Sec. 2. [16A.1335] EMPLOYEE SALARIES AND BENEFITS IN EVENT OF STATE GOVERNMENT SHUTDOWN.

Subdivision 1. Definition. As used in this section, "government shutdown" means that, as of July 1 of an odd-numbered year, legislation appropriating money for the general operations of (1) an executive agency, (2) an office or department of the legislature, including each house of the legislature and the Legislative Coordinating Commission, or (3) a judicial branch agency or department, including a court, has not been enacted for the biennium beginning July 1 of that year.

Subd. 2. Payment required. Notwithstanding section 16A.17, subdivision 8, state employees must be provided payment for lost salary and benefits resulting from their absence from work during a government shutdown. An employee is eligible for a payment under this section only upon the employee's return to work.

Subd. 3. Appropriation; limitation. (a) In the event of a government shutdown, the amount necessary to pay the salary and benefits of employees of any impacted agency, office, or department is appropriated beginning on that July 1 to that agency, office, or department. The appropriation is made from the fund or funds from which an appropriation was made in the previous fiscal year for salary and benefits paid to each affected employee.

(b) Amounts appropriated under this subdivision may not exceed the amount or amounts appropriated for general operations of the affected agency, office, or department in the previous fiscal year.

Subd. 4. Certification of amount for employees in the legislative and judicial branches. By June 25 of an odd-numbered year, if a government shutdown appears imminent, the director of the Legislative Coordinating Commission, the chief clerk of the house of representatives, the secretary of the senate, and the chief clerk of the supreme court must each certify to the commissioner of management and budget the amount needed for salaries and benefits for each fiscal year of the next biennium, and the commissioner of management and budget shall make the certified amount available on July 1 of that year or on another schedule that permits payment of all salary and benefit obligations required by this section in a timely manner.
Subd. 5. Subsequent appropriations. A subsequent appropriation to the agency, office, or department for regular operations for a biennium in which this section has been applied may only supersede and replace the appropriation provided by subdivision 3 by express reference to this section.

Sec. 3. Minnesota Statutes 2022, section 120A.414, subdivision 2, is amended to read:

Subd. 2. Plan. A school board, including the board of a charter school, may adopt an e-learning day plan after consulting meeting and negotiating with the exclusive representative of the teachers. If a charter school's teachers are not represented by an exclusive representative, the charter school may adopt an e-learning day plan after consulting with its teachers. The plan must include accommodations for students without Internet access at home and for digital device access for families without the technology or an insufficient amount of technology for the number of children in the household. A school's e-learning day plan must provide accessible options for students with disabilities under chapter 125A.

Sec. 4. Minnesota Statutes 2022, section 122A.181, subdivision 5, is amended to read:

(b) A Tier 1 license does not bring an individual within the definition of a teacher for purposes of section 122A.40, subdivision 1, or 122A.41, subdivision 1, clause (a).

(c) A Tier 1 license does not bring an individual within the definition of a teacher under section 179A.03, subdivision 18.

A person who teaches in an early childhood and family education program which is offered through a community education program and which qualifies for community education aid pursuant to section 124D.20 or early childhood and family education aid pursuant to section 124D.135 shall continue to meet licensure requirements as a teacher. A person who teaches in a community education course which is offered for credit for graduation to persons under 18 years of age shall continue to meet licensure requirements as a teacher.
(b) A person who teaches a driver training course which that is offered through a community education program to persons under 18 years of age shall be licensed by the Professional Educator Licensing and Standards Board or be subject to section 171.35. A license which that is required for an instructor in a community education program pursuant to this subdivision paragraph shall not be construed to bring an individual within the definition of a teacher for purposes of section 122A.40, subdivision 1, or 122A.41, subdivision 1, clause paragraph (a).

