ARTICLE 7**EARLY CHILDHOOD**

Section 1. Minnesota Statutes 2020, section 119A.52, is amended to read:

119A.52 DISTRIBUTION OF APPROPRIATION.

(a) The commissioner of education must distribute money appropriated for that purpose to federally designated Head Start programs to expand services and to serve additional low-income children. ~~Migrant and Indian reservation programs must be initially allocated money based on the programs' share of federal funds.~~ in the following order: (1) 10.72 percent of the total Head Start appropriation shall be allocated to federally designated tribal Head Start programs; (2) the tribal Head Start portion of the appropriation shall be allocated to tribal Head Start programs based on the programs' share of federal funds; (3) migrant programs must then be initially allocated funding based on the programs' share of federal funds. The remaining money must be initially allocated to the remaining local agencies based equally on the agencies' share of federal funds and on the proportion of eligible children in the agencies' service area who are not currently being served. A Head Start program must be funded at a per child rate equal to its contracted, federally funded base level at the start of the fiscal year. For all agencies without a federal Early Head Start rate, the state average federal cost per child for Early Head Start applies. In allocating funds under this paragraph, the commissioner of education must assure that each Head Start program in existence in 1993 is allocated no less funding in any fiscal year than was allocated to that program in fiscal year 1993. Before paying money to the programs, the commissioner must notify each program of its initial allocation and how the money must be used. Each program must present a plan under section 119A.535. For any program that cannot utilize its full allocation at the beginning of the fiscal year, the commissioner must reduce the allocation proportionately. Money available after the initial allocations are reduced must be redistributed to eligible programs.

(b) The commissioner must develop procedures to make payments to programs based upon the number of children reported to be enrolled during the required time period of program operations. Enrollment is defined by federal Head Start regulations. The procedures must include a reporting schedule, corrective action plan requirements, and financial consequences to be imposed on programs that do not meet full enrollment after the period of corrective action. Programs reporting chronic underenrollment, as defined by the commissioner, will have their subsequent program year allocation reduced proportionately. Funds made available by prorating payments and allocations to programs with reported

65.1 underenrollment will be made available to the extent funds exist to fully enrolled Head Start
65.2 programs through a form and manner prescribed by the department.

65.3 (c) Programs with approved innovative initiatives that target services to high-risk
65.4 populations, including homeless families and families living in homeless shelters and
65.5 transitional housing, are exempt from the procedures in paragraph (b). This exemption does
65.6 not apply to entire programs. The exemption applies only to approved innovative initiatives
65.7 that target services to high-risk populations, including homeless families and families living
65.8 in homeless shelters, transitional housing, and permanent supportive housing.

65.9 Sec. 2. Minnesota Statutes 2020, section 124D.151, subdivision 6, is amended to read:

65.10 Subd. 6. **Participation limits.** (a) Notwithstanding section 126C.05, subdivision 1,
65.11 paragraph (d), the pupil units for a voluntary prekindergarten program for an eligible school
65.12 district or charter school must not exceed 60 percent of the kindergarten pupil units for that
65.13 school district or charter school under section 126C.05, subdivision 1, paragraph (e).

65.14 (b) In reviewing applications under subdivision 5, the commissioner must limit the total
65.15 number of participants in the voluntary prekindergarten and school readiness plus programs
65.16 under Laws 2017, First Special Session chapter 5, article 8, section 9, to not more than 7,160
65.17 participants for fiscal ~~years year~~ 2019, 2020, and 2021, and 3,160 participants for fiscal
65.18 ~~years 2022~~ and later.

65.19 **EFFECTIVE DATE.** This section is effective for revenue for fiscal year 2022 and later.

65.20 Sec. 3. Minnesota Statutes 2020, section 124D.165, subdivision 3, is amended to read:

65.21 Subd. 3. **Administration.** (a) The commissioner shall establish application timelines
65.22 and determine the schedule for awarding scholarships that meets operational needs of eligible
65.23 families and programs. The commissioner must give highest priority to applications from
65.24 children who:

65.25 (1) have a parent under age 21 who is pursuing a high school diploma or a course of
65.26 study for a high school equivalency test;

65.27 (2) are in foster care or otherwise in need of protection or services; or

65.28 (3) have experienced homelessness in the last 24 months, as defined under the federal
65.29 McKinney-Vento Homeless Assistance Act, United States Code, title 42, section 11434a.

66.1 The commissioner may prioritize applications on additional factors including family
66.2 income, geographic location, and whether the child's family is on a waiting list for a publicly
66.3 funded program providing early education or child care services.

66.4 (b) The commissioner shall establish a target for the average scholarship amount per
66.5 child based on the results of the rate survey conducted under section 119B.02.

66.6 (c) A four-star rated program that has children eligible for a scholarship enrolled in or
66.7 on a waiting list for a program beginning in July, August, or September may notify the
66.8 commissioner, in the form and manner prescribed by the commissioner, each year of the
66.9 program's desire to enhance program services or to serve more children than current funding
66.10 provides. The commissioner may designate a predetermined number of scholarship slots
66.11 for that program and notify the program of that number. For fiscal year 2018 and later, the
66.12 statewide amount of funding directly designated by the commissioner must not exceed the
66.13 funding directly designated for fiscal year 2017. Beginning July 1, 2016, a school district
66.14 or Head Start program qualifying under this paragraph may use its established registration
66.15 process to enroll scholarship recipients and may verify a scholarship recipient's family
66.16 income in the same manner as for other program participants.

66.17 (d) A scholarship is awarded for a 12-month period. If the scholarship recipient has not
66.18 been accepted and subsequently enrolled in a rated program within ~~ten~~ three months of the
66.19 awarding of the scholarship, the scholarship cancels and the recipient must reapply in order
66.20 to be eligible for another scholarship. If a family is unable to enroll in an eligible program
66.21 within three months, they may request an extension based on an established set of criteria
66.22 that would be developed under the commissioner's authority. A child may not be awarded
66.23 more than one scholarship in a 12-month period.

66.24 (e) A child who receives a scholarship who has not completed development screening
66.25 under sections 121A.16 to 121A.19 must complete that screening within 90 days of first
66.26 attending an eligible program or within 90 days after the child's third birthday if awarded
66.27 a scholarship under the age of three.

66.28 (f) For fiscal year 2017 and later, a school district or Head Start program enrolling
66.29 scholarship recipients under paragraph (c) may apply to the commissioner, in the form and
66.30 manner prescribed by the commissioner, for direct payment of state aid. Upon receipt of
66.31 the application, the commissioner must pay each program directly for each approved
66.32 scholarship recipient enrolled under paragraph (c) according to the metered payment system
66.33 or another schedule established by the commissioner.
