and $250,000 in fiscal year 2025 are for the
Office of Higher Education to enter into a
contract establishing the Inclusive Higher
Education Technical Assistance Center under
Minnesota Statutes, section 135A.161, and
$750,000 in fiscal year 2024 and $750,000 in
fiscal year 2025 are for transfer to the
inclusive higher education grant account under
Minnesota Statutes, section 135A.162, subdivision 4.
The Office of Higher Education may use no
more than three percent of the appropriation
to administer the program.

Subd. 46. Paramedic Scholarship Program
For the paramedic scholarship program under
article 2, section 26. Of this amount:
(1) $3,000,000 is for awarding 600 student
scholarships;
(2) $100,000 is for promotion of the program
and student recruitment efforts; and
(3) $100,000 is for administering the program.
This appropriation is available until expended
or until June 30, 2026, whichever occurs first.

Subd. 47. Addiction Medicine Graduate Medical
Education Fellowship
(a) For a grant to Hennepin County Medical
Center to support up to six physicians enrolled
in an addiction medicine fellowship program.
If the appropriation for either year is
insufficient, the appropriation for the other
year is available for it.
(b) Each year, in order to receive funds under
this subdivision, Hennepin County Medical
Center must certify to the commissioner the
number of physicians actually enrolled in an
addiction medicine fellowship for that year.
The commissioner shall transfer to Hennepin
County Medical Center $90,000 for each
physician enrolled in an addiction medicine
fellowship subject to the total funds
appropriated by this subdivision.

(c) This appropriation shall be used to prepare
teachers to practice addiction medicine in rural
and underserved areas of the state, and to train
teachers in: diagnostic interviewing;
motivational interviewing; addiction
counseling; recognition and care of common
acute withdrawal syndromes and
complications; pharmacotherapies of addictive
disorders; epidemiology and pathophysiology
of addiction; identification and treatment of
addictive disorders in special populations;
secondary interventions; the use of screening
and diagnostic instruments; inpatient care; and
working within a multidisciplinary team.

Subd. 48. **Allied Health Technician Scholarship Program**

appropriation, the get ready appropriation, the intervention for college attendance appropriation, the student-parent information appropriation, the summer academic enrichment program appropriation, the public safety officers' survivors appropriation, and the fostering independence higher education grant program. The commissioner may transfer unencumbered balances from the hunger-free campus appropriations to the emergency assistance for postsecondary students grant. To the extent there is a projected surplus in the appropriation for either the student teachers in shortage areas grant program or the underrepresented student teacher grant program, the commissioner may transfer unencumbered balances between the two programs as needed to meet demand. Transfers from the child care, state work-study, or the hunger-free campus appropriations may only be made to the extent there is a projected surplus in the appropriation. A transfer may be made only with prior written notice to the chairs and ranking minority members of the senate and house of representatives committees with jurisdiction over higher education finance.

Sec. 3. BOARD OF TRUSTEES OF THE MINNESOTA STATE COLLEGES AND UNIVERSITIES

Subdivision 1. Total Appropriation $ 967,781,000 $ 942,792,000
The amounts that may be spent for each purpose are specified in the following subdivisions.

Subd. 2. Central Office and Shared Services Unit
34,401,000 34,401,000
For the Office of the Chancellor and the
Shared Services Division.

Subd. 3. Operations and Maintenance  

| 929,265,000 | 904,276,000 |

(a) This appropriation includes $25,000,000 in fiscal year 2024 and $50,000,000 in fiscal year 2025 for student tuition relief. The Board of Trustees may not set the tuition rates in any undergraduate degree-granting program for the 2023-2024 and 2024-2025 academic years at a rate greater than the 2022-2023 academic year rates. The student tuition relief may not be offset by increases in mandatory fees, charges, or other assessments to the student. Colleges and universities are permitted to increase differential tuition charges in fiscal years 2024 and 2025 where costs for course or program delivery have increased due to extraordinary circumstances beyond the control of the college or university. Rates and rationale must be approved by the Board of Trustees.

(b) This appropriation includes $50,000,000 in fiscal year 2024 for onetime campus support. The Board of Trustees must allocate this amount to all colleges and universities based upon each institution's estimated tuition revenue loss due to declines in enrollment from fiscal year 2019 to fiscal year 2023, except that no institution shall receive an allocation less than $200,000. This is an onetime appropriation. The base for this appropriation in fiscal year 2026 and later is $0.

(c) $5,700,000 in fiscal year 2024 and $5,700,000 in fiscal year 2025 are to provide...
supplemental aid for operations and maintenance to the president of each two-year institution in the system with at least one campus that is not located in a metropolitan county, as defined in Minnesota Statutes, section 473.121, subdivision 4. The board shall transfer at least $158,000 for each campus not located in a metropolitan county in each year to the president of each institution that includes such a campus.

(d) The Board of Trustees is requested to help Minnesota close the attainment gap by funding activities which improve retention and completion for students of color.

(e) $10,750,000 in fiscal year 2024 and $10,750,000 in fiscal year 2025 are for workforce development scholarships under Minnesota Statutes, section 136F.38. $6,250,000 in fiscal year 2025 must be matched with cash or in-kind contributions from nonstate sources. The base amount for this appropriation for fiscal year 2026 and later is $4,500,000.

(f) $300,000 in fiscal year 2024 and $300,000 in fiscal year 2025 are for transfer to the Cook County Higher Education Board to provide educational programming, workforce development, and academic support services to remote regions in northeastern Minnesota. The Cook County Higher Education Board shall continue to provide information to the Board of Trustees on the number of students served, credit hours delivered, and services provided to students.
(g) $40,000 in fiscal year 2024 and $40,000
in fiscal year 2025 to implement the sexual
assault policies required under Minnesota
Statutes, section 135A.15.

(h) $9,500,000 in fiscal year 2024 and
$9,500,000 in fiscal year 2025 are for
enterprise-wide technology, including
upgrading the Integrated Statewide Record
System and maintaining enterprise-wide
technology services. The base for this
appropriation in fiscal year 2026 and later is
$9,100,000.

(i) $1,050,000 in fiscal year 2024 and
$1,050,000 in fiscal year 2025 are to reduce
students' out-of-pocket costs by expanding
free offerings in course materials and
resources, including through open educational
resources, open textbooks, and implementation
of Z-Degrees under Minnesota Statutes,
section 136F.305. The base for this
appropriation in fiscal year 2026 and later is
$50,000.

(j) $13,000,000 in fiscal year 2024 and
$13,000,000 in fiscal year 2025 are to expand
student support services. This appropriation
provides funding to campuses to address basic
needs insecurity, mental health, and other
high-need student support services by
increasing the amount of available resources
to students. In addition, this funding provides
systemwide resources and coordination,
including electronic connections for peer
support and professional clinical support for
mental health. These systemwide resources
must be available online 24 hours a day, seven
days a week. The base amount for this appropriation for fiscal year 2026 and later is $2,000,000.