Subd. 5. Probationary period. (a) The first three consecutive years of a teacher's first teaching experience in Minnesota in a single district is deemed to be a probationary period of employment, and, the probationary period in each district in which the teacher is thereafter employed shall be one year. The school board must adopt a plan for written evaluation of teachers during the probationary period that is consistent with subdivision 8. Evaluation must occur at least three times periodically throughout each school year for a teacher performing services during that school year; the first evaluation must occur within the first 90 days of teaching service. Days devoted to parent-teacher conferences, teachers' workshops, and other staff development opportunities and days on which a teacher is absent from school must not be included in determining the number of school days on which a teacher performs services. Except as otherwise provided in paragraph (b), during the probationary period any annual contract with any teacher may or may not be renewed as the school board shall see fit. However, the board must give any such teacher whose contract it declines to renew for the following school year written notice to that effect before July 1. If the teacher requests reasons for any nonrenewal of a teaching contract, the board must give the teacher its reason in writing, including a statement that appropriate supervision was furnished describing the nature and the extent of such supervision furnished the teacher during the employment by the board, within ten days after receiving such request. The school board may, after a hearing held upon due notice, discharge a teacher during the probationary period for cause, effective immediately, under section 122A.44.

(d) A probationary teacher whose first three years of consecutive employment are interrupted for maternity, paternity, or medical leave and who resumes teaching within 12 months of when the leave began is considered to have a consecutive teaching experience for purposes of paragraph (a) if the probationary teacher completes a combined total of three years of teaching service immediately before and after the leave.

(e) A probationary teacher must complete at least 120 days of teaching service each year during the probationary period. Days devoted to parent-teacher conferences, teachers' workshops, and other staff development opportunities and days on which a teacher is absent from school do not count as days of teaching service under this paragraph.

Subd. 2. Probationary period; discharge or demotion. (a) All teachers in the public schools in cities of the first class during the first three years of consecutive employment shall be deemed to be in a probationary period of employment during which period any annual contract with any teacher may, or may not, be renewed as the school board, after consulting with the peer review committee charged with evaluating the probationary teachers under subdivision 3, shall see fit. The first three consecutive years of a teacher's first teaching experience in Minnesota in a single district is deemed to be a probationary period of employment, and the probationary period in each district in which the teacher is thereafter employed shall be one year. The school site management team or the school board if there is no school site management team, shall adopt a plan for a written evaluation of teachers during the probationary period according to subdivisions 3 and 5. The commissioner shall issue an order requiring an employer to comply with sections 177.41 to 177.435 if the violation is repeated. For purposes of this subdivision only, a violation is repeated if at any time during the two years that preceded the date of violation, the commissioner issued an order to the employer for violation of sections 177.41 to 177.435 and the order is final or the commissioner and the employer have entered into a settlement agreement that required the employer to pay back wages that were required by sections 177.41 to 177.435. The department shall serve the order upon the employer or the employer's authorized representative in person or by certified mail at the employer's place of business. An employer who wishes to contest the order must file written notice of objection to the order with the commissioner within 15 calendar days after being served with the order. A contested case proceeding must then be held in accordance with sections 14.57 to 14.69. If, within 15 calendar days after being served with the order, the
employer fails to file a written notice of objection with the commissioner, the order becomes a final order of the commissioner.

**EFFECTIVE DATE.** This section is effective the day following final enactment and applies to franchise agreements entered into or amended on or after that date.

(3) in a position creating and delivering instruction to children in a prekindergarten or
early learning program, except that an employee in a bargaining unit certified before January
1, 2023, may remain in a bargaining unit that does not include teachers unless an exclusive
representative files a petition for a unit clarification or to transfer exclusive representative
status.

EFFECTIVE DATE. This section is effective July 1, 2023.

Sec. 12. Minnesota Statutes 2022, section 179A.03, subdivision 19, is amended to read:

Subd. 19. Terms and conditions of employment. "Terms and conditions of employment"
means the hours of employment, the compensation therefor including fringe benefits except
retirement contributions or benefits other than employer payment of, or contributions to,
premiums for group insurance coverage of retired employees or severance pay, staffing
ratios, and the employer's personnel policies affecting the working conditions of the
employees. In the case of professional employees the term does not mean educational
policies of a school district. "Terms and conditions of employment" is subject to section
179A.07. In the case of school employees, "terms and conditions of employment" includes
class sizes, student testing, and student-to-personnel ratios.
Sec. 13. Minnesota Statutes 2022, section 179A.06, subdivision 6, is amended to read:

