attained the age of 21, but not attained age 65 before the close of the taxable year and is otherwise eligible for a credit under section 32 of the Internal Revenue Code may also receive a credit; and

(2) a taxpayer who is otherwise eligible for a credit under section 32 of the Internal Revenue Code remains eligible for the credit even if the taxpayer's earned income or adjusted gross income exceeds the income limitation under section 32 of the Internal Revenue Code.

(b) For individuals with no qualifying children, the credit equals 2.10% of the first $6,180 of earned income. The credit is reduced by 2.0% of earned income or adjusted gross income, whichever is greater, in excess of $8,130 the phase-out threshold, but in no case is the credit less than zero.

(c) For individuals with one qualifying child, the credit equals 9.35% of the first $11,120 of earned income. The credit is reduced by 6.0% of earned income or adjusted gross income, whichever is greater, in excess of $21,190 the phase-out threshold, but in no case is the credit less than zero.

(d) For individuals with two or more qualifying children, the credit equals 11% of the first $18,240 of earned income. The credit is reduced by 10.5% of earned income or adjusted gross income, whichever is greater, in excess of $25,130 the phase-out threshold, but in no case is the credit less than zero.

(e) For individuals with three or more qualifying children, the credit equals 12.5% of the first $20,000 of earned income. The credit is reduced by 10.5% of earned income or adjusted gross income, whichever is greater, in excess of the phase-out threshold, but in no case is the credit less than zero.

(f) For a part-year resident, the credit must be allocated based on the percentage calculated under section 290.06, subdivision 2c, paragraph (e).
For a person who was a resident for the entire tax year and has earned income not subject to tax under this chapter, including income excluded under section 290.0132, subdivision 10, the credit must be allocated based on the ratio of federal adjusted gross income reduced by the earned income not subject to tax under this chapter over federal adjusted gross income. For purposes of this paragraph, the following clauses are not considered "earned income not subject to tax under this chapter":

1. the subtractions for military pay under section 290.0132, subdivisions 11 and 12;
2. the exclusion of combat pay under section 112 of the Internal Revenue Code; and
3. income derived from an Indian reservation by an enrolled member of the reservation while living on the reservation.

For tax years beginning after December 31, 2013, the $8,130 in paragraph (b), the $21,190 in paragraph (c), and the $25,130 in paragraph (d), after being adjusted for inflation under subdivision 7, are each increased by $5,000 for married taxpayers filing joint returns.

For tax years beginning after December 31, 2013, the commissioner shall annually adjust the $5,000 by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B), the word "2008" shall be substituted for the word "1992." For 2014, the commissioner shall then determine the percent change from the 12 months ending on August 31, 2008, to the 12 months ending on August 31, 2013, and in each subsequent year, from the 12 months ending on August 31, 2013, to the 12 months ending on August 31 of the year preceding the taxable year. The earned income thresholds as adjusted for inflation must be rounded to the nearest $10. If the amount ends in $5, the amount is rounded up to the nearest $10. The determination of the commissioner under this subdivision is not a rule under the Administrative Procedure Act.

For the purposes of this section, the phase-out threshold equals:

1. $14,570 for married taxpayers filing joint returns with no qualifying children;
2. $8,730 for all other taxpayers with no qualifying children;
3. $28,610 for married taxpayers filing joint returns with one qualifying child;
4. $22,770 for all other taxpayers with one qualifying child;
5. $32,840 for married taxpayers filing joint returns with two qualifying children;
6. $27,000 for all other taxpayers with two qualifying children;
7. $32,840 for married taxpayers filing joint returns with three or more qualifying children; and
(8) $27,000 for all other taxpayers with three or more qualifying children.

(i) The commissioner shall construct tables showing the amount of the credit at various income levels and make them available to taxpayers. The tables shall follow the schedule contained in this subdivision, except that the commissioner may graduate the transition between income brackets.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2018.

The provisions of this subdivision do not apply to business income subject to subdivision 5, income of an insurance company, or income of an investment company determined under section 290.36.

(b) The term "unitary business" means business activities or operations which result in a flow of value between them. The term may be applied within a single legal entity or between multiple entities and without regard to whether each entity is a sole proprietorship, a corporation, a partnership or a trust.

(c) Unity is presumed whenever there is unity of ownership, operation, and use, evidenced by centralized management or executive force, centralized purchasing, advertising, accounting, or other controlled interaction, but the absence of these centralized activities will not necessarily evidence a nonunitary business. Unity is also presumed when business activities or operations are of mutual benefit, dependent upon or contributory to one another, either individually or as a group.

(d) Where a business operation conducted in Minnesota is owned by a business entity that carries on business activity outside the state different in kind from that conducted within this state, and the other business is conducted entirely outside the state, it is presumed that the two business operations are unitary in nature, interrelated, connected, and interdependent unless it can be shown to the contrary.

(e) Unity of ownership does not exist when two or more corporations are involved unless more than 50 percent of the voting stock of each corporation is directly or indirectly owned.
85.1 by a common owner or by common owners, either corporate or noncorporate, or by one or
85.2 more of the member corporations of the group. For this purpose, the term "voting stock"
85.3 shall include membership interests of mutual insurance holding companies formed under
85.4 section 66A.40.

85.5 (f) The net income and apportionment factors under section 290.191 or 290.20 of foreign
corporations and other foreign entities, but excluding a disqualified captive insurance
company, which are part of a unitary business shall not be included in the net income or
the apportionment factors of the unitary business; except that the income and apportionment
factors of a foreign entity, other than an entity treated as a C corporation for federal income
tax purposes, that are included in the federal taxable income, as defined in section 63 of the
Internal Revenue Code as amended through the date named in section 290.01, subdivision
19, of a domestic corporation, domestic entity, or individual must be included in determining
net income and the factors to be used in the apportionment of net income pursuant to section
290.191 or 290.20. A foreign corporation or other foreign entity which is not included on
a combined report and which is required to file a return under this chapter shall file on a
separate return basis.

85.17 (g) For purposes of determining the net income of a unitary business and the factors to
be used in the apportionment of net income pursuant to section 290.191 or 290.20, there
must be included only the income and apportionment factors of domestic corporations or
other domestic entities that are determined to be part of the unitary business pursuant to this
subdivision, notwithstanding that foreign corporations or other foreign entities might be
included in the unitary business; except that the income and apportionment factors of a
foreign entity, other than an entity treated as a C corporation for federal income tax purposes,
that is included in the federal taxable income, as defined in section 63 of the Internal Revenue
Code as amended through the date named in section 290.01, subdivision 19, of a domestic
corporation, domestic entity, or individual must be included in determining net income and
the factors to be used in the apportionment of net income pursuant to section 290.191 or
290.20.

85.29 (h) Each corporation or other entity, except a sole proprietorship, that is part of a unitary
business must file combined reports as the commissioner determines. On the reports, all
intercompany transactions between entities included pursuant to paragraph (g) must be
eliminated and the entire net income of the unitary business determined in accordance with
this subdivision is apportioned among the entities by using each entity's Minnesota factors
for apportionment purposes in the numerators of the apportionment formula and the total
factors for apportionment purposes of all entities included pursuant to paragraph (g) in the

Article 2 Sec. 26.  85
denominators of the apportionment formula. Except as otherwise provided by paragraph
(f), all sales of the unitary business made within this state pursuant to section 290.191 or
290.20 must be included on the combined report of a corporation or other entity that is a
member of the unitary business and is subject to the jurisdiction of this state to impose tax
under this chapter.

(i) If a corporation has been divested from a unitary business and is included in a
combined report for a fractional part of the common accounting period of the combined
report:

(1) its income includable in the combined report is its income incurred for that part of
the year determined by proration or separate accounting; and

(2) its sales, property, and payroll included in the apportionment formula must be prorated
or accounted for separately.

(j) For purposes of this subdivision, "insurance company" means an insurance company,
as defined in section 290.01, subdivision 5b, that is:

(1) licensed to engage in the business of insurance in Minnesota pursuant to chapter
60A; or

(2) domiciled and licensed to engage in the business of insurance in another state or
country that imposes retaliatory taxes, fines, deposits, penalties, licenses, or fees and that
does not grant, on a reciprocal basis, exemption from such retaliatory taxes to insurance
companies or their agents domiciled in Minnesota.

(k) For purposes of this subdivision, "retaliatory taxes" means taxes imposed on insurance
companies organized in another state or country that result from the fact that an insurance
company organized in the taxing jurisdiction and doing business in the other jurisdiction is
subject to taxes, fines, deposits, penalties, licenses, or fees in an amount exceeding that
imposed by the taxing jurisdiction upon an insurance company organized in the other state
or country and doing business to the same extent in the taxing jurisdiction not a disqualified
captive insurance company.

EFFECTIVE DATE. This section is effective retroactively for taxable years beginning
after December 31, 2016.

Sec. 27. Minnesota Statutes 2018, section 290.191, subdivision 5, is amended to read:
Subd. 5. Determination of sales factor. For purposes of this section, the following rules
apply in determining the sales factor.
(a) The sales factor includes all sales, gross earnings, or receipts received in the ordinary course of the business, except that the following types of income are not included in the sales factor:

1. interest;
2. dividends;
3. sales of capital assets as defined in section 1221 of the Internal Revenue Code;
4. sales of property used in the trade or business, except sales of leased property of a type which is regularly sold as well as leased; and
5. sales of debt instruments as defined in section 1275(a)(1) of the Internal Revenue Code or sales of stock.

(b) Sales of tangible personal property are made within this state if the property is received by a purchaser at a point within this state, regardless of the f.o.b. point, other conditions of the sale, or the ultimate destination of the property.

(c) Tangible personal property delivered to a common or contract carrier or foreign vessel for delivery to a purchaser in another state or nation is a sale in that state or nation, regardless of f.o.b. point or other conditions of the sale.

(d) Notwithstanding paragraphs (b) and (c), when intoxicating liquor, wine, fermented malt beverages, cigarettes, or tobacco products are sold to a purchaser who is licensed by a state or political subdivision to resell this property only within the state of ultimate destination, the sale is made in that state.

(e) Sales made by or through a corporation that is qualified as a domestic international sales corporation under section 992 of the Internal Revenue Code are not considered to have been made within this state.

(f) Sales, rents, royalties, and other income in connection with real property is attributed to the state in which the property is located.

(g) Receipts from the lease or rental of tangible personal property, including finance leases and true leases, must be attributed to this state if the property is located in this state and to other states if the property is not located in this state. Receipts from the lease or rental of moving property including, but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment are included in the numerator of the receipts factor to the extent that the property is used in this state. The extent of the use of moving property is determined as follows:
A motor vehicle is used wholly in the state in which it is registered.

The extent that rolling stock is used in this state is determined by multiplying the receipts from the lease or rental of the rolling stock by a fraction, the numerator of which is the miles traveled within this state by the leased or rented rolling stock and the denominator of which is the total miles traveled by the leased or rented rolling stock.

The extent that an aircraft is used in this state is determined by multiplying the receipts from the lease or rental of the aircraft by a fraction, the numerator of which is the number of landings of the aircraft in this state and the denominator of which is the total number of landings of the aircraft.

The extent that a vessel, mobile equipment, or other mobile property is used in the state is determined by multiplying the receipts from the lease or rental of the property by a fraction, the numerator of which is the number of days during the taxable year the property was in this state and the denominator of which is the total days in the taxable year.

Royalties and other income received for the use of or for the privilege of using intangible property, including patents, know-how, formulas, designs, processes, patterns, copyrights, trade names, service names, franchises, licenses, contracts, customer lists, or similar items, must be attributed to the state in which the property is used by the purchaser. If the property is used in more than one state, the royalties or other income must be apportioned to this state pro rata according to the portion of use in this state. If the portion of use in this state cannot be determined, the royalties or other income must be excluded from both the numerator and the denominator. Intangible property is used in this state if the purchaser uses the intangible property or the rights therein in the regular course of its business operations in this state, regardless of the location of the purchaser's customers.

Sales of intangible property are made within the state in which the property is used by the purchaser. If the property is used in more than one state, the sales must be apportioned to this state pro rata according to the portion of use in this state. If the portion of use in this state cannot be determined, the sale must be excluded from both the numerator and the denominator of the sales factor. Intangible property is used in this state if the purchaser used the intangible property in the regular course of its business operations in this state.

Receipts from the performance of services must be attributed to the state where the services are received. For the purposes of this section, receipts from the performance of services provided to a corporation, partnership, or trust may only be attributed to a state where it has a fixed place of doing business. If the state where the services are received is not readily determinable or is a state where the corporation, partnership, or trust receiving
the service does not have a fixed place of doing business, the services shall be deemed to be received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. If the ordering office cannot be determined, the services shall be deemed to be received at the office of the customer to which the services are billed.

(k) For the purposes of this subdivision and subdivision 6, paragraph (l), receipts from management, distribution, or administrative services performed by a person or corporation or trust for a fund of a person or corporation or trust regulated under United States Code, title 15, sections 80a-1 through 80a-64 chapter 2D, subchapter I, must be attributed to the state where the shareholder of the fund resides. Under this paragraph, receipts for services attributed to shareholders are determined on the basis of the ratio of: (1) the average of the outstanding shares in the fund owned by shareholders residing within Minnesota at the beginning and end of each year; and (2) the average of the total number of outstanding shares in the fund at the beginning and end of each year. Residence of the shareholder, in the case of an individual, is determined by the mailing address furnished by the shareholder to the fund. Residence of the shareholder, when the shares are held by an insurance company as a depositor for the insurance company policyholders, is the mailing address of the policyholders. In the case of an insurance company holding the shares as a depositor for the insurance company policyholders, if the mailing address of the policyholders cannot be determined by the taxpayer, the receipts must be excluded from both the numerator and denominator. Residence of other shareholders is the mailing address of the shareholder.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2018.

Sec. 28. Minnesota Statutes 2018, section 290.21, subdivision 4, is amended to read:

Subd. 4. Dividends received from another corporation. (a)(1) Eighty percent of dividends received by a corporation during the taxable year from another corporation, in which the recipient owns 20 percent or more of the stock, by vote and value, not including stock described in section 1504(a)(4) of the Internal Revenue Code when the corporate stock with respect to which dividends are paid does not constitute the stock in trade of the taxpayer or would not be included in the inventory of the taxpayer, or does not constitute property held by the taxpayer primarily for sale to customers in the ordinary course of the taxpayer's trade or business, or when the trade or business of the taxpayer does not consist principally of the holding of the stocks and the collection of the income and gains therefrom; and
(2)(i) the remaining 20 percent of dividends if the dividends received are the stock in an affiliated company transferred in an overall plan of reorganization and the dividend is eliminated in consolidation under Treasury Department Regulation 1.1502-14(a), as amended through December 31, 1989;

(ii) the remaining 20 percent of dividends if the dividends are received from a corporation which is subject to tax under section 290.36 and which is a member of an affiliated group of corporations as defined by the Internal Revenue Code and the dividend is eliminated in consolidation under Treasury Department Regulation 1.1502-14(a), as amended through December 31, 1989, or is deducted under an election under section 243(b) of the Internal Revenue Code; or

(iii) the remaining 20 percent of the dividends if the dividends are received from a property and casualty insurer as defined under section 60A.60, subdivision 8, which is a member of an affiliated group of corporations as defined by the Internal Revenue Code and either: (A) the dividend is eliminated in consolidation under Treasury Regulation 1.1502-14(a), as amended through December 31, 1989; or (B) the dividend is deducted under an election under section 243(b) of the Internal Revenue Code.

(b) Seventy percent of dividends received by a corporation during the taxable year from another corporation in which the recipient owns less than 20 percent of the stock, by vote or value, not including stock described in section 1504(a)(4) of the Internal Revenue Code when the corporate stock with respect to which dividends are paid does not constitute the stock in trade of the taxpayer, or does not constitute property held by the taxpayer primarily for sale to customers in the ordinary course of the taxpayer's trade or business, or when the trade or business of the taxpayer does not consist principally of the holding of the stocks and the collection of income and gain therefrom.

(c) The dividend deduction provided in this subdivision shall be allowed only with respect to dividends that are included in a corporation's Minnesota taxable net income for the taxable year.

The dividend deduction provided in this subdivision does not apply to a dividend from a corporation which, for the taxable year of the corporation in which the distribution is made or for the next preceding taxable year of the corporation, is a corporation exempt from tax under section 501 of the Internal Revenue Code.

The dividend deduction provided in this subdivision does not apply to a dividend received from a real estate investment trust as defined in section 856 of the Internal Revenue Code.
The dividend deduction provided in this subdivision applies to the amount of regulated investment company dividends only to the extent determined under section 854(b) of the Internal Revenue Code.

The dividend deduction provided in this subdivision shall not be allowed with respect to any dividend for which a deduction is not allowed under the provisions of section 246(c) or 246A of the Internal Revenue Code.

(d) If dividends received by a corporation that does not have nexus with Minnesota under the provisions of Public Law 86-272 are included as income on the return of an affiliated corporation permitted or required to file a combined report under section 290.17, subdivision 4, or 290.34, subdivision 2, then for purposes of this subdivision the determination as to whether the trade or business of the corporation consists principally of the holding of stocks and the collection of income and gains therefrom shall be made with reference to the trade or business of the affiliated corporation having a nexus with Minnesota.

(e) The deduction provided by this subdivision does not apply if the dividends are paid by a FSC as defined in section 922 of the Internal Revenue Code.

(f) If one or more of the members of the unitary group whose income is included on the combined report received a dividend, the deduction under this subdivision for each member of the unitary business required to file a return under this chapter is the product of: (1) 100 percent of the dividends received by members of the group; (2) the percentage allowed pursuant to paragraph (a) or (b); and (3) the percentage of the taxpayer's business income apportionable to this state for the taxable year under section 290.191 or 290.20.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2018.

(1) the exclusion amount for the year of death under paragraph (b); and

(2) the lesser of:

(i) the value of qualified small business property under section 291.03, subdivision 9, and the value of qualified farm property under section 291.03, subdivision 10; or

Subd. 4. Use of a portion of county fair revenues. A county agricultural society must annually determine the amount of sales tax savings attributable to section 297A.70, subdivision 21. If the county agricultural society owns its own fairgrounds, it must use the amount equal to the sales tax savings to maintain, improve, or expand society owned buildings and facilities on the fairgrounds; otherwise it must transfer this amount to the owner of the fairgrounds. Sec. 4. Minnesota Statutes 2018, section 297A.66, subdivision 1, is amended to read:

Subdivision 1. Definitions. (a) To the extent allowed by the United States Constitution and the laws of the United States, the terms "retailer maintaining a place of business in this state," and "marketplace provider maintaining a place of business in this state," or a similar term, mean terms mean a retailer or marketplace provider:

(1) having or maintaining within this state, directly or by a subsidiary or an affiliate, an office, place of distribution, sales, storage, or sample room or place, warehouse, or other place of business, including the employment of a resident of this state who works from a home office in this state; or
having a representative, including, but not limited to, an affiliate, agent, salesperson, canvasser, marketplace provider, solicitor, or other third party operating in this state under the authority of the retailer or marketplace provider, or its subsidiary, for any purpose, including the repairing, selling, delivering, installing, facilitating sales, processing sales, or soliciting of orders for the retailer's or a retailer's goods or services, or the leasing of tangible personal property located in this state, whether the place of business or agent, representative, affiliate, salesperson, canvasser, or solicitor is located in the state permanently or temporarily, or whether or not the retailer or marketplace provider, subsidiary, or affiliate is authorized to do business in this state. A retailer is represented by a marketplace provider in this state if the retailer makes sales in this state facilitated by a marketplace provider that maintains a place of business in this state.

(b) "Destination of a sale" means the location to which the retailer makes delivery of the property sold, or causes the property to be delivered, to the purchaser of the property, or to the agent or designee of the purchaser. The delivery may be made by any means, including the United States Postal Service or a for-hire carrier.

To the extent allowed by the United States Constitution and the laws of the United States, the terms "retailer not maintaining a place of business in this state," and "marketplace provider not maintaining a place of business in this state," or similar terms mean a retailer or marketplace provider making or facilitating retail sales from outside this state to a destination within this state and not maintaining a place of business in this state as provided in paragraph (a) that engages in the regular or systematic soliciting of sales from potential customers in this state by:

3. advertisements in newspapers published in this state;
4. advertisements in trade journals or other periodicals the circulation of which is primarily within this state;

(6) advertisements in regional or national publications in an edition that is not by its contents geographically targeted to Minnesota but is sold over the counter in Minnesota or by subscription to Minnesota residents;

(7) advertisements broadcast on a radio or television station located in Minnesota; or

(8) any other solicitation by telephone, computer database, cable, optic, microwave, or any other communication system, including but not limited to a website accessible from within Minnesota.

The location of independent vendors that provide products or services to a retailer or marketplace provider in connection with a retailer or marketplace provider's solicitation of customers within this state, including such products and services as creation of copy, printing, distribution, and recording is not considered in determining whether the retailer or marketplace provider is required to collect tax. Paragraph (b) must be construed without regard to the state from which distribution of the materials originated or in which they were prepared.

(c) "Regular or systematic soliciting of sales from potential customers in this state" means the retailer not maintaining a place of business in this state or marketplace provider not maintaining a place of business in this state is engaged in any of the solicitations listed in paragraph (b), and:

(1) makes or facilitates 200 or more retail sales from outside this state to destinations in this state during the prior 12-month period; or

(d) "Marketplace provider" means any person who facilitates a retail sale by a retailer by:

(1) listing or advertising for sale by the retailer in any forum, tangible personal property, services, or digital goods that are subject to tax under this chapter; and

(2) either directly or indirectly through agreements or arrangements with third parties collecting payment from the customer and transmitting that payment to the retailer regardless of whether the marketplace provider receives compensation or other consideration in exchange for its services.

"Destination of a sale" means the location to which the retailer makes delivery of the property sold, or causes the property to be delivered, to the purchaser of the property, or to the agent or designee of the purchaser. The delivery may be made by any means, including the United States Postal Service or a for-hire carrier.

**EFFECTIVE DATE.** This section is effective for sales and purchases made after September 30, 2019.

Sec. 5. Minnesota Statutes 2018, section 297A.66, subdivision 2, is amended to read:

Subd. 2. Retailer maintaining place of business in this state Collection and remittance requirements for retailers and marketplace providers. (a) Except as provided in paragraph (b) (d), a retailer maintaining a place of business in this state and a retailer not maintaining a place of business in this state who makes retail sales in Minnesota or to a destination in Minnesota shall collect sales and use taxes and remit them to the commissioner under section 297A.77 for all retail sales other than those facilitated by a marketplace provider maintaining a place of business in this state or a marketplace provider not maintaining a place of business in this state that is required to collect and remit sales and use taxes under paragraph (b).

(b) A retailer with total taxable retail sales to customers in this state of less than $10,000 in the 12-month period ending on the last day of the most recently completed calendar quarter is not required to collect and remit sales tax if it is determined to be a retailer maintaining a place of business in the state solely because it made sales through one or more marketplace providers. The provisions of this paragraph do not apply to a retailer that is or was registered to collect sales and use tax in this state. Except as provided in paragraph (d), a marketplace provider maintaining a place of business in this state and a marketplace provider not maintaining a place of business in this state who facilitates retail sales in Minnesota or to a destination in Minnesota shall collect sales and use taxes and remit them to the commissioner under section 297A.77 unless:

(1) the retailer provides a copy of the retailer's registration to collect sales and use taxes in this state to the marketplace provider; and

(2) the marketplace provider and retailer agree that the retailer will collect and remit the sales and use taxes on marketplace sales facilitated by the marketplace provider.

(c) Nothing in paragraph (b) shall be construed to interfere with the ability of a marketplace provider and retailer to enter into an agreement regarding fulfillment of the requirements of this chapter.
(d) A retailer not maintaining a place of business in this state and a marketplace provider not maintaining a place of business in this state shall:

(1) begin collecting and remitting sales and use taxes to the commissioner on the first day of a calendar month occurring no later than 60 days after the retailer or marketplace provider engages in regular or systematic soliciting of sales from potential customers in this state; and

(2) continue to collect and remit sales and use taxes to the commissioner until at least the last day of the 12th calendar month following the calendar month in which the retailer or marketplace provider began collecting and remitting sales and use taxes under clause (1).

(e) A retailer not maintaining a place of business in this state and a marketplace provider not maintaining a place of business in this state may cease collecting and remitting sales and use taxes to the commissioner after the period in paragraph (d), clause (2), if the retailer or marketplace provider no longer engages in regular or systematic soliciting of sales from potential customers in this state.

(f) A retailer or marketplace provider may cease collecting and remitting sales and use taxes under paragraph (c) only after notifying the commissioner that the retailer or marketplace provider is no longer engaged in the regular or systematic soliciting of sales from potential customers in this state. The commissioner shall prescribe the content, format, and manner of the notification pursuant to section 270C.30. If a retailer or marketplace provider subsequently engages in regular or systematic soliciting of sales from potential customers in this state, the retailer shall again comply with the requirements of paragraph (d).

EFFECTIVE DATE. This section is effective for sales and purchases made after September 30, 2019.

Sec. 6. Minnesota Statutes 2018, section 297A.66, subdivision 3, is amended to read:

Subd. 3. Retailer not maintaining place of business in this state. Marketplace provider liability. (a) To the extent allowed by the United States Constitution and in accordance with the terms and conditions of federal remote seller law, a retailer making retail sales from outside this state to a destination within this state and not maintaining a place of business in this state shall collect sales and use taxes and remit them to the commissioner under section 297A.77.
(b) To the extent allowed by the United States Constitution and the laws of the United
States, a retailer making retail sales from outside this state to a destination within this state
and not maintaining a place of business in this state shall collect sales and use taxes and
remit them to the commissioner under section 297A.77, if the retailer engages in the regular
or systematic soliciting of sales from potential customers in this state by:

(1) distribution, by mail or otherwise, of catalogs, periodicals, advertising flyers, or other
written solicitations of business to customers in this state;

(2) display of advertisements on billboards or other outdoor advertising in this state;

(3) advertisements in newspapers published in this state;

(4) advertisements in trade journals or other periodicals the circulation of which is
primarily within this state;

(5) advertisements in a Minnesota edition of a national or regional publication or a
limited regional edition in which this state is included as part of a broader regional or national

Sec. 9. Minnesota Statutes 2018, section 272.02, is amended by adding a subdivision to read:

Sec. 11. Minnesota Statutes 2018, section 272.115, subdivision 1, is amended to read:

Subdivision 1. Requirement. Except as otherwise provided in subdivision 5, 6, or 7, whenever any real estate is sold for a consideration in excess of $1,000, whether by warranty deed, quitclaim deed, contract for deed or any other method of sale, the grantor, grantee or the legal agent of either shall file a certificate of value with the county auditor in the county in which the property is located when the deed or other document is presented for recording. Contract for deeds are subject to recording under section 507.235, subdivision 1. Value shall, in the case of any deed not a gift, be the amount of the full actual consideration thereof, paid or to be paid, including the amount of any lien or liens assumed. The items and value of personal property transferred with the real property must be listed and deducted from the sale price. The certificate of value shall include the classification to which the property belongs for the purpose of determining the fair market value of the property, and shall include any proposed change in use of the property known to the person filing the certificate that could change the classification of the property. The certificate shall include financing terms and conditions of the sale which are necessary to determine the actual, present value of the sale price for purposes of the sales ratio study. If the property is being acquired as part of a like-kind exchange under section 1031 of the Internal Revenue Code of 1986, as amended through December 31, 2006, that must be indicated on the certificate. The commissioner of revenue shall promulgate administrative rules specifying the financing terms and conditions which must be included on the certificate. The certificate of value must include the Social Security number or the federal employer identification number of the grantors and grantees. However, a married person who is not an owner of record and who is signing a conveyance instrument along with the person's spouse solely to release and convey their marital interest, if any, in the real property being conveyed is not a grantor for the purpose of the preceding sentence. A statement in the deed that is substantially in the following form is sufficient to allow the county auditor to accept a certificate for filing without the Social Security number of the named spouse: "(Name) claims no ownership interest in the real property being conveyed and is executing this instrument solely to release and convey a marital interest, if any, in that real property." The identification numbers of the grantors and grantees are private data on individuals or nonpublic data as defined in section 13.02, subdivisions 9 and 12, but, notwithstanding that section, the private or
nonpublic data may be disclosed to the commissioner of revenue for purposes of tax
administration. The information required to be shown on the certificate of value is limited
to the information required as of the date of the acknowledgment on the deed or other
document to be recorded.

**EFFECTIVE DATE.** This section is effective for certificates of value filed after

(1) the parcel on which the house is located is contiguous on at least two sides to (i) agricultural land, (ii) land owned or administered by the United States Fish and Wildlife Service, or (iii) land administered by the Department of Natural Resources on which in lieu taxes are paid under sections 477A.11 to 477A.14;

Homesteads initially classified as class 2a under the provisions of this paragraph shall remain classified as class 2a, irrespective of subsequent changes in the use of adjoining properties, as long as the homestead remains under the same ownership, the owner owns a noncontiguous parcel of agricultural land that is at least 20 acres, and the agricultural use value qualifies under clause (4). Homestead classification under this paragraph is limited to property that qualified under this paragraph for the 1998 assessment.

4. The dwelling occupied by the owner is located in Minnesota and is within 30 miles of one of the parcels of agricultural land that is owned by the taxpayer; and
5. The owner notifies the county assessor that the relocation was due to the 1997 floods, and the owner furnishes the assessor any information deemed necessary by the assessor in verifying the change in dwelling. Further notifications to the assessor are not required if the

For taxes payable in 1999, the owner must notify the assessor by December 1, 1998. Further notifications to the assessor are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.

(g) Agricultural property of a family farm corporation, joint family farm venture, family farm limited liability company, or partnership operating a family farm as described under subdivision 8 shall be classified homestead, to the same extent as other agricultural homestead property, if all of the following criteria are met:

(5) that shareholder, member, or partner does not live farther than four townships or cities, or a combination of four townships or cities, from the agricultural property.

Homestead treatment applies under this paragraph for property leased to a family farm corporation, joint farm venture, limited liability company, or partnership operating a family farm if legal title to the property is in the name of an individual who is a member, shareholder, or partner in the entity.