(k) $12,500,000 in fiscal year 2024 and $12,500,000 in fiscal year 2025 are for upgrades to college and university equipment and learning environments. The amount appropriated in fiscal year 2025 must be matched with cash or in-kind contributions from nonstate sources. Up to 1.5 percent of the appropriation may be used for administration of the program. This is a onetime appropriation. The base for this appropriation in fiscal year 2026 and later is $0.

(l) $6,250,000 in fiscal year 2024 and $6,250,000 in fiscal year 2025 are to develop and expand industry sector programming to build capacity and support new and redesigned curricular options with an emphasis on offering students work-based learning experiences. The amount appropriated in fiscal year 2025 must be matched with cash or in-kind contributions from nonstate sources. Up to 1.5 percent of the appropriation may be used for administration of the program. This is a onetime appropriation. The base for this appropriation in fiscal year 2026 and later is $0.

(m) $861,000 in fiscal year 2024 and $872,000 in fiscal year 2025 are for costs associated with the increased employer contribution rates for the higher education individual retirement account plan under Minnesota Statutes, section 354B.23, subdivision 3. The base for fiscal
year 2026 is $883,000 and for fiscal year 2027 is $894,000.

(n) $809,000 in fiscal year 2024 and $809,000 in fiscal year 2025 are for unemployment insurance aid under Minnesota Statutes, section 268.193, to institutions within the system.

(o) The total operations and maintenance base for fiscal year 2026 is $852,787,000 and for fiscal year 2027 and later is $852,798,000.

(a) $15,000,000 in fiscal year 2024 and $15,000,000 in fiscal year 2025 are to: (1) increase the medical school's research capacity; (2) improve the medical school's ranking in National Institutes of Health funding; (3) ensure the medical school's national prominence by attracting and retaining world-class faculty, staff, and students; (4) invest in physician training programs in rural and underserved communities; and (5) translate the medical school's research discoveries into new
treatments and cures to improve the health of Minnesotans.

(b) $7,800,000 in fiscal year 2024 and $7,800,000 in fiscal year 2025 are for health training restoration. This appropriation must be used to support all of the following: (1) faculty physicians who teach at eight residency program sites, including medical resident and student training programs in the Department of Family Medicine; (2) the Mobile Dental Clinic; and (3) expansion of geriatric education and family programs.

(c) $4,000,000 in fiscal year 2024 and $4,000,000 in fiscal year 2025 are for the Minnesota Discovery, Research, and Innovation Economy funding program for cancer care research.

(d) $500,000 in fiscal year 2024 and $500,000 in fiscal year 2025 are for the University of Minnesota, Morris branch, to cover the costs of tuition waivers under Minnesota Statutes, section 137.16.

(e) $5,000,000 in fiscal year 2024 and $5,000,000 in fiscal year 2025 are for systemwide safety and security measures on University of Minnesota campuses. The base amount for this appropriation is $2,000,000 in fiscal year 2026 and later.

(f) $366,000 in fiscal year 2024 and $366,000 in fiscal year 2025 are for unemployment insurance aid under Minnesota Statutes, section 268.193.

(g) The total operations and maintenance base for fiscal year 2026 and later is $695,684,000.
Subd. 3. **Primary Care Education Initiatives**

This appropriation is from the health care access fund.

Subd. 4. **Special Appropriations**

(a) **Agriculture and Extension Service**

For the Agricultural Experiment Station and the Minnesota Extension Service:

(1) the agricultural experiment stations and Minnesota Extension Service must convene agricultural advisory groups to focus research, education, and extension activities on producer needs and implement an outreach strategy that more effectively and rapidly transfers research results and best practices to producers throughout the state;

(2) this appropriation includes funding for research and outreach on the production of renewable energy from Minnesota biomass resources, including agronomic crops, plant and animal wastes, and native plants or trees. The following areas should be prioritized and carried out in consultation with Minnesota producers, renewable energy, and bioenergy organizations:

(i) biofuel and other energy production from perennial crops, small grains, row crops, and forestry products in conjunction with the Natural Resources Research Institute (NRRI);

(ii) alternative bioenergy crops and cropping systems; and

(iii) biofuel coproducts used for livestock feed;

(3) this appropriation includes funding for the College of Food, Agricultural, and Natural Sciences.
Resources Sciences to establish and provide leadership for organic agronomic, horticultural, livestock, and food systems research, education, and outreach and for the purchase of state-of-the-art laboratory, planting, tilling, harvesting, and processing equipment necessary for this project;

(4) this appropriation includes funding for research efforts that demonstrate a renewed emphasis on the needs of the state's agriculture community. The following areas should be prioritized and carried out in consultation with Minnesota farm organizations:

(i) vegetable crop research with priority for extending the Minnesota vegetable growing season;

(ii) fertilizer and soil fertility research and development;

(iii) soil, groundwater, and surface water conservation practices and contaminant reduction research;

(iv) discovering and developing plant varieties that use nutrients more efficiently;

(v) breeding and development of turf seed and other biomass resources in all three Minnesota biomes;

(vi) development of new disease-resistant and pest-resistant varieties of turf and agronomic crops;

(vii) utilizing plant and livestock cells to treat and cure human diseases;

(viii) the development of dairy coproducts;
25.1 (ix) a rapid agricultural response fund for
25.2 current or emerging animal, plant, and insect
25.3 problems affecting production or food safety;
25.4 (x) crop pest and animal disease research;
25.5 (xi) developing animal agriculture that is
25.6 capable of sustainably feeding the world;
25.7 (xii) consumer food safety education and
25.8 outreach;
25.9 (xiii) programs to meet the research and
25.10 outreach needs of organic livestock and crop
25.11 farmers; and
25.12 (xiv) alternative bioenergy crops and cropping
25.13 systems; and growing, harvesting, and
25.14 transporting biomass plant material; and
25.15 (5) by February 1, 2025, the Board of Regents
25.16 must submit a report to the legislative
25.17 committees and divisions with jurisdiction
25.18 over agriculture and higher education finance
25.19 on the status and outcomes of research and
25.20 initiatives funded in this paragraph.

$346,000 each year is to support up to 12
resident physicians in the St. Cloud Hospital
family practice residency program. The
program must prepare doctors to practice
primary care medicine in rural areas of the
state. The legislature intends this program to
improve health care in rural communities,
provide affordable access to appropriate
medical care, and manage the treatment of
patients in a more cost-effective manner. The
remainder of this appropriation is for the rural
physicians associates program; the Veterinary
Diagnostic Laboratory; health sciences research; dental care; the Biomedical Engineering Center; and the collaborative partnership between the University of Minnesota and Mayo Clinic for regenerative medicine, research, clinical translation, and commercialization.