Subd. 6. **Dues checkoff Payroll deduction, authorization, and remittance.** (a) Public employees have the right to request and be allowed dues checkoff payroll deduction for the exclusive representative. In the absence of an exclusive representative, public employees have the right to request and be allowed dues checkoff for the organization of their choice and the political fund associated with the exclusive representative and registered pursuant to section 10A.12. A public employer must rely on a certification from any exclusive representative requesting remittance of a deduction that the organization has and will maintain an authorization, signed by the public employee from whose salary or wages the deduction is to be made, which may include an electronic signature by the public employee as defined in section 325L.02, paragraph (h). An exclusive representative making such certification must not be required to provide the public employer a copy of the authorization unless a dispute arises about the existence or terms of the authorization. The exclusive representative must indemnify the public employer for any successful claims made by the employee for unauthorized deductions in reliance on the certification.

(b) A dues deduction authorization remains in effect until the employer receives notice from the exclusive representative that a public employee has changed or canceled their authorization in writing in accordance with the terms of the original authorizing document, and a public employer must rely on information from the exclusive representative receiving remittance of the deduction regarding whether the deductions have been properly changed or canceled. The exclusive representative must indemnify the public employer for any successful claims made by the employee for unauthorized deductions made in reliance on such information.

(c) Deduction authorization under this section is independent from the public employee's membership status in the organization to which payment is remitted and is effective regardless of whether a collective bargaining agreement authorizes the deduction.

(d) Employers must commence deductions within 30 days of notice of authorization from the exclusive representative and must remit the deductions to the exclusive representative within 30 days of the deduction. The failure of an employer to comply with the provisions of this paragraph shall be an unfair labor practice under section 179A.13, the relief for which shall be reimbursement by the employer of deductions that should have been made or remitted based on a valid authorization given by the employee or employees.

(e) In the absence of an exclusive representative, public employees have the right to request and be allowed payroll deduction for the organization of their choice.
(f) Any dispute under this subdivision must be resolved through an unfair labor practice proceeding under section 179A.13.

Sec. 14. Minnesota Statutes 2022, section 179A.06, is amended by adding a subdivision to read:

Subd. 8. Liability. (a) A public employer, a labor organization, or any of its employees or agents shall not be liable for and shall have a complete defense to claims or actions under the laws of this state for requiring, deducting, receiving, or retaining agency or fair share fees from public employees. Current or former public employees shall not have standing to pursue these claims or actions if the fees were permitted at the time under the laws of this state then in force and paid, through payroll deduction or otherwise, prior to June 27, 2018.

(b) This subdivision applies to claims or actions pending on the effective date of this section and to claims or actions filed on or after that date.

(c) The enactment of this section shall not be interpreted to create the inference that any relief made unavailable by this section would otherwise be available.

(d) The legislature finds and declares:

1. application of this subdivision to pending claims or actions clarifies state law rather than changes it. Public employees who paid agency or fair share fees as a condition of employment according to state law and supreme court precedent prior to June 27, 2018, had no legitimate expectation of receiving the money under any available cause of action.

2. Public employees and organizations who relied on and abided by state law and supreme court precedent in deducting and accepting those fees were not liable to refund them or any agency or fair share fees paid for collective bargaining representation that employee organizations were obligated by state law to provide to public employees. Application of this subdivision to pending claims will preserve, rather than interfere with, important reliance interests; and

(2) this subdivision is necessary to provide certainty to public employers and employee organizations that relied on state law and to avoid disruption of public employee labor relations.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 15. Minnesota Statutes 2022, section 179A.07, subdivision 1, is amended to read:

Subdivision 1. Inherent managerial policy. A public employer is not required to meet and negotiate on matters of inherent managerial policy. Matters of inherent managerial policy include, but are not limited to, such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure, selection of personnel, and direction and the number of personnel. No public employer shall sign an agreement which limits its right to select persons to serve as supervisory employees or state managers under section 43A.18, subdivision 3, or requires the use of seniority in their selection.

