1.19 Section 1. Purposes

1.20 The purpose of this Compact is to facilitate interstate practice of audiology and
1.21 speech-language pathology with the goal of improving public access to audiology and
1.22 speech-language pathology services. The practice of audiology and speech-language
1.23 pathology occurs in the state where the patient, client, or student is located at the time of

2.1 the patient, client, or student encounter. The Compact preserves the regulatory authority of  
2.2 states to protect public health and safety through the current system of state licensure. This  
2.3 Compact is designed to achieve the following objectives:

2.4 1. Increase public access to audiology and speech-language pathology services by  
2.5 providing for the mutual recognition of other member state licenses;

2.6 2. Enhance the states' ability to protect the public's health and safety;

2.7 3. Encourage the cooperation of member states in regulating multistate audiology and  
2.8 speech-language pathology practice;

2.9 4. Support spouses of relocating active duty military personnel;

2.10 5. Enhance the exchange of licensure, investigative, and disciplinary information between  
2.11 member states;

2.12 6. Allow a remote state to hold a provider of services with a compact privilege in that  
2.13 state accountable to that state's practice standards; and

2.14 7. Allow for the use of telehealth technology to facilitate increased access to audiology  
2.15 and speech-language pathology services.

4.24 A. A license issued to an audiologist or speech-language pathologist by a home state to  
4.25 a resident in that state shall be recognized by each member state as authorizing an audiologist  
4.26 or speech-language pathologist to practice audiology or speech-language pathology, under  
4.27 a privilege to practice, in each member state.

4.28 B. A state must implement or utilize procedures for considering the criminal history  
4.29 records of applicants for initial privilege to practice. These procedures shall include the  
4.30 submission of fingerprints or other biometric-based information by applicants for the purpose  
4.31 of obtaining an applicant's criminal history record information from the Federal Bureau of  
4.32 Investigation and the agency responsible for retaining that state's criminal records.

5.1 1. A member state must fully implement a criminal background check requirement,  
5.2 within a time frame established by rule, by receiving the results of the Federal Bureau of  
5.3 Investigation record search on criminal background checks and use the results in making  
5.4 licensure decisions.

5.5 2. Communication between a member state and the Commission and among member  
5.6 states regarding the verification of eligibility for licensure through the Compact shall not  
5.7 include any information received from the Federal Bureau of Investigation relating to a

5.9 C. Upon application for a privilege to practice, the licensing board in the issuing remote  
5.10 state shall ascertain, through the data system, whether the applicant has ever held, or is the  
5.11 holder of, a license issued by any other state, whether there are any encumbrances on any  
5.12 license or privilege to practice held by the applicant, and whether any adverse action has  
5.13 been taken against any license or privilege to practice held by the applicant.

5.14 D. Each member state shall require an applicant to obtain or retain a license in the home  
5.15 state and meet the home state's qualifications for licensure or renewal of licensure, as well  
5.16 as all other applicable state laws.

 7.15 However, the single-state license granted to these individuals shall not be recognized as  
 7.16 granting the privilege to practice audiology or speech-language pathology in any other  
 7.17 member state. Nothing in this Compact shall affect the requirements established by a member  
 7.18 state for the issuance of a single-state license.

7.19 J. Member states may charge a fee for granting a compact privilege.

7.20 K. Member states must comply with the bylaws and rules and regulations of the

8.1 6. Pay any applicable fees, including any state fee, for the compact privilege; and

8.2 7. Report to the Commission adverse action taken by any non-member state within 30  
8.3 days from the date the adverse action is taken.

8.4 B. For the purposes of the compact privilege, an audiologist or speech-language  
8.5 pathologist shall only hold one home state license at a time.

8.6 C. Except as provided in Section 6, if an audiologist or speech-language pathologist  
8.7 changes primary state of residence by moving between two member states, the audiologist  
8.8 or speech-language pathologist must apply for licensure in the new home state, and the  
8.9 license issued by the prior home state shall be deactivated in accordance with applicable  
8.10 rules adopted by the Commission.

8.11 D. The audiologist or speech-language pathologist may apply for licensure in advance  
8.12 of a change in primary state of residence.

8.13 E. A license shall not be issued by the new home state until the audiologist or  
8.14 speech-language pathologist provides satisfactory evidence of a change in primary state of  
8.15 residence to the new home state and satisfies all applicable requirements to obtain a license  
8.16 from the new home state.

8.17 F. If an audiologist or speech-language pathologist changes primary state of residence  
8.18 by moving from a member state to a non-member state, the license issued by the prior home  
8.19 state shall convert to a single-state license, valid only in the former home state.

8.20 G. The compact privilege is valid until the expiration date of the home state license. The  
8.21 licensee must comply with the requirements of Section 4A to maintain the compact privilege  
8.22 in the remote state.