ARTICLE 2
HIGHER EDUCATION PROVISIONS

Section 1. [135A.121] AMERICAN INDIAN SCHOLARS.

Subdivision 1. Establishment. The American Indian Scholars program is established
to provide a first-dollar tuition and fee free pathway for eligible Minnesota American Indian
students to complete an undergraduate education.

Subd. 2. Eligibility. To be eligible each year for the program a student must:

1) be enrolled in an undergraduate certificate, diploma, or degree program at the
University of Minnesota or a Minnesota state college or university;

2) be either (i) a Minnesota resident for resident tuition purposes who is an enrolled
member or citizen of a federally recognized American Indian Tribe or Canadian First Nation,
or (ii) an enrolled member or citizen of a Minnesota Tribal Nation, regardless of resident
tuition status; and

3) have not (i) obtained a baccalaureate degree, or (ii) been enrolled for 180 credits or
the equivalent, excluding courses taken that qualify as developmental education or below
college-level.

Subd. 3. Administration. Minnesota State Colleges and Universities must and the
University of Minnesota is requested to provide a full tuition and fee waiver to a student
eligible under subdivision 2. Funds appropriated with reference to this section may be used
to offset the institutional costs of the waivers; fund existing waivers, scholarships, or grant
programs for students eligible under subdivision 2; provide student supports for eligible
students; and administer these programs.

Subd. 4. Reports. (a) Each institution receiving funds under this section must annually
report to the commissioner of the Office of Higher Education the following:

1) how the systems or institutions have administered, distributed, and awarded the
funds;

2) enrollment and graduation data for all eligible students, including applicants and
recipients of funds; and

3) the aggregate awarded financial aid information for all recipients of funds under this
program.
(b) Using the data submitted to the office by institutions pursuant to paragraph (a), as well as other data available to the office, the office shall provide the following on its website by placing a prominent link on its website home page:

1. Information made available in a searchable database, including but not limited to persistence and completion, debt of graduates, employment and wage information, and other relevant data for each institution subject to paragraph (a); and

2. Other information and links that are useful to students and parents who are in the process of selecting a college or university.

Sec. 2. [135A.161] INCLUSIVE HIGHER EDUCATION TECHNICAL ASSISTANCE CENTER.

Subdivision 1. Definitions. (a) For purposes of this section and section 135A.162, the following terms have the meanings given.

(b) "Center" means the Inclusive Higher Education Technical Assistance Center.

(c) "Commissioner" means the commissioner of the Office of Higher Education.

(d) "Comprehensive transition and postsecondary program for students with intellectual disabilities" means a degree, certificate, or nondegree program that is offered by an institution of higher education for students with intellectual disabilities and approved by the United States Department of Education.

(e) "Director" means the director of the Inclusive Higher Education Technical Assistance Center.

(f) "Inclusive higher education" means institution-approved access to higher education for students with an intellectual disability that allows for the same rights, privileges, experiences, benefits, and outcomes that result from a college experience the same as a matriculating student, resulting in a meaningful credential conferred by the institution of higher education. Inclusive higher education includes:

1. Academic access and inclusive instruction;

2. Person-centered planning;

3. Career development;

4. Campus engagement;

5. Self-determination;

6. Paid internships and employment;
(7) on- or off-campus living, when available to other students;

(8) campus community clubs, events, and activity participation;

(9) peer mentors and support; and

(10) a degree, certificate, or nondegree credential.

(g) "National Coordinating Center" means the federally funded National Coordinating Center, as identified in United States Code, title 20, section 1140q, that provides training and technical assistance supporting evidence-based and student-centered research and practice for inclusive higher education initiatives for students with intellectual disabilities.

(h) "Office" means the Office of Higher Education.

(i) "Student with an intellectual disability" means a student with an intellectual disability as defined in Code of Federal Regulations, title 34, section 668.231.

Subd. 2. Establishment. The commissioner must contract with the Institute on Community Integration at the University of Minnesota to establish the Inclusive Higher Education Technical Assistance Center. The purpose of the center is to increase access to self-sustaining postsecondary education options across Minnesota for students with an intellectual disability to earn meaningful credentials through degree, certificate, and nondegree initiatives leading to competitive integrated employment, genuine community membership, and more independent living. The center must:

(1) coordinate and facilitate the statewide initiative to expand and enhance inclusive higher education opportunities;

(2) provide expertise in inclusive higher education for students with an intellectual disability;

(3) provide technical assistance:

(i) to Minnesota institutions of higher education;

(ii) to local education agencies; and

(iii) as requested by the commissioner; and

(4) provide information to students with intellectual disabilities and their families.

Subd. 3. Director; advisory committee. (a) The center must name a director.

(b) The center must make hiring decisions based on the Institute on Community Integration's values of diversity and inclusion of staff with disabilities.
The director must appoint an advisory committee and seek the committee's review and recommendations on broad programmatic direction. The advisory committee must be composed of 50 percent students with an intellectual disability. The remaining positions must be filled by family members, key stakeholders, and allies. The director must convene the advisory committee at least quarterly. The advisory committee shall:

1. review and recommend inclusive higher education offerings;
2. review and recommend updates to state policy and practice;
3. document existing and potential funding sources; and
4. identify obstacles and barriers to students with an intellectual disability to access inclusive higher education opportunities.

Subd. 4. Responsibilities. (a) The center must advise and offer technical assistance to all Minnesota institutions of higher education planning or offering an inclusive higher education initiative to operate in accordance with federal requirements, the model Program Accreditation Standards for Postsecondary Education Programs for Students with Intellectual Disabilities, and guiding principles for inclusive higher education as developed by the National Coordinating Center.

(b) The center must monitor federal and state law related to inclusive higher education and notify the governor, the legislature, and the Office of Higher Education of any change in law which may impact inclusive higher education.

(c) The center must provide technical assistance to institutions of higher education, administrators, faculty, and staff by:

1. offering institution faculty and staff training and professional development to start, operate, or enhance their inclusive higher education initiative;
2. providing faculty and staff with information, training, and consultation on the comprehensive transition and postsecondary program requirements, model Program Accreditation Standards for Postsecondary Education Programs for Students with Intellectual Disabilities, and guiding principles;
3. organizing and offering learning community events, an annual inclusive higher education conference and community of practice events to share best practices, provide access to national experts, and address challenges and concerns;
(4) assisting institutions of higher education with identifying existing or potential funding sources for the institution of higher education, student financial aid, and funding for students with an intellectual disability; and

(5) advising faculty and staff with an inclusive higher education option of specific grant applications and funding opportunities.