(h) To be eligible for the special agricultural homestead under this subdivision, an initial full application must be submitted to the county assessor where the property is located. Owners and the persons who are actively farming the property shall be required to complete only a one-page abbreviated version of the application in each subsequent year provided that none of the following items have changed since the initial application:

The owners and any persons who are actively farming the property must include the appropriate Social Security numbers, and sign and date the application. If any of the specified information has changed since the full application was filed, the owner must notify the assessor, and must complete a new application to determine if the property continues to qualify for the special agricultural homestead. The commissioner of revenue shall prepare a standard reaplication form for use by the assessors.

(i) Agricultural land and buildings that were class 2a homestead property under section 273.13, subdivision 23, paragraph (a), for the 2007 assessment shall remain classified agricultural homesteads for subsequent assessments if:

Further notifications to the assessor are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.

(2) the property is located in the county of Marshall;
(3) the agricultural land and buildings remain under the same ownership for the current assessment year as existed for the 2008 assessment year and continue to be used for agricultural purposes;
(4) the dwelling occupied by the owner is located in Minnesota and is within 50 miles of one of the parcels of agricultural land that is owned by the taxpayer; and
(5) the owner notifies the county assessor that the relocation was due to the 2009 floods, and the owner furnishes the assessor any information deemed necessary by the assessor in verifying the change in dwelling. Further notifications to the assessor are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.

**Effective Date.** This section is effective beginning for property taxes payable in 2020.

Sec. 19. Minnesota Statutes 2018, section 273.124, subdivision 21, is amended to read:

Subd. 21. **Trust property; homestead.** Real or personal property, including agricultural property, held by a trustee under a trust is eligible for classification as homestead property if the property satisfies the requirements of paragraph (a), (b), (c), or (d), or (e).
143.1 (a) The grantor or surviving spouse of the grantor of the trust occupies and uses the
property as a homestead.

143.2 (b) A relative or surviving relative of the grantor who meets the requirements of
subdivision 1, paragraph (c), in the case of residential real estate; or subdivision 1, paragraph
(d), in the case of agricultural property, occupies and uses the property as a homestead.

143.3 (c) A family farm corporation, joint farm venture, limited liability company, or partnership
operating a family farm in which the grantor or the grantor's surviving spouse is a
shareholder, member, or partner rents the property; and, either (1) a shareholder, member,
or partner of the corporation, joint farm venture, limited liability company, or partnership
occupies and uses the property as a homestead; or (2) the property is at least 40 acres,
including undivided government lots and correctional 40's, and a shareholder, member, or
partner of the tenant-entity is actively farming the property on behalf of the corporation,
joint farm venture, limited liability company, or partnership.

143.4 (d) A person who has received homestead classification for property taxes payable in
2000 on the basis of an unqualified legal right under the terms of the trust agreement to
occupy the property as that person's homestead and who continues to use the property as a
homestead; or, a person who received the homestead classification for taxes payable in 2005
under paragraph (c) who does not qualify under paragraph (c) for taxes payable in 2006 or
thereafter but who continues to qualify under paragraph (c) as it existed for taxes payable
in 2005.

143.5 (e) The qualifications under subdivision 14, paragraph (b), clause (i), are met. For
purposes of this paragraph, "owner" means the grantor of the trust or the surviving spouse
of the grantor.

143.6 (f) For purposes of this subdivision, the following terms have the meanings given them:

143.7 (1) "agricultural property" means the house, garage, other farm buildings and structures,
and agricultural land;

143.8 (2) "agricultural land" has the meaning given in section 273.13, subdivision 23, except
that the phrases "owned by same person" or "under the same ownership" as used in that
subdivision mean and include contiguous tax parcels owned by:

143.9 (i) an individual and a trust of which the individual, the individual's spouse, or the
individual's deceased spouse is the grantor; or

143.10 (ii) different trusts of which the grantors of each trust are any combination of an
individual, the individual's spouse, or the individual's deceased spouse; and
For purposes of this subdivision, (3) "grantor" means the person creating or establishing a testamentary, inter Vivos, revocable or irrevocable trust by written instrument or through the exercise of a power of appointment.

(g) Noncontiguous agricultural land is included as part of a homestead under this subdivision, only if the homestead is classified as class 2a, as defined in section 273.13, subdivision 23, and the detached land is located in the same township or city, or not farther than four townships or cities or combination thereof from the homestead. Any taxpayer of these noncontiguous lands must notify the county assessor that the noncontiguous land is part of the taxpayer's homestead, and, if the homestead is located in another county, the taxpayer must also notify the assessor of the other county.

**EFFECTIVE DATE.** This section is effective beginning for property taxes payable in 2020.

Sec. 20. Minnesota Statutes 2018, section 273.124, is amended by adding a subdivision to read:

Subd. 23. **Fractional homesteads.** In the case of property that is classified as part homestead and part nonhomestead solely because not all the owners occupy or farm the property, not all the owners have qualifying relatives occupying or farming the property, or not all the spouses of owners occupy the property, the portions of property classified as part homestead and part nonhomestead must correspond to the ownership percentages that each owner has in the property, as determined by the land records in the county recorder's office or registrar of titles. If the ownership percentages of each owner cannot be determined by reference to the land records, the portions of property classified as part homestead and part nonhomestead must correspond to the ownership percentages each owner would have if they each owned an equal share of the property.

**EFFECTIVE DATE.** This section is effective for assessments beginning in 2019.

Sec. 21. Minnesota Statutes 2018, section 273.1245, subdivision 2, is amended to read:

Subd. 2. **Disclosure.** The assessor shall disclose the data described in subdivision 1 to the commissioner of revenue as provided by law. The assessor shall also disclose all or portions of the data described in subdivision 1 to:

(1) the county treasurer solely for the purpose of proceeding under the Revenue Recapture Act to recover personal property taxes owing; and

EFFECTIVE DATE. This section is effective for assessments beginning in 2019.
(2) the county veterans service officer for the purpose of determining a person's eligibility for the disabled veteran's homestead market value exclusion under section 273.13, subdivision 34.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 22. [273.129] ELDERLY LIVING FACILITY DEFERRAL.

Subdivision 1. **Requirements.** An elderly living facility is eligible for tax deferment under this section if it meets all of the following requirements:

1. the facility is located in a city of the first class with a population of fewer than 110,000;
2. the facility is owned and operated by a nonprofit organization organized under section 501(c)(3) of the Internal Revenue Code;
3. construction of the facility was completed between January 1, 1963, and January 1, 1964;
4. the facility has a housing with services license under chapter 144D and a comprehensive home care license under chapter 144A;
5. residents of the facility must be (i) at least 62 years of age, or (ii) disabled; and
6. at least 30 percent of the units in the facility are occupied by persons whose annual income does not exceed 50 percent of the median family income for the area.

Subd. 2. **Deferral of taxes.** Property meeting the requirements of subdivision 1 must, upon timely application by the owner in the manner provided in subdivision 3, be treated as exempt property as defined in section 272.02. However, the assessor must make a separate determination of market value of such property and the tax based upon the appropriate tax rate applicable to such property in the taxing district must be recorded on the property assessment records.

Subd. 3. **Application.** Application for the deferment of taxes under this section must be filed by December 1 of the year prior to the year in which the taxes are payable. Any application filed under this subdivision and granted shall continue in effect for subsequent years until the property no longer qualifies. The application must be filed with the assessor in the taxing district in which the property is located on the form prescribed by the commissioner of revenue. Property meeting the application requirements under this subdivision is not subject to the application requirements under section 272.025.
Subd. 4. Payment of taxes. Property receiving the tax deferment under this section continues to qualify until it is sold, transferred, or no longer qualifies under subdivision 1. The portion of the property that is sold, transferred, or no longer qualifying under subdivision 1 is subject to taxes in the amount equal to the tax that would have been due on the property had it not been treated as exempt property under subdivision 2. These taxes must be extended against the property for taxes payable in the current year, plus the four prior years, to the extent that the property has qualified for a tax deferment under this section. No interest or penalties shall be levied on the taxes due under this subdivision if timely paid.

Subd. 5. Lien. The taxes imposed by this section are a lien upon the property assessed to the same extent and for the same duration as other taxes imposed on the property in this state. The tax shall be annually extended by the county auditor and if and when payable shall be collected and distributed in the manner provided by law for the collection and distribution of other property taxes.

EFFECTIVE DATE. This section is effective beginning with property taxes payable in 2020.

Sec. 23. Minnesota Statutes 2018, section 273.13, subdivision 23, is amended to read:

Subd. 23. Class 2. (a) An agricultural homestead consists of class 2a agricultural land that is homesteaded, along with any class 2b rural vacant land that is contiguous to the class 2a land under the same ownership. The market value of the house and garage and immediately surrounding one acre of land has the same classification rates as class 1a or 1b property under subdivision 22. The value of the remaining land including improvements up to the first tier valuation limit of agricultural homestead property has a classification rate of 0.5 percent of market value. The remaining property over the first tier has a classification rate of one percent of market value. For purposes of this subdivision, the "first tier valuation limit of agricultural homestead property" and "first tier" means the limit certified under section 273.11, subdivision 23.

(b) Class 2a agricultural land consists of parcels of property, or portions thereof, that are agricultural land and buildings. Class 2a property has a classification rate of one percent of market value, unless it is part of an agricultural homestead under paragraph (a). Class 2a property must also include any property that would otherwise be classified as 2b, but is interspersed with class 2a property, including but not limited to sloughs, wooded wind shelters, acreage abutting ditches, ravines, rock piles, land subject to a setback requirement, and other similar land that is impractical for the assessor to value separately from the rest of the property or that is unlikely to be able to be sold separately from the rest of the property.
An assessor may classify the part of a parcel described in this subdivision that is used for agricultural purposes as class 2a and the remainder in the class appropriate to its use.

(c) Class 2b rural vacant land consists of parcels of property, or portions thereof, that are unplatted real estate, rural in character and not used for agricultural purposes, including land used for growing trees for timber, lumber, and wood and wood products, that is not improved with a structure. The presence of a minor, ancillary nonresidential structure as defined by the commissioner of revenue does not disqualify the property from classification under this paragraph. Any parcel of 20 acres or more improved with a structure that is not a minor, ancillary nonresidential structure must be split-classified, and ten acres must be assigned to the split parcel containing the structure. Class 2b property has a classification rate of one percent of market value unless it is part of an agricultural homestead under paragraph (a), or qualifies as class 2c under paragraph (d).

(d) Class 2c managed forest land consists of no less than 20 and no more than 1,920 acres statewide per taxpayer that is being managed under a forest management plan that meets the requirements of chapter 290C, but is not enrolled in the sustainable forest resource management incentive program. It has a classification rate of .65 percent, provided that the owner of the property must apply to the assessor in order for the property to initially qualify for the reduced rate and provide the information required by the assessor to verify that the property qualifies for the reduced rate. If the assessor receives the application and information before May 1 in an assessment year, the property qualifies beginning with that assessment year. If the assessor receives the application and information after April 30 in an assessment year, the property may not qualify until the next assessment year. The commissioner of natural resources must concur that the land is qualified. The commissioner of natural resources shall annually provide county assessors verification information on a timely basis. The presence of a minor, ancillary nonresidential structure as defined by the commissioner of revenue does not disqualify the property from classification under this paragraph.

(e) Agricultural land as used in this section means:

(1) contiguous acreage of ten acres or more, used during the preceding year for agricultural purposes; or

(2) contiguous acreage used during the preceding year for an intensive livestock or poultry confinement operation, provided that land used only for pasturing or grazing does not qualify under this clause.

"Agricultural purposes" as used in this section means the raising, cultivation, drying, or storage of agricultural products for sale, or the storage of machinery or equipment used in
support of agricultural production by the same farm entity. For a property to be classified as agricultural based only on the drying or storage of agricultural products, the products being dried or stored must have been produced by the same farm entity as the entity operating the drying or storage facility. "Agricultural purposes" also includes (i) enrollment in a local conservation program or the Reinvest in Minnesota program under sections 103F.501 to 103F.535 or the federal Conservation Reserve Program as contained in Public Law 99-198 or a similar state or federal conservation program if the property was classified as agricultural under this subdivision for taxes payable in 2003 because of its enrollment in a qualifying program and the land remains enrolled or (ii) use of land, not to exceed three acres, to provide environmental benefits such as buffer strips, old growth forest restoration or retention, or retention ponds to prevent soil erosion. For purposes of this section, a "local conservation program" means a program administered by a town, statutory or home rule charter city, or county, including a watershed district, water management organization, or soil and water conservation district, in which landowners voluntarily enroll land and receive incentive payments equal to at least $50 per acre in exchange for use or other restrictions placed on the land. In order for property to qualify under the local conservation program provision, a taxpayer must apply to the assessor by February 1 of the assessment year and must submit the information required by the assessor, including but not limited to a copy of the program requirements, the specific agreement between the land owner and the local agency, if applicable, and a map of the conservation area. Agricultural classification shall not be based upon the market value of any residential structures on the parcel or contiguous parcels under the same ownership.

"Contiguous acreage," for purposes of this paragraph, means all of, or a contiguous portion of, a tax parcel as described in section 272.193, or all of, or a contiguous portion of, a set of contiguous tax parcels under that section that are owned by the same person.

(f) Agricultural land under this section also includes:

(1) contiguous acreage that is less than ten acres in size and exclusively used in the preceding year for raising or cultivating agricultural products; or

(2) contiguous acreage that contains a residence and is less than 11 acres in size, if the contiguous acreage exclusive of the house, garage, and surrounding one acre of land was used in the preceding year for one or more of the following three uses:

(1) for an intensive grain drying or storage operation, or for intensive machinery or equipment storage activities used to support agricultural activities on other parcels of property operated by the same farming entity;
(ii) as a nursery, provided that only those acres used intensively to produce nursery stock are considered agricultural land; or

(iii) for intensive market farming; for purposes of this paragraph, "market farming" means the cultivation of one or more fruits or vegetables or production of animal or other agricultural products for sale to local markets by the farmer or an organization with which the farmer is affiliated.

"Contiguous acreage," for purposes of this paragraph, means all of a tax parcel as described in section 272.193, or all of a set of contiguous tax parcels under that section that are owned by the same person.

(g) Land shall be classified as agricultural even if all or a portion of the agricultural use of that property is the leasing to, or use by another person for agricultural purposes.

Classification under this subdivision is not determinative for qualifying under section 273.111.

(h) The property classification under this section supersedes, for property tax purposes only, any locally administered agricultural policies or land use restrictions that define minimum or maximum farm acreage.

(i) The term "agricultural products" as used in this subdivision includes production for sale of:

(1) livestock, dairy animals, dairy products, poultry and poultry products, fur-bearing animals, horticultural and nursery stock, fruit of all kinds, vegetables, forage, grains, bees, and apiary products by the owner;

(2) aquacultural products for sale and consumption, as defined under section 17.47, if the aquaculture occurs on land zoned for agricultural use;

(3) the commercial boarding of horses, which may include related horse training and riding instruction, if the boarding is done on property that is also used for raising pasture to graze horses or raising or cultivating other agricultural products as defined in clause (1);

(4) property which is owned and operated by nonprofit organizations used for equestrian activities, excluding racing;

(5) game birds and waterfowl bred and raised (i) on a game farm licensed under section 97A.105, provided that the annual licensing report to the Department of Natural Resources, which must be submitted annually by March 30 to the assessor, indicates that at least 500 birds were raised or used for breeding stock on the property during the preceding year and
that the owner provides a copy of the owner's most recent schedule F; or (ii) for use on a
shooting preserve licensed under section 97A.115;

(6) insects primarily bred to be used as food for animals;

(7) trees, grown for sale as a crop, including short rotation woody crops, and not sold
for timber, lumber, wood, or wood products; and

(8) maple syrup taken from trees grown by a person licensed by the Minnesota
Department of Agriculture under chapter 28A as a food processor.

(j) If a parcel used for agricultural purposes is also used for commercial or industrial
purposes, including but not limited to:

(1) wholesale and retail sales;

(2) processing of raw agricultural products or other goods;

(3) warehousing or storage of processed goods; and

(4) office facilities for the support of the activities enumerated in clauses (1), (2), and
(3),

the assessor shall classify the part of the parcel used for agricultural purposes as class 1b,
2a, or 2b, whichever is appropriate, and the remainder in the class appropriate to its use.

The grading, sorting, and packaging of raw agricultural products for first sale is considered
an agricultural purpose. A greenhouse or other building where horticultural or nursery
products are grown that is also used for the conduct of retail sales must be classified as
agricultural if it is primarily used for the growing of horticultural or nursery products from
seed, cuttings, or roots and occasionally as a showroom for the retail sale of those products.

Use of a greenhouse or building only for the display of already grown horticultural or nursery
products does not qualify as an agricultural purpose.

(k) The assessor shall determine and list separately on the records the market value of
the homestead dwelling and the one acre of land on which that dwelling is located. If any
farm buildings or structures are located on this homesteaded acre of land, their market value
shall not be included in this separate determination.

(l) Class 2d airport landing area consists of a landing area or public access area of a
privately owned public use airport. It has a classification rate of one percent of market value.

To qualify for classification under this paragraph, a privately owned public use airport must
be licensed as a public airport under section 360.018. For purposes of this paragraph, "landing
area" means that part of a privately owned public use airport properly cleared, regularly
maintained, and made available to the public for use by aircraft and includes runways,
taxiways, aprons, and sites upon which are situated landing or navigational aids. A landing
area also includes land underlying both the primary surface and the approach surfaces that
comply with all of the following:

(i) the land is properly cleared and regularly maintained for the primary purposes of the
landing, taking off, and taxing of aircraft; but that portion of the land that contains facilities
for servicing, repair, or maintenance of aircraft is not included as a landing area;

(ii) the land is part of the airport property; and

(iii) the land is not used for commercial or residential purposes.

The land contained in a landing area under this paragraph must be described and certified
by the commissioner of transportation. The certification is effective until it is modified, or
until the airport or landing area no longer meets the requirements of this paragraph. For
purposes of this paragraph, "public access area" means property used as an aircraft parking
ramp, apron, or storage hangar, or an arrival and departure building in connection with the
airport.

(m) Class 2e consists of land with a commercial aggregate deposit that is not actively
being mined and is not otherwise classified as class 2a or 2b, provided that the land is not
located in a county that has elected to opt-out of the aggregate preservation program as
provided in section 273.1115, subdivision 6. It has a classification rate of one percent of
market value. To qualify for classification under this paragraph, the property must be at
least ten contiguous acres in size and the owner of the property must record with the county
recorder of the county in which the property is located an affidavit containing:

(1) a legal description of the property;

(2) a disclosure that the property contains a commercial aggregate deposit that is not
actively being mined but is present on the entire parcel enrolled;

(3) documentation that the conditional use under the county or local zoning ordinance
of this property is for mining; and

(4) documentation that a permit has been issued by the local unit of government or the
mining activity is allowed under local ordinance. The disclosure must include a statement
from a registered professional geologist, engineer, or soil scientist delineating the deposit
and certifying that it is a commercial aggregate deposit.

For purposes of this section and section 273.1115, "commercial aggregate deposit"
means a deposit that will yield crushed stone or sand and gravel that is suitable for use as
a construction aggregate; and "actively mined" means the removal of top soil and overburden in preparation for excavation or excavation of a commercial deposit.

(n) When any portion of the property under this subdivision or subdivision 22 begins to be actively mined, the owner must file a supplemental affidavit within 60 days from the day any aggregate is removed stating the number of acres of the property that is actively being mined. The acres actively being mined must be (1) valued and classified under subdivision 24 in the next subsequent assessment year, and (2) removed from the aggregate resource preservation property tax program under section 273.1115, if the land was enrolled in that program. Copies of the original affidavit and all supplemental affidavits must be filed with the county assessor, the local zoning administrator, and the Department of Natural Resources, Division of Land and Minerals. A supplemental affidavit must be filed each time a subsequent portion of the property is actively mined, provided that the minimum acreage change is five acres, even if the actual mining activity constitutes less than five acres.

(o) The definitions prescribed by the commissioner under paragraphs (c) and (d) are not rules and are exempt from the rulemaking provisions of chapter 14, and the provisions in section 14.386 concerning exempt rules do not apply.

EFFECTIVE DATE. This section is effective for assessment year 2019 and thereafter.

Sec. 24. Minnesota Statutes 2018, section 273.13, subdivision 34, is amended to read:

Subd. 34. Homestead of disabled veteran or family caregiver. (a) All or a portion of the market value of property owned by a veteran and serving as the veteran's homestead under this section is excluded in determining the property's taxable market value if the veteran has a service-connected disability of 70 percent or more as certified by the United States Department of Veterans Affairs. To qualify for exclusion under this subdivision, the veteran must have been honorably discharged from the United States armed forces, as indicated by United States Government Form DD214 or other official military discharge papers.

(b)(1) For a disability rating of 70 percent or more, $150,000 of market value is excluded, except as provided in clause (2); and

(2) for a total (100 percent) and permanent disability, $300,000 of market value is excluded.

(c) If a disabled veteran qualifying for a valuation exclusion under paragraph (b), clause (2), predeceases the veteran's spouse, and if upon the death of the veteran the spouse holds
the legal or beneficial title to the homestead and permanently resides there, the exclusion
shall carry over to the benefit of the veteran's spouse for the current taxes payable year and
for eight additional taxes payable years or until such time as the spouse remarries, sells,
transfers, or otherwise disposes of the property, whichever comes first except as otherwise
provided in paragraph (n). Qualification under this paragraph requires an application under
paragraph (h), and a spouse must notify the assessor if there is a change in the spouse's
marital status, ownership of the property, or use of the property as a permanent residence.

(d) If the spouse of a member of any branch or unit of the United States armed forces
who dies due to a service-connected cause while serving honorably in active service, as
indicated on United States Government Form DD1300 or DD2064, holds the legal or
beneficial title to a homestead and permanently resides there, the spouse is entitled to the
benefit described in paragraph (b), clause (2), for eight taxes payable years, or until such
time as the spouse remarries or sells, transfers, or otherwise disposes of the property,
whichever comes first except as otherwise provided in paragraph (n).

e) If a veteran meets the disability criteria of paragraph (a) but does not own property
classified as homestead in the state of Minnesota, then the homestead of the veteran's primary
family caregiver, if any, is eligible for the exclusion that the veteran would otherwise qualify
for under paragraph (b).

(f) In the case of an agricultural homestead, only the portion of the property consisting
of the house and garage and immediately surrounding one acre of land qualifies for the
valuation exclusion under this subdivision.

(g) A property qualifying for a valuation exclusion under this subdivision is not eligible
for the market value exclusion under subdivision 35, or classification under subdivision 22,
paragraph (b).

(h) To qualify for a valuation exclusion under this subdivision a property owner must
apply to the assessor by July 1 or December 15 of the first assessment year for which the
exclusion is sought. For an application received after July 1 or December 15, the exclusion
shall become effective for the following assessment year. Except as provided in paragraph
(c), the owner of a property that has been accepted for a valuation exclusion must notify
the assessor if there is a change in ownership of the property or in the use of the property
as a homestead. When a property qualifying for a market value exclusion under this
subdivision is sold or transferred, the exclusion must be removed for the current assessment
year, provided that the new owner may file a claim for an exclusion if eligible.
(i) A first-time application by a qualifying spouse for the market value exclusion under paragraph (d) must be made any time within two years of the death of the service member.

(j) For purposes of this subdivision:

1. "active service" has the meaning given in section 190.05;

2. "own" means that the person's name is present as an owner on the property deed;

3. "primary family caregiver" means a person who is approved by the secretary of the United States Department of Veterans Affairs for assistance as the primary provider of personal care services for an eligible veteran under the Program of Comprehensive Assistance for Family Caregivers, codified as United States Code, title 38, section 1720G; and

4. "veteran" has the meaning given the term in section 197.447.

(k) If a veteran dying after December 31, 2011, did not apply for or receive the exclusion under paragraph (b), clause (2), before dying, the veteran's spouse is entitled to the benefit for eight taxes payable years or until the spouse remarries or sells, transfers, or otherwise disposes of the property, except as otherwise provided in paragraph (n), if:

1. the spouse files a first-time application within two years of the death of the service member or by June 1, 2019, whichever is later;

2. upon the death of the veteran, the spouse holds the legal or beneficial title to the homestead and permanently resides there;

3. the veteran met the honorable discharge requirements of paragraph (a); and

4. the United States Department of Veterans Affairs certifies that:

   i. the veteran met the total (100 percent) and permanent disability requirement under paragraph (b), clause (2); or

   ii. the spouse has been awarded dependency and indemnity compensation.

(l) The purpose of this provision of law providing a level of homestead property tax relief for gravely disabled veterans, their primary family caregivers, and their surviving spouses is to help ease the burdens of war for those among our state's citizens who bear those burdens most heavily.

(m) By July 1 for current enrollees and by December 15 for new applications, the county veterans service officer must certify the disability rating and permanent address of each veteran receiving the benefit under paragraph (b) to the assessor.
A spouse who received the benefit in paragraph (c), (d), or (k) but no longer holds the legal or beneficial title to the property may continue to receive the exclusion for a property other than the property for which the exclusion was initially granted until the spouse remarries or sells, transfers, or otherwise disposes of the property, provided that:

1. The spouse applies under paragraph (h) for the continuation of the exclusion allowed under this paragraph;
2. The spouse holds the legal or beneficial title to the property for which the continuation of the exclusion is sought under this paragraph, and permanently resides there;
3. The estimated market value of the property for which the exclusion is sought under this paragraph is less than or equal to the estimated market value of the property that first received the exclusion, based on the value of each property on the date of the sale of the property that first received the exclusion; and
4. The spouse has not previously received the benefit under this paragraph for a property other than the property for which the exclusion is sought.

EFFECTIVE DATE. This section is effective beginning with assessments in 2019, for taxes payable in 2020.

Sec. 25. Minnesota Statutes 2018, section 273.13, subdivision 35, is amended to read:

Subd. 35. Homestead market value exclusion. (a) Prior to determining a property's net tax capacity under this section, property classified as class 1a or 1b under subdivision 22, and the portion of property classified as class 2a under subdivision 23 consisting of the house, garage, and surrounding one acre of land, shall be eligible for a market value exclusion as determined under paragraph (b).

(b) For a homestead valued at $76,000 or less, the exclusion is 40 percent of market value. For a homestead valued between $76,000 and $413,800, the exclusion is $30,400 minus nine percent of the valuation over $76,000. For a homestead valued at $413,800 or more, there is no valuation exclusion. The valuation exclusion shall be rounded to the nearest whole dollar, and may not be less than zero.

(c) Any valuation exclusions or adjustments under section 273.11 shall be applied prior to determining the amount of the valuation exclusion under this subdivision.

(d) In the case of a property that is classified as part homestead and part nonhomestead, (i) the exclusion shall apply only to the homestead portion of the property, but (ii) if a portion of a property is classified as nonhomestead solely because not all the owners occupy the
property, not all the owners have qualifying relatives occupying the property, or solely because not all the spouses of owners occupy the property, the exclusion amount shall be initially computed as if that nonhomestead portion were also in the homestead class and then prorated to the owner-occupant's percentage of ownership, as determined by the land records in the county recorder's office or registrar of titles. If ownership percentages of each owner cannot be determined by reference to the land records, the ownership percentages must be determined as if each owner owned an equal share of the property. For the purpose of this section, when an owner-occupant's spouse does not occupy the property, the percentage of ownership for the owner-occupant spouse is one-half of the couple's ownership percentage.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2020 and thereafter.

Sec. 26. Minnesota Statutes 2018, section 273.136, subdivision 2, is amended to read:

Subd. 2. **Reduction amounts submitted to county.** The commissioner of revenue shall determine, not later than April 1 of each year, the amount of reduction resulting from section 273.135 in each county containing a tax relief area as defined by section 273.134, paragraph (b), basing determinations on a review of abstracts of tax lists submitted by the county auditors pursuant to section 275.29 information reported to the commissioner under section 270C.85, subdivision 2, clause (4). The commissioner may make changes in the abstracts of tax lists as deemed necessary. The commissioner of revenue, after such review, shall submit to the St. Louis County auditor, on or before April 15, the amount of the first half payment payable hereunder and on or before September 15 the amount of the second half payment.

Sec. 27. Minnesota Statutes 2018, section 273.1384, subdivision 2, is amended to read:

Subd. 2. **Agricultural homestead market value credit.** Property classified as agricultural homestead under section 273.13, subdivision 23, paragraph (a), is eligible for an agricultural credit. The credit is computed using the property's agricultural credit market value, defined for this purpose as the property's market value excluding the market value of the house, garage, and immediately surrounding one acre of land. The credit is equal to 0.3 percent of the first $115,000 of the property's agricultural credit market value plus 0.1 percent of the property's agricultural credit market value in excess of $115,000, subject to a maximum credit of $490. In the case of property that is classified as part homestead and part nonhomestead solely because not all the owners occupy or farm the property, not all the...
owners have qualifying relatives occupying or farming the property, or solely because not all the spouses of owners occupy the property, the credit is computed on the amount of agricultural credit market value corresponding to the owner-occupant's percentage of homestead. the percentage of homestead is equal to 100 divided by the number of owners of the property, or, in the case of a trust, the number of grantors of the trust that owns the property ownership, as determined by the land records in the county recorder's office or registrar of titles. If ownership percentages of each owner cannot be determined by reference to the land records, the ownership percentages must be determined as if each owner owned an equal share of the property.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2020 and thereafter.

Sec. 28. Minnesota Statutes 2018, section 273.1384, subdivision 3, is amended to read:

Subd. 3. **Credit reimbursements.** The county auditor shall determine the tax reductions allowed under subdivision 2 within the county for each taxes payable year and shall certify that amount to the commissioner of revenue as a part of the abstracts of tax lists submitted by the county auditors under section 275.29, under section 270C.85, subdivision 2, clause (4). Any prior year adjustments shall also be certified on the abstracts of tax lists. The commissioner shall review the certifications for accuracy, and may make such changes as are deemed necessary, or return the certification to the county auditor for correction. The credit under this section must be used to proportionately reduce the net tax capacity-based property tax payable to each local taxing jurisdiction as provided in section 273.1393.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 29. Minnesota Statutes 2018, section 273.1387, subdivision 3, is amended to read:

Any prior year adjustments shall also be certified on the abstracts of tax lists. The commissioner shall review the certifications for accuracy, and may make such changes as are deemed necessary, or return the certification to the county auditor for correction. The credit under this section must be used to reduce the school district net tax capacity-based property tax as provided in section 273.1393.