Sec. 16. Minnesota Statutes 2022, section 179A.07, subdivision 6, is amended to read:

Subd. 6. Time off. A public employer must afford reasonable time off to elected officers or appointed representatives of the exclusive representative to conduct the duties of the exclusive representative and must, upon request, provide for leaves of absence to elected or appointed officials of the exclusive representative, to elected or appointed officials of an affiliate of an exclusive representative, or to a full-time appointed official of an exclusive representative of teachers in another Minnesota school district.

Sec. 17. Minnesota Statutes 2022, section 179A.07, is amended by adding a subdivision to read:

Subd. 8. Bargaining unit information. (a) Within ten calendar days from the date of hire of a bargaining unit employee, a public employer must provide the following contact information to an exclusive representative in an Excel file format or other format agreed to by the exclusive representative: name; job title; worksite location, including location within a facility when appropriate; home address; work telephone number; home and personal cell phone numbers on file with the public employer; date of hire; and work email address and personal email address on file with the public employer.

(b) Every 120 calendar days beginning on January 1, 2024, a public employer must provide to an exclusive representative in an Excel file or similar format agreed to by the exclusive representative the following information for all bargaining unit employees: name; job title; worksite location, including location within a facility when appropriate; home address; work telephone number; home and personal cell phone numbers on file with the public employer; date of hire; and work email address and personal email address on file with the public employer.
(c) A public employer must notify an exclusive representative within ten calendar days of the separation of employment or transfer out of the bargaining unit of a bargaining unit employee.

Sec. 18. Minnesota Statutes 2022, section 179A.07, is amended by adding a subdivision to read:

Subd. 9. Access. (a) A public employer must allow an exclusive representative to meet in person with newly hired employees, without charge to the pay or leave time of the employees, for 30 minutes, within 30 calendar days from the date of hire, during new employee orientations or, if the employer does not conduct new employee orientations, at individual or group meetings. An exclusive representative shall receive no less than ten days' notice in advance of an orientation, except that a shorter notice may be provided where there is an urgent need critical to the operations of the public employer that was not reasonably foreseeable. Notice of and attendance at new employee orientations and other meetings under this paragraph must be limited to the public employer, the employees, the exclusive representative, and any vendor contracted to provide a service for purposes of the meeting. Meetings may be held virtually or for longer than 30 minutes only by mutual agreement of the public employer and exclusive representative.

(b) A public employer must allow an exclusive representative to communicate with bargaining unit members using their employer-issued email addresses regarding collective bargaining, the administration of collective bargaining agreements, the investigation of grievances, other workplace-related complaints and issues, and internal matters involving the governance or business of the exclusive representative, consistent with the employer's generally applicable technology use policies.

(c) A public employer must allow an exclusive representative to meet with bargaining unit members in facilities owned or leased by the public employer regarding collective bargaining, the administration of collective bargaining agreements, grievances and other workplace-related complaints and issues, and internal matters involving the governance or business of the exclusive representative, provided the use does not interfere with governmental operations. Meetings conducted in government buildings pursuant to this paragraph must not be for the purpose of supporting or opposing any candidate for partisan political office or for the purpose of distributing literature or information regarding partisan elections. An exclusive representative conducting a meeting in a government building or other government facility pursuant to this subdivision may be charged for maintenance,
security, and other costs related to the use of the government building or facility that would not otherwise be incurred by the government entity.

Sec. 19. Minnesota Statutes 2022, section 179A.12, is amended by adding a subdivision to read:

Subd. 2a. **Majority verification procedure.** (a) Notwithstanding any other provision of this section, an employee organization may file a petition with the commissioner requesting certification as the exclusive representative of an appropriate unit based on a verification that over 50 percent of the employees in the proposed appropriate unit wish to be represented by the petitioner. The commissioner shall require dated representation authorization signatures of affected employees as verification of the employee organization's claim of majority status.

(b) Upon receipt of an employee organization's petition, accompanied by employee authorization signatures under this subdivision, the commissioner shall investigate the petition. If the commissioner determines that over 50 percent of the employees in an appropriate unit have provided authorization signatures designating the employee organization specified in the petition as their exclusive representative, the commissioner shall not order an election but shall certify the employee organization.