(d) The center must disseminate information to students with an intellectual disability, their parents, and local education agencies, including but not limited to information about:

(1) postsecondary education options, services, and resources that are available at inclusive institutions of higher education;

(2) technical assistance and training provided by the center, the National Coordinating Center, and key stakeholder organizations and agencies; and

(3) mentoring, networking, and employment opportunities.

Sec. 3. [135A.162] INCLUSIVE HIGHER EDUCATION GRANTS.

Subdivision 1. Establishment. (a) The commissioner of the Office of Higher Education in collaboration with the director of the Inclusive Higher Education Technical Assistance Center must establish a competitive grant program for Minnesota institutions of higher education to develop new or enhance existing inclusive higher education initiatives to enroll or increase enrollment of students with an intellectual disability. The commissioner and director must collaborate to establish the grant program framework, including:

(1) minimum grant requirements;

(2) application format;

(3) criteria for evaluating applications;

(4) grant selection process;

(5) milestones and accountability; and

(6) reporting.

(b) The commissioner must send a description of the competitive grants, including materials describing the grant purpose and goals, an application, compliance requirements, and available funding to each institution of higher education that meets the requirements of subdivision 2, clauses (1) and (2).

Subd. 2. Eligible grantees. A public postsecondary two-year or four-year institution is eligible to apply for a grant under this section if the institution:
33.1 (1) is accredited by the Higher Learning Commission; and

33.2 (2) meets the eligibility requirements under section 136A.103.

33.3 Subd. 3. Application. (a) Applications must be made to the commissioner on a form developed and provided by the commissioner. The commissioner must, to the greatest extent possible, make the application form as short and simple to complete as is reasonably possible. The commissioner must establish a schedule for applications and grants. The application must include without limitation a written plan to develop or enhance a sustainable inclusive higher education initiative that:

33.4 (1) offers the necessary supports to students with an intellectual disability to access the same rights, privileges, experiences, benefits, and outcomes of a typically matriculating student;

33.5 (2) includes the development of a meaningful credential for students with an intellectual disability to attain upon successful completion of the student's postsecondary education;

33.6 (3) adopts admission standards that do not require a student with an intellectual disability to complete a curriculum-based, achievement college entrance exam that is administered nationwide;

33.7 (4) ensures that students with an intellectual disability:

33.8 (i) have access and choice in a wide array of academic courses to enroll in for credit or audit that align with the student's interest areas and are attended by students without disabilities;

33.9 (ii) have the option to live on or off campus in housing that is available to typically matriculating students;

33.10 (iii) have access and support for genuine membership in campus life, including events, social activities and organizations, institution facilities, and technology; and

33.11 (iv) are able to access and utilize campus resources available to typical matriculating students;

33.12 (5) provides students with an intellectual disability with the supports and experiences necessary to seek and sustain competitive integrated employment;

33.13 (6) develops and promotes the self-determination skills of students with an intellectual disability;
(7) utilizes peer mentors who support enrolled students with an intellectual disability in academic, campus engagement, residence life, employment, and campus clubs and organizations;

(8) provides professional development and resources for university professors and instructors to utilize universal design for learning and differentiated instruction that supports and benefits all students; and

(9) presents a ten-year plan including student enrollment projections for sustainability of an initiative that is financially accessible and equitable for all interested students with an intellectual disability.

(b) Eligible institutions of higher education may apply for funding in subsequent years for up to a total of ten years of funding.

(c) Receipt of grant funds does not preclude nor replace the provision of accommodation for enrolled students with disabilities.

Subd. 4. Grant account. An inclusive higher education grant account is created in the special revenue fund for depositing money appropriated to or received by the commissioner for the program. Money deposited in the account is appropriated to the commissioner, does not cancel, and is continuously available for grants under this section. The commissioner may use up to five percent of the amount deposited into the account for the administration of this section.

Subd. 5. Grant awards. (a) The commissioner must award grants to eligible institutions of higher education on a competitive basis using criteria established in collaboration with the center. The commissioner must consider and prioritize applicants that have submitted for or received a comprehensive transition and postsecondary program designation, or applicants with documented progress or intent toward submitting for federal approval. An eligible institution of higher education may apply annually for and receive up to $200,000 per year for four years and $100,000 in subsequent years pending performance and the funding limitation in subdivision 3, paragraph (b).

(b) A grant recipient must:

(1) adopt the model Program Accreditation Standards for Postsecondary Education Programs for Students with Intellectual Disabilities and the inclusive higher education guiding principles as developed by the National Coordinating Center;

(2) provide a 25 percent match for the grant funds, either monetary or in-kind; and
35.1 (3) collaborate with the Office of Higher Education, the center, and key stakeholders in the development of the inclusive higher education initiative.

35.3 Subd. 6. Grantee reporting. By August 1 and January 1 following a fiscal year in which a grant was received and for five years thereafter, the grantee must submit a report to the director that includes the status and outcomes of the initiative funded. The report must include performance indicators and information deemed relevant by the director and commissioner. The report must include the following performance indicators:

35.8 (1) student recruitment and number of students enrolled;

35.9 (2) student retention effort and retention rate;

35.10 (3) initiative goals and outcomes;

35.11 (4) student attainment rate;

35.12 (5) graduated student employment rates and salary levels at year one and year five after completion; and

35.14 (6) additional performance indicators or information established under subdivision 1, paragraph (a), clauses (5) and (6).

35.16 Subd. 7. Reporting. The director must evaluate the development and implementation of the Minnesota inclusive higher education initiatives receiving a grant under this section. The director must submit an annual report by October 1 on the progress to expand Minnesota inclusive higher education options for students with intellectual disabilities to the commissioner and chairs and ranking minority members of the legislative committees with jurisdiction over higher education policy and finance. The report must include statutory and budget recommendations.

35.23 EFFECTIVE DATE. This section is effective July 1, 2023, except that the reporting requirements under subdivision 7 are effective July 1, 2024.

35.25 Sec. 4. Minnesota Statutes 2022, section 136A.101, subdivision 5a, is amended to read:

35.26 Subd. 5a. Assigned family responsibility. "Assigned family responsibility" means the amount of a family's contribution to a student's cost of attendance, as determined by a federal need analysis. For dependent students, the assigned family responsibility is 79 percent of the parental contribution. If the parental contribution is less than $0, the assigned family responsibility is 100 percent of the parental contribution. For independent students with dependents other than a spouse, the assigned family responsibility is 71 percent of the student contribution. For independent students without dependents other than a spouse, the assigned

Article 2 Sec. 4.
family responsibility is 35 percent of the student contribution. If the student contribution is
less than $0, the assigned family responsibility is 100 percent of the student contribution.
For a student registering for less than full time, the office shall prorate the assigned family
responsibility using the ratio of the number of credits the student is enrolled in to the number
of credits for full-time enrollment.