**EFFECTIVE DATE.** This section is effective the day following final enactment.
Sec. 30. Minnesota Statutes 2018, section 273.18, is amended to read:

(b) For purposes of the apportionment of fire state aid under section 69.021, subdivision 7, the county auditor shall include on the abstract of assessment of exempt real property filed under this section in the exempt property information that the commissioner may require under section 270C.85, subdivision 2, clause (4), the total number of acres of all natural resources lands for which in lieu payments are made under sections 477A.11 to 477A.14. The assessor shall estimate its market value, provided that if the assessor is not able to estimate the market value of the land on a per parcel basis, the assessor shall furnish the commissioner of revenue with an estimate of the average value per acre of this land within the county.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 31. Minnesota Statutes 2018, section 273.371, subdivision 1, is amended to read:

Subdivision 1. Report required. Every electric light, power, gas, water, express, stage, transportation, and pipeline company doing business in Minnesota shall annually file with the commissioner on or before March 31 a report under oath setting forth the information prescribed by the commissioner to enable the commissioner to make valuations, recommended valuations, and equalization required under sections 273.33, 273.35, 273.36, 273.37, and 273.3711. The commissioner shall prescribe the content, format, and manner of the report pursuant to section 270C.30, except that for cooperative associations defined in section 273.40, the information provided in the report must be aggregated to the unique taxing jurisdiction level and exclude information related to property subject to the in-lieu tax under section 273.41, and that a "law administered by the commissioner" includes the property tax laws. If all the required information is not available on March 31, the company shall file the information that is available on or before March 31, and the balance of the information as soon as it becomes available. If a report is made by electronic means, the taxpayer's signature is defined pursuant to section 270C.304, except that a "law administered by the commissioner" includes the property tax laws. For purposes of this subdivision,
"unique taxing jurisdiction" means the geographic area subject to the same set of local tax
rates.

**EFFECTIVE DATE.** This section is effective beginning with assessments in 2020.

Sec. 32. Minnesota Statutes 2018, section 274.14, is amended to read:

**274.14 LENGTH OF SESSION; RECORD.**

The board must meet after the second Friday in June on at least one meeting day and
may meet for up to ten consecutive meeting days. The actual meeting dates must be contained
on the valuation notices mailed to each property owner in the county as provided in section
273.121. For this purpose, "meeting days" is defined as any day of the week excluding
Sunday. At the board's discretion, "meeting days" may include Saturday. No action taken
by the county board of review after June 30 is valid, except for corrections permitted in
sections 273.01 and 274.01. The county auditor shall keep an accurate record of the
proceedings and orders of the board. The record must be published like other proceedings
of county commissioners. A copy of the published record must be sent to the commissioner
of revenue, with the abstract of assessment required by section 274.16 within five days
following final action of the county board of equalization.

For counties that conduct either regular board of review meetings or open book meetings,
at least one of the meeting days must include a meeting that does not end before 7:00 p.m.
For counties that require taxpayer appointments for the board of review, appointments must
include some available times that extend until at least 7:00 p.m. The county may have a
Saturday meeting in lieu of, or in addition to, the extended meeting times under this
paragraph.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 33. Minnesota Statutes 2018, section 274.16, is amended to read:

**274.16 CORRECTED LISTS, ABSTRACTS.**

The county assessor or, in Ramsey County, the official designated by the board of county
commissioners shall calculate the changes of the assessment lists determined by the county
board of equalization, and make corrections accordingly, in the real or personal lists, or
both, and shall make duplicate abstracts duplicates of them. One must be filed in the assessor's
office, and one must be forwarded to the commissioner of revenue as provided in section
270C.89.

**EFFECTIVE DATE.** This section is effective the day following final enactment.
Sec. 34. Minnesota Statutes 2018, section 275.025, subdivision 1, is amended to read:

Subdivision 1. **Levy amount.** The state general levy is levied against commercial-industrial property and seasonal residential recreational property, as defined in this section. The state general levy for commercial-industrial property is $784,590,000 for taxes payable in 2018 and thereafter, 42.416 percent times the total commercial-industrial tax capacity as assessed in the previous year. The state general levy for seasonal-recreational property is $44,190,000 for taxes payable in 2018 and thereafter. The tax under this section is not treated as a local tax rate under section 469.177 and is not the levy of a governmental unit under chapters 276A and 473F.

The commissioner shall increase or decrease the preliminary or final rate for a year as necessary to account for errors and tax base changes that affected a preliminary or final rate for either of the two preceding years. Adjustments are allowed to the extent that the necessary information is available to the commissioner at the time the rates for a year must be certified, and for the following reasons:

1. an erroneous report of taxable value by a local official;
2. an erroneous calculation by the commissioner; and
3. an increase or decrease in taxable value for commercial-industrial or seasonal residential recreational property reported on the abstracts of tax lists submitted under section 275.29 that was not reported on the abstracts of assessment submitted under section 270C.89 to the commissioner under section 270C.85, subdivision 2, clause (4), for the same year.

The commissioner may, but need not, make adjustments if the total difference in the tax levied for the year would be less than $100,000.

**EFFECTIVE DATE.** This section is effective beginning with property taxes payable in 2020, except the amendments to clause (3) are effective the day following final enactment.

Sec. 35. Minnesota Statutes 2018, section 282.01, subdivision 6, is amended to read:

Subd. 6. **Duties of commissioner after sale.** (a) When any sale has been made by the county auditor under sections 282.01 to 282.13, the auditor shall immediately certify to the commissioner of revenue such information relating to such sale, on such forms as the commissioner of revenue may prescribe as will enable the commissioner of revenue to prepare an appropriate deed if the sale is for cash, or keep necessary records if the sale is on terms; and not later than October 31 of each year the county auditor shall submit to the commissioner of revenue a statement of all instances wherein any payment of principal, interest, or current taxes on lands held under certificate, due or to be paid during the preceding year.
calendar years, are still outstanding at the time such certificate is made. When such statement shows that a purchaser or the purchaser's assignee is in default, the commissioner of revenue may instruct the county board of the county in which the land is located to cancel said certificate of sale in the manner provided by subdivision 5, provided that upon recommendation of the county board, and where the circumstances are such that the commissioner of revenue after investigation is satisfied that the purchaser has made every effort reasonable to make payment of both the annual installment and said taxes, and that there has been no willful neglect on the part of the purchaser in meeting these obligations, then the commissioner of revenue may extend the time for the payment for such period as the commissioner may deem warranted, not to exceed one year. On payment in full of the purchase price, appropriate conveyance in fee, in such form as may be prescribed by the attorney general, shall be issued by the commissioner of revenue, which conveyance must be recorded by the county and shall have the force and effect of a patent from the state subject to easements and restrictions of record at the date of the tax judgment sale, including, but without limitation, permits for telephone and electric power lines either by underground cable or conduit or otherwise, sewer and water lines, highways, railroads, and pipe lines for gas, liquids, or solids in suspension.

(b) The commissioner of revenue shall issue an appropriate conveyance in fee when approval from the county auditor is given based upon written confirmation from a licensed closing agent, title insurer, or title insurance agent as specified in section 82.641. For purposes of this paragraph, "written confirmation" means a written commitment or approval that the funding for the conveyance is held in an escrow account available for disbursement upon delivery of a conveyance. The county recorder or registrar of titles must not record or file a conveyance issued under this paragraph unless the conveyance contains a certification signed by the county auditor where the land is located stating that the recorder or registrar of titles can accept the conveyance for recording or filing. The conveyance issued by the commissioner of revenue shall not be effective as a conveyance until it is recorded. The conveyance shall be issued to the county auditor where the land is located. Upon receipt of the conveyance, the county auditor shall hold the conveyance until the conveyance is requested from a licensed closing agent, title insurer, or title insurance agent to settle and close on the conveyance. If a request for the conveyance is not made within 30 days of the date the conveyance is issued by the commissioner of revenue, the county auditor shall return the conveyance to the commissioner. If the conveyance is delivered to the licensed closing agent, title insurer, or title insurance agent and the closing does not occur within ten days of the request, the licensed closing agent, title insurer, or title insurance agent shall immediately return the conveyance to the county auditor and, upon receipt, the county...
auditor shall return the conveyance to the commissioner of revenue. The commissioner of revenue shall cancel and destroy all conveyances returned by the county auditor pursuant to this subdivision. The licensed closing agent, title insurer, or title insurance agent must promptly record the conveyance after the closing and must deliver an attested or certified copy to the county auditor and to the grantee or grantees named on the conveyance.

**EFFECTIVE DATE.** This section is effective for conveyances issued by the commissioner of revenue after December 31, 2019.

Sec. 36. Minnesota Statutes 2018, section 287.21, subdivision 1, is amended to read:

Subdivision 1. **Determination of tax.** (a) A tax is imposed on each deed or instrument by which any real property in this state is granted, assigned, transferred, or otherwise conveyed. The tax applies against the net consideration. For purposes of the tax, the conversion of a corporation to a limited liability company, a limited liability company to a corporation, a partnership to a limited partnership, a limited partnership to another limited partnership or other entity, or a similar conversion of one entity to another does not grant, assign, transfer, or convey real property.

(b) The tax is determined in the following manner: (1) when transfers are made by instruments pursuant to (i) consolidations or mergers, or (ii) designated transfers, the tax is $1.65; (2) when there is no consideration or when the consideration, exclusive of the value of any lien or encumbrance remaining thereon at the time of sale, is $500 or less, the tax is $1.65; or (3) when the consideration, exclusive of the value of any lien or encumbrance remaining at the time of sale, exceeds $500, the tax is .0033 of the net consideration.

(c) If, within six months from the date of a designated transfer, an ownership interest in the grantee entity is transferred by an initial owner to any person or entity with the result that the designated transfer would not have been a designated transfer if made to the grantee entity with its subsequent ownership, then a tax is imposed at .0033 of the net consideration for the designated transfer. If the subsequent transfer of ownership interests was reasonably expected at the time of the designated transfer, the applicable penalty under section 287.31, subdivision 1, must be paid. The deed tax imposed under this paragraph is due within 30 days of the subsequent transfer that caused the tax to be imposed under this paragraph. Involuntary transfers of ownership shall not be considered transfers of ownership under this paragraph. The commissioner may adopt rules defining the types of transfers to be considered involuntary.
(d) The tax is due at the time a taxable deed or instrument is presented for recording, except as provided in paragraph (c). The commissioner may require the tax to be documented in a manner prescribed by the commissioner, and may require that the documentation be attached to and recorded as part of the deed or instrument. The county recorder or registrar of titles shall accept the attachment for recording as part of the deed or instrument and may not require, as a condition of recording a deed or instrument, evidence that a transfer is a designated transfer in addition to that required by the commissioner. Such an attachment shall not, however, provide actual or constructive notice of the information contained therein for purposes of determining any interest in the real property. The commissioner shall prescribe the manner in which the tax due under paragraph (c) is to be paid and may require grantees of designated transfers to file with the commissioner subsequent statements verifying that the tax provided under paragraph (c) does not apply.

EFFECTIVE DATE. This section is effective for deeds recorded after December 31, 2019.

Sec. 37. Minnesota Statutes 2018, section 290A.03, subdivision 13, is amended to read:

Subd. 13. Property taxes payable. "Property taxes payable" means the property tax exclusive of special assessments, penalties, and interest payable on a claimant's homestead after deductions made under sections 273.135, 273.1384, 273.1391, 273.42, subdivision 2, and any other state paid property tax credits in any calendar year, and after any refund claimed and allowable under section 290A.04, subdivision 2h, that is first payable in the year that the property tax is payable. In the case of a claimant who makes ground lease payments, "property taxes payable" includes the amount of the payments directly attributable to the property taxes assessed against the parcel on which the house is located. Regardless of the limitations in section 280A(c)(5) of the Internal Revenue Code, "property taxes payable" must be apportioned or reduced for the use of a portion of the claimant's homestead for a business purpose if the claimant deducts any business depreciation expenses for the use of a portion of the homestead or deducts expenses under section 280A of the Internal Revenue Code for a business operated in the claimant's homestead. For homesteads which are manufactured homes as defined in section 273.125, subdivision 8, and for homesteads which are including manufactured homes located in a manufactured home community owned by a cooperative organized under chapter 308A or 308B, and park trailers taxed as manufactured homes under section 168.012, subdivision 9, "property taxes payable" shall also include 17 percent of the gross rent paid in the preceding year for the site on which the homestead is located. When a homestead is owned by two or more persons as joint tenants or tenants in common, such tenants shall determine between them which tenant may claim
the property taxes payable on the homestead. If they are unable to agree, the matter shall
be referred to the commissioner of revenue whose decision shall be final. Property taxes
are considered payable in the year prescribed by law for payment of the taxes.

In the case of a claim relating to "property taxes payable," the claimant must have owned
and occupied the homestead on January 2 of the year in which the tax is payable and (i) the
property must have been classified as homestead property pursuant to section 273.124, on
or before December 15 of the assessment year to which the "property taxes payable" relate;
or (ii) the claimant must provide documentation from the local assessor that application for
homestead classification has been made on or before December 15 of the year in which the
"property taxes payable" were payable and that the assessor has approved the application.

**EFFECTIVE DATE.** This section is effective beginning with claims for tax payable
in 2020.

Sec. 38. Minnesota Statutes 2018, section 290B.04, subdivision 1, is amended to read:

Subdivision 1. **Initial application.** (a) A taxpayer meeting the program qualifications
under section 290B.03 may apply to the commissioner of revenue for the deferral of taxes.
Applications are due on or before July 1 for deferral of any of the following
year's property taxes. A taxpayer may request an early notification of approval or denial at
any time. The commissioner must notify a taxpayer in writing of the reasons for an
application denial and that the application may be amended and resubmitted by the due date
specified in this subdivision. A taxpayer may apply in the year in which the taxpayer becomes
65 years old, provided that no deferral of property taxes will be made until the calendar
year after the taxpayer becomes 65 years old. The application, which shall be prescribed
by the commissioner of revenue, shall include the following items and any other information
which the commissioner deems necessary:

(1) the name, address, and Social Security number of the owner or owners;

(2) a copy of the property tax statement for the current payable year for the homesteaded
property;

(3) the initial year of ownership and occupancy as a homestead;

(4) the owner's household income for the previous calendar year; and

(5) information on any mortgage loans or other amounts secured by mortgages or other
liens against the property, for which purpose the commissioner may require the applicant
to provide a copy of the mortgage note, the mortgage, or a statement of the balance owing
on the mortgage loan provided by the mortgage holder. The commissioner may require the
...
appropriate documents in connection with obtaining and confirming information on unpaid
amounts secured by other liens.

The application must state that program participation is voluntary. The application must
also state that the deferred amount depends directly on the applicant's household income,
and that program participation includes authorization for the annual deferred amount, the
cumulative deferral and interest that appear on each year's notice prepared by the county
under subdivision 6, is public data.

The application must state that program participants may claim the property tax refund
based on the full amount of property taxes eligible for the refund, including any deferred
amounts. The application must also state that property tax refunds will be used to offset any
deferral and interest under this program, and that any other amounts subject to revenue
recapture under section 270A.03, subdivision 7, will also be used to offset any deferral and
interest under this program.

(b) If an application is denied, the applicant must be allowed to correct and resubmit the
denied application within 90 days of the application deadline. The submission date of the
resubmitted application is considered to be the same as the submission date of the original
application.

(b) (c) As part of the initial application process, the commissioner may require the
applicant to obtain at the applicant's own cost and submit:

(1) if the property is registered property under chapter 508 or 508A, a copy of the original
certificate of title in the possession of the county registrar of titles (sometimes referred to
as "condition of register")

(2) if the property is abstract property, a report prepared by a licensed abstracter showing
the last deed and any unsatisfied mortgages, liens, judgments, and state and federal tax lien
notices which were recorded on or after the date of that last deed with respect to the property
or to the applicant;

(3) a copy of a court order transferring title to the applicant as described in paragraph
(d).

The certificate or report under clauses (1) and (2) need not include references to any
documents filed or recorded more than 40 years prior to the date of the certification or report.
The certification or report must be as of a date not more than 30 days prior to submission
of the application.
The commissioner may also require the county recorder or county registrar of the county where the property is located to provide copies of recorded documents related to the applicant or the property, for which the recorder or registrar shall not charge a fee. The commissioner may use any information available to determine or verify eligibility under this section. The household income from the application is private data on individuals as defined in section 13.02, subdivision 12.

(d) For purposes of this section, a copy of a court order transferring title of real property to the applicant is sufficient to demonstrate that title is held by the applicant.

EFFECTIVE DATE. This section is effective beginning with applications submitted in 2019, except that paragraphs (b), (c), clause (3), and (d) are effective the day following final enactment and apply to applications resubmitted on or after that date.

Sec. 39. Minnesota Statutes 2018, section 290B.09, subdivision 1, is amended to read:

Subdivision 1. Determination; payment. The county auditor shall determine the total current year's deferred amount of property tax under this chapter in the county, and submit report those amounts as part of the abstracts of tax lists submitted by the county auditors under section 275.29 to the commissioner under section 270C.85, subdivision 2, clause (4). The commissioner may make changes in the abstracts of tax lists as deemed necessary. The commissioner of revenue, after such review, shall pay the deferred amount of property tax to each county treasurer on or before August 31.

The county treasurer shall distribute as part of the October settlement the funds received as if they had been collected as a part of the property tax.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 40. Minnesota Statutes 2018, section 469.177, subdivision 1, is amended to read:

Subdivision 1. Original net tax capacity. (a) Upon or after adoption of a tax increment financing plan, the auditor of any county in which the district is situated shall, upon request of the authority, certify the original net tax capacity of the tax increment financing district and that portion of the district overlying any subdistrict as described in the tax increment financing plan and shall certify in each year thereafter the amount by which the original net tax capacity has increased or decreased as a result of a change in tax exempt status of property within the district and any subdistrict, reduction or enlargement of the district or changes pursuant to subdivision 4. The auditor shall certify the amount within 30 days after
The certification relates to the taxes payable year as provided in subdivision 6.

(b) If the classification under section 273.13 of property located in a district changes to a classification that has a different assessment ratio, the original net tax capacity of that property must be redetermined at the time when its use is changed as if the property had originally been classified in the same class in which it is classified after its use is changed.

(c) The amount to be added to the original net tax capacity of the district as a result of previously tax exempt real property within the district becoming taxable equals the net tax capacity of the real property as most recently assessed pursuant to section 273.18 information reported to the commissioner under section 270C.85, subdivision 2, clause (4), or, if that assessment was made more than one year prior to the date of title transfer rendering the property taxable, the net tax capacity assessed by the assessor at the time of the transfer. If improvements are made to tax exempt property after the municipality approves the district and before the parcel becomes taxable, the assessor shall, at the request of the authority, separately assess the estimated market value of the improvements. If the property becomes taxable, the county auditor shall add to original net tax capacity, the net tax capacity of the parcel, excluding the separately assessed improvements. If substantial taxable improvements were made to a parcel after certification of the district and if the property later becomes tax exempt, in whole or part, as a result of the authority acquiring the property through foreclosure or exercise of remedies under a lease or other revenue agreement or as a result of tax forfeiture, the amount to be added to the original net tax capacity of the district as a result of the property again becoming taxable is the amount of the parcel's value that was included in original net tax capacity when the parcel was first certified. The amount to be added to the original net tax capacity of the district as a result of enlargements equals the net tax capacity of the added real property as most recently certified by the commissioner of revenue as of the date of modification of the tax increment financing plan pursuant to section 469.175, subdivision 4.

(d) If the net tax capacity of a property increases because the property no longer qualifies under the Minnesota Agricultural Property Tax Law, section 273.111; the Minnesota Open Space Property Tax Law, section 273.112; or the Metropolitan Agricultural Preserves Act, chapter 473H, the Rural Preserve Property Tax Program under section 273.114, or because platted, unimproved property is improved or market value is increased after approval of the plat under section 273.11, subdivision 14a or 14b, the increase in net tax capacity must be added to the original net tax capacity. If the net tax capacity of a property increases because the property no longer qualifies for the homestead market value exclusion under section

Article 5 Sec. 40.
273.13, subdivision 35, the increase in net tax capacity must be added to original net tax
capacity if the original construction of the affected home was completed before the date the
assessor certified the original net tax capacity of the district.

c) The amount to be subtracted from the original net tax capacity of the district as a
result of previously taxable real property within the district becoming tax exempt or
qualifying in whole or part for an exclusion from taxable market value, or a reduction in
the geographic area of the district, shall be the amount of original net tax capacity initially
attributed to the property becoming tax exempt, being excluded from taxable market value,
or being removed from the district. If the net tax capacity of property located within the tax
increment financing district is reduced by reason of a court-ordered abatement, stipulation
agreement, voluntary abatement made by the assessor or auditor or by order of the
commissioner of revenue, the reduction shall be applied to the original net tax capacity of
the district when the property upon which the abatement is made has not been improved
since the date of certification of the district and to the captured net tax capacity of the district
in each year thereafter when the abatement relates to improvements made after the date of
certification. The county auditor may specify reasonable form and content of the request
for certification of the authority and any modification thereof pursuant to section 469.175,
subdivision 4.

f) If a parcel of property contained a substandard building or improvements described
in section 469.174, subdivision 10, paragraph (e), that were demolished or removed and if
the authority elects to treat the parcel as occupied by a substandard building under section
469.174, subdivision 10, paragraph (b), or by improvements under section 469.174,
subdivision 10, paragraph (e), the auditor shall certify the original net tax capacity of the
parcel using the greater of (1) the current net tax capacity of the parcel, or (2) the estimated
market value of the parcel for the year in which the building or other improvements were
demolished or removed, but applying the classification rates for the current year.

(g) For a redevelopment district qualifying under section 469.174, subdivision 10,
paragraph (a), clause (4), as a qualified disaster area, the auditor shall certify the value of
the land as the original tax capacity for any parcel in the district that contains a building
that suffered substantial damage as a result of the disaster or emergency.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 41. Minnesota Statutes 2018, section 473H.08, subdivision 1, is amended to read:

the landowner or the authority, or a state agency or governmental unit initiates expiration

as provided in this section.

**EFFECTIVE DATE.** This section is effective the day following final enactment and

applies to any agricultural preserve where the previously required eight-year termination

period under Minnesota Statutes, section 473H.08, has not yet expired.

Sec. 42. Minnesota Statutes 2018, section 473H.08, is amended by adding a subdivision

to read:

Subd. 3a. **Expiration for park and trail purposes.** (a) An agricultural preserve expires

immediately when a state agency or other governmental unit purchases the property or

obtains an easement over the property for the purpose of creating or expanding a public

trail or public park. This subdivision applies only to the portion of the agricultural preserve

acquired for trail or park purposes, and any portion of the property not acquired for trail or

park purposes shall remain an agricultural preserve regardless if the remaining total acreage

For those municipalities that receive both fire and ambulance services, the tax shall be imposed at a rate that does not exceed 0.2835 percent of estimated market value. A property tax levied by the district to make debt service payments for obligations issued by the district pursuant to subdivision 4 shall not be included when calculating the tax levy limits imposed in this subdivision.

The district may also impose other fees or charges as allowed by law for the provision of fire and ambulance services.

   - (iv) detail regarding the amount of the commissioner's most recent valuation compared to the taxpayer's opinion of valuation for appeals and petitions that have not yet resulted in a final disposition, if available at its current stage of litigation;
   - (v) detail regarding the amount of refund paid by each affected taxing local jurisdiction if the final disposition resulted in the lowering of market value; and
   - (vi) detail regarding the potential refund to be paid by each affected local taxing jurisdiction for appeals and petitions that have not yet resulted in a final disposition, as if the final disposition were to result in a finding of market value equal to the taxpayer's opinion of market value;

2. an overview of the administrative appeal process, specifically explaining the criteria used by the commissioner to determine an increase or reduction of the original valuation:
(3) a detailed description of the process by which the commissioner determines preliminary and final valuation orders, including an examination of the form and contents of each order, as well as a description of the time frame for issuing each order in relation to affected local taxing jurisdictions' levy and budget process and options for issuing these valuation orders earlier than current practice; and

To qualify for a refund, a property owner must apply to the assessor by December 15, 2019, and must have paid all tax due in 2017 and 2018. After verifying that the applicant qualified for an exclusion for taxes payable in either or both of those years, the county assessor must notify the county auditor, and the auditor must recalculate the taxes on the property for taxes payable in 2017 and 2018 based on the exclusion the applicant was qualified for. The county treasurer must then issue a refund of tax paid in 2017 and 2018 equal to the difference between the taxes as initially calculated for each taxes payable year and the taxes based on the value remaining after the exclusion.

**EFFECTIVE DATE.** This section is effective for refund applications received in 2019, for refunds of tax paid in 2017 and 2018.

Sec. 5. Minnesota Statutes 2018, section 290A.19, is amended to read:

290A.19 OWNER OR MANAGING AGENT TO FURNISH RENT CERTIFICATE.

Subdivision 1. Owner or managing agent to furnish rent certificate. (a) The owner or managing agent of any property for which rent is paid for occupancy as a homestead must furnish a certificate of rent paid to a person who is a renter on December 31, in the form prescribed by the commissioner. If the renter moves before December 31, the owner or managing agent may give the certificate to the renter at the time of moving, or mail the certificate to the forwarding address if an address has been provided by the renter. The certificate must be made available to the renter before February 1 of the year following the year in which the rent was paid. The owner or managing agent must retain a duplicate of each certificate or an equivalent record showing the same information for a period of three years. The duplicate or other record must be made available to the commissioner upon request.
(b) The commissioner may require the owner or managing agent, through a simple process, to furnish to the commissioner on or before March 1 a copy of each certificate of rent paid furnished to a renter for rent paid in the prior year. The commissioner shall prescribe the content, format, and manner of the form pursuant to section 270C.30. Prior to implementation, the commissioner, after consulting with representatives of owners or managing agents, shall develop an implementation and administration plan for the requirements of this paragraph that attempts to minimize financial burdens, administration and compliance costs, and takes into consideration existing systems of owners and managing agents.

(c) For the purposes of this section, "owner" includes a park owner as defined under section 327C.01, subdivision 6, and "property" includes a lot as defined under section 327C.01, subdivision 3.

(d) Beginning with certificates of rent paid for 2021 rents, an owner or managing agent must furnish certificates of rent paid that were created using the system developed under subdivision 3 or provide equivalent data to the commissioner in a form and manner approved by the commissioner. The commissioner must retain data collected under this paragraph at least as long as is necessary to ensure compliance with this chapter. Data gathered under this paragraph are return information, as defined in section 270B.02.

Subd. 2. Rental market information. (a) Beginning with certificates of rent paid for 2021 rents, an owner or managing agent must submit the following data elements to the commissioner about any property for which the owner or managing agent provides a certificate of rent paid under subdivision 1:

(1) the number of bedrooms in the rental unit;

(2) whether utilities are included in the rent amount reported;

(3) whether the renter paid a different rent amount than the market rate due to a subsidy;

(4) the city, county, and five-digit zip code of the rental unit.

(b) An owner or managing agent may submit the data using the electronic system developed under subdivision 3, or provide equivalent data in a form and manner approved by the commissioner.

(c) The commissioner must retain data collected through the system at least as long as is necessary to prepare the annual report required under section 290A.29. Data collected under this subdivision are return information, as defined in section 270B.02.
Subd. 3. **Electronic system for certificates of rent paid.** (a) The commissioner must develop and implement an electronic system for generating certificates of rent paid. The system must allow an owner or managing agent to enter the information necessary to generate a certificate of rent paid, and use the information provided to create a completed certificate for distribution to renters. An owner or managing agent is responsible for furnishing the certificate to a renter in accordance with subdivision 1. The system must be available by January 1, 2021, for use for certificates of rent paid for 2020 rents.

(b) In addition to any information required by the commissioner to administer the renter’s credit program and ensure compliance with this chapter, the system developed under this subdivision must be capable of capturing the rental market information required under subdivision 2.

**EFFECTIVE DATE.** (a) The amendments to subdivisions 1 and 2 are effective for refunds based on rents paid in 2021 and following years.

(b) Subdivision 3 is effective July 1, 2019.

Subdivision 1. **Authorization; scope.** (a) A political subdivision of this state may impose
a general sales tax (1) under section 297A.992, (2) under section 297A.993, (3) if permitted
by special law, or (4) if the political subdivision enacted and imposed the tax before January
1, 1982, and its predecessor provision.

(b) This section governs the imposition of a general sales tax by the political subdivision.
The provisions of this section preempt the provisions of any special law:

(1) enacted before June 2, 1997, or

(2) enacted on or after June 2, 1997, that does not explicitly exempt the special law
provision from this section's rules by reference.

(c) This section does not apply to or preempt a sales tax on motor vehicles or a special
excise tax on motor vehicles.

(d) A political subdivision may not advertise or expend funds for the promotion of a

to imposing a local sales tax to:

(e) Notwithstanding paragraph (d), a political subdivision may expend funds to:

(1) conduct the referendum;
(2) disseminate information included in the resolution adopted under subdivision 2, but only if the disseminated information includes a list of specific projects and the cost of each individual project;

(1) the proposed tax rate, how the revenues will be used;

(2) a detailed description of no more than five capital projects that will be funded with revenue from the tax;

Subd. 26. **Social Security benefits.** (a) A portion of Social Security benefits is allowed as a subtraction. The subtraction equals the lesser of Social Security benefits or a maximum subtraction subject to the limits under paragraphs (b), (c), and (d).

(b) For married taxpayers filing a joint return and surviving spouses, the maximum subtraction equals $4,500. The maximum subtraction is reduced by 20 percent of provisional income over $77,000. In no case is the subtraction less than zero.

(c) For single or head-of-household taxpayers, the maximum subtraction equals $3,500. The maximum subtraction is reduced by 20 percent of provisional income over $60,200. In no case is the subtraction less than zero.