Sec. 20. Minnesota Statutes 2022, section 179A.12, subdivision 6, is amended to read:

Subd. 6. **Authorization signatures.** In determining the numerical status of an employee organization for purposes of this section, the commissioner shall require dated representation authorization signatures of affected employees as verification of the statements contained in the joint request or petitions. These authorization signatures shall be privileged and confidential information available to the commissioner only. Electronic signatures, as defined in section 325L.02, paragraph (h), shall be valid as authorization signatures. Authorization signatures shall be valid for a period of one year following the date of signature.

Sec. 21. Minnesota Statutes 2022, section 179A.12, subdivision 11, is amended to read:

Subd. 11. **Unfair labor practices.** If the commissioner finds that an unfair labor practice was committed by an employer or representative candidate or an employee or group of employees, and that the unfair labor practice affected the result of an election or majority verification procedure pursuant to subdivision 2a, or that procedural or other irregularities in the conduct of the election or majority verification procedure may have substantially
affected its results, the commissioner may void the election result and order a new election or majority verification procedure.

Sec. 22. **[181.531] EMPLOYER-SPONSORED MEETINGS OR COMMUNICATION.**

Subdivision 1. **Prohibition.** An employer or the employer's agent, representative, or designee must not discharge, discipline, or otherwise penalize or threaten to discharge, discipline, or otherwise penalize or take any adverse employment action against an employee:

(1) because the employee declines to attend or participate in an employer-sponsored meeting or declines to receive or listen to communications from the employer or the agent, representative, or designee of the employer if the meeting or communication is to communicate the opinion of the employer about religious or political matters;

(2) as a means of inducing an employee to attend or participate in meetings or receive or listen to communications described in clause (1); or

Subd. 2. Dwelling in micro units in sacred communities authorized. Religious institutions are authorized to provide permanent housing to people who are chronically homeless, extremely low-income, or designated volunteers, in sacred communities composed of micro units subject to the provisions of this section.

Subd. 3. Sacred community requirements. (a) A sacred community must provide residents of micro units access to water and electric utilities either by connecting the micro units to the utilities that are serving the principal building on the lot or by other comparable means, or by providing the residents access to permanent common kitchen facilities and common facilities for toilet, bathing, and laundry with the number and type of fixtures required for an R-2 boarding house under Minnesota Rules, part 1305.2902. Any units that are plumbed shall not be included in determining the minimum number of fixtures required for the common facilities.

(1) be appropriately insured;

(2) have between one-third and 40 percent of the micro units occupied by designated volunteers; and

(3) provide the municipality with a written plan approved by the religious institution's governing board that outlines:
(i) disposal of water and sewage from micro units if not plumbed;

(ii) septic tank drainage if plumbed units are not hooked up to the primary worship location's system;

(iii) adequate parking, lighting, and access to units by emergency vehicles;

(iv) protocols for security and addressing conduct within the settlement; and

(v) safety protocols for severe weather.

(c) A sacred community meeting the requirements of this section shall be approved and regulated as a permitted use, conditional use, or planned unit development, as determined by the municipality. When approved, additional permitting is not required for individual micro units.

(d) Sacred communities are subject to the laws governing landlords and tenants under chapter 504B.

Subd. 4. Micro unit requirements. (a) In order to be eligible to be placed within a sacred community, a micro unit must be built to the requirements of the American National Standards Institute (ANSI) Code 119.5, which includes standards for heating, electrical systems, and fire and life safety. A micro unit must also meet the following technical requirements:

(8) have smoke and carbon monoxide detectors installed.

(b) All micro units, including their anchoring, must be inspected and certified for compliance with these requirements by a licensed Minnesota professional engineer or qualified third-party inspector for ANSI compliance accredited pursuant to either the American Society for Testing and Materials Appendix E541 or ISO/IEC 17020.

(c) Micro units that connect to utilities such as water, sewer, gas, or electric, must obtain any permits or inspections required by the municipality or utility company for that connection.

(d) Micro units must comply with municipal setback requirements established by ordinance for manufactured homes. If a municipality does not have such an ordinance, micro units must be set back on all sides by at least ten feet.