8.23 H. A licensee providing audiology or speech-language pathology services in a remote  
8.24 state under the compact privilege shall function within the laws and regulations of the remote  
8.25 state.

8.26 I. A licensee providing audiology or speech-language pathology services in a remote  
8.27 state is subject to that state's regulatory authority. A remote state may, in accordance with  
8.28 due process and that state's laws, remove a licensee's compact privilege in the remote state  
8.29 for a specific period of time, impose fines, or take any other necessary actions to protect  
8.30 the health and safety of its citizens.

8.31 J. If a home state license is encumbered, the licensee shall lose the compact privilege in  
8.32 any remote state until the following occur:

9.1 1. The home state license is no longer encumbered; and

9.2 2. Two years have elapsed from the date of the adverse action.

9.3 K. Once an encumbered license in the home state is restored to good standing, the licensee  
9.4 must meet the requirements of Section 4A to obtain a compact privilege in any remote state.

9.5 L. Once the requirements of Section 4J have been met, the licensee must meet the  
9.6 requirements in Section 4A to obtain a compact privilege in a remote state.

9.7 Section 5. Compact Privilege to Practice Telehealth

9.8 Member states shall recognize the right of an audiologist or speech-language pathologist,  
9.9 licensed by a home state in accordance with Section 3 and under rules promulgated by the  
9.10 Commission, to practice audiology or speech-language pathology in a member state via  
9.11 telehealth under a privilege to practice as provided in the Compact and rules promulgated  
9.12 by the Commission.

9.13 Section 6. Active Duty Military Personnel or Their Spouses

9.14 Active duty military personnel, or their spouse, shall designate a home state where the  
9.15 individual has a current license in good standing. The individual may retain the home state  
9.16 designation during the period the service member is on active duty. Subsequent to designating  
9.17 a home state, the individual shall only change their home state through application for  
9.18 licensure in the new state.

9.19 Section 7. Adverse Actions

9.20 A. In addition to the other powers conferred by state law, a remote state shall have the  
9.21 authority, in accordance with existing state due process law, to:

9.22 1. Take adverse action against an audiologist's or speech-language pathologist's privilege  
9.23 to practice within that member state.

9.24 2. Issue subpoenas for both hearings and investigations that require the attendance and  
9.25 testimony of witnesses as well as the production of evidence. Subpoenas issued by a licensing  
9.26 board in a member state for the attendance and testimony of witnesses or the production of  
9.27 evidence from another member state shall be enforced in the latter state by any court of  
9.28 competent jurisdiction, according to the practice and procedure of that court applicable to  
9.29 subpoenas issued in proceedings pending before it. The issuing authority shall pay any  
9.30 witness fees, travel expenses, mileage and other fees required by the service statutes of the  
9.31 state in which the witnesses or evidence are located.

10.1 B. Only the home state shall have the power to take adverse action against an audiologist's  
10.2 or speech-language pathologist's license issued by the home state.

10.3 C. For purposes of taking adverse action, the home state shall give the same priority and  
10.4 effect to reported conduct received from a member state as it would if the conduct had  
10.5 occurred within the home state. In so doing, the home state shall apply its own state laws  
10.6 to determine appropriate action.

10.7 D. The home state shall complete any pending investigations of an audiologist or  
10.8 speech-language pathologist who changes primary state of residence during the course of  
10.9 the investigations. The home state shall also have the authority to take appropriate action(s)  
10.10 and shall promptly report the conclusions of the investigations to the administrator of the  
10.11 data system. The administrator of the data system shall promptly notify the new home state  
10.12 of any adverse actions.

10.13 E. If otherwise permitted by state law, the member state may recover from the affected  
10.14 audiologist or speech-language pathologist the costs of investigations and disposition of  
10.15 cases resulting from any adverse action taken against that audiologist or speech-language  
10.16 pathologist.

10.17 F. The member state may take adverse action based on the factual findings of the remote  
10.18 state, provided that the home state follows its own procedures for taking the adverse action.

10.19 G. Joint Investigations

10.20 1. In addition to the authority granted to a member state by its respective audiology or  
10.21 speech-language pathology practice act or other applicable state law, any member state may  
10.22 participate with other member states in joint investigations of licensees.

10.23 2. Member states shall share any investigative, litigation, or compliance materials in  
10.24 furtherance of any joint or individual investigation initiated under the Compact.

10.25 H. If adverse action is taken by the home state against an audiologist's or speech-language  
10.26 pathologist's license, the audiologist's or speech-language pathologist's privilege to practice  
10.27 in all other member states shall be deactivated until all encumbrances have been removed  
10.28 from the state license. All home state disciplinary orders that impose adverse action against  
10.29 an audiologist's or speech-language pathologist's license shall include a statement that the  
10.30 audiologist's or speech-language pathologist's privilege to practice is deactivated in all  
10.31 member states during the pendency of the order.