(d) For married taxpayers filing separate returns, the maximum subtraction equals $2,250 one-half the maximum subtraction for joint returns under paragraph (b). (e) For purposes of this subdivision, "provisional income" means modified adjusted gross income as defined in section 86(b)(2) of the Internal Revenue Code, plus one-half of the Social Security benefits received during the taxable year, and "Social Security benefits" has the meaning given in section 86(d)(1) of the Internal Revenue Code.
(f) The commissioner shall adjust the maximum subtraction and threshold amounts in paragraphs (b) to (d) by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B) of the Internal Revenue Code the word "2016" shall be substituted for the word "1992." For 2018, the commissioner shall then determine the percentage change from the 12 months ending on August 31, 2016, to the 12 months ending on August 31, 2017, and in each subsequent year, from the 12 months ending on August 31, 2016, to the 12 months ending on August 31 of the year preceding the taxable year. The determination of the commissioner pursuant to this subdivision must not be considered a rule and is not subject to the Administrative Procedure Act contained in chapter 14, including section 14.386. The maximum subtraction and threshold amounts as adjusted must be rounded to the nearest $10 amount. If the amount ends in $5, the amount is rounded up to the nearest $10 amount.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2018.

(3) For the purposes of this section, "installment sale" means any installment sale under section 453 of the Internal Revenue Code and any other sale that is reported utilizing a method of accounting authorized under subchapter E of the Internal Revenue Code that allows taxpayers to delay reporting or recognizing a realized gain until a future year.
(4) For the purposes of this section, "allocable amount" means the full amount to be
apportioned to Minnesota under section 290.191 or 290.20, or the full amount to be assigned

(b) Notwithstanding paragraph (a), nonresident taxpayers may elect to defer recognizing
unrecognized installment sale gains by making an election under this paragraph. The election
must be filed on a form to be determined or prescribed by the commissioner and must be
filed by the due date of the individual income tax return, including any extension. Electing
taxpayers must make an irrevocable agreement to:

1. file Minnesota tax returns in all subsequent years when gains from the installment

   of sale under section 290.17, 290.191, or 290.20; and

   subsequent Minnesota tax returns.

Married individuals filing separate returns, estates, and trusts must compute their income
tax by applying the above rates to their taxable income, except that the income brackets
will be one-half of the above amounts after the adjustment required in subdivision 2d.
(b) The income taxes imposed by this chapter upon unmarried individuals must be computed by applying to taxable net income the following schedule of rates:

4. On all over $200,000, 9.85 percent.

(d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than $100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to $1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

1. the numerator is the individual's Minnesota source federal adjusted gross income as defined in section 62 of the Internal Revenue Code and increased by:
   (i) the additions required under sections 290.0131, subdivisions 2 and 6 to 11, and 290.0137, paragraph (a); and reduced by

(ii) the amounts specified in section subtractions under sections 290.0132, subdivisions
2, 9, 10, 14, 15, 17, and 18, and 290.0137, paragraph (c).

EFFECTIVE DATE. The amendment to paragraph (a) is effective for taxable years
beginning after December 31, 2018. The amendment to paragraph (e) is effective the day
following final enactment.

Sec. 4. Minnesota Statutes 2018, section 290.06, subdivision 2d, is amended to read:

Subd. 2d. Inflation adjustment of brackets. (a) For taxable years beginning after
December 31, 2013, the minimum and maximum dollar amounts for each rate bracket for
which a tax is imposed in subdivision 2c shall be adjusted for inflation by the percentage
determined under paragraph (b). For the purpose of making the adjustment as provided in
this subdivision all of the rate brackets provided in subdivision 2c shall be the rate brackets
as they existed for taxable years beginning after December 31, 2012, and before January 1, 2014. The rate applicable to any rate bracket must not be changed. The dollar amounts
setting forth the tax shall be adjusted to reflect the changes in the rate brackets. The rate

pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section
1(f)(3)(B) the word "2012" shall be substituted for the word "1992." For 2014, the
commissioner shall then determine the percent change from the 12 months ending on August
31, 2012, to the 12 months ending on August 31, 2013, and in each subsequent year, from
the 12 months ending on August 31, 2012, to the 12 months ending on August 31 of the
year preceding the taxable year. The commissioner shall determine the rate bracket for
married filing separate returns after this adjustment is done. The rate bracket for married
filing separate must be one-half of the rate bracket for married filing joint. The determination
of the commissioner pursuant to this subdivision shall not be considered a "rule" and shall
not be subject to the Administrative Procedure Act contained in chapter 14.
No later than December 15 of each year, the commissioner shall announce the specific percentage that will be used to adjust the tax rate brackets.

An amended Minnesota income tax return must be accompanied by an amended property tax refund return, if necessary. A taxpayer filing an amended federal tax return must also file a copy of the amended return with the commissioner of revenue within 180 days after filing the amended return.

Sec. 2. Minnesota Statutes 2018, section 290.92, subdivision 28, is amended to read:

Subd. 28. Payments to horse racing license holders. Effective with payments made after April 1, 1988, any holder of a license issued by the Minnesota Racing Commission who makes a payment for personal or professional services to a holder of a class C license issued by the commission, except an amount paid as a purse, shall deduct from the payment...
and withhold 6.25 percent of the amount as Minnesota withholding tax when the amount
paid to that individual by the same person during the calendar year exceeds $600. For
purposes of the provisions of this section, a payment to any person which is subject to

an employer to an employee. Every individual who is to receive a payment which is subject
to withholding under this subdivision shall furnish the license holder with a statement, made
under the penalties of perjury, containing the name, address, and Social Security account
number of the person receiving the payment. No withholding is required if the individual
presents a signed certificate from the individual's employer which states that the individual
is an employee of that employer. A nonresident individual who holds a class C license must
be treated as an athlete for purposes of applying the provisions of subdivision 4a and section

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2018, section 462D.03, subdivision 2, is amended to read:

Subd. 2. Designation of qualified beneficiary. (a) The account holder must designate
a first-time home buyer as the qualified beneficiary of the account by April 15 of the year
in a form and manner prescribed by the commissioner following the taxable year in which
the account was established. The account holder may be the qualified beneficiary. The
account holder may change the designated qualified beneficiary at any time, but no more
than one qualified beneficiary may be designated for an account at any one time. For purposes
of the one beneficiary restriction, a married couple qualifies as one beneficiary. Changing
the designated qualified beneficiary of an account does not affect computation of the ten-year
period under section 462D.06, subdivision 2.

(b) The commissioner shall establish a process for account holders to notify the state
that permits recording of the account, the account holder or holders, any transfers under
section 462D.04, subdivision 2, and the designated qualified beneficiary for each account.
This may be done upon filing the account holder's income tax return or in any other way
the commissioner determines to be appropriate.

EFFECTIVE DATE. This section is effective the day following final enactment.
ARTICLE 13

PARTNERSHIP TAX; POLICY

Section 1. Minnesota Statutes 2018, section 270C.445, subdivision 6, is amended to read:

Subd. 6. Enforcement; administrative order; penalties; cease and desist.

(a) The commissioner may impose an administrative penalty of not more than $1,000 per violation of subdivision 3 or 5, or section 270C.4451, provided that a penalty may not be imposed for any conduct for which a tax preparer penalty is imposed under section 289A.60, subdivision 13. The commissioner may terminate a tax preparer's authority to transmit returns electronically to the state, if the commissioner determines the tax preparer engaged in a pattern and practice of violating this section. Imposition of a penalty under this paragraph is subject to the contested case procedure under chapter 14. The commissioner shall collect the penalty in the same manner as the income tax. There is no right to make a claim for refund under section 289A.50 of the penalty imposed under this paragraph. Penalties imposed under this paragraph are public data.

(b) In addition to the penalty under paragraph (a), if the commissioner determines that a tax preparer has violated subdivision 3 or 5, or section 270C.4451, the commissioner may issue an administrative order to the tax preparer requiring the tax preparer to cease and desist from committing the violation. The administrative order may include an administrative penalty provided in paragraph (a).

(c) If the commissioner issues an administrative order under paragraph (b), the commissioner must send the order to the tax preparer addressed to the last known address of the tax preparer.

(d) A cease and desist order under paragraph (b) must:

(1) describe the act, conduct, or practice committed and include a reference to the law that the act, conduct, or practice violates; and

(2) provide notice that the tax preparer may request a hearing as provided in this subdivision.

(e) Within 30 days after the commissioner issues an administrative order under paragraph (b), the tax preparer may request a hearing to review the commissioner's action. The request for hearing must be made in writing and must be served on the commissioner at the address specified in the order. The hearing request must specifically state the reasons for seeking review of the order. The date on which a request for hearing is served by mail is the postmark date on the envelope in which the request for hearing is mailed.
(f) If a tax preparer does not timely request a hearing regarding an administrative order issued under paragraph (b), the order becomes a final order of the commissioner and is not subject to review by any court or agency.

(g) If a tax preparer timely requests a hearing regarding an administrative order issued under paragraph (b), the hearing must be commenced within ten days after the commissioner receives the request for a hearing.

(h) A hearing timely requested under paragraph (e) is subject to the contested case procedure under chapter 14, as modified by this subdivision. The administrative law judge must issue a report containing findings of fact, conclusions of law, and a recommended order within ten days after the completion of the hearing, the receipt of late-filed exhibits, or the submission of written arguments, whichever is later.

(i) Within five days of the date of the administrative law judge's report issued under paragraph (h), any party aggrieved by the administrative law judge's report may submit written exceptions and arguments to the commissioner. Within 15 days after receiving the administrative law judge's report, the commissioner must issue an order vacating, modifying, or making final the administrative order.

(j) The commissioner and the tax preparer requesting a hearing may by agreement lengthen any time periods prescribed in paragraphs (g) to (i).

(k) An administrative order issued under paragraph (b) is in effect until it is modified or vacated by the commissioner or an appellate court. The administrative hearing provided by paragraphs (e) to (i) and any appellate judicial review as provided in chapter 14 constitute the exclusive remedy for a tax preparer aggrieved by the order.

(l) The commissioner may impose an administrative penalty, in addition to the penalty under paragraph (a), up to $5,000 per violation of a cease and desist order issued under paragraph (b). Imposition of a penalty under this paragraph is subject to the contested case procedure under chapter 14. Within 30 days after the commissioner imposes a penalty under this paragraph, the tax preparer assessed the penalty may request a hearing to review the penalty order. The request for hearing must be made in writing and must be served on the commissioner at the address specified in the order. The hearing request must specifically state the reasons for seeking review of the order. The cease and desist order issued under paragraph (b) is not subject to review in a proceeding to challenge the penalty order under this paragraph. The date on which a request for hearing is served by mail is the postmark date on the envelope in which the request for hearing is mailed. If the tax preparer does not timely request a hearing, the penalty order becomes a final order of the commissioner and
is not subject to review by any court or agency. A penalty imposed by the commissioner under this paragraph may be collected and enforced by the commissioner as an income tax liability. There is no right to make a claim for refund under section 289A.50 of the penalty imposed under this paragraph. A penalty imposed under this paragraph is public data.

(m) If a tax preparer violates a cease and desist order issued under paragraph (b), the commissioner may terminate the tax preparer's authority to transmit returns electronically to the state. Termination under this paragraph is public data.

(n) A cease and desist order issued under paragraph (b) is public data when it is a final order.

(o) Notwithstanding any other law, the commissioner may impose a penalty or take other action under this subdivision against a tax preparer, with respect to a return, within the period to assess tax on that return as provided by section sections 289A.38 to 289A.384.

(p) Notwithstanding any other law, the imposition of a penalty or any other action against a tax preparer under this subdivision, other than with respect to a return, must be taken by the commissioner within five years of the violation of statute.

EFFECTIVE DATE. This section is effective retroactively for taxable years beginning after December 31, 2017, except that for partnerships that make an election under Code of Federal Regulations, title 26, section 301.9100-22T, this section is effective retroactively and applies to the same tax periods to which the election relates.

Sec. 2. Minnesota Statutes 2018, section 289A.31, subdivision 1, is amended to read:

Subdivision 1. Individual income, fiduciary income, mining company, corporate franchise, and entertainment taxes. (a) Individual income, fiduciary income, mining company, and corporate franchise taxes, and interest and penalties, must be paid by the taxpayer upon whom the tax is imposed, except in the following cases:

(1) the tax due from a decedent for that part of the taxable year in which the decedent died during which the decedent was alive and the taxes, interest, and penalty due for the prior years must be paid by the decedent's personal representative, if any. If there is no personal representative, the taxes, interest, and penalty must be paid by the transferees, as defined in section 270C.58, subdivision 3, to the extent they receive property from the decedent;

(2) the tax due from an infant or other incompetent person must be paid by the person's guardian or other person authorized or permitted by law to act for the person;
(3) the tax due from the estate of a decedent must be paid by the estate's personal representative;

(4) the tax due from a trust, including those within the definition of a corporation, as defined in section 290.01, subdivision 4, must be paid by a trustee; and

(5) the tax due from a taxpayer whose business or property is in charge of a receiver, trustee in bankruptcy, assignee, or other conservator, must be paid by the person in charge of the business or property so far as the tax is due to the income from the business or property.

(b) Entertainment taxes are the joint and several liability of the entertainer and the entertainment entity. The payor is liable to the state for the payment of the tax required to be deducted and withheld under section 290.9201, subdivision 7, and is not liable to the entertainer for the amount of the payment.

(c) The taxes imposed under sections 289A.35, paragraph (b), 289A.383, subdivision 3, and 290.0922 on partnerships are the joint and several liability of the partnership and the general partners.

EFFECTIVE DATE. This section is effective retroactively for taxable years beginning after December 31, 2017, except that for partnerships that make an election under Code of Federal Regulations, title 26, section 301.9100-22T, this section is effective retroactively and applies to the same tax periods to which the election relates.

Sec. 3. Minnesota Statutes 2018, section 289A.37, subdivision 2, is amended to read:

Subd. 2. Erroneous refunds. (a) Except as provided in paragraph (b), an erroneous refund occurs when the commissioner issues a payment to a person that exceeds the amount the person is entitled to receive under law. An erroneous refund is considered an underpayment of tax on the date issued.

(b) To the extent that the amount paid does not exceed the amount claimed by the taxpayer, an erroneous refund does not include the following:

(1) any amount of a refund or credit paid pursuant to a claim for refund filed by a taxpayer, including but not limited to refunds of claims made under section 290.06, subdivision 23; 290.067; 290.0671; 290.0672; 290.0674; 290.0675; 290.0677; 290.068; 290.0681; or 290.0692; or chapter 290A; or

(2) any amount paid pursuant to a claim for refund of an overpayment of tax filed by a taxpayer.
The commissioner may make an assessment to recover an erroneous refund at any
time within two years from the issuance of the erroneous refund. If all or part of the erroneous
refund was induced by fraud or misrepresentation of a material fact, the assessment may
be made at any time.

Assessments of amounts that are not erroneous refunds under paragraph (b) must be
conducted under sections 289A.38 to 289A.384.

EFFECTIVE DATE. This section is effective retroactively for taxable years beginning
after December 31, 2017, except that for partnerships that make an election under Code of
Federal Regulations, title 26, section 301.9100-22T, this section is effective retroactively
and applies to the same tax periods to which the election relates.

Sec. 4. Minnesota Statutes 2018, section 289A.38, subdivision 10, is amended to read:

Subd. 10. Incorrect determination of federal adjusted gross income. Notwithstanding
any other provision of this chapter, if a taxpayer whose net income is determined under
section 290.01, subdivision 19, omits from income an amount that will under the Internal
Revenue Code extend the statute of limitations for the assessment of federal income taxes,
or otherwise incorrectly determines the taxpayer's federal adjusted gross income resulting
in adjustments by the Internal Revenue Service, then the period of assessment and
determination of tax will be that under the Internal Revenue Code. When a change is made
to federal income during the extended time provided under this subdivision, the provisions
under subdivisions 7 to 9 sections 289A.381 to 289A.384 regarding additional extensions
apply.

Subdivision 1. State partnership representative. (a) With respect to an action required or permitted to be taken by a partnership under this section, or in a proceeding under section 270C.35 or 271.06, the state partnership representative for the reviewed year shall have the sole authority to act on behalf of the partnership, and its direct partners and indirect partners shall be bound by those actions.

(b) The state partnership representative for the reviewed year is the partnership's federal partnership representative unless the partnership, in a form and manner prescribed by the commissioner, designates another person as its state partnership representative.

Subd. 2. Reporting and payment requirements for partnerships and tiered partners. (a) Unless an audited partnership makes the election in subdivision 3, then, for all final federal adjustments the audited partnership must comply with paragraph (b) and...
each direct partner of the audited partnership, other than a tiered partner, must comply with paragraph (c).

(b) No later than 90 days after the final determination date, the audited partnership must:

1. file a completed federal adjustments report, including all partner-level information required under section 289A.12, subdivision 3, with the commissioner;

2. notify each of its direct partners of their distributive share of the adjustments;

3. file an amended composite report for all direct partners who were included in a composite return under section 289A.08, subdivision 7, in the reviewed year, and pay the additional amount that would have been due had the federal adjustments been reported properly as required; and

4. file amended withholding reports for all direct partners who were or should have been subject to nonresident withholding under section 290.92, subdivision 4b, in the reviewed year, and pay the additional amount that would have been due had the federal adjustments been reported properly as required.

1. file a federal adjustments report reporting their distributive share of the adjustments reported to them under paragraph (b), clause (2); and

2. pay any additional amount of tax due as if the final federal adjustment had been properly reported, plus any penalty and interest due under this chapter, and less any credit for related amounts paid or withheld and remitted on behalf of the direct partner under paragraph (b), clauses (3) and (4).

Subd. 3. **Election: partnership or tiered partners pay.** (a) An audited partnership may make an election under this subdivision to pay its assessment at the entity level. If an audited partnership makes an election to pay its assessment at the entity level it must:

1. no later than 90 days after the final determination date, file a completed federal adjustments report, including the residency information for all individual partners, both direct and indirect, and information pertaining to all other partners as prescribed by the commissioner, and notify the commissioner that it is making the election under this subdivision; and
(2) no later than 180 days after the final determination date, pay an amount, determined
as follows, in lieu of taxes on partners:

(i) exclude from final federal adjustments the distributive share of these adjustments
made to an exempt partner that is not unrelated business taxable income;

(ii) exclude from final federal adjustments the distributive share of these adjustments
made to a partner that has filed a federal adjustments report and paid the applicable tax, as
required under subdivision 2, for the distributive share of adjustments reported on a federal
return under section 6225(c) of the Internal Revenue Code;

(iii) allocate at the partner level using section 290.17, subdivision 1, all final federal
adjustments attributable to resident partners, both direct and indirect, for the reviewed year;

(iv) allocate and apportion at the partnership level using sections 290.17 to 290.20 all
remaining final federal adjustments for the reviewed year;

(v) determine the total distributive share of the allocated and apportioned final federal
adjustments determined in items (iii) and (iv) that are attributable to:

(A) resident partners;

(B) corporate partners and exempt partners; and

(C) the total distributive share amount allocated to all other partners;

(vi) for the total distributive share of net final federal adjustments attributed to corporate
partners and exempt partners under item (v), subitem (B), multiply the total by the highest
tax rate in section 290.06, subdivision 1, for the reviewed year, and calculate interest and
penalties as applicable under this chapter;

(vii) for the total distributive share of net final federal adjustments attributable to resident
partners, and all other partners under item (v), subitems (A) and (C), multiply the total by the
highest tax rate in section 290.06, subdivision 2c, for the reviewed year, and calculate
interest and penalties as applicable under this chapter; and

(viii) add the amount determined in item (vi) to the amount determined in item (vii),
and pay all applicable taxes, penalties, and interest to the commissioner.

(b) An audited partnership may not make an election under this subdivision to report:

(1) a federal adjustment that results in unitary business income to a corporate partner
required to file as a member of a combined report under section 290.17, subdivision 4; or

(2) any final federal adjustments resulting from an administrative adjustment request.
Subd. 4. Tiered partners and indirect partners. (a) Each tiered partner and each indirect partner of an audited partnership that reported final federal adjustments pursuant to subdivision 2, paragraph (b), clause (1), or this subdivision, must:

(1) within 90 days of the report comply with the filing, reporting, and payment requirements of subdivision 2, paragraph (b); or

(2) make the election under subdivision 3 as though it were the audited partnership.

(b) Each direct partner in a partnership making a report under paragraph (a) must, within 180 days of the report, comply with the filing, reporting, and payment requirements of subdivision 2, paragraph (c).

(c) Notwithstanding the interim time requirements in this subdivision and subdivisions 2 and 3, all reports and payments required to be made by the tiered and indirect partners under this section are required to be made within 90 days after the time for the filing and furnishing of statements to tiered partners and their partners as established by the Internal Revenue Service under section 6226 of the Internal Revenue Code.

Subd. 5. Effects of election by partnership or tiered partner and payment of amount due. (a) Unless the commissioner determines otherwise, the election under subdivision 3 is irrevocable.

(b) If an audited partnership or tiered partner properly reports and pays an amount determined in subdivision 3, the amount must be treated as paid in lieu of taxes owed by the partnership's direct partners on the same final federal adjustments. The direct partners and indirect partners of the partnership who are not resident partners may not take any deduction or credit for this amount or claim a refund of the amount in this state.

(c) Nothing in this subdivision precludes resident partners from claiming a credit against taxes paid under section 290.06, on any amounts paid by the audited partnership or tiered partners on the resident partner's behalf to another state or local tax jurisdiction.

Subd. 6. Failure of partnership or tiered partner to report or pay. Nothing in this section prevents the commissioner from assessing partners or indirect partners for taxes they owe in the event that, for any reason, a partnership or tiered partner fails to timely make any report or payment required by this section.

EFFECTIVE DATE. This section is effective retroactively for taxable years beginning after December 31, 2017, except that for partnerships that make an election under Code of Federal Regulations, title 26, section 301.9100-22T, this section is effective retroactively and applies to the same tax periods to which the election relates.
Sec. 8. [289A.384] ASSESSMENT OF TAX, INTEREST, PENALTIES, AND ADDITIONAL AMOUNTS.

Subdivision 1. Assessment of additional tax, interest, and penalties. The commissioner may assess additional tax, interest, and penalties following a final federal adjustment:

1. arising from an audit by the Internal Revenue Service, including a partnership-level audit;
2. reported by the taxpayer on an amended federal tax return; or
3. as part of an administrative adjustment request on or before the dates provided in this section.

Subd. 2. Timely and untimely reported federal adjustments. If a taxpayer files a federal adjustments report, within or after the periods prescribed in section 289A.382 or 289A.383, the commissioner may assess any additional Minnesota amounts including in-lieu-of amounts, taxes, interest, and penalties at the later of:

1. the expiration of the period of limitations in section 289A.38; or
2. the expiration of the one-year period following the date of the filing with the commissioner of the federal adjustments report.

Subd. 3. Unreported reported federal adjustments. If the taxpayer fails to file a federal adjustments report, the commissioner may assess any additional amounts including in-lieu-of amounts, taxes, penalties, and interest, at the later of:

1. the expiration of the period of limitations in section 289A.38; or
2. the expiration of the six-year period following the final determination date.

EFFECTIVE DATE. This section is effective retroactively for taxable years beginning after December 31, 2017, except that for partnerships that make an election under Code of Federal Regulations, title 26, section 301.9100-22T, this section is effective retroactively and applies to the same tax periods to which the election relates.

Sec. 9. [289A.385] CLAIMS FOR REFUND OR CREDITS OF STATE TAX ARISING FROM FINAL FEDERAL ADJUSTMENTS MADE BY THE INTERNAL REVENUE SERVICE.

Taxpayers subject to the reporting requirements of sections 289A.382 and 289A.383 may file claims for refund related to federal adjustments made by the Internal Revenue
Service on or before the last day of the general period of limitations on claims for refund in section 289A.40.

**EFFECTIVE DATE.** This section is effective retroactively for taxable years beginning after December 31, 2017, except that for partnerships that make an election under Code of Federal Regulations, title 26, section 301.9100-22T, this section is effective retroactively and applies to the same tax periods to which the election relates.

Sec. 10. Minnesota Statutes 2018, section 289A.42, is amended to read:

**289A.42 CONSENT TO EXTEND STATUTE.**

Subdivision 1. **Extension agreement.** If before the expiration of time prescribed in sections 289A.38 to 289A.384 and 289A.40 for the assessment of tax or the filing of a claim for refund, both the commissioner and the taxpayer have consented in writing to the assessment or filing of a claim for refund after that time, the tax may be assessed or the claim for refund filed at any time before the expiration of the agreed-upon period. The period may be extended by later agreements in writing before the expiration of the period previously agreed upon. The taxpayer and the commissioner may also agree to extend the period for collection of the tax.

Subd. 2. **Federal extensions.** When a taxpayer consents to an extension of time for the assessment of federal withholding or income taxes, the period in which the commissioner may recompute the tax is also extended, notwithstanding any period of limitations to the contrary, as follows:

(1) for the periods provided in section 289A.38, subdivisions 8 and 9 289A.384, subdivisions 2 and 3;

(2) for six months following the expiration of the extended federal period of limitations when no change is made by the federal authority. If no change is made by the federal authority, and, but for this subdivision, the commissioner's time period to adjust the tax has expired, and if the commissioner has completed a field audit of the taxpayer, no additional changes resulting in additional tax due or a refund may be made. equipment and computer software for use in a qualified data center, or a qualified refurbished
data center, are exempt, except that computer software maintenance agreements are exempt
for purchases made after June 30, 2013. The tax on purchases exempt under this paragraph
must be imposed and collected as if the rate under section 297A.62, subdivision 1, applied,
and then refunded after June 30, 2013, in the manner provided in section 297A.75. This
exemption includes enterprise information technology equipment and computer software
purchased to replace or upgrade enterprise information technology equipment and computer
software in a qualified data center, or a qualified refurbished data center.

(b) Electricity used or consumed in the operation of a qualified data center or qualified
refurbished data center is exempt.

(c) For purposes of this subdivision, "qualified data center" means a facility in Minnesota:

(1) that is comprised of one or more buildings that consist in the aggregate of at least
25,000 square feet, and that are located on a single parcel or on contiguous parcels, where
the total cost of construction or refurbishment, investment in enterprise information
technology equipment, and computer software is at least $30,000,000 within a 48-month
period. The 48-month period begins no sooner than July 1, 2012, except that costs for
computer software maintenance agreements purchased before July 1, 2013, are not included in determining if the $30,000,000 threshold has been met;

(2) that is constructed or substantially refurbished after June 30, 2012, where "substantially refurbished" means that at least 25,000 square feet have been rebuilt or modified, including:

(i) installation of enterprise information technology equipment; environmental control, computer software, and energy efficiency improvements; and

A facility will be considered to have enhanced security if it has restricted access to the facility to selected personnel; permanent security guards; video camera surveillance; an electronic system requiring pass codes, keycards, or biometric scans, such as hand scans and retinal or fingerprint recognition; or similar security features.

In determining whether the facility has the required square footage, the square footage of the following spaces shall be included if the spaces support the operation of enterprise information technology equipment: office space, meeting space, and mechanical and other support facilities. For purposes of this subdivision, "computer software" includes, but is not limited to, software utilized or loaded at a qualified data center or qualified refurbished data center, including maintenance, licensing, and software customization.

(d) For purposes of this subdivision, a "qualified refurbished data center" means an existing facility that qualifies as a data center under paragraph (c), clauses (2) and (3), but that is comprised of one or more buildings that consist in the aggregate of at least 25,000 square feet, and that are located on a single parcel or contiguous parcels, where the total cost of construction or refurbishment, investment in enterprise information technology equipment, and computer software is at least $50,000,000 within a 24-month period.

(e) For purposes of this subdivision, "enterprise information technology equipment" means computers and equipment supporting computing, networking, or data storage, including servers and routers. dedicated business-owned substations, backup power generation systems, battery systems,
and related infrastructure; and racking systems, cabling, and trays, which are necessary for
the maintenance and operation of the qualified data center or qualified refurbished data
center.

in this subdivision for purchases made either within 20 years of the date of its first purchase
qualifying for the exemption under paragraph (a), or by June 30, 2042, whichever is earlier.

(g) The purpose of this exemption is to create jobs in the construction and data center
industries.

(h) This subdivision is effective for sales and purchases made before July 1, 2042.

(i) The commissioner of employment and economic development must certify to the
commissioner of revenue, in a format approved by the commissioner of revenue, when a
qualified data center has met the requirements under paragraph (c) or a qualified refurbished
data center has met the requirements under paragraph (d). The certification must provide
the following information regarding each qualified data center or qualified refurbished data
center:

(2) the total amount of construction or refurbishment costs and the total amount of
qualifying investments in enterprise information technology equipment and computer
software; and

the commissioner of revenue of the qualified data centers that are projected to meet the
requirements under paragraph (c) and the qualified refurbished data centers that are projected
to meet the requirements under paragraph (d) in each of the next four years. The notification
must provide the information required under paragraph (i), clauses (1) to (4), for each
qualified data center or qualified refurbished data center.

EFFECTIVE DATE. This section is effective the day following final enactment.

116J.8738 and the commissioner of employment and economic development certifies to
the commissioner of revenue, in a format approved by the commissioner of revenue, that
the qualified business meets the requirements under section 116J.8738. This exemption
applies regardless of whether the purchases are made by the business or a contractor.

(c) The exemptions under this subdivision apply to a local sales and use tax.

(d) The tax on purchases imposed under this subdivision must be imposed and collected
as if the rate under section 297A.62 applied, and then refunded in the manner provided in
section 297A.75. The total amount refunded for a facility over the certification period is limited to the amount listed in the business subsidy agreement. No more than $7,000,000 may be refunded in a fiscal year for all purchases under this subdivision. Refunds must be allocated on a first-come, first-served basis. If more than $7,000,000 of eligible claims are made in a fiscal year, claims by qualified businesses carry over to the next fiscal year, and the commissioner of revenue must first allocate refunds to qualified businesses eligible for a refund in the preceding fiscal year. Any portion of the balance of funds allocated for refunds under this paragraph does not cancel and shall be carried forward to and available for refunds in subsequent fiscal years. Notwithstanding section 297A.75, subdivision 4, for an eligible refund claim that carries over to a subsequent fiscal year, the interest on the amount carried over must be paid on the refund no sooner than from 90 days after July 1 of the fiscal year in which funds are available for the eligible claim.