Sec. 5. Minnesota Statutes 2022, section 136A.101, subdivision 7, is amended to read:

Subd. 7. Student. "Student" means a person who is enrolled for at least three credits
one credit per term, in a program or course of study that applies to a degree, diploma, or
certificate. Credit equivalencies assigned by an institution that are applicable to federal Pell
grant calculations shall be counted as part of a student's credit load.

Sec. 6. Minnesota Statutes 2022, section 136A.121, subdivision 6, is amended to read:

Subd. 6. Cost of attendance. (a) The recognized cost of attendance consists of: (1) an
allowance specified in law for living and miscellaneous expenses, and (2) an allowance for
tuition and fees equal to the lesser of the average tuition and fees charged by the institution,
or a tuition and fee maximum if one is established in law. If no living and miscellaneous
expense allowance is established in law, the allowance is equal to 109–115 percent of the
federal poverty guidelines for a one person household in Minnesota for nine months. If no
tuition and fee maximum is established in law, the allowance for tuition and fees is equal
to the lesser of: (1) the average tuition and fees charged by the institution, and (2) for
two-year programs, an amount equal to the highest tuition and fees charged at a public
two-year institution, or for four-year programs, an amount equal to the highest tuition and
fees charged at a public university.

(b) For a student registering for less than full time, the office shall prorate the cost of
attendance to the actual number of credits for which the student is enrolled using the ratio
of the number of credits the student is enrolled in to the number of credits for full-time
enrollment.

(c) The recognized cost of attendance for a student who is confined to a Minnesota
correctional institution shall consist of the tuition and fee component in paragraph (a), with
no allowance for living and miscellaneous expenses.

(d) For the purpose of this subdivision, "fees" include only those fees that are mandatory
and charged to full-time resident students attending the institution. Fees do not include
charges for tools, equipment, computers, or other similar materials where the student retains
ownership. Fees include charges for these materials if the institution retains ownership. Fees do not include optional or punitive fees.

Sec. 7. Minnesota Statutes 2022, section 136A.121, subdivision 9, is amended to read:

Subd. 9. Awards. An undergraduate student who meets the office's requirements is eligible to apply for and receive a grant in any year of undergraduate study unless the student has obtained a baccalaureate degree or previously has been enrolled full time or the equivalent for eight semesters or the equivalent previously has received a state grant award for 180 credits or the equivalent, excluding (1) courses taken from a Minnesota school or postsecondary institution which is not participating in the state grant program and from which a student transferred no credit, and (2) courses taken that qualify as developmental education or below college-level. A student enrolled in a two-year program at a four-year institution is only eligible for the tuition and fee maximums established by law for two-year institutions.

Sec. 8. Minnesota Statutes 2022, section 136A.121, subdivision 13, is amended to read:

Subd. 13. Deadline. The deadline for the office to accept applications for state grants for a term is 30 days after the start of that term June 30 of the fiscal year for which the student applies for a grant.

Sec. 9. Minnesota Statutes 2022, section 136A.1241, subdivision 5, is amended to read:

Subd. 5. Foster grant amount; payment; opt-out. (a) Each student shall be awarded a foster grant based on the federal need analysis. Applicants are encouraged to apply for all other sources of financial aid. The amount of the foster grant must be equal to the applicant's recognized cost of attendance after deducting accounting for:

1. the student aid index as calculated by results of the federal need analysis;
2. the amount of a federal Pell Grant award for which the applicant is eligible;
3. the amount of the state grant;
4. the Federal Supplemental Educational Opportunity Grant;
5. the sum of all Tribal scholarships;
6. the amount of any other state and federal gift aid;
7. the Education and Training Voucher Program;
8. extended foster care benefits under section 260C.451;
(9) the amount of any private grants or scholarships, excluding grants and scholarships provided by the private institution of higher education in which the eligible student is enrolled; and

(10) for public institutions, the sum of all institutional grants, scholarships, tuition waivers, and tuition remission amounts.

(b) The foster grant shall be paid directly to the eligible institution where the student is enrolled.

(c) An eligible private institution may opt out of participating in the foster grant program established under this section. To opt out, the institution shall provide notice to the office by September 1 for the next academic year.

(d) An eligible private institution that does not opt out under paragraph (c) and accepts the student's application to attend the institution must provide institutional grants, scholarships, tuition waivers, or tuition remission in an amount equal to the difference between:

(1) the institution's cost of attendance as calculated under subdivision 4, paragraph (b), clause (1); and

(2) the sum of the foster grant under this subdivision and the sum of the amounts in paragraph (a), clauses (1) to (9).

(e) An undergraduate student who is eligible may apply for and receive a foster grant in any year of undergraduate study unless the student has obtained a baccalaureate degree or previously has been enrolled full time as defined in section 136A.101, subdivision 7a, or the equivalent for eight semesters or the equivalent, or received a foster grant for five years, whichever occurs first. A foster grant must not be awarded to a student for more than three years for a two-year degree, certificate, or diploma, or five years for a four-year undergraduate degree.

(f) Foster grants may be awarded to an eligible student for four quarters, three semesters, or the equivalent during the course of a single fiscal year. In calculating the award amount, the office must use the same calculation it would for any other term.
officer may apply to the office for approval to increase grants by up to ten percent to compensate for higher market charges for infant care in a community.

(b) Applicants with expected family contributions at or below the qualifying expected family contribution as determined by the federal need analysis for the federal Pell Grant, as determined by the commissioner, qualify for the maximum award. Applicants with expected family contributions as determined by the federal need analysis exceeding that threshold but less than 200 percent of the qualifying expected family contribution receive an amount proportional to their expected family contribution as determined by the commissioner.

(c) The academic year award amount must be disbursed by academic term using the following formula:

1. the academic year amount described in paragraph (a);
2. divided by the number of terms in the academic year; and
3. multiplied by the applicable enrollment factor:
   i. 1.00 for undergraduate students enrolled in 12 or more semester credits or the equivalent or for graduate students enrolled in six or more semester credits or the equivalent;
   ii. 0.75 for undergraduate students enrolled in nine, ten, or 11 semester credits or the equivalent or for graduate students enrolled in five semester credits or the equivalent;
   iii. 0.50 for undergraduate students enrolled in six, seven, or eight semester credits or the equivalent or for graduate students enrolled in three or four semester credits or the equivalent; and
   iv. 0.25 for undergraduate students enrolled in at least one but less than six semester credits or the equivalent or for graduate students enrolled in one or two semester credits or the equivalent.

(d) Payments shall be made each academic term to the student or to the child care provider, as determined by the institution. Institutions may make payments more than once within the academic term.