11.1 I. If a member state takes adverse action, it shall promptly notify the administrator of  
11.2 the data system. The administrator of the data system shall promptly notify the home state  
11.3 of any adverse actions by remote states.

11.4 J. Nothing in this Compact shall override a member state's decision that participation in  
11.5 an alternative program may be used in lieu of adverse action.

11.6 Section 8. Establishment of the Audiology and Speech-Language Pathology Compact  
11.7 Commission

11.8 A. The Compact member states hereby create and establish a joint public agency known  
11.9 as the Audiology and Speech-Language Pathology Compact Commission:

11.10 1. The Commission is an instrumentality of the Compact states.

11.11 2. Venue is proper and judicial proceedings by or against the Commission shall be  
11.12 brought solely and exclusively in a court of competent jurisdiction where the principal office  
11.13 of the Commission is located. The Commission may waive venue and jurisdictional defenses  
11.14 to the extent it adopts or consents to participate in alternative dispute resolution proceedings.

11.15 3. Nothing in this Compact shall be construed to be a waiver of sovereign immunity.

11.16 B. Membership, Voting, and Meetings

11.17 1. Each member state shall have two delegates selected by that member state's licensing  
11.18 board. The delegates shall be current members of the licensing board. One shall be an  
11.19 audiologist and one shall be a speech-language pathologist.

11.20 2. An additional five delegates, who are either a public member or board administrator  
11.21 from a state licensing board, shall be chosen by the Executive Committee from a pool of

11.26 90 days.

12.12 be binding in all member states;
- 12.13 7. Bring and prosecute legal proceedings or actions in the name of the Commission,

17.23 state.
- 17.24 C. Rules or amendments to the rules shall be adopted at a regular or special meeting of  
17.25 the Commission.
- 17.26 D. Prior to promulgation and adoption of a final rule or rules by the Commission, and

17.30 2. On the website of each member state audiology or speech-language pathology licensing  
17.31 board or other publicly accessible platform or the publication in which each state would  
17.32 otherwise publish proposed rules.

18.9 written data, facts, opinions, and arguments, which shall be made available to the public.

18.10 G. The Commission shall grant an opportunity for a public hearing before it adopts a  
18.11 rule or amendment if a hearing is requested by:

18.13 2. A state or federal governmental subdivision or agency; or

18.14 3. An association having at least 25 members.

18.15 H. If a hearing is held on the proposed rule or amendment, the Commission shall publish  
18.16 the place, time, and date of the scheduled public hearing. If the hearing is held via electronic  
18.17 means, the Commission shall publish the mechanism for access to the electronic hearing.

18.18 1. All persons wishing to be heard at the hearing shall notify the executive director of  
18.19 the Commission or other designated member in writing of their desire to appear and testify  
18.20 at the hearing not less than five business days before the scheduled date of the hearing.

18.23 3. All hearings shall be recorded. A copy of the recording shall be made available on  
18.24 request.

18.25 4. Nothing in this section shall be construed as requiring a separate hearing on each rule.  
18.26 Rules may be grouped for the convenience of the Commission at hearings required by this  
18.27 section.

18.28 I. Following the scheduled hearing date, or by the close of business on the scheduled  
18.29 hearing date if the hearing was not held, the Commission shall consider all written and oral  
18.30 comments received.

19.1 J. If no written notice of intent to attend the public hearing by interested parties is  
19.2 received, the Commission may proceed with promulgation of the proposed rule without a  
19.3 public hearing.

19.4 K. The Commission shall, by majority vote of all members, take final action on the  
19.5 proposed rule and shall determine the effective date of the rule, if any, based on the

19.10 retroactively applied to the rule as soon as reasonably possible, in no event later than 90  
19.11 days after the effective date of the rule. For the purposes of this provision, an emergency  
19.12 rule is one that must be adopted immediately in order to:

19.13 1. Meet an imminent threat to public health, safety, or welfare;

19.14 2. Prevent a loss of Commission or member state funds; or

19.15 3. Meet a deadline for the promulgation of an administrative rule that is established by  
19.16 federal law or rule.

19.17 M. The Commission or an authorized committee of the Commission may direct revisions  
19.18 to a previously adopted rule or amendment for purposes of correcting typographical errors,  
19.19 errors in format, errors in consistency, or grammatical errors. Public notice of any revisions  
19.20 shall be posted on the website of the Commission. The revision shall be subject to challenge  
19.21 by any person for a period of 30 days after posting. The revision may be challenged only  
19.22 on grounds that the revision results in a material change to a rule. A challenge shall be made  
19.23 in writing and delivered to the chair of the Commission prior to the end of the notice period.  
19.24 If no challenge is made, the revision shall take effect without further action. If the revision

19.32 dispute resolution for disputes as appropriate.