(5), the following method must be used:
A hospital, surgical center, or health care provider must determine the amount paid for
legend drugs used during the month or quarter and multiply that amount by a ratio, the

EFFECTIVE DATE. This section is effective the day following final enactment.
expense transferred under this section by a wholesale drug distributor, may transfer additional
expense generated by section 295.52 obligations on to all third-party contracts for the
purchase of health care services on behalf of a patient or consumer. Nothing shall prohibit
a pharmacy from transferring the additional expense generated under section 295.52 to a
pharmacy benefits manager. The additional expense transferred to the third-party purchaser
or a pharmacy benefits manager must not exceed the tax percentage specified in section
295.52 multiplied against the gross revenues received under the third-party contract, and
the tax percentage specified in section 295.52 multiplied against co-payments and deductibles
paid by the individual patient or consumer. The expense must not be generated on revenues
derived from payments that are excluded from the tax under section 295.53. All third-party
purchasers of health care services including, but not limited to, third-party purchasers
under section 471.61 or 471.617, and pharmacy benefits managers must pay the transferred
expense in addition to any payments due under existing contracts with the hospital, surgical
center, pharmacy, or health care provider, to the extent allowed under federal law. A
third-party purchaser of health care services includes, but is not limited to, a health carrier
or community integrated service network that pays for health care services on behalf of
patients or that reimburses, indemnifies, compensates, or otherwise insures patients for
health care services. For purposes of this section, a pharmacy benefits manager means an
entity that performs pharmacy benefits management. A third-party purchaser or pharmacy
benefits manager shall comply with this section regardless of whether the third-party
purchaser or pharmacy benefits manager is a for-profit, not-for-profit, or nonprofit entity.
A wholesale drug distributor may transfer additional expense generated by section 295.52
obligations to entities that purchase from the wholesaler, and the entities must pay the
additional expense. Nothing in this section limits the ability of a hospital, surgical center,
pharmacy, wholesale drug distributor, or health care provider to recover all or part of the
section 295.52 obligation by other methods, including increasing fees or charges.

(a) The tax expense generated by section 295.52 may be transferred as follows:

(1) a hospital, surgical center, or health care provider subject to the tax under section
295.52 may transfer the tax expense to all third-party contracts for the purchase of health
care services on behalf of a patient or consumer;

(2) a wholesale drug distributor subject to the tax under section 295.52 may transfer the
tax expense to entities that purchase legend drugs from the wholesale drug distributor; and

(3) a pharmacy that has paid the tax expense transferred by a wholesale drug distributor
may transfer the tax expense to all third-party contracts for the purchase of health care
services on behalf of a patient or consumer. Nothing shall prohibit a pharmacy from

transferring the tax expense generated under section 295.52 to a pharmacy benefits manager.

(b) The transfer of the tax expense under paragraph (a) must comply with the following:

(1) the tax expense transferred to the third-party purchaser or a pharmacy benefits

manager must not exceed the tax percentage specified in section 295.52 multiplied against:

(i) gross revenues received under the third-party contract; and

(ii) co-payments and deductibles paid by the individual patient or consumer; and

(2) the tax expense must not be generated on revenues derived from payments that are

excluded or exempted from the tax under section 295.53.

(c) Payment of the transferred tax expense is required as follows:

(1) all third-party purchasers of health care services, including but not limited to

65B, 79, or 79A, or under section 471.61 or 471.617, and pharmacy benefits managers must

pay the transferred expense. This is in addition to any payments due under existing contracts

with the hospital, surgical center, pharmacy, or health care provider, to the extent allowed

under federal law; and

(2) all entities that purchase legend drugs from a wholesale drug distributor must pay

the transferred expense.

(d) A third-party purchaser or pharmacy benefits manager must comply with this section

regardless of whether the third-party purchaser or pharmacy benefits manager is a for-profit,

not-for-profit, or nonprofit entity.

(e) Nothing in this section limits the ability of a hospital, surgical center, health care

provider, pharmacy, or wholesale drug distributor to recover all or part of the section 295.52

obligation by other methods, including increasing fees or charges.

(f) Any hospital, surgical center, or health care provider subject to a tax under section

295.52 or a pharmacy that has paid the additional expense transferred under this section by

a wholesale drug distributor may file a complaint with the commissioner responsible for

regulating the third-party purchaser if at any time the third-party purchaser fails to comply

with paragraph (a) this section.

(g) If the commissioner responsible for regulating the third-party purchaser finds at

any time that the third-party purchaser has not complied with paragraph (a) this section, the

commissioner may take enforcement action against a third-party purchaser which is subject

Article 15 Sec. 13.  280
281.1 to the commissioner's regulatory jurisdiction and which does not allow a hospital, surgical
281.2 center, pharmacy, or provider to pass-through the tax expense. The commissioner may by
281.3 order fine or censure the third-party purchaser or revoke or suspend the certificate of authority
281.4 or license of the third-party purchaser to do business in this state if the commissioner finds
281.5 that the third-party purchaser has not complied with this section. The third-party purchaser
281.6 may appeal the commissioner's order through a contested case hearing in accordance with
281.7 chapter 14.

281.8 **EFFECTIVE DATE.** This section is effective the day following final enactment.

281.9

281.10 **ARTICLE 16**

281.11 **PROPERTY TAX POLICY**

281.12 Section 1. Minnesota Statutes 2018, section 162.145, subdivision 3, is amended to read:

281.13 Subd. 3. Administration. (a) Subject to funds made available by law, the commissioner
281.14 shall allocate all funds as provided in subdivision 4 and shall notify, by June 1, certify to
281.15 the commissioner of revenue the amounts to be paid.

281.16 (b) Following notification certification from the commissioner of transportation, the
281.17 commissioner of revenue shall distribute the specified funds to cities in the same manner
281.18 as local government aid under chapter 477A. An appropriation to the commissioner of
281.19 transportation under this section is available to the commissioner of revenue for the purposes
281.20 specified in this paragraph.

281.21 (c) Notwithstanding other law to the contrary, in order to receive distributions under
281.22 this section, a city must conform to the standards in section 477A.017, subdivision 2. A city
281.23 that receives funds under this section must make and preserve records necessary to show
281.24 that the funds are spent in compliance with subdivision 4.

281.25 **EFFECTIVE DATE.** This section is effective for aids payable in 2019 and thereafter.

281.26 Sec. 2. Minnesota Statutes 2018, section 273.124, subdivision 13, is amended to read:

281.27 Subd. 13. Homestead application. (a) A person who meets the homestead requirements
281.28 under subdivision 1 must file a homestead application with the county assessor to initially
281.29 obtain homestead classification.

281.30 (b) The commissioner shall prescribe the content, format, and manner of the homestead
281.31 application required to be filed under this chapter pursuant to section 270C.30. The
281.32 application must clearly inform the taxpayer that this application must be signed by all
owners who occupy the property or by the qualifying relative and returned to the county
assessor in order for the property to receive homestead treatment.

(c) Every property owner applying for homestead classification must furnish to the
county assessor the Social Security number of each occupant who is listed as an owner of
the property on the deed of record, the name and address of each owner who does not occupy
the property, and the name and Social Security number of each owner's the spouse of each
occupying owner. The application must be signed by each owner who occupies the property
and by each owner's spouse who occupies the property, or, in the case of property that
qualifies as a homestead under subdivision 1, paragraph (c), by the qualifying relative.

If a property owner occupies a homestead, the property owner's spouse may not claim
another property as a homestead unless the property owner and the property owner's spouse
file with the assessor an affidavit or other proof required by the assessor stating that the
property qualifies as a homestead under subdivision 1, paragraph (e).

Owners or spouses occupying residences owned by their spouses and previously occupied
with the other spouse, either of whom fail to include the other spouse's name and Social
Security number on the homestead application or provide the affidavits or other proof
requested, will be deemed to have elected to receive only partial homestead treatment of
their residence. The remainder of the residence will be classified as nonhomestead residential.

When an owner or spouse's name and Social Security number appear on homestead
applications for two separate residences and only one application is signed, the owner or
spouse will be deemed to have elected to homestead the residence for which the application
was signed.

(d) If residential real estate is occupied and used for purposes of a homestead by a relative
of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for
the property to receive homestead status, a homestead application must be filed with the
assessor. The Social Security number of each relative occupying the property and the name
and Social Security number of the spouse of a relative occupying the property shall be
required on the homestead application filed under this subdivision. If a different relative of
the owner subsequently occupies the property, the owner of the property must notify the
assessor within 30 days of the change in occupancy. The Social Security number of a relative
occupying the property or the spouse of a relative occupying the property is private data on
individuals as defined by section 13.02, subdivision 12, but may be disclosed to the
commissioner of revenue, or, for the purposes of proceeding under the Revenue Recapture
Act to recover personal property taxes owing, to the county treasurer.
(e) The homestead application shall also notify the property owners that if the property
is granted homestead status for any assessment year, that same property shall remain
classified as homestead until the property is sold or transferred to another person, or the
owners, the spouse of the owner, or the relatives no longer use the property as their
homestead. Upon the sale or transfer of the homestead property, a certificate of value must
be timely filed with the county auditor as provided under section 272.115. Failure to notify
the assessor within 30 days that the property has been sold, transferred, or that the owner,
the spouse of the owner, or the relative is no longer occupying the property as a homestead,
shall result in the penalty provided under this subdivision and the property will lose its
current homestead status.

(f) If a homestead application has not been filed with the county by December 15, the
assessor shall classify the property as nonhomestead for the current assessment year for
taxes payable in the following year, provided that the owner may be entitled to receive the
homestead classification by proper application under section 375.192.

**EFFECTIVE DATE.** This section is effective for applications for homestead filed in
2020 and thereafter.

(b) If more than one fire department provides service to a municipality, the fire departments furnishing service must enter into an agreement apportioning among themselves the percentage of the population and the percentage of the estimated market value of each shared service fire department service area. The agreement must be in writing and must be filed with the commissioner.

The penalty must be computed beginning ten days after the postmark date of the commissioner's notification. Aid amounts forfeited as a result of the penalty revert to the state general fund. Failure to receive the certification form is not a defense for a failure to file.

Subd. 11. **Determination by commissioner.** The commissioner must determine which municipalities and independent nonprofit firefighting corporations are qualified to receive fire state aid directly or are qualified to receive the benefit of fire state aid paid to the voluntary statewide volunteer firefighter retirement plan based on compliance with the requirements of this section and the financial compliance report required under section 6.495, subdivision 3, if applicable. The commissioner may take into account any other relevant information that comes to the attention of the commissioner when making the determination.

**EFFECTIVE DATE.** This section is effective for aids payable in 2020 and thereafter.

Sec. 3. [477B.03] **CALCULATION OF FIRE STATE AID; APPEAL.**

Subdivision 1. **Certification and calculation of fire state aid.** (a) On or before October 1, the commissioner must calculate the amount of fire state aid that each municipality or independent nonprofit firefighting corporation is to receive.

(b) The commissioner must calculate an initial fire state aid allocation amount for each municipality or independent nonprofit firefighting corporation under subdivision 4 and, if applicable, a minimum fire state aid allocation amount for each municipality or independent
nonprofit firefighting corporation under subdivision 5. The municipality or independent
nonprofit firefighting corporation must be apportioned the greater of the amounts calculated
under subdivisions 4 and 5.

Subd. 2. Apportionment of fire state aid. (a) The amount of fire state aid available for
apportionment, before the addition of the minimum fire state aid allocation amount under
subdivision 5, is equal to 107 percent of the amount of premium taxes paid to the state upon
the fire, lightning, sprinkler leakage, and extended coverage premiums reported to the
commissioner by companies or insurance companies on the Minnesota Fire Premium Report.
This amount must be reduced by the amount required to pay the state auditor's costs and
expenses of the audits or exams of the firefighters' relief associations.

(b) The total amount available for apportionment must not be less than two percent of
the premiums less return premiums reported to the commissioner by companies or insurance
companies on the Minnesota Fire Premium Report after subtracting the following amounts:

(1) the amount required to pay the state auditor's costs and expenses of the audits or
exams of the firefighters' relief associations; and

(2) one percent of the premiums reported by township mutual insurance companies and
mutual property and casualty companies with total assets of $5,000,000 or less.

(c) The commissioner must apportion the fire state aid to each municipality or independent
nonprofit firefighting corporation qualified under section 477B.02 relative to the premiums
reported on the Minnesota Fire Premium Reports filed under this chapter.

(d) The commissioner must calculate the percentage of increase or decrease reflected in
the apportionment over or under the previous year's available state aid using the same
premiums as a basis for comparison.

Subd. 3. Population and estimated market value. (a) Official statewide federal census
figures must be used in calculations requiring the use of population figures under this chapter.
Increases or decreases in population disclosed by reason of any special census must not be
taken into consideration.

(b) The latest available estimated market value property figures must be used in
calculations requiring the use of estimated market value property figures under this chapter.

Subd. 4. Initial fire state aid allocation amount. (a) The initial fire state aid allocation
amount is the amount available for apportionment as fire state aid under subdivision 2,
without the inclusion of any additional funding amount to support a minimum fire state aid
amount under section 423A.02, subdivision 3. The initial fire state aid allocation amount
is allocated one-half in proportion to the population for each fire department service area
and one-half in proportion to the estimated market value of each fire department service
area, including (1) the estimated market value of tax-exempt property, and (2) the estimated
market value of natural resources lands receiving in lieu payments under sections 477A.11
to 477A.14 and 477A.17. The estimated market value of minerals is excluded.

(b) In the case of a municipality or independent nonprofit firefighting corporation
furnishing fire protection to other municipalities as evidenced by valid fire service contracts
filed with the commissioner under section 477B.02, subdivision 5, the distribution must be
adjusted proportionately to take into consideration the crossover fire protection service.
Necessary adjustments must be made to subsequent apportionments.

(c) In the case of municipalities or independent nonprofit firefighting corporations
qualifying for aid, the commissioner must calculate the state aid for the municipality or
independent nonprofit firefighting corporation on the basis of the population and the estimated
market value of the area furnished fire protection service by the fire department as evidenced
by fire service agreements filed with the commissioner under section 477B.02, subdivision
5.

(d) In the case of more than one fire department furnishing contracted fire service to a
municipality, the population and estimated market value in the apportionment agreement
filed with the commissioner under section 477B.02, subdivision 5, must be used in calculating
the state aid.

Subd. 5. Minimum fire state aid allocation amount. (a) The minimum fire state aid
allocation amount is the amount derived from any additional funding amount to support a
minimum fire state aid amount under section 423A.02, subdivision 3. The minimum fire
state aid allocation amount is allocated to municipalities or independent nonprofit firefighting
corporations with volunteer firefighters’ relief associations or covered by the voluntary
statewide volunteer firefighter retirement plan. The amount is based on the number of active
volunteer firefighters who are (1) members of the relief association as reported to the Office
of the State Auditor in a specific annual financial reporting year as specified in paragraphs
(b) to (d), or (2) covered by the voluntary statewide volunteer firefighter retirement plan as
specified in paragraph (e).

(b) For relief associations established in calendar year 1993 or a prior year, the number
of active volunteer firefighters equals the number of active volunteer firefighters who were
members of the relief association as reported in the annual financial reporting for calendar
year 1993, but not to exceed 30 active volunteer firefighters.
(c) For relief associations established in calendar year 1994 through calendar year 1999, the number of active volunteer firefighters equals the number of active volunteer firefighters who were members of the relief association as reported in the annual financial reporting for calendar year 1998 to the Office of the State Auditor, but not to exceed 30 active volunteer firefighters.

(d) For relief associations established after calendar year 1999, the number of active volunteer firefighters equals the number of active volunteer firefighters who are members of the relief association as reported in the first annual financial reporting submitted to the Office of the State Auditor, but not to exceed 20 active volunteer firefighters.

(e) If a relief association is terminated as a result of providing retirement coverage for volunteer firefighters by the voluntary statewide volunteer firefighter retirement plan under chapter 353G, the number of active volunteer firefighters equals the number of active volunteer firefighters of the municipality or independent nonprofit firefighting corporation covered by the statewide plan as certified by the executive director of the Public Employees Retirement Association to the commissioner and the state auditor, but not to exceed 30 active firefighters.

Subd. 6. Corrective aid adjustments. Any adjustments needed to correct prior misallocations must be made to subsequent fire state aid apportionments.

Subd. 7. Appeal. A municipality, an independent nonprofit firefighting corporation, a fire relief association, or the voluntary statewide volunteer firefighter retirement plan may object to the amount of fire state aid apportioned to it by filing a written request with the commissioner to review and adjust the apportionment of funds within the state. The decision of the commissioner is subject to appeal, review, and adjustment by the district court in the county in which the applicable municipality or independent nonprofit firefighting corporation is located or by the Ramsey County District Court with respect to the voluntary statewide volunteer firefighter retirement plan.

EFFECTIVE DATE. This section is effective for aids payable in 2020 and thereafter.

Sec. 4. [477B.04] APPROPRIATION, PAYMENT, AND ADMINISTRATION.

Subdivision 1. Payments. (a) The commissioner must make payments to the Public Employees Retirement Association for deposit in the voluntary statewide volunteer firefighter retirement fund on behalf of a municipality or independent nonprofit firefighting corporation that is a member of the voluntary statewide volunteer firefighter retirement plan under chapter 353G, or directly to a municipality or county designated by an independent nonprofit
firefighting corporation. The payment is equal to the amount of fire state aid apportioned
to the applicable fire state aid recipient under section 477B.03.

(b) Fire state aid is payable on October 1 annually. The amount of state aid due and not
paid by October 1 accrues interest payable to the recipient at the rate of one percent for each
month or part of a month that the amount remains unpaid after October 1.

(c) The interest under paragraph (b) does not apply when payment has not been made
by October 1 due to noncompliance with sections 424A.014 and 477B.02, subdivision 7.

Subd. 2. Appropriation. The amount necessary to make the payments under this section
and section 477B.03 is annually appropriated to the commissioner from the general fund.

Subd. 3. Deposit of state aid. (a) If the municipality or the independent nonprofit
firefighting corporation is covered by the voluntary statewide volunteer firefighter retirement
plan under chapter 353G, the executive director of the Public Employees Retirement
Association must credit the fire state aid against future municipal contribution requirements
under section 353G.08 and must notify the municipality or the independent nonprofit
firefighting corporation of the fire state aid so credited at least annually.

(b) If the municipality or the independent nonprofit firefighting corporation is not covered
by the voluntary statewide volunteer firefighter retirement plan, the treasurer of the
municipality must, within 30 days after receipt, transmit the fire state aid to the treasurer
of the duly incorporated firefighters' relief association if there is one organized and the
association has filed a financial report with the municipality pursuant to section 424A.014,
subdivision 1 or 2, whichever applies. If the relief association has not filed a financial report
with the municipality, the treasurer of the municipality must delay transmission of the fire
state aid to the relief association until the complete financial report is filed.

(c) The treasurer of the municipality must deposit the fire state aid money in the municipal
treasury if (1) the municipality or independent nonprofit firefighting corporation is not
covered by the voluntary statewide volunteer firefighter retirement plan, (2) there is no
relief association organized, (3) the association has dissolved, or (4) the association has
been removed as trustees of state aid. The money may be disbursed from the municipal
treasury only for the purposes and in the manner set forth in section 424A.08 or for the
payment of the employer contribution requirement with respect to firefighters covered by
the public employees police and fire retirement plan under section 353.65, subdivision 3.

EFFECTIVE DATE. This section is effective for aids payable in 2020 and thereafter.
Sec. 5. [477B.05] SHORTFALL FROM GENERAL FUND.

(a) If the annual funding requirements of fire relief associations or consolidation accounts under sections 424A.091 to 424A.095 or Laws 2013, chapter 111, article 5, sections 31 to 42, exceed all applicable revenue sources of a given year, including the insurance premium taxes funding fire state aid under this chapter as set under section 297I.05, subdivisions 2, 3, and 4, the shortfall in the annual funding requirements must be paid from the general fund to the extent appropriated by the legislature.

(b) Nothing in this section relieves any municipality from its obligation to a relief association or consolidation account under law.

EFFECTIVE DATE. This section is effective for aids payable in 2020 and thereafter.

Sec. 6. PURPOSE.

It is the intent of the legislature to make Minnesota's fire and police state aid laws more understandable by separating and recodifying disparate administration and compliance provisions currently contained in chapter 69 of Minnesota Statutes. Due to the complexity of the recodification, prior provisions are repealed on the effective date of the new provisions.

EFFECTIVE DATE. This section is effective July 1, 2019.

Sec. 7. REPEALER.

Minnesota Statutes 2018, sections 69.011, subdivisions 1, 2, 2b, 2c, 3, and 4; 69.021, subdivisions 1, 2, 3, 4, 5, 7, 7a, 8, 9, 10, and 11; 69.031, subdivisions 1, 3, and 5; and 69.041, are repealed.

EFFECTIVE DATE. This section is effective for aids payable in 2020 and thereafter.

ARTICLE 18

POLICE STATE AID; TECHNICAL CHANGES

Section 1. [477C.01] DEFINITIONS.

Subdivision 1. Scope. Unless the language or context clearly indicates that a different meaning is intended, the following words and terms, for the purposes of this chapter and chapter 423A have the meanings given to them.

Subd. 2. Commissioner. "Commissioner" means the commissioner of revenue.

Subd. 3. Company or insurance company. "Company" or "insurance company" has the meaning given in section 60A.02, subdivision 4.
Subd. 4. *Minnesota Aid to Police Premium Report.* "Minnesota Aid to Police Premium Report" means a form for reporting the total gross premiums, less return premiums and dividends, on all direct business received by an insurance company in this state during the preceding calendar year, with reference to insurance written for perils contained in auto insurance coverages as reported to the National Association of Insurance Commissioners and the commissioner of commerce.

Subd. 5. *Municipal clerk, municipal clerk-treasurer, or county auditor.* "Municipal clerk," "municipal clerk-treasurer," or "county auditor" means:

1. the person elected or appointed to the position of municipal clerk, municipal clerk-treasurer, or county auditor or, if there is no such person, the chief financial official or the person primarily responsible for managing the finances of a municipality;

2. for a park district, the secretary of the board of park district commissioners;

3. for the University of Minnesota, the official designated by the Board of Regents;

4. for the Metropolitan Airports Commission, the person designated by the commission;

5. for the Departments of Natural Resources and Public Safety, the respective commissioner of the agency; and

6. for a tribal police department that exercises state arrest powers under section 626.90, 626.91, 626.92, or 626.93, the person designated by the applicable American Indian tribal government.

Subd. 6. *Municipality.* (a) "Municipality" means:

1. a home rule charter or statutory city;

2. an organized town;

3. a county;

4. a park district subject to chapter 398;

5. the University of Minnesota;

6. an American Indian tribal government with a tribal police department that exercises state arrest powers under section 626.90, 626.91, 626.92, or 626.93;

7. the Metropolitan Airports Commission; and

8. the Departments of Natural Resources and Public Safety with respect to peace officers covered under chapter 352B.
(b) This subdivision only applies to chapter 477C.

Subd. 7. *Peace officer.* "Peace officer" means any person:

1. whose primary source of income derived from wages is from direct employment by a municipality as a law enforcement officer on a full-time basis of not less than 30 hours per week;
2. who has been employed for a minimum of six months before December 31 preceding the date of the current year's certification under section 477C.02, subdivision 1;
3. who is sworn to enforce the general criminal laws of the state and local ordinances;
4. who is licensed by the Peace Officers Standards and Training Board and is authorized to arrest with a warrant; and
5. who is a member of the State Patrol retirement plan or the public employees police and fire fund.

**EFFECTIVE DATE.** This section is effective for aids payable in 2020 and thereafter.

Sec. 2. [477C.02] QUALIFYING FOR POLICE STATE AID.

Subdivision 1. **Certification to commissioner.** (a) A certification made under this section must be filed with the commissioner on a form prescribed by the commissioner and must include all other facts that the commissioner requires.

(b) Except as provided in subdivision 2, on or before March 15 annually, the municipal clerk, municipal clerk-treasurer, or county auditor of each municipality employing one or more peace officers must certify to the commissioner the number of peace officers employed during the previous calendar year. No peace officer may be included in the certification by more than one municipality for the same month.

(c) Credit for peace officers employed less than a full year must be apportioned. Each full month of employment of a qualifying officer during the calendar year entitles the employing municipality to credit for 1/12 of the payment for employment of a peace officer for the entire year. For purposes of this chapter, employment of a peace officer begins when the peace officer is entered on the payroll of the employing municipality.

Subd. 2. **Departments of Natural Resources and Public Safety.** On or before March 15 annually, the commissioner of natural resources must certify the number of peace officers employed by the Enforcement Division and the commissioner of public safety must certify the number of peace officers employed by the Bureau of Criminal Apprehension, the Gambling Enforcement Division, and the State Patrol Division. The certification must be
on the form described in subdivision 1, paragraph (a). Peace officers certified under this
subdivision must be included in the total certifications under subdivision 1.

Subd. 3. Ineligibility of certain peace officers. A peace officer employed by the
University of Minnesota who is required by the Board of Regents to be a member of the
University of Minnesota faculty retirement plan is not eligible to be included in any police
state aid certification under this section.

Subd. 4. Penalty for failure to file certification. (a) If a certification under subdivision
1 or 2 is not filed with the commissioner on or before March 15, the commissioner must
notify the municipal clerk, municipal clerk-treasurer, or county auditor that a penalty equal
to a portion or all of its current year aid will apply if the certification is not received within
ten days.

(b) The penalty for failure to file the certification under subdivision 1 or 2 is equal to
the amount of police state aid determined for the municipality for the current year, multiplied
by five percent for each week or fraction of a week that the certification is late. The penalty
must be computed beginning ten days after the postmark date of the commissioner's
notification as required under this subdivision. All aid amounts forfeited as a result of the
penalty revert to the state general fund. Failure to receive the certification form may not be
used as a defense for a failure to file.

Subd. 5. Determination by commissioner. The commissioner must determine which
municipalities are qualified to receive police state aid based on compliance with the
requirements of this section. The commissioner may take into account any other relevant
information that comes to the attention of the commissioner when making the determination.

EFFECTIVE DATE. This section is effective for aids payable in 2020 and thereafter.

Sec. 3. [477C.03] CALCULATION OF POLICE STATE AID; APPEAL.

Subdivision 1. Certification and calculation of police state aid. (a) On or before
October 1, the commissioner must calculate the amount of police state aid that each
municipality is to receive.

(b) The commissioner must calculate an excess police state aid amount for each
municipality under subdivision 3 and must reduce the apportionment amount for each
municipality based on the calculation.

Subd. 2. Apportionment of police state aid. (a) The total amount available for
apportionment as police state aid is equal to 104 percent of the amount of premium taxes
paid to the state on the premiums reported to the commissioner by companies or insurance
companies on the Minnesota Aid to Police Premium Report. The total amount for
apportionment for the police state aid program must not be less than two percent of the
amount of premiums reported to the commissioner by companies or insurance companies
on the Minnesota Aid to Police Premium Report.

(b) The commissioner must calculate the percentage of increase or decrease reflected in
the apportionment over or under the previous year's available state aid using the same
premiums as a basis for comparison.

(c) In addition to the amount for apportionment of police state aid under paragraph (a),
each year $100,000 must be apportioned for police state aid. An amount sufficient to pay
this increase is annually appropriated from the general fund.

(d) The commissioner must apportion police state aid to all municipalities in proportion
to the relationship that the total number of peace officers employed by that municipality for
the prior calendar year and the proportional or fractional number who were employed less
than a calendar year as credited under section 477C.02, subdivision 1, paragraph (c), bears
to the total number of peace officers employed by all municipalities subject to any reduction
under subdivision 3.

(e) Any necessary additional adjustments must be made to subsequent police state aid
apportionments.

Subd. 3. Apportionment reduction; excess police state aid. (a) The commissioner
must reduce the apportionment of police state aid under this section for eligible municipalities
by the amount of any excess police state aid calculated under this subdivision.

(b) The commissioner must calculate the amount of excess police state aid for each
municipality as follows:

(1) for municipalities in which police retirement coverage is provided wholly by the
public employees police and fire fund and all peace officers are members of the plan governed
by sections 353.63 to 353.657, the excess police state aid amount equals the amount of
police state aid apportioned under subdivision 2 that exceeds the employer's total prior
calendar year obligation as defined in paragraph (c), as certified by the executive director
of the Public Employees Retirement Association;

(2) for the Metropolitan Airports Commission, the excess police state aid amount equals
the amount of apportioned police aid calculated under subdivision 2 that exceeds the
commission's total prior calendar year obligation as defined in paragraph (c), as certified
by the executive director of the Public Employees Retirement Association; and

Article 18 Sec. 3. 296
(3) for the Departments of Natural Resources and Public Safety, the excess police state
aid amount equals the amount of apportioned police aid calculated under subdivision 2 that
exceeds the employer's total prior calendar year obligation under section 352B.02, subdivision
1c, for plan members who are peace officers, as certified by the executive director of the
Minnesota State Retirement System.

(c) The municipality's total prior calendar year obligation with respect to the public
employees police and fire plan under paragraph (b), clause (1), is the total prior calendar
year obligation under section 353.65, subdivision 3, for police officers as defined in section
353.64, subdivisions 1, 1a, and 2, and the actual total prior calendar year obligation under
section 353.65, subdivision 3, for firefighters, as defined in section 353.64, subdivisions 1,
la, and 2, but not to exceed for those firefighters the applicable following employer calendar
year amount:

(d) The total amount of excess police state aid must be deposited in the excess police state aid account in the general fund, and administered and distributed as provided in subdivision 4.

Subd. 4. **Excess police state aid holding account.** (a) The excess police state aid holding account is established in the general fund. The excess police state aid holding account is administered by the commissioner.

(b) Excess police state aid determined under subdivision 3 must be deposited annually in the excess police state aid holding account.

(c) From the balance in the excess police state aid holding account, $900,000 must be canceled annually to the general fund.
(d) On October 1 annually, one-half of the balance of the excess police state aid holding account remaining after the deduction under paragraph (c) is appropriated for additional amortization aid under section 423A.02, subdivision 1b.