Sec. 11. [136A.1251] STUDENT-PARENT SUPPORT INITIATIVE.

Subdivision 1. Grants. (a) To address the needs and support the educational goals of expectant and parenting college students across Minnesota, the commissioner shall award grants and provide support services to institutions and partnering entities that assist expectant parents and parents of young children. Grants shall be awarded to postsecondary institutions,
professional organizations, community-based organizations, or other applicants deemed appropriate by the commissioner. Grants must be used to offer services to support the academic goals, health, and well-being of student parents. Services and costs eligible for grant funding include but are not limited to:

1. program development costs;
2. costs related to the start-up of on-campus child care;
3. evaluation and data collection; and
4. direct assistance to student parents including:
   i. scholarships;
   ii. basic needs support; and
   iii. expenses related to child care.

(b) Postsecondary institutions may act as the fiscal agents in partnership with a local nongovernmental agency, child care center, or other organization that serves student parents.

Subd. 2. Application process. The commissioner shall develop a grant application process. The commissioner shall support projects in a manner that attempts to ensure eligible students throughout the state have access to program services.

Subd. 3. Health-related supports. The commissioner, in partnership with the Department of Health, shall provide health-related supports. Activities for health-related supports include:

1. ensuring programs, services, and materials are medically accurate, age appropriate, culturally and linguistically appropriate, and inclusive of all populations;
2. working with community health care providers and other service support organizations that serve the target population for this program; and
3. providing technical assistance and training for institutional parent support center staff on how to conduct screenings and referrals for the health concerns of student parents, including alcohol misuse, substance use disorders, depression, anxiety, intimate partner violence, tobacco and nicotine, and other health concerns.

Subd. 4. Report and evaluation. By August 1 of each odd-numbered year, the commissioner shall submit a report to the chairs and ranking minority members of the legislative committees with jurisdiction over higher education finance regarding the grant recipients and their activities. The report shall include information about the students served, the organizations providing services, program activities, program goals, and outcomes.
Sec. 12. Minnesota Statutes 2022, section 136A.126, subdivision 4, is amended to read:

Subd. 4. Award amount. (a) Each student shall be awarded a scholarship based on the federal need analysis. Applicants are encouraged to apply for all other sources of financial aid. The amount of the award must not exceed the applicant's cost of attendance, as defined in subdivision 3, after accounting for:

(1) the expected family contribution as calculated by results of the federal need analysis;
(2) the amount of a federal Pell Grant award for which the applicant is eligible;
(3) the amount of the state grant;
(4) the federal Supplemental Educational Opportunity Grant;
(5) the sum of all institutional grants, scholarships, tuition waivers, and tuition remission amounts;
(6) the sum of all Tribal scholarships;
(7) the amount of any other state and federal gift aid; and
(8) the amount of any private grants or scholarships.

(b) The award shall be paid directly to the postsecondary institution where the student receives federal financial aid.

(c) Awards are limited as follows:

(1) the maximum award for an undergraduate is $4,000 per academic year;
(2) the maximum award for a graduate student is $6,000 per academic year; and
(3) the minimum award for all students is $100 per academic year.

(d) Scholarships may not be given to any Indian student for more than three years of study for a two-year degree, certificate, or diploma program or five years of study for a four-year degree program at the undergraduate level and for more than five years at the graduate level. Students may acquire only one degree per level and one terminal graduate degree. Scholarships may not be given to any student for more than ten years including five years of undergraduate study and five years of graduate study.

(e) Scholarships may be given to an eligible student for four quarters, three semesters, or the equivalent during the course of a single fiscal year. In calculating the award amount, the office must use the same calculation it would for any other term.
Sec. 13. Minnesota Statutes 2022, section 136A.1312, is amended to read:

136A.1312 FINANCIAL AID ADMINISTRATOR, PROFESSIONAL JUDGMENT.

Nothing in this chapter or in the office's rules shall be interpreted as limiting the ability
of student financial aid administrators, on the basis of adequate documentation, to make
necessary adjustments to the cost of attendance and expected family contribution
computations; adjust a student's dependency status or elements of a student's cost of attendance
for federal needs analysis calculation to allow for treatment of individual students with
special circumstances, with the exception of the cost of attendance defined under section
136A.121, subdivision 6. In addition, nothing in this chapter or in the office's rules shall be
interpreted as limiting the ability of the student financial aid administrator to use
supplementary information about the financial status of eligible applicants with special
circumstances in selecting recipients of state financial aid and determining the amount of
awards. Nothing in this section precludes a financial aid administrator from establishing an
appeals process for other extenuating circumstances.

Sec. 14. Minnesota Statutes 2022, section 136A.1791, subdivision 3a, is amended to read:

Subd. 3a. Eligibility. To be eligible for a disbursement under this section, a teacher must
belong to a racial or ethnic group underrepresented in the Minnesota teacher workforce;
teach. To the extent that funds are available, a teacher who teaches in a rural school district,
or teach teaches in a license shortage area may also be eligible for a disbursement under
this section.

Sec. 15. Minnesota Statutes 2022, section 136A.246, subdivision 4, is amended to read:

Subd. 4. Application. Applications must be made to the commissioner on a form provided
by the commissioner. The commissioner must, to the extent possible, make the application
form as short and simple to complete as is reasonably possible. The commissioner shall
establish a schedule for applications and grants. The application must include, without
limitation:

(1) the projected number of employee trainees;
(2) the competency standard for which training will be provided;
(3) the credential the employee will receive upon completion of training;
(4) the name and address of the eligible training provider;
(5) the period of the training; and
(6) the cost of the training charged by the eligible training provider. The cost of training includes tuition, fees, and required and recommended books and materials.

An application may be made for training of employees of multiple employers either by the employers or by an organization on their behalf.

Sec. 16. Minnesota Statutes 2022, section 136A.246, subdivision 5, is amended to read:

Subd. 5. Grant criteria. (a) The commissioner shall make at least an approximately equal dollar amount of grants for training for employees whose work site is projected to be outside the metropolitan area as defined in section 473.121, subdivision 2, as for employees whose work site is projected to be within the metropolitan area.

(b) In determining the award of grants, the commissioner must consider, among other factors:

1. the aggregate state and regional need for employees with the competency to be trained;

2. the competency standards developed by the commissioner of labor and industry as part of the Minnesota PIPELINE Project dual-training pipeline program;

3. the per employee cost of training;

4. the additional employment opportunities for employees because of the training;

5. the on-the-job training the employee receives;

6. the employer's demonstrated ability to recruit, train, and retain employees who are recent high school graduates or who recently passed high school equivalency tests;

7. projected increases in compensation for employees receiving the training; and

8. the amount of employer training cost match, if required, on both a per employee and aggregate basis; and

9. the employer's demonstrated ability to recruit, train, and retain employees who are employees of color, American Indian employees, and employees with disabilities.

