3.8 (b) An agency may enter into a housing support agreement for beds with rates in excess
3.9 of the MSA equivalent rate in addition to those currently covered under a housing support
3.10 agreement if the additional beds are only a replacement of beds with rates in excess of the
3.11 MSA equivalent rate which have been made available due to closure of a setting, a change
3.12 of licensure or certification which removes the beds from housing support payment, or as
3.13 a result of the downsizing of a setting authorized for recipients of housing support. The