(e) The remaining balance in the excess police state aid holding account, after the deductions under paragraphs (c) and (d), must be canceled annually to the general fund.

Subd. 5. Appeal. A municipality may object to the amount of police state aid apportioned to it by filing a written request with the commissioner to review and adjust the apportionment of funds to the municipality. The decision of the commissioner is subject to appeal, review, and adjustment by the district court in the county in which the applicable municipality is located or by the Ramsey County District Court with respect to the Departments of Natural Resources or Public Safety.

EFFECTIVE DATE. This section is effective for aids payable in 2020 and thereafter.
Subd. 3. Deposit of state aid. (a) For a municipality in which police retirement coverage is provided by the public employees police and fire fund and all peace officers are members of the fund, including municipalities covered by section 353.665, the total state aid must be applied toward the municipality's employer contribution to the public employees police and fire fund under sections 353.65, subdivision 3, and 353.665, subdivision 8.

(b) The county treasurer, upon receipt of the police state aid for the county, must apply the total state aid toward the county's employer contribution to the public employees police and fire fund under section 353.65, subdivision 3.

c) The designated Metropolitan Airports Commission official, upon receipt of the police state aid for the Metropolitan Airports Commission, must apply the total police state aid toward the commission's employer contribution for peace officers to the public employees police and fire plan under section 353.65, subdivision 3.

d) The commissioners of public safety and natural resources must allocate the police state aid first for employer contributions funded from the general fund and then for employer contributions funded from other funds. For peace officers employed by the Departments of Natural Resources or Public Safety whose salaries are paid from the general fund, the amounts transferred from the appropriation for police state aid must be canceled to the general fund.

EFFECTIVE DATE. This section is effective for aids payable in 2020 and thereafter.

ARTICLE 19

FIRE AND POLICE STATE AID; MISCELLANEOUS TECHNICAL CHANGES

Section 1. [2971.26] FIRE AND POLICE PREMIUM REPORTS.

Subdivision 1. Filing reports. (a) Each company must file with the commissioner the reports defined in sections 477B.01, subdivision 8, and 477C.01, subdivision 4, signed by the authorized representative of the company, on or before March 1 annually. The fire and extended coverage portion of multiperil package premiums and all other combination premiums must be determined by applying percentages determined by the commissioner or by rating bureaus recognized by the commissioner. The commissioner shall prescribe the content, form, and manner of the reports.

(b) The commissioner must notify each company that fails to timely file the report required under paragraph (a). The notice must demand that the company file the report within 30 days. Where good cause exists, the commissioner may extend the period for filing.
Subd. 2. Penalties. (a) A company that fails to file the report on or before the due date in subdivision 1 is liable for a penalty equal to $25 for each seven days, or fraction thereof, that the report is delinquent, but not to exceed $200.

(b) Any person whose duty it is to file the report and who fails or refuses to file within 30 days after the postmark of the notice in subdivision 1 must be fined an amount of no more than $1,000.

(c) Any company that knowingly makes and files an inaccurate or false report is liable for a fine in an amount not less than $25 nor more than $1,000, as determined by the commissioner, and the commissioner of commerce may revoke the company's certificate of authority.

EFFECTIVE DATE. This section is effective for reports filed after December 31, 2019.

Sec. 2. [424A.014] FINANCIAL REPORT; BOND; EXAMINATION.

Subdivision 1. Financial report and audit. (a) The board of the Bloomington Fire Department Relief Association and each volunteer firefighters relief association with assets of at least $500,000 or liabilities of at least $500,000 in the prior year or in any previous year, according to the applicable actuarial valuation or according to the financial report if no valuation is required, must prepare a financial report covering the special and general funds of the relief association for the preceding fiscal year, file the financial report, and submit financial statements.

(b) The financial report must contain financial statements and disclosures that present the true financial condition of the relief association and the results of relief association operations in conformity with generally accepted accounting principles and in compliance with the regulatory, financing, and funding provisions of this chapter and any other applicable laws. The financial report must be countersigned by:

(1) the municipal clerk or clerk-treasurer of the municipality in which the relief association is located if the relief association is a firefighters’ relief association that is directly associated with a municipal fire department;

(2) the municipal clerk or clerk-treasurer of the largest municipality in population that contracts with the independent nonprofit firefighting corporation if the volunteer firefighter relief association is a subsidiary of an independent nonprofit firefighting corporation, and by the secretary of the independent nonprofit firefighting corporation; or
(3) the chief financial official of the county in which the volunteer firefighter relief association is located or primarily located if the relief association is associated with a fire department that is not located in or associated with an organized municipality.

(c) The financial report must be retained in the office of the Bloomington Fire Department Relief Association or the volunteer firefighter relief association for public inspection and must be filed with the governing body of the government subdivision in which the associated fire department is located after the close of the fiscal year. One copy of the financial report must be furnished to the state auditor after the close of the fiscal year.

(d) Audited financial statements must be attested to by a certified public accountant or by the state auditor and must be filed with the state auditor on or before June 30 after the close of the fiscal year. The state auditor may accept this report in lieu of the report required in paragraph (c).

Subd. 2. Financial statement. (a) The board of each volunteer firefighter relief association that is not required to file a financial report and audit under subdivision 1 must prepare a detailed statement of the financial affairs for the preceding fiscal year of the relief association's special and general funds in the style and form prescribed by the state auditor.

The detailed statement must show:

(1) the sources and amounts of all money received;

(2) all disbursements, accounts payable, and accounts receivable;

(3) the amount of money remaining in the treasury;

(4) total assets, including a listing of all investments;

(5) the accrued liabilities; and

(6) all other items necessary to show accurately the revenues and expenditures and financial position of the relief association.

(b) The detailed financial statement of the special and general funds required under paragraph (a) must be certified by a certified public accountant or by the state auditor in accordance with agreed-upon procedures and forms prescribed by the state auditor. The accountant must have at least five years of public accounting, auditing, or similar experience and must not be an active, inactive, or retired member of the relief association or the fire department.

(c) The detailed financial statement required under paragraph (a) must be countersigned by:
(1) the municipal clerk or clerk-treasurer of the municipality;

(2) where applicable, the municipal clerk or clerk-treasurer of the largest municipality in population that contracts with the independent nonprofit firefighting corporation if the relief association is a subsidiary of an independent nonprofit firefighting corporation, and by the secretary of the independent nonprofit firefighting corporation; or

(3) the chief financial official of the county in which the volunteer firefighter relief association is located or primarily located if the relief association is associated with a fire department that is not located in or associated with an organized municipality.

(d) The volunteer firefighters relief association board must submit a copy of the detailed financial statement required under paragraph (a) that has been certified by the governing body of the municipality to the state auditor on or before March 31 after the close of the fiscal year.

(e) A certified public accountant or auditor who performs the agreed-upon procedures under paragraph (b) is subject to the reporting requirement of section 6.67.

Subd. 3. Qualification. The state auditor may, upon a demonstration by a relief association of hardship or an inability to conform, extend the deadline for reports under subdivision 1 or 2, but not beyond November 30 following the due date. If the reports are not received by November 30, the municipality or relief association forfeits its current year state aid, and, until the state auditor receives the required information, the relief association or municipality is ineligible to receive any future state aid. A municipality or relief association does not qualify initially to receive, or be entitled subsequently to retain, fire state aid and police and firefighter retirement supplemental state aid payable under chapter 477B and section 423A.022 if the financial reporting requirement or the applicable requirements of this chapter or any other statute or special law have not been complied with or are not fulfilled.

Subd. 4. Treasurer bond. (a) The treasurer of the Bloomington Fire Department Relief Association may not enter upon duties without having given the association a bond in a reasonable amount acceptable to the municipality for the faithful discharge of duties according to law.

Sec. 5. Minnesota Statutes 2018, section 353G.05, subdivision 2, is amended to read:

Subd. 2. Election of coverage; lump sum. (a) The process for electing coverage of volunteer firefighters by the lump-sum retirement division is initiated by a request to the executive director for a cost analysis of the prospective retirement coverage under the lump-sum retirement division.

(b) If the volunteer firefighters are currently covered by a lump-sum volunteer firefighter relief association or a defined contribution volunteer firefighter relief association governed by chapter 424A, the cost analysis of the prospective retirement coverage must be requested jointly by the secretary of the volunteer firefighter relief association, following approval of the request by the board of the volunteer firefighter relief association, and the chief administrative officer of the entity associated with the relief association, following approval of the request by the governing body of the entity associated with the relief association. If the relief association is associated with more than one entity, the chief administrative officer of each associated entity must execute the request. If the volunteer firefighters are not
currently covered by a volunteer firefighter relief association, the cost analysis of the
prospective retirement coverage must be requested by the chief administrative officer of
the entity operating the fire department. The request must be made in writing and must be
made on a form prescribed by the executive director.

(c) The cost analysis of the prospective retirement coverage by the lump-sum retirement
division of the statewide retirement plan must be based on the service pension amount under
section 353G.11 closest to the service pension amount provided by the volunteer firefighter
relief association if the relief association is a lump-sum defined benefit plan, or the amount
equal to 95 percent of the most current average account balance per relief association member
if the relief association is a defined contribution plan, or to the lowest service pension amount
under section 353G.11 if there is no volunteer firefighter relief association, rounded up, and
any other service pension amount designated by the requester or requesters. The cost analysis
must be prepared using a mathematical procedure certified as accurate by an approved
actuary retained by the Public Employees Retirement Association.

(d) If a cost analysis is requested and a volunteer firefighters' fire department relief association

fashion, upon request by the executive director, the state auditor shall provide the most
recent data available on the financial condition of the volunteer firefighter relief association,
the most recent firefighter demographic data available, and a copy of the current relief
association bylaws. If a cost analysis is requested, but no volunteer firefighter relief
association exists, the chief administrative officer of the entity operating the fire department
shall provide the demographic information on the volunteer firefighters serving as members
of the fire department requested by the executive director.

**EFFECTIVE DATE.** This section is effective July 1, 2019.

Sec. 6. Minnesota Statutes 2018, section 353G.08, subdivision 1, is amended to read:

Subdivision 1. **Annual funding requirements; lump-sum retirement division.** (a)

Annually, the executive director shall determine the funding requirements of each account
in the lump-sum retirement division of the voluntary statewide volunteer firefighter retirement
plan on or before August 1. The funding requirements computed under this subdivision
must be determined using a mathematical procedure developed and certified as accurate by
the approved actuary retained by the Public Employees Retirement Association and must
be based on present value factors using a six percent interest rate, without any decrement
assumptions. The funding requirements must be certified to the entity or entities associated
with the fire department whose active firefighters are covered by the retirement plan.
(b) The overall funding balance of each lump-sum account for the current calendar year must be determined in the following manner:

1. The total accrued liability for all active and deferred members of the account as of December 31 of the current year must be calculated based on the good time service credit of active and deferred members as of that date.

2. The total present assets of the account projected to December 31 of the current year, including receipts by and disbursements from the account anticipated to occur on or before December 31, must be calculated. To the extent possible, the market value of assets must be utilized in making this calculation.

3. The amount of the total present assets calculated under clause (2) must be subtracted from the amount of the total accrued liability calculated under clause (1). If the amount of total present assets exceeds the amount of the total accrued liability, then the account is considered to have a surplus over full funding. If the amount of total present assets is less than the amount of the total accrued liability, then the account is considered to have a deficit from full funding. If the amount of total present assets is equal to the amount of the total accrued liability, then the special fund is considered to be fully funded.

(c) The financial requirements of each lump-sum account for the following calendar year must be determined in the following manner:

1. The total accrued liability for all active and deferred members of the account as of December 31 of the calendar year next following the current calendar year must be calculated based on the good time service used in the calculation under paragraph (b), clause (1), increased by one year.

2. The increase in the total accrued liability of the account for the following calendar year over the total accrued liability of the account for the current year must be calculated.

3. The amount of administrative expenses of the account must be calculated by multiplying the per-person dollar amount of the administrative expenses for the most recent prior calendar year by the number of active and deferred firefighters reported to PERA on the most recent good time service credit certification form for each account.

4. If the account is fully funded, the financial requirement of the account for the following calendar year is the total of the amounts calculated under clauses (2) and (3).

5. If the account has a deficit from full funding, the financial requirement of the account for the following calendar year is the total of the amounts calculated under clauses (2) and
(3) plus an amount equal to one-tenth of the amount of the deficit from full funding of the account.

(6) If the account has a surplus over full funding, the financial requirement of the account for the following calendar year is the financial requirement of the account calculated as though the account was fully funded under clause (4) and, if the account has also had a surplus over full funding during the prior two years, additionally reduced by an amount equal to one-tenth of the amount of the surplus over full funding of the account.

(d) The required contribution of the entity or entities associated with the fire department whose active firefighters are covered by the lump-sum retirement division is the annual financial requirements of the lump-sum account of the retirement plan under paragraph (c) reduced by the amount of any fire state aid payable under sections 69.011 to 69.051 chapter 477B or police and firefighter retirement supplemental state aid payable under section 423A.022 that is reasonably anticipated to be received by the retirement plan attributable to the entity or entities during the following calendar year, and an amount of interest on the assets projected to be received during the following calendar year calculated at the rate of six percent per annum. The required contribution must be allocated between the entities if more than one entity is involved. A reasonable amount of anticipated fire state aid is an amount that does not exceed the fire state aid actually received in the prior year multiplied by the factor 1.035.

(e) The required contribution calculated in paragraph (d) must be paid to the retirement plan on or before December 31 of the year for which it was calculated. If the contribution is not received by the retirement plan by December 31, it is payable with interest at an annual compound rate of six percent from the date due until the date payment is received by the retirement plan. If the entity does not pay the full amount of the required contribution, the executive director shall collect the unpaid amount under section 353.28, subdivision 6.

**EFFECTIVE DATE.** This section is effective for aids payable in 2020 and thereafter.

Sec. 7. Minnesota Statutes 2018, section 353G.08, subdivision 1a, is amended to read:

**Subd. 1a. Annual funding requirements; monthly benefit retirement division.** (a) Annually, the executive director shall determine the funding requirements of each monthly benefit account in the voluntary statewide volunteer firefighter retirement plan on or before August 1.

(b) The executive director must determine the funding requirements of a monthly benefit account under this subdivision from:
(1) the most recent actuarial valuation normal cost, administrative expense, including the cost of a regular actuarial valuation, and amortization results for the account determined by the approved actuary retained by the retirement association under sections 356.215 and 356.216; and

(2) the standards for actuarial work, utilizing a six percent interest rate actuarial assumption and other actuarial assumptions approved under section 356.215, subdivision 18:

(i) with that portion of any unfunded actuarial accrued liability attributable to a benefit increase to be amortized over a period of 20 years from the date of the benefit change;

(ii) with that portion of any unfunded actuarial accrued liability attributable to an assumption change or an actuarial method change to be amortized over a period of 20 years from the date of the assumption or method change;

(iii) with that portion of any unfunded actuarial accrued liability attributable to an investment loss to be amortized over a period of ten years from the date of investment loss; and

(iv) with the balance of any net unfunded actuarial accrued liability to be amortized over a period of five years from the date of the actuarial valuation.

(c) The required contributions of the entity or entities associated with the fire department whose active firefighters are covered by the monthly benefit retirement division are the annual financial requirements of the monthly benefit account of the retirement plan under paragraph (b) reduced by the amount of any fire state aid payable under sections 69.011 to 69.051, or any police and firefighter retirement supplemental state aid payable under section 423A.022, that is reasonably anticipated to be received by the retirement plan attributable to the entity or entities during the following calendar year. The required contribution must be allocated between the entities if more than one entity is involved. A reasonable amount of anticipated fire state aid is an amount that does not exceed the fire state aid actually received in the prior year multiplied by the factor 1.035.

(d) The required contribution calculated in paragraph (c) must be paid to the retirement plan on or before December 31 of the year for which it was calculated. If the contribution is not received by the retirement plan by December 31, it is payable with interest at an annual compound rate of six percent from the date due until the date payment is received by the retirement plan. If the entity does not pay the full amount of the required contribution, the executive director shall collect the unpaid amount under section 353.28, subdivision 6.
EFFECTIVE DATE. This section is effective for aids payable in 2020 and thereafter.

(2) amending the bylaws of the relief association as necessary to add the firefighters whose benefits are being transferred from the retirement plan and to provide that each benefit being transferred retains vesting, distribution, and other rights to which the firefighter, for whom the benefit is being transferred, is entitled under the terms of the retirement plan to the date of the transfer.

(1) 47.1 percent to the city of Minneapolis to defray the employer costs associated with police and firefighter retirement coverage;
(2) 25.8 percent as additional funding to support the minimum fire state aid for volunteer firefighter relief associations under section 69.021, subdivision 7, paragraph (d) 477B.03, subdivision 5;

EFFECTIVE DATE. This section is effective for aids payable in 2020 and thereafter.

Sec. 14. Minnesota Statutes 2018, section 423A.022, subdivision 4, is amended to read:

Subd. 4. Payments; conditions prerequisite. (a) The payments under this section must
be made on October 1 each year, with interest at one percent for each month, or portion of
a month, that the amount remains unpaid after October 1. Any necessary adjustments must
be made to subsequent payments.

(b) The provisions of sections 69.011 to 69.051 chapter 477B and section 424A.014 that
prevent municipalities and relief associations from being eligible for, or receiving fire state
aid under sections 69.011 to 69.051 chapter 477B and section 424A.014 until the applicable
financial reporting requirements have been complied with, apply to the amounts payable to
municipalities and relief associations under this section.

EFFECTIVE DATE. This section is effective July 1, 2019, except the references to
Minnesota Statutes, chapter 477B, are effective for aids payable in 2020 and thereafter.
Sec. 15. Minnesota Statutes 2018, section 424A.016, subdivision 2, is amended to read:

Subd. 2. Defined contribution service pension eligibility. (a) A relief association, when its articles of incorporation or bylaws so provide, may pay out of the assets of its special fund a defined contribution service pension to each of its members who:

(1) separates from active service with the fire department;

(2) reaches age 50;

(3) completes at least five years of active service as an active member of the fire department to which the relief association is associated;

(4) completes at least five years of active membership with the relief association before separation from active service; and

(5) complies with any additional conditions as to age, service, and membership that are prescribed by the bylaws of the relief association.

(b) In the case of a member who has completed at least five years of active service as an active member of the fire department to which the relief association is associated on the date that the relief association is established and incorporated, the requirement that the member complete at least five years of active membership with the relief association before separation from active service may be waived by the board of trustees of the relief association if the member completes at least five years of inactive membership with the relief association before the date of the payment of the service pension. During the period of inactive membership, the member is not entitled to receive any disability benefit coverage, is not entitled to receive additional individual account allocation of fire state aid or municipal contribution towards a service pension, and is considered to have the status of a person entitled to a deferred service pension.

(c) The service pension earned by a volunteer under this chapter and the articles of incorporation and bylaws of the relief association may be paid whether or not the municipality or independent nonprofit firefighting corporation to which the relief association is associated qualifies for the receipt of fire state aid under chapter 69.477B.

EFFECTIVE DATE. This section is effective for aids payable in 2020 and thereafter.

Sec. 16. Minnesota Statutes 2018, section 424A.016, subdivision 4, is amended to read:

Subd. 4. Individual accounts. (a) An individual account must be established for each firefighter who is a member of the relief association.

(b) To each individual active member account must be credited an equal share of:
(1) any amounts of fire state aid and police and firefighter retirement supplemental state aid received by the relief association;

(2) any amounts of municipal contributions to the relief association raised from levies on real estate or from other available municipal revenue sources exclusive of fire state aid; and

(3) any amounts equal to the share of the assets of the special fund to the credit of:

(i) any former member who terminated active service with the fire department to which the relief association is associated before meeting the minimum service requirement provided for in subdivision 2, paragraph (b), and has not returned to active service with the fire department for a period no shorter than five years; or

(ii) any retired member who retired before obtaining a full nonforfeitable interest in the amounts credited to the individual member account under subdivision 2, paragraph (b), and any applicable provision of the bylaws of the relief association. In addition, any investment return on the assets of the special fund must be credited in proportion to the share of the assets of the special fund to the credit of each individual active member account. Administrative expenses of the relief association payable from the special fund may be deducted from individual accounts in a manner specified in the bylaws of the relief association.

(c) If the bylaws so permit and as the bylaws define, the relief association may credit any investment return on the assets of the special fund to the accounts of inactive members.

(d) Amounts to be credited to individual accounts must be allocated uniformly for all years of active service and allocations must be made for all years of service, except for caps on service credit if so provided in the bylaws of the relief association. Amounts forfeited under paragraph (b), clause (3), before a resumption of active service and membership under section 424A.01, subdivision 6, remain forfeited and may not be reinstated upon the resumption of active service and membership. The allocation method may utilize monthly proration for fractional years of service, as the bylaws or articles of incorporation of the relief association so provide. The bylaws or articles of incorporation may define a "month," but the definition must require a calendar month to have at least 16 days of active service. If the bylaws or articles of incorporation do not define a "month," a "month" is a completed calendar month of active service measured from the member's date of entry to the same date in the subsequent month.

(e) At the time of retirement under subdivision 2 and any applicable provision of the bylaws of the relief association, a retiring member is entitled to that portion of the assets of
the special fund to the credit of the member in the individual member account which is
nonforfeitable under subdivision 3 and any applicable provision of the bylaws of the relief
association based on the number of years of service to the credit of the retiring member.

(f) Annually, the secretary of the relief association shall certify the individual account
allocations to the state auditor at the same time that the annual financial statement or financial
report and audit of the relief association, whichever applies, is due under section 69.054
424A.014.

EFFECTIVE DATE. This section is effective July 1, 2019.

Sec. 17. Minnesota Statutes 2018, section 424A.02, subdivision 1, is amended to read:

Subdivision 1. Authorization. (a) A defined benefit relief association, when its articles
of incorporation or bylaws so provide, may pay out of the assets of its special fund a defined
benefit service pension to each of its members who: (1) separates from active service with
the fire department; (2) reaches age 50; (3) completes at least five years of active service
as an active member of the fire department to which the relief association is associated; (4)
completes at least five years of active membership with the relief association before
separation from active service; and (5) complies with any additional conditions as to age,
service, and membership that are prescribed by the bylaws of the relief association. A service
pension computed under this section may be prorated monthly for fractional years of service
as the bylaws or articles of incorporation of the relief association so provide. The bylaws
or articles of incorporation may define a "month," but the definition must require a calendar
month to have at least 16 days of active service. If the bylaws or articles of incorporation
do not define a "month," a "month" is a completed calendar month of active service measured
from the member's date of entry to the same date in the subsequent month. The service
pension earned by a volunteer firefighter under this chapter and the articles of incorporation
and bylaws of the volunteer firefighters relief association may be paid whether or not the
municipality or independent nonprofit firefighting corporation to which the relief association
is associated qualifies for the receipt of fire state aid under chapter 69.477B.

(b) In the case of a member who has completed at least five years of active service as
an active member of the fire department to which the relief association is associated on the
date that the relief association is established and incorporated, the requirement that the
member complete at least five years of active membership with the relief association before
separation from active service may be waived by the board of trustees of the relief association
if the member completes at least five years of inactive membership with the relief association
before the date of the payment of the service pension. During the period of inactive
membership, the member is not entitled to receive disability benefit coverage, is not entitled
to receive additional service credit towards computation of a service pension, and is
considered to have the status of a person entitled to a deferred service pension under
subdivision 7.

(c) No municipality, independent nonprofit firefighting corporation, or joint powers
entity may delegate the power to take final action in setting a service pension or ancillary
benefit amount or level to the board of trustees of the relief association or to approve in
advance a service pension or ancillary benefit amount or level equal to the maximum amount
or level that this chapter would allow rather than a specific dollar amount or level.

EFFECTIVE DATE. This section is effective for aids payable in 2020 and thereafter.

Sec. 18. Minnesota Statutes 2018, section 424A.02, subdivision 3a, is amended to read:

Subd. 3a. Penalty for paying pension greater than applicable maximum. (a) If a
defined benefit relief association pays a service pension greater than the maximum service
pension associated with the applicable average amount of available financing per active
covered firefighter under the table in subdivision 3, paragraph (c) or (d), whichever applies,
the maximum service pension under subdivision 3, paragraph (f), or the applicable maximum
service pension amount specified in subdivision 3, paragraph (g), whichever is less, the
state auditor shall:

(1) disqualify the municipality or the independent nonprofit firefighting corporation
associated with the relief association from receiving fire state aid by making the appropriate
notification to the municipality and the commissioner of revenue, with the disqualification
applicable for the next apportionment and payment of fire state aid; and

(2) order the treasurer of the applicable relief association to recover the amount of the
overpaid service pension or pensions from any retired firefighter who received an
overpayment.

(b) Fire state aid amounts from disqualified municipalities for the period of
disqualifications under paragraph (a), clause (1), must be credited to the amount of fire
insurance premium tax proceeds available for the next subsequent fire state aid
apportionment.

(c) The amount of any overpaid service pension recovered under paragraph (a), clause
(2), must be credited to the amount of fire insurance premium tax proceeds available for
the next subsequent fire state aid apportionment.
The determination of the state auditor that a relief association has paid a service pension greater than the applicable maximum must be made on the basis of the information filed by the relief association and the municipality with the state auditor under sections 69.011, subdivision 2, and 69.051, subdivision 1 or 1a, whichever applies, this chapter and any other relevant information that comes to the attention of the state auditor. The determination of the state auditor is final. An aggrieved municipality, relief association, or person may appeal the determination under section 480A.06.

(e) The state auditor may certify, upon learning that a relief association overpaid a service pension based on an error in the maximum service pension calculation, the municipality or independent nonprofit firefighting corporation associated with the relief association for fire state aid if (1) there is evidence that the error occurred in good faith, and (2) the relief association has initiated recovery of any overpayment amount. Notwithstanding paragraph (c), all overpayments recovered under this paragraph must be credited to the relief association's special fund.

EFFECTIVE DATE. This section is effective July 1, 2019.

Sec. 19. Minnesota Statutes 2018, section 424A.02, subdivision 10, is amended to read:

Subd. 10. Local approval of bylaw amendments; filing requirements. (a) Each defined benefit relief association to which this section applies must file a revised copy of its governing bylaws with the state auditor upon the adoption of any amendment to its governing bylaws by the relief association or upon the approval of any amendment to its governing bylaws granted by the governing body of each municipality served by the fire department to which the relief association is directly associated. Failure of the relief association to file a copy of the bylaws or any bylaw amendments with the state auditor disqualifies the municipality from the distribution of any future fire state aid until this filing requirement has been completed.

(b) If the special fund of the relief association does not have a surplus over full funding under section 424A.092, subdivision 3, paragraph (c), clause (5), or 424A.093, subdivision 4, and if the municipality is required to provide financial support to the special fund of the relief association under section 424A.092 or 424A.093, no bylaw amendment which would affect the amount of, the manner of payment of, or the conditions for qualification for service pensions or ancillary benefits or disbursements other than administrative expenses authorized under section 69.80 424A.05, subdivision 3b, payable from the special fund of the relief association is effective until it has been ratified as required under section 424A.092, subdivision 6, or 424A.093, subdivision 6. If the special fund of the relief association has
a surplus over full funding under section 424A.092, subdivision 3, or 424A.093, subdivision 4, and if the municipality is not required to provide financial support to the special fund under this section, the relief association may adopt or amend without municipal ratification its articles of incorporation or bylaws which increase or otherwise affect the service pensions or ancillary benefits payable from the special fund if authorized under section 424A.092, subdivision 6, or 424A.093, subdivision 6.

(c) If the relief association pays only a lump-sum pension, the financial requirements are to be determined by the board of trustees following the preparation of an estimate of the expected increase in the accrued liability and annual accruing liability of the relief association attributable to the change. If the relief association pays a monthly benefit service pension, the financial requirements are to be determined by the board of trustees following either an updated actuarial valuation including the proposed change or an estimate of the expected actuarial impact of the proposed change prepared by the actuary of the relief association. If a relief association adopts or amends its articles of incorporation or bylaws without municipal ratification under this subdivision, and, subsequent to the amendment or adoption, the financial requirements of the special fund under this section are such so as to require financial support from the municipality, the provision which was implemented without municipal ratification is no longer effective without municipal ratification, and any service pensions or ancillary benefits payable after that date must be paid only in accordance with the articles of incorporation or bylaws as amended or adopted with municipal ratification.

EFFECTIVE DATE. This section is effective July 1, 2019.

Sec. 20. Minnesota Statutes 2018, section 424A.03, subdivision 2, is amended to read:

Subd. 2. Penalties for violations. A municipality which has a fire department associated with a relief association which violates the provisions of subdivision 1 is directly associated or which contracts with an independent nonprofit firefighting corporation associated with a relief association which violates the provisions of subdivision 1 is a subsidiary may not be included in the apportionment of fire state aid to the applicable county auditor and police and firefighter retirement supplemental state aid payable under section 69.021, subdivision 6, chapter 477B and section 423A.022 and may not be included in the apportionment of fire state aid by the county auditor to the various municipalities under section 69.021, subdivision 7.

EFFECTIVE DATE. This section is effective for aids payable in 2020 and thereafter.
Sec. 21. Minnesota Statutes 2018, section 424A.05, subdivision 2, is amended to read:

The special fund must be credited with all fire state aid and police and firefighter retirement supplemental state aid received under sections 69.011 to 69.051 chapter 477B and section 423A.022, all taxes levied by or other revenues received from the municipality under sections 424A.091 to 424A.096 or any applicable special law requiring municipal support for the relief association, any funds or property donated, given, granted or devised by any person which is specified for use for the support of the special fund and any interest or investment return earned upon the assets of the special fund. The treasurer of the relief association is the custodian of the assets of the special fund and must be the recipient on behalf of the special fund of all revenues payable to the special fund. The treasurer shall maintain adequate records documenting any transaction involving the assets or the revenues of the special fund. These records and the bylaws of the relief association are public and must be open for inspection by any member of the relief association, any officer or employee of the state or of the municipality, or any member of the public, at reasonable times and places.

EFFECTIVE DATE. This section is effective for aids payable in 2020 and thereafter.