Sec. 17. Minnesota Statutes 2022, section 136A.246, subdivision 6, is amended to read:

Subd. 6. Employer match. A large employer must pay for at least 25 percent of the eligible training provider's charge for the eligible training to the provider.

For the purpose of this subdivision, a "large employer" means a business with more than $25,000,000 in annual gross revenue in the previous calendar year.
Sec. 18. Minnesota Statutes 2022, section 136A.246, subdivision 8, is amended to read:

Subd. 8. Grant amounts. (a) The maximum grant for an application for the cost of training is $150,000. The maximum grant for an application for trainee support is ten percent of the grant amount for the cost of training. The maximum total grant per application is $165,000. A grant may not exceed $6,000 per year for a maximum of four years $24,000 per employee.

(b) An employee who is attending an eligible training provider that is an institution under section 136A.103 must apply for Pell and state grants as a condition of payment for training that employee under this section.

Sec. 19. [136A.84] DIRECT ADMISSIONS PROGRAM.

Subdivision 1. Authorization. The commissioner shall administer the direct admissions program in consultation with stakeholders, including Minnesota State Colleges and Universities, the University of Minnesota, the Student Advisory Council under section 136A.031, the Minnesota Department of Education, the Minnesota Association of Secondary School Principals, and the Minnesota School Board Association, to automatically offer conditional admission into Minnesota public colleges and universities to Minnesota high school seniors based on a student's high school grade point average, high school and college transcript information, standardized tests, statewide assessments, and other measures as determined by stakeholders.

Subd. 2. Implementation. The program shall establish and, to the extent feasible, implement a process for leveraging existing kindergarten through grade 12 and higher education student information systems to automate the admissions process for students. The program must specifically evaluate the impact this process has on outcomes for students with lower levels of college knowledge, low-income students, and students from populations underserved in higher education. The office shall attempt to achieve statewide representation and may prioritize program participants to include high schools with a significant number of students of color, low-income students, or both.

Subd. 3. Report. Annually, by February 1, the Office of Higher Education shall report to the legislative committees with jurisdiction over kindergarten through grade 12 education finance and policy and higher education on activities occurring under this section. The report must include but is not limited to information about implementation, recommendations, and outcomes.
Sec. 20. Minnesota Statutes 2022, section 136F.04, subdivision 1, is amended to read:

Subdivision 1. **Responsibility.** Notwithstanding section 136F.03, The State University Student Association and the State College Student Association shall each have the responsibility for recruiting, screening, and recommending qualified candidates for their student members of the board.

Sec. 21. Minnesota Statutes 2022, section 136F.38, subdivision 3, is amended to read:

Subd. 3. **Program eligibility.** (a) Scholarships shall be awarded only to a student eligible for resident tuition, as defined in section 135A.043, who is enrolled in any of the following programs of study or certification: (1) advanced manufacturing; (2) agriculture; (3) health care services; (4) information technology; (5) early childhood; (6) transportation; or (7) construction; (8) education; (9) public safety; or (10) a program of study under paragraph (b).

(b) Each institution may add one additional area of study or certification, based on a workforce shortage for full-time employment requiring postsecondary education that is unique to the institution's specific region, as reported in the most recent Department of Employment and Economic Development job vacancy survey data for the economic development region in which the institution is located. A workforce shortage area is one in which the job vacancy rate for full-time employment in a specific occupation in a region is higher than the state average vacancy rate for that same occupation. The institution may change the area of study or certification based on new data once every two years.

(c) The student must be in an eligible field enrolled for at least nine credits in a two-year college in the Minnesota State Colleges and Universities system to be eligible for first- and second-year scholarships of $2,500.

(d) The student is eligible for a one-year transfer scholarship if the student transfers from a two-year college after two or more terms, and the student is enrolled for at least nine credits in a four-year university in the Minnesota State Colleges and Universities system.

(e) A student in an eligible field enrolled in a select short-term credit and noncredit certificate program may receive scholarships of up to $1,500 or the full cost of instruction and credit for prior learning fees, whichever is less.
Sec. 22. Minnesota Statutes 2022, section 136F.38, subdivision 4, is amended to read:

Subd. 4. Renewal; cap. A student who has received a scholarship may apply again but total lifetime awards are not to exceed $7,500 $12,000 per student. Students may only be awarded a second scholarship upon completion of two academic terms. Students may be awarded a third scholarship if the student transfers to a corresponding program at a Minnesota state university.

Sec. 23. Minnesota Statutes 2022, section 136F.38, subdivision 5, is amended to read:

Subd. 5. Administration. (a) The board shall establish an application process and other guidelines for implementing this program.

(b) The board shall give preference to students in financial need.

(c) Up to 1.5 percent of funds appropriated for this program may be used for the administration of this program, including outreach to students and promotion of programs where graduates and certificate holders are currently most needed.

Sec. 24. Minnesota Statutes 2022, section 175.45, subdivision 1, is amended to read:

Subdivision 1. Duties; goal. The commissioner of labor and industry shall convene industry representatives, identify occupational competency standards, and provide technical assistance to develop dual-training programs. The competency standards shall be identified for employment in occupations in advanced manufacturing, health care services, information technology, agriculture, transportation, and child care. Competency standards are not rules and are exempt from the rulemaking provisions of chapter 14, and the provisions in section 14.386 concerning exempt rules do not apply.

Sec. 25. Minnesota Statutes 2022, section 354B.23, subdivision 3, is amended to read:

Subd. 3. Employer contribution rate. The employer contribution rate on behalf of participants in the individual retirement account plan is 8.75 percent of salary.

EFFECTIVE DATE. This section is effective the day following final enactment and applies at the beginning of the next full pay period.

Sec. 26. PARAMEDIC SCHOLARSHIP PROGRAM.

Subdivision 1. Establishment. The commissioner of the Office of Higher Education shall establish a program to provide up to 600 scholarships to students entering paramedic programs by 2026.
Subd. 2. Eligible students. (a) To be eligible for a scholarship under this section, a student must:

1. apply in the form and manner specified by the commissioner;
2. be a resident student, as defined by Minnesota Statutes, section 136A.101, subdivision 8;
3. attend an eligible institution, as defined by Minnesota Statutes, section 136A.101, subdivision 4;
4. be enrolled in a nationally accredited, degree- or diploma-awarding paramedic program at that institution; and
5. submit to the commissioner a completed affidavit, prescribed by the commissioner, affirming the student's intent to work as a paramedic in Minnesota after graduation.

(b) An eligible student may receive a scholarship under this section no more than two times.

Subd. 3. Administration; award amount. (a) The commissioner must establish an application process and other guidelines for implementing the paramedic scholarship program. The first set of scholarships must be awarded for the 2024-2025 academic year.