20.1 B. Enforcement

20.2 1. The Commission, in the reasonable exercise of its discretion, shall enforce the  
20.3 provisions and rules of this Compact.

20.4 2. By majority vote, the Commission may initiate legal action in the United States District  
20.5 Court for the District of Columbia or the federal district where the Commission has its  
20.6 principal offices against a member state in default to enforce compliance with the provisions  
20.7 of the Compact and its promulgated rules and bylaws. The relief sought may include both  
20.8 injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing  
20.9 member shall be awarded all costs of litigation, including reasonable attorney's fees.

20.10 3. The remedies herein shall not be the exclusive remedies of the Commission. The  
20.11 Commission may pursue any other remedies available under federal or state law.

20.12 Section 12. Date of Implementation of the Interstate Commission for Audiology and  
20.13 Speech-Language Pathology Practice and Associated Rules, Withdrawal, and Amendment

20.14 A. The Compact shall come into effect on the date on which the Compact statute is  
20.15 enacted into law in the tenth member state. The provisions, which become effective at that  
20.16 time, shall be limited to the powers granted to the Commission relating to assembly and the  
20.17 promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking  
20.18 powers necessary to the implementation and administration of the Compact.

20.19 B. Any state that joins the Compact subsequent to the Commission's initial adoption of  
20.20 the rules shall be subject to the rules as they exist on the date on which the Compact becomes  
20.21 law in that state. Any rule that has been previously adopted by the Commission shall have  
20.22 the full force and effect of law on the day the Compact becomes law in that state.

20.23 C. Any member state may withdraw from this Compact by enacting a statute repealing  
20.24 the same.

20.25 1. A member state's withdrawal shall not take effect until six months after enactment of  
20.26 the repealing statute.

20.27 2. Withdrawal shall not affect the continuing requirement of the withdrawing state's  
20.28 audiology or speech-language pathology licensing board to comply with the investigative  
20.29 and adverse action reporting requirements of this act prior to the effective date of withdrawal.

20.30 D. Nothing contained in this Compact shall be construed to invalidate or prevent any  
20.31 audiology or speech-language pathology licensure agreement or other cooperative  
20.32 arrangement between a member state and a non-member state that does not conflict with  
20.33 the provisions of this Compact.

21.1 E. This Compact may be amended by the member states. No amendment to this Compact  
 21.2 shall become effective and binding upon any member state until it is enacted into the laws  
 21.3 of all member states.

21.4 Section 13. Construction and Severability

21.5 This Compact shall be liberally construed so as to effectuate the purposes thereof. The  
 21.6 provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision  
 21.7 of this Compact is declared to be contrary to the constitution of any member state or of the  
 21.8 United States or the applicability thereof to any government, agency, person, or circumstance  
 21.9 is held invalid, the validity of the remainder of this Compact and the applicability thereof  
 21.10 to any government, agency, person, or circumstance shall not be affected thereby. If this  
 21.11 Compact shall be held contrary to the constitution of any member state, the Compact shall  
 21.12 remain in full force and effect as to the remaining member states and in full force and effect  
 21.13 as to the member state affected as to all severable matters.

21.14 Section 14. Binding Effect of Compact and Other Laws

21.15 A. Nothing herein prevents the enforcement of any other law of a member state that is  
 21.16 not inconsistent with the Compact.

21.17 B. All laws in a member state in conflict with the Compact are superseded to the extent  
 21.18 of the conflict.

21.19 C. All lawful actions of the Commission, including all rules and bylaws promulgated  
 21.20 by the Commission, are binding upon the member states.

21.21 D. All agreements between the Commission and the member states are binding in  
 21.22 accordance with their terms.

21.23 E. In the event any provision of the Compact exceeds the constitutional limits imposed  
 21.24 on the legislature of any member state, the provision shall be ineffective to the extent of the  
 21.25 conflict with the constitutional provision in question in that member state.

21.26 **EFFECTIVE DATE.** This section is effective on the date on which the compact statute  
 21.27 is enacted into law in the tenth member state in accordance with section 12 of this Compact.

22.1 Subd. 2. **Background studies.** The commissioner of health is authorized to require an  
22.2 audiologist or speech-language pathologist licensed in Minnesota as the home state to submit  
22.3 to a criminal history background check under section 144.0572.

22.4 Subd. 3. **Provision of data.** All provisions of section 148.5185 authorizing or requiring  
22.5 the commissioner to provide data to the Audiology and Speech-Language Pathology Compact  
22.6 Commission are authorized by section 144.051, subdivision 6.