Subd. 3. Authorized disbursements from special fund. (a) Disbursements from the special fund may not be made for any purpose other than one of the following:

(1) for the payment of service pensions to retired members of the relief association if authorized and paid under law and the bylaws governing the relief association;

(2) for the purchase of an annuity for the applicable person under section 424A.015, subdivision 3, for the transfer of service pension or benefit amounts to the applicable person's individual retirement account under section 424A.015, subdivision 4, or to the applicable person's account in the Minnesota deferred compensation plan under section 424A.015, subdivision 5;

(4) for the payment of survivor benefits or for the payment of a death benefit to the estate of the deceased active or deferred firefighter, if authorized and paid under law and specified in amount in the bylaws governing the relief association;
(5) for the payment of the fees, dues and assessments to the Minnesota State Fire Department Association and to the Minnesota State Fire Chiefs Association in order to entitle relief association members to membership in and the benefits of these associations or organizations;

(6) for the payment of insurance premiums to the state Volunteer Firefighters Benefit Association, or an insurance company licensed by the state of Minnesota offering casualty insurance, in order to entitle relief association members to membership in and the benefits of the association or organization; and

(7) for the payment of administrative expenses of the relief association as authorized under section 69.80 subdivision 3b.

(b) Checks or authorizations for electronic fund transfers for disbursements authorized by this section must be signed by the relief association treasurer and at least one other elected trustee who has been designated by the board of trustees to sign the checks or authorizations. A relief association may make disbursements authorized by this subdivision by electronic fund transfers only if the specific method of payment and internal control policies and procedures regarding the method are approved by the board of trustees.

EFFECTIVE DATE. This section is effective July 1, 2019.

Sec. 23. Minnesota Statutes 2018, section 424A.07, is amended to read:

sections 69.011 to 69.051 chapter 477B until the reason for the disqualification specified

qualified, is entitled to again receive fire state aid for the year occurring immediately
subsequent to the year in which the disqualification is remedied.

(b) The state auditor shall determine if a municipality to which a firefighters' relief

EFFECTIVE DATE. This section is effective July 1, 2019, except the reference to
Minnesota Statutes, chapter 477B, is effective for aids payable in 2020 and thereafter.
Sec. 25. Minnesota Statutes 2018, section 424A.092, subdivision 3, is amended to read:

**Subd. 3. Financial requirements of relief association; minimum obligation of municipality.** (a) During the month of July, the officers of the relief association shall determine the overall funding balance of the special fund for the current calendar year, the financial requirements of the special fund for the following calendar year and the minimum obligation of the municipality with respect to the special fund for the following calendar year in accordance with the requirements of this subdivision.

(b) The overall funding balance of the special fund for the current calendar year must be determined in the following manner:

(1) The total accrued liability of the special fund for all active and deferred members of the relief association as of December 31 of the current year must be calculated under subdivisions 2 and 2a, if applicable.

(2) The total present assets of the special fund projected to December 31 of the current year, including receipts by and disbursements from the special fund anticipated to occur on or before December 31, must be calculated. To the extent possible, for those assets for which a market value is readily ascertainable, the current market value as of the date of the calculation for those assets must be utilized in making this calculation. For any asset for which no market value is readily ascertainable, the cost value or the book value, whichever is applicable, must be utilized in making this calculation.

(3) The amount of the total present assets of the special fund calculated under clause (2) must be subtracted from the amount of the total accrued liability of the special fund calculated under clause (1). If the amount of total present assets exceeds the amount of the total accrued liability, then the special fund is considered to have a surplus over full funding. If the amount of the total present assets is less than the amount of the total accrued liability, then the special fund is considered to have a deficit from full funding. If the amount of total present assets is equal to the amount of the total accrued liability, then the special fund is considered to be fully funded.

(c) The financial requirements of the special fund for the following calendar year must be determined in the following manner:

(1) The total accrued liability of the special fund for all active and deferred members of the relief association as of December 31 of the calendar year next following the current calendar year must be calculated under subdivisions 2 and 2a, if applicable.
(2) The increase in the total accrued liability of the special fund for the following calendar year over the total accrued liability of the special fund for the current year must be calculated.

(3) The amount of anticipated future administrative expenses of the special fund must be calculated by multiplying the dollar amount of the administrative expenses of the special fund for the most recent prior calendar year by the factor of 1.035.

(4) If the special fund is fully funded, the financial requirements of the special fund for the following calendar year are the total of the amounts calculated under clauses (2) and (3).

(5) If the special fund has a deficit from full funding, the financial requirements of the special fund for the following calendar year are the financial requirements of the special fund calculated as though the special fund were fully funded under clause (4) plus an amount equal to one-tenth of the original amount of the deficit from full funding of the special fund as determined under clause (2) resulting either from an increase in the amount of the service pension occurring in the last ten years or from a net annual investment loss occurring during the last ten years until each increase in the deficit from full funding is fully retired. The annual amortization contribution under this clause may not exceed the amount of the deficit from full funding.

(6) If the special fund has a surplus over full funding, the financial requirements of the special fund for the following calendar year are the financial requirements of the special fund calculated as though the special fund were fully funded under clause (4) reduced by an amount equal to one-tenth of the amount of the surplus over full funding of the special fund.

(d) The minimum obligation of the municipality with respect to the special fund is the financial requirements of the special fund reduced by the amount of any fire state aid and police and firefighter retirement supplemental state aid payable under sections 69.011 to 69.051 chapter 477B and section 423A.022 reasonably anticipated to be received by the municipality for transmittal to the special fund during the following calendar year, an amount of interest on the assets of the special fund projected to the beginning of the following calendar year calculated at the rate of five percent per annum, and the amount of any contributions to the special fund required by the relief association bylaws from the active members of the relief association reasonably anticipated to be received during the following calendar year. A reasonable amount of anticipated fire state aid is an amount that does not exceed the fire state aid actually received in the prior year multiplied by the factor 1.035.

**EFFECTIVE DATE.** This section is effective for aids payable in 2020 and thereafter.
Sec. 26. Minnesota Statutes 2018, section 424A.092, subdivision 4, is amended to read:

Subd. 4. Certification of financial requirements and minimum municipal obligation; levy. (a) The officers of the relief association shall certify the financial requirements of the special fund of the relief association and the minimum obligation of the municipality with respect to the special fund of the relief association as determined under subdivision 3 on or before August 1 of each year. The certification must be made to the entity that is responsible for satisfying the minimum obligation with respect to the special fund of the relief association. If the responsible entity is a joint powers entity, the certification must be made in the manner specified in the joint powers agreement, or if the joint powers agreement is silent on this point, the certification must be made to the chair of the joint powers board.

(b) The financial requirements of the relief association and the minimum municipal obligation must be included in the financial report or financial statement under section 69.051, subdivision 1a, 424A.014. The schedule forms related to the determination of the financial requirements must be filed with the state auditor by March 31, annually, if the relief association is required to file a financial statement under section 69.051, subdivision 1a, 424A.014, subdivision 2, or by June 30, annually, if the relief association is required to file a financial report and audit under section 69.051, subdivision 1, 424A.014, subdivision 1.

(c) The municipality shall provide for at least the minimum obligation of the municipality with respect to the special fund of the relief association by tax levy or from any other source of public revenue.

(d) The municipality may levy taxes for the payment of the minimum municipal obligation without any limitation as to rate or amount and irrespective of any limitations imposed by other provisions of law upon the rate or amount of taxation until the balance of the special fund or any fund of the relief association has attained a specified level. In addition, any taxes levied under this section must not cause the amount or rate of any other taxes levied in that year or to be levied in a subsequent year by the municipality which are subject to a limitation as to rate or amount to be reduced.

(e) If the municipality does not include the full amount of the minimum municipal obligations in its levy for any year, the officers of the relief association shall certify that amount to the county auditor, who shall spread a levy in the amount of the certified minimum municipal obligation on the taxable property of the municipality.

(f) If the state auditor determines that a municipal contribution actually made in a plan year was insufficient under section 424A.091, subdivision 3, paragraph (c), clause (5), the state auditor may request a copy of the certifications under this subdivision from the relief
association or from the city. The relief association or the city, whichever applies, must provide the certifications within 14 days of the date of the request from the state auditor.

**EFFECTIVE DATE.** This section is effective July 1, 2019.

Sec. 27. Minnesota Statutes 2018, section 424A.093, subdivision 5, is amended to read:

Subd. 5. Minimum municipal obligation. (a) The officers of the relief association shall determine the minimum obligation of the municipality with respect to the special fund of the relief association for the following calendar year on or before August 1 of each year in accordance with the requirements of this subdivision.

(b) The minimum obligation of the municipality with respect to the special fund is an amount equal to the financial requirements of the special fund of the relief association determined under subdivision 4, reduced by the estimated amount of any fire state aid and police and firefighter retirement supplemental state aid payable under sections 69.011 to 69.051 chapter 477B and section 423A.022 reasonably anticipated to be received by the municipality for transmittal to the special fund of the relief association during the following year and the amount of any anticipated contributions to the special fund required by the relief association bylaws from the active members of the relief association reasonably anticipated to be received during the following calendar year. A reasonable amount of anticipated fire state aid is an amount that does not exceed the fire state aid actually received in the prior year multiplied by the factor 1.035.

(c) The officers of the relief association shall certify the financial requirements of the special fund of the relief association and the minimum obligation of the municipality with respect to the special fund of the relief association as determined under subdivision 4 and this subdivision by August 1 of each year. The certification must be made to the entity that is responsible for satisfying the minimum obligation with respect to the special fund of the relief association. If the responsible entity is a joint powers entity, the certification must be made in the manner specified in the joint powers agreement, or if the joint powers agreement is silent on this point, the certification must be made to the chair of the joint powers board.

(d) The financial requirements of the relief association and the minimum municipal obligation must be included in the financial report or financial statement under section 69.051 424A.014.

(e) The municipality shall provide for at least the minimum obligation of the municipality with respect to the special fund of the relief association by tax levy or from any other source of public revenue. The municipality may levy taxes for the payment of the minimum
municipal obligation without any limitation as to rate or amount and irrespective of any
limitations imposed by other provisions of law or charter upon the rate or amount of taxation
until the balance of the special fund or any fund of the relief association has attained a
specified level. In addition, any taxes levied under this section must not cause the amount
or rate of any other taxes levied in that year or to be levied in a subsequent year by the
municipality which are subject to a limitation as to rate or amount to be reduced.

(f) If the municipality does not include the full amount of the minimum municipal
obligation in its levy for any year, the officers of the relief association shall certify that
amount to the county auditor, who shall spread a levy in the amount of the minimum
municipal obligation on the taxable property of the municipality.

(g) If the state auditor determines that a municipal contribution actually made in a plan
year was insufficient under section 424A.091, subdivision 3, paragraph (c), clause (5), the
state auditor may request from the relief association or from the city a copy of the
certifications under this subdivision. The relief association or the city, whichever applies,
must provide the certifications within 14 days of the date of the request from the state auditor.

Sec. 3. Minnesota Statutes 2018, section 273.032, is amended to read:

273.032 **MARKET VALUE DEFINITION.**

(a) Unless otherwise provided, for the purpose of determining any property tax levy limitation based on market value or any limit on net debt, the issuance of bonds, certificates of indebtedness, or capital notes based on market value, any qualification to receive state aid based on market value, or any state aid amount based on market value, the terms "market value," "estimated market value," and "market valuation," whether equalized or unequalized, mean the estimated market value of taxable property within the local unit of government before any of the following or similar adjustments for:

(ii) fiscal disparities under chapter 276A or 473F; or

(iii) powerline credit under section 273.425.

(b) Estimated market value under paragraph (a) also includes the market value of tax-exempt property if the applicable law specifically provides that the limitation, qualification, or aid calculation includes tax-exempt property.

(c) Unless otherwise provided, "market value," "estimated market value," and "market valuation" for purposes of property tax levy limitations and calculation of state aid, refer to the estimated market value for the previous assessment year and for purposes of limits on net debt, the issuance of bonds, certificates of indebtedness, or capital notes refer to the estimated market value as last finally equalized.

(d) For purposes of a provision of a home rule charter or of any special law that is not codified in the statutes and that imposes a levy limitation based on market value or any limit on debt, the issuance of bonds, certificates of indebtedness, or capital notes based on market value, the terms "market value," "taxable market value," and "market valuation," whether equalized or unequalized, mean "estimated market value" as defined in paragraph (a).
EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 4. Minnesota Statutes 2018, section 273.13, subdivision 22, is amended to read:

Subd. 22. Class 1. (a) Except as provided in subdivision 23 and in paragraphs (b) and (c), real estate which is residential and used for homestead purposes is class 1a. In the case of a duplex or triplex in which one of the units is used for homestead purposes, the entire property is deemed to be used for homestead purposes. The market value of class 1a property must be determined based upon the value of the house, garage, and land.

The first $500,000 of market value of class 1a property has a net classification rate of one percent of its market value; and the market value of class 1a property that exceeds $500,000 has a classification rate of 1.25 percent of its market value.

(b) Class 1b property includes homestead real estate or homestead manufactured homes used for the purposes of a homestead by:

(1) any person who is blind as defined in section 256D.35, or the blind person who is blind and the blind person's spouse of the person who is blind;

(2) any person who is permanently and totally disabled or by the disabled person with a disability and the disabled person's spouse of the person with a disability; or

(3) the surviving spouse of a veteran who was permanently and totally disabled homesteading a property classified under this paragraph for taxes payable in 2008.

Property is classified and assessed under clause (2) only if the government agency or income-providing source certifies, upon the request of the homestead occupant, that the homestead occupant satisfies the disability requirements of this paragraph, and that the property is not eligible for the valuation exclusion under subdivision 34.

Property is classified and assessed under paragraph (b) only if the commissioner of revenue or the county assessor certifies that the homestead occupant satisfies the requirements of this paragraph.

Permanently and totally disabled for the purpose of this subdivision means a condition which is permanent in nature and totally incapacitates the person from working at an occupation which brings the person an income. The first $50,000 market value of class 1b property has a net classification rate of .45 percent of its market value. The remaining market value of class 1b property is classified as class 1a or class 2a property, whichever is appropriate.
(c) Class 1c property is commercial use real and personal property that abuts public water as defined in section 103G.005, subdivision 15, or abuts a state trail administered by the Department of Natural Resources, and is devoted to temporary and seasonal residential occupancy for recreational purposes but not devoted to commercial purposes for more than 250 days in the year preceding the year of assessment, and that includes a portion used as a homestead by the owner, which includes a dwelling occupied as a homestead by a shareholder of a corporation that owns the resort, a partner in a partnership that owns the resort, or a member of a limited liability company that owns the resort even if the title to the homestead is held by the corporation, partnership, or limited liability company. For purposes of this paragraph, property is devoted to a commercial purpose on a specific day if any portion of the property, excluding the portion used exclusively as a homestead, is used for residential occupancy and a fee is charged for residential occupancy. Class 1c property must contain three or more rental units. A "rental unit" is defined as a cabin, condominium, townhouse, sleeping room, or individual camping site equipped with water and electrical hookups for recreational vehicles. Class 1c property must provide recreational activities such as the rental of ice fishing houses, boats and motors, snowmobiles, downhill or cross-country ski equipment; provide marina services, launch services, or guide services; or sell bait and fishing tackle. Any unit in which the right to use the property is transferred to an individual or entity by deeded interest, or the sale of shares or stock, no longer qualifies for class 1c even though it may remain available for rent. A camping pad offered for rent by a property that otherwise qualifies for class 1c is also class 1c, regardless of the term of the rental agreement, as long as the use of the camping pad does not exceed 250 days. If the same owner owns two separate parcels that are located in the same township, and one of those properties is classified as a class 1c property and the other would be eligible to be classified as a class 1c property if it was used as the homestead of the owner, both properties will be assessed as a single class 1c property; for purposes of this sentence, properties are deemed to be owned by the same owner if each of them is owned by a limited liability company, and both limited liability companies have the same membership. The portion of the property used as a homestead is class 1a property under paragraph (a). The remainder of the property is classified as follows: the first $600,000 of market value is tier I, the next $1,700,000 of market value is tier II, and any remaining market value is tier III. The classification rates for class 1c are: tier I, 0.50 percent; tier II, 1.0 percent; and tier III, 1.25 percent. Owners of real and personal property devoted to temporary and seasonal residential occupancy for recreation purposes in which all or a portion of the property was devoted to commercial purposes for not more than 250 days in the year preceding the year of assessment desiring classification as class 1c, must submit a declaration to the assessor designating the...
cabin or units occupied for 250 days or less in the year preceding the year of assessment
by January 15 of the assessment year. Those cabins or units and a proportionate share of
the land on which they are located must be designated as class 1c as otherwise provided.
The remainder of the cabins or units and a proportionate share of the land on which they
are located must be designated as class 3a commercial. The owner of property desiring
designation as class 1c property must provide guest registers or other records demonstrating
that the units for which class 1c designation is sought were not occupied for more than 250
days in the year preceding the assessment if so requested. The portion of a property operated
as a (1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5)
other nonresidential facility operated on a commercial basis not directly related to temporary
and seasonal residential occupancy for recreation purposes does not qualify for class 1c.
(d) Class 1d property includes structures that meet all of the following criteria:
(1) the structure is located on property that is classified as agricultural property under
section 273.13, subdivision 23;
(2) the structure is occupied exclusively by seasonal farm workers during the time when
they work on that farm, and the occupants are not charged rent for the privilege of occupying
the property, provided that use of the structure for storage of farm equipment and produce
does not disqualify the property from classification under this paragraph;
(3) the structure meets all applicable health and safety requirements for the appropriate
season; and
(4) the structure is not salable as residential property because it does not comply with
local ordinances relating to location in relation to streets or roads.
The market value of class 1d property has the same classification rates as class 1a property
under paragraph (a).
EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 5. Minnesota Statutes 2018, section 273.13, subdivision 34, is amended to read:
Subd. 34. Homestead of disabled veteran with a disability or family caregiver. (a)
All or a portion of the market value of property owned by a veteran and serving as the
veteran's homestead under this section is excluded in determining the property's taxable
market value if the veteran has a service-connected disability of 70 percent or more as
certified by the United States Department of Veterans Affairs. To qualify for exclusion
under this subdivision, the veteran must have been honorably discharged from the United
States armed forces, as indicated by United States Government Form DD214 or other official
military discharge papers.

(b)(1) For a disability rating of 70 percent or more, $150,000 of market value is excluded,
except as provided in clause (2); and

(2) for a total (100 percent) and permanent disability, $300,000 of market value is
excluded.

(c) If a disabled veteran with a disability qualifying for a valuation exclusion under
paragraph (b), clause (2), predeceases the veteran's spouse, and if upon the death of the
veteran the spouse holds the legal or beneficial title to the homestead and permanently
resides there, the exclusion shall carry over to the benefit of the veteran's spouse for the
current taxes payable year and for eight additional taxes payable years or until such time
as the spouse remarries, sells, transfers, or otherwise disposes of the property, whichever
comes first. Qualification under this paragraph requires an application under paragraph (b),
and a spouse must notify the assessor if there is a change in the spouse's marital status,
ownership of the property, or use of the property as a permanent residence.

(d) If the spouse of a member of any branch or unit of the United States armed forces
who dies due to a service-connected cause while serving honorably in active service, as
indicated on United States Government Form DD1300 or DD2064, holds the legal or
beneficial title to a homestead and permanently resides there, the spouse is entitled to the
benefit described in paragraph (b), clause (2), for eight taxes payable years, or until such
time as the spouse remarries or sells, transfers, or otherwise disposes of the property,
whichever comes first.

(e) If a veteran meets the disability criteria of paragraph (a) but does not own property
classified as homestead in the state of Minnesota, then the homestead of the veteran's primary
family caregiver, if any, is eligible for the exclusion that the veteran would otherwise qualify
for under paragraph (b).

(f) In the case of an agricultural homestead, only the portion of the property consisting
of the house and garage and immediately surrounding one acre of land qualifies for the
valuation exclusion under this subdivision.

(g) A property qualifying for a valuation exclusion under this subdivision is not eligible
for the market value exclusion under subdivision 35, or classification under subdivision 22,
paragraph (b).
(h) To qualify for a valuation exclusion under this subdivision a property owner must apply to the assessor by July 1 of the first assessment year for which the exclusion is sought. For an application received after July 1, the exclusion shall become effective for the following assessment year. Except as provided in paragraph (c), the owner of a property that has been accepted for a valuation exclusion must notify the assessor if there is a change in ownership of the property or in the use of the property as a homestead.

(i) A first-time application by a qualifying spouse for the market value exclusion under paragraph (d) must be made any time within two years of the death of the service member.

(j) For purposes of this subdivision:

(1) "active service" has the meaning given in section 190.05;

(2) "own" means that the person's name is present as an owner on the property deed;

(3) "primary family caregiver" means a person who is approved by the secretary of the United States Department of Veterans Affairs for assistance as the primary provider of personal care services for an eligible veteran under the Program of Comprehensive Assistance for Family Caregivers, codified as United States Code, title 38, section 1720G; and

(4) "veteran" has the meaning given the term in section 197.447.

(k) If a veteran dying after December 31, 2011, did not apply for or receive the exclusion under paragraph (b), clause (2), before dying, the veteran's spouse is entitled to the benefit under paragraph (b), clause (2), for eight taxes payable years or until the spouse remarries or sells, transfers, or otherwise disposes of the property if:

(1) the spouse files a first-time application within two years of the death of the service member or by June 1, 2019, whichever is later;

(2) upon the death of the veteran, the spouse holds the legal or beneficial title to the homestead and permanently resides there;

(3) the veteran met the honorable discharge requirements of paragraph (a); and

(4) the United States Department of Veterans Affairs certifies that:

(i) the veteran met the total (100 percent) and permanent disability requirement under paragraph (b), clause (2); or

(ii) the spouse has been awarded dependency and indemnity compensation.

(l) The purpose of this provision of law providing a level of homestead property tax relief for gravely disabled veterans with a disability, their primary family caregivers, and
their surviving spouses is to help ease the burdens of war for those among our state's citizens who bear those burdens most heavily.

(m) By July 1, the county veterans service officer must certify the disability rating and permanent address of each veteran receiving the benefit under paragraph (b) to the assessor.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 6. Minnesota Statutes 2018, section 289A.08, subdivision 6, is amended to read:

Subd. 6. **Returns of married persons.** A husband and wife **Individuals who are married to each other** must file a joint Minnesota income tax return if they filed a joint federal income tax return. If the **husband and wife spouses** have elected to file separate federal income tax returns, they must file separate Minnesota income tax returns. This election to file a joint or separate return must be changed if they change their election for federal purposes. In the event taxpayers desire to change their election, the change must be done in the manner and on the form prescribed by the commissioner.

The determination of whether an individual is married shall be made under the provisions of section 7703 of the Internal Revenue Code.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 7. Minnesota Statutes 2018, section 289A.25, subdivision 1, is amended to read:

Subdivision 1. **Requirements to pay.** An individual, trust, S corporation, or partnership must, when prescribed in subdivision 3, paragraph (b), make payments of estimated tax. For individuals, the term "estimated tax" means the amount the taxpayer estimates is the sum of the taxes imposed by chapter 290 for the taxable year. For trusts, S corporations, and partnerships, the term estimated tax means the amount the taxpayer estimates is the sum of the taxes for the taxable year imposed by chapter 290 and the composite income tax imposed by section 289A.08, subdivision 7. If the individual is an infant or incompetent person, the payments must be made by the individual's guardian. If joint payments on estimated tax are made but a joint return is not made for the taxable year, the estimated tax for that year may be treated as the estimated tax of either the husband or the wife spouse or may be divided between them.

**EFFECTIVE DATE.** This section is effective the day following final enactment.
Sec. 8. Minnesota Statutes 2018, section 289A.31, subdivision 2, is amended to read:

Subd. 2. **Joint income tax returns.** (a) If a joint income tax return is made by a husband and wife spouses, the liability for the tax is joint and several. A spouse who qualifies for relief from a liability attributable to an underpayment under section 6015(b) of the Internal Revenue Code is relieved of the state income tax liability on the underpayment.

(b) In the case of individuals who were husband and wife married as determined in section 7703 of the Internal Revenue Code prior to the dissolution of their marriage or their legal separation, or prior to the death of one of the individuals, for tax liabilities reported on a joint or combined return, the liability of each person is limited to the proportion of the tax due on the return that equals that person's proportion of the total tax due if the husband and wife each spouse filed separate returns for the taxable year. This provision is effective only when the commissioner receives written notice of the marriage dissolution, legal separation, or death of a spouse from the husband or wife surviving spouse. No refund may be claimed by an ex-spouse, legally separated or widowed spouse for any taxes paid more than 60 days before receipt by the commissioner of the written notice.

(c) A request for calculation of separate liability pursuant to paragraph (b) for taxes reported on a return must be made within six years after the due date of the return. For calculation of separate liability for taxes assessed by the commissioner under section 289A.35 or 289A.37, the request must be made within six years after the date of assessment. The commissioner is not required to calculate separate liability if the remaining unpaid liability for which recalculation is requested is $100 or less.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 9. Minnesota Statutes 2018, section 289A.37, subdivision 6, is amended to read:

Subd. 6. **Order of assessment if joint income tax return.** If a joint income tax return is filed by a husband and wife spouses, an order of assessment may be a single joint notice. If the commissioner has been notified by either spouse that that spouse's address has changed and if that spouse requests it, then, instead of the single joint notice mailed to the last known address of the husband and wife spouses, a duplicate or original of the joint notice must be sent to the requesting spouse at the address designated by the requesting spouse. The other joint notice must be mailed to the other spouse at that spouse's last known address. An assessment is not invalid for failure to send it to a spouse if the spouse actually receives the notice in the same period as if it had been mailed to that spouse at the correct address or if the spouse has failed to provide an address to the commissioner other than the last known address.

Subd. 14. **Purchase price.** (a) "Purchase price" means the total consideration valued in money for a sale, whether paid in money or otherwise. The purchase price excludes the amount of a manufacturer's rebate paid or payable to the purchaser. If a motor vehicle is taken in trade as a credit or as part payment on a motor vehicle taxable under this chapter, the credit or trade-in value allowed by the person selling the motor vehicle shall be deducted from the total selling price to establish the purchase price of the vehicle being sold and the trade-in allowance allowed by the seller shall constitute the purchase price of the motor vehicle accepted as a trade-in. The purchase price in those instances where the motor vehicle is acquired by gift or by any other transfer for a nominal or no monetary consideration shall also include the average value of similar motor vehicles, established by standards and guides as determined by the motor vehicle registrar. The purchase price in those instances where a motor vehicle is manufactured by a person who registers it under the laws of this state shall mean the manufactured cost of such motor vehicle and manufactured cost shall mean the amount expended for materials, labor, and other properly allocable costs of manufacture, except that in the absence of actual expenditures for the manufacture of a part or all of the motor vehicle, manufactured costs shall mean the reasonable value of the completed motor vehicle.

(b) The term "purchase price" shall not include the portion of the value of a motor vehicle due solely to modifications necessary to make the motor vehicle disability accessible to persons with a disability.

(c) The term "purchase price" shall not include the transfer of a motor vehicle by way of gift between a husband and wife spouses or parent and child, or to a nonprofit organization as provided under subdivision 16, paragraph (c), clause (6), nor shall it include the transfer of a motor vehicle by a guardian to a ward when there is no monetary consideration and the title to such vehicle was registered in the name of the guardian, as guardian, only because the ward was a minor.
(d) The term "purchase price" shall not include the transfer of a motor vehicle as a gift between a foster parent and foster child. For purposes of this subdivision, a foster relationship exists, regardless of the age of the child, if (1) a foster parent's home is or was licensed as a foster family home under Minnesota Rules, parts 2960.3000 to 2960.3340, and (2) the county verifies that the child was a state ward or in permanent foster care.

(e) There shall not be included in "purchase price" the amount of any tax imposed by the United States upon or with respect to retail sales whether imposed upon the retailer or the consumer.

EFFECTIVE DATE. This section is effective the day following final enactment.

(b) Any motor vehicle utilized by the owner only by leasing such vehicle to others or by holding it in an effort to so lease it, and which is put to no other use by the owner other than resale after such lease or effort to lease, shall be considered property purchased for resale.

(c) The terms also shall include any transfer of title or ownership of a motor vehicle by other means, for or without consideration, except that these terms shall not include:

1. the acquisition of a motor vehicle by inheritance from or by bequest of, or transfer-on-death of title by, a decedent who owned it;

69.021 REPORTING PREMIUMS; CALCULATION OF AID.

Subdivision 1. Minnesota Firetown Premium Report and Minnesota Aid to Police Premium Report. The commissioner shall, at the time of mailing tax forms, send blank copies of the Minnesota Firetown Premium Report and when applicable the Minnesota Aid to Police Premium Report to each insurer, including township and farmers mutual insurance companies licensed to write insurance as described in section 69.011, subdivision 1, clauses (c) and (f) in this state. These reports must contain space for the insurers name, address, gross premiums less return premiums, dividends, net premiums, certification and other facts that the commissioner may require.

Subd. 2. Report of premiums. (a) Each insurer, including township and farmers mutual insurers where applicable, shall return to the commissioner the reports described in subdivision 1 certified by its secretary and president or chief financial officer.

(b) The Minnesota Firetown Premium Report must contain a true and accurate statement of the total premium for all gross direct fire, lightning, sprinkler leakage, and extended coverage insurance of all domestic mutual insurers and the total premiums for all gross direct fire, lightning, sprinkler leakage and extended coverage insurance of all other insurers, less return premiums and dividends received by them on that business written or done during the preceding calendar year upon property located within the state or brought into the state for temporary use. The fire and extended coverage portion of multiperil and multiple peril package premiums and all other combination premiums must be determined by applying percentages determined by the commissioner or by rating bureaus recognized by the commissioner.

(c) The Minnesota Aid to Police Premium Report must contain a true and accurate statement of the total premiums, less return premiums and dividends, on all direct business received by such insurer in this state, or by its agents for it, in cash or otherwise, during the preceding calendar year, with reference to insurance written for perils described in section 69.011, subdivision 1, clause (f).