(b) The amount of a scholarship awarded under this section is $5,000. The scholarship must be paid in a lump sum directly to the institution where the recipient is enrolled.

Subd. 4. Reporting. By February 1, 2025, and again by February 1, 2026, the commissioner must submit a report on the program to the chairs and ranking minority members of the legislative committees with jurisdiction over higher education finance and policy. The report must include the following information and any other information the commissioner considers relevant:

1. information about all postsecondary programs giving rise to eligibility for a scholarship under this section, including the programs' locations, costs, enrollment capacities, acceptance rates, and other relevant information;
2. available data on the current and forecasted demand for paramedics in Minnesota;
3. the total number of scholarships issued, disaggregated by:
   i. year of award;
   ii. postsecondary institution attended; and
(iii) relevant and available demographic data about award recipients.

Subd. 5. **Expiration.** This section expires June 30, 2026.

Sec. 27. **ALLIED HEALTH TECHNICIAN SCHOLARSHIP PROGRAM.**

Subdivision 1. **Establishment.** The commissioner of the Office of Higher Education shall establish a program to provide up to 1,000 scholarships to students entering specified health technician programs by 2026.

Subd. 2. **Eligible students.** (a) To be eligible for a scholarship under this section, a student must:

(1) apply in the form and manner specified by the commissioner;

(2) be a resident student, as defined by Minnesota Statutes, section 136A.101, subdivision 8;

(3) attend an eligible institution, as defined by Minnesota Statutes, section 136A.101, subdivision 4;

(4) be enrolled in the student's first term in a nationally accredited degree, diploma, or certificate program in one of the following health technician fields:

(i) medical laboratory technologist;

(ii) medical laboratory technician;

(iii) respiratory therapist;

(iv) radiology technologist; or

(v) surgical technologist; and

(5) submit to the commissioner a completed affidavit, prescribed by the commissioner, affirming the student's intent to work in Minnesota in the specified health technician field following graduation.

(b) A student may receive a scholarship under this section only once.

Subd. 3. **Administration; award amount.** (a) The commissioner must establish an application process and other guidelines for implementing this program. The first set of scholarships must be awarded for the 2024-2025 academic year.

(b) The amount of a scholarship awarded under this section is $5,000. The scholarship shall be paid in a lump sum directly to the institution where the recipient is enrolled.
Subd. 4. **Reporting.** By February 1, 2025, and again by February 1, 2026, the commissioner must submit a report on the program to the chairs and ranking minority members of the legislative committees with jurisdiction over higher education finance and policy. The report must include the following information as well as any other information the commissioner considers relevant:

1. information about all postsecondary health technician programs giving rise to eligibility for a scholarship under this section, including the programs' locations, costs, enrollment capacities, acceptance rates, and other relevant information;

2. available data on the current and forecasted demand for health technicians in Minnesota; and

3. the total number of scholarships issued broken out by:
   i. year of award;
   ii. postsecondary institution attended;
   iii. health technician field; and
   iv. relevant and available demographic data about award recipients.

Subd. 5. **Expiration.** This section expires June 30, 2026.

Sec. 28. **UNEMPLOYMENT INSURANCE AID REPORTS.**

By January 15 of each year, the Board of Regents of the University of Minnesota, the Board of Trustees of the Minnesota State Colleges and Universities, and the Office of Higher Education, in consultation with the Department of Employment and Economic Development, must each report to the higher education committees of the legislature the balances in unemployment insurance aid accounts and information about the annual changes in reimbursable costs for higher education workers receiving unemployment insurance benefits. To the extent possible, the report must break out the costs by campus and major job classes. The report must be filed according to Minnesota Statutes, section 3.195.

Sec. 29. **HIGHER EDUCATION BONDING POLICY.**

It is the policy of the legislature that:

1. an appropriation from the bond proceeds fund to either the Board of Regents of the University of Minnesota or the Board of Trustees of the Minnesota State Colleges and Universities shall fund the full cost of projects benefiting institutions within those public postsecondary systems; and
(2) neither the Board of Regents of the University of Minnesota nor the Board of Trustees of the Minnesota State Colleges and Universities shall be obligated to pay debt service on the principal amount of state general obligation bonds sold to finance projects benefiting institutions within those public postsecondary systems.

**EFFECTIVE DATE.** This section is effective January 1, 2024, and applies to appropriations of bond proceeds on or after that date.

Sec. 30. **REPEALER.**

Minnesota Statutes 2022, sections 136F.03; and 136F.38, subdivision 2, are repealed.
136F.03 CANDIDATE ADVISORY COUNCIL.

Subdivision 1. Purpose. A Candidate Advisory Council for the board shall assist the governor in determining criteria for, and identifying and recruiting qualified candidates for, nonstudent membership on the board.

Subd. 2. Membership. The advisory council consists of 24 members. Twelve members are appointed by the Subcommittee on Committees of the Committee on Rules and Administration of the senate. Twelve members are appointed by the speaker of the house. No more than one-third of the members appointed by each appointing authority may be current or former legislators. No more than two-thirds of the members appointed by each appointing authority may belong to the same political party; however, political activity or affiliation is not required for the appointment of a member. Geographical representation must be taken into consideration when making appointments. Section 15.0575 governs the advisory council, except that the members must be appointed to six-year terms.

Subd. 3. Duties. (a) The advisory council shall:

(1) develop a statement of the selection criteria to be applied and a description of the responsibilities and duties of a member of the board and shall distribute this to potential candidates; and

(2) for each position on the board, identify and recruit qualified candidates for the board, based on the background and experience of the candidates, and their potential for discharging the responsibilities of a member of the board.

(b) Selection criteria developed under this section must include the requirement that trustees represent diversity in geography, gender, race, occupation, and experience.

(c) Selection criteria developed under this section must also include the identification of the membership needs of the board for individual skills relevant to the governance of the Minnesota State Colleges and Universities and the needs for certain individual characteristics that include geographic location, gender, race, occupation, and experience.

Subd. 4. Recommendations. Except for seats filled under sections 136F.04 and 136F.045, the advisory council shall recommend at least two and not more than four candidates for each seat. By April 15 of each even-numbered year in which the governor makes appointments to the board, the advisory council shall submit its recommendations to the governor and to the chairs and ranking minority members of the legislative committees with primary jurisdiction over higher education policy and finance. The governor is not bound by these recommendations.

Subd. 5. Support services. The Legislative Coordinating Commission shall provide administrative and support services for the advisory council.

136F.38 WORKFORCE DEVELOPMENT SCHOLARSHIPS.

Subd. 2. Scholarship awards. The program shall award scholarships at the beginning of an academic term, in the amount of $2,500, to be distributed evenly between two terms.