Subd. 3. Penalty for fraudulent, incorrect, incomplete returns and late filing of report. (a) When it appears to the commissioner that any insurer has made an incomplete or inaccurate report, the commissioner shall return the report and demand that a complete and accurate report be filed. If the insurer fails to file a report on or before March 1, annually, the insurer is liable and shall pay $25 for each seven days, or fraction thereof, that the report is delinquent, but not to exceed $200. If the insurer fails to file a corrected report within 30 days after demand, the insurer is liable for the penalties provided in paragraph (b) or (c) for knowingly filing an inaccurate or false report.

(b) Any insurer which knowingly makes and files an inaccurate or false report is liable to a fine in an amount of not less than $25 nor more than $1,000, as determined by the commissioner, and additionally the commissioner of commerce may revoke the insurer's certificate of authority.

(c) Any person whose duty it is to make the report who fails or refuses to make it within 30 days after notification by the commissioner shall be fined an amount of not more than $1,000.

(d) Failure of the insurer to receive a reporting form does not excuse the insurer from filing the report.

Subd. 4. Determination of qualified state aid recipients; certification to commissioner of management and budget. (a) The commissioner shall determine which municipalities and independent nonprofit firefighting corporations are qualified to receive fire state aid directly or are qualified to receive the benefit of fire state aid paid to the voluntary statewide lump-sum volunteer firefighter retirement plan and which municipalities and counties are qualified to receive police state aid.

(b) The commissioner shall determine qualification for state aid upon receipt of:

(1) the fire department personnel and equipment certification or the police department and qualified peace officers certificate, whichever applies, required under section 69.011;

(2) the financial compliance report required under section 6.495, subdivision 3, if applicable; and

(3) any other relevant information which comes to the attention of the commissioner.
(c) Upon completion of the determination, on or before October 1, the commissioner shall calculate the amount of:

(1) the police state aid which each county or municipality is to receive under subdivisions 5, 6, 7a, and 10; and

(2) the fire state aid which each municipality or nonprofit firefighting corporation is to receive under subdivisions 5 and 7.

(d) The commissioner shall certify to the commissioner of management and budget the name of each county or municipality, and the amount of state aid which each county or municipality is to receive, in the case of police state aid. The commissioner shall certify to the commissioner of management and budget the name of each municipality or independent nonprofit firefighting corporation and the amount of state aid which each municipality or independent nonprofit firefighting corporation is to receive directly or the amount of state aid which the voluntary statewide lump-sum volunteer firefighter retirement plan is qualified to receive on behalf of the municipality or corporation, in the case of fire state aid.

Subd. 5. Calculation of state aid. (a) The amount of fire state aid available for apportionment, before the addition of the minimum fire state aid allocation amount under subdivision 7, is equal to 107 percent of the amount of premium taxes paid to the state upon the fire, lightning, sprinkler leakage, and extended coverage premiums reported to the commissioner by insurers on the Minnesota Firetown Premium Report. This amount must be reduced by the amount required to pay the state auditor's costs and expenses of the audits or exams of the firefighters relief associations.

The total amount for apportionment in respect to fire state aid must not be less than two percent of the premiums reported to the commissioner by insurers on the Minnesota Firetown Premium Report after subtracting the following amounts:

(1) the amount required to pay the state auditor's costs and expenses of the audits or exams of the firefighters relief associations; and

(2) one percent of the premiums reported by township mutual insurance companies and mutual property and casualty companies with total assets of $5,000,000 or less.

(b) The total amount for apportionment as police state aid is equal to 104 percent of the amount of premium taxes paid to the state on the premiums reported to the commissioner by insurers on the Minnesota Aid to Police Premium Report. The total amount for apportionment in respect to the police state aid program must not be less than two percent of the amount of premiums reported to the commissioner by insurers on the Minnesota Aid to Police Premium Report.

(c) The commissioner shall calculate the percentage of increase or decrease reflected in the apportionment over or under the previous year's available state aid using the same premiums as a basis for comparison.

(d) In addition to the amount for apportionment of police state aid under paragraph (b), each year $100,000 must be apportioned for police state aid. An amount sufficient to pay this increase is annually appropriated from the general fund.

Subd. 7. Apportionment of fire state aid to municipalities and relief associations. (a) The commissioner shall apportion the fire state aid relative to the premiums reported on the Minnesota Firetown Premium Reports filed under this chapter to each municipality and/or firefighters relief association qualified under section 69.011, subdivision 4.

(b) The commissioner shall calculate an initial fire state aid allocation amount for each municipality or fire department under paragraph (c) and, if applicable, a minimum fire state aid allocation amount for each municipality or fire department under paragraph (d). The municipality or fire department must be apportioned the larger fire state aid amount.

(c) The initial fire state aid allocation amount is the amount available for apportionment as fire state aid under subdivision 5, without the inclusion of any additional funding amount to support a minimum fire state aid amount under section 423A.02, subdivision 3, allocated one-half in proportion to the population as shown in the last official statewide federal census for each fire town and one-half in proportion to the estimated market value of each fire town, including (1) the estimated market value of tax-exempt property and (2) the estimated market value of natural resources lands receiving in lieu payments under sections 477A.11 to 477A.14, but excluding the estimated market value of minerals. In the case of incorporated or municipal fire departments furnishing fire protection to other cities, towns, or townships as evidenced by valid fire service contracts filed with the commissioner, the distribution must be adjusted proportionately to take into consideration the
crossover fire protection service. Necessary adjustments must be made to subsequent apportionments. In the case of municipalities or independent fire departments qualifying for the aid, the commissioner shall calculate the state aid for the municipality or relief association on the basis of the population and the estimated market value of the area furnished fire protection service by the fire department as evidenced by duly executed and valid fire service agreements filed with the commissioner. If one or more fire departments are furnishing contracted fire service to a city, town, or township, only the population and estimated market value of the area served by each fire department may be considered in calculating the state aid and the fire departments furnishing service shall enter into an agreement apportioning among themselves the percent of the population and the percent of the estimated market value of each shared service area. The agreement must be in writing and must be filed with the commissioner.

(d) The minimum fire state aid allocation amount is the amount in addition to the initial fire state allocation amount that is derived from any additional funding amount to support a minimum fire state aid amount under section 423A.02, subdivision 3, and allocated to municipalities with volunteer firefighters relief associations or covered by the voluntary statewide lump-sum volunteer firefighter retirement plan based on the number of active volunteer firefighters who are members of the relief association as reported in the annual financial reporting for the calendar year 1993 to the Office of the State Auditor, but not to exceed 30 active volunteer firefighters, so that all municipalities or fire departments with volunteer firefighters relief associations receive in total at least a minimum fire state aid amount per 1993 active volunteer firefighter to a maximum of 30 firefighters. If a relief association is established after calendar year 1993 and before calendar year 2000, the number of active volunteer firefighters who are members of the relief association as reported in the annual financial reporting for calendar year 1998 to the Office of the State Auditor, but not to exceed 30 active volunteer firefighters, shall be used in this determination. If a relief association is established after calendar year 1999, the number of active volunteer firefighters who are members of the relief association as reported in the first annual financial reporting submitted to the Office of the State Auditor, but not to exceed 20 active volunteer firefighters, must be used in this determination. If a relief association is terminated as a result of providing retirement coverage for volunteer firefighters by the voluntary statewide lump-sum volunteer firefighter retirement plan under chapter 353G, the number of active volunteer firefighters of the municipality covered by the statewide plan as certified by the executive director of the Public Employees Retirement Association to the commissioner and the state auditor, but not to exceed 20 active firefighters, must be used in this determination.

(e) Unless the firefighters of the applicable fire department are members of the voluntary statewide lump-sum volunteer firefighter retirement plan, the fire state aid must be paid to the treasurer of the municipality where the fire department is located and the treasurer of the municipality shall, within 30 days of receipt of the fire state aid, transmit the aid to the relief association if the relief association has filed a financial report with the treasurer of the municipality and has met all other statutory provisions pertaining to the aid apportionment. If the firefighters of the applicable fire department are members of the voluntary statewide lump-sum volunteer firefighter retirement plan, the fire state aid must be paid to the executive director of the Public Employees Retirement Association and deposited in the voluntary statewide lump-sum volunteer firefighter retirement fund.

(f) The commissioner may make rules to permit the administration of the provisions of this section.

(g) Any adjustments needed to correct prior misallocations must be made to subsequent fire state aid apportionments.

Subd. 7a. Apportionment of police state aid. (a) Subject to the reduction provided for under subdivision 10, the commissioner shall apportion the police state aid to each municipality, to each county, and to the Departments of Natural Resources and Public Safety in the following manner:

(1) for all municipalities maintaining police departments, counties, the Department of Natural Resources, and the Department of Public Safety, the police state aid must be distributed in proportion to the relationship that the total number of peace officers, as determined under section 69.011, subdivision 1, paragraph (g), and subdivision 2, paragraph (b), employed by that employing unit for 12 calendar months and the proportional or fractional number who were employed less than 12 months bears to the total number of peace officers employed by all municipalities, counties, the Departments of Natural Resources and Public Safety, subject to any reduction under subdivision 10;
(2) for each municipality which contracts with the county for police service, a proportionate amount of the state aid distributed to the county based on the full-time equivalent number of peace officers providing contract service to that municipality must be credited against the municipality's contract obligation; and

(3) for each municipality which contracts with another municipality for police service, a proportionate amount of the state aid distributed to the municipality providing contract service based on the full-time equivalent number of peace officers providing contract service to that municipality on a full-time equivalent basis must be credited against the contract obligation of the municipality receiving contract service.

(b) Any necessary additional adjustments must be made to subsequent police state aid apportionments.

Subd. 8. Population and estimated market value. (a) In computations relating to fire state aid requiring the use of population figures, only official statewide federal census figures may be used. Increases or decreases in population disclosed by reason of any special census must not be taken into consideration.

(b) In calculations relating to fire state aid requiring the use of estimated market value property figures, only the latest available estimated market value property figures may be used.

Subd. 9. Appeal. (d) "Independent nonprofit firefighting corporation" has the same meaning as used in chapter 424A.

(e) "Municipality" has the meaning given in section 69.011, but only if the municipality uses one or more qualified volunteers to provide service.

(f) "Qualified entity" means an emergency medical services provider, independent nonprofit firefighting corporation, or municipality.

(g) "Qualified volunteer" means one of the following types of volunteers who has provided service, for the entire prior calendar year, to one or more qualified entities:

(1) a volunteer firefighter as defined in section 299N.03, subdivision 7;

(2) a volunteer ambulance attendant as defined in section 144E.001, subdivision 15; or

(3) an emergency medical responder as defined in section 144E.001, subdivision 6, who provides emergency medical services as a volunteer.

(h) "Pilot area" means the following groups of counties:

(1) southern Minnesota, consisting of the counties of Faribault, Fillmore, Freeborn, Houston, and Watonwan;

(2) west central Minnesota, consisting of the counties of Chippewa, Kandiyohi, Redwood, and Renville;

(3) central Minnesota, consisting of the counties of Morrison and Todd; and

(4) north central Minnesota, consisting of the counties of Beltrami, Clearwater, and Mahnomen.
Subd. 2. Certification. By June 1 of the calendar year following the year in which the qualified volunteer provided service, the commissioner shall certify to the commissioner of revenue each qualified volunteer's name and the qualified entity for which the qualified volunteer provided service, but the commissioner must remove duplicate listings of qualified volunteers who provided service to more than one qualified entity so that each qualified volunteer is listed only once. The commissioner shall also certify to the commissioner of revenue the total amount of aid to be paid to each qualified entity under subdivision 3. For qualified entities that are not municipalities, the commissioner must indicate the municipality to which the aid is to be paid, as designated by the qualified entity.

Subd. 3. Aid payment and calculation. The commissioner of revenue shall pay aid to qualified entities located in the pilot area to provide funds for the qualified entities to pay annual volunteer retention stipends to qualified volunteers who provide services to the qualified entities. A qualified entity is located in the pilot area if it is a municipality located in whole or in part in the pilot area, or if it is an emergency medical services provider or independent nonprofit firefighting corporation with its main office located in the pilot area. The amount of the aid equals $500 multiplied by the number of qualified volunteers. For purposes of calculating this aid, each individual providing volunteer service, regardless of the different types of service provided, is one qualified volunteer. The commissioner of revenue shall pay the aid to qualified entities by July 15 of the calendar year following the year in which the qualified volunteer provided service. If a qualified entity is not a municipality, the commissioner shall pay the aid to the treasurer of the municipality designated by the qualified entity. The treasurer of the municipality shall, within 30 days of receipt of the aid, transmit the aid to the qualified entity.

Subd. 4. Application. Each year each qualified entity in the pilot area may apply to the commissioner for aid under this section. The application must be made at the time and in the form prescribed by the commissioner and must provide sufficient information to permit the commissioner to determine the applicant's entitlement to aid under this section.

Subd. 5. Payment of stipends. A qualified entity receiving state aid under this section must pay the aid as retention stipends of $500 to qualified volunteers no later than September 15 of the year in which the aid was received.

Subd. 6. Report. No later than January 15, 2018, the commissioner must report to the chairs and ranking minority members of the legislative committees having jurisdiction over public safety and taxes in the senate and the house of representatives, in compliance with sections 3.195 and 3.197, on aid paid under this section. The report must include:

(1) for each county in the pilot area, a listing of the qualified entities that received aid in each of the three years of the pilot;

(2) the amount of aid paid to each qualified entity that received aid in each of the three years of the pilot; and

(3) for each qualified entity that received aid, the number of qualified volunteers who were paid stipends in each of the three years of the pilot, and the number of qualified volunteers in the year preceding the pilot.

The report must also provide information on the number of qualified volunteers providing service to qualified entities in comparison counties in each of the three years of the pilot and in the year preceding the pilot, and must summarize changes in the number of qualified volunteers during the year preceding the pilot and during the three years of the pilot both within the pilot area and in the comparison counties. For purposes of this subdivision, "comparison counties" means counties designated by the commissioner to include at least half of the counties that border each group of counties in the pilot area, as specified in subdivision 1. Qualified entities in comparison counties must provide information to the commissioner necessary to the report in this subdivision in the form and manner required by the commissioner.

Subd. 7. Appropriation. An amount sufficient to pay the state aid under this section is appropriated from the general fund to the commissioner of revenue.

Subd. 8. Sunset. This section expires for aid payable after calendar year 2017, except that the reporting requirement in subdivision 6 remains in effect through 2018.

(b) Fire state aid and police state aid is payable on October 1 annually. The amount of state aid due and not paid by October 1 accrues interest payable to the state aid recipient at the rate of one percent for each month or part of a month that the amount remains unpaid after October 1.

Subd. 3. Appropriations. There is hereby appropriated annually from the state general fund to the commissioner of revenue amounts sufficient to make the police state aid payments and the fire state aid payments specified in this section and section 69.021.

Subd. 5. Deposit of state aid. (a) If the municipality or the independent nonprofit firefighting corporation is covered by the voluntary statewide lump-sum volunteer firefighter retirement plan under chapter 353G, the executive director shall credit the fire state aid against future municipal contribution requirements under section 353G.08 and shall notify the municipality or independent nonprofit firefighting corporation of the fire state aid so credited at least annually. If the municipality or the independent nonprofit firefighting corporation is not covered by the voluntary statewide lump-sum volunteer firefighter retirement plan, the municipal treasurer shall, within 30 days after receipt, transmit the fire state aid to the treasurer of the duly incorporated firefighters' relief association if there is one organized and the association has filed a financial report with the municipality. If the relief association has not filed a financial report with the municipality, the municipal treasurer shall delay transmission of the fire state aid to the relief association until the complete financial report is filed. If the municipality or independent nonprofit firefighting corporation is not covered by the voluntary statewide lump-sum volunteer firefighter retirement plan, if there is no relief association organized, or if the association has dissolved or has been removed as trustees of state aid, then the treasurer of the municipality shall deposit the money in the municipal treasury and the money may be disbursed only for the purposes and in the manner set forth in section 424A.08 or for the payment of the employer contribution requirement with respect to firefighters covered by the public employees police and fire retirement plan under section 353.65, subdivision 3.

(b) For a municipality in which police retirement coverage is provided by the public employees police and fire fund and all peace officers are members of the fund, including municipalities covered by section 353.665, the total state aid must be applied toward the municipality's employer contribution to the public employees police and fire fund under sections 353.65, subdivision 3, and 353.665, subdivision 8.

(c) The county treasurer, upon receipt of the police state aid for the county, shall apply the total state aid toward the county's employer contribution to the public employees police and fire fund under section 353.65, subdivision 3.

(d) The designated Metropolitan Airports Commission official, upon receipt of the police state aid for the Metropolitan Airports Commission, shall apply the total police state aid toward the commission's employer contribution for police officers to the public employees police and fire plan under section 353.65, subdivision 3.

(e) The police state aid apportioned to the Departments of Public Safety and Natural Resources under section 69.021, subdivision 7a, is appropriated to the commissioner of management and budget for transfer to the funds and accounts from which the salaries of peace officers certified under section 69.011, subdivision 2b, are paid. The commissioner of revenue shall certify to the commissioners of public safety, natural resources, and management and budget the amounts to be transferred from the appropriation for police state aid. The commissioners of public safety and natural resources shall certify to the commissioner of management and budget the amounts to be credited to each of the funds and accounts from which the peace officers employed by their respective departments are paid. Each commissioner shall allocate the police state aid first for employer contributions for employees funded from the general fund and then for employer contributions for employees funded from other funds. For peace officers whose salaries are paid from the general
fund, the amounts transferred from the appropriation for police state aid must be canceled to the
general fund.

69.041 SHORTFALL FROM GENERAL FUND.

(a) If the annual funding requirements of fire or police relief associations or consolidation
accounts under sections 424A.091 to 424A.095, or Laws 2013, chapter 111, article 5, sections 31
to 42, exceed all applicable revenue sources of a given year, including the insurance premium taxes
funding the applicable fire or police state aid as set under section 297I.05, subdivisions 2, 3, and
4, the shortfall in the annual funding requirements must be paid from the general fund to the extent
appropriated by the legislature.

(b) Nothing in this section may be deemed to relieve any municipality from its obligation to a
relief association or consolidation account under law.

69.051 FINANCIAL REPORT, BOND, EXAMINATION.

Subdivision 1. Financial report and audit. (a) The board of the Bloomington Fire Department
Relief Association and each volunteer firefighters relief association as defined in section 424A.001,
subdivision 4, with assets of at least $500,000 or liabilities of at least $500,000 in the prior year or

report if no valuation is required, shall prepare a financial report covering the special and general
funds of the relief association for the preceding fiscal year, file the financial report, and submit
financial statements.

(b) The financial report must contain financial statements and disclosures which present the
true financial condition of the relief association and the results of relief association operations in
conformity with generally accepted accounting principles and in compliance with the regulatory,
financing and funding provisions of this chapter and any other applicable laws. The financial report
must be countersigned by:

(1) the municipal clerk or clerk-treasurer of the municipality in which the relief association is
located if the relief association is a firefighters relief association which is directly associated with
a municipal fire department; or

(2) by the municipal clerk or clerk-treasurer of the largest municipality in population which
contracts with the independent nonprofit firefighting corporation if the volunteer firefighter relief
association is a subsidiary of an independent nonprofit firefighting corporation and by the secretary
of the independent nonprofit firefighting corporation; or

(3) by the chief financial official of the county in which the volunteer firefighter relief association
is located or primarily located if the relief association is associated with a fire department that is
not located in or associated with an organized municipality.

(c) The financial report must be retained in its office for public inspection and must be filed
with the governing body of the government subdivision in which the associated fire department is
located after the close of the fiscal year. One copy of the financial report must be furnished to the
state auditor after the close of the fiscal year.

(d) Audited financial statements must be attested to by a certified public accountant or by the
state auditor and must be filed with the state auditor within 180 days after the close of the fiscal
year. The state auditor may accept this report in lieu of the report required in paragraph (c).

Subd. 1a. Financial statement. (a) The board of each volunteer firefighter relief association,
as defined in section 424A.001, subdivision 4, that is not required to file a financial report and audit
under subdivision 1 must prepare a detailed statement of the financial affairs for the preceding fiscal
year of the relief association's special and general funds in the style and form prescribed by the
state auditor. The detailed statement must show:

(1) the sources and amounts of all money received;

(2) all disbursements, accounts payable and accounts receivable;

(3) the amount of money remaining in the treasury;

(4) total assets, including a listing of all investments;

(5) the accrued liabilities; and

(6) all other items necessary to show accurately the revenues and expenditures and financial
position of the relief association.
(b) The detailed financial statement of the special and general funds required under paragraph
(a) must be certified by a certified public accountant or by the state auditor in accordance with
agreed-upon procedures and forms prescribed by the state auditor. The accountant must have at
least five years of public accounting, auditing, or similar experience, and must not be an active,
inactive, or retired member of the relief association or the fire department.

(c) The detailed financial statement required under paragraph (a) must be countersigned by:

(1) the municipal clerk or clerk-treasurer of the municipality; or

(2) where applicable, by the municipal clerk or clerk-treasurer of the largest municipality in
population which contracts with the independent nonprofit firefighting corporation if the relief
association is a subsidiary of an independent nonprofit firefighting corporation and by the secretary
of the independent nonprofit firefighting corporation; or

(3) by the chief financial official of the county in which the volunteer firefighter relief association
is located or primarily located if the relief association is associated with a fire department that is
not located in or associated with an organized municipality.

(d) The volunteer firefighters' relief association board must file the detailed financial statement
required under paragraph (a) in the relief association office for public inspection and present it to
the governing body of the municipality within 45 days after the close of the fiscal year, and must
submit a copy of the certified detailed financial statement to the state auditor within 90 days of the
close of the fiscal year.

(e) A certified public accountant or auditor who performs the agreed-upon procedures under
paragraph (b) is subject to the reporting requirements of section 6.67.

Subd. 1b. Qualification. The state auditor may, upon a demonstration by a relief association
of hardship or an inability to conform, extend the deadline for reports under subdivisions 1 or 1a,
but not beyond November 30th following the due date. If the reports are not received by November
30th, the municipality or relief association forfeits its current year state aid, and, until the state
auditor receives the required information, the relief association or municipality is ineligible to
receive any future state aid. A municipality or firefighters' relief association does not qualify initially
to receive, or be entitled subsequently to retain, state aid under this chapter if the financial reporting
requirement or the applicable requirements of this chapter or any other statute or special law have
not been complied with or are not fulfilled.

Subd. 2. Treasurers bond. (a) The treasurer of the Bloomington Fire Department Relief
Association may not enter upon duties without having given the association a bond in a reasonable
amount acceptable to the municipality for the faithful discharge of duties according to law.

(b) No treasurer of a relief association governed by sections 424A.091 to 424A.096 may enter
upon the duties of the office until the treasurer has given the association a good and sufficient bond
in an amount equal to at least ten percent of the assets of the relief association; however, the amount
of the bond need not exceed $500,000.

Subd. 3. Report by certain municipalities; exceptions. (a) The chief administrative officer
of each municipality which has an organized fire department but which does not have a firefighters'
relief association governed by sections 424A.091 to 424A.095 or Laws 2014, chapter 275, article 2,
section 23, and which is not exempted under paragraph (b) or (c) shall annually prepare a detailed
financial report of the receipts and disbursements by the municipality for fire protection service
during the preceding calendar year on a form prescribed by the state auditor. The financial report
must contain any information which the state auditor deems necessary to disclose the sources of
receipts and the purpose of disbursements for fire protection service. The financial report must be
signed by the municipal clerk or clerk-treasurer of the municipality. The financial report must be
filed by the municipal clerk or clerk-treasurer with the state auditor on or before July 1 annually.
The municipality does not qualify initially to receive, and is not entitled subsequently to retain,
state aid under this chapter if the financial reporting requirement or the applicable requirements of
this chapter or any other statute or special law have not been complied with or are not fulfilled.

(b) Each municipality that has an organized fire department and provides retirement coverage
to its firefighters through the voluntary statewide lump-sum volunteer firefighter retirement plan
under chapter 353G qualifies to have fire state aid transmitted to and retained in the statewide
lump-sum volunteer firefighter retirement fund without filing a detailed financial report if the
executive director of the Public Employees Retirement Association certifies compliance by the
municipality with the requirements of sections 353G.04 and 353G.08, paragraph (e), and certifies
conformity by the applicable fire chief with the requirements of section 353G.07.
(c) Each municipality qualifies to receive fire state aid under this chapter without filing a financial report under paragraph (a) if the municipality:

1. has an organized fire department;
2. does not have a volunteer firefighters relief association directly associated with its fire department;
3. does not participate in the statewide lump-sum volunteer firefighter retirement plan under chapter 353G;
4. provides retirement coverage to its firefighters through the public employees police and fire retirement plan under sections 353.63 to 353.68; and
5. is certified by the executive director of the Public Employees Retirement Association to the state auditor to have had an employer contribution under section 353.65, subdivision 3, for its firefighters for the immediately prior calendar year equal to or greater than its fire state aid for the immediately prior calendar year.

Subd. 4. Notification by commissioner and state auditor. (a) The state auditor, in performing an audit or examination, shall notify the Legislative Commission on Pensions and Retirement if the audit or examination reveals malfeasance, misfeasance, or nonfeasance in office by relief association officials or municipal officials.

(b) The commissioner shall notify the Legislative Commission on Pensions and Retirement if the state auditor has not filed the required financial compliance reports by July 1.

69.33 REPORT; AMOUNT OF PREMIUMS RECEIVED BY INSURANCE COMPANIES.

For purposes of the first class city fire insurance premium tax surcharge aid program under section 297I.10, the commissioner shall enclose in the annual statement blank that is sent to all fire insurance companies doing business in this state a blank form containing the names of all cities of the first class and require these companies, at the time of making their annual statements to the commissioner, to state on these blanks the amount of premiums received by them upon properties insured within the corporate limits of the cities named thereon during the year ending December 31st last past. Thereafter, before July first each year, the commissioner shall certify to the commissioner of management and budget the information thus obtained, together with the amount of the tax for the benefit of the pension plans covering firefighters in cities of the first class paid in such year by these companies upon these insurance premiums.

69.80 AUTHORIZED ADMINISTRATIVE EXPENSES.

(a) Notwithstanding any provision of law to the contrary, the payment of the following necessary, reasonable and direct expenses of maintaining, protecting and administering the special fund, when provided for in the bylaws of the association and approved by the board of trustees, constitutes authorized administrative expenses of a volunteer firefighters' relief association organized under any law of this state or the Bloomington Fire Department Relief Association:

1. office expense, including, but not limited to, rent, utilities, equipment, supplies, postage, periodical subscriptions, furniture, fixtures, and salaries of administrative personnel;
2. salaries of the officers of the association, or their designees, and salaries of the members of the board of trustees of the association if the salary amounts are approved by the governing body of the entity that is responsible for meeting any minimum obligation under section 424A.092 or 424A.093, or Laws 2013, chapter 111, article 5, sections 31 to 42, and the itemized expenses of relief association officers and board members that are incurred as a result of fulfilling their responsibilities as administrators of the special fund;
3. tuition, registration fees, organizational dues, and other authorized expenses of the officers or members of the board of trustees incurred in attending educational conferences, seminars, or classes relating to the administration of the relief association;
4. audit and audit-related services, accounting and accounting-related services, and actuarial, medical, legal, and investment and performance evaluation expenses;
5. filing and application fees payable by the relief association to federal or other governmental entities;
(6) reimbursement to the officers and members of the board of trustees, or their designees, for reasonable and necessary expenses actually paid and incurred in the performance of their duties as officers or members of the board; and

(7) premiums on fiduciary liability insurance and official bonds for the officers, members of the board of trustees, and employees of the relief association.

(b) Any other expenses of the relief association must be paid from the general fund of the association, if one exists. If a relief association has only one fund, that fund is the special fund for purposes of this section. If a relief association has a special fund and a general fund, and any expense of the relief association that is directly related to the purposes for which both funds were established, the payment of that expense must be apportioned between the two funds on the basis of the benefits derived by each fund.

270C.131 EXPLORE MINNESOTA TOURISM TAX REPORT.

Within 30 days of the end of each quarter, the Department of Revenue shall provide Explore Minnesota Tourism with a quarterly report of comparisons of quarterly sales taxes collected under the Standard Industrial Classification System, or equivalent codes in the North America Industry Classification System, in the following areas:

(1) SIC 70, lodging;

(2) SIC 79, amusement and recreation; and

(3) SIC 58, eating and drinking.

275.29 ABSTRACTS TO COMMISSIONER OF REVENUE.

Not later than March 31, in each year, the county auditor shall make and transmit to the commissioner of revenue, in such form as may be prescribed by the commissioner of revenue, complete abstracts of the tax lists of the county, showing the number of acres of land assessed; its value, including the structures thereon; the value of town and city lots, including structures; the total value of all taxable personal property in the several assessment districts; the aggregate amount of all taxable property in the county, and the total amount of taxes levied therein for state, county, town, and all other purposes for that year.

289A.38 LIMITATIONS ON TIME FOR ASSESSMENT OF TAX.

Subd. 7. Federal tax changes. If the amount of income, items of tax preference, deductions, or credits for any year of a taxpayer, or the wages paid by a taxpayer for any period, as reported to the Internal Revenue Service is changed or corrected by the commissioner of Internal Revenue or other officer of the United States or other competent authority, or where a renegotiation of a contract or subcontract with the United States results in a change in income, items of tax preference, deductions, credits, or withholding tax, or, in the case of estate tax, where there are adjustments to the taxable estate, the taxpayer shall report the change or correction or renegotiation results in writing to the commissioner. The report must be submitted within 180 days after the final determination and must be in the form of either an amended Minnesota estate, withholding tax, corporate franchise tax, or income tax return conceding the accuracy of the federal determination or a letter detailing how the federal determination is incorrect or does not change the Minnesota tax. An amended Minnesota income tax return must be accompanied by an amended property tax refund return, if necessary. A taxpayer filing an amended federal tax return must also file a copy of the amended return with the commissioner of revenue within 180 days after filing the amended return.

Subd. 8. Failure to report change or correction of federal return. If a taxpayer fails to make a report as required by subdivision 7, the commissioner may recompute the tax, including a refund, based on information available to the commissioner. The tax may be recomputed within six years after the report should have been filed, notwithstanding any period of limitations to the contrary.

Subd. 9. Report made of change or correction of federal return.
